

1
00:00:15,500 --> 00:00:13,749
[Music]

2
00:00:33,910 --> 00:00:15,510
thank you

3
00:00:35,340 --> 00:00:33,920
[Music]

4
00:00:43,490 --> 00:00:35,350
thank you

5
00:00:56,510 --> 00:00:53,810
[Music]

6
00:00:59,869 --> 00:00:56,520
my personal belief is that there is very

7
00:01:00,709 --> 00:00:59,879
compelling evidence that we we may not

8
00:01:03,410 --> 00:01:00,719
be alone

9
00:01:05,509 --> 00:01:03,420
explosive claims that the government has

10
00:01:08,030 --> 00:01:05,519
been covering up evidence of alien

11
00:01:10,550 --> 00:01:08,040
spacecraft a U.S intelligence officer

12
00:01:12,890 --> 00:01:10,560
who has turned whistleblower reveals

13
00:01:15,289 --> 00:01:12,900

that the American government has UFOs

14

00:01:17,870 --> 00:01:15,299

for real the U.S military has been

15

00:01:19,550 --> 00:01:17,880

retrieving craft of non-human origin for

16

00:01:21,850 --> 00:01:19,560

at least several decades Harry

17

00:01:25,789 --> 00:01:21,860

whistleblower has made a new claim about

18

00:01:27,710 --> 00:01:25,799

a United States U.S UFO retrieval

19

00:01:30,230 --> 00:01:27,720

program a former U.S intelligence

20

00:01:32,570 --> 00:01:30,240

official and Air Force veteran claims a

21

00:01:34,550 --> 00:01:32,580

top secret program is withholding

22

00:01:36,530 --> 00:01:34,560

evidence of alien spacecraft

23

00:01:39,530 --> 00:01:36,540

intelligence official is going public

24

00:01:42,109 --> 00:01:39,540

about a secret government UFO recovery

25

00:01:44,810 --> 00:01:42,119

program a top secret program is

26

00:01:46,490 --> 00:01:44,820

withholding alien spacecrafts from the

27

00:01:48,469 --> 00:01:46,500

government who's out there we've heard

28

00:01:50,749 --> 00:01:48,479

that before in a military whistleblower

29

00:01:52,910 --> 00:01:50,759

is alleging a top secret out of this

30

00:01:55,010 --> 00:01:52,920

world claim a former military officer

31

00:01:56,929 --> 00:01:55,020

turned whistleblower says the U.S

32

00:01:59,630 --> 00:01:56,939

government has been covering up evidence

33

00:02:01,850 --> 00:01:59,640

of alien space whistleblower claim that

34

00:02:05,090 --> 00:02:01,860

the United States has a UFO retrieval

35

00:02:07,609 --> 00:02:05,100

program UFO retrieval program and a huge

36

00:02:08,809 --> 00:02:07,619

government coverage I saw it I said

37

00:02:11,150 --> 00:02:08,819

there was something else in front of me

38

00:02:13,130 --> 00:02:11,160

that I were outside the spacecraft that

39

00:02:14,630 --> 00:02:13,140

I couldn't identify and I never have

40

00:02:16,610 --> 00:02:14,640

been able to identify and I don't think

41

00:02:18,830 --> 00:02:16,620

anybody ever would but I was surprised

42

00:02:20,930 --> 00:02:18,840

to find thousands of U.S government

43

00:02:23,510 --> 00:02:20,940

documents from intelligence agencies

44

00:02:25,369 --> 00:02:23,520

that tended to indicate that there was a

45

00:02:27,530 --> 00:02:25,379

little bit more to this than met the eye

46

00:02:29,089 --> 00:02:27,540

so I went to seek guidance from the

47

00:02:31,610 --> 00:02:29,099

various highest levels of the United

48

00:02:33,229 --> 00:02:31,620

States intelligence community and uh I

49

00:02:36,170 --> 00:02:33,239

was quite alarmed at what I was able to

50

00:02:37,910 --> 00:02:36,180

learn I had contacted Admiral Bobby Ray

51
00:02:39,410 --> 00:02:37,920
Inman who was the head of the National

52
00:02:42,470 --> 00:02:39,420
Security Agency in the United States

53
00:02:43,910 --> 00:02:42,480
Deputy directorate CIA director of Naval

54
00:02:46,970 --> 00:02:43,920
intelligence and a variety of

55
00:02:49,390 --> 00:02:46,980
intelligence posts a technologist and

56
00:02:52,690 --> 00:02:49,400
clearly someone that if this was really

57
00:02:55,430 --> 00:02:52,700
accurate that there really were UFOs and

58
00:02:57,650 --> 00:02:55,440
non-human intelligence around this is a

59
00:02:59,930 --> 00:02:57,660
man who had to know so I was able to

60
00:03:04,009 --> 00:02:59,940
contact him thanks to uh contact through

61
00:03:07,790 --> 00:03:04,019
Admiral Lord Norton here in the UK and

62
00:03:10,250 --> 00:03:07,800
this conversation he alarmingly not only

63
00:03:12,229 --> 00:03:10,260

indicated that these issues were covered

64

00:03:13,550 --> 00:03:12,239

under National secrecy laws but that the

65

00:03:15,470 --> 00:03:13,560

United States government did in fact

66

00:03:18,910 --> 00:03:15,480

have possession of the hardware

67

00:03:21,470 --> 00:03:18,920

associated with this in other words

68

00:03:23,390 --> 00:03:21,480

our little green men that's not the ones

69

00:03:25,670 --> 00:03:23,400

we usually see though we see the little

70

00:03:27,890 --> 00:03:25,680

gray ones that are about four and a half

71

00:03:29,390 --> 00:03:27,900

feet tall we see the ones that are

72

00:03:31,250 --> 00:03:29,400

called the nordics they're about seven

73

00:03:33,470 --> 00:03:31,260

feet tall look like us but they're

74

00:03:35,270 --> 00:03:33,480

invariably blonde hair and blue eyed

75

00:03:36,410 --> 00:03:35,280

they're one of the species that we have

76

00:03:39,110 --> 00:03:36,420

on Ice

77

00:03:41,390 --> 00:03:39,120

um one of their crashes we recovered of

78

00:03:43,670 --> 00:03:41,400

the army under General Trudeau Arthur

79

00:03:45,050 --> 00:03:43,680

Trudeau and they drew me back in to put

80

00:03:47,270 --> 00:03:45,060

me in charge bed and established a

81

00:03:49,250 --> 00:03:47,280

foreign technology division for me

82

00:03:52,930 --> 00:03:49,260

and these were the artifacts on the

83

00:03:55,910 --> 00:03:52,940

Flying Saucer which we

84

00:03:57,649 --> 00:03:55,920

use the word applied engineering with Dr

85

00:04:00,229 --> 00:03:57,659

Tello still alive knows he helped him

86

00:04:01,670 --> 00:04:00,239

and we fed these things he gave me the

87

00:04:03,770 --> 00:04:01,680

job of finding

88

00:04:06,589 --> 00:04:03,780

industry or scientists that were close

89

00:04:08,210 --> 00:04:06,599

to these items and feed us to them in a

90

00:04:09,410 --> 00:04:08,220

normal r d projects and you're saying

91

00:04:11,990 --> 00:04:09,420

these items came from somewhere else

92

00:04:14,210 --> 00:04:12,000

they came from a fine saucer how do you

93

00:04:16,509 --> 00:04:14,220

know that because they were marked in

94

00:04:19,670 --> 00:04:16,519

the fouts that's coming from New Mexico

95

00:04:21,349 --> 00:04:19,680

Roswell yes Roswell well I think some

96

00:04:23,210 --> 00:04:21,359

came to remember another crash but these

97

00:04:24,550 --> 00:04:23,220

were came from New Mexico and Roswell

98

00:04:27,290 --> 00:04:24,560

especially

99

00:04:30,110 --> 00:04:27,300

the the number one

100

00:04:32,390 --> 00:04:30,120

was the integrated circuit number two in

101
00:04:35,030 --> 00:04:32,400
importance was laser because I had some

102
00:04:38,090 --> 00:04:35,040
laser instruments also then fiber optics

103
00:04:40,730 --> 00:04:38,100
came out of this the

104
00:04:42,170 --> 00:04:40,740
uh Imaging devices or my viewing devices

105
00:04:44,090 --> 00:04:42,180
came from this

106
00:04:45,830 --> 00:04:44,100
some of the work we did electromagnetism

107
00:04:47,090 --> 00:04:45,840
in the icbms

108
00:04:49,610 --> 00:04:47,100
and

109
00:04:51,710 --> 00:04:49,620
came from this

110
00:04:53,450 --> 00:04:51,720
I went to Atomic engine but we still

111
00:04:55,610 --> 00:04:53,460
kept developing atomics and we did the

112
00:04:57,230 --> 00:04:55,620
ion engine and some other things that

113
00:04:59,990 --> 00:04:57,240

could maybe the world could use today

114

00:05:01,189 --> 00:05:00,000

and then later interviews if you let the

115

00:05:02,450 --> 00:05:01,199

government alone it'll cover a cell

116

00:05:05,270 --> 00:05:02,460

phone

117

00:05:07,969 --> 00:05:05,280

really the way we handled it one was a

118

00:05:09,469 --> 00:05:07,979

climate of opinion as I said the other

119

00:05:10,610 --> 00:05:09,479

was within our own government we had

120

00:05:12,770 --> 00:05:10,620

enemies

121

00:05:13,610 --> 00:05:12,780

and also this was known along a select

122

00:05:16,490 --> 00:05:13,620

field

123

00:05:19,070 --> 00:05:16,500

mostly combat officers Head to Head

124

00:05:22,550 --> 00:05:19,080

came we we kept this among ourselves

125

00:05:23,510 --> 00:05:22,560

because otherwise we were certain that

126

00:05:24,770 --> 00:05:23,520

they would have destroyed our

127

00:05:26,510 --> 00:05:24,780

organization and we had a good

128

00:05:29,029 --> 00:05:26,520

organization General Trudeau pulled it

129

00:05:30,529 --> 00:05:29,039

together just a couple years before they

130

00:05:33,529 --> 00:05:30,539

were destroyed organization labeled us

131

00:05:35,570 --> 00:05:33,539

as Kooks and taking our budget away

132

00:05:37,189 --> 00:05:35,580

first one endorsed me was our friend

133

00:05:38,870 --> 00:05:37,199

down in Austin

134

00:05:40,249 --> 00:05:38,880

he was very proud he called me up he

135

00:05:41,090 --> 00:05:40,259

said I endorsed you so I told him well

136

00:05:43,129 --> 00:05:41,100

thanks

137

00:05:44,749 --> 00:05:43,139

and I have any grief has anyone from

138

00:05:46,610 --> 00:05:44,759

military or government told you hey

139

00:05:48,590 --> 00:05:46,620

you're doing the wrong thing no nobody

140

00:05:50,029 --> 00:05:48,600

were you and your group ever able to

141

00:05:52,310 --> 00:05:50,039

determine where these things are from

142

00:05:54,850 --> 00:05:52,320

why they're here no we were never able

143

00:05:56,930 --> 00:05:54,860

to determine yeah we had the greatest

144

00:05:59,529 --> 00:05:56,940

artifact that they gave us was those

145

00:06:01,670 --> 00:05:59,539

bodies and we didn't do enough on those

146

00:06:02,810 --> 00:06:01,680

how they function how their brain

147

00:06:05,270 --> 00:06:02,820

functioned

148

00:06:07,010 --> 00:06:05,280

and that we came to a conclusion even in

149

00:06:09,230 --> 00:06:07,020

those days that these are the reason

150

00:06:10,909 --> 00:06:09,240

most flying saucers have failed is

151
00:06:13,249 --> 00:06:10,919
because our conclusion was that this

152
00:06:15,909 --> 00:06:13,259
being is part of the guidance system

153
00:06:18,650 --> 00:06:15,919
he's part of that saucer

154
00:06:20,450 --> 00:06:18,660
he was part of the guidance system or it

155
00:06:22,850 --> 00:06:20,460
whatever it is because it has no sex

156
00:06:26,029 --> 00:06:22,860
organism he was part of the guide system

157
00:06:28,010 --> 00:06:26,039
that's why we failed in propulsion and

158
00:06:29,749 --> 00:06:28,020
guidance system of These Fine saucers

159
00:06:32,870 --> 00:06:29,759
that we didn't figure it out

160
00:06:35,450 --> 00:06:32,880
ready to go near far enough

161
00:06:36,710 --> 00:06:35,460
it's the skin marvelous instrument look

162
00:06:38,390 --> 00:06:36,720
at our skin

163
00:06:41,029 --> 00:06:38,400

this is one of the wonders of creation

164

00:06:44,510 --> 00:06:41,039

our skin number one

165

00:06:46,969 --> 00:06:44,520

is I had a nose with a general until we

166

00:06:48,770 --> 00:06:46,979

wouldn't discuss this

167

00:06:51,529 --> 00:06:48,780

in general said that when I die I feel

168

00:06:53,930 --> 00:06:51,539

your release from your oath

169

00:06:55,249 --> 00:06:53,940

he died three years ago and I started to

170

00:06:57,350 --> 00:06:55,259

write it

171

00:07:00,110 --> 00:06:57,360

number two is I couldn't talk about

172

00:07:02,390 --> 00:07:00,120

people who were with us that I had no

173

00:07:06,110 --> 00:07:02,400

right to talk about in intelligence like

174

00:07:08,210 --> 00:07:06,120

a newspaper man you don't your source is

175

00:07:09,350 --> 00:07:08,220

not named unless he gives you permission

176

00:07:11,529 --> 00:07:09,360

to make him

177

00:07:15,050 --> 00:07:11,539

I had no right to do that

178

00:07:17,570 --> 00:07:15,060

and so my own family Christian my son

179

00:07:19,670 --> 00:07:17,580

says 35 years you didn't talk you didn't

180

00:07:22,249 --> 00:07:19,680

even tell us until that's right why did

181

00:07:24,110 --> 00:07:22,259

I tell anybody I had an old it was an

182

00:07:26,450 --> 00:07:24,120

honorable man a great man

183

00:07:29,689 --> 00:07:26,460

and I wasn't about to betray that old

184

00:07:31,730 --> 00:07:29,699

and all I got to say it's it's the truth

185

00:07:34,249 --> 00:07:31,740

and I think it's a better world for for

186

00:07:36,350 --> 00:07:34,259

this but also there's dangers in this

187

00:07:37,670 --> 00:07:36,360

I even told the general one day what are

188

00:07:38,990 --> 00:07:37,680

we unleashing on the world and this and

189

00:07:41,330 --> 00:07:39,000

the greatest show he said well I hope

190

00:07:43,309 --> 00:07:41,340

that people that come later I will

191

00:07:45,830 --> 00:07:43,319

recognize the danger he said but not my

192

00:07:49,249 --> 00:07:45,840

lifetime film this isn't a book

193

00:07:53,450 --> 00:07:49,259

I had a foul under that movement about

194

00:07:54,950 --> 00:07:53,460

Newman's file on artificial intelligence

195

00:07:57,830 --> 00:07:54,960

it would call it was called project

196

00:07:59,390 --> 00:07:57,840

rainbow and I did nothing with it

197

00:08:00,770 --> 00:07:59,400

and I should have done something with it

198

00:08:02,689 --> 00:08:00,780

but I put it in the file and left it

199

00:08:04,730 --> 00:08:02,699

there but the super computer was not

200

00:08:06,650 --> 00:08:04,740

developed yet look what's happened the

201

00:08:09,290 --> 00:08:06,660

super look the image and devices in

202

00:08:10,790 --> 00:08:09,300

hospitals those images advisors saved my

203

00:08:12,770 --> 00:08:10,800

life just a few months ago when I was

204

00:08:13,670 --> 00:08:12,780

operated on for my stomach and I used

205

00:08:15,650 --> 00:08:13,680

hernia

206

00:08:16,969 --> 00:08:15,660

we started heart pump look what

207

00:08:18,890 --> 00:08:16,979

developed from that

208

00:08:20,170 --> 00:08:18,900

so I hope that these developments

209

00:08:24,350 --> 00:08:20,180

continue

210

00:08:27,350 --> 00:08:24,360

and not they were not let's say hired by

211

00:08:29,450 --> 00:08:27,360

politics or Petty jealousies that they

212

00:08:30,650 --> 00:08:29,460

continue with Scientists the way they

213

00:08:32,449 --> 00:08:30,660

should continue

214

00:08:34,730 --> 00:08:32,459

maybe they say well your cookie are

215

00:08:35,889 --> 00:08:34,740

doing well I'm in good company General

216

00:08:40,010 --> 00:08:35,899

Marshall

217

00:08:41,510 --> 00:08:40,020

general Trudeau John McArthur Von Braun

218

00:08:44,029 --> 00:08:41,520

Albert

219

00:08:45,530 --> 00:08:44,039

Wilbur Smith from military are the only

220

00:08:46,970 --> 00:08:45,540

good company that's a company I'd rather

221

00:08:48,410 --> 00:08:46,980

be in with those Coupes those are all

222

00:08:49,970 --> 00:08:48,420

people that knew about that they know

223

00:08:52,090 --> 00:08:49,980

about all this I'd rather be in that

224

00:09:22,389 --> 00:08:52,100

company than the ones criticizing me

225

00:09:32,570 --> 00:09:23,640

thank you

226
00:09:37,490 --> 00:09:35,449
what's up everybody thanks for hanging

227
00:09:40,490 --> 00:09:37,500
out I'm actually live with you today

228
00:09:43,130 --> 00:09:40,500
which is just crazy because

229
00:09:45,290 --> 00:09:43,140
like I haven't been actually live live

230
00:09:48,670 --> 00:09:45,300
in a long time so I'm looking forward to

231
00:09:52,009 --> 00:09:48,680
this I hope you enjoyed the

232
00:09:54,650 --> 00:09:52,019
beginning of this video uh I made it for

233
00:09:56,750 --> 00:09:54,660
a couple reasons first I I wanted to

234
00:09:59,449 --> 00:09:56,760
make it clear where

235
00:10:02,269 --> 00:09:59,459
you know where this all began where this

236
00:10:05,030 --> 00:10:02,279
all started and that was with the Lou

237
00:10:07,250 --> 00:10:05,040
Elizondo clip where he said I think we

238
00:10:09,530 --> 00:10:07,260

may not be alone

239

00:10:12,710 --> 00:10:09,540

and everything you know it seems like

240

00:10:14,930 --> 00:10:12,720

it's so far away but really it isn't you

241

00:10:18,590 --> 00:10:14,940

know it's only a few years ago and that

242

00:10:20,389 --> 00:10:18,600

has gotten us to this point

243

00:10:22,670 --> 00:10:20,399

I'm going to talk about what this point

244

00:10:24,350 --> 00:10:22,680

is and what it means and how we should

245

00:10:26,329 --> 00:10:24,360

treat it

246

00:10:28,550 --> 00:10:26,339

you know as opposed to previous people

247

00:10:31,009 --> 00:10:28,560

who have come forward and that's why I

248

00:10:32,930 --> 00:10:31,019

played those clips as well you know we

249

00:10:34,490 --> 00:10:32,940

started with

250

00:10:37,850 --> 00:10:34,500

um

251
00:10:40,009 --> 00:10:37,860
you know Bob who worked for NASA who

252
00:10:43,190 --> 00:10:40,019
made that call to Bobby Ray Inman

253
00:10:44,870 --> 00:10:43,200
and Bobby Ray Inman said

254
00:10:46,730 --> 00:10:44,880
you know they talked about craft they

255
00:10:49,490 --> 00:10:46,740
didn't say spacecraft or anything like

256
00:10:52,550 --> 00:10:49,500
that they said craft but I mean

257
00:10:54,410 --> 00:10:52,560
man you know you have to assume that's

258
00:10:55,790 --> 00:10:54,420
what they were talking about you know

259
00:10:58,310 --> 00:10:55,800
but unfortunately just like everything

260
00:11:00,889 --> 00:10:58,320
in the UFO World it just gets so close

261
00:11:02,750 --> 00:11:00,899
but you just not quite enough

262
00:11:05,389 --> 00:11:02,760
so but then we hit John Lear and then

263
00:11:07,790 --> 00:11:05,399

you have different and I I put that in

264

00:11:10,250 --> 00:11:07,800

there for a reason and I know a lot of

265

00:11:12,769 --> 00:11:10,260

people think maybe he's a little too far

266

00:11:14,449 --> 00:11:12,779

off the deep end and rest in peace by

267

00:11:16,370 --> 00:11:14,459

the way because they passed away not too

268

00:11:18,230 --> 00:11:16,380

long ago

269

00:11:19,790 --> 00:11:18,240

um and that's not good

270

00:11:22,790 --> 00:11:19,800

um but he was in

271

00:11:24,110 --> 00:11:22,800

UFO world for quite a long time and he

272

00:11:26,269 --> 00:11:24,120

made

273

00:11:30,590 --> 00:11:26,279

a lot of comments like that

274

00:11:33,050 --> 00:11:30,600

70 species he said you know and

275

00:11:36,949 --> 00:11:33,060

and again I played that because

276

00:11:38,630 --> 00:11:36,959

this world of you know uh

277

00:11:40,550 --> 00:11:38,640

this recent guy is an actual

278

00:11:42,410 --> 00:11:40,560

whistleblower but the other people who

279

00:11:44,389 --> 00:11:42,420

come out with like claims and all that

280

00:11:46,850 --> 00:11:44,399

kind of stuff like there's all sorts of

281

00:11:49,910 --> 00:11:46,860

different people who do it

282

00:11:53,030 --> 00:11:49,920

or there has been I should say you know

283

00:11:54,410 --> 00:11:53,040

over the course of 80 years you could

284

00:11:55,970 --> 00:11:54,420

say there really hasn't been that many

285

00:11:57,530 --> 00:11:55,980

but

286

00:12:00,050 --> 00:11:57,540

and there's some that are more

287

00:12:02,150 --> 00:12:00,060

believable than than others I think

288

00:12:05,030 --> 00:12:02,160

Colonel Corso

289

00:12:07,190 --> 00:12:05,040

is probably the most believable the last

290

00:12:09,170 --> 00:12:07,200

one

291

00:12:11,329 --> 00:12:09,180

he talks about so many things that are

292

00:12:13,250 --> 00:12:11,339

like um

293

00:12:16,190 --> 00:12:13,260

kind of embedded in the UFO World

294

00:12:18,350 --> 00:12:16,200

whether it be you know the being is is

295

00:12:20,329 --> 00:12:18,360

actually needed to to Pilot the craft

296

00:12:22,250 --> 00:12:20,339

like it's a piece of The Craft all that

297

00:12:25,310 --> 00:12:22,260

kind of stuff but but he was actually

298

00:12:28,670 --> 00:12:25,320

probably the highest ranking person who

299

00:12:31,430 --> 00:12:28,680

has come out and spoke about retrievals

300

00:12:34,329 --> 00:12:31,440

and mainly Roswell and using that

301

00:12:37,190 --> 00:12:34,339

material and you know getting it into

302

00:12:40,130 --> 00:12:37,200

private corporations so on and so forth

303

00:12:44,990 --> 00:12:42,829

and that was that got pretty popular for

304

00:12:47,569 --> 00:12:45,000

a little while but uh it kind of fell

305

00:12:51,889 --> 00:12:49,370

you know that kind of leads me to this

306

00:12:53,810 --> 00:12:51,899

real whistleblower and he's an actual

307

00:12:56,509 --> 00:12:53,820

whistleblower you know because he went

308

00:12:58,009 --> 00:12:56,519

to the IG and filed a complaint

309

00:13:00,949 --> 00:12:58,019

you know the others whether it's Bob

310

00:13:05,090 --> 00:13:00,959

Lazar or or whoever they're not actual

311

00:13:10,129 --> 00:13:07,670

you know of crafter we have craft or

312

00:13:15,470 --> 00:13:10,139

bodies or whatever but they're not

313

00:13:15,480 --> 00:13:18,829

this guy comes out

314

00:13:18,839 --> 00:13:22,730

and he has

315

00:13:22,740 --> 00:13:26,389

an amazing resume

316

00:13:26,399 --> 00:13:29,629

n-r-o-n-g-a

317

00:13:29,639 --> 00:13:33,350

Air Force vet

318

00:13:38,030 --> 00:13:35,629

if you

319

00:13:42,949 --> 00:13:38,040

could kind of ask for anybody to come

320

00:13:47,329 --> 00:13:45,650

and it's up to you like that's one of

321

00:13:49,850 --> 00:13:47,339

the best guys you could imagine

322

00:13:53,329 --> 00:13:49,860

he worked with the freaking satellites

323

00:13:58,790 --> 00:13:53,339

man they pick all this stuff up

324

00:14:02,810 --> 00:14:01,009

so he's the best whistleblower or he's

325

00:14:04,370 --> 00:14:02,820

the best person that's ever came out and

326

00:14:07,790 --> 00:14:04,380

talked about this stuff before and that

327

00:14:12,290 --> 00:14:07,800

piece came out by Ralph and Leslie

328

00:14:17,210 --> 00:14:15,050

so that comes out

329

00:14:19,370 --> 00:14:17,220

and before I get into kind of like the

330

00:14:23,389 --> 00:14:19,380

recent recent

331

00:14:27,170 --> 00:14:23,399

news I want to go over

332

00:14:33,350 --> 00:14:30,710

and kind of spoke

333

00:14:35,810 --> 00:14:33,360

good about the guy kind of like had his

334

00:14:37,550 --> 00:14:35,820

back pretty much so I want to go over

335

00:14:38,750 --> 00:14:37,560

that a little bit and there's a couple

336

00:14:41,870 --> 00:14:38,760

people

337

00:14:43,550 --> 00:14:41,880

and I put their quotes together and for

338

00:14:45,530 --> 00:14:43,560

some of them

339

00:14:48,350 --> 00:14:45,540

I even did like a little background

340

00:14:50,750 --> 00:14:48,360

research so we can really

341

00:14:52,069 --> 00:14:50,760

tell who these people are sorry I

342

00:14:54,650 --> 00:14:52,079

haven't been alive in a while this is

343

00:14:56,590 --> 00:14:54,660

like getting getting used to maneuvering

344

00:15:00,949 --> 00:14:56,600

while I'm talking and stuff pretty crazy

345

00:15:04,430 --> 00:15:00,959

so this first guy Jonathan Gray

346

00:15:11,329 --> 00:15:09,170

Jonathan gray so he is at n-a-i-s-c at

347

00:15:12,470 --> 00:15:11,339

Wright-Patterson Air Force Base National

348

00:15:15,889 --> 00:15:12,480

Aaron

349

00:15:17,689 --> 00:15:15,899

in uh space Intelligence Center so like

350

00:15:20,470 --> 00:15:17,699

I said before I I think it was the last

351

00:15:24,530 --> 00:15:20,480

episode I told you that this group

352

00:15:27,829 --> 00:15:24,540

n-a-i-s-c goes all the way back to 1947

353

00:15:29,629 --> 00:15:27,839

in attic at right Patterson Air

354

00:15:31,790 --> 00:15:29,639

Force Base it's the same freaking group

355

00:15:35,449 --> 00:15:31,800

they've changed names and everything in

356

00:15:36,829 --> 00:15:35,459

Colonel Corso who worked or who was you

357

00:15:38,090 --> 00:15:36,839

know I always say worked but I don't

358

00:15:40,250 --> 00:15:38,100

know if that's the right word in the

359

00:15:42,949 --> 00:15:40,260

military he was with foreign technology

360

00:15:46,910 --> 00:15:42,959

division which

361

00:15:48,650 --> 00:15:46,920

is the same group as this too

362

00:15:54,530 --> 00:15:48,660

so

363

00:15:58,370 --> 00:15:54,540

has been studying UFOs apparently since

364

00:16:02,150 --> 00:16:00,410

says Jonathan Grace says Secrets have

365

00:16:04,850 --> 00:16:02,160

been necessary though a tough nut to

366

00:16:06,650 --> 00:16:04,860

crack potential Tech advancements may be

367

00:16:08,750 --> 00:16:06,660

gleaned from non-human intelligence UAP

368

00:16:10,009 --> 00:16:08,760

retrievals by any sufficiently advanced

369

00:16:12,829 --> 00:16:10,019

nation and then use the wage

370

00:16:16,250 --> 00:16:12,839

asymmetrical Warfare so therefore

371

00:16:17,990 --> 00:16:16,260

some secret some secret secrecy must

372

00:16:20,810 --> 00:16:18,000

remain he says however it is no longer

373

00:16:22,670 --> 00:16:20,820

necessary to continue to deny that these

374

00:16:27,230 --> 00:16:22,680

Advanced Technologies

375

00:16:31,730 --> 00:16:29,750

landed crashed or Fallen

376

00:16:35,689 --> 00:16:31,740

into the hands of human beings I mean

377

00:16:42,050 --> 00:16:39,470

this person as I just described

378

00:16:44,389 --> 00:16:42,060

is working in the same place that this

379

00:16:46,009 --> 00:16:44,399

whole thing started back in 1947 comes

380

00:16:50,329 --> 00:16:46,019

out and says this

381

00:16:50,339 --> 00:16:54,769

of The Whistleblower

382

00:16:59,569 --> 00:16:57,470

so that's pretty amazing I put that nice

383

00:17:01,370 --> 00:16:59,579

little

384

00:17:02,990 --> 00:17:01,380

album on there you like that classified

385

00:17:05,870 --> 00:17:03,000

briefings are often presented for

386

00:17:07,610 --> 00:17:05,880

Jonathan gray and his team what that

387

00:17:09,949 --> 00:17:07,620

means there is class classified

388

00:17:12,470 --> 00:17:09,959

briefings are often presented for

389

00:17:13,850 --> 00:17:12,480

Jonathan gray you know so he's not

390

00:17:15,829 --> 00:17:13,860

putting these together presenting them

391

00:17:17,510 --> 00:17:15,839

to someone else someone's presenting

392

00:17:20,329 --> 00:17:17,520

them to him what does that mean that

393

00:17:23,890 --> 00:17:20,339

means he's pretty high up if people are

394

00:17:26,329 --> 00:17:23,900

putting briefings together for him

395

00:17:28,250 --> 00:17:26,339

high-level classified briefing materials

396

00:17:30,350 --> 00:17:28,260

exist in which real world scenarios

397

00:17:31,850 --> 00:17:30,360

involving UAP as evidenced by historical

398

00:17:34,190 --> 00:17:31,860

examples are made

399

00:17:36,529 --> 00:17:34,200

available to intelligence Personnel on a

400

00:17:38,090 --> 00:17:36,539

need to know basis he told us

401
00:17:44,390 --> 00:17:38,100
I've been the recipient of such

402
00:17:49,130 --> 00:17:46,310
now Jonathan gray I've heard some things

403
00:17:50,690 --> 00:17:49,140
about his name that's not his real name

404
00:17:51,830 --> 00:17:50,700
and I was a little confused about that

405
00:17:53,630 --> 00:17:51,840
for a while

406
00:17:56,750 --> 00:17:53,640
and I listened to a Ralph Blumenthal

407
00:17:59,510 --> 00:17:56,760
interview and he said that is the name

408
00:18:00,409 --> 00:17:59,520
he goes by at Wright-Patterson Air Force

409
00:18:02,810 --> 00:18:00,419
Base

410
00:18:04,370 --> 00:18:02,820
so if you're if you need to be secret or

411
00:18:06,890 --> 00:18:04,380
something like people just have

412
00:18:08,750 --> 00:18:06,900
different names I've heard people talk

413
00:18:11,990 --> 00:18:08,760

about like CIA agents and everything

414

00:18:13,909 --> 00:18:12,000

they have they go by different names if

415

00:18:15,950 --> 00:18:13,919

they're you know like spies they got to

416

00:18:17,390 --> 00:18:15,960

protect their their identity and

417

00:18:19,430 --> 00:18:17,400

everything so

418

00:18:20,990 --> 00:18:19,440

they go by a different name than their

419

00:18:23,570 --> 00:18:21,000

birth name

420

00:18:25,250 --> 00:18:23,580

and everybody calls them that so

421

00:18:28,190 --> 00:18:25,260

it could be the same for this type of

422

00:18:30,230 --> 00:18:28,200

person I suppose

423

00:18:33,650 --> 00:18:30,240

maybe he's a non-human intelligence

424

00:18:36,669 --> 00:18:33,660

buyer I don't know but just kind of

425

00:18:39,230 --> 00:18:36,679

giving you my thoughts there so

426
00:18:41,270 --> 00:18:39,240
uh Vassar Ray of our most sophisticated

427
00:18:43,010 --> 00:18:41,280
sensors including space-based platforms

428
00:18:44,870 --> 00:18:43,020
have been utilized by different agencies

429
00:18:46,430 --> 00:18:44,880
typically in triple kit to observe and

430
00:18:49,010 --> 00:18:46,440
accurately identify the out of this

431
00:18:50,990 --> 00:18:49,020
world nature performance and Design

432
00:18:53,810 --> 00:18:51,000
these anomalous machines

433
00:18:56,330 --> 00:18:53,820
which are then determined not to be of

434
00:19:00,370 --> 00:18:56,340
Earthly origin

435
00:19:03,289 --> 00:19:00,380
so what he's saying right here is man

436
00:19:07,370 --> 00:19:03,299
it's the satellites

437
00:19:10,909 --> 00:19:07,380
which just so happens to be

438
00:19:12,409 --> 00:19:10,919

or The Whistleblower uh came from that's

439

00:19:15,950 --> 00:19:12,419

what he worked with it was satellites

440

00:19:20,990 --> 00:19:17,870

and I'm gonna

441

00:19:24,830 --> 00:19:24,110

more to that uh coming up so hang with

442

00:19:27,529 --> 00:19:24,840

me

443

00:19:29,090 --> 00:19:27,539

would it Robert over here says it

444

00:19:32,750 --> 00:19:29,100

wouldn't kill everyone to hit the like

445

00:19:37,730 --> 00:19:35,990

man is he red or what

446

00:19:40,549 --> 00:19:37,740

or maybe it would

447

00:19:45,169 --> 00:19:40,559

maybe I don't know maybe maybe it would

448

00:19:50,630 --> 00:19:47,930

no you do what you can you know

449

00:19:52,789 --> 00:19:50,640

you know so the next person who spoke

450

00:19:56,930 --> 00:19:52,799

out for him is

451
00:19:58,850 --> 00:19:56,940
uh Carl nil now

452
00:20:02,450 --> 00:19:58,860
um

453
00:20:04,010 --> 00:20:02,460
so his his last present on LinkedIn it

454
00:20:06,590 --> 00:20:04,020
says this is his current position but

455
00:20:08,690 --> 00:20:06,600
but it is not so or maybe it is but

456
00:20:10,669 --> 00:20:08,700
anyways he just got a new job so we'll

457
00:20:13,310 --> 00:20:10,679
talk about that

458
00:20:15,430 --> 00:20:13,320
um Carl no modernization advisor to Vice

459
00:20:19,310 --> 00:20:15,440
Chief of Staff to the Army

460
00:20:21,529 --> 00:20:19,320
advisor to the vice chief of staff

461
00:20:25,010 --> 00:20:21,539
to the Army

462
00:20:27,650 --> 00:20:25,020
comes out in support of this person Dave

463
00:20:29,390 --> 00:20:27,660

and also says

464

00:20:32,150 --> 00:20:29,400

pretty much same thing back some up Carl

465

00:20:34,310 --> 00:20:32,160

E Nel recently retired army colonel and

466

00:20:36,470 --> 00:20:34,320

current Aerospace executive

467

00:20:40,310 --> 00:20:36,480

who is the Army's liaison for the UAP

468

00:20:42,169 --> 00:20:40,320

task force from 21 to 22 and worked with

469

00:20:45,289 --> 00:20:42,179

grush there characterizes Russia's

470

00:20:48,049 --> 00:20:45,299

Beyond report reproach so Dave I believe

471

00:20:49,430 --> 00:20:48,059

two was the liaison for nro I could be

472

00:20:50,810 --> 00:20:49,440

wrong there so don't quote me on that

473

00:20:53,150 --> 00:20:50,820

but I thought he was but that would be

474

00:20:55,250 --> 00:20:53,160

interesting they're both Liaisons

475

00:20:56,990 --> 00:20:55,260

his assertion concerning the existence

476

00:20:59,090 --> 00:20:57,000

of a terrestrial arms race occurring

477

00:21:01,010 --> 00:20:59,100

Subrosa over the past 80 years focused

478

00:21:03,770 --> 00:21:01,020

on reverse engineering Technologies of

479

00:21:06,710 --> 00:21:03,780

Unknown Origin fundamentally correct

480

00:21:08,210 --> 00:21:06,720

as is the indisputable realization that

481

00:21:10,070 --> 00:21:08,220

at least some of these Technologies of

482

00:21:13,190 --> 00:21:10,080

Unknown Origin derived from non-human

483

00:21:15,590 --> 00:21:13,200

intelligence said Carl Mill

484

00:21:18,730 --> 00:21:15,600

that's always a big deal especially the

485

00:21:21,350 --> 00:21:18,740

these last few years you know like um

486

00:21:23,390 --> 00:21:21,360

everyone's always saying maybe they're

487

00:21:25,730 --> 00:21:23,400

Chinese drones maybe they're this maybe

488

00:21:29,149 --> 00:21:25,740

they're that maybe they're balloons this

489

00:21:31,630 --> 00:21:29,159

guy a visor to the vice chief of staff

490

00:21:35,390 --> 00:21:31,640

is coming out and saying

491

00:21:40,870 --> 00:21:38,149

that some of the Technologies

492

00:21:43,370 --> 00:21:40,880

are of Unknown Origin and derived from

493

00:21:47,750 --> 00:21:43,380

non-human intelligence

494

00:21:51,230 --> 00:21:47,760

making it very clear to everyone

495

00:21:55,850 --> 00:21:52,310

pretty

496

00:22:01,370 --> 00:21:58,370

so I totally screwed up this thing but

497

00:22:04,850 --> 00:22:01,380

uh I just think that is

498

00:22:09,350 --> 00:22:04,860

that's a big deal and a lot of people

499

00:22:13,490 --> 00:22:11,270

and and rightfully so to a certain

500

00:22:16,310 --> 00:22:13,500

extent that you know they but they don't

501
00:22:19,789 --> 00:22:16,320
hear any of this and they just go right

502
00:22:22,730 --> 00:22:19,799
to there's no evidence

503
00:22:25,909 --> 00:22:22,740
you know so

504
00:22:27,770 --> 00:22:25,919
they blow past all of this stuff they

505
00:22:29,690 --> 00:22:27,780
don't even take the time to look into

506
00:22:31,250 --> 00:22:29,700
who this person is

507
00:22:33,409 --> 00:22:31,260
you know and I'm not talking about you

508
00:22:36,289 --> 00:22:33,419
guys or or whatever I'm just talking

509
00:22:37,909 --> 00:22:36,299
about generally speaking

510
00:22:41,029 --> 00:22:37,919
you know with people who are new to this

511
00:22:43,730 --> 00:22:41,039
stuff and hear this story

512
00:22:45,710 --> 00:22:43,740
and the newscasters

513
00:22:47,770 --> 00:22:45,720

you know and other people they just go

514

00:22:51,890 --> 00:22:47,780

straight to no evidence Without

515

00:22:55,070 --> 00:22:51,900

Really contemplating and realizing

516

00:22:57,049 --> 00:22:55,080

what a big deal it is

517

00:22:58,789 --> 00:22:57,059

that these specific people are coming

518

00:23:00,890 --> 00:22:58,799

out and saying this

519

00:23:03,350 --> 00:23:00,900

and no matter what people say I've heard

520

00:23:05,270 --> 00:23:03,360

this before too like these kind of

521

00:23:07,370 --> 00:23:05,280

claims have been made for a while like I

522

00:23:09,289 --> 00:23:07,380

showed you those clips before on purpose

523

00:23:11,210 --> 00:23:09,299

because those are people that have said

524

00:23:13,669 --> 00:23:11,220

something before but they don't even

525

00:23:16,490 --> 00:23:13,679

come close

526
00:23:18,890 --> 00:23:16,500
to these people we're talking about now

527
00:23:21,950 --> 00:23:18,900
as far as their

528
00:23:25,370 --> 00:23:21,960
you know how high up they went

529
00:23:28,190 --> 00:23:25,380
and how high up they are

530
00:23:34,070 --> 00:23:31,210
but still I mean

531
00:23:36,470 --> 00:23:34,080
you can only go so far

532
00:23:37,490 --> 00:23:36,480
I mean I agree like in the end if you

533
00:23:40,010 --> 00:23:37,500
wanna

534
00:23:42,049 --> 00:23:40,020
you know shift paradigms you're gonna

535
00:23:45,289 --> 00:23:42,059
need actual evidence sure no matter what

536
00:23:49,070 --> 00:23:45,299
because everyone is going to

537
00:23:52,190 --> 00:23:49,080
Push Pull and fight

538
00:23:53,870 --> 00:23:52,200

with every ounce of strength they have

539

00:23:56,690 --> 00:23:53,880

until

540

00:23:57,890 --> 00:23:56,700

they're forced they have their paradigm

541

00:24:01,730 --> 00:23:57,900

shift

542

00:24:04,250 --> 00:24:01,740

you know like every excuse in the book

543

00:24:05,750 --> 00:24:04,260

will come up until it's right in their

544

00:24:08,390 --> 00:24:05,760

face

545

00:24:09,950 --> 00:24:08,400

some people you know

546

00:24:11,090 --> 00:24:09,960

some of you probably know who I'm

547

00:24:12,590 --> 00:24:11,100

talking about

548

00:24:15,289 --> 00:24:12,600

some of you probably have people in your

549

00:24:17,570 --> 00:24:15,299

own life like that

550

00:24:19,610 --> 00:24:17,580

where it could literally be the

551
00:24:21,470 --> 00:24:19,620
president probably saying we're not

552
00:24:24,890 --> 00:24:21,480
alone but if there's no evidence that

553
00:24:24,900 --> 00:24:28,970
it'll still be a debate

554
00:24:35,029 --> 00:24:30,490
you know

555
00:24:38,390 --> 00:24:36,409
evidence

556
00:24:40,190 --> 00:24:38,400
arrives

557
00:24:42,529 --> 00:24:40,200
now you have to think about what that

558
00:24:45,649 --> 00:24:42,539
means right

559
00:24:48,049 --> 00:24:45,659
what is evidence is it a spaceship they

560
00:24:51,049 --> 00:24:48,059
bring out a ship they say hey check this

561
00:24:54,470 --> 00:24:52,549
they don't even charge you get free

562
00:24:56,510 --> 00:24:54,480
tours of inside the ship you get to see

563
00:24:57,830 --> 00:24:56,520

what it looks like maybe it tours around

564

00:24:59,450 --> 00:24:57,840

the country

565

00:25:02,270 --> 00:24:59,460

that was actually planned once a long

566

00:25:06,289 --> 00:25:02,280

time ago believe it or not but we don't

567

00:25:10,370 --> 00:25:08,149

would people believe it then or would

568

00:25:12,289 --> 00:25:10,380

they think humans just made this crazy

569

00:25:14,330 --> 00:25:12,299

thing

570

00:25:16,789 --> 00:25:14,340

and are pretending or trying to get

571

00:25:18,770 --> 00:25:16,799

people to think it's alien technology

572

00:25:21,710 --> 00:25:18,780

that's probably what a lot of people

573

00:25:21,720 --> 00:25:27,769

pictures of videos Moon says

574

00:25:32,990 --> 00:25:30,289

do you as see now the pictures and

575

00:25:34,549 --> 00:25:33,000

videos thing is to me and I'm not

576
00:25:35,990 --> 00:25:34,559
speaking for anyone else but pictures

577
00:25:38,450 --> 00:25:36,000
and videos

578
00:25:41,810 --> 00:25:38,460
I think about

579
00:25:44,690 --> 00:25:41,820
me that's kind of like a almost like a

580
00:25:46,549 --> 00:25:44,700
little bit of a selfish want like I

581
00:25:47,690 --> 00:25:46,559
would love to see video and photos of

582
00:25:50,149 --> 00:25:47,700
course

583
00:25:52,430 --> 00:25:50,159
but will that

584
00:25:55,070 --> 00:25:52,440
change anyone's mind

585
00:25:58,909 --> 00:25:55,080
well people not jump to

586
00:26:03,470 --> 00:26:00,529
you know

587
00:26:08,330 --> 00:26:05,330
even if it's up close and personal what

588
00:26:11,269 --> 00:26:08,340

people think it's fake I don't know

589

00:26:13,789 --> 00:26:11,279

so

590

00:26:15,230 --> 00:26:13,799

I don't think disclosure in changing

591

00:26:18,049 --> 00:26:15,240

people's paradigms is going to be that

592

00:26:20,149 --> 00:26:18,059

easy you know but I think what's

593

00:26:21,769 --> 00:26:20,159

happening now if it goes further and we

594

00:26:24,950 --> 00:26:21,779

can't get a little piece of evidence a

595

00:26:27,409 --> 00:26:24,960

little piece of Truth out of that right

596

00:26:29,990 --> 00:26:27,419

I think it then allows people who are

597

00:26:31,789 --> 00:26:30,000

maybe on the fence or on the line of of

598

00:26:32,990 --> 00:26:31,799

allowing themselves to open up and think

599

00:26:35,330 --> 00:26:33,000

something like this could be possible

600

00:26:37,490 --> 00:26:35,340

maybe for people like them like that's

601
00:26:41,269 --> 00:26:37,500
enough and that's a positive thing right

602
00:26:46,130 --> 00:26:43,610
the thing with doing these lives is I

603
00:26:49,789 --> 00:26:46,140
just find myself rambling

604
00:26:52,190 --> 00:26:49,799
and I can't edit them so

605
00:26:57,529 --> 00:26:52,200
you can just like type in caps shut up

606
00:27:02,570 --> 00:27:00,110
so I found this very interesting

607
00:27:04,490 --> 00:27:02,580
um so just like

608
00:27:08,570 --> 00:27:04,500
today

609
00:27:12,230 --> 00:27:08,580
Carl nil got a new job

610
00:27:17,210 --> 00:27:13,970
in the private sector

611
00:27:21,230 --> 00:27:17,220
ensco named Carl Nell as vice president

612
00:27:23,090 --> 00:27:21,240
of NSS division

613
00:27:25,130 --> 00:27:23,100

now they don't really tell you a lot but

614

00:27:26,570 --> 00:27:25,140

what they do tell you which is pretty

615

00:27:29,470 --> 00:27:26,580

interesting

616

00:27:31,909 --> 00:27:29,480

is all of this person's

617

00:27:33,649 --> 00:27:31,919

qualifications so they basically give a

618

00:27:36,049 --> 00:27:33,659

breakdown of a resume this is dude and

619

00:27:37,490 --> 00:27:36,059

this is what he's good at blah blah you

620

00:27:40,430 --> 00:27:37,500

know so

621

00:27:43,070 --> 00:27:40,440

I thought we should read that since you

622

00:27:46,070 --> 00:27:43,080

know this guy said some pretty big deal

623

00:27:46,080 --> 00:27:56,269

so what is his resume

624

00:28:01,370 --> 00:27:59,269

it's pretty impressive

625

00:28:03,289 --> 00:28:01,380

uh insco is pleased to announce the

626

00:28:04,970 --> 00:28:03,299

appointment of Carl Nell as vice

627

00:28:07,730 --> 00:28:04,980

president of the National Security

628

00:28:08,810 --> 00:28:07,740

Solutions division Mr Nell will lead the

629

00:28:10,850 --> 00:28:08,820

division in offering a

630

00:28:12,909 --> 00:28:10,860

multi-disciplinary approach to solving

631

00:28:16,630 --> 00:28:12,919

technical challenges in sensor

632

00:28:23,570 --> 00:28:16,640

development and integration chemical

633

00:28:28,130 --> 00:28:26,330

software applications and modeling and

634

00:28:30,110 --> 00:28:28,140

operational applications of Technology

635

00:28:32,769 --> 00:28:30,120

including systems Engineering Systems

636

00:28:38,690 --> 00:28:32,779

development and Fielding of TurnKey

637

00:28:43,669 --> 00:28:40,490

pretty amazing

638

00:28:45,890 --> 00:28:43,679

uh 25 years of progressive technology

639

00:28:48,070 --> 00:28:45,900

and organizational leadership and

640

00:28:50,750 --> 00:28:48,080

top-tier firms such as Bell Telephone

641

00:28:53,210 --> 00:28:50,760

Laboratories these are all people that

642

00:28:57,289 --> 00:28:53,220

it's so funny are like

643

00:29:01,370 --> 00:28:59,810

I guess conspiracies or whatever as

644

00:29:04,250 --> 00:29:01,380

being a part of like the recover

645

00:29:07,490 --> 00:29:04,260

material stuff Bell phone totally Bell

646

00:29:08,649 --> 00:29:07,500

Telephone Lockheed Martin

647

00:29:10,490 --> 00:29:08,659

um

648

00:29:11,750 --> 00:29:10,500

t-a-s-c-n-c-a-c-i I don't know who they

649

00:29:13,669 --> 00:29:11,760

are

650

00:29:15,049 --> 00:29:13,679

his wide-ranging experience and

651
00:29:17,090 --> 00:29:15,059
knowledge in the intelligence community

652
00:29:20,649 --> 00:29:17,100
and in Mission critical applications

653
00:29:25,149 --> 00:29:20,659
include significant work with Dia nro

654
00:29:31,010 --> 00:29:25,159
dtra DARPA NGA ngic including

655
00:29:35,210 --> 00:29:32,990
he also has experience developing

656
00:29:37,730 --> 00:29:35,220
Commercial Business

657
00:29:40,070 --> 00:29:37,740
startups former blah blah

658
00:29:41,810 --> 00:29:40,080
ongoing career in the US Army so maybe

659
00:29:43,310 --> 00:29:41,820
he's still doing that first as an active

660
00:29:46,490 --> 00:29:43,320
duty officer

661
00:29:48,529 --> 00:29:46,500
several degrees skipping down here

662
00:29:50,510 --> 00:29:48,539
oh wait no this is a pretty big deal he

663
00:29:52,549 --> 00:29:50,520

advised the executive steering committee

664

00:29:55,130 --> 00:29:52,559

of the U.S Army Reserve in the largest

665

00:29:57,169 --> 00:29:55,140

restructuring since 9 11.

666

00:30:01,010 --> 00:29:57,179

an inauguration of the gold standard

667

00:30:02,750 --> 00:30:01,020

well multi-echelon man so I mean this

668

00:30:04,310 --> 00:30:02,760

guy

669

00:30:09,409 --> 00:30:04,320

I think

670

00:30:11,450 --> 00:30:09,419

he's pretty qualified

671

00:30:14,810 --> 00:30:11,460

he's got a new job in that place likes

672

00:30:19,130 --> 00:30:14,820

him that's for sure so that we have like

673

00:30:22,190 --> 00:30:19,140

this guy who came out and uh spoke up

674

00:30:23,990 --> 00:30:22,200

about his buddy apparently this is Jim

675

00:30:27,830 --> 00:30:24,000

shell

676

00:30:30,470 --> 00:30:27,840

to vouch for the Integrity of Dave

677

00:30:34,490 --> 00:30:30,480

this guy works at space surveillance SSA

678

00:30:36,470 --> 00:30:34,500

SDA and orbital debris remember I said

679

00:30:38,330 --> 00:30:36,480

that'd be important here we go orbital

680

00:30:41,149 --> 00:30:38,340

debris

681

00:30:43,490 --> 00:30:41,159

look at his qualifications here Chief

682

00:30:45,649 --> 00:30:43,500

scientist Lieutenant Colonel United

683

00:30:47,990 --> 00:30:45,659

States Air Force

684

00:30:50,930 --> 00:30:48,000

he said and he's even a good guy he says

685

00:30:53,810 --> 00:30:50,940

I was not the chief scientist

686

00:30:56,570 --> 00:30:53,820

you know his title is Chief scientist

687

00:30:59,409 --> 00:30:56,580

this is honest

688

00:31:01,789 --> 00:30:59,419

a lot of people wouldn't even say that

689

00:31:05,510 --> 00:31:01,799

down below we have Lieutenant Colonel

690

00:31:07,730 --> 00:31:05,520

USAF National reconnaissance office

691

00:31:10,789 --> 00:31:07,740

again here we go

692

00:31:12,830 --> 00:31:10,799

and what does he say

693

00:31:14,690 --> 00:31:12,840

oh look in the left hand corner it says

694

00:31:18,830 --> 00:31:14,700

Jim shell is a scientist with broad

695

00:31:22,130 --> 00:31:18,840

Department of Defense acquisition crash

696

00:31:24,110 --> 00:31:22,140

retrievals maybe in science and

697

00:31:26,149 --> 00:31:24,120

technology but he says

698

00:31:28,730 --> 00:31:26,159

I will vouch for the Integrity of Dave

699

00:31:33,350 --> 00:31:28,740

gosh getting to the bottom of this is

700

00:31:38,149 --> 00:31:35,570

I will assert no matter the conclusion

701
00:31:41,330 --> 00:31:38,159
of extraterrestrial materials or not the

702
00:31:42,649 --> 00:31:41,340
dod and IC security apparatus is in

703
00:31:45,769 --> 00:31:42,659
trouble

704
00:31:49,610 --> 00:31:45,779
an unwitting accomplices are fostering

705
00:31:49,620 --> 00:31:53,330
wow

706
00:31:53,340 --> 00:31:57,350
you know that's a clue

707
00:32:03,049 --> 00:31:59,510
that I think

708
00:32:06,169 --> 00:32:03,059
people are going to be in trouble

709
00:32:08,990 --> 00:32:06,179
and not Dave Crush

710
00:32:13,070 --> 00:32:09,000
you just said that right there

711
00:32:21,230 --> 00:32:15,590
is it clear enough to you how big of a

712
00:32:25,669 --> 00:32:24,049
because it should be if if he didn't

713
00:32:28,310 --> 00:32:25,679

think it was before and a lot of people

714

00:32:31,130 --> 00:32:28,320

you know didn't and I'm not sitting here

715

00:32:36,830 --> 00:32:32,630

you know because a lot of people still

716

00:32:44,269 --> 00:32:39,950

don't have evidence and I know we need

717

00:32:48,529 --> 00:32:46,430

but I'm just telling you

718

00:32:50,330 --> 00:32:48,539

sorry about that I'm just telling you

719

00:32:53,510 --> 00:32:50,340

that this has never happened before and

720

00:32:58,190 --> 00:32:55,669

and it's definitely big enough of a deal

721

00:33:01,370 --> 00:32:58,200

for people to look into this

722

00:33:03,830 --> 00:33:01,380

what's kind of irritating to me is oh

723

00:33:05,930 --> 00:33:03,840

you know it was made known that this guy

724

00:33:07,730 --> 00:33:05,940

testified to

725

00:33:11,570 --> 00:33:07,740

you know Congress or people in the house

726

00:33:15,409 --> 00:33:14,269

and they they didn't let us know now

727

00:33:17,029 --> 00:33:15,419

maybe they couldn't because it was

728

00:33:18,529 --> 00:33:17,039

classified I even think they said they

729

00:33:21,169 --> 00:33:18,539

couldn't but

730

00:33:24,289 --> 00:33:21,179

you know no one showed up to Christian

731

00:33:27,289 --> 00:33:24,299

Gilbert's public UAP thing no one even

732

00:33:30,409 --> 00:33:28,730

you know and some of these people were

733

00:33:32,509 --> 00:33:30,419

briefed on this stuff and they don't

734

00:33:34,310 --> 00:33:32,519

show up to this

735

00:33:38,750 --> 00:33:34,320

does that mean that they know it's a

736

00:33:42,889 --> 00:33:40,909

do they not believe any of it like

737

00:33:45,049 --> 00:33:42,899

what's the deal you know and now we're

738

00:33:46,789 --> 00:33:45,059

going to look into it and people on both

739

00:33:50,450 --> 00:33:46,799

sides of the aisle are interested in

740

00:33:50,460 --> 00:33:53,389

you know because

741

00:33:57,409 --> 00:33:54,950

I don't I'm not trying to piss anybody

742

00:33:59,690 --> 00:33:57,419

off here I'm just being realistic like

743

00:34:01,190 --> 00:33:59,700

if this thing just hangs in the

744

00:34:04,070 --> 00:34:01,200

Republican Zone

745

00:34:07,070 --> 00:34:04,080

and starts going into

746

00:34:09,109 --> 00:34:07,080

more of the farther side right-wing

747

00:34:10,970 --> 00:34:09,119

stuff

748

00:34:13,070 --> 00:34:10,980

where maybe you'd start getting into

749

00:34:15,169 --> 00:34:13,080

like Q now and stuff that's dangerous

750

00:34:18,589 --> 00:34:15,179

man then this whole thing can be just

751
00:34:22,190 --> 00:34:18,599
used against us you know if there's no

752
00:34:27,169 --> 00:34:24,950
so we need people from both sides of the

753
00:34:29,089 --> 00:34:27,179
aisle to be engaged in this and it looks

754
00:34:32,450 --> 00:34:29,099
like as far as the politicians goes

755
00:34:35,030 --> 00:34:32,460
that's the case as far as media goes

756
00:34:40,669 --> 00:34:35,040
CNN New York Times came out with a piece

757
00:34:40,679 --> 00:34:45,010
and that's a joke

758
00:34:50,930 --> 00:34:48,050
media is losing all credibility they

759
00:34:55,270 --> 00:34:52,730
you know to be quite honest with you

760
00:34:59,750 --> 00:34:55,280
like the media has

761
00:35:03,170 --> 00:34:59,760
soaked up our country and the world

762
00:35:06,349 --> 00:35:03,180
into real into a reality television show

763
00:35:08,630 --> 00:35:06,359

that's called the presidency

764

00:35:11,930 --> 00:35:08,640

they've made the White House into a

765

00:35:16,010 --> 00:35:13,849

there's so much going on in the world

766

00:35:17,870 --> 00:35:16,020

that we don't even know about because

767

00:35:20,930 --> 00:35:17,880

they won't cover it we have to go to

768

00:35:23,450 --> 00:35:20,940

Twitter to get our updates

769

00:35:25,990 --> 00:35:23,460

on real news on world news

770

00:35:30,410 --> 00:35:26,000

because they just won't stop talking

771

00:35:31,849 --> 00:35:30,420

about how Trump did this and how Biden

772

00:35:35,089 --> 00:35:31,859

did that

773

00:35:38,690 --> 00:35:35,099

that's all they do

774

00:35:41,870 --> 00:35:38,700

you know and meanwhile literally

775

00:35:43,510 --> 00:35:41,880

possibly some of the biggest news

776

00:35:46,970 --> 00:35:43,520

ever

777

00:35:48,890 --> 00:35:46,980

and they still can't now granted Trump

778

00:35:51,950 --> 00:35:48,900

just got whatever in trouble or whatever

779

00:35:53,870 --> 00:35:51,960

so that's big deal to people

780

00:35:59,750 --> 00:35:53,880

I could really care less about that

781

00:36:04,310 --> 00:36:01,849

but like that's all they talk about like

782

00:36:06,650 --> 00:36:04,320

do you and and people want to hear about

783

00:36:08,750 --> 00:36:06,660

this stuff it's like popular anytime

784

00:36:10,250 --> 00:36:08,760

someone writes a story about this or

785

00:36:13,010 --> 00:36:10,260

does a video or whatever it's like the

786

00:36:14,630 --> 00:36:13,020

most plays they ever got

787

00:36:16,849 --> 00:36:14,640

you know

788

00:36:22,730 --> 00:36:16,859

so the media benefits from this too and

789

00:36:27,710 --> 00:36:25,310

and just making it out to be a joke is a

790

00:36:30,589 --> 00:36:27,720

joke that is a complete farce

791

00:36:32,270 --> 00:36:30,599

because of what we just went through

792

00:36:34,069 --> 00:36:32,280

with all these people who are backing up

793

00:36:36,230 --> 00:36:34,079

this whistleblower and The Whistleblower

794

00:36:38,690 --> 00:36:36,240

himself in his credentials

795

00:36:40,310 --> 00:36:38,700

now again you still need proof for

796

00:36:43,190 --> 00:36:40,320

people to say oh yeah it's real it

797

00:36:45,890 --> 00:36:43,200

exists whatever yeah I know

798

00:36:48,230 --> 00:36:45,900

what I'm saying is this in and of itself

799

00:36:51,589 --> 00:36:48,240

forget the proof this in and of itself

800

00:36:53,270 --> 00:36:51,599

this person IG complaint whatever these

801
00:36:55,310 --> 00:36:53,280
people backing them up that's a big deal

802
00:36:57,650 --> 00:36:55,320
whatever it means

803
00:36:58,970 --> 00:36:57,660
even if you think it means it's a Psy up

804
00:37:00,829 --> 00:36:58,980
that's a big deal

805
00:37:02,270 --> 00:37:00,839
because that's never happened like this

806
00:37:05,270 --> 00:37:02,280
before

807
00:37:07,670 --> 00:37:05,280
whatever you think it's a big deal

808
00:37:09,950 --> 00:37:07,680
and we can all meet in the middle here

809
00:37:12,349 --> 00:37:09,960
and push for answers

810
00:37:15,349 --> 00:37:12,359
if you think it's a Psy up push for

811
00:37:17,630 --> 00:37:15,359
answers push Congress get them to get

812
00:37:19,910 --> 00:37:17,640
that answer put an end to it

813
00:37:24,109 --> 00:37:19,920

meanwhile the people who think that it's

814

00:37:30,710 --> 00:37:26,089

and we cannot hate each other and just

815

00:37:34,250 --> 00:37:32,690

you know and that kind of separates the

816

00:37:36,470 --> 00:37:34,260

people who actually want the truth from

817

00:37:39,710 --> 00:37:36,480

people who don't

818

00:37:41,930 --> 00:37:39,720

wouldn't participate in something like

819

00:37:45,349 --> 00:37:43,550

but you know

820

00:37:47,150 --> 00:37:45,359

and I think you can start thinking of

821

00:37:49,190 --> 00:37:47,160

who that is right like

822

00:37:52,490 --> 00:37:49,200

start thinking of the people that talk

823

00:37:55,370 --> 00:37:52,500

about negatively not just critically but

824

00:38:00,710 --> 00:37:57,770

like viscerally

825

00:38:01,550 --> 00:38:00,720

do they do anything to get answers on

826

00:38:04,370 --> 00:38:01,560

this

827

00:38:07,010 --> 00:38:04,380

other than writing an email a couple

828

00:38:09,230 --> 00:38:07,020

other months

829

00:38:10,790 --> 00:38:09,240

you know I know writing emails is pretty

830

00:38:12,530 --> 00:38:10,800

tough especially when you have to do it

831

00:38:15,230 --> 00:38:12,540

like once a month

832

00:38:17,390 --> 00:38:15,240

to say hey these UFO guys are pitching

833

00:38:19,670 --> 00:38:17,400

me off what's the truth she doesn't

834

00:38:21,230 --> 00:38:19,680

respond to you but

835

00:38:23,870 --> 00:38:21,240

you might have to do more than that to

836

00:38:26,089 --> 00:38:23,880

get the truth if you really want it you

837

00:38:31,670 --> 00:38:28,609

so

838

00:38:36,710 --> 00:38:34,730

that's the deal but we had

839

00:38:38,569 --> 00:38:36,720

so

840

00:38:40,550 --> 00:38:38,579

no one's told me to shut up and move on

841

00:38:43,069 --> 00:38:40,560

yet that's good

842

00:38:46,010 --> 00:38:43,079

that is a positive

843

00:38:49,550 --> 00:38:46,020

I'm trying to find

844

00:38:53,930 --> 00:38:51,530

so all this happens Ross coldheart by

845

00:38:56,870 --> 00:38:53,940

the way just killed it took this hero

846

00:39:00,230 --> 00:38:56,880

who's coming out and whistleblowing

847

00:39:02,329 --> 00:39:00,240

Roscoe light goes on this news Nation

848

00:39:04,310 --> 00:39:02,339

right he's like hey

849

00:39:07,670 --> 00:39:04,320

move over

850

00:39:10,670 --> 00:39:07,680

I got a great story for you

851

00:39:12,770 --> 00:39:10,680

I'm taking over your Channel

852

00:39:15,290 --> 00:39:12,780

and you know they let him do it and it's

853

00:39:17,329 --> 00:39:15,300

awesome you know news nation is actually

854

00:39:19,370 --> 00:39:17,339

covering this or at least was I haven't

855

00:39:21,589 --> 00:39:19,380

been keeping up but at first at least

856

00:39:23,089 --> 00:39:21,599

they were all their Acres were talking

857

00:39:26,690 --> 00:39:23,099

about it they were keeping it in

858

00:39:28,550 --> 00:39:26,700

rotation like that's how they should be

859

00:39:31,190 --> 00:39:28,560

and if people actually want the truth

860

00:39:33,710 --> 00:39:31,200

they would cover this

861

00:39:35,390 --> 00:39:33,720

because it pushes the government to be

862

00:39:37,609 --> 00:39:35,400

more transparent I've been saying this

863

00:39:39,170 --> 00:39:37,619

whole time the more the media cares the

864

00:39:40,670 --> 00:39:39,180

more transparent the government is it

865

00:39:42,349 --> 00:39:40,680

happened all throughout Blue Book it'll

866

00:39:43,849 --> 00:39:42,359

happen now

867

00:39:45,829 --> 00:39:43,859

yeah

868

00:39:48,410 --> 00:39:45,839

so to me it kind of says that maybe

869

00:39:51,410 --> 00:39:48,420

these mainstream pressers don't really

870

00:39:55,910 --> 00:39:53,450

they just want to keep up their uh

871

00:39:58,670 --> 00:39:55,920

discredit

872

00:40:00,710 --> 00:39:58,680

you know campaign

873

00:40:05,210 --> 00:40:00,720

just so weird because they you know

874

00:40:11,690 --> 00:40:09,170

come out in the times originally but

875

00:40:14,030 --> 00:40:11,700

I'm cool with the debrief doing it you

876

00:40:17,150 --> 00:40:14,040

know whatever

877

00:40:19,069 --> 00:40:17,160

a lot of other people are suspect of it

878

00:40:21,109 --> 00:40:19,079

you know and and that's bound to happen

879

00:40:23,450 --> 00:40:21,119

like if a big story like that comes out

880

00:40:25,730 --> 00:40:23,460

like you're gonna

881

00:40:28,790 --> 00:40:25,740

look to the media Outlet who put it out

882

00:40:31,069 --> 00:40:28,800

says who the f for these people you know

883

00:40:34,430 --> 00:40:31,079

and how would they get this story but

884

00:40:38,990 --> 00:40:36,349

is that we've all been looking into this

885

00:40:40,970 --> 00:40:39,000

for freaking years man

886

00:40:43,490 --> 00:40:40,980

so you just popping up and going who are

887

00:40:44,690 --> 00:40:43,500

these people like where where have you

888

00:40:49,310 --> 00:40:44,700

been

889

00:40:51,589 --> 00:40:49,320

happen for like six years

890

00:40:54,050 --> 00:40:51,599

hello

891

00:40:56,690 --> 00:40:54,060

so I thought

892

00:40:58,849 --> 00:40:56,700

what we could do here

893

00:41:01,849 --> 00:40:58,859

let me get it straight yeah what we

894

00:41:07,849 --> 00:41:04,310

just give me

895

00:41:10,069 --> 00:41:07,859

so whatever so that happens

896

00:41:12,170 --> 00:41:10,079

all that stuff Ross kills it

897

00:41:14,630 --> 00:41:12,180

and then

898

00:41:16,010 --> 00:41:14,640

and he mentions bodies right and we

899

00:41:18,410 --> 00:41:16,020

talked about this a little bit last time

900

00:41:20,390 --> 00:41:18,420

you mentioned bodies

901
00:41:23,270 --> 00:41:20,400
in Leslie and Ralph were prepared for

902
00:41:26,450 --> 00:41:23,280
the body part now this guy wrote this

903
00:41:31,970 --> 00:41:29,450
and I think he like participated in the

904
00:41:34,390 --> 00:41:31,980
Twitter file thing too

905
00:41:37,490 --> 00:41:34,400
so

906
00:41:39,050 --> 00:41:37,500
I don't know a bunch of politics you

907
00:41:41,329 --> 00:41:39,060
know and people just told that against

908
00:41:42,650 --> 00:41:41,339
people and I don't want to get involved

909
00:41:48,050 --> 00:41:42,660
in that

910
00:41:52,430 --> 00:41:49,790
and it busted the doors down a little

911
00:41:54,530 --> 00:41:52,440
further he said U.S has 12 or more alien

912
00:41:58,010 --> 00:41:54,540
spacecraft says military and

913
00:42:02,390 --> 00:41:58,020

intelligence contractors

914

00:42:02,400 --> 00:42:05,990

end up sorry

915

00:42:11,510 --> 00:42:08,510

in April the director of the pentagon's

916

00:42:14,750 --> 00:42:11,520

knew a program for studying UFOs said he

917

00:42:16,609 --> 00:42:14,760

had seen no evidence of alien spacecraft

918

00:42:18,710 --> 00:42:16,619

I should also State clearly for the

919

00:42:21,650 --> 00:42:18,720

record said shonker Patrick the director

920

00:42:24,290 --> 00:42:21,660

of Arrow all domain anomaly resolution

921

00:42:26,630 --> 00:42:24,300

office that in her research we found no

922

00:42:28,370 --> 00:42:26,640

evidence of blah blah blah shove it up

923

00:42:30,910 --> 00:42:28,380

here you know what the statement which

924

00:42:33,770 --> 00:42:30,920

was part of a hearing on the topic

925

00:42:36,650 --> 00:42:33,780

generated headlines around the world UFO

926
00:42:38,690 --> 00:42:36,660
sightings are up noted political but no

927
00:42:40,069 --> 00:42:38,700
proof of aliens yet Pentagon official

928
00:42:42,650 --> 00:42:40,079
says

929
00:42:45,710 --> 00:42:42,660
wrote news Nation UFO Chief no credible

930
00:42:48,170 --> 00:42:45,720
evidence of extraterrestrial activity

931
00:42:50,930 --> 00:42:48,180
uh if I remember I'll get to the

932
00:42:52,670 --> 00:42:50,940
Extraterrestrial part after this but on

933
00:42:54,290 --> 00:42:52,680
Monday an Air Force whistleblower

934
00:42:56,270 --> 00:42:54,300
contradicted the pentagon's claims

935
00:42:59,690 --> 00:42:56,280
telling the debrief news nation that the

936
00:43:02,930 --> 00:42:59,700
U.S government is in possession of quite

937
00:43:06,109 --> 00:43:02,940
a number of alien spacecraft

938
00:43:08,510 --> 00:43:06,119

I thought it was totally nuts David

939

00:43:12,650 --> 00:43:08,520

grush said I thought at first I was

940

00:43:17,390 --> 00:43:15,770

but grush said he soon learned that the

941

00:43:19,010 --> 00:43:17,400

United States government possessed quite

942

00:43:21,829 --> 00:43:19,020

a number of different kinds of non-human

943

00:43:23,870 --> 00:43:21,839

vehicles I have plenty of current and

944

00:43:26,390 --> 00:43:23,880

former senior Intelligence Officers who

945

00:43:29,990 --> 00:43:26,400

came to me many of whom I knew almost my

946

00:43:32,390 --> 00:43:30,000

whole career and who confided in me

947

00:43:33,470 --> 00:43:32,400

now this guy's like 36 so what is his

948

00:43:34,970 --> 00:43:33,480

whole career

949

00:43:37,550 --> 00:43:34,980

you know

950

00:43:39,170 --> 00:43:37,560

like 15 years

951
00:43:43,730 --> 00:43:39,180
this is

952
00:43:46,490 --> 00:43:43,740
government officials have suggested that

953
00:43:48,109 --> 00:43:46,500
the U.S May possess alien spaceships I

954
00:43:50,750 --> 00:43:48,119
was told for decades that Lockheed had

955
00:43:52,670 --> 00:43:50,760
some of these Retreat materials said the

956
00:43:55,130 --> 00:43:52,680
late Senator Harry Reid

957
00:43:56,750 --> 00:43:55,140
we've talked to him on this channel

958
00:43:59,750 --> 00:43:56,760
and I tried to get as I recall

959
00:44:02,150 --> 00:43:59,760
classified approval

960
00:44:04,849 --> 00:44:02,160
uh by the Pentagon to have me go look at

961
00:44:07,430 --> 00:44:04,859
that stuff former deputy assistant

962
00:44:09,589 --> 00:44:07,440
Secretary of Defense

963
00:44:11,270 --> 00:44:09,599

for intelligence Christopher Mellon

964

00:44:13,309 --> 00:44:11,280

recently reported that he spoken to more

965

00:44:15,109 --> 00:44:13,319

for Witnesses who say they know of a

966

00:44:17,870 --> 00:44:15,119

secret U.S government program involving

967

00:44:21,230 --> 00:44:17,880

the analysis and exploitation of

968

00:44:27,890 --> 00:44:21,240

materials recovered from off-world Craft

969

00:44:34,250 --> 00:44:30,650

Susan gow yeah all these quotes GAO

970

00:44:39,349 --> 00:44:36,890

well gresh has not shared written

971

00:44:41,510 --> 00:44:39,359

evidence in an unclassified way he did

972

00:44:43,790 --> 00:44:41,520

provide classified intelligence reports

973

00:44:45,589 --> 00:44:43,800

emails and other documents to Thomas a

974

00:44:50,589 --> 00:44:45,599

monom the intelligence Community

975

00:44:54,890 --> 00:44:52,790

as for photographs the defense

976
00:44:57,530 --> 00:44:54,900
department prohibited Rush from sharing

977
00:44:59,630 --> 00:44:57,540
any is the letter from DOD below shows

978
00:45:01,910 --> 00:44:59,640
no you can't show them don't show them

979
00:45:06,170 --> 00:45:01,920
something that we didn't make don't

980
00:45:09,790 --> 00:45:06,180
their little children they'll freak out

981
00:45:14,390 --> 00:45:09,800
man that is just so stupid

982
00:45:19,849 --> 00:45:17,750
maybe they just have like a fake flank

983
00:45:21,530 --> 00:45:19,859
saucer photo fetish the dod and they

984
00:45:23,089 --> 00:45:21,540
know if they give real stuff people stop

985
00:45:29,990 --> 00:45:23,099
making the hoax ones and they really

986
00:45:33,829 --> 00:45:31,849
multiple sources close to the matter

987
00:45:35,809 --> 00:45:33,839
have come forward to tell public tell

988
00:45:38,390 --> 00:45:35,819

the public that Grocer's core claims are

989

00:45:40,849 --> 00:45:38,400

accurate the individuals are all either

990

00:45:42,770 --> 00:45:40,859

high ranking intelligence officials

991

00:45:44,870 --> 00:45:42,780

former intelligence officials or

992

00:45:47,569 --> 00:45:44,880

individuals who we could verify were

993

00:45:50,089 --> 00:45:47,579

involved in U.S government UAP efforts

994

00:45:52,370 --> 00:45:50,099

for three or more decades each

995

00:45:54,470 --> 00:45:52,380

two of them have testified including as

996

00:45:57,530 --> 00:45:54,480

recently as last year to both arrow and

997

00:45:59,809 --> 00:45:57,540

Congress the individuals said they had

998

00:46:01,910 --> 00:45:59,819

seen or been presented with credible and

999

00:46:04,910 --> 00:46:01,920

verifiable evidence that the US

1000

00:46:08,390 --> 00:46:04,920

government and U.S military contractors

1001
00:46:13,069 --> 00:46:08,400
possess at least 12 or more

1002
00:46:13,079 --> 00:46:17,870
so see this is interesting here because

1003
00:46:22,670 --> 00:46:20,750
and this is where words matter

1004
00:46:25,609 --> 00:46:22,680
or maybe they don't but it seems like

1005
00:46:29,690 --> 00:46:25,619
they do like here he's saying

1006
00:46:33,589 --> 00:46:29,700
12 or more alien spacecraft

1007
00:46:36,530 --> 00:46:33,599
so when you put that quote next to Susan

1008
00:46:41,690 --> 00:46:36,540
GAO and what Arrow said and what NASA

1009
00:46:48,109 --> 00:46:44,870
somebody's I mean somebody's definitely

1010
00:46:51,230 --> 00:46:48,119
uh intentionally lying

1011
00:46:53,089 --> 00:46:51,240
but when you change that word

1012
00:46:55,730 --> 00:46:53,099
from Alien to

1013
00:46:57,650 --> 00:46:55,740

uh non-human intelligence which is I

1014

00:46:59,150 --> 00:46:57,660

think is is what we were trying to do

1015

00:47:01,809 --> 00:46:59,160

here

1016

00:47:04,069 --> 00:47:01,819

then those statements from Arrow in in

1017

00:47:06,109 --> 00:47:04,079

sugao and NASA

1018

00:47:07,670 --> 00:47:06,119

there's that space there's that wiggle

1019

00:47:10,790 --> 00:47:07,680

room where well you said extra

1020

00:47:13,370 --> 00:47:10,800

terrestrial like what about

1021

00:47:15,230 --> 00:47:13,380

you know ones that live here or in the

1022

00:47:16,250 --> 00:47:15,240

ocean or whatever

1023

00:47:19,609 --> 00:47:16,260

right

1024

00:47:21,349 --> 00:47:19,619

so I don't think this person

1025

00:47:23,930 --> 00:47:21,359

well I don't know what the truth is so

1026

00:47:25,250 --> 00:47:23,940

it's it all depends on that but if we're

1027

00:47:26,930 --> 00:47:25,260

trying to go with non-human and that's

1028

00:47:28,849 --> 00:47:26,940

what the truth is here like he shouldn't

1029

00:47:30,410 --> 00:47:28,859

be putting alien spacecraft because that

1030

00:47:32,450 --> 00:47:30,420

makes the situation even more

1031

00:47:35,210 --> 00:47:32,460

complicated

1032

00:47:37,250 --> 00:47:35,220

so but you know whatever yeah

1033

00:47:39,230 --> 00:47:37,260

and this guy was apparently has been

1034

00:47:40,849 --> 00:47:39,240

talking to these people for years and

1035

00:47:43,250 --> 00:47:40,859

just now feels comfortable doing this

1036

00:47:45,710 --> 00:47:43,260

which is interesting because we go back

1037

00:47:47,690 --> 00:47:45,720

in time a little bit and it's when

1038

00:47:51,170 --> 00:47:47,700

Weinstein and

1039

00:47:53,150 --> 00:47:51,180

uh this other guy I forgot his name Sean

1040

00:47:57,470 --> 00:47:53,160

something

1041

00:48:01,430 --> 00:47:59,510

um we're getting these calls about this

1042

00:48:03,650 --> 00:48:01,440

stuff from people

1043

00:48:04,910 --> 00:48:03,660

like secret people about uh you know

1044

00:48:07,309 --> 00:48:04,920

getting briefed on this stuff secret

1045

00:48:09,650 --> 00:48:07,319

calls so I wonder if this guy was like

1046

00:48:11,569 --> 00:48:09,660

kind of a part of those round of calls

1047

00:48:15,950 --> 00:48:11,579

and somehow he passed when the other

1048

00:48:21,410 --> 00:48:18,410

so here's kind of the issue with

1049

00:48:24,470 --> 00:48:21,420

Kirkpatrick Sam Harris yes Andres thanks

1050

00:48:28,190 --> 00:48:26,329

and his testimony Congress Kirkpatrick

1051
00:48:30,170 --> 00:48:28,200
said that arrow is operating under title

1052
00:48:32,930 --> 00:48:30,180
10 Authority but most intelligence

1053
00:48:35,329 --> 00:48:32,940
agencies operate under a higher title 50

1054
00:48:38,770 --> 00:48:35,339
Authority explained his source

1055
00:48:40,970 --> 00:48:38,780
so this is where like uh Sean has his

1056
00:48:42,829 --> 00:48:40,980
Kirkpatrick has his little wiggle room

1057
00:48:45,290 --> 00:48:42,839
right so he could say

1058
00:48:48,710 --> 00:48:45,300
I'm not lying I didn't have the right

1059
00:48:52,069 --> 00:48:50,270
to find out

1060
00:48:54,349 --> 00:48:52,079
you know

1061
00:48:55,250 --> 00:48:54,359
whatever if that's the truth or not I

1062
00:49:03,170 --> 00:48:55,260
don't know

1063
00:49:03,180 --> 00:49:05,870

um

1064

00:49:09,950 --> 00:49:08,210

one individual here said uh the arrow

1065

00:49:12,710 --> 00:49:09,960

response is typical because they are not

1066

00:49:15,230 --> 00:49:12,720

doing any investigation of the testimony

1067

00:49:17,329 --> 00:49:15,240

they've been given Kirkpatrick has not

1068

00:49:20,870 --> 00:49:17,339

been reporting properly to the

1069

00:49:25,910 --> 00:49:22,849

that's a bold statement so they put

1070

00:49:28,130 --> 00:49:25,920

together that uh ndaa where he's

1071

00:49:30,950 --> 00:49:28,140

supposed to tell people like I think

1072

00:49:32,750 --> 00:49:30,960

it's like 48 Hours afterwards and we

1073

00:49:35,210 --> 00:49:32,760

know people have

1074

00:49:37,430 --> 00:49:35,220

given them information not Grouch or

1075

00:49:39,290 --> 00:49:37,440

Dave here this latest whistle blower

1076

00:49:42,290 --> 00:49:39,300

apparently didn't but we know other

1077

00:49:46,069 --> 00:49:42,300

people have like um I think come come

1078

00:49:52,250 --> 00:49:46,079

Keller said he did uh maybe held putoff

1079

00:49:57,230 --> 00:49:54,349

I guess they would know that but I'm not

1080

00:50:01,010 --> 00:49:57,240

sure it's interesting

1081

00:50:03,470 --> 00:50:01,020

is Sean a part of the cover-up you know

1082

00:50:05,870 --> 00:50:03,480

I don't know what's going on

1083

00:50:09,290 --> 00:50:05,880

so you know this uh the rest of the

1084

00:50:12,470 --> 00:50:09,300

stuff we all kind of know already

1085

00:50:14,750 --> 00:50:12,480

so I think the big piece here was the 12

1086

00:50:16,609 --> 00:50:14,760

craft

1087

00:50:18,530 --> 00:50:16,619

uh some of the same sources who shared

1088

00:50:20,030 --> 00:50:18,540

information with grush as well as others

1089

00:50:21,770 --> 00:50:20,040

spoke to public about retrieve

1090

00:50:23,450 --> 00:50:21,780

spacecraft they say is in the possession

1091

00:50:25,609 --> 00:50:23,460

of the US government

1092

00:50:27,770 --> 00:50:25,619

I know of at least 12 to 15 crafts that

1093

00:50:29,150 --> 00:50:27,780

at least one person who said they shared

1094

00:50:31,069 --> 00:50:29,160

information with the arrow in Congress

1095

00:50:33,829 --> 00:50:31,079

every five years we get one or two

1096

00:50:35,450 --> 00:50:33,839

recovered for one reason or another from

1097

00:50:37,130 --> 00:50:35,460

either a landing

1098

00:50:41,630 --> 00:50:37,140

that we catch

1099

00:50:44,990 --> 00:50:41,640

they just crash every five years

1100

00:50:46,790 --> 00:50:45,000

so what is that like um

1101
00:50:49,250 --> 00:50:46,800
it's like they come here every five

1102
00:50:51,290 --> 00:50:49,260
years or something or or what's the deal

1103
00:50:53,270 --> 00:50:51,300
with that why does it work out to be

1104
00:50:56,809 --> 00:50:53,280
every five years or so that's kind of

1105
00:51:01,010 --> 00:50:59,089
if I think about it every five years you

1106
00:51:04,549 --> 00:51:01,020
know I like to um

1107
00:51:09,890 --> 00:51:07,430
there were

1108
00:51:13,010 --> 00:51:09,900
when this all started out in 47 like

1109
00:51:15,770 --> 00:51:13,020
every five years was kind of like the

1110
00:51:18,230 --> 00:51:15,780
next really biggest year

1111
00:51:22,069 --> 00:51:18,240
like it started in 47 which was like Bar

1112
00:51:25,790 --> 00:51:22,079
None around Roswell the most busy news

1113
00:51:27,309 --> 00:51:25,800

time for flying saucers like ever

1114

00:51:31,370 --> 00:51:27,319

until

1115

00:51:33,049 --> 00:51:31,380

1952 five years later Washington DC

1116

00:51:35,210 --> 00:51:33,059

these are both times apparently that we

1117

00:51:36,829 --> 00:51:35,220

got a piece of craft Roswell

1118

00:51:40,670 --> 00:51:36,839

52

1119

00:51:43,609 --> 00:51:40,680

DC apparently a piece fell off hold on

1120

00:51:45,170 --> 00:51:43,619

I don't know and then 57 was a really

1121

00:51:47,089 --> 00:51:45,180

crazy year

1122

00:51:49,190 --> 00:51:47,099

fall especially

1123

00:51:51,290 --> 00:51:49,200

57 so

1124

00:51:53,150 --> 00:51:51,300

I don't know

1125

00:51:55,549 --> 00:51:53,160

but then we skip

1126

00:51:57,829 --> 00:51:55,559

we have a 62.

1127

00:51:59,870 --> 00:51:57,839

I know there are some great cases but it

1128

00:52:05,630 --> 00:51:59,880

wasn't like that you know and it's like

1129

00:52:10,670 --> 00:52:08,210

so you know there goes that plan I just

1130

00:52:14,630 --> 00:52:10,680

wasted my breath but

1131

00:52:17,809 --> 00:52:16,250

so I don't know

1132

00:52:20,809 --> 00:52:17,819

um yeah so I think the meat of this

1133

00:52:23,390 --> 00:52:20,819

article was the 12 to 15 things or or

1134

00:52:25,190 --> 00:52:23,400

whatever and then they kind of describe

1135

00:52:26,809 --> 00:52:25,200

them one looked like a chopped up

1136

00:52:29,030 --> 00:52:26,819

helicopter which is in what does that

1137

00:52:31,250 --> 00:52:29,040

mean chopped up helicopter I don't get

1138

00:52:32,870 --> 00:52:31,260

it with the front bubble of a Huey

1139

00:52:35,329 --> 00:52:32,880

helicopter

1140

00:52:38,630 --> 00:52:35,339

with the plastic windows

1141

00:52:40,490 --> 00:52:38,640

more like a deep sea submarine so I

1142

00:52:43,490 --> 00:52:40,500

guess he's saying that they have one

1143

00:52:48,589 --> 00:52:43,500

from from of these from some of these

1144

00:52:51,890 --> 00:52:50,150

um

1145

00:52:53,450 --> 00:52:51,900

you know

1146

00:52:54,829 --> 00:52:53,460

I'm pretty sure that was probably on

1147

00:52:56,930 --> 00:52:54,839

purpose

1148

00:52:59,990 --> 00:52:56,940

with a thick piece of glass bubble

1149

00:53:04,190 --> 00:53:00,000

shaped like glass

1150

00:53:08,930 --> 00:53:06,890

where do they get the glass from us

1151
00:53:11,150 --> 00:53:08,940
do we give them the glass do they make

1152
00:53:13,730 --> 00:53:11,160
their own glass

1153
00:53:15,530 --> 00:53:13,740
where do they make it here

1154
00:53:16,970 --> 00:53:15,540
are they making glass on some different

1155
00:53:23,089 --> 00:53:16,980
planet

1156
00:53:27,650 --> 00:53:25,069
and where the tail Rudder should have

1157
00:53:30,650 --> 00:53:27,660
been it was black it was a black egg

1158
00:53:32,750 --> 00:53:30,660
shaped pancake

1159
00:53:35,030 --> 00:53:32,760
and instead of landing gear it had

1160
00:53:38,329 --> 00:53:35,040
upside down ram horns

1161
00:53:43,609 --> 00:53:41,329
this is so weird

1162
00:53:45,829 --> 00:53:43,619
I mean this kind of sounds like like

1163
00:53:46,609 --> 00:53:45,839

what are the chances that beings would

1164

00:53:49,309 --> 00:53:46,619

be

1165

00:53:52,970 --> 00:53:49,319

so similar to us

1166

00:53:57,530 --> 00:53:54,950

you know where they're coming up with

1167

00:53:59,569 --> 00:53:57,540

ships and stuff except in completely

1168

00:54:01,670 --> 00:53:59,579

like bizarre world ways where they're

1169

00:54:05,809 --> 00:54:01,680

using you know things that look like ram

1170

00:54:08,329 --> 00:54:07,370

and what would that mean that we're both

1171

00:54:10,670 --> 00:54:08,339

like

1172

00:54:12,230 --> 00:54:10,680

both species are kind of coming up with

1173

00:54:14,089 --> 00:54:12,240

the same type of

1174

00:54:16,130 --> 00:54:14,099

you know ideas for flight and space

1175

00:54:18,589 --> 00:54:16,140

travel that live in different parts of

1176

00:54:21,349 --> 00:54:18,599

the universe what does that mean

1177

00:54:23,210 --> 00:54:21,359

pretty wild

1178

00:54:25,910 --> 00:54:23,220

or maybe

1179

00:54:30,349 --> 00:54:25,920

they're from here man

1180

00:54:34,549 --> 00:54:32,690

seem to be like ours but just different

1181

00:54:37,309 --> 00:54:34,559

I don't know it's interesting to think

1182

00:54:40,910 --> 00:54:39,109

but it's weird Gary Nolan said that too

1183

00:54:42,710 --> 00:54:40,920

he's like I find it hard to believe that

1184

00:54:46,309 --> 00:54:42,720

these things would look just like us but

1185

00:54:48,109 --> 00:54:46,319

but Dr Nolan actually I think speculates

1186

00:54:49,970 --> 00:54:48,119

that

1187

00:54:52,730 --> 00:54:49,980

they're drones

1188

00:54:54,589 --> 00:54:52,740

or like AI beings

1189

00:54:56,150 --> 00:54:54,599

which would make sense

1190

00:54:58,309 --> 00:54:56,160

because they don't have private parts

1191

00:55:01,910 --> 00:54:58,319

apparently

1192

00:55:01,920 --> 00:55:07,970

but uh you know

1193

00:55:13,549 --> 00:55:11,510

so okay so we got that one see I'm just

1194

00:55:15,049 --> 00:55:13,559

rambling these live shows

1195

00:55:16,809 --> 00:55:15,059

but you guys are still here so that's

1196

00:55:23,089 --> 00:55:16,819

good

1197

00:55:28,490 --> 00:55:26,210

give me some money I mean I got 199 from

1198

00:55:30,530 --> 00:55:28,500

a nice person over here two dollars so

1199

00:55:32,030 --> 00:55:30,540

I'm averaging two dollars an hour right

1200

00:55:34,190 --> 00:55:32,040

now

1201
00:55:35,930 --> 00:55:34,200
actually I just bought a new webcam so

1202
00:55:41,569 --> 00:55:35,940
I'm negative

1203
00:55:46,190 --> 00:55:43,670
and then uh

1204
00:55:51,710 --> 00:55:46,200
Russians and Chinese maybe have craft

1205
00:55:55,370 --> 00:55:53,930
do the Russians and Chinese have craft I

1206
00:55:57,230 --> 00:55:55,380
mean because one of the complaints that

1207
00:55:59,329 --> 00:55:57,240
comes up all the time is oh they always

1208
00:56:00,589 --> 00:55:59,339
crash in the United States you know

1209
00:56:02,870 --> 00:56:00,599
what's funny is most of the people who

1210
00:56:04,790 --> 00:56:02,880
say that live here and just you know

1211
00:56:08,150 --> 00:56:04,800
can't think of the fact that maybe uh

1212
00:56:09,730 --> 00:56:08,160
you just watch the news here and not

1213
00:56:12,710 --> 00:56:09,740

anywhere else

1214

00:56:18,170 --> 00:56:12,720

but there have definitely been uh crash

1215

00:56:23,750 --> 00:56:19,510

um Russia

1216

00:56:25,430 --> 00:56:23,760

France Italy as we found out 1933

1217

00:56:29,030 --> 00:56:25,440

perhaps

1218

00:56:32,089 --> 00:56:29,040

um Australia all over

1219

00:56:36,890 --> 00:56:33,589

and it's those kind of things that

1220

00:56:39,170 --> 00:56:36,900

people say Without Really you know

1221

00:56:42,290 --> 00:56:39,180

looking into this at all I just call

1222

00:56:48,170 --> 00:56:44,750

but like educating the entire public on

1223

00:56:51,230 --> 00:56:48,180

that to get caught up to a reasonable

1224

00:56:53,210 --> 00:56:51,240

Point like is just not uh reasonable

1225

00:56:55,849 --> 00:56:53,220

because you're fighting against 80 years

1226
00:56:58,430 --> 00:56:55,859
of uh you know misinformation of bull

1227
00:57:04,130 --> 00:56:58,440
crap from the Air Force apparently so

1228
00:57:04,140 --> 00:57:10,670
there's also a story that came up today

1229
00:57:14,690 --> 00:57:12,829
hey there we go I just gotta whine a

1230
00:57:17,030 --> 00:57:14,700
little bit more yes

1231
00:57:23,329 --> 00:57:17,040
yes

1232
00:57:28,730 --> 00:57:25,490
yeah well you know if this doesn't work

1233
00:57:32,690 --> 00:57:28,740
out I'm gonna start only fans account so

1234
00:57:37,670 --> 00:57:35,390
Okay so

1235
00:57:42,770 --> 00:57:37,680
I'm always very

1236
00:57:44,510 --> 00:57:42,780
wary these days of Mr uh Daniel Sheehan

1237
00:57:46,549 --> 00:57:44,520
you know I'm not saying he's a bad dude

1238
00:57:48,410 --> 00:57:46,559

or whatever he seems super smart and and

1239

00:57:50,329 --> 00:57:48,420

everything and he's you know gung-ho for

1240

00:57:52,010 --> 00:57:50,339

all this stuff and it's awesome

1241

00:57:54,109 --> 00:57:52,020

but it sometimes he just says some

1242

00:57:54,950 --> 00:57:54,119

really wild stuff that that I don't

1243

00:57:56,450 --> 00:57:54,960

think

1244

00:57:58,250 --> 00:57:56,460

and I don't know where it comes from

1245

00:57:59,329 --> 00:57:58,260

like if he just makes it up out of thin

1246

00:58:01,609 --> 00:57:59,339

air or

1247

00:58:04,670 --> 00:58:01,619

or if somebody told him that he's not

1248

00:58:06,589 --> 00:58:04,680

supposed to say it or he gets confused

1249

00:58:07,490 --> 00:58:06,599

or if he does it on purpose I'm not sure

1250

00:58:11,030 --> 00:58:07,500

but

1251
00:58:12,230 --> 00:58:11,040
somebody's kind of wary of uh these uh

1252
00:58:13,970 --> 00:58:12,240
stories

1253
00:58:19,910 --> 00:58:13,980
so

1254
00:58:23,750 --> 00:58:19,920
we'll read it together for the first

1255
00:58:26,750 --> 00:58:23,760
time exclusive crash UFO recovered by

1256
00:58:29,450 --> 00:58:26,760
the US military distorted space and time

1257
00:58:31,490 --> 00:58:29,460
leaving one investigator nauseous and

1258
00:58:33,530 --> 00:58:31,500
disoriented when he went in and

1259
00:58:35,930 --> 00:58:33,540
discovered it was much larger inside

1260
00:58:42,289 --> 00:58:35,940
than out attorney for whistleblowers

1261
00:58:46,010 --> 00:58:43,609
I'm worried about this term

1262
00:58:47,030 --> 00:58:46,020
whistleblowers like and uh Leslie Kane

1263
00:58:49,010 --> 00:58:47,040

said this

1264

00:58:50,630 --> 00:58:49,020

um in one of her interviews she said I

1265

00:58:53,809 --> 00:58:50,640

think people are really using the term

1266

00:58:55,549 --> 00:58:53,819

Whistleblower very loosely

1267

00:58:58,430 --> 00:58:55,559

and a lot of people aren't actually

1268

00:59:00,530 --> 00:58:58,440

whistleblowers you know like David is a

1269

00:59:01,970 --> 00:59:00,540

whistleblower because of the IG thing he

1270

00:59:06,530 --> 00:59:01,980

went and complained and did the right

1271

00:59:10,609 --> 00:59:08,930

you know I'm not sure if these other

1272

00:59:12,349 --> 00:59:10,619

people have or not maybe they have and

1273

00:59:13,430 --> 00:59:12,359

they are whistleblowers I'm just kind of

1274

00:59:15,770 --> 00:59:13,440

like

1275

00:59:17,329 --> 00:59:15,780

I'm on the same page with her on that

1276

00:59:19,430 --> 00:59:17,339

like are these people really wasn't

1277

00:59:22,130 --> 00:59:19,440

lawyers I don't know

1278

00:59:23,630 --> 00:59:22,140

it's like people call the Luella zondo

1279

00:59:25,430 --> 00:59:23,640

whistleblower for a long time I don't

1280

00:59:27,589 --> 00:59:25,440

know that he was really whistleblower so

1281

00:59:31,430 --> 00:59:27,599

to speak was he

1282

00:59:31,440 --> 00:59:34,549

all right

1283

00:59:40,910 --> 00:59:37,250

a crashed UFO recovered by U.S military

1284

00:59:42,670 --> 00:59:40,920

distorted space-time and was bigger on

1285

00:59:45,109 --> 00:59:42,680

the inside claims the top attorney

1286

00:59:47,150 --> 00:59:45,119

involved in bringing UFO whistleblowers

1287

00:59:48,890 --> 00:59:47,160

to Congress you should just stack up all

1288

00:59:50,809 --> 00:59:48,900

these claims next to next to each other

1289

00:59:52,990 --> 00:59:50,819

and then see if people wanna

1290

00:59:54,789 --> 00:59:53,000

hear about this claim

1291

00:59:57,530 --> 00:59:54,799

Daniel

1292

00:59:59,809 --> 00:59:57,540

says he was still the mind-boggling tale

1293

01:00:02,150 --> 00:59:59,819

by a whistleblower who allegedly took

1294

01:00:04,730 --> 01:00:02,160

part in a legally undisclosed program

1295

01:00:06,950 --> 01:00:04,740

retrieving crash non-human spacecraft

1296

01:00:08,809 --> 01:00:06,960

and it was now brief Senate intelligence

1297

01:00:11,390 --> 01:00:08,819

committee staff

1298

01:00:13,970 --> 01:00:11,400

it seems like a legit thing then

1299

01:00:16,010 --> 01:00:13,980

the lawyer's story is the latest in the

1300

01:00:17,510 --> 01:00:16,020

series of stunning claims this week of

1301
01:00:19,849 --> 01:00:17,520
UFOs and the government's hands which

1302
01:00:21,530 --> 01:00:19,859
began on Monday with an on-camera

1303
01:00:23,809 --> 01:00:21,540
interview of former Air Force

1304
01:00:26,089 --> 01:00:23,819
intelligence officer Dave grush alleging

1305
01:00:29,210 --> 01:00:26,099
that the U.S government possesses

1306
01:00:32,870 --> 01:00:29,220
multiple crashed non-human craft

1307
01:00:35,030 --> 01:00:32,880
the Department of Defense says it is not

1308
01:00:37,609 --> 01:00:35,040
discovered any verifiable information is

1309
01:00:39,470 --> 01:00:37,619
supporting any of the claims but she in

1310
01:00:41,930 --> 01:00:39,480
has been helping bring whistleblowers

1311
01:00:44,270 --> 01:00:41,940
blah blah blah see and there we go with

1312
01:00:46,549 --> 01:00:44,280
that word again government cover-up of

1313
01:00:48,230 --> 01:00:46,559

encounters with extraterrestrials so

1314

01:00:50,089 --> 01:00:48,240

what are we doing here people are we

1315

01:00:51,890 --> 01:00:50,099

doing extraterrestrials or are we doing

1316

01:00:54,589 --> 01:00:51,900

non-human

1317

01:00:56,930 --> 01:00:54,599

we gotta pick one here

1318

01:00:58,849 --> 01:00:56,940

because when it comes to the dod Susan

1319

01:01:01,549 --> 01:00:58,859

gown NASA they're all coming back with

1320

01:01:04,010 --> 01:01:01,559

no extraterrestrial stuff

1321

01:01:05,870 --> 01:01:04,020

and if that's the case

1322

01:01:08,870 --> 01:01:05,880

why aren't these people coming out and

1323

01:01:14,270 --> 01:01:11,809

you know like directly and I beat around

1324

01:01:20,750 --> 01:01:16,970

or everybody use non-human you know like

1325

01:01:24,829 --> 01:01:22,789

and you need to be on the same page here

1326

01:01:29,150 --> 01:01:24,839

people who's like running the show

1327

01:01:33,289 --> 01:01:31,069

sloppy

1328

01:01:35,270 --> 01:01:33,299

uh that one alleged recovery recounted

1329

01:01:37,430 --> 01:01:35,280

to him by a supposedly crash retrieval

1330

01:01:39,109 --> 01:01:37,440

program Insider involved a 30-foot

1331

01:01:42,289 --> 01:01:39,119

saucer partially embedded in the Earth

1332

01:01:44,450 --> 01:01:42,299

with some Fantastical properties they

1333

01:01:47,809 --> 01:01:44,460

tried to hook a bulldozer to pull it out

1334

01:01:51,829 --> 01:01:47,819

and pulled out a shape like a pie slice

1335

01:01:51,839 --> 01:01:55,130

pie slice

1336

01:02:02,750 --> 01:01:58,010

okay hold on

1337

01:02:06,589 --> 01:02:02,760

hold on for one second

1338

01:02:10,549 --> 01:02:08,150

I slice

1339

01:02:12,049 --> 01:02:10,559

I know that's may sound weird why is

1340

01:02:16,370 --> 01:02:12,059

this guy getting all crazy about pie

1341

01:02:16,380 --> 01:02:23,089

I'm gonna show you

1342

01:02:23,099 --> 01:02:26,750

because I've seen

1343

01:02:33,230 --> 01:02:29,270

UFOs

1344

01:02:33,240 --> 01:02:36,710

yeah here we go

1345

01:02:43,910 --> 01:02:40,549

here we freaking go man

1346

01:02:46,190 --> 01:02:43,920

I'm gonna pull it up for you

1347

01:02:48,470 --> 01:02:46,200

so the

1348

01:02:49,910 --> 01:02:48,480

the interesting part of the pie thing

1349

01:02:53,030 --> 01:02:49,920

too is like

1350

01:02:57,470 --> 01:02:56,089

it's not like a normal shape that people

1351

01:02:59,210 --> 01:02:57,480

talk about

1352

01:03:00,950 --> 01:02:59,220

with UFOs

1353

01:03:04,730 --> 01:03:00,960

you know that's why I thought it was so

1354

01:03:07,069 --> 01:03:04,740

weird when he said that

1355

01:03:11,030 --> 01:03:07,079

like a piece of pie

1356

01:03:15,230 --> 01:03:12,470

thank you

1357

01:03:17,990 --> 01:03:15,240

so it kind of to me is like maybe

1358

01:03:20,750 --> 01:03:18,000

there's some validity in it because it's

1359

01:03:24,170 --> 01:03:20,760

a it's just a weird shape to to say and

1360

01:03:24,180 --> 01:03:27,349

you know

1361

01:03:31,910 --> 01:03:29,630

in Blue Book

1362

01:03:33,530 --> 01:03:31,920

okay I'm gonna try to share this here

1363

01:03:35,329 --> 01:03:33,540

with you so I just went to the archives

1364

01:03:38,210 --> 01:03:35,339

quick and

1365

01:03:39,650 --> 01:03:38,220

looked it up

1366

01:03:41,930 --> 01:03:39,660

here

1367

01:03:45,410 --> 01:03:41,940

the Lego so hopefully you can see this

1368

01:03:48,109 --> 01:03:45,420

but that I scored whatever to the flight

1369

01:03:51,530 --> 01:03:48,119

line after he described the two Jets as

1370

01:03:54,289 --> 01:03:51,540

looking like a piece of

1371

01:03:57,530 --> 01:03:54,299

pair

1372

01:04:06,890 --> 01:04:01,549

so we're talking about Jets there

1373

01:04:13,010 --> 01:04:09,349

uh Pizza Pie doesn't come up in this one

1374

01:04:18,589 --> 01:04:15,589

I don't think

1375

01:04:20,870 --> 01:04:18,599

but there is also another piece of pie

1376

01:04:23,030 --> 01:04:20,880

let me check that out

1377

01:04:25,069 --> 01:04:23,040

and I know I've seen it other times

1378

01:04:26,450 --> 01:04:25,079

before like this search isn't the best

1379

01:04:29,089 --> 01:04:26,460

here but

1380

01:04:31,069 --> 01:04:29,099

um yeah I've seen that in cone shaped

1381

01:04:32,870 --> 01:04:31,079

which could kind of be considered a

1382

01:04:34,549 --> 01:04:32,880

piece of pie as well

1383

01:04:36,710 --> 01:04:34,559

I mean those shapes kind of just

1384

01:04:39,349 --> 01:04:36,720

disappeared I feel like after the 50s or

1385

01:04:41,630 --> 01:04:39,359

60s so it's kind of interesting so maybe

1386

01:04:45,650 --> 01:04:41,640

they you know downed one or something

1387

01:04:45,660 --> 01:04:50,210

come on give me the pie

1388

01:04:50,220 --> 01:04:54,289

I don't know what's up with this

1389

01:04:58,370 --> 01:04:56,030

become boring you guys just let me know

1390

01:04:59,690 --> 01:04:58,380

when I'm just trying to hang out

1391

01:05:04,010 --> 01:04:59,700

I know

1392

01:05:08,510 --> 01:05:06,829

yes uh let me get the shape of it oh hi

1393

01:05:11,450 --> 01:05:08,520

Nick heinek is interviewing the prison

1394

01:05:13,970 --> 01:05:11,460

said it looked like a cut of pie yes

1395

01:05:15,890 --> 01:05:13,980

quarter piece of pie at one instant

1396

01:05:17,510 --> 01:05:15,900

look like a round saucer maybe the

1397

01:05:19,370 --> 01:05:17,520

bottom of it and then it seemed to take

1398

01:05:22,370 --> 01:05:19,380

a dip or turn all of a sudden it looked

1399

01:05:25,490 --> 01:05:22,380

like a quarter piece of pie

1400

01:05:25,500 --> 01:05:35,990

so yeah I just wanted to check that out

1401

01:05:43,430 --> 01:05:39,410

wait so you are sick of me we are and

1402

01:05:46,010 --> 01:05:44,690

okay

1403

01:05:49,730 --> 01:05:46,020

um

1404

01:05:52,309 --> 01:05:49,740

that interesting

1405

01:05:54,170 --> 01:05:52,319

so that articles uh you know interesting

1406

01:05:55,430 --> 01:05:54,180

and and these are all things that we've

1407

01:05:58,130 --> 01:05:55,440

heard

1408

01:05:59,809 --> 01:05:58,140

you know magnetism uh the ship's bigger

1409

01:06:02,930 --> 01:05:59,819

on the inside than it is on the outside

1410

01:06:05,630 --> 01:06:02,940

we've heard all those things

1411

01:06:07,130 --> 01:06:05,640

since forever

1412

01:06:11,390 --> 01:06:07,140

forever

1413

01:06:14,809 --> 01:06:12,710

so

1414

01:06:18,589 --> 01:06:14,819

if you guys

1415

01:06:25,370 --> 01:06:18,599

are up for it I'm thinking we could

1416

01:06:25,380 --> 01:06:31,789

um kind of like crash retrieval ideas

1417

01:06:31,799 --> 01:06:36,650

are you guys cool with that

1418

01:06:43,970 --> 01:06:41,210

who guys cool with that

1419

01:06:47,270 --> 01:06:43,980

so I have some pretty interesting

1420

01:06:50,150 --> 01:06:47,280

um like um documents in like news

1421

01:06:53,270 --> 01:06:50,160

articles that we can look at

1422

01:06:55,309 --> 01:06:53,280

from the past about Crash stuff

1423

01:06:57,829 --> 01:06:55,319

could be pretty cool I don't know what

1424

01:07:00,740 --> 01:07:00,230

I just want

1425

01:07:03,230 --> 01:07:00,750

to

1426

01:07:11,410 --> 01:07:03,240

[Music]

1427

01:07:17,630 --> 01:07:13,670

okay gotcha

1428

01:07:21,049 --> 01:07:19,970

don't have anywhere to go so I'm not

1429

01:07:23,270 --> 01:07:21,059

going anywhere

1430

01:07:28,849 --> 01:07:23,280

but what I'm gonna do

1431

01:07:31,130 --> 01:07:28,859

is we're gonna take just a little break

1432

01:07:34,010 --> 01:07:31,140

a little talk and break for me I'm gonna

1433

01:07:37,430 --> 01:07:34,020

play video

1434

01:07:39,109 --> 01:07:37,440

it's kind of like a collage I guess of

1435

01:07:41,270 --> 01:07:39,119

old newspaper stuff it's not it's just

1436

01:07:43,250 --> 01:07:41,280

something interesting that that you can

1437

01:07:45,589 --> 01:07:43,260

look at well

1438

01:07:47,809 --> 01:07:45,599

I take my break and get some water and

1439

01:09:46,809 --> 01:07:47,819

stuff so

1440

01:09:46,819 --> 01:09:54,110

you guys not hear the music

1441

01:09:54,120 --> 01:09:57,110

man

1442

01:10:00,890 --> 01:09:59,270

that sucks

1443

01:10:09,830 --> 01:10:00,900

it's too big because that was like

1444

01:10:09,840 --> 01:10:16,689

it's cowboy

1445

01:10:16,699 --> 01:10:21,290

that's so funny you guys bit my dog

1446

01:10:21,300 --> 01:10:25,189

I picked him up he's a heavy dog

1447

01:10:37,310 --> 01:10:27,169

he is

1448

01:10:37,320 --> 01:10:54,410

foreign

1449

01:11:04,010 --> 01:11:02,270

[Music]

1450

01:11:04,950 --> 01:11:04,020

building

1451
01:11:10,149 --> 01:11:04,960
[Music]

1452
01:11:16,630 --> 01:11:10,159
[Laughter]

1453
01:11:16,640 --> 01:11:23,590
won't make a living doing this

1454
01:11:30,550 --> 01:11:26,660
here we are in a dynasty

1455
01:11:33,760 --> 01:11:30,560
[Music]

1456
01:11:38,090 --> 01:11:33,770
Sharpshooter it really Suits You

1457
01:11:43,630 --> 01:11:40,300
and a king never played

1458
01:11:53,830 --> 01:11:48,010
the round hope of last line

1459
01:12:02,400 --> 01:11:57,400
[Music]

1460
01:12:05,390 --> 01:12:02,410
[Laughter]

1461
01:12:10,330 --> 01:12:05,400
[Music]

1462
01:12:19,149 --> 01:12:12,290
[Laughter]

1463
01:12:19,159 --> 01:12:24,370

awake but too tired to admit

1464

01:12:30,730 --> 01:12:28,870
and Taking Chances without

1465

01:12:42,790 --> 01:12:30,740
thank you

1466

01:13:16,110 --> 01:12:45,960
that is true

1467

01:13:16,120 --> 01:13:20,209
[Music]

1468

01:13:27,410 --> 01:13:22,060
true

1469

01:13:30,229 --> 01:13:27,420
[Laughter]

1470

01:13:34,010 --> 01:13:30,239
we're gonna do this we're gonna go back

1471

01:13:39,770 --> 01:13:36,290
so you could hear the music

1472

01:13:44,750 --> 01:13:42,169
sorry about that you know getting used

1473

01:13:46,850 --> 01:13:44,760
to going live again you know there's

1474

01:13:50,930 --> 01:13:46,860
these two options you can either share

1475

01:13:53,030 --> 01:13:50,940
your screen which I did with the video

1476

01:13:55,010 --> 01:13:53,040

works really well

1477

01:13:58,310 --> 01:13:55,020

but

1478

01:14:03,470 --> 01:14:01,430

the other way I could do it is

1479

01:14:10,729 --> 01:14:03,480

by uploading it and that's the correct

1480

01:14:17,570 --> 01:14:13,010

kind of go through a little bit of the

1481

01:14:23,209 --> 01:14:20,570

this is the first one

1482

01:14:25,490 --> 01:14:23,219

okay here we go so

1483

01:14:29,390 --> 01:14:25,500

and before we get into it

1484

01:14:31,010 --> 01:14:29,400

since we we kind of see this a lot

1485

01:14:33,830 --> 01:14:31,020

and we talked about this a little bit

1486

01:14:37,910 --> 01:14:33,840

already but

1487

01:14:43,610 --> 01:14:40,370

expects anyone else or should be

1488

01:14:51,290 --> 01:14:48,110

that we have actual craft or bodies

1489

01:14:53,689 --> 01:14:51,300

until there is some good evidence but I

1490

01:14:56,570 --> 01:14:53,699

think what's plausible and what people

1491

01:14:58,790 --> 01:14:56,580

should be doing right now is caring and

1492

01:15:00,649 --> 01:14:58,800

pushing for more answers

1493

01:15:03,830 --> 01:15:00,659

because of the credibility of these

1494

01:15:07,189 --> 01:15:03,840

people it deserves that definitely

1495

01:15:09,410 --> 01:15:07,199

and because it could possibly be

1496

01:15:12,050 --> 01:15:09,420

the biggest

1497

01:15:15,110 --> 01:15:12,060

Discovery in history I mean let's be

1498

01:15:19,610 --> 01:15:17,689

thank you appreciate it

1499

01:15:21,470 --> 01:15:19,620

but yeah so and this is the closest

1500

01:15:23,810 --> 01:15:21,480

we've gotten to

1501
01:15:25,430 --> 01:15:23,820
maybe getting evidence because if this

1502
01:15:27,470 --> 01:15:25,440
is real right

1503
01:15:30,890 --> 01:15:27,480
which I kind of think it is

1504
01:15:34,790 --> 01:15:32,630
there's going to be pressure

1505
01:15:37,310 --> 01:15:34,800
to get some real evidence out there

1506
01:15:38,990 --> 01:15:37,320
and to tell the truth

1507
01:15:40,430 --> 01:15:39,000
and there's going to be more coming we

1508
01:15:41,750 --> 01:15:40,440
keep hearing that I don't know what it

1509
01:15:43,010 --> 01:15:41,760
is

1510
01:15:45,050 --> 01:15:43,020
but there's going to be more coming

1511
01:15:49,430 --> 01:15:45,060
apparently someone

1512
01:15:54,530 --> 01:15:52,250
oh okay so there was like

1513
01:15:56,630 --> 01:15:54,540

some

1514

01:15:58,370 --> 01:15:56,640

so along with this stuff we're getting

1515

01:15:59,870 --> 01:15:58,380

like a lot of new faces I'll just say

1516

01:16:01,370 --> 01:15:59,880

this quick before we get into it we see

1517

01:16:04,610 --> 01:16:01,380

like a lot of new faces talking about

1518

01:16:07,430 --> 01:16:04,620

this stuff and one of them was like

1519

01:16:08,810 --> 01:16:07,440

going off on every possible conspiracy

1520

01:16:10,490 --> 01:16:08,820

that you could tie together talking

1521

01:16:13,850 --> 01:16:10,500

about how the Trump documents with

1522

01:16:15,649 --> 01:16:13,860

something UFO and

1523

01:16:16,790 --> 01:16:15,659

um connecting all these things that

1524

01:16:19,250 --> 01:16:16,800

aren't

1525

01:16:20,990 --> 01:16:19,260

you know known to be related to UFOs

1526

01:16:26,330 --> 01:16:21,000

that's happening now in connecting all

1527

01:16:33,890 --> 01:16:30,410

so what I wanted to say is just like

1528

01:16:35,750 --> 01:16:33,900

stick to the sources of this story right

1529

01:16:36,770 --> 01:16:35,760

it's an exciting topic and a lot of

1530

01:16:38,090 --> 01:16:36,780

other people are going to be talking

1531

01:16:40,430 --> 01:16:38,100

about it

1532

01:16:42,649 --> 01:16:40,440

but keep in mind like their people have

1533

01:16:44,450 --> 01:16:42,659

been looking at this for a long time and

1534

01:16:46,370 --> 01:16:44,460

are honest about it that you should be

1535

01:16:48,410 --> 01:16:46,380

paying attention to like just forget me

1536

01:16:50,090 --> 01:16:48,420

you know whatever just

1537

01:16:52,250 --> 01:16:50,100

stick to the people that have been here

1538

01:16:54,050 --> 01:16:52,260

the whole time

1539

01:16:57,530 --> 01:16:54,060

but most importantly stick to the

1540

01:17:00,169 --> 01:16:57,540

sources stick to what Leslie says about

1541

01:17:03,110 --> 01:17:00,179

this what Ralph says what Ross says what

1542

01:17:04,790 --> 01:17:03,120

the actual people say

1543

01:17:07,010 --> 01:17:04,800

you know because everybody puts their

1544

01:17:09,830 --> 01:17:07,020

little spin on it that

1545

01:17:12,350 --> 01:17:09,840

might not be correct and that's how

1546

01:17:17,930 --> 01:17:12,360

stuff gets out of control and wrong you

1547

01:17:17,940 --> 01:17:21,410

also

1548

01:17:24,709 --> 01:17:23,510

I forgot to even talk about this but but

1549

01:17:27,530 --> 01:17:24,719

I should

1550

01:17:29,330 --> 01:17:27,540

and I'm sorry for those of you who want

1551

01:17:33,229 --> 01:17:29,340

me to get into that old stuff but I

1552

01:17:36,229 --> 01:17:33,239

really really can't call myself UAB news

1553

01:17:38,290 --> 01:17:36,239

and not cover this because it just came

1554

01:17:40,970 --> 01:17:38,300

out today

1555

01:17:44,390 --> 01:17:40,980

you even talked about it

1556

01:17:47,270 --> 01:17:44,400

so let me get that up quick okay so the

1557

01:17:51,350 --> 01:17:47,280

Whistleblower is lawyer

1558

01:17:56,750 --> 01:17:52,729

um today

1559

01:18:00,410 --> 01:17:58,970

the debrief wrote about it is like uh

1560

01:18:02,330 --> 01:18:00,420

breaking news

1561

01:18:04,550 --> 01:18:02,340

and I gotta say like reading the article

1562

01:18:07,610 --> 01:18:04,560

and everything they really made it sound

1563

01:18:11,570 --> 01:18:09,770

they were they actually said that like

1564

01:18:14,149 --> 01:18:11,580

they thought they were the lawyer was

1565

01:18:17,390 --> 01:18:14,159

trying to distance himself from these

1566

01:18:20,630 --> 01:18:17,400

claims that David made but reality when

1567

01:18:23,030 --> 01:18:20,640

when you read this it seems like

1568

01:18:24,830 --> 01:18:23,040

they did their job and the job is done

1569

01:18:28,790 --> 01:18:24,840

their job was to protect them from

1570

01:18:31,250 --> 01:18:28,800

whistleblower reprisal uh it they say

1571

01:18:33,350 --> 01:18:31,260

they successfully did that here and now

1572

01:18:37,310 --> 01:18:33,360

they're finished so I'm not sure

1573

01:18:39,410 --> 01:18:37,320

uh why the debrief would say that but

1574

01:18:41,390 --> 01:18:39,420

um I guess the only thing I could say

1575

01:18:44,030 --> 01:18:41,400

about why the debrief may have said that

1576

01:18:45,290 --> 01:18:44,040

is because and I'm just guessing so I

1577

01:18:46,490 --> 01:18:45,300

could definitely be wrong but it seems

1578

01:18:49,790 --> 01:18:46,500

like most people

1579

01:18:52,130 --> 01:18:49,800

who talk about this stuff

1580

01:18:53,810 --> 01:18:52,140

even like

1581

01:18:55,310 --> 01:18:53,820

some of the people who released the

1582

01:18:57,110 --> 01:18:55,320

story right like everyone's like

1583

01:19:00,410 --> 01:18:57,120

preparing

1584

01:19:02,270 --> 01:19:00,420

for it to be a hoax or not true

1585

01:19:03,649 --> 01:19:02,280

like they're putting this story out but

1586

01:19:05,330 --> 01:19:03,659

like

1587

01:19:07,130 --> 01:19:05,340

a part of them believes that it may not

1588

01:19:09,110 --> 01:19:07,140

be true really either

1589

01:19:11,149 --> 01:19:09,120

sort of like putting things out there

1590

01:19:13,490 --> 01:19:11,159

that allows them to kind of like back

1591

01:19:15,229 --> 01:19:13,500

out of it and save face maybe I don't

1592

01:19:16,490 --> 01:19:15,239

know

1593

01:19:17,870 --> 01:19:16,500

I just thought it was kind of weird and

1594

01:19:19,250 --> 01:19:17,880

again I'm just guessing I could be

1595

01:19:22,370 --> 01:19:19,260

completely wrong

1596

01:19:24,229 --> 01:19:22,380

but you gotta read this Source read the

1597

01:19:26,689 --> 01:19:24,239

sourced material

1598

01:19:28,370 --> 01:19:26,699

this story was written just around this

1599

01:19:31,610 --> 01:19:28,380

they didn't have

1600

01:19:33,709 --> 01:19:31,620

any extra that that they said any extra

1601
01:19:35,810 --> 01:19:33,719
Insider information on this or anything

1602
01:19:37,850 --> 01:19:35,820
so this is the sort of thing that should

1603
01:19:39,970 --> 01:19:37,860
just be put out to people and they can

1604
01:19:43,910 --> 01:19:39,980
read it for themselves

1605
01:19:45,530 --> 01:19:43,920
and kind of digest it how they want

1606
01:19:47,450 --> 01:19:45,540
because otherwise you have people's own

1607
01:19:50,390 --> 01:19:47,460
opinions thrown in there kind of some

1608
01:19:53,390 --> 01:19:50,400
people may mistake it as fact and

1609
01:19:56,090 --> 01:19:53,400
whatever statement on compass rose

1610
01:19:58,669 --> 01:19:56,100
Legal Group successfully concluded

1611
01:19:59,990 --> 01:19:58,679
representation a former client David

1612
01:20:02,689 --> 01:20:00,000
Crush

1613
01:20:05,410 --> 01:20:02,699

that's a

1614

01:20:08,810 --> 01:20:05,420

that's the headline

1615

01:20:10,790 --> 01:20:08,820

Guppies Rose legal groups successfully

1616

01:20:12,890 --> 01:20:10,800

concluded representation you know

1617

01:20:14,990 --> 01:20:12,900

whatever uh Rose Legal Group

1618

01:20:16,790 --> 01:20:15,000

successfully concluded its rep of former

1619

01:20:18,410 --> 01:20:16,800

client David Russia matters limited to

1620

01:20:20,870 --> 01:20:18,420

his reasonable beliefs that elements of

1621

01:20:22,970 --> 01:20:20,880

the I see improperly withheld or

1622

01:20:26,450 --> 01:20:22,980

concealed alleged classified information

1623

01:20:29,630 --> 01:20:26,460

from the US Congress The Firm filed a

1624

01:20:31,189 --> 01:20:29,640

narrowly scoped whistleblower disclosure

1625

01:20:32,930 --> 01:20:31,199

with the intelligence Community

1626

01:20:35,990 --> 01:20:32,940

Inspector General

1627

01:20:38,090 --> 01:20:36,000

and Associated Personnel matters and had

1628

01:20:41,510 --> 01:20:38,100

represented Mr Gresham since February

1629

01:20:43,010 --> 01:20:41,520

2022 recent media articles misstate the

1630

01:20:45,290 --> 01:20:43,020

scope of the firm's representation and

1631

01:20:47,330 --> 01:20:45,300

include material misstatements of fact

1632

01:20:48,890 --> 01:20:47,340

pertaining to our representation which

1633

01:20:50,630 --> 01:20:48,900

we have requested to be corrected The

1634

01:20:52,189 --> 01:20:50,640

Whistleblower disclosure did not speak

1635

01:20:54,649 --> 01:20:52,199

to the specifics of the alleged

1636

01:20:56,930 --> 01:20:54,659

classified information

1637

01:20:59,990 --> 01:20:56,940

uh that Mr grush is now publicly

1638

01:21:03,590 --> 01:21:01,610

and the substance of that information

1639

01:21:06,950 --> 01:21:03,600

has always been outside of the scope of

1640

01:21:09,649 --> 01:21:06,960

the compass rose representation

1641

01:21:13,189 --> 01:21:09,659

Okay so

1642

01:21:16,550 --> 01:21:13,199

this answers a couple questions

1643

01:21:18,530 --> 01:21:16,560

to me so

1644

01:21:21,890 --> 01:21:18,540

because a couple things come up so first

1645

01:21:26,090 --> 01:21:21,900

of all like I think we're told here what

1646

01:21:27,890 --> 01:21:26,100

you know the actual complaint is about

1647

01:21:30,350 --> 01:21:27,900

right because that's another thing that

1648

01:21:32,270 --> 01:21:30,360

people have been saying a lot like is

1649

01:21:35,090 --> 01:21:32,280

the complaint actually about like

1650

01:21:36,410 --> 01:21:35,100

retrieve like craft and bodies or is it

1651
01:21:38,510 --> 01:21:36,420
complaint about The Whistleblower

1652
01:21:39,950 --> 01:21:38,520
reprisal well I think it's kind of

1653
01:21:41,689 --> 01:21:39,960
obvious people

1654
01:21:43,850 --> 01:21:41,699
like it's about The Whistleblower

1655
01:21:45,830 --> 01:21:43,860
reprisal

1656
01:21:47,630 --> 01:21:45,840
they just said their scope was narrow

1657
01:21:49,729 --> 01:21:47,640
the stuff about the craft and everything

1658
01:21:52,189 --> 01:21:49,739
was outside of their scope they're

1659
01:21:55,189 --> 01:21:52,199
representing him

1660
01:21:56,990 --> 01:21:55,199
and submitted a narrowly scoped

1661
01:22:01,010 --> 01:21:57,000
complaint

1662
01:22:05,390 --> 01:22:01,020
which is probably completely directly

1663
01:22:09,709 --> 01:22:07,370

because

1664

01:22:11,990 --> 01:22:09,719

you know like bodies and craft like for

1665

01:22:14,750 --> 01:22:12,000

them to call that urgent

1666

01:22:16,669 --> 01:22:14,760

it would mean that like they think

1667

01:22:18,410 --> 01:22:16,679

there's an alien invasion coming and

1668

01:22:21,229 --> 01:22:18,420

it's urgent

1669

01:22:22,430 --> 01:22:21,239

because like why else would it be urgent

1670

01:22:23,630 --> 01:22:22,440

credible

1671

01:22:26,930 --> 01:22:23,640

sure

1672

01:22:29,030 --> 01:22:26,940

but urgent incredible urgent to me means

1673

01:22:32,450 --> 01:22:29,040

like they need to stop something from

1674

01:22:36,890 --> 01:22:34,790

and if the complaint

1675

01:22:39,410 --> 01:22:36,900

included bodies and stuff like that it

1676

01:22:41,149 --> 01:22:39,420

would probably mean that

1677

01:22:42,830 --> 01:22:41,159

you know like maybe they're gonna do

1678

01:22:44,870 --> 01:22:42,840

something bad so we better get it out to

1679

01:22:46,669 --> 01:22:44,880

the people sort of thing but it doesn't

1680

01:22:50,090 --> 01:22:46,679

mean that what it means is they're

1681

01:22:54,169 --> 01:22:50,100

representing him against a reprisal The

1682

01:22:56,330 --> 01:22:54,179

Whistleblower reprisal that's it

1683

01:22:57,530 --> 01:22:56,340

again nobody's come out and just said

1684

01:22:59,450 --> 01:22:57,540

that

1685

01:23:00,950 --> 01:22:59,460

um this is I believe the closest we've

1686

01:23:04,130 --> 01:23:00,960

gotten to it

1687

01:23:05,890 --> 01:23:04,140

um but yeah that seems to be the case

1688

01:23:07,970 --> 01:23:05,900

you know and I'm not saying anybody's

1689

01:23:09,890 --> 01:23:07,980

misrepresenting anything on purpose or

1690

01:23:11,990 --> 01:23:09,900

whatever but

1691

01:23:14,390 --> 01:23:12,000

you know that stuff's gonna come out and

1692

01:23:16,370 --> 01:23:14,400

be obvious eventually so like why aren't

1693

01:23:20,090 --> 01:23:16,380

we just upfront and clear about it right

1694

01:23:26,390 --> 01:23:23,090

okay so I got that out of the way we're

1695

01:23:29,209 --> 01:23:26,400

doing UAP news so I had to do it

1696

01:23:32,570 --> 01:23:29,219

so just forgive me

1697

01:23:32,580 --> 01:23:37,729

so we got Roswell here 1947.

1698

01:23:37,739 --> 01:23:40,790

paper comes out

1699

01:23:48,110 --> 01:23:45,470

with quoted officials from Roswell

1700

01:23:50,630 --> 01:23:48,120

that they recovered a flying disc even

1701

01:23:54,229 --> 01:23:50,640

say like the rumors

1702

01:24:00,050 --> 01:23:57,470

we recovered a flank saucer

1703

01:24:01,669 --> 01:24:00,060

the next day

1704

01:24:04,070 --> 01:24:01,679

they come up

1705

01:24:06,169 --> 01:24:04,080

say it's a big mistake it was just a

1706

01:24:08,330 --> 01:24:06,179

kite after they already said they were

1707

01:24:11,270 --> 01:24:08,340

shipping it to Ray Patterson where

1708

01:24:14,510 --> 01:24:11,280

Jonathan gray is from

1709

01:24:19,310 --> 01:24:14,520

where bodies have been alleged to be in

1710

01:24:22,729 --> 01:24:20,990

so but then that just kind of goes away

1711

01:24:27,649 --> 01:24:22,739

there's no follow-up reports in the

1712

01:24:29,570 --> 01:24:27,659

newspapers nothing until like later and

1713

01:24:32,149 --> 01:24:29,580

I think his name is Bill Moore came out

1714

01:24:34,070 --> 01:24:32,159
and wrote a book about Roswell

1715

01:24:38,689 --> 01:24:34,080
the interesting part about that is Bill

1716

01:24:40,250 --> 01:24:38,699
Moore was a fraud for apparently the Air

1717

01:24:42,950 --> 01:24:40,260
Force office have been special special

1718

01:24:44,689 --> 01:24:42,960
investigations so

1719

01:24:47,270 --> 01:24:44,699
it's kind of interesting so anyways

1720

01:24:52,430 --> 01:24:47,280
that's the big one is Roswell everybody

1721

01:24:57,290 --> 01:24:55,250
I've always been suspicious of Roswell

1722

01:24:59,209 --> 01:24:57,300
maybe it's a distraction from The Real

1723

01:25:00,649 --> 01:24:59,219
Crash retrieval cases

1724

01:25:02,209 --> 01:25:00,659
but

1725

01:25:04,130 --> 01:25:02,219
I kind of don't have a pot to piss in

1726

01:25:07,430 --> 01:25:04,140

there's too many witnesses

1727

01:25:09,590 --> 01:25:07,440

so I can't really say that I can't say I

1728

01:25:12,770 --> 01:25:09,600

don't know what the hell happened

1729

01:25:14,810 --> 01:25:12,780

the next one happened in

1730

01:25:16,729 --> 01:25:14,820

the you know and this is kind of like

1731

01:25:19,070 --> 01:25:16,739

when it hits the Press so there there's

1732

01:25:20,689 --> 01:25:19,080

other instances in cases of you know

1733

01:25:23,209 --> 01:25:20,699

things like being retrieved or whatever

1734

01:25:26,510 --> 01:25:23,219

even back in 1896 but I'm talking about

1735

01:25:28,550 --> 01:25:26,520

like in the newspaper reported as you

1736

01:25:29,689 --> 01:25:28,560

know in regards to the military that

1737

01:25:33,350 --> 01:25:29,699

sort of thing

1738

01:25:35,930 --> 01:25:33,360

so this one 1947 just a couple months

1739

01:25:38,630 --> 01:25:35,940

after that right so apparently there was

1740

01:25:41,149 --> 01:25:38,640

something that blew up all over this

1741

01:25:43,430 --> 01:25:41,159

guy's boat in Washington

1742

01:25:45,649 --> 01:25:43,440

um and pieces and fragments of of all

1743

01:25:48,770 --> 01:25:45,659

this stuff that kind of sound like you

1744

01:25:51,410 --> 01:25:48,780

know what's described as slag like metal

1745

01:25:54,790 --> 01:25:51,420

kind of stuff from a factory or whatever

1746

01:25:58,490 --> 01:25:54,800

killed the dog apparently and

1747

01:26:00,830 --> 01:25:58,500

these military officials actually flew

1748

01:26:02,330 --> 01:26:00,840

out there to apparently look at this

1749

01:26:04,430 --> 01:26:02,340

material

1750

01:26:06,110 --> 01:26:04,440

and this was a really suspect weird case

1751

01:26:08,450 --> 01:26:06,120

because there's all these like weird

1752

01:26:11,030 --> 01:26:08,460

secret anonymous calls going back and

1753

01:26:13,729 --> 01:26:11,040

forth to different people it was

1754

01:26:15,890 --> 01:26:13,739

definitely a bunch of rumorville

1755

01:26:18,350 --> 01:26:15,900

um this guy was involved I forgot what

1756

01:26:21,169 --> 01:26:18,360

his name was but he was a press author

1757

01:26:23,870 --> 01:26:21,179

who was kind of a sensational one he was

1758

01:26:25,790 --> 01:26:23,880

involved Kenneth Arnold the person who

1759

01:26:27,770 --> 01:26:25,800

had the like original flank saucer

1760

01:26:29,930 --> 01:26:27,780

sighting was involved and these two

1761

01:26:31,910 --> 01:26:29,940

people from the military apparently went

1762

01:26:34,189 --> 01:26:31,920

out there to look at these things

1763

01:26:35,930 --> 01:26:34,199

and the Rumor was that they brought this

1764

01:26:37,729 --> 01:26:35,940

onto the plane

1765

01:26:39,770 --> 01:26:37,739

to bring it back with them on the

1766

01:26:41,810 --> 01:26:39,780

military plane and it crashed well it

1767

01:26:45,530 --> 01:26:41,820

did really crash but the rumor is is

1768

01:26:48,290 --> 01:26:45,540

because they were had these this debris

1769

01:26:51,229 --> 01:26:48,300

now people are on record saying they

1770

01:26:53,629 --> 01:26:51,239

made it up or whatever who knows

1771

01:26:55,189 --> 01:26:53,639

like if there is really a cover-up I'm

1772

01:26:56,689 --> 01:26:55,199

sure somebody pressured the crap out of

1773

01:26:57,830 --> 01:26:56,699

him to say he made it up so who knows

1774

01:27:01,070 --> 01:26:57,840

what happened now

1775

01:27:03,770 --> 01:27:01,080

or you know always

1776

01:27:06,410 --> 01:27:03,780

crash bomber reported

1777

01:27:09,050 --> 01:27:06,420

carrying flying disc

1778

01:27:11,270 --> 01:27:09,060

Boise August 2nd six pieces of what may

1779

01:27:14,510 --> 01:27:11,280

have been a flying disc very specific

1780

01:27:16,010 --> 01:27:14,520

too hey six pieces

1781

01:27:17,990 --> 01:27:16,020

we're being carried back to Hamilton

1782

01:27:20,330 --> 01:27:18,000

field California from Tacoma Washington

1783

01:27:22,010 --> 01:27:20,340

in a B-25 Bomber which crashed and

1784

01:27:24,229 --> 01:27:22,020

burned near Kelso shortly after taking

1785

01:27:25,250 --> 01:27:24,239

off from a court field it was learned

1786

01:27:27,530 --> 01:27:25,260

tonight

1787

01:27:30,550 --> 01:27:27,540

pilot and co-pilot of the twin engine

1788

01:27:33,890 --> 01:27:30,560

bomber were members of Army intelligence

1789

01:27:36,110 --> 01:27:33,900

stationed at Hamilton field and had been

1790

01:27:38,930 --> 01:27:36,120

assigned to investigation of the flank

1791

01:27:40,910 --> 01:27:38,940

disc mystery

1792

01:27:43,430 --> 01:27:40,920

interesting that army people are right

1793

01:27:45,830 --> 01:27:43,440

they were Captain William Davidson and

1794

01:27:47,209 --> 01:27:45,840

Lieutenant Frank Brown and both were

1795

01:27:49,850 --> 01:27:47,219

instantly killed when their bomber

1796

01:27:52,310 --> 01:27:49,860

plummeted to Earth after the left engine

1797

01:27:53,990 --> 01:27:52,320

burst into flames

1798

01:27:56,330 --> 01:27:54,000

that they were carrying with them six

1799

01:27:58,669 --> 01:27:56,340

pieces of metal or lava substance was

1800

01:28:00,950 --> 01:27:58,679

made known by Captain EJ Smith of United

1801
01:28:03,530 --> 01:28:00,960
Airlines who was in Tacoma with Kenneth

1802
01:28:05,750 --> 01:28:03,540
Arnold of Boise E.J Smith of the United

1803
01:28:08,629 --> 01:28:05,760
Airlines had a pretty major sighting

1804
01:28:10,070 --> 01:28:08,639
right before the Roswell thing

1805
01:28:11,090 --> 01:28:10,080
so these people are having these

1806
01:28:15,530 --> 01:28:11,100
sightings and then going and

1807
01:28:19,370 --> 01:28:17,629
um Davidson Brown had gone to Tacoma in

1808
01:28:20,810 --> 01:28:19,380
response to a message from Arnold who

1809
01:28:22,370 --> 01:28:20,820
had told them he might have something

1810
01:28:23,870 --> 01:28:22,380
interesting to show them according to

1811
01:28:26,209 --> 01:28:23,880
Brigadier General

1812
01:28:28,129 --> 01:28:26,219
Ned Schramm of fourth Air Force at

1813
01:28:29,689 --> 01:28:28,139

Hamilton Smith who had July 4th reported

1814

01:28:32,629 --> 01:28:29,699

seeing nine flying discs while his

1815

01:28:35,030 --> 01:28:32,639

airliner was roaring over Southern Idaho

1816

01:28:36,890 --> 01:28:35,040

said that he and Arnold had given the

1817

01:28:39,470 --> 01:28:36,900

six pieces of metal or lava to Davidson

1818

01:28:41,930 --> 01:28:39,480

and brown shortly before they took off

1819

01:28:44,689 --> 01:28:41,940

from a cord field about 2 A.M Friday for

1820

01:28:49,370 --> 01:28:46,910

Smith said the pieces of metal or lava

1821

01:28:51,830 --> 01:28:49,380

were extremely heavy and when he and

1822

01:28:53,750 --> 01:28:51,840

Arnold obtained them showed evidence of

1823

01:28:56,149 --> 01:28:53,760

having been subjected to extreme heat

1824

01:28:57,709 --> 01:28:56,159

Arnold had gone to Tacoma earlier this

1825

01:28:59,510 --> 01:28:57,719

week to investigate a story told by

1826
01:29:01,129 --> 01:28:59,520
Harold Dahl and Fred Christman of Tacoma

1827
01:29:02,629 --> 01:29:01,139
who operate

1828
01:29:25,250 --> 01:29:02,639
a

1829
01:29:27,950 --> 01:29:25,260
Story wow

1830
01:29:29,810 --> 01:29:27,960
pretty crazy

1831
01:29:32,530 --> 01:29:29,820
I've never heard this part of this story

1832
01:29:35,390 --> 01:29:32,540
either that this EJ Smith person

1833
01:29:37,550 --> 01:29:35,400
actually reported that he did in fact

1834
01:29:38,990 --> 01:29:37,560
give these Army Intelligence Officers

1835
01:29:41,330 --> 01:29:39,000
pieces

1836
01:29:45,649 --> 01:29:41,340
right before they boarded the plane I

1837
01:29:45,659 --> 01:29:49,129
so that's pretty interesting

1838
01:29:53,390 --> 01:29:51,709

uh resonate

1839

01:29:56,270 --> 01:29:53,400

you're not following along resonate

1840

01:29:58,669 --> 01:29:56,280

Kenneth Arnold had his sighting in 47

1841

01:30:01,189 --> 01:29:58,679

and he saw what was termed to be flying

1842

01:30:03,709 --> 01:30:01,199

saucers nothing crashed he didn't get

1843

01:30:05,570 --> 01:30:03,719

anything or whatever this is a

1844

01:30:08,030 --> 01:30:05,580

completely different case that Arnold

1845

01:30:12,229 --> 01:30:08,040

actually went to investigate

1846

01:30:13,850 --> 01:30:12,239

that included pieces of craft apparently

1847

01:30:16,129 --> 01:30:13,860

pretty crazy thing to see in the

1848

01:30:18,290 --> 01:30:16,139

newspaper though

1849

01:30:20,450 --> 01:30:18,300

and think of this time like we just have

1850

01:30:22,610 --> 01:30:20,460

the Roswell thing happen and then this

1851

01:30:24,830 --> 01:30:22,620

headline crash bomber reported carrying

1852

01:30:29,510 --> 01:30:24,840

flying disc

1853

01:30:29,520 --> 01:30:34,850

the next one that kind of pops up is

1854

01:30:45,890 --> 01:30:37,910

um the famous like Aztec case

1855

01:30:51,110 --> 01:30:49,070

like there's no

1856

01:30:53,209 --> 01:30:51,120

this isn't really like a military thing

1857

01:30:54,890 --> 01:30:53,219

so to speak I mean it is but it's not

1858

01:30:58,790 --> 01:30:54,900

like somebody you know came from the

1859

01:31:01,310 --> 01:30:58,800

military and said hey this happened

1860

01:31:03,530 --> 01:31:01,320

but it's a very convincing story and it

1861

01:31:07,610 --> 01:31:03,540

became very popular

1862

01:31:12,350 --> 01:31:10,669

um story flying saucers piloted from

1863

01:31:14,149 --> 01:31:12,360

another planet by tiny man-like

1864

01:31:16,010 --> 01:31:14,159

creatures is told by Wes Izzard editor

1865

01:31:17,629 --> 01:31:16,020

Amarillo Daily News and is coming for

1866

01:31:19,669 --> 01:31:17,639

tomorrow morning's paper

1867

01:31:22,790 --> 01:31:19,679

Izzard says he got a tip from a Kansas

1868

01:31:23,870 --> 01:31:22,800

man that two Denver businessmen uh give

1869

01:31:28,669 --> 01:31:23,880

him the

1870

01:31:31,070 --> 01:31:28,679

and they did

1871

01:31:32,930 --> 01:31:31,080

okay he says in the column from Ada

1872

01:31:34,550 --> 01:31:32,940

Izzard his informants told him that they

1873

01:31:36,470 --> 01:31:34,560

had a piece

1874

01:31:38,330 --> 01:31:36,480

that they had pieced the story together

1875

01:31:40,910 --> 01:31:38,340

over a period of eight months from

1876

01:31:42,110 --> 01:31:40,920

observation and from talks with a group

1877

01:31:44,570 --> 01:31:42,120

of scientists who visit Denver

1878

01:31:46,610 --> 01:31:44,580

frequently is it admitting to the yarn

1879

01:31:48,709 --> 01:31:46,620

is second hand says it could be a hoax

1880

01:31:51,709 --> 01:31:48,719

but he says well Denver

1881

01:31:53,390 --> 01:31:51,719

um men have reputations as sober sound

1882

01:31:57,590 --> 01:31:53,400

responsible citizens

1883

01:32:00,050 --> 01:31:57,600

both he says seem sincere and baffled

1884

01:32:02,390 --> 01:32:00,060

he identifies them only as Mr X and Y

1885

01:32:03,590 --> 01:32:02,400

because they told him uh we're in the

1886

01:32:05,870 --> 01:32:03,600

business here and we don't go around

1887

01:32:08,570 --> 01:32:05,880

talking about this thing because people

1888

01:32:10,250 --> 01:32:08,580

would think we're crazy lizard says this

1889

01:32:12,050 --> 01:32:10,260

is their story the flag saucers are made

1890

01:32:14,149 --> 01:32:12,060

of a metal that defies analysis

1891

01:32:16,250 --> 01:32:14,159

government investigators have several

1892

01:32:17,990 --> 01:32:16,260

saucers

1893

01:32:21,470 --> 01:32:18,000

and have been studying them for nearly

1894

01:32:24,410 --> 01:32:21,480

three years they plan to three years

1895

01:32:26,810 --> 01:32:24,420

when did this Story come out

1896

01:32:29,930 --> 01:32:26,820

hey Bob covert when did this story come

1897

01:32:31,070 --> 01:32:29,940

out this is 52 in the chat

1898

01:32:32,209 --> 01:32:31,080

it's just kind of interesting I'm

1899

01:32:33,770 --> 01:32:32,219

thinking what happened three years

1900

01:32:36,350 --> 01:32:33,780

before this

1901

01:32:38,990 --> 01:32:36,360

uh they plan to let the information leak

1902

01:32:40,189 --> 01:32:39,000

out gradually to prevent public hysteria

1903

01:32:42,470 --> 01:32:40,199

now

1904

01:32:44,330 --> 01:32:42,480

I highlighted this a long time ago and I

1905

01:32:49,129 --> 01:32:44,340

don't remember exactly why and that

1906

01:32:53,629 --> 01:32:51,410

they plan to let the information leak

1907

01:32:57,169 --> 01:32:53,639

out gradually to prevent public hysteria

1908

01:32:59,090 --> 01:32:57,179

like we've been told that for so long

1909

01:33:00,290 --> 01:32:59,100

you know so if anyone's trying to use

1910

01:33:02,750 --> 01:33:00,300

that

1911

01:33:05,330 --> 01:33:02,760

now

1912

01:33:06,770 --> 01:33:05,340

you're insane to not think of it to not

1913

01:33:09,530 --> 01:33:06,780

think of how long it's been used you

1914

01:33:13,790 --> 01:33:11,570

just saying that

1915

01:33:16,430 --> 01:33:13,800

the creatures and the saucers were three

1916

01:33:18,709 --> 01:33:16,440

feet tall human in appearance and clad

1917

01:33:20,689 --> 01:33:18,719

and fireproof clothing how does he know

1918

01:33:22,729 --> 01:33:20,699

it's fireproof they were dead according

1919

01:33:25,729 --> 01:33:22,739

to Mr Wise information apparently from

1920

01:33:28,310 --> 01:33:25,739

exposure to atmospheric pressure Mr y

1921

01:33:30,229 --> 01:33:28,320

referred to his scientist friend as the

1922

01:33:32,570 --> 01:33:30,239

how is they have stayed at my home he's

1923

01:33:34,250 --> 01:33:32,580

still Miser they've slept there and

1924

01:33:36,470 --> 01:33:34,260

eaten there and they have talked to me

1925

01:33:38,810 --> 01:33:36,480

to each other about this thing I'm a

1926
01:33:40,669 --> 01:33:38,820
hard-boiled business executive and I

1927
01:33:42,770 --> 01:33:40,679
think I can tell when a man is lying

1928
01:33:43,910 --> 01:33:42,780
it's hard to believe the boys are lying

1929
01:33:46,370 --> 01:33:43,920
when they talk about this project

1930
01:33:48,290 --> 01:33:46,380
they're working on Mr y told I zard he

1931
01:33:50,510 --> 01:33:48,300
took a piece of metal supposedly from a

1932
01:33:53,209 --> 01:33:50,520
saucer to a metallurgist the metal could

1933
01:33:55,070 --> 01:33:53,219
not be melted and divide analysis he

1934
01:33:57,229 --> 01:33:55,080
said a small instrument taken from a

1935
01:34:00,110 --> 01:33:57,239
saucer resembled a radio and brought it

1936
01:34:02,930 --> 01:34:00,120
and brought in strange sounds Mr y said

1937
01:34:05,209 --> 01:34:02,940
he was told water twice as heavy as

1938
01:34:07,850 --> 01:34:05,219

Earth water had been found in one of the

1939

01:34:10,610 --> 01:34:07,860

disks in some respects the story

1940

01:34:12,350 --> 01:34:10,620

resembles the claims of Donald Keough

1941

01:34:16,910 --> 01:34:12,360

you know they always got to relate it to

1942

01:34:20,810 --> 01:34:18,229

um which

1943

01:34:22,669 --> 01:34:20,820

isn't you know Donald Quito thought

1944

01:34:23,930 --> 01:34:22,679

maybe they were outer spaceships but he

1945

01:34:34,669 --> 01:34:23,940

I don't think he said anything about

1946

01:34:40,790 --> 01:34:36,229

so

1947

01:34:42,530 --> 01:34:40,800

um and then we go to actual documents

1948

01:34:44,930 --> 01:34:42,540

like this is an actual Blue Book

1949

01:34:47,450 --> 01:34:44,940

document

1950

01:34:49,689 --> 01:34:47,460

and you see this rumor where this Ralph

1951

01:34:54,110 --> 01:34:49,699

E Brown Master Sergeant interviews

1952

01:34:58,970 --> 01:34:57,250

who went and had a

1953

01:35:01,490 --> 01:34:58,980

conversation

1954

01:35:03,770 --> 01:35:01,500

he was at this delshire Wallach hotel in

1955

01:35:06,709 --> 01:35:03,780

Columbus Ohio he began a conversation

1956

01:35:08,810 --> 01:35:06,719

with brown some person and his name is

1957

01:35:10,729 --> 01:35:08,820

wiped out so I don't know it is

1958

01:35:12,709 --> 01:35:10,739

but he started telling them about these

1959

01:35:14,510 --> 01:35:12,719

bodies and saucers at Ray Patterson Air

1960

01:35:16,910 --> 01:35:14,520

Force Base

1961

01:35:19,970 --> 01:35:16,920

Brown stated that blank then related the

1962

01:35:22,310 --> 01:35:19,980

story to him at Ray Patterson Air Force

1963

01:35:24,350 --> 01:35:22,320

Base Dayton Ohio has in its possession

1964

01:35:26,510 --> 01:35:24,360

three flank saucers two of which are in

1965

01:35:28,070 --> 01:35:26,520

serviceable condition and one in damage

1966

01:35:30,050 --> 01:35:28,080

condition right Patterson Air Force Base

1967

01:35:33,070 --> 01:35:30,060

also has the bodies of the men who are

1968

01:35:38,450 --> 01:35:35,990

this is actually a document in the Blue

1969

01:35:40,729 --> 01:35:38,460

Book files which is amazing to me that

1970

01:35:42,649 --> 01:35:40,739

no you file is just like that writes

1971

01:35:44,510 --> 01:35:42,659

books and does all the studying has ever

1972

01:35:47,330 --> 01:35:44,520

found this document which is because

1973

01:35:50,030 --> 01:35:47,340

it's just like a gold document

1974

01:35:52,610 --> 01:35:50,040

you know yes doesn't mean it's true

1975

01:35:55,310 --> 01:35:52,620

which everybody was always says it

1976

01:35:58,250 --> 01:35:55,320

doesn't mean it's true no

1977

01:36:00,350 --> 01:35:58,260

okay but you don't find this in blue bug

1978

01:36:03,229 --> 01:36:00,360

documents like ever one other time you

1979

01:36:08,689 --> 01:36:06,050

it's not quite like this

1980

01:36:10,850 --> 01:36:08,699

Air Force authorities are too perturbed

1981

01:36:16,010 --> 01:36:10,860

about the topic and are not sure how to

1982

01:36:16,020 --> 01:36:19,729

that's pretty specific

1983

01:36:24,290 --> 01:36:21,470

and when we hear about some of these

1984

01:36:25,910 --> 01:36:24,300

maybe not so nice things they do

1985

01:36:28,129 --> 01:36:25,920

kind of makes sense

1986

01:36:31,729 --> 01:36:28,139

one of the things that's especially

1987

01:36:34,250 --> 01:36:31,739

impressive about this document is blank

1988

01:36:37,250 --> 01:36:34,260

intimated that the world situation is so

1989

01:36:39,350 --> 01:36:37,260

big that by approximately June 1953

1990

01:36:41,209 --> 01:36:39,360

there will be a complete change in world

1991

01:36:43,250 --> 01:36:41,219

affairs the Korean War would be ended

1992

01:36:44,930 --> 01:36:43,260

there would no longer be any threat of

1993

01:36:46,729 --> 01:36:44,940

World War

1994

01:36:49,430 --> 01:36:46,739

you know the interesting thing about

1995

01:36:58,450 --> 01:36:52,910

is that the Korean war ended July 1953

1996

01:37:04,430 --> 01:37:02,149

he said this April 27th he said that the

1997

01:37:06,890 --> 01:37:04,440

Korean War would end in June 1953

1998

01:37:09,530 --> 01:37:06,900

approximately

1999

01:37:11,870 --> 01:37:09,540

and it did end in July

2000

01:37:15,649 --> 01:37:11,880

so

2001

01:37:17,450 --> 01:37:15,659

you know lucky guess I don't know but

2002

01:37:19,129 --> 01:37:17,460

um it's pretty interesting because when

2003

01:37:21,110 --> 01:37:19,139

you think about it like if this is true

2004

01:37:23,450 --> 01:37:21,120

this document's been here the whole time

2005

01:37:26,510 --> 01:37:23,460

like

2006

01:37:29,149 --> 01:37:26,520

I don't know

2007

01:37:30,890 --> 01:37:29,159

and we're going to that timeline here by

2008

01:37:32,689 --> 01:37:30,900

the way so

2009

01:37:34,729 --> 01:37:32,699

and this isn't about Crash retrieval

2010

01:37:37,850 --> 01:37:34,739

stuff but I'm inserting this because

2011

01:37:41,149 --> 01:37:37,860

it's interesting it when it comes up

2012

01:37:44,570 --> 01:37:41,159

you know night this is 1953 after the

2013

01:37:46,669 --> 01:37:44,580

Washington DC stuff after the CIA and

2014

01:37:48,410 --> 01:37:46,679

Air Force instituted

2015

01:37:50,209 --> 01:37:48,420

um you know they're

2016

01:37:52,910 --> 01:37:50,219

they're misinformation campaign the

2017

01:37:54,830 --> 01:37:52,920

Robertson panel all that bull crap and

2018

01:37:56,450 --> 01:37:54,840

then this comes up

2019

01:37:59,810 --> 01:37:56,460

like

2020

01:38:01,610 --> 01:37:59,820

British swap saucer data with USAF we

2021

01:38:03,110 --> 01:38:01,620

just had the Robertson panel and they

2022

01:38:04,790 --> 01:38:03,120

said there's nothing to it so why are

2023

01:38:06,470 --> 01:38:04,800

they doing this

2024

01:38:08,750 --> 01:38:06,480

British and American intelligence

2025

01:38:10,790 --> 01:38:08,760

experts are now exchanging top secret

2026

01:38:12,590 --> 01:38:10,800

information about flying saucers air

2027

01:38:14,110 --> 01:38:12,600

Ministry officials have admitted that

2028

01:38:17,629 --> 01:38:14,120

regular interchange of information

2029

01:38:19,310 --> 01:38:17,639

between Britain and America has begun

2030

01:38:22,070 --> 01:38:19,320

the whole thing is in the hands of

2031

01:38:24,530 --> 01:38:22,080

intelligence people now they say we can

2032

01:38:26,450 --> 01:38:24,540

however confirm that air Crews who have

2033

01:38:28,790 --> 01:38:26,460

reported certain unidentified objects

2034

01:38:31,370 --> 01:38:28,800

have been interrogated and that certain

2035

01:38:35,930 --> 01:38:31,380

factors remain unexplained

2036

01:38:41,570 --> 01:38:38,689

the British

2037

01:38:44,270 --> 01:38:41,580

admirably is also known to have collided

2038

01:38:46,070 --> 01:38:44,280

information from the Fleet air arm the

2039

01:38:48,470 --> 01:38:46,080

seriousness with which the saucer

2040

01:38:50,870 --> 01:38:48,480

question is taken in the U.S may be

2041

01:38:53,270 --> 01:38:50,880

indicated by the fact that the usaaf

2042

01:38:56,030 --> 01:38:53,280

crews are supplied with a questionnaire

2043

01:38:59,030 --> 01:38:56,040

before taking off carefully calculated

2044

01:39:01,910 --> 01:38:59,040

questions 42 and all have to be answered

2045

01:39:03,350 --> 01:39:01,920

as soon as any object is spotted yeah

2046

01:39:05,270 --> 01:39:03,360

like that happens

2047

01:39:06,770 --> 01:39:05,280

sometimes those things aren't filled out

2048

01:39:09,110 --> 01:39:06,780

for months afterwards

2049

01:39:11,350 --> 01:39:09,120

air crews are also asked to make

2050

01:39:15,290 --> 01:39:11,360

sketches at once

2051
01:39:19,070 --> 01:39:15,300
in addition uh separate Electronics data

2052
01:39:21,709 --> 01:39:19,080
sheet blah blah so the matter is now a

2053
01:39:24,010 --> 01:39:21,719
top level staff item in Britain several

2054
01:39:26,149 --> 01:39:24,020
alleged saucer incidents have been

2055
01:39:28,250 --> 01:39:26,159
withheld from the public on the grounds

2056
01:39:30,350 --> 01:39:28,260
of security the files in which data

2057
01:39:31,610 --> 01:39:30,360
about them has been compiled are labeled

2058
01:39:33,169 --> 01:39:31,620
top secret

2059
01:39:35,890 --> 01:39:33,179
so it's just so interesting to me

2060
01:39:39,070 --> 01:39:35,900
because it comes out after

2061
01:39:41,689 --> 01:39:39,080
the US has kind of decided already

2062
01:39:44,030 --> 01:39:41,699
publicly they say that there's nothing

2063
01:39:46,129 --> 01:39:44,040

to this

2064

01:39:48,770 --> 01:39:46,139

and people wonder why we think all this

2065

01:39:50,870 --> 01:39:48,780

is just like the government lies because

2066

01:39:52,490 --> 01:39:50,880

it's stuff like this you know

2067

01:39:56,390 --> 01:39:52,500

and we already know they lie about other

2068

01:40:01,070 --> 01:39:58,550

the last thing I'm going to show is an

2069

01:40:02,689 --> 01:40:01,080

actual document and it doesn't have to

2070

01:40:04,610 --> 01:40:02,699

do with crash or triples we're kind of

2071

01:40:06,229 --> 01:40:04,620

done with those old stories now I just

2072

01:40:07,610 --> 01:40:06,239

wanted to cover those and we kind of

2073

01:40:09,530 --> 01:40:07,620

covered the ones with Corso at the

2074

01:40:13,490 --> 01:40:09,540

beginning of the show

2075

01:40:19,430 --> 01:40:16,129

that like the Air Force has never had to

2076

01:40:21,010 --> 01:40:19,440

like answer for you know so this is an

2077

01:40:24,709 --> 01:40:21,020

Air Force document

2078

01:40:28,750 --> 01:40:24,719

1967 August 2nd

2079

01:40:34,430 --> 01:40:31,370

I appreciate the copy of Lieutenant

2080

01:40:36,530 --> 01:40:34,440

Marley's briefing who's the Project Blue

2081

01:40:38,510 --> 01:40:36,540

Book Guy and we sincerely appreciate

2082

01:40:40,010 --> 01:40:38,520

your interest and response to our public

2083

01:40:42,229 --> 01:40:40,020

affairs

2084

01:40:44,629 --> 01:40:42,239

and this is Raymond sleeper this is a

2085

01:40:46,729 --> 01:40:44,639

big guy in the Air Force by the way

2086

01:40:50,689 --> 01:40:46,739

I think we are a long way from getting a

2087

01:40:54,590 --> 01:40:52,310

I've thought about the problem many

2088

01:40:56,750 --> 01:40:54,600

times since you're briefing here

2089

01:40:58,550 --> 01:40:56,760

and I'm more convinced than ever that a

2090

01:41:01,669 --> 01:40:58,560

positive program in extraterrestrial

2091

01:41:06,890 --> 01:41:01,679

life or communication studies should not

2092

01:41:12,890 --> 01:41:08,870

why did they ever talk about it being

2093

01:41:12,900 --> 01:41:18,350

like Raymond's sleeper or whatever

2094

01:41:18,360 --> 01:41:22,129

wanted to

2095

01:41:26,450 --> 01:41:24,290

develop a positive program in

2096

01:41:30,890 --> 01:41:26,460

extraterrestrial life

2097

01:41:34,550 --> 01:41:32,870

why would you want to do that if it had

2098

01:41:37,910 --> 01:41:34,560

nothing to do with that

2099

01:41:41,270 --> 01:41:37,920

what they're talking about is disclosure

2100

01:41:45,770 --> 01:41:43,310

I'm convinced that we would really open

2101
01:41:47,330 --> 01:41:45,780
the floodgates on the UFO problems if

2102
01:41:49,490 --> 01:41:47,340
the public thought that the kind of

2103
01:41:54,470 --> 01:41:49,500
group was about to involve an extensive

2104
01:41:58,430 --> 01:41:56,629
I realized that Connie must address this

2105
01:42:00,709 --> 01:41:58,440
subject but this is different from

2106
01:42:02,810 --> 01:42:00,719
conducting active research

2107
01:42:04,910 --> 01:42:02,820
I think research in this area should be

2108
01:42:06,890 --> 01:42:04,920
accomplished by an entirely unrelated

2109
01:42:09,410 --> 01:42:06,900
activity

2110
01:42:13,910 --> 01:42:09,420
please pass on any ideas you have and

2111
01:42:19,850 --> 01:42:17,030
William Garland so what I took from this

2112
01:42:23,209 --> 01:42:19,860
is he's not against

2113
01:42:25,370 --> 01:42:23,219

studying extraterrestrial activities and

2114

01:42:27,290 --> 01:42:25,380

Communications he just thinks it should

2115

01:42:34,010 --> 01:42:27,300

be a completely different program maybe

2116

01:42:42,470 --> 01:42:36,109

because one thing that the Air Force is

2117

01:42:48,830 --> 01:42:46,250

is uh you know losing respect they don't

2118

01:42:51,709 --> 01:42:48,840

have dominance over the skies

2119

01:42:53,990 --> 01:42:51,719

if people think uh or know that

2120

01:42:55,910 --> 01:42:54,000

extraterrestrials or whatever are flying

2121

01:42:59,750 --> 01:42:55,920

in chips they're going to get a lot more

2122

01:43:03,470 --> 01:43:01,129

and they don't want to deal with any of

2123

01:43:03,480 --> 01:43:07,129

so

2124

01:43:11,270 --> 01:43:09,470

that's a huge

2125

01:43:13,729 --> 01:43:11,280

you know so that's probably one of the

2126
01:43:16,129 --> 01:43:13,739
reasons for the secrecy like they they

2127
01:43:17,990 --> 01:43:16,139
know that like let's say they know that

2128
01:43:20,209 --> 01:43:18,000
these things are real these non-human

2129
01:43:23,450 --> 01:43:20,219
beings and they have one and chips and

2130
01:43:28,310 --> 01:43:25,430
like how can you

2131
01:43:29,810 --> 01:43:28,320
say you have that

2132
01:43:31,310 --> 01:43:29,820
and not have

2133
01:43:33,890 --> 01:43:31,320
like people

2134
01:43:36,470 --> 01:43:33,900
calling like crazy with UFO stuff I mean

2135
01:43:38,750 --> 01:43:36,480
I know it sounds weird but

2136
01:43:41,990 --> 01:43:38,760
I said this on Twitter uh whenever

2137
01:43:44,629 --> 01:43:42,000
something big happens in the UFO land

2138
01:43:47,930 --> 01:43:44,639

uh whether it's like the old DC sighting

2139

01:43:49,609 --> 01:43:47,940

or or whatever or even books like

2140

01:43:50,510 --> 01:43:49,619

popular books and stuff come out back in

2141

01:43:52,970 --> 01:43:50,520

the day

2142

01:43:55,669 --> 01:43:52,980

the Air Force always blamed the rise in

2143

01:43:56,870 --> 01:43:55,679

UFO sightings on those things and I

2144

01:43:57,830 --> 01:43:56,880

don't want anyone take this wrong way

2145

01:43:59,990 --> 01:43:57,840

but

2146

01:44:02,410 --> 01:44:00,000

oftentimes they were they were somewhat

2147

01:44:09,470 --> 01:44:05,629

oftentimes there was a spike

2148

01:44:11,090 --> 01:44:09,480

not like a crazy Spike or whatever

2149

01:44:13,010 --> 01:44:11,100

and when there's this bike there's all

2150

01:44:15,470 --> 01:44:13,020

sorts of stuff that comes with it more

2151
01:44:18,590 --> 01:44:15,480
contact D cases more hoaxes more

2152
01:44:20,689 --> 01:44:18,600
testimony more of this more that

2153
01:44:23,930 --> 01:44:20,699
more people that are interested Air

2154
01:44:26,149 --> 01:44:23,940
Force gets more calls or whoever about

2155
01:44:27,590 --> 01:44:26,159
UFO sightings

2156
01:44:29,149 --> 01:44:27,600
you know

2157
01:44:31,669 --> 01:44:29,159
so there's not going to be any

2158
01:44:34,250 --> 01:44:31,679
disclosure until something is already in

2159
01:44:38,090 --> 01:44:34,260
place to field those kind of calls I

2160
01:44:41,330 --> 01:44:39,350
so

2161
01:44:44,750 --> 01:44:41,340
I think that's important to think about

2162
01:44:49,550 --> 01:44:46,790
all right I think I've been here too

2163
01:44:53,390 --> 01:44:51,229

I had a great time with you guys thanks

2164

01:44:55,310 --> 01:44:53,400

for hanging out with me for so long I do

2165

01:44:57,410 --> 01:44:55,320

appreciate it

2166

01:44:58,430 --> 01:44:57,420

was nice to be back live hey let me ask

2167

01:45:03,530 --> 01:44:58,440

you

2168

01:45:05,390 --> 01:45:03,540

prefer the live shows where I'm here

2169

01:45:08,990 --> 01:45:05,400

live live

2170

01:45:10,790 --> 01:45:09,000

or the ones where I pre-record and kind

2171

01:45:14,270 --> 01:45:10,800

of produce them

2172

01:45:20,510 --> 01:45:14,280

and do some editing or do you not care

2173

01:45:26,270 --> 01:45:22,189

that's a good question like you should

2174

01:45:30,109 --> 01:45:26,280

be able and maybe the IG is is looking

2175

01:45:34,550 --> 01:45:32,330

you know I think there's still an

2176

01:45:36,830 --> 01:45:34,560

investigation open looking into the past

2177

01:45:40,010 --> 01:45:36,840

actions of the dod in relation to the

2178

01:45:42,530 --> 01:45:40,020

EOP that's still open so there's

2179

01:45:46,129 --> 01:45:42,540

two investigations related to this stuff

2180

01:45:50,990 --> 01:45:49,790

we got a live is better okay Robert says

2181

01:45:55,010 --> 01:45:51,000

both

2182

01:45:55,870 --> 01:45:55,020

live please oh we got it mixed we got

2183

01:45:58,609 --> 01:45:55,880

mixed

2184

01:46:02,149 --> 01:45:58,619

[Laughter]

2185

01:46:04,550 --> 01:46:02,159

yeah maybe I'll uh

2186

01:46:05,990 --> 01:46:04,560

maybe you just gotta switch it up you

2187

01:46:08,450 --> 01:46:06,000

know maybe sometimes you do a produce

2188

01:46:10,430 --> 01:46:08,460

maybe sometimes not you know

2189

01:46:12,290 --> 01:46:10,440

but

2190

01:46:14,689 --> 01:46:12,300

um

2191

01:46:20,510 --> 01:46:14,699

I'll see yeah like doing the live is a

2192

01:46:23,030 --> 01:46:21,530

um

2193

01:46:24,890 --> 01:46:23,040

you know I get my materials ready

2194

01:46:27,470 --> 01:46:24,900

beforehand and then we're just recording

2195

01:46:29,570 --> 01:46:27,480

the show we're going you know the other

2196

01:46:31,729 --> 01:46:29,580

ones where I produce it I'm recording

2197

01:46:33,950 --> 01:46:31,739

the whole thing I'm um

2198

01:46:35,810 --> 01:46:33,960

recording sound on one thing recording

2199

01:46:38,689 --> 01:46:35,820

video and the other thing uploading it

2200

01:46:41,209 --> 01:46:38,699

here editing it doing all this bull crap

2201

01:46:42,950 --> 01:46:41,219

trying to upload it upload doesn't work

2202

01:46:44,390 --> 01:46:42,960

gotta re-upload it oh it turns out

2203

01:46:46,010 --> 01:46:44,400

there's not enough memory on my computer

2204

01:46:47,450 --> 01:46:46,020

you got to delete a bunch of stuff gotta

2205

01:46:49,850 --> 01:46:47,460

re-upload it you know so there's a lot

2206

01:46:53,030 --> 01:46:49,860

involved you know

2207

01:46:58,609 --> 01:46:56,570

maybe I'll just save that for um

2208

01:47:01,990 --> 01:46:58,619

like special ideas or something I don't

2209

01:47:07,490 --> 01:47:05,390

we'll see how it goes

2210

01:47:09,530 --> 01:47:07,500

what are you guys thinking

2211

01:47:14,649 --> 01:47:09,540

I could spare a couple more minutes if

2212

01:47:21,169 --> 01:47:19,189

ah Robert good call Robert says one

2213

01:47:23,570 --> 01:47:21,179

thing I do know keep in mind that Ross's

2214

01:47:25,250 --> 01:47:23,580

first documentary for channel 7 included

2215

01:47:29,990 --> 01:47:25,260

Aztec for a reason

2216

01:47:30,890 --> 01:47:30,000

he also included that in his book

2217

01:47:32,629 --> 01:47:30,900

um

2218

01:47:34,430 --> 01:47:32,639

in plain sight

2219

01:47:38,090 --> 01:47:34,440

and he actually talked to the best

2220

01:47:41,689 --> 01:47:38,100

sources about this uh case so

2221

01:47:43,370 --> 01:47:41,699

yeah Ross is totally at least last I've

2222

01:47:45,229 --> 01:47:43,380

talked to him about it which you know I

2223

01:47:47,330 --> 01:47:45,239

don't

2224

01:47:48,470 --> 01:47:47,340

maybe I'll send them a message once

2225

01:47:50,450 --> 01:47:48,480

every

2226

01:47:52,189 --> 01:47:50,460

you know

2227

01:47:59,149 --> 01:47:52,199

a couple months or something

2228

01:48:06,229 --> 01:48:03,590

so yeah and Aztec is super interesting

2229

01:48:09,590 --> 01:48:06,239

Aztec is one of those like

2230

01:48:12,109 --> 01:48:09,600

when you look at the Air Force files

2231

01:48:16,129 --> 01:48:12,119

it's clear that they went through hell

2232

01:48:19,370 --> 01:48:16,139

and high water to investigate that

2233

01:48:21,649 --> 01:48:19,380

they went all over the place

2234

01:48:24,350 --> 01:48:21,659

investigating that Aztec case the Air

2235

01:48:27,530 --> 01:48:24,360

Force offices special investigations

2236

01:48:29,209 --> 01:48:27,540

you know and and why do you do that if

2237

01:48:31,070 --> 01:48:29,219

it's crap

2238

01:48:32,030 --> 01:48:31,080

if there's nothing to it why do you do

2239

01:48:33,709 --> 01:48:32,040

that stuff

2240

01:48:38,270 --> 01:48:33,719

you don't

2241

01:48:41,209 --> 01:48:38,280

there's nothing to it

2242

01:48:43,490 --> 01:48:41,219

and already by that time everyone was on

2243

01:48:45,050 --> 01:48:43,500

record at least in the documents and

2244

01:48:48,530 --> 01:48:45,060

some even in the newspaper in the press

2245

01:48:50,810 --> 01:48:48,540

that none of these things were theirs or

2246

01:48:54,050 --> 01:48:50,820

Russian

2247

01:48:59,209 --> 01:48:56,390

so if they knew that but they're still

2248

01:49:01,669 --> 01:48:59,219

going out to investigate this stuff this

2249

01:49:04,070 --> 01:49:01,679

crash Flying Saucer

2250

01:49:06,290 --> 01:49:04,080

would they put all those resources in

2251
01:49:07,790 --> 01:49:06,300
there for for some guy who they think is

2252
01:49:11,629 --> 01:49:07,800
just lying

2253
01:49:13,370 --> 01:49:11,639
and got some things in the newspaper no

2254
01:49:16,490 --> 01:49:13,380
they wouldn't

2255
01:49:19,729 --> 01:49:16,500
because the Air Force has always claimed

2256
01:49:27,169 --> 01:49:22,129
in their investigations than the reality

2257
01:49:27,179 --> 01:49:33,830
Klein which guy was that Klein 52

2258
01:49:39,490 --> 01:49:36,770
I'm I can't think of

2259
01:49:43,370 --> 01:49:39,500
you know but there was definitely uh in

2260
01:49:46,550 --> 01:49:43,380
1947 some guy took a photo of a UFO in

2261
01:49:47,990 --> 01:49:46,560
Arizona in that spanned a couple years

2262
01:49:50,390 --> 01:49:48,000
too

2263
01:49:53,810 --> 01:49:50,400

investigating those pictures because it

2264

01:49:56,990 --> 01:49:53,820

was like the best picture of a UFO ever

2265

01:49:58,250 --> 01:49:57,000

it was actually very clear

2266

01:50:00,109 --> 01:49:58,260

so

2267

01:50:02,629 --> 01:50:00,119

that's interesting too

2268

01:50:04,970 --> 01:50:02,639

oh you know what I'm glad I didn't hang

2269

01:50:07,729 --> 01:50:04,980

up the phone here because

2270

01:50:09,770 --> 01:50:07,739

I do have

2271

01:50:11,689 --> 01:50:09,780

something that is really interesting

2272

01:50:16,689 --> 01:50:11,699

actually

2273

01:50:23,510 --> 01:50:19,070

oh yes

2274

01:50:24,890 --> 01:50:23,520

you guys are gonna get a freaking

2275

01:50:27,590 --> 01:50:24,900

kick

2276

01:50:30,649 --> 01:50:27,600

out of this

2277

01:50:31,609 --> 01:50:30,659

this is for all my freaking homies right

2278

01:50:34,370 --> 01:50:31,619

here

2279

01:50:38,030 --> 01:50:34,380

you guys are gonna love this

2280

01:50:38,040 --> 01:50:44,390

so

2281

01:50:49,010 --> 01:50:46,970

you know debunkers or whatever like

2282

01:50:52,609 --> 01:50:49,020

um they come in all sorts of different

2283

01:50:55,669 --> 01:50:52,619

flavors right and um

2284

01:50:57,109 --> 01:50:55,679

couple people in particular really

2285

01:50:58,250 --> 01:50:57,119

I don't know if they do now because I

2286

01:51:01,310 --> 01:50:58,260

don't pay attention to them but they

2287

01:51:03,229 --> 01:51:01,320

really push the uh the Drone they're

2288

01:51:09,290 --> 01:51:03,239

Chinese drones

2289

01:51:11,990 --> 01:51:09,300

are China these are outer space aliens

2290

01:51:15,050 --> 01:51:12,000

but they're really Chinese drones

2291

01:51:16,669 --> 01:51:15,060

first of all like it's just so freaking

2292

01:51:18,290 --> 01:51:16,679

stupid

2293

01:51:25,370 --> 01:51:18,300

but I don't want to get into that but

2294

01:51:29,930 --> 01:51:27,649

that people also say things like you

2295

01:51:30,950 --> 01:51:29,940

know when there's a good testimony

2296

01:51:33,470 --> 01:51:30,960

um

2297

01:51:37,250 --> 01:51:33,480

whatever back in the day over those

2298

01:51:42,410 --> 01:51:39,709

okay so I'm just gonna get to it okay so

2299

01:51:47,090 --> 01:51:42,420

here's the story in the freaking 50s man

2300

01:51:50,090 --> 01:51:47,100

they were calling flag saucers drones

2301
01:51:53,209 --> 01:51:50,100
Speedy Target drones maybe elusive flag

2302
01:51:55,490 --> 01:51:53,219
saucers March 28 Target drones of

2303
01:51:56,990 --> 01:51:55,500
apparently fantastic speed are being

2304
01:51:59,629 --> 01:51:57,000
created by University of Texas

2305
01:52:01,070 --> 01:51:59,639
scientists for sky scrimmages with new

2306
01:52:03,229 --> 01:52:01,080
guided missiles

2307
01:52:05,629 --> 01:52:03,239
it works that turns carefully worded

2308
01:52:07,669 --> 01:52:05,639
University announcement said is being

2309
01:52:09,890 --> 01:52:07,679
done in the school's defense research

2310
01:52:12,109 --> 01:52:09,900
laboratory it followed by only a few

2311
01:52:14,450 --> 01:52:12,119
hours of broadcast By Radio commentator

2312
01:52:16,609 --> 01:52:14,460
Henry Taylor said flank saucers are real

2313
01:52:18,709 --> 01:52:16,619

and the answer to the mystery of the

2314

01:52:20,930 --> 01:52:18,719

saucers will be very reassuring when the

2315

01:52:22,430 --> 01:52:20,940

Air Force is prepared to give it the

2316

01:52:24,290 --> 01:52:22,440

university announcement carefully

2317

01:52:26,209 --> 01:52:24,300

omitted any mention of design for the

2318

01:52:28,250 --> 01:52:26,219

Target drones and a spokesman said it

2319

01:52:29,930 --> 01:52:28,260

was released with fault knowledge it

2320

01:52:32,209 --> 01:52:29,940

probably would give rise to speculations

2321

01:52:34,270 --> 01:52:32,219

linking drones with reoccurring stories

2322

01:52:37,310 --> 01:52:34,280

about saucers

2323

01:52:39,830 --> 01:52:37,320

the announcement did not make clear

2324

01:52:41,870 --> 01:52:39,840

whether any drone has been perfected and

2325

01:52:44,270 --> 01:52:41,880

put into actual use the Air Force

2326
01:52:46,850 --> 01:52:44,280
repeatedly has denied the existence of

2327
01:52:48,350 --> 01:52:46,860
flag saucers the university spokesman

2328
01:52:50,930 --> 01:52:48,360
said the announcement contained only

2329
01:52:53,149 --> 01:52:50,940
Declassified information no longer

2330
01:52:54,890 --> 01:52:53,159
regarded as secret the information was

2331
01:52:57,050 --> 01:52:54,900
revealed in the terse announcement that

2332
01:52:59,209 --> 01:52:57,060
MJ Thompson associate director of the

2333
01:53:00,590 --> 01:52:59,219
defense research laboratory have been

2334
01:53:02,890 --> 01:53:00,600
named a member of the research and

2335
01:53:05,390 --> 01:53:02,900
development board panel on target drones

2336
01:53:07,729 --> 01:53:05,400
Thompson was quoted as saying the target

2337
01:53:10,310 --> 01:53:07,739
drones would have a speed far exceeding

2338
01:53:12,290 --> 01:53:10,320

that of conventional aircraft

2339

01:53:14,030 --> 01:53:12,300

guided missile development is an

2340

01:53:16,729 --> 01:53:14,040

extremely complex technical problem

2341

01:53:19,070 --> 01:53:16,739

Target drones which are needed to test

2342

01:53:21,649 --> 01:53:19,080

adequately are missiles combat

2343

01:53:23,750 --> 01:53:21,659

performances are just as complicated the

2344

01:53:25,729 --> 01:53:23,760

statement said the statement pointed out

2345

01:53:28,070 --> 01:53:25,739

radio-controlled airplanes were the

2346

01:53:29,149 --> 01:53:28,080

first drones thus indicating the

2347

01:53:31,850 --> 01:53:29,159

possibility

2348

01:53:33,830 --> 01:53:31,860

design of the new Target drones are

2349

01:53:36,229 --> 01:53:33,840

radically different and designed from

2350

01:53:39,530 --> 01:53:36,239

conventional aircraft

2351

01:53:39,540 --> 01:53:42,770

drones baby

2352

01:53:46,669 --> 01:53:44,629

why did I show that I wanted to show

2353

01:53:48,950 --> 01:53:46,679

that to just show you how these dumbass

2354

01:53:51,169 --> 01:53:48,960

arguments have stayed the same for 80

2355

01:53:55,970 --> 01:53:51,179

years and do we want to keep going

2356

01:53:55,980 --> 01:53:58,910

no

2357

01:54:04,250 --> 01:54:01,310

hopefully we can get the answers I just

2358

01:54:06,669 --> 01:54:04,260

thought that was hilarious

2359

01:54:09,169 --> 01:54:06,679

who would have thought

2360

01:54:10,370 --> 01:54:09,179

who would have freaking thought all

2361

01:54:11,270 --> 01:54:10,380

right

2362

01:54:16,129 --> 01:54:11,280

um

2363

01:54:23,270 --> 01:54:19,430

so I'm out of here yo I had a great time

2364

01:54:26,990 --> 01:54:24,770

thanks for being so kind in the chat

2365

01:54:29,090 --> 01:54:27,000

surf Psych

2366

01:54:31,129 --> 01:54:29,100

The Lifeguard knows yeah just as the

2367

01:54:32,990 --> 01:54:31,139

Lifeguard man that's it that San Diego

2368

01:54:35,270 --> 01:54:33,000

lifeguard

2369

01:54:38,750 --> 01:54:35,280

Deanna thanks for hanging out Robert

2370

01:54:40,609 --> 01:54:38,760

Thomas randallship Forest

2371

01:54:42,590 --> 01:54:40,619

it's a good case

2372

01:54:47,090 --> 01:54:42,600

Bill Ferguson

2373

01:54:47,100 --> 01:54:50,169

scape

2374

01:54:56,689 --> 01:54:53,990

uh Grant what time is what time does

2375

01:55:01,129 --> 01:54:59,149

oh crap I don't have my watch today

2376

01:55:07,070 --> 01:55:01,139

yeah everybody make sure you watch that

2377

01:55:12,169 --> 01:55:08,570

um should be great

2378

01:55:15,770 --> 01:55:12,179

should be good so we'll see what happens

2379

01:55:18,890 --> 01:55:15,780

thanks Dan I appreciate it

2380

01:55:22,310 --> 01:55:18,900

um yeah so we'll see what happens

2381

01:55:25,490 --> 01:55:22,320

tomorrow uh I just want to also say that

2382

01:55:27,830 --> 01:55:25,500

like I'm super proud of Mr Ross

2383

01:55:30,890 --> 01:55:27,840

coldheart

2384

01:55:34,850 --> 01:55:30,900

my dogs are barking sorry

2385

01:55:36,590 --> 01:55:34,860

um yeah Gandalf squids thanks

2386

01:55:39,649 --> 01:55:36,600

my dogs are getting a little

2387

01:55:42,169 --> 01:55:39,659

rambunctious out there can you hear it

2388

01:55:44,930 --> 01:55:42,179

Andres

2389

01:55:48,649 --> 01:55:44,940

it's probably Jeff Bezos delivering

2390

01:55:53,689 --> 01:55:50,810

they really gets them around okay I

2391

01:55:56,390 --> 01:55:53,699

gotta go all right peace love stay good

2392

01:55:58,010 --> 01:55:56,400

see you soon watch Ross tomorrow he's

2393

01:56:00,709 --> 01:55:58,020

doing a great job I'm super proud of him

2394

01:56:06,490 --> 01:56:00,719

love that guy

2395

01:56:23,030 --> 01:56:17,170

[Music]

2396

01:56:23,040 --> 01:56:28,640

foreign

2397

01:57:02,709 --> 01:56:38,930

[Music]
