[Music]

4
00:00:24,529 --> 00:00:22,560
who just basically partied ways with him

5
00:00:26,150 --> 00:00:24,539
a couple of days ago issued a statement

6
00:00:28,730 --> 00:00:26,160
which is quite unusual saying that they

7
00:00:30,470 --> 00:00:28,740
had been misrepresented and that The

8
00:00:32,990 --> 00:00:30,480
Whistleblower complaint was actually

9
00:00:35,330 --> 00:00:33,000
very nice unfortunately misconceived

10
00:00:36,650 --> 00:00:35,340
that Chuck McCullough is still acting

11
00:00:46,569 --> 00:00:36,660
for David Crush

12
00:00:46,579 --> 00:00:53,470
thank you

13
00:00:57,770 --> 00:00:56,389

Mount Sabra high school and went to

14

00:01:01,250 --> 00:00:57,780

Salem North Carolina

15

00:01:03,830 --> 00:01:01,260

on on in June of 1995.

16

00:01:06,649 --> 00:01:03,840

and I enlisted of course you know

17

00:01:09,950 --> 00:01:06,659

delayed entry a year so I went to boot

18

00:01:13,310 --> 00:01:09,960

camp on the 18th of June Sunday

19

00:01:16,850 --> 00:01:13,320

and from there my MOS was 0311 which was

20

00:01:19,429 --> 00:01:16,860

a grunt January late January of 96 I was

21

00:01:21,830 --> 00:01:19,439

getting new orders and giving a new MOS

22

00:01:24,469 --> 00:01:21,840

military occupational skill

23

00:01:25,429 --> 00:01:24,479

our listing is 7212 Stinger Avenger

24

00:01:28,429 --> 00:01:25,439

Gunner

25

00:01:32,090 --> 00:01:28,439

so I was in training for to be a air

26
00:01:34,070 --> 00:01:32,100
defense Gunner on the firm 90 92 Alpha

27
00:01:35,870 --> 00:01:34,080
stinger missile it's a service deer

28
00:01:38,810 --> 00:01:35,880
missile and the Avenger weapon system

29
00:01:40,850 --> 00:01:38,820
which is a pedestal and a turret with uh

30
00:01:44,270 --> 00:01:40,860
with eight Stingers amount on the back

31
00:01:46,969 --> 00:01:44,280
of a Humvee we were sent there to uh

32
00:01:49,010 --> 00:01:46,979
provide perimeter security to this radar

33
00:01:51,230 --> 00:01:49,020
installation basically these radar

34
00:01:53,810 --> 00:01:51,240
station was tracking supposedly drug

35
00:01:56,870 --> 00:01:53,820
aircraft that were exiting in and out of

36
00:01:58,730 --> 00:01:56,880
Peru and Bolivian airspace and uh they

37
00:02:01,130 --> 00:01:58,740
they came to us and said look you know

38
00:02:04,069 --> 00:02:01,140

we got we got a situation where we we

39

00:02:07,010 --> 00:02:04,079

have one an aircraft crash that's

40

00:02:10,190 --> 00:02:07,020

possibly friendly and they need us to go

41

00:02:12,770 --> 00:02:10,200

and secure the crash site I'm about 11

42

00:02:14,930 --> 00:02:12,780

or 12 at night and I was on guard Duty

43

00:02:16,729 --> 00:02:14,940

that night so I was already up and it

44

00:02:18,589 --> 00:02:16,739

was my shift we have 12 hour shifts 12

45

00:02:21,110 --> 00:02:18,599

on 12 off three or four in the morning

46

00:02:23,449 --> 00:02:21,120

and headed out in Humvees we had about

47

00:02:25,250 --> 00:02:23,459

five or six Hummers and we drove

48

00:02:26,690 --> 00:02:25,260

to where we needed to go and then we

49

00:02:28,070 --> 00:02:26,700

from there you know we had to hump

50

00:02:30,229 --> 00:02:28,080

through the bush

51
00:02:32,510 --> 00:02:30,239
so we got there I don't know six seven

52
00:02:34,309 --> 00:02:32,520
just just one daylight had just just

53
00:02:36,530 --> 00:02:34,319
started to get light we found the area

54
00:02:39,110 --> 00:02:36,540
really easy because there was a there

55
00:02:41,449 --> 00:02:39,120
was a huge gash in the land where where

56
00:02:43,190 --> 00:02:41,459
something had crashed and it

57
00:02:45,290 --> 00:02:43,200
they didn't break anything you know

58
00:02:48,110 --> 00:02:45,300
everything was burned and it was like

59
00:02:49,970 --> 00:02:48,120
like if you had almost cut like a warm

60
00:02:51,710 --> 00:02:49,980
butter with a knife or had entered or

61
00:02:53,809 --> 00:02:51,720
some kind of energy like a laser almost

62
00:02:56,570 --> 00:02:53,819
had had like gutted I mean it was really

63
00:02:58,550 --> 00:02:56,580

strange and anyway I was I was in the

64

00:02:59,869 --> 00:02:58,560

front with surgeon Allen Sergeant Atkins

65

00:03:03,470 --> 00:02:59,879

we were up front

66

00:03:05,270 --> 00:03:03,480

and we were we were Point basically and

67

00:03:07,250 --> 00:03:05,280

we were like I don't know 10 20 meters

68

00:03:09,650 --> 00:03:07,260

ahead of everyone else we had we all had

69

00:03:11,149 --> 00:03:09,660

maps and radios and Compasses so we knew

70

00:03:13,369 --> 00:03:11,159

so we wouldn't get lost

71

00:03:16,009 --> 00:03:13,379

and basically we were the first ones to

72

00:03:19,009 --> 00:03:16,019

see the object and basically what

73

00:03:21,050 --> 00:03:19,019

happened is we didn't go straight up the

74

00:03:23,030 --> 00:03:21,060

hill because basically this thing went

75

00:03:25,190 --> 00:03:23,040

up the hill and then off into the side

76

00:03:27,530 --> 00:03:25,200

of of the Ravine or the ridge this is

77

00:03:30,410 --> 00:03:27,540

about a 200 foot Ridge at least

78

00:03:32,750 --> 00:03:30,420

solid Granite I mean it's rock I don't

79

00:03:35,089 --> 00:03:32,760

know if it's green it was buried in the

80

00:03:37,670 --> 00:03:35,099

side of the cliff this is a huge ship

81

00:03:39,229 --> 00:03:37,680

and you know I used to be in the Sci-Fi

82

00:03:41,030 --> 00:03:39,239

movies when I was a kid but this is

83

00:03:42,710 --> 00:03:41,040

nothing like I'd ever seen and it was

84

00:03:45,350 --> 00:03:42,720

just I was really it was really

85

00:03:48,890 --> 00:03:45,360

confusing so we it was Dripping this

86

00:03:51,110 --> 00:03:48,900

surp like uh like surf viscosity this

87

00:03:52,850 --> 00:03:51,120

liquid uh it was everywhere all down

88

00:03:53,990 --> 00:03:52,860

everywhere when we went down there

89

00:03:57,530 --> 00:03:54,000

because there were plants and everything

90

00:03:59,030 --> 00:03:57,540

it was it was weird it was a a purplish

91

00:04:02,690 --> 00:03:59,040

green color

92

00:04:05,030 --> 00:04:02,700

and it was it was a greenish purple and

93

00:04:06,649 --> 00:04:05,040

it kind of like like fluctuated like you

94

00:04:08,089 --> 00:04:06,659

couldn't really when you you'd look at

95

00:04:10,250 --> 00:04:08,099

it one time and you look at it again and

96

00:04:11,630 --> 00:04:10,260

it would like it's almost like it I

97

00:04:13,490 --> 00:04:11,640

don't know if it was like alive and it

98

00:04:15,229 --> 00:04:13,500

was just changing but every time you

99

00:04:17,750 --> 00:04:15,239

looked at it you saw a different shade

100

00:04:19,909 --> 00:04:17,760

of greenish purple it was a strange

101
00:04:22,430 --> 00:04:19,919
there was uh there was one light on it

102
00:04:25,010 --> 00:04:22,440
that slowly went around and it and the

103
00:04:26,570 --> 00:04:25,020
Machine I could hear it I could hear I

104
00:04:29,570 --> 00:04:26,580
guess because it was still functioning

105
00:04:32,570 --> 00:04:29,580
and it had like a like a hum to it like

106
00:04:34,430 --> 00:04:32,580
like a really bass like say if you

107
00:04:36,590 --> 00:04:34,440
unplugged an amp from a guitar that kind

108
00:04:37,969 --> 00:04:36,600
of you know it was really really you

109
00:04:39,950 --> 00:04:37,979
know it was really deep

110
00:04:42,290 --> 00:04:39,960
and it kind of fluctuated and then

111
00:04:44,210 --> 00:04:42,300
finally it just cut off and everything

112
00:04:46,249 --> 00:04:44,220
just seemed to stop

113
00:04:48,650 --> 00:04:46,259

except the colors and the shades and it

114

00:04:51,170 --> 00:04:48,660

was still that way uh when I was looking

115

00:04:52,610 --> 00:04:51,180

at the craft it was buried so I could

116

00:04:55,610 --> 00:04:52,620

see the back of it and there were these

117

00:04:58,850 --> 00:04:55,620

large vents well they look like vents

118

00:05:00,830 --> 00:04:58,860

sort of like a fish gill on the back I

119

00:05:02,390 --> 00:05:00,840

couldn't see around the other side and I

120

00:05:03,590 --> 00:05:02,400

guess I'm assuming it was the same way

121

00:05:05,510 --> 00:05:03,600

on the other side

122

00:05:06,650 --> 00:05:05,520

that look like I don't know that they

123

00:05:09,310 --> 00:05:06,660

could that could have been used for

124

00:05:12,170 --> 00:05:09,320

propulsion I'm not sure

125

00:05:14,390 --> 00:05:12,180

again this this liquid that had come out

126

00:05:16,610 --> 00:05:14,400

of the ship was it got all my Camis and

127

00:05:18,950 --> 00:05:16,620

you know it it discolored them and ate

128

00:05:21,230 --> 00:05:18,960

them almost like I acid and ate some of

129

00:05:24,110 --> 00:05:21,240

the skin off excuse me the hair off my

130

00:05:25,430 --> 00:05:24,120

arms and it was and I didn't know that

131

00:05:27,469 --> 00:05:25,440

until later on

132

00:05:28,550 --> 00:05:27,479

but basically when I was down there with

133

00:05:32,029 --> 00:05:28,560

the ship

134

00:05:33,590 --> 00:05:32,039

there was three holes I guess I'd assume

135

00:05:35,990 --> 00:05:33,600

that they were hatches but I I there's

136

00:05:38,270 --> 00:05:36,000

no way to tell they were not flush with

137

00:05:39,770 --> 00:05:38,280

the uh with with the body the main body

138

00:05:41,390 --> 00:05:39,780

of The Craft there I don't know a few

139

00:05:43,370 --> 00:05:41,400

inches below

140

00:05:45,590 --> 00:05:43,380

I knew there was one on top because you

141

00:05:47,450 --> 00:05:45,600

could slightly see it I don't know about

142

00:05:50,270 --> 00:05:47,460

the other side but there was another

143

00:05:52,430 --> 00:05:50,280

hatch the same same width in diameter or

144

00:05:55,310 --> 00:05:52,440

whatever of the top hatch and it was

145

00:05:57,170 --> 00:05:55,320

kind of crooked to the side and it was

146

00:05:58,730 --> 00:05:57,180

half open

147

00:06:01,790 --> 00:05:58,740

I didn't see any lights or anything

148

00:06:02,930 --> 00:06:01,800

coming out of it but I felt this

149

00:06:05,210 --> 00:06:02,940

presence

150

00:06:07,850 --> 00:06:05,220

that it's real strange I guess it was

151

00:06:09,710 --> 00:06:07,860

almost like I think the Creole I told

152

00:06:12,050 --> 00:06:09,720

Leslie this I thought the creatures were

153

00:06:13,249 --> 00:06:12,060

they conned me and it was like weird and

154

00:06:15,230 --> 00:06:13,259

they were I think they were trying to

155

00:06:16,909 --> 00:06:15,240

communicate with me like I guess

156

00:06:18,650 --> 00:06:16,919

telepathically it's really weird and I

157

00:06:21,050 --> 00:06:18,660

don't believe in in any of that stuff

158

00:06:22,189 --> 00:06:21,060

but in any way it was I could I could

159

00:06:24,230 --> 00:06:22,199

hear like

160

00:06:26,210 --> 00:06:24,240

and it was terrible because it kept

161

00:06:28,309 --> 00:06:26,220

going and then it still comes and goes

162

00:06:30,830 --> 00:06:28,319

it's like basically sitting in your car

163

00:06:32,570 --> 00:06:30,840

and turn on like an AM station that's

164

00:06:34,790 --> 00:06:32,580

not that you you know it's just white

165

00:06:36,770 --> 00:06:34,800

noise and it's turning it up really high

166

00:06:38,870 --> 00:06:36,780

and that's what I heard when I when I

167

00:06:41,029 --> 00:06:38,880

first got in there this is pretty crude

168

00:06:43,850 --> 00:06:41,039

two-dimensional drawing but this is

169

00:06:47,930 --> 00:06:43,860

jungle here this is the craft and it was

170

00:06:50,330 --> 00:06:47,940

embedded uh in in the in in the world or

171

00:06:53,330 --> 00:06:50,340

how it went but these right here are the

172

00:06:55,070 --> 00:06:53,340

hatches these two objects here this one

173

00:06:57,170 --> 00:06:55,080

was the one that was half open

174

00:06:58,430 --> 00:06:57,180

and you could see into it but I mean it

175

00:07:01,070 --> 00:06:58,440

was just black it was like looking into

176
00:07:03,770 --> 00:07:01,080
a closet 10 meters in width and about 20

177
00:07:05,090 --> 00:07:03,780
meters in length I'm just not sure

178
00:07:07,129 --> 00:07:05,100
that's just an estimate from what I

179
00:07:09,409 --> 00:07:07,139
remember but it was huge

180
00:07:10,969 --> 00:07:09,419
I mean it was Big Man

181
00:07:12,770 --> 00:07:10,979
and it was shaped like almost like

182
00:07:14,029 --> 00:07:12,780
between an egg and like a teardrop

183
00:07:15,770 --> 00:07:14,039
almost

184
00:07:17,510 --> 00:07:15,780
and it was really it looked really

185
00:07:20,510 --> 00:07:17,520
aerodynamic

186
00:07:22,490 --> 00:07:20,520
at least in shape but the closer I I was

187
00:07:24,830 --> 00:07:22,500
close enough to take out detail on it

188
00:07:26,689 --> 00:07:24,840

that every it was not just smooth there

189

00:07:28,969 --> 00:07:26,699

was there was you know there was bumps

190

00:07:30,589 --> 00:07:28,979

and you know notches and things in it it

191

00:07:32,270 --> 00:07:30,599

was really organic

192

00:07:34,909 --> 00:07:32,280

it was almost like art

193

00:07:36,290 --> 00:07:34,919

I I that that's really how you would it

194

00:07:38,809 --> 00:07:36,300

didn't look like something that that

195

00:07:41,270 --> 00:07:38,819

somebody made in a shop you know it

196

00:07:43,790 --> 00:07:41,280

didn't have that clunkiness or that that

197

00:07:45,710 --> 00:07:43,800

that tin can you know kind of deal it

198

00:07:47,809 --> 00:07:45,720

was more of a it was more of art I would

199

00:07:50,150 --> 00:07:47,819

I would say look to be that it was it

200

00:07:52,210 --> 00:07:50,160

could have been handmade but you know

201
00:07:54,710 --> 00:07:52,220
out of what and what materials on there

202
00:07:57,110 --> 00:07:54,720
definitely nothing like nothing like

203
00:07:59,510 --> 00:07:57,120
titanium it was it it see this is the

204
00:08:01,670 --> 00:07:59,520
whole thing it looked metal but it

205
00:08:04,070 --> 00:08:01,680
didn't it didn't have any reflection on

206
00:08:05,930 --> 00:08:04,080
it man I mean you know the the sun's

207
00:08:08,270 --> 00:08:05,940
coming down and if you got something

208
00:08:10,309 --> 00:08:08,280
made of metal regardless of it I mean

209
00:08:12,110 --> 00:08:10,319
maybe if it's subdued with paint and

210
00:08:14,029 --> 00:08:12,120
it's got a cami sheam on it you know

211
00:08:16,550 --> 00:08:14,039
you're not going to see any reflection

212
00:08:19,790 --> 00:08:16,560
but you know I could see the different

213
00:08:22,249 --> 00:08:19,800

the different shades of The Craft they

214

00:08:24,529 --> 00:08:22,259

didn't shine it just like it was it

215

00:08:26,629 --> 00:08:24,539

didn't reflect anything and and I

216

00:08:28,730 --> 00:08:26,639

guarantee if I throw like a flashlight

217

00:08:30,290 --> 00:08:28,740

on I wouldn't reflected it well the

218

00:08:32,449 --> 00:08:30,300

creatures I think were calling me to

219

00:08:34,969 --> 00:08:32,459

help them everything was going to be all

220

00:08:37,190 --> 00:08:34,979

right then I was so mesmerized and into

221

00:08:38,810 --> 00:08:37,200

it and you know Sergeant Allen and

222

00:08:40,190 --> 00:08:38,820

Atkins are they're hollering their

223

00:08:42,290 --> 00:08:40,200

cousin I mean you know get the hell out

224

00:08:43,850 --> 00:08:42,300

of there yeah the the I think the doe

225

00:08:46,010 --> 00:08:43,860

Department of energy people were there

226
00:08:47,870 --> 00:08:46,020
they knew about it and I don't know why

227
00:08:49,730 --> 00:08:47,880
we went there

228
00:08:51,470 --> 00:08:49,740
still to this day but anyway I was

229
00:08:53,210 --> 00:08:51,480
arrested they were there and they had

230
00:08:56,110 --> 00:08:53,220
containment suits and they up in the

231
00:08:59,509 --> 00:08:56,120
jungle where they landed two CH 47

232
00:09:02,030 --> 00:08:59,519
Chinooks and then they took me they put

233
00:09:04,910 --> 00:09:02,040
me on a cot that they had and they had

234
00:09:06,650 --> 00:09:04,920
me uh coughed with those uh they had me

235
00:09:08,930 --> 00:09:06,660
cuff both hands down and then they had

236
00:09:11,389 --> 00:09:08,940
my uh my my legs tied together with

237
00:09:13,370 --> 00:09:11,399
these those plastic Fasteners that the

238
00:09:14,930 --> 00:09:13,380

police use I was they were cussing at me

239

00:09:16,370 --> 00:09:14,940

saying attention to orders and you

240

00:09:18,410 --> 00:09:16,380

weren't supposed to be there and you're

241

00:09:20,090 --> 00:09:18,420

not supposed to see this and you know

242

00:09:21,769 --> 00:09:20,100

you're going to be dangerous if we let

243

00:09:22,970 --> 00:09:21,779

you go and all this stuff you know I

244

00:09:24,470 --> 00:09:22,980

mean I thought I thought they were going

245

00:09:27,949 --> 00:09:24,480

to kill me for about two days I think

246

00:09:30,530 --> 00:09:27,959

and uh they had a tenant colonel from

247

00:09:31,790 --> 00:09:30,540

the Air Force we just uh took you out in

248

00:09:34,070 --> 00:09:31,800

the jungle you know they'd never find

249

00:09:35,750 --> 00:09:34,080

you out there and I'm like well and he's

250

00:09:37,790 --> 00:09:35,760

like you got to sign these papers and

251
00:09:40,610 --> 00:09:37,800
you never saw this and if you tell

252
00:09:43,370 --> 00:09:40,620
anybody uh you know you'll just come up

253
00:09:46,610 --> 00:09:43,380
missing and he was a real abrasive just

254
00:09:48,829 --> 00:09:46,620
just just a cynical uh I guess

255
00:09:51,889 --> 00:09:48,839
the best way to put it it was I was at

256
00:09:54,110 --> 00:09:51,899
yes it was life forms in the ship I and

257
00:09:55,910 --> 00:09:54,120
I could that they were it's almost like

258
00:09:58,550 --> 00:09:55,920
if someone was like reading your mind

259
00:10:01,070 --> 00:09:58,560
and that's the way it felt and I felt

260
00:10:03,290 --> 00:10:01,080
like I felt a presence this is like

261
00:10:05,750 --> 00:10:03,300
Supernatural you know it was what it

262
00:10:08,389 --> 00:10:05,760
looked like is it been hit with maybe a

263
00:10:10,130 --> 00:10:08,399

service deer missile uh there were a

264

00:10:12,889 --> 00:10:10,140

couple Hawk batteries and that's a

265

00:10:15,590 --> 00:10:12,899

homing all the way killer that's a low

266

00:10:17,750 --> 00:10:15,600

to medium uh surfaced air any any

267

00:10:19,610 --> 00:10:17,760

aircraft missile basically it doesn't

268

00:10:21,829 --> 00:10:19,620

have to hit the target in order to

269

00:10:24,110 --> 00:10:21,839

destroy the target what it does is it

270

00:10:26,509 --> 00:10:24,120

gets in proximity of it and it's it has

271

00:10:28,790 --> 00:10:26,519

a high explosive fragmentation Warhead

272

00:10:31,610 --> 00:10:28,800

and it basically explodes like a big

273

00:10:34,850 --> 00:10:31,620

shotgun in the vicinity of the of the uh

274

00:10:37,190 --> 00:10:34,860

the targeted area and and by

275

00:10:39,350 --> 00:10:37,200

fragmentation it's supposed to destroy

276
00:10:42,530 --> 00:10:39,360
the target this is what I think happened

277
00:10:43,670 --> 00:10:42,540
is we shot it down the Peruvian shot it

278
00:10:46,670 --> 00:10:43,680
down

279
00:10:49,069 --> 00:10:46,680
the other guys knew it was flying I knew

280
00:10:50,810 --> 00:10:49,079
these these aircraft were flying because

281
00:10:53,750 --> 00:10:50,820
I had been in the command center there

282
00:10:55,670 --> 00:10:53,760
at the radar installation and and and I

283
00:10:58,490 --> 00:10:55,680
heard a couple women there in the Air

284
00:11:00,350 --> 00:10:58,500
Force talking about aircraft uh flying

285
00:11:03,050 --> 00:11:00,360
in and out of the atmosphere at mach 10

286
00:11:05,569 --> 00:11:03,060
plus you know I believe that the higher

287
00:11:07,430 --> 00:11:05,579
ups knew it was fun in the area and

288
00:11:08,810 --> 00:11:07,440

these were these large vents they look

289

00:11:10,310 --> 00:11:08,820

like they went into the craft but I

290

00:11:13,910 --> 00:11:10,320

could I couldn't tell well this is

291

00:11:16,069 --> 00:11:13,920

another thing was these vents cast a

292

00:11:18,710 --> 00:11:16,079

shadow where you could see where there

293

00:11:20,150 --> 00:11:18,720

wasn't light but the Sun was shining

294

00:11:22,009 --> 00:11:20,160

around on the object and it didn't cast

295

00:11:25,370 --> 00:11:22,019

a shadow you think these were tracked on

296

00:11:28,250 --> 00:11:25,380

Radars yeah these were tracked from this

297

00:11:30,290 --> 00:11:28,260

particular radar that were logged in

298

00:11:31,490 --> 00:11:30,300

the reason I I guess the reason they

299

00:11:33,290 --> 00:11:31,500

were taking them is they didn't want

300

00:11:35,750 --> 00:11:33,300

people to know that they're tracking

301
00:11:37,610 --> 00:11:35,760
these aircraft I guess I mean again this

302
00:11:40,430 --> 00:11:37,620
I'm just assuming that I was confident

303
00:11:41,870 --> 00:11:40,440
that when I saw the the aircraft it had

304
00:11:43,550 --> 00:11:41,880
been hit by something

305
00:11:45,949 --> 00:11:43,560
they were not here to harm us that's

306
00:11:47,690 --> 00:11:45,959
really what what it felt like and I mean

307
00:11:49,730 --> 00:11:47,700
that's not that's not my own emotions

308
00:11:50,930 --> 00:11:49,740
I've seen the creatures in my in my

309
00:11:53,990 --> 00:11:50,940
thoughts

310
00:11:56,269 --> 00:11:54,000
and I've seen I've and I I saw them what

311
00:11:58,670 --> 00:11:56,279
they look like oval Egghead with big

312
00:12:01,130 --> 00:11:58,680
dark eyes big eyes

313
00:12:02,810 --> 00:12:01,140

a nose and a small mouth New Year they

314

00:12:04,850 --> 00:12:02,820

were here they weren't here you know

315

00:12:06,350 --> 00:12:04,860

they weren't going to harm me

316

00:12:07,910 --> 00:12:06,360

and that was basically that everything

317

00:12:09,710 --> 00:12:07,920

is going to be all right just helped me

318

00:12:11,990 --> 00:12:09,720

get just helped us get out of here did I

319

00:12:15,590 --> 00:12:12,000

think it was organic and Alive yeah yeah

320

00:12:19,430 --> 00:12:15,600

I think that uh I think uh that that

321

00:12:22,009 --> 00:12:19,440

whole craft it's kind of like

322

00:12:23,690 --> 00:12:22,019

it's almost like if you had an extension

323

00:12:26,449 --> 00:12:23,700

like your arm or your leg

324

00:12:28,730 --> 00:12:26,459

and I think the way they can now I mean

325

00:12:31,550 --> 00:12:28,740

this is just for thinking about it that

326

00:12:33,889 --> 00:12:31,560

that the way they control the craft is

327

00:12:35,870 --> 00:12:33,899

with their thoughts and they have new

328

00:12:37,370 --> 00:12:35,880

buttons or anything they push it's not

329

00:12:39,590 --> 00:12:37,380

from Earth I'm not doing this to make

330

00:12:41,090 --> 00:12:39,600

money or or publicity or anything but I

331

00:12:43,009 --> 00:12:41,100

think it needs to be told I think people

332

00:12:45,530 --> 00:12:43,019

need to hear it whether they agree with

333

00:12:48,170 --> 00:12:45,540

me or not is is a new consequence cover

334

00:12:51,889 --> 00:12:48,180

was there to track uh to track drug

335

00:12:53,389 --> 00:12:51,899

aircraft I I think I I don't know but

336

00:12:54,650 --> 00:12:53,399

from what I understand that they were

337

00:12:56,329 --> 00:12:54,660

doing a whole lot more than just

338

00:12:59,750 --> 00:12:56,339

tracking drug aircraft

339

00:13:01,790 --> 00:12:59,760

I mean they had a laser range finders

340

00:13:04,910 --> 00:13:01,800

and all kinds of high-tech stuff that

341

00:13:06,470 --> 00:13:04,920

I've never seen before Green Berets Army

342

00:13:09,050 --> 00:13:06,480

Airborne I mean a bunch of these spec

343

00:13:10,850 --> 00:13:09,060

ops guys a Delta Force there you know

344

00:13:12,230 --> 00:13:10,860

the murders that Waco were there you

345

00:13:13,730 --> 00:13:12,240

know so

346

00:13:15,110 --> 00:13:13,740

you know all these you know all these

347

00:13:17,329 --> 00:13:15,120

guys out there I mean the Chinese

348

00:13:18,889 --> 00:13:17,339

Chinese are there you know they're out

349

00:13:21,230 --> 00:13:18,899

there training man and we're they're

350

00:13:23,269 --> 00:13:21,240

training the peruvians too so it's weird

351

00:13:27,710 --> 00:13:23,279

definitely it's something like NATO or

352

00:13:29,930 --> 00:13:27,720

some multi uh multinational deal and

353

00:13:31,490 --> 00:13:29,940

what I I keep you know I keep going back

354

00:13:33,470 --> 00:13:31,500

and really thinking about that why are

355

00:13:36,110 --> 00:13:33,480

all these guys here you know why would

356

00:13:38,990 --> 00:13:36,120

the Chinese be concerned with drugs

357

00:13:41,269 --> 00:13:39,000

being smuggled or you know or any kind

358

00:13:43,009 --> 00:13:41,279

of drug paraphernalia being smuggled

359

00:13:45,650 --> 00:13:43,019

into this they had the big D you know

360

00:13:47,449 --> 00:13:45,660

Delta Oscar echo on the back of their

361

00:13:50,530 --> 00:13:47,459

back and a couple of the guys were

362

00:13:53,329 --> 00:13:50,540

wearing like these uh these rain jackets

363

00:13:55,310 --> 00:13:53,339

the behavior the people yeah it was

364

00:13:57,170 --> 00:13:55,320

definitely it was this is routine man I

365

00:13:58,670 --> 00:13:57,180

mean these guys are squared away they

366

00:14:00,050 --> 00:13:58,680

know exactly what they're doing they've

367

00:14:01,970 --> 00:14:00,060

been trained to do this stuff before

368

00:14:05,329 --> 00:14:01,980

that was the atmosphere the total

369

00:14:06,889 --> 00:14:05,339

professional cold uh unassuming uh

370

00:14:08,449 --> 00:14:06,899

nature you know it's just you know we're

371

00:14:09,829 --> 00:14:08,459

here to do a job I was raised in a

372

00:14:12,290 --> 00:14:09,839

Christian home to believe that there was

373

00:14:14,569 --> 00:14:12,300

a God and that he created everything you

374

00:14:16,129 --> 00:14:14,579

know the universe and here they are

375

00:14:17,990 --> 00:14:16,139

these these creatures that I've never

376

00:14:20,329 --> 00:14:18,000

seen before never come in contact with

377

00:14:23,210 --> 00:14:20,339

and this happens man and it just it made

378

00:14:24,710 --> 00:14:23,220

me go almost crazy man not like suicidal

379

00:14:27,170 --> 00:14:24,720

but I just couldn't

380

00:14:29,030 --> 00:14:27,180

I had to like reevaluate everything that

381

00:14:31,009 --> 00:14:29,040

I need is that what do I do you know do

382

00:14:32,690 --> 00:14:31,019

I tell people but I mean who's going to

383

00:14:34,610 --> 00:14:32,700

believe that it's more like I was

384

00:14:36,530 --> 00:14:34,620

sitting and watching like a like a film

385

00:14:38,870 --> 00:14:36,540

like I was sitting and I was watching

386

00:14:41,210 --> 00:14:38,880

what was happening and I was uh I was

387

00:14:43,250 --> 00:14:41,220

basically you know with these aliens

388

00:14:45,110 --> 00:14:43,260

these creatures they were holding my

389

00:14:47,389 --> 00:14:45,120

hands and they had their hands on me

390

00:14:49,790 --> 00:14:47,399

they only had four fingers by the way it

391

00:14:51,290 --> 00:14:49,800

was a warm Like Loving Feeling like like

392

00:14:53,689 --> 00:14:51,300

you would have if you were with a family

393

00:14:55,790 --> 00:14:53,699

these creatures are like I guess you

394

00:14:57,050 --> 00:14:55,800

could probably the closest thing I could

395

00:14:58,910 --> 00:14:57,060

say that they were like almost like

396

00:15:01,310 --> 00:14:58,920

their brain functioned

397

00:15:03,050 --> 00:15:01,320

and uh we came to a conclusion even in

398

00:15:05,329 --> 00:15:03,060

those days that these are the reason

399

00:15:07,009 --> 00:15:05,339

most flying saucers have failed is

400

00:15:09,350 --> 00:15:07,019

because our conclusion was that this

401
00:15:12,069 --> 00:15:09,360
being is part of the guidance system

402
00:15:14,810 --> 00:15:12,079
he's part of that saucer

403
00:15:16,730 --> 00:15:14,820
he was part of the guidance system or it

404
00:15:18,949 --> 00:15:16,740
whatever it is because it has no sex or

405
00:15:22,189 --> 00:15:18,959
anything he was part of the guide system

406
00:15:24,170 --> 00:15:22,199
that's why we failed and propulsion and

407
00:15:25,790 --> 00:15:24,180
guidance system of These Fine saucers

408
00:15:29,030 --> 00:15:25,800
yeah we didn't figure it out

409
00:15:31,550 --> 00:15:29,040
better than go near far enough

410
00:15:32,810 --> 00:15:31,560
it's the skin marvelous instrument look

411
00:15:34,430 --> 00:15:32,820
at our skin

412
00:15:35,890 --> 00:15:34,440
this is one of the wonders of creation

413
00:15:58,200 --> 00:15:35,900

our skin

414

00:15:58,210 --> 00:16:04,030

[Music]

415

00:16:15,610 --> 00:16:05,690

thank you

416

00:16:22,129 --> 00:16:18,710

what's up everybody

417

00:16:24,710 --> 00:16:22,139

happy freaking Monday y'all

418

00:16:27,470 --> 00:16:24,720

what a crazy interview that was last

419

00:16:32,210 --> 00:16:27,480

night that was insane

420

00:16:36,350 --> 00:16:32,220

in a good way insane in a good way

421

00:16:40,430 --> 00:16:38,329

um I hope you guys enjoyed it it was

422

00:16:44,569 --> 00:16:40,440

pretty intense I think Ross knocked it

423

00:16:45,470 --> 00:16:44,579

out of the freaking Park once again

424

00:16:47,389 --> 00:16:45,480

um

425

00:16:49,009 --> 00:16:47,399

so we'll we'll get into that we'll get

426
00:16:52,310 --> 00:16:49,019
in my thoughts on that I wanted to start

427
00:16:54,530 --> 00:16:52,320
out with this uh guy

428
00:16:57,410 --> 00:16:54,540
this testimony from this gentleman for a

429
00:17:00,249 --> 00:16:57,420
couple reasons first of all because he

430
00:17:03,829 --> 00:17:00,259
hits on a couple things that we hear

431
00:17:05,090 --> 00:17:03,839
from The Whistleblower Dave

432
00:17:07,490 --> 00:17:05,100
um and

433
00:17:09,409 --> 00:17:07,500
like Colonel Corso

434
00:17:10,970 --> 00:17:09,419
um multinational

435
00:17:12,890 --> 00:17:10,980
you know that's kind of what we heard

436
00:17:15,110 --> 00:17:12,900
from Dave that multiple countries are in

437
00:17:17,270 --> 00:17:15,120
on this which is interesting

438
00:17:19,370 --> 00:17:17,280

um there's been a recent story

439

00:17:22,789 --> 00:17:19,380

that can you know that talks about drug

440

00:17:26,270 --> 00:17:22,799

trafficking and UFOs that part of it

441

00:17:28,789 --> 00:17:26,280

I'm I'm not really that into it I'd have

442

00:17:30,590 --> 00:17:28,799

to learn more but you know

443

00:17:32,990 --> 00:17:30,600

this person is

444

00:17:34,730 --> 00:17:33,000

a was a Greer Witness

445

00:17:38,870 --> 00:17:34,740

you know

446

00:17:41,330 --> 00:17:38,880

and I find his testimony very convincing

447

00:17:44,990 --> 00:17:41,340

so

448

00:17:47,330 --> 00:17:45,000

that he contributed and I know he's

449

00:17:50,750 --> 00:17:47,340

doing some live event today

450

00:17:53,210 --> 00:17:50,760

which is like just timed like perfectly

451
00:17:56,570 --> 00:17:53,220
to be the day after

452
00:18:00,350 --> 00:17:58,549
you know but does it really does it

453
00:18:02,990 --> 00:18:00,360
really matter did that push the ball at

454
00:18:05,930 --> 00:18:03,000
all even you know

455
00:18:12,470 --> 00:18:08,210
I mean some of the stuff he says was was

456
00:18:14,690 --> 00:18:12,480
just pure uh amazing crazy

457
00:18:16,610 --> 00:18:14,700
you know a lot of the things that have

458
00:18:19,010 --> 00:18:16,620
popped up throughout ufology in the

459
00:18:23,450 --> 00:18:19,020
history of ufology he he said and and

460
00:18:28,130 --> 00:18:26,270
a high high up intelligence official

461
00:18:30,049 --> 00:18:28,140
that literally left

462
00:18:33,710 --> 00:18:30,059
just recently

463
00:18:39,470 --> 00:18:37,190

and people are having a hard time

464

00:18:42,830 --> 00:18:39,480

digesting this information case in point

465

00:18:45,049 --> 00:18:42,840

none of the media is even covering it

466

00:18:46,250 --> 00:18:45,059

they have the most ridiculous stories on

467

00:18:48,350 --> 00:18:46,260

their website

468

00:18:53,270 --> 00:18:48,360

that they're talking about

469

00:18:53,280 --> 00:18:56,750

why is that

470

00:19:01,789 --> 00:18:58,549

it could be for a couple reasons you

471

00:19:02,450 --> 00:19:01,799

know I want to say that maybe they're

472

00:19:05,870 --> 00:19:02,460

um

473

00:19:08,390 --> 00:19:05,880

complicit the media

474

00:19:11,270 --> 00:19:08,400

right they've had a huge role in this

475

00:19:13,430 --> 00:19:11,280

throughout all these years

476

00:19:14,450 --> 00:19:13,440

maybe they don't want this to come out

477

00:19:17,029 --> 00:19:14,460

either because they're going to look

478

00:19:24,049 --> 00:19:20,230

you know news Nation thankfully is new

479

00:19:29,330 --> 00:19:24,059

so they wouldn't look so bad

480

00:19:36,110 --> 00:19:31,730

so

481

00:19:37,909 --> 00:19:36,120

great thing today just weird timing and

482

00:19:40,370 --> 00:19:37,919

and that guy is such a grifter that guy

483

00:19:42,529 --> 00:19:40,380

charges so much money for his events he

484

00:19:45,590 --> 00:19:42,539

got busted throwing off flares over the

485

00:19:47,990 --> 00:19:45,600

ocean uh he cries he takes off his shirt

486

00:19:51,590 --> 00:19:48,000

he's freaking weird

487

00:19:52,510 --> 00:19:51,600

um he seems controlling manipulative

488

00:19:55,570 --> 00:19:52,520

um

489

00:19:58,789 --> 00:19:55,580

crowdsources gets all of his money from

490

00:20:00,169 --> 00:19:58,799

innocent people who believes the things

491

00:20:03,110 --> 00:20:00,179

he says

492

00:20:05,810 --> 00:20:03,120

and they continue to pay him

493

00:20:08,810 --> 00:20:05,820

I have an email that where like I signed

494

00:20:11,270 --> 00:20:08,820

up for his uh his email list once just

495

00:20:14,210 --> 00:20:11,280

just to see what it looked like and that

496

00:20:19,490 --> 00:20:16,730

freaking sends so much spam it is

497

00:20:21,650 --> 00:20:19,500

unbelievable I even remember I don't

498

00:20:25,330 --> 00:20:21,660

know if you guys remember this but

499

00:20:28,430 --> 00:20:25,340

um a while ago Harry Reid

500

00:20:30,650 --> 00:20:28,440

you know when he was still alive blessed

501
00:20:32,930 --> 00:20:30,660
soul

502
00:20:34,549 --> 00:20:32,940
had done some sort of interview that

503
00:20:37,909 --> 00:20:34,559
that was a little popular for a little

504
00:20:40,669 --> 00:20:37,919
bit and somebody like misconstrued his

505
00:20:43,130 --> 00:20:40,679
words and said that he said

506
00:20:45,169 --> 00:20:43,140
that something like Russians like some

507
00:20:46,430 --> 00:20:45,179
of these crazy uaps are Russian or

508
00:20:48,169 --> 00:20:46,440
something

509
00:20:49,250 --> 00:20:48,179
and that he didn't even say that first

510
00:20:51,350 --> 00:20:49,260
of all

511
00:20:54,590 --> 00:20:51,360
but Greer like

512
00:20:57,350 --> 00:20:54,600
in his email chain sent

513
00:20:59,630 --> 00:20:57,360

it to everybody in his email chain that

514

00:21:02,570 --> 00:20:59,640

Harry Reid said that like so this guy

515

00:21:04,250 --> 00:21:02,580

doesn't even pay attention to facts he's

516

00:21:06,590 --> 00:21:04,260

sensational

517

00:21:08,150 --> 00:21:06,600

and he cheats people

518

00:21:10,250 --> 00:21:08,160

and it's

519

00:21:12,770 --> 00:21:10,260

pretty ironic that he's doing his little

520

00:21:14,150 --> 00:21:12,780

event today after this interview why is

521

00:21:16,970 --> 00:21:14,160

that

522

00:21:20,029 --> 00:21:16,980

gonna be

523

00:21:24,169 --> 00:21:20,039

in you thought Dave was incredible

524

00:21:29,390 --> 00:21:26,390

and it's going to be really hard

525

00:21:32,510 --> 00:21:29,400

for some people probably

526

00:21:34,690 --> 00:21:32,520

to realize what to do with that

527

00:21:37,909 --> 00:21:34,700

you know

528

00:21:40,549 --> 00:21:37,919

and it's just like too bad because he

529

00:21:42,110 --> 00:21:40,559

clearly just cares about money and

530

00:21:44,270 --> 00:21:42,120

manipulating people

531

00:21:45,830 --> 00:21:44,280

and playing out his little savior

532

00:21:48,350 --> 00:21:45,840

complex

533

00:21:50,510 --> 00:21:48,360

you know and and that's unfortunate

534

00:21:52,490 --> 00:21:50,520

because you have great people

535

00:21:56,930 --> 00:21:52,500

like David came forward it seems like an

536

00:22:00,770 --> 00:21:58,970

who by all accounts seems to be telling

537

00:22:03,649 --> 00:22:00,780

the truth

538

00:22:05,270 --> 00:22:03,659

and you have this

539

00:22:06,890 --> 00:22:05,280

you know one of the things that he said

540

00:22:09,529 --> 00:22:06,900

was um

541

00:22:11,149 --> 00:22:09,539

in his uh interview last night was he

542

00:22:12,830 --> 00:22:11,159

was talking about

543

00:22:14,690 --> 00:22:12,840

a part of the like the disinformation

544

00:22:17,149 --> 00:22:14,700

campaign

545

00:22:20,390 --> 00:22:17,159

and what I took from it is that it seems

546

00:22:21,230 --> 00:22:20,400

like maybe the government puts in a

547

00:22:23,990 --> 00:22:21,240

little

548

00:22:26,029 --> 00:22:24,000

um crazy stuff

549

00:22:28,490 --> 00:22:26,039

to make it so like Bonkers and

550

00:22:31,549 --> 00:22:28,500

unbelievable so that when people do talk

551
00:22:32,690 --> 00:22:31,559
about UFOs it gets attached to that wild

552
00:22:37,130 --> 00:22:32,700
stuff

553
00:22:41,930 --> 00:22:39,529
for instance Dave comes out

554
00:22:44,029 --> 00:22:41,940
like there is no better way to talk

555
00:22:45,590 --> 00:22:44,039
seriously about crash retrievals and the

556
00:22:47,390 --> 00:22:45,600
cover-up stuff than it was done last

557
00:22:50,090 --> 00:22:47,400
night with Ross and Dave a news Nation

558
00:22:53,090 --> 00:22:50,100
it was serious it was for real it was

559
00:22:55,610 --> 00:22:53,100
legit there was no Stigma

560
00:22:58,070 --> 00:22:55,620
but their sources still pushing on

561
00:23:01,190 --> 00:22:58,080
stigma one of which is freaking Greer

562
00:23:03,529 --> 00:23:01,200
today and what else that Las Vegas UFO

563
00:23:10,909 --> 00:23:06,049

where a green meteor falls out of the

564

00:23:10,919 --> 00:23:17,270

to push this kid's story about a being

565

00:23:22,549 --> 00:23:19,370

which he just so happened to have videos

566

00:23:24,409 --> 00:23:22,559

that he says beegs are in there and

567

00:23:25,909 --> 00:23:24,419

there's no freaking beings in the video

568

00:23:29,029 --> 00:23:25,919

man

569

00:23:31,310 --> 00:23:29,039

like the whole thing is a sham hoax and

570

00:23:33,470 --> 00:23:31,320

CNN is pushing that

571

00:23:35,090 --> 00:23:33,480

that's on their social media

572

00:23:37,549 --> 00:23:35,100

but not Dave

573

00:23:38,810 --> 00:23:37,559

that is ridiculous

574

00:23:41,750 --> 00:23:38,820

why

575

00:23:44,750 --> 00:23:41,760

it seems like an agenda to discredit

576
00:23:47,390 --> 00:23:44,760
to continue to put stigma on the topic

577
00:23:48,770 --> 00:23:47,400
so people don't take folks like Dave

578
00:23:50,570 --> 00:23:48,780
seriously

579
00:23:52,310 --> 00:23:50,580
and this can't be undone in just a

580
00:23:54,289 --> 00:23:52,320
couple interviews man this has been

581
00:23:56,450 --> 00:23:54,299
built up since

582
00:23:58,430 --> 00:23:56,460
the early 50s

583
00:24:02,630 --> 00:23:58,440
this has been going on

584
00:24:06,529 --> 00:24:04,070
you know with a couple of interviews

585
00:24:09,950 --> 00:24:06,539
with an honest guy it's not gonna it's

586
00:24:13,549 --> 00:24:09,960
not gonna do it you know

587
00:24:16,130 --> 00:24:13,559
and that's how well they did with their

588
00:24:18,409 --> 00:24:16,140

stigma creating campaigns

589

00:24:20,029 --> 00:24:18,419

to the point of where we have this guy

590

00:24:23,270 --> 00:24:20,039

testifying

591

00:24:26,510 --> 00:24:23,280

on national news whistleblowing verified

592

00:24:29,330 --> 00:24:26,520

as a whistleblower other people coming

593

00:24:31,010 --> 00:24:29,340

out uh

594

00:24:34,430 --> 00:24:31,020

you know highly credentialed people

595

00:24:40,610 --> 00:24:34,440

coming out on his side

596

00:24:44,750 --> 00:24:42,230

you know

597

00:24:48,049 --> 00:24:44,760

and like what people say is well there's

598

00:24:51,110 --> 00:24:48,059

no evidence it's just claims I know

599

00:24:52,909 --> 00:24:51,120

but you can't get these claims from a

600

00:24:55,909 --> 00:24:52,919

more important person

601
00:24:58,310 --> 00:24:55,919
you know basically

602
00:25:00,529 --> 00:24:58,320
so

603
00:25:02,570 --> 00:25:00,539
like we should investigate it we should

604
00:25:04,250 --> 00:25:02,580
go further Congress is apparently going

605
00:25:07,250 --> 00:25:04,260
to do hearings on this stuff which is

606
00:25:11,330 --> 00:25:09,470
but Congress is not going to feel the

607
00:25:12,890 --> 00:25:11,340
pressure to continue

608
00:25:14,149 --> 00:25:12,900
with these hearings and take it

609
00:25:17,149 --> 00:25:14,159
seriously

610
00:25:18,950 --> 00:25:17,159
if these media Outlets don't help and

611
00:25:20,330 --> 00:25:18,960
don't do stuff news nation has been

612
00:25:22,669 --> 00:25:20,340
killing it but they can't do it on their

613
00:25:24,529 --> 00:25:22,679

own man you know

614

00:25:28,370 --> 00:25:24,539

and apparently more people are going to

615

00:25:30,049 --> 00:25:28,380

come forward Ross said uh I think it was

616

00:25:32,690 --> 00:25:30,059

maybe

617

00:25:34,370 --> 00:25:32,700

on his interview he or is uh talk he did

618

00:25:36,769 --> 00:25:34,380

with Mr Bray Sable on their podcast

619

00:25:38,990 --> 00:25:36,779

which I like that they do those after

620

00:25:40,789 --> 00:25:39,000

shows that's pretty cool

621

00:25:42,590 --> 00:25:40,799

um and they did one and I think that's

622

00:25:45,289 --> 00:25:42,600

where Ross said that people who actually

623

00:25:47,630 --> 00:25:45,299

touched the craft and worked

624

00:25:49,669 --> 00:25:47,640

in the crash retrieval program will be

625

00:25:51,769 --> 00:25:49,679

coming forward

626

00:25:54,830 --> 00:25:51,779

and when that happens I hope all these

627

00:25:56,750 --> 00:25:54,840

people are prepared to actually cover it

628

00:25:58,970 --> 00:25:56,760

you know

629

00:26:01,669 --> 00:25:58,980

Trump did his bull crap whatever he's

630

00:26:04,070 --> 00:26:01,679

you know so many indictments yes that's

631

00:26:05,630 --> 00:26:04,080

crazy that a president did that and that

632

00:26:07,510 --> 00:26:05,640

a country could actually elect somebody

633

00:26:11,930 --> 00:26:07,520

to be in a position

634

00:26:14,990 --> 00:26:11,940

being a criminal and you know all this

635

00:26:17,630 --> 00:26:15,000

stuff is just so crazy

636

00:26:19,190 --> 00:26:17,640

but it's so old and played out like

637

00:26:22,250 --> 00:26:19,200

these people have been talking about

638

00:26:24,710 --> 00:26:22,260

dude for freaking five six seven you

639

00:26:26,630 --> 00:26:24,720

know years let's talk about something

640

00:26:29,750 --> 00:26:26,640

serious these people are trying to dumb

641

00:26:34,669 --> 00:26:31,789

that's what it feels like at least sorry

642

00:26:37,430 --> 00:26:34,679

I'm rambling so

643

00:26:40,610 --> 00:26:37,440

you know I took some notes and we can go

644

00:26:43,730 --> 00:26:40,620

over that here so I just took out the

645

00:26:46,330 --> 00:26:43,740

things that kind of um

646

00:26:49,970 --> 00:26:46,340

stuck out to me

647

00:26:52,490 --> 00:26:49,980

1933 Italy

648

00:26:53,890 --> 00:26:52,500

crash Vatican

649

00:26:57,289 --> 00:26:53,900

told the us

650

00:26:59,330 --> 00:26:57,299

1944-ish or 1945 told the US the US took

651
00:27:04,010 --> 00:26:59,340
it that's interesting

652
00:27:08,149 --> 00:27:06,409
you know because they were like the

653
00:27:10,010 --> 00:27:08,159
majority of this country everybody in

654
00:27:13,250 --> 00:27:10,020
the military basically was probably

655
00:27:15,350 --> 00:27:13,260
Catholic at the time

656
00:27:17,029 --> 00:27:15,360
and thought they were doing God's work I

657
00:27:19,669 --> 00:27:17,039
bet

658
00:27:21,950 --> 00:27:19,679
you know or whatever

659
00:27:23,990 --> 00:27:21,960
and maybe they made some sort of deal

660
00:27:26,149 --> 00:27:24,000
with the Vatican

661
00:27:28,010 --> 00:27:26,159
in the U.S where we had to keep it

662
00:27:30,649 --> 00:27:28,020
secret we have to keep this stuff secret

663
00:27:32,750 --> 00:27:30,659

who knows

664

00:27:35,710 --> 00:27:32,760

maybe the Men in Black is

665

00:27:40,430 --> 00:27:38,810

he said a private contractor

666

00:27:41,870 --> 00:27:40,440

um that Steve grush said a private

667

00:27:44,029 --> 00:27:41,880

contractor

668

00:27:46,789 --> 00:27:44,039

I think it was him or maybe raw said

669

00:27:48,590 --> 00:27:46,799

that was probably the people that have

670

00:27:50,510 --> 00:27:48,600

been harassing him but we're going to

671

00:27:53,390 --> 00:27:50,520

get to that I'm jumping ahead so that's

672

00:27:56,510 --> 00:27:53,400

pretty interesting uh Roswell 1947 he

673

00:27:59,269 --> 00:27:56,520

said that was uh legit apparently but he

674

00:28:02,510 --> 00:27:59,279

couldn't talk about it

675

00:28:06,350 --> 00:28:02,520

he said that some of the non-human

676

00:28:10,250 --> 00:28:06,360

intelligence seems to be malevolent

677

00:28:17,330 --> 00:28:13,370

has murdered people

678

00:28:19,190 --> 00:28:17,340

that is a really hard one to swallow

679

00:28:22,430 --> 00:28:19,200

you know I've seen a couple stories

680

00:28:25,730 --> 00:28:23,390

but

681

00:28:31,370 --> 00:28:29,330

like human mutilations that's uh that's

682

00:28:33,529 --> 00:28:31,380

a thing that people have written about

683

00:28:35,269 --> 00:28:33,539

and talked about it's pretty hard to

684

00:28:37,190 --> 00:28:35,279

look into that stuff because some of the

685

00:28:38,390 --> 00:28:37,200

pictures are pretty gruesome and you

686

00:28:41,630 --> 00:28:38,400

don't really know what you're looking at

687

00:28:43,970 --> 00:28:41,640

if this is uh some kind of weird

688

00:28:46,010 --> 00:28:43,980

crap or or really like a human

689

00:28:48,350 --> 00:28:46,020

mutilation I don't know that's and

690

00:28:49,730 --> 00:28:48,360

that's a topic like how do you even talk

691

00:28:53,210 --> 00:28:49,740

about that

692

00:28:59,149 --> 00:28:56,450

I don't know man that's a tough one

693

00:29:01,490 --> 00:28:59,159

really tough

694

00:29:03,289 --> 00:29:01,500

um he said it's kind of crazy if Sean

695

00:29:05,450 --> 00:29:03,299

Kirkpatrick director of Arrow it doesn't

696

00:29:07,610 --> 00:29:05,460

find what he did in his investigations

697

00:29:09,710 --> 00:29:07,620

it's interesting because he said he

698

00:29:11,690 --> 00:29:09,720

talked to Sean Kirkpatrick about a year

699

00:29:13,490 --> 00:29:11,700

ago and

700

00:29:15,830 --> 00:29:13,500

fill them in

701
00:29:17,750 --> 00:29:15,840
Kirkpatrick never called him back nobody

702
00:29:19,190 --> 00:29:17,760
calls them

703
00:29:21,230 --> 00:29:19,200
um

704
00:29:23,510 --> 00:29:21,240
I think it's Avril Haynes Lloyd Austin

705
00:29:26,210 --> 00:29:23,520
none of them Avril Haynes got his

706
00:29:28,549 --> 00:29:26,220
paperwork I guess nobody calls the guy

707
00:29:35,149 --> 00:29:28,559
nobody talks to him why

708
00:29:38,870 --> 00:29:37,130
it's completely crazy

709
00:29:40,430 --> 00:29:38,880
although I could understand if they were

710
00:29:42,049 --> 00:29:40,440
talking to people that were actually a

711
00:29:43,190 --> 00:29:42,059
part of the crash retrieval thing then

712
00:29:45,110 --> 00:29:43,200
why I talked to him because you're

713
00:29:47,269 --> 00:29:45,120

getting firsthand testimony but we don't

714

00:29:49,970 --> 00:29:47,279

know that because they don't tell us and

715

00:29:52,149 --> 00:29:49,980

we literally had Mike turber whatever

716

00:29:54,889 --> 00:29:52,159

the hell that guy's name is out of Ohio

717

00:29:57,769 --> 00:29:54,899

recently said there's absolutely no

718

00:30:00,710 --> 00:29:57,779

evidence of this extraterrestrial stuff

719

00:30:03,049 --> 00:30:00,720

or or you know non-human intelligence

720

00:30:05,389 --> 00:30:03,059

stuff at Ray Patterson he's the

721

00:30:07,730 --> 00:30:05,399

representative there well guess what we

722

00:30:11,570 --> 00:30:07,740

just found out that the gang of eight

723

00:30:16,549 --> 00:30:11,580

has all the necessary credentials and

724

00:30:23,029 --> 00:30:18,289

and here's Mike Turner just going on

725

00:30:27,350 --> 00:30:25,909

you cannot say that there's no credible

726

00:30:32,330 --> 00:30:27,360

evidence

727

00:30:35,810 --> 00:30:32,340

person is credible that is credible

728

00:30:38,269 --> 00:30:35,820

evidence to go further and investigate

729

00:30:41,389 --> 00:30:38,279

now we need the credible evidence for

730

00:30:43,669 --> 00:30:41,399

the actual craft and and all that kind

731

00:30:46,130 --> 00:30:43,679

of stuff but his testimony is credible

732

00:30:47,930 --> 00:30:46,140

evidence to go freaking find out and

733

00:30:51,470 --> 00:30:47,940

tell everybody

734

00:30:55,669 --> 00:30:51,480

because it's ridiculous

735

00:30:59,450 --> 00:30:56,990

I don't know what he was talking about

736

00:31:01,909 --> 00:30:59,460

when he said agreements that uh risk

737

00:31:04,370 --> 00:31:01,919

putting our future in Jeopardy and it

738

00:31:07,490 --> 00:31:04,380

was kind of hinted that it would be with

739

00:31:10,370 --> 00:31:07,500

us and Aliens which is really bizarre

740

00:31:11,810 --> 00:31:10,380

that is definitely one of the bigger uh

741

00:31:15,230 --> 00:31:11,820

conspiracy theories that has been

742

00:31:17,210 --> 00:31:15,240

floating around in ufology

743

00:31:19,010 --> 00:31:17,220

Holloman Air Force Base I believe in

744

00:31:22,970 --> 00:31:19,020

1964.

745

00:31:25,730 --> 00:31:22,980

Ross said 66 I think it but it's 64. um

746

00:31:28,970 --> 00:31:25,740

and I know that because

747

00:31:31,909 --> 00:31:28,980

it was seen or it happened like right

748

00:31:34,310 --> 00:31:31,919

around the Socorro New Mexico sighting

749

00:31:36,110 --> 00:31:34,320

right around that time and it was

750

00:31:36,710 --> 00:31:36,120

reported by

751

00:31:41,870 --> 00:31:36,720

um

752

00:31:44,269 --> 00:31:41,880

the ship that was seen going towards

753

00:31:46,850 --> 00:31:44,279

Holloman had the same logo on it as the

754

00:31:48,590 --> 00:31:46,860

you know the Socorro New Mexico vehicle

755

00:31:50,269 --> 00:31:48,600

so who knows I don't know if any of

756

00:31:51,889 --> 00:31:50,279

that's real the video of that just

757

00:31:54,289 --> 00:31:51,899

recently was debunked as a plane

758

00:31:56,330 --> 00:31:54,299

somebody actually bought the original

759

00:31:58,549 --> 00:31:56,340

DVD

760

00:32:00,830 --> 00:31:58,559

um that it was on and you can see it as

761

00:32:03,169 --> 00:32:00,840

a plane so that's interesting who knows

762

00:32:05,330 --> 00:32:03,179

but that's interesting timing too how is

763

00:32:07,370 --> 00:32:05,340

it that all of a sudden and no offense

764

00:32:09,769 --> 00:32:07,380

to this person but

765

00:32:12,710 --> 00:32:09,779

um this new person comes out and does a

766

00:32:14,810 --> 00:32:12,720

YouTube channel and debunk Solomon

767

00:32:16,070 --> 00:32:14,820

like that's pretty interesting timing as

768

00:32:19,190 --> 00:32:16,080

well

769

00:32:20,389 --> 00:32:19,200

but again along with human mutilations

770

00:32:22,970 --> 00:32:20,399

and murders

771

00:32:28,130 --> 00:32:22,980

uh an agreement between aliens and

772

00:32:31,549 --> 00:32:28,140

humans is as equally hard to wrap your

773

00:32:36,409 --> 00:32:34,549

so even though I am a supporter of this

774

00:32:38,450 --> 00:32:36,419

whole effort and I want to want this to

775

00:32:41,750 --> 00:32:38,460

go as far as possible that doesn't mean

776

00:32:44,269 --> 00:32:41,760

that this stuff is easy for me to take

777

00:32:47,029 --> 00:32:44,279

more so than anyone else

778

00:32:50,049 --> 00:32:47,039

it's difficult even though I've read all

779

00:32:57,470 --> 00:32:54,769

it's not easy it's not easy to make your

780

00:33:00,110 --> 00:32:57,480

reality uh that and I don't know what

781

00:33:03,169 --> 00:33:00,120

even if I could

782

00:33:04,430 --> 00:33:03,179

unless I saw it you know it's really

783

00:33:07,010 --> 00:33:04,440

tough

784

00:33:09,590 --> 00:33:07,020

it's like

785

00:33:11,149 --> 00:33:09,600

you know you're staring at

786

00:33:13,850 --> 00:33:11,159

um I don't know you're staring at this

787

00:33:15,590 --> 00:33:13,860

guy it's a clear blue sky and you know

788

00:33:20,090 --> 00:33:15,600

your best friend keeps telling you like

789

00:33:23,930 --> 00:33:22,610

credible person you love the guy maybe a

790

00:33:25,970 --> 00:33:23,940

couple of his buddies come along and so

791

00:33:27,350 --> 00:33:25,980

yeah he's red it's red you're looking at

792

00:33:30,169 --> 00:33:27,360

it it's blue

793

00:33:32,029 --> 00:33:30,179

how do you change your mind to live now

794

00:33:33,889 --> 00:33:32,039

like it's red

795

00:33:36,950 --> 00:33:33,899

when you see it is blue

796

00:33:41,570 --> 00:33:38,930

you get my drift

797

00:33:47,330 --> 00:33:45,049

he mentioned a 1971 peace treaty

798

00:33:49,909 --> 00:33:47,340

agreement with the USSR that was made

799

00:33:52,430 --> 00:33:49,919

where it talks about unidentified flying

800

00:33:54,289 --> 00:33:52,440

objects I have not been able to look

801
00:33:57,230 --> 00:33:54,299
into that

802
00:33:59,450 --> 00:33:57,240
um yet so

803
00:34:01,130 --> 00:33:59,460
I don't know anything about that and

804
00:34:03,710 --> 00:34:01,140
it's extremely interesting if it talks

805
00:34:05,690 --> 00:34:03,720
about UFOs and a peace treaty

806
00:34:08,570 --> 00:34:05,700
um and they just showed a snapshot of it

807
00:34:10,369 --> 00:34:08,580
so I'm not really sure what that is all

808
00:34:12,349 --> 00:34:10,379
about but I'm going to try to find it

809
00:34:15,710 --> 00:34:12,359
hopefully I do

810
00:34:18,109 --> 00:34:15,720
um but what that reminded me of is

811
00:34:21,470 --> 00:34:18,119
something I posted recently on Twitter

812
00:34:24,230 --> 00:34:21,480
like the point of the peace treaty or

813
00:34:26,450 --> 00:34:24,240

bringing that up whatever is that you

814

00:34:28,669 --> 00:34:26,460

know with unidentified objects on radar

815

00:34:30,950 --> 00:34:28,679

going towards either country that could

816

00:34:33,109 --> 00:34:30,960

spook somebody else into starting an

817

00:34:35,030 --> 00:34:33,119

accidental war and it's very interesting

818

00:34:37,730 --> 00:34:35,040

I thought that we're kind of on the cusp

819

00:34:39,169 --> 00:34:37,740

seemingly of World War III and this is

820

00:34:41,089 --> 00:34:39,179

one of the things that they decide to

821

00:34:42,770 --> 00:34:41,099

talk about

822

00:34:44,750 --> 00:34:42,780

pretty interesting way to get that

823

00:34:48,710 --> 00:34:44,760

message out there

824

00:34:52,970 --> 00:34:50,450

but it made me look back into my

825

00:34:56,149 --> 00:34:52,980

archives and I found this

826

00:34:59,450 --> 00:34:56,159

which is basically exactly what they're

827

00:35:01,070 --> 00:34:59,460

talking about and this happened in

828

00:35:04,130 --> 00:35:01,080

damn I didn't keep the year but I think

829

00:35:07,010 --> 00:35:04,140

it was early 60s alerted by objects the

830

00:35:09,050 --> 00:35:07,020

dispatch said h-bomb equipped planes had

831

00:35:11,450 --> 00:35:09,060

taken off toward the Soviet Frontiers

832

00:35:14,030 --> 00:35:11,460

several times when warnings were

833

00:35:15,770 --> 00:35:14,040

received of unidentified objects heading

834

00:35:19,310 --> 00:35:15,780

toward the United States the dispatch

835

00:35:21,290 --> 00:35:19,320

emphasized it would be impossible for

836

00:35:22,910 --> 00:35:21,300

the planes to attack Russia by mistake

837

00:35:26,270 --> 00:35:22,920

assistant defense secretary Murray

838

00:35:28,370 --> 00:35:26,280

Snyder said the dispatch on sac

839

00:35:30,650 --> 00:35:28,380

um alert system was accurately and

840

00:35:32,630 --> 00:35:30,660

correctly written by Bartholomew in that

841

00:35:34,550 --> 00:35:32,640

up dispatch was cleared with the defense

842

00:35:37,010 --> 00:35:34,560

department before publication

843

00:35:38,930 --> 00:35:37,020

the U.S stand against the Soviet charges

844

00:35:41,089 --> 00:35:38,940

was expected to be based largely in the

845

00:35:42,829 --> 00:35:41,099

fact that a foolproof system makes it

846

00:35:45,050 --> 00:35:42,839

impossible for American bombers to drop

847

00:35:46,790 --> 00:35:45,060

nuclear bombs in Russia by mistake

848

00:35:49,490 --> 00:35:46,800

only a direct order from President

849

00:35:51,829 --> 00:35:49,500

Eisenhower could drop the bombs

850

00:35:54,109 --> 00:35:51,839

interesting but I wanted to show that

851
00:35:56,030 --> 00:35:54,119
because it's actually happened and it

852
00:35:57,650 --> 00:35:56,040
didn't turn into a disaster which is

853
00:36:00,170 --> 00:35:57,660
great

854
00:36:02,870 --> 00:36:00,180
um but it seems like you know that's a

855
00:36:04,310 --> 00:36:02,880
pretty uh logical concern especially

856
00:36:08,750 --> 00:36:04,320
when you're talking about this day and

857
00:36:14,329 --> 00:36:11,510
so the other thing that he talked about

858
00:36:16,390 --> 00:36:14,339
is in relation to this

859
00:36:22,069 --> 00:36:16,400
um was also like things like

860
00:36:26,329 --> 00:36:24,829
which is pretty interesting and I have

861
00:36:29,690 --> 00:36:26,339
some documents that we can look at later

862
00:36:32,630 --> 00:36:29,700
if we get that far that has to do with

863
00:36:36,770 --> 00:36:32,640

interrupted Communications and UFO

864

00:36:39,349 --> 00:36:36,780

sightings there's a good amount of

865

00:36:41,270 --> 00:36:39,359

uh UFO documentation

866

00:36:44,089 --> 00:36:41,280

within the Air Force files in Project

867

00:36:46,970 --> 00:36:44,099

Blue Book on that

868

00:36:49,250 --> 00:36:46,980

I could do it now I guess if I have it

869

00:36:54,050 --> 00:36:49,260

ready to go

870

00:36:56,210 --> 00:36:54,060

yeah sure so I'm not going to get into

871

00:36:58,609 --> 00:36:56,220

like what these different cases are and

872

00:37:00,470 --> 00:36:58,619

everything I'm just

873

00:37:02,870 --> 00:37:00,480

going to show you real quick like these

874

00:37:04,609 --> 00:37:02,880

are these are from Blue Book so you can

875

00:37:06,650 --> 00:37:04,619

see here both Witnesses mentioned that

876

00:37:11,450 --> 00:37:06,660

they heard interference on their car

877

00:37:15,770 --> 00:37:13,310

um here we have bright light was

878

00:37:19,010 --> 00:37:15,780

directed on Observer from UFO causing

879

00:37:20,569 --> 00:37:19,020

intense static on this radio

880

00:37:22,790 --> 00:37:20,579

this is a really interesting case

881

00:37:24,109 --> 00:37:22,800

Argentine Navy discloses important the

882

00:37:26,210 --> 00:37:24,119

EM case

883

00:37:28,069 --> 00:37:26,220

an official Argentine Navy UFO report

884

00:37:30,109 --> 00:37:28,079

labeled one of the most important

885

00:37:32,089 --> 00:37:30,119

Argentine UFO cases has been released to

886

00:37:34,970 --> 00:37:32,099

nightcap in accordance with an agreement

887

00:37:37,430 --> 00:37:34,980

to exchange UFO information this

888

00:37:41,050 --> 00:37:37,440

combined Visual and EM electromagnetic

889

00:37:46,010 --> 00:37:41,060

interference incident occurred late in

890

00:37:47,450 --> 00:37:46,020

1963 involving the Navy transport Ara

891

00:37:51,530 --> 00:37:47,460

I'm not going to read that whole thing

892

00:37:56,390 --> 00:37:53,390

um and then this is pretty much the same

893

00:37:59,030 --> 00:37:56,400

thing two Antarctic bases site flank

894

00:38:00,290 --> 00:37:59,040

saucers got a blue green Gene it also

895

00:38:03,290 --> 00:38:00,300

caused interference in the

896

00:38:07,310 --> 00:38:03,300

electromagnetic apparatus for Argentine

897

00:38:11,630 --> 00:38:09,710

at the bottom it caused interference on

898

00:38:14,030 --> 00:38:11,640

its set the interference went away When

899

00:38:16,670 --> 00:38:14,040

the UFO went out of sight and this

900

00:38:18,170 --> 00:38:16,680

happens over and over uh violent

901
00:38:20,569 --> 00:38:18,180
interference with this automatic

902
00:38:22,609 --> 00:38:20,579
direction finder and His Radio while the

903
00:38:26,030 --> 00:38:22,619
UFO was alongside

904
00:38:28,790 --> 00:38:26,040
the static on the radio was

905
00:38:30,890 --> 00:38:28,800
not evident before five indicating some

906
00:38:34,609 --> 00:38:30,900
electrical or magnetic disturbance in

907
00:38:38,930 --> 00:38:36,650
static blocked out his radio as it

908
00:38:40,630 --> 00:38:38,940
departed static disappeared are you

909
00:38:44,109 --> 00:38:40,640
convinced it

910
00:38:48,470 --> 00:38:44,119
so we definitely have uh you know

911
00:38:50,690 --> 00:38:48,480
electromagnetic in stuff going on there

912
00:38:54,050 --> 00:38:50,700
so and at the the Maelstrom incident

913
00:38:57,170 --> 00:38:54,060

with Robert Salas in 67 when the UFOs

914

00:38:59,510 --> 00:38:57,180

came by actually what they did was

915

00:39:01,490 --> 00:38:59,520

well according to John Ramirez and he

916

00:39:04,010 --> 00:39:01,500

seemed to know a lot about this was they

917

00:39:05,990 --> 00:39:04,020

took down the communication systems of

918

00:39:08,329 --> 00:39:06,000

the missiles so they couldn't

919

00:39:10,670 --> 00:39:08,339

communicate orders to it

920

00:39:13,250 --> 00:39:10,680

interesting and there's other files that

921

00:39:15,950 --> 00:39:13,260

I just don't have readily available of

922

00:39:18,710 --> 00:39:15,960

communication systems at um a different

923

00:39:20,030 --> 00:39:18,720

new base going out when the UFO was

924

00:39:25,190 --> 00:39:20,040

close

925

00:39:29,569 --> 00:39:26,510

um

926

00:39:33,349 --> 00:39:29,579

the crimes so he said that at the very

927

00:39:36,650 --> 00:39:33,359

least there were white collar Grimes

928

00:39:39,050 --> 00:39:36,660

and then it goes into possibly murdering

929

00:39:40,790 --> 00:39:39,060

people to keep the secret

930

00:39:42,770 --> 00:39:40,800

and those are some of the pictures that

931

00:39:44,290 --> 00:39:42,780

I put on the

932

00:39:47,690 --> 00:39:44,300

um

933

00:39:51,490 --> 00:39:47,700

the page of the video I put a couple

934

00:39:54,230 --> 00:39:51,500

pictures on there and they were people

935

00:39:56,770 --> 00:39:54,240

ufologists that died

936

00:39:59,870 --> 00:39:56,780

of somewhat

937

00:40:02,630 --> 00:39:59,880

suspicious circumstances now you never

938

00:40:05,569 --> 00:40:04,190

you know what happened with these people

939

00:40:09,530 --> 00:40:05,579

but

940

00:40:12,170 --> 00:40:09,540

like this one is MK Jessup

941

00:40:16,069 --> 00:40:12,180

um he committed suicide apparently there

942

00:40:19,370 --> 00:40:16,079

was absolutely no uh autopsy done

943

00:40:19,380 --> 00:40:24,650

so I guess that was kind of suspicious

944

00:40:28,190 --> 00:40:26,270

and there's a lot of different cases

945

00:40:31,250 --> 00:40:28,200

like this but you just don't really know

946

00:40:34,310 --> 00:40:31,260

like this is Frank Edwards

947

00:40:37,430 --> 00:40:34,970

um

948

00:40:41,390 --> 00:40:37,440

he died of alleged heart attack June

949

00:40:43,550 --> 00:40:41,400

24th 1967 on the 20th anniversary of

950

00:40:45,290 --> 00:40:43,560

Kenneth Arnold's sighting

951
00:40:47,930 --> 00:40:45,300
which is interesting the very first

952
00:40:50,450 --> 00:40:47,940
setting known as fly exhauster

953
00:40:54,410 --> 00:40:50,460
the world UFO conference was being held

954
00:40:56,630 --> 00:40:54,420
in New York City at the Commodore Hotel

955
00:40:59,510 --> 00:40:56,640
in June shared by UFO publisher and

956
00:41:01,910 --> 00:40:59,520
author great Barker Barker stated that

957
00:41:03,530 --> 00:41:01,920
he had received two letters in a

958
00:41:05,510 --> 00:41:03,540
telephone call threatening that Frank

959
00:41:09,349 --> 00:41:05,520
Edwards would not be alive by the

960
00:41:17,150 --> 00:41:12,770
so what this guy is saying is true

961
00:41:20,329 --> 00:41:18,650
um

962
00:41:23,890 --> 00:41:20,339
this lady

963
00:41:27,770 --> 00:41:23,900

oh darn it oh I forgot her name

964

00:41:30,109 --> 00:41:27,780

that's embarrassing well she's a very

965

00:41:32,450 --> 00:41:30,119

nice lady she was

966

00:41:34,730 --> 00:41:32,460

she was an author and wrote newspapers

967

00:41:36,589 --> 00:41:34,740

and she was friends with Marilyn Monroe

968

00:41:38,510 --> 00:41:36,599

apparently and she started writing about

969

00:41:41,690 --> 00:41:38,520

UFOs a lot

970

00:41:48,530 --> 00:41:45,109

I can't believe I forgot her name

971

00:41:51,170 --> 00:41:48,540

and then we have Mr James McDonald

972

00:41:53,390 --> 00:41:51,180

yes uh Robert for the score Dorothy

973

00:41:55,910 --> 00:41:53,400

killigan I believe is her name yeah

974

00:41:57,710 --> 00:41:55,920

so that's interesting because it made me

975

00:41:59,870 --> 00:41:57,720

think like if she was friends with

976
00:42:02,329 --> 00:41:59,880
Marilyn Monroe she all of a sudden got

977
00:42:04,490 --> 00:42:02,339
into UFOs something interesting happened

978
00:42:05,810 --> 00:42:04,500
where it made her get into UFOs she

979
00:42:08,630 --> 00:42:05,820
would probably tell her friend Marilyn

980
00:42:11,630 --> 00:42:08,640
Monroe who would then probably tell her

981
00:42:12,950 --> 00:42:11,640
you know hot boyfriend JFK who would

982
00:42:14,569 --> 00:42:12,960
then want to probably show off for

983
00:42:17,870 --> 00:42:14,579
Marilyn Monroe and get the answers on

984
00:42:19,790 --> 00:42:17,880
UFOs and then

985
00:42:23,210 --> 00:42:19,800
well you know the rest

986
00:42:25,550 --> 00:42:23,220
but that's just a conspiracy

987
00:42:26,569 --> 00:42:25,560
Mr James McDonald's very interesting

988
00:42:27,650 --> 00:42:26,579

case

989

00:42:29,930 --> 00:42:27,660

um this guy was one of the more

990

00:42:34,069 --> 00:42:29,940

tenacious passionate

991

00:42:36,170 --> 00:42:34,079

um ufologist out there he did a a lot of

992

00:42:38,270 --> 00:42:36,180

his work in schooling I think it was up

993

00:42:40,430 --> 00:42:38,280

in in Upper air

994

00:42:44,030 --> 00:42:40,440

um physics

995

00:42:45,170 --> 00:42:44,040

and out of Arizona and he he was great

996

00:42:47,390 --> 00:42:45,180

and he did everything by the book

997

00:42:49,370 --> 00:42:47,400

science fact

998

00:42:51,230 --> 00:42:49,380

no sensationalism

999

00:42:55,190 --> 00:42:51,240

he actually

1000

00:42:57,410 --> 00:42:55,200

took part I think it was in some 1967

1001
00:42:58,670 --> 00:42:57,420
Congressional hearings and he was pretty

1002
00:43:01,430 --> 00:42:58,680
much embarrassed in front of everyone

1003
00:43:03,230 --> 00:43:01,440
people ridiculed him

1004
00:43:05,390 --> 00:43:03,240
um afterwards his life got really bad I

1005
00:43:07,490 --> 00:43:05,400
think his wife left and he committed

1006
00:43:10,670 --> 00:43:07,500
suicide

1007
00:43:14,089 --> 00:43:10,680
um it failed it didn't work

1008
00:43:15,349 --> 00:43:14,099
and apparently he did it again and it

1009
00:43:17,510 --> 00:43:15,359
did work

1010
00:43:20,270 --> 00:43:17,520
so people have brought up suspicions

1011
00:43:23,690 --> 00:43:20,280
about this as well

1012
00:43:25,490 --> 00:43:23,700
um I don't know obviously

1013
00:43:28,250 --> 00:43:25,500

but

1014

00:43:30,650 --> 00:43:28,260

it's a sad story because

1015

00:43:33,230 --> 00:43:30,660

you don't really know

1016

00:43:36,170 --> 00:43:33,240

where something

1017

00:43:37,730 --> 00:43:36,180

suspicious happened

1018

00:43:39,349 --> 00:43:37,740

and what's just really depression

1019

00:43:41,030 --> 00:43:39,359

because unfortunately there's a lot of

1020

00:43:43,609 --> 00:43:41,040

depression

1021

00:43:45,650 --> 00:43:43,619

and uh emotional

1022

00:43:48,770 --> 00:43:45,660

um stuff going on with people that are

1023

00:43:50,210 --> 00:43:48,780

in this community as well so always have

1024

00:43:52,250 --> 00:43:50,220

to be aware of that

1025

00:43:55,190 --> 00:43:52,260

get each other's back

1026

00:43:57,349 --> 00:43:55,200

because that stuff is not cool

1027

00:43:58,849 --> 00:43:57,359

people need to know that they're loved

1028

00:44:00,710 --> 00:43:58,859

that's why I hate a lot of the vitriol

1029

00:44:02,210 --> 00:44:00,720

too like people just have no idea who

1030

00:44:03,530 --> 00:44:02,220

each other is and what they're going

1031

00:44:05,270 --> 00:44:03,540

through

1032

00:44:07,670 --> 00:44:05,280

and people are tweeting all this nasty

1033

00:44:09,109 --> 00:44:07,680

stuff it's crazy

1034

00:44:10,670 --> 00:44:09,119

um

1035

00:44:11,809 --> 00:44:10,680

I'm gonna pick it up a little bit here

1036

00:44:15,170 --> 00:44:11,819

so

1037

00:44:18,230 --> 00:44:15,180

he Dave wants to become a thought leader

1038

00:44:20,930 --> 00:44:18,240

in this topic so I'm assuming and he's

1039

00:44:22,490 --> 00:44:20,940

like starting some you know non-profit

1040

00:44:24,950 --> 00:44:22,500

or whatever so I'm guessing we're gonna

1041

00:44:25,670 --> 00:44:24,960

start hearing a lot more from him

1042

00:44:27,530 --> 00:44:25,680

um

1043

00:44:30,770 --> 00:44:27,540

maybe even doing interviews that'd be

1044

00:44:32,329 --> 00:44:30,780

cool if he came and did my show man

1045

00:44:34,609 --> 00:44:32,339

um but we'll see

1046

00:44:38,750 --> 00:44:34,619

so that's interesting so we're probably

1047

00:44:42,470 --> 00:44:40,250

you know it's interesting he said it

1048

00:44:44,030 --> 00:44:42,480

took him four years to investigate this

1049

00:44:45,770 --> 00:44:44,040

stuff so it's not like somebody told him

1050

00:44:47,329 --> 00:44:45,780

some bull crap and he just came out and

1051
00:44:50,210 --> 00:44:47,339
started

1052
00:44:52,190 --> 00:44:50,220
um you know squealing about it you know

1053
00:44:54,650 --> 00:44:52,200
he said he was looking into this for

1054
00:44:56,930 --> 00:44:54,660
four years researching it methodically

1055
00:44:59,270 --> 00:44:56,940
so all those people like some people say

1056
00:45:00,829 --> 00:44:59,280
like Midwest or whoever

1057
00:45:02,510 --> 00:45:00,839
um that somebody told him this and he

1058
00:45:04,069 --> 00:45:02,520
just believes it like maybe a couple

1059
00:45:06,349 --> 00:45:04,079
people told them it and he just believes

1060
00:45:08,809 --> 00:45:06,359
it and maybe it's a cover-up for some

1061
00:45:11,329 --> 00:45:08,819
secret Russian Tech or whatever

1062
00:45:13,490 --> 00:45:11,339
you know well the guy was looking at

1063
00:45:16,550 --> 00:45:13,500

this for four years

1064

00:45:18,290 --> 00:45:16,560

a very smart person

1065

00:45:20,750 --> 00:45:18,300

who if you don't think is smart you

1066

00:45:23,150 --> 00:45:20,760

should not feel safe living here in the

1067

00:45:25,430 --> 00:45:23,160

United States of America because people

1068

00:45:30,050 --> 00:45:25,440

like him that are keeping us safe

1069

00:45:32,210 --> 00:45:30,060

working with our Espionage satellites

1070

00:45:34,370 --> 00:45:32,220

and he was in the Air Force

1071

00:45:38,270 --> 00:45:34,380

you know so

1072

00:45:42,710 --> 00:45:40,490

another thing that comes up is Secrets

1073

00:45:46,849 --> 00:45:42,720

how could we keep this secret for so

1074

00:45:51,770 --> 00:45:49,490

um Dave mentioned that he was privy to a

1075

00:45:52,790 --> 00:45:51,780

lot of secrets that never saw the light

1076
00:45:54,530 --> 00:45:52,800
of day

1077
00:45:57,349 --> 00:45:54,540
so it's like it's interesting because

1078
00:45:59,630 --> 00:45:57,359
people that

1079
00:46:02,390 --> 00:45:59,640
don't know anything like I don't really

1080
00:46:04,370 --> 00:46:02,400
be either because I'm you know but like

1081
00:46:06,650 --> 00:46:04,380
how secrets are kept classified systems

1082
00:46:08,270 --> 00:46:06,660
all that stuff in the government like

1083
00:46:09,530 --> 00:46:08,280
people have no idea really how that

1084
00:46:11,329 --> 00:46:09,540
works they were never in the government

1085
00:46:13,849 --> 00:46:11,339
they were never given Secrets they were

1086
00:46:17,210 --> 00:46:13,859
at a clearance are the other ones that

1087
00:46:17,220 --> 00:46:20,569
um something about it

1088
00:46:24,650 --> 00:46:23,030

so

1089

00:46:26,390 --> 00:46:24,660

foreign

1090

00:46:27,770 --> 00:46:26,400

that's interesting because they don't

1091

00:46:29,990 --> 00:46:27,780

know how it works but yet they're the

1092

00:46:31,730 --> 00:46:30,000

ones going how do you keep this secret I

1093

00:46:33,970 --> 00:46:31,740

mean how can I explain it to you I can't

1094

00:46:36,349 --> 00:46:33,980

explain how classified systems work

1095

00:46:39,230 --> 00:46:36,359

they're classified

1096

00:46:41,750 --> 00:46:39,240

but it's it's interesting because

1097

00:46:43,790 --> 00:46:41,760

you know there are a couple things in

1098

00:46:45,470 --> 00:46:43,800

ufology in the history of ufology that

1099

00:46:49,870 --> 00:46:45,480

kind of point at something super secret

1100

00:46:56,089 --> 00:46:53,630

specifically what I think of as

1101
00:46:57,710 --> 00:46:56,099
you know like the atomic bomb like the

1102
00:46:58,910 --> 00:46:57,720
Manhattan Project we had to keep that

1103
00:47:00,950 --> 00:46:58,920
super secret

1104
00:47:02,809 --> 00:47:00,960
and wound up getting out of our hands

1105
00:47:06,710 --> 00:47:02,819
the plans for it

1106
00:47:08,030 --> 00:47:06,720
I think after World War II Maybe

1107
00:47:09,170 --> 00:47:08,040
some people are going we couldn't even

1108
00:47:10,670 --> 00:47:09,180
keep that secret how are we going to

1109
00:47:12,770 --> 00:47:10,680
keep this Secret

1110
00:47:15,109 --> 00:47:12,780
well there are a couple instances where

1111
00:47:17,329 --> 00:47:15,119
actually it said that this Flying Saucer

1112
00:47:19,730 --> 00:47:17,339
business is more secret and sensitive

1113
00:47:21,770 --> 00:47:19,740

than the nuclear bomb

1114

00:47:24,410 --> 00:47:21,780

so whatever project they would have to

1115

00:47:27,349 --> 00:47:24,420

keep it secret would be better

1116

00:47:29,390 --> 00:47:27,359

and more secret and classified than the

1117

00:47:31,370 --> 00:47:29,400

Manhattan Project

1118

00:47:33,410 --> 00:47:31,380

those couple things are one was Wilbur

1119

00:47:35,089 --> 00:47:33,420

Smith The Wilbur Smith memo I've went

1120

00:47:36,950 --> 00:47:35,099

through that a couple times here

1121

00:47:38,569 --> 00:47:36,960

where he talked to U.S officials and

1122

00:47:41,510 --> 00:47:38,579

they said that flag sauces are more

1123

00:47:44,329 --> 00:47:41,520

secret than the h-bomb

1124

00:47:45,710 --> 00:47:44,339

another one is something Colonel Corso

1125

00:47:47,809 --> 00:47:45,720

talks about which I think it's called

1126
00:47:49,910 --> 00:47:47,819
project horizon or something where it

1127
00:47:52,250 --> 00:47:49,920
was a mission that foreign technology

1128
00:47:55,190 --> 00:47:52,260
division came up with

1129
00:47:58,849 --> 00:47:55,200
to put a military base on the moon

1130
00:48:01,190 --> 00:47:58,859
it was to be more Secret

1131
00:48:04,490 --> 00:48:01,200
than our nuclear secrets

1132
00:48:10,130 --> 00:48:04,500
you know interesting

1133
00:48:15,230 --> 00:48:12,829
um also that you know this thing is said

1134
00:48:17,030 --> 00:48:15,240
where you know maybe he's talking about

1135
00:48:19,190 --> 00:48:17,040
this stuff this Dave's stuff that's

1136
00:48:21,349 --> 00:48:19,200
crash retrievals Italy Roswell or

1137
00:48:23,630 --> 00:48:21,359
whatever so people are saying some

1138
00:48:25,970 --> 00:48:23,640

people are saying well that must mean

1139

00:48:27,170 --> 00:48:25,980

that it's not actually classified it's

1140

00:48:31,250 --> 00:48:27,180

not a secret

1141

00:48:36,170 --> 00:48:32,690

you know the only thing I can think of

1142

00:48:39,130 --> 00:48:36,180

there is well you know we know about the

1143

00:48:42,470 --> 00:48:39,140

what is it the B2 Raider

1144

00:48:44,690 --> 00:48:42,480

we knew that was being built

1145

00:48:47,569 --> 00:48:44,700

we never actually saw it until recently

1146

00:48:49,910 --> 00:48:47,579

we still don't know what's actually in

1147

00:48:52,069 --> 00:48:49,920

it the electronics everything is still

1148

00:48:54,530 --> 00:48:52,079

classified see so you can talk about the

1149

00:48:55,550 --> 00:48:54,540

B2 Raider but you can't go and talk

1150

00:48:59,329 --> 00:48:55,560

about

1151

00:49:01,550 --> 00:48:59,339

how they make it the design plans

1152

00:49:04,130 --> 00:49:01,560

you know so you can go out and talk

1153

00:49:07,430 --> 00:49:04,140

about Roswell but you can't talk about

1154

00:49:09,370 --> 00:49:07,440

the cover-up the plan

1155

00:49:17,630 --> 00:49:09,380

you know

1156

00:49:17,640 --> 00:49:20,329

so

1157

00:49:25,750 --> 00:49:23,750

man yeah and the the miss uh information

1158

00:49:28,370 --> 00:49:25,760

campaign it's crazy

1159

00:49:30,589 --> 00:49:28,380

disenfranchised people they would do

1160

00:49:32,630 --> 00:49:30,599

um he said that some truth would be

1161

00:49:35,569 --> 00:49:32,640

allowed to come out through their trade

1162

00:49:38,150 --> 00:49:35,579

craft whatever that means

1163

00:49:39,829 --> 00:49:38,160

I'm not sure what that means but they

1164

00:49:42,589 --> 00:49:39,839

made the topic look crazy with this

1165

00:49:44,870 --> 00:49:42,599

information so you know and I said this

1166

00:49:47,809 --> 00:49:44,880

on Twitter like Georgia damski came out

1167

00:49:51,170 --> 00:49:47,819

onto the scene like I think right after

1168

00:49:53,510 --> 00:49:51,180

the DC sightings in 1952. so if this

1169

00:49:54,950 --> 00:49:53,520

stuff goes back that far look at us now

1170

00:49:56,569 --> 00:49:54,960

we have the Whistleblower come out and

1171

00:49:59,510 --> 00:49:56,579

then we have Greer in this Arizona or

1172

00:50:01,550 --> 00:49:59,520

this weird Las Vegas thing hoax you know

1173

00:50:05,089 --> 00:50:01,560

it's just weird it's something reputable

1174

00:50:09,290 --> 00:50:05,099

comes out and it gets smashed

1175

00:50:11,809 --> 00:50:09,300

like meet in between two pieces of bread

1176
00:50:11,819 --> 00:50:14,569
um

1177
00:50:21,829 --> 00:50:18,050
he said that

1178
00:50:24,410 --> 00:50:21,839
there's tens if not hundreds

1179
00:50:27,410 --> 00:50:24,420
of people on these programs

1180
00:50:29,030 --> 00:50:27,420
that would like a change

1181
00:50:32,510 --> 00:50:29,040
very interesting

1182
00:50:34,309 --> 00:50:32,520
so if there's that many

1183
00:50:39,170 --> 00:50:34,319
this stuff is not going to hold up

1184
00:50:43,550 --> 00:50:41,030
also he talked about suppressing science

1185
00:50:45,650 --> 00:50:43,560
it made me go back to the Eric Weinstein

1186
00:50:47,569 --> 00:50:45,660
and help put off conversation or Hell

1187
00:50:49,309 --> 00:50:47,579
putoff directly told that to Eric

1188
00:50:50,450 --> 00:50:49,319

Weinstein and he didn't really believe

1189

00:50:54,049 --> 00:50:50,460

him

1190

00:50:54,059 --> 00:50:56,450

um

1191

00:51:02,030 --> 00:50:58,370

very interesting I started the show out

1192

00:51:03,650 --> 00:51:02,040

with Mick West going about the the law

1193

00:51:05,750 --> 00:51:03,660

firm dropping him

1194

00:51:08,569 --> 00:51:05,760

and then Russ coming in and saying oh

1195

00:51:09,710 --> 00:51:08,579

not so fast that is in Russia that he

1196

00:51:11,510 --> 00:51:09,720

actually

1197

00:51:14,390 --> 00:51:11,520

knew that he was going to start with

1198

00:51:16,549 --> 00:51:14,400

that so it was just great to to set him

1199

00:51:19,089 --> 00:51:16,559

up and and then Spike the volleyball on

1200

00:51:23,030 --> 00:51:19,099

them that was pretty cool

1201
00:51:25,490 --> 00:51:23,040
so IG complaint included more witnesses

1202
00:51:27,650 --> 00:51:25,500
backing his claims some of which

1203
00:51:30,890 --> 00:51:27,660
actually put their hands on the craft or

1204
00:51:32,809 --> 00:51:30,900
are actually in this reverse engineering

1205
00:51:34,250 --> 00:51:32,819
program

1206
00:51:36,109 --> 00:51:34,260
um the Senate Select Committee for

1207
00:51:37,910 --> 00:51:36,119
intelligence house Select Committee for

1208
00:51:39,829 --> 00:51:37,920
intelligence gang of eight they were all

1209
00:51:42,530 --> 00:51:39,839
told this information

1210
00:51:44,630 --> 00:51:42,540
they all can go investigate this and

1211
00:51:46,910 --> 00:51:44,640
find out the truth and that's what we

1212
00:51:48,890 --> 00:51:46,920
need to happen

1213
00:51:50,270 --> 00:51:48,900

um I'm interested what other crash cases

1214

00:51:52,190 --> 00:51:50,280

we'll find out about hopefully we'll

1215

00:51:54,230 --> 00:51:52,200

find out about more you know whether

1216

00:51:56,030 --> 00:51:54,240

it's Aztec or

1217

00:51:57,650 --> 00:51:56,040

um there was that picture of Calvin

1218

00:52:00,170 --> 00:51:57,660

released recently I wonder if that's

1219

00:52:03,290 --> 00:52:01,130

um

1220

00:52:05,569 --> 00:52:03,300

you know Ross and sorry I'm just going

1221

00:52:07,309 --> 00:52:05,579

through my bullet points really quick so

1222

00:52:09,349 --> 00:52:07,319

um hopefully you can keep up with where

1223

00:52:14,569 --> 00:52:09,359

my my head's at here

1224

00:52:20,750 --> 00:52:17,030

you know how hypocritical it is that

1225

00:52:23,150 --> 00:52:20,760

media always uses Anonymous intelligence

1226

00:52:24,950 --> 00:52:23,160

Community sources but because it's

1227

00:52:26,930 --> 00:52:24,960

spacecraft

1228

00:52:29,390 --> 00:52:26,940

it doesn't count

1229

00:52:31,010 --> 00:52:29,400

you know so if an anonymous source which

1230

00:52:33,049 --> 00:52:31,020

has been used for things like the Havana

1231

00:52:34,549 --> 00:52:33,059

syndrome or whatever everybody reports

1232

00:52:35,930 --> 00:52:34,559

on that and takes his gold but when it

1233

00:52:38,809 --> 00:52:35,940

comes to this

1234

00:52:43,609 --> 00:52:40,970

and he mentioned specifically the Iraq

1235

00:52:46,329 --> 00:52:43,619

War where these reporters were reporting

1236

00:52:48,829 --> 00:52:46,339

that there were wmds in Iraq from

1237

00:52:52,130 --> 00:52:48,839

Anonymous sources in the intelligence

1238

00:52:57,109 --> 00:52:52,140

community that were wrong

1239

00:53:02,870 --> 00:52:59,150

um Mick West actually seemed like the

1240

00:53:04,309 --> 00:53:02,880

crazy one and he seemed visibly defeated

1241

00:53:06,049 --> 00:53:04,319

towards the end there you should look at

1242

00:53:09,650 --> 00:53:06,059

his face and then he actually did an

1243

00:53:13,190 --> 00:53:09,660

after video which uh was just so tragic

1244

00:53:16,190 --> 00:53:13,200

I don't recommend you watch that

1245

00:53:22,069 --> 00:53:17,809

um

1246

00:53:26,329 --> 00:53:24,109

yep nope I think what I went through

1247

00:53:29,390 --> 00:53:26,339

this already the ontological shock it

1248

00:53:32,210 --> 00:53:29,400

just seems like too much for people

1249

00:53:33,770 --> 00:53:32,220

um how are we going to get over that if

1250

00:53:35,210 --> 00:53:33,780

we shove evidence down their throat is

1251
00:53:36,770 --> 00:53:35,220
that going to work

1252
00:53:39,170 --> 00:53:36,780
I don't know man

1253
00:53:42,650 --> 00:53:39,180
we'll have to see

1254
00:53:44,809 --> 00:53:42,660
um just a couple personal notes that I

1255
00:53:47,630 --> 00:53:44,819
personally am worried for people like

1256
00:53:49,849 --> 00:53:47,640
Ross and Dave

1257
00:53:51,589 --> 00:53:49,859
um Ross came out and and said that these

1258
00:53:53,089 --> 00:53:51,599
people that were harassing Dave Dave

1259
00:53:56,809 --> 00:53:53,099
said that he was harassed he actually

1260
00:54:02,510 --> 00:53:59,990
they didn't take anything which is an

1261
00:54:05,690 --> 00:54:02,520
intelligence Community thing

1262
00:54:08,089 --> 00:54:05,700
like that's a spy game thing to break

1263
00:54:10,250 --> 00:54:08,099

into somebody's place and not do

1264

00:54:14,569 --> 00:54:10,260

anything they do that on purpose to

1265

00:54:17,630 --> 00:54:14,579

intimidate you so you know they broke in

1266

00:54:20,450 --> 00:54:17,640

I've watched a lot of spy stuff

1267

00:54:26,210 --> 00:54:20,460

some spies even will take a crap in your

1268

00:54:32,450 --> 00:54:29,630

so that's terrible man that's absolutely

1269

00:54:35,510 --> 00:54:32,460

awful and I worry about that guy

1270

00:54:38,210 --> 00:54:35,520

and I worry about Ross

1271

00:54:40,089 --> 00:54:38,220

coming out here and delivering this to

1272

00:54:46,130 --> 00:54:40,099

the world

1273

00:54:50,329 --> 00:54:47,690

um

1274

00:54:53,150 --> 00:54:50,339

you know we we're still going to see

1275

00:54:57,829 --> 00:54:53,160

people like laugh or or not get it you

1276
00:55:02,630 --> 00:55:00,950
to that is maybe we can try to show some

1277
00:55:04,190 --> 00:55:02,640
sort of empathy or compassion because

1278
00:55:06,410 --> 00:55:04,200
these things are really hard to believe

1279
00:55:09,230 --> 00:55:06,420
in because there's been a 80-year

1280
00:55:14,030 --> 00:55:09,240
campaign to make these things hard to

1281
00:55:17,329 --> 00:55:15,589
so when people laugh or they don't take

1282
00:55:19,309 --> 00:55:17,339
this seriously it's not necessarily

1283
00:55:22,130 --> 00:55:19,319
their fault because they were born and

1284
00:55:22,140 --> 00:55:25,910
in an atmosphere

1285
00:55:31,370 --> 00:55:28,790
that places a whole lot of stigma

1286
00:55:32,630 --> 00:55:31,380
on this topic

1287
00:55:36,650 --> 00:55:32,640
so maybe we should show a little

1288
00:55:40,490 --> 00:55:38,210

I don't know maybe that'd be a good

1289

00:55:45,410 --> 00:55:42,770

we'll see

1290

00:55:46,970 --> 00:55:45,420

um people keep mentioning Bob Lazar in

1291

00:55:48,890 --> 00:55:46,980

relation to this I'll say this thing

1292

00:55:51,890 --> 00:55:48,900

like there there's some things part of

1293

00:55:53,630 --> 00:55:51,900

Bible's our story that Dave said

1294

00:55:55,870 --> 00:55:53,640

and I don't remember what that was

1295

00:55:59,390 --> 00:55:55,880

unfortunately but I remember thinking

1296

00:56:01,609 --> 00:55:59,400

so this is just useless I'm using it but

1297

00:56:03,950 --> 00:56:01,619

you know the as far as the quality of

1298

00:56:05,930 --> 00:56:03,960

witnesses as far as um you know their

1299

00:56:08,630 --> 00:56:05,940

paperwork their background their

1300

00:56:12,109 --> 00:56:08,640

verifiables there's no contest obviously

1301
00:56:14,809 --> 00:56:12,119
Bob Lazar was busted for a uh having a

1302
00:56:17,210 --> 00:56:14,819
Brothel House legally there's there's no

1303
00:56:19,069 --> 00:56:17,220
contest no I'm not discounting that

1304
00:56:21,770 --> 00:56:19,079
Lazar did all that stuff I have no

1305
00:56:24,109 --> 00:56:21,780
freaking idea and I'm pretty much like

1306
00:56:26,690 --> 00:56:24,119
I'm not gonna find out so you know why

1307
00:56:28,670 --> 00:56:26,700
spend time thinking about it but

1308
00:56:32,210 --> 00:56:28,680
um you know

1309
00:56:36,650 --> 00:56:32,220
I think we're in a little different

1310
00:56:38,270 --> 00:56:36,660
different realm here but we'll see

1311
00:56:41,329 --> 00:56:38,280
um

1312
00:56:43,130 --> 00:56:41,339
so thanks to news Nation for doing this

1313
00:56:45,290 --> 00:56:43,140

um but I'm curious what happens now will

1314

00:56:47,270 --> 00:56:45,300

they continue to cover it you know now

1315

00:56:50,150 --> 00:56:47,280

that the big interview's over will they

1316

00:56:51,290 --> 00:56:50,160

keep covering this topic or will they

1317

00:56:53,329 --> 00:56:51,300

stop

1318

00:56:55,150 --> 00:56:53,339

now that the interview is over are they

1319

00:56:58,670 --> 00:56:55,160

going to just retract back into

1320

00:57:00,829 --> 00:56:58,680

Political bull crap

1321

00:57:02,270 --> 00:57:00,839

or are they going to continue with this

1322

00:57:04,730 --> 00:57:02,280

and maybe even try to do some

1323

00:57:06,470 --> 00:57:04,740

investigative work themselves on it and

1324

00:57:09,349 --> 00:57:06,480

take it farther

1325

00:57:11,809 --> 00:57:09,359

I'll be really curious to know that

1326
00:57:13,849 --> 00:57:11,819
you know because to me that'll show if

1327
00:57:17,089 --> 00:57:13,859
they really care about the story or if

1328
00:57:23,150 --> 00:57:19,250
you know hopefully they cared about the

1329
00:57:25,609 --> 00:57:23,160
story and they keep going with it

1330
00:57:29,089 --> 00:57:25,619
but like I said apparently some pretty

1331
00:57:30,410 --> 00:57:29,099
big people are going to be coming up

1332
00:57:34,010 --> 00:57:30,420
um

1333
00:57:35,930 --> 00:57:34,020
themselves that are even

1334
00:57:39,049 --> 00:57:35,940
seemingly more important and even more

1335
00:57:41,270 --> 00:57:39,059
tied even directly tied to this crash

1336
00:57:42,710 --> 00:57:41,280
retrieval thing so when that happens I

1337
00:57:43,730 --> 00:57:42,720
don't know what the hell people are

1338
00:57:46,130 --> 00:57:43,740

going to say

1339

00:57:47,809 --> 00:57:46,140

like to bunkers or whatever I don't know

1340

00:57:50,390 --> 00:57:47,819

what you're gonna what would you have to

1341

00:57:51,770 --> 00:57:50,400

say to that I really don't know

1342

00:57:53,569 --> 00:57:51,780

somebody's drugging these people

1343

00:57:55,010 --> 00:57:53,579

hypnotizing them and making them say

1344

00:57:56,930 --> 00:57:55,020

crazy stuff

1345

00:57:59,510 --> 00:57:56,940

and it's the Russians I don't know

1346

00:58:01,430 --> 00:57:59,520

that's tough men

1347

00:58:03,829 --> 00:58:01,440

um

1348

00:58:05,990 --> 00:58:03,839

so yeah it's almost broken into uh it

1349

00:58:08,569 --> 00:58:06,000

was surveilled harassed and probably by

1350

00:58:10,609 --> 00:58:08,579

a private contractor it seems like so if

1351

00:58:13,490 --> 00:58:10,619

it's a private contractor then we can

1352

00:58:16,309 --> 00:58:13,500

look at

1353

00:58:18,049 --> 00:58:16,319

huh well who's got the goods who's got

1354

00:58:20,630 --> 00:58:18,059

the UFO stuff everybody talks about

1355

00:58:22,730 --> 00:58:20,640

Lockheed Martin so probably that

1356

00:58:25,609 --> 00:58:22,740

contractor would work for Lockheed

1357

00:58:28,250 --> 00:58:25,619

Martin I would imagine

1358

00:58:30,230 --> 00:58:28,260

um otherwise my other ideas maybe uh

1359

00:58:33,290 --> 00:58:30,240

like I said before maybe the Vatican run

1360

00:58:36,710 --> 00:58:33,300

cmib who knows because if this stuff

1361

00:58:38,089 --> 00:58:36,720

comes out like this 1933 case

1362

00:58:41,089 --> 00:58:38,099

you know and if there comes any

1363

00:58:43,309 --> 00:58:41,099

paperwork or some sort of admission you

1364

00:58:45,650 --> 00:58:43,319

know from Joe Biden which I am not

1365

00:58:47,450 --> 00:58:45,660

expecting but you never know

1366

00:58:49,670 --> 00:58:47,460

wish we should talk about that actually

1367

00:58:52,069 --> 00:58:49,680

but the Vatican would have to say

1368

00:58:53,809 --> 00:58:52,079

something about it

1369

00:58:55,670 --> 00:58:53,819

you know and that'd be a big disclosure

1370

00:58:57,890 --> 00:58:55,680

in and of itself

1371

00:59:02,089 --> 00:58:57,900

especially for you know Catholics and

1372

00:59:02,099 --> 00:59:04,549

um

1373

00:59:04,559 --> 00:59:08,450

so yeah that's interesting

1374

00:59:12,349 --> 00:59:11,030

what was I gonna say I was I said we

1375

00:59:14,630 --> 00:59:12,359

were gonna we should talk about that

1376

00:59:17,329 --> 00:59:14,640

what was that I completely forgot

1377

00:59:19,549 --> 00:59:17,339

if you guys remember let me know

1378

00:59:26,030 --> 00:59:22,010

I think

1379

00:59:27,470 --> 00:59:26,040

that's about it yeah uh the other thing

1380

00:59:29,930 --> 00:59:27,480

I guess I wanted to say about the

1381

00:59:31,010 --> 00:59:29,940

suspicious part of it

1382

00:59:33,950 --> 00:59:31,020

um

1383

00:59:35,809 --> 00:59:33,960

or not the suspicious part of it but the

1384

00:59:38,030 --> 00:59:35,819

the argument that the info isn't

1385

00:59:40,130 --> 00:59:38,040

classified so it's not real and that's

1386

00:59:42,710 --> 00:59:40,140

why you can talk about it

1387

00:59:42,720 --> 00:59:46,370

you know

1388

00:59:50,450 --> 00:59:48,770

it's if you say you can't talk about

1389

00:59:52,430 --> 00:59:50,460

Roswell that's going to make the whole

1390

00:59:54,230 --> 00:59:52,440

situation worse for the government right

1391

00:59:56,569 --> 00:59:54,240

so they're not going to say you can't

1392

00:59:58,910 --> 00:59:56,579

talk about Roswell or talk about this

1393

01:00:00,410 --> 00:59:58,920

you know because if you say I can't talk

1394

01:00:02,750 --> 01:00:00,420

about it it's going to make them even

1395

01:00:06,349 --> 01:00:02,760

more suspicious so these kind of vague

1396

01:00:09,670 --> 01:00:06,359

topics people can talk about but

1397

01:00:13,430 --> 01:00:09,680

um the detailed stuff

1398

01:00:16,309 --> 01:00:13,440

so just wanted to say that so

1399

01:00:17,930 --> 01:00:16,319

that was kind of unfortunate that my

1400

01:00:21,950 --> 01:00:17,940

notes took as long as the interview I'm

1401

01:00:26,270 --> 01:00:24,230

when I do this I kind of like the sum it

1402

01:00:28,789 --> 01:00:26,280

up so it's faster than the interview for

1403

01:00:30,650 --> 01:00:28,799

people that don't have time but uh that

1404

01:00:32,450 --> 01:00:30,660

didn't quite work out so sorry about

1405

01:00:37,250 --> 01:00:32,460

that

1406

01:00:39,049 --> 01:00:37,260

but there's a lot to a lot to say a lot

1407

01:00:41,329 --> 01:00:39,059

you know that I think about in relation

1408

01:00:44,089 --> 01:00:41,339

to this stuff

1409

01:00:48,470 --> 01:00:46,370

you know

1410

01:00:49,849 --> 01:00:48,480

it's the other thing that's going to

1411

01:00:51,589 --> 01:00:49,859

happen tonight

1412

01:00:54,289 --> 01:00:51,599

apparently that I'm pretty interested in

1413

01:00:56,870 --> 01:00:54,299

here is

1414

01:00:58,580 --> 01:00:56,880

Jeremy Corbell and George Knapp on their

1415

01:01:00,530 --> 01:00:58,590

podcast weaponized

1416

01:01:02,690 --> 01:01:00,540

[Music]

1417

01:01:04,309 --> 01:01:02,700

is going to talk about their

1418

01:01:06,049 --> 01:01:04,319

relationship with this Dave Crush

1419

01:01:08,270 --> 01:01:06,059

because apparently this Dave grosh came

1420

01:01:10,430 --> 01:01:08,280

to them

1421

01:01:13,730 --> 01:01:10,440

um quite a while ago

1422

01:01:16,130 --> 01:01:13,740

and for whatever reason that

1423

01:01:17,870 --> 01:01:16,140

didn't work out so

1424

01:01:19,309 --> 01:01:17,880

we'll probably find out why that is

1425

01:01:20,089 --> 01:01:19,319

tonight

1426

01:01:22,910 --> 01:01:20,099

um

1427

01:01:26,030 --> 01:01:22,920

and we'll see we'll find out so I may

1428

01:01:27,770 --> 01:01:26,040

even come back on tomorrow depending on

1429

01:01:29,510 --> 01:01:27,780

you know what's talked about there if

1430

01:01:31,430 --> 01:01:29,520

anything happens if there's news and if

1431

01:01:33,109 --> 01:01:31,440

there's stuff happening I'm that's why

1432

01:01:34,250 --> 01:01:33,119

I'm going live because I don't want to

1433

01:01:36,829 --> 01:01:34,260

be

1434

01:01:40,630 --> 01:01:36,839

there's a one episode where you know I

1435

01:01:43,370 --> 01:01:40,640

pre-recorded it and there is just more

1436

01:01:45,589 --> 01:01:43,380

recent news than

1437

01:01:49,250 --> 01:01:45,599

you know the 30 minutes I spent freaking

1438

01:01:51,470 --> 01:01:49,260

recording this article in reading it so

1439

01:01:53,329 --> 01:01:51,480

I'm like

1440

01:01:54,890 --> 01:01:53,339

if there's a lot of news going on I'm

1441

01:01:58,130 --> 01:01:54,900

just gonna have to go live so I can be

1442

01:02:00,349 --> 01:01:58,140

as up to date as possible

1443

01:02:03,770 --> 01:02:00,359

you know it's important

1444

01:02:07,789 --> 01:02:05,150

I think

1445

01:02:09,109 --> 01:02:07,799

I don't know I thought I had other stuff

1446

01:02:10,789 --> 01:02:09,119

planned

1447

01:02:14,390 --> 01:02:10,799

Maybe

1448

01:02:19,970 --> 01:02:14,400

see what else I got I don't think

1449

01:02:25,370 --> 01:02:22,609

one thing here quick

1450

01:02:27,430 --> 01:02:25,380

if we can do you guys have time

1451

01:02:31,910 --> 01:02:27,440

thank you

1452

01:02:34,250 --> 01:02:31,920

so I'm just gonna do this real quick

1453

01:02:37,130 --> 01:02:34,260

actually you know I'm gonna save this

1454

01:02:41,630 --> 01:02:39,530

for something else

1455

01:02:43,789 --> 01:02:41,640

yeah I'll save these documents for a

1456

01:02:46,309 --> 01:02:43,799

different show

1457

01:02:49,549 --> 01:02:46,319

so we can just you know have this nice

1458

01:02:50,569 --> 01:02:49,559

and uniform it's about one thing that's

1459

01:02:51,890 --> 01:02:50,579

it

1460

01:02:53,630 --> 01:02:51,900

you know

1461

01:02:56,870 --> 01:02:53,640

then I start bringing different topics

1462

01:02:59,870 --> 01:02:56,880

in here it's all messy and sloppy we

1463

01:03:01,849 --> 01:02:59,880

don't even know what this show's about

1464

01:03:04,609 --> 01:03:01,859

so

1465

01:03:06,530 --> 01:03:04,619

we'll save it for next time

1466

01:03:08,270 --> 01:03:06,540

oh

1467

01:03:09,650 --> 01:03:08,280

yeah we'll save it for next time you

1468

01:03:11,030 --> 01:03:09,660

guys be good

1469

01:03:13,549 --> 01:03:11,040

um watch the Jeremy Corbell thing

1470

01:03:17,089 --> 01:03:13,559

tonight see what happens there

1471

01:03:19,430 --> 01:03:17,870

um

1472

01:03:21,230 --> 01:03:19,440

if you have any questions you can find

1473

01:03:22,789 --> 01:03:21,240

me let me know if there's any topics you

1474

01:03:25,069 --> 01:03:22,799

would like to see covered you can shoot

1475

01:03:26,510 --> 01:03:25,079

me an email and find me on Twitter or

1476

01:03:28,910 --> 01:03:26,520

something like that
