2  
00:00:13,850 --> 00:00:04,040

foreign

3  
00:00:20,590 --> 00:00:16,550

one of the busiest and most well-known

4  
00:00:24,710 --> 00:00:20,600

times for UFO sightings was back in July

5  
00:00:28,009 --> 00:00:24,720

1952 when a bunch of UFOs actually flew

6  
00:00:31,130 --> 00:00:28,019

right over Washington DC there were many

7  
00:00:33,350 --> 00:00:31,140

radar hits and many visual sightings and

8  
00:00:35,330 --> 00:00:33,360

it made news all over the country

9  
00:00:38,270 --> 00:00:35,340

shortly after that the intelligence

10  
00:00:41,510 --> 00:00:38,280

agencies of the U.S Department of

11  
00:00:44,389 --> 00:00:41,520

Defense and otherwise became very

12  
00:00:46,549 --> 00:00:44,399

interested in these UFO sightings and

13  
00:00:48,709 --> 00:00:46,559

they had a lot of meetings in some of

14  
00:00:51,049 --> 00:00:48,719  
these documents back in 1952 we get some

15  
00:00:53,869 --> 00:00:51,059  
of the same excuses we hear from Arrow

16  
00:00:56,750 --> 00:00:53,879  
today it is probable that if complete

17  
00:01:00,410 --> 00:00:56,760  
information was available for presently

18  
00:01:02,869 --> 00:01:00,420  
unexplainable reports they too could be

19  
00:01:04,729 --> 00:01:02,879  
evaluated into categories

20  
00:01:07,429 --> 00:01:04,739  
as indicated

21  
00:01:09,010 --> 00:01:07,439  
above while a large number of cases in

22  
00:01:12,289 --> 00:01:09,020  
arrows Holdings remain technically

23  
00:01:14,570 --> 00:01:12,299  
unresolved this is primarily due to a

24  
00:01:16,429 --> 00:01:14,580  
lack of data associated with those cases

25  
00:01:19,250 --> 00:01:16,439  
then you have also

26

00:01:21,050 --> 00:01:19,260

little points like this that they

27

00:01:23,030 --> 00:01:21,060

decided to never discuss with the

28

00:01:25,249 --> 00:01:23,040

American public

29

00:01:27,469 --> 00:01:25,259

it is recommended that CIA surveillance

30

00:01:28,910 --> 00:01:27,479

of subject matter in coordination with

31

00:01:31,370 --> 00:01:28,920

proper authorities

32

00:01:33,830 --> 00:01:31,380

a primary operational concern at attic

33

00:01:35,929 --> 00:01:33,840

be continued

34

00:01:40,370 --> 00:01:35,939

it is strongly

35

00:01:41,990 --> 00:01:40,380

urged however that no indication of CIA

36

00:01:43,670 --> 00:01:42,000

interest

37

00:01:46,730 --> 00:01:43,680

or concern

38

00:01:49,310 --> 00:01:46,740

reach the press or public

39

00:01:52,670 --> 00:01:49,320

another thing that we hear from

40

00:01:55,670 --> 00:01:52,680

Mr Kirkpatrick of Arrow is what you'll

41

00:01:58,310 --> 00:01:55,680

notice is that there is a heavy what we

42

00:02:01,069 --> 00:01:58,320

call collection bias both in altitude

43

00:02:03,649 --> 00:02:01,079

and in Geographic locations we have

44

00:02:06,109 --> 00:02:03,659

sensor bias and we see more sightings

45

00:02:07,429 --> 00:02:06,119

because well they're buyer bases where

46

00:02:11,029 --> 00:02:07,439

we have things

47

00:02:13,670 --> 00:02:11,039

to catch the data back in 1952 they said

48

00:02:16,190 --> 00:02:13,680

a study flying saucer's sightings on a

49

00:02:18,410 --> 00:02:16,200

geographical basis showed them to be

50

00:02:20,270 --> 00:02:18,420

more frequent in the vicinity of atomic

51

00:02:21,890 --> 00:02:20,280

energy installations

52

00:02:23,990 --> 00:02:21,900

which is explained by the greater

53

00:02:27,290 --> 00:02:24,000

security consciousness of persons in

54

00:02:28,430 --> 00:02:27,300

those areas that byproducts of atomic

55

00:02:30,830 --> 00:02:28,440

fission

56

00:02:33,350 --> 00:02:30,840

May in some way Act

57

00:02:35,449 --> 00:02:33,360

catalytically to produce flying saucers

58

00:02:37,309 --> 00:02:35,459

has not been disproven

59

00:02:42,110 --> 00:02:37,319

the greatest number of sightings has

60

00:02:47,270 --> 00:02:45,050

where the investigations are going on

61

00:02:51,050 --> 00:02:47,280

so my point is

62

00:02:56,390 --> 00:02:54,410

we're still dealing with the same issue

63

00:02:57,830 --> 00:02:56,400

and when we talk about this this is what

64

00:02:58,610 --> 00:02:57,840

the government doesn't want to talk

65

00:03:01,009 --> 00:02:58,620

about

66

00:03:04,369 --> 00:03:01,019

because you can't all of a sudden take

67

00:03:07,070 --> 00:03:04,379

this topic serious without addressing

68

00:03:08,390 --> 00:03:07,080

the shortfalls of the past which were

69

00:03:10,309 --> 00:03:08,400

major

70

00:03:13,910 --> 00:03:10,319

and those a lot of those people from

71

00:03:15,490 --> 00:03:13,920

then aren't with us anymore I understand

72

00:03:18,649 --> 00:03:15,500

and people in the government now

73

00:03:21,170 --> 00:03:18,659

shouldn't have to take on those actions

74

00:03:23,210 --> 00:03:21,180

but we need to talk about it

75

00:03:24,710 --> 00:03:23,220

all right we also actually finally got

76

00:03:27,110 --> 00:03:24,720

some statements from some

77

00:03:29,509 --> 00:03:27,120

Representatives

78

00:03:30,770 --> 00:03:29,519

who are supposedly representatives of

79

00:03:32,449 --> 00:03:30,780

the American public

80

00:03:34,430 --> 00:03:32,459

so I'm going to read a couple of those

81

00:03:37,729 --> 00:03:34,440

we have Mark Warner he said there's been

82

00:03:39,710 --> 00:03:37,739

a lot uh incoming and frankly I just

83

00:03:42,229 --> 00:03:39,720

need to find out more information on

84

00:03:47,690 --> 00:03:42,239

this we've heard these accusations

85

00:03:49,130 --> 00:03:47,700

before let me get some information first

86

00:03:51,830 --> 00:03:49,140

Holly

87

00:03:53,570 --> 00:03:51,840

I'm not surprised necessarily by these

88

00:03:55,490 --> 00:03:53,580

latest allegations because it sounds

89

00:03:58,910 --> 00:03:55,500

pretty close to what they

90

00:04:00,589 --> 00:03:58,920

kind of grudgingly admitted to us in the

91

00:04:02,750 --> 00:04:00,599

briefing

92

00:04:05,509 --> 00:04:02,760

it's not good

93

00:04:07,789 --> 00:04:05,519

none of it's good

94

00:04:09,710 --> 00:04:07,799

I think we want to get to the bottom of

95

00:04:12,110 --> 00:04:09,720

this

96

00:04:13,610 --> 00:04:12,120

I think it's disturbing

97

00:04:15,530 --> 00:04:13,620

gillibrand

98

00:04:17,390 --> 00:04:15,540

I have no idea

99

00:04:19,610 --> 00:04:17,400

so I'm going to do the work and analyze

100

00:04:21,770 --> 00:04:19,620

it and figure it out

101  
00:04:24,530 --> 00:04:21,780  
we need to just look into whether there

102  
00:04:26,629 --> 00:04:24,540  
are rogue sap programs that no one is

103  
00:04:29,629 --> 00:04:26,639  
providing oversight for

104  
00:04:33,350 --> 00:04:29,639  
the go for me will be to have a hearing

105  
00:04:35,510 --> 00:04:33,360  
on that at some point

106  
00:04:37,909 --> 00:04:35,520  
so that we can assess if these saps

107  
00:04:40,490 --> 00:04:37,919  
actually exist

108  
00:04:42,770 --> 00:04:40,500  
so if there are saps out there

109  
00:04:44,570 --> 00:04:42,780  
that are somehow outside of the normal

110  
00:04:47,090 --> 00:04:44,580  
chain of command and outside the normal

111  
00:04:50,210 --> 00:04:47,100  
Appropriations process

112  
00:04:53,510 --> 00:04:50,220  
they have to divulge that to Congress

113  
00:04:55,850 --> 00:04:53,520

McCall house foreign affairs

114

00:04:58,610 --> 00:04:55,860

it's a legitimate issue

115

00:05:00,830 --> 00:04:58,620

on both sides

116

00:05:04,010 --> 00:05:00,840

we just want to know if we've been

117

00:05:06,710 --> 00:05:04,020

seeing uaps that are not man-made

118

00:05:08,749 --> 00:05:06,720

is what the article said but I don't

119

00:05:12,230 --> 00:05:08,759

know

120

00:05:14,090 --> 00:05:12,240

that's a good question for the chairman

121

00:05:16,129 --> 00:05:14,100

Gates

122

00:05:19,189 --> 00:05:16,139

I've seen evidence of craft that I am

123

00:05:20,810 --> 00:05:19,199

not familiar with any of our allies or

124

00:05:26,390 --> 00:05:20,820

adversaries

125

00:05:30,409 --> 00:05:28,129

the allegations themselves are

126

00:05:32,450 --> 00:05:30,419

brehtaking it could be a game changer

127

00:05:34,850 --> 00:05:32,460

or it could be a crank

128

00:05:37,189 --> 00:05:34,860

I just don't know

129

00:05:39,710 --> 00:05:37,199

so Jeremy Corbell and George Knapp

130

00:05:41,749 --> 00:05:39,720

released the

131

00:05:44,029 --> 00:05:41,759

Office of the Director of National

132

00:05:46,969 --> 00:05:44,039

Intelligence Community Inspector General

133

00:05:50,270 --> 00:05:46,979

complaint to disco disclosure of urgent

134

00:05:52,070 --> 00:05:50,280

concern complaint of reprisal we come

135

00:05:53,870 --> 00:05:52,080

before you to file this disclosure on

136

00:05:56,409 --> 00:05:53,880

behalf of David C Crush who is currently

137

00:05:59,570 --> 00:05:56,419

a gs-15 employee at the National

with several IC elements over the course

142

00:06:12,350 --> 00:06:09,780

of his lengthy and successful career

143

00:06:14,990 --> 00:06:12,360

he's currently cleared at the tssci

144

00:06:17,629 --> 00:06:15,000

level by the NGA and serves as the

agency's senior technical advisor for

146

00:06:22,610 --> 00:06:19,680

UAP analysis

147

00:06:26,390 --> 00:06:22,620

he's also an intelligence officer and

148

00:06:30,770 --> 00:06:28,309

the intelligence Community Inspector

General has jurisdiction to receive a

150

00:06:35,029 --> 00:06:33,120

report of urgent concern when the

151  
00:06:37,010 --> 00:06:35,039  
disclosure involves among other things a

152  
00:06:39,529 --> 00:06:37,020  
false statement to Congress or a willful

153  
00:06:41,809 --> 00:06:39,539  
withholding from Congress and an issue

154  
00:06:44,210 --> 00:06:41,819  
of material fact relating to the funding

155  
00:06:46,070 --> 00:06:44,220  
Administration or operation of an

156  
00:06:48,469 --> 00:06:46,080  
intelligence activity moreover

157  
00:06:50,689 --> 00:06:48,479  
jurisdiction exists when an action

158  
00:06:53,210 --> 00:06:50,699  
including a personal action described in

159  
00:06:56,210 --> 00:06:53,220

reprisal prohibit under subsection in

162  
00:07:03,110 --> 00:07:00,900  
response to an employee's reporting an

163  
00:07:05,570 --> 00:07:03,120

urgent concern Mr grush previously

164

00:07:08,090 --> 00:07:05,580

served as a fully cleared member of the

165

00:07:10,189 --> 00:07:08,100

United States government's UAP task

166

00:07:13,969 --> 00:07:10,199

force he has direct knowledge that

167

00:07:16,670 --> 00:07:13,979

certain IC elements have purposely and

168

00:07:19,370 --> 00:07:16,680

intentionally withheld and or concealed

169

00:07:21,350 --> 00:07:19,380

UAP related classified information from

170

00:07:23,270 --> 00:07:21,360

the U.S Congress

171

00:07:25,490 --> 00:07:23,280

he has direct knowledge that this

172

00:07:28,189 --> 00:07:25,500

classified information has been withheld

173

00:07:30,110 --> 00:07:28,199

and or concealed by the involved IC

174

00:07:31,909 --> 00:07:30,120

elements to purposely and intentionally

175

00:07:34,670 --> 00:07:31,919

thwart legitimate congressional

176

00:07:36,290 --> 00:07:34,680

oversight of the UAP program

177

00:07:38,510 --> 00:07:36,300

he has direct knowledge that this

178

00:07:41,089 --> 00:07:38,520

classified information has been withheld

179

00:07:42,830 --> 00:07:41,099

and or concealed by the involved IC

180

00:07:44,270 --> 00:07:42,840

elements to purposely and intentionally

181

00:07:46,730 --> 00:07:44,280

thwart legitimate congressional

182

00:07:49,490 --> 00:07:46,740

oversight of the UAP program

183

00:07:51,230 --> 00:07:49,500

in July 2021 Mr garage confidently

184

00:07:54,469 --> 00:07:51,240

provided UAP related classified

185

00:07:56,450 --> 00:07:54,479

information to the dod Inspector General

186

00:07:58,249 --> 00:07:56,460

at that time Mr Grudge communicated

187

00:08:00,230 --> 00:07:58,259

classified information about the

188

00:08:02,510 --> 00:08:00,240

improper withholding and or concealment

189

00:08:06,290 --> 00:08:02,520  
of classified material from the U.S

190

00:08:08,210 --> 00:08:06,300  
Congress by certain IC elements Mr grush

191

00:08:10,370 --> 00:08:08,220  
believes that his identity and the fact

192

00:08:12,350 --> 00:08:10,380  
of his UAP related Communications with

193

00:08:15,050 --> 00:08:12,360  
the dod IG

194

00:08:18,650 --> 00:08:15,060  
have been disclosed to individuals and

195

00:08:20,990 --> 00:08:18,660  
or entities outside the dod IG

196

00:08:25,189 --> 00:08:21,000  
and that he has suffered retaliation and

197

00:08:27,290 --> 00:08:25,199  
reprisals related thereto

198

00:08:29,869 --> 00:08:27,300  
since his protected disclosure to the

199

00:08:32,149 --> 00:08:29,879  
dodig Mr grush has been subjected to

200

00:08:33,709 --> 00:08:32,159  
numerous adverse security clearance

201  
00:08:38,089 --> 00:08:33,719  
actions

202  
00:08:40,190 --> 00:08:38,099  
unjustifiably

203  
00:08:42,170 --> 00:08:40,200  
punched on his Integrity character

204  
00:08:44,209 --> 00:08:42,180  
judgment professionalism and mental

205  
00:08:47,210 --> 00:08:44,219

206  
00:08:50,150 --> 00:08:47,220  
cleared by the NGA is compartmented

207  
00:08:52,490 --> 00:08:50,160  
access at numerous and other IC elements

208  
00:08:56,210 --> 00:08:52,500  
have been mysteriously and apparently

209  
00:08:57,769 --> 00:08:56,220  
without plausible explanation canceled

210  
00:09:00,710 --> 00:08:57,779  
delayed

211  
00:09:02,930 --> 00:09:00,720  
denied and or improperly obstructed Mr

212  
00:09:05,329 --> 00:09:02,940  
grush has reason to believe that the

213  
00:09:07,250 --> 00:09:05,339

many recent issues with his accesses are

214

00:09:09,769 --> 00:09:07,260

directly correlated to his previous UAP

215

00:09:13,850 --> 00:09:09,779

related protected Communications

216

00:09:15,769 --> 00:09:13,860

with the dodig Mr grush now wishes to

217

00:09:18,170 --> 00:09:15,779

directly communicate the classified

218

00:09:20,449 --> 00:09:18,180

specifics of his UAP related urgent

219

00:09:22,910 --> 00:09:20,459

concerns to the U.S Senate select

220

00:09:24,829 --> 00:09:22,920

committee on intelligence

221

00:09:27,230 --> 00:09:24,839

and the U.S House permanent select

222

00:09:30,050 --> 00:09:27,240

committee on intelligence

223

00:09:32,150 --> 00:09:30,060

accordingly we hereby request that your

224

00:09:36,110 --> 00:09:32,160

office facilitate Mr grush's Direct

225

00:09:38,389 --> 00:09:36,120

Communications with the ssci and hp sci

226

00:09:40,610 --> 00:09:38,399

moreover having suffered months of

227

00:09:43,190 --> 00:09:40,620

retaliation and reprisals because of his

228

00:09:46,550 --> 00:09:43,200

prior UAP related protected

229

00:09:48,769 --> 00:09:46,560

Communications to the dod IG we

230

00:09:52,430 --> 00:09:48,779

respectfully request that the icig

231

00:09:54,430 --> 00:09:52,440

initiate or cause the initiation of a

232

00:09:57,170 --> 00:09:54,440

whistleblower reprisal investigation

233

00:09:59,269 --> 00:09:57,180

pursuant to presidential policy

234

00:10:02,449 --> 00:09:59,279

directive 19.

235

00:10:05,389 --> 00:10:02,459

date of May 25th 2022.

236

00:10:08,329 --> 00:10:05,399

David grush signed said I've read the

237

00:10:10,670 --> 00:10:08,339

disclosure drafted by my attorneys

238

00:10:13,070 --> 00:10:10,680

I hereby adopt the statements as if they

239

00:10:15,470 --> 00:10:13,080

were my own and do solemnly of firm the

240

00:10:17,210 --> 00:10:15,480

penalties of perjury that the contents

241

00:10:19,490 --> 00:10:17,220

of the foregoing paper are true and

242

00:10:22,130 --> 00:10:19,500

correct to the best of my knowledge

243

00:10:25,190 --> 00:10:22,140

so a couple things here

244

00:10:27,769 --> 00:10:25,200

first of all a system is broken

245

00:10:30,530 --> 00:10:27,779

this was written last year I get it you

246

00:10:32,810 --> 00:10:30,540

went to the dod IG and somebody leaked

247

00:10:36,710 --> 00:10:32,820

his name out protected Communications

248

00:10:39,290 --> 00:10:36,720

with the dod IG somebody got those and

249

00:10:40,509 --> 00:10:39,300

leaked his name out so people could

250

00:10:43,490 --> 00:10:40,519

start to

251  
00:10:46,009 --> 00:10:43,500  
conduct reprisal campaigns apparently

252  
00:10:49,490 --> 00:10:46,019  
and it got so bad it affected his mental

253  
00:10:53,050 --> 00:10:49,500  
health so those actions

254  
00:10:56,449 --> 00:10:53,060  
have or had the potential to cause a

255  
00:10:59,269 --> 00:10:56,459  
tragedy so them committing other kinds

256  
00:11:00,350 --> 00:10:59,279  
of crimes to cover up UAP I'm sorry but

257  
00:11:02,090 --> 00:11:00,360  
uh

258  
00:11:03,470 --> 00:11:02,100  
this is evidence that that would happen

259  
00:11:05,389 --> 00:11:03,480  
they're taking away his security

260  
00:11:08,750 --> 00:11:05,399  
clearances which ironically is what Lou

261  
00:11:12,050 --> 00:11:08,760  
Elizondo filed his complaint for and it

262  
00:11:14,449 --> 00:11:12,060  
was May 2022 I'm wonder I'm curious if

263  
00:11:17,150 --> 00:11:14,459

it's the same person that was harassing

264

00:11:19,610 --> 00:11:17,160

Lou and if so why is that person still

265

00:11:23,210 --> 00:11:19,620

in the government why is there still an

266

00:11:25,670 --> 00:11:23,220

investigation that was May 2022

267

00:11:27,850 --> 00:11:25,680

this is a year later

268

00:11:29,990 --> 00:11:27,860

you have no answers for US

269

00:11:32,569 --> 00:11:30,000

representatives are first now talking

270

00:11:35,930 --> 00:11:32,579

about it because David grush have to put

271

00:11:37,610 --> 00:11:35,940

his life on the line by going public and

272

00:11:38,870 --> 00:11:37,620

nobody even responded until they were

273

00:11:42,590 --> 00:11:38,880

pressured too

274

00:11:44,569 --> 00:11:42,600

started this effort Arrow can see now

275

00:11:47,269 --> 00:11:44,579

that it is fully failing right in front

276

00:11:49,730 --> 00:11:47,279

of their faces and that the dod can do

277

00:11:51,590 --> 00:11:49,740

whatever they want and now here they are

278

00:11:55,790 --> 00:11:51,600

what are they going to do

279

00:11:57,889 --> 00:11:55,800

CNN Fox News Yahoo whatever go to those

280

00:12:00,650 --> 00:11:57,899

news channels this story is nowhere to

281

00:12:02,930 --> 00:12:00,660

be found a top intelligence officer

282

00:12:05,389 --> 00:12:02,940

national news

283

00:12:07,610 --> 00:12:05,399

but it's too unbelievable for people to

284

00:12:10,430 --> 00:12:07,620

even talk about what's believable are

285

00:12:13,610 --> 00:12:10,440

hoaxes that's why CNN plays the freaking

286

00:12:16,130 --> 00:12:13,620

Las Vegas alien story which is just a

287

00:12:18,170 --> 00:12:16,140

pure funny story that they run on their

288

00:12:21,230 --> 00:12:18,180

Channel but not the Dave grosh story if

289

00:12:24,170 --> 00:12:21,240

you needed any more hints

290

00:12:27,110 --> 00:12:24,180

that Legacy Media is trying to control

291

00:12:29,630 --> 00:12:27,120

the information flow decide what's

292

00:12:31,730 --> 00:12:29,640

important it's what's not no matter what

293

00:12:33,410 --> 00:12:31,740

people think

294

00:12:35,509 --> 00:12:33,420

you're Clueless

295

00:12:37,850 --> 00:12:35,519

the media is trying to control what

296

00:12:40,370 --> 00:12:37,860

becomes popular and known and what isn't

297

00:12:43,670 --> 00:12:40,380

and they've elected

298

00:12:45,610 --> 00:12:43,680

to not select this story

299

00:12:48,829 --> 00:12:45,620

they've elected

300

00:12:51,949 --> 00:12:48,839

to I think maybe talk about Donald Trump

301  
00:12:54,050 --> 00:12:51,959  
for this sixth straight year it's weird

302  
00:12:57,610 --> 00:12:54,060  
man it's weird

303  
00:13:02,930 --> 00:13:00,769  
well anyways so I just wanted to give

304  
00:13:05,090 --> 00:13:02,940  
you the update we've got some comments

305  
00:13:08,569 --> 00:13:05,100  
from some Representatives

306  
00:13:11,030 --> 00:13:08,579  
um the complaint is out in public so I

307  
00:13:12,050 --> 00:13:11,040  
wanted to read that for you

308  
00:13:14,210 --> 00:13:12,060  
um

309  
00:13:15,370 --> 00:13:14,220  
we're gonna leave with what the heck is

310  
00:13:23,240 --> 00:13:15,380  
that
