00:00:26,050 --> 00:00:23,230
[Music]

3
00:00:31,749 --> 00:00:26,060
like you've never wept

4
00:00:40,030 --> 00:00:35,110
let us not neglect

5
00:00:47,930 --> 00:00:43,450
waiting for another

6
00:00:51,100 --> 00:00:47,940
back and forth like I'm roaming

7
00:00:58,910 --> 00:00:51,110
back and forth like I'm wrong

8
00:01:02,869 --> 00:01:00,770
people are ready to hear whatever's out

9
00:01:04,609 --> 00:01:02,879
there maybe it's a man-made aircraft

10
00:01:05,630 --> 00:01:04,619
maybe it's otherworldly station what's

11
00:01:07,550 --> 00:01:05,640
up y'all

12
00:01:09,710 --> 00:01:07,560
thanks for joining me for this episode

13
00:01:11,630 --> 00:01:09,720

which may be a little bit different

14

00:01:14,330 --> 00:01:11,640

today I want to tackle a couple of

15

00:01:18,410 --> 00:01:14,340

things that I think need to be discussed

16

00:01:20,749 --> 00:01:18,420

with David grush we have

17

00:01:22,609 --> 00:01:20,759

um the term whistleblower in the news

18

00:01:25,310 --> 00:01:22,619

quite a lot

19

00:01:27,830 --> 00:01:25,320

and reprisals of whistleblowers

20

00:01:30,170 --> 00:01:27,840

David Rush tells us that his house was

21

00:01:31,390 --> 00:01:30,180

broken into and probably his phones were

22

00:01:31,789 --> 00:01:31,400

tapped and

23

00:01:32,630 --> 00:01:31,799

[Music]

24

00:01:34,670 --> 00:01:32,640

um

25

00:01:36,710 --> 00:01:34,680

his security clearance was taken away

26

00:01:39,710 --> 00:01:36,720

briefly

27

00:01:41,810 --> 00:01:39,720

and this is after he reported to the IG

28

00:01:43,670 --> 00:01:41,820

the Inspector General

29

00:01:46,069 --> 00:01:43,680

and apparently after he even met George

30

00:01:48,350 --> 00:01:46,079

Knapp and Jeremy Corbell at a Star Trek

31

00:01:54,889 --> 00:01:48,360

convention he came to the office the

32

00:01:59,510 --> 00:01:57,590

so obviously this all means that there's

33

00:02:01,130 --> 00:01:59,520

something to the things that he is

34

00:02:03,830 --> 00:02:01,140

saying

35

00:02:04,730 --> 00:02:03,840

and the IG takes it his complaint as

36

00:02:07,249 --> 00:02:04,740

credible

37

00:02:08,870 --> 00:02:07,259

and Urgent so

38

00:02:10,609 --> 00:02:08,880

this was

39

00:02:14,390 --> 00:02:10,619

over a year ago

40

00:02:17,630 --> 00:02:14,400

and we're just learning about this now

41

00:02:19,250 --> 00:02:17,640

we've learned that actual Congressional

42

00:02:22,070 --> 00:02:19,260

Representatives

43

00:02:24,470 --> 00:02:22,080

were Mia

44

00:02:26,330 --> 00:02:24,480

when grush gave testimony

45

00:02:30,229 --> 00:02:26,340

two different times once for like four

46

00:02:35,990 --> 00:02:33,170

the only people that were there

47

00:02:37,130 --> 00:02:36,000

were Congressional assistants and

48

00:02:38,690 --> 00:02:37,140

lawyers

49

00:02:40,309 --> 00:02:38,700

I don't think people realize how

50

00:02:42,229 --> 00:02:40,319

difficult it is for a whistleblower to

51
00:02:43,430 --> 00:02:42,239
come forward no one wants to be a

52
00:02:46,190 --> 00:02:43,440
whistleblower

53
00:02:48,110 --> 00:02:46,200
and tattletail on other people some of

54
00:02:51,890 --> 00:02:48,120
which have probably become close friends

55
00:02:55,910 --> 00:02:53,630
nobody wants to go through those

56
00:02:57,949 --> 00:02:55,920
reprisals

57
00:02:59,750 --> 00:02:57,959
nobody wants to be punished for doing

58
00:03:01,610 --> 00:02:59,760
the right thing

59
00:03:05,030 --> 00:03:01,620
unfortunately that happens to human

60
00:03:11,509 --> 00:03:07,250
to the point of doing the right thing

61
00:03:11,519 --> 00:03:15,470
so when we think about whistleblowers

62
00:03:20,149 --> 00:03:17,750
we have to be grateful for them Having

63
00:03:22,610 --> 00:03:20,159

the courage and strength to come forward

64

00:03:25,009 --> 00:03:22,620

because it's not easy and for those who

65

00:03:26,570 --> 00:03:25,019

haven't we need to be compassionate and

66

00:03:29,270 --> 00:03:26,580

empathetic and realize that we don't

67

00:03:31,190 --> 00:03:29,280

know their individual position

68

00:03:33,890 --> 00:03:31,200

that would maybe stop them from coming

69

00:03:37,970 --> 00:03:35,809

and I don't think a lot of us know very

70

00:03:39,649 --> 00:03:37,980

much about The Whistleblower process and

71

00:03:42,289 --> 00:03:39,659

what that looks like

72

00:03:45,229 --> 00:03:42,299

so I wanted to dig into that a little

73

00:03:47,330 --> 00:03:45,239

bit and see if this was like

74

00:03:52,070 --> 00:03:47,340

you know I know it's not an easy process

75

00:03:58,390 --> 00:03:53,990

how these whistleblower situations go

76

00:04:03,649 --> 00:04:00,710

in doing that research I found a really

77

00:04:05,149 --> 00:04:03,659

good article on vox.com

78

00:04:07,490 --> 00:04:05,159

and I'm just going to read this part of

79

00:04:09,110 --> 00:04:07,500

it because it is specific towards

80

00:04:12,949 --> 00:04:09,120

whistleblowers

81

00:04:14,570 --> 00:04:12,959

the situations they find themselves in

82

00:04:17,990 --> 00:04:14,580

and however they're pretty much just

83

00:04:22,550 --> 00:04:20,150

the section is entitled whistleblowers

84

00:04:25,310 --> 00:04:22,560

have to advocate for themselves and

85

00:04:27,110 --> 00:04:25,320

fight against retaliation

86

00:04:29,990 --> 00:04:27,120

if a whistleblower in the intelligence

87

00:04:33,409 --> 00:04:30,000

Community does face retaliation

88

00:04:36,350 --> 00:04:33,419

they have to advocate for themselves

89

00:04:38,629 --> 00:04:36,360

the main channel for doing so is via an

90

00:04:41,450 --> 00:04:38,639

internal complaint to the intelligence

91

00:04:43,749 --> 00:04:41,460

community's Inspector General

92

00:04:46,909 --> 00:04:43,759

an official who's been appointed

93

00:04:49,129 --> 00:04:46,919

explicitly to scrutinize misconduct at

94

00:04:51,050 --> 00:04:49,139

government agencies

95

00:04:53,390 --> 00:04:51,060

the person must file a claim of

96

00:04:54,650 --> 00:04:53,400

retaliation with the relevant Inspector

97

00:04:57,710 --> 00:04:54,660

General

98

00:05:01,909 --> 00:04:57,720

there is then an internal agency review

99

00:05:06,230 --> 00:05:04,189

if the Inspector General determines that

100

00:05:08,090 --> 00:05:06,240

the complaint is not credible The

101
00:05:11,210 --> 00:05:08,100
Whistleblower has an opportunity to

102
00:05:13,550 --> 00:05:11,220
appeal to an external review board

103
00:05:16,129 --> 00:05:13,560
because of how sensitive the workings of

104
00:05:18,170 --> 00:05:16,139
the intelligence Community are the

105
00:05:19,610 --> 00:05:18,180
process for raising a retaliation

106
00:05:22,550 --> 00:05:19,620
complaint

107
00:05:24,230 --> 00:05:22,560
is incredibly opaque

108
00:05:25,909 --> 00:05:24,240
the enforcement mechanisms for

109
00:05:27,070 --> 00:05:25,919
intelligence Community employees are

110
00:05:30,409 --> 00:05:27,080
weak

111
00:05:32,629 --> 00:05:30,419
the process is entirely internal to the

112
00:05:35,390 --> 00:05:32,639
intelligence community and there is no

113
00:05:37,189 --> 00:05:35,400

public transparency process

114

00:05:39,110 --> 00:05:37,199

this is colipino

115

00:05:41,090 --> 00:05:39,120

there's also the possibility of

116

00:05:42,469 --> 00:05:41,100

potentially awkward conflicts of

117

00:05:44,629 --> 00:05:42,479

interest

118

00:05:46,969 --> 00:05:44,639

when the superiors who are instigating

119

00:05:49,070 --> 00:05:46,979

the retaliation whether that's a firing

120

00:05:51,770 --> 00:05:49,080

or demotion are also involved in

121

00:05:53,510 --> 00:05:51,780

determining if it qualifies as an

122

00:05:56,150 --> 00:05:53,520

overreach in response to the

123

00:05:57,830 --> 00:05:56,160

whistleblower's actions it is riddled

124

00:05:59,629 --> 00:05:57,840

with huge conflict because the head of

125

00:06:01,249 --> 00:05:59,639

the agency that takes the retaliation

126

00:06:04,189 --> 00:06:01,259

ultimately gets to decide the

127

00:06:06,409 --> 00:06:04,199

whistleblowers retaliation case I

128

00:06:08,150 --> 00:06:06,419

thought it really did a good job of

129

00:06:09,590 --> 00:06:08,160

capturing what it's like for some

130

00:06:11,810 --> 00:06:09,600

whistleblowers

131

00:06:14,749 --> 00:06:11,820

where you have to fend for yourself

132

00:06:19,129 --> 00:06:14,759

where sometimes the Inspector General is

133

00:06:26,570 --> 00:06:22,730

in what you're whistleblowing about

134

00:06:28,129 --> 00:06:26,580

or the retaliation efforts against you

135

00:06:33,590 --> 00:06:28,139

which it's interesting because David

136

00:06:35,930 --> 00:06:33,600

Rush after he supplied his complaint

137

00:06:38,150 --> 00:06:35,940

somebody gave his name out

138

00:06:41,689 --> 00:06:38,160

because the reprisals begin

139

00:06:45,890 --> 00:06:44,210

it's all speculation I don't know but

140

00:06:47,390 --> 00:06:45,900

you can see this isn't easy because

141

00:06:49,309 --> 00:06:47,400

you're going out there pretty much on

142

00:07:00,650 --> 00:06:49,319

your own to fight a corrupt government

143

00:07:04,730 --> 00:07:02,570

this has kind of been coming up lately

144

00:07:06,830 --> 00:07:04,740

and I completely understand why and it's

145

00:07:08,930 --> 00:07:06,840

the church committee from the 1970s

146

00:07:10,969 --> 00:07:08,940

where bipartisan committee

147

00:07:12,950 --> 00:07:10,979

with a rotating membership

148

00:07:15,350 --> 00:07:12,960

so that it would not be preempted by the

149

00:07:18,230 --> 00:07:15,360

agencies that it is to oversee

150

00:07:20,450 --> 00:07:18,240

with a sufficient Authority both to keep

151
00:07:23,150 --> 00:07:20,460
the secrets that are legitimate

152
00:07:24,950 --> 00:07:23,160
and to

153
00:07:28,070 --> 00:07:24,960
investigate

154
00:07:29,629 --> 00:07:28,080
and expose wrongdoing when it occurs

155
00:07:33,529 --> 00:07:29,639
we want to be sure that this country

156
00:07:35,510 --> 00:07:33,539
stays free and that means that any spy

157
00:07:38,330 --> 00:07:35,520
agency continues

158
00:07:40,129 --> 00:07:38,340
to be outward looking to spy on

159
00:07:41,990 --> 00:07:40,139
foreigners but not to be spying on

160
00:07:43,610 --> 00:07:42,000
Americans or not to be trampling upon

161
00:07:45,830 --> 00:07:43,620
the laws and constitutional rights of

162
00:07:47,990 --> 00:07:45,840
American citizens that would be its

163
00:07:50,570 --> 00:07:48,000

purpose and in the long run it would

164

00:07:52,930 --> 00:07:50,580

contribute to public confidence in the

165

00:07:55,270 --> 00:07:52,940

CIA and make for an efficient

166

00:07:58,309 --> 00:07:55,280

intelligence agency

167

00:08:04,309 --> 00:07:58,319

operating within the law Frank Church

168

00:08:06,890 --> 00:08:04,319

headed a senate committee to look into

169

00:08:08,330 --> 00:08:06,900

Intel agencies violating the privacy of

170

00:08:10,670 --> 00:08:08,340

their citizens

171

00:08:12,830 --> 00:08:10,680

in Congress and sometimes even the

172

00:08:14,150 --> 00:08:12,840

president not knowing about the things

173

00:08:16,370 --> 00:08:14,160

that they're doing

174

00:08:18,650 --> 00:08:16,380

which is exactly what's being purported

175

00:08:20,029 --> 00:08:18,660

to happen here so I thought it'd be fair

176

00:08:21,950 --> 00:08:20,039

to kind of look into that church

177

00:08:24,350 --> 00:08:21,960

committee

178

00:08:26,749 --> 00:08:24,360

and see what we can take away from it

179

00:08:29,089 --> 00:08:26,759

first of all what people think of it

180

00:08:31,430 --> 00:08:29,099

they think of the CIA

181

00:08:35,810 --> 00:08:31,440

when in fact the church committee

182

00:08:38,870 --> 00:08:35,820

revealed wrongdoings in this regard

183

00:08:43,670 --> 00:08:38,880

from NSA CIA

184

00:08:47,870 --> 00:08:46,010

so this was ingrained in different

185

00:08:50,030 --> 00:08:47,880

intelligence

186

00:08:53,930 --> 00:08:50,040

groups

187

00:08:56,389 --> 00:08:53,940

for instance the FBI

188

00:08:58,430 --> 00:08:56,399

the FBI sent an anonymous letter to

189

00:09:00,650 --> 00:08:58,440

Martin Luther King Jr

190

00:09:01,970 --> 00:09:00,660

some 30 days before he won the Nobel

191

00:09:04,790 --> 00:09:01,980

Peace Prize

192

00:09:07,550 --> 00:09:04,800

suggesting he should kill himself the

193

00:09:10,009 --> 00:09:07,560

bureau went so far as to mail Anonymous

194

00:09:13,190 --> 00:09:10,019

letters to Dr King and his wife

195

00:09:16,250 --> 00:09:13,200

which were mailed shortly before he was

196

00:09:20,449 --> 00:09:16,260

awarded the Nobel Peace Prize

197

00:09:21,829 --> 00:09:20,459

and finishes with this

198

00:09:23,930 --> 00:09:21,839

suggestion

199

00:09:26,329 --> 00:09:23,940

King there is only one thing left for

200

00:09:29,389 --> 00:09:26,339

you to do you know what it is you have

201

00:09:31,190 --> 00:09:29,399

just 34 days in which to do it this

202

00:09:33,170 --> 00:09:31,200

exact number has been selected for a

203

00:09:35,389 --> 00:09:33,180

specific reason it is definite practical

204

00:09:37,750 --> 00:09:35,399

significance it was 34 days before the

205

00:09:40,610 --> 00:09:37,760

award you are done

206

00:09:42,350 --> 00:09:40,620

that was taken by Dr King to mean a

207

00:09:44,340 --> 00:09:42,360

suggestion for suicide was it nice

208

00:09:47,870 --> 00:09:44,350

that's our understanding senator

209

00:09:47,880 --> 00:09:54,290

now if you had received such a letter um

210

00:09:59,930 --> 00:09:56,690

how would you have interpreted that

211

00:10:02,870 --> 00:09:59,940

what would you have thought it meant

212

00:10:04,850 --> 00:10:02,880

I have read that statement I have heard

213

00:10:07,070 --> 00:10:04,860

the conclusions of your staff that it

214

00:10:10,070 --> 00:10:07,080

was a suicide urging

215

00:10:13,610 --> 00:10:10,080

I can't find any basis upon which they

216

00:10:17,870 --> 00:10:15,410

the other thing that was exposed one of

217

00:10:22,090 --> 00:10:17,880

the main things that was exposed

218

00:10:27,590 --> 00:10:25,009

abused their power

219

00:10:30,410 --> 00:10:27,600

now though the church committee was held

220

00:10:33,590 --> 00:10:30,420

in 1975 to build up to that committee

221

00:10:37,130 --> 00:10:33,600

started much earlier as early as 1970

222

00:10:40,449 --> 00:10:37,140

where we could see this news article

223

00:10:43,550 --> 00:10:40,459

from the Sun Journal December 17 1970

224

00:10:45,769 --> 00:10:43,560

military snooping Navy and Air Force

225

00:10:48,050 --> 00:10:45,779

have secret domestic spying guidelines

226

00:10:50,569 --> 00:10:48,060

similar to Army

227

00:10:52,190 --> 00:10:50,579

secret military guidelines give the Navy

228

00:10:54,110 --> 00:10:52,200

and Air Force domestic intelligence

229

00:10:55,430 --> 00:10:54,120

gathering duties similar to those of the

230

00:10:57,410 --> 00:10:55,440

army

231

00:10:59,449 --> 00:10:57,420

which a senator says has spied on

232

00:11:01,970 --> 00:10:59,459

members of Congress and hundreds of

233

00:11:04,970 --> 00:11:01,980

other civilians documents obtained by

234

00:11:07,009 --> 00:11:04,980

the Associated Press including one stamp

235

00:11:09,610 --> 00:11:07,019

secret on every page State the two

236

00:11:12,470 --> 00:11:09,620

military branches

237

00:11:14,269 --> 00:11:12,480

have investigative and Reporting

238

00:11:16,790 --> 00:11:14,279

requirements relating to civil

239

00:11:20,509 --> 00:11:16,800

disturbances

240

00:11:22,430 --> 00:11:20,519

and dissident or subversive activities

241

00:11:23,990 --> 00:11:22,440

until now little has been known about

242

00:11:25,910 --> 00:11:24,000

the Navy and Air Force domestic

243

00:11:28,930 --> 00:11:25,920

intelligence operations although the

244

00:11:32,150 --> 00:11:28,940

Army's activities in this field

245

00:11:33,889 --> 00:11:32,160

undertaken under similar guidelines

246

00:11:36,050 --> 00:11:33,899

have been the subject of a year-long

247

00:11:38,750 --> 00:11:36,060

controversy the fear flared again

248

00:11:40,790 --> 00:11:38,760

Wednesday when Senator Sam Irvin

249

00:11:43,970 --> 00:11:40,800

said Army agents had collected

250

00:11:45,590 --> 00:11:43,980

information on Senator Senator Stevenson

251

00:11:48,290 --> 00:11:45,600

Ill

252

00:11:50,090 --> 00:11:48,300

former Illinois governor now a federal

253

00:11:52,490 --> 00:11:50,100

judge

254

00:11:54,050 --> 00:11:52,500

and representative from Illinois

255

00:11:56,090 --> 00:11:54,060

Democrat

256

00:11:57,650 --> 00:11:56,100

and then in 1975 we had the church

257

00:12:00,410 --> 00:11:57,660

committee and even more information

258

00:12:02,329 --> 00:12:00,420

started to come out about these uh

259

00:12:03,889 --> 00:12:02,339

situations only with respect to the

260

00:12:05,990 --> 00:12:03,899

failure of the Congress in the past

261

00:12:07,850 --> 00:12:06,000

exercise proper surveillance over

262

00:12:09,889 --> 00:12:07,860

intelligence activities

263

00:12:11,590 --> 00:12:09,899

but also

264

00:12:14,930 --> 00:12:11,600

uh

265

00:12:16,910 --> 00:12:14,940

excessive secrecy has created this kind

266

00:12:18,769 --> 00:12:16,920

of Mischief within the executive branch

267

00:12:22,730 --> 00:12:18,779

here we have a case

268

00:12:25,850 --> 00:12:22,740

where the very methods of secrecy are

269

00:12:30,490 --> 00:12:25,860

concealed for five years

270

00:12:34,130 --> 00:12:30,500

an act of insubordination within the CIA

271

00:12:36,889 --> 00:12:34,140

that came to light only by the

272

00:12:39,410 --> 00:12:36,899

happenstance but Mr Colby the present

273

00:12:42,410 --> 00:12:39,420

director asked the agency if they please

274

00:12:44,930 --> 00:12:42,420

wouldn't tell him where the CIA was

275

00:12:47,090 --> 00:12:44,940

influencing the media and I think this

276

00:12:48,650 --> 00:12:47,100

is especially relevant today I'm not

277

00:12:49,850 --> 00:12:48,660

saying that still happens because I

278

00:12:52,370 --> 00:12:49,860

don't know

279

00:12:54,829 --> 00:12:52,380

but a lot of people bring this up as a

280

00:12:57,350 --> 00:12:54,839

possibility as we can see Outlets like

281

00:13:00,410 --> 00:12:57,360

the New York Times CNN and others

282

00:13:03,230 --> 00:13:00,420

completely ignores the story

283

00:13:06,110 --> 00:13:03,240

of The Whistleblower David Rush

284

00:13:08,210 --> 00:13:06,120

this is entitled CBS CIA connection

285

00:13:10,370 --> 00:13:08,220

uncloaked

286

00:13:13,370 --> 00:13:10,380

slowly and painfully the truth comes out

287

00:13:15,350 --> 00:13:13,380

back in 1973 we learned that the CIA had

288

00:13:17,690 --> 00:13:15,360

been using journalists as agents and

289

00:13:19,970 --> 00:13:17,700

news organizations as cover

290

00:13:23,329 --> 00:13:19,980

the disclosure came from William Kobe

291

00:13:25,129 --> 00:13:23,339

the then CIA director who also said that

292

00:13:27,829 --> 00:13:25,139

he would cut back his agency's

293

00:13:29,930 --> 00:13:27,839

involvement with the Press

294

00:13:31,790 --> 00:13:29,940

since then there have been a series of

295

00:13:34,190 --> 00:13:31,800

similar Revelations and Promises of

296

00:13:36,230 --> 00:13:34,200

change the details were different each

297

00:13:38,810 --> 00:13:36,240

time but it was abundantly clear that

298

00:13:41,090 --> 00:13:38,820

the CIA was using the press and hated to

299

00:13:43,910 --> 00:13:41,100

give it up another thing that comes up

300

00:13:45,310 --> 00:13:43,920

in UFO land so to speak is

301
00:13:48,790 --> 00:13:45,320
misinformation

302
00:13:51,410 --> 00:13:48,800
uh Sensational details

303
00:13:53,090 --> 00:13:51,420
inaccurate accounts

304
00:13:55,190 --> 00:13:53,100
what have you

305
00:13:57,889 --> 00:13:55,200
we're all familiar with Richard Dottie

306
00:13:59,690 --> 00:13:57,899
in the case of Paul benowitz

307
00:14:01,690 --> 00:13:59,700
and how Paul benowitz thought he was

308
00:14:04,910 --> 00:14:01,700
seeing UFOs at Kirkland Air Force Base

309
00:14:08,750 --> 00:14:04,920
Dottie got to know this person

310
00:14:10,069 --> 00:14:08,760
he told them yes they were UFOs and yes

311
00:14:11,990 --> 00:14:10,079
he was communicating with

312
00:14:14,750 --> 00:14:12,000
extraterrestrials via his ham radio

313
00:14:19,069 --> 00:14:16,690

and really

314

00:14:21,769 --> 00:14:19,079

encouraged his belief

315

00:14:23,449 --> 00:14:21,779

and extraterrestrials and aliens and at

316

00:14:30,290 --> 00:14:23,459

the time he worked for the Air Force

317

00:14:36,710 --> 00:14:32,150

now why am I mentioning this because

318

00:14:43,670 --> 00:14:38,690

while he was currently

319

00:14:48,170 --> 00:14:45,470

now mentioning this because one of the

320

00:14:50,509 --> 00:14:48,180

popular stories right now about UFOs

321

00:14:53,090 --> 00:14:50,519

is about a kid who saw

322

00:14:55,069 --> 00:14:53,100

a 9 to 10 foot alien being in his

323

00:14:56,629 --> 00:14:55,079

backyard with this whole family cops

324

00:14:59,150 --> 00:14:56,639

came the cops were kind of convinced

325

00:15:02,030 --> 00:14:59,160

because they saw green meteor earlier in

326

00:15:04,189 --> 00:15:02,040

this story one of the clips on news

327

00:15:06,110 --> 00:15:04,199

Nation with Nick popez over 4 million

328

00:15:08,810 --> 00:15:06,120

plays

329

00:15:12,710 --> 00:15:08,820

in this story

330

00:15:14,449 --> 00:15:12,720

happened like a month before its release

331

00:15:17,930 --> 00:15:14,459

its release

332

00:15:24,050 --> 00:15:20,030

with whistleblower David grush and his

333

00:15:29,150 --> 00:15:26,090

at this point it's fair to say that the

334

00:15:31,610 --> 00:15:29,160

Las Vegas nine-foot alien being story is

335

00:15:34,009 --> 00:15:31,620

quite a bit more popular

336

00:15:36,170 --> 00:15:34,019

the kid who saw the being

337

00:15:37,790 --> 00:15:36,180

started all these different social media

338

00:15:41,569 --> 00:15:37,800

alien accounts

339

00:15:43,490 --> 00:15:41,579

prior to the release of this information

340

00:15:46,250 --> 00:15:43,500

the kid in the families don't answer

341

00:15:48,769 --> 00:15:46,260

requests from reporters after they first

342

00:15:50,629 --> 00:15:48,779

Contact the reporters

343

00:15:52,550 --> 00:15:50,639

it's a hoax

344

00:15:53,990 --> 00:15:52,560

and what's with the timing it's pretty

345

00:15:55,910 --> 00:15:54,000

awkward

346

00:15:59,389 --> 00:15:55,920

so we have a credible whistleblower

347

00:16:01,250 --> 00:15:59,399

coming forward a national news

348

00:16:04,009 --> 00:16:01,260

and then we have a sensational story

349

00:16:04,850 --> 00:16:04,019

about alien beings that are 9 10 feet

350

00:16:07,370 --> 00:16:04,860

tall

351
00:16:09,650 --> 00:16:07,380
so if we go back in history do we find

352
00:16:12,350 --> 00:16:09,660
any other cases like this

353
00:16:13,910 --> 00:16:12,360
we do know that part of the ndaa that

354
00:16:16,250 --> 00:16:13,920
was passed into law

355
00:16:19,310 --> 00:16:16,260
a part of Arrow was looking back into

356
00:16:21,230 --> 00:16:19,320
misinformation campaigns

357
00:16:23,389 --> 00:16:21,240
so I would fully expect to hear about

358
00:16:25,970 --> 00:16:23,399
those

359
00:16:29,210 --> 00:16:25,980
well I'm going to use a case that you

360
00:16:34,490 --> 00:16:31,670
and at first it may be confusing but let

361
00:16:38,030 --> 00:16:34,500
me get through it be patient with me and

362
00:16:42,470 --> 00:16:40,490
this case is

363
00:16:45,170 --> 00:16:42,480

the story is about a case that happened

364

00:16:48,470 --> 00:16:45,180

at elsewhere at the Air Force Base

365

00:16:53,090 --> 00:16:48,480

November 16 1977.

366

00:16:59,449 --> 00:16:57,290

and Richard Dottie was heavily expected

367

00:17:00,650 --> 00:16:59,459

and apparently he even confirmed to some

368

00:17:02,569 --> 00:17:00,660

people

369

00:17:04,669 --> 00:17:02,579

that he was responsible for the telling

370

00:17:06,770 --> 00:17:04,679

of this story

371

00:17:08,390 --> 00:17:06,780

a story gaining Credence among some UFO

372

00:17:10,429 --> 00:17:08,400

researchers concerns the reported

373

00:17:13,669 --> 00:17:10,439

Landing of a UFO near a missile site in

374

00:17:15,650 --> 00:17:13,679

South Dakota on November 16 1977 with

375

00:17:17,510 --> 00:17:15,660

the UFO's occupants

376

00:17:20,090 --> 00:17:17,520

stealing the missile's nuclear

377

00:17:22,549 --> 00:17:20,100

components and wounding a security

378

00:17:24,350 --> 00:17:22,559

policemen

379

00:17:26,270 --> 00:17:24,360

the writer says as one of those who

380

00:17:28,450 --> 00:17:26,280

investigated the alleged incident I can

381

00:17:30,590 --> 00:17:28,460

say positively that it never happened

382

00:17:32,630 --> 00:17:30,600

unfortunately some people choose to

383

00:17:34,850 --> 00:17:32,640

believe otherwise let me explain some of

384

00:17:38,390 --> 00:17:34,860

what I know about the Ellsworth case

385

00:17:40,850 --> 00:17:38,400

and perhaps we can lay it to rest

386

00:17:43,250 --> 00:17:40,860

so these researchers put in some 40-plus

387

00:17:46,010 --> 00:17:43,260

days of research on this case and found

388

00:17:46,970 --> 00:17:46,020

some 20 30 discrepancies in the details

389

00:17:49,370 --> 00:17:46,980

of it

390

00:17:52,490 --> 00:17:49,380

the reaction was obviously this was a

391

00:17:54,169 --> 00:17:52,500

fantastic story if it was true

392

00:17:55,850 --> 00:17:54,179

the report form certainly seemed

393

00:17:57,950 --> 00:17:55,860

authentic but the report itself sounded

394

00:18:01,010 --> 00:17:57,960

very much like a hoax

395

00:18:02,870 --> 00:18:01,020

however it had to be checked out we were

396

00:18:06,049 --> 00:18:02,880

certain the Air Force would deny it so

397

00:18:10,010 --> 00:18:08,150

they made phone calls around town they

398

00:18:11,270 --> 00:18:10,020

interviewed people nobody heard of the

399

00:18:14,750 --> 00:18:11,280

incident

400

00:18:16,970 --> 00:18:14,760

one of the witnesses was not able to be

401
00:18:19,250 --> 00:18:16,980
confirmed as being at the base although

402
00:18:20,570 --> 00:18:19,260
everybody else was they tried to call

403
00:18:22,490 --> 00:18:20,580
them

404
00:18:24,710 --> 00:18:22,500
the phone just kept ringing seemed like

405
00:18:25,789 --> 00:18:24,720
a fake number these investigators for a

406
00:18:27,710 --> 00:18:25,799
little bit thought there might be

407
00:18:30,049 --> 00:18:27,720
something to this

408
00:18:32,810 --> 00:18:30,059
it's interesting what their final

409
00:18:34,789 --> 00:18:32,820
comment is here they say

410
00:18:36,409 --> 00:18:34,799
some researchers believe that although

411
00:18:39,350 --> 00:18:36,419
the Ellsworth incident might have been a

412
00:18:41,150 --> 00:18:39,360
hoax the Air Force engineered the whole

413
00:18:43,430 --> 00:18:41,160

thing to distract attention from

414

00:18:46,070 --> 00:18:43,440

something else it wanted to hide

415

00:18:47,870 --> 00:18:46,080

what could that be I have no clue

416

00:18:49,730 --> 00:18:47,880

one researcher told me that there have

417

00:18:51,710 --> 00:18:49,740

been many UFO sightings in that area at

418

00:18:53,870 --> 00:18:51,720

the time but if so I was never aware of

419

00:18:55,549 --> 00:18:53,880

them nor can I imagine why the Air Force

420

00:18:56,750 --> 00:18:55,559

would attract the attention of Inquirer

421

00:18:59,390 --> 00:18:56,760

reporters

422

00:19:01,610 --> 00:18:59,400

if it did have something to hide on the

423

00:19:03,409 --> 00:19:01,620

other hand my editor Bill dick who died

424

00:19:05,870 --> 00:19:03,419

a few years later was convinced that the

425

00:19:09,110 --> 00:19:05,880

Air Force was covering up something

426
00:19:10,789 --> 00:19:09,120
so Richard Dottie implants this story in

427
00:19:14,210 --> 00:19:10,799
the community

428
00:19:16,070 --> 00:19:14,220
but Ellsworth Air Force Base

429
00:19:18,289 --> 00:19:16,080
somebody sent a confirmation to the

430
00:19:20,930 --> 00:19:18,299
National Enquirer in 1977 who was

431
00:19:24,730 --> 00:19:20,940
Anonymous that it's real

432
00:19:31,250 --> 00:19:28,549
the aliens had guns injured somebody

433
00:19:35,150 --> 00:19:31,260
they stole the nuclear component

434
00:19:40,669 --> 00:19:37,730
now it just so happens

435
00:19:43,250 --> 00:19:40,679
someone who recently testified

436
00:19:46,730 --> 00:19:43,260
to Arrow

437
00:19:49,549 --> 00:19:46,740
his name is Mario Woods

438
00:19:52,669 --> 00:19:49,559

tells us

439

00:19:54,289 --> 00:19:52,679

pulled of his UFO encounter at Ellsworth

440

00:19:56,930 --> 00:19:54,299

Air Force Base

441

00:19:59,930 --> 00:19:56,940

which happened to be in November also of

442

00:20:02,270 --> 00:19:59,940

1977 and although he can't give an exact

443

00:20:04,970 --> 00:20:02,280

date he says he remembers it was about a

444

00:20:06,890 --> 00:20:04,980

week previous to Thanksgiving as he was

445

00:20:09,169 --> 00:20:06,900

trying to get off

446

00:20:10,789 --> 00:20:09,179

which just so happens to be November

447

00:20:12,890 --> 00:20:10,799

16th

448

00:20:14,630 --> 00:20:12,900

but Mario Woods tells a very different

449

00:20:16,669 --> 00:20:14,640

story

450

00:20:18,590 --> 00:20:16,679

from the engineer Richard Dottie's

451
00:20:20,870 --> 00:20:18,600
story

452
00:20:22,970 --> 00:20:20,880
Mario Woods

453
00:20:26,150 --> 00:20:22,980
remembers seeing Richard Dottie at

454
00:20:30,049 --> 00:20:28,310
Mario Woods got in contact with Richard

455
00:20:37,250 --> 00:20:30,059
Dottie

456
00:20:37,260 --> 00:20:44,150
Mario Woods tells us his story and it is

457
00:20:50,630 --> 00:20:46,490
breathtaking and emotional

458
00:20:55,250 --> 00:20:50,640
where he sees a big orange flame

459
00:20:55,260 --> 00:21:00,590
his friend goes into paralysis

460
00:21:07,370 --> 00:21:03,770
he experienced missing time for hours

461
00:21:09,710 --> 00:21:07,380
none of these things mentioned

462
00:21:12,590 --> 00:21:09,720
in the story that hit the Press

463
00:21:18,049 --> 00:21:15,289

the story

464

00:21:20,570 --> 00:21:18,059

that it depressed The Inquirer

465

00:21:22,250 --> 00:21:20,580

it was all manufactured

466

00:21:24,049 --> 00:21:22,260

and fake

467

00:21:26,090 --> 00:21:24,059

to cover up

468

00:21:28,490 --> 00:21:26,100

a real story that actually happened

469

00:21:33,110 --> 00:21:29,830

and it's called

470

00:21:35,810 --> 00:21:33,120

controlling the flow of information

471

00:21:38,330 --> 00:21:35,820

altering the details

472

00:21:42,240 --> 00:21:38,340

so people don't know what's truth

473

00:21:42,250 --> 00:21:54,409

[Music]

474

00:21:54,419 --> 00:22:00,920

thank you

475

00:22:13,850 --> 00:22:09,930

[Music]

476

00:22:15,230 --> 00:22:13,860

I know some people out there feel a

477

00:22:17,330 --> 00:22:15,240

different way emotionally about John

478

00:22:19,909 --> 00:22:17,340

Greenwald Black Vault whatever I don't

479

00:22:21,529 --> 00:22:19,919

want to get into that he made a post on

480

00:22:23,630 --> 00:22:21,539

Twitter Air Force Office of the

481

00:22:25,850 --> 00:22:23,640

secretary wrote yesterday since the

482

00:22:27,649 --> 00:22:25,860

termination of Project Blue Book nothing

483

00:22:30,289 --> 00:22:27,659

has occurred that would support a

484

00:22:32,930 --> 00:22:30,299

resumption of UFO investigations by the

485

00:22:35,330 --> 00:22:32,940

Air Force John Greenwald Jr creator of

486

00:22:37,789 --> 00:22:35,340

The Black Vault tweeted yesterday no

487

00:22:40,370 --> 00:22:37,799

this is not a quote from 1996 this was

488

00:22:42,350 --> 00:22:40,380

this morning in writing this is also

489

00:22:44,810 --> 00:22:42,360

written on the Air Force website Air

490

00:22:47,090 --> 00:22:44,820

Force was a contributor to the UAP

491

00:22:49,010 --> 00:22:47,100

report even though we were told very few

492

00:22:52,789 --> 00:22:49,020

reports actually came from the Air Force

493

00:22:56,510 --> 00:22:52,799

and one of the UAP assessments

494

00:22:58,870 --> 00:22:56,520

while the majority came from the Navy

495

00:23:01,610 --> 00:22:58,880

but apparently the Air Force

496

00:23:03,169 --> 00:23:01,620

naisc which is the Air Force and

497

00:23:05,990 --> 00:23:03,179

Jonathan Gray

498

00:23:07,970 --> 00:23:06,000

from Ray Patterson Air Force Base

499

00:23:13,070 --> 00:23:07,980

was mentioned in the Whistleblower

500

00:23:18,110 --> 00:23:16,190

here's what happened in 1975.

501
00:23:20,630 --> 00:23:18,120
now if you're familiar with the UFO

502
00:23:22,789 --> 00:23:20,640
topic and some of the historic military

503
00:23:25,610 --> 00:23:22,799
UFO sightings you should be familiar

504
00:23:29,570 --> 00:23:25,620
with the various UFO sightings over

505
00:23:32,450 --> 00:23:29,580
nuclear Minnesota bases in the mid 60s

506
00:23:35,390 --> 00:23:32,460
Robert Salas is probably the most

507
00:23:39,110 --> 00:23:35,400
well-known case in Witness

508
00:23:41,029 --> 00:23:39,120
that was from 1967. and I can attest

509
00:23:42,770 --> 00:23:41,039
that if you look at Blue Book Air Force

510
00:23:44,930 --> 00:23:42,780
files there were a number of sightings

511
00:23:49,070 --> 00:23:44,940
at that time

512
00:23:51,470 --> 00:23:49,080
some included Visual and radar sightings

513
00:23:52,610 --> 00:23:51,480

and oftentimes they didn't know what the

514

00:23:54,350 --> 00:23:52,620

cause was

515

00:23:56,570 --> 00:23:54,360

a couple of times recorded were

516

00:24:01,250 --> 00:23:56,580

break-ins to the missile silos

517

00:24:06,230 --> 00:24:03,830

we know the Mario Woods case in 1977

518

00:24:08,870 --> 00:24:06,240

these are all strategic area command

519

00:24:11,330 --> 00:24:08,880

nuclear missile bases there is also a

520

00:24:13,370 --> 00:24:11,340

time back in 1975

521

00:24:14,990 --> 00:24:13,380

that was ripe with these sightings as

522

00:24:17,110 --> 00:24:15,000

well

523

00:24:19,250 --> 00:24:17,120

and for this segment of back in time

524

00:24:21,470 --> 00:24:19,260

we're going to read an article that

525

00:24:24,950 --> 00:24:21,480

comes from the Miami Herald that dated

526

00:24:27,710 --> 00:24:24,960

Saturday January 20th 1979 UFO cited

527

00:24:30,529 --> 00:24:27,720

over missile bases report says

528

00:24:32,270 --> 00:24:30,539

by Ward sinclaren art Harris Washington

529

00:24:34,010 --> 00:24:32,280

Post Service

530

00:24:37,549 --> 00:24:34,020

interesting

531

00:24:39,230 --> 00:24:37,559

during two weeks in 1975 a string of the

532

00:24:41,750 --> 00:24:39,240

nation's sensitive nuclear missile

533

00:24:43,909 --> 00:24:41,760

launch sites and bomber bases was

534

00:24:45,890 --> 00:24:43,919

visited by unidentified low-flying and

535

00:24:47,630 --> 00:24:45,900

Elusive objects according to defense

536

00:24:50,330 --> 00:24:47,640

department reports

537

00:24:52,789 --> 00:24:50,340

the sightings made visually and on radar

538

00:24:54,710 --> 00:24:52,799

by air and ground Crews and sabotage

539

00:24:57,649 --> 00:24:54,720

alert forces occurred at installations

540

00:25:00,110 --> 00:24:57,659

in Montana Michigan and Maine

541

00:25:02,810 --> 00:25:00,120

and led to extensive but unsuccessful

542

00:25:04,430 --> 00:25:02,820

Air Force attempts to track and detain

543

00:25:06,289 --> 00:25:04,440

the objects

544

00:25:08,029 --> 00:25:06,299

Air Force and defense Department Records

545

00:25:10,130 --> 00:25:08,039

variously describe the objects as

546

00:25:12,470 --> 00:25:10,140

helicopters aircraft unknown entities

547

00:25:14,390 --> 00:25:12,480

[Music]

548

00:25:16,730 --> 00:25:14,400

and brightly lighted fast-moving

549

00:25:20,630 --> 00:25:16,740

vehicles that hovered over nuclear

550

00:25:24,230 --> 00:25:20,640

weapons storage areas and evaded all

551
00:25:28,310 --> 00:25:26,570
in several instances after bay security

552
00:25:30,409 --> 00:25:28,320
had been penetrated the Air Force and

553
00:25:32,630 --> 00:25:30,419
fighter planes Aloft to carry on the

554
00:25:35,029 --> 00:25:32,640
unsuccessful Pursuit the records do not

555
00:25:36,169 --> 00:25:35,039
indicate if the fighters fired on The

556
00:25:38,330 --> 00:25:36,179
Intruders

557
00:25:40,850 --> 00:25:38,340
the documents also give no indication

558
00:25:43,730 --> 00:25:40,860
that the airspace incursions provoked

559
00:25:47,090 --> 00:25:43,740
much more than local command concern

560
00:25:49,310 --> 00:25:47,100
but in November 11 1975 directive from

561
00:25:51,409 --> 00:25:49,320
the office of the secretary of the Air

562
00:25:55,370 --> 00:25:51,419
Force instructed public information

563
00:25:59,029 --> 00:25:55,380

staffers to avoid linking the scattered

564

00:26:01,730 --> 00:25:59,039

sightings unless specifically asked

565

00:26:04,549 --> 00:26:01,740

cover-up the defense department position

566

00:26:06,950 --> 00:26:04,559

cited in that memo and reiterated

567

00:26:08,450 --> 00:26:06,960

Thursday by a departmental spokesman is

568

00:26:10,669 --> 00:26:08,460

that formal investigation of

569

00:26:12,529 --> 00:26:10,679

unidentified flying objects ended in

570

00:26:14,570 --> 00:26:12,539

1969.

571

00:26:17,029 --> 00:26:14,580

and that there were no plans for renewed

572

00:26:19,010 --> 00:26:17,039

Air Force investigation

573

00:26:21,890 --> 00:26:19,020

yet another Air Force by the way they

574

00:26:23,570 --> 00:26:21,900

said that in 1950 I believe too yet

575

00:26:26,510 --> 00:26:23,580

another Air Force intelligence report

576

00:26:29,390 --> 00:26:26,520

indicated extensive interest in 1976

577

00:26:31,430 --> 00:26:29,400

incident over Iran when two Iranian Air

578

00:26:33,590 --> 00:26:31,440

Force F4 Phantom Fighters were scrambled

579

00:26:36,289 --> 00:26:33,600

to encounter a brightly lighted object

580

00:26:38,269 --> 00:26:36,299

in the skies near Tehran

581

00:26:40,789 --> 00:26:38,279

the object was tracked by Iranian ground

582

00:26:42,890 --> 00:26:40,799

radar seen independently by the crew of

583

00:26:44,990 --> 00:26:42,900

the commercial airliner and pursued by

584

00:26:46,970 --> 00:26:45,000

the f4s which accordingly to the report

585

00:26:49,430 --> 00:26:46,980

experienced a breakdown of their

586

00:26:51,470 --> 00:26:49,440

electronic communications devices when

587

00:26:52,970 --> 00:26:51,480

they neared the object

588

00:26:54,649 --> 00:26:52,980

the report compiled by the American

589

00:26:57,350 --> 00:26:54,659

officials said that the electronic

590

00:26:59,649 --> 00:26:57,360

weapons system of one of the planes went

591

00:27:01,789 --> 00:26:59,659

dead when its pilot prepared to fire an

592

00:27:03,890 --> 00:27:01,799

aim-9 missile

593

00:27:08,570 --> 00:27:03,900

at a smaller object that appeared to

594

00:27:08,580 --> 00:27:12,049

sounds like a Mothership

595

00:27:17,330 --> 00:27:15,110

the plane's electronic equipment

596

00:27:19,250 --> 00:27:17,340

reportedly began working again after

597

00:27:20,750 --> 00:27:19,260

they veered away from the smaller object

598

00:27:22,789 --> 00:27:20,760

which had returned to the larger light

599

00:27:25,549 --> 00:27:22,799

the report said

600

00:27:28,549 --> 00:27:25,559

Iranians described a larger object with

601
00:27:33,409 --> 00:27:28,559
colored Fast Flashing Lights

602
00:27:36,169 --> 00:27:33,419

603

in the 1975 and 76 sightings records

604
00:27:40,549 --> 00:27:39,059
from the Air Force and NORAD was turned

605
00:27:42,409 --> 00:27:40,559

phoenix-based organization that monitors

607
00:27:46,789 --> 00:27:45,480
UFO reports ground saucer watch obtained

608
00:27:49,370 --> 00:27:46,799
the information through a freedom of

609
00:27:52,549 --> 00:27:49,380
information request to the Air Force

610
00:27:54,710 --> 00:27:52,559
one of a number it has made to

611
00:27:55,880 --> 00:27:54,720
government agencies involved in UFO

612
00:27:57,710 --> 00:27:55,890
investigations

614

00:28:02,269 --> 00:28:00,419

similar request to the CIA made both by

615

00:28:05,269 --> 00:28:02,279

ground saucerwatch and the Washington

616

00:28:08,750 --> 00:28:05,279

Post resulted in the cias turning over

617

00:28:11,269 --> 00:28:08,760

almost 900 pages of documents related to

618

00:28:13,010 --> 00:28:11,279

its monitoring of UFO reports since the

619

00:28:15,470 --> 00:28:13,020

1950s

620

00:28:17,930 --> 00:28:15,480

the CIA was directed by a U.S District

621

00:28:20,149 --> 00:28:17,940

Court Judge here last year to turn over

622

00:28:22,850 --> 00:28:20,159

to ground saucerwatch data on UFOs

623

00:28:25,370 --> 00:28:22,860

unrelated to National Security I would

624

00:28:27,169 --> 00:28:25,380

love to see the UFOs that are related to

625

00:28:29,450 --> 00:28:27,179

National Security

626

00:28:30,769 --> 00:28:29,460

the CIA documents largely are a

627

00:28:32,990 --> 00:28:30,779

collection of worldwide intelligence

628

00:28:35,149 --> 00:28:33,000

629

00:28:36,769 --> 00:28:35,159

memorabilia relating to UFO sightings

630

and theories of extraterrestrial life

631

00:28:41,450 --> 00:28:39,000

the cia's position reiterated Thursday

632

00:28:44,570 --> 00:28:41,460

by spokesman is that it has no

633

00:28:46,970 --> 00:28:44,580

involvement with UFOs since 1953 when a

634

00:28:48,769 --> 00:28:46,980

special study panel concluded that they

635

00:28:51,830 --> 00:28:48,779

presented no threat to National Security

636

00:28:53,930 --> 00:28:51,840

with memos as recent as 1977 are

637

00:28:55,970 --> 00:28:53,940

included in documents Toca spokesman

638

00:28:58,250 --> 00:28:55,980

since the agency continues to be a

639

00:29:00,730 --> 00:28:58,260

passive recipient of UFO data even

640

00:29:02,930 --> 00:29:00,740

though none of the material is

641

secrecy said we've had to pry loose

645

00:29:13,130 --> 00:29:12,000

every item of information we have I am

646

00:29:15,409 --> 00:29:13,140

inclined to believe that government

647

00:29:18,230 --> 00:29:15,419

doesn't know any more about UFOs than we

648

00:29:20,990 --> 00:29:18,240

do but a few of those are what they say

649

00:29:23,450 --> 00:29:21,000

nothing why don't they open their files

650

00:29:25,610 --> 00:29:23,460

totally great point

00:29:34,250 --> 00:29:31,799
National Security Agency have refused to

656
00:29:35,389 --> 00:29:34,260
turn over certain other information that

657
00:29:38,690 --> 00:29:35,399
would shed more light on Military

658
00:29:40,549 --> 00:29:38,700
encounters with UFOs

659

around the missile and bomber facilities

663
00:29:52,549 --> 00:29:49,620

would not have been revealed had it not

664

00:29:54,289 --> 00:29:52,559

been for a leak from a pentagon source

665

00:29:56,330 --> 00:29:54,299
