

1
00:00:09,200 --> 00:00:17,470

[Music]

2
00:00:26,109 --> 00:00:21,730

what's the reason the secrets to be kept

3
00:00:31,810 --> 00:00:26,119

I so dry like you've never wept

4
00:00:40,030 --> 00:00:35,049

let us not neglect

5
00:00:47,990 --> 00:00:43,450

waiting for another

6
00:00:59,450 --> 00:00:48,000

back and forth like I'm roaming

7
00:00:59,460 --> 00:01:09,070

I'm still in love with you

8
00:01:18,429 --> 00:01:13,630

well in the dark my soul can't see

9
00:01:22,630 --> 00:01:18,439

what it means to be Faithfully

10
00:01:22,640 --> 00:01:27,609

I guess now you know me

11
00:01:35,630 --> 00:01:31,310

waiting through the summer

12
00:01:44,149 --> 00:01:39,890

back and forth like I'm wrong

13
00:01:47,450 --> 00:01:44,159

back and forth like I'm roaming

14

00:01:50,830 --> 00:01:47,460

best part of it all

15

00:01:50,840 --> 00:02:03,030

and I'm still in love with you

16

00:02:06,550 --> 00:02:05,170

[Music]

17

00:02:08,449 --> 00:02:06,560

[Applause]

18

00:02:16,729 --> 00:02:08,459

[Music]

19

00:02:16,739 --> 00:02:19,010

thank you

20

00:02:19,020 --> 00:02:25,570

best part of it all

21

00:02:33,949 --> 00:02:29,890

I'm still in love with you

22

00:02:33,959 --> 00:02:37,600

foreign

23

00:02:37,610 --> 00:02:41,140

[Applause]

24

00:03:28,550 --> 00:03:03,740

[Music]

25

00:03:32,030 --> 00:03:28,560

and I'm giving

26

00:03:34,980 --> 00:03:34,130

but for sake what's the

27

00:03:36,850 --> 00:03:34,990

difference

28

00:03:40,130 --> 00:03:36,860

[Music]

29

00:03:42,770 --> 00:03:40,140

you make the most of his opportunities

30

00:03:45,710 --> 00:03:42,780

so that left misgivings about the

31

00:03:50,910 --> 00:03:45,720

certainties and reasonably quite coming

32

00:04:01,869 --> 00:03:58,930

[Music]

33

00:04:04,770 --> 00:04:01,879

's gotta start with something

34

00:04:09,470 --> 00:04:04,780

otherwise it's for nothing

35

00:04:12,009 --> 00:04:09,480

[Music]

36

00:04:15,510 --> 00:04:12,019

dreams gotta stop from something

37

00:04:19,969 --> 00:04:15,520

or it's for nothing

38

00:04:22,670 --> 00:04:19,979

[Music]

39

00:04:24,620 --> 00:04:22,680

It's gotta start from something

40

00:04:29,469 --> 00:04:24,630

I'm rich for nothing

41

00:04:33,409 --> 00:04:29,479

[Music]

42

00:04:34,700 --> 00:04:33,419

veterans gotta start from something or

43

00:04:39,290 --> 00:04:34,710

it's for nothing

44

00:04:42,670 --> 00:04:39,300

[Music]

45

00:04:48,770 --> 00:04:46,370

stop is not giving up super early you

46

00:04:52,129 --> 00:04:48,780

said give it some time for it to unwind

47

00:04:54,650 --> 00:04:52,139

but I gotta go so trust me if it's not

48

00:04:58,010 --> 00:04:54,660

for something then take some gleed

49

00:05:00,650 --> 00:04:58,020

I guess for me personally bad dreams

50

00:05:02,810 --> 00:05:00,660

gotta start with something bad dreams

51
00:05:09,290 --> 00:05:02,820
gotta start with something otherwise

52
00:05:09,300 --> 00:05:17,920
foreign

53
00:05:17,930 --> 00:05:49,749
[Music]

54
00:05:55,249 --> 00:05:51,350
for nothing

55
00:05:57,290 --> 00:05:55,259
[Music]

56
00:05:59,629 --> 00:05:57,300
but I can't hear tomorrow but supposedly

57
00:06:01,490 --> 00:05:59,639
it's coming faster than we borrow all my

58
00:06:03,469 --> 00:06:01,500
life in a Riptide sipping through the

59
00:06:06,650 --> 00:06:03,479
soul is fine but the wave is 109 foot

60
00:06:09,050 --> 00:06:06,660
high usually Oceanside is somewhat of a

61
00:06:11,270 --> 00:06:09,060
lullaby when I'm satisfied in my line of

62
00:06:13,430 --> 00:06:11,280
work to die Pleasant and dry for 10

63
00:06:15,469 --> 00:06:13,440

months with no crime not a badass but

64

00:06:17,330 --> 00:06:15,479

life can be a past
