1  
00:00:04,010 --> 00:00:02,149  
I would argue that it wasn't a weather

2  
00:00:05,690 --> 00:00:04,020  
balloon it wasn't a flare it was it was

3  
00:00:07,190 --> 00:00:05,700  
an actual object that we tracked we

4  
00:00:08,750 --> 00:00:07,200  
looked at for somewhere around five

5  
00:00:10,490 --> 00:00:08,760  
minutes before it rapidly excelled

6  
00:00:12,850 --> 00:00:10,500  
common knowledge that in order to make

7  
00:00:16,550 --> 00:00:12,860  
wise decisions

8  
00:00:19,370 --> 00:00:16,560  
it's wisdom departed by others or from

9  
00:00:21,170 --> 00:00:19,380  
life lessons that really guide you to a

10  
00:00:23,689 --> 00:00:21,180  
correct path the bottom line is there

11  
00:00:25,970 --> 00:00:23,699  
are a lot of senators and Congressional

12  
00:00:29,929 --> 00:00:25,980  
Representatives who have heard

13  
00:00:32,630 --> 00:00:29,939

differently inside secure Skiffs in the

14

00:00:35,090 --> 00:00:32,640

Congress from what Dr Kirkpatrick is

15

00:00:37,729 --> 00:00:35,100

representing to the Congress in public

16

00:00:39,590 --> 00:00:37,739

hearing Congress has heard evidence from

17

00:00:41,389 --> 00:00:39,600

Witnesses about

18

00:00:45,069 --> 00:00:41,399

the program

19

00:00:48,229 --> 00:00:45,079

about aliens yeah

20

00:00:51,529 --> 00:00:48,239

sure it's happening this is happening

21

00:00:53,360 --> 00:00:51,539

well non-human exotic origin vehicles

22

00:01:02,689 --> 00:00:53,370

that have either landed or crashed

23

00:01:11,810 --> 00:01:06,160

wait and uh

24

00:01:14,420 --> 00:01:13,609

good evening tonight we go after a

25

00:01:21,670 --> 00:01:14,430

fantastic story

26

00:01:24,289 --> 00:01:21,680

[Music]

27

00:01:26,450 --> 00:01:24,299

so I think we all want to know do you

28

00:01:30,410 --> 00:01:26,460

think any government has

29

00:01:32,210 --> 00:01:30,420

recovered or crashed out it is my belief

30

00:01:34,789 --> 00:01:32,220

that the United States is in possession

31

00:01:36,469 --> 00:01:34,799

of uh of exotic material and
