

UAP DISCLOSURE GOVERNMENT UNVEILED: DECEPTION EXPOSED

SUBJECT: Unidentified Flying Object 503'6
TO: Director of Intelligence, Headquarters United States Air Force, Washington 25, D. C.

1
00:00:05,809 --> 00:00:03,350
just think how easy his task and mine

2
00:00:08,030 --> 00:00:05,819
might be and these meetings that we held

3
00:00:08,930 --> 00:00:08,040
if suddenly there was a threat to this

4
00:00:11,330 --> 00:00:08,940
world

5
00:00:13,430 --> 00:00:11,340
from some other species

6
00:00:15,829 --> 00:00:13,440
from another planet or to make wise

7
00:00:19,070 --> 00:00:15,839
decisions

8
00:00:21,830 --> 00:00:19,080
it's wisdom departed by others or from

9
00:00:24,230 --> 00:00:21,840
life lessons that really guide you to a

10
00:00:26,330 --> 00:00:24,240
correct path

11
00:00:29,509 --> 00:00:26,340
government lies regarding UFOs in their

12
00:00:31,370 --> 00:00:29,519
reality you go back as far as the Enigma

13
00:00:34,069 --> 00:00:31,380

itself

14

00:00:35,990 --> 00:00:34,079

sometimes lies came directly from the

15

00:00:38,470 --> 00:00:36,000

military officials and

16

00:00:46,790 --> 00:00:38,480

sometimes from certain public

17

00:00:46,800 --> 00:00:52,970

if we go back to the beginning in 1949

18

00:00:58,970 --> 00:00:55,729

you see headlines in the newspapers that

19

00:01:02,389 --> 00:00:58,980

say the Air Force slams saucers denying

20

00:01:05,649 --> 00:01:04,009

meanwhile behind the scenes what they

21

00:01:09,050 --> 00:01:05,659

didn't tell you is

22

00:01:10,450 --> 00:01:09,060

scientists from Los Alamos

23

00:01:22,730 --> 00:01:10,460

a

24

00:01:26,090 --> 00:01:22,740

UFO sightings

25

00:01:29,390 --> 00:01:26,100

somewhat so that the Air Force's lead on

26

00:01:34,609 --> 00:01:31,490

root belt

27

00:01:37,190 --> 00:01:34,619

actually had to get a nuclear Q

28

00:01:41,990 --> 00:01:37,200

clearance in order to brief the

29

00:01:47,450 --> 00:01:44,510

and in 1950 the Air Force would come up

30

00:01:50,810 --> 00:01:47,460

publicly and say that their policy will

31

00:01:53,090 --> 00:01:50,820

not change they are done studying UFOs

32

00:01:55,000 --> 00:01:53,100

and flying saucers and there is nothing

33

00:01:58,069 --> 00:01:55,010

to it

34

00:02:02,870 --> 00:02:00,350

that same very month clearly they were

35

00:02:05,080 --> 00:02:02,880

still studying flying saucers as we can

36

00:02:07,870 --> 00:02:05,090

see from their listing of sightings

37

00:02:11,930 --> 00:02:07,880

[Music]

38

00:02:14,270 --> 00:02:11,940

also in 1950 we would hear huge

39

00:02:16,490 --> 00:02:14,280

proclamations from people

40

00:02:19,430 --> 00:02:16,500

from the Navy like Commander Robert

41

00:02:22,550 --> 00:02:19,440

McLaughlin from White Sands Missile base

42

00:02:25,550 --> 00:02:22,560

who would say that these saucers

43

00:02:27,830 --> 00:02:25,560

our extraterrestrial

44

00:02:30,110 --> 00:02:27,840

and little did the public know the Air

45

00:02:34,250 --> 00:02:30,120

Force was in fact still studying UFOs

46

00:02:39,369 --> 00:02:34,260

they just closed project sign which they

47

00:02:46,490 --> 00:02:43,250

and they opened project Grudge

48

00:02:51,350 --> 00:02:46,500

known to be the worst time

49

00:02:53,509 --> 00:02:51,360

for Air Force UFO sightings and in 1952

50

00:02:55,610 --> 00:02:53,519

General Sanford would

51
00:02:59,390 --> 00:02:55,620
hold a press conference in order to

52
00:03:02,830 --> 00:02:59,400
quell the fears of the public after

53
00:03:05,509 --> 00:03:02,840
multiple UFOs flew over Washington DC

54
00:03:09,170 --> 00:03:05,519
and they were cited by multiple radar

55
00:03:11,210 --> 00:03:09,180
sets and multiple sets of eyes

56
00:03:14,149 --> 00:03:11,220
Sanford would say there's nothing to see

57
00:03:18,430 --> 00:03:16,250
The Radars were simply experiencing

58
00:03:20,869 --> 00:03:18,440
anomalies known as

59
00:03:23,509 --> 00:03:20,879
anomalous propagation from temperature

60
00:03:26,449 --> 00:03:23,519
inversions

61
00:03:28,670 --> 00:03:26,459
meanwhile behind the scenes the person

62
00:03:31,369 --> 00:03:28,680
who actually ran this study for the Air

63
00:03:32,509 --> 00:03:31,379

Force Captain rubel would write in a

64

00:03:35,270 --> 00:03:32,519
study

65

00:03:38,149 --> 00:03:35,280
that in fact only seven percent

66

00:03:41,089 --> 00:03:38,159
of all sightings were positively

67

00:03:43,509 --> 00:03:41,099
identified

68

00:03:46,490 --> 00:03:43,519
meaning 93 percent

69

00:03:48,890 --> 00:03:46,500
were not

70

00:03:50,990 --> 00:03:48,900
but the public would be told

71

00:03:53,509 --> 00:03:51,000
only a small percentage

72

00:03:54,990 --> 00:03:53,519
[Music]

73

00:03:56,990 --> 00:03:55,000
or in consideration

74

00:03:58,890 --> 00:03:57,000
[Music]

75

00:04:00,289 --> 00:03:58,900
is unknown

76

00:04:03,350 --> 00:04:00,299

[Music]

77

00:04:07,670 --> 00:04:03,360

it was at this time the CIA

78

00:04:11,390 --> 00:04:09,730

than ever before in history

79

00:04:13,309 --> 00:04:11,400

[Music]

80

00:04:16,129 --> 00:04:13,319

they said they needed to determine

81

00:04:18,110 --> 00:04:16,139

fields of fundamental science which must

82

00:04:21,740 --> 00:04:18,120

be investigated in order to reach an

83

00:04:23,270 --> 00:04:21,750

understanding of the phenomena involved

84

00:04:25,129 --> 00:04:23,280

[Music]

85

00:04:26,930 --> 00:04:25,139

they would say with Worldwide sightings

86

00:04:28,550 --> 00:04:26,940

reported it was found that

87

00:04:31,129 --> 00:04:28,560

up to the time of the investigation

88

00:04:33,690 --> 00:04:31,139

there had been in Soviet Presto reporter

89

00:04:35,030 --> 00:04:33,700

comment even satirical

90

00:04:36,950 --> 00:04:35,040

[Music]

91

00:04:39,290 --> 00:04:36,960

they would be curious if these phenomena

92

00:04:41,390 --> 00:04:39,300

could be controlled could be predicted

93

00:04:43,070 --> 00:04:41,400

and could be used from a psychological

94

00:04:47,390 --> 00:04:43,080

warfare point of view

95

00:04:52,909 --> 00:04:50,749

they would say in order to minimize risk

96

00:04:56,450 --> 00:04:52,919

of panic and National policy should be

97

00:05:02,150 --> 00:04:56,460

established as to what should be told to

98

00:05:07,510 --> 00:05:04,610

Marshall Chadwell the assistant director

99

00:05:09,350 --> 00:05:07,520

of scientific intelligence for the CIA

100

00:05:11,689 --> 00:05:09,360

would say

101

00:05:14,330 --> 00:05:11,699

I consider this problem to be of such

102

00:05:15,890 --> 00:05:14,340

importance that it should be brought to

103

00:05:18,070 --> 00:05:15,900

the attention of the National Security

104

00:05:22,430 --> 00:05:18,080

Council in order that a community-wide

105

00:05:26,240 --> 00:05:22,440

coordinated effort towards the solution

106

00:05:32,390 --> 00:05:29,830

[Music]

107

00:05:34,670 --> 00:05:32,400

as time goes on not much would change

108

00:05:37,730 --> 00:05:34,680

the air force would continue to

109

00:05:41,230 --> 00:05:37,740

deny significance in unidentified flying

110

00:05:44,450 --> 00:05:41,240

objects meanwhile spending

111

00:05:52,430 --> 00:05:44,460

taxpayer money to study

112

00:05:52,440 --> 00:05:56,090

foreign

113

00:05:56,100 --> 00:06:01,310

the 60s would bring us abductions

114

00:06:07,909 --> 00:06:05,210

many reports of car engine failures

115

00:06:10,249 --> 00:06:07,919

and injuries from UFOs

116

00:06:11,210 --> 00:06:10,259

and all throughout the 60s and 70s and

117

00:06:14,390 --> 00:06:11,220

Beyond

118

00:06:17,450 --> 00:06:14,400

our nuclear sites our strategic area

119

00:06:22,129 --> 00:06:17,460

command bases were being visited by UFOs

120

00:06:28,610 --> 00:06:25,670

and just like here in 2023

121

00:06:31,249 --> 00:06:28,620

all throughout ufology in its existence

122

00:06:32,570 --> 00:06:31,259

there have been people that wanted to

123

00:06:35,510 --> 00:06:32,580

deny

124

00:06:38,689 --> 00:06:35,520

the authenticity of reports

125

00:06:41,629 --> 00:06:38,699

stemming from civilian experiences to

126
00:06:44,090 --> 00:06:41,639
the most qualified Pilots

127
00:06:45,490 --> 00:06:44,100
and they would push back

128
00:06:46,790 --> 00:06:45,500
oftentimes

129
00:06:49,390 --> 00:06:46,800
[Music]

130
00:06:51,469 --> 00:06:49,400
making it their soul goal

131
00:06:54,650 --> 00:06:51,479
[Music]

132
00:06:58,129 --> 00:06:54,660
to create and enhance

133
00:07:00,050 --> 00:06:58,139
stigma as much as possible even to the

134
00:07:05,689 --> 00:07:00,060
point of mocking

135
00:07:05,699 --> 00:07:10,330
and we have that now today

136
00:07:15,290 --> 00:07:13,730
just it used to be people named Philip

137
00:07:18,650 --> 00:07:15,300
class

138
00:07:20,330 --> 00:07:18,660

and Dr Menzel from Harvard

139

00:07:22,969 --> 00:07:20,340

and now their name Stephen green

140

00:07:25,790 --> 00:07:22,979

Streeter Mick West

141

00:07:27,770 --> 00:07:25,800

a lot less educated but just as

142

00:07:29,930 --> 00:07:27,780

impactful

143

00:07:31,070 --> 00:07:29,940

the type of alien we know as gray would

144

00:07:33,110 --> 00:07:31,080

come around

145

00:07:36,650 --> 00:07:33,120

when Whitley strieber

146

00:07:38,870 --> 00:07:36,660

would report his abduction experience

147

00:07:41,150 --> 00:07:38,880

[Music]

148

00:07:43,550 --> 00:07:41,160

and as he would continue to make a

149

00:07:45,529 --> 00:07:43,560

living off of that experience Grace

150

00:07:48,589 --> 00:07:45,539

would become the popular known

151
00:07:53,029 --> 00:07:50,570
true

152
00:07:58,430 --> 00:07:53,039
or false

153
00:08:03,589 --> 00:08:00,830
but let's skip ahead to the important

154
00:08:09,570 --> 00:08:03,599
times that started

155
00:08:38,149 --> 00:08:36,230
[Music]

156
00:08:41,570 --> 00:08:38,159
cities would progress the 90s would

157
00:08:44,089 --> 00:08:41,580
progress the early 2000s sightings would

158
00:08:45,290 --> 00:08:44,099
happen but obviously things kept

159
00:08:47,570 --> 00:08:45,300
happening in the background you know

160
00:08:49,250 --> 00:08:47,580
whether it be bass and Bob Bigelow and

161
00:08:53,870 --> 00:08:49,260
Eric Davis now put off and what they

162
00:08:55,430 --> 00:08:53,880
were up to or offset right and what

163
00:08:56,329 --> 00:08:55,440

their contract with the DIA that would

164

00:08:57,590 --> 00:08:56,339

come later

165

00:08:59,210 --> 00:08:57,600

but there were all these things

166

00:09:00,949 --> 00:08:59,220

happening in the background the Tic Tac

167

00:09:04,130 --> 00:09:00,959

sighting and I'm sure there were so many

168

00:09:08,150 --> 00:09:04,140

more that we don't even know about

169

00:09:08,160 --> 00:09:11,690

it was kind of quiet

170

00:09:15,710 --> 00:09:13,670

until

171

00:09:18,170 --> 00:09:15,720

2017

172

00:09:20,870 --> 00:09:18,180

in a New York Times article written by

173

00:09:23,750 --> 00:09:20,880

Ralph Blumenthal as he came and Helen

174

00:09:28,610 --> 00:09:26,030

that spilled the secret

175

00:09:30,650 --> 00:09:28,620

once again the Department of Defense was

176

00:09:33,769 --> 00:09:30,660

caught lying

177

00:09:36,110 --> 00:09:33,779

about UFOs

178

00:09:38,389 --> 00:09:36,120

and their interest in them welcome back

179

00:09:39,650 --> 00:09:38,399

everybody our final worry today it's a

180

00:09:41,810 --> 00:09:39,660

little out there

181

00:09:44,570 --> 00:09:41,820

Research into these objects and no one

182

00:09:46,430 --> 00:09:44,580

knows what they are to this day that

183

00:09:48,530 --> 00:09:46,440

have been seen by Navy planes they've

184

00:09:51,889 --> 00:09:48,540

engaged with them they've been reported

185

00:09:53,810 --> 00:09:51,899

by Witnesses uh but uh beyond that we

186

00:09:55,250 --> 00:09:53,820

really don't know people there's a

187

00:09:56,870 --> 00:09:55,260

ridicule factor a lot of people are

188

00:09:58,430 --> 00:09:56,880

afraid of the you know the people would

189

00:10:00,410 --> 00:09:58,440

make fun of the government spending this

190

00:10:02,269 --> 00:10:00,420

money as has already happened in other

191

00:10:04,670 --> 00:10:02,279

movies Fascination and this is probably

192

00:10:06,350 --> 00:10:04,680

the most uh watched and looked at story

193

00:10:09,050 --> 00:10:06,360

The New York Times has run in a long

194

00:10:10,970 --> 00:10:09,060

time because people are fascinated by

195

00:10:12,710 --> 00:10:10,980

the subject they have as we reported in

196

00:10:15,110 --> 00:10:12,720

the paper some material from these

197

00:10:16,850 --> 00:10:15,120

objects that is being studied so that

198

00:10:19,790 --> 00:10:16,860

scientists can try to figure out what

199

00:10:22,910 --> 00:10:19,800

accounts for their amazing properties so

200

00:10:24,530 --> 00:10:22,920

they have made such material they don't

201
00:10:25,790 --> 00:10:24,540
know they're studying it but it's some

202
00:10:28,190 --> 00:10:25,800
kind of compound that they don't

203
00:10:30,170 --> 00:10:28,200
recognize fascinating stuff despite the

204
00:10:31,850 --> 00:10:30,180
fact that that there is ridicule it'll

205
00:10:33,949 --> 00:10:31,860
take some attention away from the

206
00:10:36,290 --> 00:10:33,959
day-to-day yeah I'd like a little recipe

207
00:10:38,389 --> 00:10:36,300
no they're trying to tell me this is the

208
00:10:41,389 --> 00:10:38,399
UFO you know the comments we've gotten

209
00:10:43,730 --> 00:10:41,399
so far but the story here all starts

210
00:10:47,329 --> 00:10:43,740
with Tom delong's the lead singer of

211
00:10:49,730 --> 00:10:47,339
Blink 182 yes thanks to WikiLeaks we

212
00:10:51,889 --> 00:10:49,740
know that blink 182's Tom Delong

213
00:10:54,230 --> 00:10:51,899

contacted Clinton's campaign chairman

214

00:10:57,170 --> 00:10:54,240

John podesta to discuss their mutual

215

00:10:59,870 --> 00:10:57,180

interest in UFOs more than 1100 new

216

00:11:02,690 --> 00:10:59,880

emails released by Wikileaks it's the

217

00:11:05,449 --> 00:11:02,700

fourth data dump in a week the site says

218

00:11:07,190 --> 00:11:05,459

it's sitting on more than 50 000 emails

219

00:11:09,530 --> 00:11:07,200

belonging to democratic Presidential

220

00:11:11,269 --> 00:11:09,540

nominee Hillary Clinton and her staff

221

00:11:13,970 --> 00:11:11,279

I've

222

00:11:17,150 --> 00:11:13,980

the FBI that includes Clinton campaign

223

00:11:19,370 --> 00:11:17,160

chair John podesta 2015 the pop punk

224

00:11:21,650 --> 00:11:19,380

front man told podesta he had several

225

00:11:24,110 --> 00:11:21,660

military leaders that he should meet

226

00:11:25,910 --> 00:11:24,120

writing I think you will find them very

227

00:11:28,490 --> 00:11:25,920

interesting as they were principal

228

00:11:30,889 --> 00:11:28,500

leadership relating to our sensitive

229

00:11:32,930 --> 00:11:30,899

topic both were in charge of most

230

00:11:35,210 --> 00:11:32,940

fragile divisions as it relates to

231

00:11:37,430 --> 00:11:35,220

classified science and DOD topics in

232

00:11:39,170 --> 00:11:37,440

other words these are a-level officials

233

00:11:41,329 --> 00:11:39,180

worth our time

234

00:11:43,610 --> 00:11:41,339

another email reveals that podesta

235

00:11:46,329 --> 00:11:43,620

participated in an upcoming UFO

236

00:11:50,170 --> 00:11:46,339

documentary that DeLong is producing

237

00:11:52,610 --> 00:11:50,180

podesta has long been fascinated by UFOs

238

00:11:55,670 --> 00:11:52,620

after leaving the Obama Administration

239

00:11:58,850 --> 00:11:55,680

he tweeted his biggest failure was quote

240

00:12:02,870 --> 00:11:58,860

not securing the disclosure of the UFO

241

00:12:05,389 --> 00:12:02,880

files he also looks suspiciously like an

242

00:12:07,930 --> 00:12:05,399

alien gray and this all kind of started

243

00:12:10,970 --> 00:12:07,940

foreign

244

00:12:12,350 --> 00:12:10,980

to the Stars Academy getting together

245

00:12:15,050 --> 00:12:12,360

with people like Lou Elizondo

246

00:12:16,550 --> 00:12:15,060

Christopher melon helped off

247

00:12:18,230 --> 00:12:16,560

the US Navy has finally acknowledged

248

00:12:20,810 --> 00:12:18,240

that video is appearing to show UFOs

249

00:12:22,370 --> 00:12:20,820

flying through the air are real they

250

00:12:25,370 --> 00:12:22,380

don't call them UFOs they call them

251
00:12:27,350 --> 00:12:25,380
unidentified aerial phenomena they yeah

252
00:12:30,710 --> 00:12:27,360
when we uh there was two of us two

253
00:12:32,750 --> 00:12:30,720
airplanes four people we had f18fs we

254
00:12:34,490 --> 00:12:32,760
got vectored out to the West uh after

255
00:12:36,230 --> 00:12:34,500
they terminated a training exercise to

256
00:12:40,009 --> 00:12:36,240
investigate an object

257
00:12:42,170 --> 00:12:40,019
when we arrived the the cruiser with the

258
00:12:43,490 --> 00:12:42,180
Aegis system called told us it was merge

259
00:12:45,470 --> 00:12:43,500
plow which means they couldn't break us

260
00:12:46,970 --> 00:12:45,480
out from the blip we started looking

261
00:12:49,430 --> 00:12:46,980
around and as we both looked out the

262
00:12:51,230 --> 00:12:49,440
right side of our airplane we saw a

263
00:12:52,550 --> 00:12:51,240

disturbance in the Water by like a

264

00:12:54,290 --> 00:12:52,560

seamount where the waves are breaking

265

00:12:56,930 --> 00:12:54,300

over the top so white water

266

00:12:59,629 --> 00:12:56,940

and a white object oblong pointing North

267

00:13:01,569 --> 00:12:59,639

moving radically Left Right north south

268

00:13:04,190 --> 00:13:01,579

up down all around

269

00:13:07,129 --> 00:13:04,200

as we started a clockwise flow around

270

00:13:09,230 --> 00:13:07,139

the disturbance watching it I decided

271

00:13:12,590 --> 00:13:09,240

that I would go lower and the other jet

272

00:13:14,870 --> 00:13:12,600

stayed High to observe both of us as I

273

00:13:16,550 --> 00:13:14,880

got to about the 12 o'clock position the

274

00:13:18,350 --> 00:13:16,560

object started to mirror us so now we're

275

00:13:21,230 --> 00:13:18,360

both in a clockwise flow opposite

276

00:13:23,810 --> 00:13:21,240

circles the object is lower than me I'm

277

00:13:25,790 --> 00:13:23,820

above him and I'm looking at him with my

278

00:13:27,290 --> 00:13:25,800

eyes we get all the way around the

279

00:13:28,670 --> 00:13:27,300

circle is I'm descending so now there's

280

00:13:30,410 --> 00:13:28,680

probably about maybe a two to three

281

00:13:31,910 --> 00:13:30,420

thousand foot difference between us in

282

00:13:33,350 --> 00:13:31,920

vertical

283

00:13:35,389 --> 00:13:33,360

and I'm at about the eight o'clock

284

00:13:38,030 --> 00:13:35,399

position and the other and the Tic Tac

285

00:13:40,610 --> 00:13:38,040

is at about two I cut across the circle

286

00:13:42,530 --> 00:13:40,620

so across the middle and as I got close

287

00:13:45,350 --> 00:13:42,540

to it probably within a mile to a half

288

00:13:46,850 --> 00:13:45,360

mile it rapidly rapidly accelerated to

289

00:13:49,009 --> 00:13:46,860

the South and disappeared in less than

290

00:13:50,389 --> 00:13:49,019

two seconds I guess you're an

291

00:13:52,069 --> 00:13:50,399

experienced pilot you've been up in the

292

00:13:54,530 --> 00:13:52,079

air a lot I'm imagine you've seen a lot

293

00:13:56,509 --> 00:13:54,540

of things in the sky what was it about

294

00:13:58,970 --> 00:13:56,519

the movement of this or the appearance

295

00:14:00,829 --> 00:13:58,980

of this that made you believe it wasn't

296

00:14:02,509 --> 00:14:00,839

from this world as opposed to something

297

00:14:04,550 --> 00:14:02,519

else

298

00:14:07,129 --> 00:14:04,560

well the first thing is it had no wings

299

00:14:08,389 --> 00:14:07,139

so you think okay it's a helicopter well

300

00:14:11,090 --> 00:14:08,399

there's no rotor wash in the water

301
00:14:12,650 --> 00:14:11,100
there's no rotors and when helicopters

302
00:14:14,389 --> 00:14:12,660
move to us side to side they kind of

303
00:14:16,370 --> 00:14:14,399
slow and then they pick up speed going

304
00:14:17,870 --> 00:14:16,380
the other way this was extremely abrupt

305
00:14:19,129 --> 00:14:17,880
like a ping pong ball bouncing off a

306
00:14:23,690 --> 00:14:19,139
wall it would hit and go the other way

307
00:14:27,470 --> 00:14:25,970
and then the the ability to hover over

308
00:14:29,750 --> 00:14:27,480
the water and then start a vertical

309
00:14:31,790 --> 00:14:29,760
climb from basically zero up towards

310
00:14:33,650 --> 00:14:31,800
about twelve thousand feet and then

311
00:14:35,870 --> 00:14:33,660
accelerate in less than two seconds and

312
00:14:37,670 --> 00:14:35,880
disappear is something I had never seen

313
00:14:40,189 --> 00:14:37,680

in my life what do you say to people who

314

00:14:41,990 --> 00:14:40,199

doubt the account

315

00:14:44,210 --> 00:14:42,000

well I think it's it's easy to doubt

316

00:14:46,009 --> 00:14:44,220

what we can't explain but when you

317

00:14:47,750 --> 00:14:46,019

actually see things and this is not the

318

00:14:49,850 --> 00:14:47,760

first account of someone seeing a UFO

319

00:14:52,910 --> 00:14:49,860

but in this situation you're talking

320

00:14:54,769 --> 00:14:52,920

about four people all eyeballs on

321

00:14:57,350 --> 00:14:54,779

ranging in experience from relatively

322

00:15:00,290 --> 00:14:57,360

new and a fleet Squadron which is vfa 41

323

00:15:02,650 --> 00:15:00,300

to myself we had over 16 years of flying

324

00:15:05,810 --> 00:15:02,660

and well over 3 500 hours

325

00:15:07,610 --> 00:15:05,820

non-stop so I would argue that it wasn't

326

00:15:09,170 --> 00:15:07,620

a weather balloon it wasn't a flare it

327

00:15:10,790 --> 00:15:09,180

was it was an actual object that we

328

00:15:12,350 --> 00:15:10,800

tracked we've looked at for somewhere

329

00:15:13,380 --> 00:15:12,360

around five minutes before it rapidly

330

00:15:21,009 --> 00:15:13,390

accelerated

331

00:15:23,010 --> 00:15:21,019

[Music]

332

00:15:43,569 --> 00:15:23,020

thank you

333

00:15:49,189 --> 00:15:47,449

and all of a sudden UFOs UAB we're back

334

00:15:51,170 --> 00:15:49,199

in the headlines

335

00:15:53,750 --> 00:15:51,180

like never before

336

00:15:55,910 --> 00:15:53,760

now we have people that actually just

337

00:15:59,629 --> 00:15:55,920

left a study

338

00:16:03,590 --> 00:15:59,639

on UAP leaving the government resigning

339

00:16:05,750 --> 00:16:03,600

to tell people about what he knew in UAP

340

00:16:07,790 --> 00:16:05,760

and yes I'm talking about Lou Alexander

341

00:16:10,009 --> 00:16:07,800

so what I've said for the record uh

342

00:16:12,470 --> 00:16:10,019

which is unfortunately all I can say is

343

00:16:15,350 --> 00:16:12,480

that it is my belief that the United

344

00:16:17,090 --> 00:16:15,360

States is in possession of uh of exotic

345

00:16:19,250 --> 00:16:17,100

material and unfortunately that's that's

346

00:16:20,930 --> 00:16:19,260

that's about all I can I can say as

347

00:16:23,689 --> 00:16:20,940

Frank as possible

348

00:16:27,230 --> 00:16:23,699

um there is a strong undercurrent in our

349

00:16:29,090 --> 00:16:27,240

country of of individuals in our

350

00:16:31,310 --> 00:16:29,100

government particularly that know the

351

00:16:33,410 --> 00:16:31,320

seriousness of this topic and what I've

352

00:16:35,509 --> 00:16:33,420

said before is this is not a topic that

353

00:16:37,129 --> 00:16:35,519

is similar to let's say fine French wine

354

00:16:39,290 --> 00:16:37,139

where the longer you keep a cork on it

355

00:16:41,810 --> 00:16:39,300

the better it gets this is a

356

00:16:43,490 --> 00:16:41,820

conversation rather more like spoiled

357

00:16:46,249 --> 00:16:43,500

vegetables in the refrigerator once you

358

00:16:48,769 --> 00:16:46,259

you take away the the tin foil notion of

359

00:16:50,870 --> 00:16:48,779

tinfoil hats and and you know nonsense

360

00:16:52,370 --> 00:16:50,880

like that and we look at this from a

361

00:16:53,569 --> 00:16:52,380

national security perspective we can

362

00:16:55,490 --> 00:16:53,579

start having a fair and rational

363

00:16:56,810 --> 00:16:55,500

conversation without the associated

364

00:16:58,310 --> 00:16:56,820

stigma in taboo well do you think

365

00:16:59,329 --> 00:16:58,320

there's something piloting them well

366

00:17:01,069 --> 00:16:59,339

they're certainly intelligently

367

00:17:03,350 --> 00:17:01,079

controlled as we saw with Dave fraver

368

00:17:06,169 --> 00:17:03,360

another big examples I can't discuss

369

00:17:09,169 --> 00:17:06,179

here where they are reacting to our our

370

00:17:11,270 --> 00:17:09,179

action so there is a there is a stimulus

371

00:17:13,010 --> 00:17:11,280

and there is certainly a response so

372

00:17:14,929 --> 00:17:13,020

this isn't some sort of random

373

00:17:16,730 --> 00:17:14,939

atmospheric anomaly or something like

374

00:17:18,650 --> 00:17:16,740

that they are intelligently controlled

375

00:17:21,350 --> 00:17:18,660

the question is

376

00:17:23,689 --> 00:17:21,360

what and who's controlling them

377

00:17:25,309 --> 00:17:23,699

you know let me let me let me say one

378

00:17:27,289 --> 00:17:25,319

thing um

379

00:17:30,890 --> 00:17:27,299

there have been moments in our species

380

00:17:32,630 --> 00:17:30,900

Paradigm moments in our lifetime not so

381

00:17:34,610 --> 00:17:32,640

much but as a species it happens quite a

382

00:17:37,130 --> 00:17:34,620

bit there are these Paradigm moments

383

00:17:39,289 --> 00:17:37,140

that that push the evolution of of our

384

00:17:40,669 --> 00:17:39,299

species mankind the first one perhaps is

385

00:17:42,890 --> 00:17:40,679

when we came out of the cave and we

386

00:17:44,870 --> 00:17:42,900

looked at the stars and we realized

387

00:17:47,090 --> 00:17:44,880

our universe our world just got a lot

388

00:17:48,950 --> 00:17:47,100

bigger the second time perhaps was when

389

00:17:50,870 --> 00:17:48,960

when two stones were struck together

390

00:17:53,750 --> 00:17:50,880

created a spark and all of a sudden we

391

00:17:56,570 --> 00:17:53,760

we began to illuminate the the the the

392

00:17:58,010 --> 00:17:56,580

darkness around us the third time was

393

00:18:00,710 --> 00:17:58,020

probably when a couple folks probably

394

00:18:02,210 --> 00:18:00,720

like us were standing on a beach and

395

00:18:03,650 --> 00:18:02,220

someone said you know what I'm going to

396

00:18:05,150 --> 00:18:03,660

sail over the horizon

397

00:18:06,770 --> 00:18:05,160

and of course people said no you don't

398

00:18:08,450 --> 00:18:06,780

want to do that the Earth is flat and

399

00:18:09,830 --> 00:18:08,460

there's sea monsters out there and of

400

00:18:11,510 --> 00:18:09,840

course now we kind of chuckle and look

401
00:18:13,490 --> 00:18:11,520
back and and laugh about it but in

402
00:18:15,890 --> 00:18:13,500
reality you know what there really are

403
00:18:18,590 --> 00:18:15,900
sea monsters they're just called

404
00:18:19,909 --> 00:18:18,600
great white sharks and blue whales and a

405
00:18:21,950 --> 00:18:19,919
great squid of the Pacific and we

406
00:18:23,270 --> 00:18:21,960
realized that they're not really sea

407
00:18:24,710 --> 00:18:23,280
monsters they're just part of nature

408
00:18:27,529 --> 00:18:24,720
they're part of our reality they're part

409
00:18:30,110 --> 00:18:27,539
of our Paradigm and so Perhaps Perhaps

410
00:18:31,789 --> 00:18:30,120
this topic maybe maybe we're just

411
00:18:33,590 --> 00:18:31,799
standing at the precipice of yet another

412
00:18:35,630 --> 00:18:33,600
Paradigm moment for our species maybe

413
00:18:37,730 --> 00:18:35,640

this is just another Beach and we're

414

00:18:40,370 --> 00:18:37,740

looking over yet another Horizon

415

00:18:44,630 --> 00:18:40,380

and that specific

416

00:18:46,909 --> 00:18:44,640

scenario never has happened before

417

00:18:48,890 --> 00:18:46,919

the people who studied the UFOs in the

418

00:18:52,090 --> 00:18:48,900

past the directors of the programs

419

00:18:54,650 --> 00:18:52,100

Hector Quintanilla Robert friend

420

00:18:56,570 --> 00:18:54,660

so on and so forth none of them would

421

00:18:58,490 --> 00:18:56,580

ever come out and go on national

422

00:19:01,010 --> 00:18:58,500

television and do interviews saying that

423

00:19:02,810 --> 00:19:01,020

we're not alone and that we have exotic

424

00:19:07,669 --> 00:19:02,820

material but Lou Alexander would do that

425

00:19:12,890 --> 00:19:10,610

throw it on steroids and hit the Press

426

00:19:15,049 --> 00:19:12,900

doing hundreds if not thousands of

427

00:19:16,789 --> 00:19:15,059

interviews with every podcast on the

428

00:19:19,190 --> 00:19:16,799

face of the Earth

429

00:19:21,770 --> 00:19:19,200

and every media outlet that would listen

430

00:19:24,350 --> 00:19:21,780

and because of that Senate Congress

431

00:19:28,250 --> 00:19:24,360

started taking things really seriously

432

00:19:30,529 --> 00:19:28,260

and drafted a language

433

00:19:34,029 --> 00:19:30,539

so that the dod would create an office

434

00:19:38,330 --> 00:19:36,409

this morning the sound of U.S Navy

435

00:19:40,669 --> 00:19:38,340

sailors reacting to a radar screen

436

00:19:42,680 --> 00:19:40,679

tracking unidentified objects flying

437

00:19:44,570 --> 00:19:42,690

around their stealth ship

438

00:19:46,610 --> 00:19:44,580

[Music]

439

00:19:48,529 --> 00:19:46,620

at times the radar lighting up with nine

440

00:19:50,930 --> 00:19:48,539

objects it could be similar to those

441

00:19:52,970 --> 00:19:50,940

captured on night vision and infrared

442

00:19:55,970 --> 00:19:52,980

video swarming warships for nearly a

443

00:19:57,750 --> 00:19:55,980

week in July of 2019 then disappearing

444

00:19:59,409 --> 00:19:57,760

Without a Trace

445

00:20:02,390 --> 00:19:59,419

[Music]

446

00:20:04,730 --> 00:20:02,400

yeah at one point two objects suddenly

447

00:20:06,350 --> 00:20:04,740

Vanishing from the screen the effort

448

00:20:08,810 --> 00:20:06,360

will be unveiled in the next several

449

00:20:11,090 --> 00:20:08,820

days members of Congress of the defense

450

00:20:13,010 --> 00:20:11,100

department have long expressed concern

451
00:20:15,409 --> 00:20:13,020
about the appearance of unidentified

452
00:20:17,330 --> 00:20:15,419
aircraft that have flown over U.S

453
00:20:19,549 --> 00:20:17,340
military bases and address everything

454
00:20:23,870 --> 00:20:19,559
from injuries to secret programs to

455
00:20:28,789 --> 00:20:26,750
and of course the obvious the intent in

456
00:20:33,110 --> 00:20:28,799
origin there would be a group set up

457
00:20:35,390 --> 00:20:33,120
called Arrow there was hearings on UAP

458
00:20:38,270 --> 00:20:35,400
the first Hearing in over 50 years with

459
00:20:41,150 --> 00:20:38,280
Ronald Moultrie and coming time in more

460
00:20:43,789 --> 00:20:41,160
than half a century a house panel is

461
00:20:47,029 --> 00:20:43,799
holding a public hearing on mysterious

462
00:20:49,010 --> 00:20:47,039
flying objects properly known as UFOs

463
00:20:51,110 --> 00:20:49,020

however it is the Department's

464

00:20:53,630 --> 00:20:51,120

contention that by combining

465

00:20:56,270 --> 00:20:53,640

appropriately structured collected data

466

00:21:00,250 --> 00:20:56,280

with rigorous scientific analysis any

467

00:21:03,950 --> 00:21:00,260

object that we encounter can likely be

468

00:21:06,830 --> 00:21:03,960

isolated characterized identified and if

469

00:21:09,230 --> 00:21:06,840

necessary medic the department is fully

470

00:21:10,970 --> 00:21:09,240

committed to the principle of openness

471

00:21:12,530 --> 00:21:10,980

and accountability to the American

472

00:21:27,110 --> 00:21:12,540

people

473

00:21:29,029 --> 00:21:27,120

[Music]

474

00:21:31,370 --> 00:21:29,039

and I've been wanting to ask you this

475

00:21:34,850 --> 00:21:31,380

next question for a while I want to ask

476

00:21:37,909 --> 00:21:34,860

you about UFOs unidentified flying

477

00:21:40,730 --> 00:21:37,919

objects sure we have lots of reports

478

00:21:43,370 --> 00:21:40,740

about what we call unidentified aerial

479

00:21:44,810 --> 00:21:43,380

phenomenon and it's actually is a

480

00:21:46,970 --> 00:21:44,820

program that's been in place for a few

481

00:21:48,830 --> 00:21:46,980

years in terms of a task force that that

482

00:21:50,630 --> 00:21:48,840

has been there under the National

483

00:21:52,669 --> 00:21:50,640

Defense authorization act but as you

484

00:21:54,890 --> 00:21:52,679

correctly point out Maria there's now a

485

00:21:57,470 --> 00:21:54,900

report that will be issued by the by the

486

00:21:59,210 --> 00:21:57,480

Pentagon by the Secretary of Defense and

487

00:22:00,350 --> 00:21:59,220

the Director of National Intelligence I

488

00:22:02,390 --> 00:22:00,360

actually wanted to get this information

489

00:22:04,370 --> 00:22:02,400
out and Declassified before I left

490

00:22:07,669 --> 00:22:04,380
office but we weren't able to get it

491

00:22:09,710 --> 00:22:07,679
down into an unclassified format that we

492

00:22:11,029 --> 00:22:09,720
could talk about quickly enough but but

493

00:22:13,250 --> 00:22:11,039
frankly there are a lot more sightings

494

00:22:16,690 --> 00:22:13,260
than have been made public

495

00:22:19,010 --> 00:22:16,700
can you tell us where it was seen

496

00:22:20,330 --> 00:22:19,020
but actually all over the world there

497

00:22:22,310 --> 00:22:20,340
have been sightings all over the world

498

00:22:23,870 --> 00:22:22,320
and and when we talk about sightings the

499

00:22:26,029 --> 00:22:23,880
other thing I will tell you is

500

00:22:28,970 --> 00:22:26,039
um it's not just a pilot or just a

501
00:22:31,730 --> 00:22:28,980
satellite or some um uh intelligence

502
00:22:33,649 --> 00:22:31,740
collection usually we have multiple

503
00:22:36,470 --> 00:22:33,659
sensors that are picking up these things

504
00:22:39,549 --> 00:22:36,480
and so uh you know again some of this

505
00:22:42,950 --> 00:22:39,559
are just they're unexplained phenomenon

506
00:22:45,230 --> 00:22:42,960
and there's actually quite a few more

507
00:22:47,029 --> 00:22:45,240
than have been made public so I think

508
00:22:48,850 --> 00:22:47,039
it'll be healthy for as much of this

509
00:22:51,830 --> 00:22:48,860
information to get out there as possible

510
00:22:53,330 --> 00:22:51,840
so that the American people can see some

511
00:22:54,649 --> 00:22:53,340
of the things that that we've been

512
00:22:57,049 --> 00:22:54,659
dealing with sightings we're talking

513
00:22:58,850 --> 00:22:57,059

about objects that have been seen by

514

00:23:01,690 --> 00:22:58,860

Navy or Air Force pilots or have been

515

00:23:04,970 --> 00:23:01,700

picked up by satellite imagery that

516

00:23:08,210 --> 00:23:04,980

frankly engage in actions that are

517

00:23:10,190 --> 00:23:08,220

difficult to explain that movements that

518

00:23:11,690 --> 00:23:10,200

uh that are hard to replicate that we

519

00:23:14,090 --> 00:23:11,700

don't have the technology for or

520

00:23:15,830 --> 00:23:14,100

traveling at speeds that you know exceed

521

00:23:19,610 --> 00:23:15,840

the sound barrier without a sonic boom

522

00:23:21,909 --> 00:23:19,620

so in short things that we are observing

523

00:23:24,590 --> 00:23:21,919

that are difficult to explain

524

00:23:26,390 --> 00:23:24,600

and so uh you know there's actually

525

00:23:28,070 --> 00:23:26,400

quite a few of those and I think that

526

00:23:30,470 --> 00:23:28,080

that information is being gathered and

527

00:23:32,090 --> 00:23:30,480

will will be put out in a way that the

528

00:23:33,890 --> 00:23:32,100

American people can see we always when

529

00:23:36,110 --> 00:23:33,900

we when we see these things Maria we

530

00:23:38,810 --> 00:23:36,120

always look for a plausible explanation

531

00:23:41,330 --> 00:23:38,820

you know weather can cause disturbances

532

00:23:43,070 --> 00:23:41,340

visual disturbances sometimes we wonder

533

00:23:45,350 --> 00:23:43,080

whether or not our adversaries have

534

00:23:47,090 --> 00:23:45,360

technologies that are a little bit

535

00:23:49,490 --> 00:23:47,100

further down the road than we thought or

536

00:23:51,590 --> 00:23:49,500

that we realized but there are instances

537

00:23:53,409 --> 00:23:51,600

where we don't have good explanations

538

00:23:55,789 --> 00:23:53,419

for some of the things that we've seen

539

00:23:57,830 --> 00:23:55,799

and you know when that information

540

00:23:59,750 --> 00:23:57,840

becomes Declassified I'll be able to

541

00:24:01,190 --> 00:23:59,760

talk a little bit more about that share

542

00:24:04,250 --> 00:24:01,200

with you the first video that we have

543

00:24:07,190 --> 00:24:04,260

here today which shows an observation in

544

00:24:11,330 --> 00:24:08,570

there it was

545

00:24:14,210 --> 00:24:11,340

the UAP situation would get really wild

546

00:24:16,970 --> 00:24:14,220

when this Chinese balloon was caught by

547

00:24:18,649 --> 00:24:16,980

Montana I believe in Montana a newsman

548

00:24:20,630 --> 00:24:18,659

who saw the Chinese balloon took a

549

00:24:22,490 --> 00:24:20,640

picture and it spread like wildfire the

550

00:24:24,230 --> 00:24:22,500

government had to come forward and come

551
00:24:27,230 --> 00:24:24,240
clean that they were actually tracking

552
00:24:29,390 --> 00:24:27,240
this Chinese Bloom for a while and they

553
00:24:30,649 --> 00:24:29,400
hence let it go over sensitive

554
00:24:32,750 --> 00:24:30,659
installations

555
00:24:34,970 --> 00:24:32,760
and collect data before they finally

556
00:24:38,029 --> 00:24:34,980
shut it down with the East Coast

557
00:24:41,029 --> 00:24:38,039
after that three other objects were

558
00:24:43,970 --> 00:24:41,039
found tracked by Norad one after shot

559
00:24:45,950 --> 00:24:43,980
down some were lost I think

560
00:24:48,529 --> 00:24:45,960
but none of them were recovered and it

561
00:24:51,409 --> 00:24:48,539
was in that moment that Mr John Kirby

562
00:24:54,470 --> 00:24:51,419
also admitted that this UAP phenomenon

563
00:24:56,390 --> 00:24:54,480

is a global situation something we've

564

00:25:00,549 --> 00:24:56,400

already heard from the former Director

565

00:25:05,510 --> 00:25:03,230

you know two weeks or so ten days has

566

00:25:08,149 --> 00:25:05,520

been nothing short of

567

00:25:09,830 --> 00:25:08,159

um crazy trigger happy although this is

568

00:25:11,810 --> 00:25:09,840

certainly preferable to the permissive

569

00:25:13,549 --> 00:25:11,820

environment that they showed but when

570

00:25:15,289 --> 00:25:13,559

the Chinese spy balloon was coming over

571

00:25:17,810 --> 00:25:15,299

some of our most sensitive sites sense

572

00:25:20,570 --> 00:25:17,820

of information people's anxiety leads

573

00:25:22,310 --> 00:25:20,580

them into uh potentially destructive

574

00:25:24,169 --> 00:25:22,320

areas so I do hope that very soon the

575

00:25:26,930 --> 00:25:24,179

administration is out there and damn it

576

00:25:29,210 --> 00:25:26,940

I want to believe is it aliens might be

577

00:25:30,769 --> 00:25:29,220

alien thanks for having me of National

578

00:25:33,230 --> 00:25:30,779

Intelligence report delivered to

579

00:25:36,350 --> 00:25:33,240

Congress about a month ago and about

580

00:25:39,110 --> 00:25:36,360

half of the objects that they called

581

00:25:43,430 --> 00:25:39,120

unidentified aerial phenomena were

582

00:25:47,990 --> 00:25:43,440

balloons there were some drones but the

583

00:25:49,909 --> 00:25:48,000

second half was unidentified so even if

584

00:25:51,350 --> 00:25:49,919

one object came from some

585

00:25:54,350 --> 00:25:51,360

extraterrestrial technological

586

00:25:56,690 --> 00:25:54,360

civilization that would be major news it

587

00:25:58,669 --> 00:25:56,700

will change the future of humanity so we

588

00:26:01,130 --> 00:25:58,679

need to understand what all the objects

589

00:26:04,430 --> 00:26:01,140

are the government may be interested

590

00:26:06,470 --> 00:26:04,440

just uh in human-made objects but

591

00:26:08,390 --> 00:26:06,480

scientists are very interesting in

592

00:26:13,549 --> 00:26:08,400

things that come from far away there is

593

00:26:18,409 --> 00:26:16,370

indicates recent takedowns again there

594

00:26:20,269 --> 00:26:18,419

is no indication of aliens or

595

00:26:22,549 --> 00:26:20,279

terrestrial activity with these recent

596

00:26:23,990 --> 00:26:22,559

takedowns wanted to make sure that the

597

00:26:26,510 --> 00:26:24,000

American people knew that all of you

598

00:26:27,830 --> 00:26:26,520

knew that and it was important for us to

599

00:26:29,870 --> 00:26:27,840

say that from here because we've been

600

00:26:33,970 --> 00:26:29,880

hearing a lot about it

601
00:26:39,289 --> 00:26:36,950
I'm just you know I loved E.T the movie

602
00:26:41,690 --> 00:26:39,299
but I'm just gonna leave it there

603
00:26:44,330 --> 00:26:41,700
um with that with all seriousness I know

604
00:26:46,610 --> 00:26:44,340
there's a lot of questions about the

605
00:26:47,990 --> 00:26:46,620
flying objects Admiral John Kirby is

606
00:26:50,390 --> 00:26:48,000
here with us today and he's going to

607
00:26:51,890 --> 00:26:50,400
have a Topper a couple things to say at

608
00:26:53,330 --> 00:26:51,900
the top about it and then take your

609
00:26:55,780 --> 00:26:53,340
questions okay

610
00:27:02,570 --> 00:26:58,149
[Music]

611
00:27:03,950 --> 00:27:02,580
it makes my job easy I I do have uh

612
00:27:06,230 --> 00:27:03,960
quite a few comments here at the top so

613
00:27:07,789 --> 00:27:06,240

I do I hope that you'll just uh bear

614

00:27:11,149 --> 00:27:07,799

with me and then be happy to take

615

00:27:13,789 --> 00:27:11,159

whatever questions you uh you might have

616

00:27:15,590 --> 00:27:13,799

so I'd like to begin today by updating

617

00:27:17,390 --> 00:27:15,600

you on our efforts to recover the debris

618

00:27:19,669 --> 00:27:17,400

of several objects that the United

619

00:27:21,470 --> 00:27:19,679

States Air Force shot down over the last

620

00:27:23,330 --> 00:27:21,480

few days and I think for reasons that

621

00:27:24,830 --> 00:27:23,340

you will all understand we cannot

622

00:27:26,870 --> 00:27:24,840

publicly go into many details because

623

00:27:29,630 --> 00:27:26,880

much of what we have done and are doing

624

00:27:32,210 --> 00:27:29,640

is of course sensitive future staff and

625

00:27:34,370 --> 00:27:32,220

the north North com NORAD Commander gave

626
00:27:36,289 --> 00:27:34,380
the order to shoot them down

627
00:27:38,990 --> 00:27:36,299
efforts are actively underway right now

628
00:27:40,250 --> 00:27:39,000
at all sites to find what is left of

629
00:27:41,630 --> 00:27:40,260
those objects so that we can better

630
00:27:44,029 --> 00:27:41,640
understand and communicate with the

631
00:27:45,950 --> 00:27:44,039
American people what they are

632
00:27:49,070 --> 00:27:45,960
I think it's important to remind

633
00:27:50,750 --> 00:27:49,080
the objects in Alaska and Canada are in

634
00:27:54,169 --> 00:27:50,760
pretty remote Terrain

635
00:27:55,669 --> 00:27:54,179
ice and Wilderness all of that making it

636
00:27:58,370 --> 00:27:55,679
difficult to find them

637
00:28:00,830 --> 00:27:58,380
what are we doing well first

638
00:28:03,649 --> 00:28:00,840

We are continuing to monitor

639

00:28:05,330 --> 00:28:03,659

there are no active tracks today

640

00:28:07,549 --> 00:28:05,340

but the professionals at NORAD will

641

00:28:09,289 --> 00:28:07,559

continue to do their important work

642

00:28:11,750 --> 00:28:09,299

the president has directed the secretary

643

00:28:12,950 --> 00:28:11,760

of state Secretary of Defense

644

00:28:14,510 --> 00:28:12,960

and the Director of National

645

00:28:16,310 --> 00:28:14,520

Intelligence to engage with their

646

00:28:17,990 --> 00:28:16,320

relevant counterparts to share

647

00:28:20,149 --> 00:28:18,000

information and to try to gain their

648

00:28:21,590 --> 00:28:20,159

perspectives as well again this is an

649

00:28:22,669 --> 00:28:21,600

issue that affects everybody around the

650

00:28:25,370 --> 00:28:22,679

world

651
00:28:26,390 --> 00:28:25,380
president has made this a very top

652
00:28:27,769 --> 00:28:26,400
priority

653
00:28:30,169 --> 00:28:27,779
the president through his National

654
00:28:32,750 --> 00:28:30,179
Security advisor has today directed an

655
00:28:34,510 --> 00:28:32,760
interagency team to study the broader

656
00:28:37,430 --> 00:28:34,520
policy implications for detection

657
00:28:39,710 --> 00:28:37,440
analysis and disposition of unidentified

658
00:28:42,950 --> 00:28:39,720
aerial objects that pose either safety

659
00:28:44,930 --> 00:28:42,960
or security risks every element of the

660
00:28:46,850 --> 00:28:44,940
government will redouble their efforts

661
00:28:48,350 --> 00:28:46,860
to understand and mitigate these events

662
00:28:49,909 --> 00:28:48,360
and I'm happy to take some questions

663
00:28:50,990 --> 00:28:49,919

here's what I learned based on two

664

00:28:53,450 --> 00:28:51,000

briefings

665

00:28:55,549 --> 00:28:53,460

there are unidentified objects and

666

00:28:58,370 --> 00:28:55,559

identified objects in terms of the

667

00:29:01,070 --> 00:28:58,380

unidentified objects in the past 20

668

00:29:05,029 --> 00:29:01,080

years there have been over

669

00:29:07,190 --> 00:29:05,039

over calling John it's almost 500. the

670

00:29:09,769 --> 00:29:07,200

the intelligence Community doesn't know

671

00:29:14,210 --> 00:29:09,779

who sent them doesn't know who what they

672

00:29:16,970 --> 00:29:14,220

are we've started shooting them down now

673

00:29:18,889 --> 00:29:16,980

65 years ago NORAD

674

00:29:23,330 --> 00:29:18,899

was founded it was one of the Eisenhower

675

00:29:25,310 --> 00:29:23,340

Administration for 65 years NORAD had

676

00:29:29,690 --> 00:29:25,320

never identified an object and taken

677

00:29:32,750 --> 00:29:29,700

down the sky until 10 days ago

678

00:29:34,850 --> 00:29:32,760

and now we've seen three more objects

679

00:29:37,970 --> 00:29:34,860

downed the results of noise detection

680

00:29:40,730 --> 00:29:37,980

just in the last five days we need to

681

00:29:43,850 --> 00:29:40,740

know who is creating these these um

682

00:29:46,010 --> 00:29:43,860

devices or balloons or drones and what

683

00:29:47,810 --> 00:29:46,020

they're using them for and so oh there's

684

00:29:50,149 --> 00:29:47,820

no doubt I mean my phone's ringing off

685

00:29:52,610 --> 00:29:50,159

the wires often know what we know we

686

00:29:54,950 --> 00:29:52,620

know they know the American people are

687

00:29:58,610 --> 00:29:54,960

the ones who don't know and they deserve

688

00:30:00,470 --> 00:29:58,620

to know more and so I think that there's

689

00:30:03,350 --> 00:30:00,480

a need for greater transparency we have

690

00:30:04,970 --> 00:30:03,360

unity and confusion on the one hand the

691

00:30:06,710 --> 00:30:04,980

administration is saying we don't yet

692

00:30:08,269 --> 00:30:06,720

know what these last three objects are

693

00:30:10,549 --> 00:30:08,279

and we don't want to characterize until

694

00:30:12,830 --> 00:30:10,559

we recover them but on the other hand it

695

00:30:14,690 --> 00:30:12,840

wasn't a threat both of those things

696

00:30:18,470 --> 00:30:14,700

can't be true

697

00:30:20,990 --> 00:30:18,480

well Brian if you are confused

698

00:30:23,570 --> 00:30:21,000

you understand the situation perfect

699

00:30:25,549 --> 00:30:23,580

another hearing a second hearing who's

700

00:30:27,350 --> 00:30:25,559

popular for fantastic stories like

701
00:30:30,529 --> 00:30:27,360
alleged kidnappings where earthlings are

702
00:30:33,310 --> 00:30:30,539
being probed by ETS but now Congress is

703
00:30:37,130 --> 00:30:33,320
the one doing the probing into UFOs

704
00:30:40,370 --> 00:30:37,140
this first one is an MQ-9 in the Middle

705
00:30:43,490 --> 00:30:40,380
East observing that blow up which is an

706
00:30:46,789 --> 00:30:43,500
apparent spherical object EO sensors

707
00:30:51,529 --> 00:30:48,409
if you want to go ahead and click that

708
00:30:56,029 --> 00:30:53,930
you'll see it come through the top of

709
00:30:59,330 --> 00:30:56,039
the screen there it goes and then the

710
00:31:01,310 --> 00:30:59,340
camera will slew to follow it

711
00:31:03,529 --> 00:31:01,320
you'll see it pop in and out of the

712
00:31:05,990 --> 00:31:03,539
screen field of view there

713
00:31:07,789 --> 00:31:06,000

this is essentially all of the data we

714

00:31:09,169 --> 00:31:07,799

have associated with this event from

715

00:31:11,690 --> 00:31:09,179

some years ago

716

00:31:13,610 --> 00:31:11,700

we would have a NASA panel

717

00:31:16,669 --> 00:31:13,620

have you ever wondered are we really

718

00:31:18,649 --> 00:31:16,679

alone in the universe NASA held its

719

00:31:20,930 --> 00:31:18,659

first public meeting looking into just

720

00:31:24,110 --> 00:31:20,940

that question one year after formally

721

00:31:26,230 --> 00:31:24,120

launching a study into UFOs next slide

722

00:31:29,570 --> 00:31:26,240

please

723

00:31:31,730 --> 00:31:29,580

so some of you probably saw a version of

724

00:31:33,110 --> 00:31:31,740

this at the open here in my Rio thought

725

00:31:37,370 --> 00:31:33,120

the guy that sits in the back of the

726

00:31:40,130 --> 00:31:37,380

Tomcat was convinced we flew by a UFO

727

00:31:43,130 --> 00:31:40,140

so I didn't see it we turned around we

728

00:31:45,169 --> 00:31:43,140

went to go look at it it turns out it

729

00:31:46,549 --> 00:31:45,179

was Bart Simpson we had Congressional

730

00:31:50,630 --> 00:31:46,559

hearings

731

00:31:54,590 --> 00:31:50,640

we had UAP task force reports

732

00:31:57,950 --> 00:31:54,600

we have a NASA panel on UAP all of this

733

00:32:00,350 --> 00:31:57,960

being done for the first time ever

734

00:32:01,450 --> 00:32:00,360

while also sticking to the familiar line

735

00:32:04,610 --> 00:32:01,460

since

736

00:32:06,049 --> 00:32:04,620

1947 basically that there's no evidence

737

00:32:08,090 --> 00:32:06,059

to support that anything is

738

00:32:11,389 --> 00:32:08,100

extraterrestrial origin one person that

739

00:32:13,850 --> 00:32:11,399

worked on the UAP task force or hero

740

00:32:15,889 --> 00:32:13,860

one person that worked directly with a

741

00:32:17,930 --> 00:32:15,899

very sophisticated satellites that we

742

00:32:20,510 --> 00:32:17,940

would expect to be able to pick up these

743

00:32:22,610 --> 00:32:20,520

uncorrelated tracks or targets

744

00:32:24,950 --> 00:32:22,620

or anomalous phenomenon whatever you

745

00:32:27,830 --> 00:32:24,960

want to call them

746

00:32:27,840 --> 00:32:31,310

was about to come forward

747

00:32:35,570 --> 00:32:33,250

until what he knew

748

00:32:37,970 --> 00:32:35,580

and years ahead of time people would say

749

00:32:40,010 --> 00:32:37,980

whether it be Lu Elizondo or a Ross

750

00:32:41,930 --> 00:32:40,020

coldheart or others would say or Jeremy

751

00:32:44,450 --> 00:32:41,940

Corbell George neb things are coming

752

00:32:46,850 --> 00:32:44,460

people have testified people have seen

753

00:32:49,070 --> 00:32:46,860

these things people know that they exist

754

00:32:51,110 --> 00:32:49,080

crash retrieval programs all the while

755

00:32:53,389 --> 00:32:51,120

whether it be Stephen Green Street or

756

00:32:56,510 --> 00:32:53,399

Mick West or Lou Angeles or whoever

757

00:32:59,510 --> 00:32:56,520

would all talk junk about these people

758

00:33:01,730 --> 00:32:59,520

at the same time saying okay something's

759

00:33:04,250 --> 00:33:01,740

coming he trusts me bro it happens all

760

00:33:06,110 --> 00:33:04,260

the time Ross coldheart would come on my

761

00:33:08,930 --> 00:33:06,120

show and tell me directly that it's

762

00:33:11,690 --> 00:33:08,940

coming or uh whistleblower Witnesses who

763

00:33:13,909 --> 00:33:11,700

have gone direct to the Congress and

764

00:33:15,830 --> 00:33:13,919

circumvented Dr Sean Kirkpatrick's

765

00:33:18,350 --> 00:33:15,840

office because they don't trust Dr Tim

766

00:33:21,250 --> 00:33:18,360

Patrick because what he has done by

767

00:33:25,009 --> 00:33:21,260

saying what he said publicly to the

768

00:33:28,130 --> 00:33:25,019

Congress is apprehended by us he's

769

00:33:30,110 --> 00:33:28,140

indicated an unwillingness to take the

770

00:33:31,430 --> 00:33:30,120

issue seriously I think you should

771

00:33:33,649 --> 00:33:31,440

really be questioning whether you should

772

00:33:35,690 --> 00:33:33,659

stay in the job or not

773

00:33:37,730 --> 00:33:35,700

um the bottom line is there are a lot of

774

00:33:38,990 --> 00:33:37,740

senators and Congressional

775

00:33:42,350 --> 00:33:39,000

Representatives

776

00:33:45,409 --> 00:33:42,360

who have heard differently inside secure

777

00:33:47,570 --> 00:33:45,419

Skiffs in the Congress from what Dr

778

00:33:50,750 --> 00:33:47,580

Kirkpatrick is representing to the

779

00:33:54,049 --> 00:33:50,760

Congress in public hearing Congress has

780

00:33:55,310 --> 00:33:54,059

heard evidence from Witnesses about the

781

00:33:59,769 --> 00:33:55,320

program

782

00:34:05,389 --> 00:34:03,470

it's happening this is happening while

783

00:34:07,970 --> 00:34:05,399

you and I are talking you know there are

784

00:34:11,030 --> 00:34:07,980

people coming forward to your great

785

00:34:13,310 --> 00:34:11,040

Congress with evidence of a secret that

786

00:34:14,810 --> 00:34:13,320

has been concealed from the world

787

00:34:19,190 --> 00:34:14,820

this is happening

788

00:34:21,409 --> 00:34:19,200

all this sudden boom if you're right if

789

00:34:25,369 --> 00:34:21,419

you're telling us the truth

790

00:34:28,369 --> 00:34:25,379

everyone the entire American public has

791

00:34:31,010 --> 00:34:28,379

been lied to for decades yeah there's a

792

00:34:33,530 --> 00:34:31,020

sophisticated uh disinformation campaign

793

00:34:35,869 --> 00:34:33,540

targeting the U.S populace which is

794

00:34:37,010 --> 00:34:35,879

extremely unethical and immoral you are

795

00:34:41,030 --> 00:34:37,020

saying

796

00:34:42,409 --> 00:34:41,040

to the human race for the first time an

797

00:34:44,629 --> 00:34:42,419

official

798

00:34:47,270 --> 00:34:44,639

intelligence representative at a high

799

00:34:48,530 --> 00:34:47,280

level from the US government is saying

800

00:34:50,810 --> 00:34:48,540

publicly

801
00:34:53,270 --> 00:34:50,820
we are not alone we're definitely not

802
00:34:55,849 --> 00:34:53,280
alone absolutely the data points

803
00:34:59,810 --> 00:34:55,859
empirically that we're not alone yeah do

804
00:35:01,190 --> 00:34:59,820
we have bodies do we have species well

805
00:35:02,450 --> 00:35:01,200
naturally

806
00:35:04,250 --> 00:35:02,460
um when you recover something that's

807
00:35:07,190 --> 00:35:04,260
either landed or crashed

808
00:35:10,130 --> 00:35:07,200
um sometimes you encounter dead pilots

809
00:35:12,890 --> 00:35:10,140
and believe it or not as fan as

810
00:35:17,990 --> 00:35:12,900
Fantastical as that sounds

811
00:35:23,030 --> 00:35:21,589
and they were all proved wrong

812
00:35:25,430 --> 00:35:23,040
so now that we have this qualified

813
00:35:27,950 --> 00:35:25,440

person coming out speaking on what he

814

00:35:29,870 --> 00:35:27,960

knows which is documents and witness

815

00:35:32,870 --> 00:35:29,880

testimony through a four-year

816

00:35:34,790 --> 00:35:32,880

investigation in this

817

00:35:41,390 --> 00:35:34,800

crash retrieval programs do in fact

818

00:35:48,650 --> 00:35:45,710

now that there's not a video to debunk

819

00:35:50,329 --> 00:35:48,660

people start attacking his character

820

00:35:52,130 --> 00:35:50,339

saying he's lying or this is

821

00:35:55,069 --> 00:35:52,140

misinformation

822

00:35:57,890 --> 00:35:55,079

without providing a decent reason

823

00:36:01,190 --> 00:35:57,900

and why that would be the case

824

00:36:06,050 --> 00:36:01,200

without providing the context

825

00:36:11,930 --> 00:36:09,829

without mentioning Colonel or Jonathan

826
00:36:13,730 --> 00:36:11,940
Gray

827
00:36:20,390 --> 00:36:13,740
we're High open intelligence and vouch

828
00:36:24,960 --> 00:36:22,810
but this would not be the end

829
00:37:14,350 --> 00:36:24,970
to be continued

830
00:37:17,480 --> 00:37:16,150
[Music]

831
00:37:23,000 --> 00:37:17,490
thank you

832

[Music]

833
00:38:02,950 --> 00:37:50,470
thank you

835
00:38:32,089 --> 00:38:05,460
