

# EPISODE 1.25

# UAP DISCLOSURE GOVERNMENT UNVEILED: DECEPTION EXPOSED

SUBJECT: Unidentified Flying Object *503'6*  
TO: Director of Intelligence, Headquarters United States Air Force, Washington 25, D. C.

1  
00:00:07,490 --> 00:00:04,249  
with UFOs or UAV flying saucers or

2  
00:00:12,589 --> 00:00:07,500  
unconventional aircraft we've

3  
00:00:17,930 --> 00:00:15,230  
so many qualified observers in the past

4  
00:00:21,710 --> 00:00:17,940  
have reported such strange Maneuvers 90

5  
00:00:30,230 --> 00:00:24,170  
speeds up to thousands of miles per hour

6  
00:00:37,190 --> 00:00:33,290  
and they would come and go without much

7  
00:00:43,250 --> 00:00:40,369  
so there's now any different

8  
00:00:47,209 --> 00:00:43,260  
clearly the UAP topic is at a climax

9  
00:00:47,219 --> 00:00:50,990  
but what is the truth

10  
00:00:55,130 --> 00:00:53,630  
are there really extraterrestrials that

11  
00:01:00,170 --> 00:00:55,140  
look like

12  
00:01:06,350 --> 00:01:03,950  
are they tiny are they humanoids Is it

13  
00:01:09,230 --> 00:01:06,360

artificial intelligence do they come

14

00:01:12,050 --> 00:01:09,240

from the Earth or the oceans and what if

15

00:01:16,670 --> 00:01:12,060

anything do they want with us

16

00:01:43,370 --> 00:01:33,840

[Music]

17

00:02:03,050 --> 00:01:44,570

welcome

18

00:02:06,410 --> 00:02:03,060

[Music]

19

00:02:08,690 --> 00:02:06,420

previously unwitness citizen

20

00:02:11,150 --> 00:02:08,700

Ross coldheart would come on my show and

21

00:02:13,309 --> 00:02:11,160

tell me directly that it's coming or a

22

00:02:15,589 --> 00:02:13,319

whistleblower Witnesses who have gone

23

00:02:17,750 --> 00:02:15,599

directly to the Congress and

24

00:02:20,270 --> 00:02:17,760

circumvented Dr Sean Kirkpatrick's

25

00:02:21,589 --> 00:02:20,280

office because they don't trust the

26

00:02:23,690 --> 00:02:21,599

bottom line is there are a lot of

27

00:02:25,970 --> 00:02:23,700

senators and Congressional

28

00:02:29,650 --> 00:02:25,980

Representatives who have heard

29

00:02:31,790 --> 00:02:29,660

differently inside secure skills about

30

00:02:35,570 --> 00:02:31,800

the program

31

00:02:39,170 --> 00:02:35,580

about aliens Boom the entire American

32

00:02:41,330 --> 00:02:39,180

public has been lied to for decades yeah

33

00:02:43,130 --> 00:02:41,340

there's a sophisticated uh

34

00:02:45,290 --> 00:02:43,140

disinformation campaign targeting the

35

00:02:48,110 --> 00:02:45,300

U.S populace which is extremely

36

00:02:51,110 --> 00:02:48,120

unethical and immoral no indication of

37

00:02:53,980 --> 00:02:51,120

aliens or extraterrestrial activity with

38

00:02:56,830 --> 00:02:53,990

these recent takedowns again

39

00:03:01,790 --> 00:02:56,840

[Music]

40

00:03:03,830 --> 00:03:01,800

it makes my job easy for the first time

41

00:03:06,050 --> 00:03:03,840

an official

42

00:03:08,630 --> 00:03:06,060

intelligence representative at a high

43

00:03:09,890 --> 00:03:08,640

level from the US government is saying

44

00:03:12,050 --> 00:03:09,900

publicly

45

00:03:14,509 --> 00:03:12,060

we are not alone we're definitely not

46

00:03:17,089 --> 00:03:14,519

alone absolutely the data points

47

00:03:20,149 --> 00:03:17,099

empirically that we may not be alone

48

00:03:21,930 --> 00:03:20,159

we're not alone lead singer of Blink 182

49

00:03:30,770 --> 00:03:21,940

yes

50

00:03:30,780 --> 00:03:34,310

oh

51

00:03:34,320 --> 00:03:38,110

[Music]

52

00:03:47,570 --> 00:03:42,350

well Brian if you are confused

53

00:03:53,210 --> 00:03:50,630

now of course after the debrief wrote

54

00:03:55,009 --> 00:03:53,220

the David grush story and news Nation

55

00:03:57,289 --> 00:03:55,019

went on to Premiere an hour-long

56

00:04:00,649 --> 00:03:57,299

interview with David grush interviewed

57

00:04:01,790 --> 00:04:00,659

by Mr Ross coldheart

58

00:04:03,170 --> 00:04:01,800

the Press

59

00:04:05,449 --> 00:04:03,180

[Music]

60

00:04:07,330 --> 00:04:05,459

in general would react to it this

61

00:04:09,710 --> 00:04:07,340

intelligence officer who has turned

62

00:04:12,410 --> 00:04:09,720

whistleblower reveals that the American

63

00:04:14,330 --> 00:04:12,420

government has UFOs for real tonight

64

00:04:16,729 --> 00:04:14,340

more stunning claims from the former

65

00:04:19,789 --> 00:04:16,739

high-level intelligence officer who says

66

00:04:22,909 --> 00:04:19,799

the U.S has a top secret program that's

67

00:04:25,790 --> 00:04:22,919

been collecting UFOs of non-human origin

68

00:04:28,310 --> 00:04:25,800

for decades whistleblowers shocking and

69

00:04:31,430 --> 00:04:28,320

new claims about our country's Research

70

00:04:34,909 --> 00:04:31,440

into UFO military whistleblower has made

71

00:04:38,689 --> 00:04:34,919

a new claim about a United States U.S

72

00:04:40,730 --> 00:04:38,699

UFO retrieval program Claim about UFOs a

73

00:04:42,830 --> 00:04:40,740

former U.S intelligence official an Air

74

00:04:46,129 --> 00:04:42,840

Force veteran claims a top secret

75

00:04:48,110 --> 00:04:46,139

program is withholding evidence of alien

76

00:04:50,090 --> 00:04:48,120

spacecraft intelligence official is

77

00:04:53,210 --> 00:04:50,100

going public about a secret government

78

00:04:55,909 --> 00:04:53,220

UFO recovery program he says has been

79

00:04:57,170 --> 00:04:55,919

collecting alien spacecraft for decades

80

00:05:00,170 --> 00:04:57,180

is out there and a military

81

00:05:03,110 --> 00:05:00,180

whistleblower is revealing a top secret

82

00:05:06,170 --> 00:05:03,120

program is withholding alien space

83

00:05:08,870 --> 00:05:06,180

crafts does exist out there somewhere

84

00:05:11,749 --> 00:05:08,880

but it's been hard to accept this idea

85

00:05:13,550 --> 00:05:11,759

that was UFO whistleblower David grush

86

00:05:15,469 --> 00:05:13,560

revealing in a news Nation exclusive

87

00:05:17,689 --> 00:05:15,479

that he believes the government has been

88

00:05:20,749 --> 00:05:17,699

covering up the existence of alien life

89

00:05:22,730 --> 00:05:20,759

but can he be but there before in a

90

00:05:25,129 --> 00:05:22,740

military whistleblower is alleging a top

91

00:05:28,189 --> 00:05:25,139

secret program is withholding alien

92

00:05:30,590 --> 00:05:28,199

spacecraft from the next part here UFOs

93

00:05:32,450 --> 00:05:30,600

I've been dying to get into this one

94

00:05:34,129 --> 00:05:32,460

ever since the story stunning out of

95

00:05:36,650 --> 00:05:34,139

this world claim a former military

96

00:05:38,450 --> 00:05:36,660

officer turned whistleblower says the

97

00:05:41,029 --> 00:05:38,460

U.S government has been covering up

98

00:05:42,950 --> 00:05:41,039

evidence of alien spacecraft and

99

00:05:45,409 --> 00:05:42,960

Technology whistleblower alleging the

100

00:05:47,689 --> 00:05:45,419

government has a secret UFO retrieval

101

00:05:50,930 --> 00:05:47,699

program and has hidden it from the

102

00:05:53,390 --> 00:05:50,940

public are aliens Among Us a military

103

00:05:56,810 --> 00:05:53,400

whistleblower I think it's absolutely

104

00:05:58,850 --> 00:05:56,820

fascinating I hope it's true you know

105

00:06:01,550 --> 00:05:58,860

the the tagline of the X-Files was I

106

00:06:03,770 --> 00:06:01,560

want to believe I I'm this phenomena

107

00:06:06,170 --> 00:06:03,780

are we talking about aliens yeah UFO

108

00:06:08,270 --> 00:06:06,180

retrieval program and a huge government

109

00:06:10,370 --> 00:06:08,280

cover-up the mind boggles it might sound

110

00:06:12,529 --> 00:06:10,380

like science fiction but this week a

111

00:06:14,029 --> 00:06:12,539

former American intelligence officer is

112

00:06:16,670 --> 00:06:14,039

looking for answers this morning on some

113

00:06:19,189 --> 00:06:16,680

explosive claims that the government has

114

00:06:22,010 --> 00:06:19,199

been covering up evidence of aliens Navy

115

00:06:24,230 --> 00:06:22,020

Chief who saw the so-called tick-tac in

116

00:06:26,450 --> 00:06:24,240

2004 and Alex Dietrich is a retired Navy

117

00:06:28,370 --> 00:06:26,460

Lieutenant Commander who also saw the

118

00:06:30,350 --> 00:06:28,380

Tic Tac that video is unbelievable it's

119

00:06:32,330 --> 00:06:30,360

it's really an honor to have both of you

120

00:06:34,850 --> 00:06:32,340

with us tonight believable do you find

121

00:06:36,770 --> 00:06:34,860

this whistleblower David grush I find

122

00:06:38,450 --> 00:06:36,780

him very believable ma'am he's he's a

123

00:06:40,370 --> 00:06:38,460

veteran he served our country doesn't

124

00:06:41,450 --> 00:06:40,380

mean a lot in Washington D.C apparently

125

00:06:43,309 --> 00:06:41,460

but

126  
00:06:45,409 --> 00:06:43,319  
some people would come out and just call

127  
00:06:47,809 --> 00:06:45,419  
it Pure Fantasy

128  
00:06:50,689 --> 00:06:47,819  
in science fiction

129  
00:06:55,550 --> 00:06:50,699  
other people were curious

130  
00:06:59,809 --> 00:06:58,010  
something important is going on and that

131  
00:07:02,390 --> 00:06:59,819  
we need transparency and we need to take

132  
00:07:05,689 --> 00:07:02,400  
these claims seriously and dig deeper

133  
00:07:08,210 --> 00:07:05,699  
everybody was mentioning that yes these

134  
00:07:11,749 --> 00:07:08,220  
kind of claims have been made before and

135  
00:07:13,790 --> 00:07:11,759  
they all turn out to be nothing

136  
00:07:16,010 --> 00:07:13,800  
and to a certain extent that's true

137  
00:07:19,010 --> 00:07:16,020  
people have come and go in ufology and

138  
00:07:22,249 --> 00:07:19,020

have made extravagant claims

139

00:07:23,930 --> 00:07:22,259

one of which is Bob Lazar who said he

140

00:07:26,450 --> 00:07:23,940

worked on reverse engineering these

141

00:07:29,029 --> 00:07:26,460

craft and talks about a strange element

142

00:07:31,610 --> 00:07:29,039

called 115 which is a few miles south of

143

00:07:34,010 --> 00:07:31,620

Groom Lake at S4 he says are flying

144

00:07:36,409 --> 00:07:34,020

saucers anti-matter reactors and other

145

00:07:38,270 --> 00:07:36,419

working examples of technology that is

146

00:07:40,129 --> 00:07:38,280

seemingly Beyond human capabilities

147

00:07:41,689 --> 00:07:40,139

right this this came from somewhere else

148

00:07:43,969 --> 00:07:41,699

I mean as bizarre as that is to believe

149

00:07:47,990 --> 00:07:43,979

but I mean it's there televised TV

150

00:07:54,230 --> 00:07:51,710

actually nine uh flying saucers flying

151  
00:07:56,270 --> 00:07:54,240  
discs despite numerous inquiries and

152  
00:07:58,969 --> 00:07:56,280  
feelers Dennis has remained Anonymous

153  
00:08:00,409 --> 00:07:58,979  
until now his real name is Robert Lazar

154  
00:08:02,089 --> 00:08:00,419  
this came from somewhere else I mean as

155  
00:08:04,370 --> 00:08:02,099  
bizarre as that is to believe but I mean

156  
00:08:06,409 --> 00:08:04,380  
it's there I saw it I know what the

157  
00:08:07,790 --> 00:08:06,419  
current state of the art is and in in

158  
00:08:10,070 --> 00:08:07,800  
physics and

159  
00:08:11,749 --> 00:08:10,080  
it's it can be contacted say they've

160  
00:08:13,610 --> 00:08:11,759  
never heard of him he also said he

161  
00:08:16,070 --> 00:08:13,620  
worked as a physicist at Los Alamos

162  
00:08:18,650 --> 00:08:16,080  
National Lab we have Colonel Corso who

163  
00:08:21,230 --> 00:08:18,660

came out and said that he saw

164

00:08:24,050 --> 00:08:21,240

bodies

165

00:08:26,089 --> 00:08:24,060

and talked about how they worked and so

166

00:08:28,790 --> 00:08:26,099

yes there has been a various amount of

167

00:08:30,950 --> 00:08:28,800

accounts over the years but we all can

168

00:08:34,310 --> 00:08:30,960

agree that

169

00:08:37,790 --> 00:08:34,320

no one is high up in the intelligence

170

00:08:40,250 --> 00:08:37,800

service no one as fresh out of their

171

00:08:43,310 --> 00:08:40,260

service has come forward and said these

172

00:08:45,050 --> 00:08:43,320

things let alone on national TV and

173

00:08:47,449 --> 00:08:45,060

break the news

174

00:08:51,110 --> 00:08:47,459

and leading up to this Congress already

175

00:08:53,329 --> 00:08:51,120

was uh somewhat taking the topic of UAP

176  
00:08:57,290 --> 00:08:53,339  
seriously and you could see that through

177  
00:09:00,530 --> 00:08:57,300  
their ndaa language for you know three

178  
00:09:02,750 --> 00:09:00,540  
years now or so

179  
00:09:07,009 --> 00:09:02,760  
and it started basically by just

180  
00:09:11,750 --> 00:09:08,990  
and we now know people like Travis

181  
00:09:13,970 --> 00:09:11,760  
Taylor who is the head scientist

182  
00:09:16,009 --> 00:09:13,980  
and people like Jay Stratton were

183  
00:09:18,530 --> 00:09:16,019  
involved with this operation official

184  
00:09:20,690 --> 00:09:18,540  
has seen more of the Pentagon files than

185  
00:09:23,690 --> 00:09:20,700  
anyone he is the only

186  
00:09:25,370 --> 00:09:23,700  
Terry man to work on three major UFO

187  
00:09:27,710 --> 00:09:25,380  
investigations including one based here

188  
00:09:29,870 --> 00:09:27,720

in Las Vegas the official is Jay

189

00:09:31,610 --> 00:09:29,880

Stratton and he has never spoken in

190

00:09:33,530 --> 00:09:31,620

public or even granted an interview that

191

00:09:35,509 --> 00:09:33,540

is until he sat down with our very own

192

00:09:39,110 --> 00:09:35,519

every time I've done anything related to

193

00:09:41,329 --> 00:09:39,120

UAP or UFO has been my job

194

00:09:43,430 --> 00:09:41,339

um and and what I mean by that I didn't

195

00:09:44,630 --> 00:09:43,440

really have a passion growing up I

196

00:09:47,509 --> 00:09:44,640

didn't have all the books so I didn't

197

00:09:50,210 --> 00:09:47,519

watch all the TV shows I stepped into a

198

00:09:52,730 --> 00:09:50,220

job at the defense intelligence agency

199

00:09:54,650 --> 00:09:52,740

where and they released a report

200

00:09:57,769 --> 00:09:54,660

and it was probably the most intriguing

201  
00:10:00,110 --> 00:09:57,779  
report released yet

202  
00:10:02,509 --> 00:10:00,120  
and eventually the UAP task force would

203  
00:10:05,210 --> 00:10:02,519  
change into

204  
00:10:08,630 --> 00:10:05,220  
something called Arrow all domain

205  
00:10:11,030 --> 00:10:08,640  
anomaly resolution office

206  
00:10:14,630 --> 00:10:11,040  
we would have hearings and and all the

207  
00:10:16,190 --> 00:10:14,640  
while another report Dr Sean Kirkpatrick

208  
00:10:18,949 --> 00:10:16,200  
would get involved

209  
00:10:21,769 --> 00:10:18,959  
and write a report

210  
00:10:24,889 --> 00:10:21,779  
Congress was demanding things on reverse

211  
00:10:26,690 --> 00:10:24,899  
engineer technology they were setting up

212  
00:10:29,030 --> 00:10:26,700  
a process for whistleblowers to come

213  
00:10:31,910 --> 00:10:29,040

forward in regards to that

214

00:10:35,090 --> 00:10:31,920

they wanted to know about injuries from

215

00:10:37,970 --> 00:10:35,100

UAV truth is out there and it might be

216

00:10:40,490 --> 00:10:37,980

terrifying a just uncovered defense

217

00:10:43,009 --> 00:10:40,500

department summary of UFO induced

218

00:10:45,710 --> 00:10:43,019

effects ranging from abduction and

219

00:10:47,870 --> 00:10:45,720

paralysis to electrical shocks and even

220

00:10:49,910 --> 00:10:47,880

sexual encounter and most of all they

221

00:10:53,030 --> 00:10:49,920

wanted to know the truth

222

00:10:55,310 --> 00:10:53,040

because Congress as we know now was

223

00:10:58,730 --> 00:10:55,320

getting briefed by according to Nick

224

00:11:00,710 --> 00:10:58,740

Pope upwards of two dozen people

225

00:11:03,050 --> 00:11:00,720

that have knowledge of these reverse

226  
00:11:05,210 --> 00:11:03,060  
engineered programs

227  
00:11:06,910 --> 00:11:05,220  
all throughout this time naysayers and

228  
00:11:11,030 --> 00:11:06,920  
Skeptics were

229  
00:11:13,730 --> 00:11:11,040  
attempting to convince people that

230  
00:11:15,650 --> 00:11:13,740  
characters like Lou Elizondo Chris melon

231  
00:11:18,710 --> 00:11:15,660  
and and maybe others are were

232  
00:11:21,350 --> 00:11:18,720  
bamboozling Congress into writing this

233  
00:11:24,110 --> 00:11:21,360  
legislation for uaps

234  
00:11:26,090 --> 00:11:24,120  
no reason is given as to why they would

235  
00:11:28,790 --> 00:11:26,100  
do something like that with any

236  
00:11:32,090 --> 00:11:28,800  
foundation or evidence other than

237  
00:11:34,190 --> 00:11:32,100  
assumptions based on the skeptic's own

238  
00:11:35,269 --> 00:11:34,200

inability to believe something so

239

00:11:38,090 --> 00:11:35,279

bizarre

240

00:11:42,350 --> 00:11:38,100

and if what those Skeptics were saying

241

00:11:46,970 --> 00:11:44,930

we would expect maybe after year one or

242

00:11:49,250 --> 00:11:46,980

even year two

243

00:11:51,590 --> 00:11:49,260

even in a busy year

244

00:11:53,690 --> 00:11:51,600

lots to do in Congress

245

00:11:56,690 --> 00:11:53,700

eventually they would

246

00:12:00,590 --> 00:11:56,700

roll back their interest in the

247

00:12:06,710 --> 00:12:04,069

it would turn more into a partisan topic

248

00:12:09,769 --> 00:12:06,720

than we would like but in fact the

249

00:12:16,430 --> 00:12:12,230

and we're told of even more people

250

00:12:23,150 --> 00:12:19,389

and you can see from the ndaa language

251  
00:12:25,790 --> 00:12:23,160  
that Congress is not going backwards

252  
00:12:28,069 --> 00:12:25,800  
they have not found this to be silly as

253  
00:12:30,710 --> 00:12:28,079  
they progressed in fact they found it to

254  
00:12:32,090 --> 00:12:30,720  
be more serious and grave as they

255  
00:12:34,069 --> 00:12:32,100  
progressed

256  
00:12:36,230 --> 00:12:34,079  
talking to more whistleblowers and

257  
00:12:39,470 --> 00:12:36,240  
people with actual hands-on experience

258  
00:12:42,889 --> 00:12:39,480  
in these programs and they would draft

259  
00:12:45,829 --> 00:12:42,899  
the strongest language yet basically

260  
00:12:52,009 --> 00:12:49,129  
any material from contractors

261  
00:12:56,090 --> 00:12:54,590  
that consists of alien or E.T or Unknown

262  
00:13:00,230 --> 00:12:56,100  
Origin

263  
00:13:05,629 --> 00:13:01,910

so I think it's fair to say that

264

00:13:09,710 --> 00:13:05,639

Congress has not been bamboozled

265

00:13:14,389 --> 00:13:12,590

get to a conclusion like that in fact

266

00:13:17,569 --> 00:13:14,399

they're getting more evidence to prove

267

00:13:19,430 --> 00:13:17,579

the contrary and so are we see Congress

268

00:13:21,590 --> 00:13:19,440

has taken this even more seriously and

269

00:13:23,750 --> 00:13:21,600

taken this farther because their goal is

270

00:13:26,030 --> 00:13:23,760

to find the truth

271

00:13:28,550 --> 00:13:26,040

and as we get Representatives actually

272

00:13:30,230 --> 00:13:28,560

finally talking about the process The

273

00:13:32,269 --> 00:13:30,240

Whistleblower process and what they've

274

00:13:34,370 --> 00:13:32,279

been told by various people

275

00:13:36,350 --> 00:13:34,380

things would heat up

276

00:13:38,389 --> 00:13:36,360

and finally someone who's been quiet for

277

00:13:41,329 --> 00:13:38,399

a little while who is first a huge

278

00:13:42,170 --> 00:13:41,339

advocate of UAP in the formation of a

279

00:13:45,590 --> 00:13:42,180

group

280

00:13:47,930 --> 00:13:45,600

like era was Senator Marco Rubio out of

281

00:13:50,810 --> 00:13:47,940

Florida people were wondering where was

282

00:13:53,750 --> 00:13:50,820

he why isn't he spoken what does he have

283

00:13:55,670 --> 00:13:53,760

to say about this

284

00:13:58,009 --> 00:13:55,680

well he had to say quite a lot just

285

00:14:02,030 --> 00:13:58,019

hours ago we finally got Rubio on camera

286

00:14:04,490 --> 00:14:02,040

and what he said it is big rush who you

287

00:14:06,949 --> 00:14:04,500

saw in our air is not the only one to

288

00:14:09,650 --> 00:14:06,959

come forward according to Rubio others

289

00:14:12,590 --> 00:14:09,660

have come forward in secret to Congress

290

00:14:14,750 --> 00:14:12,600

there are whistleblower Witnesses who

291

00:14:16,670 --> 00:14:14,760

have gone direct to these nations

292

00:14:18,590 --> 00:14:16,680

Washington correspondent Joe Khalil just

293

00:14:20,150 --> 00:14:18,600

wrapped up an interview with Rubio a

294

00:14:21,230 --> 00:14:20,160

little while ago he joins me live now

295

00:14:23,090 --> 00:14:21,240

we'll say there are people that have

296

00:14:24,949 --> 00:14:23,100

come forward to share information with

297

00:14:26,870 --> 00:14:24,959

our committee over the last couple of

298

00:14:28,370 --> 00:14:26,880

years I would imagine some of them are

299

00:14:30,530 --> 00:14:28,380

potentially some of the same people that

300

00:14:31,970 --> 00:14:30,540

perhaps he's referring to I want to be

301  
00:14:33,350 --> 00:14:31,980  
very protective of these people a lot of

302  
00:14:35,090 --> 00:14:33,360  
these people came to us even before

303  
00:14:37,310 --> 00:14:35,100  
these protections were in the law for

304  
00:14:39,889 --> 00:14:37,320  
whistleblowers to come forward sorry

305  
00:14:41,389 --> 00:14:39,899  
people who have had firsthand knowledge

306  
00:14:43,069 --> 00:14:41,399  
who claim to have firsthand knowledge of

307  
00:14:45,110 --> 00:14:43,079  
seeing this type of thing or have

308  
00:14:47,269 --> 00:14:45,120  
firsthand knowledge or firsthand claims

309  
00:14:48,769 --> 00:14:47,279  
of certain things uh some are public

310  
00:14:50,810 --> 00:14:48,779  
figures you know and and you've heard

311  
00:14:52,550 --> 00:14:50,820  
from them in the past others

312  
00:14:54,230 --> 00:14:52,560  
um you know have have not shared

313  
00:14:55,610 --> 00:14:54,240

publicly and so we're trying to gather

314

00:14:56,629 --> 00:14:55,620

as much of that information as we can

315

00:14:58,129 --> 00:14:56,639

but and the reason why I'm being

316

00:14:59,689 --> 00:14:58,139

cautious about trying to be evasive but

317

00:15:00,949 --> 00:14:59,699

I am trying to be protective of these

318

00:15:02,870 --> 00:15:00,959

people some of these people still work

319

00:15:04,610 --> 00:15:02,880

in the government and frankly a lot of

320

00:15:06,590 --> 00:15:04,620

them are very fearful fearful of their

321

00:15:09,230 --> 00:15:06,600

jobs fearful their clearances fearful of

322

00:15:11,449 --> 00:15:09,240

their career and and and some frankly

323

00:15:13,790 --> 00:15:11,459

are fearful of harmful I don't find them

324

00:15:16,009 --> 00:15:13,800

either not credible or credible because

325

00:15:17,150 --> 00:15:16,019

we have no basis about understand some

326

00:15:18,829 --> 00:15:17,160

of these claims are things that are

327

00:15:20,689 --> 00:15:18,839

Beyond sort of the realm of what any of

328

00:15:23,449 --> 00:15:20,699

us has ever dealt with what I think we

329

00:15:25,730 --> 00:15:23,459

owe them is just a mature you know

330

00:15:27,230 --> 00:15:25,740

understand listening and trying to put

331

00:15:28,730 --> 00:15:27,240

these all these pieces together and just

332

00:15:30,350 --> 00:15:28,740

sort of intake the information without

333

00:15:31,730 --> 00:15:30,360

any prejudgment or jumping to any

334

00:15:34,610 --> 00:15:31,740

conclusions in One Direction or another

335

00:15:36,650 --> 00:15:34,620

I will say I find most of these people

336

00:15:38,990 --> 00:15:36,660

at some point or maybe even currently

337

00:15:41,329 --> 00:15:39,000

have held very high clearances in high

338

00:15:43,129 --> 00:15:41,339

positions within our government so you

339

00:15:46,129 --> 00:15:43,139

start out you do ask yourself like what

340

00:15:48,710 --> 00:15:46,139

incentive would so many people with that

341

00:15:50,870 --> 00:15:48,720

kind of um qualification these are

342

00:15:52,730 --> 00:15:50,880

serious people have to come forward and

343

00:15:55,610 --> 00:15:52,740

make something up

344

00:15:57,470 --> 00:15:55,620

and it must have been frustrating for

345

00:16:02,810 --> 00:15:57,480

um people who push back against this

346

00:16:07,430 --> 00:16:02,820

effort that ndaa language seemed to take

347

00:16:11,329 --> 00:16:10,250

than the previous ndaa language if at

348

00:16:13,790 --> 00:16:11,339

all

349

00:16:16,370 --> 00:16:13,800

which didn't even seem possible to be

350

00:16:20,569 --> 00:16:18,530

trying to get UAP material from

351  
00:16:23,269 --> 00:16:20,579  
contractors who may have it like we have

352  
00:16:26,030 --> 00:16:23,279  
been told time to time again people like

353  
00:16:29,990 --> 00:16:28,129  
will they come forward somebody reached

354  
00:16:33,590 --> 00:16:30,000  
out to them recently and they directed

355  
00:16:35,750 --> 00:16:33,600  
people directly to arrow and DOD

356  
00:16:37,069 --> 00:16:35,760  
instead of saying no they don't have any

357  
00:16:40,850 --> 00:16:37,079  
material

358  
00:16:40,860 --> 00:16:46,430  
to be continued where do we go from here

359  
00:17:11,270 --> 00:17:03,610  
[Music]

360  
00:17:21,650 --> 00:17:12,040  
thank you

361  
00:17:24,290 --> 00:17:21,660  
[Music]
