

Radar Spots 'Flying Saucers'
In Backyard Of Natl. Capital

MATT LASLO

REPORTER FOR WIRED
LATEST COMMENTS
FROM CONGRESS
ON UAP

1
00:00:07,550 --> 00:00:04,610
what's up everybody happy Wednesday

2
00:00:09,710 --> 00:00:07,560
I'm starting a little early so

3
00:00:11,089 --> 00:00:09,720
we can get into this because I know

4
00:00:13,450 --> 00:00:11,099
you're all waiting thanks for being here

5
00:00:16,369 --> 00:00:13,460
Escape VX Owen from Ohio Robert

6
00:00:19,430 --> 00:00:16,379
everybody else I appreciate it we're

7
00:00:21,650 --> 00:00:19,440
live today these are more rare than not

8
00:00:25,609 --> 00:00:21,660
so I appreciate you guys hanging out uh

9
00:00:27,950 --> 00:00:25,619
we have a fantastic guest today uh named

10
00:00:31,130 --> 00:00:27,960
Mr Matt lasso who has just been crushing

11
00:00:34,790 --> 00:00:31,140
it in the UAB field getting comments

12
00:00:38,030 --> 00:00:34,800
from everyone from Burchette

13
00:00:40,430 --> 00:00:38,040

um Rubio Mark Warner got a very

14

00:00:42,470 --> 00:00:40,440

interesting comment from him and others

15

00:00:45,470 --> 00:00:42,480

and we're going to get into that too but

16

00:00:48,889 --> 00:00:45,480

first I want to actually read

17

00:00:53,029 --> 00:00:48,899

a quick piece

18

00:00:57,350 --> 00:00:55,670

and it's on Mr timbrecht if

19

00:00:59,869 --> 00:00:57,360

Timber Chet

20

00:01:01,549 --> 00:00:59,879

Republican Tennessee gets his way the

21

00:01:04,670 --> 00:01:01,559

U.S House of Representatives will hold

22

00:01:07,130 --> 00:01:04,680

public hearings on UAP formerly known as

23

00:01:09,109 --> 00:01:07,140

UFOs when lawmakers return from their

24

00:01:12,050 --> 00:01:09,119

current two-week July 4th recess before

25

00:01:14,750 --> 00:01:12,060

lawmakers leave Washington for their

26
00:01:17,270 --> 00:01:14,760
month-long August recess hopefully here

27
00:01:19,010 --> 00:01:17,280
in the next few couple of weeks we ought

28
00:01:20,990 --> 00:01:19,020
to get a date for you Richard told me

29
00:01:22,730 --> 00:01:21,000
while walking across the capitol grounds

30
00:01:26,090 --> 00:01:22,740
last week

31
00:01:27,469 --> 00:01:26,100
so in Burchette you know he doesn't like

32
00:01:29,210 --> 00:01:27,479
Arrow he thinks the information is

33
00:01:30,950 --> 00:01:29,220
already there and he wants it now so he

34
00:01:32,929 --> 00:01:30,960
says because they've already got

35
00:01:34,550 --> 00:01:32,939
information that we'd like to see when

36
00:01:37,069 --> 00:01:34,560
we have a whistleblower saying they've

37
00:01:38,569 --> 00:01:37,079
collected that they have bodies that

38
00:01:40,789 --> 00:01:38,579

they have craft

39

00:01:43,550 --> 00:01:40,799

I'd like to hear the testimony burchett

40

00:01:47,030 --> 00:01:43,560

says so without further Ado we are going

41

00:01:48,609 --> 00:01:47,040

to bring on the men of the hour who

42

00:01:52,609 --> 00:01:48,619

wrote this piece

43

00:01:58,149 --> 00:01:55,670

Mr Man how are you sir hey

44

00:02:02,210 --> 00:01:58,159

I got my pulse I like that

45

00:02:04,010 --> 00:02:02,220

yeah cool so this is Matt everybody

46

00:02:05,389 --> 00:02:04,020

um I hope

47

00:02:06,950 --> 00:02:05,399

um you check out his work he's been

48

00:02:08,630 --> 00:02:06,960

doing great work in the UAP field and

49

00:02:11,510 --> 00:02:08,640

he's been a really Stellar journalist

50

00:02:13,850 --> 00:02:11,520

for a long time so in one second I'll be

51
00:02:16,550 --> 00:02:13,860
back and we'll talk to him

52
00:02:17,720 --> 00:02:16,560
tonight we go after a fantastic story

53
00:02:32,110 --> 00:02:17,730
foreign

54
00:03:04,070 --> 00:03:02,030
[Music]

55
00:03:07,910 --> 00:03:04,080
I had to give you the punk rock haircut

56
00:03:09,170 --> 00:03:07,920
picture man that's the best one so no

57
00:03:10,729 --> 00:03:09,180
thanks for everything you're doing

58
00:03:12,470 --> 00:03:10,739
thanks for taking the time out to do

59
00:03:14,869 --> 00:03:12,480
this interview with me

60
00:03:17,690 --> 00:03:14,879
um you have been cut you just kind of

61
00:03:19,369 --> 00:03:17,700
busted on the UAP scene here and UFO

62
00:03:21,649 --> 00:03:19,379
Twitter and all that getting some great

63
00:03:22,970 --> 00:03:21,659

quotes from some some pretty heavy

64

00:03:23,750 --> 00:03:22,980

people

65

00:03:27,729 --> 00:03:23,760

um

66

00:03:30,229 --> 00:03:27,739

Mr Mark Marco Rubio and Mark Warner were

67

00:03:32,869 --> 00:03:30,239

Angela brand were kind of the the people

68

00:03:34,790 --> 00:03:32,879

that really uh pushed this whole thing a

69

00:03:36,649 --> 00:03:34,800

few years ago is starting the UAP task

70

00:03:38,690 --> 00:03:36,659

force in Arrow

71

00:03:42,770 --> 00:03:38,700

um were you familiar with this whole

72

00:03:45,649 --> 00:03:42,780

effort at that point and if not what do

73

00:03:47,570 --> 00:03:45,659

you make of uh the history here within

74

00:03:50,149 --> 00:03:47,580

the past few years

75

00:03:52,910 --> 00:03:50,159

so like was it two years ago Congress

76
00:03:55,149 --> 00:03:52,920
had their first hearing on uaps or UFOs

77
00:03:58,729 --> 00:03:55,159
actually and uh yeah

78
00:04:01,369 --> 00:03:58,739
more than 50 years so like watch that

79
00:04:04,369 --> 00:04:01,379
like everyone else but that became like

80
00:04:08,930 --> 00:04:04,379
MSM or mainstream media Feeding Frenzy

81
00:04:11,630 --> 00:04:08,940
so as a freelancer I watched it but

82
00:04:12,949 --> 00:04:11,640
from afar because like my clients aren't

83
00:04:15,050 --> 00:04:12,959
going to have me

84
00:04:18,050 --> 00:04:15,060
cover a hearing they're going to cover

85
00:04:20,629 --> 00:04:18,060
that so then it honestly fell off a lot

86
00:04:22,490 --> 00:04:20,639
of our Radars you'd still hear it talked

87
00:04:24,409 --> 00:04:22,500
about a little bit and I would like

88
00:04:27,350 --> 00:04:24,419

probably even joke with lawmakers about

89

00:04:30,469 --> 00:04:27,360

it like hey any update or whatever

90

00:04:32,050 --> 00:04:30,479

um but this whistleblower uh David crush

91

00:04:35,030 --> 00:04:32,060

he's this

92

00:04:38,330 --> 00:04:35,040

exploded the conversation really right

93

00:04:40,129 --> 00:04:38,340

back onto Capitol Hill and

94

00:04:42,409 --> 00:04:40,139

the fascinating thing to me you know

95

00:04:44,450 --> 00:04:42,419

I've covered Congress 17 years also a

96

00:04:46,610 --> 00:04:44,460

professor at a few schools like Johns

97

00:04:48,530 --> 00:04:46,620

Hopkins is the main one right

98

00:04:50,570 --> 00:04:48,540

um where I teach them like the history

99

00:04:53,210 --> 00:04:50,580

of media but looking at how technology

100

00:04:54,170 --> 00:04:53,220

has impacted media and lawmakers over

101
00:04:56,749 --> 00:04:54,180
time

102
00:04:59,450 --> 00:04:56,759
and so me as this Congressional junkie

103
00:05:03,110 --> 00:04:59,460
the part of his claims you know besides

104
00:05:05,030 --> 00:05:03,120
craft and actual you know inorganic or

105
00:05:08,409 --> 00:05:05,040
organic life that he found

106
00:05:11,830 --> 00:05:08,419
um the claim that there were hidden

107
00:05:14,810 --> 00:05:11,840
programs from Congress you know the saps

108
00:05:16,670 --> 00:05:14,820
that really piqued my interest and

109
00:05:19,850 --> 00:05:16,680
bringing that up to all these lawmakers

110
00:05:21,770 --> 00:05:19,860
you can tell that no matter their

111
00:05:24,070 --> 00:05:21,780
thoughts on

112
00:05:26,330 --> 00:05:24,080
what's in the heavens above

113
00:05:29,210 --> 00:05:26,340

each member of Congress if they care

114

00:05:31,850 --> 00:05:29,220

about that institution has to care about

115

00:05:33,710 --> 00:05:31,860

his claims that right the bureaucrats

116

00:05:36,170 --> 00:05:33,720

and the federal government were hiding

117

00:05:38,510 --> 00:05:36,180

things from Congress and so it kind of

118

00:05:40,370 --> 00:05:38,520

became this perfect storm

119

00:05:42,469 --> 00:05:40,380

um you know with lawmakers like

120

00:05:44,210 --> 00:05:42,479

verchette and then congresswoman Luna

121

00:05:47,270 --> 00:05:44,220

over in the house

122

00:05:49,370 --> 00:05:47,280

you know they already uh as you said

123

00:05:51,350 --> 00:05:49,380

didn't trust Arrow wanted more

124

00:05:53,150 --> 00:05:51,360

information from the Pentagon well guess

125

00:05:55,189 --> 00:05:53,160

what now a lot of these more mainstream

126

00:05:57,409 --> 00:05:55,199

lawmakers I mean the head of the Intel

127

00:06:01,029 --> 00:05:57,419

committee and device share of Intel and

128

00:06:04,310 --> 00:06:01,039

Rubio they're now on board to at least

129

00:06:06,050 --> 00:06:04,320

uncover the basis of his claims and some

130

00:06:07,550 --> 00:06:06,060

of them are still dubious of his claims

131

00:06:12,230 --> 00:06:07,560

but

132

00:06:14,749 --> 00:06:12,240

always just keep coming back around to

133

00:06:17,270 --> 00:06:14,759

like why why would this person like

134

00:06:18,710 --> 00:06:17,280

Marco Rubio I think

135

00:06:20,810 --> 00:06:18,720

you know a lot of people feel different

136

00:06:23,390 --> 00:06:20,820

ways and let their politics and beliefs

137

00:06:25,730 --> 00:06:23,400

get involved but whatever I don't I try

138

00:06:30,070 --> 00:06:25,740

not to do that Marco Rubio actually said

139

00:06:32,330 --> 00:06:30,080

I think what is the kind of mature

140

00:06:35,570 --> 00:06:32,340

level-headed way to put this which is

141

00:06:38,689 --> 00:06:35,580

listen I have people that have high

142

00:06:41,330 --> 00:06:38,699

security clearances some still have that

143

00:06:42,170 --> 00:06:41,340

are some really serious people telling

144

00:06:44,390 --> 00:06:42,180

me this

145

00:06:47,330 --> 00:06:44,400

like so we have to find out what's going

146

00:06:48,650 --> 00:06:47,340

on like and that's it that's that's what

147

00:06:50,270 --> 00:06:48,660

we have to do you know because everyone

148

00:06:53,330 --> 00:06:50,280

has their own

149

00:06:54,890 --> 00:06:53,340

um agenda and their you know that we

150

00:06:56,930 --> 00:06:54,900

shouldn't look or should look or this is

151

00:06:58,610 --> 00:06:56,940

bullcrap or not like apparently I think

152

00:07:01,129 --> 00:06:58,620

we're past that and it's like listen

153

00:07:03,110 --> 00:07:01,139

people are really saying this and now we

154

00:07:06,230 --> 00:07:03,120

have to figure out what it is but I'm

155

00:07:08,330 --> 00:07:06,240

curious um since he's spent so much time

156

00:07:10,189 --> 00:07:08,340

in this field have you ever seen

157

00:07:12,230 --> 00:07:10,199

anything like this

158

00:07:14,570 --> 00:07:12,240

well that's the Curious Thing like when

159

00:07:17,390 --> 00:07:14,580

Rubio uh

160

00:07:19,390 --> 00:07:17,400

talked to me and it once I listened back

161

00:07:22,129 --> 00:07:19,400

to it a few days later I was like whoa

162

00:07:25,189 --> 00:07:22,139

my mind blown by the interview but what

163

00:07:27,469 --> 00:07:25,199

Rubio's claim was is hey there's been a

164

00:07:29,570 --> 00:07:27,479

lot of people who claim similar things

165

00:07:31,909 --> 00:07:29,580

in the past but they've never been

166

00:07:35,150 --> 00:07:31,919

vetted and then sent along to Congress

167

00:07:38,510 --> 00:07:35,160

and he's like this time the Inspector

168

00:07:41,390 --> 00:07:38,520

General vetted it and said hey Congress

169

00:07:43,730 --> 00:07:41,400

this is something that

170

00:07:46,249 --> 00:07:43,740

should be not the top of the stack but

171

00:07:49,129 --> 00:07:46,259

near the top of the stack well yeah it

172

00:07:52,370 --> 00:07:49,139

should really be right because if this

173

00:07:53,809 --> 00:07:52,380

turns out to be you know as publicized

174

00:07:55,909 --> 00:07:53,819

or I guess as

175

00:07:57,409 --> 00:07:55,919

um you know broadcasted and we have

176

00:08:01,550 --> 00:07:57,419

these ships and everything in bodies

177

00:08:02,930 --> 00:08:01,560

like it definitely should be on the top

178

00:08:05,270 --> 00:08:02,940

of the list right because what's bigger

179

00:08:07,670 --> 00:08:05,280

than the biggest story in history and

180

00:08:10,610 --> 00:08:07,680

like I'm so thankful that people like

181

00:08:12,230 --> 00:08:10,620

you come and and handle and deal with

182

00:08:15,350 --> 00:08:12,240

this topic and aren't afraid of the

183

00:08:18,529 --> 00:08:15,360

stigma because I think everything going

184

00:08:20,570 --> 00:08:18,539

on in um I'm talking a loud story but um

185

00:08:22,969 --> 00:08:20,580

everything going on with whether it's a

186

00:08:24,529 --> 00:08:22,979

covid origins or two past presidents

187

00:08:25,850 --> 00:08:24,539

basically looking like they're going to

188

00:08:30,070 --> 00:08:25,860

jail

189

00:08:35,029 --> 00:08:30,080

um all you know all this bull crap like

190

00:08:35,570 --> 00:08:35,039

this UAP and how do you

191

00:08:37,670 --> 00:08:35,580

um

192

00:08:38,990 --> 00:08:37,680

how do you bring Justice to it all as a

193

00:08:40,730 --> 00:08:39,000

journalist you know

194

00:08:42,889 --> 00:08:40,740

well remember and

195

00:08:44,930 --> 00:08:42,899

I just was reminded of this

196

00:08:47,269 --> 00:08:44,940

even before The Whistleblower came out

197

00:08:50,449 --> 00:08:47,279

this Congress was very

198

00:08:53,810 --> 00:08:50,459

chewed in on these things because of

199

00:08:54,790 --> 00:08:53,820

the invasion of the balloons show right

200

00:08:57,170 --> 00:08:54,800

Chinese

201
00:08:58,790 --> 00:08:57,180
and then once they really started

202
00:09:01,490 --> 00:08:58,800
investigating that and then just

203
00:09:04,250 --> 00:09:01,500
remember out of nowhere in like a week

204
00:09:06,230 --> 00:09:04,260
now the Air Force shot down four objects

205
00:09:08,449 --> 00:09:06,240
that they don't know what the heck they

206
00:09:10,970 --> 00:09:08,459
are so that really peaked a lot of

207
00:09:13,070 --> 00:09:10,980
interest from lawmakers on Capitol Hill

208
00:09:17,269 --> 00:09:13,080
and then when you actually look at the

209
00:09:18,970 --> 00:09:17,279
reports from Arrow saying that hey out

210
00:09:21,590 --> 00:09:18,980
of the 800 or so

211
00:09:24,050 --> 00:09:21,600
uaps we

212
00:09:27,230 --> 00:09:24,060
know about 500 of them like hey we

213
00:09:31,030 --> 00:09:27,240

figured that out that's still 300 or so

214

00:09:35,090 --> 00:09:31,040

objects that our government should spend

215

00:09:37,310 --> 00:09:35,100

ungodly amounts on uh the military and

216

00:09:39,470 --> 00:09:37,320

all that if we're spending all that

217

00:09:40,430 --> 00:09:39,480

money and they don't know what's above

218

00:09:44,150 --> 00:09:40,440

us

219

00:09:47,449 --> 00:09:44,160

even if it's a balloon let alone these

220

00:09:48,829 --> 00:09:47,459

objects that zip and zag right and I

221

00:09:51,290 --> 00:09:48,839

think there's also a little bit of that

222

00:09:53,269 --> 00:09:51,300

fear in Congress especially as they're

223

00:09:57,949 --> 00:09:53,279

going really hard against China

224

00:10:00,470 --> 00:09:57,959

well if these aren't uh spacecraft and

225

00:10:02,690 --> 00:10:00,480

their Chinese craft maybe that's even a

226

00:10:05,630 --> 00:10:02,700

bigger National Security concern you

227

00:10:08,509 --> 00:10:05,640

know and sure so that's where

228

00:10:11,090 --> 00:10:08,519

this is an interesting one that I love

229

00:10:15,310 --> 00:10:11,100

issues like this that don't cut into the

230

00:10:19,430 --> 00:10:15,320

normal he said she said

231

00:10:23,449 --> 00:10:19,440

uh yeah it's called BS of this town

232

00:10:26,750 --> 00:10:23,459

yeah you know and I'm gonna stay away

233

00:10:28,070 --> 00:10:26,760

from coming too much on the media I've

234

00:10:29,990 --> 00:10:28,080

been watching it for a long time but

235

00:10:32,090 --> 00:10:30,000

it's definitely been super partisan

236

00:10:34,190 --> 00:10:32,100

lately and it's nice to see something

237

00:10:37,090 --> 00:10:34,200

like this bring people together

238

00:10:39,470 --> 00:10:37,100

I'm a comps prop I rip on the media

239

00:10:41,030 --> 00:10:39,480

all the time

240

00:10:43,130 --> 00:10:41,040

well it just seems they just care about

241

00:10:46,790 --> 00:10:43,140

partisanship and here we go we have this

242

00:10:49,910 --> 00:10:46,800

UAP story and you know as hard as it is

243

00:10:52,730 --> 00:10:49,920

to believe we have kind of the most uh

244

00:10:54,590 --> 00:10:52,740

vetted incredible witness in the history

245

00:10:57,889 --> 00:10:54,600

of ufology coming forward and saying No

246

00:10:59,389 --> 00:10:57,899

this stuff is real and you know there's

247

00:11:02,030 --> 00:10:59,399

there's channels that aren't even

248

00:11:04,069 --> 00:11:02,040

covering it at all and I'm pretty sure

249

00:11:08,569 --> 00:11:04,079

it's because Republicans are the louder

250

00:11:10,970 --> 00:11:08,579

ones on this stuff but see and it could

251

00:11:13,550 --> 00:11:10,980

be that and like actually my piece for

252

00:11:16,490 --> 00:11:13,560

Wired Magazine a few weeks back which

253

00:11:18,949 --> 00:11:16,500

sorry everyone it was a little snarky I

254

00:11:20,870 --> 00:11:18,959

tend to be a little but because so many

255

00:11:23,630 --> 00:11:20,880

people Asians had already covered The

256

00:11:26,269 --> 00:11:23,640

Whistleblower doing the magazine

257

00:11:28,870 --> 00:11:26,279

forward-looking piece you know I looked

258

00:11:31,009 --> 00:11:28,880

at the issue inside of

259

00:11:32,230 --> 00:11:31,019

conspiratorial Congress you know there's

260

00:11:34,790 --> 00:11:32,240

yeah

261

00:11:37,550 --> 00:11:34,800

conspiracies flying left and right about

262

00:11:39,410 --> 00:11:37,560

the last selection the next election

263

00:11:41,690 --> 00:11:39,420

etc etc

264

00:11:43,310 --> 00:11:41,700

um and so that's where it's interesting

265

00:11:45,949 --> 00:11:43,320

to see now

266

00:11:48,769 --> 00:11:45,959

you know Intel chair

267

00:11:50,690 --> 00:11:48,779

um Mark Warner and then Marco Rubio the

268

00:11:52,610 --> 00:11:50,700

vice chair and then Cinder gillibrand

269

00:11:55,910 --> 00:11:52,620

you know a more moderate Democrat right

270

00:11:58,310 --> 00:11:55,920

see them now aligned with verchette and

271

00:12:00,769 --> 00:11:58,320

Luna who are Freedom caucus Republicans

272

00:12:02,930 --> 00:12:00,779

in the house again when it's just

273

00:12:05,150 --> 00:12:02,940

National Security

274

00:12:08,030 --> 00:12:05,160

um under that guys everyone

275

00:12:11,389 --> 00:12:08,040

is really concerned and wants to get to

276

00:12:14,990 --> 00:12:11,399

the bottom of it but the undercurrents

277

00:12:16,670 --> 00:12:15,000

for for chat and Luna or hey keep keep

278

00:12:18,590 --> 00:12:16,680

on the thread and you're gonna find

279

00:12:19,690 --> 00:12:18,600

something you weren't looking for

280

00:12:22,190 --> 00:12:19,700

all right

281

00:12:24,829 --> 00:12:22,200

they're just curious if it's Chinese

282

00:12:26,870 --> 00:12:24,839

crafts that are faster than those big

283

00:12:29,210 --> 00:12:26,880

red balloons yeah and you should be

284

00:12:31,490 --> 00:12:29,220

right and I guess a part of this looking

285

00:12:33,889 --> 00:12:31,500

into if there's materials and stuff is

286

00:12:35,150 --> 00:12:33,899

is like if this stuff and I always

287

00:12:36,949 --> 00:12:35,160

thought this when they were starting

288

00:12:38,690 --> 00:12:36,959

Aero and everything but they they

289

00:12:40,370 --> 00:12:38,700

wouldn't go back and look at classified

290

00:12:42,110 --> 00:12:40,380

stuff or anything I'm like but if

291

00:12:43,790 --> 00:12:42,120

something's already there like aren't

292

00:12:45,470 --> 00:12:43,800

you just wasting everyone's time and

293

00:12:47,690 --> 00:12:45,480

money right now when you could just be

294

00:12:52,870 --> 00:12:47,700

like hey it's real you don't have to

295

00:12:56,389 --> 00:12:52,880

look you know like here it is but

296

00:13:01,069 --> 00:12:56,399

because one thing that did come out of

297

00:13:03,410 --> 00:13:01,079

the balloon incidents of 2023 is that

298

00:13:06,129 --> 00:13:03,420

Republicans and Democrats were really

299

00:13:09,170 --> 00:13:06,139

looking at the problem of over

300

00:13:11,389 --> 00:13:09,180

classification the fact that the

301
00:13:12,949 --> 00:13:11,399
government has millions and millions and

302
00:13:14,030 --> 00:13:12,959
millions of documents that they say are

303
00:13:15,910 --> 00:13:14,040
classified

304
00:13:18,590 --> 00:13:15,920
as Burchette brings up in this interview

305
00:13:21,410 --> 00:13:18,600
that we just dropped today on my sub

306
00:13:23,870 --> 00:13:21,420
stack ask a poll what he brings up is

307
00:13:25,370 --> 00:13:23,880
they still have the JFK assassination

308
00:13:26,870 --> 00:13:25,380
stuff

309
00:13:29,990 --> 00:13:26,880
um

310
00:13:33,710 --> 00:13:32,090
accidentally 50 years ago he's like all

311
00:13:35,750 --> 00:13:33,720
the people associated with that are dead

312
00:13:37,790 --> 00:13:35,760
he's like and what do you expect people

313
00:13:39,590 --> 00:13:37,800

to think when you when you do that of

314

00:13:41,269 --> 00:13:39,600

course people are going to be suspicious

315

00:13:43,370 --> 00:13:41,279

and think you're lying and holding stuff

316

00:13:45,829 --> 00:13:43,380

back like that's how it works like are

317

00:13:49,129 --> 00:13:45,839

they that kind of senile to not realize

318

00:13:51,110 --> 00:13:49,139

that when they're not transparent or

319

00:13:53,629 --> 00:13:51,120

don't change how classification works

320

00:13:56,329 --> 00:13:53,639

that's the outcome you know

321

00:13:58,129 --> 00:13:56,339

well that's the thing and even senator

322

00:14:01,430 --> 00:13:58,139

cornyn from Texas was telling me he's

323

00:14:03,350 --> 00:14:01,440

like there are warehouses full of just

324

00:14:05,569 --> 00:14:03,360

hundreds and hundreds and millions of

325

00:14:08,329 --> 00:14:05,579

government documents that are still

326

00:14:10,490 --> 00:14:08,339

classified but probably no one has seen

327

00:14:12,110 --> 00:14:10,500

them in years and years because I mean

328

00:14:16,370 --> 00:14:12,120

because they're technically not allowed

329

00:14:19,430 --> 00:14:16,380

to destroy government materials but I

330

00:14:23,150 --> 00:14:19,440

think his contention is hey we can't

331

00:14:25,389 --> 00:14:23,160

destroy him but let's declassify a lot

332

00:14:29,150 --> 00:14:25,399

of them and that circles back

333

00:14:32,329 --> 00:14:29,160

politically to Trump with his classified

334

00:14:34,670 --> 00:14:32,339

docs Biden with his classified docs and

335

00:14:36,889 --> 00:14:34,680

pens with his classified docs so like

336

00:14:40,550 --> 00:14:36,899

the fact that that was bipartisan too

337

00:14:43,129 --> 00:14:40,560

and showed that a lot of this was

338

00:14:46,189 --> 00:14:43,139

we'll see I'm I'm curious

339

00:14:49,610 --> 00:14:46,199

what they do that because Congress has

340

00:14:51,829 --> 00:14:49,620

want to forget and right just like the

341

00:14:53,870 --> 00:14:51,839

media they always are chasing the new

342

00:14:57,949 --> 00:14:53,880

shiniest object and how everyone's

343

00:14:58,870 --> 00:14:57,959

focused on Election 2024 my thing is

344

00:15:01,370 --> 00:14:58,880

Right

345

00:15:04,629 --> 00:15:01,380

[h__\h] we just hired a new

346

00:15:08,030 --> 00:15:04,639

Congress last year I know man

347

00:15:10,370 --> 00:15:08,040

2024 starts next year let's demand a

348

00:15:12,470 --> 00:15:10,380

little work out of these folks yeah and

349

00:15:15,970 --> 00:15:12,480

we're all so tired of like the the

350

00:15:18,170 --> 00:15:15,980

campaign commercials and the obvious

351

00:15:20,509 --> 00:15:18,180

partisanship where you're they're both

352

00:15:21,889 --> 00:15:20,519

sides are twisting facts just to screw

353

00:15:25,370 --> 00:15:21,899

it in a little farther in the other

354

00:15:29,329 --> 00:15:25,380

person and it's like come on man just

355

00:15:32,750 --> 00:15:30,889

like this

356

00:15:34,250 --> 00:15:32,760

this thing if it goes further you do you

357

00:15:37,129 --> 00:15:34,260

think it could really

358

00:15:41,870 --> 00:15:37,139

be something you see people campaigning

359

00:15:41,880 --> 00:15:46,550

we'll see because I'm like

360

00:15:50,449 --> 00:15:48,050

this Congress to like shut the

361

00:15:53,629 --> 00:15:50,459

government down which will like annoy

362

00:15:55,670 --> 00:15:53,639

some people but then we'll get loud

363

00:15:57,530 --> 00:15:55,680

cheers from other people who are like

364

00:15:59,210 --> 00:15:57,540

what's the government done for me lately

365

00:16:01,310 --> 00:15:59,220

so

366

00:16:03,470 --> 00:16:01,320

we'll see and with the indictment

367

00:16:06,170 --> 00:16:03,480

hanging over Trump

368

00:16:09,230 --> 00:16:06,180

we'll see for some when I don't know the

369

00:16:12,710 --> 00:16:09,240

answer to this I'm curious how much

370

00:16:16,189 --> 00:16:12,720

this played into say Luna's race or even

371

00:16:18,110 --> 00:16:16,199

Matt Gates uh or burchett's race

372

00:16:19,910 --> 00:16:18,120

because

373

00:16:21,829 --> 00:16:19,920

I bet they didn't

374

00:16:25,129 --> 00:16:21,839

lead with it

375

00:16:27,590 --> 00:16:25,139

um but this next time around and then

376

00:16:30,110 --> 00:16:27,600

especially when this comes in his

377

00:16:34,250 --> 00:16:30,120

packaged in the uh

378

00:16:38,090 --> 00:16:34,260

rightful foil not tin foil with the

379

00:16:41,569 --> 00:16:38,100

rightful uh nice packaging of National

380

00:16:45,350 --> 00:16:41,579

Security and transparency and so I think

381

00:16:47,389 --> 00:16:45,360

when it's broader than just UFOs or

382

00:16:49,430 --> 00:16:47,399

Spacemen or that

383

00:16:52,069 --> 00:16:49,440

this is very serious and the questions

384

00:16:53,769 --> 00:16:52,079

that are being asked right now do impact

385

00:16:56,810 --> 00:16:53,779

us all because again

386

00:16:59,210 --> 00:16:56,820

300 or so objects flying above us there

387

00:17:00,850 --> 00:16:59,220

right we don't know what they are that's

388

00:17:04,730 --> 00:17:00,860

not good

389

00:17:06,289 --> 00:17:04,740

like it you know a lot and I don't

390

00:17:08,329 --> 00:17:06,299

really expect otherwise I guess but a

391

00:17:10,610 --> 00:17:08,339

lot of people you know they'll see The

392

00:17:13,850 --> 00:17:10,620

Whistleblower whatever the news and

393

00:17:15,169 --> 00:17:13,860

they'll come into this topic and you

394

00:17:16,549 --> 00:17:15,179

know that's what I'm here for I look

395

00:17:19,010 --> 00:17:16,559

into that history but this has been

396

00:17:22,850 --> 00:17:19,020

going on man with

397

00:17:25,189 --> 00:17:22,860

highly credible Pilots uh with thousands

398

00:17:27,949 --> 00:17:25,199

of hours of flying time like documented

399

00:17:30,530 --> 00:17:27,959

in Air Force fouls going back since 47.

400

00:17:32,390 --> 00:17:30,540

so it's just to me it's like if there's

401
00:17:33,890 --> 00:17:32,400
nothing there like why are we doing this

402
00:17:35,450 --> 00:17:33,900
again because the Air Force already said

403
00:17:38,810 --> 00:17:35,460
there's nothing to it so what's the

404
00:17:43,190 --> 00:17:40,549
the interesting thing to watch because

405
00:17:45,350 --> 00:17:43,200
especially hearing the burchettes and

406
00:17:48,650 --> 00:17:45,360
the others really

407
00:17:51,049 --> 00:17:48,660
call them out and

408
00:17:52,909 --> 00:17:51,059
it's interesting because he's leading

409
00:17:54,730 --> 00:17:52,919
with all his cards like hey I don't

410
00:17:57,650 --> 00:17:54,740
trust you Arrow

411
00:17:59,510 --> 00:17:57,660
government it's like that might not be

412
00:18:02,570 --> 00:17:59,520
the best tax but whatever I'm not a

413
00:18:03,890 --> 00:18:02,580

lawmaker you do you yeah right but it

414

00:18:05,990 --> 00:18:03,900
will be interesting to see if they

415

00:18:07,909 --> 00:18:06,000
dislodge

416

00:18:10,250 --> 00:18:07,919
uh

417

00:18:13,610 --> 00:18:10,260
the Pentagon at all from where they've

418

00:18:15,590 --> 00:18:13,620
been which is the secret secret I mean

419

00:18:16,490 --> 00:18:15,600
but wait what did we just learn with

420

00:18:19,370 --> 00:18:16,500
this sub

421

00:18:21,770 --> 00:18:19,380
at the bottom of the ocean uh looking at

422

00:18:24,950 --> 00:18:21,780
the Titanic right well

423

00:18:27,190 --> 00:18:24,960
after a few days of us looking the

424

00:18:30,890 --> 00:18:27,200
military is like oh yeah we knew that

425

00:18:32,690 --> 00:18:30,900
and it's like did you really need that

426
00:18:34,669 --> 00:18:32,700
secret because at the end of the week

427
00:18:37,909 --> 00:18:34,679
that secret came out

428
00:18:40,669 --> 00:18:37,919
um so right and then one of the keyrings

429
00:18:42,590 --> 00:18:40,679
they actually asked

430
00:18:46,430 --> 00:18:42,600
um Moultrie or one of those guys

431
00:18:48,529 --> 00:18:46,440
um about detecting underwater craft and

432
00:18:50,210 --> 00:18:48,539
the first thing he said was we'll have

433
00:18:52,190 --> 00:18:50,220
to do that talk about that in a

434
00:18:53,930 --> 00:18:52,200
classified session and then here we are

435
00:18:55,370 --> 00:18:53,940
so that would be like if I was a

436
00:18:57,590 --> 00:18:55,380
lawmaker or something I'd be like Hey

437
00:18:59,400 --> 00:18:57,600
listen we know you can hear stuff you

438
00:19:13,150 --> 00:18:59,410

admitted it so what's the deal

439

00:19:18,110 --> 00:19:16,789

but I also have a interview that's

440

00:19:21,310 --> 00:19:18,120

probably going to come out tomorrow with

441

00:19:24,409 --> 00:19:21,320

the ranking Democrat Jim Himes rankings

442

00:19:25,669 --> 00:19:24,419

on the house intelligence committee two

443

00:19:27,830 --> 00:19:25,679

years ago

444

00:19:30,169 --> 00:19:27,840

uh

445

00:19:32,570 --> 00:19:30,179

the Pentagon officials told him because

446

00:19:34,789 --> 00:19:32,580

he asked explicitly and he recovered

447

00:19:38,270 --> 00:19:34,799

crap and he recovered organic or

448

00:19:40,549 --> 00:19:38,280

inorganic material and he was told no so

449

00:19:42,529 --> 00:19:40,559

he right now is skeptical of The

450

00:19:45,590 --> 00:19:42,539

Whistleblower because he trusted Arrow

451

00:19:48,169 --> 00:19:45,600

so we'll see if Burchette can knock off

452

00:19:50,270 --> 00:19:48,179

a little bit of that trust with the

453

00:19:52,730 --> 00:19:50,280

Pentagon and arrow because then you

454

00:19:55,549 --> 00:19:52,740

might win over more folks like Himes in

455

00:19:57,890 --> 00:19:55,559

them I was wondering because he was very

456

00:19:59,390 --> 00:19:57,900

skeptical and in the hearing he was kind

457

00:20:00,049 --> 00:19:59,400

of talking more about

458

00:20:02,570 --> 00:20:00,059

um

459

00:20:04,970 --> 00:20:02,580

uh people making false claims and stuff

460

00:20:07,789 --> 00:20:04,980

so so that's nice to have that kind of

461

00:20:09,409 --> 00:20:07,799

backstory of why he was doing that yeah

462

00:20:12,470 --> 00:20:09,419

and it's gonna be interesting because

463

00:20:14,169 --> 00:20:12,480

once folks like that you know heims is

464

00:20:17,570 --> 00:20:14,179

buttoned up I think he used to be ahead

465

00:20:20,390 --> 00:20:17,580

or he did Wall Street stuff like his big

466

00:20:24,049 --> 00:20:20,400

stories after the Twin Towers went down

467

00:20:25,610 --> 00:20:24,059

on 911 he like ran home to his spot in

468

00:20:29,570 --> 00:20:25,620

Connecticut

469

00:20:32,090 --> 00:20:29,580

um yeah and so he's

470

00:20:34,130 --> 00:20:32,100

yeah he's definitely like your

471

00:20:35,570 --> 00:20:34,140

prototypical American politician and

472

00:20:37,370 --> 00:20:35,580

that's that's kind of how you know right

473

00:20:38,930 --> 00:20:37,380

when it's those folks who are like okay

474

00:20:40,370 --> 00:20:38,940

there's something to this and it's like

475

00:20:47,750 --> 00:20:40,380

well

476

00:20:50,029 --> 00:20:47,760

right now he's skeptical but oversight

477

00:20:50,750 --> 00:20:50,039

committee they got the gavels and they

478

00:20:54,470 --> 00:20:50,760

gave

479

00:20:56,390 --> 00:20:54,480

uh oversight chair Comer told me he's

480

00:20:59,150 --> 00:20:56,400

given all the power of the investigation

481

00:21:00,830 --> 00:20:59,160

to burchett and Luna as well I think

482

00:21:02,990 --> 00:21:00,840

that alone is a little bit of a game

483

00:21:05,150 --> 00:21:03,000

changer because it at least changes the

484

00:21:06,590 --> 00:21:05,160

conversation here in Washington

485

00:21:08,990 --> 00:21:06,600

because

486

00:21:11,350 --> 00:21:09,000

if anything they're flipping it on the

487

00:21:16,190 --> 00:21:11,360

government and saying no you you

488

00:21:19,370 --> 00:21:16,200

disprove this right right right see yeah

489

00:21:20,870 --> 00:21:19,380

and and I love that he's not falling for

490

00:21:23,150 --> 00:21:20,880

their bull crap either and he's the guy

491

00:21:25,850 --> 00:21:23,160

heading it you need you need that so I

492

00:21:28,970 --> 00:21:25,860

think that's I think that's great but

493

00:21:30,649 --> 00:21:28,980

um the senate committee what is that on

494

00:21:32,690 --> 00:21:30,659

emerging threats with uh Senator

495

00:21:35,270 --> 00:21:32,700

gillibrand might hold a hearing too is

496

00:21:36,350 --> 00:21:35,280

that right a public one with Russia if

497

00:21:39,470 --> 00:21:36,360

he agrees

498

00:21:42,350 --> 00:21:39,480

she told me she's in talks with him and

499

00:21:45,770 --> 00:21:42,360

his people and what she wants is to hear

500

00:21:47,930 --> 00:21:45,780

from him either in uh public hearing or

501
00:21:51,230 --> 00:21:47,940
classified

502
00:21:53,090 --> 00:21:51,240
um and then she also wants as in

503
00:21:55,130 --> 00:21:53,100
dialogue with all the other people named

504
00:21:58,149 --> 00:21:55,140
in that initial uh I think it's the

505
00:22:00,409 --> 00:21:58,159
debrief had the initial interview

506
00:22:03,590 --> 00:22:00,419
so she wants to hear from all the other

507
00:22:05,450 --> 00:22:03,600
people as well and a couple of them are

508
00:22:07,610 --> 00:22:05,460
still in the government even though a

509
00:22:10,789 --> 00:22:07,620
couple are former members of the

510
00:22:12,890 --> 00:22:10,799
government to I'm especially looking at

511
00:22:16,070 --> 00:22:12,900
what those current government employees

512
00:22:17,270 --> 00:22:16,080
say because in that article that main

513
00:22:19,310 --> 00:22:17,280

article

514

00:22:22,549 --> 00:22:19,320

They Don't Really mince words

515

00:22:24,730 --> 00:22:22,559

no no and that's what's so amazing

516

00:22:27,049 --> 00:22:24,740

because we're so used to that

517

00:22:28,909 --> 00:22:27,059

like kind of beating around the bush but

518

00:22:31,789 --> 00:22:28,919

here they're like nope yeah Jonathan

519

00:22:34,850 --> 00:22:31,799

gray is is the one that sticks out to me

520

00:22:37,430 --> 00:22:34,860

the most ooh you know is apparently what

521

00:22:39,409 --> 00:22:37,440

he goes by at Wright-Patterson Air Force

522

00:22:41,270 --> 00:22:39,419

Base but it's not like his birth name or

523

00:22:42,649 --> 00:22:41,280

something but

524

00:22:44,690 --> 00:22:42,659

um this guy is located at

525

00:22:47,810 --> 00:22:44,700

Wright-Patterson Air Force Base with the

526
00:22:50,930 --> 00:22:47,820
National Air and Space Center and that's

527
00:22:53,690 --> 00:22:50,940
the same group that uh initially started

528
00:22:55,669 --> 00:22:53,700
studying UFOs in 47 it just went by a

529
00:22:58,310 --> 00:22:55,679
different name ATEC it was called then

530
00:22:59,930 --> 00:22:58,320
but it morphed into where this Jonathan

531
00:23:02,450 --> 00:22:59,940
gray is at now so that's super

532
00:23:05,690 --> 00:23:02,460
interesting to me because if this really

533
00:23:08,690 --> 00:23:05,700
goes back to you know 43 or 47 like

534
00:23:10,250 --> 00:23:08,700
David grush says it's exactly where this

535
00:23:12,710 --> 00:23:10,260
person's department is and he would

536
00:23:16,549 --> 00:23:12,720
definitely know so that's interesting

537
00:23:20,149 --> 00:23:16,559
right yeah so lots of spreads the pole

538
00:23:21,770 --> 00:23:20,159

yeah do you

539

00:23:27,230 --> 00:23:21,780

how

540

00:23:28,669 --> 00:23:27,240

um different people being transparent

541

00:23:30,110 --> 00:23:28,679

with you these different Representatives

542

00:23:33,110 --> 00:23:30,120

that are talking to you do you think

543

00:23:35,390 --> 00:23:33,120

there's saying everything

544

00:23:37,549 --> 00:23:35,400

they think or know are you getting a

545

00:23:39,470 --> 00:23:37,559

Vibe as far as

546

00:23:41,149 --> 00:23:39,480

you know this may be one thing versus

547

00:23:43,250 --> 00:23:41,159

the other

548

00:23:44,690 --> 00:23:43,260

well so I actually know

549

00:23:46,789 --> 00:23:44,700

that there's things that they're not

550

00:23:49,310 --> 00:23:46,799

telling me because

551

00:23:51,049 --> 00:23:49,320

I know them so well like I used to be

552

00:23:54,789 --> 00:23:51,059

the correspondent for Virginia Public

553

00:23:58,549 --> 00:23:54,799

Radio and DC's NPR station so

554

00:24:00,830 --> 00:23:58,559

uh Warner was governor of Virginia and

555

00:24:02,450 --> 00:24:00,840

then senator for Virginia and the fact

556

00:24:06,409 --> 00:24:02,460

that I've been covering Congress for 17

557

00:24:09,409 --> 00:24:06,419

years now I predate a lot of these

558

00:24:11,270 --> 00:24:09,419

lawmakers so one of the first things

559

00:24:13,610 --> 00:24:11,280

they see when they get to the Hills this

560

00:24:16,490 --> 00:24:13,620

face for better and For Worse

561

00:24:18,529 --> 00:24:16,500

um and so I know

562

00:24:20,630 --> 00:24:18,539

when uh

563

00:24:23,330 --> 00:24:20,640

like Warner's been funny especially

564

00:24:26,029 --> 00:24:23,340

because like when the news first came

565

00:24:27,830 --> 00:24:26,039

out there was like a flock of reporters

566

00:24:29,930 --> 00:24:27,840

around him and once he came up the

567

00:24:32,149 --> 00:24:29,940

escalator I just made sure I got my

568

00:24:34,610 --> 00:24:32,159

question in and I just asked about the

569

00:24:37,370 --> 00:24:34,620

saps like is

570

00:24:39,230 --> 00:24:37,380

we went straight for the blood oh yeah

571

00:24:44,510 --> 00:24:39,240

and

572

00:24:46,789 --> 00:24:44,520

all over his words that's my first wired

573

00:24:49,310 --> 00:24:46,799

piece and then like the second interview

574

00:24:52,010 --> 00:24:49,320

with him that I released yesterday

575

00:24:55,010 --> 00:24:52,020

um on my patreon but only because the

576

00:24:56,750 --> 00:24:55,020

sub stack was messing up but ask a poll

577

00:24:58,250 --> 00:24:56,760

substance where to go

578

00:25:00,529 --> 00:24:58,260

he um

579

00:25:02,210 --> 00:25:00,539

stops himself and if he was actually

580

00:25:04,310 --> 00:25:02,220

telling me turn off your mic turn off

581

00:25:06,230 --> 00:25:04,320

your mic and I you can hear it in the

582

00:25:08,330 --> 00:25:06,240

audio but I'm like

583

00:25:10,370 --> 00:25:08,340

no and I got that last question in

584

00:25:12,549 --> 00:25:10,380

because I'm like no I don't want to go

585

00:25:15,350 --> 00:25:12,559

on background you know I don't know

586

00:25:16,669 --> 00:25:15,360

yeah so we'll see because Senator

587

00:25:21,049 --> 00:25:16,679

Heinrich

588

00:25:32,750 --> 00:25:21,059

he

589

00:25:35,210 --> 00:25:32,760

things that we know that kind of refute

590

00:25:37,070 --> 00:25:35,220

some things he's saying but then

591

00:25:40,970 --> 00:25:37,080

Heinrich still had questions on other

592

00:25:44,330 --> 00:25:40,980

things and so we'll see and like my

593

00:25:46,669 --> 00:25:44,340

overarching question is

594

00:25:50,330 --> 00:25:46,679

if there was

595

00:25:52,610 --> 00:25:50,340

like so technically like at the

596

00:25:56,029 --> 00:25:52,620

Capital they call it I think the gang of

597

00:25:58,549 --> 00:25:56,039

eight right so it's the true Democratic

598

00:26:00,350 --> 00:25:58,559

Party leaders so in this case Schumer

599

00:26:02,450 --> 00:26:00,360

and Hakeem Jeffries then it's the two

600

00:26:04,430 --> 00:26:02,460

Republican leaders

601
00:26:07,789 --> 00:26:04,440
McConnell in the Senate and then speaker

602
00:26:09,649 --> 00:26:07,799
McCarthy and then the four heads of the

603
00:26:12,049 --> 00:26:09,659
Intel committee

604
00:26:13,909 --> 00:26:12,059
Republicans and the Damned

605
00:26:15,350 --> 00:26:13,919
there are certain things that those

606
00:26:18,169 --> 00:26:15,360
eight people

607
00:26:20,870 --> 00:26:18,179
can know and not the rest of Congress

608
00:26:25,610 --> 00:26:20,880
and then I'm like wait

609
00:26:29,269 --> 00:26:25,620
could Warner even tell me me or his

610
00:26:31,909 --> 00:26:29,279
colleagues if there was this sap that he

611
00:26:32,870 --> 00:26:31,919
knew about that others didn't and that's

612
00:26:36,049 --> 00:26:32,880
where

613
00:26:38,750 --> 00:26:36,059

yeah I have a lot of questions and yeah

614

00:26:42,289 --> 00:26:38,760

Now sort of the rank and file

615

00:26:44,810 --> 00:26:42,299

um in shoot so do the chairs so

616

00:26:46,870 --> 00:26:44,820

we'll see I've never seen

617

00:26:51,110 --> 00:26:46,880

Congress

618

00:26:53,810 --> 00:26:51,120

investigate and be so curious but also

619

00:26:56,149 --> 00:26:53,820

be so nervous I mean because the claim

620

00:26:58,789 --> 00:26:56,159

if the federal government has been lying

621

00:27:01,370 --> 00:26:58,799

to Congress over decades uh and Joe

622

00:27:03,169 --> 00:27:01,380

brand says she's even taking steps in

623

00:27:06,590 --> 00:27:03,179

the National Defense authorization act

624

00:27:08,750 --> 00:27:06,600

or the ndaa she's putting language in

625

00:27:10,730 --> 00:27:08,760

there she did already yeah that's gonna

626

00:27:11,750 --> 00:27:10,740

explicitly say

627

00:27:13,730 --> 00:27:11,760

come

628

00:27:16,250 --> 00:27:13,740

the funding for any program in the

629

00:27:18,649 --> 00:27:16,260

government has to come directly from

630

00:27:20,510 --> 00:27:18,659

Congress you can't take money from here

631

00:27:24,529 --> 00:27:20,520

and put it over here

632

00:27:27,169 --> 00:27:24,539

so by doing that she's kind of

633

00:27:29,690 --> 00:27:27,179

trying to smoke them out relax a better

634

00:27:30,529 --> 00:27:29,700

word to see if there are these programs

635

00:27:33,890 --> 00:27:30,539

so

636

00:27:36,409 --> 00:27:33,900

from whatever from whatever call yeah

637

00:27:39,110 --> 00:27:36,419

she's just like saying if if anyone's

638

00:27:41,510 --> 00:27:39,120

running a UAP program

639

00:27:45,169 --> 00:27:41,520

um or has materials at six months to

640

00:27:48,190 --> 00:27:45,179

turn in the materials the arrow and it

641

00:27:51,350 --> 00:27:50,090

we'll see what happens right because

642

00:27:53,149 --> 00:27:51,360

it's one of those things like if they've

643

00:27:55,909 --> 00:27:53,159

managed to hide it for this long like

644

00:27:58,370 --> 00:27:55,919

what about this process is gonna

645

00:28:00,049 --> 00:27:58,380

you know uncover that itself so I guess

646

00:28:01,909 --> 00:28:00,059

we just you know the whistleblowers I

647

00:28:03,230 --> 00:28:01,919

suppose are the witnesses we'll see

648

00:28:05,750 --> 00:28:03,240

where it goes it's interesting because

649

00:28:07,430 --> 00:28:05,760

yeah if if this blows up in their faces

650

00:28:09,230 --> 00:28:07,440

how embarrassing is that they went on a

651
00:28:10,970 --> 00:28:09,240
UFO Chase right

652
00:28:13,130 --> 00:28:10,980
yeah and I think that'll be the

653
00:28:15,289 --> 00:28:13,140
interesting thing to also watch as

654
00:28:17,390 --> 00:28:15,299
Congress starts

655
00:28:18,409 --> 00:28:17,400
these investigations or these hearings

656
00:28:20,870 --> 00:28:18,419
they've already started their

657
00:28:23,630 --> 00:28:20,880
investigations and I guess the Senate

658
00:28:26,990 --> 00:28:23,640
Intel committee talked to David grosh

659
00:28:28,789 --> 00:28:27,000
weeks if not months ago so even way

660
00:28:30,110 --> 00:28:28,799
before the debrief article came out

661
00:28:32,269 --> 00:28:30,120
right

662
00:28:33,529 --> 00:28:32,279
um which they couldn't tell me on the

663
00:28:36,769 --> 00:28:33,539

record

664

00:28:40,310 --> 00:28:36,779

um so enjoy that one so

665

00:28:42,529 --> 00:28:40,320

going to be interesting going forward to

666

00:28:45,529 --> 00:28:42,539

see

667

00:28:47,630 --> 00:28:45,539

what the administration does right um

668

00:28:49,850 --> 00:28:47,640

because

669

00:28:52,909 --> 00:28:49,860

if Congress starts making a lot of fire

670

00:28:54,529 --> 00:28:52,919

and smoke they're going to have to act

671

00:28:58,370 --> 00:28:54,539

and then it

672

00:29:01,250 --> 00:28:58,380

yeah right right yeah that's a that's a

673

00:29:04,010 --> 00:29:01,260

good point have you ever seen anything

674

00:29:06,470 --> 00:29:04,020

um to where it's kind of like uh let's

675

00:29:08,870 --> 00:29:06,480

say a scandal starts you know coming

676
00:29:10,909 --> 00:29:08,880
through different maybe press outlets

677
00:29:12,890 --> 00:29:10,919
and it gets bigger and bigger and before

678
00:29:14,990 --> 00:29:12,900
there's like an investigation or a big

679
00:29:17,149 --> 00:29:15,000
reveal the White House comes in and

680
00:29:18,529 --> 00:29:17,159
makes a statement

681
00:29:19,789 --> 00:29:18,539
damn

682
00:29:23,630 --> 00:29:19,799
they uncertain

683
00:29:28,250 --> 00:29:26,029
historically because Warner in the

684
00:29:29,990 --> 00:29:28,260
interview I released yesterday

685
00:29:32,269 --> 00:29:30,000
chair of the Intel committee tells me

686
00:29:34,730 --> 00:29:32,279
that in his time being in Congress and

687
00:29:38,930 --> 00:29:34,740
he was elected when Obama was in 08 so

688
00:29:40,970 --> 00:29:38,940

since 2009 until today in 2023 he knows

689

00:29:43,549 --> 00:29:40,980

of the government hiding

690

00:29:45,230 --> 00:29:43,559

these special access programs or saps

691

00:29:47,570 --> 00:29:45,240

from Congress

692

00:29:49,669 --> 00:29:47,580

he says they were accidentally hit from

693

00:29:51,950 --> 00:29:49,679

Congress so he gives

694

00:29:55,130 --> 00:29:51,960

I'm sure one Administration or another

695

00:29:57,409 --> 00:29:55,140

the shadow of the doubt but I was trying

696

00:30:02,029 --> 00:29:57,419

to think of what those could be would it

697

00:30:05,029 --> 00:30:02,039

mean Abu gray stuff you know uh some

698

00:30:08,570 --> 00:30:05,039

American torture stuff in terms of Iraq

699

00:30:12,110 --> 00:30:08,580

or Afghanistan war but now I'm like

700

00:30:15,169 --> 00:30:12,120

is there any sap that wasn't related to

701
00:30:19,010 --> 00:30:15,179
War and the War Powers that was hit from

702
00:30:21,950 --> 00:30:19,020
Congress and that I can't recall

703
00:30:23,510 --> 00:30:21,960
yeah uh yeah that's interesting the one

704
00:30:25,789 --> 00:30:23,520
thing I think about

705
00:30:27,710 --> 00:30:25,799
is uh I don't know if you're familiar

706
00:30:30,049 --> 00:30:27,720
with ASAP at all

707
00:30:33,049 --> 00:30:30,059
awesome is

708
00:30:34,130 --> 00:30:33,059
so when this all started in 2017 uh the

709
00:30:36,289 --> 00:30:34,140
story came out in New York Times

710
00:30:39,049 --> 00:30:36,299
regarding the UFO program that was

711
00:30:41,210 --> 00:30:39,059
actually uh that was going on that

712
00:30:43,730 --> 00:30:41,220
nobody knew about within the dod and it

713
00:30:46,970 --> 00:30:43,740

was called atip well right before atip

714

00:30:49,430 --> 00:30:46,980

it was called ASAP and this is all like

715

00:30:51,470 --> 00:30:49,440

uh verified documented stuff

716

00:30:54,710 --> 00:30:51,480

and this was right like right around

717

00:30:56,930 --> 00:30:54,720

that time frame and they did they had a

718

00:30:59,930 --> 00:30:56,940

contract with the DIA

719

00:31:01,850 --> 00:30:59,940

and the guy who's responsible for

720

00:31:04,610 --> 00:31:01,860

setting all this up is on the record

721

00:31:07,730 --> 00:31:04,620

saying that no one around him knew what

722

00:31:09,049 --> 00:31:07,740

the program was actually for

723

00:31:12,529 --> 00:31:09,059

um meaning they didn't actually know

724

00:31:14,090 --> 00:31:12,539

what was about UFOs so I could uh I

725

00:31:15,830 --> 00:31:14,100

don't know maybe see something like that

726
00:31:17,570 --> 00:31:15,840
happening where they have this UFO

727
00:31:19,190 --> 00:31:17,580
project but you know they're saying it's

728
00:31:21,950 --> 00:31:19,200
something else so therefore Congress

729
00:31:23,810 --> 00:31:21,960
doesn't know I don't know

730
00:31:26,570 --> 00:31:23,820
I don't know how that works I guess but

731
00:31:29,750 --> 00:31:26,580
just they can see but I don't know how

732
00:31:31,909 --> 00:31:29,760
that works and I've been here 17 years

733
00:31:34,549 --> 00:31:31,919
I bet a lot of these lawmakers don't

734
00:31:36,110 --> 00:31:34,559
know how it works probably

735
00:31:38,690 --> 00:31:36,120
because

736
00:31:43,130 --> 00:31:38,700
over the past

737
00:31:44,930 --> 00:31:43,140
20 30 40 50 years bipartisan we've seen

738
00:31:47,269 --> 00:31:44,940

Congress seeding its power to the

739

00:31:50,570 --> 00:31:47,279

executive branch so this is one of the

740

00:31:53,450 --> 00:31:50,580

rare times in Congress actually finally

741

00:31:55,549 --> 00:31:53,460

Flex it muscles its muscles and trying

742

00:31:59,450 --> 00:31:55,559

to get some of that power back or at

743

00:32:01,850 --> 00:31:59,460

least be let in on the secret right also

744

00:32:03,649 --> 00:32:01,860

an outcome that could happen a lot of

745

00:32:05,510 --> 00:32:03,659

these lawmakers might get right into the

746

00:32:07,850 --> 00:32:05,520

program and then have to shut their

747

00:32:10,610 --> 00:32:07,860

mouths but that's kind of why birchette

748

00:32:12,110 --> 00:32:10,620

says if it's a classified hearing he

749

00:32:14,630 --> 00:32:12,120

doesn't want to be a part of it because

750

00:32:17,210 --> 00:32:14,640

he's like they lie to us in there and

751
00:32:20,810 --> 00:32:17,220
then you can't tell our constituents and

752
00:32:22,789 --> 00:32:20,820
the American public I think around 68 of

753
00:32:25,370 --> 00:32:22,799
whom now

754
00:32:27,669 --> 00:32:25,380
um believe that there is life or

755
00:32:30,350 --> 00:32:27,679
something out there

756
00:32:33,470 --> 00:32:30,360
that's the number I saw it comes in my

757
00:32:37,789 --> 00:32:33,480
mind it's over 60 but that was a drastic

758
00:32:38,990 --> 00:32:37,799
change in the past three four even five

759
00:32:41,029 --> 00:32:39,000
years

760
00:32:42,710 --> 00:32:41,039
um so I'm intrigued on

761
00:32:44,690 --> 00:32:42,720
because especially if the American

762
00:32:46,610 --> 00:32:44,700
public really

763
00:32:50,029 --> 00:32:46,620

want stuff and real quick I was just

764

00:32:52,909 --> 00:32:50,039

down in Orlando and the James Webb Space

765

00:32:55,250 --> 00:32:52,919

Telescope exhibit when you look at

766

00:32:57,710 --> 00:32:55,260

something like that and now like with

767

00:33:01,250 --> 00:32:57,720

that new technology we're seeing so much

768

00:33:04,130 --> 00:33:01,260

deeper into space and learning that

769

00:33:06,289 --> 00:33:04,140

there's so much more out there than we

770

00:33:08,690 --> 00:33:06,299

ever thought like we couldn't even

771

00:33:11,269 --> 00:33:08,700

imagine what was there before and so I

772

00:33:13,850 --> 00:33:11,279

think mines are expanding with the

773

00:33:16,610 --> 00:33:13,860

technology yeah and there is kind of uh

774

00:33:18,710 --> 00:33:16,620

like a almost like a

775

00:33:21,710 --> 00:33:18,720

I'm forgetting the word but kind of uh

776

00:33:25,730 --> 00:33:21,720

like a singularity almost with with uh

777

00:33:29,570 --> 00:33:25,740

AI technology and the the you know the

778

00:33:32,750 --> 00:33:29,580

the general intelligence uh learning and

779

00:33:34,669 --> 00:33:32,760

yeah James Webb's telescope and I think

780

00:33:36,470 --> 00:33:34,679

we're gonna have a couple big physics

781

00:33:39,230 --> 00:33:36,480

announcements soon I'm not sure what

782

00:33:41,029 --> 00:33:39,240

that is but it seems like everything's

783

00:33:46,250 --> 00:33:41,039

kind of coming together at the same time

784

00:33:50,870 --> 00:33:48,950

what role is this playing in all this

785

00:33:52,549 --> 00:33:50,880

because I've you know there's so much

786

00:33:55,730 --> 00:33:52,559

going on in the world with the you know

787

00:33:58,549 --> 00:33:55,740

nearly World War III right and just like

788

00:34:00,769 --> 00:33:58,559

drug epidemics and uh everything just

789

00:34:03,649 --> 00:34:00,779

seems like it's really chaotic right now

790

00:34:05,389 --> 00:34:03,659

so this UAP thing at this time it just

791

00:34:06,649 --> 00:34:05,399

seems so

792

00:34:10,669 --> 00:34:06,659

um

793

00:34:12,530 --> 00:34:10,679

too perfect almost at times but but I'm

794

00:34:15,109 --> 00:34:12,540

not sure you know you know Ronald Reagan

795

00:34:16,790 --> 00:34:15,119

always said that uh you know imagine if

796

00:34:19,970 --> 00:34:16,800

an alien species came from another

797

00:34:21,290 --> 00:34:19,980

planet how uh minuscule our problems

798

00:34:23,510 --> 00:34:21,300

would seem and how we would come

799

00:34:26,930 --> 00:34:23,520

together as as a human race

800

00:34:29,389 --> 00:34:26,940

so you know maybe sometimes maybe

801
00:34:33,109 --> 00:34:29,399
that'll be needed who knows

802
00:34:35,270 --> 00:34:33,119
yeah well what do you think Les any

803
00:34:40,070 --> 00:34:35,280
final comments what should we look out

804
00:34:43,970 --> 00:34:41,450
um I still have some interviews I'll be

805
00:34:46,490 --> 00:34:43,980
dropping over the next few days I'll be

806
00:34:49,010 --> 00:34:46,500
dropping one each day this week cool and

807
00:34:52,430 --> 00:34:49,020
then now with the new sub stack I

808
00:34:54,050 --> 00:34:52,440
launched called ask a pole basically you

809
00:34:56,089 --> 00:34:54,060
know because I'm a comms professor and

810
00:34:59,329 --> 00:34:56,099
the thing that disheartens me the most

811
00:35:01,970 --> 00:34:59,339
now is polls from like gallop and Pew

812
00:35:04,370 --> 00:35:01,980
showing that like some 50 of the

813
00:35:05,510 --> 00:35:04,380

American public doesn't just not trust

814

00:35:08,450 --> 00:35:05,520

the media

815

00:35:12,170 --> 00:35:08,460

they trust us to actually be telling

816

00:35:13,910 --> 00:35:12,180

lies and so that's my big qualm with

817

00:35:15,410 --> 00:35:13,920

Washington in the Press Corps you know

818

00:35:17,870 --> 00:35:15,420

on the left there's this

819

00:35:20,750 --> 00:35:17,880

self-righteousness in the way they speak

820

00:35:23,990 --> 00:35:20,760

like oh and I think we're just like

821

00:35:26,329 --> 00:35:24,000

really pushing away the American people

822

00:35:27,890 --> 00:35:26,339

and the polls are showing it and so

823

00:35:30,170 --> 00:35:27,900

that's where with this site I'm trying

824

00:35:32,390 --> 00:35:30,180

to bring you all into the conversation

825

00:35:34,130 --> 00:35:32,400

you know these are your lawmakers and

826

00:35:36,010 --> 00:35:34,140

y'all know more about the issue than I

827

00:35:39,589 --> 00:35:36,020

do so you all feed me the information

828

00:35:41,050 --> 00:35:39,599

I've got access to your lawmakers

829

00:35:43,450 --> 00:35:41,060

um

830

00:35:46,329 --> 00:35:43,460

I'd love to help you out

831

00:35:49,849 --> 00:35:46,339

all right keep them coming

832

00:35:52,370 --> 00:35:49,859

cool man well like uh yeah I think

833

00:35:54,650 --> 00:35:52,380

you're doing some great work so I really

834

00:35:56,089 --> 00:35:54,660

appreciate it I think journalists that

835

00:35:57,589 --> 00:35:56,099

just search for the truth no matter

836

00:36:00,589 --> 00:35:57,599

where it leads are going to be the ones

837

00:36:03,170 --> 00:36:00,599

that that can uh get this world in this

838

00:36:04,849 --> 00:36:03,180

country back on track so I'm thankful

839

00:36:08,450 --> 00:36:04,859

for people like yourself doing that no

840

00:36:09,770 --> 00:36:08,460

you know no matter the political side or

841

00:36:12,950 --> 00:36:09,780

whatever it doesn't matter you're going

842

00:36:15,109 --> 00:36:12,960

for for what's real and I appreciate

843

00:36:16,849 --> 00:36:15,119

that and I know everybody else does so

844

00:36:18,730 --> 00:36:16,859

one one thing I'm enjoying because this

845

00:36:21,410 --> 00:36:18,740

is definitely a new beat for me

846

00:36:23,089 --> 00:36:21,420

be careful of UFO Twitter because people

847

00:36:26,030 --> 00:36:23,099

are really nasty there by the way for

848

00:36:28,490 --> 00:36:26,040

years I covered cannabis and drug policy

849

00:36:31,130 --> 00:36:28,500

when no one else was and like people

850

00:36:34,970 --> 00:36:31,140

like Rubio he'd be like are you gonna

851
00:36:36,770 --> 00:36:34,980
ask me a weed question you know this is

852
00:36:39,829 --> 00:36:36,780
love it so I'm used to being the

853
00:36:42,410 --> 00:36:39,839
outsider on Capitol Hill and I wear that

854
00:36:48,849 --> 00:36:42,420
as a badge of [\h__\h] honor yeah good

855
00:36:54,349 --> 00:36:52,010
uh oh I did want to ask you this there

856
00:36:56,450 --> 00:36:54,359
were rumors that the the Burchette

857
00:36:58,970 --> 00:36:56,460
hearing or something might be held in

858
00:37:01,609 --> 00:36:58,980
Florida have you heard of that at all

859
00:37:04,970 --> 00:37:01,619
I did hear

860
00:37:08,089 --> 00:37:04,980
that brought up oh and that might be

861
00:37:09,589 --> 00:37:08,099
in Luna's District or right right near

862
00:37:12,410 --> 00:37:09,599
the space coast

863
00:37:15,290 --> 00:37:12,420

interesting so I didn't even Broach that

864

00:37:17,270 --> 00:37:15,300

that's a question I'll have the week

865

00:37:20,349 --> 00:37:17,280

after the fourth or so

866

00:37:25,370 --> 00:37:23,270

okay so the interesting part about that

867

00:37:27,890 --> 00:37:25,380

is uh Gates and

868

00:37:31,069 --> 00:37:27,900

um somebody else actually were briefed

869

00:37:33,710 --> 00:37:31,079

that he said that they were briefed at

870

00:37:35,450 --> 00:37:33,720

some place in Florida and they saw a

871

00:37:37,730 --> 00:37:35,460

video of an object doing things that

872

00:37:39,170 --> 00:37:37,740

can't be explained so maybe there's

873

00:37:42,349 --> 00:37:39,180

nothing in there

874

00:37:45,349 --> 00:37:42,359

so that was Burchette Gates and I

875

00:37:47,510 --> 00:37:45,359

believe Miss Luna was there too or she

876
00:37:50,210 --> 00:37:47,520
might have gone at another time but I'm

877
00:37:53,150 --> 00:37:50,220
pretty sure it was the three of them or

878
00:37:55,430 --> 00:37:53,160
I know it was gate Super Chat so you

879
00:37:57,890 --> 00:37:55,440
know why do you feel okay showing uh

880
00:37:59,750 --> 00:37:57,900
Congressional uh Representatives but not

881
00:38:00,500 --> 00:37:59,760
the American public since they're paying

882
00:38:05,470 --> 00:38:00,510
your taxes

883
00:38:07,970 --> 00:38:05,480
[Laughter]

884
00:38:09,829 --> 00:38:07,980
all right brother I appreciate it man

885
00:38:11,690 --> 00:38:09,839
I'd love for you to come back and you

886
00:38:13,490 --> 00:38:11,700
know if as long as you're on this beat

887
00:38:16,970 --> 00:38:13,500
come back and and

888
00:38:19,010 --> 00:38:16,980

chop it up so yes sir all right time

889

00:38:21,470 --> 00:38:19,020

have a good one thanks everybody in the

890

00:38:24,410 --> 00:38:21,480

chat hit the like button and subscribe

891

00:38:28,260 --> 00:38:24,420

and we'll see you next time peace

892

00:38:37,089 --> 00:38:28,270

tonight we go after a fantastic story

893

00:38:40,370 --> 00:38:37,099

[Music]

894

00:38:42,950 --> 00:38:40,380

you saw in our air is not the only one

895

00:38:45,349 --> 00:38:42,960

to come forward according to Rubio said

896

00:38:47,750 --> 00:38:45,359

I find most of these people at some

897

00:38:49,609 --> 00:38:47,760

point or maybe even currently have held

898

00:38:51,050 --> 00:38:49,619

very high experiences in high positions

899

00:38:55,830 --> 00:38:51,060

within our government we're definitely

900

00:39:04,740 --> 00:39:03,609

[Music]
