

CHRISSY NEWTON
from **THE DEBRIEF**

1
00:00:05,809 --> 00:00:04,190
what's up everybody happy Thursday

2
00:00:08,629 --> 00:00:05,819
evening

3
00:00:10,910 --> 00:00:08,639
thanks for joining

4
00:00:12,470 --> 00:00:10,920
um Owen in Ohio

5
00:00:14,930 --> 00:00:12,480
thanks for hanging out

6
00:00:17,810 --> 00:00:14,940
the smoke is bad where I am too kind of

7
00:00:21,290 --> 00:00:17,820
stinks I don't like it uh Deanna what's

8
00:00:24,290 --> 00:00:21,300
up how are you Andres what's going on

9
00:00:27,950 --> 00:00:24,300
David Lowry what's up

10
00:00:30,109 --> 00:00:27,960
um Jose went to bed awesome

11
00:00:32,569 --> 00:00:30,119
hope everybody is doing well

12
00:00:36,530 --> 00:00:32,579
um I'm just here to kind of introduce

13
00:00:40,970 --> 00:00:36,540

the interview uh I was uh very fortunate

14
00:00:42,889 --> 00:00:40,980
to have uh Chrissy uh Newton on the show

15
00:00:48,709 --> 00:00:42,899
we had a very nice talk and conversation

16
00:00:48,719 --> 00:00:51,770
enjoy the talk

17
00:00:51,780 --> 00:00:57,350
peace

18
00:00:57,360 --> 00:01:04,450
tonight we go after a fantastic story

19
00:01:10,090 --> 00:01:07,030
thank you

20
00:01:13,190 --> 00:01:10,100
[Music]

21
00:01:15,770 --> 00:01:13,200
if you saw in our hair is not the only

22
00:01:18,350 --> 00:01:15,780
one to come forward according to Rubio

23
00:01:20,749 --> 00:01:18,360
said I find most of these people at some

24
00:01:22,670 --> 00:01:20,759
point or maybe even currently have held

25
00:01:24,109 --> 00:01:22,680
very high experiences in high positions

26

00:01:26,749 --> 00:01:24,119

within our government we're definitely

27

00:01:31,070 --> 00:01:26,759

not alone absolutely in the data points

28

00:01:31,080 --> 00:01:39,109

[Music]

29

00:01:43,850 --> 00:01:42,950

you guys are the debrief at least

30

00:01:45,350 --> 00:01:43,860

um as

31

00:01:48,350 --> 00:01:45,360

coming to the scene a couple of years

32

00:01:50,630 --> 00:01:48,360

ago with a pretty big article about fast

33

00:01:52,609 --> 00:01:50,640

tracks and you had some pretty big

34

00:01:54,530 --> 00:01:52,619

quotes coming out of that as far as

35

00:01:56,929 --> 00:01:54,540

possibly the technology they're seeing

36

00:01:59,270 --> 00:01:56,939

is of non-human origin

37

00:02:00,649 --> 00:01:59,280

and so it's interesting to see that you

38

00:02:03,889 --> 00:02:00,659

know we're kind of being told the same

39

00:02:05,990 --> 00:02:03,899

things throughout the the last few years

40

00:02:08,229 --> 00:02:06,000

so I'm curious

41

00:02:12,710 --> 00:02:08,239

as far as what you think

42

00:02:14,930 --> 00:02:12,720

why is the David grush story different

43

00:02:17,030 --> 00:02:14,940

and I've thought about

44

00:02:18,949 --> 00:02:17,040

over story and where we started and

45

00:02:20,570 --> 00:02:18,959

where we are now

46

00:02:22,190 --> 00:02:20,580

I think that there's there's some

47

00:02:24,830 --> 00:02:22,200

difference because we do have some high

48

00:02:26,690 --> 00:02:24,840

high intelligence officials reporting

49

00:02:28,790 --> 00:02:26,700

and saying that this is happening we're

50

00:02:31,430 --> 00:02:28,800

talking about you know our reporting is

51
00:02:33,890 --> 00:02:31,440
not Pilots uh but we know that Leslie

52
00:02:34,970 --> 00:02:33,900
and Ralph were based on Pilots so it's a

53
00:02:36,710 --> 00:02:34,980
little bit different I think it's also

54
00:02:38,330 --> 00:02:36,720
like it's been about two and a half

55
00:02:40,130 --> 00:02:38,340
years almost three years since that

56
00:02:42,050 --> 00:02:40,140
story is released and we've evolved so

57
00:02:43,670 --> 00:02:42,060
much because when that story first came

58
00:02:46,130 --> 00:02:43,680
out there was no politics around the

59
00:02:48,290 --> 00:02:46,140
story and now we have lots of it which

60
00:02:50,350 --> 00:02:48,300
is unbelievable so I think those stories

61
00:02:52,970 --> 00:02:50,360
help Propel where we are today

62
00:02:54,290 --> 00:02:52,980
especially with the debrief right and we

63
00:02:56,449 --> 00:02:54,300

cover a whole bunch of things as you

64

00:02:58,729 --> 00:02:56,459

know it's not just UFOs from an academic

65

00:03:01,490 --> 00:02:58,739

sense it's science technology we talk

66

00:03:03,589 --> 00:03:01,500

about physics a lot uh we talk about mad

67

00:03:05,390 --> 00:03:03,599

science so we'll have like uh specific

68

00:03:06,890 --> 00:03:05,400

theories that people might think are

69

00:03:09,710 --> 00:03:06,900

Fringe theories but are actually being

70

00:03:11,869 --> 00:03:09,720

worked on for example uh Quantum Drive

71

00:03:13,670 --> 00:03:11,879

like our story Quantum Drive is one of

72

00:03:24,550 --> 00:03:13,680

them that we're working on but um oh my

73

00:03:30,830 --> 00:03:27,589

everybody knows working on warp drive

74

00:03:32,570 --> 00:03:30,840

technology so there's just so much

75

00:03:34,430 --> 00:03:32,580

attack that's happening in the world

76

00:03:36,290 --> 00:03:34,440

that we focus on and I think it relates

77

00:03:38,449 --> 00:03:36,300

back to uaps because the more that we

78

00:03:39,470 --> 00:03:38,459

work on those theories the closer that

79

00:03:41,509 --> 00:03:39,480

we're going to get to hopefully

80

00:03:42,890 --> 00:03:41,519

answering what's going on so I think

81

00:03:44,630 --> 00:03:42,900

there's a beautiful Synergy in what we

82

00:03:46,309 --> 00:03:44,640

do in the debrief but for your question

83

00:03:48,710 --> 00:03:46,319

yeah I think we've you know wasn't

84

00:03:50,570 --> 00:03:48,720

political and and now it is to a degree

85

00:03:53,690 --> 00:03:50,580

even though it's still you know both

86

00:03:56,630 --> 00:03:53,700

bipartisan it's becoming more political

87

00:03:58,009 --> 00:03:56,640

in the political space yeah yeah that

88

00:04:00,470 --> 00:03:58,019

that that's a good point and that's

89

00:04:03,830 --> 00:04:00,480

something that I've that I've often

90

00:04:05,869 --> 00:04:03,840

contemplated uh as we can see it it's

91

00:04:08,630 --> 00:04:05,879

almost as if Republicans are taking this

92

00:04:10,970 --> 00:04:08,640

on a little bit more although it Del it

93

00:04:13,850 --> 00:04:10,980

does still seem to have a sense of uh

94

00:04:15,350 --> 00:04:13,860

bipartisanship what do you relate that

95

00:04:17,750 --> 00:04:15,360

to why do you think that's the case

96

00:04:19,610 --> 00:04:17,760

that's a great question a lot of people

97

00:04:21,530 --> 00:04:19,620

on my show think I've had this in the

98

00:04:24,469 --> 00:04:21,540

comments that when I interviewed Tim

99

00:04:26,390 --> 00:04:24,479

Burchette or other political figures uh

100

00:04:29,270 --> 00:04:26,400

and talked about politics with Gary Dole

101
00:04:31,189 --> 00:04:29,280
and I did as well before uh we we talked

102
00:04:32,689 --> 00:04:31,199
about the the Republican side and the

103
00:04:34,790 --> 00:04:32,699
Democrat side and what his thoughts were

104
00:04:36,590 --> 00:04:34,800
I don't want to make it a political

105
00:04:39,350 --> 00:04:36,600
topic I think you should say say is a

106
00:04:40,730 --> 00:04:39,360
bipartisan topic for sure but what's

107
00:04:42,409 --> 00:04:40,740
happening is we're seeing the media

108
00:04:44,930 --> 00:04:42,419
starting to do that the media is

109
00:04:46,730 --> 00:04:44,940
creating that function of left and right

110
00:04:48,350 --> 00:04:46,740
let's just call it

111
00:04:50,570 --> 00:04:48,360
um and sometimes it's intentional

112
00:04:53,270 --> 00:04:50,580
sometimes I'm not I don't think it's a

113
00:04:55,249 --> 00:04:53,280

function of creating polarization but I

114

00:04:57,590 --> 00:04:55,259

know for example from NBC I've heard

115

00:05:00,590 --> 00:04:57,600

along with not specifically sure about

116

00:05:02,210 --> 00:05:00,600

CNN but what I've heard from NBC is that

117

00:05:03,950 --> 00:05:02,220

you know if Fox is going to pick it up

118

00:05:05,629 --> 00:05:03,960

then NBC won't pick it up as an

119

00:05:07,790 --> 00:05:05,639

exclusive so we're seeing that

120

00:05:11,210 --> 00:05:07,800

polarization through media and as a PR

121

00:05:13,670 --> 00:05:11,220

person you know firsthand I'm hearing it

122

00:05:15,650 --> 00:05:13,680

internally from those agencies so that's

123

00:05:18,170 --> 00:05:15,660

the scary part so when the media decides

124

00:05:20,150 --> 00:05:18,180

to polarize then politicians will attach

125

00:05:21,890 --> 00:05:20,160

themselves to those polarized outlets

126

00:05:24,650 --> 00:05:21,900

and then it becomes more polarized

127

00:05:27,110 --> 00:05:24,660

within the political space due to Media

128

00:05:29,570 --> 00:05:27,120

separation if media would decide to

129

00:05:31,969 --> 00:05:29,580

share stories collectively in the heart

130

00:05:34,670 --> 00:05:31,979

of world journalism then we wouldn't

131

00:05:35,990 --> 00:05:34,680

have this issue I think but media is is

132

00:05:37,790 --> 00:05:36,000

that function but you know what I'm

133

00:05:40,129 --> 00:05:37,800

really proud to see though is that

134

00:05:42,290 --> 00:05:40,139

politicians are not letting its media

135

00:05:44,450 --> 00:05:42,300

separate them yet and I think that's

136

00:05:46,430 --> 00:05:44,460

really lovely to see but I do see that

137

00:05:49,189 --> 00:05:46,440

Republicans are more open to have these

138

00:05:51,230 --> 00:05:49,199

conversations than Democrats but at some

139

00:05:53,090 --> 00:05:51,240

point in time I think the Democrats will

140

00:05:54,529 --> 00:05:53,100

have a conversation with it too it just

141

00:05:55,909 --> 00:05:54,539

depends on who wants to lead that

142

00:05:58,550 --> 00:05:55,919

narrative within that political critical

143

00:06:00,890 --> 00:05:58,560

space so and I think in the past we've

144

00:06:02,870 --> 00:06:00,900

seen other we've seen other presidents

145

00:06:05,450 --> 00:06:02,880

and and other Democrats that have talked

146

00:06:08,029 --> 00:06:05,460

about uaps and they're not scared to

147

00:06:09,590 --> 00:06:08,039

we're just we'll see and I think when

148

00:06:12,170 --> 00:06:09,600

that will come closer to election time

149

00:06:13,490 --> 00:06:12,180

and you know and closer to when all

150

00:06:15,469 --> 00:06:13,500

these whistleblowers start coming out

151
00:06:17,450 --> 00:06:15,479
you know CNN's gonna serve to have a

152
00:06:18,830 --> 00:06:17,460
conversation or NBC at some point is

153
00:06:20,450 --> 00:06:18,840
going to have to have a narrative to it

154
00:06:22,010 --> 00:06:20,460
and if they don't then that's when I

155
00:06:24,409 --> 00:06:22,020
would harp on them and say why aren't

156
00:06:26,330 --> 00:06:24,419
you doing this right right yeah no

157
00:06:29,210 --> 00:06:26,340
that's that's a great Point attaching it

158
00:06:31,070 --> 00:06:29,220
to the media and how that's great

159
00:06:32,930 --> 00:06:31,080
Insight that you kind of see that it's

160
00:06:35,510 --> 00:06:32,940
starting to become political a little

161
00:06:38,390 --> 00:06:35,520
bit because if you do align the amount

162
00:06:40,430 --> 00:06:38,400
of press this topic gets uh with

163
00:06:44,150 --> 00:06:40,440

Democrats or liberals

164

00:06:46,730 --> 00:06:44,160

and vice versa it totally coincides so

165

00:06:48,770 --> 00:06:46,740

so that that that's pretty great Insight

166

00:06:51,409 --> 00:06:48,780

I would think um but you're right

167

00:06:54,409 --> 00:06:51,419

they're not allowing it to and I think

168

00:06:56,510 --> 00:06:54,419

if it is what it's described to be as

169

00:06:57,830 --> 00:06:56,520

far as the situation and crafts and all

170

00:06:59,870 --> 00:06:57,840

that

171

00:07:02,029 --> 00:06:59,880

um yeah they're gonna have to come on

172

00:07:03,950 --> 00:07:02,039

board eventually but I remember thinking

173

00:07:06,050 --> 00:07:03,960

the same thing when Tucker Carlson was

174

00:07:07,909 --> 00:07:06,060

like interviewing somebody about like

175

00:07:10,010 --> 00:07:07,919

UFO injuries and that was a big story

176
00:07:12,409 --> 00:07:10,020
and CNN wouldn't take it and I remember

177
00:07:15,110 --> 00:07:12,419
thinking then they're not gonna do this

178
00:07:17,270 --> 00:07:15,120
because Tucker Carlson did it well I've

179
00:07:19,129 --> 00:07:17,280
heard specifically it's true and I've

180
00:07:21,230 --> 00:07:19,139
heard specifically

181
00:07:24,050 --> 00:07:21,240
directly I won't say who but I've heard

182
00:07:25,850 --> 00:07:24,060
from them saying well certain people

183
00:07:27,770 --> 00:07:25,860
have been on that show we won't be

184
00:07:29,570 --> 00:07:27,780
taking it at all now and we won't take

185
00:07:32,749 --> 00:07:29,580
it on any of our properties related to

186
00:07:35,270 --> 00:07:32,759
FEC and to me it's it's ridiculous and

187
00:07:38,450 --> 00:07:35,280
it's not fair but that's the media

188
00:07:40,969 --> 00:07:38,460

landscape within all media you know I'm

189

00:07:43,129 --> 00:07:40,979

Canadian too so even in the Canadian

190

00:07:45,589 --> 00:07:43,139

media space it's the same way if one

191

00:07:47,210 --> 00:07:45,599

Outlet gets a story not the Irl might

192

00:07:50,210 --> 00:07:47,220

not report it I think that's bad

193

00:07:52,189 --> 00:07:50,220

journalism we're actually not as bad I

194

00:07:53,629 --> 00:07:52,199

would say them specific media that we do

195

00:07:55,670 --> 00:07:53,639

share but if we're going to give an

196

00:07:57,529 --> 00:07:55,680

exclusive to one Outlet let's this is

197

00:07:59,330 --> 00:07:57,539

what we do as PR people then we wouldn't

198

00:08:02,089 --> 00:07:59,340

give the exclusive they would report it

199

00:08:03,770 --> 00:08:02,099

later but we do see sharing of

200

00:08:05,270 --> 00:08:03,780

information there's some media Outlets

201
00:08:06,890 --> 00:08:05,280
here in Canada that won't collaborate

202
00:08:09,050 --> 00:08:06,900
with other news outlets and I've had

203
00:08:10,850 --> 00:08:09,060
that at CBC and I'll say that I write

204
00:08:12,529 --> 00:08:10,860
will not collaborate with the debrief

205
00:08:14,390 --> 00:08:12,539
it's not because of us they just don't

206
00:08:16,010 --> 00:08:14,400
collaborate with any other news agency

207
00:08:17,689 --> 00:08:16,020
and so I thought that was really

208
00:08:20,330 --> 00:08:17,699
interesting when I'm seating stories

209
00:08:22,010 --> 00:08:20,340
under embargo to other news agencies to

210
00:08:24,350 --> 00:08:22,020
follow us and to help co-break a story

211
00:08:25,550 --> 00:08:24,360
because that's part of my job they don't

212
00:08:26,930 --> 00:08:25,560
want to do it in Canada because it's

213
00:08:29,210 --> 00:08:26,940

against what they do and they think it's

214

00:08:31,129 --> 00:08:29,220

against their own ethical uh you know

215

00:08:32,870 --> 00:08:31,139

mandate they're also a government agency

216

00:08:34,029 --> 00:08:32,880

a news agency right it's attached to the

217

00:08:36,649 --> 00:08:34,039

government it's funded by the government

218

00:08:39,230 --> 00:08:36,659

uh well it's supposed to be more for the

219

00:08:40,670 --> 00:08:39,240

civilians so that's probably why so I do

220

00:08:42,709 --> 00:08:40,680

respect that

221

00:08:44,750 --> 00:08:42,719

um and they will pick up stories but

222

00:08:46,970 --> 00:08:44,760

their collaboration is not as strong and

223

00:08:49,970 --> 00:08:46,980

and that happens and yeah and we see it

224

00:08:52,910 --> 00:08:49,980

now exactly with with American Media and

225

00:08:56,870 --> 00:08:52,920

it's not that it's you know uh ever okay

226

00:08:58,810 --> 00:08:56,880

but you know it's fine if you want to do

227

00:09:02,210 --> 00:08:58,820

that somewhere else but with like

228

00:09:05,090 --> 00:09:02,220

life-changing possibly information it's

229

00:09:08,509 --> 00:09:05,100

like yeah like let's just drop the crap

230

00:09:11,810 --> 00:09:08,519

all right let's grow up here and try to

231

00:09:13,310 --> 00:09:11,820

you know evolve as as human beings but

232

00:09:15,949 --> 00:09:13,320

um yeah and you know be kind of

233

00:09:18,350 --> 00:09:15,959

frustrating no human wants that

234

00:09:20,810 --> 00:09:18,360

polarization you know I don't think the

235

00:09:24,170 --> 00:09:20,820

average person wants to be separated

236

00:09:26,090 --> 00:09:24,180

through their fellow civilians based on

237

00:09:28,670 --> 00:09:26,100

this story or anything else like I just

238

00:09:30,170 --> 00:09:28,680

don't think they do and we see that as a

239

00:09:32,030 --> 00:09:30,180

mechanism of business and I would even

240

00:09:34,550 --> 00:09:32,040

say it's media yeah I'd say it's a

241

00:09:37,550 --> 00:09:34,560

mechanism of true corporate consumption

242

00:09:40,430 --> 00:09:37,560

and great that's really what drives that

243

00:09:42,350 --> 00:09:40,440

yeah and when media became more of a

244

00:09:44,350 --> 00:09:42,360

business than journalism it's probably

245

00:09:48,290 --> 00:09:44,360

oh gosh

246

00:09:49,850 --> 00:09:48,300

so how is the how's the feedback been

247

00:09:53,389 --> 00:09:49,860

after

248

00:09:56,570 --> 00:09:53,399

um the the debrief uh released uh the

249

00:09:59,230 --> 00:09:56,580

David grush piece as the website crashed

250

00:10:01,550 --> 00:09:59,240

from all the traffic

251
00:10:03,889 --> 00:10:01,560
comments all over the board I see some

252
00:10:05,690 --> 00:10:03,899
kind of comments that seem very

253
00:10:07,430 --> 00:10:05,700
uneducated but it's dangerous because

254
00:10:09,829 --> 00:10:07,440
they're from kind of higher status

255
00:10:11,750 --> 00:10:09,839
people where they say you know like you

256
00:10:13,970 --> 00:10:11,760
guys are just an alien website which is

257
00:10:16,490 --> 00:10:13,980
so ridiculous but I'm hoping you get

258
00:10:19,370 --> 00:10:16,500
more educated positive reinforcement

259
00:10:21,050 --> 00:10:19,380
than that yeah if they don't know our

260
00:10:22,250 --> 00:10:21,060
media then don't read it that's their

261
00:10:23,930 --> 00:10:22,260
own ignorance and I would say it's

262
00:10:26,090 --> 00:10:23,940
ironic that they're saying that because

263
00:10:28,310 --> 00:10:26,100

they obviously didn't do their own due

264

00:10:30,230 --> 00:10:28,320

diligence and look at what we cover so

265

00:10:32,389 --> 00:10:30,240

you know the joke's on them then if

266

00:10:34,670 --> 00:10:32,399

that's the case but for us I would say

267

00:10:36,710 --> 00:10:34,680

it's been a mixed bag I would say more

268

00:10:38,930 --> 00:10:36,720

Veer to the positive and balanced side

269

00:10:40,790 --> 00:10:38,940

so in a public relations context when we

270

00:10:42,290 --> 00:10:40,800

look at stories like this that we've you

271

00:10:43,850 --> 00:10:42,300

know would pitch for a client even just

272

00:10:45,769 --> 00:10:43,860

you know outside the debrief of my own

273

00:10:47,630 --> 00:10:45,779

company we look at something to be

274

00:10:49,850 --> 00:10:47,640

positive or balanced right hopefully not

275

00:10:51,230 --> 00:10:49,860

negative so we've seen that we've had a

276

00:10:54,110 --> 00:10:51,240

couple blogs that might be negative

277

00:10:56,329 --> 00:10:54,120

about us but majority of the staff has

278

00:10:57,710 --> 00:10:56,339

been positive and balanced which is

279

00:10:59,750 --> 00:10:57,720

really great they know that we're

280

00:11:01,730 --> 00:10:59,760

Distributing the story we have fact

281

00:11:04,370 --> 00:11:01,740

checked it you know we reported on the

282

00:11:05,750 --> 00:11:04,380

reporting and nobody ever does that so

283

00:11:07,670 --> 00:11:05,760

that's something that we show

284

00:11:09,769 --> 00:11:07,680

transparency because the New York Times

285

00:11:11,750 --> 00:11:09,779

The Washington Post they never explain

286

00:11:14,329 --> 00:11:11,760

how they do things and we will never

287

00:11:16,310 --> 00:11:14,339

release the source but we can explain to

288

00:11:18,530 --> 00:11:16,320

a degree how we ended up betting all

289

00:11:21,889 --> 00:11:18,540

this material because we did outside of

290

00:11:24,530 --> 00:11:21,899

Leslie and Ralph we've added our own so

291

00:11:26,329 --> 00:11:24,540

I think that stands within its own and

292

00:11:27,949 --> 00:11:26,339

then I also interviewed Leslie and Ralph

293

00:11:29,509 --> 00:11:27,959

about their own reporting and answered

294

00:11:32,630 --> 00:11:29,519

some questions that people still had

295

00:11:33,829 --> 00:11:32,640

when when Ross and news Nation decided

296

00:11:36,590 --> 00:11:33,839

to come out with their piece with

297

00:11:38,449 --> 00:11:36,600

reporting that we didn't have so I think

298

00:11:40,190 --> 00:11:38,459

it's been been pretty good I think they

299

00:11:42,829 --> 00:11:40,200

know that we're the distributor through

300

00:11:45,170 --> 00:11:42,839

the the message and that if something

301
00:11:47,930 --> 00:11:45,180
was negative about the story we're happy

302
00:11:50,329 --> 00:11:47,940
then to report the facts that that shake

303
00:11:52,009 --> 00:11:50,339
rush comes out and he's those claims are

304
00:11:53,990 --> 00:11:52,019
fake or false or it becomes

305
00:11:56,090 --> 00:11:54,000
misinformation down the road we will

306
00:11:58,069 --> 00:11:56,100
report that too you know we're a

307
00:12:01,250 --> 00:11:58,079
non-biased news Outlet that's what we do

308
00:12:03,650 --> 00:12:01,260
and we spread hopefully non-biased

309
00:12:06,230 --> 00:12:03,660
opinions or sort of non-biased uh news

310
00:12:08,150 --> 00:12:06,240
that's not opinions so that's what we're

311
00:12:10,069 --> 00:12:08,160
doing and I think we've done a fairly

312
00:12:11,690 --> 00:12:10,079
good job at it but you know you're not

313
00:12:15,530 --> 00:12:11,700

you can't win everybody we're not pizza

314

00:12:17,030 --> 00:12:15,540

so not even Pizza can do that for for

315

00:12:19,190 --> 00:12:17,040

whatever reason depending the toppings

316

00:12:21,410 --> 00:12:19,200

on it but yeah exactly some people don't

317

00:12:23,750 --> 00:12:21,420

like pineapple I do but you know I do

318

00:12:29,269 --> 00:12:23,760

too I do too and we're gonna get a lot

319

00:12:33,350 --> 00:12:31,910

you know you brought up um you do first

320

00:12:36,110 --> 00:12:33,360

of all you do a great job and everybody

321

00:12:38,630 --> 00:12:36,120

should follow you and you know your

322

00:12:40,730 --> 00:12:38,640

YouTube interviews a lot of them are on

323

00:12:42,170 --> 00:12:40,740

the debrief I really appreciate how you

324

00:12:42,889 --> 00:12:42,180

do

325

00:12:45,949 --> 00:12:42,899

um

326

00:12:47,150 --> 00:12:45,959

you know handle various topics

327

00:12:48,889 --> 00:12:47,160

um you know all the way from

328

00:12:51,590 --> 00:12:48,899

interviewing Ralph Blumenthal to doing

329

00:12:53,509 --> 00:12:51,600

more scientific topics ask Dr chance I

330

00:12:56,509 --> 00:12:53,519

let I like that stuff and I like that

331

00:12:58,610 --> 00:12:56,519

you're not pigeonholing yourself to to

332

00:13:00,290 --> 00:12:58,620

any one thing or another but you're

333

00:13:01,850 --> 00:13:00,300

exploring and I think that's what we

334

00:13:03,889 --> 00:13:01,860

should do as humans intellectually

335

00:13:05,930 --> 00:13:03,899

speaking so I appreciate that you're

336

00:13:08,870 --> 00:13:05,940

providing that Medium but that being

337

00:13:12,530 --> 00:13:08,880

said about your interview uh with Ralph

338

00:13:15,230 --> 00:13:12,540

and Leslie what were your takeaways from

339

00:13:17,569 --> 00:13:15,240

that interview you know after having

340

00:13:19,310 --> 00:13:17,579

read their piece and then getting the

341

00:13:20,150 --> 00:13:19,320

chance to speak with them what stuck up

342

00:13:22,250 --> 00:13:20,160

to you

343

00:13:24,050 --> 00:13:22,260

thank you for saying that before today I

344

00:13:25,970 --> 00:13:24,060

really appreciate that you acknowledge

345

00:13:28,670 --> 00:13:25,980

that so thank you because not everybody

346

00:13:30,829 --> 00:13:28,680

does at times so thank you for that uh

347

00:13:32,690 --> 00:13:30,839

things I think that stuck out for me was

348

00:13:35,090 --> 00:13:32,700

initially the difference in reporting

349

00:13:37,850 --> 00:13:35,100

for sure that was something that I

350

00:13:40,490 --> 00:13:37,860

wanted to at least help focus on and you

351

00:13:41,690 --> 00:13:40,500

know Leslie got to the she cleared up

352

00:13:43,190 --> 00:13:41,700

quicker than I was gonna get down

353

00:13:44,870 --> 00:13:43,200

because I first you know talked about

354

00:13:46,970 --> 00:13:44,880

the two different stories and then she

355

00:13:49,129 --> 00:13:46,980

went right into it and said like hold on

356

00:13:50,870 --> 00:13:49,139

we want to stay away from this so that's

357

00:13:52,790 --> 00:13:50,880

her own conversation which had she had

358

00:13:55,550 --> 00:13:52,800

with grush and I'm glad that she did

359

00:13:57,350 --> 00:13:55,560

clarify that she didn't know too much

360

00:13:58,310 --> 00:13:57,360

about that or knew anything about that

361

00:13:59,329 --> 00:13:58,320

at all

362

00:14:01,190 --> 00:13:59,339

um so I thought that was very

363

00:14:02,870 --> 00:14:01,200

interesting along with the potentially

364

00:14:05,449 --> 00:14:02,880

asking questions like could this just be

365

00:14:07,370 --> 00:14:05,459

disinformation and you know how they

366

00:14:09,050 --> 00:14:07,380

vetted along with stuff like what was

367

00:14:11,509 --> 00:14:09,060

the techniques that they they looked at

368

00:14:14,150 --> 00:14:11,519

through vetting and also realizing that

369

00:14:16,550 --> 00:14:14,160

he was under oath like I think all the

370

00:14:19,310 --> 00:14:16,560

stuff that they've put forward is a very

371

00:14:21,170 --> 00:14:19,320

strong price uh for grush and I thought

372

00:14:23,509 --> 00:14:21,180

that was wonderful along with then them

373

00:14:25,009 --> 00:14:23,519

talking about the process of vetting

374

00:14:26,690 --> 00:14:25,019

this material so that they could go

375

00:14:29,509 --> 00:14:26,700

forward to the media with the government

376

00:14:31,009 --> 00:14:29,519

so I see this like Duality within the

377

00:14:33,470 --> 00:14:31,019

government which we hear all the time

378

00:14:35,269 --> 00:14:33,480

about this topic we're actually seeing

379

00:14:36,590 --> 00:14:35,279

that the government parts of the

380

00:14:39,530 --> 00:14:36,600

government is saying let this go forward

381

00:14:41,750 --> 00:14:39,540

yes and other parts are saying

382

00:14:43,069 --> 00:14:41,760

um you know no so

383

00:14:45,710 --> 00:14:43,079

you know I've been saying this in other

384

00:14:47,930 --> 00:14:45,720

interviews too in recent uh weeks you

385

00:14:51,650 --> 00:14:47,940

know or that last week I should say I

386

00:14:54,050 --> 00:14:51,660

think that some cases we look at

387

00:14:56,269 --> 00:14:54,060

this potentially could be disinformation

388

00:14:58,550 --> 00:14:56,279

and I know that everybody's not going to

389

00:15:00,889 --> 00:14:58,560

like that when I say but history does

390

00:15:02,750 --> 00:15:00,899

repeat itself and we have to be mindful

391

00:15:05,030 --> 00:15:02,760

of that it doesn't mean that everything

392

00:15:07,430 --> 00:15:05,040

Russia says because there are claims and

393

00:15:10,250 --> 00:15:07,440

it's what people have told him so it is

394

00:15:12,410 --> 00:15:10,260

you know second hand information and we

395

00:15:14,329 --> 00:15:12,420

still need to see the receipts so we

396

00:15:17,030 --> 00:15:14,339

have to be mindful that part of it or

397

00:15:18,889 --> 00:15:17,040

potentially even one story of it could

398

00:15:20,329 --> 00:15:18,899

be disinformation we've seen that

399

00:15:22,310 --> 00:15:20,339

through the Condon report we've seen it

400

00:15:24,530 --> 00:15:22,320

through the Robinson panel we've seen

401
00:15:26,990 --> 00:15:24,540
this through multiple history moments

402
00:15:30,290 --> 00:15:27,000
where disinformation was put into the

403
00:15:32,030 --> 00:15:30,300
topic to discredit UFOs or anything

404
00:15:34,490 --> 00:15:32,040
related to this so I think it's possible

405
00:15:37,310 --> 00:15:34,500
that we need to be open-minded because I

406
00:15:39,710 --> 00:15:37,320
don't think we will hopefully find out

407
00:15:42,829 --> 00:15:39,720
you know within the next five to ten

408
00:15:44,689 --> 00:15:42,839
years I I really do hope but we've seen

409
00:15:46,069 --> 00:15:44,699
in history that it's taken 20 to 30

410
00:15:49,550 --> 00:15:46,079
years like they haven't even released

411
00:15:51,290 --> 00:15:49,560
the JFK files yet so you know and most

412
00:15:54,230 --> 00:15:51,300
of those people are gone almost all of

413
00:15:55,790 --> 00:15:54,240

them so so we don't know but the thing

414

00:15:57,350 --> 00:15:55,800

with happening with Congress right now

415

00:15:59,090 --> 00:15:57,360

potentially gresh going forward and

416

00:16:00,110 --> 00:15:59,100

speaking and hearing that I've recently

417

00:16:01,670 --> 00:16:00,120

heard

418

00:16:04,670 --> 00:16:01,680

you know Congress putting this forward

419

00:16:06,769 --> 00:16:04,680

that might you know escalate it to move

420

00:16:08,509 --> 00:16:06,779

quicker and so we might get some more

421

00:16:10,610 --> 00:16:08,519

answers quicker than we would years ago

422

00:16:12,470 --> 00:16:10,620

that's possible and I'm really hopeful

423

00:16:14,090 --> 00:16:12,480

for that but I still think it's going to

424

00:16:15,889 --> 00:16:14,100

take time you know and I'm probably

425

00:16:17,750 --> 00:16:15,899

going to be old and I think not to be

426

00:16:21,410 --> 00:16:17,760

pessimistic and try to be more realistic

427

00:16:23,750 --> 00:16:21,420

I hope that word I hope I'm not old by

428

00:16:26,750 --> 00:16:23,760

the time we find out I hope that we get

429

00:16:28,610 --> 00:16:26,760

better answers and if we do I can't

430

00:16:29,810 --> 00:16:28,620

believe I'm living in this world if

431

00:16:33,050 --> 00:16:29,820

that's yeah

432

00:16:34,790 --> 00:16:33,060

I mean as odd as it sounds and I keep

433

00:16:37,069 --> 00:16:34,800

hearing different people use this word

434

00:16:39,590 --> 00:16:37,079

including garage Fantastical that's

435

00:16:42,410 --> 00:16:39,600

Fantastical as this sounds

436

00:16:45,230 --> 00:16:42,420

um the world is kind of becoming that

437

00:16:47,389 --> 00:16:45,240

sort of place where there's so much

438

00:16:50,090 --> 00:16:47,399

going on right now whether it be like

439

00:16:53,090 --> 00:16:50,100

you know World War III possibilities or

440

00:16:55,970 --> 00:16:53,100

you know virtual uh reality artificial

441

00:16:58,249 --> 00:16:55,980

intelligence everything in it you know

442

00:16:59,870 --> 00:16:58,259

you'll describe this really well on your

443

00:17:01,970 --> 00:16:59,880

channel when you do things that things

444

00:17:05,569 --> 00:17:01,980

are just kind of coming together at the

445

00:17:07,909 --> 00:17:05,579

same time so it almost seems like if

446

00:17:09,590 --> 00:17:07,919

you know the the balloon the disclosure

447

00:17:11,329 --> 00:17:09,600

balloon was ever gonna pop now would

448

00:17:14,210 --> 00:17:11,339

probably be the time

449

00:17:16,850 --> 00:17:14,220

and the misinformation thing it's like

450

00:17:19,669 --> 00:17:16,860

that's the only other option right like

451

00:17:21,890 --> 00:17:19,679

if it's not real then somebody's lying

452

00:17:24,110 --> 00:17:21,900

and then why would they lie well it's be

453

00:17:25,909 --> 00:17:24,120

on purpose to misinform somebody but

454

00:17:29,930 --> 00:17:25,919

would you go as far as letting someone

455

00:17:33,789 --> 00:17:29,940

you know testify to Congress and IG

456

00:17:36,650 --> 00:17:33,799

investigations or that's crazy

457

00:17:38,870 --> 00:17:36,660

that's so extreme right oh it's so hyper

458

00:17:40,070 --> 00:17:38,880

legal but it was you know but back I

459

00:17:42,710 --> 00:17:40,080

know it doesn't mean that they don't do

460

00:17:45,710 --> 00:17:42,720

a legal things well yeah I think it's

461

00:17:48,230 --> 00:17:45,720

CIA MK Ultra that stuff was nasty that

462

00:17:51,470 --> 00:17:48,240

was terrible oh yeah yeah like gosh like

463

00:17:53,330 --> 00:17:51,480

I'd say 50 50 percent chance that this

464

00:17:55,490 --> 00:17:53,340

could be a lot right I think that's fair

465

00:17:57,230 --> 00:17:55,500

to look at that or parts of it are a lie

466

00:18:00,049 --> 00:17:57,240

what we see the smartest ways of

467

00:18:02,510 --> 00:18:00,059

misinformation is or disinformation is

468

00:18:03,950 --> 00:18:02,520

putting in you know 10 of the truth and

469

00:18:06,049 --> 00:18:03,960

then the rest of it is lies and then you

470

00:18:07,909 --> 00:18:06,059

have to figure out what it is so a

471

00:18:09,650 --> 00:18:07,919

couple things that he's been told could

472

00:18:13,130 --> 00:18:09,660

potentially be

473

00:18:16,250 --> 00:18:13,140

false you know and a part of it could be

474

00:18:18,590 --> 00:18:16,260

true so it just depends maybe they don't

475

00:18:20,990 --> 00:18:18,600

have dead pilot bodies you know maybe

476

00:18:23,570 --> 00:18:21,000

they have you know reversed crash

477

00:18:25,190 --> 00:18:23,580

engineering you know material

478

00:18:26,690 --> 00:18:25,200

um so like there there's all the

479

00:18:29,810 --> 00:18:26,700

possibilities I think we have to wait

480

00:18:33,230 --> 00:18:29,820

and see but it's it is a we are in a

481

00:18:36,650 --> 00:18:33,240

Fantastical weird exciting

482

00:18:38,450 --> 00:18:36,660

um confusing time you know I think when

483

00:18:42,350 --> 00:18:38,460

we look back in this generation of like

484

00:18:45,470 --> 00:18:42,360

between 2020 and and now when we started

485

00:18:46,970 --> 00:18:45,480

probably up between 2020 and 2030 you

486

00:18:49,190 --> 00:18:46,980

know will be in the beginning the midst

487

00:18:51,529 --> 00:18:49,200

of like clearing up people that are

488

00:18:53,270 --> 00:18:51,539

talking about mental health and like you

489

00:18:55,130 --> 00:18:53,280

know trying to get things right and and

490

00:18:57,770 --> 00:18:55,140

back to civil rights and fighting for

491

00:18:59,510 --> 00:18:57,780

people's you know voice and freedom and

492

00:19:01,430 --> 00:18:59,520

championing truth and transparency

493

00:19:04,430 --> 00:19:01,440

through all different degrees throughout

494

00:19:07,070 --> 00:19:04,440

culture it's not even just the UFO topic

495

00:19:08,690 --> 00:19:07,080

um Oneness understanding so I think

496

00:19:11,570 --> 00:19:08,700

we're in the beginning of that and

497

00:19:13,730 --> 00:19:11,580

hopefully by 2030 will be in a better

498

00:19:15,289 --> 00:19:13,740

place with all of it and shift but I

499

00:19:16,490 --> 00:19:15,299

think when we look back I always laugh

500

00:19:18,830 --> 00:19:16,500

and remember I don't know if you ever

501
00:19:21,169 --> 00:19:18,840
watched like CNN CNN when it does like

502
00:19:23,570 --> 00:19:21,179
through the decades I always think in my

503
00:19:25,549 --> 00:19:23,580
life if CNN keeps doing those they'll be

504
00:19:27,289 --> 00:19:25,559
like oh I wonder what like 2020 is going

505
00:19:28,850 --> 00:19:27,299
to look like you know and what they're

506
00:19:31,490 --> 00:19:28,860
going to recap you know by the time I'm

507
00:19:34,190 --> 00:19:31,500
20 we're in 2040 I'd be like oh I

508
00:19:37,190 --> 00:19:34,200
remember 2020. it was a crazy time and

509
00:19:40,190 --> 00:19:37,200
like my outfit was so ridiculous yeah I

510
00:19:42,289 --> 00:19:40,200
know what was I thinking like exactly

511
00:19:44,330 --> 00:19:42,299
exactly so like we're always going to do

512
00:19:46,789 --> 00:19:44,340
that right I'll look at my podcast and

513
00:19:48,890 --> 00:19:46,799

be like what were you thinking yeah I do

514

00:19:51,610 --> 00:19:48,900

that yeah or songs I made like a long

515

00:19:54,169 --> 00:19:51,620

time ago I'm like oh that was bad

516

00:19:56,750 --> 00:19:54,179

what was I like what was going on in my

517

00:19:58,789 --> 00:19:56,760

life so like you know or what was I

518

00:20:01,789 --> 00:19:58,799

learning like or I was changing and

519

00:20:04,490 --> 00:20:01,799

evolving as a person too so I think this

520

00:20:06,770 --> 00:20:04,500

topic we'll have similar views like I

521

00:20:09,169 --> 00:20:06,780

look back at like Lu Elizondo stuff now

522

00:20:10,909 --> 00:20:09,179

and I'm like wow so interesting when he

523

00:20:12,710 --> 00:20:10,919

first came came forward and what that

524

00:20:16,190 --> 00:20:12,720

meant and where we are today and what he

525

00:20:18,590 --> 00:20:16,200

knew then too so what else does he know

526

00:20:21,590 --> 00:20:18,600

that's the other question I guess yeah

527

00:20:23,630 --> 00:20:21,600

well but I would uh I mean I'm just

528

00:20:26,150 --> 00:20:23,640

guessing but it kind of seems like uh

529

00:20:31,010 --> 00:20:26,160

this is all part of the same type of

530

00:20:33,430 --> 00:20:31,020

maybe process from 2017 you know it

531

00:20:37,190 --> 00:20:33,440

seems definitely kind of the same but

532

00:20:40,430 --> 00:20:37,200

further along like Luke could only say

533

00:20:42,710 --> 00:20:40,440

like it's my opinion or maybe or I think

534

00:20:44,990 --> 00:20:42,720

we have exotic material or like kind of

535

00:20:48,049 --> 00:20:45,000

loose words direct but you know with

536

00:20:49,549 --> 00:20:48,059

wiggler room and then you know they let

537

00:20:52,390 --> 00:20:49,559

that marinade for a couple years and

538

00:20:56,330 --> 00:20:52,400

sent out garage and boom

539

00:20:58,730 --> 00:20:56,340

so it's just um if I feel like we're

540

00:21:01,909 --> 00:20:58,740

gonna my personal feeling is we're gonna

541

00:21:04,850 --> 00:21:01,919

find out some sort of Truth uh sooner

542

00:21:08,330 --> 00:21:04,860

than later probably this year in when I

543

00:21:10,310 --> 00:21:08,340

say truth I mean what the deal is with

544

00:21:13,250 --> 00:21:10,320

this stuff and why these rumors have

545

00:21:14,690 --> 00:21:13,260

persisted for so long I feel like

546

00:21:17,150 --> 00:21:14,700

there's going to be a push comes to

547

00:21:18,890 --> 00:21:17,160

shove and that doesn't mean that they're

548

00:21:21,770 --> 00:21:18,900

gonna have all these spacecraft and

549

00:21:23,230 --> 00:21:21,780

bodies it could mean that it was a

550

00:21:25,789 --> 00:21:23,240

legacy

551
00:21:28,610 --> 00:21:25,799
bullcrap cover-up program that went up

552
00:21:31,310 --> 00:21:28,620
for 80 years it could be anything but I

553
00:21:33,289 --> 00:21:31,320
feel like whatever the truth is here is

554
00:21:34,850 --> 00:21:33,299
is going to be shown soon this year

555
00:21:36,710 --> 00:21:34,860
because nobody wants to waste their time

556
00:21:38,570 --> 00:21:36,720
especially right now at Senate Congress

557
00:21:40,010 --> 00:21:38,580
so if they're going to do it they're

558
00:21:41,510 --> 00:21:40,020
going to do it and be like let's get

559
00:21:44,090 --> 00:21:41,520
this done and over with we don't have

560
00:21:46,190 --> 00:21:44,100
time for this you know right and will we

561
00:21:48,770 --> 00:21:46,200
believe it though you know I think if we

562
00:21:50,870 --> 00:21:48,780
go either way people you know some

563
00:21:53,990 --> 00:21:50,880

people are going to say you know this

564

00:21:55,909 --> 00:21:54,000

was a BS you know secret campaign or

565

00:21:57,770 --> 00:21:55,919

coverage story that we use and people

566

00:21:59,090 --> 00:21:57,780

were like I don't believe that and the

567

00:22:00,590 --> 00:21:59,100

other group's gonna be like well we have

568

00:22:01,970 --> 00:22:00,600

dead pilot bodies and then a whole other

569

00:22:04,610 --> 00:22:01,980

groups can be like we don't believe that

570

00:22:07,190 --> 00:22:04,620

either so I think we need to evidence

571

00:22:09,649 --> 00:22:07,200

well you do and I think that's it's like

572

00:22:11,390 --> 00:22:09,659

show the receipts but when that evidence

573

00:22:16,070 --> 00:22:11,400

comes forward

574

00:22:18,590 --> 00:22:16,080

wow like if that does yeah wow I don't

575

00:22:20,930 --> 00:22:18,600

even know what would happen I I don't

576

00:22:23,289 --> 00:22:20,940

you know a lot of our shows will change

577

00:22:27,110 --> 00:22:23,299

that's for sure yeah

578

00:22:29,210 --> 00:22:27,120

news will change uh culture will change

579

00:22:31,310 --> 00:22:29,220

how people view themselves and where

580

00:22:34,490 --> 00:22:31,320

they Place themselves in this world will

581

00:22:37,490 --> 00:22:34,500

change their cultural understanding uh

582

00:22:39,470 --> 00:22:37,500

their spiritual or religious uh might

583

00:22:41,930 --> 00:22:39,480

change and there might be another group

584

00:22:44,090 --> 00:22:41,940

of people that are like you know sure

585

00:22:45,950 --> 00:22:44,100

and walk away and be like okay it

586

00:22:48,169 --> 00:22:45,960

doesn't really affect me I'm not

587

00:22:49,370 --> 00:22:48,179

surprised you know and for me I'll just

588

00:22:50,990 --> 00:22:49,380

stop going to work and just keep

589

00:22:52,090 --> 00:22:51,000

podcasting I'll go on a beach and

590

00:22:55,549 --> 00:22:52,100

podcast

591

00:22:57,950 --> 00:22:55,559

I'm ready for this yeah well I think a

592

00:22:59,270 --> 00:22:57,960

part of me is you know realizes and like

593

00:23:01,310 --> 00:22:59,280

and I always say this you know I'm like

594

00:23:03,409 --> 00:23:01,320

why do I work I'm like if this is the

595

00:23:06,230 --> 00:23:03,419

case and everyone's been lying for 80 or

596

00:23:07,909 --> 00:23:06,240

90 years about this then what else are

597

00:23:10,070 --> 00:23:07,919

they lying about and and what does that

598

00:23:12,590 --> 00:23:10,080

mean to to my context and what I

599

00:23:14,630 --> 00:23:12,600

contribute to this world so I always say

600

00:23:17,270 --> 00:23:14,640

like why am I not doing it now and I try

601
00:23:18,770 --> 00:23:17,280
to I live my life like that but I think

602
00:23:20,750 --> 00:23:18,780
if anything it's going to push myself

603
00:23:22,990 --> 00:23:20,760
and a lot of other people to potentially

604
00:23:25,490 --> 00:23:23,000
go in other directions in their lives

605
00:23:27,070 --> 00:23:25,500
and that's not a bad thing but it's

606
00:23:29,450 --> 00:23:27,080
going to be a very interesting

607
00:23:31,549 --> 00:23:29,460
self-discovery of what it means to be

608
00:23:34,370 --> 00:23:31,559
who you are in this world and how you

609
00:23:36,529 --> 00:23:34,380
act within that space so yeah that's a

610
00:23:38,750 --> 00:23:36,539
really that's a really deep place to go

611
00:23:41,210 --> 00:23:38,760
like I think about that kind of often

612
00:23:44,330 --> 00:23:41,220
like um the way the world's set up and

613
00:23:47,090 --> 00:23:44,340

why are we forced into this world to

614

00:23:49,669 --> 00:23:47,100

make money in order to buy this house

615

00:23:51,409 --> 00:23:49,679

and have this car and spend your entire

616

00:23:53,870 --> 00:23:51,419

life doing something you don't really

617

00:23:55,789 --> 00:23:53,880

enjoy you know because you have to have

618

00:23:57,770 --> 00:23:55,799

this house and other things it's not

619

00:23:59,510 --> 00:23:57,780

easy to just break off of that and do

620

00:24:01,789 --> 00:23:59,520

whatever you want and nobody really can

621

00:24:06,470 --> 00:24:01,799

for the most part so if something like

622

00:24:09,350 --> 00:24:06,480

that pops up it might kind of be that um

623

00:24:11,750 --> 00:24:09,360

shot of adrenaline to wake up from from

624

00:24:14,090 --> 00:24:11,760

this routine that everybody's in because

625

00:24:19,070 --> 00:24:14,100

to me I don't think it's very natural

626
00:24:20,750 --> 00:24:19,080
you know so well systems will crash I

627
00:24:22,970 --> 00:24:20,760
think a lot of you know internal

628
00:24:25,310 --> 00:24:22,980
corporate systems and structures will

629
00:24:27,710 --> 00:24:25,320
crash to a degree

630
00:24:29,690 --> 00:24:27,720
um or they will have to evolve very

631
00:24:31,070 --> 00:24:29,700
quickly for people that will choose but

632
00:24:31,850 --> 00:24:31,080
I think we're already seeing like the

633
00:24:35,029 --> 00:24:31,860
Gen

634
00:24:36,190 --> 00:24:35,039
um Z you know is that uh Zed I always

635
00:24:38,450 --> 00:24:36,200
laughs

636
00:24:40,909 --> 00:24:38,460
yeah they always say that a boomer term

637
00:24:43,669 --> 00:24:40,919
they call it I think uh gen Z or gen Zed

638
00:24:46,190 --> 00:24:43,679

anyway uh so if I saw that on like a on

639

00:24:48,409 --> 00:24:46,200

a meme but I think that they're already

640

00:24:50,149 --> 00:24:48,419

kind of living that and embodying it to

641

00:24:52,730 --> 00:24:50,159

a degree I think that they're like you

642

00:24:55,430 --> 00:24:52,740

know what I just gonna I why am I

643

00:24:57,950 --> 00:24:55,440

working so hard like my parents did or

644

00:25:00,590 --> 00:24:57,960

you know siblings of mine or whoever may

645

00:25:02,270 --> 00:25:00,600

be relatives friends people I know or

646

00:25:04,730 --> 00:25:02,280

watch this other generation including

647

00:25:08,390 --> 00:25:04,740

like our generation work so bloody hard

648

00:25:10,909 --> 00:25:08,400

so for me I I do see that and I relate

649

00:25:12,169 --> 00:25:10,919

to it to a degree but I yeah it will be

650

00:25:14,090 --> 00:25:12,179

interesting to see where the that

651

00:25:16,669 --> 00:25:14,100

economically the world goes and shifts

652

00:25:19,190 --> 00:25:16,679

but that might take time too uh you know

653

00:25:20,149 --> 00:25:19,200

I think people looking at this topic you

654

00:25:21,470 --> 00:25:20,159

know you're going to have a group of

655

00:25:23,690 --> 00:25:21,480

people that for sure are going to be

656

00:25:25,430 --> 00:25:23,700

like whoa like and instantly their

657

00:25:27,470 --> 00:25:25,440

paradigm shift is going to change

658

00:25:29,510 --> 00:25:27,480

rapidly and then there's going to be

659

00:25:30,890 --> 00:25:29,520

that slow trickle of other people that

660

00:25:33,049 --> 00:25:30,900

are really going to catch up and get

661

00:25:34,730 --> 00:25:33,059

used to it and and then have to digest

662

00:25:37,010 --> 00:25:34,740

this once it gets into their communities

663

00:25:38,630 --> 00:25:37,020

we live in a Counter Culture and we talk

664

00:25:42,110 --> 00:25:38,640

about it and Surround ourselves in it

665

00:25:44,210 --> 00:25:42,120

every day so it's we found ourselves to

666

00:25:46,490 --> 00:25:44,220

be able to communicate with people with

667

00:25:49,130 --> 00:25:46,500

this topic and share ideas like we're

668

00:25:50,390 --> 00:25:49,140

doing now but a lot of people don't have

669

00:25:52,909 --> 00:25:50,400

that they don't even have it for

670

00:25:56,690 --> 00:25:52,919

anything in their life let alone you

671

00:25:57,890 --> 00:25:56,700

know a topic around like the UFOs they

672

00:25:59,930 --> 00:25:57,900

don't even have it with their friends or

673

00:26:01,909 --> 00:25:59,940

their family so

674

00:26:04,909 --> 00:26:01,919

you know they might come to places like

675

00:26:07,190 --> 00:26:04,919

UFO communities or they might decide to

676
00:26:10,130 --> 00:26:07,200
um sorry my eyelash here or they might

677
00:26:12,289 --> 00:26:10,140
decide to take a while to to like to

678
00:26:13,730 --> 00:26:12,299
catch up to this and decide to wait

679
00:26:15,470 --> 00:26:13,740
until their friends and family become

680
00:26:17,510 --> 00:26:15,480
part of this topic or people that they

681
00:26:19,909 --> 00:26:17,520
know and trust and then they dive into

682
00:26:21,169 --> 00:26:19,919
it like I you know I don't know I to me

683
00:26:23,029 --> 00:26:21,179
that's the really that's really

684
00:26:24,590 --> 00:26:23,039
interesting I care about Debbie down the

685
00:26:26,570 --> 00:26:24,600
road you know

686
00:26:29,090 --> 00:26:26,580
um because I think Debbie is the person

687
00:26:31,190 --> 00:26:29,100
that um has to ingrain this into who she

688
00:26:33,049 --> 00:26:31,200

is I obviously believe that evidence and

689

00:26:35,029 --> 00:26:33,059

materials and science is just important

690

00:26:36,649 --> 00:26:35,039

but there are another group of

691

00:26:38,750 --> 00:26:36,659

researchers and that people need to

692

00:26:40,730 --> 00:26:38,760

focus on culture and humans and how

693

00:26:43,370 --> 00:26:40,740

people digest this and bring it into

694

00:26:44,450 --> 00:26:43,380

their lives yeah big questions big

695

00:26:47,450 --> 00:26:44,460

questions

696

00:26:50,090 --> 00:26:47,460

um yeah and it's you know I enjoy

697

00:26:52,789 --> 00:26:50,100

speculating but also

698

00:26:54,409 --> 00:26:52,799

you know it I can only go so far like

699

00:26:56,510 --> 00:26:54,419

one of my pet peeves in the UFO

700

00:26:59,149 --> 00:26:56,520

Community is just the cart is in front

701
00:27:01,789 --> 00:26:59,159
of the horse the whole freaking time you

702
00:27:04,549 --> 00:27:01,799
know like we can't even know we don't

703
00:27:07,010 --> 00:27:04,559
even prove have proof yet that like

704
00:27:09,409 --> 00:27:07,020
anything exists that we can prove you

705
00:27:12,950 --> 00:27:09,419
know um and we're already talking about

706
00:27:14,390 --> 00:27:12,960
like you know 1800 different beings and

707
00:27:17,210 --> 00:27:14,400
dimensions and all that kind of stuff

708
00:27:19,190 --> 00:27:17,220
and it's fun to imagine that stuff but

709
00:27:21,470 --> 00:27:19,200
at the end of the day it's like man we

710
00:27:24,710 --> 00:27:21,480
we gotta take one step at a time here

711
00:27:26,990 --> 00:27:24,720
you know I agree I agree because I know

712
00:27:28,730 --> 00:27:27,000
you know we're so instantly like aliens

713
00:27:30,950 --> 00:27:28,740

you know like people are like and I've

714

00:27:34,370 --> 00:27:30,960

seen something and it was emotional you

715

00:27:36,289 --> 00:27:34,380

know but I can't attach that to one

716

00:27:40,310 --> 00:27:36,299

specific thing because I just don't know

717

00:27:42,890 --> 00:27:40,320

you know so what was your sighting

718

00:27:44,870 --> 00:27:42,900

um my sighting was well it's kind of the

719

00:27:47,269 --> 00:27:44,880

reason I'm here pretty much but um

720

00:27:49,370 --> 00:27:47,279

happened towards the beginning of fall

721

00:27:52,909 --> 00:27:49,380

2020

722

00:27:55,610 --> 00:27:52,919

um and or late summer in

723

00:27:58,669 --> 00:27:55,620

who's at the end of coronavirus or at

724

00:28:00,649 --> 00:27:58,679

the heat of coronavirus and um I was

725

00:28:02,529 --> 00:28:00,659

gonna bowl with my dad in a bowling

726

00:28:06,110 --> 00:28:02,539

league and

727

00:28:09,649 --> 00:28:06,120

[\h__\h] went down because of like masks and

728

00:28:12,890 --> 00:28:09,659

he was older and whatever the day before

729

00:28:14,990 --> 00:28:12,900

that I saw like a big sideways teardrop

730

00:28:15,950 --> 00:28:15,000

maybe like 40 feet above my head about

731

00:28:18,049 --> 00:28:15,960

like

732

00:28:21,289 --> 00:28:18,059

maybe this big I don't know if you can

733

00:28:23,690 --> 00:28:21,299

see that it with a slight curve and like

734

00:28:25,490 --> 00:28:23,700

a plasma type body with like a border to

735

00:28:28,190 --> 00:28:25,500

it that seemed like electric or alive

736

00:28:30,230 --> 00:28:28,200

and it just came in and out and the next

737

00:28:32,510 --> 00:28:30,240

day I have that uh kind of argument

738

00:28:34,370 --> 00:28:32,520

thing with my dad a couple days later

739

00:28:35,990 --> 00:28:34,380

and I don't know what the exact days are

740

00:28:38,269 --> 00:28:36,000

unfortunately because this is all very

741

00:28:39,590 --> 00:28:38,279

unexpected took me a while to even

742

00:28:41,750 --> 00:28:39,600

processed that it was anything

743

00:28:43,909 --> 00:28:41,760

substantial

744

00:28:46,970 --> 00:28:43,919

um about a couple days after that I'm

745

00:28:48,830 --> 00:28:46,980

outside in my backyard again and as if a

746

00:28:50,750 --> 00:28:48,840

light shoots over my shoulder and I just

747

00:28:52,730 --> 00:28:50,760

felt like if I kept looking where that

748

00:28:53,810 --> 00:28:52,740

light went that I was going to see the

749

00:28:55,669 --> 00:28:53,820

same thing

750

00:28:59,029 --> 00:28:55,679

that I saw a couple days ago and sure

751
00:29:01,610 --> 00:28:59,039
enough the same like material this time

752
00:29:03,590 --> 00:29:01,620
was like a basketball size

753
00:29:05,930 --> 00:29:03,600
um but it was made of like that same

754
00:29:08,450 --> 00:29:05,940
plasma Dusty material with the Border

755
00:29:11,870 --> 00:29:08,460
electric border around it uh in and out

756
00:29:14,029 --> 00:29:11,880
size of a basketball and the weird thing

757
00:29:16,549 --> 00:29:14,039
about it is that argument I got in with

758
00:29:18,409 --> 00:29:16,559
my dad I had a dream about that same

759
00:29:21,590 --> 00:29:18,419
thing happening like I don't know maybe

760
00:29:23,269 --> 00:29:21,600
five years before that so like all this

761
00:29:24,230 --> 00:29:23,279
stuff was like converging at the same

762
00:29:27,590 --> 00:29:24,240
time

763
00:29:29,810 --> 00:29:27,600

so it was and never again you know that

764

00:29:32,269 --> 00:29:29,820

was a couple years ago so I don't know

765

00:29:36,590 --> 00:29:32,279

what it was you know uh well let's see

766

00:29:38,750 --> 00:29:36,600

I'm 39 now so 37. interesting I'm like

767

00:29:40,549 --> 00:29:38,760

they they always say with like men and

768

00:29:42,169 --> 00:29:40,559

women want to hear about stuff like

769

00:29:44,330 --> 00:29:42,179

anything like we would you know I don't

770

00:29:46,970 --> 00:29:44,340

really call UFOs paranormal anymore but

771

00:29:48,230 --> 00:29:46,980

you know less of a term if experiencing

772

00:29:49,850 --> 00:29:48,240

something like that they always say it

773

00:29:52,669 --> 00:29:49,860

happens with people and different men

774

00:29:54,409 --> 00:29:52,679

and women at different ages

775

00:29:56,210 --> 00:29:54,419

um sometimes men can happen things in

776
00:29:59,210 --> 00:29:56,220
their younger ages and then women older

777
00:30:00,649 --> 00:29:59,220
or it might be vice versa but or the

778
00:30:02,750 --> 00:30:00,659
other way around

779
00:30:04,789 --> 00:30:02,760
um but yeah I've heard that and it

780
00:30:06,830 --> 00:30:04,799
sometimes it deals with your age

781
00:30:08,510 --> 00:30:06,840
um and you're in potentially gender but

782
00:30:10,130 --> 00:30:08,520
I know which is wild but that's amazing

783
00:30:12,830 --> 00:30:10,140
when you said it was transparent though

784
00:30:14,409 --> 00:30:12,840
like it was a plasma when you say plasma

785
00:30:17,149 --> 00:30:14,419
what does the plasma look like too

786
00:30:19,490 --> 00:30:17,159
that's like I don't know what to really

787
00:30:21,950 --> 00:30:19,500
say like I've looked up like plasma

788
00:30:24,590 --> 00:30:21,960

experiments like you know in Gyros and

789

00:30:28,490 --> 00:30:24,600

stuff like that it doesn't no no it's

790

00:30:30,889 --> 00:30:28,500

like a thick white fog Cloud kind of

791

00:30:32,510 --> 00:30:30,899

thing and it was just like constantly in

792

00:30:36,889 --> 00:30:32,520

motion and moving around on the inside

793

00:30:40,730 --> 00:30:36,899

there's a really really dense like cloud

794

00:30:43,789 --> 00:30:40,740

or something smoke maybe or something

795

00:30:46,730 --> 00:30:43,799

um basketball size so

796

00:30:48,950 --> 00:30:46,740

I don't know it was just that silver

797

00:30:52,430 --> 00:30:48,960

electric border around it like you know

798

00:30:54,590 --> 00:30:52,440

when people are describing these crafts

799

00:30:57,169 --> 00:30:54,600

sometimes and they say like

800

00:30:59,269 --> 00:30:57,179

they'll have like a plasma sheath around

801
00:31:01,310 --> 00:30:59,279
it because it needs that to go that fast

802
00:31:04,010 --> 00:31:01,320
or whatever like

803
00:31:05,990 --> 00:31:04,020
I think like well that could be what

804
00:31:09,169 --> 00:31:06,000
that looks like but I you know I didn't

805
00:31:11,149 --> 00:31:09,179
see a ship so I have no idea but it was

806
00:31:13,310 --> 00:31:11,159
just uh

807
00:31:15,409 --> 00:31:13,320
yeah it was like maybe the one was like

808
00:31:17,690 --> 00:31:15,419
size of a basketball the other one was

809
00:31:19,730 --> 00:31:17,700
yeah like this big

810
00:31:22,310 --> 00:31:19,740
it's just weird and the weird thing

811
00:31:24,230 --> 00:31:22,320
about the the the first one is you know

812
00:31:27,649 --> 00:31:24,240
you think maybe a meteorite or something

813
00:31:29,990 --> 00:31:27,659

I was way too close in detail for that

814

00:31:32,570 --> 00:31:30,000

to be the case but like the curve it had

815

00:31:35,690 --> 00:31:32,580

on the tail made it seem like it came

816

00:31:37,970 --> 00:31:35,700

upwards and down you know so this is

817

00:31:40,370 --> 00:31:37,980

super weird and it was just gone like in

818

00:31:43,010 --> 00:31:40,380

and out of a dimension or something but

819

00:31:46,250 --> 00:31:43,020

yeah I don't really talk about it that

820

00:31:48,230 --> 00:31:46,260

much so I may edit this out

821

00:31:49,430 --> 00:31:48,240

that's okay that's fair I'm just curious

822

00:31:51,529 --> 00:31:49,440

I'm like

823

00:31:55,130 --> 00:31:51,539

like I

824

00:31:58,510 --> 00:31:55,140

I no no yeah because I I find the plasma

825

00:32:00,710 --> 00:31:58,520

descriptions like really interesting

826

00:32:03,889 --> 00:32:00,720

like or the like the cloaking

827

00:32:06,350 --> 00:32:03,899

conversation too I believe it was uh

828

00:32:07,909 --> 00:32:06,360

with a column color hair at Skinwalker I

829

00:32:10,250 --> 00:32:07,919

think it was column color hair that

830

00:32:13,549 --> 00:32:10,260

ended up seeing the tiny little like

831

00:32:15,350 --> 00:32:13,559

craft thing when they were in on the on

832

00:32:17,269 --> 00:32:15,360

the ground somewhere I think he was in

833

00:32:19,430 --> 00:32:17,279

one of the the houses or the bunkers

834

00:32:22,370 --> 00:32:19,440

whatever you call it and he said that

835

00:32:25,070 --> 00:32:22,380

like this little tiny ship thing like

836

00:32:29,029 --> 00:32:25,080

like went by him I know and it was so

837

00:32:31,549 --> 00:32:29,039

tiny yeah and it's weird yeah like the

838

00:32:34,130 --> 00:32:31,559

way he describes it is just and nobody

839

00:32:36,289 --> 00:32:34,140

else saw it and he did and you know that

840

00:32:38,210 --> 00:32:36,299

was his like weird paranormal experience

841

00:32:41,330 --> 00:32:38,220

he had on it but it's so similar like

842

00:32:43,730 --> 00:32:41,340

the sizes and the shades I've had people

843

00:32:46,130 --> 00:32:43,740

in Kitchener Waterloo uh that know my

844

00:32:47,750 --> 00:32:46,140

father have sent me images of like

845

00:32:50,330 --> 00:32:47,760

things that are happening in their house

846

00:32:53,210 --> 00:32:50,340

like that I've saved on you know on

847

00:32:55,850 --> 00:32:53,220

drives uh typically just myself just to

848

00:32:57,649 --> 00:32:55,860

collect the material right save it for

849

00:32:59,269 --> 00:32:57,659

them save it who knows what it means

850

00:33:00,710 --> 00:32:59,279

down in the future

851

00:33:02,510 --> 00:33:00,720

um and who knows if it's a light trick

852

00:33:04,610 --> 00:33:02,520

or whatever it may be but there's like

853

00:33:05,930 --> 00:33:04,620

tons of like orb stuff that's going on

854

00:33:08,029 --> 00:33:05,940

in somebody I know his house in

855

00:33:10,490 --> 00:33:08,039

Kitchener Waterloo and he always sends

856

00:33:13,490 --> 00:33:10,500

me as like night camera shots and it's

857

00:33:15,169 --> 00:33:13,500

wild like it's just yeah it's really

858

00:33:17,389 --> 00:33:15,179

really well I find that maybe super

859

00:33:19,250 --> 00:33:17,399

interesting yeah maybe maybe these

860

00:33:20,990 --> 00:33:19,260

things are are smaller than we think you

861

00:33:22,850 --> 00:33:21,000

know I think it was you know some

862

00:33:25,549 --> 00:33:22,860

article that came out I think it came

863

00:33:27,350 --> 00:33:25,559

from Danny Chan so who knows but

864

00:33:29,269 --> 00:33:27,360

um you know the thing the crafts are a

865

00:33:30,950 --> 00:33:29,279

lot smaller from the outside and when

866

00:33:32,509 --> 00:33:30,960

you get in they're a lot bigger so who

867

00:33:34,370 --> 00:33:32,519

knows then you see a lot of those fake

868

00:33:36,230 --> 00:33:34,380

like Frank saucer pictures from back in

869

00:33:41,350 --> 00:33:36,240

the day and they're also small you know

870

00:33:46,250 --> 00:33:45,049

maybe it is well yeah but my my dad what

871

00:33:58,130 --> 00:33:46,260

he

872

00:33:59,810 --> 00:33:58,140

saw too and it was really close to him

873

00:34:01,970 --> 00:33:59,820

as well and it was like five of them

874

00:34:04,310 --> 00:34:01,980

that saw this together and he had took a

875

00:34:07,549 --> 00:34:04,320

photo of it and so you can see the the

876

00:34:09,230 --> 00:34:07,559

perspective of like the headlights on

877

00:34:11,450 --> 00:34:09,240

the street where you can see the cars

878

00:34:14,270 --> 00:34:11,460

the tail lights and then you can see the

879

00:34:17,270 --> 00:34:14,280

hydro pull or like the light pole and

880

00:34:19,970 --> 00:34:17,280

then above the light pole is the the UFO

881

00:34:22,369 --> 00:34:19,980

like it's 70s grain films so it's like

882

00:34:24,710 --> 00:34:22,379

sure it looks like a Sunbeam yeah that

883

00:34:26,270 --> 00:34:24,720

that's coming off like the UFO has light

884

00:34:27,710 --> 00:34:26,280

but it's like a Sunbeam that it looks

885

00:34:29,750 --> 00:34:27,720

like you can't see that it's metallic

886

00:34:31,310 --> 00:34:29,760

but my dad said it was metallic and I

887

00:34:32,750 --> 00:34:31,320

asked him and he was like Chrissy like

888

00:34:35,270 --> 00:34:32,760

children could have only fit in this

889

00:34:36,889 --> 00:34:35,280

thing that's how tiny it was wow and how

890

00:34:38,149 --> 00:34:36,899

do you react to that when your dad tells

891

00:34:40,970 --> 00:34:38,159

you something like that did you grow up

892

00:34:42,649 --> 00:34:40,980

around that stuff or I did yeah when I

893

00:34:43,550 --> 00:34:42,659

was a little girl my I always laughed

894

00:34:45,889 --> 00:34:43,560

because I've been starting this photo

895

00:34:47,510 --> 00:34:45,899

recently

896

00:34:49,430 --> 00:34:47,520

always like you know you always get the

897

00:34:51,829 --> 00:34:49,440

occasional hater that's like you don't

898

00:34:53,450 --> 00:34:51,839

like UFOs and you're like no I'm like I

899

00:34:55,010 --> 00:34:53,460

have since I've been a child so I have

900

00:34:56,930 --> 00:34:55,020

to prove myself now which I

901
00:34:58,370 --> 00:34:56,940
realistically no I don't have to but I

902
00:35:00,589 --> 00:34:58,380
always laugh because I'm like so like

903
00:35:02,450 --> 00:35:00,599
here's like a little photo of like me I

904
00:35:05,150 --> 00:35:02,460
think I was like in grade seven or grade

905
00:35:07,730 --> 00:35:05,160
eight like Elvis is 100 Elementary

906
00:35:09,470 --> 00:35:07,740
School for picture day and I have a

907
00:35:11,290 --> 00:35:09,480
little alien shirt on

908
00:35:13,670 --> 00:35:11,300
foreign

909
00:35:14,690 --> 00:35:13,680
and so I one day I'll post that on

910
00:35:16,490 --> 00:35:14,700
social

911
00:35:17,870 --> 00:35:16,500
um because I always laugh when I do

912
00:35:19,190 --> 00:35:17,880
stuff in this I'm like little Chrissy

913
00:35:22,970 --> 00:35:19,200

would be proud

914

00:35:24,890 --> 00:35:22,980

um important I think that too yeah I'm

915

00:35:27,470 --> 00:35:24,900

like and there's a whole reason for that

916

00:35:29,030 --> 00:35:27,480

as we grow but you know for me I'm like

917

00:35:32,150 --> 00:35:29,040

I've loved the topic but my dad got me

918

00:35:33,950 --> 00:35:32,160

into it so I'm so used to I've I have my

919

00:35:35,569 --> 00:35:33,960

own paradigm shift now that I'm going

920

00:35:38,150 --> 00:35:35,579

through with all of this along with

921

00:35:40,310 --> 00:35:38,160

really learning more for sure

922

00:35:42,349 --> 00:35:40,320

um and and where I see my place and and

923

00:35:43,970 --> 00:35:42,359

where I want to go with this topic in

924

00:35:45,890 --> 00:35:43,980

context of contributing and what does it

925

00:35:47,510 --> 00:35:45,900

mean to me and to my family and everyone

926
00:35:50,450 --> 00:35:47,520
else around me

927
00:35:52,670 --> 00:35:50,460
um but I also then think about like you

928
00:35:55,250 --> 00:35:52,680
know the when I was younger like to me

929
00:35:57,470 --> 00:35:55,260
it was like definitely aliens and it was

930
00:35:59,270 --> 00:35:57,480
like that's what I I only knew and it

931
00:36:00,650 --> 00:35:59,280
was I would watch documentaries but my

932
00:36:02,750 --> 00:36:00,660
dad was teaching me all this stuff and

933
00:36:05,210 --> 00:36:02,760
you'd only have access potentially to

934
00:36:07,550 --> 00:36:05,220
like stories or stuff that people would

935
00:36:09,109 --> 00:36:07,560
come and tell my dad and we'd all sit

936
00:36:11,390 --> 00:36:09,119
together or his friends or people would

937
00:36:13,849 --> 00:36:11,400
and we would talk about it or like

938
00:36:16,430 --> 00:36:13,859

random information or you potentially go

939

00:36:17,930 --> 00:36:16,440

to a conference so my dad and I started

940

00:36:20,270 --> 00:36:17,940

going to conferences when I was about 25

941

00:36:22,370 --> 00:36:20,280

and I remember I walked into one and I

942

00:36:24,170 --> 00:36:22,380

was like these are our people and he

943

00:36:25,609 --> 00:36:24,180

like laughed but I was like well it's

944

00:36:26,930 --> 00:36:25,619

true it's a place where we can like talk

945

00:36:28,730 --> 00:36:26,940

about this

946

00:36:30,530 --> 00:36:28,740

um and he could and he like he's such a

947

00:36:32,510 --> 00:36:30,540

geek he loves it uh he's such a geek

948

00:36:34,430 --> 00:36:32,520

when it goes to those things I hasn't in

949

00:36:35,630 --> 00:36:34,440

recent years but uh when we were when I

950

00:36:38,750 --> 00:36:35,640

was younger we used to go a lot together

951
00:36:40,609 --> 00:36:38,760
and so for me it's not so um it wasn't

952
00:36:42,530 --> 00:36:40,619
back then it was just normal like I

953
00:36:45,550 --> 00:36:42,540
always thought UFOs were real they were

954
00:36:48,710 --> 00:36:45,560
not not real to me my entire childhood

955
00:36:50,750 --> 00:36:48,720
UFOs have been real so and I'm happy

956
00:36:52,970 --> 00:36:50,760
that I grew up in a place like that I

957
00:36:55,310 --> 00:36:52,980
really am interesting because that's

958
00:36:57,470 --> 00:36:55,320
like never never thinking the Tooth

959
00:36:59,870 --> 00:36:57,480
Fairy wasn't real right because yeah

960
00:37:01,849 --> 00:36:59,880
their story oh not the Tooth Fairy

961
00:37:03,710 --> 00:37:01,859
specifically but for sure something like

962
00:37:05,630 --> 00:37:03,720
that yeah

963
00:37:07,069 --> 00:37:05,640

um but there's evidence that mounts you

964

00:37:08,750 --> 00:37:07,079

know and then people are whistleblowers

965

00:37:14,210 --> 00:37:08,760

nobody does that for the freaking Tooth

966

00:37:19,370 --> 00:37:16,730

you got a tooth fairy at Los Alamos yeah

967

00:37:21,470 --> 00:37:19,380

exactly Santa down the road you know

968

00:37:23,390 --> 00:37:21,480

yeah

969

00:37:25,270 --> 00:37:23,400

um so is that the other is that area 51

970

00:37:29,170 --> 00:37:25,280

you know with his life

971

00:37:32,329 --> 00:37:29,180

have you ever had a sighting

972

00:37:34,370 --> 00:37:32,339

I've had um I've had experience I've had

973

00:37:37,130 --> 00:37:34,380

an experience

974

00:37:38,450 --> 00:37:37,140

um where I've like I've I talk about it

975

00:37:40,910 --> 00:37:38,460

openly but I still don't know what it

976

00:37:42,950 --> 00:37:40,920

was and I I had like yeah like a

977

00:37:44,930 --> 00:37:42,960

paranormal experience and I'm still to

978

00:37:47,270 --> 00:37:44,940

this day with a group of people uh too

979

00:37:49,310 --> 00:37:47,280

there's there's three of us in total so

980

00:37:51,050 --> 00:37:49,320

I still don't know what it is I've had

981

00:37:54,650 --> 00:37:51,060

two experiences with an ex-boyfriend

982

00:37:58,550 --> 00:37:54,660

that I I still think I could potentially

983

00:38:00,290 --> 00:37:58,560

chop up to coincidences or weather or

984

00:38:03,890 --> 00:38:00,300

something else

985

00:38:07,730 --> 00:38:03,900

um so you know I still reflect back on

986

00:38:09,410 --> 00:38:07,740

those and wonder a lot the more outside

987

00:38:11,870 --> 00:38:09,420

of just the UFO experience that weird

988

00:38:13,430 --> 00:38:11,880

paranormal experience I had yeah I still

989

00:38:17,030 --> 00:38:13,440

um I still think about it I think about

990

00:38:19,010 --> 00:38:17,040

it a lot actually in context to the UFO

991

00:38:20,990 --> 00:38:19,020

experience because I when it happened

992

00:38:22,849 --> 00:38:21,000

the first thing I thought people like is

993

00:38:25,130 --> 00:38:22,859

that a ghost experience I'm like well it

994

00:38:27,710 --> 00:38:25,140

could be in classification I said but I

995

00:38:30,589 --> 00:38:27,720

don't think it was and you know and a

996

00:38:32,150 --> 00:38:30,599

lot of people would you know

997

00:38:34,250 --> 00:38:32,160

I've had some this has happened to

998

00:38:35,810 --> 00:38:34,260

somebody else I was with when it he was

999

00:38:37,069 --> 00:38:35,820

with me as well it was actually my dad

1000

00:38:38,150 --> 00:38:37,079

was with me when this happened funny

1001
00:38:40,790 --> 00:38:38,160
enough

1002
00:38:44,030 --> 00:38:40,800
um and uh my cousin's husband was with

1003
00:38:45,349 --> 00:38:44,040
me and so all three of us saw it and it

1004
00:38:47,030 --> 00:38:45,359
was just an experience that I still

1005
00:38:49,849 --> 00:38:47,040
question every day

1006
00:38:51,829 --> 00:38:49,859
um and I wonder like why the heck did

1007
00:38:54,410 --> 00:38:51,839
that happen you know and I also wonder

1008
00:38:56,930 --> 00:38:54,420
is that ability is it the ability to see

1009
00:38:59,390 --> 00:38:56,940
it is the ability uh to be present for

1010
00:39:00,589 --> 00:38:59,400
it like what what does that mean and why

1011
00:39:02,750 --> 00:39:00,599
don't other people have those

1012
00:39:04,730 --> 00:39:02,760
experiences every day

1013
00:39:07,250 --> 00:39:04,740

um you know I I talk about being

1014

00:39:08,750 --> 00:39:07,260

neurodivergent which I'm you know I'm

1015

00:39:10,190 --> 00:39:08,760

dyslexic and I'm and I'm proud to be

1016

00:39:11,270 --> 00:39:10,200

dyslexic in that way I guess you would

1017

00:39:13,190 --> 00:39:11,280

say

1018

00:39:15,589 --> 00:39:13,200

um you know I'm a high dyslexic when it

1019

00:39:17,390 --> 00:39:15,599

comes to writing and reading but there

1020

00:39:19,069 --> 00:39:17,400

are the ways that my brain operates it's

1021

00:39:21,349 --> 00:39:19,079

different than being normal uh

1022

00:39:23,270 --> 00:39:21,359

neurotypical and so that's why I talked

1023

00:39:24,530 --> 00:39:23,280

about that with Gary Nolan because to me

1024

00:39:26,750 --> 00:39:24,540

it was interesting with the top

1025

00:39:27,950 --> 00:39:26,760

neurologist to talk about this as and

1026

00:39:28,849 --> 00:39:27,960

it's someone that's experiencing

1027

00:39:32,270 --> 00:39:28,859

something or has worked with

1028

00:39:34,609 --> 00:39:32,280

experiencers uh why does neurodivergency

1029

00:39:36,109 --> 00:39:34,619

play A Part potentially within that and

1030

00:39:39,710 --> 00:39:36,119

that's something that he looked at as

1031

00:39:41,870 --> 00:39:39,720

well yeah ADHD there you go so I wonder

1032

00:39:43,310 --> 00:39:41,880

you know and um and there's tons of

1033

00:39:45,109 --> 00:39:43,320

other people that are

1034

00:39:47,390 --> 00:39:45,119

um Intel that I know that are dyslexic

1035

00:39:48,770 --> 00:39:47,400

or neurodivergent I won't say who

1036

00:39:50,990 --> 00:39:48,780

because I think that's up to them to

1037

00:39:53,210 --> 00:39:51,000

talk about it no no no you gotta say it

1038

00:39:57,130 --> 00:39:53,220

you gotta get it right last middle name

1039

00:39:59,810 --> 00:39:57,140

address yeah right right so

1040

00:40:02,270 --> 00:39:59,820

we can figure out exactly how their

1041

00:40:03,410 --> 00:40:02,280

brain operates but you know exactly and

1042

00:40:05,630 --> 00:40:03,420

I think there's way there's obviously

1043

00:40:07,910 --> 00:40:05,640

way more narrative people now or not

1044

00:40:09,170 --> 00:40:07,920

realize that they're neurodivergent so I

1045

00:40:10,910 --> 00:40:09,180

always joke around and call it my

1046

00:40:13,670 --> 00:40:10,920

superpower because it really is it's

1047

00:40:16,670 --> 00:40:13,680

helped me immensely just the part of my

1048

00:40:19,130 --> 00:40:16,680

career that I'm in uh and stuff that I

1049

00:40:21,170 --> 00:40:19,140

do and and helps me be open-minded as

1050

00:40:22,490 --> 00:40:21,180

well I think doesn't mean that you can

1051
00:40:24,530 --> 00:40:22,500
you don't have to be neurodivergent to

1052
00:40:26,450 --> 00:40:24,540
be open-minded but I think that it helps

1053
00:40:27,770 --> 00:40:26,460
me and it helps me problem solve really

1054
00:40:29,150 --> 00:40:27,780
quickly because that's what being

1055
00:40:32,150 --> 00:40:29,160
dyslexic

1056
00:40:33,829 --> 00:40:32,160
um is people that are real good at so

1057
00:40:34,910 --> 00:40:33,839
you know it's it's been an interesting

1058
00:40:36,530 --> 00:40:34,920
ride

1059
00:40:38,270 --> 00:40:36,540
um and hopefully we figure out that

1060
00:40:40,370 --> 00:40:38,280
connection that cross connection one day

1061
00:40:42,650 --> 00:40:40,380
and then maybe that will lead me down a

1062
00:40:45,829 --> 00:40:42,660
road to understanding what potentially I

1063
00:40:48,349 --> 00:40:45,839

ended up seeing years ago so yeah and I

1064

00:40:50,270 --> 00:40:48,359

always think about how you know it's

1065

00:40:52,430 --> 00:40:50,280

it's almost like

1066

00:40:54,589 --> 00:40:52,440

sometimes it seems like the point of

1067

00:40:56,390 --> 00:40:54,599

these experiences or whatever or even

1068

00:40:58,550 --> 00:40:56,400

this government stuff for Blue Book

1069

00:41:00,950 --> 00:40:58,560

files or whatever like the point almost

1070

00:41:02,810 --> 00:41:00,960

seems sometimes to

1071

00:41:05,089 --> 00:41:02,820

um just wonder and expand your

1072

00:41:07,190 --> 00:41:05,099

boundaries of thought you know having

1073

00:41:09,050 --> 00:41:07,200

this mystery that you've seen and

1074

00:41:11,510 --> 00:41:09,060

experience but can't explain and don't

1075

00:41:13,250 --> 00:41:11,520

know what it is kind of forces your mind

1076

00:41:15,770 --> 00:41:13,260

to imagine all these different things

1077

00:41:18,349 --> 00:41:15,780

and possible scenarios and I wonder if

1078

00:41:20,870 --> 00:41:18,359

that's you know healthy to it to

1079

00:41:23,390 --> 00:41:20,880

exercise that part of yourself and and

1080

00:41:24,290 --> 00:41:23,400

maybe there's some you know

1081

00:41:27,170 --> 00:41:24,300

um

1082

00:41:30,050 --> 00:41:27,180

maybe that's a part of some of the

1083

00:41:32,870 --> 00:41:30,060

reason you know people have these I find

1084

00:41:34,490 --> 00:41:32,880

a lot of times people who really believe

1085

00:41:36,349 --> 00:41:34,500

in the topic and that there's something

1086

00:41:38,630 --> 00:41:36,359

there or maybe have for a while now I

1087

00:41:41,030 --> 00:41:38,640

don't think this works with you but they

1088

00:41:41,890 --> 00:41:41,040

often don't have any experiences you

1089

00:41:44,810 --> 00:41:41,900

know

1090

00:41:46,609 --> 00:41:44,820

why because they don't need to they're

1091

00:41:49,550 --> 00:41:46,619

already there you know I wouldn't be

1092

00:41:51,470 --> 00:41:49,560

here without that I was uh make fun of

1093

00:41:52,790 --> 00:41:51,480

the show kind of guy the ghost shows on

1094

00:41:54,710 --> 00:41:52,800

and they're like did you hear that I'm

1095

00:41:57,829 --> 00:41:54,720

like oh yeah did you hear that okay

1096

00:42:00,470 --> 00:41:57,839

buddy that's me you know and yeah like

1097

00:42:02,690 --> 00:42:00,480

so little Sean looking at Sean now would

1098

00:42:05,390 --> 00:42:02,700

be like what happened dude

1099

00:42:08,150 --> 00:42:05,400

you were a musician you're you know what

1100

00:42:11,089 --> 00:42:08,160

what's going on so it's just super weird

1101

00:42:13,130 --> 00:42:11,099

but you know I'm enjoying it and you

1102

00:42:16,130 --> 00:42:13,140

know I live enjoy life through it so it

1103

00:42:17,569 --> 00:42:16,140

is what it is but yeah my um you know my

1104

00:42:19,310 --> 00:42:17,579

dad like when my dad showed me that

1105

00:42:20,690 --> 00:42:19,320

photo when I was a little girl like I

1106

00:42:22,069 --> 00:42:20,700

always say like it sparked everything

1107

00:42:25,069 --> 00:42:22,079

inside of me and I was like this is

1108

00:42:26,390 --> 00:42:25,079

amazing and I like was in awe like it

1109

00:42:29,089 --> 00:42:26,400

like saying like it legitly was

1110

00:42:31,730 --> 00:42:29,099

Fantastical to me so I was like you know

1111

00:42:33,290 --> 00:42:31,740

in At the Hop so but I never had an

1112

00:42:35,270 --> 00:42:33,300

experience then but also it's someone

1113

00:42:38,089 --> 00:42:35,280

that I really loved and obviously cared

1114

00:42:40,430 --> 00:42:38,099

for and with my father and trusted that

1115

00:42:42,050 --> 00:42:40,440

you know he why would he lie to me why

1116

00:42:43,970 --> 00:42:42,060

would this be something if this meant so

1117

00:42:44,990 --> 00:42:43,980

much to him right so sure I think

1118

00:42:46,910 --> 00:42:45,000

there's there's obviously a cross

1119

00:42:49,910 --> 00:42:46,920

connection there also like like a little

1120

00:42:52,190 --> 00:42:49,920

sponge as a child you know seeing these

1121

00:42:54,349 --> 00:42:52,200

these ideas and conversations are

1122

00:42:56,210 --> 00:42:54,359

hearing them you know being talked about

1123

00:42:58,730 --> 00:42:56,220

with his friends or people that he knew

1124

00:43:00,950 --> 00:42:58,740

uh and being you know sitting at the

1125

00:43:04,069 --> 00:43:00,960

table and listening and absorbing it so

1126
00:43:06,530 --> 00:43:04,079
that's one part but when I was you know

1127
00:43:08,569 --> 00:43:06,540
mine didn't happen until gosh my like

1128
00:43:11,030 --> 00:43:08,579
mid-30s or like beginning I think it's

1129
00:43:13,490 --> 00:43:11,040
between 30 and 35. so that's why I asked

1130
00:43:15,829 --> 00:43:13,500
you about Age and and whatnot because

1131
00:43:17,930 --> 00:43:15,839
that's what I looked at I was like whoa

1132
00:43:19,730 --> 00:43:17,940
like why is this happening now to me

1133
00:43:21,530 --> 00:43:19,740
like what's going on because you think

1134
00:43:24,650 --> 00:43:21,540
like is this a mental thing or something

1135
00:43:26,390 --> 00:43:24,660
like can you develop that it does it why

1136
00:43:28,490 --> 00:43:26,400
in that point in time or when you said

1137
00:43:29,870 --> 00:43:28,500
like is there something going on like

1138
00:43:31,910 --> 00:43:29,880

um but then I actually asked that

1139

00:43:33,290 --> 00:43:31,920

question when it happened and I you know

1140

00:43:35,930 --> 00:43:33,300

asked it with a friend and they're like

1141

00:43:38,690 --> 00:43:35,940

Chrissy you weren't by yourself you've

1142

00:43:40,730 --> 00:43:38,700

always wanted somebody and so that means

1143

00:43:42,170 --> 00:43:40,740

that like one other person would have

1144

00:43:44,210 --> 00:43:42,180

had been going this through the same

1145

00:43:45,589 --> 00:43:44,220

thing you were or there's two other

1146

00:43:47,870 --> 00:43:45,599

people would have too and I said yeah

1147

00:43:49,970 --> 00:43:47,880

that's a good point I've never had an

1148

00:43:51,650 --> 00:43:49,980

experience like by myself it's always

1149

00:43:53,809 --> 00:43:51,660

been with somebody else which is really

1150

00:43:56,510 --> 00:43:53,819

great because then you can be like sure

1151
00:43:58,670 --> 00:43:56,520
Andrew what was that or like you know

1152
00:43:59,990 --> 00:43:58,680
you can have that commonality to have

1153
00:44:02,390 --> 00:44:00,000
that discussion

1154
00:44:04,490 --> 00:44:02,400
um and be able to like bounce off what

1155
00:44:05,630 --> 00:44:04,500
was going on in each other's mind or

1156
00:44:07,849 --> 00:44:05,640
experience when that was happening or

1157
00:44:10,490 --> 00:44:07,859
what they ended up seeing too so yeah

1158
00:44:13,430 --> 00:44:10,500
yeah but overall makes you wonder how

1159
00:44:14,390 --> 00:44:13,440
many yeah yeah sorry say that again oh I

1160
00:44:16,430 --> 00:44:14,400
was just gonna say it makes you wonder

1161
00:44:18,109 --> 00:44:16,440
how many people have seen something and

1162
00:44:20,450 --> 00:44:18,119
and won't say a freaking word because

1163
00:44:22,250 --> 00:44:20,460

they saw it by themselves you know oh

1164

00:44:23,990 --> 00:44:22,260

totally there's probably so many people

1165

00:44:26,270 --> 00:44:24,000

or there's so many things that things

1166

00:44:28,309 --> 00:44:26,280

happen and they're like it's probably

1167

00:44:29,990 --> 00:44:28,319

not what it is I don't know yeah you

1168

00:44:32,390 --> 00:44:30,000

just look at it and they walk away and

1169

00:44:35,050 --> 00:44:32,400

they're like you know something about me

1170

00:44:37,609 --> 00:44:35,060

and they're like yeah

1171

00:44:40,740 --> 00:44:37,619

I gotta read every freaking Blue Book

1172

00:44:45,109 --> 00:44:40,750

file that ever was made in history

1173

00:44:47,390 --> 00:44:45,119

[Laughter]

1174

00:44:51,050 --> 00:44:47,400

something new about UFO history I'm like

1175

00:44:53,150 --> 00:44:51,060

what it what like I had to die like

1176

00:44:54,530 --> 00:44:53,160

really deep dive and uh dis and

1177

00:44:57,470 --> 00:44:54,540

misinformation campaigns with the

1178

00:44:58,970 --> 00:44:57,480

government from yeah

1179

00:45:01,849 --> 00:44:58,980

what did you find

1180

00:45:04,609 --> 00:45:01,859

I did research for three months from

1181

00:45:07,490 --> 00:45:04,619

just like the multiple press conferences

1182

00:45:09,290 --> 00:45:07,500

they had the Armstrong Donald Kehoe and

1183

00:45:11,390 --> 00:45:09,300

the censorship for the on strong Circle

1184

00:45:13,250 --> 00:45:11,400

Theater when she went on and spoke about

1185

00:45:15,349 --> 00:45:13,260

and they cut him off so I look at that

1186

00:45:16,550 --> 00:45:15,359

as a form of censorship

1187

00:45:18,589 --> 00:45:16,560

um and then just getting into like

1188

00:45:20,150 --> 00:45:18,599

breaking down the condom report you know

1189

00:45:22,970 --> 00:45:20,160

and reading it and looking at what they

1190

00:45:26,390 --> 00:45:22,980

suggested as like PR and as a publicist

1191

00:45:29,690 --> 00:45:26,400

and a PR person I was like wow this is

1192

00:45:32,030 --> 00:45:29,700

hyper wrong and Hyper illegal now but

1193

00:45:33,890 --> 00:45:32,040

breaking down and then I did in my

1194

00:45:35,750 --> 00:45:33,900

presentation for contact in the desert I

1195

00:45:37,670 --> 00:45:35,760

did the what it would look like today of

1196

00:45:38,870 --> 00:45:37,680

a version of economy report and what we

1197

00:45:40,910 --> 00:45:38,880

can see from a public relations

1198

00:45:42,710 --> 00:45:40,920

perspective yeah I thought that was

1199

00:45:45,109 --> 00:45:42,720

really interesting even just like

1200

00:45:47,870 --> 00:45:45,119

talking to Tim McMillan yeah and talking

1201
00:45:50,210 --> 00:45:47,880
to Tim where we chatted about

1202
00:45:52,010 --> 00:45:50,220
um what what our Miss and disinformation

1203
00:45:54,290 --> 00:45:52,020
campaigns so that people could have a

1204
00:45:55,970 --> 00:45:54,300
better understanding of them and then

1205
00:45:58,370 --> 00:45:55,980
one I thought was really interesting

1206
00:46:00,829 --> 00:45:58,380
that he told me outside of the UFO topic

1207
00:46:02,750 --> 00:46:00,839
I believe it was World War One

1208
00:46:04,970 --> 00:46:02,760
um they were talking about

1209
00:46:07,329 --> 00:46:04,980
how carrots were really good for your

1210
00:46:09,770 --> 00:46:07,339
eyes and that was like

1211
00:46:13,130 --> 00:46:09,780
totally wrong that's actually like

1212
00:46:15,349 --> 00:46:13,140
misinformed I know right I did the same

1213
00:46:26,870 --> 00:46:15,359

thing no I know that because I freaking

1214

00:46:30,230 --> 00:46:28,490

but I believe that was supposed to be I

1215

00:46:31,910 --> 00:46:30,240

forget example exactly and I'd have to

1216

00:46:34,730 --> 00:46:31,920

watch it again but was

1217

00:46:37,550 --> 00:46:34,740

um leaked to supposed to be to confuse

1218

00:46:38,950 --> 00:46:37,560

the or the foreign adversary and it was

1219

00:46:41,630 --> 00:46:38,960

done but it was put into the general

1220

00:46:43,250 --> 00:46:41,640

populace but everybody believed that

1221

00:46:45,290 --> 00:46:43,260

eating carrots would make your eyes

1222

00:46:47,450 --> 00:46:45,300

stronger and better like there's

1223

00:46:49,490 --> 00:46:47,460

probably like maybe a bit of like

1224

00:46:51,650 --> 00:46:49,500

everything is a vitamin A vegetable oil

1225

00:46:54,710 --> 00:46:51,660

right in general but yeah that's

1226

00:46:56,089 --> 00:46:54,720

misinformation it's not true so it's

1227

00:46:59,530 --> 00:46:56,099

like saying cigarettes are good for

1228

00:47:03,109 --> 00:46:59,540

stress well they are but yeah exactly

1229

00:47:05,450 --> 00:47:03,119

are extremely bad for your lungs yeah

1230

00:47:08,390 --> 00:47:05,460

right and I also funny said you said

1231

00:47:11,390 --> 00:47:08,400

cigarettes because I start off with my

1232

00:47:14,510 --> 00:47:11,400

uh my presentation with the Godfather of

1233

00:47:16,670 --> 00:47:14,520

PR which is Edwards who created it and

1234

00:47:18,710 --> 00:47:16,680

his first campaign was down on a

1235

00:47:21,230 --> 00:47:18,720

counterculture which was a group of

1236

00:47:23,809 --> 00:47:21,240

women that was done on the the youth the

1237

00:47:27,530 --> 00:47:23,819

furman's Women's First Liberation

1238

00:47:30,589 --> 00:47:27,540

movement and used that as a PRK campaign

1239

00:47:32,750 --> 00:47:30,599

to get women smoking so what they do I

1240

00:47:35,750 --> 00:47:32,760

know so he used to Counter Culture

1241

00:47:37,609 --> 00:47:35,760

Liberation Liberation movement to yeah

1242

00:47:39,530 --> 00:47:37,619

to get more people smoking so that they

1243

00:47:41,150 --> 00:47:39,540

could make more money because back then

1244

00:47:43,370 --> 00:47:41,160

it was really taboo for women to smoke

1245

00:47:45,890 --> 00:47:43,380

and so what they did was use the Easter

1246

00:47:49,250 --> 00:47:45,900

perky what he did was got lucky lucky

1247

00:47:51,470 --> 00:47:49,260

striped cigarettes and had women smoking

1248

00:47:54,230 --> 00:47:51,480

in the Easter parade and saying that it

1249

00:47:57,230 --> 00:47:54,240

was their right to smoke to increase

1250

00:48:00,290 --> 00:47:57,240

sales wow yeah so I use that as a

1251

00:48:02,690 --> 00:48:00,300

comparison right well right and I use

1252

00:48:04,609 --> 00:48:02,700

that as a comparison to the UFO topic

1253

00:48:06,589 --> 00:48:04,619

because I do believe some people will

1254

00:48:08,990 --> 00:48:06,599

think it's a subculture but I consider

1255

00:48:10,550 --> 00:48:09,000

the UFO topic a counterculture because

1256

00:48:12,109 --> 00:48:10,560

it's a movement it's a movement of

1257

00:48:14,510 --> 00:48:12,119

people a movement and of ideologies

1258

00:48:17,150 --> 00:48:14,520

that's trying to change and adjust than

1259

00:48:19,370 --> 00:48:17,160

the norm so we have to be mindful that

1260

00:48:21,170 --> 00:48:19,380

PR people government you know public

1261

00:48:22,609 --> 00:48:21,180

affairs can take counterculture

1262

00:48:24,910 --> 00:48:22,619

movements and use it to their own

1263

00:48:27,950 --> 00:48:24,920

advantages

1264

00:48:30,410 --> 00:48:27,960

what they could do maybe artificial

1265

00:48:33,170 --> 00:48:30,420

intelligence you know something well

1266

00:48:34,490 --> 00:48:33,180

possibly I don't know you know and I

1267

00:48:37,309 --> 00:48:34,500

think that's stuff that we would have to

1268

00:48:39,530 --> 00:48:37,319

look at like what is the most extreme to

1269

00:48:41,150 --> 00:48:39,540

basic that people could do and

1270

00:48:43,010 --> 00:48:41,160

potentially again within the law and

1271

00:48:45,470 --> 00:48:43,020

with outside the law

1272

00:48:47,089 --> 00:48:45,480

um but the other thing though too is

1273

00:48:50,210 --> 00:48:47,099

that misinformation and disinformation

1274

00:48:52,550 --> 00:48:50,220

is legal in political campaigns it's

1275

00:48:54,589 --> 00:48:52,560

against the law for uh certain agencies

1276

00:48:57,410 --> 00:48:54,599

within the government to do it but it's

1277

00:48:59,089 --> 00:48:57,420

not against the law for politicians to

1278

00:49:02,510 --> 00:48:59,099

use it in their campaigns to run for

1279

00:49:04,609 --> 00:49:02,520

presidency or anything else yeah so

1280

00:49:06,710 --> 00:49:04,619

um real quick where can people find you

1281

00:49:08,990 --> 00:49:06,720

and

1282

00:49:11,510 --> 00:49:09,000

um what are you up to next for sure uh

1283

00:49:14,150 --> 00:49:11,520

people can find me on Twitter at Chrissy

1284

00:49:16,790 --> 00:49:14,160

Newton or on Instagram at being Chrissy

1285

00:49:19,430 --> 00:49:16,800

Newton uh they can read all the work and

1286

00:49:20,870 --> 00:49:19,440

watch my podcast uh YouTube channels uh

1287

00:49:23,329 --> 00:49:20,880

the debrief and then you can go to the

1288

00:49:25,370 --> 00:49:23,339

debrief.org to read all of our written

1289

00:49:26,930 --> 00:49:25,380

work or journalistic work

1290

00:49:29,510 --> 00:49:26,940

um and yeah for next is just I'm going

1291

00:49:30,950 --> 00:49:29,520

to be interviewing Mick West soon so

1292

00:49:32,450 --> 00:49:30,960

that will be interesting and I'm going

1293

00:49:33,770 --> 00:49:32,460

to try and have some more politicians on

1294

00:49:35,750 --> 00:49:33,780

my show you know I've been lucky to talk

1295

00:49:37,609 --> 00:49:35,760

to you yeah

1296

00:49:38,930 --> 00:49:37,619

um you know Timber shot I think it was

1297

00:49:40,809 --> 00:49:38,940

maybe a little bit harder on than I

1298

00:49:43,010 --> 00:49:40,819

usually am with some of my guests

1299

00:49:44,809 --> 00:49:43,020

there are a couple interviews where you

1300

00:49:49,550 --> 00:49:44,819

where you were taking it you were you

1301

00:49:54,230 --> 00:49:52,010

because I

1302

00:49:55,790 --> 00:49:54,240

I feel like I believe all this I agree

1303

00:49:57,589 --> 00:49:55,800

with all this you don't have to ask

1304

00:49:59,210 --> 00:49:57,599

questions too and

1305

00:50:00,530 --> 00:49:59,220

um and I think that that's fair I think

1306

00:50:02,870 --> 00:50:00,540

and all those questions I think were

1307

00:50:05,150 --> 00:50:02,880

fair to them you know I'm not supposed

1308

00:50:06,829 --> 00:50:05,160

to you know people would think well I

1309

00:50:08,630 --> 00:50:06,839

just have to prop up the story because

1310

00:50:10,609 --> 00:50:08,640

it's part of the debrief I'm like my job

1311

00:50:11,990 --> 00:50:10,619

was to help clarify

1312

00:50:14,390 --> 00:50:12,000

um yeah and and that's what part of it

1313

00:50:16,069 --> 00:50:14,400

is and also Ralph and Leslie were the

1314

00:50:18,170 --> 00:50:16,079

reporters on that story we were just the

1315

00:50:20,450 --> 00:50:18,180

outlet Distributing it so I was trying

1316

00:50:22,910 --> 00:50:20,460

to do my due diligence but you know I'm

1317

00:50:24,349 --> 00:50:22,920

like I you know I overall I do think

1318

00:50:26,690 --> 00:50:24,359

there's something going on I just don't

1319

00:50:27,950 --> 00:50:26,700

know what it is tonight we go after a

1320

00:50:29,110 --> 00:50:27,960

fantastic story

1321

00:50:44,050 --> 00:50:29,120

foreign
