

1
00:00:00,000 --> 00:00:05,219
and if he throw had a near miss with a

2
00:00:02,220 --> 00:00:07,740
UFO according to newly released Ministry

3
00:00:05,219 --> 00:00:09,989
of Defense files the captain of the

4
00:00:07,740 --> 00:00:12,690
alitalia flight was so concerned he

5
00:00:09,990 --> 00:00:14,910
shouted look out to his copilot after

6
00:00:12,689 --> 00:00:17,730
sitting a brown missile shaped object

7
00:00:14,910 --> 00:00:19,800
the unexplained encounter in 1991 is one

8
00:00:17,730 --> 00:00:22,230
of several being investigated by the LOD

9
00:00:19,800 --> 00:00:25,199
another is the account of a US Air Force

10
00:00:22,230 --> 00:00:29,460
pilot was ordered to shoot down a UFO it

11
00:00:25,199 --> 00:00:32,929
was flying over Norwich back in 1957 why

12
00:00:29,460 --> 00:00:35,640
I know now i know now I've had I've had

13
00:00:32,929 --> 00:00:37,409
more than 50 years to recollect this

14
00:00:35,640 --> 00:00:39,509
thing and I'm going to tell you right

15
00:00:37,409 --> 00:00:44,459
now what it was it was some kind of a

16
00:00:39,509 --> 00:00:47,579
spacious a space a held alien craft I

17
00:00:44,460 --> 00:00:51,390
don't know what the hell it is it was so

18
00:00:47,579 --> 00:00:54,090
fast it was so incredible and it went at

19
00:00:51,390 --> 00:00:57,058
right angles without without any

20
00:00:54,090 --> 00:00:59,579
momentum of any sort it was just was

21
00:00:57,058 --> 00:01:01,649
absolutely death-defying I don't know

22
00:00:59,579 --> 00:01:03,329
what the hell it was well in other one

23
00:01:01,649 --> 00:01:05,489
had left it left and it was gone for

24
00:01:03,329 --> 00:01:07,799
good skies and abrade joins us live from

25
00:01:05,489 --> 00:01:11,640
norfolk tonight I suppose this is proof

26
00:01:07,799 --> 00:01:13,500
that under that UFOs do exist well

27
00:01:11,640 --> 00:01:15,030
Martin Mulder and Scully always told us

28
00:01:13,500 --> 00:01:17,009
didn't they that the truth was out there

29

00:01:15,030 --> 00:01:20,099
somewhere who'da thought the truth would

30
00:01:17,009 --> 00:01:22,469
be here right here in Norwich East

31
00:01:20,099 --> 00:01:24,539
Anglia of all places but they're quite

32
00:01:22,469 --> 00:01:26,188
an incredible story it makes fascinating

33
00:01:24,540 --> 00:01:28,170
listening hearing from the man himself

34
00:01:26,188 --> 00:01:29,969
half a century on he hasn't forgotten

35
00:01:28,170 --> 00:01:32,400
what has happened and just to recap

36
00:01:29,969 --> 00:01:35,219
Milton Torres was a young fighter pilot

37
00:01:32,400 --> 00:01:36,750
based at an RAF station in Kent working

38
00:01:35,219 --> 00:01:38,849
for the US Air Force and he was

39
00:01:36,750 --> 00:01:40,828
scrambled one night to get up and to

40
00:01:38,849 --> 00:01:42,328
shoot down this UFO that had been

41
00:01:40,828 --> 00:01:45,569
hovering over Norwich but as he got

42
00:01:42,328 --> 00:01:48,688
closer it simply vanished a colossal

43
00:01:45,569 --> 00:01:50,908

speed mactan he estimated off his radar

44

00:01:48,688 --> 00:01:53,158

and he said he remains to this day

45

00:01:50,909 --> 00:01:55,500

convinced that on that night in question

46

00:01:53,159 --> 00:01:58,259

way back in nineteen fifty-seven high

47

00:01:55,500 --> 00:02:00,149

above Norwich he encountered an alien

48

00:01:58,259 --> 00:02:01,978

aircraft he says no one will shake him

49

00:02:00,149 --> 00:02:03,329

from that belief and i have to say out

50

00:02:01,978 --> 00:02:05,368

of all the documents that have been

51

00:02:03,328 --> 00:02:07,889

released in the past 24 hours be

52

00:02:05,368 --> 00:02:09,868

classified his story really does stand

53

00:02:07,890 --> 00:02:13,229

out as the most interesting for people

54

00:02:09,868 --> 00:02:13,919

who were into UFOs yeah well it's great

55

00:02:13,229 --> 00:02:16,739

to see you there

56

00:02:13,919 --> 00:02:18,809

live in Norfolk this evening end but i

57

00:02:16,740 --> 00:02:20,849

wonder if we cast the camera up to the

58
00:02:18,810 --> 00:02:23,699
skies what do we see anything up there

59
00:02:20,848 --> 00:02:25,289
tonight we'll take a look Martin to have

60
00:02:23,699 --> 00:02:26,939
to say yeah we'll have a great story on

61
00:02:25,289 --> 00:02:28,979
our hands if anything goes by right now

62
00:02:26,939 --> 00:02:30,449
but an awful lot of rain that's all

63
00:02:28,979 --> 00:02:32,519
we've got here in East Anglia this

64
00:02:30,449 --> 00:02:34,049
evening but there Milton Torres says

65
00:02:32,520 --> 00:02:36,000
that on the night in question he was

66
00:02:34,050 --> 00:02:37,950
absolutely convinced way back in

67
00:02:36,000 --> 00:02:41,489
nineteen fifty-seven that alien aircraft

68
00:02:37,949 --> 00:02:42,988
had basically visited Norwich and what

69
00:02:41,489 --> 00:02:45,180
they were doing over that area is

70
00:02:42,989 --> 00:02:46,890
anyone's guess but reading online this

71
00:02:45,180 --> 00:02:48,689
evening there are certain experts who

72
00:02:46,889 --> 00:02:51,509
were saying that quite simply he was

73
00:02:48,689 --> 00:02:53,519
someone who was an unwitting participant

74
00:02:51,509 --> 00:02:55,530
in a military exercises that his

75
00:02:53,519 --> 00:02:58,069
superiors had not told him that they

76
00:02:55,530 --> 00:03:01,439
were actually using some electronic

77
00:02:58,068 --> 00:03:04,949
spyware that would project spoof

78
00:03:01,439 --> 00:03:06,539
vehicles on to Soviet radar and that's

79
00:03:04,949 --> 00:03:08,458
what was actually happening way back in

80
00:03:06,539 --> 00:03:10,259
nineteen fifty seven but he was visited

81
00:03:08,459 --> 00:03:13,019
the very next day by someone from the US

82
00:03:10,259 --> 00:03:15,030
National Security Agency and told never

83
00:03:13,019 --> 00:03:17,010
to repeat what he had seen the night

84
00:03:15,030 --> 00:03:18,989
before what Milton Torres as we heard

85
00:03:17,009 --> 00:03:21,179
not so long ago from him live from

86

00:03:18,989 --> 00:03:23,219
Florida he is utterly convinced that on

87
00:03:21,180 --> 00:03:26,609
the night in question he did have an

88
00:03:23,219 --> 00:03:29,340
alien encounter okay and stay safe

89
00:03:26,609 --> 00:03:31,620
national archives gov got UK is the

90
00:03:29,340 --> 00:03:34,519
place to look out your research into

91
00:03:31,620 --> 00:03:34,519
UFOs coming out
