

1  
00:00:19,460 --> 00:00:26,250  
what has done this well thank you very

2  
00:00:23,699 --> 00:00:28,769  
much for organizing this conference it

3  
00:00:26,250 --> 00:00:31,829  
is a pleasure to be here and to share

4  
00:00:28,768 --> 00:00:36,500  
again the my experience and knowledge

5  
00:00:31,829 --> 00:00:39,269  
and all these years of inner path I

6  
00:00:36,500 --> 00:00:41,730  
would like to share with you a personal

7  
00:00:39,270 --> 00:00:45,780  
experience because what I'm going to

8  
00:00:41,729 --> 00:00:48,439  
tell you is my personal life and I'm

9  
00:00:45,780 --> 00:00:52,739  
sure that many of you are also living

10  
00:00:48,439 --> 00:00:59,359  
lives that are not common to the people

11  
00:00:52,738 --> 00:00:59,359  
that there's outside this room and I

12  
00:00:59,570 --> 00:01:07,859  
will explain you that those are the

13  
00:01:05,549 --> 00:01:12,060  
topics I'm going to talk about okay and

14  
00:01:07,859 --> 00:01:14,159  
I find myself in Liverpool you know I'm

15  
00:01:12,060 --> 00:01:16,650  
a psychologist clinical psychologist and

16  
00:01:14,159 --> 00:01:18,118  
I study also international trade and I

17  
00:01:16,650 --> 00:01:19,439  
was studying the Masters in

18  
00:01:18,118 --> 00:01:24,659  
consciousness and transpersonal

19  
00:01:19,438 --> 00:01:27,449  
psychology and I was unsatisfied with

20  
00:01:24,659 --> 00:01:30,750  
the scientific explanations of why are

21  
00:01:27,450 --> 00:01:33,780  
we here where do we come from where are

22  
00:01:30,750 --> 00:01:38,310  
we going who are we and I would like to

23  
00:01:33,780 --> 00:01:40,228  
know how many of you are satisfied with

24  
00:01:38,310 --> 00:01:45,060  
the scientific explanation because I'm

25  
00:01:40,228 --> 00:01:46,649  
the first please write your hands are

26  
00:01:45,060 --> 00:01:49,009  
you satisfied with the scientific

27  
00:01:46,649 --> 00:01:51,960  
explanations that science giving today

28  
00:01:49,009 --> 00:01:54,780  
because I'm one so I was studying at

29

00:01:51,959 --> 00:01:58,109  
University and they were explaining me

30  
00:01:54,780 --> 00:02:00,978  
many things and supposedly transpersonal

31  
00:01:58,109 --> 00:02:05,280  
psychology is at the cutting edge of

32  
00:02:00,978 --> 00:02:07,019  
psychology but even that you know they

33  
00:02:05,280 --> 00:02:08,580  
weren't telling me that where it was

34  
00:02:07,019 --> 00:02:11,000  
coming from they weren't tell me that

35  
00:02:08,580 --> 00:02:14,320  
other civilizations they were explaining

36  
00:02:11,000 --> 00:02:18,409  
everything only on on planet earth so

37  
00:02:14,319 --> 00:02:21,530  
for ten years of personal experience and

38  
00:02:18,409 --> 00:02:24,620  
personal development you know sighs

39  
00:02:21,530 --> 00:02:27,169  
since I was a child I've always wanted

40  
00:02:24,620 --> 00:02:30,140  
to know who I am why I am here in this

41  
00:02:27,169 --> 00:02:32,929  
planet you know because I don't want to

42  
00:02:30,139 --> 00:02:34,779  
leave the life of the other people that

43  
00:02:32,930 --> 00:02:36,830

surround me you know it's a bit boring

44

00:02:34,780 --> 00:02:39,169

everything every day doing the same

45

00:02:36,830 --> 00:02:41,150

things you know I want to I want to do

46

00:02:39,169 --> 00:02:43,969

more things I want to know more things

47

00:02:41,150 --> 00:02:46,959

so I started asking questions and

48

00:02:43,969 --> 00:02:51,250

sometimes when you ask questions you

49

00:02:46,959 --> 00:02:56,319

cross the threshold and you start

50

00:02:51,250 --> 00:02:56,319

experiencing different realities so

51

00:02:56,650 --> 00:03:01,849

because I was dissatisfied and I was

52

00:03:00,379 --> 00:03:03,949

looking for questions I enter in the

53

00:03:01,849 --> 00:03:07,549

internet and I found Exopolitics

54

00:03:03,949 --> 00:03:09,709

movement in 2007 and i wrote a steve

55

00:03:07,550 --> 00:03:13,070

bassett who they've talked already about

56

00:03:09,709 --> 00:03:16,340

him and I wanted to do to write a book

57

00:03:13,069 --> 00:03:18,590

about many of the topics always finding

58  
00:03:16,340 --> 00:03:21,319  
you know they were explaining our

59  
00:03:18,590 --> 00:03:23,030  
society and he told me six months later

60  
00:03:21,319 --> 00:03:27,739  
if I wanted to belong to the Exopolitics

61  
00:03:23,030 --> 00:03:29,840  
movement I said okay let's build a

62  
00:03:27,739 --> 00:03:32,090  
website about Exopolitics and be

63  
00:03:29,840 --> 00:03:36,439  
depressed the representative in Spain

64  
00:03:32,090 --> 00:03:38,209  
and I said the knowledge about the

65  
00:03:36,439 --> 00:03:40,489  
extra-terrestrial reality is very very

66  
00:03:38,209 --> 00:03:44,360  
important as I will say later because i

67  
00:03:40,489 --> 00:03:46,909  
think is is the the piece of the puzzle

68  
00:03:44,360 --> 00:03:49,430  
that connects many other pieces and

69  
00:03:46,909 --> 00:03:52,250  
explains many other issues about our

70  
00:03:49,430 --> 00:03:56,480  
lives and i've been searching for 10

71  
00:03:52,250 --> 00:03:58,370  
years because i'm quite young but you

72  
00:03:56,479 --> 00:03:59,780  
know why I'm here and why I'm starting

73  
00:03:58,370 --> 00:04:00,920  
this why I'm starting the other things

74  
00:03:59,780 --> 00:04:02,900  
and i discovered that the

75  
00:04:00,919 --> 00:04:07,458  
extra-terrestrial peace explains many

76  
00:04:02,900 --> 00:04:11,739  
things so i said where I need to share

77  
00:04:07,459 --> 00:04:15,349  
all this information with the world then

78  
00:04:11,739 --> 00:04:19,728  
after one year and a half of pushing

79  
00:04:15,349 --> 00:04:22,129  
this idea that came with my partner we

80  
00:04:19,728 --> 00:04:24,689  
say why don't we bring out of ever why

81  
00:04:22,129 --> 00:04:26,850  
don't we bring Paula Harris

82  
00:04:24,689 --> 00:04:29,219  
I my desire to Barcelona and make a

83  
00:04:26,850 --> 00:04:31,110  
conference so they can explain what is

84  
00:04:29,220 --> 00:04:33,000  
Exopolitics and we talked about it's a

85  
00:04:31,110 --> 00:04:36,660  
terrestrial life it was a challenge I

86

00:04:33,000 --> 00:04:39,990  
assure that i had many obstacles but

87  
00:04:36,660 --> 00:04:43,560  
finally i created a team with a dream

88  
00:04:39,990 --> 00:04:46,079  
garcia with me miguel and other people

89  
00:04:43,560 --> 00:04:49,259  
and we create this huge event out of

90  
00:04:46,079 --> 00:04:52,669  
nothing because if I tell you you know

91  
00:04:49,259 --> 00:04:57,689  
we pay 65 thousand years to make that

92  
00:04:52,670 --> 00:05:02,520  
with two thousand years could you

93  
00:04:57,689 --> 00:05:08,639  
believe it you know we create reality

94  
00:05:02,519 --> 00:05:11,939  
and all of you can do the same thing you

95  
00:05:08,639 --> 00:05:13,949  
know it seems it seems that is

96  
00:05:11,939 --> 00:05:15,810  
impossible but if you believe in

97  
00:05:13,949 --> 00:05:18,779  
something and if you want to do

98  
00:05:15,810 --> 00:05:22,019  
something and you push you to do it you

99  
00:05:18,779 --> 00:05:24,929  
will achieve it and I'm here to tell you

100  
00:05:22,019 --> 00:05:26,699

that that I achieve that and I achieve

101

00:05:24,930 --> 00:05:30,660

other things and I will achieve new

102

00:05:26,699 --> 00:05:34,769

things I it is not impossible I had many

103

00:05:30,660 --> 00:05:38,370

problems in order to do it but we can so

104

00:05:34,769 --> 00:05:41,039

there were 1400 people there we have a

105

00:05:38,370 --> 00:05:44,340

press conference with more than 70 press

106

00:05:41,040 --> 00:05:46,700

people you know the day before and you

107

00:05:44,339 --> 00:05:50,489

can see the panel of debate and the door

108

00:05:46,699 --> 00:05:56,939

was huge and it's even translated into

109

00:05:50,490 --> 00:05:58,980

Chinese imagine so when a focus group of

110

00:05:56,939 --> 00:06:01,529

people because we were a group of people

111

00:05:58,980 --> 00:06:05,700

it was not only me I just had idea are

112

00:06:01,529 --> 00:06:10,979

focusing on an objective no you are able

113

00:06:05,699 --> 00:06:14,339

to create a miracle the when humans feel

114

00:06:10,980 --> 00:06:16,740

and believe they have to work for

115  
00:06:14,339 --> 00:06:20,939  
something that is gone is going beyond

116  
00:06:16,740 --> 00:06:22,500  
their lives is not about me it's not

117  
00:06:20,939 --> 00:06:27,689  
about the team that we created it's

118  
00:06:22,500 --> 00:06:29,339  
about you all of you the human kind that

119  
00:06:27,689 --> 00:06:31,980  
needs to know that we are not alone are

120  
00:06:29,339 --> 00:06:34,519  
we have never been alone and implication

121  
00:06:31,980 --> 00:06:38,090  
just has this reality for our lives

122  
00:06:34,519 --> 00:06:38,089  
because we are slaves

123  
00:06:38,228 --> 00:06:48,079  
so I started to think about the

124  
00:06:41,000 --> 00:06:50,269  
implications of the EG reality and well

125  
00:06:48,079 --> 00:06:52,490  
we've talked about that already I'm not

126  
00:06:50,269 --> 00:06:54,139  
going to go through that but at a

127  
00:06:52,490 --> 00:06:57,410  
scientific level there are many

128  
00:06:54,139 --> 00:07:00,819  
implications you know how is it possible

129  
00:06:57,410 --> 00:07:03,699  
they could come here you know because

130  
00:07:00,819 --> 00:07:06,409  
according to the Einstein's relativity

131  
00:07:03,699 --> 00:07:11,210  
they couldn't go beyond the speed of

132  
00:07:06,410 --> 00:07:15,710  
light but they are here so what is their

133  
00:07:11,209 --> 00:07:18,680  
signs to make that miracle do they have

134  
00:07:15,709 --> 00:07:20,959  
medicine we have psychology what kind of

135  
00:07:18,680 --> 00:07:24,189  
sciences they have we could revolution

136  
00:07:20,959 --> 00:07:27,589  
eight hours and now we are understanding

137  
00:07:24,189 --> 00:07:29,990  
at the same thing social level robert

138  
00:07:27,589 --> 00:07:33,918  
said do do they pay taxes do you have

139  
00:07:29,990 --> 00:07:37,069  
money could we organize ourselves in a

140  
00:07:33,918 --> 00:07:40,008  
different way because many people say

141  
00:07:37,069 --> 00:07:43,459  
well the system we have this fake

142  
00:07:40,009 --> 00:07:46,160  
democracy is the worst of the best we

143

00:07:43,459 --> 00:07:49,430  
have in the world but maybe not maybe at

144  
00:07:46,160 --> 00:07:53,900  
other system we could live in and to go

145  
00:07:49,430 --> 00:07:56,150  
to work each one day and it's day we are

146  
00:07:53,899 --> 00:07:58,009  
slaves and most of the people are

147  
00:07:56,149 --> 00:08:03,469  
working in what works that they don't

148  
00:07:58,009 --> 00:08:05,538  
like what kind of life is that huh what

149  
00:08:03,470 --> 00:08:08,960  
kind of life is that is not a life we

150  
00:08:05,538 --> 00:08:11,509  
are surviving we're not living and we

151  
00:08:08,959 --> 00:08:14,418  
need to make the changes in our life if

152  
00:08:11,509 --> 00:08:17,439  
you want to change the planet so we need

153  
00:08:14,418 --> 00:08:26,120  
to take responsibility are you agreed

154  
00:08:17,439 --> 00:08:28,848  
yeah so imagine you know I come from a

155  
00:08:26,120 --> 00:08:30,978  
funny family very conservative and a

156  
00:08:28,848 --> 00:08:34,718  
child is talking about saturations how

157  
00:08:30,978 --> 00:08:39,559

do you become crazy one imagine you know

158

00:08:34,719 --> 00:08:41,270

but the truth is more important the

159

00:08:39,559 --> 00:08:43,819

truth is more important but one other

160

00:08:41,269 --> 00:08:46,850

people could think about me you know I

161

00:08:43,820 --> 00:08:50,120

could stand in front of 1,000 people and

162

00:08:46,850 --> 00:08:53,269

I've never done that and I have

163

00:08:50,120 --> 00:08:56,419

I had feared to do that you know but it

164

00:08:53,269 --> 00:08:58,850

doesn't matter you can you have to go

165

00:08:56,419 --> 00:09:02,539

through that and if I did it you can't

166

00:08:58,850 --> 00:09:06,050

eat it we can all did it say paola one

167

00:09:02,539 --> 00:09:07,849

person can do a lot but we are trained

168

00:09:06,049 --> 00:09:11,120

and programmed to think that we cannot

169

00:09:07,850 --> 00:09:19,850

do anything only one person cannot do

170

00:09:11,120 --> 00:09:22,990

anything we can well I'm gonna go go

171

00:09:19,850 --> 00:09:25,850

through that because it is your homework

172  
00:09:22,990 --> 00:09:27,919  
if you don't know if you know you have

173  
00:09:25,850 --> 00:09:29,778  
to do it but to go through all the exams

174  
00:09:27,919 --> 00:09:32,539  
to make sure that what I'm saying is

175  
00:09:29,778 --> 00:09:37,490  
true maybe not you have to find it by

176  
00:09:32,539 --> 00:09:41,990  
yourself so where do we come from

177  
00:09:37,490 --> 00:09:47,028  
because they've cut our past we know who

178  
00:09:41,990 --> 00:09:49,190  
we are yes we come from Egypt Sumeria

179  
00:09:47,028 --> 00:09:51,588  
you know and they came out of the case

180  
00:09:49,190 --> 00:09:55,310  
and they construct huge pyramids aligned

181  
00:09:51,589 --> 00:09:57,380  
with the Stars how is that possible so

182  
00:09:55,309 --> 00:09:59,509  
if we understand our past will be able

183  
00:09:57,379 --> 00:10:01,549  
to understand a word present and if we

184  
00:09:59,509 --> 00:10:04,009  
understand our present we will be able

185  
00:10:01,549 --> 00:10:07,759  
to to line the future a better future

186  
00:10:04,009 --> 00:10:10,610  
and the future we are creating is just a

187  
00:10:07,759 --> 00:10:12,528  
repetitive pattern of the past so we are

188  
00:10:10,610 --> 00:10:14,990  
not creating a new a better future than

189  
00:10:12,528 --> 00:10:18,289  
just projecting the present we have

190  
00:10:14,990 --> 00:10:20,419  
today but if you understand what are we

191  
00:10:18,289 --> 00:10:26,028  
going from the future could be very

192  
00:10:20,419 --> 00:10:29,149  
different we could have different

193  
00:10:26,028 --> 00:10:31,580  
political systems and educational system

194  
00:10:29,149 --> 00:10:36,079  
our children I will ask you one question

195  
00:10:31,580 --> 00:10:40,220  
how many of you look at the world

196  
00:10:36,080 --> 00:10:43,639  
outside I you think that is the ideal

197  
00:10:40,220 --> 00:10:46,820  
world for your children for the new

198  
00:10:43,639 --> 00:10:49,220  
generations do you believe is the ideal

199  
00:10:46,820 --> 00:10:53,540  
world because I don't believe that who

200

00:10:49,220 --> 00:10:56,220  
believes is the ideal world yeah I'm

201  
00:10:53,539 --> 00:11:00,689  
saying that

202  
00:10:56,220 --> 00:11:04,980  
if you look outside and you think that

203  
00:11:00,690 --> 00:11:10,680  
the world we have today is the ideal

204  
00:11:04,980 --> 00:11:16,980  
world for our children no for the next

205  
00:11:10,679 --> 00:11:20,339  
generations no it is not right and what

206  
00:11:16,980 --> 00:11:22,379  
what are we doing about how many of you

207  
00:11:20,340 --> 00:11:25,610  
would like to change the world because

208  
00:11:22,379 --> 00:11:31,980  
I'm the first one please write your hand

209  
00:11:25,610 --> 00:11:34,680  
yeah it's not it's not an alyssa p you

210  
00:11:31,980 --> 00:11:45,830  
know we can do it but we need to believe

211  
00:11:34,679 --> 00:11:48,239  
that so all these years you know I'm

212  
00:11:45,830 --> 00:11:51,480  
delving into the extra-terrestrial issue

213  
00:11:48,240 --> 00:11:56,610  
I'm reading many books and reading many

214  
00:11:51,480 --> 00:11:58,740

articles at the end you say well and now

215

00:11:56,610 --> 00:12:00,870

what what are we going to do okay they

216

00:11:58,740 --> 00:12:04,350

are there there are different types of

217

00:12:00,870 --> 00:12:06,120

SATA ratios with different agendas but

218

00:12:04,350 --> 00:12:10,019

the end they are not going to come to

219

00:12:06,120 --> 00:12:11,549

this planet to save us do you think so

220

00:12:10,019 --> 00:12:14,009

because there are people are thinking

221

00:12:11,549 --> 00:12:17,699

they are coming 2012 and they will save

222

00:12:14,009 --> 00:12:21,090

us it's not going to happen this is not

223

00:12:17,700 --> 00:12:24,870

about them is about us and how they can

224

00:12:21,090 --> 00:12:26,810

change our society through us because if

225

00:12:24,870 --> 00:12:29,399

we start thinking of new possibilities

226

00:12:26,809 --> 00:12:31,949

then we will start creating a new life

227

00:12:29,399 --> 00:12:35,220

and when we go to the to the work of

228

00:12:31,950 --> 00:12:36,980

Monet we say I don't like doing this

229  
00:12:35,220 --> 00:12:40,170  
work maybe I should start thinking

230  
00:12:36,980 --> 00:12:41,580  
another way of living so we start

231  
00:12:40,169 --> 00:12:45,240  
creating in our minds other

232  
00:12:41,580 --> 00:12:48,990  
possibilities because when when you look

233  
00:12:45,240 --> 00:12:50,909  
at the virtual reality you say wow maybe

234  
00:12:48,990 --> 00:12:53,460  
we couldn't be living in a different way

235  
00:12:50,909 --> 00:13:01,019  
and they told me that this is the only

236  
00:12:53,460 --> 00:13:03,000  
reality we could be living no but it is

237  
00:13:01,019 --> 00:13:05,340  
very important to start changing

238  
00:13:03,000 --> 00:13:08,639  
ourselves because if we don't take the

239  
00:13:05,340 --> 00:13:12,269  
responsibility if we don't take

240  
00:13:08,639 --> 00:13:14,250  
empower ourselves to get the power in

241  
00:13:12,269 --> 00:13:17,220  
order to make the changes we won't be

242  
00:13:14,250 --> 00:13:20,370  
able to do it because I'm here to change

243  
00:13:17,220 --> 00:13:24,649  
the world I am NOT here to live a normal

244  
00:13:20,370 --> 00:13:24,649  
life tickets are normal life is boring

245  
00:13:24,919 --> 00:13:38,309  
yeah so we need to take the

246  
00:13:29,759 --> 00:13:42,059  
responsibility and change our Jose the

247  
00:13:38,309 --> 00:13:44,369  
eating habits our habits in relationship

248  
00:13:42,059 --> 00:13:46,979  
with other people we need to change many

249  
00:13:44,370 --> 00:13:48,600  
things we need to create in our lives we

250  
00:13:46,980 --> 00:13:51,269  
don't have to change the world going

251  
00:13:48,600 --> 00:13:54,690  
outside like Gandhi we can do it in our

252  
00:13:51,269 --> 00:13:57,509  
lives in my surroundings I don't have to

253  
00:13:54,690 --> 00:14:00,290  
go you know and travel and I Gandhi move

254  
00:13:57,509 --> 00:14:03,529  
300 million people know maybe we are not

255  
00:14:00,289 --> 00:14:07,620  
able to do that but we are able to do is

256  
00:14:03,529 --> 00:14:10,529  
small changes in our own lives take your

257

00:14:07,620 --> 00:14:15,110  
TV throw away is this is the main

258  
00:14:10,529 --> 00:14:15,110  
channel to program your mind no

259  
00:14:20,889 --> 00:14:26,750  
so remember that the world we have is

260  
00:14:24,409 --> 00:14:30,230  
the world we project with our minds I

261  
00:14:26,750 --> 00:14:32,860  
don't know if you know that but we are

262  
00:14:30,230 --> 00:14:35,180  
responsible for the world we have

263  
00:14:32,860 --> 00:14:37,700  
governments are not the responsible so

264  
00:14:35,179 --> 00:14:39,849  
for the for the word we have we are the

265  
00:14:37,700 --> 00:14:44,240  
responsibles because every day we

266  
00:14:39,850 --> 00:14:47,740  
perpetuate that reality so we can be

267  
00:14:44,240 --> 00:14:51,289  
human spiritual beings perpetuating and

268  
00:14:47,740 --> 00:14:53,840  
slave and society or we can start being

269  
00:14:51,289 --> 00:14:56,929  
human spiritual beings transforming

270  
00:14:53,840 --> 00:14:59,149  
these reality it all depends if we

271  
00:14:56,929 --> 00:15:03,309

become responsible in order to become

272

00:14:59,149 --> 00:15:03,309

responsible we need to become informed

273

00:15:04,179 --> 00:15:14,889

so a hero I don't have time but how many

274

00:15:10,909 --> 00:15:14,889

of you have gone beyond the limits

275

00:15:15,820 --> 00:15:19,910

beyond the limits of social limits you

276

00:15:18,259 --> 00:15:22,789

know it's a low note don't go there you

277

00:15:19,909 --> 00:15:24,919

know you're crazy stay here how many of

278

00:15:22,789 --> 00:15:27,079

you have known be young because if

279

00:15:24,919 --> 00:15:29,599

you're here is that you want to know

280

00:15:27,080 --> 00:15:32,210

something beyond the limits I assure you

281

00:15:29,600 --> 00:15:34,790

that you know if you want to know this

282

00:15:32,210 --> 00:15:38,540

stuff is because you are curious or you

283

00:15:34,789 --> 00:15:41,179

had experiences and if you start that

284

00:15:38,539 --> 00:15:43,969

path you are following an Universal

285

00:15:41,179 --> 00:15:47,329

archetype and that archetype is the

286  
00:15:43,970 --> 00:15:49,670  
helos archetype okay and that archetypes

287  
00:15:47,330 --> 00:15:52,070  
is something is a pattern that is

288  
00:15:49,669 --> 00:15:55,370  
universal and I recommend you the book

289  
00:15:52,070 --> 00:15:58,490  
of Joseph candle Joseph camel limits the

290  
00:15:55,370 --> 00:16:01,759  
mythologies who study many cultures we

291  
00:15:58,490 --> 00:16:04,370  
are all living that archetype if we go

292  
00:16:01,759 --> 00:16:07,370  
beyond the limits because we will return

293  
00:16:04,370 --> 00:16:09,289  
to share what we have learned I'm doing

294  
00:16:07,370 --> 00:16:14,419  
that sharing and explaining what I've

295  
00:16:09,289 --> 00:16:17,899  
learned well we need two leaders to

296  
00:16:14,419 --> 00:16:20,089  
leader to live other people we need to

297  
00:16:17,899 --> 00:16:24,799  
be the change we want to see in the

298  
00:16:20,090 --> 00:16:29,149  
world so we need to make changes in our

299  
00:16:24,799 --> 00:16:30,370  
lives so others can follow us like this

300  
00:16:29,149 --> 00:16:33,980  
small

301  
00:16:30,370 --> 00:16:36,409  
very cute you know they are following

302  
00:16:33,980 --> 00:16:39,980  
the first one people need leaders

303  
00:16:36,409 --> 00:16:43,278  
adjucha be one but you are programmed to

304  
00:16:39,980 --> 00:16:45,110  
think that you cannot be leader and we

305  
00:16:43,278 --> 00:16:49,278  
are in a university and this is great

306  
00:16:45,110 --> 00:16:52,909  
because here we can open the minds of

307  
00:16:49,278 --> 00:16:55,490  
people and the future generations so

308  
00:16:52,909 --> 00:16:57,588  
these people when they go outside to the

309  
00:16:55,490 --> 00:17:07,609  
world to do something they can make a

310  
00:16:57,589 --> 00:17:10,788  
change so the future is in our hands is

311  
00:17:07,609 --> 00:17:15,708  
not in the eighties hugs I think it's

312  
00:17:10,788 --> 00:17:20,240  
very important well thank you very much

313  
00:17:15,709 --> 00:17:24,788  
for this short presentation and what I

314

00:17:20,240 --> 00:17:24,788  
hope to see you another time thank you
