

1  
00:00:10,539 --> 00:00:15,189  
thank you Steve and Thank You Cheryl

2  
00:00:15,609 --> 00:00:20,028  
well I'm obviously looking at the the

3  
00:00:18,260 --> 00:00:22,640  
banner as we all of us enter at the

4  
00:00:20,028 --> 00:00:27,019  
hotel and it's really basically why I'm

5  
00:00:22,640 --> 00:00:30,740  
here as we see it's basically about lies

6  
00:00:27,019 --> 00:00:32,359  
on the ground although I of course will

7  
00:00:30,739 --> 00:00:35,268  
not put it like that and before I

8  
00:00:32,359 --> 00:00:38,808  
actually move an inch here I will make

9  
00:00:35,268 --> 00:00:41,448  
it very clear to you that Nick Pope is a

10  
00:00:38,808 --> 00:00:46,729  
friend will remain a friend as far as I

11  
00:00:41,448 --> 00:00:48,439  
am concerned but I am here to take well

12  
00:00:46,729 --> 00:00:51,229  
certainly to give you a different story

13  
00:00:48,439 --> 00:00:54,589  
through the official explanation of the

14  
00:00:51,229 --> 00:00:58,069  
British government's involvement in crop

15  
00:00:54,590 --> 00:01:00,440  
circle phenomenon it's worth remembering

16  
00:00:58,070 --> 00:01:04,009  
I see Nick out here it's the right he's

17  
00:01:00,439 --> 00:01:05,868  
still smiling so that's a good sign it

18  
00:01:04,009 --> 00:01:08,000  
is worth remembering as I'm sure he has

19  
00:01:05,868 --> 00:01:11,269  
reminded many audience around the world

20  
00:01:08,000 --> 00:01:12,140  
himself that he is sworn to the Official

21  
00:01:11,269 --> 00:01:15,709  
Secrets Act

22  
00:01:12,140 --> 00:01:18,560  
and therefore he is not ever in a

23  
00:01:15,709 --> 00:01:20,688  
position to speak to an audience or to

24  
00:01:18,560 --> 00:01:24,340  
the media or anybody else in an

25  
00:01:20,688 --> 00:01:28,188  
unofficial capacity related to his work

26  
00:01:24,340 --> 00:01:29,868  
his work he is still sworn to the

27  
00:01:28,188 --> 00:01:33,139  
Official Secrets Act so therefore what I

28  
00:01:29,868 --> 00:01:35,750  
am going to postulate here is that the

29

00:01:33,140 --> 00:01:38,269  
bosses that Nick had when he worked at

30  
00:01:35,750 --> 00:01:43,129  
that desk except stereo 2a there in a

31  
00:01:38,269 --> 00:01:45,649  
Whitehall London he still has they are

32  
00:01:43,129 --> 00:01:49,399  
there watching briefing and I don't know

33  
00:01:45,650 --> 00:01:52,399  
Nick's every day and that is for him the

34  
00:01:49,400 --> 00:01:54,409  
reason that I am here is that I know a

35  
00:01:52,399 --> 00:01:58,969  
different story I know it very

36  
00:01:54,409 --> 00:02:03,290  
differently and the article that Nick

37  
00:01:58,969 --> 00:02:06,890  
wrote a couple of years ago now stating

38  
00:02:03,290 --> 00:02:09,709  
the official position now that needs to

39  
00:02:06,890 --> 00:02:11,840  
be heard loud and clear the official

40  
00:02:09,709 --> 00:02:14,870  
position of the British government's

41  
00:02:11,840 --> 00:02:17,959  
Ministry of Defence and its involvement

42  
00:02:14,870 --> 00:02:20,569  
or not the Royal households involvement

43  
00:02:17,959 --> 00:02:21,750

or not or the Prime Minister Margaret

44

00:02:20,568 --> 00:02:25,289  
Thatcher's government

45

00:02:21,750 --> 00:02:27,419  
or not and according to Nick really

46

00:02:25,289 --> 00:02:30,539  
there was basically very little on all

47

00:02:27,419 --> 00:02:33,030  
fronts I'm here to tell you that is not

48

00:02:30,539 --> 00:02:37,560  
the case and I brought with me a

49

00:02:33,030 --> 00:02:39,780  
documentary evidence on it in one

50

00:02:37,560 --> 00:02:42,990  
particular area and I'll pull it out as

51

00:02:39,780 --> 00:02:45,300  
we come through this it

52

00:02:42,990 --> 00:02:47,520  
unfortunately requires me to speak a

53

00:02:45,300 --> 00:02:50,730  
little bit in detail about a couple of

54

00:02:47,520 --> 00:02:52,920  
individuals which is really not the is

55

00:02:50,729 --> 00:02:55,199  
not usually my scene

56

00:02:52,919 --> 00:02:56,939  
it's not anything I've ever done

57

00:02:55,199 --> 00:02:58,079  
everybody's entitled to opinions

58  
00:02:56,939 --> 00:03:01,740  
everybody's entitled to their own

59  
00:02:58,080 --> 00:03:04,290  
research etc etc but when it crosses the

60  
00:03:01,740 --> 00:03:06,570  
line and history is rewritten this is

61  
00:03:04,289 --> 00:03:11,000  
largely this is carefully to Richards

62  
00:03:06,569 --> 00:03:15,120  
presentation before me history is

63  
00:03:11,000 --> 00:03:18,050  
important unfortunately often is the

64  
00:03:15,120 --> 00:03:21,539  
case history is written by the winner

65  
00:03:18,050 --> 00:03:24,540  
you listen and interview the losers and

66  
00:03:21,539 --> 00:03:27,750  
you get the history so that's very often

67  
00:03:24,539 --> 00:03:30,239  
the case and in this case it is

68  
00:03:27,750 --> 00:03:33,689  
different but before we actually move

69  
00:03:30,239 --> 00:03:35,700  
off I want to take just just if I may a

70  
00:03:33,689 --> 00:03:38,009  
couple of more minutes than I did last

71  
00:03:35,699 --> 00:03:40,469  
week I was on a platform with Edgar

72  
00:03:38,009 --> 00:03:44,699  
Mitchell in New York at the Institute of

73  
00:03:40,469 --> 00:03:47,849  
noetic Sciences and wish to draw the

74  
00:03:44,699 --> 00:03:49,859  
audience there and yours too if I may to

75  
00:03:47,849 --> 00:03:58,469  
my good friend Pat Delgado who is

76  
00:03:49,860 --> 00:04:02,420  
gravely ill a good man I'm sorry about

77  
00:03:58,469 --> 00:04:04,889  
that I knew this was going to happen

78  
00:04:02,419 --> 00:04:07,409  
obviously a very good friend we are very

79  
00:04:04,889 --> 00:04:10,708  
good friends Pat was very much longside

80  
00:04:07,409 --> 00:04:15,479  
my side in the early days of this

81  
00:04:10,709 --> 00:04:17,988  
research in the early 80s and as a man

82  
00:04:15,479 --> 00:04:22,800  
who is a Electrotechnical

83  
00:04:17,988 --> 00:04:26,449  
electro-mechanical a design engineer for

84  
00:04:22,800 --> 00:04:29,660  
NASA and the womb are tracking facility

85  
00:04:26,449 --> 00:04:32,819  
when he and I met one another and

86

00:04:29,660 --> 00:04:35,640  
started research there was nobody in the

87  
00:04:32,819 --> 00:04:39,060  
fields when we started the race

88  
00:04:35,639 --> 00:04:43,050  
in 1983 there was nobody but the farmers

89  
00:04:39,060 --> 00:04:45,149  
I was I had a privileged position of a

90  
00:04:43,050 --> 00:04:47,579  
senior official in regional government

91  
00:04:45,149 --> 00:04:49,919  
central southern England as a local

92  
00:04:47,579 --> 00:04:51,839  
authority called test Valley runs down

93  
00:04:49,920 --> 00:04:54,990  
to the English Channel and that with

94  
00:04:51,839 --> 00:04:56,819  
couple of camis either side and most

95  
00:04:54,990 --> 00:05:01,230  
kind of privileged to have access to a

96  
00:04:56,819 --> 00:05:03,599  
number of offices and departments police

97  
00:05:01,230 --> 00:05:07,470  
departments and at times through Nick

98  
00:05:03,600 --> 00:05:09,480  
himself into some other facilities like

99  
00:05:07,470 --> 00:05:11,610  
Boston bang a top-secret air

100  
00:05:09,480 --> 00:05:15,740

establishment in central southern

101

00:05:11,610 --> 00:05:18,030

England where I was inquiring of

102

00:05:15,740 --> 00:05:21,090

information that they may or may not be

103

00:05:18,029 --> 00:05:24,059

gathering well I just wanted to put this

104

00:05:21,089 --> 00:05:27,319

right in front of you that Pat has been

105

00:05:24,060 --> 00:05:30,030

deeply involved right alongside me and

106

00:05:27,319 --> 00:05:32,329

he needs our prayers and our thoughts

107

00:05:30,029 --> 00:05:32,329

today

108

00:05:38,740 --> 00:05:45,439

so from here in I will not be referring

109

00:05:43,029 --> 00:05:48,319

throughout to Nick it's not fair on him

110

00:05:45,439 --> 00:05:53,240

he's doing a job

111

00:05:48,319 --> 00:05:55,579

I am simply now relating the official

112

00:05:53,240 --> 00:05:57,980

information of which he was using to

113

00:05:55,579 --> 00:06:02,990

state the official position

114

00:05:57,980 --> 00:06:06,830

I dropped my glasses so that I can

115  
00:06:02,990 --> 00:06:08,900  
actually see my own screen here so that

116  
00:06:06,829 --> 00:06:10,819  
basically is where I've come from just

117  
00:06:08,899 --> 00:06:14,359  
to kind of see the stamp that it isn't a

118  
00:06:10,819 --> 00:06:18,379  
casual this lost me my job and my

119  
00:06:14,360 --> 00:06:20,960  
marriage and my country so believe me I

120  
00:06:18,379 --> 00:06:23,949  
have paid a reasonable price to be in

121  
00:06:20,959 --> 00:06:23,949  
front of you today

122  
00:06:29,839 --> 00:06:33,589  
thank you I didn't say it for that

123  
00:06:32,060 --> 00:06:35,689  
reason at all I just simply wanted you

124  
00:06:33,589 --> 00:06:38,689  
to see there's been a lot connect to it

125  
00:06:35,689 --> 00:06:41,449  
4,000 Plus circles are 5 and 250

126  
00:06:38,689 --> 00:06:44,060  
individual designs 50 countries a

127  
00:06:41,449 --> 00:06:47,060  
thousand hours of video at least but

128  
00:06:44,060 --> 00:06:48,620  
Plus isn't very under than here 40

129  
00:06:47,060 --> 00:06:51,949  
thousand old photographs and ten

130  
00:06:48,620 --> 00:06:55,939  
thousand of documents plus so that's the

131  
00:06:51,949 --> 00:06:57,829  
background well as we all know the crop

132  
00:06:55,939 --> 00:06:59,810  
circles evolved from those early days

133  
00:06:57,829 --> 00:07:02,990  
when they literally were I invented the

134  
00:06:59,810 --> 00:07:05,720  
term crop circle it is I am at least I

135  
00:07:02,990 --> 00:07:07,579  
got something under my hat for it crop

136  
00:07:05,720 --> 00:07:10,250  
circles every time I hear it never sight

137  
00:07:07,579 --> 00:07:12,859  
my god they came out of my mouth but

138  
00:07:10,250 --> 00:07:14,870  
they were crop circles simple circles

139  
00:07:12,860 --> 00:07:19,550  
and now of course their geometries and

140  
00:07:14,870 --> 00:07:21,530  
the term doesn't do them justice that's

141  
00:07:19,550 --> 00:07:23,930  
I don't just use real name one more time

142  
00:07:21,529 --> 00:07:29,329  
Nick that is the opening that's the

143

00:07:23,930 --> 00:07:31,160  
front page of his next report article

144  
00:07:29,329 --> 00:07:34,459  
stroke report I mean it's both things

145  
00:07:31,160 --> 00:07:36,350  
that can be seen on his website and and

146  
00:07:34,459 --> 00:07:38,180  
on my own with with with Nick's

147  
00:07:36,350 --> 00:07:40,700  
permission now what I'm going to be

148  
00:07:38,180 --> 00:07:43,340  
doing is for this this presentation

149  
00:07:40,699 --> 00:07:46,039  
comes in two halves it's a much of

150  
00:07:43,339 --> 00:07:48,739  
lighter second half and I'll be pleased

151  
00:07:46,040 --> 00:07:50,479  
to get there too it's a much and it's

152  
00:07:48,740 --> 00:07:53,090  
what I think this is all about

153  
00:07:50,478 --> 00:07:54,860  
in fact I'm convinced it's what it's all

154  
00:07:53,089 --> 00:07:57,079  
about but I'm not here to try and

155  
00:07:54,860 --> 00:07:59,410  
convince you of anything I'm simply here

156  
00:07:57,079 --> 00:08:02,389  
volunteering to share my information

157  
00:07:59,410 --> 00:08:04,310

that's the only reason that I'm here so

158

00:08:02,389 --> 00:08:06,289

what I'm going to do is I put a yellow

159

00:08:04,310 --> 00:08:08,449

box around I hope this is all very clear

160

00:08:06,290 --> 00:08:10,939

on the screen if you kind of come back

161

00:08:08,449 --> 00:08:13,039

that's it to to the material there

162

00:08:10,939 --> 00:08:17,149

you'll see a yellow box around it what

163

00:08:13,040 --> 00:08:18,770

we'll do is I'll go to the the boxes

164

00:08:17,149 --> 00:08:20,599

like this because it rather than take

165

00:08:18,769 --> 00:08:22,490

the whole report I'm going to pick out

166

00:08:20,600 --> 00:08:24,919

the pieces that are really quite

167

00:08:22,490 --> 00:08:26,990

important like that so this is the

168

00:08:24,918 --> 00:08:28,609

opening and I'll read it with you in

169

00:08:26,990 --> 00:08:33,250

case there is any difficulty anywhere

170

00:08:28,610 --> 00:08:36,320

here this is how it begins this world

171

00:08:33,250 --> 00:08:38,208

world exclusive RF ball will deal this

172  
00:08:36,320 --> 00:08:41,060  
is not mine as Nick's will deal with

173  
00:08:38,208 --> 00:08:43,519  
only one aspect of the mystery namely

174  
00:08:41,059 --> 00:08:46,149  
official involvement

175  
00:08:43,519 --> 00:08:48,679  
in the phenomena several allegations

176  
00:08:46,149 --> 00:08:50,480  
have been made concerning interest

177  
00:08:48,679 --> 00:08:53,569  
although part of the Ministry of Defense

178  
00:08:50,480 --> 00:08:55,700  
and the military but it is there but is

179  
00:08:53,570 --> 00:08:57,260  
there any truth to such claims have the

180  
00:08:55,700 --> 00:08:59,870  
government being involved is there any

181  
00:08:57,259 --> 00:09:03,110  
official interest this article sets the

182  
00:08:59,870 --> 00:09:05,570  
record straight and lifts the lid on one

183  
00:09:03,110 --> 00:09:10,100  
of the Ministry of Defense's mo be most

184  
00:09:05,570 --> 00:09:12,200  
bizarre x-files he goes on and I've just

185  
00:09:10,100 --> 00:09:15,680  
pulled this the report goes on had just

186  
00:09:12,200 --> 00:09:18,649  
pulled this aside and I agree as far as

187  
00:09:15,679 --> 00:09:20,838  
I know this is where it began the first

188  
00:09:18,649 --> 00:09:23,690  
mo D that will always mean Ministry of

189  
00:09:20,839 --> 00:09:26,420  
Defense involvement was in 1985

190  
00:09:23,690 --> 00:09:29,089  
lieutenant colonel HTM investigated a

191  
00:09:26,419 --> 00:09:31,699  
set of circles well I wasn't far away

192  
00:09:29,089 --> 00:09:34,190  
either nor was the team that I was

193  
00:09:31,700 --> 00:09:36,770  
working with his report was his report

194  
00:09:34,190 --> 00:09:38,470  
was sent to Secretariat air staff who

195  
00:09:36,769 --> 00:09:40,519  
delivered more than acknowledged it

196  
00:09:38,470 --> 00:09:42,379  
because it was sent to the UFO

197  
00:09:40,519 --> 00:09:44,269  
department it was taken by some

198  
00:09:42,379 --> 00:09:45,588  
researchers and that will in meeting

199  
00:09:44,269 --> 00:09:51,559  
because we were the only ones there

200

00:09:45,589 --> 00:09:53,810  
myself doctor meeting Pappagallo

201  
00:09:51,559 --> 00:09:55,458  
and bus detailer some researchers to me

202  
00:09:53,809 --> 00:09:58,909  
military were interested in the

203  
00:09:55,458 --> 00:10:01,819  
phenomena per se this confirmed in some

204  
00:09:58,909 --> 00:10:05,299  
researchers Minds a link between the two

205  
00:10:01,820 --> 00:10:07,490  
phenomena UFO crop circles when in fact

206  
00:10:05,299 --> 00:10:10,278  
there were many conflicting theories

207  
00:10:07,490 --> 00:10:12,320  
about crop circles well just casually

208  
00:10:10,278 --> 00:10:14,299  
say look this way past this specific

209  
00:10:12,320 --> 00:10:17,209  
paragraph is really there were only

210  
00:10:14,299 --> 00:10:19,370  
three theories at that time it is true

211  
00:10:17,208 --> 00:10:21,259  
that developed into many and there are

212  
00:10:19,370 --> 00:10:24,709  
many more now than there ever were in

213  
00:10:21,259 --> 00:10:28,578  
those days we were really looking at a

214  
00:10:24,708 --> 00:10:32,500

natural meteorological vortices of some

215

00:10:28,578 --> 00:10:35,149

sort of Mother Earth the earth itself or

216

00:10:32,500 --> 00:10:37,220

extraterrestrial those were the kind of

217

00:10:35,149 --> 00:10:39,620

three niches that the researchers

218

00:10:37,220 --> 00:10:41,420

themselves cast out there and in the

219

00:10:39,620 --> 00:10:43,549

early television programs of which you

220

00:10:41,419 --> 00:10:45,469

would have may have seen many that's the

221

00:10:43,549 --> 00:10:49,039

kind of place where this debate began

222

00:10:45,470 --> 00:10:52,019

and these are the photographs this is

223

00:10:49,039 --> 00:10:54,028

just a few of the photographs

224

00:10:52,019 --> 00:10:56,249

photographs seventh most of which you

225

00:10:54,028 --> 00:10:58,379

will have not seen before this was

226

00:10:56,249 --> 00:11:00,178

discovered but not known when it arrived

227

00:10:58,379 --> 00:11:02,550

remember this is a set of five circles

228

00:11:00,178 --> 00:11:04,828

forming a cross at a place the size of

229

00:11:02,549 --> 00:11:07,588  
my tang that the current wage firm

230

00:11:04,828 --> 00:11:09,568  
investigated discovered 31st of July not

231

00:11:07,589 --> 00:11:10,949  
known when you actually appeared that's

232

00:11:09,568 --> 00:11:14,669  
worth remembering because we're going to

233

00:11:10,948 --> 00:11:16,558  
see some stuff here photograph taken by

234

00:11:14,669 --> 00:11:19,979  
the Ministry of Defense Army Air Corps

235

00:11:16,558 --> 00:11:23,999  
Midland wall up Hampshire England just

236

00:11:19,980 --> 00:11:26,970  
over the hill within two miles twenty

237

00:11:23,999 --> 00:11:31,339  
five days before with an official

238

00:11:26,970 --> 00:11:34,489  
Hampshire police investigation who

239

00:11:31,339 --> 00:11:38,129  
themselves in the normal procedure

240

00:11:34,489 --> 00:11:40,319  
uploaded completed and uploaded a UFO

241

00:11:38,129 --> 00:11:41,819  
report to the Ministry of Defence this

242

00:11:40,318 --> 00:11:45,539  
is not referred to in any of the

243  
00:11:41,818 --> 00:11:47,548  
literature was this wonderful elderly

244  
00:11:45,539 --> 00:11:50,248  
senior citizen couple who I interviewed

245  
00:11:47,548 --> 00:11:52,379  
many times I was the major civil

246  
00:11:50,249 --> 00:11:54,989  
emergency communications officer for

247  
00:11:52,379 --> 00:11:59,278  
central southern cactus Valley Regional

248  
00:11:54,989 --> 00:12:02,309  
Government at this time and I lived my

249  
00:11:59,278 --> 00:12:04,860  
life surrounded by radio frequencies of

250  
00:12:02,308 --> 00:12:07,259  
one quart kind of or another because the

251  
00:12:04,860 --> 00:12:09,659  
function was to be prepared central

252  
00:12:07,259 --> 00:12:11,909  
regional government responds to at the

253  
00:12:09,659 --> 00:12:16,198  
time a conflict between the east and

254  
00:12:11,909 --> 00:12:18,240  
west and therefore I heard from Bravo

255  
00:12:16,198 --> 00:12:21,028  
alpha police control in Winchester

256  
00:12:18,240 --> 00:12:22,678  
Hampshire I just happened to it's the

257

00:12:21,028 --> 00:12:23,759  
way my life seems to be just in the

258  
00:12:22,678 --> 00:12:26,778  
right place at the right time

259  
00:12:23,759 --> 00:12:29,399  
I'm listening to the police control

260  
00:12:26,778 --> 00:12:31,438  
calling two vehicles from two

261  
00:12:29,399 --> 00:12:35,249  
neighboring towns to make their way to

262  
00:12:31,438 --> 00:12:38,399  
this location where a 999 9-1-1 in this

263  
00:12:35,249 --> 00:12:40,769  
country a report from these very fluster

264  
00:12:38,399 --> 00:12:42,720  
and very upset people as they traveled

265  
00:12:40,769 --> 00:12:45,028  
along this minor highway behind them mr.

266  
00:12:42,720 --> 00:12:47,999  
and Mrs. Jack Collins they've seen this

267  
00:12:45,028 --> 00:12:50,999  
enormous Ferris wheel stood on its end

268  
00:12:47,999 --> 00:12:54,928  
just like a circus Ferris will students

269  
00:12:50,999 --> 00:12:57,540  
end perfectly stationary well what's

270  
00:12:54,928 --> 00:13:00,990  
that got to do with crop service it may

271  
00:12:57,539 --> 00:13:02,939

not have nothing it may have nothing

272

00:13:00,990 --> 00:13:08,039

but it's in the equation at this point

273

00:13:02,940 --> 00:13:11,089

because you'll see over to your the top

274

00:13:08,039 --> 00:13:13,740

left 31st utilized of crop circles that

275

00:13:11,089 --> 00:13:17,000

correlates from investigated it should

276

00:13:13,740 --> 00:13:21,269

be on the screen here now thank you

277

00:13:17,000 --> 00:13:24,419

you'll see that up over up over here is

278

00:13:21,269 --> 00:13:26,909

the mo D investigation by Colonel

279

00:13:24,419 --> 00:13:30,360

Eckstrom over the hill by less than two

280

00:13:26,909 --> 00:13:33,958

miles 6th of July was the ferris wheel

281

00:13:30,360 --> 00:13:36,149

and down to the right 6th of July same

282

00:13:33,958 --> 00:13:38,879

day and it may well be that all three

283

00:13:36,149 --> 00:13:41,639

remember we don't know when that 31st of

284

00:13:38,879 --> 00:13:43,980

July discovery actually appeared it was

285

00:13:41,639 --> 00:13:46,439

in a very remote place the others were

286  
00:13:43,980 --> 00:13:49,560  
less remote and they were seen same day

287  
00:13:46,440 --> 00:13:52,820  
so we've got the 6th of July UFO reports

288  
00:13:49,559 --> 00:13:57,569  
6th of July down near Winchester and the

289  
00:13:52,820 --> 00:14:00,089  
identical same design in the field I'm

290  
00:13:57,570 --> 00:14:04,140  
not suggesting for a moment that this is

291  
00:14:00,089 --> 00:14:06,810  
elements that UFOs calls crop circles by

292  
00:14:04,139 --> 00:14:09,360  
the end of this presentation I will be

293  
00:14:06,809 --> 00:14:12,239  
strongly suggesting that we take all of

294  
00:14:09,360 --> 00:14:14,909  
the barriers down all of the fence is

295  
00:14:12,240 --> 00:14:18,028  
separating these range of paranormal

296  
00:14:14,909 --> 00:14:22,620  
kind subjects and link them into the

297  
00:14:18,028 --> 00:14:24,600  
study of human consciousness that's

298  
00:14:22,620 --> 00:14:26,940  
where this is my own convinced of it

299  
00:14:24,600 --> 00:14:29,759  
personally and I'll bring you along with

300  
00:14:26,940 --> 00:14:32,520  
some more information to come so that's

301  
00:14:29,759 --> 00:14:37,049  
what happened with regard to V only the

302  
00:14:32,519 --> 00:14:38,850  
first official investigation now this

303  
00:14:37,049 --> 00:14:40,769  
look a little bit more closely at the

304  
00:14:38,850 --> 00:14:43,139  
report that was entered that is

305  
00:14:40,769 --> 00:14:46,350  
submitted by the Army Airport middle

306  
00:14:43,139 --> 00:14:48,659  
wallet under this apron alleged them to

307  
00:14:46,350 --> 00:14:50,730  
the Ministry of Defense in actually in

308  
00:14:48,659 --> 00:14:55,019  
in the department that Nick eventually

309  
00:14:50,730 --> 00:14:58,709  
finished up of course in charge of their

310  
00:14:55,019 --> 00:15:00,559  
look a little bit more closely you

311  
00:14:58,708 --> 00:15:03,000  
haven't seen that refer to any of the

312  
00:15:00,559 --> 00:15:05,909  
releases from the British government in

313  
00:15:03,000 --> 00:15:09,509  
the recent months that term this is only

314

00:15:05,909 --> 00:15:11,240  
the third word in the first official

315  
00:15:09,509 --> 00:15:15,428  
document and we've only just started

316  
00:15:11,240 --> 00:15:18,049  
we see the word you have a question

317  
00:15:15,428 --> 00:15:20,448  
that's not being referred to it wasn't

318  
00:15:18,049 --> 00:15:22,998  
in the report it wasn't in the releases

319  
00:15:20,448 --> 00:15:25,008  
that came out neither was any reference

320  
00:15:22,999 --> 00:15:28,220  
to the police report and investigation

321  
00:15:25,009 --> 00:15:31,009  
into circumstances surrounding these

322  
00:15:28,220 --> 00:15:33,110  
sets of circles that appeared in 85

323  
00:15:31,009 --> 00:15:35,720  
so Heath this is the colonel himself

324  
00:15:33,110 --> 00:15:38,808  
saying UFO question mark

325  
00:15:35,720 --> 00:15:40,970  
could it be well it's there in the

326  
00:15:38,808 --> 00:15:43,639  
aircraft at the time not referred to in

327  
00:15:40,970 --> 00:15:46,119  
any official literature was the aircraft

328  
00:15:43,639 --> 00:15:49,579

accident investigation officer himself

329

00:15:46,119 --> 00:15:52,910

major djaro of really and all of them

330

00:15:49,578 --> 00:15:54,708

let me just take a step at a time in the

331

00:15:52,909 --> 00:15:59,719

blue there middle of the screen there

332

00:15:54,708 --> 00:16:01,308

was absolutely no tracks in the fleet he

333

00:15:59,720 --> 00:16:02,839

goes on we can cut through you just to

334

00:16:01,308 --> 00:16:06,110

see all of this on the website by the

335

00:16:02,839 --> 00:16:08,089

way Colin Andrews dotnet however there

336

00:16:06,110 --> 00:16:09,709

was no way of moving from one to the

337

00:16:08,089 --> 00:16:11,720

other he's there say here from one

338

00:16:09,708 --> 00:16:14,448

circle to the other without leaving

339

00:16:11,720 --> 00:16:16,639

tracks in the wheat except by going some

340

00:16:14,448 --> 00:16:19,458

200 yards to the edge of the field and

341

00:16:16,639 --> 00:16:23,389

then back down another main Ferro mini

342

00:16:19,458 --> 00:16:27,039

tractor tire mark one of the smaller

343

00:16:23,389 --> 00:16:31,339  
holes many circles was completely

344

00:16:27,039 --> 00:16:33,919  
isolated and ending this they all sign

345

00:16:31,339 --> 00:16:38,629  
on to this signed by though edge them

346

00:16:33,919 --> 00:16:43,399  
none of us could offer any reasonable

347

00:16:38,629 --> 00:16:45,139  
explanation and so my question before we

348

00:16:43,399 --> 00:16:47,869  
move on to the next the next part of

349

00:16:45,139 --> 00:16:50,149  
this is that the fact that there was no

350

00:16:47,869 --> 00:16:52,089  
reasonable explanation the Minister of

351

00:16:50,149 --> 00:16:54,948  
Defense had the documents from their own

352

00:16:52,089 --> 00:16:57,019  
department here at middle wallet and the

353

00:16:54,948 --> 00:16:59,328  
police report saying that this happened

354

00:16:57,019 --> 00:17:04,250  
over the hill why was there not an

355

00:16:59,328 --> 00:17:05,720  
official investigation into the UFO this

356

00:17:04,250 --> 00:17:07,419  
word by the way I'm going to say it

357

00:17:05,720 --> 00:17:13,338

let's just have it all out because

358

00:17:07,419 --> 00:17:15,319

history is important I'm not going too

359

00:17:13,338 --> 00:17:17,148

far but this is much more to the story I

360

00:17:15,318 --> 00:17:19,970

have been personally encouraged by a

361

00:17:17,148 --> 00:17:22,428

number of government departments this

362

00:17:19,970 --> 00:17:22,850

side the water and the other side of

363

00:17:22,429 --> 00:17:26,000

water

364

00:17:22,849 --> 00:17:29,149

to remove my vocabulary you'll see more

365

00:17:26,000 --> 00:17:31,910

of this in a moment the word UFO when we

366

00:17:29,150 --> 00:17:35,780

are talking about crop circles it's like

367

00:17:31,910 --> 00:17:39,169

somebody somewhere is determined to

368

00:17:35,779 --> 00:17:41,450

remove separate the to separate them

369

00:17:39,169 --> 00:17:45,020

there's something much more nervous in

370

00:17:41,450 --> 00:17:47,620

the under field the low-lying invisible

371

00:17:45,019 --> 00:17:49,819  
field of government related to the UFO

372  
00:17:47,619 --> 00:17:51,798  
then there are appears to be in the crop

373  
00:17:49,819 --> 00:17:54,740  
service I think the crop circles have

374  
00:17:51,798 --> 00:17:58,129  
basically unless we can reconstitute our

375  
00:17:54,740 --> 00:18:01,960  
research have is seriously damaged and

376  
00:17:58,130 --> 00:18:01,960  
will we'll get there in a moment

377  
00:18:03,279 --> 00:18:10,269  
it's like humans tend to do we kind of

378  
00:18:06,500 --> 00:18:10,269  
shoot ourselves in the foot an awful lot

379  
00:18:11,409 --> 00:18:18,100  
okay there are four official questions

380  
00:18:15,529 --> 00:18:21,139  
this is the report the official report

381  
00:18:18,099 --> 00:18:23,719  
released in Parliament and answers were

382  
00:18:21,140 --> 00:18:25,850  
given yes they were recorded enhancer at

383  
00:18:23,720 --> 00:18:28,220  
the official British government record

384  
00:18:25,849 --> 00:18:30,649  
of questions and answers raised in the

385  
00:18:28,220 --> 00:18:32,000

houses of parliament let's read this

386

00:18:30,650 --> 00:18:33,919  
together I'll read this for you

387

00:18:32,000 --> 00:18:36,529  
questions in power of the Parliament

388

00:18:33,919 --> 00:18:37,870  
11th of July 1989 mr. Teddy Taylor

389

00:18:36,529 --> 00:18:40,220  
that's a member of parliament

390

00:18:37,869 --> 00:18:42,889  
representing his his people in his

391

00:18:40,220 --> 00:18:44,900  
community to ask the Minister of

392

00:18:42,890 --> 00:18:46,538  
Agriculture and Fisheries and food this

393

00:18:44,900 --> 00:18:51,440  
is a department in British government

394

00:18:46,538 --> 00:18:53,900  
Henry reports has he has received on

395

00:18:51,440 --> 00:18:56,330  
patron of the flattening of circular

396

00:18:53,900 --> 00:18:59,030  
areas in cereal fields in southwest and

397

00:18:56,329 --> 00:19:01,519  
other areas of England respectively and

398

00:18:59,029 --> 00:19:04,519  
if he will make a statement

399

00:19:01,519 --> 00:19:06,109  
this is often at all by the way I please

400  
00:19:04,519 --> 00:19:09,408  
I stand to be corrected we do have a

401  
00:19:06,109 --> 00:19:11,779  
question time here this is a tool for

402  
00:19:09,409 --> 00:19:14,240  
the often for the government to place on

403  
00:19:11,779 --> 00:19:16,129  
the record something it wishes just

404  
00:19:14,240 --> 00:19:18,769  
placed on the record and this is how

405  
00:19:16,130 --> 00:19:21,049  
it's done and this is know this is mr.

406  
00:19:18,769 --> 00:19:23,629  
Ryder coming back now for the department

407  
00:19:21,048 --> 00:19:25,158  
the flattening of circular areas though

408  
00:19:23,630 --> 00:19:27,770  
so this is a bit that goes in the record

409  
00:19:25,159 --> 00:19:30,020  
in cereal fields is a phenomenon known

410  
00:19:27,769 --> 00:19:33,259  
to occur from time to time it is

411  
00:19:30,019 --> 00:19:36,539  
confined to winter cereal crops not true

412  
00:19:33,259 --> 00:19:40,140  
and is more relevant in dry seasons

413  
00:19:36,539 --> 00:19:42,000  
not true but we have no arrangements for

414  
00:19:40,140 --> 00:19:44,490  
recording such occurrences and therefore

415  
00:19:42,000 --> 00:19:49,289  
cannot comment on their frequency not

416  
00:19:44,490 --> 00:19:50,609  
true cereal hence misses the cereal

417  
00:19:49,289 --> 00:19:53,009  
fields have come back to Parliament

418  
00:19:50,609 --> 00:19:56,219  
again this is the official British

419  
00:19:53,009 --> 00:19:59,190  
record of those questions 11th of July

420  
00:19:56,220 --> 00:20:01,559  
89 the same Member of Parliament mr.

421  
00:19:59,190 --> 00:20:04,230  
Teddy Tabor to ask the Secretary of

422  
00:20:01,559 --> 00:20:07,109  
State for Defence what progress has been

423  
00:20:04,230 --> 00:20:09,559  
made in the inquiries initiated by the

424  
00:20:07,109 --> 00:20:11,579  
army helicopters based in the southwest

425  
00:20:09,559 --> 00:20:14,429  
investigating the origin of flattened

426  
00:20:11,579 --> 00:20:17,519  
cereal areas of wheat and if he will

427  
00:20:14,430 --> 00:20:21,090  
make a statement we need something on

428

00:20:17,519 --> 00:20:24,950  
the record and so the Ministry of

429  
00:20:21,089 --> 00:20:27,750  
Defence comes back is not conducting any

430  
00:20:24,950 --> 00:20:29,819  
inquiries into the origins of flattened

431  
00:20:27,750 --> 00:20:32,519  
circular areas of crops

432  
00:20:29,819 --> 00:20:35,129  
however we are satisfied that they are

433  
00:20:32,519 --> 00:20:40,799  
not caused by service helicopter

434  
00:20:35,130 --> 00:20:43,350  
activity that I believe is true well

435  
00:20:40,799 --> 00:20:47,220  
this might be what they never ever

436  
00:20:43,349 --> 00:20:48,959  
wanted you to see and I and I I hope I

437  
00:20:47,220 --> 00:20:52,110  
don't take risks and putting it out here

438  
00:20:48,960 --> 00:20:54,299  
I was the civilian who was working with

439  
00:20:52,109 --> 00:20:56,669  
these people that have been denied in

440  
00:20:54,299 --> 00:20:59,460  
Britain in British Parliament you'll see

441  
00:20:56,670 --> 00:21:01,800  
the top there this is I have series many

442  
00:20:59,460 --> 00:21:04,519

photographs that complement these I'm

443

00:21:01,799 --> 00:21:07,799

just showing you representative per site

444

00:21:04,519 --> 00:21:08,549

so you have along the top there taken by

445

00:21:07,799 --> 00:21:11,730

the British Army

446

00:21:08,549 --> 00:21:15,180

there are army helicopters at the bottom

447

00:21:11,730 --> 00:21:17,220

I spent most of one day in the

448

00:21:15,180 --> 00:21:19,890

top-secret air establishment of Boston

449

00:21:17,220 --> 00:21:22,460

bang going through with there of course

450

00:21:19,890 --> 00:21:24,960

I was never let it have their sight but

451

00:21:22,460 --> 00:21:27,299

going through the official negatives

452

00:21:24,960 --> 00:21:28,980

this is not these are not people that

453

00:21:27,299 --> 00:21:30,779

are just cash and filling out and

454

00:21:28,980 --> 00:21:33,690

snapping their own photographs of

455

00:21:30,779 --> 00:21:35,789

interest as you and I would do as I'm

456

00:21:33,690 --> 00:21:39,420

sure we do when we're flying from one

457  
00:21:35,789 --> 00:21:41,549  
city to another so this is taken by this

458  
00:21:39,420 --> 00:21:43,590  
is the current name it was not what was

459  
00:21:41,549 --> 00:21:46,440  
there when I was there the aeroplane and

460  
00:21:43,589 --> 00:21:48,859  
Ireland experimental establishment a and

461  
00:21:46,440 --> 00:21:51,769  
a EE at Boscombe down

462  
00:21:48,859 --> 00:21:53,719  
in southern England this happened to be

463  
00:21:51,769 --> 00:21:56,839  
at the bottom the design that many

464  
00:21:53,720 --> 00:22:00,529  
started to do got to know as mother as

465  
00:21:56,839 --> 00:22:02,990  
crying as mother earth is this was a

466  
00:22:00,529 --> 00:22:05,839  
pattern that the Native Americans in

467  
00:22:02,990 --> 00:22:08,480  
particular reacted very strongly to I

468  
00:22:05,839 --> 00:22:11,149  
had people friends of mine and family

469  
00:22:08,480 --> 00:22:13,549  
who were presenting the documentation of

470  
00:22:11,150 --> 00:22:15,440  
the aerial photography to native people

471  
00:22:13,549 --> 00:22:15,980  
around the world trying to get their

472  
00:22:15,440 --> 00:22:18,080  
feedback

473  
00:22:15,980 --> 00:22:20,390  
I think this is what a lot of this is

474  
00:22:18,079 --> 00:22:22,939  
all about man-made or not let's get

475  
00:22:20,390 --> 00:22:25,280  
there further down the road this

476  
00:22:22,940 --> 00:22:31,309  
particular design meant a lot for a lot

477  
00:22:25,279 --> 00:22:34,220  
of native people and the the mo D and

478  
00:22:31,309 --> 00:22:37,099  
services associated were taking

479  
00:22:34,220 --> 00:22:41,990  
photographs of them here it is a game

480  
00:22:37,099 --> 00:22:44,240  
top left the the photo have also the top

481  
00:22:41,990 --> 00:22:46,160  
right there's stories to all of these

482  
00:22:44,240 --> 00:22:48,380  
and we don't have time to get there I

483  
00:22:46,160 --> 00:22:49,880  
have to say because I am sure there's

484  
00:22:48,380 --> 00:22:52,310  
going to be some comeback on some of

485

00:22:49,880 --> 00:22:54,650  
this I have to make sure that you know

486  
00:22:52,309 --> 00:22:57,740  
that the overlay on that right-hand side

487  
00:22:54,650 --> 00:23:00,650  
photograph is my research insertion

488  
00:22:57,740 --> 00:23:03,049  
that's what I've looked at closely and

489  
00:23:00,650 --> 00:23:05,509  
have marked it up in an appropriate

490  
00:23:03,049 --> 00:23:08,210  
manner for internal research in other

491  
00:23:05,509 --> 00:23:09,980  
words that was not on those that were

492  
00:23:08,210 --> 00:23:15,590  
surrounded in blue was not on the

493  
00:23:09,980 --> 00:23:17,509  
official photograph well I got lots to

494  
00:23:15,589 --> 00:23:19,669  
raise and there's more than I can say

495  
00:23:17,509 --> 00:23:21,740  
again in the time available here with a

496  
00:23:19,670 --> 00:23:24,320  
lot to get through but I do have some

497  
00:23:21,740 --> 00:23:26,839  
things to say the top left-hand

498  
00:23:24,319 --> 00:23:29,029  
photograph is just one taken we have

499  
00:23:26,839 --> 00:23:30,919

movie - I was with a group of

500

00:23:29,029 --> 00:23:35,269

researchers at Alton barns Wiltshire

501

00:23:30,920 --> 00:23:38,539

England in the mid-90s when two army

502

00:23:35,269 --> 00:23:40,609

gazelle helicopters approached us as we

503

00:23:38,539 --> 00:23:43,039

were looking at these particular crop

504

00:23:40,609 --> 00:23:44,869

markings and during the whole sequence

505

00:23:43,039 --> 00:23:47,210

of what appeared to be I'll never prove

506

00:23:44,869 --> 00:23:50,089

anything but what appeared to be the

507

00:23:47,210 --> 00:23:51,440

helicopters wishing us to move away they

508

00:23:50,089 --> 00:23:52,849

were coming down you know some of you

509

00:23:51,440 --> 00:23:55,160

will have seen this on television it's

510

00:23:52,849 --> 00:23:57,740

been on sightings and a number of

511

00:23:55,160 --> 00:23:58,400

television programs filmed in my

512

00:23:57,740 --> 00:23:59,930

presence

513

00:23:58,400 --> 00:24:02,450

where

514  
00:23:59,930 --> 00:24:05,840  
the helicopters come within feet of our

515  
00:24:02,450 --> 00:24:08,360  
heads and the hedgerow the hedges nearby

516  
00:24:05,839 --> 00:24:10,369  
bird coming bouncing down and hitting

517  
00:24:08,359 --> 00:24:11,750  
the vehicle that we were stood alongside

518  
00:24:10,369 --> 00:24:13,759  
they were that close

519  
00:24:11,750 --> 00:24:15,230  
and the intention seemed to be very

520  
00:24:13,759 --> 00:24:18,470  
clearly it was either extraordinarily

521  
00:24:15,230 --> 00:24:21,019  
dangerous flying in a public area or

522  
00:24:18,470 --> 00:24:23,240  
they wanted us over there well a second

523  
00:24:21,019 --> 00:24:25,220  
helicopter came in as the first one

524  
00:24:23,240 --> 00:24:28,519  
backed away moved to the back of this

525  
00:24:25,220 --> 00:24:31,220  
field that you can see and there is an

526  
00:24:28,519 --> 00:24:34,039  
orb one of these orbs that keeps coming

527  
00:24:31,220 --> 00:24:36,650  
up these small UFOs whatever they are

528

00:24:34,039 --> 00:24:39,139

and this orb is in front of the

529

00:24:36,650 --> 00:24:41,330

helicopter that it's I would imagine by

530

00:24:39,140 --> 00:24:44,300

looking at all sequences of footage of

531

00:24:41,329 --> 00:24:47,240

many times it seems like one of the

532

00:24:44,299 --> 00:24:49,220

pilots is saying to the other guy yet he

533

00:24:47,240 --> 00:24:50,900

yet come right come right come right you

534

00:24:49,220 --> 00:24:54,370

there you're there right you of it we're

535

00:24:50,900 --> 00:24:58,100

seeing this in filming it so from about

536

00:24:54,369 --> 00:25:01,429

probably 800 about 800 yards like the

537

00:24:58,099 --> 00:25:03,109

thing and then in one frame of that film

538

00:25:01,430 --> 00:25:08,600

of which again can be seen on the

539

00:25:03,109 --> 00:25:10,699

internet the or is gone and is now

540

00:25:08,599 --> 00:25:12,619

behind the helicopter and the pilot

541

00:25:10,700 --> 00:25:15,230

doesn't really know whether he's going

542

00:25:12,619 --> 00:25:17,599  
to back up over it he's being told it's

543  
00:25:15,230 --> 00:25:20,750  
behind him very obviously by the manner

544  
00:25:17,599 --> 00:25:23,389  
in which he's moving that aircraft or to

545  
00:25:20,750 --> 00:25:25,509  
swivel his aircraft and and to see it

546  
00:25:23,390 --> 00:25:28,160  
that way because it's now behind him

547  
00:25:25,509 --> 00:25:30,700  
well the official footage that we

548  
00:25:28,160 --> 00:25:33,290  
recorded and this was a person

549  
00:25:30,700 --> 00:25:36,019  
contracted to NASA that I was with at

550  
00:25:33,289 --> 00:25:38,960  
that time and other British American

551  
00:25:36,019 --> 00:25:43,279  
researchers to that footage for cents of

552  
00:25:38,960 --> 00:25:45,860  
a head no less of William the head of

553  
00:25:43,279 --> 00:25:49,460  
all land forces in Great Britain at

554  
00:25:45,859 --> 00:25:53,750  
Wilson in Wiltshire for analysis that

555  
00:25:49,460 --> 00:25:57,590  
was an official investigation into a UFO

556  
00:25:53,750 --> 00:26:00,289

over crop circles that has not been

557

00:25:57,589 --> 00:26:02,599

released by the under the freedom of

558

00:26:00,289 --> 00:26:03,269

information this new era of honesty that

559

00:26:02,599 --> 00:26:05,819

were no

560

00:26:03,269 --> 00:26:08,400

currently looking at and I doubt that it

561

00:26:05,819 --> 00:26:10,919

will frankly and as though if there's an

562

00:26:08,400 --> 00:26:14,130

awful lot that's going to come out that

563

00:26:10,920 --> 00:26:16,650

was in or has been in the official

564

00:26:14,130 --> 00:26:19,350

archives so there's my question with

565

00:26:16,650 --> 00:26:24,540

regard from the official report where is

566

00:26:19,349 --> 00:26:26,730

that is it coming what else is it was in

567

00:26:24,539 --> 00:26:29,639

there that is not is not out and will

568

00:26:26,730 --> 00:26:31,980

not be coming so history is important I

569

00:26:29,640 --> 00:26:34,920

think before we just go on to these

570

00:26:31,980 --> 00:26:38,220

others we are all being told in the

571  
00:26:34,920 --> 00:26:41,640  
Western world right now and I hope that

572  
00:26:38,220 --> 00:26:44,519  
God if this is true we are now living in

573  
00:26:41,640 --> 00:26:48,690  
a period that's let's cut the past

574  
00:26:44,519 --> 00:26:51,509  
behind we got here just about with lies

575  
00:26:48,690 --> 00:26:55,410  
and deception on every level of daily

576  
00:26:51,509 --> 00:26:57,299  
life every level every seventh every

577  
00:26:55,410 --> 00:27:01,050  
seven minutes we watch an adverse them

578  
00:26:57,299 --> 00:27:03,629  
build upon lies and distortion every

579  
00:27:01,049 --> 00:27:05,970  
political speech is spin and distortion

580  
00:27:03,630 --> 00:27:08,130  
and who can go on like this you can look

581  
00:27:05,970 --> 00:27:10,289  
at your movies and from other programs

582  
00:27:08,130 --> 00:27:14,550  
70 channels at a time it's all

583  
00:27:10,289 --> 00:27:17,789  
artificial nonsense so we are living in

584  
00:27:14,549 --> 00:27:21,210  
a time that is crucial to our very

585  
00:27:17,789 --> 00:27:25,289  
survival and this better be the time

586  
00:27:21,210 --> 00:27:27,900  
when the truth is laid out exactly as it

587  
00:27:25,289 --> 00:27:30,990  
is for all of us to see and for all of

588  
00:27:27,900 --> 00:27:33,300  
us as individuals to face the mirrors

589  
00:27:30,990 --> 00:27:36,329  
and to clear our backgrounds and names

590  
00:27:33,299 --> 00:27:38,789  
and the skeletons in our closet because

591  
00:27:36,329 --> 00:27:42,179  
times that are coming are going to be

592  
00:27:38,789 --> 00:27:45,899  
tough but we can and we will make it

593  
00:27:42,180 --> 00:27:48,720  
only with one I believe precondition

594  
00:27:45,900 --> 00:27:53,630  
that we learn fast

595  
00:27:48,720 --> 00:27:53,630  
what wealth and respect is

596  
00:28:03,929 --> 00:28:08,440  
well on the right hand side this is a

597  
00:28:06,250 --> 00:28:10,808  
whole lecture on memory not again not

598  
00:28:08,440 --> 00:28:13,570  
time to go but just for the record that

599

00:28:10,808 --> 00:28:16,808  
the operation Blackbird was a

600  
00:28:13,569 --> 00:28:19,028  
surveillance operation central central

601  
00:28:16,808 --> 00:28:21,788  
southern England you many of you know

602  
00:28:19,028 --> 00:28:24,548  
about it where BBC and nipple on

603  
00:28:21,788 --> 00:28:28,710  
television co-founded the operation we

604  
00:28:24,548 --> 00:28:33,398  
were on a British Army mo deal and and

605  
00:28:28,710 --> 00:28:35,860  
the several several groups of military

606  
00:28:33,398 --> 00:28:38,408  
were involved in the actual surveillance

607  
00:28:35,859 --> 00:28:41,490  
operation the guys you can see on that

608  
00:28:38,409 --> 00:28:45,460  
top right-hand side uniformed personnel

609  
00:28:41,490 --> 00:28:48,490  
from rimi in Aldershot were attached to

610  
00:28:45,460 --> 00:28:51,730  
the visible public operation Blackbird

611  
00:28:48,490 --> 00:28:55,058  
the guys you're seeing down to the left

612  
00:28:51,730 --> 00:28:57,278  
with actually that is not perfectly what

613  
00:28:55,058 --> 00:29:00,210

I just told you is correct what I was

614

00:28:57,278 --> 00:29:03,730

afraid to say is not factually accurate

615

00:29:00,210 --> 00:29:07,389

to the bottom left-hand side was an

616

00:29:03,730 --> 00:29:11,710

operation which was secret at the base

617

00:29:07,388 --> 00:29:14,829

of Silbury Hill in Wiltjer which there

618

00:29:11,710 --> 00:29:16,808

were a number of units involved one unit

619

00:29:14,829 --> 00:29:19,359

I've had this from and still in touch

620

00:29:16,808 --> 00:29:22,178

with some of these guys who are telling

621

00:29:19,359 --> 00:29:25,689

me that they were crawling over other

622

00:29:22,179 --> 00:29:29,740

forces in the fields around Silbury Hill

623

00:29:25,690 --> 00:29:31,509

that were they had no idea that were

624

00:29:29,740 --> 00:29:34,329

involved in any operation at all so you

625

00:29:31,509 --> 00:29:36,250

had units following units you there was

626

00:29:34,329 --> 00:29:38,500

there was extraordinary stuff going on

627

00:29:36,250 --> 00:29:40,538

within miles of operation Blackbird

628  
00:29:38,500 --> 00:29:42,909  
that's surveillance operation what they

629  
00:29:40,538 --> 00:29:45,778  
captured was the fit that you see on the

630  
00:29:42,909 --> 00:29:49,679  
bottom right hand side was a very large

631  
00:29:45,778 --> 00:29:53,109  
UFO I mean it was a very large light

632  
00:29:49,679 --> 00:29:57,610  
illuminated object well we'll come back

633  
00:29:53,109 --> 00:29:59,379  
to that well mr. Colvin - as Rebecca

634  
00:29:57,609 --> 00:30:01,538  
mentioned first Parliament leaves oh no

635  
00:29:59,380 --> 00:30:04,778  
the last two I believe questions that

636  
00:30:01,538 --> 00:30:05,888  
have been officially asked to ask the

637  
00:30:04,778 --> 00:30:07,659  
Secretary of State for the Home

638  
00:30:05,888 --> 00:30:10,490  
Department now a member to the Home

639  
00:30:07,659 --> 00:30:14,570  
Department if he will call for a report

640  
00:30:10,490 --> 00:30:16,519  
is actually really rather important from

641  
00:30:14,569 --> 00:30:19,730  
the chief constable which is the Chief

642  
00:30:16,519 --> 00:30:22,369  
of Police of Hampshire and will chair

643  
00:30:19,730 --> 00:30:24,558  
two counties on their investigations

644  
00:30:22,369 --> 00:30:26,449  
into the cornfield circles in Hampshire

645  
00:30:24,558 --> 00:30:28,670  
and Wiltshire what does the estimated

646  
00:30:26,450 --> 00:30:33,289  
cost of these investigations and if he

647  
00:30:28,670 --> 00:30:35,890  
will make a statement mr. heard this is

648  
00:30:33,289 --> 00:30:38,389  
from Parliament for the government I

649  
00:30:35,890 --> 00:30:40,730  
understand from the chief constables of

650  
00:30:38,390 --> 00:30:43,160  
Hampshire and wheelchair that there have

651  
00:30:40,730 --> 00:30:45,620  
been no investigations we're back to

652  
00:30:43,160 --> 00:30:50,110  
that again ends of the cornfield circles

653  
00:30:45,619 --> 00:30:53,329  
by their officers 17th of October 1989

654  
00:30:50,109 --> 00:30:55,689  
mr. Colvin the Member of Parliament to

655  
00:30:53,329 --> 00:31:00,109  
ask the Secretary of State for Defence

656

00:30:55,690 --> 00:31:03,950  
whether any official assistance has been

657  
00:31:00,109 --> 00:31:05,119  
given by service personnel to civilians

658  
00:31:03,950 --> 00:31:07,850  
now this is me

659  
00:31:05,119 --> 00:31:10,729  
you can put Colin Andrews name right on

660  
00:31:07,849 --> 00:31:13,308  
there to civilians investigating the

661  
00:31:10,730 --> 00:31:15,920  
origin of cornfield circles in Hampshire

662  
00:31:13,308 --> 00:31:19,339  
and Wiltjer and if he will make a

663  
00:31:15,920 --> 00:31:21,860  
statement we want it on the record mr.

664  
00:31:19,339 --> 00:31:25,099  
arch Hamilton this is for the first

665  
00:31:21,859 --> 00:31:27,379  
government I am not aware of any that's

666  
00:31:25,099 --> 00:31:30,619  
interesting wording though I am not

667  
00:31:27,380 --> 00:31:32,750  
aware of any official assistance having

668  
00:31:30,619 --> 00:31:36,558  
been given by service personnel to

669  
00:31:32,750 --> 00:31:38,558  
civilians investigating the origins of

670  
00:31:36,558 --> 00:31:41,990

crop service

671

00:31:38,558 --> 00:31:43,730  
ceilings photographs those are

672

00:31:41,990 --> 00:31:46,789  
photographs taken from the headquarters

673

00:31:43,730 --> 00:31:49,940  
by myself in the presence of senior

674

00:31:46,789 --> 00:31:52,220  
police officials enhanced replace the

675

00:31:49,940 --> 00:31:54,500  
very chief that have told now the head

676

00:31:52,220 --> 00:31:57,200  
of state the Queen that's who you're

677

00:31:54,500 --> 00:32:02,480  
speaking to in Parliament to the British

678

00:31:57,200 --> 00:32:06,049  
public to the men members of parliament

679

00:32:02,480 --> 00:32:09,079  
and to the Prime Minister who was then

680

00:32:06,049 --> 00:32:13,308  
Margaret Thatcher that these Official

681

00:32:09,079 --> 00:32:14,899  
departments are not involved these

682

00:32:13,308 --> 00:32:17,539  
photographs and there are actually some

683

00:32:14,900 --> 00:32:19,550  
rather important ones were taken by

684

00:32:17,539 --> 00:32:22,418  
Hampshire police and I obtained those

685  
00:32:19,549 --> 00:32:25,148  
from the police themselves was I will

686  
00:32:22,419 --> 00:32:27,369  
getting an extraordinary amount of

687  
00:32:25,148 --> 00:32:30,819  
cooperation for which I am thankful that

688  
00:32:27,368 --> 00:32:33,519  
I am saying to you we need this recorded

689  
00:32:30,819 --> 00:32:36,489  
with honesty and accuracy because this

690  
00:32:33,519 --> 00:32:38,769  
phenomenon is going somewhere you have

691  
00:32:36,489 --> 00:32:41,889  
not heard the last of the crop circle

692  
00:32:38,769 --> 00:32:44,319  
phenomenon and so the top left appeared

693  
00:32:41,888 --> 00:32:46,269  
after a very bizarre series of

694  
00:32:44,319 --> 00:32:47,888  
circumstances which again work on a

695  
00:32:46,269 --> 00:32:50,440  
touch upon in a moment

696  
00:32:47,888 --> 00:32:56,308  
the bottom right is the first pictogram

697  
00:32:50,440 --> 00:32:59,200  
ever to appear on planet Earth in 1990

698  
00:32:56,308 --> 00:33:02,618  
recorded by Hampshire police aerial

699  
00:32:59,200 --> 00:33:04,710  
surveillance aircraft from Lyon zone in

700  
00:33:02,618 --> 00:33:08,829  
Hampshire

701  
00:33:04,710 --> 00:33:11,798  
well here is that civilian researcher

702  
00:33:08,829 --> 00:33:14,108  
Colin Andrews in the blue car actually

703  
00:33:11,798 --> 00:33:16,210  
photographed by the very surveillance

704  
00:33:14,108 --> 00:33:19,239  
aircraft that I had asked couldn't be

705  
00:33:16,210 --> 00:33:21,129  
made available I don't think the

706  
00:33:19,239 --> 00:33:23,379  
evidence comes much stronger than that

707  
00:33:21,128 --> 00:33:25,898  
here is the civilian here's which the

708  
00:33:23,378 --> 00:33:30,788  
police surveillance aircraft and their

709  
00:33:25,898 --> 00:33:32,918  
official photograph and another site on

710  
00:33:30,788 --> 00:33:35,378  
the right-hand side and I'm going to

711  
00:33:32,919 --> 00:33:39,070  
reiterate because it's important for me

712  
00:33:35,378 --> 00:33:41,528  
to do this I do have the greatest of

713

00:33:39,069 --> 00:33:45,689  
respect I think Nick knows this for Nick

714  
00:33:41,528 --> 00:33:49,319  
this is not a matter of Nick Pope giving

715  
00:33:45,690 --> 00:33:51,909  
inaccurate untruthful information I

716  
00:33:49,319 --> 00:33:54,519  
wanted to reiterate it because it's not

717  
00:33:51,909 --> 00:33:56,739  
a situation for any of us have time to

718  
00:33:54,519 --> 00:33:59,829  
get personal on this it isn't where it's

719  
00:33:56,739 --> 00:34:03,519  
all coming from he was given the wrong

720  
00:33:59,829 --> 00:34:05,558  
information right so we move on they

721  
00:34:03,519 --> 00:34:07,358  
went back to the Wiltshire police

722  
00:34:05,558 --> 00:34:08,500  
officer who told Parliament

723  
00:34:07,358 --> 00:34:11,168  
head-of-state

724  
00:34:08,500 --> 00:34:13,389  
prime minister and all the rest no

725  
00:34:11,168 --> 00:34:16,628  
involvement we're not doing anything

726  
00:34:13,389 --> 00:34:19,030  
here were not involved well you see the

727  
00:34:16,628 --> 00:34:20,949

top left hand photograph a man called

728

00:34:19,030 --> 00:34:24,220

Roy Lucas a farmer and central southern

729

00:34:20,949 --> 00:34:27,878

England gained nearly three in wilshire

730

00:34:24,219 --> 00:34:31,269

witness spiralling a rapid aspiring

731

00:34:27,878 --> 00:34:33,960

tonne of moisture it appeared to be

732

00:34:31,269 --> 00:34:37,059

moisture although he did describe as

733

00:34:33,960 --> 00:34:39,400

it does seem as if it was a Latin

734

00:34:37,059 --> 00:34:41,469

spheric gradient that squeezed the water

735

00:34:39,400 --> 00:34:43,150

molecules out of the air and there was a

736

00:34:41,469 --> 00:34:47,409

spiraling column of mist which then

737

00:34:43,150 --> 00:34:49,690

exploded out suddenly anticipated to be

738

00:34:47,409 --> 00:34:51,369

followed by prop circles appearing in

739

00:34:49,690 --> 00:34:54,460

that field the phenomena jumped the

740

00:34:51,369 --> 00:34:57,099

field and they appear at their - this is

741

00:34:54,460 --> 00:35:00,099

of the top left is a recorded photograph

742  
00:34:57,099 --> 00:35:02,139  
by Wiltshire police who had their own

743  
00:35:00,099 --> 00:35:05,199  
aircraft over the top to take those

744  
00:35:02,139 --> 00:35:08,799  
photographs top right same in an

745  
00:35:05,199 --> 00:35:11,230  
adjacent field the bottom left-hand

746  
00:35:08,800 --> 00:35:13,330  
photograph our circles remember these

747  
00:35:11,230 --> 00:35:15,400  
are all simple circles compared to the

748  
00:35:13,329 --> 00:35:18,250  
latest situation and there may well be

749  
00:35:15,400 --> 00:35:22,210  
very rational explanation for that we

750  
00:35:18,250 --> 00:35:24,550  
will get there these circles appeared in

751  
00:35:22,210 --> 00:35:26,829  
the field underneath that little board

752  
00:35:24,550 --> 00:35:29,320  
you know I said the UFO that had been

753  
00:35:26,829 --> 00:35:33,250  
filled by a secret army surveillance

754  
00:35:29,320 --> 00:35:35,110  
operation around Silbury Hill and that's

755  
00:35:33,250 --> 00:35:38,440  
the official Wiltshire police photograph

756  
00:35:35,110 --> 00:35:41,860  
of the circles in the field that was

757  
00:35:38,440 --> 00:35:46,269  
underneath that or and another one to

758  
00:35:41,860 --> 00:35:47,710  
the right this is the part of the

759  
00:35:46,269 --> 00:35:50,800  
lecture though I'm not murdering joy

760  
00:35:47,710 --> 00:35:53,400  
particularly I will not enjoy this but I

761  
00:35:50,800 --> 00:35:56,230  
feel now we have to put this straight

762  
00:35:53,400 --> 00:35:58,420  
these questions were the yellow box

763  
00:35:56,230 --> 00:36:00,809  
remember all every time comes from

764  
00:35:58,420 --> 00:36:03,099  
official report the new put together

765  
00:36:00,809 --> 00:36:08,139  
these questions were inspired by

766  
00:36:03,099 --> 00:36:09,940  
researchers Paul 4 and generals who had

767  
00:36:08,139 --> 00:36:11,980  
contacted their members of parliament

768  
00:36:09,940 --> 00:36:15,730  
and you saw that in those questions and

769  
00:36:11,980 --> 00:36:17,289  
asked them to raise the matter the

770

00:36:15,730 --> 00:36:18,909  
answers would have been drafted by

771  
00:36:17,289 --> 00:36:21,759  
officials within the respective

772  
00:36:18,909 --> 00:36:23,139  
government departments in the case of

773  
00:36:21,760 --> 00:36:25,570  
the two questions answered by the

774  
00:36:23,139 --> 00:36:28,659  
defence ministers this meant that civil

775  
00:36:25,570 --> 00:36:32,410  
servants in separate secretary AAAS had

776  
00:36:28,659 --> 00:36:34,839  
drafted the response I am going to be

777  
00:36:32,409 --> 00:36:36,969  
very careful here and say that all I

778  
00:36:34,840 --> 00:36:40,450  
want to say is that I find it

779  
00:36:36,969 --> 00:36:42,909  
extraordinarily curious that these are

780  
00:36:40,449 --> 00:36:46,098  
the two names that have moved forward

781  
00:36:42,909 --> 00:36:48,379  
into the scene to have the

782  
00:36:46,099 --> 00:36:51,140  
questions allow the British government

783  
00:36:48,380 --> 00:36:52,880  
to put an official record in place which

784  
00:36:51,139 --> 00:36:53,659

was then move on to Nick to put it

785

00:36:52,880 --> 00:37:00,650

publicly

786

00:36:53,659 --> 00:37:04,219

and this is why intriguing that these

787

00:37:00,650 --> 00:37:07,548

are the same individuals who are who

788

00:37:04,219 --> 00:37:09,889

were at a senior level in Beaufort in

789

00:37:07,548 --> 00:37:12,228

Great Britain this is the new phone

790

00:37:09,889 --> 00:37:17,690

equivalent in Great Britain the British

791

00:37:12,228 --> 00:37:20,389

UFO Research Association who have been

792

00:37:17,690 --> 00:37:22,970

subject to legal actions against them in

793

00:37:20,389 --> 00:37:25,068

the United Kingdom for various libel and

794

00:37:22,969 --> 00:37:27,768

character attacks on UFO researchers

795

00:37:25,068 --> 00:37:30,228

isn't this curious just like Richard was

796

00:37:27,768 --> 00:37:33,139

saying here earlier from the old school

797

00:37:30,228 --> 00:37:35,659

from those within who you believe are

798

00:37:33,139 --> 00:37:39,679

researching crop circles and yet are

799  
00:37:35,659 --> 00:37:44,960  
taking every step possible to have that

800  
00:37:39,679 --> 00:37:46,489  
word UFO removed from the scene these

801  
00:37:44,960 --> 00:37:50,509  
people and I'm going to show you

802  
00:37:46,489 --> 00:37:53,568  
evidence having lawsuits taken against

803  
00:37:50,509 --> 00:37:55,489  
them at the most serious find for the

804  
00:37:53,568 --> 00:37:57,798  
attacks placed in public on board and

805  
00:37:55,489 --> 00:38:00,739  
frightened of FS are flying saucer

806  
00:37:57,798 --> 00:38:02,869  
reviewed ex British diplomat Harry

807  
00:38:00,739 --> 00:38:04,789  
Harris a solicitor Great Britain very

808  
00:38:02,869 --> 00:38:07,910  
instrumental in behind-the-scenes very

809  
00:38:04,789 --> 00:38:13,759  
useful helpful to UFO researchers who

810  
00:38:07,909 --> 00:38:17,929  
wanted legal legal help Stanton Friedman

811  
00:38:13,759 --> 00:38:19,969  
in this country Pat Delgado my old mate

812  
00:38:17,929 --> 00:38:26,298  
who's back in hospital right at this

813  
00:38:19,969 --> 00:38:28,219  
moment and myself because we don't need

814  
00:38:26,298 --> 00:38:29,869  
to dredge this I just want I need to

815  
00:38:28,219 --> 00:38:31,969  
make the points we need to know where

816  
00:38:29,869 --> 00:38:35,778  
this is coming from so I'm going to read

817  
00:38:31,969 --> 00:38:38,028  
this to you dear sir this was to Paul

818  
00:38:35,778 --> 00:38:39,528  
for one of the names we have been

819  
00:38:38,028 --> 00:38:41,119  
instructed by Colin Andrews and I've

820  
00:38:39,528 --> 00:38:42,528  
taken my case because I don't want to

821  
00:38:41,119 --> 00:38:45,890  
get into deep water on both people's

822  
00:38:42,528 --> 00:38:47,989  
cases I can stand by this who has handed

823  
00:38:45,889 --> 00:38:50,989  
to us a copy of your letter of the 4th

824  
00:38:47,989 --> 00:38:53,179  
of September 1988 to mist and ruffle you

825  
00:38:50,989 --> 00:38:55,548  
will know that namesake here in America

826  
00:38:53,179 --> 00:38:56,949  
our client does not wish to deny your

827

00:38:55,548 --> 00:38:58,659  
rights to criticize his

828  
00:38:56,949 --> 00:39:00,309  
research into the phenomenon of circles

829  
00:38:58,659 --> 00:39:03,608  
in cornfields all the conclusions that

830  
00:39:00,309 --> 00:39:05,588  
years reached from that that yes that

831  
00:39:03,608 --> 00:39:08,559  
compliance reads from his research

832  
00:39:05,588 --> 00:39:09,820  
however there aren't passages in your

833  
00:39:08,559 --> 00:39:13,269  
above letter which are clearly

834  
00:39:09,820 --> 00:39:14,769  
definitely in particular we reverse your

835  
00:39:13,269 --> 00:39:17,320  
allegation that our client has made

836  
00:39:14,769 --> 00:39:19,900  
claims about himself which were patently

837  
00:39:17,320 --> 00:39:22,450  
untrue in other words and a liar that he

838  
00:39:19,900 --> 00:39:25,450  
has lied they has been selective in his

839  
00:39:22,449 --> 00:39:27,909  
use of evidence that serious

840  
00:39:25,449 --> 00:39:30,309  
unless we receive information from you

841  
00:39:27,909 --> 00:39:32,019

within seven days of the date here of

842

00:39:30,309 --> 00:39:33,909

that you have written to miss trouble

843

00:39:32,019 --> 00:39:36,099

retracting the above allegations and

844

00:39:33,909 --> 00:39:39,069

further that you undertake not to

845

00:39:36,099 --> 00:39:42,550

communicate any such allegation to third

846

00:39:39,070 --> 00:39:44,410

parties at any future future time we had

847

00:39:42,550 --> 00:39:49,240

instructions to commence proceedings

848

00:39:44,409 --> 00:39:55,289

against you for liable without further

849

00:39:49,239 --> 00:39:58,838

notice that's what came about briefly a

850

00:39:55,289 --> 00:40:00,429

fool to me personally by that man that

851

00:39:58,838 --> 00:40:04,420

has raised this in the first Parliament

852

00:40:00,429 --> 00:40:05,739

Paul for apologizing unreservedly well

853

00:40:04,420 --> 00:40:07,389

I'm not going to run this by bringing

854

00:40:05,739 --> 00:40:11,108

all that through it's here for the

855

00:40:07,389 --> 00:40:13,900

record he withdraws it he's very sorry i

856  
00:40:11,108 --> 00:40:16,210  
am who i said i am i am the chief

857  
00:40:13,900 --> 00:40:18,730  
electrical engineer thought it was for

858  
00:40:16,210 --> 00:40:21,369  
that part of central southern england

859  
00:40:18,730 --> 00:40:23,289  
and pat bell gathered he was a both his

860  
00:40:21,369 --> 00:40:24,760  
characters had said you never had a

861  
00:40:23,289 --> 00:40:26,588  
record of working for nasa

862  
00:40:24,760 --> 00:40:29,560  
you saw the evidence there a bluebird

863  
00:40:26,588 --> 00:40:32,769  
and other space projects that pat was

864  
00:40:29,559 --> 00:40:36,789  
refer to these individuals have an

865  
00:40:32,769 --> 00:40:38,550  
agenda to newspaper cuttings and will

866  
00:40:36,789 --> 00:40:41,440  
move on this is the heaviest part of the

867  
00:40:38,550 --> 00:40:44,318  
presentation apologies to Stanton

868  
00:40:41,440 --> 00:40:47,530  
Friedman this is from the Manchester

869  
00:40:44,318 --> 00:40:49,269  
Evening News and solicitor Harry Harris

870  
00:40:47,530 --> 00:40:52,660  
and there's another old series out of it

871  
00:40:49,269 --> 00:40:54,280  
at the bottom we could go infinitum I'll

872  
00:40:52,659 --> 00:40:57,779  
just read this piece there look when we

873  
00:40:54,280 --> 00:41:00,700  
move on so a splendid long diatribe

874  
00:40:57,780 --> 00:41:03,790  
against Friedman and Harris was compiled

875  
00:41:00,699 --> 00:41:05,318  
by before directors investigations be

876  
00:41:03,789 --> 00:41:07,420  
very careful with all this stuff and

877  
00:41:05,318 --> 00:41:09,099  
fired off to a member of the staff

878  
00:41:07,420 --> 00:41:11,980  
perhaps other the Manchester Evening

879  
00:41:09,099 --> 00:41:15,130  
News and this newspaper Julie carried a

880  
00:41:11,980 --> 00:41:18,579  
big article about it all in October 28

881  
00:41:15,130 --> 00:41:20,410  
89 both the newspapers article and

882  
00:41:18,579 --> 00:41:23,109  
Randall's letter of which we have a copy

883  
00:41:20,409 --> 00:41:25,719  
are splendid stuff in the usual

884

00:41:23,108 --> 00:41:28,328  
vitriolic style to which we are by now

885  
00:41:25,719 --> 00:41:31,239  
accustomed as a result of the appearance

886  
00:41:28,329 --> 00:41:33,490  
of the newspaper article a rich was

887  
00:41:31,239 --> 00:41:36,608  
jointly issued by mr. Stanton Friedman

888  
00:41:33,489 --> 00:41:38,949  
and Harry Harris and high court

889  
00:41:36,608 --> 00:41:42,460  
proceedings for defamation followed

890  
00:41:38,949 --> 00:41:45,578  
against the three named parties Jenny

891  
00:41:42,460 --> 00:41:48,159  
Randall's Beaufort and the Manchester

892  
00:41:45,579 --> 00:41:49,869  
Evening News apartments termination of

893  
00:41:48,159 --> 00:41:51,399  
these high court proceedings the

894  
00:41:49,869 --> 00:41:54,430  
following statement was issued by the

895  
00:41:51,400 --> 00:41:58,599  
newspaper we don't need to go there it's

896  
00:41:54,429 --> 00:42:00,250  
done I'm just saying to you you know

897  
00:41:58,599 --> 00:42:04,059  
what I've said to you right we're back

898  
00:42:00,250 --> 00:42:07,210

now to the yellow which represents the

899

00:42:04,059 --> 00:42:10,390

official report aircrew like everyone

900

00:42:07,210 --> 00:42:12,220

else are curious it is true and some

901

00:42:10,389 --> 00:42:16,150

clown routine flying training over

902

00:42:12,219 --> 00:42:18,489

circles that appear that they have heard

903

00:42:16,150 --> 00:42:21,460

that have appeared and that in mind

904

00:42:18,489 --> 00:42:23,409

pages 73 and 82 of circular evidence

905

00:42:21,460 --> 00:42:25,929

which was packed Delgado and Colin

906

00:42:23,409 --> 00:42:27,969

Andrews first book shows army gazelle

907

00:42:25,929 --> 00:42:31,779

helicopters over the circles at Westbury

908

00:42:27,969 --> 00:42:34,358

Wiltshire in 1987 the photos page 74 and

909

00:42:31,780 --> 00:42:38,880

75 of which you're looking at there was

910

00:42:34,358 --> 00:42:44,108

taken by the aircrew in this hey copter

911

00:42:38,880 --> 00:42:46,450

well I think by now we know it's a

912

00:42:44,108 --> 00:42:49,509

little bit more than a lot more because

913  
00:42:46,449 --> 00:42:52,269  
I was there I mean I was there this is

914  
00:42:49,510 --> 00:42:54,520  
just this is not guys that are flying

915  
00:42:52,269 --> 00:42:56,829  
around in helicopters just snapping the

916  
00:42:54,519 --> 00:43:00,068  
occasional picture of which I am sure if

917  
00:42:56,829 --> 00:43:02,440  
that does happen to this because this

918  
00:43:00,068 --> 00:43:08,469  
this is really kind of getting to some

919  
00:43:02,440 --> 00:43:11,710  
meat here the official report says I had

920  
00:43:08,469 --> 00:43:14,828  
to dispel that the media coverage of the

921  
00:43:11,710 --> 00:43:17,470  
issue was stifled by the use of a D

922  
00:43:14,829 --> 00:43:20,590  
notice what a D notice is Great Britain

923  
00:43:17,469 --> 00:43:22,179  
is a tool used by the British

924  
00:43:20,590 --> 00:43:28,390  
government Ministry of Defense in

925  
00:43:22,179 --> 00:43:31,779  
particular to stop the media in hard

926  
00:43:28,389 --> 00:43:33,909  
print radio or television at the

927  
00:43:31,780 --> 00:43:37,420  
basically at the throwing of a switch if

928  
00:43:33,909 --> 00:43:40,329  
they consider national security is at

929  
00:43:37,420 --> 00:43:42,820  
risk I think most people understand

930  
00:43:40,329 --> 00:43:47,170  
there has to be such at all but I am

931  
00:43:42,820 --> 00:43:47,920  
told through the report that this did

932  
00:43:47,170 --> 00:43:50,619  
not happen

933  
00:43:47,920 --> 00:43:54,090  
they've never attempted to do that and

934  
00:43:50,619 --> 00:43:56,589  
in fact the D notice is no longer in use

935  
00:43:54,090 --> 00:43:58,660  
well what you're looking at there is a

936  
00:43:56,590 --> 00:44:01,240  
gain operation Blackburn with the

937  
00:43:58,659 --> 00:44:02,500  
British Army a small contingent helped

938  
00:44:01,239 --> 00:44:06,099  
us on the site of this surveillance

939  
00:44:02,500 --> 00:44:09,059  
operation in 1990 you see that vehicle

940  
00:44:06,099 --> 00:44:12,429  
there with a radio mast

941

00:44:09,059 --> 00:44:15,849  
that's the media one of many media that

942  
00:44:12,429 --> 00:44:17,319  
attended one particular day when circles

943  
00:44:15,849 --> 00:44:19,750  
appeared below the surveillance

944  
00:44:17,320 --> 00:44:22,019  
equipment and had something which we the

945  
00:44:19,750 --> 00:44:24,880  
best we could sell through binoculars

946  
00:44:22,019 --> 00:44:27,429  
something odd some we couldn't make out

947  
00:44:24,880 --> 00:44:29,530  
what it was in the center of these

948  
00:44:27,429 --> 00:44:31,139  
circles the surveillance cameras were

949  
00:44:29,530 --> 00:44:35,170  
there filming them

950  
00:44:31,139 --> 00:44:38,710  
the first Via Media to turn up to report

951  
00:44:35,170 --> 00:44:40,180  
on this was GW our radio at Swindon in

952  
00:44:38,710 --> 00:44:42,460  
Wiltshire and you can see their

953  
00:44:40,179 --> 00:44:45,639  
high-rise mass has been pulled there

954  
00:44:42,460 --> 00:44:48,280  
they are going on air to transmit what

955  
00:44:45,639 --> 00:44:54,940

they're looking at and they were stopped

956

00:44:48,280 --> 00:44:58,060

a D notice was issued contrary to what

957

00:44:54,940 --> 00:45:01,030

you've been given here a D notice was

958

00:44:58,059 --> 00:45:06,210

issued to take off air one of the

959

00:45:01,030 --> 00:45:10,000

best-known television and radio Bremen

960

00:45:06,210 --> 00:45:13,659

personalities in Great Britain Dave

961

00:45:10,000 --> 00:45:15,489

Barrett he was on air with gwr when they

962

00:45:13,659 --> 00:45:19,089

sent their vehicle home to cover this

963

00:45:15,489 --> 00:45:19,799

particular event and here is his letter

964

00:45:19,090 --> 00:45:22,900

to me

965

00:45:19,800 --> 00:45:25,210

hi Colin I know live abroad so it's not

966

00:45:22,900 --> 00:45:27,190

easy to contact me by phone but please

967

00:45:25,210 --> 00:45:29,710

feel free to email me if you need

968

00:45:27,190 --> 00:45:32,159

anything else as I recall it was summer

969

00:45:29,710 --> 00:45:34,199

neurontin parents yes it was

970  
00:45:32,159 --> 00:45:35,759  
the road a crop circle had been

971  
00:45:34,199 --> 00:45:38,038  
discovered with some mysterious item

972  
00:45:35,760 --> 00:45:40,859  
found in the center of it we set the

973  
00:45:38,039 --> 00:45:43,770  
radio car out but were prevented from

974  
00:45:40,858 --> 00:45:46,619  
viewing it and a D notice stopped us

975  
00:45:43,769 --> 00:45:53,309  
reporting on it and it was when I was

976  
00:45:46,619 --> 00:45:55,890  
with gwr in Swindon D notice the

977  
00:45:53,309 --> 00:45:58,048  
government did not want you to see what

978  
00:45:55,889 --> 00:46:00,568  
was going on in those fields that they

979  
00:45:58,048 --> 00:46:03,030  
were very deeply involved in at that

980  
00:46:00,568 --> 00:46:05,400  
time and I would suggest the departments

981  
00:46:03,030 --> 00:46:08,548  
that were not recording tune it and that

982  
00:46:05,400 --> 00:46:11,608  
he knew nothing of I had to deny a

983  
00:46:08,548 --> 00:46:13,710  
further denial here I had to deny that

984  
00:46:11,608 --> 00:46:15,808  
the crash of a Harrier Jump Jet was

985  
00:46:13,710 --> 00:46:18,119  
caused by energies of crop circles and

986  
00:46:15,809 --> 00:46:19,980  
that they call spontaneous firing of the

987  
00:46:18,119 --> 00:46:21,930  
pilots ejector seat this is an

988  
00:46:19,980 --> 00:46:24,088  
interesting case which incidentally I

989  
00:46:21,929 --> 00:46:27,239  
neither would suggest that the two are

990  
00:46:24,088 --> 00:46:28,858  
necessarily tied together but let's just

991  
00:46:27,239 --> 00:46:33,209  
for the reasons here to keep an open

992  
00:46:28,858 --> 00:46:36,269  
mind it was a very unusual case the gi5

993  
00:46:33,210 --> 00:46:38,309  
jump jet that Britain's been so kind of

994  
00:46:36,269 --> 00:46:41,219  
well known for its extraordinary

995  
00:46:38,309 --> 00:46:43,950  
aircraft was on a test flight from the

996  
00:46:41,219 --> 00:46:46,318  
southeast of the country across central

997  
00:46:43,949 --> 00:46:47,338  
southern checking in with Boston dan

998

00:46:46,318 --> 00:46:49,338  
you've already heard that name

999  
00:46:47,338 --> 00:46:51,778  
top-secret air establishment here we are

1000  
00:46:49,338 --> 00:46:54,058  
you'll see it there it takes its course

1001  
00:46:51,778 --> 00:46:56,190  
from the right hand side of the rim

1002  
00:46:54,059 --> 00:46:57,829  
through the center to the left coming

1003  
00:46:56,190 --> 00:47:01,470  
from the southeast it's on a test flight

1004  
00:46:57,829 --> 00:47:04,048  
it checks in with on the the blue dot

1005  
00:47:01,469 --> 00:47:05,909  
there it's over flown five circles of

1006  
00:47:04,048 --> 00:47:09,059  
the identical times you saw this all

1007  
00:47:05,909 --> 00:47:11,219  
started with in 1985 the edge of them

1008  
00:47:09,059 --> 00:47:13,140  
reported on so on directly over the top

1009  
00:47:11,219 --> 00:47:16,409  
of those at the end of the runway at

1010  
00:47:13,139 --> 00:47:18,900  
Boscombe Dame it makes it's very large

1011  
00:47:16,409 --> 00:47:22,670  
radio transmission that poor guy and the

1012  
00:47:18,900 --> 00:47:25,710

pilot with Boston down on the purple e

1013

00:47:22,670 --> 00:47:28,260

that continues across the landscape to

1014

00:47:25,710 --> 00:47:34,548

the left just to the south of Stonehenge

1015

00:47:28,260 --> 00:47:37,039

by about four miles heading west

1016

00:47:34,548 --> 00:47:39,318

something happened

1017

00:47:37,039 --> 00:47:42,979

it is there is speculation which I will

1018

00:47:39,318 --> 00:47:45,409

come to something happens over another

1019

00:47:42,978 --> 00:47:48,228

set of circles this time with rings and

1020

00:47:45,409 --> 00:47:52,868

the aircraft kicks left by a few degrees

1021

00:47:48,228 --> 00:47:55,688

and no contact with the pilot is lost a

1022

00:47:52,869 --> 00:47:59,568

American aircraft an SOS window

1023

00:47:55,688 --> 00:48:04,818

nationwide air wide grant a full sea

1024

00:47:59,568 --> 00:48:07,938

land search ensued and an American

1025

00:48:04,818 --> 00:48:10,668

aircraft came in and saw this aircraft

1026

00:48:07,938 --> 00:48:11,389

and shadowed it and found that the pilot

1027  
00:48:10,668 --> 00:48:14,568  
was missing

1028  
00:48:11,389 --> 00:48:18,918  
the Harrier was flying on the pilot was

1029  
00:48:14,568 --> 00:48:20,989  
gone and so it continued to fly until it

1030  
00:48:18,918 --> 00:48:23,509  
ran out of fuel and dumped into the

1031  
00:48:20,989 --> 00:48:27,228  
Atlantic Ocean many hundreds of miles

1032  
00:48:23,509 --> 00:48:29,358  
further down the road well this is my

1033  
00:48:27,228 --> 00:48:32,659  
only point is interesting the cases this

1034  
00:48:29,358 --> 00:48:34,788  
is I was interviewed by two of the

1035  
00:48:32,659 --> 00:48:38,719  
investigating investigating officials

1036  
00:48:34,789 --> 00:48:40,640  
into this inquiry simply because there

1037  
00:48:38,719 --> 00:48:43,668  
were designs there they were no idea

1038  
00:48:40,639 --> 00:48:46,578  
what happened and they still do not and

1039  
00:48:43,668 --> 00:48:48,588  
my only question and not questioning it

1040  
00:48:46,579 --> 00:48:52,278  
I'm questioning her say the report is

1041  
00:48:48,588 --> 00:48:55,188  
that to deny it had any involvement when

1042  
00:48:52,278 --> 00:48:59,449  
the official verdict you'll see in red

1043  
00:48:55,188 --> 00:49:01,998  
there was was left open they there was

1044  
00:48:59,449 --> 00:49:05,809  
speculation that a small lamp had fallen

1045  
00:49:01,998 --> 00:49:08,678  
off the - they had activated the ejector

1046  
00:49:05,809 --> 00:49:12,409  
seat thrown the pilot through the canopy

1047  
00:49:08,679 --> 00:49:15,499  
etc etc it may have been that we will

1048  
00:49:12,409 --> 00:49:18,619  
never know but to deny it when all

1049  
00:49:15,498 --> 00:49:20,598  
options are open there are energy is

1050  
00:49:18,619 --> 00:49:22,640  
however the speculative and craziness

1051  
00:49:20,599 --> 00:49:25,579  
might be and I'm not suggesting that it

1052  
00:49:22,639 --> 00:49:28,489  
it killed this guy I've got at all but

1053  
00:49:25,579 --> 00:49:30,739  
that aircraft happened to run cannons

1054  
00:49:28,489 --> 00:49:33,259  
align precisely on the alignments we've

1055

00:49:30,739 --> 00:49:35,329  
seen in these circles for many years

1056  
00:49:33,259 --> 00:49:38,989  
some of us will call them ley lines

1057  
00:49:35,329 --> 00:49:42,640  
their alignments that roam across that

1058  
00:49:38,989 --> 00:49:46,219  
part of the world on which a lot of the

1059  
00:49:42,639 --> 00:49:50,629  
simple designs continue to appear and he

1060  
00:49:46,219 --> 00:49:53,250  
came right onto line with it right

1061  
00:49:50,630 --> 00:49:55,800  
so we're back we can scale it down a

1062  
00:49:53,250 --> 00:49:58,530  
little bit here this was a my first

1063  
00:49:55,800 --> 00:50:03,390  
actual I had already correspond it up

1064  
00:49:58,530 --> 00:50:04,950  
through to the Queen to the Nicholas

1065  
00:50:03,389 --> 00:50:08,129  
Ridley Undersecretary of State in the

1066  
00:50:04,949 --> 00:50:11,219  
Thatcher cabinet but there was a lot of

1067  
00:50:08,130 --> 00:50:14,789  
a lot of internal work going on with my

1068  
00:50:11,219 --> 00:50:17,219  
Member of Parliament as you can see here

1069  
00:50:14,789 --> 00:50:18,779

David Mitchell so David Mitchell this is

1070

00:50:17,219 --> 00:50:20,250

when we were looking still being denied

1071

00:50:18,780 --> 00:50:22,380

by the way everything that came out

1072

00:50:20,250 --> 00:50:24,329

other the official sources in England

1073

00:50:22,380 --> 00:50:26,039

through the media was that they're not

1074

00:50:24,329 --> 00:50:28,380

involved well I mean Here I am showing

1075

00:50:26,039 --> 00:50:30,509

the brain the surplus now and then I'm

1076

00:50:28,380 --> 00:50:34,680

invited to show Prince Charles and Diana

1077

00:50:30,510 --> 00:50:36,359

around and it goes on and on and on but

1078

00:50:34,679 --> 00:50:41,489

it isn't put out there from what it's

1079

00:50:36,358 --> 00:50:43,769

worth so here we go I don't think we

1080

00:50:41,489 --> 00:50:46,858

need to read it you can and it's on my

1081

00:50:43,769 --> 00:50:48,449

website for anybody wants to this is my

1082

00:50:46,858 --> 00:50:50,519

member of parliament saying he was glad

1083

00:50:48,449 --> 00:50:51,989

to to look around the circles it gives

1084  
00:50:50,519 --> 00:50:54,750  
them a first-hand knowledge of the

1085  
00:50:51,989 --> 00:50:56,750  
lodging that some people are referring

1086  
00:50:54,750 --> 00:50:59,940  
to the meteorological possibilities

1087  
00:50:56,750 --> 00:51:03,179  
versus the some what more exotic

1088  
00:50:59,940 --> 00:51:08,700  
possibilities of which I was probably

1089  
00:51:03,179 --> 00:51:10,649  
the main proponent and again David

1090  
00:51:08,699 --> 00:51:12,328  
Mitchell is saying thank you : for

1091  
00:51:10,650 --> 00:51:14,460  
showing me this this is now very clear

1092  
00:51:12,329 --> 00:51:18,089  
we need to take this up and I'll pursue

1093  
00:51:14,460 --> 00:51:23,818  
it as far as I need to go and so this is

1094  
00:51:18,088 --> 00:51:26,219  
where we come to as promised I have no

1095  
00:51:23,818 --> 00:51:28,250  
been to see David Trippier Minister of

1096  
00:51:26,219 --> 00:51:30,358  
the state of the Department of sorry

1097  
00:51:28,250 --> 00:51:31,920  
Minister of State at the Department of

1098  
00:51:30,358 --> 00:51:33,960  
the Environment and I've had a useful

1099  
00:51:31,920 --> 00:51:36,059  
discussion with him and his chief

1100  
00:51:33,960 --> 00:51:37,440  
scientific adviser I must say that over

1101  
00:51:36,059 --> 00:51:39,540  
the passage of time was to have

1102  
00:51:37,440 --> 00:51:41,280  
investigated this far you have managed

1103  
00:51:39,539 --> 00:51:43,318  
to do so in such a responsible way that

1104  
00:51:41,280 --> 00:51:45,329  
the whole matter is now being viewed in

1105  
00:51:43,318 --> 00:51:47,548  
a much more serious and scientifically

1106  
00:51:45,329 --> 00:51:49,530  
interesting way having discussed it with

1107  
00:51:47,548 --> 00:51:52,650  
the minister he has agreed that an

1108  
00:51:49,530 --> 00:51:54,390  
approach should be made to the National

1109  
00:51:52,650 --> 00:51:55,798  
Environmental Research Council that's

1110  
00:51:54,389 --> 00:51:57,690  
the department within the government to

1111  
00:51:55,798 --> 00:51:59,969  
see if they will take an official

1112

00:51:57,690 --> 00:52:01,380  
interest in what is going on and support

1113  
00:51:59,969 --> 00:52:03,329  
some further research

1114  
00:52:01,380 --> 00:52:05,789  
as you know and he goes on to say it's

1115  
00:52:03,329 --> 00:52:10,489  
really going to be up to them and what

1116  
00:52:05,789 --> 00:52:11,750  
kind of serious science can support this

1117  
00:52:10,489 --> 00:52:15,089  
family

1118  
00:52:11,750 --> 00:52:17,039  
Sir David Mitchell comes back to me and

1119  
00:52:15,090 --> 00:52:19,289  
says finally I approach for Geoffrey

1120  
00:52:17,039 --> 00:52:21,840  
Howe now we're up to Deputy Prime

1121  
00:52:19,289 --> 00:52:25,110  
Minister okay this is not anything that

1122  
00:52:21,840 --> 00:52:26,850  
isn't happening such as Sir Geoffrey

1123  
00:52:25,110 --> 00:52:28,800  
Howe Deputy Prime Minister have asked

1124  
00:52:26,849 --> 00:52:30,539  
him to indicate which ministers should

1125  
00:52:28,800 --> 00:52:31,620  
have the responsibility and pointed me

1126  
00:52:30,539 --> 00:52:33,509

in the direction of the Department of

1127

00:52:31,619 --> 00:52:35,880

the Environment from whom I am again

1128

00:52:33,510 --> 00:52:37,790

getting unsatisfactory responses which

1129

00:52:35,880 --> 00:52:41,880

has led me to ask to see the minister

1130

00:52:37,789 --> 00:52:45,269

personally the Queen head of state in

1131

00:52:41,880 --> 00:52:47,760

the United Kingdom and Prime Minister

1132

00:52:45,269 --> 00:52:50,360

are a fatter the Duke of Edinburgh is

1133

00:52:47,760 --> 00:52:52,980

seen below this is no incidentally an

1134

00:52:50,360 --> 00:52:55,620

extremely sensitive situation in Great

1135

00:52:52,980 --> 00:52:59,340

Britain and I will of course and

1136

00:52:55,619 --> 00:53:03,359

respecting my homeland be making my way

1137

00:52:59,340 --> 00:53:04,710

through this with respect and care from

1138

00:53:03,360 --> 00:53:07,349

just stating some facts

1139

00:53:04,710 --> 00:53:09,510

I had to deny allegations this is the

1140

00:53:07,349 --> 00:53:11,489

official report prevent - I had to deny

1141  
00:53:09,510 --> 00:53:12,870  
allegations that the Queen and Prime

1142  
00:53:11,489 --> 00:53:16,439  
Minister Thatcher had expressed interest

1143  
00:53:12,869 --> 00:53:18,150  
in the phenomenon and that very various

1144  
00:53:16,440 --> 00:53:20,099  
high-level meetings were taking place to

1145  
00:53:18,150 --> 00:53:21,809  
consider for subject well I think you've

1146  
00:53:20,099 --> 00:53:25,650  
already seen some but we got to go step

1147  
00:53:21,809 --> 00:53:29,400  
further here this is a letter to me from

1148  
00:53:25,650 --> 00:53:33,000  
the Queen written by Lloyd Julianne

1149  
00:53:29,400 --> 00:53:36,660  
Lloyd who is her land agent I that was

1150  
00:53:33,000 --> 00:53:39,769  
what sorry what have I done whatever

1151  
00:53:36,659 --> 00:53:44,359  
happens now this is my fault

1152  
00:53:39,769 --> 00:53:44,360  
sorry this is not my computers no I'm

1153  
00:53:45,679 --> 00:53:50,879  
okay I think we're back on course just

1154  
00:53:48,960 --> 00:53:53,670  
coming in closer so that you can see it

1155  
00:53:50,880 --> 00:53:55,680  
this is to me thank you for your letter

1156  
00:53:53,670 --> 00:53:59,519  
of a 2nd of May which has been shown to

1157  
00:53:55,679 --> 00:54:01,949  
the Queen Her Majesty just look look at

1158  
00:53:59,519 --> 00:54:05,009  
this Her Majesty has taken an interest

1159  
00:54:01,949 --> 00:54:08,069  
in the mysterious crop circles for some

1160  
00:54:05,010 --> 00:54:10,350  
time and was subsequently sad to hear

1161  
00:54:08,070 --> 00:54:13,710  
and she goes on that's of a more

1162  
00:54:10,349 --> 00:54:15,420  
personal thing with a situation she fear

1163  
00:54:13,710 --> 00:54:18,869  
evidence the first book ever written on

1164  
00:54:15,420 --> 00:54:22,559  
crop circles was selected specifically

1165  
00:54:18,869 --> 00:54:25,889  
for the royal reading list this is the

1166  
00:54:22,559 --> 00:54:27,659  
queen's summer reading list in 1989

1167  
00:54:25,889 --> 00:54:30,029  
such as the level of interest in the

1168  
00:54:27,659 --> 00:54:33,440  
royal household the duke of edinburgh

1169

00:54:30,030 --> 00:54:35,970  
writes to my colleague at dog Ireland

1170  
00:54:33,440 --> 00:54:37,559  
the Duke of Edinburgh has asked me to

1171  
00:54:35,969 --> 00:54:40,199  
write and thank you for your letter of

1172  
00:54:37,559 --> 00:54:41,759  
the 28th of October and also for sending

1173  
00:54:40,199 --> 00:54:44,009  
His Royal Highness a copy of your

1174  
00:54:41,760 --> 00:54:46,590  
newsletter crop circles which we were

1175  
00:54:44,010 --> 00:54:48,330  
publishing a short time ago Prince

1176  
00:54:46,590 --> 00:54:50,190  
Philip is grateful for your thought in

1177  
00:54:48,329 --> 00:54:53,159  
sending it and would like to take out

1178  
00:54:50,190 --> 00:54:55,800  
it's always makes me smile an annual

1179  
00:54:53,159 --> 00:55:00,629  
subscription for the newsletter could

1180  
00:54:55,800 --> 00:55:03,030  
you be less in June chorus that you

1181  
00:55:00,630 --> 00:55:04,860  
prevent and brought to myself has asked

1182  
00:55:03,030 --> 00:55:07,110  
me to write to thank you for your letter

1183  
00:55:04,860 --> 00:55:08,970

of the 23rd of October which His Royal

1184

00:55:07,110 --> 00:55:10,829

Highness was most interested to read

1185

00:55:08,969 --> 00:55:13,169

Prince Philip would certainly like you

1186

00:55:10,829 --> 00:55:17,340

to update him with significant

1187

00:55:13,170 --> 00:55:20,039

developments on the circles fake it this

1188

00:55:17,340 --> 00:55:23,100

is the official first six pounds which

1189

00:55:20,039 --> 00:55:25,579

is \$12 for a subscription of the

1190

00:55:23,099 --> 00:55:29,819

newsletter from the soup of Edinburgh

1191

00:55:25,579 --> 00:55:31,469

and this one I have to be again rather

1192

00:55:29,820 --> 00:55:32,789

careful as you can see when Stanton

1193

00:55:31,469 --> 00:55:34,319

Friedman you know gets up with those

1194

00:55:32,789 --> 00:55:37,259

letters of his and there's all that

1195

00:55:34,320 --> 00:55:40,080

black dough staff all over it

1196

00:55:37,260 --> 00:55:42,840

I'm just paid to do the same thing I was

1197

00:55:40,079 --> 00:55:45,299

instructed from Great Britain to remove

1198  
00:55:42,840 --> 00:55:50,010  
immediately a document from this

1199  
00:55:45,300 --> 00:55:51,840  
presentation and from my website one

1200  
00:55:50,010 --> 00:55:54,390  
document of many that I would like you

1201  
00:55:51,840 --> 00:55:56,579  
to have seen at which of course I have

1202  
00:55:54,389 --> 00:55:59,500  
respected

1203  
00:55:56,579 --> 00:56:01,329  
legal action will be taken if the entire

1204  
00:55:59,500 --> 00:56:03,480  
contents of this letter are shown in

1205  
00:56:01,329 --> 00:56:08,858  
public remove from your website

1206  
00:56:03,480 --> 00:56:10,179  
immediately I sniffed that out and I'm

1207  
00:56:08,858 --> 00:56:12,009  
about just to read this little piece

1208  
00:56:10,179 --> 00:56:14,980  
because this is the piece actually

1209  
00:56:12,010 --> 00:56:17,440  
anyway it's all we feel more employment

1210  
00:56:14,980 --> 00:56:18,269  
to know I am replying to your letter to

1211  
00:56:17,440 --> 00:56:22,269  
the Queen

1212  
00:56:18,269 --> 00:56:23,949  
about the circles phenomenon since I

1213  
00:56:22,269 --> 00:56:25,719  
have been taking a rather particular

1214  
00:56:23,949 --> 00:56:28,480  
interest in the subject

1215  
00:56:25,719 --> 00:56:31,059  
we were both that is the Queen and I we

1216  
00:56:28,480 --> 00:56:33,760  
were both fascinated by something on

1217  
00:56:31,059 --> 00:56:35,320  
Monday to talk about the account of thee

1218  
00:56:33,760 --> 00:56:39,910  
which is something else other like to

1219  
00:56:35,320 --> 00:56:42,789  
talk back here's another one a different

1220  
00:56:39,909 --> 00:56:45,190  
source so cleanse those mind this is

1221  
00:56:42,789 --> 00:56:48,039  
somebody else I was staying with my

1222  
00:56:45,190 --> 00:56:50,108  
uncle who I'm a model a to tell you this

1223  
00:56:48,039 --> 00:56:53,259  
weekend and while I was skating around

1224  
00:56:50,108 --> 00:56:56,348  
in his study my eyes alighted upon a

1225  
00:56:53,260 --> 00:56:58,599  
mask and copy of my first book circular

1226

00:56:56,349 --> 00:57:02,019  
evidence I'm not allowed to talk about

1227  
00:56:58,599 --> 00:57:03,430  
that electronics business and wondering

1228  
00:57:02,019 --> 00:57:06,130  
whether it was his interest in

1229  
00:57:03,429 --> 00:57:08,949  
electronics or agriculture that induced

1230  
00:57:06,130 --> 00:57:11,920  
him to buy it to buy the book I picked

1231  
00:57:08,949 --> 00:57:14,529  
it up a letter fell out addressed to

1232  
00:57:11,920 --> 00:57:17,650  
modeling to say from Prince Phillip

1233  
00:57:14,530 --> 00:57:19,330  
saying something along the lines thought

1234  
00:57:17,650 --> 00:57:21,670  
you might be interested to see this if

1235  
00:57:19,329 --> 00:57:24,279  
it's a hoax he's referring to crop

1236  
00:57:21,670 --> 00:57:27,338  
circles it is an elaborate in the

1237  
00:57:24,280 --> 00:57:30,089  
extreme and I am inclined to believe it

1238  
00:57:27,338 --> 00:57:33,489  
is due to some kind of invisible force

1239  
00:57:30,088 --> 00:57:35,909  
he then said he'd never been able to

1240  
00:57:33,489 --> 00:57:38,379

entirely doesn't dismiss the uri geller

1241  
00:57:35,909 --> 00:57:41,019  
phenomenon and i have spent time but get

1242  
00:57:38,380 --> 00:57:44,230  
it by the way on that and could the two

1243  
00:57:41,019 --> 00:57:46,480  
have anything in common that was a baby

1244  
00:57:44,230 --> 00:57:51,579  
i just thought you might like to know

1245  
00:57:46,480 --> 00:57:53,588  
that Prime Minister Thatcher the letters

1246  
00:57:51,579 --> 00:57:56,289  
there and there are others that you can

1247  
00:57:53,588 --> 00:57:58,389  
view I am afraid it is not possible for

1248  
00:57:56,289 --> 00:57:59,568  
the Prime Minister to comment on this

1249  
00:57:58,389 --> 00:58:01,429  
publication

1250  
00:57:59,568 --> 00:58:04,400  
your evidence although I am sure she

1251  
00:58:01,429 --> 00:58:06,548  
will note it with interest however I

1252  
00:58:04,400 --> 00:58:10,579  
will pass it to the Ministry of Defense

1253  
00:58:06,548 --> 00:58:12,949  
for information these were the first

1254  
00:58:10,579 --> 00:58:14,660  
pages of the official report that went

1255  
00:58:12,949 --> 00:58:18,068  
to the cabinet in the Margaret faction

1256  
00:58:14,659 --> 00:58:22,038  
of government of which I was the author

1257  
00:58:18,068 --> 00:58:24,469  
here there were meetings taking place

1258  
00:58:22,039 --> 00:58:26,539  
there was information being considered

1259  
00:58:24,469 --> 00:58:29,778  
and he was being considered as to how

1260  
00:58:26,539 --> 00:58:32,349  
far and with what funds should be placed

1261  
00:58:29,778 --> 00:58:34,849  
upon an official investigation

1262  
00:58:32,349 --> 00:58:36,650  
incidentally some of the photographs

1263  
00:58:34,849 --> 00:58:38,930  
you're seeing there are more pages to

1264  
00:58:36,650 --> 00:58:41,028  
this report were actually taken from the

1265  
00:58:38,929 --> 00:58:42,348  
aircraft that it was denied that was up

1266  
00:58:41,028 --> 00:58:45,170  
there showing the interest that they

1267  
00:58:42,349 --> 00:58:47,298  
were not that they were not involved in

1268  
00:58:45,170 --> 00:58:51,139  
so those are in other words military

1269  
00:58:47,298 --> 00:58:53,659  
photographs look letter to Lord Dahl

1270  
00:58:51,139 --> 00:58:55,670  
written for column Andrews from Nicholas

1271  
00:58:53,659 --> 00:58:58,009  
Ridley the Secretary of State in my

1272  
00:58:55,670 --> 00:59:00,769  
prime minister mark Thatcher's cabinet

1273  
00:58:58,009 --> 00:59:03,798  
dear Tony this is to be passed on to me

1274  
00:59:00,768 --> 00:59:05,659  
I promise to report to you anything that

1275  
00:59:03,798 --> 00:59:08,389  
my officials could turn out on the

1276  
00:59:05,659 --> 00:59:10,098  
mysterious circles and cornfields as it

1277  
00:59:08,389 --> 00:59:13,098  
happens a recent issue of the magazine

1278  
00:59:10,099 --> 00:59:15,410  
weather reports a possible theory I

1279  
00:59:13,099 --> 00:59:18,680  
attach a copy of the article for which

1280  
00:59:15,409 --> 00:59:21,048  
you may find interesting the art of the

1281  
00:59:18,679 --> 00:59:23,838  
article argues that the effect can be

1282  
00:59:21,048 --> 00:59:27,338  
explained as a meteorological phenomenon

1283

00:59:23,838 --> 00:59:30,739  
in part associated with local topology

1284  
00:59:27,338 --> 00:59:33,259  
my chief scientist is rather skeptical

1285  
00:59:30,739 --> 00:59:36,199  
of the exact explanation although

1286  
00:59:33,259 --> 00:59:38,719  
interestingly elated to move forward

1287  
00:59:36,199 --> 00:59:40,639  
into official sources as being the

1288  
00:59:38,719 --> 00:59:42,559  
explanation the British government's

1289  
00:59:40,639 --> 00:59:45,920  
official as at far as I understand it

1290  
00:59:42,559 --> 00:59:50,739  
still is that the real kind part of this

1291  
00:59:45,920 --> 00:59:53,749  
phenomena is actually meteorological and

1292  
00:59:50,739 --> 00:59:56,150  
he continues and ends here I believe

1293  
00:59:53,748 --> 00:59:59,598  
this again is that same letter being

1294  
00:59:56,150 --> 01:00:01,690  
forwarded to me from that source but

1295  
00:59:59,599 --> 01:00:03,920  
believes the argument has some promise

1296  
01:00:01,690 --> 01:00:06,199  
hopefully there will be a lively

1297  
01:00:03,920 --> 01:00:07,999

discussion in subsequent issues in the

1298

01:00:06,199 --> 01:00:10,190  
report that you sent me

1299

01:00:07,998 --> 01:00:12,230  
mr. Andrews has promises

1300

01:00:10,190 --> 01:00:15,740  
actual investment to look at a number of

1301

01:00:12,230 --> 01:00:17,000  
other more exotic explanations but it

1302

01:00:15,739 --> 01:00:19,399  
might be one advise to look at the

1303

01:00:17,000 --> 01:00:21,349  
possibility of a natural explanation and

1304

01:00:19,400 --> 01:00:24,740  
this is the one that has gone forward

1305

01:00:21,349 --> 01:00:26,569  
into the official documentation okay

1306

01:00:24,739 --> 01:00:28,579  
we're going to light this up thank you

1307

01:00:26,570 --> 01:00:30,019  
very much we're right on cue for Part C

1308

01:00:28,579 --> 01:00:32,329  
which is going to come very fast out

1309

01:00:30,019 --> 01:00:34,309  
here here and I just end with the last

1310

01:00:32,329 --> 01:00:37,340  
statement in that official report of

1311

01:00:34,309 --> 01:00:39,259  
necks in conclusion he says I hope this

1312  
01:00:37,340 --> 01:00:41,180  
article has clarified the position

1313  
01:00:39,260 --> 01:00:44,030  
concerning the official involvement in

1314  
01:00:41,179 --> 01:00:54,789  
the crop circle mystery well I hope now

1315  
01:00:44,030 --> 01:00:54,790  
it has part to conscious circles

1316  
01:01:03,869 --> 01:01:10,400  
reference to the official file on crop

1317  
01:01:06,960 --> 01:01:15,528  
circles now being enclosed by the mo D

1318  
01:01:10,400 --> 01:01:20,369  
I'm about to show you why I believe that

1319  
01:01:15,528 --> 01:01:22,048  
if it has and I believe that it has some

1320  
01:01:20,369 --> 01:01:24,778  
other departments somewhere

1321  
01:01:22,048 --> 01:01:27,059  
much like the Avery CIA undercover

1322  
01:01:24,778 --> 01:01:30,028  
operation in this country should be

1323  
01:01:27,059 --> 01:01:34,579  
going on these are some of the reasons

1324  
01:01:30,028 --> 01:01:37,679  
why research must continue

1325  
01:01:34,579 --> 01:01:39,240  
well the 24th of August this was not the

1326  
01:01:37,679 --> 01:01:41,969  
first but a number of personal

1327  
01:01:39,239 --> 01:01:45,298  
experiences that I witnessed myself

1328  
01:01:41,969 --> 01:01:47,899  
that leaves me absolutely not wondering

1329  
01:01:45,298 --> 01:01:51,409  
but knowing there is an extremely

1330  
01:01:47,900 --> 01:01:55,200  
extraordinary component to this mystery

1331  
01:01:51,409 --> 01:01:57,838  
well the 24th for was 1986 I was in a

1332  
01:01:55,199 --> 01:02:01,919  
light aircraft with bus detailer you can

1333  
01:01:57,838 --> 01:02:05,068  
see just here flying over chest but head

1334  
01:02:01,920 --> 01:02:06,960  
in Hampshire bus Lee looked to me and he

1335  
01:02:05,068 --> 01:02:09,869  
said and we've been talking about this

1336  
01:02:06,960 --> 01:02:12,239  
trip up until just well one day ago when

1337  
01:02:09,869 --> 01:02:14,660  
I was preparing this talking against

1338  
01:02:12,239 --> 01:02:17,519  
busty every other day he said to me

1339  
01:02:14,659 --> 01:02:19,969  
would it be something Colin to get every

1340

01:02:17,518 --> 01:02:26,129  
circle every design we've seen before

1341  
01:02:19,969 --> 01:02:28,768  
overlaid in 1:1 pattern what you're

1342  
01:02:26,130 --> 01:02:31,380  
looking at is all we had seen up to that

1343  
01:02:28,768 --> 01:02:34,469  
time many of these repeater simple

1344  
01:02:31,380 --> 01:02:36,150  
circles would repeat many signs early 86

1345  
01:02:34,469 --> 01:02:39,268  
to the first circle with a ring repeated

1346  
01:02:36,150 --> 01:02:40,980  
many times the bottom right hand side 85

1347  
01:02:39,268 --> 01:02:43,679  
this was the edge from investigation

1348  
01:02:40,980 --> 01:02:47,039  
repeated many times and now across the

1349  
01:02:43,679 --> 01:02:50,879  
world many times 3 in a straight light -

1350  
01:02:47,039 --> 01:02:57,210  
but mostly single circles simple designs

1351  
01:02:50,880 --> 01:02:59,700  
the following day right there just where

1352  
01:02:57,210 --> 01:03:01,528  
the aircraft was when he said it below

1353  
01:02:59,699 --> 01:03:03,989  
his aircraft with Madame owner Fowler

1354  
01:03:01,528 --> 01:03:06,389

from staining in his aircraft was

1355

01:03:03,989 --> 01:03:10,528

everything we had ever seen overlaid

1356

01:03:06,389 --> 01:03:13,108

just as he had said rusty Taylor did not

1357

01:03:10,528 --> 01:03:13,460

make that that design I did not make

1358

01:03:13,108 --> 01:03:16,159

that

1359

01:03:13,460 --> 01:03:20,210

design but there are its no one can

1360

01:03:16,159 --> 01:03:24,649

laugh at this of mic I mean that's real

1361

01:03:20,210 --> 01:03:26,510

coincidental that's like how many times

1362

01:03:24,650 --> 01:03:29,599

winning the lotto here this is like

1363

01:03:26,510 --> 01:03:32,080

every pattern or one not to all the

1364

01:03:29,599 --> 01:03:34,789

patterns we had seen over those years

1365

01:03:32,079 --> 01:03:37,480

overlaid into exactly what he has worked

1366

01:03:34,789 --> 01:03:43,000

but not just that below the aircraft

1367

01:03:37,480 --> 01:03:45,820

where he said it the day before wow

1368

01:03:43,000 --> 01:03:49,940

that's weird

1369  
01:03:45,820 --> 01:03:53,599  
well in 1987 this is a ring reported

1370  
01:03:49,940 --> 01:03:55,130  
from a pilot flight flying over we

1371  
01:03:53,599 --> 01:03:58,420  
investigated we did all the things we

1372  
01:03:55,130 --> 01:04:00,530  
usually do I went back later alone

1373  
01:03:58,420 --> 01:04:02,570  
reasons we don't need to talk about I

1374  
01:04:00,530 --> 01:04:06,500  
went back for a measurement and I stood

1375  
01:04:02,570 --> 01:04:08,780  
alone and I prayed now I'm not I'm not I

1376  
01:04:06,500 --> 01:04:12,588  
don't go to church regularly I'm not you

1377  
01:04:08,780 --> 01:04:14,630  
know I'm not any it's not a center of my

1378  
01:04:12,588 --> 01:04:16,579  
my being but I believe in something

1379  
01:04:14,630 --> 01:04:19,880  
beyond I believe in something else out

1380  
01:04:16,579 --> 01:04:23,989  
there yes I did but I prayed and I said

1381  
01:04:19,880 --> 01:04:27,858  
please God give me a clue that's what is

1382  
01:04:23,989 --> 01:04:30,769  
happening I heard a sound within seven

1383  
01:04:27,858 --> 01:04:33,250  
feet of where I was stood alone as I

1384  
01:04:30,769 --> 01:04:36,108  
still have my hands together suddenly

1385  
01:04:33,250 --> 01:04:38,449  
there's this sound a sound you're going

1386  
01:04:36,108 --> 01:04:39,769  
to hear a few times in the next few

1387  
01:04:38,449 --> 01:04:42,079  
minutes I think I've got about ten

1388  
01:04:39,769 --> 01:04:44,300  
minutes I believe metro you're going to

1389  
01:04:42,079 --> 01:04:45,799  
hear this sound it's come up time and

1390  
01:04:44,300 --> 01:04:51,070  
time again

1391  
01:04:45,800 --> 01:04:53,539  
same side and that reacted to my force

1392  
01:04:51,070 --> 01:04:55,519  
believe it or not I'm not here to

1393  
01:04:53,539 --> 01:04:59,469  
convince you this is why I am still

1394  
01:04:55,519 --> 01:05:02,269  
stood in front of you 26 years later

1395  
01:04:59,469 --> 01:05:05,509  
1988 south of my town in Andover

1396  
01:05:02,269 --> 01:05:07,369  
Hampshire a circle with two rates well

1397

01:05:05,510 --> 01:05:10,250  
you see there it is we went there we

1398  
01:05:07,369 --> 01:05:12,800  
investigated it we went huh that's where

1399  
01:05:10,250 --> 01:05:15,800  
I lived in Andover just up there in

1400  
01:05:12,800 --> 01:05:19,160  
Hampshire this particular night with my

1401  
01:05:15,800 --> 01:05:22,630  
marriage in batter tattles I'm laid on

1402  
01:05:19,159 --> 01:05:22,629  
the bed and meditating

1403  
01:05:22,980 --> 01:05:30,679  
and I thought again in my head I know

1404  
01:05:27,659 --> 01:05:32,759  
this I just I remember so vividly I

1405  
01:05:30,679 --> 01:05:34,289  
tried to think what pattern they have

1406  
01:05:32,760 --> 01:05:37,140  
not appeared before knowing what had

1407  
01:05:34,289 --> 01:05:38,849  
happened with busty I follow this

1408  
01:05:37,139 --> 01:05:41,730  
pattern I thought well we've never seen

1409  
01:05:38,849 --> 01:05:44,250  
a Celtic cross and I prayed I don't I

1410  
01:05:41,730 --> 01:05:46,349  
mean it was just bizarre with the sand I

1411  
01:05:44,250 --> 01:05:48,210

prayed for this design but you could see

1412

01:05:46,349 --> 01:05:50,280

up over here that has never been seen in

1413

01:05:48,210 --> 01:05:53,608

the fields anywhere and if anybody knows

1414

01:05:50,280 --> 01:05:55,920

of it please let us know not anywhere in

1415

01:05:53,608 --> 01:05:58,529

fact in 1988 at that appear anyone on

1416

01:05:55,920 --> 01:06:03,990

our planet I pray for it and I said

1417

01:05:58,530 --> 01:06:06,599

that's close to my home as possible that

1418

01:06:03,989 --> 01:06:07,858

was the same right that's the circle of

1419

01:06:06,599 --> 01:06:10,859

the two rings that you just saw the

1420

01:06:07,858 --> 01:06:13,949

picture no something else has arrived

1421

01:06:10,858 --> 01:06:16,019

next to it it's exactly the pattern that

1422

01:06:13,949 --> 01:06:18,929

I pray for and you see that field

1423

01:06:16,019 --> 01:06:22,170

boundary that's the closest cereal crop

1424

01:06:18,929 --> 01:06:24,179

to my home that was still available for

1425

01:06:22,170 --> 01:06:27,809

whatever is going on to record its

1426  
01:06:24,179 --> 01:06:31,529  
artwork that is a fact

1427  
01:06:27,809 --> 01:06:33,359  
and in addition right down here it might

1428  
01:06:31,530 --> 01:06:36,450  
seem trivial a minor point I don't think

1429  
01:06:33,358 --> 01:06:38,519  
it is is that in the detail the grain

1430  
01:06:36,449 --> 01:06:41,489  
detail which we are of course got back

1431  
01:06:38,519 --> 01:06:44,639  
to have a look at were the very details

1432  
01:06:41,489 --> 01:06:47,129  
that permitted us scientifically in hard

1433  
01:06:44,639 --> 01:06:50,308  
physical evidence to counter the Doug

1434  
01:06:47,130 --> 01:06:52,440  
and Dave claim of 1990 when they claim

1435  
01:06:50,309 --> 01:06:54,960  
to have made everything we knew we had

1436  
01:06:52,440 --> 01:06:57,298  
something in that design that appeared

1437  
01:06:54,960 --> 01:07:00,510  
mysteriously that night to counter it

1438  
01:06:57,298 --> 01:07:02,548  
and we did we can go into that question

1439  
01:07:00,510 --> 01:07:04,049  
fine if you cut if you like very quickly

1440  
01:07:02,548 --> 01:07:05,429  
now because we're really running down I

1441  
01:07:04,048 --> 01:07:08,519  
know I've got a little bit here to show

1442  
01:07:05,429 --> 01:07:11,669  
you this is the document I'm not allowed

1443  
01:07:08,519 --> 01:07:14,009  
to show you and I still have not shown

1444  
01:07:11,670 --> 01:07:16,108  
you in its full entirety that's an

1445  
01:07:14,010 --> 01:07:18,569  
official police photograph by Hampshire

1446  
01:07:16,108 --> 01:07:21,869  
that's the civilian column Andrews down

1447  
01:07:18,568 --> 01:07:25,139  
there in the blue motor car something

1448  
01:07:21,869 --> 01:07:27,660  
very strange indeed if you think you've

1449  
01:07:25,139 --> 01:07:29,190  
just heard it this I know I was with

1450  
01:07:27,659 --> 01:07:31,259  
Edgar Mitchell last weekend we were

1451  
01:07:29,190 --> 01:07:35,860  
presenting it the Institute in New York

1452  
01:07:31,260 --> 01:07:40,060  
and I do realize this that when the

1453  
01:07:35,860 --> 01:07:42,800  
the reality in which we all kind of

1454

01:07:40,059 --> 01:07:45,349  
carve out for ourselves you know we with

1455  
01:07:42,800 --> 01:07:48,380  
our own rationale for reality is

1456  
01:07:45,349 --> 01:07:50,839  
individual and I know that when you hear

1457  
01:07:48,380 --> 01:07:53,180  
the sound and then a crop circle appears

1458  
01:07:50,840 --> 01:07:54,950  
and then this and that it's kind of

1459  
01:07:53,179 --> 01:07:57,199  
really challenged and there comes a

1460  
01:07:54,949 --> 01:07:59,869  
point where you can just simply turn it

1461  
01:07:57,199 --> 01:08:02,239  
off because it's the they're trying to

1462  
01:07:59,869 --> 01:08:04,400  
kind of rationalized or and I'm going to

1463  
01:08:02,239 --> 01:08:07,009  
be doing a little bit of that so here

1464  
01:08:04,400 --> 01:08:08,720  
goes and I know that my credibility is

1465  
01:08:07,010 --> 01:08:11,420  
on the line if this is where we need to

1466  
01:08:08,719 --> 01:08:14,239  
go with this this really basically is

1467  
01:08:11,420 --> 01:08:17,300  
why I'm back this is what happened and

1468  
01:08:14,239 --> 01:08:19,489

this is why for reasons I cannot tell

1469

01:08:17,300 --> 01:08:24,230

you this lever has been withdrawn from

1470

01:08:19,489 --> 01:08:27,829

the internet this is the team that was

1471

01:08:24,229 --> 01:08:29,599

there that was sat in the larger of the

1472

01:08:27,829 --> 01:08:32,689

circles at the left this is also a

1473

01:08:29,600 --> 01:08:34,910

Hampshire police photograph here we

1474

01:08:32,689 --> 01:08:38,179

after operation white crow which was

1475

01:08:34,909 --> 01:08:40,159

also a surveillance operation we this

1476

01:08:38,180 --> 01:08:41,630

team here that you're seeing plus three

1477

01:08:40,159 --> 01:08:43,099

photographs I'm afraid I couldn't get to

1478

01:08:41,630 --> 01:08:45,680

supply there's not a problem I just

1479

01:08:43,100 --> 01:08:48,020

didn't have time to get it for you this

1480

01:08:45,680 --> 01:08:49,670

is the team that went there and we've

1481

01:08:48,020 --> 01:08:51,470

sat in that circle just after midnight

1482

01:08:49,670 --> 01:08:53,770

surveillance operation is winding down

1483  
01:08:51,470 --> 01:08:56,570  
we had nothing to show for it basically

1484  
01:08:53,770 --> 01:09:00,380  
and we sat there now one of these

1485  
01:08:56,569 --> 01:09:02,179  
peoples is Riza called over over the far

1486  
01:09:00,380 --> 01:09:04,060  
right-hand side there is known in Great

1487  
01:09:02,180 --> 01:09:08,960  
Britain she's been researched many times

1488  
01:09:04,060 --> 01:09:10,820  
by the psychic research people there for

1489  
01:09:08,960 --> 01:09:13,730  
manifestations of all kinds I mean she's

1490  
01:09:10,819 --> 01:09:15,529  
got an extraordinary kind of record she

1491  
01:09:13,729 --> 01:09:17,209  
was one of them like she had asked if

1492  
01:09:15,529 --> 01:09:19,069  
she could come in and we were happy to

1493  
01:09:17,210 --> 01:09:20,630  
have her aboard I mention it because it

1494  
01:09:19,069 --> 01:09:24,619  
might be relevant I don't know

1495  
01:09:20,630 --> 01:09:27,529  
so we're there just after midnight my

1496  
01:09:24,619 --> 01:09:29,720  
old friend turned out the sound that you

1497  
01:09:27,529 --> 01:09:33,109  
are about to hear that has been heard

1498  
01:09:29,720 --> 01:09:35,990  
many very bizarre circumstances and it

1499  
01:09:33,109 --> 01:09:39,710  
did some strange things it came in from

1500  
01:09:35,989 --> 01:09:43,550  
the east it moved it went around the

1501  
01:09:39,710 --> 01:09:45,980  
group of us as if knowing precisely we

1502  
01:09:43,550 --> 01:09:47,300  
were there we kind of huddled in because

1503  
01:09:45,979 --> 01:09:50,299  
it you'll hear the

1504  
01:09:47,300 --> 01:09:52,820  
is a broad bazaar Electric static

1505  
01:09:50,300 --> 01:09:54,949  
crackling kind of saying and we kind of

1506  
01:09:52,819 --> 01:09:57,859  
hustle they're like children like what

1507  
01:09:54,949 --> 01:10:00,260  
the hell is going on and it's buzzing

1508  
01:09:57,859 --> 01:10:03,769  
around us stereophonic Lee I've got one

1509  
01:10:00,260 --> 01:10:05,810  
bad ear wasn't so fat then it is now but

1510  
01:10:03,770 --> 01:10:07,580  
the cereal Faunus was still very very

1511

01:10:05,810 --> 01:10:09,470  
relevant rather it wasn't buzzing around

1512  
01:10:07,579 --> 01:10:11,569  
us and then it came back and its class

1513  
01:10:09,470 --> 01:10:13,039  
stopped over there and we're all

1514  
01:10:11,569 --> 01:10:15,349  
watching it all of us are witness to

1515  
01:10:13,039 --> 01:10:17,600  
this it's stopped there there's a

1516  
01:10:15,350 --> 01:10:20,600  
dramatic temperature drop we all felt

1517  
01:10:17,600 --> 01:10:22,400  
that we had a weather station on site we

1518  
01:10:20,600 --> 01:10:24,650  
had a meteorologist head of the tornado

1519  
01:10:22,399 --> 01:10:27,710  
storm research organization dr. Chan's

1520  
01:10:24,649 --> 01:10:30,170  
meeting only he was not in that circle

1521  
01:10:27,710 --> 01:10:32,630  
that night he was responsible for the

1522  
01:10:30,170 --> 01:10:34,730  
weather station confirming as all this

1523  
01:10:32,630 --> 01:10:37,270  
is going on the temperature took a

1524  
01:10:34,729 --> 01:10:40,609  
nosedive the barometric or pressure

1525  
01:10:37,270 --> 01:10:44,560

atmospheric pressure dropped off the

1526

01:10:40,609 --> 01:10:47,719

chart same time and this sound is

1527

01:10:44,560 --> 01:10:49,070

interacting with us and then something

1528

01:10:47,720 --> 01:10:52,250

which I have never witnessed in my life

1529

01:10:49,069 --> 01:10:54,049

I probably never will again and the man

1530

01:10:52,250 --> 01:10:57,979

is in hospital right now who is my

1531

01:10:54,050 --> 01:10:59,449

witness Pappagallo went up to that sound

1532

01:10:57,979 --> 01:11:02,779

as the rest of us were clustered

1533

01:10:59,449 --> 01:11:04,970

together and he literally went backwards

1534

01:11:02,779 --> 01:11:08,389

at an angle which he should have fallen

1535

01:11:04,970 --> 01:11:11,750

about 45 degrees and was dragged back

1536

01:11:08,390 --> 01:11:14,240

towards the sound he put his hand out to

1537

01:11:11,750 --> 01:11:16,670

me like this his face was like and he

1538

01:11:14,239 --> 01:11:18,199

said literary calling calling and I went

1539

01:11:16,670 --> 01:11:21,199

across the circle witnessed by these

1540  
01:11:18,199 --> 01:11:22,729  
other people got a whole room and the

1541  
01:11:21,199 --> 01:11:25,309  
both of us were dragged back towards the

1542  
01:11:22,729 --> 01:11:27,109  
same until I made every effort not

1543  
01:11:25,310 --> 01:11:29,960  
knowing what in the world was happening

1544  
01:11:27,109 --> 01:11:32,449  
pulled him physically it was like

1545  
01:11:29,960 --> 01:11:37,039  
pulling a bubble two bubbles apart it's

1546  
01:11:32,449 --> 01:11:39,800  
like and we were free we came back to

1547  
01:11:37,039 --> 01:11:42,109  
the others sand moved back to the east

1548  
01:11:39,800 --> 01:11:45,860  
but stayed there we could hear it for

1549  
01:11:42,109 --> 01:11:47,989  
some several hours and recorded it

1550  
01:11:45,859 --> 01:11:49,789  
there's more to be said about that on on

1551  
01:11:47,989 --> 01:11:51,199  
to five minutes so I'm going to run it

1552  
01:11:49,789 --> 01:11:54,109  
right through now this is the sound

1553  
01:11:51,199 --> 01:11:57,880  
being analyzed many times as 5.2

1554  
01:11:54,109 --> 01:11:57,880  
kilohertz in order frequency

1555  
01:12:01,090 --> 01:12:08,179  
yes sorry I'm just not conversant with

1556  
01:12:03,559 --> 01:12:09,920  
this knives here we go these are just

1557  
01:12:08,179 --> 01:12:28,099  
sound bites that it continued it was

1558  
01:12:09,920 --> 01:12:32,769  
continuous this is slow bang by 50% okay

1559  
01:12:28,099 --> 01:12:36,019  
we move on and the following morning

1560  
01:12:32,769 --> 01:12:38,570  
George Wingfield has posted his official

1561  
01:12:36,019 --> 01:12:42,559  
report of which also went to high levels

1562  
01:12:38,569 --> 01:12:43,969  
of government after this is on my

1563  
01:12:42,559 --> 01:12:45,400  
website if you want to check the sake

1564  
01:12:43,969 --> 01:12:51,590  
because we're running out of time

1565  
01:12:45,399 --> 01:12:55,578  
Packard George Wingfield audibly spoke

1566  
01:12:51,590 --> 01:12:57,288  
to the sound I say miss this is a guy

1567  
01:12:55,578 --> 01:12:58,849  
that's trying to be so credible over so

1568

01:12:57,288 --> 01:13:01,639  
many years approaching this from a

1569  
01:12:58,849 --> 01:13:04,130  
scientific angle it's hard sometimes to

1570  
01:13:01,639 --> 01:13:06,710  
kind of just say it as it is we have

1571  
01:13:04,130 --> 01:13:10,000  
reached that time George said to the

1572  
01:13:06,710 --> 01:13:12,859  
sang could you please make it a circle

1573  
01:13:10,000 --> 01:13:15,828  
well the next day those are also

1574  
01:13:12,859 --> 01:13:19,729  
Hampshire police photographs right over

1575  
01:13:15,828 --> 01:13:22,219  
the hill was a new circle no Pat Delgado

1576  
01:13:19,729 --> 01:13:26,029  
this was just weeks ago before he became

1577  
01:13:22,219 --> 01:13:27,469  
so ill on a hunch went back to chess

1578  
01:13:26,029 --> 01:13:29,868  
flathead we were in touch with one

1579  
01:13:27,469 --> 01:13:31,969  
another I live in Connecticut now Pat is

1580  
01:13:29,868 --> 01:13:33,799  
very little still lives very close to

1581  
01:13:31,969 --> 01:13:36,198  
chess if it had operations like Loeb

1582  
01:13:33,800 --> 01:13:38,480

program we've just been looking at he

1583

01:13:36,198 --> 01:13:42,408  
went back and recorded the sounds from

1584

01:13:38,479 --> 01:13:44,299  
the trees that sounds strange perhaps

1585

01:13:42,408 --> 01:13:46,670  
remember he is an electro mechanical

1586

01:13:44,300 --> 01:13:48,650  
design engineer at NASA if a guy is

1587

01:13:46,670 --> 01:13:52,849  
thinking on every level and so

1588

01:13:48,649 --> 01:13:54,729  
wonderfully outside the box that's where

1589

01:13:52,849 --> 01:13:57,949  
we got to go now this is the sound

1590

01:13:54,729 --> 01:13:59,629  
recorded I should just say this is by

1591

01:13:57,948 --> 01:14:01,518  
sticking a probe in the trunk of the

1592

01:13:59,630 --> 01:14:03,500  
tree at about a meter and the other

1593

01:14:01,519 --> 01:14:05,829  
probe in the ground about a meter into

1594

01:14:03,500 --> 01:14:05,828  
the ground

1595

01:14:20,029 --> 01:14:25,800  
that's the same coming out the trees now

1596

01:14:23,309 --> 01:14:27,420  
this is the analysis by wind cage IBM a

1597  
01:14:25,800 --> 01:14:29,820  
analyst programmer engineering

1598  
01:14:27,420 --> 01:14:31,649  
technologies at Rolls Royce just

1599  
01:14:29,819 --> 01:14:35,429  
recently a couple of weeks ago for me

1600  
01:14:31,649 --> 01:14:37,738  
for us and there is a very close match

1601  
01:14:35,429 --> 01:14:39,449  
this is the spectrum very close to white

1602  
01:14:37,738 --> 01:14:42,208  
crow which is also the dolphin's

1603  
01:14:39,448 --> 01:14:44,129  
communication frequency and that used by

1604  
01:14:42,208 --> 01:14:49,679  
the net lead but in the United States

1605  
01:14:44,130 --> 01:14:51,779  
Navy submarines BBC I'm sorry to move on

1606  
01:14:49,679 --> 01:14:53,420  
like this I knew I'd give myself a

1607  
01:14:51,779 --> 01:14:56,300  
challenge there's so much to tell you

1608  
01:14:53,420 --> 01:14:58,670  
this happened in July 89 it hit the

1609  
01:14:56,300 --> 01:15:03,269  
headlines in Great Britain in the time

1610  
01:14:58,670 --> 01:15:05,880  
the sound again this is the actual

1611  
01:15:03,269 --> 01:15:08,610  
headline UFO blast TV proof rum circle

1612  
01:15:05,880 --> 01:15:10,260  
of pouring well this is what happened we

1613  
01:15:08,609 --> 01:15:12,658  
were making your television documentary

1614  
01:15:10,260 --> 01:15:15,269  
for BBC televisions Pat dog out on

1615  
01:15:12,658 --> 01:15:16,679  
myself this is Pat liked it finished my

1616  
01:15:15,269 --> 01:15:19,739  
interview and I've stood next to the

1617  
01:15:16,679 --> 01:15:21,208  
same man bottom left Pat is in the

1618  
01:15:19,738 --> 01:15:22,919  
circle that you've got here the very

1619  
01:15:21,208 --> 01:15:25,408  
moment this happened actually off the

1620  
01:15:22,920 --> 01:15:27,658  
screen this is Pat in the circle and

1621  
01:15:25,408 --> 01:15:31,138  
he's got a radio mic like I've got on my

1622  
01:15:27,658 --> 01:15:32,848  
belt here Pat's got it and suddenly I'm

1623  
01:15:31,139 --> 01:15:35,550  
here in my old friend again and I said

1624  
01:15:32,849 --> 01:15:38,819  
that is on the film the sound engineer

1625

01:15:35,550 --> 01:15:41,788  
is going what is that it's the same son

1626  
01:15:38,819 --> 01:15:44,340  
the same is shown and Patterson I can

1627  
01:15:41,788 --> 01:15:46,768  
feel it it's all over me it's his hair

1628  
01:15:44,340 --> 01:15:49,439  
stood up his arms or rip the hair and

1629  
01:15:46,769 --> 01:15:51,329  
arms or raised the lights come on the

1630  
01:15:49,439 --> 01:15:54,420  
television camera the television camera

1631  
01:15:51,328 --> 01:15:57,899  
is destroyed the BBC guy is recording it

1632  
01:15:54,420 --> 01:15:59,489  
second time we've got a recording and so

1633  
01:15:57,899 --> 01:16:01,259  
the sound engineer came to the

1634  
01:15:59,488 --> 01:16:03,478  
television studios at Pebble Mill as you

1635  
01:16:01,260 --> 01:16:05,369  
can see bottom right with Pat Pagano

1636  
01:16:03,479 --> 01:16:07,199  
myself and we're talking about this

1637  
01:16:05,368 --> 01:16:09,328  
extraordinary series of circumstances

1638  
01:16:07,198 --> 01:16:12,149  
which was reported on television camera

1639  
01:16:09,328 --> 01:16:15,208

before it was destroyed and on sound

1640  
01:16:12,149 --> 01:16:16,558  
before that to stop working and as they

1641  
01:16:15,208 --> 01:16:18,779  
went to transmit it to the British

1642  
01:16:16,559 --> 01:16:21,269  
people from Pebble Mill studios in

1643  
01:16:18,779 --> 01:16:25,130  
Birmingham the entire power to the

1644  
01:16:21,269 --> 01:16:27,780  
studio was lost show out the country and

1645  
01:16:25,130 --> 01:16:29,248  
so the transmission any of you can pick

1646  
01:16:27,779 --> 01:16:30,469  
this up it's all on the internet you can

1647  
01:16:29,248 --> 01:16:32,929  
go and listen to it

1648  
01:16:30,470 --> 01:16:35,119  
you can the bleep goes in the program at

1649  
01:16:32,930 --> 01:16:37,369  
the precise moment of the transmission

1650  
01:16:35,119 --> 01:16:40,010  
and so their generators kicked into the

1651  
01:16:37,369 --> 01:16:49,640  
studios to take the program back forward

1652  
01:16:40,010 --> 01:16:53,119  
and this is the BBC side if I get that

1653  
01:16:49,640 --> 01:17:00,530  
this is a delicate Mouse sorry about

1654  
01:16:53,119 --> 01:17:03,979  
this oh all right okay the short bites

1655  
01:17:00,529 --> 01:17:06,139  
but it was continuous I'm going to cut

1656  
01:17:03,979 --> 01:17:08,329  
it short because of time that's five

1657  
01:17:06,140 --> 01:17:10,880  
point two kilohertz inaudible frequency

1658  
01:17:08,329 --> 01:17:13,630  
we're looking real close matching here

1659  
01:17:10,880 --> 01:17:20,210  
six of July 1995 10:00 p.m.

1660  
01:17:13,630 --> 01:17:21,680  
what happened oh okay it's kind of

1661  
01:17:20,210 --> 01:17:23,930  
really important I don't really get me

1662  
01:17:21,680 --> 01:17:27,380  
minutes here can you be in a position to

1663  
01:17:23,930 --> 01:17:28,550  
give me five I do apologize but it's

1664  
01:17:27,380 --> 01:17:31,880  
kind of really important to bring us

1665  
01:17:28,550 --> 01:17:34,640  
into the end of this two circles

1666  
01:17:31,880 --> 01:17:36,770  
connected by a loop put in there by

1667  
01:17:34,640 --> 01:17:39,800  
researchers known to me it was done too

1668  
01:17:36,770 --> 01:17:41,930  
reliant tests the biology that was being

1669  
01:17:39,800 --> 01:17:45,230  
done they plant analysis researching in

1670  
01:17:41,930 --> 01:17:47,780  
this country and testing reaction of

1671  
01:17:45,229 --> 01:17:49,729  
researchers as to what they saw what

1672  
01:17:47,779 --> 01:17:51,259  
they felt and I had nothing to do with

1673  
01:17:49,729 --> 01:17:53,569  
it other than that I do know the people

1674  
01:17:51,260 --> 01:17:55,789  
that did this and they told me they did

1675  
01:17:53,569 --> 01:17:57,759  
it today the day that the vet it was

1676  
01:17:55,789 --> 01:18:03,010  
done this was at 10:00 p.m.

1677  
01:17:57,760 --> 01:18:03,010  
made by people there what what happened

1678  
01:18:03,399 --> 01:18:09,859  
this was the next morning 12 hours later

1679  
01:18:07,239 --> 01:18:12,800  
two more circles that have have appeared

1680  
01:18:09,859 --> 01:18:14,509  
in that field not man-made where the

1681  
01:18:12,800 --> 01:18:19,940  
chlorophyll you heard this also in the

1682

01:18:14,510 --> 01:18:22,039  
previous UFO presentation the

1683  
01:18:19,939 --> 01:18:24,529  
chlorophyll had been removed in these

1684  
01:18:22,039 --> 01:18:27,710  
circles and it's not just circles these

1685  
01:18:24,529 --> 01:18:30,829  
circles in with respect to that that was

1686  
01:18:27,710 --> 01:18:33,500  
man-made now for a perfect equilateral

1687  
01:18:30,829 --> 01:18:36,289  
triangle the major axis through the

1688  
01:18:33,500 --> 01:18:39,560  
man-made the two man-made cut the exact

1689  
01:18:36,289 --> 01:18:42,369  
center point of the baseline of the new

1690  
01:18:39,560 --> 01:18:43,489  
arrivals so the second event was

1691  
01:18:42,369 --> 01:18:46,639  
absolutely

1692  
01:18:43,488 --> 01:18:51,198  
aware of the first and we have a symbol

1693  
01:18:46,639 --> 01:18:52,279  
which I believe is of importance in the

1694  
01:18:51,198 --> 01:18:54,169  
field next door

1695  
01:18:52,279 --> 01:18:57,018  
nothing to do with the people that made

1696  
01:18:54,170 --> 01:19:00,979

those two little circles is a monster

1697

01:18:57,019 --> 01:19:03,409

this monster appeared in the field right

1698

01:19:00,979 --> 01:19:05,719

next door as they were doing it or if a

1699

01:19:03,408 --> 01:19:09,558

same night that they had nothing to do

1700

01:19:05,719 --> 01:19:12,340

with and it to reference to chlorophyll

1701

01:19:09,559 --> 01:19:15,559

free areas in that field

1702

01:19:12,340 --> 01:19:18,050

exactly center of the design which

1703

01:19:15,559 --> 01:19:21,800

cannot be seen at ground level by day

1704

01:19:18,050 --> 01:19:25,219

and sure as hell by night but it's

1705

01:19:21,800 --> 01:19:28,909

referenced positioned located with

1706

01:19:25,219 --> 01:19:31,849

accuracy and that's it from the map to

1707

01:19:28,908 --> 01:19:36,158

show you the placement that's not

1708

01:19:31,849 --> 01:19:38,599

unusual this is a another large design

1709

01:19:36,158 --> 01:19:40,609

positioned in the landscape with respect

1710

01:19:38,599 --> 01:19:43,610

to the watershed the water runoff of the

1711  
01:19:40,609 --> 01:19:46,639  
chemicals that we are eating this is the

1712  
01:19:43,609 --> 01:19:48,259  
chemical wash off patterning that is

1713  
01:19:46,639 --> 01:19:50,840  
created that can be seen from higher

1714  
01:19:48,260 --> 01:19:53,689  
elevations and the design referencing

1715  
01:19:50,840 --> 01:19:57,889  
dead center and again this is a Roman

1716  
01:19:53,689 --> 01:19:59,630  
Road from from London to Bath which

1717  
01:19:57,889 --> 01:20:03,288  
can't be seen at ground level of the

1718  
01:19:59,630 --> 01:20:05,420  
design dead set that's a Roman Road this

1719  
01:20:03,288 --> 01:20:08,809  
is a Tai Chi instructor and Ram Prasad

1720  
01:20:05,420 --> 01:20:11,599  
who decided to make crop circles what go

1721  
01:20:08,809 --> 01:20:13,670  
into the reasons why he did this is the

1722  
01:20:11,599 --> 01:20:15,288  
design he drew with his brother and said

1723  
01:20:13,670 --> 01:20:16,939  
we're going to make this we're going to

1724  
01:20:15,288 --> 01:20:19,788  
test it we're going to do all these kind

1725  
01:20:16,939 --> 01:20:22,579  
of things with Tai Chi and we're going

1726  
01:20:19,788 --> 01:20:27,679  
to make it at Barbary castle and

1727  
01:20:22,578 --> 01:20:30,768  
Wiltshire his brother fell ill but that

1728  
01:20:27,679 --> 01:20:34,429  
appeared anyway in the very field they

1729  
01:20:30,769 --> 01:20:34,939  
planned to put it they had nothing to do

1730  
01:20:34,429 --> 01:20:40,158  
with it

1731  
01:20:34,939 --> 01:20:43,760  
say night same field same design how far

1732  
01:20:40,158 --> 01:20:45,768  
are we pushing credibility here this is

1733  
01:20:43,760 --> 01:20:48,650  
a journalist Ned

1734  
01:20:45,769 --> 01:20:49,869  
pavulon work for Hospital radio in

1735  
01:20:48,649 --> 01:20:52,670  
England

1736  
01:20:49,868 --> 01:20:54,710  
1994 he went in with circlemakers they

1737  
01:20:52,670 --> 01:20:57,770  
are well known for it in London making

1738  
01:20:54,710 --> 01:20:59,569  
wonderful crop circles and witnessed and

1739

01:20:57,770 --> 01:21:01,520  
you can listen to his audio on the

1740  
01:20:59,569 --> 01:21:04,759  
internet I had it with me we don't have

1741  
01:21:01,520 --> 01:21:07,700  
time to play it witnessing for himself

1742  
01:21:04,760 --> 01:21:09,949  
these bizarre flashes of light that just

1743  
01:21:07,699 --> 01:21:12,170  
come out of nowhere in their nighttime

1744  
01:21:09,949 --> 01:21:14,179  
making the circle they went back a

1745  
01:21:12,170 --> 01:21:15,710  
second day to finish it and they have

1746  
01:21:14,180 --> 01:21:18,469  
the same thing happen again

1747  
01:21:15,710 --> 01:21:21,439  
these flashes of light no lightning no

1748  
01:21:18,469 --> 01:21:23,989  
human linear bus clouds calm conditions

1749  
01:21:21,439 --> 01:21:25,639  
I've seen this myself my mum and dad

1750  
01:21:23,988 --> 01:21:28,789  
were with me on one occasion brought

1751  
01:21:25,640 --> 01:21:31,280  
they'd like the dog step back a flash of

1752  
01:21:28,789 --> 01:21:34,039  
light out of nowhere and all I'm doing

1753  
01:21:31,279 --> 01:21:36,019

is measuring a crop circle and so we

1754

01:21:34,039 --> 01:21:38,988

measured the brains of many many people

1755

01:21:36,020 --> 01:21:41,420

with the very scientists who it right in

1756

01:21:38,988 --> 01:21:43,879

front of me massacre Okada the obv a

1757

01:21:41,420 --> 01:21:46,569

system that he invented as in many

1758

01:21:43,880 --> 01:21:48,890

hospitals in this country and a

1759

01:21:46,569 --> 01:21:50,569

wonderful piece of technology which is

1760

01:21:48,890 --> 01:21:52,730

called way further down the road now

1761

01:21:50,569 --> 01:21:55,549

measuring the brains if there's

1762

01:21:52,729 --> 01:21:57,919

something that we are interacting with

1763

01:21:55,550 --> 01:21:59,659

or it is interacting with us is there

1764

01:21:57,920 --> 01:22:01,489

anything that we can measure is there

1765

01:21:59,659 --> 01:22:04,039

anything we can get our handle on a

1766

01:22:01,488 --> 01:22:06,619

handle on that connects this thing

1767

01:22:04,039 --> 01:22:09,079

together well we had dozers this was

1768  
01:22:06,619 --> 01:22:12,380  
Richard Andrews who was unfortunately no

1769  
01:22:09,079 --> 01:22:14,269  
pass Richard did some great work and uh

1770  
01:22:12,380 --> 01:22:16,730  
I was wired up myself with the Daisy

1771  
01:22:14,270 --> 01:22:17,690  
this is what we found a trained eye will

1772  
01:22:16,729 --> 01:22:19,579  
pick the same and we're not going to

1773  
01:22:17,689 --> 01:22:21,829  
hang around on it he's an increased

1774  
01:22:19,579 --> 01:22:23,329  
alpha spike when the dowsing rods

1775  
01:22:21,829 --> 01:22:25,909  
there's wonderful things that housing

1776  
01:22:23,329 --> 01:22:28,789  
was also denied by many people the party

1777  
01:22:25,909 --> 01:22:30,500  
trick of which it is not the Daisy was

1778  
01:22:28,789 --> 01:22:32,988  
that he set water to take many other

1779  
01:22:30,500 --> 01:22:34,760  
things so the rod moves and tells us the

1780  
01:22:32,988 --> 01:22:37,729  
direction of the crop circle on this

1781  
01:22:34,760 --> 01:22:41,060  
perimeter and at the same time there's

1782  
01:22:37,729 --> 01:22:42,949  
an alpha tweak that will peak on both

1783  
01:22:41,060 --> 01:22:46,789  
right and left-hand side of the brain

1784  
01:22:42,949 --> 01:22:48,979  
there's examples where a very unusual

1785  
01:22:46,789 --> 01:22:51,649  
massive hero would be better talkin to

1786  
01:22:48,979 --> 01:22:54,289  
this deny there's a coherence between

1787  
01:22:51,649 --> 01:22:56,929  
both sides of the brains that have been

1788  
01:22:54,289 --> 01:22:58,699  
measured there this is also of interest

1789  
01:22:56,930 --> 01:22:59,590  
and I think this kind of begins to hone

1790  
01:22:58,699 --> 01:23:02,720  
into it

1791  
01:22:59,590 --> 01:23:05,659  
here's an array of individuals an array

1792  
01:23:02,720 --> 01:23:08,390  
of interests dancers non-dancers

1793  
01:23:05,659 --> 01:23:11,720  
believers skeptics I hate that term by

1794  
01:23:08,390 --> 01:23:13,720  
the way of which I've just used see how

1795  
01:23:11,720 --> 01:23:16,220  
it gets to you done there

1796

01:23:13,720 --> 01:23:18,590  
my friend here of some of you will know

1797  
01:23:16,220 --> 01:23:20,869  
reg Presley of the trogs Wild Thing you

1798  
01:23:18,590 --> 01:23:24,650  
make my heart sing well he is my buddy

1799  
01:23:20,869 --> 01:23:26,539  
and here he is he's an artist well that

1800  
01:23:24,649 --> 01:23:30,469  
might be something in here now when we

1801  
01:23:26,539 --> 01:23:33,789  
meditate when we find the elf waves and

1802  
01:23:30,470 --> 01:23:36,409  
we work with the elf always in our minds

1803  
01:23:33,789 --> 01:23:38,810  
something special happens

1804  
01:23:36,409 --> 01:23:41,510  
this woman is Isabelle Kingston at the

1805  
01:23:38,810 --> 01:23:43,670  
bottom they just look at the graph that

1806  
01:23:41,510 --> 01:23:47,239  
we have here for her this is in and

1807  
01:23:43,670 --> 01:23:50,329  
around circles now this person practices

1808  
01:23:47,239 --> 01:23:52,010  
meditation kind of important it's just

1809  
01:23:50,329 --> 01:23:53,420  
like a muscle you know the more you use

1810  
01:23:52,010 --> 01:23:56,510

it the stronger it gets

1811  
01:23:53,420 --> 01:23:59,480  
and so jumping from one thing to another

1812  
01:23:56,510 --> 01:24:03,050  
kind of close here this was from the

1813  
01:23:59,479 --> 01:24:05,869  
media investigation of crop circles john

1814  
01:24:03,050 --> 01:24:09,470  
McNish x BBC television no hemp is his

1815  
01:24:05,869 --> 01:24:12,130  
own business putting together a final

1816  
01:24:09,470 --> 01:24:14,360  
documentary on the crop circles

1817  
01:24:12,130 --> 01:24:16,609  
analyzing the book which was going out

1818  
01:24:14,359 --> 01:24:20,389  
with the television documentary the

1819  
01:24:16,609 --> 01:24:23,000  
answer is here and the absolute john

1820  
01:24:20,390 --> 01:24:25,190  
thought was they're all made by people

1821  
01:24:23,000 --> 01:24:29,720  
and the story Doug and Dave have told

1822  
01:24:25,189 --> 01:24:31,969  
you is true until minutes just moments

1823  
01:24:29,720 --> 01:24:34,730  
from finalizing his script this

1824  
01:24:31,970 --> 01:24:37,369  
conversation came out this is Doug and

1825  
01:24:34,729 --> 01:24:40,099  
Dave with John there I can't explain it

1826  
01:24:37,369 --> 01:24:41,720  
daily can't explain this is dud of the

1827  
01:24:40,100 --> 01:24:44,030  
duggar day of people attending the

1828  
01:24:41,720 --> 01:24:46,190  
senior citizens who who said they may

1829  
01:24:44,029 --> 01:24:48,170  
pop circles Dave can't explain it either

1830  
01:24:46,189 --> 01:24:49,849  
but when we were sitting in the field

1831  
01:24:48,170 --> 01:24:51,949  
and looking at the whole thing that

1832  
01:24:49,850 --> 01:24:54,470  
feeling comes through us that feeling of

1833  
01:24:51,949 --> 01:24:57,409  
mystery that feeling of where are we

1834  
01:24:54,470 --> 01:25:00,380  
here at all there was a long silence as

1835  
01:24:57,409 --> 01:25:03,680  
Doug sat staring at me then Dave picked

1836  
01:25:00,380 --> 01:25:07,130  
up don't use to say to me sometimes

1837  
01:25:03,680 --> 01:25:09,710  
while we were eight and we just done one

1838  
01:25:07,130 --> 01:25:10,389  
meaning made a crop circle why do we do

1839  
01:25:09,710 --> 01:25:12,639  
it

1840  
01:25:10,389 --> 01:25:15,340  
and we could never explain that certain

1841  
01:25:12,639 --> 01:25:20,170  
thing and don't use to say do you think

1842  
01:25:15,340 --> 01:25:24,610  
there's something that makes us and that

1843  
01:25:20,170 --> 01:25:29,020  
did and still does really get to us were

1844  
01:25:24,609 --> 01:25:33,309  
we being told to almost go out and make

1845  
01:25:29,020 --> 01:25:36,280  
them I know it sounds crazy well you

1846  
01:25:33,310 --> 01:25:38,159  
know to be frank with you it doesn't for

1847  
01:25:36,279 --> 01:25:42,009  
me at all

1848  
01:25:38,158 --> 01:25:45,698  
we are part of this one on whether by

1849  
01:25:42,010 --> 01:25:48,520  
accident or not we are now engaged in a

1850  
01:25:45,698 --> 01:25:54,069  
social experiment whether that was

1851  
01:25:48,520 --> 01:25:56,800  
engineered by somebody somewhere or

1852  
01:25:54,069 --> 01:25:59,618  
whether it happened by accident that's

1853

01:25:56,800 --> 01:26:02,619  
where we know our the only way we can

1854  
01:25:59,618 --> 01:26:04,630  
take this forward is to drop the fences

1855  
01:26:02,618 --> 01:26:06,250  
I believe there was more by the way to

1856  
01:26:04,630 --> 01:26:08,980  
the presentation I'm going to hold it

1857  
01:26:06,250 --> 01:26:13,448  
here though because of the time factor

1858  
01:26:08,979 --> 01:26:16,559  
I really do feel that we are directly

1859  
01:26:13,448 --> 01:26:19,319  
involved in this and that it is our

1860  
01:26:16,560 --> 01:26:22,420  
positioning from where we had first come

1861  
01:26:19,319 --> 01:26:25,509  
an acknowledgement and a realization of

1862  
01:26:22,420 --> 01:26:27,429  
how we got here with all that spin with

1863  
01:26:25,510 --> 01:26:29,500  
all that distortion with fighting wars

1864  
01:26:27,429 --> 01:26:30,940  
that didn't need to be for and knowing

1865  
01:26:29,500 --> 01:26:33,609  
the next ones coming if we don't do

1866  
01:26:30,939 --> 01:26:37,539  
something about it all of that all of

1867  
01:26:33,609 --> 01:26:39,809

that needs now to be placed right in

1868

01:26:37,539 --> 01:26:45,359

front of us and people who represent us

1869

01:26:39,810 --> 01:26:48,639

because the future will already be if we

1870

01:26:45,359 --> 01:26:50,738

understand many I'm sorry to say this I

1871

01:26:48,639 --> 01:26:54,250

am myself of the male sex I hope you can

1872

01:26:50,738 --> 01:26:57,849

see men in particular need to be able to

1873

01:26:54,250 --> 01:27:00,639

use the word understand the word love

1874

01:26:57,850 --> 01:27:04,719

and know what it's about

1875

01:27:00,639 --> 01:27:07,090

because there lies the future right

1876

01:27:04,719 --> 01:27:09,550

there it is as simple as that there is

1877

01:27:07,090 --> 01:27:13,420

so much going on here but it's access

1878

01:27:09,550 --> 01:27:15,600

time forward together ahead thanks very

1879

01:27:13,420 --> 01:27:15,600

much

1880

01:27:18,569 --> 01:27:21,689

thank you
