

1
00:00:00,000 --> 00:00:05,339
I heard a couple of women there the Air

2
00:00:02,250 --> 00:00:07,049
Force talking about aircraft flying in

3
00:00:05,339 --> 00:00:11,910
and out of the atmosphere at Mach 10

4
00:00:07,049 --> 00:00:14,940
plus it's not an infrequent occurrence

5
00:00:11,910 --> 00:00:18,420
out there they have quite often there

6
00:00:14,939 --> 00:00:23,039
were probably 1,500 reported cases at

7
00:00:18,420 --> 00:00:25,439
that time I have over 3,000 cases now

8
00:00:23,039 --> 00:00:28,380
they estimated a hundred yards from the

9
00:00:25,439 --> 00:00:30,660
left wing was this hundred-foot disk and

10
00:00:28,379 --> 00:00:33,359
the strength of the signal is as strong

11
00:00:30,660 --> 00:00:35,520
as a surface contact on the water of an

12
00:00:33,359 --> 00:00:41,269
aircraft carrier miss miss contact with

13
00:00:35,520 --> 00:00:46,050
huge the size of these objects are on

14
00:00:41,270 --> 00:00:48,770
100 meters or greater so we would go

15
00:00:46,049 --> 00:00:51,149
from one o'clock seven or eight miles to

16
00:00:48,770 --> 00:00:54,750
six seven o'clock seven or eight miles

17
00:00:51,149 --> 00:00:56,789
inside of 45 seconds you have to be

18
00:00:54,750 --> 00:01:01,619
moving pretty quickly and they could

19
00:00:56,789 --> 00:01:04,650
rise just go straight up that could do

20
00:01:01,619 --> 00:01:06,780
that just seemed like instantaneous once

21
00:01:04,650 --> 00:01:10,799
they started moving they went straight

22
00:01:06,780 --> 00:01:14,340
up you know for and anyone's em then it

23
00:01:10,799 --> 00:01:17,670
just sort of disappeared it d me to

24
00:01:14,340 --> 00:01:21,359
realized and left that would Dave

25
00:01:17,670 --> 00:01:26,909
atmosphere just was gone he just took

26
00:01:21,359 --> 00:01:29,759
off into space I just just left at high

27
00:01:26,909 --> 00:01:32,640
speed he said never to speak of this

28
00:01:29,759 --> 00:01:35,819
again as far as you're concerned this

29

00:01:32,640 --> 00:01:38,519
never happened and you never saw this

30
00:01:35,819 --> 00:01:41,279
and I don't exist in this situation

31
00:01:38,519 --> 00:01:43,289
never happened I didn't well look at it

32
00:01:41,280 --> 00:01:45,960
any longer than there because I felt

33
00:01:43,290 --> 00:01:48,270
that my life was in jeopardy so I was

34
00:01:45,959 --> 00:01:51,149
beaten literally hitting in the ribs and

35
00:01:48,269 --> 00:01:53,548
pushed and I was resisting and NSR Jabba

36
00:01:51,149 --> 00:01:56,968
stanza was doing the same thing measures

37
00:01:53,549 --> 00:02:00,540
have been taken by agencies to terminate

38
00:01:56,968 --> 00:02:03,989
people who are we appear to be

39
00:02:00,540 --> 00:02:07,530
convenient ultra person asinine too much

40
00:02:03,989 --> 00:02:08,719
a shadowy government with a small

41
00:02:07,530 --> 00:02:13,110
airport

42
00:02:08,719 --> 00:02:16,770
his own maybe his own fundraising

43
00:02:13,110 --> 00:02:20,400

mechanism and the ability to pursue zone

44

00:02:16,770 --> 00:02:23,610

ideas of the national interest free for

45

00:02:20,400 --> 00:02:26,219

all checks and balances and free from

46

00:02:23,610 --> 00:02:28,700

the law itself I am prepared to state

47

00:02:26,219 --> 00:02:33,240

that I have been at locations where

48

00:02:28,699 --> 00:02:34,919

craft of unknown origin that did not

49

00:02:33,240 --> 00:02:37,890

originate on the face of this planet was

50

00:02:34,919 --> 00:02:42,019

there i am prepared to state that while

51

00:02:37,889 --> 00:02:44,639

i was there we saw living dead bodies of

52

00:02:42,020 --> 00:02:54,989

entities did that were not born on this

53

00:02:44,639 --> 00:02:57,589

planet buenas tardes barthelona espana

54

00:02:54,989 --> 00:02:57,590

europa

55

00:03:03,300 --> 00:03:08,100

I would like to thank the organizers and

56

00:03:06,419 --> 00:03:09,299

Capone and everyone who has put this

57

00:03:08,099 --> 00:03:11,969

conference together they've been a

58
00:03:09,300 --> 00:03:14,760
wonderful job and I especially would

59
00:03:11,969 --> 00:03:17,400
like to also thank dr. Jenn Bravo who is

60
00:03:14,759 --> 00:03:20,429
on my board and who is here assisting me

61
00:03:17,400 --> 00:03:23,909
and without whose labor and effort Jen

62
00:03:20,430 --> 00:03:25,980
where are you step forward the

63
00:03:23,909 --> 00:03:29,669
disclosure project would not have

64
00:03:25,979 --> 00:03:37,049
happened she is she is the wonderful

65
00:03:29,669 --> 00:03:38,729
person my spirit sister who provided

66
00:03:37,050 --> 00:03:40,439
most of the funding for the disclosure

67
00:03:38,729 --> 00:03:43,769
project which has now launched their

68
00:03:40,439 --> 00:03:46,439
worldwide disclosure movement on my name

69
00:03:43,770 --> 00:03:48,659
is dr. Steven Greer I'm going to share

70
00:03:46,439 --> 00:03:52,409
with you as much as I can in the next

71
00:03:48,659 --> 00:03:54,449
hour exactly what I had trying to share

72
00:03:52,409 --> 00:03:56,729
with the President of the United States

73
00:03:54,449 --> 00:03:58,199
in the briefing that I have just

74
00:03:56,729 --> 00:04:00,689
recently put together for the new

75
00:03:58,199 --> 00:04:12,238
administration are you ready for the

76
00:04:00,689 --> 00:04:14,989
truth all right you know my journey with

77
00:04:12,239 --> 00:04:18,298
this started when I was very young my

78
00:04:14,989 --> 00:04:22,259
uncle designed the lunar module that put

79
00:04:18,298 --> 00:04:24,509
the first men on the moon and when I was

80
00:04:22,259 --> 00:04:28,379
about eight years old I saw one of these

81
00:04:24,509 --> 00:04:32,039
ships at close range and i instantly

82
00:04:28,379 --> 00:04:35,189
knew number one that they were here to

83
00:04:32,040 --> 00:04:37,020
help and to understand number two that

84
00:04:35,189 --> 00:04:39,779
they were from other star systems and

85
00:04:37,019 --> 00:04:42,719
number three that we have never been

86

00:04:39,779 --> 00:04:46,229
alone and we shall never be alone on

87
00:04:42,720 --> 00:04:48,450
this planet and from that time on I took

88
00:04:46,230 --> 00:04:51,120
a tremendous interest in love of all of

89
00:04:48,449 --> 00:04:53,459
this information ultimately I went into

90
00:04:51,120 --> 00:04:58,500
medicine I'm a trauma doctor emergency

91
00:04:53,459 --> 00:05:01,859
medical emergency but over the years it

92
00:04:58,500 --> 00:05:03,060
kept coming back into my life I want to

93
00:05:01,860 --> 00:05:06,540
share with you some more out of a

94
00:05:03,060 --> 00:05:09,329
personal story tonight of how I ended up

95
00:05:06,540 --> 00:05:11,610
being here today and where we're going

96
00:05:09,329 --> 00:05:15,329
to be going for the next five hundred

97
00:05:11,610 --> 00:05:18,330
thousand years yes 500

98
00:05:15,329 --> 00:05:21,688
thousand years because we are at the

99
00:05:18,329 --> 00:05:25,378
time in history we're one big cycle is

100
00:05:21,689 --> 00:05:27,449

closing and another cycle is opening the

101

00:05:25,379 --> 00:05:30,919

duration of which will be five thousand

102

00:05:27,449 --> 00:05:33,900

centuries on earth of unbroken piece of

103

00:05:30,918 --> 00:05:37,519

universal peace and at the end of that

104

00:05:33,899 --> 00:05:39,658

cycle we our descendants will be

105

00:05:37,519 --> 00:05:43,318

extraterrestrial visitors to other

106

00:05:39,658 --> 00:05:45,870

worlds helping those planets that's our

107

00:05:43,319 --> 00:05:49,139

future and actually it has already

108

00:05:45,870 --> 00:05:56,968

happened because time doesn't exist but

109

00:05:49,139 --> 00:05:59,250

I digress when I was 17 years old I had

110

00:05:56,968 --> 00:06:00,779

a near-death experience anybody else had

111

00:05:59,250 --> 00:06:06,319

a near-death experience here they left

112

00:06:00,779 --> 00:06:11,698

their body it was I was terribly sick

113

00:06:06,319 --> 00:06:17,218

but I was raised an atheist so it wasn't

114

00:06:11,699 --> 00:06:18,810

supposed to happen but it did happen but

115
00:06:17,218 --> 00:06:21,120
instead of going to some religious

116
00:06:18,810 --> 00:06:23,788
experience I went into space and went

117
00:06:21,120 --> 00:06:28,528
into a state of cosmic awareness pure

118
00:06:23,788 --> 00:06:31,110
mind and there I learned many things but

119
00:06:28,528 --> 00:06:34,439
most of all that the earth is at a time

120
00:06:31,110 --> 00:06:36,538
a tremendous promise and the people on

121
00:06:34,439 --> 00:06:39,028
the earth today we are here to give

122
00:06:36,538 --> 00:06:43,009
birth to an entirely new civilization on

123
00:06:39,028 --> 00:06:45,810
this planet and that's why we are here

124
00:06:43,009 --> 00:06:48,598
these things continued all through my

125
00:06:45,810 --> 00:06:50,158
life up until the present time and the

126
00:06:48,598 --> 00:06:55,199
contacts have become more and more

127
00:06:50,158 --> 00:06:57,418
amazing but through this about nineteen

128
00:06:55,199 --> 00:06:59,310
ninety nineteen years ago i started the

129
00:06:57,418 --> 00:07:02,899
Center for the Study of extraterrestrial

130
00:06:59,310 --> 00:07:07,500
intelligence the disclosure project is a

131
00:07:02,899 --> 00:07:10,288
sub-project of that but originally we

132
00:07:07,500 --> 00:07:14,819
started this to train people to go out

133
00:07:10,288 --> 00:07:17,189
to become diplomats ambassadors and make

134
00:07:14,819 --> 00:07:19,770
open peaceful contact with these

135
00:07:17,189 --> 00:07:22,819
extraterrestrial civilizations who are

136
00:07:19,769 --> 00:07:27,209
standing ready to answer our call as

137
00:07:22,819 --> 00:07:28,530
soon as we did so the call was answered

138
00:07:27,209 --> 00:07:29,849
and we're going to show in a few minutes

139
00:07:28,529 --> 00:07:32,099
and things that have happened all over

140
00:07:29,850 --> 00:07:35,460
the world where we have done protocols

141
00:07:32,100 --> 00:07:38,539
to make contact with these visitors but

142
00:07:35,459 --> 00:07:42,228
in those early days I did not consider

143

00:07:38,538 --> 00:07:46,079
that most people may not accept this I

144
00:07:42,228 --> 00:07:48,779
knew that it was a lot of skepticism but

145
00:07:46,079 --> 00:07:51,448
I didn't know that the president of the

146
00:07:48,779 --> 00:07:53,698
United States had been denied access to

147
00:07:51,449 --> 00:07:56,639
controlling these projects that there

148
00:07:53,699 --> 00:07:58,439
was a secret cabal called majestic that

149
00:07:56,639 --> 00:08:00,389
is keeping this information from the

150
00:07:58,439 --> 00:08:05,098
world for a reason which at that time I

151
00:08:00,389 --> 00:08:11,250
was unaware of and that the secrecy was

152
00:08:05,098 --> 00:08:15,228
killing the life of the planet by 1993

153
00:08:11,250 --> 00:08:17,819
we had had contact with extraterrestrial

154
00:08:15,228 --> 00:08:20,129
civilizations in expeditions that we had

155
00:08:17,819 --> 00:08:22,610
taken to Belgium and Mexico in England

156
00:08:20,129 --> 00:08:25,620
and the United States and all over and

157
00:08:22,610 --> 00:08:28,379

there was no doubt in our mind that they

158

00:08:25,620 --> 00:08:30,509

were ready to answer our call because we

159

00:08:28,379 --> 00:08:32,879

were going without prejudice without

160

00:08:30,509 --> 00:08:37,528

fear in the spirit of universal

161

00:08:32,879 --> 00:08:41,038

consciousness and universal peace the

162

00:08:37,528 --> 00:08:43,889

problem i found was that in the

163

00:08:41,038 --> 00:08:46,939

corridors of power as Senator nua was

164

00:08:43,889 --> 00:08:50,129

saying there is a vast and powerful

165

00:08:46,940 --> 00:08:51,810

secret shadowy government that has

166

00:08:50,129 --> 00:08:56,070

withheld from the people of the world

167

00:08:51,809 --> 00:08:58,469

this information and in doing so have

168

00:08:56,070 --> 00:09:01,440

completely taken our planet off the

169

00:08:58,470 --> 00:09:05,700

course it should be on and so it is time

170

00:09:01,440 --> 00:09:09,480

now for a course correction it should

171

00:09:05,700 --> 00:09:13,560

have happened a hundred years ago 50 at

172
00:09:09,480 --> 00:09:18,000
the latest but here we are in 2009 and

173
00:09:13,559 --> 00:09:21,149
guess what we're going to do it you and

174
00:09:18,000 --> 00:09:24,200
I together in Spain and around the world

175
00:09:21,149 --> 00:09:24,200
are going to do it together

176
00:09:30,809 --> 00:09:35,289
though it is absolutely true that if the

177
00:09:33,519 --> 00:09:38,949
people will lead the leaders will follow

178
00:09:35,289 --> 00:09:41,829
because they will have to we can no

179
00:09:38,950 --> 00:09:46,660
longer be passive in the face of these

180
00:09:41,830 --> 00:09:49,379
enormous challenges if we are passive we

181
00:09:46,659 --> 00:09:51,969
are enabling the controllers and

182
00:09:49,379 --> 00:09:54,669
therefore we must rise up not in

183
00:09:51,970 --> 00:09:57,820
violence but in peace but with one voice

184
00:09:54,669 --> 00:10:01,120
without fear and will say enough of the

185
00:09:57,820 --> 00:10:04,200
secrecy enough of oil enough of the

186
00:10:01,120 --> 00:10:07,750
petrodollar enough of economic slavery

187
00:10:04,200 --> 00:10:09,820
enough of the wars it is time for a new

188
00:10:07,750 --> 00:10:12,250
civilization and we will see that it

189
00:10:09,820 --> 00:10:16,000
would be born in our lifetime in the

190
00:10:12,250 --> 00:10:18,639
coming months and years this is our

191
00:10:16,000 --> 00:10:23,139
sacred obligation it is a sacred

192
00:10:18,639 --> 00:10:25,689
obligation and everyone who has looked

193
00:10:23,139 --> 00:10:29,169
into this issue knows that the time is

194
00:10:25,690 --> 00:10:33,100
short we do not have 50 more years to

195
00:10:29,169 --> 00:10:38,259
waste I doubt we have five years because

196
00:10:33,100 --> 00:10:41,860
the earth is running out of patience the

197
00:10:38,259 --> 00:10:45,370
earth must be preserved and these

198
00:10:41,860 --> 00:10:50,230
visitors some call them guardians of

199
00:10:45,370 --> 00:10:53,799
life on earth are not going to allow one

200

00:10:50,230 --> 00:10:58,779
generation of men to destroy the

201
00:10:53,799 --> 00:11:02,349
biosphere and the planet and the promise

202
00:10:58,779 --> 00:11:05,829
of humanity because this planet has been

203
00:11:02,350 --> 00:11:08,649
here to give birth to the evolution of

204
00:11:05,830 --> 00:11:12,310
intelligent life and the evolution of

205
00:11:08,649 --> 00:11:14,620
enlightened civilizations and that's the

206
00:11:12,309 --> 00:11:16,179
time we're in and there is no force on

207
00:11:14,620 --> 00:11:17,560
earth and all have said this to the head

208
00:11:16,179 --> 00:11:20,589
of Army Intelligence in the United

209
00:11:17,559 --> 00:11:24,969
States no force on earth no military

210
00:11:20,590 --> 00:11:28,210
power no financial interest will any

211
00:11:24,970 --> 00:11:31,090
longer deter the coming of this new

212
00:11:28,210 --> 00:11:33,780
civilization it is upon us and nothing

213
00:11:31,090 --> 00:11:33,780
can stop it now

214
00:11:41,139 --> 00:11:46,720

by 1993 I had been approached by a

215

00:11:44,570 --> 00:11:49,220

number of people in the United States

216

00:11:46,720 --> 00:11:52,009

military command and intelligence

217

00:11:49,220 --> 00:11:59,690

agencies some of them were unhappy with

218

00:11:52,009 --> 00:12:02,240

me as c'est dommage too bad one of them

219

00:11:59,690 --> 00:12:04,760

the head of Army Intelligence said who

220

00:12:02,240 --> 00:12:07,629

the hell do you think you are going

221

00:12:04,759 --> 00:12:10,730

outside of channels making contact and

222

00:12:07,629 --> 00:12:12,799

doing this openly you can't do this I

223

00:12:10,730 --> 00:12:14,899

said yes I can and you know what I'm

224

00:12:12,799 --> 00:12:18,099

going to Train thousands of people to do

225

00:12:14,899 --> 00:12:20,690

it and they are all over the world

226

00:12:18,100 --> 00:12:22,159

there's nothing you can do about it and

227

00:12:20,690 --> 00:12:23,810

we're going to collect all the evidence

228

00:12:22,159 --> 00:12:25,969

and we're going to bring it out to the

229
00:12:23,809 --> 00:12:27,799
people and we're going to tell the truth

230
00:12:25,970 --> 00:12:29,570
and we're going to bring out the energy

231
00:12:27,799 --> 00:12:31,849
systems that have been withheld and

232
00:12:29,570 --> 00:12:34,670
release the people of the world from the

233
00:12:31,850 --> 00:12:38,209
economic slavery of a zero-sum game of

234
00:12:34,669 --> 00:12:43,250
fossil fuels and he looked at me and he

235
00:12:38,208 --> 00:12:47,509
said well I said what are you gonna do

236
00:12:43,250 --> 00:12:50,299
about it and he said I guess we'll have

237
00:12:47,509 --> 00:12:57,078
to see later I learned he was very

238
00:12:50,299 --> 00:13:01,328
jealous y porque because this man was in

239
00:12:57,078 --> 00:13:05,870
a black box a little black box aqui nada

240
00:13:01,328 --> 00:13:08,419
nada and he was trapped and you know

241
00:13:05,870 --> 00:13:10,669
what's wonderful about all of us because

242
00:13:08,419 --> 00:13:17,750
I'm nobody I'm just a country doctor

243
00:13:10,669 --> 00:13:19,939
from Virginia we're free they don't own

244
00:13:17,750 --> 00:13:23,028
my soul not the intelligence community

245
00:13:19,940 --> 00:13:28,190
met the military not the oil cartels not

246
00:13:23,028 --> 00:13:31,100
the money whores we're free and this

247
00:13:28,190 --> 00:13:33,500
gives us enormous power that we don't

248
00:13:31,100 --> 00:13:38,120
acknowledge and we have to acknowledge

249
00:13:33,500 --> 00:13:41,328
our power and now use it so by 1993 a

250
00:13:38,120 --> 00:13:44,600
group of us got together he said what

251
00:13:41,328 --> 00:13:48,528
are we going to do we can take this

252
00:13:44,600 --> 00:13:50,720
contact quite far but we have to inform

253
00:13:48,528 --> 00:13:51,919
the people that were not alone and more

254
00:13:50,720 --> 00:13:54,470
importantly that these

255
00:13:51,919 --> 00:13:56,539
celestial civilizations are here to help

256
00:13:54,470 --> 00:13:58,660
us and to understand us and to be here

257

00:13:56,539 --> 00:14:03,708
when we become a mature civilization

258
00:13:58,659 --> 00:14:05,750
ready to go into space peacefully none

259
00:14:03,708 --> 00:14:07,458
of them are hostile by the way if they

260
00:14:05,750 --> 00:14:10,009
were this conference wouldn't be

261
00:14:07,458 --> 00:14:11,539
happening we wouldn't be breathing the

262
00:14:10,009 --> 00:14:14,419
free year of Earth and I'll explain in a

263
00:14:11,539 --> 00:14:18,319
moment why so I was eventually

264
00:14:14,419 --> 00:14:20,198
approached by some people and we started

265
00:14:18,320 --> 00:14:23,180
something called Project Star light

266
00:14:20,198 --> 00:14:25,939
originally it was starlight then it was

267
00:14:23,179 --> 00:14:29,120
disclosure project but when it was small

268
00:14:25,940 --> 00:14:31,699
and very quiet it was project starlight

269
00:14:29,120 --> 00:14:33,889
and if you go to in Google this The

270
00:14:31,698 --> 00:14:36,588
Associated Press reported that the

271
00:14:33,889 --> 00:14:38,120

clinton library was sued under Freedom

272

00:14:36,589 --> 00:14:39,529
of Information and they had to release

273

00:14:38,120 --> 00:14:42,740
these documents about sir project

274

00:14:39,528 --> 00:14:46,939
starlight providing briefings to the

275

00:14:42,740 --> 00:14:48,528
President and that was me so he might

276

00:14:46,940 --> 00:14:50,329
spare time between taking care of

277

00:14:48,528 --> 00:14:52,039
shootings and stabbings and car wrecks

278

00:14:50,328 --> 00:14:56,419
in the emergency department I was

279

00:14:52,039 --> 00:15:01,639
shuttling up to Washington a crazy movie

280

00:14:56,419 --> 00:15:03,948
local however i did so initially

281

00:15:01,639 --> 00:15:06,980
thinking of course if i gave them the

282

00:15:03,948 --> 00:15:09,379
information and the perspective the new

283

00:15:06,980 --> 00:15:11,259
administration the president clinton and

284

00:15:09,379 --> 00:15:13,100
his people would do the right thing and

285

00:15:11,259 --> 00:15:17,149
embassy christine bring out this

286
00:15:13,100 --> 00:15:21,050
information I get a fedex to my house

287
00:15:17,149 --> 00:15:23,120
and in the FedEx is a letter and it says

288
00:15:21,049 --> 00:15:25,009
dr. Greer you're going to be the first

289
00:15:23,120 --> 00:15:28,899
person to brief the president and the

290
00:15:25,009 --> 00:15:32,600
sitting CIA director on this subject and

291
00:15:28,899 --> 00:15:36,860
I turned to my wife and I laughed I said

292
00:15:32,600 --> 00:15:40,310
no impossible ridiculous this is a

293
00:15:36,860 --> 00:15:44,110
prevarication just to try to trick me

294
00:15:40,309 --> 00:15:47,119
into going and telling them what I know

295
00:15:44,110 --> 00:15:50,028
they were telling me the truth god help

296
00:15:47,120 --> 00:15:53,328
me I had a three-hour meeting with the

297
00:15:50,028 --> 00:15:55,939
CIA director our james Woolsey and in

298
00:15:53,328 --> 00:15:59,899
this meeting I learned that he the

299
00:15:55,940 --> 00:16:01,540
president and the Secretary of Defense

300
00:15:59,899 --> 00:16:04,120
and others in his administration

301
00:16:01,539 --> 00:16:05,860
duration had been denied access to the

302
00:16:04,120 --> 00:16:08,620
secret projects dealing with this

303
00:16:05,860 --> 00:16:12,159
subject and he was virtually in tears

304
00:16:08,620 --> 00:16:14,560
because he learned that the presidency

305
00:16:12,159 --> 00:16:18,399
and the executive branch of America had

306
00:16:14,559 --> 00:16:20,588
been decapitated cut off this is

307
00:16:18,399 --> 00:16:21,970
precisely what Eisenhower warned about

308
00:16:20,589 --> 00:16:24,430
when he said beware the

309
00:16:21,970 --> 00:16:27,009
military-industrial complex he was not

310
00:16:24,429 --> 00:16:29,620
anti-military he was talking about this

311
00:16:27,009 --> 00:16:32,919
secret government complex that would

312
00:16:29,620 --> 00:16:36,639
hijack this and other issues and lie to

313
00:16:32,919 --> 00:16:39,549
the president and for this reason we

314

00:16:36,639 --> 00:16:42,629
learned that the administration was

315
00:16:39,549 --> 00:16:45,008
terrified of dealing with this

316
00:16:42,629 --> 00:16:47,679
ultimately we put together a very large

317
00:16:45,009 --> 00:16:50,769
briefing document about 600 pages most

318
00:16:47,679 --> 00:16:53,019
of it is in the DVD to our DVD you can

319
00:16:50,769 --> 00:16:54,250
go to disclosure project organ get it

320
00:16:53,019 --> 00:16:57,778
you can get whatever I gave to the

321
00:16:54,250 --> 00:17:00,549
President Clinton and you will see that

322
00:16:57,778 --> 00:17:02,379
we gave a number of recommendations and

323
00:17:00,549 --> 00:17:05,619
at the end of my meeting with the CIA

324
00:17:02,379 --> 00:17:08,409
director I said look here are some

325
00:17:05,619 --> 00:17:10,899
recommendations of what the president

326
00:17:08,409 --> 00:17:13,419
can do to fix this huge problem in the

327
00:17:10,900 --> 00:17:16,500
secrecy bring out the technologies and

328
00:17:13,419 --> 00:17:19,959

what have you and the CIA director

329

00:17:16,500 --> 00:17:21,939

Woolsey turned to me and he said how do

330

00:17:19,959 --> 00:17:27,269

we disclose that which we don't have

331

00:17:21,939 --> 00:17:31,419

access to it was a terrible moment

332

00:17:27,269 --> 00:17:33,460

terrible really now I learned a few

333

00:17:31,419 --> 00:17:35,200

people living who has had these sort of

334

00:17:33,460 --> 00:17:37,569

meetings and in the aftermath of this

335

00:17:35,200 --> 00:17:39,730

meeting I learned that the President

336

00:17:37,569 --> 00:17:43,359

himself had been denied access as well

337

00:17:39,730 --> 00:17:45,509

as his chief of staff and others one of

338

00:17:43,359 --> 00:17:49,719

his friends later came to my home and

339

00:17:45,509 --> 00:17:51,359

said dr. Greer the president's very

340

00:17:49,720 --> 00:17:55,150

supportive of what you're recommending

341

00:17:51,359 --> 00:17:57,849

but he's concerned that if he does this

342

00:17:55,150 --> 00:18:02,679

action he will end up like john f

343
00:17:57,849 --> 00:18:04,629
kennedy assassinated and I burst out

344
00:18:02,679 --> 00:18:08,679
laughing ah ha ha ha soul I thought he was

345
00:18:04,630 --> 00:18:09,880
joking he was not joking he said this in

346
00:18:08,679 --> 00:18:12,820
front of my children I have four

347
00:18:09,880 --> 00:18:13,690
daughters and I thought my god be quiet

348
00:18:12,819 --> 00:18:17,710
now

349
00:18:13,690 --> 00:18:22,330
and at that moment I realized I had

350
00:18:17,710 --> 00:18:26,919
really stepped into a situation so that

351
00:18:22,329 --> 00:18:28,689
was in 1994 subsequently I provided

352
00:18:26,919 --> 00:18:31,538
briefings for people on the Senate

353
00:18:28,690 --> 00:18:35,379
Intelligence Committee members of the

354
00:18:31,538 --> 00:18:37,119
Joint Staff later i briefed the head of

355
00:18:35,378 --> 00:18:40,240
intelligence for the joint chiefs of

356
00:18:37,119 --> 00:18:43,898
staff as well as the head of the Defense

357
00:18:40,240 --> 00:18:47,829
Intelligence Agency and at each of these

358
00:18:43,898 --> 00:18:49,959
in every case these were men who were in

359
00:18:47,829 --> 00:18:53,859
very high position within the National

360
00:18:49,960 --> 00:18:56,169
Military Command hierarchy who had been

361
00:18:53,859 --> 00:19:00,308
deliberately denied access to these

362
00:18:56,169 --> 00:19:02,528
projects now many people have a hard

363
00:19:00,308 --> 00:19:04,599
time believing this I have even

364
00:19:02,528 --> 00:19:07,058
prevented recently providing briefings

365
00:19:04,599 --> 00:19:09,128
to a g8 country when the major

366
00:19:07,058 --> 00:19:11,888
industrialized country their ministry of

367
00:19:09,128 --> 00:19:15,308
defense and their head of state and they

368
00:19:11,888 --> 00:19:19,329
did not realize that America had gone so

369
00:19:15,308 --> 00:19:22,388
far off course now I am take no pride in

370
00:19:19,329 --> 00:19:23,918
telling you this my family were some of

371

00:19:22,388 --> 00:19:27,699
the original founders of the United

372
00:19:23,919 --> 00:19:29,500
States we move the original prisoner of

373
00:19:27,700 --> 00:19:35,440
war with the British no offense to the

374
00:19:29,500 --> 00:19:38,200
British lubyas your fake friends now but

375
00:19:35,440 --> 00:19:42,308
it was a amazing experience to see to

376
00:19:38,200 --> 00:19:45,129
what extent our democracy and our

377
00:19:42,308 --> 00:19:49,210
experiment and freedom had been hijacked

378
00:19:45,128 --> 00:19:51,189
by a group of people who irrigated to

379
00:19:49,210 --> 00:19:52,750
themselves this knowledge which belongs

380
00:19:51,190 --> 00:19:56,470
to the people of the earth the whole

381
00:19:52,750 --> 00:19:58,298
earth we're ready for this eighty

382
00:19:56,470 --> 00:20:00,879
percent of americans believe these are

383
00:19:58,298 --> 00:20:03,730
real these UFOs and that sort part of

384
00:20:00,878 --> 00:20:05,619
the government's hiding it when I

385
00:20:03,730 --> 00:20:08,889

started the disclosure project it was

386

00:20:05,619 --> 00:20:12,518

only thirty-five percent when I first

387

00:20:08,888 --> 00:20:14,558

briefed the CIA director only a third of

388

00:20:12,519 --> 00:20:16,589

this majestic group the super secret

389

00:20:14,558 --> 00:20:19,119

group that keeps this information secret

390

00:20:16,589 --> 00:20:21,908

two or three hundred people i know some

391

00:20:19,119 --> 00:20:24,969

of them have met with some of them now

392

00:20:21,909 --> 00:20:26,169

seventy percent of them want this out

393

00:20:24,970 --> 00:20:28,808

the other thirty percent

394

00:20:26,169 --> 00:20:32,739

want to see me go away as you can well

395

00:20:28,808 --> 00:20:35,798

imagine I'm not going anywhere unless

396

00:20:32,739 --> 00:20:37,989

they take me out in a coffin because I

397

00:20:35,798 --> 00:20:40,658

am dedicated to getting this truth out

398

00:20:37,989 --> 00:20:42,548

to the world making peaceful contact and

399

00:20:40,659 --> 00:20:44,889

bringing out the technologies to

400
00:20:42,548 --> 00:20:46,929
establish a sustainable and peaceful

401
00:20:44,888 --> 00:20:49,178
civilization on this planet where we can

402
00:20:46,929 --> 00:20:51,009
only do it with your help thank God for

403
00:20:49,179 --> 00:20:53,850
pep own and all of these people who are

404
00:20:51,009 --> 00:20:53,849
doing this in Spain

405
00:21:04,210 --> 00:21:12,440
excuse me for taking Mike jacket office

406
00:21:06,769 --> 00:21:22,519
mucho calor aquí no wait I'm a body

407
00:21:12,440 --> 00:21:25,360
builder okay so local americano you have

408
00:21:22,519 --> 00:21:27,980
to keep yourself strong to do this work

409
00:21:25,359 --> 00:21:30,829
I'm an old guy anyway I have two

410
00:21:27,980 --> 00:21:34,549
grandchildren so anyway the point is

411
00:21:30,829 --> 00:21:36,409
that I'm making is that over the course

412
00:21:34,549 --> 00:21:40,009
of these years we continue to make

413
00:21:36,410 --> 00:21:42,220
contact and yet we continue to find that

414
00:21:40,009 --> 00:21:46,690
the governments of the world were either

415
00:21:42,220 --> 00:21:49,250
afraid or in most cases completely

416
00:21:46,690 --> 00:21:52,420
uninformed in the control of these

417
00:21:49,250 --> 00:21:56,059
projects now it is different in Europe

418
00:21:52,420 --> 00:22:00,560
than it is in America and let me explain

419
00:21:56,059 --> 00:22:04,039
why the United States has a black budget

420
00:22:00,559 --> 00:22:06,019
a secret unacknowledged but in the

421
00:22:04,039 --> 00:22:10,730
proper term is an unacknowledged special

422
00:22:06,019 --> 00:22:14,000
access projects usap these are projects

423
00:22:10,730 --> 00:22:16,490
for which there is no constitutional

424
00:22:14,000 --> 00:22:20,839
oversight by Congress and no knowledge

425
00:22:16,490 --> 00:22:24,289
by the president completely at this time

426
00:22:20,839 --> 00:22:27,259
between 100 billion and 200 billion u.s.

427
00:22:24,289 --> 00:22:30,319
dollars a year every year are going into

428

00:22:27,259 --> 00:22:32,539
those projects that is more than the

429
00:22:30,319 --> 00:22:35,509
defense budget of any other country in

430
00:22:32,539 --> 00:22:37,099
the world in other words America's

431
00:22:35,509 --> 00:22:40,309
department of defense and intelligence

432
00:22:37,099 --> 00:22:44,689
community loses more money than any

433
00:22:40,309 --> 00:22:46,460
other country spends this is nuts we

434
00:22:44,690 --> 00:22:51,200
don't even have health care in America

435
00:22:46,460 --> 00:22:53,450
so the situation has become so out of

436
00:22:51,200 --> 00:22:57,680
balance that it has got to be corrected

437
00:22:53,450 --> 00:23:00,440
and this is the situation how serious it

438
00:22:57,680 --> 00:23:03,880
has become I want you to put up on the

439
00:23:00,440 --> 00:23:08,710

440
00:23:03,880 --> 00:23:13,470

weapons systems to destroy them this is

449

00:23:32,259 --> 00:23:38,710

a crime against humanity this is a

roulette team aqua tech sea spray this

475
00:24:53,380 --> 00:25:01,419
is near the top of the document that I

476
00:24:57,880 --> 00:25:04,390
gave to President Obama and his

477
00:25:01,419 --> 00:25:07,840
Secretary of Defense Bob gates and his

478
00:25:04,390 --> 00:25:11,230
new CIA director it is also a document

479
00:25:07,839 --> 00:25:14,079
values shared with a man an admiral who

480
00:25:11,230 --> 00:25:16,360
is Jay to the head of intelligence for

481
00:25:14,079 --> 00:25:20,109
the Joint Chiefs of Staff intelligence

482
00:25:16,359 --> 00:25:21,769
Directorate an admiral and when he found

483
00:25:20,109 --> 00:25:24,319
I'm not going to say which one

484
00:25:21,769 --> 00:25:26,269
but he found through this document that

485

00:25:24,319 --> 00:25:31,429
he had never seen and had no access to

486
00:25:26,269 --> 00:25:34,160
an operational programme inside his

487
00:25:31,430 --> 00:25:36,830
command at the joint staff level that he

488
00:25:34,160 --> 00:25:38,600
knew nothing about now this is the

489
00:25:36,829 --> 00:25:40,309
Admiral in charge of intelligence for

490
00:25:38,599 --> 00:25:43,490
the Joint Chiefs of Staff of the United

491
00:25:40,309 --> 00:25:45,169
States of America knew nothing he called

492
00:25:43,490 --> 00:25:46,940
them up now this he told me this

493
00:25:45,170 --> 00:25:49,670
personally I took Edgar Mitchell the

494
00:25:46,940 --> 00:25:51,710
astronaut into this meeting was I was

495
00:25:49,670 --> 00:25:53,390
sharing this information with Edgar

496
00:25:51,710 --> 00:25:56,960
Mitchell back then before he came public

497
00:25:53,390 --> 00:25:58,490
and one of these operations was under

498
00:25:56,960 --> 00:26:00,470
his command and he called them up and he

499
00:25:58,490 --> 00:26:03,890

said I am Admiral so and so and I want

500

00:26:00,470 --> 00:26:06,009

to be read into this project read into

501

00:26:03,890 --> 00:26:10,759

means briefed as military speak and you

502

00:26:06,009 --> 00:26:12,890

know what happened the people on the

503

00:26:10,759 --> 00:26:17,029

other sin that the phone said yes

504

00:26:12,890 --> 00:26:18,740

Admiral we know who you are but we

505

00:26:17,029 --> 00:26:22,099

cannot discuss this with you you do not

506

00:26:18,740 --> 00:26:23,960

have a need to know and he was furious

507

00:26:22,099 --> 00:26:26,689

and he said god damn it if I don't have

508

00:26:23,960 --> 00:26:28,009

a need to know who does I'm the head of

509

00:26:26,690 --> 00:26:31,100

intelligence for the Joint Chiefs of

510

00:26:28,009 --> 00:26:33,859

Staff and they said sir we cannot

511

00:26:31,099 --> 00:26:38,869

discuss this with you any further click

512

00:26:33,859 --> 00:26:42,500

cut the line blocking such are the

513

00:26:38,869 --> 00:26:44,539

things I have witnessed this criminal

514
00:26:42,500 --> 00:26:46,970
enterprise that has kept this secret is

515
00:26:44,539 --> 00:26:50,559
a threat to their survival of the human

516
00:26:46,970 --> 00:26:50,559
race and of the earth

517
00:26:57,308 --> 00:27:02,950
and you need to understand that the

518
00:27:00,108 --> 00:27:06,079
majority of people even in the military

519
00:27:02,950 --> 00:27:08,359
establishment in America and in the

520
00:27:06,079 --> 00:27:10,819
Senate Intelligence Committee and in the

521
00:27:08,358 --> 00:27:12,470
White House do not have access to these

522
00:27:10,819 --> 00:27:15,918
projects and when they learn of them

523
00:27:12,470 --> 00:27:19,339
they are either threatened or blocked so

524
00:27:15,919 --> 00:27:21,320
this is a serious problem and this is

525
00:27:19,339 --> 00:27:24,589
why the president of Spain if he is

526
00:27:21,319 --> 00:27:28,579
listening and the president of France

527
00:27:24,589 --> 00:27:31,579
and Great Britain and China need to

528

00:27:28,579 --> 00:27:33,769

gather together with mr. Obama and show

529

00:27:31,579 --> 00:27:37,759

him some sympathy because the situation

530

00:27:33,769 --> 00:27:40,190

is dire in America and say we will stand

531

00:27:37,759 --> 00:27:43,009

shoulder to shoulder with you if you

532

00:27:40,190 --> 00:27:44,960

will step forward with us and end the

533

00:27:43,009 --> 00:27:47,028

secrecy and get these projects under

534

00:27:44,960 --> 00:27:48,528

control and bring out the promise of

535

00:27:47,028 --> 00:27:50,210

these new technologies and we will

536

00:27:48,528 --> 00:27:57,190

restart our civilization on a

537

00:27:50,210 --> 00:28:00,919

sustainable path now they may not do it

538

00:27:57,190 --> 00:28:03,970

if they don't do it guess what it's

539

00:28:00,919 --> 00:28:03,970

going to happen anyway

540

00:28:12,859 --> 00:28:23,399

we have reached the final countdown

541

00:28:16,640 --> 00:28:27,420

54321 tilt of this civilization behaving

542

00:28:23,400 --> 00:28:30,300
the way it has and in its transformation

543
00:28:27,420 --> 00:28:33,240
we're going to see a civilization that

544
00:28:30,299 --> 00:28:36,180
will normally resemble today then today

545
00:28:33,240 --> 00:28:38,970
resembles 10,000 years ago when there

546
00:28:36,180 --> 00:28:41,220
were cavemen that is how much change is

547
00:28:38,970 --> 00:28:43,950
imminent and it will happen rather

548
00:28:41,220 --> 00:28:50,190
quickly so fasten your seatbelts cause

549
00:28:43,950 --> 00:28:53,210
we're going on a ride together the

550
00:28:50,190 --> 00:28:57,390
people of the leadership of the world

551
00:28:53,210 --> 00:29:00,450
ultimately need our guidance they need

552
00:28:57,390 --> 00:29:06,420
our prayers but they need our insistence

553
00:29:00,450 --> 00:29:10,590
that they lead the problem is everyone

554
00:29:06,420 --> 00:29:13,160
wants to be first to be second no one

555
00:29:10,589 --> 00:29:15,539
wants to stick their neck out on this

556
00:29:13,160 --> 00:29:17,519

when i put these briefings together

557

00:29:15,539 --> 00:29:20,009

laurance rockefeller hosted the Clintons

558

00:29:17,519 --> 00:29:23,220

at his ranch Leah one the old

559

00:29:20,009 --> 00:29:24,960

Rockefeller guys and he he wanted the

560

00:29:23,220 --> 00:29:27,289

truth out but his brother David

561

00:29:24,960 --> 00:29:32,460

Rockefeller chase manhattan bank didn't

562

00:29:27,289 --> 00:29:33,990

doesn't and Lawrence was the philosopher

563

00:29:32,460 --> 00:29:36,059

of the family he went to Princeton with

564

00:29:33,990 --> 00:29:40,620

McDonald oh man McDonald of McDonnell

565

00:29:36,059 --> 00:29:42,389

Douglas aerospace and Lawrence really

566

00:29:40,619 --> 00:29:44,369

did want to get this fixed but he got

567

00:29:42,390 --> 00:29:45,810

surrounded by people from the CIA that

568

00:29:44,369 --> 00:29:51,569

took all of his money and flushed it

569

00:29:45,809 --> 00:29:54,720

down the toilet but when he was hosting

570

00:29:51,569 --> 00:29:56,220

the Clintons at his ranch and he was

571
00:29:54,720 --> 00:29:59,789
going through all these materials that

572
00:29:56,220 --> 00:30:03,180
we had put together Hillary Clinton

573
00:29:59,789 --> 00:30:06,049
stood up and said stop we don't want to

574
00:30:03,180 --> 00:30:11,490
hear any more this is too dangerous and

575
00:30:06,049 --> 00:30:13,139
that was the end of that so x 1998 I had

576
00:30:11,490 --> 00:30:15,690
concluded that neither the Congress nor

577
00:30:13,140 --> 00:30:18,300
the president nor the United Nations and

578
00:30:15,690 --> 00:30:20,700
I had met with the boutros-ghali family

579
00:30:18,299 --> 00:30:22,440
at un secretary-general we're going to

580
00:30:20,700 --> 00:30:23,230
stick their necks out on this it was too

581
00:30:22,440 --> 00:30:28,630
hot

582
00:30:23,230 --> 00:30:32,500
handle therefore we did the disclosure

583
00:30:28,630 --> 00:30:34,780
project thanks to dr. Bravo and hundreds

584
00:30:32,500 --> 00:30:37,269
and hundreds and hundreds of people who

585
00:30:34,779 --> 00:30:39,460
helped us do it and that's why we're

586
00:30:37,269 --> 00:30:41,558
here today it has launched a worldwide

587
00:30:39,460 --> 00:30:45,009
push for disclosure it's even become a

588
00:30:41,558 --> 00:30:47,470
branded coin term but what we're finding

589
00:30:45,009 --> 00:30:49,539
is that the Danes are releasing their

590
00:30:47,470 --> 00:30:52,000
documents the French are releasing some

591
00:30:49,539 --> 00:30:55,629
of theirs even the United Kingdom is the

592
00:30:52,000 --> 00:31:04,179
United States they can't even find the

593
00:30:55,630 --> 00:31:05,770
footage for the landing on the moon now

594
00:31:04,179 --> 00:31:07,480
everyone thinks that just because you're

595
00:31:05,769 --> 00:31:09,519
in the CIA or something like this that

596
00:31:07,480 --> 00:31:11,140
you know about this stuff nothing could

597
00:31:09,519 --> 00:31:12,910
be further from the truth most of those

598
00:31:11,140 --> 00:31:16,020
guys couldn't find their ass in a well

599

00:31:12,910 --> 00:31:16,019
lighted room with both hands

600
00:31:21,970 --> 00:31:32,240
but here's another interesting fact the

601
00:31:28,269 --> 00:31:34,190
extraterrestrials are visiting us and in

602
00:31:32,240 --> 00:31:37,160
the last six months the sea city

603
00:31:34,190 --> 00:31:42,440
initiative has had unbroken constant

604
00:31:37,160 --> 00:31:45,650
contact unbelievable and I am certain

605
00:31:42,440 --> 00:31:48,259
that it will continue until we have

606
00:31:45,650 --> 00:31:51,980
reached the conclusion of this journey

607
00:31:48,259 --> 00:31:55,369
this phase this chapter in the human

608
00:31:51,980 --> 00:31:58,730
adventure and I invite all of you to

609
00:31:55,369 --> 00:32:02,599
become ambassadors to the universe with

610
00:31:58,730 --> 00:32:04,579
us you can all do it and I'm going to

611
00:32:02,599 --> 00:32:06,289
get into some stuff here this may make

612
00:32:04,579 --> 00:32:10,879
you uncomfortable you want to get into

613
00:32:06,289 --> 00:32:16,849

some strange stuff dia okay all right

614

00:32:10,880 --> 00:32:19,700

here we go a prelude to this I recently

615

00:32:16,849 --> 00:32:22,789

though is this spook of the skype the

616

00:32:19,700 --> 00:32:25,819

CIA who surfaced and he's in charge of

617

00:32:22,789 --> 00:32:27,710

WS FM at the agency everybody anyone who

618

00:32:25,819 --> 00:32:33,439

know what WS FM is I'm not training

619

00:32:27,710 --> 00:32:36,380

people new word WS FM it stands in

620

00:32:33,440 --> 00:32:41,029

English for weird science and freaking

621

00:32:36,380 --> 00:32:43,580

magic and that is actually what it's

622

00:32:41,029 --> 00:32:46,879

called in the classified world in

623

00:32:43,579 --> 00:32:49,549

America all the technologies and all the

624

00:32:46,880 --> 00:32:53,060

things that deal with transdimensional

625

00:32:49,549 --> 00:32:56,269

physics things that go faster than the

626

00:32:53,059 --> 00:33:00,279

speed of light things that resonate at

627

00:32:56,269 --> 00:33:03,799

resonant frequencies beyond matter

628
00:33:00,279 --> 00:33:08,599
beyond the electron beyond the speed of

629
00:33:03,799 --> 00:33:11,059
the photon and guess what most of what

630
00:33:08,599 --> 00:33:17,419
exists in the cosmos is resonating

631
00:33:11,059 --> 00:33:18,919
beyond the speed of light now we're

632
00:33:17,420 --> 00:33:20,960
going to get into some interesting stuff

633
00:33:18,920 --> 00:33:24,410
let me go back to nineteen ninety-three

634
00:33:20,960 --> 00:33:27,710
and I'm having this dinner with a CIA

635
00:33:24,410 --> 00:33:29,269
director and his wife and my wife god

636
00:33:27,710 --> 00:33:32,809
bless her you imagine putting up with

637
00:33:29,269 --> 00:33:33,460
this Plus how many doctors wives let

638
00:33:32,809 --> 00:33:35,019
their husband

639
00:33:33,460 --> 00:33:37,450
Lou leave their career to do this

640
00:33:35,019 --> 00:33:40,148
craziness for free in what she's a saint

641
00:33:37,450 --> 00:33:43,230
and the Peace Corps they called her

642
00:33:40,148 --> 00:33:45,639
Saint Emily she's an amazing woman and

643
00:33:43,230 --> 00:33:49,899
we're sitting there and the cover story

644
00:33:45,640 --> 00:33:51,700
for this meeting with a dinner party the

645
00:33:49,898 --> 00:33:53,558
hostess didn't even know who was coming

646
00:33:51,700 --> 00:33:54,880
to dinner because her husband said I

647
00:33:53,558 --> 00:33:56,619
can't tell you who's coming to dinner

648
00:33:54,880 --> 00:33:59,890
till they get here and of course who

649
00:33:56,619 --> 00:34:01,839
shows up this expert on extraterrestrial

650
00:33:59,890 --> 00:34:07,090
intelligence and UFOs in the city CIA

651
00:34:01,839 --> 00:34:09,369
director with his wife ah but dr.

652
00:34:07,089 --> 00:34:12,159
Woolsey who was the wife of the CIA

653
00:34:09,369 --> 00:34:14,108
director was the chief operating officer

654
00:34:12,159 --> 00:34:15,700
of the National Academy of Sciences the

655
00:34:14,108 --> 00:34:20,858
most prestigious scientific entity in

656

00:34:15,699 --> 00:34:23,858
America I thought oh how fortuitous she

657
00:34:20,858 --> 00:34:26,559
asked the question that I almost didn't

658
00:34:23,858 --> 00:34:29,608
answer but I'm glad I did because she

659
00:34:26,559 --> 00:34:32,019
said look how are these civilizations

660
00:34:29,608 --> 00:34:37,628
communicating across the vastness of

661
00:34:32,019 --> 00:34:40,119
space and I thought to myself do I tell

662
00:34:37,628 --> 00:34:45,940
her the truth and lose all credibility

663
00:34:40,119 --> 00:34:50,139
or do I sound scientific and tell her a

664
00:34:45,940 --> 00:34:52,659
lie I said no she asked I'm going to

665
00:34:50,139 --> 00:34:55,389
tell her the truth so here's what I told

666
00:34:52,659 --> 00:34:57,010
her look the Milky Way galaxy is a

667
00:34:55,389 --> 00:35:00,730
hundred thousand light years across

668
00:34:57,010 --> 00:35:05,440
that's the distance that a beam of light

669
00:35:00,730 --> 00:35:09,849
going 180 6,000 miles per second covers

670
00:35:05,440 --> 00:35:11,619

in a hundred thousand years enormous but

671

00:35:09,849 --> 00:35:16,300

that's one galaxy out of billions of

672

00:35:11,619 --> 00:35:18,099

galaxies and I said that if a star

673

00:35:16,300 --> 00:35:19,960

system in our neighborhood which is only

674

00:35:18,099 --> 00:35:21,640

a thousand light-years one percent of

675

00:35:19,960 --> 00:35:27,608

the way across the Milky Way galaxy is

676

00:35:21,639 --> 00:35:32,679

visiting earth and they are if they were

677

00:35:27,608 --> 00:35:35,108

using AT&T or whatever your telecom is

678

00:35:32,679 --> 00:35:37,118

here using the speed of light for them

679

00:35:35,108 --> 00:35:39,338

to call home and say hello how are you

680

00:35:37,119 --> 00:35:41,440

today and for them to get the answer of

681

00:35:39,338 --> 00:35:46,759

fine thank you very much that just took

682

00:35:41,440 --> 00:35:49,159

how long two thousand years round trip

683

00:35:46,760 --> 00:35:51,790

the time since the birth of Christ to

684

00:35:49,159 --> 00:35:55,119

say hello and how are you fine thank you

685
00:35:51,789 --> 00:36:02,059
the speed of light is too damn slow a

686
00:35:55,119 --> 00:36:05,000
piori the technologies are inter

687
00:36:02,059 --> 00:36:07,849
stellar technologies or transdimensional

688
00:36:05,000 --> 00:36:10,269
and the heart of that science is

689
00:36:07,849 --> 00:36:12,769
consciousness because they have

690
00:36:10,269 --> 00:36:16,190
technologies that interface directly

691
00:36:12,769 --> 00:36:19,639
with thought coherent thought like a

692
00:36:16,190 --> 00:36:24,849
laser is coherent light like this is a

693
00:36:19,639 --> 00:36:29,210
laser so what I am now telling you is

694
00:36:24,849 --> 00:36:31,009
that we have sort of discovered as many

695
00:36:29,210 --> 00:36:33,500
others around the world have over many

696
00:36:31,010 --> 00:36:38,540
thousands of years on earth the rosetta

697
00:36:33,500 --> 00:36:44,480
stone of extraterrestrial contact and it

698
00:36:38,539 --> 00:36:48,309
isn't the SETI project it is it it is

699

00:36:44,480 --> 00:36:50,719

not radio telescopes it is not Rockettes

700

00:36:48,309 --> 00:36:54,920

it's not microwave and tennis is not

701

00:36:50,719 --> 00:36:58,639

even post microwaves aired their

702

00:36:54,920 --> 00:37:00,710

technologies that are WS FM and their

703

00:36:58,639 --> 00:37:02,480

transdimensional and they crawl straight

704

00:37:00,710 --> 00:37:06,260

into consciousness and thought and

705

00:37:02,480 --> 00:37:08,030

awareness and how many people here have

706

00:37:06,260 --> 00:37:10,640

had some contact with an

707

00:37:08,030 --> 00:37:12,410

extraterrestrial spacecraft or being and

708

00:37:10,639 --> 00:37:15,409

there has been a mental component to it

709

00:37:12,409 --> 00:37:18,019

how many I just want to see with

710

00:37:15,409 --> 00:37:23,480

consciousness or thought it is the most

711

00:37:18,019 --> 00:37:26,360

common way moreover the most common way

712

00:37:23,480 --> 00:37:33,860

that they owe a contact humans is in the

713

00:37:26,360 --> 00:37:40,930
lucid dream state no boy here we go now

714
00:37:33,860 --> 00:37:43,930
this is going to get crazy what is this

715
00:37:40,929 --> 00:37:43,929
dreamland

716
00:37:45,509 --> 00:37:51,139
tell you a reason why it was nameless

717
00:37:47,418 --> 00:37:54,118
because when you were on a man-made

718
00:37:51,139 --> 00:37:56,459
experimental alien reproduction vehicle

719
00:37:54,119 --> 00:37:59,369
and they go into that kind of

720
00:37:56,458 --> 00:38:02,489
transdimensional mode it is like you're

721
00:37:59,369 --> 00:38:07,669
in a lucid precognitive or a lucid dream

722
00:38:02,489 --> 00:38:11,068
state it's real but it's very dreamy

723
00:38:07,668 --> 00:38:13,828
because you have just phased beyond the

724
00:38:11,068 --> 00:38:15,808
speed of light now been rich who is the

725
00:38:13,829 --> 00:38:18,839
head of Lockheed skunk works for a

726
00:38:15,809 --> 00:38:22,349
number of years told us three things

727
00:38:18,838 --> 00:38:23,909

before he died and Lockheed skunk works

728

00:38:22,349 --> 00:38:27,568

is where they built the u2 and all the

729

00:38:23,909 --> 00:38:30,148

secret stuff and my uncle's company was

730

00:38:27,568 --> 00:38:36,259

north of grumman and of course though i

731

00:38:30,148 --> 00:38:38,638

knew that and interestingly the

732

00:38:36,259 --> 00:38:40,938

technologies they have developed are so

733

00:38:38,639 --> 00:38:43,829

advanced that he admitted this to us

734

00:38:40,938 --> 00:38:47,699

that number one there are no private

735

00:38:43,829 --> 00:38:49,380

conversations anywhere on earth is the

736

00:38:47,699 --> 00:38:54,679

head of Lockheed skunk works Lockheed

737

00:38:49,380 --> 00:38:57,239

number two that anything you can imagine

738

00:38:54,679 --> 00:38:59,898

like Star Trek what-have-you has already

739

00:38:57,239 --> 00:39:02,818

been done at Lockheed skunk works and

740

00:38:59,898 --> 00:39:06,978

number three we already have the

741

00:39:02,818 --> 00:39:09,808

technologies to travel among the stars

742
00:39:06,978 --> 00:39:15,568
faster than the speed of light in fact

743
00:39:09,809 --> 00:39:17,039
we can take e.t home now some of the

744
00:39:15,568 --> 00:39:21,599
people standing around thought the old

745
00:39:17,039 --> 00:39:24,539
man had lost his mind he was not kidding

746
00:39:21,599 --> 00:39:26,999
and so when I was talking to the wife of

747
00:39:24,539 --> 00:39:29,459
the CIA director I said look we have

748
00:39:26,998 --> 00:39:31,858
developed protocols that involve the

749
00:39:29,458 --> 00:39:34,828
ability to go into deep states of

750
00:39:31,858 --> 00:39:38,699
consciousness the old-fashioned term

751
00:39:34,829 --> 00:39:41,099
might be Nirvana or samadhi and then

752
00:39:38,699 --> 00:39:43,219
Remote View when consciousness where

753
00:39:41,099 --> 00:39:46,829
these extraterrestrial vehicles are and

754
00:39:43,219 --> 00:39:49,648
then contact them with a coherent stream

755
00:39:46,829 --> 00:39:52,589
of thought and vector them just like you

756
00:39:49,648 --> 00:39:56,630
vector a jet into barcelona airport then

757
00:39:52,588 --> 00:40:00,980
into our location and guess what

758
00:39:56,630 --> 00:40:02,539
they almost always come now this is what

759
00:40:00,980 --> 00:40:04,190
we're training people to do you're all

760
00:40:02,539 --> 00:40:06,500
invited we're going to do this in a mass

761
00:40:04,190 --> 00:40:08,480
contact event in the Arizona desert in

762
00:40:06,500 --> 00:40:10,309
October october twenty fourth and 25th

763
00:40:08,480 --> 00:40:12,710
and 26th and you can see what we're

764
00:40:10,309 --> 00:40:15,409
doing at disclosure project or go see

765
00:40:12,710 --> 00:40:18,400
SETI org but the point is is that people

766
00:40:15,409 --> 00:40:22,639
need to understand if it's interstellar

767
00:40:18,400 --> 00:40:26,329
it's going to be strange if it isn't

768
00:40:22,639 --> 00:40:29,529
strange it's probably a man-made device

769
00:40:26,329 --> 00:40:35,500
if you see scenes on it and rivets it

770

00:40:29,530 --> 00:40:37,220
was made by Lockheed or Northrop or saic

771
00:40:35,500 --> 00:40:39,409
science applications international

772
00:40:37,219 --> 00:40:43,459
corporation or any of these other things

773
00:40:39,409 --> 00:40:46,429
so what I am saying to you is that each

774
00:40:43,460 --> 00:40:50,690
one of you carries within yourself the

775
00:40:46,429 --> 00:40:54,589
universal communicator okay and it's

776
00:40:50,690 --> 00:40:57,039
called conscious awareness erwin

777
00:40:54,590 --> 00:40:58,910
schrodinger who is the father of modern

778
00:40:57,039 --> 00:41:01,820
particle wave theory and quantum

779
00:40:58,909 --> 00:41:05,989
mechanics said this the total number of

780
00:41:01,820 --> 00:41:09,530
mines in the universe is one that is it

781
00:41:05,989 --> 00:41:11,689
is a singularity and so we see all these

782
00:41:09,530 --> 00:41:14,180
hundreds of people and we all have our

783
00:41:11,690 --> 00:41:17,329
bodies and we all have our bodies of

784
00:41:14,179 --> 00:41:20,239

light and we all have our individuality

785

00:41:17,329 --> 00:41:22,309

but shining through that unique window

786

00:41:20,239 --> 00:41:25,369

in each window each of us is like a

787

00:41:22,309 --> 00:41:29,809

snowflake no two are alike is the same

788

00:41:25,369 --> 00:41:33,409

light of consciousness we divided up and

789

00:41:29,809 --> 00:41:35,659

we separate ourselves but we can just as

790

00:41:33,409 --> 00:41:39,079

easily become still and silent and

791

00:41:35,659 --> 00:41:43,369

peaceful and become one again and then

792

00:41:39,079 --> 00:41:46,519

from there anything is possible and as I

793

00:41:43,369 --> 00:41:48,409

had this conversation with the wife of

794

00:41:46,519 --> 00:41:50,420

the CIA director she looked at me and

795

00:41:48,409 --> 00:41:57,319

she said I thought it had to be

796

00:41:50,420 --> 00:42:01,430

something like that yeah she got it he

797

00:41:57,320 --> 00:42:05,680

didn't the CIA director was on she got

798

00:42:01,429 --> 00:42:09,210

it I hope you do too

799

00:42:05,679 --> 00:42:09,210

I know you all do

800

00:42:15,960 --> 00:42:21,400

so we want to do is I want to go for a

801

00:42:18,940 --> 00:42:22,630

moment just to a few clips they just

802

00:42:21,400 --> 00:42:24,400

sort of give you something that but when

803

00:42:22,630 --> 00:42:27,369

we're coming into a whole lot of images

804

00:42:24,400 --> 00:42:29,260

of ET craft and some music oh those of

805

00:42:27,369 --> 00:42:31,030

you who came in late I'm sorry but we I

806

00:42:29,260 --> 00:42:32,920

thought I'd have two hours and we had

807

00:42:31,030 --> 00:42:36,869

one hour and then blah blah blah so

808

00:42:32,920 --> 00:42:42,460

we're going to go here am I in your way

809

00:42:36,869 --> 00:42:44,800

these people okay I'm gonna share this

810

00:42:42,460 --> 00:42:46,570

when this is a camera work is terrible

811

00:42:44,800 --> 00:42:49,180

we did not have good cameras back then

812

00:42:46,570 --> 00:42:51,130

in 1992 but this was a training

813
00:42:49,179 --> 00:42:52,989
expedition we did just for one day with

814
00:42:51,130 --> 00:42:55,960
50 people out on the beach near

815
00:42:52,989 --> 00:42:58,809
pensacola florida and i want to show

816
00:42:55,960 --> 00:43:00,130
this to you even though it's difficult

817
00:42:58,809 --> 00:43:02,049
to see what happened there were four

818
00:43:00,130 --> 00:43:04,180
extraterrestrial vehicles that showed up

819
00:43:02,050 --> 00:43:06,880
and signaled with us and I eventually

820
00:43:04,179 --> 00:43:12,940
made a triangle in the sky and as I did

821
00:43:06,880 --> 00:43:14,380
so it it made a triangle back and while

822
00:43:12,940 --> 00:43:20,250
that was happening you go ahead and play

823
00:43:14,380 --> 00:43:26,289
it number one no one at 10 porfavor see

824
00:43:20,250 --> 00:43:28,900
here we go and as this was happening d

825
00:43:26,289 --> 00:43:33,329
materialized but in the sort of subtle

826
00:43:28,900 --> 00:43:33,329
energy in the parking lot by the ocean

827

00:43:33,900 --> 00:43:39,550
we have extraterrestrial life-forms

828
00:43:36,820 --> 00:43:41,050
moving around a bunch of women got back

829
00:43:39,550 --> 00:43:47,890
in there trucking Road win back the

830
00:43:41,050 --> 00:43:50,560
count these are very low they're

831
00:43:47,889 --> 00:43:55,868
actually quite close there are only a

832
00:43:50,559 --> 00:44:00,119
few hundred feet wide and they were

833
00:43:55,869 --> 00:44:00,119
actually a glowing orange ridge

834
00:44:06,480 --> 00:44:13,179
moving towards us against a very stiff

835
00:44:09,039 --> 00:44:19,300
friend in the parking lot the returns

836
00:44:13,179 --> 00:44:21,039
going over 10 times and as this was

837
00:44:19,300 --> 00:44:23,289
happening some people became already

838
00:44:21,039 --> 00:44:28,599
enjoyed and then back to the town others

839
00:44:23,289 --> 00:44:30,009
say this went on third outfit 4934 3 it

840
00:44:28,599 --> 00:44:32,019
was actually photographed and on the

841
00:44:30,010 --> 00:44:34,530

front page of the newspaper the next day

842

00:44:32,019 --> 00:44:40,960

so it created quite a scandal locally I

843

00:44:34,530 --> 00:44:44,280

have earned the turn 3 God now listen

844

00:44:40,960 --> 00:44:44,280

translate this guy talking

845

00:44:53,059 --> 00:45:19,829

and look there's four there's four

846

00:44:57,150 --> 00:45:25,320

there's four in the seven board from

847

00:45:19,829 --> 00:45:27,840

Louisiana he got very excited again this

848

00:45:25,320 --> 00:45:30,630

is a very old just regular VHS camera

849

00:45:27,840 --> 00:45:31,740

it's not very good quality film but when

850

00:45:30,630 --> 00:45:35,369

you see it it's a really interesting

851

00:45:31,739 --> 00:45:37,559

thing to see up close because they're

852

00:45:35,369 --> 00:45:40,019

signaling with us and at the same time

853

00:45:37,559 --> 00:45:45,269

the craft are in the sky there were all

854

00:45:40,019 --> 00:45:47,039

these strange like plasma energies

855

00:45:45,269 --> 00:45:48,719

moving around in the parking lot you

856
00:45:47,039 --> 00:45:52,170
could walk right through them but though

857
00:45:48,719 --> 00:45:53,879
it was a bar located craft with all the

858
00:45:52,170 --> 00:45:55,650
little beads have you seen this before

859
00:45:53,880 --> 00:45:58,470
interview raise your hand if you've seen

860
00:45:55,650 --> 00:46:00,480
this sort of thing it's fantastic anyway

861
00:45:58,469 --> 00:46:02,250
that's what they do now what I want to

862
00:46:00,480 --> 00:46:04,289
go to now is that we were doing

863
00:46:02,250 --> 00:46:06,059
something or wichita falls texas number

864
00:46:04,289 --> 00:46:07,800
three we're going to skip we can't go

865
00:46:06,059 --> 00:46:09,719
through all these in England we had a

866
00:46:07,800 --> 00:46:11,730
craft to come into the field and then

867
00:46:09,719 --> 00:46:13,139
the Big C said a triangle was formed

868
00:46:11,730 --> 00:46:15,440
well we don't have time to go through

869
00:46:13,139 --> 00:46:18,059
all of them I apologize this up just

870
00:46:15,440 --> 00:46:22,730
materialized in thin air and followed us

871
00:46:18,059 --> 00:46:26,690
I recently got from a research of a

872
00:46:22,730 --> 00:46:30,570
ministry of defense aerospace division a

873
00:46:26,690 --> 00:46:35,820
drawing of exactly the same object from

874
00:46:30,570 --> 00:46:37,680
about 40 years earlier and in Europe is

875
00:46:35,820 --> 00:46:39,480
actually was in Europe this was in the

876
00:46:37,679 --> 00:46:42,239
United States and it literally followed

877
00:46:39,480 --> 00:46:45,809
us and that manifested after we began to

878
00:46:42,239 --> 00:46:48,000
vector the men in consciousness let's go

879
00:46:45,809 --> 00:46:54,299
to hear the Phoenix this is 97 I

880
00:46:48,000 --> 00:46:57,980
apologize for the error at Phoenix this

881
00:46:54,300 --> 00:46:59,900
is the Phoenix lights but no one knows

882
00:46:57,980 --> 00:47:02,030
we have not talked about publicly much

883
00:46:59,900 --> 00:47:04,849
is that this was a close encounter of

884

00:47:02,030 --> 00:47:07,400
the fifth kind I was on a flight flying

885
00:47:04,849 --> 00:47:11,150
into Phoenix this night and my team had

886
00:47:07,400 --> 00:47:12,740
made contact with this huge craft and it

887
00:47:11,150 --> 00:47:16,579
had been with us in Mexico the week

888
00:47:12,739 --> 00:47:17,839
before and we asked that to come there

889
00:47:16,579 --> 00:47:20,029
because I was putting together a

890
00:47:17,840 --> 00:47:21,710
videotape summary to give to the

891
00:47:20,030 --> 00:47:23,330
president members of Congress in a

892
00:47:21,710 --> 00:47:26,358
briefing I was doing in april of

893
00:47:23,329 --> 00:47:28,840
nineteen ninety-seven and so we will

894
00:47:26,358 --> 00:47:31,940
write underneath where this happened and

895
00:47:28,840 --> 00:47:34,070
when we had asked the ETS to cooperate

896
00:47:31,940 --> 00:47:36,619
with this effort to brief Congress this

897
00:47:34,070 --> 00:47:39,130
is what showed up that night and at

898
00:47:36,619 --> 00:47:41,750

about eight-thirty and it was a huge

899

00:47:39,130 --> 00:47:43,519

object now the governor of arizona has

900

00:47:41,750 --> 00:47:46,969

finally come clean and said yes of

901

00:47:43,519 --> 00:47:52,039

course I saw it it was real and that was

902

00:47:46,969 --> 00:47:57,169

a beautiful event I think I'm going to

903

00:47:52,039 --> 00:47:59,449

have to go to oh my god i'm going to go

904

00:47:57,170 --> 00:48:01,909

all the way here to mount shasta this

905

00:47:59,449 --> 00:48:08,480

past fall because i want to i want to

906

00:48:01,909 --> 00:48:10,730

show you something that we have been

907

00:48:08,480 --> 00:48:12,260

getting these are more and more we have

908

00:48:10,730 --> 00:48:16,369

hundreds of these i'm just showing you

909

00:48:12,260 --> 00:48:19,760

what I that's me and we had this object

910

00:48:16,369 --> 00:48:22,220

come into the sky and it began to a

911

00:48:19,760 --> 00:48:26,359

signal with my laser I have a stronger

912

00:48:22,219 --> 00:48:29,089

laser and very bright and we had one do

913
00:48:26,358 --> 00:48:31,608
this for two hours and 45 minutes after

914
00:48:29,090 --> 00:48:34,579
which and a big orb that always sell

915
00:48:31,608 --> 00:48:38,389
came right into the circle of our group

916
00:48:34,579 --> 00:48:40,190
and this is Mount Shasta and look this

917
00:48:38,389 --> 00:48:44,089
now look at this this is about a hundred

918
00:48:40,190 --> 00:48:46,190
feet from us it's a triangle and it is

919
00:48:44,090 --> 00:48:50,630
comes in at the speed of light look at

920
00:48:46,190 --> 00:48:53,090
this is very very close and then of

921
00:48:50,630 --> 00:48:54,800
course it's there in the sort of astral

922
00:48:53,090 --> 00:48:58,608
energy field afterwards if you want to

923
00:48:54,800 --> 00:49:00,859
think of it that way here's a one more

924
00:48:58,608 --> 00:49:05,509
to come in right here this is a 50 feet

925
00:49:00,858 --> 00:49:07,400
away from our circle and they are very

926
00:49:05,510 --> 00:49:08,300
white when you first see them they're

927
00:49:07,400 --> 00:49:11,510
very brave

928
00:49:08,300 --> 00:49:19,039
right this comes in near the top of the

929
00:49:11,510 --> 00:49:20,810
tree right here and you think it's

930
00:49:19,039 --> 00:49:25,630
Christmas time sometimes this is a

931
00:49:20,809 --> 00:49:25,630
wonderful one because when it came in

932
00:49:26,440 --> 00:49:34,340
you can see it in front of the tree and

933
00:49:29,059 --> 00:49:37,130
this tree is very very close and after

934
00:49:34,340 --> 00:49:38,450
this we then had the whole circle that

935
00:49:37,130 --> 00:49:39,860
we had a people who are in this

936
00:49:38,449 --> 00:49:42,529
meditative state with these

937
00:49:39,860 --> 00:49:44,090
extraterrestrial beings moving around us

938
00:49:42,530 --> 00:49:45,920
and occasionally they would totally

939
00:49:44,090 --> 00:49:47,570
materialize and they would fits like a

940
00:49:45,920 --> 00:49:49,039
radio station but you go between

941

00:49:47,570 --> 00:49:51,230
stations they were fully materialized

942
00:49:49,039 --> 00:49:55,849
and then dematerialize and materialize

943
00:49:51,230 --> 00:50:00,789
and d materialize alyssa let's go

944
00:49:55,849 --> 00:50:06,400
through this one here there's a

945
00:50:00,789 --> 00:50:09,980
extraterrestrial number 12 yeah and

946
00:50:06,400 --> 00:50:14,389
there's a an extraterrestrial though ooh

947
00:50:09,980 --> 00:50:17,960
yeah you were there and I called her

948
00:50:14,389 --> 00:50:19,639
kindness I had a very close encounter

949
00:50:17,960 --> 00:50:22,030
with this extraterrestrial woman she's

950
00:50:19,639 --> 00:50:28,609
very she's like an avatar kindness and

951
00:50:22,030 --> 00:50:31,900
oh yeah and these are going up you hear

952
00:50:28,610 --> 00:50:31,900
some tones in the background

953
00:50:35,690 --> 00:50:45,659
these are not falling stars they're

954
00:50:38,159 --> 00:50:48,299
going up and many of these are closer

955
00:50:45,659 --> 00:50:50,639

than they appear what we have had happen

956

00:50:48,300 --> 00:50:52,560

in the past is that will have maybe

957

00:50:50,639 --> 00:50:54,299

several dozen of these that will come in

958

00:50:52,559 --> 00:50:58,199

New us sometime we should come back to

959

00:50:54,300 --> 00:51:02,190

barthelona and do this young and make

960

00:50:58,199 --> 00:51:04,529

contact here in the mountains and then

961

00:51:02,190 --> 00:51:06,450

there when they come in with this it is

962

00:51:04,530 --> 00:51:14,490

a prelude to something bigger that

963

00:51:06,449 --> 00:51:16,259

happens so that's the top of Mount

964

00:51:14,489 --> 00:51:22,619

Shasta it's on the Oregon California

965

00:51:16,260 --> 00:51:24,480

bears a volcano and a very brilliant and

966

00:51:22,619 --> 00:51:26,039

very close let's go to the next one

967

00:51:24,480 --> 00:51:27,719

because there are some slow ones there I

968

00:51:26,039 --> 00:51:29,489

don't want to show you and one of these

969

00:51:27,719 --> 00:51:32,009

when you see this is with a night scope

970
00:51:29,489 --> 00:51:34,919
is actually the color of a sort of

971
00:51:32,010 --> 00:51:36,540
brilliant cobalt blue it's um but it

972
00:51:34,920 --> 00:51:38,579
doesn't come out in this camera but it's

973
00:51:36,539 --> 00:51:41,400
this beautiful blue color and as it

974
00:51:38,579 --> 00:51:44,130
comes in and every single time since

975
00:51:41,400 --> 00:51:49,410
1998 we have gone out to do this it

976
00:51:44,130 --> 00:51:55,920
comes in these are the transmissions

977
00:51:49,409 --> 00:51:58,230
from Orion we have these electromagnetic

978
00:51:55,920 --> 00:52:02,550
detectors in the middle of the National

979
00:51:58,230 --> 00:52:04,980
Park we had this for five hours this

980
00:52:02,550 --> 00:52:07,230
past November and these are actually

981
00:52:04,980 --> 00:52:09,869
intelligible signals we have them

982
00:52:07,230 --> 00:52:12,090
recorded and they have messages these

983
00:52:09,869 --> 00:52:13,028
transmissions are being translated and

984
00:52:12,090 --> 00:52:19,778
we're going to release

985
00:52:13,028 --> 00:52:21,699
later this year is a laser and other

986
00:52:19,778 --> 00:52:23,588
electromagnetic we have grabbed utama

987
00:52:21,699 --> 00:52:25,900
doors gravity and we're in an area where

988
00:52:23,588 --> 00:52:30,630
there's absolutely nothing silent

989
00:52:25,900 --> 00:52:30,630
electromagnet a silent as soon as I help

990
00:52:32,998 --> 00:52:44,678
this will never get it maybe jan can get

991
00:52:38,739 --> 00:52:48,188
rid of my cohort and then at NASA gave

992
00:52:44,679 --> 00:52:51,509
me this I do that period I do but if we

993
00:52:48,188 --> 00:52:55,868
arrived in a circle and it is a spear

994
00:52:51,509 --> 00:52:58,688
derivative and what I did was that I

995
00:52:55,869 --> 00:53:03,189
remove these a big interstellar fleet

996
00:52:58,688 --> 00:53:06,658
out in the area of Orion and as I saw it

997
00:53:03,188 --> 00:53:09,848
in my mind's eye I began to turn

998

00:53:06,659 --> 00:53:12,909
consciousness and this spear with my

999
00:53:09,849 --> 00:53:15,999
fire electric field and as I held it I

1000
00:53:12,909 --> 00:53:17,858
put my hand out and suddenly was at all

1001
00:53:15,998 --> 00:53:19,688
these detectors started going off and it

1002
00:53:17,858 --> 00:53:28,630
went off for about five hours over the

1003
00:53:19,688 --> 00:53:30,368
course of this s here oh ok these are

1004
00:53:28,630 --> 00:53:33,269
going on at the same time these objects

1005
00:53:30,369 --> 00:53:33,269
coming through a lion

1006
00:53:44,570 --> 00:53:47,980
they're coming my friends and what they

1007
00:53:46,639 --> 00:53:51,799
were saying is that we're coming

1008
00:53:47,980 --> 00:53:53,389
nothing's going to stop it there are

1009
00:53:51,800 --> 00:53:55,519
thousands of people we have trained now

1010
00:53:53,389 --> 00:53:57,949
to do what I just said we're doing there

1011
00:53:55,519 --> 00:53:59,989
are people here who have been taught to

1012
00:53:57,949 --> 00:54:03,250

do these things on their own and have

1013

00:53:59,989 --> 00:54:06,889

gone out and i want to show you ah

1014

00:54:03,250 --> 00:54:08,480

number 14 this past the fall I mean

1015

00:54:06,889 --> 00:54:10,219

spring we were on the Outer Banks of

1016

00:54:08,480 --> 00:54:12,019

North Carolina barrier islands that go

1017

00:54:10,219 --> 00:54:15,379

out into the Atlantic off the North

1018

00:54:12,019 --> 00:54:18,619

Carolina coast and we had about that 35

1019

00:54:15,380 --> 00:54:20,809

people and we were that this was daytime

1020

00:54:18,619 --> 00:54:23,179

and this beautiful ship it looked just

1021

00:54:20,809 --> 00:54:25,909

like the one from Colorado that I didn't

1022

00:54:23,179 --> 00:54:28,579

have a chance to show you that came in

1023

00:54:25,909 --> 00:54:31,489

almost is very very subtle it's a clear

1024

00:54:28,579 --> 00:54:32,809

sky and it came in very close off of the

1025

00:54:31,489 --> 00:54:36,199

house where we were staying and we were

1026

00:54:32,809 --> 00:54:41,119

doing our vectoring later we went out

1027
00:54:36,199 --> 00:54:45,099
that night on to the beach and go to the

1028
00:54:41,119 --> 00:54:49,130
number of 15 and i want to show you this

1029
00:54:45,099 --> 00:54:52,489
because and then explain something

1030
00:54:49,130 --> 00:54:54,140
that's going to sound unbelievable now

1031
00:54:52,489 --> 00:54:56,479
all of this seems unbelievable its way

1032
00:54:54,139 --> 00:55:00,769
out there might look like that but it's

1033
00:54:56,480 --> 00:55:03,849
worth noting and it's argued this is the

1034
00:55:00,769 --> 00:55:07,699
ocean this is the shore this is a sky

1035
00:55:03,849 --> 00:55:11,509
right here 90 feet from us just did it

1036
00:55:07,699 --> 00:55:13,909
again we are surrounded by a craft that

1037
00:55:11,510 --> 00:55:16,880
is scintillating sort of like neutrino

1038
00:55:13,909 --> 00:55:20,210
light and suddenly we start seeing these

1039
00:55:16,880 --> 00:55:24,530
very close floating lights 90 feet from

1040
00:55:20,210 --> 00:55:27,440
our circle that oh there did you say I

1041
00:55:24,530 --> 00:55:29,900
did a lot of them

1042
00:55:27,440 --> 00:55:31,670
far below the rising at the beach and

1043
00:55:29,900 --> 00:55:34,639
there's nobody there and there's nothing

1044
00:55:31,670 --> 00:55:36,530
there but we are in the center of a ship

1045
00:55:34,639 --> 00:55:38,809
now let me explain what I mean by that

1046
00:55:36,530 --> 00:55:40,519
it is dematerialized and resonating as

1047
00:55:38,809 --> 00:55:42,199
in the speed of light and then

1048
00:55:40,519 --> 00:55:44,659
periodically they will send out a signal

1049
00:55:42,199 --> 00:55:47,449
to us this happened for an hour and 10

1050
00:55:44,659 --> 00:55:49,368
minutes more than 100 times this it was

1051
00:55:47,449 --> 00:55:51,889
like right in here it did it again yeah

1052
00:55:49,369 --> 00:55:55,789
maybe right in there right yep okay

1053
00:55:51,889 --> 00:55:59,348
right maybe a degree deliver that what's

1054
00:55:55,789 --> 00:56:03,380
happening is that there is a Star Wars

1055

00:55:59,349 --> 00:56:05,329
protection meaning that the human cabal

1056
00:56:03,380 --> 00:56:07,818
that has been targeting these things are

1057
00:56:05,329 --> 00:56:10,190
being held off so this can be here

1058
00:56:07,818 --> 00:56:13,219
visible for people this is amazing that

1059
00:56:10,190 --> 00:56:15,889
this is good did you see it's doing it

1060
00:56:13,219 --> 00:56:17,899
every three or four seconds that is

1061
00:56:15,889 --> 00:56:19,909
right here on the beach that is not a

1062
00:56:17,900 --> 00:56:21,980
boat out there that's right here this is

1063
00:56:19,909 --> 00:56:24,379
right here everybody see it yeah that

1064
00:56:21,980 --> 00:56:27,349
one had a goldish a golden amber color

1065
00:56:24,380 --> 00:56:30,858
we had three colors white keyholding and

1066
00:56:27,349 --> 00:56:34,480
blue teal they rebutia there are two

1067
00:56:30,858 --> 00:56:37,489
crafts there it is again that's doing

1068
00:56:34,480 --> 00:56:39,199
another prelude to this which

1069
00:56:37,489 --> 00:56:41,239

unfortunately did not get on the camera

1070

00:56:39,199 --> 00:56:44,629

was always a crafts this big at arm's

1071

00:56:41,239 --> 00:56:46,879

length that came in behind us that came

1072

00:56:44,630 --> 00:56:49,130

right into the ocean this came up

1073

00:56:46,880 --> 00:56:51,410

floated out of the ocean there was an

1074

00:56:49,130 --> 00:56:53,329

etheric sort of plasma energy and in the

1075

00:56:51,409 --> 00:56:57,440

center of it were these objects that

1076

00:56:53,329 --> 00:56:59,450

were flashing this one on for over an

1077

00:56:57,440 --> 00:57:01,309

hour all people who had never done this

1078

00:56:59,449 --> 00:57:03,139

before so what we're doing we're

1079

00:57:01,309 --> 00:57:05,059

practicing to do this and training

1080

00:57:03,139 --> 00:57:08,449

people so that every one of you can be

1081

00:57:05,059 --> 00:57:11,630

an ambassador to the cosmos why wait for

1082

00:57:08,449 --> 00:57:14,838

unit nations why wait for your foreign

1083

00:57:11,630 --> 00:57:16,890

ministry don't do it yourself make

1084
00:57:14,838 --> 00:57:26,670
contact

1085
00:57:16,889 --> 00:57:28,769
I was in several hundred large the other

1086
00:57:26,670 --> 00:57:31,650
thing that happened I don't have time to

1087
00:57:28,769 --> 00:57:34,949
show was in the North over the area

1088
00:57:31,650 --> 00:57:36,690
where the commander-in-chief Atlantic

1089
00:57:34,949 --> 00:57:39,299
command is located in Norfolk is the

1090
00:57:36,690 --> 00:57:41,880
largest naval weapons area on the east

1091
00:57:39,300 --> 00:57:45,480
coast of America there were about 40

1092
00:57:41,880 --> 00:57:47,670
exo-atmospheric craft that we filmed all

1093
00:57:45,480 --> 00:57:51,630
at the same time 40 of them that were

1094
00:57:47,670 --> 00:57:53,909
like these brilliant objects that would

1095
00:57:51,630 --> 00:57:56,220
materialize and d materialize and they

1096
00:57:53,909 --> 00:57:58,199
were making a statement to the military

1097
00:57:56,219 --> 00:57:59,879
stand down and get out of the way

1098
00:57:58,199 --> 00:58:02,849
because we're coming in on the beach and

1099
00:57:59,880 --> 00:58:05,700
they did so these are the sort of things

1100
00:58:02,849 --> 00:58:08,699
that happen they've gone from fully

1101
00:58:05,699 --> 00:58:11,219
materialized craft off very near us to

1102
00:58:08,699 --> 00:58:13,469
very strange events to things that

1103
00:58:11,219 --> 00:58:15,899
happen purely in remote viewing in

1104
00:58:13,469 --> 00:58:17,849
consciousness two things that happen on

1105
00:58:15,900 --> 00:58:20,519
the plasma energy level where it's

1106
00:58:17,849 --> 00:58:23,150
almost like a you could see a crap that

1107
00:58:20,519 --> 00:58:25,530
you could walk through it because

1108
00:58:23,150 --> 00:58:29,880
extraterrestrial technologies are the

1109
00:58:25,530 --> 00:58:32,970
ultimate WS FM weird science and frickin

1110
00:58:29,880 --> 00:58:36,090
magic and it is time for us to

1111
00:58:32,969 --> 00:58:39,209
understand that if we can reach within

1112

00:58:36,090 --> 00:58:43,140
ourselves and understand that these

1113
00:58:39,210 --> 00:58:44,760
people from other planetary systems yes

1114
00:58:43,139 --> 00:58:46,799
they may be a hundred thousand or a

1115
00:58:44,760 --> 00:58:49,560
million or three million or 20 million

1116
00:58:46,800 --> 00:58:53,340
years more developed than we are but

1117
00:58:49,559 --> 00:58:57,929
they're awake we're awake and the

1118
00:58:53,340 --> 00:59:01,590
singleness of mind that we share is the

1119
00:58:57,929 --> 00:59:06,119
universal field where we have common

1120
00:59:01,590 --> 00:59:10,950
life together we are one people in one

1121
00:59:06,119 --> 00:59:18,659
universe we're those people never forget

1122
00:59:10,949 --> 00:59:23,329
that I have a letter from a g8 Ministry

1123
00:59:18,659 --> 00:59:24,828
of Defense recently addressed to my team

1124
00:59:23,329 --> 00:59:29,058
asking us

1125
00:59:24,829 --> 00:59:32,749
to train them to make open contact so

1126
00:59:29,059 --> 00:59:35,420

that their head of state and the repeat

1127

00:59:32,748 --> 00:59:37,699

and their leaders can have peaceful

1128

00:59:35,420 --> 00:59:40,548

contact with these visitors much like

1129

00:59:37,699 --> 00:59:42,919

Eisenhower started to have in 1954

1130

00:59:40,548 --> 00:59:46,278

before the Cabal started shooting at

1131

00:59:42,920 --> 00:59:48,349

there many people think that there is

1132

00:59:46,278 --> 00:59:49,759

some ongoing relationship between

1133

00:59:48,349 --> 00:59:53,778

extraterrestrials and the secret

1134

00:59:49,759 --> 00:59:57,769

government this is not true in point of

1135

00:59:53,778 --> 01:00:00,858

fact they wouldn't bother what they have

1136

00:59:57,768 --> 01:00:04,868

done in the covert government is to

1137

01:00:00,858 --> 01:00:07,248

simulate extraterrestrial events and

1138

01:00:04,869 --> 01:00:08,630

there is a lot of research on this and

1139

01:00:07,248 --> 01:00:11,208

I'm going to say something here that

1140

01:00:08,630 --> 01:00:14,329

will make many of you angry but you know

1141
01:00:11,208 --> 01:00:16,818
what I got this expression out to credit

1142
01:00:14,329 --> 01:00:19,278
Brian O'Leary for the proof of this the

1143
01:00:16,818 --> 01:00:26,838
truth will set you free but first it

1144
01:00:19,278 --> 01:00:29,059
will piss you off there is a highly

1145
01:00:26,838 --> 01:00:30,650
classified project and this is a big

1146
01:00:29,059 --> 01:00:35,349
part of the information I'm having to

1147
01:00:30,650 --> 01:00:40,130
provide to the President and to others

1148
01:00:35,349 --> 01:00:43,130
that was hatched in the 50s 1950s to set

1149
01:00:40,130 --> 01:00:45,019
up a nexus of fear so that the people

1150
01:00:43,130 --> 01:00:48,949
the world would accept the costs of

1151
01:00:45,018 --> 01:00:52,338
interplanetary war Verner von Braun

1152
01:00:48,949 --> 01:00:54,709
himself said this before he died and I

1153
01:00:52,338 --> 01:00:57,858
have more than a dozen people who have

1154
01:00:54,708 --> 01:00:59,828
been inside these covert operations that

1155
01:00:57,858 --> 01:01:03,259
have been involved with the stagecraft

1156
01:00:59,829 --> 01:01:06,469
needed to hoax something that would make

1157
01:01:03,259 --> 01:01:09,708
911 look like a picnic and they would be

1158
01:01:06,469 --> 01:01:12,108
using the following alien reproduction

1159
01:01:09,708 --> 01:01:14,208
vehicles these are man-made devices that

1160
01:01:12,108 --> 01:01:16,900
are anti gravity that the any casual

1161
01:01:14,208 --> 01:01:19,278
observer would look like something UFO

1162
01:01:16,900 --> 01:01:21,979
we've been making them since the early

1163
01:01:19,278 --> 01:01:23,449
60s or late 50s absolutely before we

1164
01:01:21,978 --> 01:01:26,899
landed on the moon we already had those

1165
01:01:23,449 --> 01:01:28,729
technologies number two psychotronic

1166
01:01:26,900 --> 01:01:30,680
weapons systems these are

1167
01:01:28,728 --> 01:01:33,108
electromagnetic devices that interface

1168
01:01:30,679 --> 01:01:37,009
with consciousness and can deceive

1169

01:01:33,108 --> 01:01:38,480
people very easily and number three most

1170
01:01:37,009 --> 01:01:41,059
importantly

1171
01:01:38,480 --> 01:01:43,849
program life forms these are pls and

1172
01:01:41,059 --> 01:01:46,130
these are creatures that look like a

1173
01:01:43,849 --> 01:01:48,679
gray or reptilian or what have you and

1174
01:01:46,130 --> 01:01:50,809
they're man-made I know where they're

1175
01:01:48,679 --> 01:01:51,980
making them I know the team I have

1176
01:01:50,809 --> 01:01:53,840
people who have been on the team who

1177
01:01:51,980 --> 01:01:57,110
have created them they are not

1178
01:01:53,840 --> 01:01:59,510
extraterrestrial they are alien but not

1179
01:01:57,110 --> 01:02:02,620
extraterrestrial they are weird and

1180
01:01:59,510 --> 01:02:05,630
they're weird science but they're not et

1181
01:02:02,619 --> 01:02:07,940
this is the big hoax most people don't

1182
01:02:05,630 --> 01:02:10,369
know about and this is the information

1183
01:02:07,940 --> 01:02:13,519

that I have been most threatened with

1184

01:02:10,369 --> 01:02:16,039

providing because they want people to

1185

01:02:13,519 --> 01:02:19,130

think that there's cowboys and Indians

1186

01:02:16,039 --> 01:02:21,650

in space that there are good aliens and

1187

01:02:19,130 --> 01:02:23,470

bad aliens and we have to fight the bad

1188

01:02:21,650 --> 01:02:26,000

ones and have this sort of

1189

01:02:23,469 --> 01:02:34,819

eschatological solution to the human

1190

01:02:26,000 --> 01:02:37,519

problem don't be deceived again there is

1191

01:02:34,820 --> 01:02:39,950

no hostile intent on the part of any

1192

01:02:37,519 --> 01:02:43,099

actual extraterrestrial civilization and

1193

01:02:39,949 --> 01:02:44,839

if there was you and I would not be

1194

01:02:43,099 --> 01:02:49,730

breathing the freer of Earth how do I

1195

01:02:44,840 --> 01:02:54,010

know this because for at least 60 years

1196

01:02:49,730 --> 01:02:56,440

since Roswell we have used very advanced

1197

01:02:54,010 --> 01:03:00,530

electromagnetic systems Tesla type

1198
01:02:56,440 --> 01:03:03,650
scalar longitudinal technologies to

1199
01:03:00,530 --> 01:03:05,990
track target and knock down these

1200
01:03:03,650 --> 01:03:08,690
extraterrestrial vehicles it hasn't been

1201
01:03:05,989 --> 01:03:09,859
very efficient thank God but it's been

1202
01:03:08,690 --> 01:03:11,990
efficient enough that there's one

1203
01:03:09,860 --> 01:03:14,260
facility underground in Arizona near

1204
01:03:11,989 --> 01:03:16,669
Fort Huachuca where there are nine

1205
01:03:14,260 --> 01:03:21,590
extraterrestrial vehicles with their

1206
01:03:16,670 --> 01:03:26,269
bodies that are stored there this is an

1207
01:03:21,590 --> 01:03:29,059
existential threat to world peace into

1208
01:03:26,269 --> 01:03:31,190
universal peace and one of the things

1209
01:03:29,059 --> 01:03:33,230
we're asking the President to do is to

1210
01:03:31,190 --> 01:03:35,510
get control of those projects to the

1211
01:03:33,230 --> 01:03:37,519
extent he can working with other nations

1212
01:03:35,510 --> 01:03:39,650
around the world because we know where

1213
01:03:37,519 --> 01:03:41,809
the operating and tracking systems are

1214
01:03:39,650 --> 01:03:42,260
and I also know what are on the National

1215
01:03:41,809 --> 01:03:45,049
recon

1216
01:03:42,260 --> 01:03:47,720
since office satellites that track them

1217
01:03:45,050 --> 01:03:50,600
is called a neutrino light detector and

1218
01:03:47,719 --> 01:03:53,119
I won't go into the physics of it very

1219
01:03:50,599 --> 01:03:54,889
sophisticated before the spacecraft is

1220
01:03:53,119 --> 01:03:58,670
even fully materialized they can track

1221
01:03:54,889 --> 01:04:02,089
them BAM we began putting weapons in

1222
01:03:58,670 --> 01:04:04,190
space and leased by 1965 I know a man

1223
01:04:02,090 --> 01:04:06,380
who worked with Hughes aerospace and

1224
01:04:04,190 --> 01:04:08,389
several other corporations so for

1225
01:04:06,380 --> 01:04:10,730
40-some years we've had them in space

1226

01:04:08,389 --> 01:04:13,369
before that we had them on the ground

1227
01:04:10,730 --> 01:04:16,490
and I have an FBI memo and I've given

1228
01:04:13,369 --> 01:04:20,929
this to the president and it's from a

1229
01:04:16,489 --> 01:04:23,119
field agent regarding Roswell to j edgar

1230
01:04:20,929 --> 01:04:25,909
hoover who wanted to know what the hell

1231
01:04:23,119 --> 01:04:30,259
had happened and he basically said there

1232
01:04:25,909 --> 01:04:32,359
was a new radar configuration radar dome

1233
01:04:30,260 --> 01:04:34,220
well that's code word inside that dome

1234
01:04:32,360 --> 01:04:36,500
wasn't or conventional radar it was an

1235
01:04:34,219 --> 01:04:38,779
electromagnetic scalar weapon and when

1236
01:04:36,500 --> 01:04:41,059
they switched it on to extraterrestrial

1237
01:04:38,780 --> 01:04:44,360
vehicles traveling near Roswell collided

1238
01:04:41,059 --> 01:04:46,039
with each other one went down near

1239
01:04:44,360 --> 01:04:50,990
Roswell the other one continued and

1240
01:04:46,039 --> 01:04:52,820

impacted near Socorro absolutely so this

1241
01:04:50,989 --> 01:04:56,719
insanity has been going on since before

1242
01:04:52,820 --> 01:04:58,970
I was born in nineteen fifty-five and it

1243
01:04:56,719 --> 01:05:00,949
is really a very important point that

1244
01:04:58,969 --> 01:05:04,969
the people of the world need to step up

1245
01:05:00,949 --> 01:05:07,089
and say look whatever the problems are

1246
01:05:04,969 --> 01:05:08,929
and whatever reasons you believe these

1247
01:05:07,090 --> 01:05:12,320
extraterrestrial civilizations are

1248
01:05:08,929 --> 01:05:14,719
observing earth we cannot solve this

1249
01:05:12,320 --> 01:05:17,809
problem down the Bill of an

1250
01:05:14,719 --> 01:05:20,289
electromagnetic weapon we have to do

1251
01:05:17,809 --> 01:05:20,289
better than that

1252
01:05:27,920 --> 01:05:32,280
now I'm going ringing up more questions

1253
01:05:30,690 --> 01:05:36,150
than answers because what can you do in

1254
01:05:32,280 --> 01:05:38,790
an hour but I want to leave you with

1255
01:05:36,150 --> 01:05:40,590
this vision because this is the vision

1256
01:05:38,789 --> 01:05:43,110
that we must see in our meditations and

1257
01:05:40,590 --> 01:05:48,350
in our prayers and in our speech and in

1258
01:05:43,110 --> 01:05:53,880
our thoughts and that is a completely

1259
01:05:48,349 --> 01:05:57,059
transformed planet a planet where we are

1260
01:05:53,880 --> 01:06:00,539
living here together in peace and that

1261
01:05:57,059 --> 01:06:03,119
we go into space only in peace and that

1262
01:06:00,539 --> 01:06:05,369
the technologies long withheld from the

1263
01:06:03,119 --> 01:06:07,889
children of the earth are unveiled and

1264
01:06:05,369 --> 01:06:10,319
are about saved to the children of the

1265
01:06:07,889 --> 01:06:12,900
earth for peaceful purposes because when

1266
01:06:10,320 --> 01:06:16,080
we do that we will end poverty on this

1267
01:06:12,900 --> 01:06:18,510
planet we will stop the killing of our

1268
01:06:16,079 --> 01:06:20,730
biosphere and we will establish a

1269
01:06:18,510 --> 01:06:23,820
sustainable civilization where energy

1270
01:06:20,730 --> 01:06:28,349
will be free and non-polluting and in

1271
01:06:23,820 --> 01:06:31,039
that new civilization we will be able to

1272
01:06:28,349 --> 01:06:34,889
evolve on this planet as a civilization

1273
01:06:31,039 --> 01:06:37,909
enlightened in peace together and from

1274
01:06:34,889 --> 01:06:40,349
now into a thousand years from now

1275
01:06:37,909 --> 01:06:46,319
phasing into half a million years from

1276
01:06:40,349 --> 01:06:49,619
now we will become extraterrestrial

1277
01:06:46,320 --> 01:06:53,550
people to other worlds and this is our

1278
01:06:49,619 --> 01:06:56,339
future and right now think of it can you

1279
01:06:53,550 --> 01:07:00,420
hear the babies calling the children

1280
01:06:56,340 --> 01:07:03,960
twenty thousand generations waiting to

1281
01:07:00,420 --> 01:07:06,869
come behind us here twenty thousand

1282
01:07:03,960 --> 01:07:08,789
generations that is what is waiting to

1283

01:07:06,869 --> 01:07:12,269
come into the earth and so it is our

1284
01:07:08,789 --> 01:07:14,929
sacred obligation to establish a firm

1285
01:07:12,269 --> 01:07:18,179
direction for this planet in peace

1286
01:07:14,929 --> 01:07:21,359
sustainability to protect Gaia and the

1287
01:07:18,179 --> 01:07:24,449
biosphere and create the world of our

1288
01:07:21,360 --> 01:07:27,059
vision and this is why we're on this

1289
01:07:24,449 --> 01:07:29,719

1290
01:07:27,059 --> 01:07:29,719
