

1
00:00:14,718 --> 00:00:20,000
my name is Robert Hastings thank you for

2
00:00:17,699 --> 00:00:20,000
coming

3
00:00:21,800 --> 00:00:27,810
Declassified US government documents and

4
00:00:24,629 --> 00:00:31,678
witness testimony from former or retired

5
00:00:27,809 --> 00:00:35,070
US military personnel confirm beyond any

6
00:00:31,678 --> 00:00:40,019
doubt the reality of ongoing UFO

7
00:00:35,070 --> 00:00:43,109
incursions at nuclear weapons sites when

8
00:00:40,020 --> 00:00:46,280
I say UFO the witnesses have described

9
00:00:43,109 --> 00:00:50,340
these craft as disc shaped or

10
00:00:46,280 --> 00:00:52,590
cylindrical shape or spherical these

11
00:00:50,340 --> 00:00:55,590
objects are capable of both hovering and

12
00:00:52,590 --> 00:01:01,079
high velocity flight usually usually

13
00:00:55,590 --> 00:01:04,019
completely silently over the past 37

14
00:01:01,079 --> 00:01:06,810
years I have personally located and

15
00:01:04,019 --> 00:01:09,659
interviewed more than 120 of these

16
00:01:06,810 --> 00:01:12,960
former or retired military personnel all

17
00:01:09,659 --> 00:01:15,810
of whom report UFO incidents at one or

18
00:01:12,959 --> 00:01:18,478
more of the following locations nuclear

19
00:01:15,810 --> 00:01:21,930
missile sites nuclear weapons storage

20
00:01:18,478 --> 00:01:25,200
areas and nuclear weapons test sites in

21
00:01:21,930 --> 00:01:30,450
Nevada and the Pacific during the era of

22
00:01:25,200 --> 00:01:32,490
atomic atmospheric testing while most of

23
00:01:30,450 --> 00:01:35,520
the incidents described apparently

24
00:01:32,489 --> 00:01:37,618
involved mere surveillance presence of

25
00:01:35,519 --> 00:01:39,989
the objects with no apparent interaction

26
00:01:37,618 --> 00:01:41,879
with anything on the ground some number

27
00:01:39,989 --> 00:01:44,879
of these incidents as three of these

28
00:01:41,879 --> 00:01:46,798
gentlemen will discuss seem to involve

29

00:01:44,879 --> 00:01:49,459
the deliberate tampering with the

30
00:01:46,799 --> 00:01:53,250
functionality of nuclear missiles on the

31
00:01:49,459 --> 00:01:57,780
part of whoever presumably is piloting

32
00:01:53,250 --> 00:02:01,560
the UFOs indeed on one occasion which

33
00:01:57,780 --> 00:02:03,478
was with which I am familiar in 1966

34
00:02:01,560 --> 00:02:05,899
according to a launch officer David

35
00:02:03,478 --> 00:02:09,118
Shore his missiles were temporarily

36
00:02:05,899 --> 00:02:11,370
activated just as his security guard was

37
00:02:09,118 --> 00:02:11,960
reporting a bright object moving from

38
00:02:11,370 --> 00:02:16,189
missile to

39
00:02:11,960 --> 00:02:18,170
missile to missile aside from the

40
00:02:16,189 --> 00:02:20,509
witnesses that I have personally located

41
00:02:18,169 --> 00:02:22,519
and interviewed other persons have come

42
00:02:20,509 --> 00:02:24,620
forward to discuss their involvement in

43
00:02:22,520 --> 00:02:28,219

these incidents including all of these

44

00:02:24,620 --> 00:02:30,080

gentlemen they believe as do I that the

45

00:02:28,219 --> 00:02:32,900

American people have a right to know the

46

00:02:30,080 --> 00:02:35,060

facts and indeed people everywhere have

47

00:02:32,900 --> 00:02:38,000

a right to know the facts this is a

48

00:02:35,060 --> 00:02:41,349

national security issue but it is also a

49

00:02:38,000 --> 00:02:43,550

need-to-know issue a right to know issue

50

00:02:41,349 --> 00:02:45,979

citizens in every country on earth

51

00:02:43,550 --> 00:02:52,250

should be let in on this secret in our

52

00:02:45,979 --> 00:02:55,099

opinion importantly declassified KGB

53

00:02:52,250 --> 00:02:58,340

documents and witness testimony from

54

00:02:55,099 --> 00:03:01,280

former Soviet military personnel confirm

55

00:02:58,340 --> 00:03:04,280

that this type of UFO activity also

56

00:03:01,280 --> 00:03:08,449

occurred at Soviet nuclear missile sites

57

00:03:04,280 --> 00:03:10,460

during the Cold War era given the fact

58
00:03:08,449 --> 00:03:12,619
that these incidents have gone on over

59
00:03:10,460 --> 00:03:14,659
there including one incident of their

60
00:03:12,620 --> 00:03:16,310
missiles being temporarily activated

61
00:03:14,659 --> 00:03:18,590
when a UFO was hovering above the

62
00:03:16,310 --> 00:03:20,949
missile base identical to what occurred

63
00:03:18,590 --> 00:03:23,659
here I think we can rule out that

64
00:03:20,949 --> 00:03:25,549
whoever are piloting these craft are

65
00:03:23,659 --> 00:03:28,759
either American or Russian

66
00:03:25,550 --> 00:03:30,650
I believe these gentlemen believe that

67
00:03:28,759 --> 00:03:34,609
this planet is being visited by beings

68
00:03:30,650 --> 00:03:36,860
from another world who for whatever

69
00:03:34,610 --> 00:03:39,230
reason have taken an interest in the

70
00:03:36,860 --> 00:03:41,830
nuclear arms race which began at the end

71
00:03:39,229 --> 00:03:44,449
of World War two

72
00:03:41,830 --> 00:03:48,020
regarding the missile shutdown incidents

73
00:03:44,449 --> 00:03:50,179
my opinion their opinion is that whoever

74
00:03:48,020 --> 00:03:52,939
are aboard these craft are sending a

75
00:03:50,180 --> 00:03:55,460
signal to both Washington and Moscow

76
00:03:52,939 --> 00:03:58,219
among others that we are playing with

77
00:03:55,460 --> 00:04:00,830
fire that the possession and threatened

78
00:03:58,219 --> 00:04:03,109
use of nuclear weapons potentially

79
00:04:00,830 --> 00:04:05,390
threatens the human race and the

80
00:04:03,110 --> 00:04:09,130
integrity of the planetary environment

81
00:04:05,389 --> 00:04:11,869
this so this of course is speculative

82
00:04:09,129 --> 00:04:15,349
however given the available facts it is

83
00:04:11,870 --> 00:04:18,410
a viable scenario regarding UFOs there

84
00:04:15,349 --> 00:04:22,699
are many unanswered questions this event

85
00:04:18,410 --> 00:04:24,800
will only address a few of them first if

86

00:04:22,699 --> 00:04:25,670
beings from another world are indeed

87
00:04:24,800 --> 00:04:27,740
operating

88
00:04:25,670 --> 00:04:31,640
here why are they interested in our

89
00:04:27,740 --> 00:04:33,650
nukes also what do their actions based

90
00:04:31,639 --> 00:04:36,199
on the declassified documents and

91
00:04:33,649 --> 00:04:40,879
witness testimony indicate about their

92
00:04:36,199 --> 00:04:43,399
intentions and objectives also why has

93
00:04:40,879 --> 00:04:45,560
the u.s. government chosen to keep US

94
00:04:43,399 --> 00:04:47,810
citizens and people everywhere in the

95
00:04:45,560 --> 00:04:50,379
world in the dark about these very

96
00:04:47,810 --> 00:04:53,839
dramatic very important events and

97
00:04:50,379 --> 00:04:57,379
finally isn't it time for the truth to

98
00:04:53,839 --> 00:05:00,399
be revealed not only to US citizens but

99
00:04:57,379 --> 00:05:00,399
humans everywhere
