

1  
00:00:11,019 --> 00:00:17,839  
good morning i hope you'll pardon me I'm

2  
00:00:14,359 --> 00:00:20,989  
a little bit nervous my name is Charles

3  
00:00:17,839 --> 00:00:23,990  
L brown I'm a lieutenant colonel US Air

4  
00:00:20,989 --> 00:00:26,689  
Force retired subsequently seven years

5  
00:00:23,989 --> 00:00:29,329  
with foreign service I like the name

6  
00:00:26,689 --> 00:00:33,429  
Charlie Brown a gentleman by name of

7  
00:00:29,329 --> 00:00:38,030  
Charles Schulz of great talent sort of

8  
00:00:33,429 --> 00:00:41,000  
elevated the name if you will during

9  
00:00:38,030 --> 00:00:43,820  
World War two I was a young farm boy

10  
00:00:41,000 --> 00:00:46,850  
from West Virginia I got the patriotic

11  
00:00:43,820 --> 00:00:49,579  
bug joined the United States Army ended

12  
00:00:46,850 --> 00:00:53,210  
up flying bombers in Europe and ended a

13  
00:00:49,579 --> 00:00:55,579  
war transport in the Pacific finished

14  
00:00:53,210 --> 00:00:57,590  
college in the summer late summer of 49

15  
00:00:55,579 --> 00:01:00,200  
recalled to active duty in a newly

16  
00:00:57,590 --> 00:01:01,489  
formed United States Air Force I was

17  
00:01:00,200 --> 00:01:04,969  
assigned to an organization called

18  
00:01:01,488 --> 00:01:08,019  
Office of Special Investigations the Air

19  
00:01:04,969 --> 00:01:12,140  
Force as most of you know was formed in

20  
00:01:08,019 --> 00:01:14,509  
1947 OSI as a central investigative

21  
00:01:12,140 --> 00:01:17,239  
agency for the air force was formed i

22  
00:01:14,509 --> 00:01:20,388  
think in 1948 so everything was

23  
00:01:17,239 --> 00:01:24,318  
relatively new needless to say starting

24  
00:01:20,388 --> 00:01:26,688  
in 47 UFOs were rather new the Air Force

25  
00:01:24,319 --> 00:01:28,189  
intelligence a technical intelligence

26  
00:01:26,688 --> 00:01:31,279  
center was at wright-patterson Air Force

27  
00:01:28,188 --> 00:01:35,508  
Base and I had my office in a building

28  
00:01:31,280 --> 00:01:38,269  
adjacent to it and our organization was

29

00:01:35,509 --> 00:01:40,489  
the worldwide investigative agency for

30  
00:01:38,269 --> 00:01:43,009  
the Air Force for any done unidentified

31  
00:01:40,489 --> 00:01:45,888  
flying object this lasted for about two

32  
00:01:43,009 --> 00:01:49,009  
years the project name was known as

33  
00:01:45,888 --> 00:01:51,739  
project grudge it was a predecessor to a

34  
00:01:49,009 --> 00:01:54,679  
project known as Abu book which had

35  
00:01:51,739 --> 00:01:56,810  
repelled headed during my experience

36  
00:01:54,679 --> 00:01:58,399  
with it I would collect the data from a

37  
00:01:56,810 --> 00:02:01,069  
rod didn't collect it it was sent into

38  
00:01:58,399 --> 00:02:03,138  
my office I analyzed it as a pilot

39  
00:02:01,069 --> 00:02:06,289  
investigator I was able to offer some

40  
00:02:03,138 --> 00:02:08,329  
bits of advice to the air technical

41  
00:02:06,289 --> 00:02:10,640  
intelligence people now you might

42  
00:02:08,330 --> 00:02:12,719  
visualize a massive office but as I

43  
00:02:10,639 --> 00:02:15,119

recall we had a personal

44

00:02:12,719 --> 00:02:17,729

tenant a secretary and a technical

45

00:02:15,120 --> 00:02:19,469

sergeant that was the essence of Project

46

00:02:17,729 --> 00:02:22,759

Blue Book when he started a project

47

00:02:19,469 --> 00:02:25,759

grudge public and expanded somewhat

48

00:02:22,759 --> 00:02:29,280

during the review as an analyst of these

49

00:02:25,759 --> 00:02:33,859

various documentary reports if you will

50

00:02:29,280 --> 00:02:37,020

or documents i became clearly convinced

51

00:02:33,860 --> 00:02:40,560

that there was substance to what was

52

00:02:37,020 --> 00:02:44,550

being reported in that we had ground

53

00:02:40,560 --> 00:02:47,640

visual ground radar airborne visual and

54

00:02:44,550 --> 00:02:50,430

airborne radar confirmation of some of

55

00:02:47,639 --> 00:02:52,649

these sightings the individuals who made

56

00:02:50,430 --> 00:02:56,040

the sightings where everything from

57

00:02:52,650 --> 00:02:58,560

airline pilots military pilots police

58  
00:02:56,039 --> 00:03:02,069  
officers some of the people at your

59  
00:02:58,560 --> 00:03:04,409  
lives depend upon on a daily basis these

60  
00:03:02,069 --> 00:03:07,169  
are very reputable incredible people I

61  
00:03:04,409 --> 00:03:09,930  
hope that the testimony here from very

62  
00:03:07,169 --> 00:03:14,149  
credible people will convince you of

63  
00:03:09,930 --> 00:03:17,909  
that and will further Steve Greer's

64  
00:03:14,150 --> 00:03:20,939  
disclosure project in that pressure

65  
00:03:17,909 --> 00:03:23,609  
needs to be brought to bring this to the

66  
00:03:20,939 --> 00:03:26,099  
attention not only of the Americans but

67  
00:03:23,610 --> 00:03:28,650  
the people all over the planet these

68  
00:03:26,099 --> 00:03:33,209  
vehicles have been seen and confirmed

69  
00:03:28,650 --> 00:03:36,569  
all over the planet I am willing to sign

70  
00:03:33,209 --> 00:03:39,259  
a sworn statement or testify to my

71  
00:03:36,569 --> 00:03:43,079  
judgment and to what I have observed

72

00:03:39,259 --> 00:03:45,629

such things to exist please believe me

73

00:03:43,080 --> 00:03:47,959

please believe the those to follow me

74

00:03:45,629 --> 00:03:47,959

thank

75

00:03:49,620 --> 00:03:51,680
