

1
00:00:09,609 --> 00:00:13,638
morning ladies and gentlemen my name is

2
00:00:12,138 --> 00:00:17,419
Clifford stone I was a sergeant first

3
00:00:13,638 --> 00:00:20,929
class United States Army I had a secret

4
00:00:17,420 --> 00:00:22,850
clearance with nuclear surety I could

5
00:00:20,929 --> 00:00:25,009
get the clearance that I needed to do

6
00:00:22,850 --> 00:00:26,929
whatever was necessary for me to do at

7
00:00:25,010 --> 00:00:29,270
the time on special operations from us

8
00:00:26,929 --> 00:00:30,859
called in on those what I'm referring to

9
00:00:29,269 --> 00:00:32,628
here is that I was involved in

10
00:00:30,859 --> 00:00:35,509
situations where we actually did

11
00:00:32,628 --> 00:00:37,549
recoveries subtract I've crashed saucers

12
00:00:35,509 --> 00:00:39,859
for lack of a better term in Tabriz

13
00:00:37,549 --> 00:00:42,559
thereof there were bodies that were

14
00:00:39,859 --> 00:00:45,649
involved with some of these crashes also

15
00:00:42,560 --> 00:00:47,420
some were alive while we were doing all

16
00:00:45,649 --> 00:00:48,950
this we were telling the American public

17
00:00:47,420 --> 00:00:51,170
there was nothing to it we were telling

18
00:00:48,950 --> 00:00:52,940
the world there was nothing to it I'd

19
00:00:51,170 --> 00:00:55,429
like to go into detail on some of the

20
00:00:52,939 --> 00:00:57,920
cases about the nuts and bolts cases

21
00:00:55,429 --> 00:01:00,250
right here but I will be available if

22
00:00:57,920 --> 00:01:01,939
you have any questions concerning my

23
00:01:00,250 --> 00:01:04,968
involvement in this

24
00:01:01,939 --> 00:01:07,310
you can talk to dr. Greer to arrange for

25
00:01:04,968 --> 00:01:10,158
me to get to talk to you but the whole

26
00:01:07,310 --> 00:01:11,899
situation is we've set back we've told

27
00:01:10,159 --> 00:01:15,350
the American people that there's no such

28
00:01:11,899 --> 00:01:17,959
thing as UFOs I've been involved where

29

00:01:15,349 --> 00:01:21,559
we have recovered these objects we know

30
00:01:17,959 --> 00:01:24,859
them to be of extraterrestrials in 1969

31
00:01:21,560 --> 00:01:26,240
I had an event that happened to me while

32
00:01:24,858 --> 00:01:29,048
I was the stationed at Fort Lee Virginia

33
00:01:26,239 --> 00:01:31,638
we went to Indiantown Gap Pennsylvania

34
00:01:29,049 --> 00:01:33,200
that would be my first exposure to any

35
00:01:31,638 --> 00:01:36,289
time that we would be recovering an

36
00:01:33,200 --> 00:01:38,118
unidentified flying object when we went

37
00:01:36,289 --> 00:01:40,069
there we already had people that was

38
00:01:38,118 --> 00:01:41,868
already in this then the facility we

39
00:01:40,069 --> 00:01:43,459
were a backup team which was supposed to

40
00:01:41,868 --> 00:01:45,560
be NBC because were supposed to be some

41
00:01:43,459 --> 00:01:48,709
nuclear materials that was on board this

42
00:01:45,560 --> 00:01:50,539
craft later on most people involved

43
00:01:48,709 --> 00:01:52,520

would have been to were were to be told

44

00:01:50,539 --> 00:01:54,259
that there was nothing on boarded it was

45

00:01:52,519 --> 00:01:56,810
nothing more than just a crash of one of

46

00:01:54,259 --> 00:01:58,099
our aircraft I know better because I was

47

00:01:56,810 --> 00:01:59,509
one of the people that approached it

48

00:01:58,099 --> 00:02:01,849
with a Geiger counter get surface

49

00:01:59,509 --> 00:02:03,319
readings I was the first person to go

50

00:02:01,849 --> 00:02:05,149
ahead and see that there were bodies on

51

00:02:03,319 --> 00:02:07,998
it that would be the first of

52

00:02:05,149 --> 00:02:10,550
approximately 12 events UFO crashes are

53

00:02:07,998 --> 00:02:14,840
not events that take place every day

54

00:02:10,550 --> 00:02:18,260
they're rare I know we're not alone in

55

00:02:14,840 --> 00:02:21,590
the universe I know that the absence

56

00:02:18,259 --> 00:02:24,139
of evidence is not evidence of absence

57

00:02:21,590 --> 00:02:27,430
it's evidence that has been denied to

58

00:02:24,139 --> 00:02:27,429

the American people

59

00:02:30,219 --> 00:02:35,590

I stand before you today in my Almighty

60

00:02:32,979 --> 00:02:39,340

God and I tell you this if Congress

61

00:02:35,590 --> 00:02:41,770

calls me in and says will you testify in

62

00:02:39,340 --> 00:02:43,979

detail what you know I stand here today

63

00:02:41,770 --> 00:02:46,450

prepared and ready to do just that

64

00:02:43,979 --> 00:02:48,639

governments must never lie to the people

65

00:02:46,449 --> 00:02:51,599

for no reason

66

00:02:48,639 --> 00:02:51,599

thank you
