first started working at the facility he

22  
00:01:23,569 --> 00:01:28,609  
noticed objects going on the screen

23  
00:01:26,000 --> 00:01:29,209  
subtract everything out in space and in

24  
00:01:28,609 --> 00:01:32,299  
the air

25  
00:01:29,209 --> 00:01:36,169  
objects going off the scale doing white

26  
00:01:32,299 --> 00:01:39,920  
angle turns when he inquired his older

27  
00:01:36,170 --> 00:01:41,210  
supervisor advised him that quote it was

28  
00:01:39,920 --> 00:01:44,349  
just a visit from one of our little

29

00:01:41,209 --> 00:01:47,209

30  
00:01:44,349 --> 00:01:50,030
