

1
00:00:08,820 --> 00:00:14,109
good morning my name is Dewayne Arneson

2
00:00:11,439 --> 00:00:15,869
I serve 26 years as a communication

3
00:00:14,109 --> 00:00:18,269
Alexa

4
00:00:15,869 --> 00:00:23,160
in the US Air Force all over the world

5
00:00:18,269 --> 00:00:24,539
including Vietnam I was a lucky to be

6
00:00:23,160 --> 00:00:27,118
selected to be commander of three

7
00:00:24,539 --> 00:00:29,640
different units in the Air Force I held

8
00:00:27,118 --> 00:00:31,980
the top secret s see itk Clarence and

9
00:00:29,640 --> 00:00:35,939
for those to know it is slightly above

10
00:00:31,980 --> 00:00:37,530
top secret i retired in 1986 as a

11
00:00:35,939 --> 00:00:40,500
colonel at wright-patterson Air Force

12
00:00:37,530 --> 00:00:43,020
Base in Ohio I would like to relate

13
00:00:40,500 --> 00:00:47,039
about three different experiences if you

14
00:00:43,020 --> 00:00:48,839
will that relate to UFOs as a young

15
00:00:47,039 --> 00:00:51,689
lieutenant over in Germany ramstein air

16
00:00:48,838 --> 00:00:53,579
base germany back in the early 60s I was

17
00:00:51,689 --> 00:00:56,399
in charge of the cryptographic center I

18
00:00:53,579 --> 00:00:59,698
had a top-secret crypto parents at that

19
00:00:56,399 --> 00:01:01,890
time and I can clearly recall seeing a

20
00:00:59,698 --> 00:01:04,980
message that went through my crippled

21
00:01:01,890 --> 00:01:06,510
Center which said that a UFO UFO had

22
00:01:04,980 --> 00:01:08,850
crashed on the island of Spitsbergen

23
00:01:06,510 --> 00:01:11,609
Norway and the team of scientists were

24
00:01:08,849 --> 00:01:16,140
coming to investigate it going forward

25
00:01:11,609 --> 00:01:18,000
to the 1967 time frame I was assigned to

26
00:01:16,140 --> 00:01:20,790
the 20th Air Division at great falls

27
00:01:18,000 --> 00:01:23,159
montana and i was officer in charge of

28
00:01:20,790 --> 00:01:25,170
the communication center they're also

29

00:01:23,159 --> 00:01:28,590
all the topsy control officer for the

30
00:01:25,170 --> 00:01:31,049
division i had a crypt of accounts i was

31
00:01:28,590 --> 00:01:35,130
a custodian and i also passed out

32
00:01:31,049 --> 00:01:37,469
nuclear launch authenticators during

33
00:01:35,129 --> 00:01:39,209
that time i can recall seeing a message

34
00:01:37,469 --> 00:01:41,489
come through that communication center

35
00:01:39,209 --> 00:01:43,530
which said they seek what Bob was just

36
00:01:41,489 --> 00:01:46,739
got through talking about is that a UFO

37
00:01:43,530 --> 00:01:50,239
was seen near the missile silos and the

38
00:01:46,739 --> 00:01:54,299
missiles were deactivated coincidentally

39
00:01:50,239 --> 00:01:56,629
my first the person that Boeing sent to

40
00:01:54,299 --> 00:01:58,859
investigate the particular missiles

41
00:01:56,629 --> 00:02:02,549
conditions if you will what made them

42
00:01:58,859 --> 00:02:04,469
shut down was my first manager at Boeing

43
00:02:02,549 --> 00:02:07,229

mr. Bob Kaminski who has since passed

44

00:02:04,469 --> 00:02:09,030

away and I can recall him on different

45

00:02:07,230 --> 00:02:10,860

occasions you lived close to me in

46

00:02:09,030 --> 00:02:14,159

Melbourne Washington that's where him

47

00:02:10,860 --> 00:02:16,290

from and he said Arnie he says those

48

00:02:14,159 --> 00:02:17,400

missiles were perfectly clean that was a

49

00:02:16,289 --> 00:02:20,609

result

50

00:02:17,400 --> 00:02:24,030

so then one last incident concern when I

51

00:02:20,610 --> 00:02:26,069

was in the as a commander of you know

52

00:02:24,030 --> 00:02:28,318

great balls are in a castle air force

53

00:02:26,068 --> 00:02:30,359

station main I had contacts with a

54

00:02:28,318 --> 00:02:34,339

security police at loring air force base

55

00:02:30,360 --> 00:02:37,170

and they told about UFOs that were seen

56

00:02:34,340 --> 00:02:40,019

near the nuclear weapons storage areas

57

00:02:37,169 --> 00:02:42,509

on Lauren Air Force Base and I'd be glad

58

00:02:40,019 --> 00:02:46,158
to testify to Congress that this is

59

00:02:42,509 --> 00:02:46,158
absolutely the truth thank you
