

1
00:00:10,630 --> 00:00:16,760
my name is graham Bethune I'm a retired

2
00:00:14,210 --> 00:00:21,219
Navy commander pilot had a top secret

3
00:00:16,760 --> 00:00:25,849
clearance 50 years ago February the 10th

4
00:00:21,219 --> 00:00:29,570
1951 I was flying from Keflavik Iceland

5
00:00:25,849 --> 00:00:32,090
to our Jetson Newland it was at night it

6
00:00:29,570 --> 00:00:34,159
was dark about 300 miles outside of

7
00:00:32,090 --> 00:00:37,880
Argentina I saw a glow on the water

8
00:00:34,159 --> 00:00:40,488
eel-like approached the city at night as

9
00:00:37,880 --> 00:00:44,030
we approached this glow it turned to a

10
00:00:40,488 --> 00:00:46,788
monstrous circle of white lights on the

11
00:00:44,030 --> 00:00:48,350
water we watched this for a while the

12
00:00:46,789 --> 00:00:50,750
lights went out there was nothing on the

13
00:00:48,350 --> 00:00:54,109
water next thing we saw was a yellow

14
00:00:50,750 --> 00:00:57,198
halo small much smaller than whatever it

15
00:00:54,109 --> 00:00:59,989
was launched from and that was 15 miles

16
00:00:57,198 --> 00:01:02,988
way up to our altitude because of the

17
00:00:59,988 --> 00:01:05,509
trajectory I disengaged the autopilot of

18
00:01:02,988 --> 00:01:08,060
the nose over try to go under this thing

19
00:01:05,510 --> 00:01:09,680
at that time I heard a noise underneath

20
00:01:08,060 --> 00:01:11,180
and I thought maybe it hit it was

21
00:01:09,680 --> 00:01:13,130
actually some of the crew members

22
00:01:11,180 --> 00:01:15,380
ducking and they collided and a couple

23
00:01:13,129 --> 00:01:18,709
of more injured then it appeared over to

24
00:01:15,379 --> 00:01:21,349
the right and moves out slowly and flirt

25
00:01:18,709 --> 00:01:23,989
with us it was still not at our altitude

26
00:01:21,349 --> 00:01:26,899
but we could see the shape of it it has

27
00:01:23,989 --> 00:01:31,429
dome we could see the we could see the

28
00:01:26,900 --> 00:01:33,490
corona discharge I went back in let the

29

00:01:31,430 --> 00:01:37,280
other pilot al Jones take my seat to see

30
00:01:33,489 --> 00:01:39,259
what the pastor's reaction was came back

31
00:01:37,280 --> 00:01:41,859
to the cockpit told him not to report

32
00:01:39,260 --> 00:01:45,020
anything simply because what that

33
00:01:41,859 --> 00:01:48,379
psychiatrist had said to me maybe they

34
00:01:45,019 --> 00:01:50,629
would lock us up so basically the

35
00:01:48,379 --> 00:01:53,149
instruments in the cockpit we had four

36
00:01:50,629 --> 00:01:55,280
or five fares in an area of magnetic

37
00:01:53,150 --> 00:01:57,109
compass no electromagnetic effect an

38
00:01:55,280 --> 00:02:00,320
area of directional miners and this type

39
00:01:57,109 --> 00:02:03,680
of thing the craft was tracked by radar

40
00:02:00,319 --> 00:02:05,479
in excess of 1,800 miles an hour and

41
00:02:03,680 --> 00:02:08,269
everything to get to our altitude we had

42
00:02:05,480 --> 00:02:11,000
31 passengers plus the psychiatrist and

43
00:02:08,269 --> 00:02:13,039

the crew members that all cited this at

44

00:02:11,000 --> 00:02:15,289
different areas when we landed at

45

00:02:13,039 --> 00:02:17,329
Argentan Newland were interrogated by

46

00:02:15,289 --> 00:02:19,579
the Air Force an excellent interrogation

47

00:02:17,330 --> 00:02:20,590
captain Paulson when we landed to May

48

00:02:19,580 --> 00:02:23,440
we're testing

49

00:02:20,590 --> 00:02:25,150
but exit rivers will require by Navy

50

00:02:23,439 --> 00:02:29,919
intelligence to make out individual

51

00:02:25,150 --> 00:02:34,209
reports out of the National Archives I

52

00:02:29,919 --> 00:02:39,789
have the 18 page official maybe an Air

53

00:02:34,209 --> 00:02:41,379
Force report I've made up a report to

54

00:02:39,789 --> 00:02:42,519
straighten a lot of truth the stack of

55

00:02:41,379 --> 00:02:44,469
books out there this high to have

56

00:02:42,519 --> 00:02:48,550
written all of this up so the truth is

57

00:02:44,469 --> 00:02:50,379
here I will testify under oath before

58

00:02:48,550 --> 00:02:53,099

Congress that everything that I have

59

00:02:50,379 --> 00:02:53,098

said is true
