

1  
00:00:14,259 --> 00:00:22,570  
I'm retired army I retired as sergeant

2  
00:00:18,250 --> 00:00:25,679  
first class my entire year 21 years of

3  
00:00:22,570 --> 00:00:28,989  
service I held the top secret clearance

4  
00:00:25,679 --> 00:00:36,308  
compartmentalised at times to as high as

5  
00:00:28,989 --> 00:00:41,710  
TK Romney crypto and others I had access

6  
00:00:36,308 --> 00:00:45,069  
to very very sensitive documents my

7  
00:00:41,710 --> 00:00:50,140  
testimony is basically two prong one I

8  
00:00:45,070 --> 00:00:51,909  
retired from dia 1980 the one as an

9  
00:00:50,140 --> 00:00:53,679  
administrator you take over and office

10  
00:00:51,909 --> 00:00:56,828  
you take over everything and you sign

11  
00:00:53,679 --> 00:01:02,890  
for everything I signed for well over

12  
00:00:56,829 --> 00:01:04,659  
2000 documents in order to sign in

13  
00:01:02,890 --> 00:01:08,890  
inventory those things you have to read

14  
00:01:04,659 --> 00:01:10,539  
them that word for word but basically I

15  
00:01:08,890 --> 00:01:12,969  
went through every document to make sure

16  
00:01:10,539 --> 00:01:15,399  
that it was complete it was there as

17  
00:01:12,969 --> 00:01:18,009  
they told me that when I turned my

18  
00:01:15,399 --> 00:01:21,609  
tractor over to the next person the same

19  
00:01:18,009 --> 00:01:23,439  
documents were there so I got quite a

20  
00:01:21,609 --> 00:01:26,618  
good knowledge of what was going on in

21  
00:01:23,439 --> 00:01:29,129  
those documents and believe me there are

22  
00:01:26,618 --> 00:01:33,459  
many many different references to UFOs

23  
00:01:29,129 --> 00:01:36,098  
there was also NPI see pictures it shows

24  
00:01:33,459 --> 00:01:38,200  
that it would targeted objects every

25  
00:01:36,099 --> 00:01:40,390  
case you know I worked on an assault one

26  
00:01:38,200 --> 00:01:42,969  
and saw two areas for the office that I

27  
00:01:40,390 --> 00:01:45,459  
worked in so we were taking pictures all

28  
00:01:42,969 --> 00:01:49,509  
the time for verification of nuclear

29

00:01:45,459 --> 00:01:51,549  
disarmament and there were some objects

30  
00:01:49,509 --> 00:01:53,399  
in those pictures that didn't belong

31  
00:01:51,549 --> 00:01:56,109  
there

32  
00:01:53,399 --> 00:01:58,239  
the second through prom - this whole

33  
00:01:56,109 --> 00:02:02,439  
thing is that a lot of people talk about

34  
00:01:58,239 --> 00:02:07,599  
conspiracies over a shadow government

35  
00:02:02,439 --> 00:02:11,859  
I wanted to testify before Congress that

36  
00:02:07,599 --> 00:02:14,030  
these black operations do exist I nearly

37  
00:02:11,860 --> 00:02:18,400  
became part of it

38  
00:02:14,030 --> 00:02:24,740  
but I saw the light I think rewards it

39  
00:02:18,400 --> 00:02:28,610  
and I got out and that's it we have to

40  
00:02:24,740 --> 00:02:31,120  
disclose what we know and I am willing

41  
00:02:28,610 --> 00:02:35,090  
to testify before Congress under oath

42  
00:02:31,120 --> 00:02:38,920  
well before any other organization then

43  
00:02:35,090 --> 00:02:38,920

what I witnessed was true
