

1
00:00:10,570 --> 00:00:15,500
my name is Robert solace contrary to

2
00:00:14,029 --> 00:00:17,089
what it says on the card I was not a

3
00:00:15,500 --> 00:00:20,329
lieutenant colonel in the Air Force I

4
00:00:17,089 --> 00:00:22,009
was in the Air Force active duty after I

5
00:00:20,329 --> 00:00:26,299
graduated from the Air Force Academy in

6
00:00:22,010 --> 00:00:32,808
1964 until 1971 and separated as a

7
00:00:26,300 --> 00:00:36,439
captain in March of 1967 I was stationed

8
00:00:32,808 --> 00:00:40,449
at Malmstrom Air Force Base Montana as a

9
00:00:36,439 --> 00:00:46,670
missile launch officer that man missiles

10
00:00:40,450 --> 00:00:49,310
on an early morning of March 16 1967 I

11
00:00:46,670 --> 00:00:52,399
got a call from my security guard

12
00:00:49,310 --> 00:00:57,940
primary security guard upstairs we had

13
00:00:52,399 --> 00:01:01,969
about six as I recall flight security

14
00:00:57,939 --> 00:01:06,140
Airmen upstairs I was downstairs 60 feet

15
00:01:01,969 --> 00:01:10,519
underground in a capsule monitoring and

16
00:01:06,140 --> 00:01:15,530
controlling ten nuclear-tipped Minuteman

17
00:01:10,519 --> 00:01:17,328
missiles I got a call that morning that

18
00:01:15,530 --> 00:01:22,968
they were seeing strange lights flying

19
00:01:17,328 --> 00:01:25,458
in the sky I disregarded that call told

20
00:01:22,968 --> 00:01:28,759
him to call me when something more

21
00:01:25,459 --> 00:01:31,549
significant happened I got another call

22
00:01:28,759 --> 00:01:34,039
subsequent to that call and this time

23
00:01:31,549 --> 00:01:36,979
was the more intense tone in the in the

24
00:01:34,039 --> 00:01:43,039
guards voice is very clearly very

25
00:01:36,978 --> 00:01:45,709
frightened he said there was a a bright

26
00:01:43,039 --> 00:01:46,638
glowing a red object hovering outside

27
00:01:45,709 --> 00:01:50,270
the front gate

28
00:01:46,638 --> 00:01:52,098
it was oval-shaped he had all the other

29

00:01:50,269 --> 00:01:54,289
guards out there with her weapons drawn

30
00:01:52,099 --> 00:01:58,278
right after that call I woke up my

31
00:01:54,289 --> 00:02:03,950
commander was on a rest period Fred

32
00:01:58,278 --> 00:02:06,318
Maiwald retired colonel now and told him

33
00:02:03,950 --> 00:02:08,149
about the phone calls as I was telling

34
00:02:06,319 --> 00:02:11,560
him about the phone calls my weapons

35
00:02:08,149 --> 00:02:14,330
start going down one after the other

36
00:02:11,560 --> 00:02:15,090
they went into a no-go condition what we

37
00:02:14,330 --> 00:02:20,340
call no

38
00:02:15,090 --> 00:02:23,069
they were unlaunchable we lost somewhere

39
00:02:20,340 --> 00:02:26,159
between six and eight weapons that

40
00:02:23,068 --> 00:02:28,768
morning within minutes of having

41
00:02:26,159 --> 00:02:35,250
received that second phone call of a UFO

42
00:02:28,769 --> 00:02:37,319
hovering outside the front gate again

43
00:02:35,250 --> 00:02:40,590

that morning was after reporting it to

44

00:02:37,318 --> 00:02:43,229

the command post we we were informed

45

00:02:40,590 --> 00:02:46,469

that a similar very similar incident

46

00:02:43,229 --> 00:02:49,709

happened at Echo flight I was at Oscar

47

00:02:46,469 --> 00:02:51,469

flight they lost all ten of their

48

00:02:49,709 --> 00:02:54,870

weapons and under similar circumstances

49

00:02:51,469 --> 00:02:57,530

very similar circumstances where UFOs

50

00:02:54,870 --> 00:03:00,810

were sighted over the launch facilities

51

00:02:57,530 --> 00:03:02,759

they had they had maintenance crews and

52

00:03:00,810 --> 00:03:05,219

security crews out there that had spent

53

00:03:02,759 --> 00:03:11,310

the night and they were reporting UFOs

54

00:03:05,219 --> 00:03:15,989

over those sites and the commander of

55

00:03:11,310 --> 00:03:18,420

that flight was Eric Carlson he's he

56

00:03:15,989 --> 00:03:25,530

also separated as a captain and the

57

00:03:18,419 --> 00:03:30,060

deputy commander was Walt Fiegel retired

58
00:03:25,530 --> 00:03:32,579
as of the TAC curl we have those

59
00:03:30,060 --> 00:03:35,519
witnesses that I just mentioned the

60
00:03:32,579 --> 00:03:37,920
names I just mentioned are have spoken

61
00:03:35,519 --> 00:03:41,599
of this event before and they will back

62
00:03:37,919 --> 00:03:46,409
up this story we also have documentation

63
00:03:41,598 --> 00:03:50,488
that I received through FOI request from

64
00:03:46,409 --> 00:03:53,609
the Air Force outlining the echo flight

65
00:03:50,489 --> 00:03:57,180
incident and including in in that

66
00:03:53,609 --> 00:04:04,019
documentation a reference to UFOs we

67
00:03:57,180 --> 00:04:08,370
have telexes covering this incident and

68
00:04:04,019 --> 00:04:09,930
in one telex it it says the fact that no

69
00:04:08,370 --> 00:04:12,900
apparent reason for the loss of 10

70
00:04:09,930 --> 00:04:14,459
missiles can be readily identified his

71
00:04:12,900 --> 00:04:17,728
cause for grave concern of his

72
00:04:14,459 --> 00:04:21,298
headquarters this was from sac

73
00:04:17,728 --> 00:04:23,969
headquarters so we've received we've got

74
00:04:21,298 --> 00:04:26,729
those telexes i've got about 12

75
00:04:23,970 --> 00:04:32,480
witnesses it'll verify parts of this

76
00:04:26,730 --> 00:04:35,490
story including of a man who

77
00:04:32,480 --> 00:04:37,830
investigated the incident afterwards for

78
00:04:35,490 --> 00:04:39,629
the Air Force and you'll hear a little

79
00:04:37,829 --> 00:04:46,649
bit more about that with from the next

80
00:04:39,629 --> 00:04:49,560
witness and also another guard that

81
00:04:46,649 --> 00:04:53,699
witnessed the UFO in that same time

82
00:04:49,560 --> 00:04:56,430
period and another officer who retired a

83
00:04:53,699 --> 00:05:02,729
full colonel who had other reports of

84
00:04:56,430 --> 00:05:04,410
UFOs mm-hmm and ciliary to that excuse

85
00:05:02,730 --> 00:05:06,750
me I've got the complete report on a

86

00:05:04,410 --> 00:05:08,340
Minot North Dakota incident that was by

87
00:05:06,750 --> 00:05:11,449
Air Force Base North Dakota which

88
00:05:08,339 --> 00:05:14,099
happening August in 1966 very similar

89
00:05:11,449 --> 00:05:17,579
UFO decided over

90
00:05:14,100 --> 00:05:19,470
missile silos and also a UFO incident

91
00:05:17,579 --> 00:05:22,319
that was that was investigated by the

92
00:05:19,470 --> 00:05:24,480
Air Force immediately after our incident

93
00:05:22,319 --> 00:05:26,099
within a week I willing to testify to

94
00:05:24,480 --> 00:05:27,810
the truth of all these matters that I've

00:05:26,100 --> 00:05:31,400
spoken about this in front of Congress
