

1
00:00:19,070 --> 00:00:25,649
good afternoon everybody thank you David

2
00:00:22,050 --> 00:00:28,469
David is from David is from my voice is

3
00:00:25,649 --> 00:00:32,850
loud enough David is from the UK and I

4
00:00:28,469 --> 00:00:36,570
am so honored to be here and want to

5
00:00:32,850 --> 00:00:39,899
thank that Francisco and his family for

6
00:00:36,570 --> 00:00:42,929
inviting us from all over Europe to meet

7
00:00:39,899 --> 00:00:45,120
here I think is very important that this

8
00:00:42,929 --> 00:00:48,859
meeting and it's it's for us too it's

9
00:00:45,119 --> 00:00:56,209
not just for you it's for us that we

10
00:00:48,859 --> 00:01:05,180
from Denmark Germany Finland the U the

11
00:00:56,210 --> 00:01:09,868
UK it's going on huh no no okay the UK

12
00:01:05,180 --> 00:01:13,590
from I hope I didn't need the old Spain

13
00:01:09,868 --> 00:01:17,579
its Fame there they are the Spanish and

14
00:01:13,590 --> 00:01:19,590
that we all get together at least at

15
00:01:17,579 --> 00:01:21,450
least every two years we have not been

16
00:01:19,590 --> 00:01:26,150
together since 2009

17
00:01:21,450 --> 00:01:29,490
it's important that people work together

18
00:01:26,150 --> 00:01:34,079
because if everybody is doing their own

19
00:01:29,489 --> 00:01:38,699
research and we never talk the secret

20
00:01:34,078 --> 00:01:41,429
will be kept secret and we have a

21
00:01:38,700 --> 00:01:44,390
special guest from Peru and that's

22
00:01:41,430 --> 00:01:47,490
Renaud along God who will give you a

23
00:01:44,390 --> 00:01:49,978
geopolitical view of the situation and

24
00:01:47,489 --> 00:01:53,688
that's wonderful that we all came here

25
00:01:49,978 --> 00:01:56,789
we all decided to come to meet with

26
00:01:53,688 --> 00:01:58,889
Francisco who's working in this field

27
00:01:56,790 --> 00:02:04,810
also it's very important that people

28
00:01:58,890 --> 00:02:07,540
work together I did put some translation

29

00:02:04,810 --> 00:02:10,899
in Portuguese because I don't know how

30
00:02:07,540 --> 00:02:13,180
many people understand English so I'm

31
00:02:10,899 --> 00:02:15,818
going to go very very quickly through my

32
00:02:13,180 --> 00:02:19,090
slideshow I showed you some UFOs but

33
00:02:15,818 --> 00:02:23,439
what you should understand is that it is

34
00:02:19,090 --> 00:02:26,650
a planetary phenomenon that means it's

35
00:02:23,439 --> 00:02:28,539
not a United States phenomenon it is not

36
00:02:26,650 --> 00:02:31,530
a Portuguese phenomenon or Italian

37
00:02:28,539 --> 00:02:36,579
phenomena or Japanese or Chinese it is

38
00:02:31,530 --> 00:02:40,989
planetary and every country is studying

39
00:02:36,580 --> 00:02:45,489
this every country this subject matter

40
00:02:40,989 --> 00:02:48,430
is classified higher top secret than the

41
00:02:45,489 --> 00:02:51,819
atomic bomb that's how important this

42
00:02:48,430 --> 00:02:54,489
subject is and of course in Europe I

43
00:02:51,818 --> 00:02:58,929

always tell people in America it's taken

44

00:02:54,489 --> 00:03:01,180

much more seriously this meeting is at a

45

00:02:58,930 --> 00:03:03,879

university if you were in America it

46

00:03:01,180 --> 00:03:06,519

would be at a hotel so it's much more

47

00:03:03,879 --> 00:03:09,299

serious in Europe because people are

48

00:03:06,519 --> 00:03:14,140

curious and they're doing serious work

49

00:03:09,299 --> 00:03:16,719

so I'm going to discuss my work but very

50

00:03:14,139 --> 00:03:20,529

fast because I don't want to take any

51

00:03:16,719 --> 00:03:22,509

time from anybody else but my website is

52

00:03:20,530 --> 00:03:25,090

in six languages

53

00:03:22,509 --> 00:03:28,719

I have volunteers who translate my work

54

00:03:25,090 --> 00:03:30,700

in six languages I have written books

55

00:03:28,719 --> 00:03:32,530

and that have been translated now into

56

00:03:30,699 --> 00:03:35,709

Spanish but that's Italian

57

00:03:32,530 --> 00:03:40,329

Aegina ventas in Italian and I have one

58
00:03:35,709 --> 00:03:44,230
in Japanese my books are only interviews

59
00:03:40,329 --> 00:03:47,290
with witnesses they have no opinion they

60
00:03:44,229 --> 00:03:51,488
have no conclusions because after 30

61
00:03:47,289 --> 00:03:55,120
years of work I still do not know what

62
00:03:51,489 --> 00:03:58,289
is happening but I do know something is

63
00:03:55,120 --> 00:04:02,950
happening and I think we should be

64
00:03:58,289 --> 00:04:05,030
dialoguing or talking about it so here I

65
00:04:02,949 --> 00:04:08,299
write for these magazines

66
00:04:05,030 --> 00:04:10,310
at times in Italy and UFO matrix in

67
00:04:08,300 --> 00:04:14,350
England I think David will talk a little

68
00:04:10,310 --> 00:04:17,089
bit about that and my book is

69
00:04:14,349 --> 00:04:19,089
Exopolitics this is the third book I

70
00:04:17,089 --> 00:04:22,339
have written in the last probably

71
00:04:19,089 --> 00:04:26,269
Exopolitics book Stargate to a new

72
00:04:22,339 --> 00:04:28,819
reality and it basically is the premises

73
00:04:26,269 --> 00:04:31,549
by Travis Walton for you people that

74
00:04:28,819 --> 00:04:34,939
have studied ufology you know the Travis

75
00:04:31,550 --> 00:04:39,860
Walton case the movie was called fire in

76
00:04:34,939 --> 00:04:42,860
the sky it's an abduction case so I I

77
00:04:39,860 --> 00:04:49,100
used to live in Italy I lived for 15

78
00:04:42,860 --> 00:04:51,350
years in Rome 2000 1992 to 2007 so it

79
00:04:49,100 --> 00:04:53,060
was easy for me to work in Europe and

80
00:04:51,350 --> 00:04:55,430
you do might not believe it but it's

81
00:04:53,060 --> 00:04:58,879
easier to talk about this in Europe and

82
00:04:55,430 --> 00:05:01,100
not have people laugh in America the

83
00:04:58,879 --> 00:05:04,550
ridicule factor if you talk about UFOs

84
00:05:01,100 --> 00:05:06,950
is still very alive they think you are

85
00:05:04,550 --> 00:05:09,470
crazy they think you should not be

86

00:05:06,949 --> 00:05:11,769
discussing this and so forth another

87
00:05:09,470 --> 00:05:15,169
reason is because in America it's

88
00:05:11,769 --> 00:05:17,569
commercial it is you go to a conference

89
00:05:15,168 --> 00:05:20,329
everybody has a t-shirt they're wearing

90
00:05:17,569 --> 00:05:23,360
antenna on their hand you buy products

91
00:05:20,329 --> 00:05:25,399
and it's a commercial venture in America

92
00:05:23,360 --> 00:05:30,199
where here it is an intellectual

93
00:05:25,399 --> 00:05:32,810
endeavor it's an intellectual eye there

94
00:05:30,199 --> 00:05:35,240
is all these websites you saw heard

95
00:05:32,810 --> 00:05:38,660
Holly from Finland speak he has an ex

96
00:05:35,240 --> 00:05:42,259
apologists magazine online and it's very

97
00:05:38,660 --> 00:05:44,750
important because when I speak to the ex

98
00:05:42,259 --> 00:05:48,228
Defense Minister of Canada that's Paul

99
00:05:44,750 --> 00:05:52,810
Hellyer the ex defence minister of

100
00:05:48,228 --> 00:05:55,370

Canada who just wrote a book about the

101

00:05:52,810 --> 00:05:57,470

survival manual for the human species

102

00:05:55,370 --> 00:06:00,769

light at the end of the tunnel and he

103

00:05:57,470 --> 00:06:02,419

talks about two chapters on UFOs I have

104

00:06:00,769 --> 00:06:05,719

no place to put this

105

00:06:02,418 --> 00:06:08,329

so only has a magazine I can put it I

106

00:06:05,720 --> 00:06:10,430

can give it to Robert in German

107

00:06:08,329 --> 00:06:14,149

and put it on his website I can give it

108

00:06:10,430 --> 00:06:17,478

to Freddy in Denmark and I can give it

109

00:06:14,149 --> 00:06:20,089

to the world I can take my interview

110

00:06:17,478 --> 00:06:23,568

with the ex defense minister it's on

111

00:06:20,089 --> 00:06:25,098

YouTube that I did of Canada and I have

112

00:06:23,569 --> 00:06:28,370

a place to put it

113

00:06:25,098 --> 00:06:32,300

I've had conferences in Europe and the

114

00:06:28,370 --> 00:06:33,949

UCB there with Jaime my son my boss on

115
00:06:32,300 --> 00:06:36,829
the right lobby to Beata

116
00:06:33,949 --> 00:06:39,860
and James Fox the producer of the movie

117
00:06:36,829 --> 00:06:42,228
out of the blue how did that so politics

118
00:06:39,860 --> 00:06:45,620
here have come about well I decided to

119
00:06:42,228 --> 00:06:48,168
try something new invite people young

120
00:06:45,620 --> 00:06:51,769
people from different countries to come

121
00:06:48,168 --> 00:06:54,500
together in Rome in Italy and invite

122
00:06:51,769 --> 00:06:57,288
James Fox the director from out of the

123
00:06:54,500 --> 00:06:59,658
blue and guess who was there there you

124
00:06:57,288 --> 00:07:02,418
will see Robert you will see Freddy

125
00:06:59,658 --> 00:07:06,348
and there was Janice Cooney from Ireland

126
00:07:02,418 --> 00:07:09,258
and the next chair came upon and gogo

127
00:07:06,348 --> 00:07:12,399
from Spain and a miracle happened the

128
00:07:09,259 --> 00:07:16,788
way a miracle happened with here with

129
00:07:12,399 --> 00:07:19,038
Francisco Pepin and Spain by himself

130
00:07:16,788 --> 00:07:23,949
with the help of Gobbo here we are in

131
00:07:19,038 --> 00:07:30,408
Barcelona organized a conference where

132
00:07:23,949 --> 00:07:32,960
1400 people came 1400 people they did

133
00:07:30,408 --> 00:07:36,218
not come to buy t-shirts they did not

134
00:07:32,959 --> 00:07:40,908
come to be entertained they came for

135
00:07:36,218 --> 00:07:44,269
information it was a an opening to this

136
00:07:40,908 --> 00:07:47,959
subject matter in a very serious way

137
00:07:44,269 --> 00:07:50,299
and sometimes people say I can't do

138
00:07:47,959 --> 00:07:55,128
anything I'm just one person

139
00:07:50,300 --> 00:07:59,509
well he was one person he was one person

140
00:07:55,129 --> 00:08:04,400
who took the responsibility to have a

141
00:07:59,509 --> 00:08:08,000
conference in Barcelona 1400 people here

142
00:08:04,399 --> 00:08:10,060
we all are you saw this in another in

143

00:08:08,000 --> 00:08:11,829
another

144
00:08:10,060 --> 00:08:14,410
but it's very important and I'll tell

145
00:08:11,829 --> 00:08:18,129
you why because we have a responsibility

146
00:08:14,410 --> 00:08:20,439
I think I'm a journalist I also have a

147
00:08:18,129 --> 00:08:23,620
master's in education I'm a teacher

148
00:08:20,439 --> 00:08:25,509
I've taught high school for 27 years I

149
00:08:23,620 --> 00:08:28,360
taught at the private high school in

150
00:08:25,509 --> 00:08:32,559
Rome while I was doing this work because

151
00:08:28,360 --> 00:08:35,320
the work takes money when I do work I

152
00:08:32,559 --> 00:08:38,949
have to interview people and I have to

153
00:08:35,320 --> 00:08:41,310
pay to go there I have to pay to stay in

154
00:08:38,950 --> 00:08:44,229
a hotel I have to transcribe everything

155
00:08:41,309 --> 00:08:48,219
put it on film put it in and it takes

156
00:08:44,229 --> 00:08:52,300
money so it's very difficult to do this

157
00:08:48,220 --> 00:08:55,930

work without sponsors very difficult in

158

00:08:52,299 --> 00:08:58,959

my particular case I was working but you

159

00:08:55,929 --> 00:09:01,120

know this is I remember my teacher and

160

00:08:58,960 --> 00:09:04,360

you'll see him John J Allen Hynek who

161

00:09:01,120 --> 00:09:09,610

said to me if we had to depend on

162

00:09:04,360 --> 00:09:13,450

volunteers to go to the moon on weekends

163

00:09:09,610 --> 00:09:15,820

who work who didn't have a job we would

164

00:09:13,450 --> 00:09:17,620

never go to the moon and all the people

165

00:09:15,820 --> 00:09:20,220

that are working here all the people

166

00:09:17,620 --> 00:09:24,250

from all over the world are here are

167

00:09:20,220 --> 00:09:27,129

volunteering there is no money in this

168

00:09:24,250 --> 00:09:29,169

kind of research I wanted to show you

169

00:09:27,129 --> 00:09:31,120

this because cameras and work through

170

00:09:29,169 --> 00:09:35,129

with Verner von Braun the rocket

171

00:09:31,120 --> 00:09:38,769

scientist in America and he talked about

172
00:09:35,129 --> 00:09:44,019
being careful because the powers that be

173
00:09:38,769 --> 00:09:46,269
may have a false alien invasion as the

174
00:09:44,019 --> 00:09:49,449
ultimate enemy he said it first it would

175
00:09:46,269 --> 00:09:53,289
be communism then it would be terrorism

176
00:09:49,450 --> 00:09:55,720
and finally it would be that they will

177
00:09:53,289 --> 00:09:58,959
tell the world that the aliens are

178
00:09:55,720 --> 00:10:02,740
coming and we need to develop weapons of

179
00:09:58,960 --> 00:10:05,920
mass destruction to kill them so is this

180
00:10:02,740 --> 00:10:09,009
important in education yes because if

181
00:10:05,919 --> 00:10:11,229
this were so and whatever is there if

182
00:10:09,009 --> 00:10:13,179
flying in those ships were hostile I

183
00:10:11,230 --> 00:10:15,220
don't know if we should be spending

184
00:10:13,179 --> 00:10:18,489
millions of dollars on nuclear

185
00:10:15,220 --> 00:10:20,470
missiles to kill them and peril Drazen

186
00:10:18,490 --> 00:10:23,079
has asked me to tell you that she is

187
00:10:20,470 --> 00:10:26,519
organizing a peace treaty that she wants

188
00:10:23,078 --> 00:10:30,899
signed by seven countries that says

189
00:10:26,519 --> 00:10:34,589
planet Earth will not take nuclear

190
00:10:30,899 --> 00:10:37,958
missiles into space to shoot at aliens

191
00:10:34,589 --> 00:10:41,290
this is very important because as this

192
00:10:37,958 --> 00:10:43,088
may be a possible future scenario it is

193
00:10:41,289 --> 00:10:46,360
not science fiction

194
00:10:43,089 --> 00:10:49,660
it could be science fact so I'm going to

195
00:10:46,360 --> 00:10:53,589
speak very clearly about my job as a

196
00:10:49,659 --> 00:10:56,500
journalist you have to have an ethic you

197
00:10:53,589 --> 00:10:58,810
have to tell the story and you should

198
00:10:56,500 --> 00:11:00,669
not make any judgments about what you're

199
00:10:58,809 --> 00:11:03,518
telling and this is the National Press

200

00:11:00,669 --> 00:11:05,799
Club in Washington and I said to all the

201
00:11:03,519 --> 00:11:08,740
camera people and all the photographers

202
00:11:05,799 --> 00:11:10,359
that were there take the story do the

203
00:11:08,740 --> 00:11:13,120
story put it in the newspaper in the

204
00:11:10,360 --> 00:11:15,938
magazine do not make a comment but when

205
00:11:13,120 --> 00:11:19,778
I was there they wrote the story and

206
00:11:15,938 --> 00:11:22,808
they the title was the red boat the blue

207
00:11:19,778 --> 00:11:25,419
boat and the little green men and when

208
00:11:22,808 --> 00:11:28,778
you use the word little green men in a

209
00:11:25,419 --> 00:11:32,289
newspaper you already make a judgement

210
00:11:28,778 --> 00:11:34,778
but America is very difficult my job is

211
00:11:32,289 --> 00:11:37,389
just to interview top-level people like

212
00:11:34,778 --> 00:11:39,129
Grenada that's here and different people

213
00:11:37,389 --> 00:11:43,240
that have been involved in the UFO

214
00:11:39,129 --> 00:11:45,970

phenomenon right there is Jorge Neri

215

00:11:43,240 --> 00:11:49,028

coast to coast he's got the only radio

216

00:11:45,970 --> 00:11:51,579

show that discusses this in un America

217

00:11:49,028 --> 00:11:54,399

it discusses it though from 11:00 at

218

00:11:51,578 --> 00:11:56,888

night till 3:00 in the morning so you

219

00:11:54,399 --> 00:12:00,308

must be awake at all that time to hear

220

00:11:56,889 --> 00:12:04,149

this material and on the left is dr.

221

00:12:00,308 --> 00:12:05,759

Edgar Mitchell Apollo 14 astronaut six

222

00:12:04,149 --> 00:12:08,769

man to walk on the moon

223

00:12:05,759 --> 00:12:12,339

he is very important because he's one of

224

00:12:08,769 --> 00:12:15,129

the heroes what is that my job like here

225

00:12:12,339 --> 00:12:18,329

we are in a train station in Italy we

226

00:12:15,129 --> 00:12:22,990

are going to zoom it Rudy as Switzerland

227

00:12:18,328 --> 00:12:26,309

to deal with this case all my work is

228

00:12:22,990 --> 00:12:28,980

field research which means I go there I

229
00:12:26,309 --> 00:12:31,439
speak to the people in the case of this

230
00:12:28,980 --> 00:12:34,519
story which is the Billy Meyer case I

231
00:12:31,440 --> 00:12:37,800
spoke to the people in the town

232
00:12:34,519 --> 00:12:39,528
engineers MIT Rudi and Switzerland you

233
00:12:37,799 --> 00:12:44,370
speak to the people because the people

234
00:12:39,528 --> 00:12:46,799
intimate Rudi saw the craft - I also saw

235
00:12:44,370 --> 00:12:50,669
billy meier I also spoke to the people

236
00:12:46,799 --> 00:12:54,359
there but you need to do research on the

237
00:12:50,669 --> 00:12:57,599
you know in the in the location I'm so

238
00:12:54,360 --> 00:13:01,649
glad that Ollie showed me shukaku here

239
00:12:57,600 --> 00:13:05,250
he is here because it's not so much what

240
00:13:01,649 --> 00:13:08,730
me shukaku said that's important it's

241
00:13:05,250 --> 00:13:13,399
that this conference in February of this

242
00:13:08,730 --> 00:13:17,250
year was sponsored by Saudi Arabian

243
00:13:13,399 --> 00:13:20,338
commercial interests Saudi Arabian

244
00:13:17,250 --> 00:13:23,580
commercial interests oil petroleum and

245
00:13:20,339 --> 00:13:28,529
they're inviting in this conference

246
00:13:23,580 --> 00:13:33,000
people paid \$5,000 for the ticket \$5,000

247
00:13:28,528 --> 00:13:36,360
each for the ticket they invited Jacques

248
00:13:33,000 --> 00:13:40,049
Vallee they invited me shukaku they

249
00:13:36,360 --> 00:13:43,139
invited MIT Pope and they invited

250
00:13:40,049 --> 00:13:45,809
Stanton Friedman and they're in the arse

251
00:13:43,139 --> 00:13:48,139
city and also Bill Clinton and Tony

252
00:13:45,809 --> 00:13:50,789
Blair now when this happens you wonder

253
00:13:48,139 --> 00:13:54,360
why would the Muslim world to be

254
00:13:50,789 --> 00:13:56,459
interested in UFOs they were not there

255
00:13:54,360 --> 00:13:58,980
to be entertained this was not

256
00:13:56,460 --> 00:13:59,639
Disneyland they wanted to talk to these

257

00:13:58,980 --> 00:14:02,519
people

258
00:13:59,639 --> 00:14:06,120
bless him Stanton Friedman who we call

259
00:14:02,519 --> 00:14:09,120
the icon of ufology went before all

260
00:14:06,120 --> 00:14:13,820
these powerful people who rule the

261
00:14:09,120 --> 00:14:16,470
economic planet and said UFOs are real

262
00:14:13,820 --> 00:14:20,400
that's he started you can see his

263
00:14:16,470 --> 00:14:22,589
presentation he's talking about all the

264
00:14:20,399 --> 00:14:23,879
reasons he studied most of his life he's

265
00:14:22,589 --> 00:14:29,310
a nuclear physicist

266
00:14:23,879 --> 00:14:32,338
ask yourself why this year the Arab

267
00:14:29,309 --> 00:14:34,029
world or this particular such situation

268
00:14:32,339 --> 00:14:37,320
this economic situation

269
00:14:34,029 --> 00:14:44,100
in Saudi Arabia invited UFO researchers

270
00:14:37,320 --> 00:14:46,990
this happened in February 26 in Chicago

271
00:14:44,100 --> 00:14:50,529

Minister Louis Farrakhan who is part of

272

00:14:46,990 --> 00:14:55,269

the of the Muslim Brotherhood invited a

273

00:14:50,529 --> 00:14:57,909

you see AJ given there's Donna Schmidt

274

00:14:55,269 --> 00:14:59,829

Jaime Mouse on Nick Pope was invited and

275

00:14:57,909 --> 00:15:02,350

Stanton Friedman but they didn't go

276

00:14:59,830 --> 00:15:05,350

there's Roger Leir who's the doctor that

277

00:15:02,350 --> 00:15:09,730

deals with alien implants there is a

278

00:15:05,350 --> 00:15:13,149

contact D who was there a man who films

279

00:15:09,730 --> 00:15:16,120

UFOs much like Billy Mayer and he films

280

00:15:13,149 --> 00:15:19,600

so many of them he lives in Italy his

281

00:15:16,120 --> 00:15:22,539

name is Antonio Ozzy what disease film

282

00:15:19,600 --> 00:15:25,210

is like this if you want to go to my

283

00:15:22,539 --> 00:15:29,139

website you can see his movies they are

284

00:15:25,210 --> 00:15:33,310

movies video Bootsy is very interesting

285

00:15:29,139 --> 00:15:35,949

person he has much video now people say

286
00:15:33,309 --> 00:15:40,029
it's not real he's just know if this man

287
00:15:35,950 --> 00:15:44,080
is strange he has this experience I was

288
00:15:40,029 --> 00:15:47,439
with him at a conference in Mexico City

289
00:15:44,080 --> 00:15:49,870
and I was in a hotel with my on 20th of

290
00:15:47,440 --> 00:15:53,650
Antonio when you go outside do not go

291
00:15:49,870 --> 00:15:56,320
without me I want to see a UFO and we

292
00:15:53,649 --> 00:15:59,230
walked across the street to the World

293
00:15:56,320 --> 00:16:01,750
Trade Center in Mexico City and he

294
00:15:59,230 --> 00:16:05,350
pointed up to a sky I had looked up the

295
00:16:01,750 --> 00:16:09,700
sky saw nothing he pointed up to a dot

296
00:16:05,350 --> 00:16:12,340
in the sky that dot became bigger it was

297
00:16:09,700 --> 00:16:15,340
a craft and Mexican television came out

298
00:16:12,340 --> 00:16:18,370
and filmed it so I was with Antonio or Z

299
00:16:15,340 --> 00:16:20,170
when he was filming UF house every way

300
00:16:18,370 --> 00:16:22,060
he's been in Chile he's been in other

301
00:16:20,169 --> 00:16:25,000
countries port he's even been here I

302
00:16:22,059 --> 00:16:29,379
think Portugal Antonio New Jersey and he

303
00:16:25,000 --> 00:16:33,759
has this capacity now what is he doing

304
00:16:29,379 --> 00:16:37,149
talking to Luis barragán who is the head

305
00:16:33,759 --> 00:16:39,819
of the Muslim Brotherhood in Chicago who

306
00:16:37,149 --> 00:16:40,409
said to everyone on my website I had the

307
00:16:39,820 --> 00:16:42,629
interview

308
00:16:40,409 --> 00:16:45,230
- Don she met I interviewed on

309
00:16:42,629 --> 00:16:49,439
committees a Roswell researcher he said

310
00:16:45,230 --> 00:16:51,509
number one I want UFO disclosure number

311
00:16:49,440 --> 00:16:54,120
two I will give you all the money that

312
00:16:51,509 --> 00:16:56,850
you need because I told you there's no

313
00:16:54,120 --> 00:16:59,389
money to do research I will give you all

314

00:16:56,850 --> 00:17:02,129
the money you need to do this research

315
00:16:59,389 --> 00:17:03,899
look where it's coming from

316
00:17:02,129 --> 00:17:05,568
look where the support is coming from

317
00:17:03,899 --> 00:17:08,309
it's very interesting

318
00:17:05,568 --> 00:17:10,949
so here's Antonio de Zeeuw film footage

319
00:17:08,309 --> 00:17:13,250
again that that's my picture on the top

320
00:17:10,949 --> 00:17:15,900
left I took that photo

321
00:17:13,250 --> 00:17:19,049
this is the contactee if you are

322
00:17:15,900 --> 00:17:23,610
interested in looking at new material

323
00:17:19,049 --> 00:17:25,919
he's amazing this video is much

324
00:17:23,609 --> 00:17:30,149
discussed but I wanted to put it here

325
00:17:25,920 --> 00:17:33,690
because I truly believe that any video

326
00:17:30,150 --> 00:17:36,600
that comes out any video on YouTube is

327
00:17:33,690 --> 00:17:39,539
going to be called the hoax even the

328
00:17:36,599 --> 00:17:43,799

real ones we have a terrible situation

329

00:17:39,539 --> 00:17:47,549

right now where people can fake video

330

00:17:43,799 --> 00:17:49,889

but then they put real video on there

331

00:17:47,549 --> 00:17:52,740

and that's called the hoax - there is no

332

00:17:49,890 --> 00:17:55,080

way of proving video but I was

333

00:17:52,740 --> 00:17:58,470

interested in this for one particular

334

00:17:55,079 --> 00:18:02,250

reason because when the UFO came down in

335

00:17:58,470 --> 00:18:07,230

Israel Jerusalem it came down over a

336

00:18:02,250 --> 00:18:10,440

Muslim mosque and when the first if you

337

00:18:07,230 --> 00:18:12,329

can go on YouTube you see that I was

338

00:18:10,440 --> 00:18:14,940

confused to my way of dealing with

339

00:18:12,329 --> 00:18:17,909

things as I got hold of the Israeli

340

00:18:14,940 --> 00:18:20,880

researcher Barry Shum --is-- I got him

341

00:18:17,910 --> 00:18:24,480

on you on email and I said is that real

342

00:18:20,880 --> 00:18:28,830

and he said the first two are real the

343

00:18:24,480 --> 00:18:32,640

last three are false so you have real

344

00:18:28,829 --> 00:18:35,669

you have somebody then making another

345

00:18:32,640 --> 00:18:37,950

video so that all of it looks false and

346

00:18:35,670 --> 00:18:40,460

this is going to get worse in the future

347

00:18:37,950 --> 00:18:43,850

I think that will be very

348

00:18:40,460 --> 00:18:46,640

fusing it's called mixing information

349

00:18:43,849 --> 00:18:51,789

with this information so then you say

350

00:18:46,640 --> 00:18:54,830

it's all false and that's very sad so

351

00:18:51,789 --> 00:18:57,619

Kenneth Arnold was from the history of

352

00:18:54,829 --> 00:18:58,909

the United States ufology the first man

353

00:18:57,619 --> 00:19:03,859

to coin the term

354

00:18:58,910 --> 00:19:07,430

yeah you have folly but flying saucer

355

00:19:03,859 --> 00:19:10,669

we had messages because my presentation

356

00:19:07,430 --> 00:19:14,570

deals with atomic energy very much in

357
00:19:10,670 --> 00:19:17,870
the first couple of years in 50s and 60s

358
00:19:14,569 --> 00:19:19,879
about atomic energy or about the dangers

359
00:19:17,869 --> 00:19:23,049
the messages that came out of Hollywood

360
00:19:19,880 --> 00:19:26,120
about our use of atomic nuclear power

361
00:19:23,049 --> 00:19:29,089
the book the day after Roswell we

362
00:19:26,119 --> 00:19:30,709
translated into Italian I don't know how

363
00:19:29,089 --> 00:19:33,169
you can get it you can get it in English

364
00:19:30,710 --> 00:19:36,140
but one of my biggest stories was

365
00:19:33,170 --> 00:19:40,490
colonel philip corso colonel philip

366
00:19:36,140 --> 00:19:43,850
corso worked at the Pentagon in 1960 on

367
00:19:40,490 --> 00:19:47,569
the actual artifacts from the Roswell

368
00:19:43,849 --> 00:19:51,709
crash he explained to me that his job

369
00:19:47,569 --> 00:19:54,859
was to take these pieces fiber optics

370
00:19:51,710 --> 00:19:58,730
night screening devices the transistor

371

00:19:54,859 --> 00:20:04,849
high tenacity fibers and to go to big

372
00:19:58,730 --> 00:20:08,269
companies like Bell Labs Monsanto big

373
00:20:04,849 --> 00:20:10,730
companies and say can you make this give

374
00:20:08,269 --> 00:20:14,089
it to first the army and then give it to

375
00:20:10,730 --> 00:20:20,150
the American people but he did it from

376
00:20:14,089 --> 00:20:25,730
pieces of a crash in 1947 collar as well

377
00:20:20,150 --> 00:20:30,530
now logically logically if this crap

378
00:20:25,730 --> 00:20:33,559
crashed and government gets hold of the

379
00:20:30,529 --> 00:20:36,710
craft they are definitely going to look

380
00:20:33,559 --> 00:20:40,309
at it see how it flies and use the

381
00:20:36,710 --> 00:20:43,069
materials Krell Corsos testimony because

382
00:20:40,309 --> 00:20:45,740
I knew him so well II only lived for two

383
00:20:43,069 --> 00:20:48,649
years when he was talking about this and

384
00:20:45,740 --> 00:20:51,920
he could not speak in the United States

385
00:20:48,650 --> 00:20:52,340

so he spoke in Italy we brought him to

386

00:20:51,920 --> 00:20:55,720

Italy

387

00:20:52,339 --> 00:21:01,730

due to major international conferences

388

00:20:55,720 --> 00:21:04,400

this changed my whole idea about why

389

00:21:01,730 --> 00:21:06,650

with the secret the secret I thought it

390

00:21:04,400 --> 00:21:08,990

was because of panic or because people

391

00:21:06,650 --> 00:21:12,410

did not want to see aliens and I

392

00:21:08,990 --> 00:21:16,009

realized that the reason why a secret is

393

00:21:12,410 --> 00:21:18,140

because it is an economic issue it is

394

00:21:16,009 --> 00:21:19,400

not even I don't think it's even

395

00:21:18,140 --> 00:21:23,420

religious anymore

396

00:21:19,400 --> 00:21:26,630

because the Vatican has declared number

397

00:21:23,420 --> 00:21:32,650

one that the 80s are our brother and

398

00:21:26,630 --> 00:21:32,650

sister this is father Funes the the head

399

00:21:32,740 --> 00:21:37,490

astronomer of Castel Gandolfo said

400
00:21:35,240 --> 00:21:39,349
number one the ETS are a brother and

401
00:21:37,490 --> 00:21:42,740
sister why would he say that if there's

402
00:21:39,349 --> 00:21:44,809
no ETS and then he says it is not

403
00:21:42,740 --> 00:21:46,819
against the Catholic Chur religion to

404
00:21:44,809 --> 00:21:50,359
believe in them and then the third thing

405
00:21:46,819 --> 00:21:52,579
he says Jesus did not need to die for

406
00:21:50,359 --> 00:21:55,879
them because they are much more evolved

407
00:21:52,579 --> 00:21:59,689
when and they do not have original sin

408
00:21:55,880 --> 00:22:02,000
those words coming out of a Jesuit

409
00:21:59,690 --> 00:22:05,840
priest in the ascetic authority Romano

410
00:22:02,000 --> 00:22:09,470
newspaper means that an institution like

411
00:22:05,839 --> 00:22:13,879
the church is positioning itself for

412
00:22:09,470 --> 00:22:15,289
something for them to use the word ET to

413
00:22:13,880 --> 00:22:17,000
say they're more evolved and then

414
00:22:15,289 --> 00:22:19,069
there's doctor in there that's doctrine

415
00:22:17,000 --> 00:22:21,170
the fact that they did not Jesus didn't

416
00:22:19,069 --> 00:22:24,019
need to die for them because of original

417
00:22:21,170 --> 00:22:27,410
sin I felt like saying how do you know

418
00:22:24,019 --> 00:22:30,109
because they have said something and

419
00:22:27,410 --> 00:22:32,450
major institutions are positioning

420
00:22:30,109 --> 00:22:35,689
themselves when I say major institutions

421
00:22:32,450 --> 00:22:38,120
I also mean Riyadh Saudi Arabia and the

422
00:22:35,690 --> 00:22:40,880
economic conference we just talked about

423
00:22:38,119 --> 00:22:43,099
there's religion there's economics

424
00:22:40,880 --> 00:22:44,960
there's going to be and I think Arenado

425
00:22:43,099 --> 00:22:48,740
will talk more about the geopolitical

426
00:22:44,960 --> 00:22:50,350
view the need for Exopolitics all that

427
00:22:48,740 --> 00:22:53,529
EXO politics is is

428

00:22:50,349 --> 00:22:56,500
University study that's all it is where

429
00:22:53,529 --> 00:22:59,558
no one is laughing its inch it's a

430
00:22:56,500 --> 00:23:02,380
serious study that should be done my

431
00:22:59,558 --> 00:23:05,678
life started with dr. J Allen Hynek an

432
00:23:02,380 --> 00:23:08,080
astronomer he was a consultant on Steven

433
00:23:05,679 --> 00:23:11,410
Spielberg's movie Close Encounters of

434
00:23:08,079 --> 00:23:14,439
the Third Kind I worked with him for six

435
00:23:11,410 --> 00:23:17,200
years there I am with him so I knew

436
00:23:14,440 --> 00:23:18,970
right away this was real I'm working

437
00:23:17,200 --> 00:23:22,210
with someone who work with the Air Force

438
00:23:18,970 --> 00:23:24,548
he was part of charge of Blue Book he

439
00:23:22,210 --> 00:23:26,169
was an astronomer number one he worked

440
00:23:24,548 --> 00:23:29,980
with the government number two and

441
00:23:26,169 --> 00:23:32,830
number three he had files that I had to

442
00:23:29,980 --> 00:23:36,429

translate from Italian into English so

443

00:23:32,829 --> 00:23:42,129

there I am working with dr. Hynek dr.

444

00:23:36,429 --> 00:23:44,169

Hynek was my teacher to listen he said

445

00:23:42,130 --> 00:23:46,059

do not make judgments because when I was

446

00:23:44,169 --> 00:23:48,880

working with dr. Hynek there would be

447

00:23:46,058 --> 00:23:51,220

people coming up to him and saying oh I

448

00:23:48,880 --> 00:23:53,169

was taken aboard a craft and I had this

449

00:23:51,220 --> 00:23:56,710

experience and I had this experience and

450

00:23:53,169 --> 00:23:59,380

in 1980 I could not go there my mind

451

00:23:56,710 --> 00:24:02,558

could not believe in contacts I could

452

00:23:59,380 --> 00:24:06,100

not think about it I was I just wanted

453

00:24:02,558 --> 00:24:08,918

to record lights in the sky and physical

454

00:24:06,099 --> 00:24:12,129

traces something I could touch I could

455

00:24:08,919 --> 00:24:14,950

not use my data bank in my brain to

456

00:24:12,130 --> 00:24:18,000

believe in contact but he taught me to

457
00:24:14,950 --> 00:24:23,440
listen he said do not make judgments

458
00:24:18,000 --> 00:24:25,808
just listen and I learned from him he

459
00:24:23,440 --> 00:24:30,429
also said look at those words laughs

460
00:24:25,808 --> 00:24:32,710
laughs study study which means study

461
00:24:30,429 --> 00:24:34,780
study I'm a teacher that's easy laughs

462
00:24:32,710 --> 00:24:36,230
laughs we need a sense of humor about

463
00:24:34,779 --> 00:24:39,168
this

464
00:24:36,230 --> 00:24:41,179
not we need to be careful so excellent

465
00:24:39,169 --> 00:24:42,830
the study of EXO politics is very

466
00:24:41,179 --> 00:24:48,380
important for me because it's the study

467
00:24:42,829 --> 00:24:50,589
study part schools teaching the future

468
00:24:48,380 --> 00:24:54,440
generation what's been done already

469
00:24:50,589 --> 00:24:57,678
dealing with schools now look the basis

470
00:24:54,440 --> 00:25:00,350
for me and it's in my new book the book

471
00:24:57,679 --> 00:25:02,870
that's just been translated into Spanish

472
00:25:00,349 --> 00:25:05,418
for me of Exopolitics is this letter

473
00:25:02,869 --> 00:25:08,298
that I iced einen Oppenheimer the

474
00:25:05,419 --> 00:25:11,059
creators of the atomic bomb wrote to

475
00:25:08,298 --> 00:25:14,210
President Truman this letter it's in

476
00:25:11,058 --> 00:25:18,319
begins in the book in detail says we

477
00:25:14,210 --> 00:25:20,690
exploded the atomic bomb since we did

478
00:25:18,319 --> 00:25:24,980
this in New Mexico at the Trinity site

479
00:25:20,690 --> 00:25:27,830
we have a lot of craft flying above we

480
00:25:24,980 --> 00:25:31,009
need to prepare the world because if

481
00:25:27,829 --> 00:25:34,069
they have culture if they are culture we

482
00:25:31,009 --> 00:25:36,619
need to integrate them into the United

483
00:25:34,069 --> 00:25:39,589
Nations or a super United Nations

484
00:25:36,619 --> 00:25:40,969
if these intelligent it says here if

485

00:25:39,589 --> 00:25:44,480
these intelligent beings are in the

486
00:25:40,970 --> 00:25:48,110
position of culture maybe we can learn

487
00:25:44,480 --> 00:25:50,539
from them this is Einstein and this is

488
00:25:48,109 --> 00:25:52,639
Oppenheimer who created the atomic bomb

489
00:25:50,539 --> 00:25:57,649
they wrote a letter to Truman about this

490
00:25:52,640 --> 00:26:01,700
it's a top secret letter in this other

491
00:25:57,650 --> 00:26:03,890
document here the som 101 is the

492
00:26:01,700 --> 00:26:07,548
majestic 12 group was which was the

493
00:26:03,890 --> 00:26:11,720
group created by President Truman to

494
00:26:07,548 --> 00:26:13,548
manage the UFO question this question

495
00:26:11,720 --> 00:26:16,100
needs to be managed in other words

496
00:26:13,548 --> 00:26:19,579
somebody needs to control the UFO

497
00:26:16,099 --> 00:26:23,149
information so this is out there too

498
00:26:19,579 --> 00:26:26,720
this can be this can be seen on

499
00:26:23,150 --> 00:26:29,330

woods website did everybody try to do

500

00:26:26,720 --> 00:26:32,210

something yes sir Eric gairy from

501

00:26:29,329 --> 00:26:34,579

Grenada put a resolution to the United

502

00:26:32,210 --> 00:26:37,549

Nations to look at this because you have

503

00:26:34,579 --> 00:26:40,369

to have a resolution this man here is

504

00:26:37,549 --> 00:26:42,440

ambassador John McDonald he is not a

505

00:26:40,369 --> 00:26:45,979

ufologist he's ambassador northern

506

00:26:42,440 --> 00:26:48,410

island from the United States he Michael

507

00:26:45,980 --> 00:26:52,808

Saleh and the X Defense Minister had a

508

00:26:48,410 --> 00:26:56,029

conversation about preparing for contact

509

00:26:52,808 --> 00:27:00,049

they said what do we do if these people

510

00:26:56,029 --> 00:27:02,420

come no nothing is in place well we will

511

00:27:00,049 --> 00:27:05,089

just don't know what to do and an

512

00:27:02,420 --> 00:27:07,400

ambassador of northern you know the

513

00:27:05,089 --> 00:27:10,699

Northern Ireland situation who's already

514
00:27:07,400 --> 00:27:13,309
done citizen diplomacy not diplomacy up

515
00:27:10,700 --> 00:27:16,340
here with the politicians but citizen

516
00:27:13,308 --> 00:27:19,670
diplomacy helped Michael Saleh dr.

517
00:27:16,339 --> 00:27:22,519
Michael Saleh start the Exopolitics idea

518
00:27:19,670 --> 00:27:24,289
and there is also there's dr. Michael

519
00:27:22,519 --> 00:27:27,440
Saleh the national pretzel he is a

520
00:27:24,289 --> 00:27:31,039
college professor from Australia he's

521
00:27:27,440 --> 00:27:34,190
not a ufologist and here is the EX

522
00:27:31,039 --> 00:27:37,759
Defence Minister of Canada now the thing

523
00:27:34,190 --> 00:27:40,490
about what I do and what Don Schmidt

524
00:27:37,759 --> 00:27:42,799
does and he's excellent researcher Don

525
00:27:40,490 --> 00:27:45,349
and I were both trained by dr. J Allen

526
00:27:42,799 --> 00:27:47,899
Hynek we were trained to go out in the

527
00:27:45,349 --> 00:27:51,230
field not to come somebody on the phone

528
00:27:47,900 --> 00:27:53,809
not to use internet but to go out and

529
00:27:51,230 --> 00:27:57,110
meet the people now he said the problem

530
00:27:53,808 --> 00:27:59,299
with Roswell he has over 90 witnesses is

531
00:27:57,109 --> 00:28:00,678
that it's a race with the Undertaker

532
00:27:59,299 --> 00:28:03,799
which means they're dying because

533
00:28:00,679 --> 00:28:05,509
they're 80 70 and 80 years old

534
00:28:03,799 --> 00:28:08,720
the people that were the original

535
00:28:05,509 --> 00:28:11,269
witnesses this is the Roswell situation

536
00:28:08,720 --> 00:28:14,630
I am very good friends with Jesse Marcel

537
00:28:11,269 --> 00:28:17,900
jr. who was a nine year old boy when his

538
00:28:14,630 --> 00:28:21,020
father brought home pieces of the

539
00:28:17,900 --> 00:28:23,600
Roswell crash his father there Jesse

540
00:28:21,019 --> 00:28:25,849
Marcel was in the intelligence community

541
00:28:23,599 --> 00:28:28,759
he knows the difference between a mobile

542

00:28:25,849 --> 00:28:31,309
balloon and something from another world

543
00:28:28,759 --> 00:28:31,819
he will not bring home pieces of a

544
00:28:31,309 --> 00:28:34,460
mobile

545
00:28:31,819 --> 00:28:37,309
balloon for his dot for his son and his

546
00:28:34,460 --> 00:28:40,039
wife to look at he brought home pieces

547
00:28:37,309 --> 00:28:41,839
of the wreckage of Roswell he told me

548
00:28:40,039 --> 00:28:43,849
this because he came to my apartment in

549
00:28:41,839 --> 00:28:46,819
Rome I paid for him to come to speak to

550
00:28:43,849 --> 00:28:49,879
the Italian people these witnesses are

551
00:28:46,819 --> 00:28:53,089
incredible they're still alive this man

552
00:28:49,880 --> 00:28:55,940
is dead this was a Walter Haught he was

553
00:28:53,089 --> 00:29:00,490
the information officer during Roswell

554
00:28:55,940 --> 00:29:05,570
when he died he left a will that said I

555
00:29:00,490 --> 00:29:07,400
saw the bodies and it's very important

556
00:29:05,569 --> 00:29:10,879

because I do this kind of work with

557

00:29:07,400 --> 00:29:14,390

these witnesses now this is the event on

558

00:29:10,880 --> 00:29:17,780

human history for me this is my opinion

559

00:29:14,390 --> 00:29:21,530

that changed the course of humanity when

560

00:29:17,779 --> 00:29:24,430

this happened we had a problem on planet

561

00:29:21,529 --> 00:29:28,809

Earth when we this happened it changed

562

00:29:24,430 --> 00:29:32,150

everything because we were no longer

563

00:29:28,809 --> 00:29:37,730

children but we were children with

564

00:29:32,150 --> 00:29:40,250

dangerous toys and when I when I began

565

00:29:37,730 --> 00:29:43,099

researching the nuclear involvement with

566

00:29:40,250 --> 00:29:47,779

the cases it changed my life because I

567

00:29:43,099 --> 00:29:50,240

understood that if Einstein end up in

568

00:29:47,779 --> 00:29:53,019

Miami we're seeing these crafts over the

569

00:29:50,240 --> 00:29:55,700

Trinity site and they were there and

570

00:29:53,019 --> 00:29:57,889

Robert Salas who's a military man I

571
00:29:55,700 --> 00:30:02,420
think you saw him and one of the other

572
00:29:57,890 --> 00:30:05,750
presentations was present in Montana he

573
00:30:02,420 --> 00:30:08,300
was present when a UFO shut down ten

574
00:30:05,750 --> 00:30:11,089
nuclear missiles in other words he was

575
00:30:08,299 --> 00:30:13,250
in charge of the missiles in 1967 they

576
00:30:11,089 --> 00:30:15,619
were pointed there with the Cold War he

577
00:30:13,250 --> 00:30:18,700
was in charge of the missiles and what

578
00:30:15,619 --> 00:30:23,000
happened was that a UFO came and

579
00:30:18,700 --> 00:30:26,180
deactivated ten nuclear missiles they

580
00:30:23,000 --> 00:30:27,950
were no-go they could not fly if that is

581
00:30:26,180 --> 00:30:30,140
not a matter of national security

582
00:30:27,950 --> 00:30:31,900
I don't know what is if you don't think

583
00:30:30,140 --> 00:30:35,420
the government is interested in that

584
00:30:31,900 --> 00:30:38,360
they are that something can shut down

585
00:30:35,420 --> 00:30:41,779
ten nuclear missiles now that looks like

586
00:30:38,359 --> 00:30:44,759
an act of war but it could be an act of

587
00:30:41,779 --> 00:30:46,889
peace because there's a message they

588
00:30:44,759 --> 00:30:49,589
didn't destroy the the nuclear missile

589
00:30:46,890 --> 00:30:53,040
didn't shoot at the Arsenal in Montana

590
00:30:49,589 --> 00:30:57,000
they did not do that but what they did

591
00:30:53,039 --> 00:31:00,629
is say we are here we see your nuclear

592
00:30:57,000 --> 00:31:03,150
capacity we can shut down the missiles

593
00:31:00,630 --> 00:31:05,910
if you if we want to and in Russia they

594
00:31:03,150 --> 00:31:07,200
activated them they activated them

595
00:31:05,910 --> 00:31:09,210
there's an incident in Russia where they

596
00:31:07,200 --> 00:31:10,860
activated the missiles but they didn't

597
00:31:09,210 --> 00:31:13,140
start the launch sequence so the

598
00:31:10,859 --> 00:31:15,689
missiles didn't take off they have a

599

00:31:13,140 --> 00:31:17,610
very clear message now the last part of

600
00:31:15,690 --> 00:31:20,940
my presentation I'm going very fast

601
00:31:17,609 --> 00:31:22,740
because it's a new story so anyway I

602
00:31:20,940 --> 00:31:23,700
want to say one other thing in Denver

603
00:31:22,740 --> 00:31:26,609
Colorado

604
00:31:23,700 --> 00:31:28,980
we have other heroes we have just Jeff

605
00:31:26,609 --> 00:31:32,879
peckmon right here there's Robert Salas

606
00:31:28,980 --> 00:31:35,509
who came to testify he put a referendum

607
00:31:32,880 --> 00:31:38,580
in Denver to have an extraterrestrial

608
00:31:35,509 --> 00:31:42,509
Commission the part of the government in

609
00:31:38,579 --> 00:31:46,049
Denver he said we need to study this it

610
00:31:42,509 --> 00:31:51,900
is important go to the polls press yes

611
00:31:46,049 --> 00:31:55,619
or no and 30,000 people of 72,000 people

612
00:31:51,900 --> 00:31:58,170
pressed yes they wanted to have an extra

613
00:31:55,619 --> 00:32:00,869

Denver with the first state in the

614

00:31:58,170 --> 00:32:03,690
United States to do this if you ask

615

00:32:00,869 --> 00:32:07,979
people to vote if this subject be

616

00:32:03,690 --> 00:32:12,750
studied then you will have 30,000 people

617

00:32:07,980 --> 00:32:15,839
say yes and okay this is the the 1945

618

00:32:12,750 --> 00:32:17,789
UFO case that I just researched in the

619

00:32:15,839 --> 00:32:21,389
last two years I have to talk about it

620

00:32:17,789 --> 00:32:23,849
really fast but it's on my website if

621

00:32:21,390 --> 00:32:27,900
you can read it's in English it's 30

622

00:32:23,849 --> 00:32:31,139
pages 1945 August 15th which is a

623

00:32:27,900 --> 00:32:34,920
holiday it's a religious holiday two

624

00:32:31,140 --> 00:32:38,430
months after the atomic bomb blasted in

625

00:32:34,920 --> 00:32:40,680
in San Antonio New Mexico these two

626

00:32:38,430 --> 00:32:42,920
little boys there's one little boy seven

627

00:32:40,680 --> 00:32:45,990
years old I'll show you the other one

628
00:32:42,920 --> 00:32:49,710
two months after the atomic bomb blast a

629
00:32:45,990 --> 00:32:52,500
hundred kilometers from Trinity site two

630
00:32:49,710 --> 00:32:55,470
little boys were on their horses there

631
00:32:52,500 --> 00:32:57,058
two little Mexican boys their father had

632
00:32:55,470 --> 00:33:00,769
told them to go out for a look

633
00:32:57,058 --> 00:33:06,569
for a call that was calving and they saw

634
00:33:00,769 --> 00:33:09,538
they witnessed a UFO come in take out a

635
00:33:06,569 --> 00:33:13,730
radar tower do a half a mile trench and

636
00:33:09,538 --> 00:33:17,190
stop they were seven and nine years old

637
00:33:13,730 --> 00:33:22,769
Jose Padilla was nine years old he is

638
00:33:17,190 --> 00:33:26,249
now 74 years old and he this is the area

639
00:33:22,769 --> 00:33:29,220
it's San Antonio New Mexico now it's New

640
00:33:26,249 --> 00:33:32,100
Mexico remember New Mexico is

641
00:33:29,220 --> 00:33:36,210
interesting as far as a place I think

642
00:33:32,099 --> 00:33:40,378
that one of the presentations it was

643
00:33:36,210 --> 00:33:43,139
Frederick who showed you that Burt Rutan

644
00:33:40,378 --> 00:33:46,798
who makes composite airplanes and lured

645
00:33:43,138 --> 00:33:50,008
Branson or Richard Branson are starting

646
00:33:46,798 --> 00:33:51,749
a spaceport that means they have taken

647
00:33:50,009 --> 00:33:53,970
two hundred and fifty thousand dollars

648
00:33:51,749 --> 00:33:56,610
in tickets are sending people out into

649
00:33:53,970 --> 00:34:01,048
space and where is it in New Mexico

650
00:33:56,609 --> 00:34:03,359
about 50 miles from Roswell this is real

651
00:34:01,048 --> 00:34:06,690
that spaceport is built already and

652
00:34:03,359 --> 00:34:10,139
they're buying tickets so civilians will

653
00:34:06,690 --> 00:34:12,148
be going up into space and NASA will be

654
00:34:10,139 --> 00:34:15,470
closing down the shuttle program and it

655
00:34:12,148 --> 00:34:17,818
will go to civilians it will go to

656

00:34:15,469 --> 00:34:21,209
business it will not be anymore

657
00:34:17,818 --> 00:34:23,398
controlled so we cannot lie anymore when

658
00:34:21,210 --> 00:34:26,490
people are going into space and seeing

659
00:34:23,398 --> 00:34:29,309
this this will be not as much a secret

660
00:34:26,489 --> 00:34:32,789
going back to Trinity site the atomic

661
00:34:29,309 --> 00:34:34,918
bomb blast this is how I work William

662
00:34:32,789 --> 00:34:39,418
Brophy who came to me from Florida told

663
00:34:34,918 --> 00:34:41,039
me his father cleaned up a crash in San

664
00:34:39,418 --> 00:34:43,230
Antonio New Mexico there's William

665
00:34:41,039 --> 00:34:46,349
Brophy as a child his father was a pilot

666
00:34:43,230 --> 00:34:49,050
I get their documents so I had the

667
00:34:46,349 --> 00:34:50,179
documents there is San Antonio New

668
00:34:49,050 --> 00:34:53,940
Mexico

669
00:34:50,179 --> 00:34:55,980
San Antonio 30 miles up about 30 or 40

670
00:34:53,940 --> 00:34:59,010

miles from Trinity site where the atomic

671

00:34:55,980 --> 00:35:02,219

bomb went off this was the group that

672

00:34:59,010 --> 00:35:06,260

was dealing with the bomb they did not

673

00:35:02,219 --> 00:35:08,929

expect a crash so what we have

674

00:35:06,260 --> 00:35:12,440

Jose who was nine years old tells me

675

00:35:08,929 --> 00:35:14,659

there's rummy there they are today when

676

00:35:12,440 --> 00:35:19,369

he told me happened was they went up to

677

00:35:14,659 --> 00:35:22,159

the craft though the ground was burning

678

00:35:19,369 --> 00:35:24,650

because there was a fire when the craft

679

00:35:22,159 --> 00:35:28,449

came in a piece of the craft broke off

680

00:35:24,650 --> 00:35:30,710

and they saw three little creatures

681

00:35:28,449 --> 00:35:32,179

sliding back and forth now they're

682

00:35:30,710 --> 00:35:35,210

sliding they're not walking they're

683

00:35:32,179 --> 00:35:40,429

sliding back and forth and they heard a

684

00:35:35,210 --> 00:35:43,608

high-pitched noise like pain and so Jose

685
00:35:40,429 --> 00:35:46,969
wanted to help them and Remmy was REME

686
00:35:43,608 --> 00:35:49,309
the little one did not want to so he

687
00:35:46,969 --> 00:35:50,868
said he was very this is a rendition of

688
00:35:49,309 --> 00:35:54,380
what the craft looked like an avocado

689
00:35:50,869 --> 00:35:56,720
shaped craft there is Remy showing me

690
00:35:54,380 --> 00:36:00,280
the trench that is still there it's a

691
00:35:56,719 --> 00:36:05,089
big long half-mile trench that the UFO

692
00:36:00,280 --> 00:36:08,540
did this is the area in New Mexico

693
00:36:05,090 --> 00:36:11,119
he said the being slid back and forth in

694
00:36:08,539 --> 00:36:13,489
the ship and had big eyes insect eyes

695
00:36:11,119 --> 00:36:15,380
now there's seven and nine years old so

696
00:36:13,489 --> 00:36:18,108
the only thing they could think of to

697
00:36:15,380 --> 00:36:20,570
describe the beings were even though

698
00:36:18,108 --> 00:36:22,489
they were small with long arms he said

699
00:36:20,570 --> 00:36:27,950
they look like a cop on my show which is

700
00:36:22,489 --> 00:36:31,189
a mantis type being and and I'm asking

701
00:36:27,949 --> 00:36:33,799
him about the medals what happened he

702
00:36:31,190 --> 00:36:38,150
said this and this is very important the

703
00:36:33,800 --> 00:36:40,310
only place to eat for the scientists of

704
00:36:38,150 --> 00:36:43,608
the atomic bomb and that area was the

705
00:36:40,309 --> 00:36:47,179
owl barn cafe and he said that the

706
00:36:43,608 --> 00:36:48,440
soldiers that cleaned up the crash paint

707
00:36:47,179 --> 00:36:50,149
it up but they didn't know what they

708
00:36:48,440 --> 00:36:51,440
were doing because this is the first

709
00:36:50,150 --> 00:36:52,880
time that it happened so they were

710
00:36:51,440 --> 00:36:55,159
throwing pieces in a whole

711
00:36:52,880 --> 00:36:57,920
they threw some of the pieces in a hole

712
00:36:55,159 --> 00:37:00,949
so they wouldn't have to carry them then

713

00:36:57,920 --> 00:37:03,769
they put the craft on a flatbed truck on

714
00:37:00,949 --> 00:37:07,608
a truck they put the UFO on the truck

715
00:37:03,769 --> 00:37:09,710
and they went here and and you know

716
00:37:07,608 --> 00:37:12,739
Remmy knows the people that owned this

717
00:37:09,710 --> 00:37:15,050
he lived there he was he worked there

718
00:37:12,739 --> 00:37:18,439
as when he was a teenager he said

719
00:37:15,050 --> 00:37:19,280
Oppenheimer Oppenheimer went there to

720
00:37:18,440 --> 00:37:23,690
have coffee

721
00:37:19,280 --> 00:37:25,970
he said the soldiers went there and they

722
00:37:23,690 --> 00:37:29,240
covered the craft and they went to get

723
00:37:25,969 --> 00:37:32,299
something to drink and that is when nine

724
00:37:29,239 --> 00:37:34,099
year old Jose jumped on the truck went

725
00:37:32,300 --> 00:37:37,210
inside the craft and pulled the piece

726
00:37:34,099 --> 00:37:40,009
out he pulled it out with a cheater bar

727
00:37:37,210 --> 00:37:44,449

whitney bar that is the panel that he

728

00:37:40,010 --> 00:37:48,290

pulled it out there is the piece he has

729

00:37:44,449 --> 00:37:50,299

it in his home he has several pieces

730

00:37:48,289 --> 00:37:53,960

because the two little boys picked up

731

00:37:50,300 --> 00:37:57,070

pieces they hid them they put them under

732

00:37:53,960 --> 00:37:59,360

the floor of the shepherders house

733

00:37:57,070 --> 00:38:01,970

there was a sheep herder there and they

734

00:37:59,360 --> 00:38:04,280

put them under the floor the army came

735

00:38:01,969 --> 00:38:06,289

and said did the boys pick up anything

736

00:38:04,280 --> 00:38:09,170

did the boys hide anything and they said

737

00:38:06,289 --> 00:38:11,900

no they didn't hide anything these

738

00:38:09,170 --> 00:38:16,240

pieces have been analyzed at Los Alamos

739

00:38:11,900 --> 00:38:19,130

labs the these pieces are very

740

00:38:16,239 --> 00:38:22,608

interesting because they are just like

741

00:38:19,130 --> 00:38:24,410

what criminal course but Colonel Corso

742
00:38:22,608 --> 00:38:28,190
wrote in his book the day after Roswell

743
00:38:24,409 --> 00:38:30,889
he says there are then two inch mat

744
00:38:28,190 --> 00:38:34,789
oyster pieces that look like he says

745
00:38:30,889 --> 00:38:39,409
squashed insects they are integrated

746
00:38:34,789 --> 00:38:41,929
circuits he said that's the analysis

747
00:38:39,409 --> 00:38:44,690
with an electron microscope of the piece

748
00:38:41,929 --> 00:38:48,049
that Jose pulled out of the craft it

749
00:38:44,690 --> 00:38:51,108
does look like integrate it look doesn't

750
00:38:48,050 --> 00:38:53,470
look like insects bones so forth they

751
00:38:51,108 --> 00:38:57,940
have been analyzed they have the pieces

752
00:38:53,469 --> 00:39:00,469
these two boys they're not boys anymore

753
00:38:57,940 --> 00:39:01,820
told the story but it's very important

754
00:39:00,469 --> 00:39:05,929
that I tell you one thing I'm almost

755
00:39:01,820 --> 00:39:08,690
done he could not speak Remi is 72

756
00:39:05,929 --> 00:39:10,368
because his wife said I am Catholic I do

757
00:39:08,690 --> 00:39:14,179
not want you to speak it'll ruin my

758
00:39:10,369 --> 00:39:17,210
family please do not tell the world then

759
00:39:14,179 --> 00:39:21,399
something very strange happened about

760
00:39:17,210 --> 00:39:24,320
four years ago a UFO flew over his house

761
00:39:21,400 --> 00:39:27,590
the wife his wife looked

762
00:39:24,320 --> 00:39:30,800
and saw it it was big it flew over the

763
00:39:27,590 --> 00:39:33,500
house she began to cry and she said to

764
00:39:30,800 --> 00:39:35,539
her husband now you can talk I believe

765
00:39:33,500 --> 00:39:38,960
you but the reason why I tell you this

766
00:39:35,539 --> 00:39:41,630
is often it's the family or it's the

767
00:39:38,960 --> 00:39:44,750
wife or it's somebody in the family does

768
00:39:41,630 --> 00:39:47,780
that want them to talk and so the burden

769
00:39:44,750 --> 00:39:50,179
of truth is very bad it's very heavy for

770

00:39:47,780 --> 00:39:53,060
these people I have a new story

771
00:39:50,179 --> 00:39:55,129
uncovering and this started in Germany

772
00:39:53,059 --> 00:39:59,440
this is a very interesting story that

773
00:39:55,130 --> 00:40:03,650
man Robert Malone also was in charge of

774
00:39:59,440 --> 00:40:07,039
retract retrieval in New Mexico his wife

775
00:40:03,650 --> 00:40:10,639
who's 80 years old told me she was told

776
00:40:07,039 --> 00:40:13,969
by her husband about the crashes in New

777
00:40:10,639 --> 00:40:17,029
Mexico why New Mexico very interesting

778
00:40:13,969 --> 00:40:19,669
and I do that now one of the things that

779
00:40:17,030 --> 00:40:22,400
we have to understand in the whole UFO

780
00:40:19,670 --> 00:40:25,010
phenomenon is we have the elephant

781
00:40:22,400 --> 00:40:28,430
standing in the living room that means

782
00:40:25,010 --> 00:40:30,710
that it is here whatever is happening is

783
00:40:28,429 --> 00:40:33,980
here we need to look at it from all

784
00:40:30,710 --> 00:40:36,679

different angles it has to do with

785

00:40:33,980 --> 00:40:40,010

exotic technologies I know that from

786

00:40:36,679 --> 00:40:41,989

Colonel Philip Corso I also asked from

787

00:40:40,010 --> 00:40:44,930

Ibaka I said how come we don't know

788

00:40:41,989 --> 00:40:46,639

about your case he said my case is in

789

00:40:44,929 --> 00:40:49,579

the files of the Atomic Energy

790

00:40:46,639 --> 00:40:51,859

Commission it is not in the files of the

791

00:40:49,579 --> 00:40:56,539

Air Force so the Atomic Energy

792

00:40:51,860 --> 00:40:59,599

Commission knew about the 1945 22 years

793

00:40:56,539 --> 00:41:03,079

before Roswell case I think that we need

794

00:40:59,599 --> 00:41:04,940

to look at this I think that we need to

795

00:41:03,079 --> 00:41:08,210

look at the back engineering that was

796

00:41:04,940 --> 00:41:10,700

done and I think Frederick did an

797

00:41:08,210 --> 00:41:13,730

excellent presentation of what the world

798

00:41:10,699 --> 00:41:17,329

could possibly be like if these

799

00:41:13,730 --> 00:41:21,440

technologies were released what can we

800

00:41:17,329 --> 00:41:24,769

do we can do many things and why should

801

00:41:21,440 --> 00:41:29,260

we study this as a teacher and a mother

802

00:41:24,769 --> 00:41:30,900

I say because we need to prepare an

803

00:41:29,260 --> 00:41:34,140

intelligent in

804

00:41:30,900 --> 00:41:37,079

formed future generation because we need

805

00:41:34,139 --> 00:41:41,639

to establish a new worldview about our

806

00:41:37,079 --> 00:41:44,480

universe we are not alone thank you very

807

00:41:41,639 --> 00:41:44,480

much for your attention
