

1
00:00:00,000 --> 00:00:04,679
I was really impressed by the fact that

2
00:00:02,370 --> 00:00:07,259
your husband went public with saying he

3
00:00:04,679 --> 00:00:09,989
actually saw a UFO and he touched him in

4
00:00:07,259 --> 00:00:12,210
his heart and something that people we

5
00:00:09,990 --> 00:00:18,480
were contacted look what this a similar

6
00:00:12,210 --> 00:00:19,920
experience can really understand no we

7
00:00:18,480 --> 00:00:22,320
haven't had that discussion actually

8
00:00:19,920 --> 00:00:24,840
Dennis didn't reveal that story that

9
00:00:22,320 --> 00:00:27,570
something happened 25 years ago with

10
00:00:24,839 --> 00:00:29,579
some friends that he was with and one of

11
00:00:27,570 --> 00:00:32,009
the friends actually wrote in her book

12
00:00:29,579 --> 00:00:34,738
about the experience so Dennis tried not

13
00:00:32,009 --> 00:00:36,600
to talk about it publicly because it was

14
00:00:34,738 --> 00:00:39,419
something that he you know just decided

15
00:00:36,600 --> 00:00:41,579
to to stay off of and UFO is

16
00:00:39,420 --> 00:00:43,140
unidentified flying objects so it could

17
00:00:41,579 --> 00:00:43,859
be an alien craft or it could be

18
00:00:43,140 --> 00:00:46,710
something else

19
00:00:43,859 --> 00:00:48,780
so wait sir okay so I I understand that

20
00:00:46,710 --> 00:00:50,160
we that we have to that for political

21
00:00:48,780 --> 00:00:55,859
reasons we have to speak hypothetically

22
00:00:50,159 --> 00:01:00,750
of this you know I agree with you but as

23
00:00:55,859 --> 00:01:02,219
far as I'm informed Daniel Sheehan was

24
00:01:00,750 --> 00:01:07,140
a legal advisor for the disclosure

25
00:01:02,219 --> 00:01:10,129
project people who want hearings but you

26
00:01:07,140 --> 00:01:12,420
know I think Ronald Reagan and President

27
00:01:10,129 --> 00:01:14,640
Carter I think both of them said that

28
00:01:12,420 --> 00:01:16,409
they saw UFOs I think it's a very

29

00:01:14,640 --> 00:01:19,109
arrogant position for the human race to

30
00:01:16,409 --> 00:01:21,239
think that if the multitude of planets

31
00:01:19,109 --> 00:01:23,400
and stars that are out there that we

32
00:01:21,239 --> 00:01:26,339
should be the only place on earth that

33
00:01:23,400 --> 00:01:27,570
has life well then we are the only place

34
00:01:26,340 --> 00:01:30,180
on earth that has life or the only place

35
00:01:27,569 --> 00:01:34,889
in the universe so do you think that

36
00:01:30,180 --> 00:01:37,259
that we will ever still experience the

37
00:01:34,890 --> 00:01:41,069
moment when the government's officially

38
00:01:37,259 --> 00:01:44,189
disclose the truth I don't know you know

39
00:01:41,069 --> 00:01:46,589
my my my understanding of that is that I

40
00:01:44,189 --> 00:01:48,780
don't need the world to believe or to

41
00:01:46,590 --> 00:01:50,549
disbelieve in in aliens it's just not

42
00:01:48,780 --> 00:01:52,379
even anything that I couldn't that I

43
00:01:50,549 --> 00:01:54,299

worry about think about or anything

44

00:01:52,379 --> 00:01:56,759

I would suggest though that if

45

00:01:54,299 --> 00:01:59,219

governments did start to understand or

46

00:01:56,759 --> 00:02:01,109

want to make public that there may be

47

00:01:59,219 --> 00:02:03,359

extraterrestrial life or if they have

48

00:02:01,109 --> 00:02:05,310

evidence to show the evidence I have a

49

00:02:03,359 --> 00:02:07,920

cynical mind that it would be used

50

00:02:05,310 --> 00:02:10,560

actually to as a means to weaponize

51

00:02:07,920 --> 00:02:12,569

space to create more fear to create more

52

00:02:10,560 --> 00:02:14,789

control through government control as

53

00:02:12,569 --> 00:02:16,620

opposed to liberating the human

54

00:02:14,789 --> 00:02:18,298

experience in understanding that there

55

00:02:16,620 --> 00:02:20,759

is life elsewhere do you see I I think

56

00:02:18,299 --> 00:02:22,680

that it would be used negatively so that

57

00:02:20,759 --> 00:02:26,149

I keep it out of my consciousness in it

58

00:02:22,680 --> 00:02:26,150

it doesn't matter to me either way
