in the world is this what is this is it

17
00:01:49,269 --> 00:01:54,759
what you see here is the the sketch of

18
00:01:52,420 --> 00:01:59,409
an official police report from great

19
00:01:54,760 --> 00:02:03,310
britain which was drawn by two police

20
00:01:59,409 --> 00:02:07,390
constables police constable 657 and

21
00:02:03,310 --> 00:02:10,810
police constable 541 who watched this

22
00:02:07,390 --> 00:02:15,759
object through binoculars on april

23
00:02:10,810 --> 00:02:19,259
twenty six nineteen eighty-four what you

24
00:02:15,759 --> 00:02:23,109
should understand is that it is a

25
00:02:19,259 --> 00:02:26,229
planetary phenomenon that means it's not

26
00:02:23,110 --> 00:02:28,570
a United States phenomenon it is not a

27
00:02:26,229 --> 00:02:32,078
Portuguese phenomenon Italian phenomena

28
00:02:28,569 --> 00:02:37,629
or Japanese or Chinese it is planetary

29

00:02:32,079 --> 00:02:40,840
and every country is studying this every

30
00:02:37,629 --> 00:02:45,039
country this subject matter is

31
00:02:40,840 --> 00:02:47,759
classified higher top secret than the

32
00:02:45,039 --> 00:02:47,759
atomic bomb

33
00:02:48,740 --> 00:02:54,260
I thought what can I do something with a

34
00:02:50,930 --> 00:02:56,599
British angle and I wanted to cover

35
00:02:54,259 --> 00:02:58,250
something that the UK has been well

36
00:02:56,599 --> 00:03:01,759
known for recently and that's the

37
00:02:58,250 --> 00:03:04,909
release of military files and national

38
00:03:01,759 --> 00:03:06,349
archive files and the you the UK has got

39
00:03:04,909 --> 00:03:08,900
quite a reputation for this at the

40
00:03:06,349 --> 00:03:11,870
moment the fact that it's got this stage

41
00:03:08,900 --> 00:03:13,460
release a very slow release of hundreds

42
00:03:11,870 --> 00:03:16,159
of thousands literally hundreds of

43
00:03:13,460 --> 00:03:18,710

thousands of pages of data of sightings

44

00:03:16,159 --> 00:03:23,659
that both military and civilian

45

00:03:18,710 --> 00:03:25,820
personnel have put through I don't claim

46

00:03:23,659 --> 00:03:28,400
to know that for example the Rendlesham

47

00:03:25,819 --> 00:03:30,319
forest incident or the the Phoenix

48

00:03:28,400 --> 00:03:33,379
lights incident that that was actually

49

00:03:30,319 --> 00:03:35,810
easy is coming to visit planet Earth I

50

00:03:33,379 --> 00:03:38,479
don't know who was in that craft but

51

00:03:35,810 --> 00:03:40,520
this the case is strong enough to at

52

00:03:38,479 --> 00:03:42,619
least we can draw the conclusion that

53

00:03:40,520 --> 00:03:45,320
there was an extremely advanced

54

00:03:42,620 --> 00:03:49,849
technology involved here and the obvious

55

00:03:45,319 --> 00:03:52,299
question is who owns that technology I

56

00:03:49,849 --> 00:03:54,650
was hired by the Peruvian government in

57

00:03:52,300 --> 00:03:58,160
1991 to research about non-traditional

58
00:03:54,650 --> 00:04:00,860
tourism yes the government pay me to

59
00:03:58,159 --> 00:04:04,009
research about non-traditional tourism

60
00:04:00,860 --> 00:04:07,160
in other word mystical tourism esoteric

61
00:04:04,009 --> 00:04:09,919
tourism for one year and a half so I was

62
00:04:07,159 --> 00:04:12,829
paid to travel the coast of Peru the

63
00:04:09,919 --> 00:04:14,919
highlands and the Amazon basin and have

64
00:04:12,830 --> 00:04:18,230
these encounters with real shannon's

65
00:04:14,919 --> 00:04:20,689
visiting hot spots uniformed our places

66
00:04:18,230 --> 00:04:22,640
and even have contact with two guides

67
00:04:20,689 --> 00:04:25,759
and other researchers to know and have

68
00:04:22,639 --> 00:04:27,639
real-life experience one thing is theory

69
00:04:25,759 --> 00:04:32,689
which is good the other thing is

70
00:04:27,639 --> 00:04:34,849
experience remember that the word we

71
00:04:32,689 --> 00:04:37,959
have is the world we project with our

72
00:04:34,850 --> 00:04:41,710
minds I don't know if you know that but

73
00:04:37,959 --> 00:04:44,000
we are responsible for the world we have

74
00:04:41,709 --> 00:04:46,549
governments are not the responsible so

75
00:04:44,000 --> 00:04:48,670
for the for the world we have we are the

76
00:04:46,550 --> 00:04:52,939
responsibles because every day we

77
00:04:48,670 --> 00:04:56,560
perpetuate that reality so we can be

78
00:04:52,939 --> 00:05:00,139
human spiritual beings perpetuating and

79
00:04:56,560 --> 00:05:01,839
slave and society or we can start being

80
00:05:00,139 --> 00:05:04,569
human spiritual beings

81
00:05:01,839 --> 00:05:08,668
transforming these reality it all

82
00:05:04,569 --> 00:05:08,668
depends if we become responsible

83
00:05:18,910 --> 00:05:20,970
you
