

1
00:00:23,149 --> 00:00:34,129
at the beginning I would like to say a

2
00:00:26,160 --> 00:00:37,320
few words for our member of our country

3
00:00:34,130 --> 00:00:40,790
that we cannot doubt that our country

4
00:00:37,320 --> 00:00:43,250
was several times visited by

5
00:00:40,789 --> 00:00:48,769
extraterrestrials civilization

6
00:00:43,250 --> 00:00:53,820
unfortunately our information going to

7
00:00:48,770 --> 00:00:57,390
going through into recorders reporters

8
00:00:53,820 --> 00:01:09,810
and journalists and they do not report

9
00:00:57,390 --> 00:01:16,519
it as it's going to be our if influenced

10
00:01:09,810 --> 00:01:19,740
by media it's accepting very badly

11
00:01:16,519 --> 00:01:22,228
possibility of existence of

12
00:01:19,739 --> 00:01:27,329
extraterrestrials on the planet Earth

13
00:01:22,228 --> 00:01:29,700
and that's why in the media the term

14
00:01:27,329 --> 00:01:35,099
conspiracy all theory became very

15
00:01:29,700 --> 00:01:38,219
popular which is actually which means

16
00:01:35,099 --> 00:01:43,639
that it is for everything which we

17
00:01:38,219 --> 00:01:43,640
cannot actually prove or which we doubt

18
00:01:45,349 --> 00:01:53,179
because this Congress is about

19
00:01:50,269 --> 00:01:58,618
extraterrestrials and UFOs but also

20
00:01:53,180 --> 00:02:01,950
about topic of Exopolitics about which

21
00:01:58,618 --> 00:02:06,290
our foreign guests will be talking about

22
00:02:01,950 --> 00:02:10,500
I would like to take this opportunity to

23
00:02:06,290 --> 00:02:13,159
introduce our to our listeners the topic

24
00:02:10,500 --> 00:02:19,128
topic of Exopolitics

25
00:02:13,159 --> 00:02:19,128
and I would like to mention briefly

26
00:02:19,219 --> 00:02:27,150
first I would like to say that we do not

27
00:02:23,039 --> 00:02:32,579
wait for the first contact because the

28
00:02:27,150 --> 00:02:36,750
first contact has already happened who

29

00:02:32,580 --> 00:02:39,180
is not used to be interested in the

30
00:02:36,750 --> 00:02:42,919
question of extraterrestrials it's such

31
00:02:39,180 --> 00:02:47,909
a specific specifics for Czech Republic

32
00:02:42,919 --> 00:02:50,780
as Czech people non believers they are

33
00:02:47,909 --> 00:02:52,500
not open to the topic of

34
00:02:50,780 --> 00:02:54,650
extraterrestrials and they do not

35
00:02:52,500 --> 00:02:57,870
believe in this and they laugh at this

36
00:02:54,650 --> 00:03:01,640
so that's why it is more difficult to do

37
00:02:57,870 --> 00:03:01,640
this in the Czech Republic

38
00:03:02,659 --> 00:03:09,840
then the Czech public which is not

39
00:03:05,909 --> 00:03:12,090
informed obey informed actually sticks

40
00:03:09,840 --> 00:03:14,848
to the wrong information which comes

41
00:03:12,090 --> 00:03:18,840
from the media and then we get we come

42
00:03:14,848 --> 00:03:23,909
closer to the term conspiracy theory

43
00:03:18,840 --> 00:03:27,840

what you can see right now night

44

00:03:23,909 --> 00:03:32,519

pictures in the Czech Republic which we

45

00:03:27,840 --> 00:03:38,120

received from various witnesses we get

46

00:03:32,519 --> 00:03:41,819

different reports photographs and

47

00:03:38,120 --> 00:03:44,250

actually they asked us to explain what

48

00:03:41,818 --> 00:03:52,399

is happening and what we can actually

49

00:03:44,250 --> 00:03:52,400

see on these pictures I got a question

50

00:03:54,469 --> 00:04:03,629

as I said in general and the política

51

00:04:00,299 --> 00:04:05,489

comes from the understanding of the

52

00:04:03,629 --> 00:04:07,949

matter that our planet has been visited

53

00:04:05,489 --> 00:04:11,480

many many times in a previous were in a

54

00:04:07,949 --> 00:04:13,168

previous life life by many extra

55

00:04:11,479 --> 00:04:15,949

extraterrestrials with various

56

00:04:13,169 --> 00:04:15,950

information

57

00:04:16,540 --> 00:04:23,780

extraterrestrials are a secret matter

58
00:04:20,290 --> 00:04:30,979
especially when it comes to politics

59
00:04:23,779 --> 00:04:32,899
politicians army ministers and on many

60
00:04:30,978 --> 00:04:37,758
occasions even presidents are not

61
00:04:32,899 --> 00:04:40,189
informed about this I think that the

62
00:04:37,759 --> 00:04:50,720
matter of UFO has the highest priority

63
00:04:40,189 --> 00:04:54,800
of secrecy I will make it easier now you

64
00:04:50,720 --> 00:04:57,889
can have a look at a daily sites and

65
00:04:54,800 --> 00:05:01,220
pictures of various objects as we have

66
00:04:57,889 --> 00:05:03,710
received those throughout the times as

67
00:05:01,220 --> 00:05:07,310
you can see the phenomena of observing

68
00:05:03,709 --> 00:05:10,989
UFO or unusual objects is actually

69
00:05:07,310 --> 00:05:10,990
happening in the Czech Republic as well

70
00:05:11,949 --> 00:05:18,020
I would like to say that we do not have

71
00:05:15,050 --> 00:05:25,970
a particular laboratory where we would

72
00:05:18,019 --> 00:05:29,529
be able to kind of touch each picture

73
00:05:25,970 --> 00:05:35,080
and say what it was what happened there

74
00:05:29,529 --> 00:05:35,079
or whether it was made in the photo shop

75
00:05:35,259 --> 00:05:46,519
this is one of the latest pictures of

76
00:05:41,889 --> 00:05:48,860
witnesses from the south and Bohemia who

77
00:05:46,519 --> 00:05:57,439
took a picture during the lunchtime of

78
00:05:48,860 --> 00:05:57,830
three objects I would like to come back

79
00:05:57,439 --> 00:06:01,728
to

80
00:05:57,829 --> 00:06:10,189
Exopolitics the basic thought of the

81
00:06:01,728 --> 00:06:15,759
Exopolitics is that UFO which observes

82
00:06:10,189 --> 00:06:18,500
is actually well no one in the world and

83
00:06:15,759 --> 00:06:23,120
the governments of the Czech Republic

84
00:06:18,500 --> 00:06:29,329
had actually meeting secret meetings

85
00:06:23,120 --> 00:06:32,509
with extraterrestrials certain the

86

00:06:29,329 --> 00:06:34,759
secret infrastructure is dealing about

87
00:06:32,509 --> 00:06:40,279
technologies and information which come

88
00:06:34,759 --> 00:06:46,099
from extraterrestrial sources I also

89
00:06:40,279 --> 00:06:53,709
added a few snapshots where you can see

90
00:06:46,100 --> 00:06:53,710
that UFO are followed interviewed by

91
00:06:55,839 --> 00:07:04,459
biplanes and you can see that these

92
00:07:01,000 --> 00:07:09,889
lectures are actually possible I will

93
00:07:04,459 --> 00:07:14,959
come back to Exopolitics as I said

94
00:07:09,889 --> 00:07:17,089
earlier it is a proof it's a science

95
00:07:14,959 --> 00:07:26,299
which would like to prove the existence

96
00:07:17,089 --> 00:07:28,969
of extraterrestrials also we would like

97
00:07:26,300 --> 00:07:31,939
to have our public informed in these

98
00:07:28,970 --> 00:07:38,169
questions and the other aspects of

99
00:07:31,939 --> 00:07:44,589
Exopolitics is the presentation of

100
00:07:38,168 --> 00:07:51,680

political political experts suppose that

101

00:07:44,589 --> 00:07:59,899

there are certain races which is the

102

00:07:51,680 --> 00:08:02,300

loss a public I don't mean exactly here

103

00:07:59,899 --> 00:08:04,099

in the Czech Republic but also yes we'd

104

00:08:02,300 --> 00:08:09,610

have to deal with this topic in the

105

00:08:04,100 --> 00:08:09,610

Czech Republic our optimal aim would be

106

00:08:10,839 --> 00:08:16,819

get into contact with diplomatic

107

00:08:14,600 --> 00:08:18,770

relations with extraterrestrials on our

108

00:08:16,819 --> 00:08:21,709

planet Earth this is our check

109

00:08:18,769 --> 00:08:23,779

Exopolitics group in the Czech Republic

110

00:08:21,709 --> 00:08:27,139

and our common photography

111

00:08:23,779 --> 00:08:28,609

example it economist and I said earlier

112

00:08:27,139 --> 00:08:33,288

that I would like to introduce

113

00:08:28,610 --> 00:08:35,479

Exopolitics very briefly because our

114

00:08:33,288 --> 00:08:37,759

guests will be talking about this in

115
00:08:35,479 --> 00:08:40,940
depth in detail I would like to leave

116
00:08:37,759 --> 00:08:44,509
this topic and I would like to introduce

117
00:08:40,940 --> 00:08:46,730
you the Czech project owner initially

118
00:08:44,509 --> 00:08:54,429
maybe some of you already heard about

119
00:08:46,730 --> 00:08:58,399
this I have chosen this picture very

120
00:08:54,429 --> 00:09:02,239
consciously so you can imagine very

121
00:08:58,399 --> 00:09:04,449
clearly what is the purpose of a project

122
00:09:02,240 --> 00:09:04,450
alpha

123
00:09:04,870 --> 00:09:13,750
it's a project which is dealing with the

124
00:09:09,350 --> 00:09:18,560
research into UFO and into contactees

125
00:09:13,750 --> 00:09:22,909
into contactees in the Czech Republic it

126
00:09:18,559 --> 00:09:26,479
was founded approximately about 1215

127
00:09:22,909 --> 00:09:33,500
years ago when we started to notice that

128
00:09:26,480 --> 00:09:36,550
in the public there is a bigger and

129
00:09:33,500 --> 00:09:41,029
bigger amount of witnesses who share

130
00:09:36,549 --> 00:09:45,289
their experiences with us with UFO we

131
00:09:41,029 --> 00:09:50,769
started to go further and further this

132
00:09:45,289 --> 00:09:55,149
way and started to research this subject

133
00:09:50,769 --> 00:10:05,929
currently we have 85 cases of syndromes

134
00:09:55,149 --> 00:10:09,439
UFO abductees and contactees we in this

135
00:10:05,929 --> 00:10:14,000
project distinguish between two types of

136
00:10:09,440 --> 00:10:20,839
witnesses these are abductees and then

137
00:10:14,000 --> 00:10:23,269
contactees when we specify who is

138
00:10:20,839 --> 00:10:28,310
abductee this is the person who is

139
00:10:23,269 --> 00:10:33,279
according to his or her will abducted by

140
00:10:28,309 --> 00:10:33,279
UFO and is being experimented on

141
00:10:33,399 --> 00:10:42,149
contactee is the person who has been

142
00:10:37,450 --> 00:10:46,390
somehow contacted by extraterrestrials

143

00:10:42,149 --> 00:10:54,309
it could be also abduction however in

144
00:10:46,389 --> 00:10:59,889
many cases it is mostly a contact i

145
00:10:54,309 --> 00:11:04,719
prepared several paintings of our

146
00:10:59,889 --> 00:11:16,269
witnesses how they actually imagined and

147
00:11:04,720 --> 00:11:19,480
how they saw extraterrestrials now I

148
00:11:16,269 --> 00:11:22,929
would like to go over to the person who

149
00:11:19,480 --> 00:11:25,690
actually we're contacted Philemon and I

150
00:11:22,929 --> 00:11:30,669
would like to introduce two cases where

151
00:11:25,690 --> 00:11:35,560
people were contacted with so-called

152
00:11:30,669 --> 00:11:37,719
positive extraterrestrials I would like

153
00:11:35,559 --> 00:11:47,009
to introduce through the case of mrs.

154
00:11:37,720 --> 00:11:50,170
Daniel the story began in 2000 she

155
00:11:47,009 --> 00:11:55,809
traveled by train from Austin 11 to

156
00:11:50,169 --> 00:12:00,929
brown and somehow she happened to be in

157
00:11:55,809 --> 00:12:05,919

a limbo she says it wasn't asleep

158

00:12:00,929 --> 00:12:08,379

however she was beamed up sheeple we

159

00:12:05,919 --> 00:12:10,899

don't you the brothers man to the

160

00:12:08,379 --> 00:12:15,009

universe I would like to remind you it

161

00:12:10,899 --> 00:12:18,699

was a daytime experience suddenly she

162

00:12:15,009 --> 00:12:22,419

saw an object with two large windows and

163

00:12:18,700 --> 00:12:25,500

she says she wasn't scared at that time

164

00:12:22,419 --> 00:12:32,949

she describes two extraterrestrial

165

00:12:25,500 --> 00:12:35,110

people persons next to her these this

166

00:12:32,950 --> 00:12:39,490

persons were supposed to take her to the

167

00:12:35,110 --> 00:12:42,610

conference where she would meet many

168

00:12:39,490 --> 00:12:46,778

different various extraterrestrials

169

00:12:42,610 --> 00:12:50,709

and this witness says but these these

170

00:12:46,778 --> 00:12:52,778

two persons introduce themselves as I

171

00:12:50,708 --> 00:13:00,818

said on foot from Lyra and Nell splay

172
00:12:52,778 --> 00:13:04,448
out it describes a huge conference or

173
00:13:00,818 --> 00:13:07,958
meeting big arena where in the middle

174
00:13:04,448 --> 00:13:10,988
was a man standing where he actually

175
00:13:07,958 --> 00:13:15,008
opened his farm he saw a hologram of the

176
00:13:10,989 --> 00:13:19,110
planet Earth and she on that she saw a

177
00:13:15,009 --> 00:13:19,110
model situation of the end of the world

178
00:13:19,619 --> 00:13:26,678
she described that she was told that she

179
00:13:23,078 --> 00:13:31,178
is at the universal Confederation and

180
00:13:26,678 --> 00:13:35,230
that there is only 900 years remaining

181
00:13:31,178 --> 00:13:39,308
to the end of our planet Earth and she

182
00:13:35,230 --> 00:13:41,259
says that it was being decided what was

183
00:13:39,308 --> 00:13:44,110
actually going to happen with our planet

184
00:13:41,259 --> 00:13:49,269
Earth into the blue moon you can see

185
00:13:44,110 --> 00:13:52,928
here in more detail and actually the the

186
00:13:49,269 --> 00:13:55,360
representative of extraterrestrials also

187
00:13:52,928 --> 00:13:58,208
I would like to mention the case of mrs.

188
00:13:55,360 --> 00:14:01,259
Anna you see positive aspect also a

189
00:13:58,208 --> 00:14:05,828
positive aspect or positive encounter

190
00:14:01,259 --> 00:14:12,389
mrs. Anna many times had several

191
00:14:05,828 --> 00:14:19,378
experiences however however the basic

192
00:14:12,389 --> 00:14:25,659
breakpoint came in 2000 when some new

193
00:14:19,379 --> 00:14:29,438
kind of contact emerge during her

194
00:14:25,659 --> 00:14:31,928
meditation she happens to be in the

195
00:14:29,438 --> 00:14:40,238
dream where she is on the board of a

196
00:14:31,928 --> 00:14:42,600
ship with various weird engines there

197
00:14:40,239 --> 00:14:44,290
were also some beautiful

198
00:14:42,600 --> 00:14:47,840
extraterrestrials but they were much

199
00:14:44,289 --> 00:14:51,230
much more beautiful than we actually are

200

00:14:47,840 --> 00:14:54,290
was a man in a strange uniform and he

201
00:14:51,230 --> 00:14:59,990
introduced himself as L he mentioned he

202
00:14:54,289 --> 00:15:03,219
is from planet Venus this information of

203
00:14:59,990 --> 00:15:05,779
course creates a smile on the face

204
00:15:03,220 --> 00:15:10,879
because we doubt that life on Venus

205
00:15:05,779 --> 00:15:14,299
exists yes probably it is true however

206
00:15:10,879 --> 00:15:16,789
this is not the only contact who

207
00:15:14,299 --> 00:15:20,779
actually mentions that somebody was

208
00:15:16,789 --> 00:15:23,000
contacted from the planet Venus but how

209
00:15:20,779 --> 00:15:25,069
comes they are from planet Venus that

210
00:15:23,000 --> 00:15:27,769
nothing exists on planet Venus planet

211
00:15:25,070 --> 00:15:30,620
Venus apparently it's a different

212
00:15:27,769 --> 00:15:34,009
dimension which we cannot imagine and I

213
00:15:30,620 --> 00:15:37,360
cannot imagine myself either when I

214
00:15:34,009 --> 00:15:42,860

continue the communication in the way

215

00:15:37,360 --> 00:15:46,070

this person actually continues in a

216

00:15:42,860 --> 00:15:49,330

meditation meditational level and she

217

00:15:46,070 --> 00:15:54,460

describes her city next to the forest

218

00:15:49,330 --> 00:15:58,120

and which was surrounded by a bubble

219

00:15:54,460 --> 00:16:03,530

from the enemies it is a peaceful place

220

00:15:58,120 --> 00:16:09,320

and this person advises mrs. Anna how to

221

00:16:03,529 --> 00:16:12,559

live in the best way how to cure home

222

00:16:09,320 --> 00:16:15,140

animals and teaches spiritual meaning of

223

00:16:12,559 --> 00:16:19,399

colors and other things she describes

224

00:16:15,139 --> 00:16:22,909

that on her planet on that planet exists

225

00:16:19,399 --> 00:16:31,120

monogamous relationships and people have

226

00:16:22,909 --> 00:16:34,549

only two children apparently they are

227

00:16:31,120 --> 00:16:38,470

5000 years old they follow universal

228

00:16:34,549 --> 00:16:41,659

laws they do not go against the nature

229
00:16:38,470 --> 00:16:44,060
they say that we were implanted a gene

230
00:16:41,659 --> 00:16:45,980
we as a humanity were implanted a gene

231
00:16:44,059 --> 00:16:48,409
so that we cannot live that long

232
00:16:45,980 --> 00:16:50,899
according to this person we are very

233
00:16:48,409 --> 00:16:51,649
primitive however on the other side we

234
00:16:50,899 --> 00:16:53,959
are fascinated

235
00:16:51,649 --> 00:16:56,899
we are fascinating to them they are

236
00:16:53,960 --> 00:16:59,528
scared that we are as a civilization

237
00:16:56,899 --> 00:17:03,058
going back to animals because we do not

238
00:16:59,528 --> 00:17:07,390
use our conscious mind we do not create

239
00:17:03,058 --> 00:17:13,088
we do not bring beauty and not even a

240
00:17:07,390 --> 00:17:18,069
wisdom they also describe that our

241
00:17:13,088 --> 00:17:26,019
earthly technologies such as TV shoot

242
00:17:18,068 --> 00:17:29,230
make human value lower these were two

243
00:17:26,019 --> 00:17:32,889
examples of contactees of a positive

244
00:17:29,230 --> 00:17:38,200
outcome and this is paintings of the

245
00:17:32,890 --> 00:17:40,419
witness these are our papers our other

246
00:17:38,200 --> 00:17:45,808
paintings of the witnesses who describe

247
00:17:40,419 --> 00:17:49,210
various encounters and they were able to

248
00:17:45,808 --> 00:17:52,149
you draw all these so we have a

249
00:17:49,210 --> 00:17:58,179
collection we have a collection of these

250
00:17:52,150 --> 00:18:06,909
drawings now I would like to touch the

251
00:17:58,179 --> 00:18:09,669
topic of abductees because we cannot

252
00:18:06,909 --> 00:18:10,809
turn our heads away that from the fact

253
00:18:09,669 --> 00:18:14,880
that some people have negative

254
00:18:10,808 --> 00:18:21,879
experiences I would like to mention

255
00:18:14,880 --> 00:18:24,669
syndrome abduction by UFO there are

256
00:18:21,880 --> 00:18:27,399
certain syndromes of the topics which

257

00:18:24,669 --> 00:18:30,570
follow one by the other I understand the

258
00:18:27,398 --> 00:18:34,329
abduction by UFO are actually very good

259
00:18:30,569 --> 00:18:40,230
topic for many Siffin science fiction

260
00:18:34,329 --> 00:18:44,710
movies mainly it is the topic which is

261
00:18:40,230 --> 00:18:52,149
threatening which is not welcome and it

262
00:18:44,710 --> 00:18:54,669
is social taboo it is very important to

263
00:18:52,148 --> 00:18:58,719
remind that these witnesses actually do

264
00:18:54,669 --> 00:19:01,860
go through very strange experiences on

265
00:18:58,720 --> 00:19:06,000
the physical and psychological level

266
00:19:01,859 --> 00:19:10,769
this is research for us

267
00:19:06,000 --> 00:19:15,000
on the verge of accepted reality and I

268
00:19:10,769 --> 00:19:19,440
can explain to you only this syndrome

269
00:19:15,000 --> 00:19:23,720
from the point of researcher not the

270
00:19:19,440 --> 00:19:28,920
scientist because as we heard earlier

271
00:19:23,720 --> 00:19:30,480

Rosie this the scientists the life

272

00:19:28,920 --> 00:19:36,750

scientists put their hands away from

273

00:19:30,480 --> 00:19:39,750

such a topic this syndrome is very large

274

00:19:36,750 --> 00:19:45,569

phenomena which touches all spheres of

275

00:19:39,750 --> 00:19:50,839

our human society and influences all the

276

00:19:45,569 --> 00:19:50,839

levels of our society and very briefly

277

00:19:50,869 --> 00:20:03,089

the contents of these topics are dreams

278

00:19:58,009 --> 00:20:07,549

then the visitor is in the bedroom then

279

00:20:03,089 --> 00:20:11,959

we see elements of lights afterwards

280

00:20:07,549 --> 00:20:15,349

big people can be frozen then tell

281

00:20:11,960 --> 00:20:21,720

telepathic communication then

282

00:20:15,349 --> 00:20:26,849

teleportation as well as some kind of

283

00:20:21,720 --> 00:20:31,890

firm communication on the ship also

284

00:20:26,849 --> 00:20:35,009

interest in human reproduction organs as

285

00:20:31,890 --> 00:20:39,810

well as witnesses on these ships are

286
00:20:35,009 --> 00:20:42,589
introduced to hemorrhage children they

287
00:20:39,809 --> 00:20:48,359
are introduced to amino on technologies

288
00:20:42,589 --> 00:20:52,049
and then very often they are taken back

289
00:20:48,359 --> 00:20:57,839
to their original place very often they

290
00:20:52,049 --> 00:21:03,329
have some kind of cover memory and they

291
00:20:57,839 --> 00:21:05,119
have implantation or physical traces on

292
00:21:03,329 --> 00:21:07,369
the bodies

293
00:21:05,119 --> 00:21:10,399
he seems you should keep those in Rome

294
00:21:07,369 --> 00:21:17,239
and I think by these syndromes many

295
00:21:10,400 --> 00:21:21,340
women suffer from but actually what is

296
00:21:17,240 --> 00:21:21,339
happening is that these experiences

297
00:21:23,410 --> 00:21:30,160
bring a good thing to these witnesses it

298
00:21:27,349 --> 00:21:33,949
it is regarding their psychological

299
00:21:30,160 --> 00:21:36,710
transformation again I have chosen a few

300
00:21:33,950 --> 00:21:39,769
drawings from the witnesses as you can

301
00:21:36,710 --> 00:21:44,920
see on this picture we can see children

302
00:21:39,769 --> 00:21:44,920
here these children have huge black eyes

303
00:21:47,049 --> 00:21:56,119
another witness painted other

304
00:21:53,960 --> 00:22:02,420
representative of extraterrestrials that

305
00:21:56,119 --> 00:22:06,139
she came in contact with another picture

306
00:22:02,420 --> 00:22:13,900
of the witnesses how they described the

307
00:22:06,140 --> 00:22:17,780
visitor in the bedroom okay

308
00:22:13,900 --> 00:22:28,900
the witnesses also draw various

309
00:22:17,779 --> 00:22:31,879
encounters for us with flying objects

310
00:22:28,900 --> 00:22:35,540
when I spoke about the case of mrs.

311
00:22:31,880 --> 00:22:39,830
Diana this is the universal

312
00:22:35,539 --> 00:22:42,170
Confederation how they were able to put

313
00:22:39,829 --> 00:22:46,339
it on a paper so it is not only a

314

00:22:42,170 --> 00:22:50,990
statement of one person but actually a

315
00:22:46,339 --> 00:22:53,569
statement of many more witnesses we come

316
00:22:50,990 --> 00:22:58,789
to the question how do we recognize the

317
00:22:53,569 --> 00:23:02,329
real abductee very often this person is

318
00:22:58,789 --> 00:23:04,428
in a really bad psychological state he

319
00:23:02,329 --> 00:23:07,039
is worried that he people will be

320
00:23:04,429 --> 00:23:09,320
laughing at him or her that he is

321
00:23:07,039 --> 00:23:13,190
worried that he or she is not normal

322
00:23:09,319 --> 00:23:15,769
and in many cases he is hesitant to

323
00:23:13,190 --> 00:23:18,129
visit specialist doctors such as

324
00:23:15,769 --> 00:23:21,440
psychiatrist

325
00:23:18,128 --> 00:23:24,969
it doesn't believe and doesn't want to

326
00:23:21,440 --> 00:23:27,889
be materialized doesn't want to share

327
00:23:24,970 --> 00:23:31,069
experiences in the media or even with

328
00:23:27,888 --> 00:23:35,658

the family members the researcher is

329

00:23:31,069 --> 00:23:39,769

very in very difficult way fine tries to

330

00:23:35,659 --> 00:23:46,749

find out what was the experience like I

331

00:23:39,769 --> 00:23:46,749

prepared several places here one case

332

00:23:48,308 --> 00:24:01,490

the witness called the venom aren't with

333

00:23:54,499 --> 00:24:03,679

the comp and weird when the witness was

334

00:24:01,490 --> 00:24:07,638

five years old and he was a small boy

335

00:24:03,679 --> 00:24:10,999

when he was put put Tibet then he was

336

00:24:07,638 --> 00:24:14,298

alone in his room he felt some kind of

337

00:24:10,999 --> 00:24:21,528

touches on his head and very often he

338

00:24:14,298 --> 00:24:26,359

sees he saw the body of a woman she had

339

00:24:21,528 --> 00:24:28,940

very cold face you know the boy felt the

340

00:24:26,359 --> 00:24:31,008

feeling of being paralyzed he was not

341

00:24:28,940 --> 00:24:36,259

able to talk he was unable to say

342

00:24:31,009 --> 00:24:39,558

anything at all and this figure somehow

343
00:24:36,259 --> 00:24:41,360
did something on his head with some kind

344
00:24:39,558 --> 00:24:47,298
of a thing something which was like a

345
00:24:41,359 --> 00:24:48,740
comma so this this case actually

346
00:24:47,298 --> 00:24:51,200
happened a few times that's why the

347
00:24:48,740 --> 00:24:52,909
witness remembers it really well when

348
00:24:51,200 --> 00:24:58,149
the window when the witness was seven

349
00:24:52,909 --> 00:25:00,559
years old during three years new

350
00:24:58,148 --> 00:25:04,969
experiences were happening

351
00:25:00,558 --> 00:25:08,960
some kind of weird - weird men we're

352
00:25:04,970 --> 00:25:12,889
watching this boy one of the men was

353
00:25:08,960 --> 00:25:15,860
talking however the small boy didn't

354
00:25:12,888 --> 00:25:19,428
understand what he was being told Cooper

355
00:25:15,859 --> 00:25:23,949
Bonneville and these men were coming

356
00:25:19,429 --> 00:25:28,710
even when the boy moved to another city

357
00:25:23,950 --> 00:25:31,048
he describes them as people with very

358
00:25:28,710 --> 00:25:34,200
white skin black hair and a weird

359
00:25:31,048 --> 00:25:39,690
clothing this was one of the case from

360
00:25:34,200 --> 00:25:41,909
our date database from Alpha now I would

361
00:25:39,690 --> 00:25:49,080
like to talk about something which is

362
00:25:41,909 --> 00:25:54,149
more rough happen also in the bedroom of

363
00:25:49,079 --> 00:25:55,918
our witness this experience actually was

364
00:25:54,148 --> 00:26:00,778
an experience of the mother and the

365
00:25:55,919 --> 00:26:03,750
daughter the daughter was 16 years old

366
00:26:00,778 --> 00:26:08,669
and she was already afraid to fall

367
00:26:03,750 --> 00:26:13,429
asleep because she said during the night

368
00:26:08,669 --> 00:26:13,429
she was being paralyzed by somebody

369
00:26:13,548 --> 00:26:18,960
there very often the daughter was

370
00:26:16,048 --> 00:26:22,408
sitting on the edge of bed with open

371

00:26:18,960 --> 00:26:30,000
eyes and she was somehow food and cooked

372
00:26:22,409 --> 00:26:31,830
and she was staring in front of her at

373
00:26:30,000 --> 00:26:34,440
the age of 16

374
00:26:31,829 --> 00:26:36,720
the daughter wakes up and she starts

375
00:26:34,440 --> 00:26:39,509
screaming that there are some people

376
00:26:36,720 --> 00:26:41,970
standing around her the mother comes to

377
00:26:39,509 --> 00:26:43,950
the room which is underlined but the

378
00:26:41,970 --> 00:26:46,259
daughter doesn't move at all she's

379
00:26:43,950 --> 00:26:49,890
paralyzed and she is staring into the

380
00:26:46,259 --> 00:26:54,058
space she cannot move in the morning she

381
00:26:49,890 --> 00:26:55,830
says she saw she saw three people in

382
00:26:54,058 --> 00:26:58,829
the room accordingly was Berlin

383
00:26:55,829 --> 00:27:02,548
according to the painting two stood next

384
00:26:58,829 --> 00:27:06,990
to her bed and one next to the bed of

385
00:27:02,548 --> 00:27:09,690

her mother in February 2011 also her

386

00:27:06,990 --> 00:27:12,470

mother goes through an experience she

387

00:27:09,690 --> 00:27:16,019

wakes up with the strange feeling that

388

00:27:12,470 --> 00:27:19,829

somebody sits on the top of her quilt

389

00:27:16,019 --> 00:27:24,480

and she cannot see this person she just

390

00:27:19,829 --> 00:27:29,509

feels the pressure of the lying body she

391

00:27:24,480 --> 00:27:35,278

cannot move she feels strange warmth

392

00:27:29,509 --> 00:27:38,119

maybe sexual contact you she feels it's

393

00:27:35,278 --> 00:27:38,119

stronger and stronger

394

00:27:38,980 --> 00:27:45,829

my job next to her her husband is

395

00:27:42,140 --> 00:27:48,230

sleeping who is sleeping very deeply

396

00:27:45,829 --> 00:27:53,240

enough you know he doesn't notice

397

00:27:48,230 --> 00:27:58,279

anything afterwards when the mother

398

00:27:53,240 --> 00:28:04,069

wakes up she finds bruises on her body

399

00:27:58,279 --> 00:28:06,500

which she cannot explain ignore I would

400
00:28:04,069 --> 00:28:10,639
also like to mention the pace of the

401
00:28:06,500 --> 00:28:12,559
weird crater next to the phone box when

402
00:28:10,640 --> 00:28:16,940
I was in Sydney come with me it happened

403
00:28:12,559 --> 00:28:19,879
few years ago it was sent to us by the

404
00:28:16,940 --> 00:28:23,509
witness from a central Bohemia who

405
00:28:19,880 --> 00:28:29,360
described very weird experience which

406
00:28:23,509 --> 00:28:39,609
started that day by unusual shifts of

407
00:28:29,359 --> 00:28:44,839
time and I'm explainable movements time

408
00:28:39,609 --> 00:28:47,990
going forward nevertheless he decided to

409
00:28:44,839 --> 00:28:51,980
go outside to the phone box and he

410
00:28:47,990 --> 00:28:55,299
decided to call his daughter and ask her

411
00:28:51,980 --> 00:28:55,299
when she will be arriving

412
00:28:55,599 --> 00:29:02,959
however in front of the phone box he

413
00:28:58,250 --> 00:29:05,779
needs strange person who was small and

414
00:29:02,960 --> 00:29:09,529
such such as the fainting about the rule

415
00:29:05,779 --> 00:29:12,259
and this person asks weird question

416
00:29:09,529 --> 00:29:14,539
Jimmy the Russian god what is this line

417
00:29:12,259 --> 00:29:16,910
here come to it what is this court who

418
00:29:14,539 --> 00:29:23,269
goes where does it lead to no my phone

419
00:29:16,910 --> 00:29:25,009
is booked on hold and points out at the

420
00:29:23,269 --> 00:29:28,549
phone give us what you know

421
00:29:25,009 --> 00:29:32,450
the witness is taken by surprise and

422
00:29:28,549 --> 00:29:36,000
doesn't know what to answer it surprised

423
00:29:32,450 --> 00:29:38,970
that this person doesn't know the phone

424
00:29:36,000 --> 00:29:42,059
and that starts explaining that this is

425
00:29:38,970 --> 00:29:45,509
the telephone however suddenly the

426
00:29:42,059 --> 00:29:48,539
person disappeared because the witness

427
00:29:45,509 --> 00:29:54,750
comes out of the phone box looks around

428

00:29:48,539 --> 00:29:56,909
and there is nobody the person things

429
00:29:54,750 --> 00:29:59,009
well he couldn't have disappeared I

430
00:29:56,910 --> 00:30:01,800
would have seen I would have seen him in

431
00:29:59,009 --> 00:30:09,869
the distance however the story continues

432
00:30:01,799 --> 00:30:13,289
the witness goes home to the cottage the

433
00:30:09,869 --> 00:30:15,419
person wakes up and sees a preacher in

434
00:30:13,289 --> 00:30:19,409
the room this creature has a strange

435
00:30:15,420 --> 00:30:23,910
helmet on the head Tom and these three

436
00:30:19,410 --> 00:30:28,800
minds a helmet of a diver it the person

437
00:30:23,910 --> 00:30:30,750
is very small the witness cannot move a

438
00:30:28,799 --> 00:30:32,909
witness wants to stand up but cannot

439
00:30:30,750 --> 00:30:35,700
stand up suddenly the whole scene

440
00:30:32,910 --> 00:30:40,830
disappears and the witness comes to the

441
00:30:35,700 --> 00:30:42,630
door and opens the doors because he

442
00:30:40,829 --> 00:30:45,569

gained very strange feeling that

443

00:30:42,630 --> 00:30:50,780
somebody is coming but it didn't

444

00:30:45,569 --> 00:30:53,309
actually the witness goes back to bed

445

00:30:50,779 --> 00:31:00,990
and falls asleep and the whole story

446

00:30:53,309 --> 00:31:03,869
ends up like that now I have prepared

447

00:31:00,990 --> 00:31:08,420
one more story for you which is

448

00:31:03,869 --> 00:31:10,679
controversial however I decided

449

00:31:08,420 --> 00:31:14,370
according to the positivity of the whole

450

00:31:10,680 --> 00:31:16,080
Congress that I am going to perhaps not

451

00:31:14,369 --> 00:31:21,869
mention it or perhaps mention it later

452

00:31:16,079 --> 00:31:27,839
on here you can see a few you can see we

453

00:31:21,869 --> 00:31:30,229
use of certain injuries of the witnesses

454

00:31:27,839 --> 00:31:32,730
who woke up after the weird encounter

455

00:31:30,230 --> 00:31:36,809
with your thoughts and they do not

456

00:31:32,730 --> 00:31:40,490
remember how these injuries actually

457
00:31:36,809 --> 00:31:44,970
happen to them these are authentic

458
00:31:40,490 --> 00:31:48,140
pictures and this is from our cases we

459
00:31:44,970 --> 00:31:48,140
didn't take it from the internet

460
00:31:48,569 --> 00:31:56,250
the left-hand side are you getting lovey

461
00:31:51,599 --> 00:31:59,579
you can see responded osteopontin me the

462
00:31:56,250 --> 00:32:02,970
picture of hit and at the bottom there

463
00:31:59,579 --> 00:32:05,490
is some kind of an object where bottom

464
00:32:02,970 --> 00:32:15,390
part of the head this is the same

465
00:32:05,490 --> 00:32:20,549
picture it was a woman will be visited

466
00:32:15,390 --> 00:32:22,530
in Moravia and who actually wanted to

467
00:32:20,549 --> 00:32:25,289
prove us that she has something in her

468
00:32:22,529 --> 00:32:28,379
head but she doesn't know how it got

469
00:32:25,289 --> 00:32:30,509
there she visited a doctor but the

470
00:32:28,380 --> 00:32:35,040
doctor didn't find an explanation for

471
00:32:30,509 --> 00:32:38,129
that we arrived and we we started to

472
00:32:35,039 --> 00:32:40,049
investigate the whole case you were very

473
00:32:38,130 --> 00:32:44,880
interesting was the point that the

474
00:32:40,049 --> 00:32:47,819
doctors tried to persuade us that it is

475
00:32:44,880 --> 00:32:50,400
some kind of anomaly which is about 10

476
00:32:47,819 --> 00:32:52,649
centimeters large and it is impossible

477
00:32:50,400 --> 00:32:53,580
that she has that in her head and was

478
00:32:52,650 --> 00:32:56,610
still living

479
00:32:53,579 --> 00:33:01,879
however this woman was healthy she

480
00:32:56,609 --> 00:33:04,649
didn't suffer from anything so later on

481
00:33:01,880 --> 00:33:09,050
unknown subject to start it to bend

482
00:33:04,650 --> 00:33:11,370
karate and started to become shorter

483
00:33:09,049 --> 00:33:15,119
afterwards she started to suffer from

484
00:33:11,369 --> 00:33:19,339
headaches and several problems after a

485

00:33:15,119 --> 00:33:19,339
few years this subject

486
00:33:19,640 --> 00:33:30,090
somehow self-contained itself and

487
00:33:23,099 --> 00:33:32,279
disappeared too without traces the

488
00:33:30,089 --> 00:33:39,389
doctors they didn't find any explanation

489
00:33:32,279 --> 00:33:45,420
for that they try to tell her that it's

490
00:33:39,390 --> 00:33:50,750
a cyst the picture very obviously showed

491
00:33:45,420 --> 00:33:50,750
that it was a metal subject become

492
00:33:53,069 --> 00:34:01,409
so you know if we were trying to explain

493
00:33:55,980 --> 00:34:03,929
what is the UFO abduction professional

494
00:34:01,410 --> 00:34:09,869
point of view or from the view of the

495
00:34:03,929 --> 00:34:13,349
scientists then because it is the

496
00:34:09,869 --> 00:34:16,858
explanation of professionals which comes

497
00:34:13,349 --> 00:34:18,929
and they say this is a sleeping

498
00:34:16,858 --> 00:34:21,840
paralysis which is an official

499
00:34:18,929 --> 00:34:22,648

explanation of the abduction by your

500

00:34:21,840 --> 00:34:29,450

phone

501

00:34:22,648 --> 00:34:33,509

perhaps it's also worldwide view but

502

00:34:29,449 --> 00:34:37,099

sleeping sleeping paralysis cannot

503

00:34:33,510 --> 00:34:42,619

explain why so many cases have common

504

00:34:37,099 --> 00:34:43,949

traces they remain very unique and very

505

00:34:42,619 --> 00:34:48,539

individual

506

00:34:43,949 --> 00:34:51,210

they it cannot explain the abductions of

507

00:34:48,539 --> 00:34:56,309

humans who were not sleeping at that

508

00:34:51,210 --> 00:35:00,769

time or who were not alone who were with

509

00:34:56,309 --> 00:35:05,730

other people or who were in the car or

510

00:35:00,769 --> 00:35:10,670

it was a daytime who had physical traces

511

00:35:05,730 --> 00:35:17,780

on their bodies or various imbalance or

512

00:35:10,670 --> 00:35:20,909

repeated experiences and that is why I

513

00:35:17,780 --> 00:35:25,019

think sleeping paralysis is a clear

514
00:35:20,909 --> 00:35:27,750
explanation cannot be taken seriously

515
00:35:25,019 --> 00:35:32,119
okay nobody's enough as it is

516
00:35:27,750 --> 00:35:33,420
being proposed by sexologist

517
00:35:32,119 --> 00:35:36,869
psychologists

518
00:35:33,420 --> 00:35:39,300
it's awesome because these are very sure

519
00:35:36,869 --> 00:35:42,269
about this phenomenon yongki when we

520
00:35:39,300 --> 00:35:45,330
have a look at other explanations

521
00:35:42,269 --> 00:35:49,858
alternative explanations what could be

522
00:35:45,329 --> 00:35:54,440
behind the abduction UFO abduction then

523
00:35:49,858 --> 00:35:57,078
we can speculate that this Center

524
00:35:54,440 --> 00:35:59,950
could be a part of some kind of

525
00:35:57,079 --> 00:36:02,900
agreements of extraterrestrial

526
00:35:59,949 --> 00:36:10,909
civilization with the government of the

527
00:36:02,900 --> 00:36:13,910
USA from 1954 the agreement which was

528
00:36:10,909 --> 00:36:16,818
not a which was not possible to trace

529
00:36:13,909 --> 00:36:24,199
and control anymore it could be genetic

530
00:36:16,818 --> 00:36:30,230
or project which was done on the human

531
00:36:24,199 --> 00:36:35,029
race syndrome also syndrome of UFO

532
00:36:30,230 --> 00:36:37,780
abduction it's not the main target of

533
00:36:35,030 --> 00:36:42,200
the research of a Czech scientific

534
00:36:37,780 --> 00:36:44,710
scientific Czech psychiatrist

535
00:36:42,199 --> 00:36:48,289
psychiatrist do not have any experience

536
00:36:44,710 --> 00:36:50,510
with this and they cannot be open they

537
00:36:48,289 --> 00:36:57,079
cannot view this phenomena with the open

538
00:36:50,510 --> 00:36:59,900
mind my friends now I will leave the

539
00:36:57,079 --> 00:37:01,490
topic of the project alpha and we'll

540
00:36:59,900 --> 00:37:07,700
have a look at this tomorrow

541
00:37:01,489 --> 00:37:12,729
it's very interesting Simona Schmid

542

00:37:07,699 --> 00:37:16,368
Obara that is our of colleague who also

543
00:37:12,730 --> 00:37:21,380
cooperates on our project alpha project

544
00:37:16,369 --> 00:37:26,289
of abductions believers and together we

545
00:37:21,380 --> 00:37:26,289
were a member of the UFO verb in Prague

546
00:37:28,358 --> 00:37:41,509
2009 of the creation of chick and so

547
00:37:32,300 --> 00:37:47,510
Exopolitics we left this UFO and Finnish

548
00:37:41,510 --> 00:37:49,760
media became individual researcher she

549
00:37:47,510 --> 00:37:53,630
does it on her own why do I speak about

550
00:37:49,760 --> 00:38:04,420
this because in their years of 2003 till

551
00:37:53,630 --> 00:38:06,760
2009 in 2009 yet I'm Camilla so Chomsky

552
00:38:04,420 --> 00:38:12,490
breakers are still when the when the

553
00:38:06,760 --> 00:38:17,019
author was a member of the project well

554
00:38:12,489 --> 00:38:20,578
the fact was discovered that a person

555
00:38:17,018 --> 00:38:25,568
came and he introduced himself as

556
00:38:20,579 --> 00:38:29,769

reporter of the of the news and he

557

00:38:25,568 --> 00:38:32,679

mentioned that the project sahaja works

558

00:38:29,768 --> 00:38:34,328

on some kind of project where even the

559

00:38:32,679 --> 00:38:38,618

members of Alpha are not very well

560

00:38:34,329 --> 00:38:43,359

informed and he passed her the documents

561

00:38:38,619 --> 00:38:47,890

which was a transcript of the project

562

00:38:43,358 --> 00:38:49,719

and this existence of this project about

563

00:38:47,889 --> 00:38:53,048

existence of this project Simona who

564

00:38:49,719 --> 00:38:58,419

didn't have a clue that was a letter an

565

00:38:53,048 --> 00:39:04,980

army man where a certain general of

566

00:38:58,420 --> 00:39:15,358

check social army mentioned about

567

00:39:04,980 --> 00:39:19,809

Russian soldiers who were chosen to be

568

00:39:15,358 --> 00:39:26,409

introduced to the topics of UFO the

569

00:39:19,809 --> 00:39:29,200

second document was media analysis of

570

00:39:26,409 --> 00:39:33,759

this letter a based on this experience

571
00:39:29,199 --> 00:39:40,230
for gum the author left project Sasha

572
00:39:33,759 --> 00:39:47,289
and she started to research project UFO

573
00:39:40,230 --> 00:39:50,500
and that was the main motif try to clear

574
00:39:47,289 --> 00:39:53,190
make clear and explain what actually

575
00:39:50,500 --> 00:39:58,900
happened and the result of the long term

576
00:39:53,190 --> 00:40:07,500
work she presented in the article which

577
00:39:58,900 --> 00:40:10,838
is called weirdo widows of Czech science

578
00:40:07,500 --> 00:40:14,079
which is possible to buy em in a

579
00:40:10,838 --> 00:40:17,199
transcript in the Czech language and

580
00:40:14,079 --> 00:40:21,849
this contains the copy of the secret

581
00:40:17,199 --> 00:40:26,230
of the project Santa and this news

582
00:40:21,849 --> 00:40:33,940
agents analysis in other cases the

583
00:40:26,230 --> 00:40:35,769
author shows how covers up certain

584
00:40:33,940 --> 00:40:38,530
information about your falls in the

585
00:40:35,769 --> 00:40:43,239
Czech Republic in her analysis

586
00:40:38,530 --> 00:40:45,760
she gives undoubtable evidence that the

587
00:40:43,239 --> 00:40:49,209
project was from the beginning a

588
00:40:45,760 --> 00:40:53,530
military project with coded coded sign

589
00:40:49,210 --> 00:40:56,500
data and she gives very specific names

590
00:40:53,530 --> 00:40:59,490
of soldiers who were involved in this

591
00:40:56,500 --> 00:41:01,650
project this text also consists

592
00:40:59,489 --> 00:41:05,469
documents of sergeant

593
00:41:01,650 --> 00:41:11,548
for example ending of unknown triangle

594
00:41:05,469 --> 00:41:14,048
triangle object in the fields in 1919

595
00:41:11,548 --> 00:41:23,530
and in these documents there is very

596
00:41:14,048 --> 00:41:26,849
interesting sentence which actually it's

597
00:41:23,530 --> 00:41:32,490
interesting it very lively in these

598
00:41:26,849 --> 00:41:36,160
projects but not publicly it says my

599

00:41:32,489 --> 00:41:40,959
relatives complex report after the

600
00:41:36,159 --> 00:41:43,920
consultation with his bosses about the

601
00:41:40,960 --> 00:41:53,980
allowance of uncovering of the

602
00:41:43,920 --> 00:41:57,639
information to the public the head of

603
00:41:53,980 --> 00:42:02,548
the project was a member of the secret

604
00:41:57,639 --> 00:42:09,308
services Estela and that was the person

605
00:42:02,548 --> 00:42:13,719
dedicated to the project of discovery of

606
00:42:09,309 --> 00:42:18,460
state secrets very interesting fallen on

607
00:42:13,719 --> 00:42:21,578
this is that Czech secret services is

608
00:42:18,460 --> 00:42:24,409
monitoring activities of UFO Club you

609
00:42:21,579 --> 00:42:27,600
know collects

610
00:42:24,409 --> 00:42:33,710
reports from the witnesses which she

611
00:42:27,599 --> 00:42:39,690
actually decides about and gives reports

612
00:42:33,710 --> 00:42:43,050
and analyzes itself and says that it is

613
00:42:39,690 --> 00:42:51,139

the open and friendly UFO group for

614

00:42:43,050 --> 00:42:53,550

everybody without contacting the claps

615

00:42:51,139 --> 00:42:57,509

if you are interested in this article

616

00:42:53,550 --> 00:43:02,400

you can find it also on our website and

617

00:42:57,510 --> 00:43:05,220

you can see the address here other

618

00:43:02,400 --> 00:43:13,610

details about this research of similar

619

00:43:05,219 --> 00:43:19,469

schmidhuber will be mentioned in albums

620

00:43:13,610 --> 00:43:23,099

presentation so I am coming to the end

621

00:43:19,469 --> 00:43:27,079

slowly I don't know how much time I have

622

00:43:23,099 --> 00:43:31,039

right now let me have a look at my watch

623

00:43:27,079 --> 00:43:31,039

I have 10 minutes left

624

00:43:33,679 --> 00:43:39,799

my conclusion was referred like this it

625

00:43:37,469 --> 00:43:49,639

was actually meant to be a joke

626

00:43:39,800 --> 00:43:55,530

however if you are interested I would

627

00:43:49,639 --> 00:43:58,230

very gladly go back to this case number

628
00:43:55,530 --> 00:44:03,200
4 which is very rough topic and I

629
00:43:58,230 --> 00:44:05,699
skipped through it however I would be

630
00:44:03,199 --> 00:44:09,829
happy if we mention only positive things

631
00:44:05,699 --> 00:44:14,009
but still I cannot just not mention it

632
00:44:09,829 --> 00:44:19,380
little bit I would like to mention that

633
00:44:14,010 --> 00:44:23,760
some women exists who would these

634
00:44:19,380 --> 00:44:28,490
phenomena have great difficulties of

635
00:44:23,760 --> 00:44:34,640
abduction that is

636
00:44:28,489 --> 00:44:38,578
regarding their femininity this case

637
00:44:34,639 --> 00:44:41,098
which happened several years ago and we

638
00:44:38,579 --> 00:44:42,810
also researched this case I would like

639
00:44:41,099 --> 00:44:50,460
to mention here very briefly

640
00:44:42,809 --> 00:44:54,239
it describes a witness the witness

641
00:44:50,460 --> 00:44:56,789
describes the reality that they have

642
00:44:54,239 --> 00:45:01,199
separate bedrooms with her husband and

643
00:44:56,789 --> 00:45:04,469
one day the husband wakes up with the

644
00:45:01,199 --> 00:45:08,730
weird feeling next door

645
00:45:04,469 --> 00:45:13,368
something is happening he woke up got up

646
00:45:08,730 --> 00:45:15,568
and he went to the other room but he

647
00:45:13,369 --> 00:45:21,150
stood in the middle of the door because

648
00:45:15,568 --> 00:45:28,679
he saw a white person this person sits

649
00:45:21,150 --> 00:45:32,160
on his life and this husband was taken

650
00:45:28,679 --> 00:45:35,159
by surprise and he got frozen he

651
00:45:32,159 --> 00:45:40,440
couldn't move at all and somehow he

652
00:45:35,159 --> 00:45:43,379
describes only a a white which

653
00:45:40,440 --> 00:45:56,599
was spreading around the room and

654
00:45:43,380 --> 00:46:00,690
suddenly this ranger this creature has

655
00:45:56,599 --> 00:46:07,950
self absorbed itself the husband was a

656

00:46:00,690 --> 00:46:12,858
skeptic he did not believe he was

657
00:46:07,949 --> 00:46:15,899
non-believer but this experience

658
00:46:12,858 --> 00:46:19,710
threatened him and shot him so much that

659
00:46:15,900 --> 00:46:23,460
he wanted to move to another city

660
00:46:19,710 --> 00:46:26,550
this witness describes that the visits

661
00:46:23,460 --> 00:46:28,619
of this creature actually happened again

662
00:46:26,550 --> 00:46:29,809
and again and suddenly she started to be

663
00:46:28,619 --> 00:46:34,260
pregnant

664
00:46:29,809 --> 00:46:37,019
the signs of pregnancy we're also

665
00:46:34,260 --> 00:46:40,500
programmed by the doctors in artists

666
00:46:37,018 --> 00:46:42,558
ultrasound and sono and all the tests

667
00:46:40,500 --> 00:46:47,460
were positive

668
00:46:42,559 --> 00:46:52,079
however the witness was not looking

669
00:46:47,460 --> 00:46:55,889
forward to a baby because she didn't

670
00:46:52,079 --> 00:46:58,640

know is she expecting the baby with

671

00:46:55,889 --> 00:47:03,710

because she didn't have an intimate

672

00:46:58,639 --> 00:47:03,710

contact with her husband and suddenly

673

00:47:06,199 --> 00:47:17,598

she fell pregnant she was confused from

674

00:47:13,588 --> 00:47:23,130

the whole situation and she decided to

675

00:47:17,599 --> 00:47:30,930

interact to this pregnancy when it was

676

00:47:23,130 --> 00:47:33,269

coming close to the interruption she

677

00:47:30,929 --> 00:47:39,078

suddenly started to feel worse and worse

678

00:47:33,268 --> 00:47:44,548

and the doctor who was called for stated

679

00:47:39,079 --> 00:47:46,829

the return of her menstruation cycle the

680

00:47:44,548 --> 00:47:49,349

woman was confused she was looking for

681

00:47:46,829 --> 00:47:53,818

explanation but nobody gave her

682

00:47:49,349 --> 00:48:00,568

explanations I really apologize I hope I

683

00:47:53,818 --> 00:48:04,889

didn't scare you too much I will reach

684

00:48:00,568 --> 00:48:10,980

I'll try to read a funny joke which I

685
00:48:04,889 --> 00:48:14,460
found in the American magazine it says

686
00:48:10,980 --> 00:48:18,059
my parents left to Roseville and all

687
00:48:14,460 --> 00:48:25,500
they brought back to me was this stupid

688
00:48:18,059 --> 00:48:27,360
t-shirt that I would like to end up my

689
00:48:25,500 --> 00:48:29,880
presentation

690
00:48:27,360 --> 00:48:32,309
however I still have five more minutes

691
00:48:29,880 --> 00:48:38,760
remaining so I would like to come back

692
00:48:32,309 --> 00:48:41,549
to yesterday's debate so I would like to

693
00:48:38,760 --> 00:48:44,460
mention something positive and not only

694
00:48:41,550 --> 00:48:48,630
stick to negative things I would like to

695
00:48:44,460 --> 00:48:53,389
say that I personally think that there

696
00:48:48,630 --> 00:48:57,289
humanities on a threshold of awakening

697
00:48:53,389 --> 00:49:00,739
some kind of a big transformation I

698
00:48:57,289 --> 00:49:03,750
don't know when exactly this will happen

699
00:49:00,739 --> 00:49:10,769
buddies I think it is already happening

700
00:49:03,750 --> 00:49:13,590
now by it's happening by us being here

701
00:49:10,769 --> 00:49:16,500
and talking about this listening to this

702
00:49:13,590 --> 00:49:21,000
and also trying to accept this

703
00:49:16,500 --> 00:49:23,550
information and I believe that if some

704
00:49:21,000 --> 00:49:26,550
kind of extraterrestrial contact was

705
00:49:23,550 --> 00:49:35,700
supposed to happen I think and I believe

706
00:49:26,550 --> 00:49:41,370
it will be in all positive and I do not

707
00:49:35,699 --> 00:49:47,089
share images of filmmakers especially

708
00:49:41,369 --> 00:49:50,339
from Hollywood who actually try to

709
00:49:47,090 --> 00:49:53,519
present us some kind of possible contact

710
00:49:50,340 --> 00:49:57,990
as some kind of a threat that we have to

711
00:49:53,519 --> 00:50:00,300
be prepared for so I do not share the

712
00:49:57,989 --> 00:50:01,439
same opinion and I would like that my

713

00:50:00,300 --> 00:50:06,720
last word would be

714
00:50:01,440 --> 00:50:11,420
I am hundred percent convinced that

715
00:50:06,719 --> 00:50:14,429
there are positive racists who exist and

716
00:50:11,420 --> 00:50:17,610
there are these races have certain plans

717
00:50:14,429 --> 00:50:20,789
with us good plans and that will be the

718
00:50:17,610 --> 00:50:22,849
outcome thank you for your attention

719
00:50:20,789 --> 00:50:22,849
you
