

1
00:00:00,000 --> 00:00:04,819
elf well-funded or del grupo paladin

2
00:00:02,399 --> 00:00:07,620
research group en los estados unidos y

3
00:00:04,819 --> 00:00:09,809
desde el principio Acadian pulsar que en

4
00:00:07,620 --> 00:00:12,780
el congreso not americano se toman

5
00:00:09,808 --> 00:00:14,399
declaraciones a los más importantes test

6
00:00:12,779 --> 00:00:16,739
egos of nyssa tenga en cuenta para poner

7
00:00:14,400 --> 00:00:19,528
a MRSA acciones políticas transparente

8
00:00:16,739 --> 00:00:21,299
ciertas obras equestrian su tema

9
00:00:19,528 --> 00:00:24,809
iniciativa alchemy initiative Adele

10
00:00:21,300 --> 00:00:26,339
paladin research group es una sativa muy

11
00:00:24,809 --> 00:00:28,979
curioso a que a lo mejor podriamos copy

12
00:00:26,339 --> 00:00:42,780
erika se llaman million facts to

13
00:00:28,980 --> 00:00:49,500
Washington to icon yes Senora since new

14
00:00:42,780 --> 00:00:52,590
rates buenos dias I must ask your pardon

15
00:00:49,500 --> 00:00:54,570
I do not have the privilege or the

16
00:00:52,590 --> 00:00:58,770
pleasure to speak your language so I

17
00:00:54,570 --> 00:01:02,250
must present today on in Glace let's

18
00:00:58,770 --> 00:01:05,400
begin powered on research group was

19
00:01:02,250 --> 00:01:08,549
formed in 1996 for the exclusive purpose

20
00:01:05,400 --> 00:01:11,280
of pursuing the advocacy of the UFO

21
00:01:08,549 --> 00:01:14,670
issue on a political basis to achieve a

22
00:01:11,280 --> 00:01:18,920
resolution of this at least fundamental

23
00:01:14,670 --> 00:01:21,390
resolution regarding this phenomena and

24
00:01:18,920 --> 00:01:24,618
it is it done and attempted to do this

25
00:01:21,390 --> 00:01:29,040
by all means possible for 13 years and

26
00:01:24,618 --> 00:01:32,868
the principal concept was one of mood of

27
00:01:29,040 --> 00:01:35,850
what I call normalization meaning this

28
00:01:32,868 --> 00:01:38,420
the UFO et phenomena is like any other

29

00:01:35,849 --> 00:01:42,539
issue and it should be treated that way

30
00:01:38,420 --> 00:01:45,719
environment nuclear proliferation and

31
00:01:42,540 --> 00:01:53,030
all the other affairs of states and

32
00:01:45,719 --> 00:01:56,158
people's so these other issues have

33
00:01:53,030 --> 00:01:58,739
lobbyists in Washington DC and so this

34
00:01:56,159 --> 00:02:00,450
issue should have a lobbyist in a 96

35
00:01:58,739 --> 00:02:01,769
paradigm research group registered with

36
00:02:00,450 --> 00:02:04,829
the Congress of the United States to

37
00:02:01,769 --> 00:02:07,379
lobby on the UFO ET issue and was the

38
00:02:04,828 --> 00:02:11,060
first to do so this issue should have a

39
00:02:07,379 --> 00:02:13,889
political action committee therefore in

40
00:02:11,060 --> 00:02:16,289
1999 created the

41
00:02:13,889 --> 00:02:18,659
political action committee x-pac to

42
00:02:16,289 --> 00:02:21,120
address the issue it should be discussed

43
00:02:18,659 --> 00:02:24,620

in the political campaigns particularly

44

00:02:21,120 --> 00:02:29,370

at the federal level for Congress so in

45

00:02:24,620 --> 00:02:33,259

1992-1995 yeah 1992 I was able to get on

46

00:02:29,370 --> 00:02:36,680

the ballot in the congressional election

47

00:02:33,259 --> 00:02:38,939

for the House of Representatives and

48

00:02:36,680 --> 00:02:41,129

debated the issue and brought it up in a

49

00:02:38,939 --> 00:02:43,439

context of that campaign with the other

50

00:02:41,129 --> 00:02:45,900

candidates the eventual winner was Chris

51

00:02:43,439 --> 00:02:50,340

Van Hollen and it should have a

52

00:02:45,900 --> 00:02:52,890

conference so in 2004 launched the ex

53

00:02:50,340 --> 00:02:55,610

conference which was the first to deal

54

00:02:52,889 --> 00:03:02,089

with the Euro felitti phenomena from a

55

00:02:55,610 --> 00:03:04,769

XO political perspective then in 2008

56

00:03:02,090 --> 00:03:07,110

created the Exopolitics united states

57

00:03:04,769 --> 00:03:12,000

network followed by the alexa politics

58
00:03:07,110 --> 00:03:14,670
world network goal here was simple this

59
00:03:12,000 --> 00:03:17,039
is a global issue and XO politics needs

60
00:03:14,669 --> 00:03:19,949
to spread and that was happening and so

61
00:03:17,039 --> 00:03:22,679
this was PR geez humble effort to help

62
00:03:19,949 --> 00:03:25,729
that process XO politics world network

63
00:03:22,680 --> 00:03:28,560
was a simple idea one site per country

64
00:03:25,729 --> 00:03:30,259
devoted Exopolitics Exopolitics pain

65
00:03:28,560 --> 00:03:33,870
Exopolitics france and so forth

66
00:03:30,259 --> 00:03:35,370
volunteer no funding for this and the

67
00:03:33,870 --> 00:03:39,450
question was who would step forward to

68
00:03:35,370 --> 00:03:42,900
run these sites didn't know went ahead

69
00:03:39,449 --> 00:03:45,659
and wow how wonderful the people that

70
00:03:42,900 --> 00:03:47,760
came forward to create these sites and

71
00:03:45,659 --> 00:03:50,579
advance the issue in their country or

72
00:03:47,759 --> 00:03:53,000
extraordinary starting not to let least

73
00:03:50,579 --> 00:03:55,500
with Pepin Hoover who of course as

74
00:03:53,000 --> 00:03:58,199
created and runs the Exopolitics pain

75
00:03:55,500 --> 00:04:00,329
website and then we have others here

76
00:03:58,199 --> 00:04:03,919
today who are representing other sites

77
00:04:00,329 --> 00:04:05,849
such as a John child ubach the pilot and

78
00:04:03,919 --> 00:04:09,359
important witness will be talking about

79
00:04:05,849 --> 00:04:12,449
later he is running sexual politics

80
00:04:09,360 --> 00:04:14,600
France and the Exopolitics United

81
00:04:12,449 --> 00:04:16,829
Kingdom side David Griffin he is here

82
00:04:14,599 --> 00:04:18,988
Exopolitics Germany Robert Fleischer is

83
00:04:16,829 --> 00:04:20,370
here in fact as again he did for the ex

84
00:04:18,988 --> 00:04:22,079
conference he's live streaming this

85
00:04:20,370 --> 00:04:23,939
conference to the internet right now and

86

00:04:22,079 --> 00:04:26,149
people around the world are watching us

87
00:04:23,939 --> 00:04:26,149
live

88
00:04:27,149 --> 00:04:36,609
pretty good and then we fed the Google

89
00:04:32,889 --> 00:04:39,550
is here Exopolitics Denmark and Willie

90
00:04:36,610 --> 00:04:41,730
Padua Exopolitics Finland he is here and

91
00:04:39,550 --> 00:04:46,990
I'm going to mention early a little bit

92
00:04:41,730 --> 00:04:49,629
early this new site I've met him for the

93
00:04:46,990 --> 00:04:52,769
first time who is a highly accomplished

94
00:04:49,629 --> 00:04:56,620
scientist in biology with many degrees

95
00:04:52,769 --> 00:04:58,629
and also academic and a teacher now

96
00:04:56,620 --> 00:05:01,769
retired and he had stepped into this

97
00:04:58,629 --> 00:05:05,019
issue with great courage created a site

98
00:05:01,769 --> 00:05:06,399
this is not common for academics and

99
00:05:05,019 --> 00:05:07,750
scientists of this level to do this but

100
00:05:06,399 --> 00:05:10,179

he did it he had to courage though he

101

00:05:07,750 --> 00:05:12,220

makes it easier for another scientist

102

00:05:10,180 --> 00:05:14,410

and another university professor to get

103

00:05:12,220 --> 00:05:17,590

involved and do the right thing and so

104

00:05:14,410 --> 00:05:19,330

we're up to 17 countries and it's

105

00:05:17,589 --> 00:05:20,709

growing the fact is XO politics is

106

00:05:19,329 --> 00:05:22,689

growing in Europe much faster than the

107

00:05:20,709 --> 00:05:24,459

United States right now and that's not

108

00:05:22,689 --> 00:05:27,219

surprising and Europe is going to play a

109

00:05:24,459 --> 00:05:28,509

major role of course in all of this so

110

00:05:27,220 --> 00:05:30,130

we have we have a lot of other countries

111

00:05:28,509 --> 00:05:32,110

if you would like to have the

112

00:05:30,129 --> 00:05:34,360

Exopolitics site created running for

113

00:05:32,110 --> 00:05:37,319

your country by all means get in touch

114

00:05:34,360 --> 00:05:40,000

with a paradigm research group and then

115
00:05:37,319 --> 00:05:41,709
the main facts of Washington started in

116
00:05:40,000 --> 00:05:44,379
november five 2008 we'll talk about that

117
00:05:41,709 --> 00:05:46,478
later it's the major project probably

118
00:05:44,379 --> 00:05:48,279
the most important of prg and then

119
00:05:46,478 --> 00:05:50,439
hopefully later this year maybe the

120
00:05:48,279 --> 00:05:53,549
winter hope to launch the paradigm news

121
00:05:50,439 --> 00:05:59,069
daily which is an attempt to create a

122
00:05:53,550 --> 00:06:02,470
another media site real media site

123
00:05:59,069 --> 00:06:04,418
addressing this issue in a way that is

124
00:06:02,470 --> 00:06:06,490
very mainstream so that we can start

125
00:06:04,418 --> 00:06:07,930
giving press credentials to a lot of the

126
00:06:06,490 --> 00:06:10,210
people in this field who are doing

127
00:06:07,930 --> 00:06:12,699
journalism so they can get access to the

128
00:06:10,209 --> 00:06:14,819
to the White House maybe and other

129
00:06:12,699 --> 00:06:19,180
venues and so forth with press passes

130
00:06:14,819 --> 00:06:22,089
now 1947 1947 was a big year in the

131
00:06:19,180 --> 00:06:24,400
United States let me tell you many

132
00:06:22,089 --> 00:06:27,209
things happened the National Security

133
00:06:24,399 --> 00:06:31,829
Act was passed the CIA was created and

134
00:06:27,209 --> 00:06:33,759
something else happened that year an

135
00:06:31,829 --> 00:06:35,620
organization called The Bulletin of

136
00:06:33,759 --> 00:06:38,709
Atomic Scientists created a clock called

137
00:06:35,620 --> 00:06:42,129
the Doomsday Clock to bring awareness

138
00:06:38,709 --> 00:06:43,479
to the threat of nuclear war it was a

139
00:06:42,129 --> 00:06:46,540
wonderful concept many of you know about

140
00:06:43,480 --> 00:06:48,400
it and the idea was simple if that clock

141
00:06:46,540 --> 00:06:53,910
strikes midnight you've had a nuclear

142
00:06:48,399 --> 00:06:53,909
war and you're in big trouble all right

143

00:06:54,029 --> 00:06:59,829
that's midnight on the noobs doomsday

144
00:06:57,069 --> 00:07:01,719
clock this is imaged this icon that's

145
00:06:59,829 --> 00:07:06,250
lived with us unless you're older than

146
00:07:01,720 --> 00:07:09,100
60 to 64 your whole life what an amazing

147
00:07:06,250 --> 00:07:14,439
thing it has affected us in ways we

148
00:07:09,100 --> 00:07:16,540
cannot imagine so in 1919 I wants the

149
00:07:14,439 --> 00:07:17,889
paradigm research group website I

150
00:07:16,540 --> 00:07:20,500
created another clock called the

151
00:07:17,889 --> 00:07:23,649
paradigm clock to bring awareness to

152
00:07:20,500 --> 00:07:25,990
this issue of the et issue and its

153
00:07:23,649 --> 00:07:29,589
resolution now midnight on the paradigm

154
00:07:25,990 --> 00:07:31,480
clock was disclosure and disclosure in a

155
00:07:29,589 --> 00:07:34,000
carefully defined way it's a very

156
00:07:31,480 --> 00:07:36,220
specific it's with a capital D and it's

157
00:07:34,000 --> 00:07:37,959

the formal acknowledgment by the world

158

00:07:36,220 --> 00:07:39,460
governments of a nonhuman

159

00:07:37,959 --> 00:07:41,379
extraterrestrial intelligence from

160

00:07:39,459 --> 00:07:43,899
somewhere does it really matter

161

00:07:41,379 --> 00:07:46,000
politically engaged in a human race

162

00:07:43,899 --> 00:07:48,819
that's midnight on the paradigm clock

163

00:07:46,000 --> 00:07:53,740
and the fact is is that in a way since

164

00:07:48,819 --> 00:07:57,430
1947 we have been in a race to see which

165

00:07:53,740 --> 00:08:01,139
clock strikes midnight first will it be

166

00:07:57,430 --> 00:08:04,540
this this clock will it be disclosure or

167

00:08:01,139 --> 00:08:06,250
will it be this clock will it be nuclear

168

00:08:04,540 --> 00:08:08,050
war and as you know the threat of

169

00:08:06,250 --> 00:08:10,689
nuclear war has not gone away those

170

00:08:08,050 --> 00:08:12,639
nukes are still in their place they can

171

00:08:10,689 --> 00:08:17,860
be reassigned at any time and they're

172
00:08:12,639 --> 00:08:20,110
starting to spread and so in 1947

173
00:08:17,860 --> 00:08:25,270
something else happened and that was the

174
00:08:20,110 --> 00:08:27,129
beginning of what i call the UFO era the

175
00:08:25,269 --> 00:08:29,229
many countries in the world who were

176
00:08:27,129 --> 00:08:30,699
where something was going on because of

177
00:08:29,230 --> 00:08:32,620
the Foo Fighter phenomenon which was

178
00:08:30,699 --> 00:08:34,720
never explained but there was a war

179
00:08:32,620 --> 00:08:39,700
happening so it was not a high priority

180
00:08:34,720 --> 00:08:42,190
matter but then 47 this man Arnold

181
00:08:39,700 --> 00:08:44,020
Kenneth Arnold reported to the media

182
00:08:42,190 --> 00:08:46,900
seeing and he was a very respected pilot

183
00:08:44,019 --> 00:08:50,629
seeing a nine disc near Mount Rainier

184
00:08:46,899 --> 00:08:53,509
and the era of the UFO was off

185
00:08:50,629 --> 00:08:58,129
and running but something else started

186
00:08:53,509 --> 00:09:02,120
in 1947 the truth embargo it informally

187
00:08:58,129 --> 00:09:05,179
began when this man Roger Ramey general

188
00:09:02,120 --> 00:09:07,490
at Fort Worth ordered William Blanchard

189
00:09:05,179 --> 00:09:12,289
the base commander at Roswell to change

190
00:09:07,490 --> 00:09:14,899
this story essentially the Roswell Army

191
00:09:12,289 --> 00:09:17,259
Air Force captures a flying disk on the

192
00:09:14,899 --> 00:09:19,909
ranch at Roswell the most legendary

193
00:09:17,259 --> 00:09:22,250
known event and this issue in the world

194
00:09:19,909 --> 00:09:25,279
easily to change the story the next date

195
00:09:22,250 --> 00:09:30,879
of this general Ramey empties the

196
00:09:25,279 --> 00:09:34,339
Roswell saucer and that's followed by

197
00:09:30,879 --> 00:09:35,779
general Ramey ordering Jesse Marcel

198
00:09:34,340 --> 00:09:37,639
senior the intelligence officer to

199
00:09:35,779 --> 00:09:41,360
present to the press what is clearly

200

00:09:37,639 --> 00:09:45,139
weather balloon material thus informally

201
00:09:41,360 --> 00:09:46,970
began the truth embargo it solidified

202
00:09:45,139 --> 00:09:50,149
over the next five years and was well in

203
00:09:46,970 --> 00:09:58,779
place fully formed by the end of 1952 in

204
00:09:50,149 --> 00:10:02,509
the Robertson panel the question becomes

205
00:09:58,779 --> 00:10:04,250
when will the truth embargo end and it's

206
00:10:02,509 --> 00:10:06,500
very possible I believe it's going to

207
00:10:04,250 --> 00:10:08,960
end this year and this man is going to

208
00:10:06,500 --> 00:10:10,789
be involved perhaps and so we have these

209
00:10:08,960 --> 00:10:16,129
two individuals Roger Ramey and Barack

210
00:10:10,789 --> 00:10:18,199
Obama bookends in history we may find

211
00:10:16,129 --> 00:10:20,379
out very soon if that's the case now let

212
00:10:18,200 --> 00:10:23,420
me let me digress just for a moment

213
00:10:20,379 --> 00:10:26,299
there is a very good reason why I refer

214
00:10:23,419 --> 00:10:30,019

to the what word we've been discussing a

215

00:10:26,299 --> 00:10:32,569

lot this weekend is a truth embargo it

216

00:10:30,019 --> 00:10:35,240

used to be called the UFO cover-up less

217

00:10:32,570 --> 00:10:38,510

and less you hear that and I think that

218

00:10:35,240 --> 00:10:39,889

is appropriate we need to have the we

219

00:10:38,509 --> 00:10:42,080

need to use the right language we need

220

00:10:39,889 --> 00:10:44,480

to to approach these things in a way

221

00:10:42,080 --> 00:10:47,230

that is consistent with reality in the

222

00:10:44,480 --> 00:10:49,310

history and my belief is that the

223

00:10:47,230 --> 00:10:51,409

decision by the United States government

224

00:10:49,309 --> 00:10:53,689

to withhold this information at the time

225

00:10:51,409 --> 00:10:55,819

was completely legal under the National

226

00:10:53,690 --> 00:10:58,760

Security Act UFO cover-up implies a

227

00:10:55,820 --> 00:11:00,230

fundamental illegality which then raises

228

00:10:58,759 --> 00:11:01,879

a whole lot of issues that doesn't mean

229

00:11:00,230 --> 00:11:03,720
some illegal things weren't done over

230

00:11:01,879 --> 00:11:05,549
the years but the fundamental

231

00:11:03,720 --> 00:11:07,740
to withhold the acknowledgement of this

232

00:11:05,549 --> 00:11:12,479
issue was legal so we're talking about a

233

00:11:07,740 --> 00:11:17,789
truth embargo now UFO era which began in

234

00:11:12,480 --> 00:11:20,730
47 I believe some disagree but I think

235

00:11:17,789 --> 00:11:22,769
it's convenient to do this ends in 1991

236

00:11:20,730 --> 00:11:26,100
now the UFO era the era in which the

237

00:11:22,769 --> 00:11:28,220
phenomena explodes the citizens try to

238

00:11:26,100 --> 00:11:31,069
engage it the government denies it

239

00:11:28,220 --> 00:11:33,810
organizations are formed a pro nightcap

240

00:11:31,068 --> 00:11:35,909
MUFON Koufos all of those sighting

241

00:11:33,809 --> 00:11:37,528
reports people are writing books forming

242

00:11:35,909 --> 00:11:42,120
organizations meeting and libraries all

243
00:11:37,528 --> 00:11:45,269
over the country trying to rack up all

244
00:11:42,120 --> 00:11:48,269
the information they can to make the

245
00:11:45,269 --> 00:11:50,490
case that what this is to the government

246
00:11:48,269 --> 00:11:52,409
to themselves that that era basically

247
00:11:50,490 --> 00:11:54,568
was over by 91 I believe that the

248
00:11:52,409 --> 00:11:57,539
extra-terrestrial presence behind UFOs

249
00:11:54,568 --> 00:12:00,688
was wasn't I think confirmed under any

250
00:11:57,539 --> 00:12:03,688
reasonable logic and deduction by 1950

251
00:12:00,688 --> 00:12:06,059
to know if not earlier that was it was

252
00:12:03,688 --> 00:12:09,179
done but of course there was an embargo

253
00:12:06,059 --> 00:12:11,188
on so it wasn't resolved was it but if

254
00:12:09,179 --> 00:12:12,628
the government denies it you continue to

255
00:12:11,188 --> 00:12:15,389
try to prove it and this went on and on

256
00:12:12,629 --> 00:12:18,720
and they proved it many times over so by

257

00:12:15,389 --> 00:12:22,379
1991 I think it was this cake was fully

258
00:12:18,720 --> 00:12:24,180
baked and I end the era de or why

259
00:12:22,379 --> 00:12:27,240
because something very important

260
00:12:24,179 --> 00:12:29,578
happened and I refer to the end of the

261
00:12:27,240 --> 00:12:31,528
Cold War which informally begins with

262
00:12:29,578 --> 00:12:33,058
the the tearing down of the berlin wall

263
00:12:31,528 --> 00:12:37,409
which I know all of you in Europe are

264
00:12:33,058 --> 00:12:41,039
quite familiar with and then is finally

265
00:12:37,409 --> 00:12:43,679
ends with the dissolution of the Soviet

266
00:12:41,039 --> 00:12:46,500
republics and the removal of the

267
00:12:43,679 --> 00:12:47,758
communist party on Christmas Day 1991

268
00:12:46,500 --> 00:12:50,850
one of the most important events in

269
00:12:47,759 --> 00:12:53,430
human history that ends that era and the

270
00:12:50,850 --> 00:12:57,240
reason it does in my view is that the

271
00:12:53,429 --> 00:12:58,588

number one reason why disclosure of the

272

00:12:57,240 --> 00:13:00,568
extra-terrestrial presence with a

273

00:12:58,589 --> 00:13:04,170
capital D bother by any government

274

00:13:00,568 --> 00:13:06,599
certainly the United States was that

275

00:13:04,169 --> 00:13:08,250
with the Cold War under way and

276

00:13:06,600 --> 00:13:12,750
thousands of nuclear warheads pointed

277

00:13:08,250 --> 00:13:14,578
across the poles their launch bringing

278

00:13:12,750 --> 00:13:16,970
of course the end of civilization that

279

00:13:14,578 --> 00:13:21,258
the risk of bringing that issue in

280

00:13:16,970 --> 00:13:22,670
the mix was too much to take there was

281

00:13:21,259 --> 00:13:25,579
potential it might destabilize the

282

00:13:22,669 --> 00:13:27,458
politics it might create a need for a

283

00:13:25,578 --> 00:13:31,219
preemptive strike over a fear of

284

00:13:27,458 --> 00:13:34,188
extraterrestrial weapon race and so

285

00:13:31,220 --> 00:13:37,220
forth it's hard to argue with that so

286
00:13:34,188 --> 00:13:40,370
until the cold war over there's no no no

287
00:13:37,220 --> 00:13:44,120
truth embargo does not end but once it's

288
00:13:40,370 --> 00:13:47,419
over it's a new ballgame hope that

289
00:13:44,120 --> 00:13:51,560
translates and that's why I in the UFO

290
00:13:47,419 --> 00:13:53,599
ER then and a new era begins the era of

291
00:13:51,559 --> 00:13:56,659
XO politics so we didn't have that word

292
00:13:53,600 --> 00:13:59,750
then that word doesn't turn up in this

293
00:13:56,659 --> 00:14:04,370
context nobody even uses it all I'm

294
00:13:59,750 --> 00:14:06,559
aware in any context until 2000 so the

295
00:14:04,370 --> 00:14:09,889
Arab Exopolitics billions in 1991 and

296
00:14:06,559 --> 00:14:11,899
and we are on the road at that point to

297
00:14:09,889 --> 00:14:13,490
the resolution of this issue now we need

298
00:14:11,899 --> 00:14:15,438
new language when you're going to have a

299
00:14:13,490 --> 00:14:17,089
major change in society if you're going

300
00:14:15,438 --> 00:14:19,578
to move forward in a profound way you

301
00:14:17,089 --> 00:14:22,430
always have to find new language that

302
00:14:19,578 --> 00:14:24,828
properly explains what's going on and

303
00:14:22,429 --> 00:14:28,278
you can communicate what you're dealing

304
00:14:24,828 --> 00:14:29,750
with to each other you can't go to a new

305
00:14:28,278 --> 00:14:31,688
place with old language so it's like

306
00:14:29,750 --> 00:14:34,808
Einstein said you can't solve a problem

307
00:14:31,688 --> 00:14:38,360
created with a set of ideas without

308
00:14:34,808 --> 00:14:40,068
creating a new idea get outside the box

309
00:14:38,360 --> 00:14:41,778
and so we started with the idea of

310
00:14:40,068 --> 00:14:45,649
politics of UFOs that was a bridging

311
00:14:41,778 --> 00:14:48,049
concept you see politics UFOs got the

312
00:14:45,649 --> 00:14:50,389
two there and then that kind of morphed

313
00:14:48,049 --> 00:14:51,919
into the politics of disclosure the

314

00:14:50,389 --> 00:14:55,568
disclosure term starts coming into play

315
00:14:51,919 --> 00:14:59,599
more around 1996 1997 and then that

316
00:14:55,568 --> 00:15:02,628
evolves into XO politics which emerged

317
00:14:59,600 --> 00:15:05,019
in emerges in two thousand thanks to a

318
00:15:02,629 --> 00:15:09,860
book written by Alfred Weber who is here

319
00:15:05,019 --> 00:15:11,600
and that term instantly in my mind was

320
00:15:09,860 --> 00:15:14,360
the right term and I immediately

321
00:15:11,600 --> 00:15:17,750
embraced it and did what I could to

322
00:15:14,360 --> 00:15:19,669
advance that terminology into the

323
00:15:17,750 --> 00:15:21,019
marketplace of ideas and of course and

324
00:15:19,669 --> 00:15:23,000
many many others have helped out Michael

325
00:15:21,019 --> 00:15:24,259
Sela and others everyone here at this

326
00:15:23,000 --> 00:15:27,379
conference rather has advanced it

327
00:15:24,259 --> 00:15:28,730
clearly and here we are today at what I

328
00:15:27,379 --> 00:15:30,409

think maybe the most important

329

00:15:28,730 --> 00:15:34,490
conference in this genre ever

330

00:15:30,409 --> 00:15:38,750
put on so the truth embargo that starts

331

00:15:34,490 --> 00:15:40,789
at 47 when will it end UFO era ends in

332

00:15:38,750 --> 00:15:42,980
91 now we're into a new era truth

333

00:15:40,789 --> 00:15:46,068
embargo starts at 47 I believe it ends

334

00:15:42,980 --> 00:15:50,569
this year I'm not a seer I'm not Jeane

335

00:15:46,068 --> 00:15:54,049
Dixon I don't make prophecies but I'm

336

00:15:50,568 --> 00:15:56,870
saying that based upon a lot of analysis

337

00:15:54,049 --> 00:15:58,818
and thought an assessment of what is

338

00:15:56,870 --> 00:16:02,679
going on that the window is wide open

339

00:15:58,818 --> 00:16:05,419
this year and it can happen this year

340

00:16:02,679 --> 00:16:08,269
probably not without some help from the

341

00:16:05,419 --> 00:16:11,628
people of the world but even perhaps

342

00:16:08,269 --> 00:16:13,429
without it but that is my assessment and

343
00:16:11,629 --> 00:16:15,500
that's the the principle under which I'm

344
00:16:13,429 --> 00:16:17,388
operating now then let's talk about this

345
00:16:15,500 --> 00:16:19,100
truth embargo why one of the reasons

346
00:16:17,389 --> 00:16:21,740
it's going to end this year is because

347
00:16:19,100 --> 00:16:24,290
there are huge pressures on it that have

348
00:16:21,740 --> 00:16:26,750
grown with each passing year so I've

349
00:16:24,289 --> 00:16:28,610
taken the truth embargo and I have by

350
00:16:26,750 --> 00:16:31,220
purest coincidence placed it in this

351
00:16:28,610 --> 00:16:33,860
diagram which just happens to resemble

352
00:16:31,220 --> 00:16:37,009
the Pentagon outside of Washington DC

353
00:16:33,860 --> 00:16:42,759
and let's talk about those pressures the

354
00:16:37,009 --> 00:16:45,649
first one are the ETS they come they go

355
00:16:42,759 --> 00:16:48,230
they do what they want a fry here they

356
00:16:45,649 --> 00:16:49,909
fly there tens of thousands of people

357
00:16:48,230 --> 00:16:51,289
that have had direct contact with them

358
00:16:49,909 --> 00:16:52,730
are coming forward their memories are

359
00:16:51,289 --> 00:16:55,039
leaking they're reporting them writing

360
00:16:52,730 --> 00:16:57,409
them out there in the press there in the

361
00:16:55,039 --> 00:16:59,629
media these entities are being anything

362
00:16:57,409 --> 00:17:02,778
but discreet and every time they're seen

363
00:16:59,629 --> 00:17:05,959
every time a pilot sees one out disk

364
00:17:02,778 --> 00:17:08,359
outside the window every time there is a

365
00:17:05,959 --> 00:17:10,759
significant sighting like O'Hare the

366
00:17:08,359 --> 00:17:13,279
awareness goes up the pressure on the

367
00:17:10,759 --> 00:17:15,558
truth embargo grows and so if these

368
00:17:13,279 --> 00:17:18,139
entities don't want us to tell ourselves

369
00:17:15,558 --> 00:17:21,588
that they're here they sure are trying

370
00:17:18,140 --> 00:17:23,959
very hard to stop that process and so

371

00:17:21,588 --> 00:17:26,538
their activity unless they go home they

372
00:17:23,959 --> 00:17:29,870
may all just leave which would be awful

373
00:17:26,538 --> 00:17:33,710
I would I would be very upset so I hope

374
00:17:29,869 --> 00:17:35,538
they don't go home but their activities

375
00:17:33,710 --> 00:17:38,779
are putting enormous pressure and that's

376
00:17:35,538 --> 00:17:41,990
a simple fact now the second thing is

377
00:17:38,779 --> 00:17:43,970
public awareness the polling data for

378
00:17:41,990 --> 00:17:46,190
years now has shown that each year

379
00:17:43,970 --> 00:17:48,288
the awareness of the issue grows the

380
00:17:46,190 --> 00:17:50,210
number of people that believe that UFO

381
00:17:48,288 --> 00:17:51,980
phenomena is extraterrestrial grows the

382
00:17:50,210 --> 00:17:54,980
number of people who think that the

383
00:17:51,980 --> 00:17:57,558
government is lying grows every year now

384
00:17:54,980 --> 00:17:59,058
it's around eighty five percent say

385
00:17:57,558 --> 00:18:00,710

matter of fact the government's not

386

00:17:59,058 --> 00:18:03,859

telling the truth about fifty percent

387

00:18:00,710 --> 00:18:05,960

believe the UFO phenomena is et in

388

00:18:03,859 --> 00:18:08,329

origin about twenty percent believe

389

00:18:05,960 --> 00:18:11,120

they've had they've had a sighting

390

00:18:08,329 --> 00:18:13,220

strong sighting and about ten percent

391

00:18:11,119 --> 00:18:14,689

say they've had direct contact with

392

00:18:13,220 --> 00:18:16,850

extraterrestrials that's a phenomenal

393

00:18:14,690 --> 00:18:18,710

number but that's what the polling say

394

00:18:16,849 --> 00:18:23,240

and then this Hollywood bless its heart

395

00:18:18,710 --> 00:18:25,130

and all of the media worldwide they have

396

00:18:23,240 --> 00:18:28,279

had a feast on this issue I'm sure you

397

00:18:25,130 --> 00:18:29,990

know that and a simple way of putting

398

00:18:28,279 --> 00:18:33,408

that is this simple diagram which shows

399

00:18:29,990 --> 00:18:36,740

as of two thousand five ten of the top

400
00:18:33,409 --> 00:18:40,659
world grossing movies in history deal

401
00:18:36,740 --> 00:18:43,339
with extraterrestrials 10 of the top 31

402
00:18:40,659 --> 00:18:44,870
and that has continued the television

403
00:18:43,339 --> 00:18:46,908
shows one after another after another

404
00:18:44,869 --> 00:18:50,288
and of course science fiction going back

405
00:18:46,909 --> 00:18:53,510
to the early part of the 20th century

406
00:18:50,288 --> 00:18:55,970
it's everywhere awareness of this

407
00:18:53,509 --> 00:18:58,609
phenomena is universal you could

408
00:18:55,970 --> 00:19:00,440
probably walk up to a rice farmer in

409
00:18:58,609 --> 00:19:03,048
Bangladesh and say do you know what a

410
00:19:00,440 --> 00:19:05,360
UFO is and that person might very well

411
00:19:03,048 --> 00:19:07,038
say yes now there's another major

412
00:19:05,359 --> 00:19:10,479
pressure on it and it's called the

413
00:19:07,038 --> 00:19:13,220
multi-tiered media now this this is a

414
00:19:10,480 --> 00:19:16,190
phenomena that has developed very much

415
00:19:13,220 --> 00:19:20,329
in the last about 15 years media has

416
00:19:16,190 --> 00:19:23,798
become tiered it's not one complex of

417
00:19:20,329 --> 00:19:27,470
top networks in major papers there are

418
00:19:23,798 --> 00:19:30,349
cable channels and secondary papers and

419
00:19:27,470 --> 00:19:32,210
regional papers and you've got magazines

420
00:19:30,349 --> 00:19:35,000
on these cable channels and then you've

421
00:19:32,210 --> 00:19:38,298
got paranormal shows and then you've got

422
00:19:35,000 --> 00:19:39,919
three levels of tabloids you've got the

423
00:19:38,298 --> 00:19:42,079
high-end National Enquirer you've got

424
00:19:39,919 --> 00:19:43,640
the second level like the examiner in

425
00:19:42,079 --> 00:19:46,428
the star at the bottom end is the Sun

426
00:19:43,640 --> 00:19:48,259
and the Weekly World News Jerry Springer

427
00:19:46,429 --> 00:19:50,570
so the real fun is down here this is

428

00:19:48,259 --> 00:19:51,829
where it's all fun but the point is is

429
00:19:50,569 --> 00:19:55,490
that any story no matter how

430
00:19:51,829 --> 00:19:57,949
controversial no matter how exotic if it

431
00:19:55,490 --> 00:20:00,829
can't get in the news here it comes in

432
00:19:57,950 --> 00:20:04,910
here or maybe here and then it works its

433
00:20:00,829 --> 00:20:08,029
way up if it's got legs as we say right

434
00:20:04,910 --> 00:20:10,279
if it has traction if it has power and

435
00:20:08,029 --> 00:20:12,470
the way it works itself up is primarily

436
00:20:10,279 --> 00:20:15,349
over here because all of these entities

437
00:20:12,470 --> 00:20:17,450
have their internet component and this

438
00:20:15,349 --> 00:20:19,819
internet acts like an elevator between

439
00:20:17,450 --> 00:20:22,220
these levels so if UFO story comes in

440
00:20:19,819 --> 00:20:24,109
here jumps to here then there and turns

441
00:20:22,220 --> 00:20:27,769
up there so this is putting huge

442
00:20:24,109 --> 00:20:29,389

pressure on all aspects of the all

443

00:20:27,769 --> 00:20:32,389

issues in the world today and the

444

00:20:29,390 --> 00:20:35,270

ability of people of people in power to

445

00:20:32,390 --> 00:20:37,280

quote control how individuals think

446

00:20:35,269 --> 00:20:38,808

about it this is a good thing there's

447

00:20:37,279 --> 00:20:41,480

consolidation and what have you but it's

448

00:20:38,808 --> 00:20:44,329

a good thing then the probably the

449

00:20:41,480 --> 00:20:46,549

second most profound pressure on the

450

00:20:44,329 --> 00:20:49,819

truth embargo but guaranteeing that it

451

00:20:46,549 --> 00:20:53,960

will end soon is the witness emergence

452

00:20:49,819 --> 00:20:55,909

and there have always been people coming

453

00:20:53,960 --> 00:20:58,490

forward going back to nineteen forty

454

00:20:55,910 --> 00:21:01,220

seven right but since the cold war ends

455

00:20:58,490 --> 00:21:03,500

in 91 the emergence of witnesses now

456

00:21:01,220 --> 00:21:06,730

these are individuals who have worked in

457
00:21:03,500 --> 00:21:09,349
government in positions of authority in

458
00:21:06,730 --> 00:21:12,319
political appointees or even politicians

459
00:21:09,349 --> 00:21:14,389
members of the terry members of civilian

460
00:21:12,319 --> 00:21:17,599
agencies and so forth who have come

461
00:21:14,390 --> 00:21:20,630
forward and said I saw this I did this I

462
00:21:17,599 --> 00:21:22,639
know about that and this testimony when

463
00:21:20,630 --> 00:21:25,550
you look at it in the collective points

464
00:21:22,640 --> 00:21:28,220
it won been extraterrestrials these are

465
00:21:25,549 --> 00:21:31,069
courageous people with very few

466
00:21:28,220 --> 00:21:33,620
exceptions they're absolutely solid very

467
00:21:31,069 --> 00:21:36,678
persuasive in trying to tell the truth

468
00:21:33,619 --> 00:21:38,449
as best they know it and their numbers

469
00:21:36,679 --> 00:21:41,150
continue to grow they are certainly in

470
00:21:38,450 --> 00:21:44,090
the hundreds by now i want to mention

471
00:21:41,150 --> 00:21:47,030
two in particular a colonel Gordon

472
00:21:44,089 --> 00:21:50,480
Cooper the legendary astronaut came out

473
00:21:47,029 --> 00:21:53,210
in the 70s and said look I've seen

474
00:21:50,480 --> 00:21:56,210
things I know this is real and tried to

475
00:21:53,210 --> 00:21:57,860
raise this issue as best he could he was

476
00:21:56,210 --> 00:21:59,450
a great man in many ways and this only

477
00:21:57,859 --> 00:22:02,419
made him greater though I can assure you

478
00:21:59,450 --> 00:22:04,580
it did not make his life easier and in

479
00:22:02,420 --> 00:22:09,200
the later years he fell into Alzheimer's

480
00:22:04,579 --> 00:22:12,138
and was not able to pursue the

481
00:22:09,200 --> 00:22:14,808
shoot right to the end but his mantle

482
00:22:12,138 --> 00:22:17,418
was taken up by this gentleman dr. Edgar

483
00:22:14,808 --> 00:22:19,879
Mitchell Apollo 14 astronaut who walked

484
00:22:17,419 --> 00:22:23,288
on the moon this is another great man

485

00:22:19,880 --> 00:22:27,559
and in the mid 90s he started to say

486
00:22:23,288 --> 00:22:29,929
talk about his assert the the truth is

487
00:22:27,558 --> 00:22:32,658
he sought that the et presence is real

488
00:22:29,929 --> 00:22:36,409
Roswell was real and he continued to say

489
00:22:32,659 --> 00:22:39,320
it over and over again until the media

490
00:22:36,409 --> 00:22:41,090
finally began to pay attention and that

491
00:22:39,319 --> 00:22:44,990
occurred in July we'll talk about that a

492
00:22:41,089 --> 00:22:46,609
little bit dr. Mitchell I work with him

493
00:22:44,990 --> 00:22:48,798
closely and I can say matter-of-factly

494
00:22:46,609 --> 00:22:50,808
that dr. Mitchell 77 he's had two

495
00:22:48,798 --> 00:22:52,609
cancers and a heart attack he is

496
00:22:50,808 --> 00:22:56,418
committed to ending this truth embargo

497
00:22:52,609 --> 00:22:58,278
before he leaves this mortal coil and I

498
00:22:56,419 --> 00:23:00,679
certainly am going to do my best to see

499
00:22:58,278 --> 00:23:02,569

that that happens and everyone else I

500

00:23:00,679 --> 00:23:06,230

know in this room and elsewhere doing

501

00:23:02,569 --> 00:23:10,398

the same and just as a quick note this

502

00:23:06,230 --> 00:23:13,569

is Gordon Cooper right here in 1978 I

503

00:23:10,398 --> 00:23:16,148

believe he went to the UN as part of an

504

00:23:13,569 --> 00:23:18,710

interest in UFOs that develop due to

505

00:23:16,148 --> 00:23:20,359

Grenada Prime Minister Sir Edward Gary

506

00:23:18,710 --> 00:23:22,788

very interesting fellow and this is

507

00:23:20,359 --> 00:23:26,388

Gordon Cooper and next to him is Jacques

508

00:23:22,788 --> 00:23:29,960

fillet and then you have dr. Allen Hynek

509

00:23:26,388 --> 00:23:33,558

is here Kurt Waldheim that's a Granada

510

00:23:29,960 --> 00:23:36,019

Prime Minister Gary this is 31 years ago

511

00:23:33,558 --> 00:23:38,058

the UN has basically not done anything

512

00:23:36,019 --> 00:23:39,440

though there have been some rumors

513

00:23:38,058 --> 00:23:42,349

lately that meetings are being held

514
00:23:39,440 --> 00:23:45,048
there as they should be but these are

515
00:23:42,349 --> 00:23:47,298
the kinds of people that absolutely

516
00:23:45,048 --> 00:23:50,028
should be listened to by every meeting

517
00:23:47,298 --> 00:23:51,408
in the world and they weren't in an

518
00:23:50,028 --> 00:23:56,169
appropriate fashion by any degree

519
00:23:51,409 --> 00:23:59,120
because of the truth embargo right now

520
00:23:56,169 --> 00:24:03,320
probably no one in the world has done

521
00:23:59,119 --> 00:24:05,000
more to consolidate to bring out and put

522
00:24:03,319 --> 00:24:07,069
forward and raised in the public's mind

523
00:24:05,000 --> 00:24:09,319
the emergence of these witnesses and dr.

524
00:24:07,069 --> 00:24:12,009
Steven Greer who spoke yesterday through

525
00:24:09,319 --> 00:24:12,009
the disclosure project

526
00:24:13,539 --> 00:24:19,579
absolutely this is a major I mean he's

527
00:24:18,109 --> 00:24:22,039
been involved in that issue going all

528
00:24:19,579 --> 00:24:23,599
the way back forever and we'll talk

529
00:24:22,039 --> 00:24:25,009
about that a little bit later but the

530
00:24:23,599 --> 00:24:27,859
disclosure project and his witness

531
00:24:25,009 --> 00:24:30,259
program is a major historical event an

532
00:24:27,859 --> 00:24:33,679
accomplishment and it hit a high

533
00:24:30,259 --> 00:24:35,599
watermark in May 9th of 2001 when 20 i

534
00:24:33,680 --> 00:24:39,110
believe 21 witnesses were brought to the

535
00:24:35,599 --> 00:24:41,480
national press club for a major press

536
00:24:39,109 --> 00:24:42,949
conference the largest there to date

537
00:24:41,480 --> 00:24:45,049
that i'm aware of i believe that's what

538
00:24:42,950 --> 00:24:46,160
we were told there were 200 people in

539
00:24:45,049 --> 00:24:48,409
the room that day and there were a

540
00:24:46,160 --> 00:24:49,910
hundred press though the local

541
00:24:48,410 --> 00:24:51,650
Washington Post reporter said there was

542

00:24:49,910 --> 00:24:53,029
just a hundred people in the room but he

543
00:24:51,650 --> 00:24:56,150
obviously couldn't count very well and

544
00:24:53,029 --> 00:24:59,059
17 camera crews that are sitting off to

545
00:24:56,150 --> 00:25:03,230
the back here way behind the audience

546
00:24:59,059 --> 00:25:05,259
and the testimony of how I think about

547
00:25:03,230 --> 00:25:08,390
75 witnesses was presented in

548
00:25:05,259 --> 00:25:11,720
consolidated form by a videotape and 21

549
00:25:08,390 --> 00:25:14,180
witnesses testified right there in brief

550
00:25:11,720 --> 00:25:16,700
each one saying that they would repeat

551
00:25:14,180 --> 00:25:20,960
all of that under oath before the US

552
00:25:16,700 --> 00:25:24,380
Congress this event could have led to

553
00:25:20,960 --> 00:25:27,259
something big no question about it the

554
00:25:24,380 --> 00:25:28,910
news media was responding ABC News got

555
00:25:27,259 --> 00:25:30,920
in touch with me and said they wanted

556
00:25:28,910 --> 00:25:32,870

six witnesses presented of course I

557

00:25:30,920 --> 00:25:35,269

passed that on to dr. Greer he then

558

00:25:32,869 --> 00:25:37,250

provided six witnesses for ABC to vet

559

00:25:35,269 --> 00:25:39,319

and they actually started that process

560

00:25:37,250 --> 00:25:41,380

this was for Nightline and other media

561

00:25:39,319 --> 00:25:44,059

particularly in a national media were

562

00:25:41,380 --> 00:25:45,440

starting to sort of crank up it's not

563

00:25:44,059 --> 00:25:47,389

like they could just jump in the pool

564

00:25:45,440 --> 00:25:49,039

they had to put their toe in first but

565

00:25:47,390 --> 00:25:52,490

they were they were they were climbing

566

00:25:49,039 --> 00:25:57,250

in the water but then four months later

567

00:25:52,490 --> 00:26:00,740

almost to the day 911 happened and it is

568

00:25:57,250 --> 00:26:02,000

the custom in our societies that when

569

00:26:00,740 --> 00:26:04,880

something like that happens everything

570

00:26:02,000 --> 00:26:07,700

stops everything's put aside right I

571
00:26:04,880 --> 00:26:09,440
think that's a huge mistake I think you

572
00:26:07,700 --> 00:26:11,180
deal with it you deal with everything

573
00:26:09,440 --> 00:26:13,220
else too and you move on you can't be

574
00:26:11,180 --> 00:26:14,930
pushed back because you see there's

575
00:26:13,220 --> 00:26:17,839
always mischief going on in the world

576
00:26:14,930 --> 00:26:20,090
right there's always somebody that's

577
00:26:17,839 --> 00:26:23,149
going to blow something up invade some

578
00:26:20,089 --> 00:26:25,599
country start a genocide bad behavior is

579
00:26:23,150 --> 00:26:27,710
still around

580
00:26:25,599 --> 00:26:33,230
it could have been either way it's still

581
00:26:27,710 --> 00:26:35,539
bad behavior and so I'm not saying it's

582
00:26:33,230 --> 00:26:38,539
neither it is not my issue but it had

583
00:26:35,539 --> 00:26:40,759
the effect of cabling the ability to

584
00:26:38,539 --> 00:26:43,789
bring the UFO issue it set us back

585
00:26:40,759 --> 00:26:46,940
without question had that not happened I

586
00:26:43,789 --> 00:26:49,190
believe that the press conference of may

587
00:26:46,940 --> 00:26:51,710
nine two thousand one could have led to

588
00:26:49,190 --> 00:26:54,140
a series of media events which would

589
00:26:51,710 --> 00:26:55,130
have possibly brought disclosure under

590
00:26:54,140 --> 00:26:56,570
the first term of the Bush

591
00:26:55,130 --> 00:26:59,150
administration though it would have been

592
00:26:56,569 --> 00:27:01,399
very very difficult nevertheless the

593
00:26:59,150 --> 00:27:04,970
witnesses kept coming forward and then

594
00:27:01,400 --> 00:27:08,690
in November twelfth of 2007 a similar

595
00:27:04,970 --> 00:27:12,558
event took place this one was put

596
00:27:08,690 --> 00:27:14,750
together by James Fox who is a

597
00:27:12,558 --> 00:27:16,339
documentary I believe his documentary

598
00:27:14,750 --> 00:27:18,529
made with Tim Coleman out of the blue is

599

00:27:16,339 --> 00:27:20,629
the best ever done on this subject Hyup

600
00:27:18,529 --> 00:27:22,579
they did a revised version recently and

601
00:27:20,630 --> 00:27:26,030
he has a new documentary coming out

602
00:27:22,579 --> 00:27:29,178
called I know what I saw I think it has

603
00:27:26,029 --> 00:27:32,539
a chance to go theatrical on the big

604
00:27:29,179 --> 00:27:33,890
extremes James Fox in conjunction with

605
00:27:32,539 --> 00:27:37,339
the coalition of Freedom of Information

606
00:27:33,890 --> 00:27:39,799
and Leslie Cain brought extraordinary

607
00:27:37,339 --> 00:27:42,019
witnesses again to the national press

608
00:27:39,798 --> 00:27:44,389
club and again held a very important

609
00:27:42,019 --> 00:27:46,910
conference what was notable that was

610
00:27:44,390 --> 00:27:49,040
moderated by a well-known politician

611
00:27:46,910 --> 00:27:51,590
fife symington from a well-known

612
00:27:49,039 --> 00:27:54,678
political family and what was notable

613
00:27:51,589 --> 00:27:56,240

typically about this event was the 13

614

00:27:54,679 --> 00:27:59,390

witnesses were there were mostly

615

00:27:56,240 --> 00:28:01,730

international in people of extraordinary

616

00:27:59,390 --> 00:28:03,590

stature Wilfred de Brouwer Major General

617

00:28:01,730 --> 00:28:05,569

from Belgium club polar engineering

618

00:28:03,589 --> 00:28:07,129

strana mer and astrophysicist who I

619

00:28:05,569 --> 00:28:10,129

think was in that meeting if i'm not

620

00:28:07,130 --> 00:28:12,290

mistaken at the UN in 1978 and john

621

00:28:10,130 --> 00:28:14,299

charles dubach the Air Force kept at the

622

00:28:12,289 --> 00:28:17,389

I'm sorry Air France captain in pilot

623

00:28:14,298 --> 00:28:20,179

who is here and be presenting and has

624

00:28:17,390 --> 00:28:23,240

the Exopolitics France website and dr.

625

00:28:20,179 --> 00:28:26,540

Jean Claude Reeves or we miss the

626

00:28:23,240 --> 00:28:29,029

astrophysicist with the National

627

00:28:26,539 --> 00:28:31,879

Institute of astronomy Parviz Jafari the

628
00:28:29,029 --> 00:28:33,859
general iranian air force that was part

629
00:28:31,880 --> 00:28:36,470
of that extraordinary event where the

630
00:28:33,859 --> 00:28:37,649
plane was disabled as it approached UFO

631
00:28:36,470 --> 00:28:40,019
Rodrigo very

632
00:28:37,650 --> 00:28:42,690
so captain pilot chilean army and then

633
00:28:40,019 --> 00:28:45,539
sent them away here it worth it gladys

634
00:28:42,690 --> 00:28:48,029
commander peruvian air force and so

635
00:28:45,539 --> 00:28:50,579
forth I think you can see this is an

636
00:28:48,029 --> 00:28:53,639
extraordinary group they presented they

637
00:28:50,579 --> 00:28:55,439
got significant press coverage and the

638
00:28:53,640 --> 00:28:58,470
news cycle lasted for a while and then

639
00:28:55,440 --> 00:29:01,860
sloped off and we move we moved on but

640
00:28:58,470 --> 00:29:04,400
again this event is made possible by the

641
00:29:01,859 --> 00:29:07,829
effort of disclosure project dr. Greer

642
00:29:04,400 --> 00:29:09,540
six years earlier and there will be more

643
00:29:07,829 --> 00:29:11,429
press conferences the witnesses are

644
00:29:09,539 --> 00:29:14,609
continued to come forward it is

645
00:29:11,430 --> 00:29:17,730
relentless it will not stop this is the

646
00:29:14,609 --> 00:29:19,139
full group including Phi Symington who

647
00:29:17,730 --> 00:29:20,759
is the moderator and notable because

648
00:29:19,140 --> 00:29:24,000
Fife Symington was the Governor of

649
00:29:20,759 --> 00:29:27,539
Arizona in 1997 and he made fun of the

650
00:29:24,000 --> 00:29:29,970
Phoenix lights event and it was a

651
00:29:27,539 --> 00:29:33,059
notable thing he made a laughing thing

652
00:29:29,970 --> 00:29:35,940
of it and then 10 years later to james

653
00:29:33,059 --> 00:29:39,629
fox he confessed that he regretted that

654
00:29:35,940 --> 00:29:42,450
and in fact he saw the first event that

655
00:29:39,630 --> 00:29:44,810
night in Phoenix in 1997 where the

656

00:29:42,450 --> 00:29:47,910
triangle craft flew right over him and

657
00:29:44,809 --> 00:29:50,759
he has a pilot he was confident that it

658
00:29:47,910 --> 00:29:52,890
was absolutely not a human craft and it

659
00:29:50,759 --> 00:29:54,809
took great courage 45 Symington to do

660
00:29:52,890 --> 00:29:56,880
this so he moderated this conference

661
00:29:54,809 --> 00:30:00,029
there's Leslie cane and James Fox is

662
00:29:56,880 --> 00:30:01,860
over here now the final thing and

663
00:30:00,029 --> 00:30:03,359
probably the most profound pressure

664
00:30:01,859 --> 00:30:05,939
being brought on the truth and blogo

665
00:30:03,359 --> 00:30:09,839
right is from other nations without

666
00:30:05,940 --> 00:30:13,860
question the United States was the great

667
00:30:09,839 --> 00:30:15,779
superpower yes yes yes but over time its

668
00:30:13,859 --> 00:30:18,479
power has diminished and the world is

669
00:30:15,779 --> 00:30:20,160
asserting itself as it should be and the

670
00:30:18,480 --> 00:30:23,009

truth embargo which was initiated by the

671

00:30:20,160 --> 00:30:26,130

United States other nations went along

672

00:30:23,009 --> 00:30:27,839

for various reasons I don't want to

673

00:30:26,130 --> 00:30:29,880

argue with their thinking but they're

674

00:30:27,839 --> 00:30:32,279

breaking ranks with the US and the last

675

00:30:29,880 --> 00:30:33,870

ten years that is accelerated and

676

00:30:32,279 --> 00:30:36,180

without question the most notable

677

00:30:33,869 --> 00:30:39,089

country in this case is france in two

678

00:30:36,180 --> 00:30:40,920

thousand a group of individuals all with

679

00:30:39,089 --> 00:30:42,839

substantial government connections and

680

00:30:40,920 --> 00:30:46,320

former employment in the French military

681

00:30:42,839 --> 00:30:48,179

and elsewhere produced a report now this

682

00:30:46,319 --> 00:30:50,189

was non-governmental but you can be

683

00:30:48,180 --> 00:30:51,330

assured that the French government was

684

00:30:50,190 --> 00:30:52,680

behind this

685
00:30:51,329 --> 00:30:54,720
right but they didn't want to do it

686
00:30:52,680 --> 00:30:57,120
directly because that would create some

687
00:30:54,720 --> 00:31:00,420
diplomatic problems and so let's only a

688
00:30:57,119 --> 00:31:02,069
la défense UFOs and defense what should

689
00:31:00,420 --> 00:31:03,779
we prepare for Robert Fletcher has been

690
00:31:02,069 --> 00:31:06,149
talking about this and others of course

691
00:31:03,779 --> 00:31:08,639
it was covered a little bit in the US

692
00:31:06,150 --> 00:31:10,230
thanks to Leslie Kane but not that much

693
00:31:08,640 --> 00:31:13,380
by the press but it got a lot of

694
00:31:10,230 --> 00:31:15,750
attention in Europe and again the people

695
00:31:13,380 --> 00:31:18,000
involved this is not some French

696
00:31:15,750 --> 00:31:20,490
citizens getting together to express

697
00:31:18,000 --> 00:31:23,549
their views about ETS this is general

698
00:31:20,490 --> 00:31:26,190
Dennis ledee right of the of the french

699
00:31:23,549 --> 00:31:28,859
air force this is prunella moines an air

700
00:31:26,190 --> 00:31:31,230
force general this is mark merlot a navy

701
00:31:28,859 --> 00:31:33,569
admiral f french navy admiral michael

702
00:31:31,230 --> 00:31:36,180
algun an attorney jean de blaas an

703
00:31:33,569 --> 00:31:37,500
engineer bisque on a weapons engineer

704
00:31:36,180 --> 00:31:40,590
and then the chief of the National

705
00:31:37,500 --> 00:31:43,380
Police Dennis blancher Chris Christian

706
00:31:40,589 --> 00:31:46,740
mark Marshall the chief mining engineer

707
00:31:43,380 --> 00:31:49,320
and so forth this is non-trivial and

708
00:31:46,740 --> 00:31:52,259
this was a message sent from France to

709
00:31:49,319 --> 00:31:54,359
the OS through the press and they

710
00:31:52,259 --> 00:31:58,319
couldn't have made it clear because the

711
00:31:54,359 --> 00:32:00,959
key of summation of this report was this

712
00:31:58,319 --> 00:32:02,730
sentence a single hypothesis efficiently

713

00:32:00,960 --> 00:32:04,950
takes into account the facts and for the

714
00:32:02,730 --> 00:32:07,579
most part only calls for present-day

715
00:32:04,950 --> 00:32:10,200
science it is the hypothesis of

716
00:32:07,579 --> 00:32:14,220
extraterrestrial visitors these French

717
00:32:10,200 --> 00:32:15,740
military academics and security people

718
00:32:14,220 --> 00:32:20,009
are saying ufos or extraterrestrial

719
00:32:15,740 --> 00:32:21,569
hello and then they also said this i

720
00:32:20,009 --> 00:32:25,170
don't know how clear the message could

721
00:32:21,569 --> 00:32:27,210
be but in diplomatic language thus it

722
00:32:25,170 --> 00:32:29,519
would appear natural that in the mind of

723
00:32:27,210 --> 00:32:31,519
the US military leaders secrecy must be

724
00:32:29,519 --> 00:32:34,139
maintained as long as possible only

725
00:32:31,519 --> 00:32:36,089
increasing pressure from public opinion

726
00:32:34,140 --> 00:32:38,280
possibly supported by the results of

727
00:32:36,089 --> 00:32:41,220

independent researchers by more or less

728

00:32:38,279 --> 00:32:44,309

calculated disclosures or by a sudden

729

00:32:41,220 --> 00:32:46,319

rise in UFO manifestations might perhaps

730

00:32:44,309 --> 00:32:49,079

induce us leaders and persons of

731

00:32:46,319 --> 00:32:50,789

authority to change their stance boy

732

00:32:49,079 --> 00:32:52,619

that says it pretty clearly doesn't it

733

00:32:50,789 --> 00:32:55,889

now I don't know what the ETS are going

734

00:32:52,619 --> 00:32:58,019

to do right but I know that the public

735

00:32:55,890 --> 00:33:01,710

can do a lot and we're doing everything

736

00:32:58,019 --> 00:33:03,599

we can to get the public opinion to

737

00:33:01,710 --> 00:33:04,870

exert the pressure that this report

738

00:33:03,599 --> 00:33:07,240

suggests and

739

00:33:04,869 --> 00:33:09,369

in this truth embargo and of course this

740

00:33:07,240 --> 00:33:11,650

conference your presence and the media's

741

00:33:09,369 --> 00:33:12,849

presence from around Europe is testimony

742
00:33:11,650 --> 00:33:16,750
then of course that's exactly what's

743
00:33:12,849 --> 00:33:19,808
happening now but other countries have

744
00:33:16,750 --> 00:33:22,990
clearly made statements that we're

745
00:33:19,808 --> 00:33:25,119
getting on the disclosure train very

746
00:33:22,990 --> 00:33:28,240
significantly the United Kingdom starts

747
00:33:25,119 --> 00:33:31,569
releasing classified UFO files in 2003

748
00:33:28,240 --> 00:33:34,269
in step fashion every few months another

749
00:33:31,569 --> 00:33:36,970
batch generating another news cycle very

750
00:33:34,269 --> 00:33:39,190
wise very smart that's been going on now

751
00:33:36,970 --> 00:33:43,329
for six years thousands and thousands of

752
00:33:39,190 --> 00:33:46,120
UFO files then Mexico in 2004 released a

753
00:33:43,329 --> 00:33:48,189
report and the evidence of a possible

754
00:33:46,119 --> 00:33:50,649
sighting may not have been a UFO but

755
00:33:48,190 --> 00:33:53,529
whatever in a very formal way in a press

756
00:33:50,650 --> 00:33:55,840
conference in Mexico City to Mexican

757
00:33:53,529 --> 00:33:58,178
researchers including hyena song the

758
00:33:55,839 --> 00:33:59,829
message there was to the US it wasn't

759
00:33:58,179 --> 00:34:02,500
about whether that particular sighting

760
00:33:59,829 --> 00:34:03,909
was UFO or not UFO it was look there's

761
00:34:02,500 --> 00:34:05,920
no way we could do this unless the

762
00:34:03,910 --> 00:34:07,600
minister of defense of Mexico and the

763
00:34:05,920 --> 00:34:10,929
president of incentive foxit approved it

764
00:34:07,599 --> 00:34:13,929
so hello then Canada Paul Hellyer in

765
00:34:10,929 --> 00:34:15,909
2005 attends a symposium and based upon

766
00:34:13,929 --> 00:34:18,389
his assessment he's a very smart man and

767
00:34:15,909 --> 00:34:21,700
a former Deputy Prime Minister of Canada

768
00:34:18,389 --> 00:34:23,349
comes forward and says this is real this

769
00:34:21,699 --> 00:34:25,210
is real as the planes in the sky and

770

00:34:23,349 --> 00:34:26,940
Roswell was real and I've confirmed it

771
00:34:25,210 --> 00:34:29,230
with an American general that I know

772
00:34:26,940 --> 00:34:31,780
that took great courage and Paul is

773
00:34:29,230 --> 00:34:34,000
still pressing the issue he's a great

774
00:34:31,780 --> 00:34:35,679
man and then Canada a little more

775
00:34:34,000 --> 00:34:38,050
quietly than United Kingdom started

776
00:34:35,679 --> 00:34:39,398
releasing UFO files in 2006 and

777
00:34:38,050 --> 00:34:42,220
thousands of those files have been

778
00:34:39,398 --> 00:34:44,619
released in Brazil in 2005 formally

779
00:34:42,219 --> 00:34:46,928
begins cooperation with UFO researchers

780
00:34:44,619 --> 00:34:49,480
there this is this was an accomplishment

781
00:34:46,929 --> 00:34:52,780
of age I devoured a very important

782
00:34:49,480 --> 00:34:55,000
person in South American research and

783
00:34:52,780 --> 00:34:56,860
continues to do tremendous work and then

784
00:34:55,000 --> 00:34:59,139

started their own docket document

785

00:34:56,860 --> 00:35:00,490

release in 2006 a recent announcement

786

00:34:59,139 --> 00:35:03,129

more documents are about to come out

787

00:35:00,489 --> 00:35:05,769

again that can't happen without the

788

00:35:03,130 --> 00:35:07,740

formal approval of the minister defense

789

00:35:05,769 --> 00:35:11,139

of Brazil and the president of Brazil

790

00:35:07,739 --> 00:35:13,629

then Denmark releases documents in 2009

791

00:35:11,139 --> 00:35:15,940

earlier this year sweden had been

792

00:35:13,630 --> 00:35:17,950

releasing documents that became a little

793

00:35:15,940 --> 00:35:18,610

better known recently but they've been

794

00:35:17,949 --> 00:35:21,099

doing it for

795

00:35:18,610 --> 00:35:23,680

years thousands of documents and an

796

00:35:21,099 --> 00:35:25,719

article appeared in Russia today the

797

00:35:23,679 --> 00:35:28,419

vaad Mia presso reports as of two days

798

00:35:25,719 --> 00:35:30,480

ago that the Russian Navy has just

799
00:35:28,420 --> 00:35:33,130
started releasing classified documents

800
00:35:30,480 --> 00:35:36,210
regarding UFO sightings primarily from

801
00:35:33,130 --> 00:35:39,490
Navy ships and primarily involving

802
00:35:36,210 --> 00:35:41,800
submerged vehicles so Russia it appears

803
00:35:39,489 --> 00:35:44,679
is about to get on the disclosure train

804
00:35:41,800 --> 00:35:46,930
more countries are expected in all of

805
00:35:44,679 --> 00:35:50,559
this time the United States has done

806
00:35:46,929 --> 00:35:54,429
absolutely nothing now in this regard I

807
00:35:50,559 --> 00:35:56,559
want to mention something else that I

808
00:35:54,429 --> 00:35:59,559
think is notable and Paula talked about

809
00:35:56,559 --> 00:36:01,389
this there is a new venture that is

810
00:35:59,559 --> 00:36:04,509
starting right now it's underway right

811
00:36:01,389 --> 00:36:07,059
now and it is open minds productions

812
00:36:04,510 --> 00:36:10,480
which includes a television show and a

813
00:36:07,059 --> 00:36:12,869
magazine both of high quality a

814
00:36:10,480 --> 00:36:15,429
brand-new studio has been built and

815
00:36:12,869 --> 00:36:18,099
people are being hired to take this

816
00:36:15,429 --> 00:36:20,889
issue out but what's notable and why I'm

817
00:36:18,099 --> 00:36:24,279
bringing it up in this context is it is

818
00:36:20,889 --> 00:36:27,400
being created by Phoenix businessman and

819
00:36:24,280 --> 00:36:30,880
entrepreneur in full partnership with

820
00:36:27,400 --> 00:36:34,210
this man hi maemo song hi moo moo song

821
00:36:30,880 --> 00:36:36,039
is the best known research at journalist

822
00:36:34,210 --> 00:36:38,530
and researcher in UFO phenomena in the

823
00:36:36,039 --> 00:36:42,550
spanish-speaking world without question

824
00:36:38,530 --> 00:36:45,190
all right I I do not know the exact

825
00:36:42,550 --> 00:36:47,320
status of this issue in in Spain in

826
00:36:45,190 --> 00:36:50,289
terms of the awareness interest and what

827

00:36:47,320 --> 00:36:52,930
have you but in the spanish-speaking

828
00:36:50,289 --> 00:36:55,360
world the issue in Central America

829
00:36:52,929 --> 00:36:58,359
Mexico and South America is growing

830
00:36:55,360 --> 00:37:00,370
incredibly fast in much regard to as a

831
00:36:58,360 --> 00:37:02,410
result of humming with sahn's work he

832
00:37:00,369 --> 00:37:04,509
has acquired thousands of videos that

833
00:37:02,409 --> 00:37:06,879
are being taken all over Central America

834
00:37:04,510 --> 00:37:08,800
and some now in South America and the

835
00:37:06,880 --> 00:37:11,050
interest in the subject there amongst

836
00:37:08,800 --> 00:37:14,830
that I forget 800 million people is

837
00:37:11,050 --> 00:37:18,340
growing very rapidly and Jaime Musa is a

838
00:37:14,829 --> 00:37:20,650
full partner in this and this this

839
00:37:18,340 --> 00:37:23,769
activity will be of course international

840
00:37:20,650 --> 00:37:25,360
and is going to be clearly presented

841
00:37:23,769 --> 00:37:28,059

aggressively to the entire

842

00:37:25,360 --> 00:37:31,450

spanish-speaking world and could explain

843

00:37:28,059 --> 00:37:32,380

now in as part of the the ramp up they

844

00:37:31,449 --> 00:37:35,108

have already hired

845

00:37:32,380 --> 00:37:37,420

mauricio beata of italy to edit the

846

00:37:35,108 --> 00:37:39,759

magazine he has a reputation of creating

847

00:37:37,420 --> 00:37:42,400

extraordinarily fine high quality

848

00:37:39,759 --> 00:37:45,849

magazines they have just hired Antonio

849

00:37:42,400 --> 00:37:47,920

næss who was involved in some of the UFO

850

00:37:45,849 --> 00:37:50,318

the UN worked back there a long time

851

00:37:47,920 --> 00:37:51,490

journalists and researcher he's back in

852

00:37:50,318 --> 00:37:54,548

the game and wants to say hello to

853

00:37:51,489 --> 00:37:56,528

everybody and also Paula Harris is going

854

00:37:54,548 --> 00:37:59,079

to be contributing to this magazine they

855

00:37:56,528 --> 00:38:00,818

are building a multilingual there's like

856
00:37:59,079 --> 00:38:03,778
six languages represented there they're

857
00:38:00,818 --> 00:38:06,338
build a multilingual team to create this

858
00:38:03,778 --> 00:38:07,798
show and magazine that will go to the

859
00:38:06,338 --> 00:38:10,480
United States and everywhere else

860
00:38:07,798 --> 00:38:13,838
particularly into the spanish-speaking

861
00:38:10,480 --> 00:38:16,869
world this is of course another example

862
00:38:13,838 --> 00:38:19,630
of what's going on now let's get to the

863
00:38:16,869 --> 00:38:21,849
meat let's get to why I believe things

864
00:38:19,630 --> 00:38:24,910
are about to happen a very important

865
00:38:21,849 --> 00:38:28,990
event took place in 1993 it has come to

866
00:38:24,909 --> 00:38:30,759
be called the rockefeller initiative it

867
00:38:28,989 --> 00:38:33,338
was not covered at the time it was

868
00:38:30,759 --> 00:38:37,659
virtually ignored but it didn't go away

869
00:38:33,338 --> 00:38:39,130
thanks to many people the principles

870
00:38:37,659 --> 00:38:41,048
that were there of course many of whom

871
00:38:39,130 --> 00:38:43,358
are still living but also this gentleman

872
00:38:41,048 --> 00:38:45,130
an unassuming researcher from Canada

873
00:38:43,358 --> 00:38:48,940
named grant Cameron and a colleague of

874
00:38:45,130 --> 00:38:51,640
mine he took a hold of the issue of UFOs

875
00:38:48,940 --> 00:38:54,940
and the US presidents created a website

876
00:38:51,639 --> 00:38:57,639
called presidential UFO calm and started

877
00:38:54,940 --> 00:38:59,230
archiving everything he could about this

878
00:38:57,639 --> 00:39:02,409
connection between US presidents and

879
00:38:59,230 --> 00:39:04,028
UFOs and also did something very

880
00:39:02,409 --> 00:39:08,018
important he filed a Freedom of

881
00:39:04,028 --> 00:39:09,608
Information Act request of information

882
00:39:08,018 --> 00:39:12,038
in the Office of Science and Technology

883
00:39:09,608 --> 00:39:14,980
Policy in the Clinton administration he

884

00:39:12,039 --> 00:39:16,720
filed this in two thousand asking for

885
00:39:14,980 --> 00:39:18,190
everything regarding UFOs the

886
00:39:16,719 --> 00:39:22,088
Rockefeller initiative and so forth and

887
00:39:18,190 --> 00:39:24,099
so forth and got lucky they were asleep

888
00:39:22,088 --> 00:39:26,230
at the switch or whatever he got back a

889
00:39:24,099 --> 00:39:29,048
thousand pages of documents confirming

890
00:39:26,230 --> 00:39:31,469
everything and of course we have been

891
00:39:29,048 --> 00:39:34,179
working with those and for some time and

892
00:39:31,469 --> 00:39:35,288
they form the backbone of the

893
00:39:34,179 --> 00:39:36,518
confirmation of the Rockefeller

894
00:39:35,289 --> 00:39:39,220
initiative and the Rockefeller

895
00:39:36,518 --> 00:39:41,709
initiative forms the backbone of the

896
00:39:39,219 --> 00:39:43,689
political process underway now which I

897
00:39:41,710 --> 00:39:45,999
believe leads to disclosure the

898
00:39:43,690 --> 00:39:47,769

principles in the Rockefeller initiative

899

00:39:45,998 --> 00:39:49,298

an attempt by launched Rockefeller to

900

00:39:47,768 --> 00:39:51,758

make Bill Clinton the disclosure

901

00:39:49,298 --> 00:39:53,768

president all right actually would have

902

00:39:51,759 --> 00:39:56,858

been whoever won that election but Bill

903

00:39:53,768 --> 00:39:59,618

Clinton won so he got approached they

904

00:39:56,858 --> 00:40:02,648

were of course laurance rockefeller his

905

00:39:59,619 --> 00:40:07,629

attorney Henry diamond CB scott jones

906

00:40:02,648 --> 00:40:09,518

military intelligence army dick folly a

907

00:40:07,628 --> 00:40:11,768

journalist working for CB scott jones

908

00:40:09,518 --> 00:40:13,958

and the head of the Office of Science

909

00:40:11,768 --> 00:40:17,018

and Technology Policy dr. John Gibbons

910

00:40:13,958 --> 00:40:18,908

these were the key principles in dealing

911

00:40:17,018 --> 00:40:21,038

with that engagement by rockefeller of

912

00:40:18,909 --> 00:40:22,719

the clinton administration that went on

913
00:40:21,039 --> 00:40:24,759
for three years but there were two other

914
00:40:22,719 --> 00:40:27,699
principals involved that are pretty well

915
00:40:24,759 --> 00:40:30,128
known to you this gentleman President

916
00:40:27,699 --> 00:40:32,949
Bill Clinton and this woman First Lady

917
00:40:30,128 --> 00:40:35,199
Hillary Clinton now while all of this

918
00:40:32,949 --> 00:40:36,548
went on for three years there were well

919
00:40:35,199 --> 00:40:38,289
and there were other principals involved

920
00:40:36,548 --> 00:40:40,079
secondary principals that are referred

921
00:40:38,289 --> 00:40:43,119
to in these documents they include

922
00:40:40,079 --> 00:40:46,119
webster hubbell the appointed associate

923
00:40:43,119 --> 00:40:50,159
attorney general at the time melvin

924
00:40:46,119 --> 00:40:50,159
laird former Secretary of Defense

925
00:40:50,639 --> 00:40:56,439
Claiborne Pell senator Claiborne Pell

926
00:40:53,068 --> 00:40:58,688
senator patty Murray and the Secretary

927
00:40:56,438 --> 00:41:00,728
of Air Force Sheila whitnall now while

928
00:40:58,688 --> 00:41:02,259
all those was going on there were people

929
00:41:00,728 --> 00:41:04,868
watching it that knew it was happening

930
00:41:02,259 --> 00:41:07,898
and were paying attention I call him the

931
00:41:04,869 --> 00:41:09,759
Watchers and they are these people one

932
00:41:07,898 --> 00:41:12,998
the vice president during the

933
00:41:09,759 --> 00:41:15,458
Rockefeller initiative Albert Gore a key

934
00:41:12,998 --> 00:41:18,759
advisor to President Clinton and his

935
00:41:15,458 --> 00:41:20,858
eventual chief of staff John Podesta the

936
00:41:18,759 --> 00:41:22,269
a close friend of the Clintons a member

937
00:41:20,858 --> 00:41:24,338
of Congress who went on to become his

938
00:41:22,268 --> 00:41:26,048
secretary of energy and the ambassador

939
00:41:24,338 --> 00:41:29,938
to the UN now governor of New Mexico

940
00:41:26,048 --> 00:41:34,148
bill richardson got the congressman from

941

00:41:29,938 --> 00:41:35,828
New Mexico Stephen ship and the chief of

942
00:41:34,148 --> 00:41:38,679
staff to Bill Clinton during the

943
00:41:35,829 --> 00:41:40,389
Rockefeller initiative Leon Panetta you

944
00:41:38,679 --> 00:41:42,759
may know some of these people you may

945
00:41:40,389 --> 00:41:44,739
have heard their names they knew about

946
00:41:42,759 --> 00:41:47,978
the Rockefeller initiative they saw it

947
00:41:44,739 --> 00:41:50,769
going on they have never talked about it

948
00:41:47,978 --> 00:41:52,928
since though Steven shift has passed on

949
00:41:50,768 --> 00:41:55,478
now there were many researchers involved

950
00:41:52,929 --> 00:41:58,139
in various times and points in various

951
00:41:55,478 --> 00:41:59,299
ways again it was a three year process

952
00:41:58,139 --> 00:42:01,849
just

953
00:41:59,300 --> 00:42:03,830
give you a quick run-through and there

954
00:42:01,849 --> 00:42:05,480
may be some people missing here but the

955
00:42:03,829 --> 00:42:08,869

researchers included Don Berliner and

956

00:42:05,480 --> 00:42:10,789

Tonio Linnaeus the late dr. Richard Hall

957

00:42:08,869 --> 00:42:15,079

a Richert Hall he died just a few days

958

00:42:10,789 --> 00:42:19,369

ago Robert eats the late dr. John Mack

959

00:42:15,079 --> 00:42:23,719

dr. Leo sprinkle dr. Steven Greer dr.

960

00:42:19,369 --> 00:42:26,750

Bruce Maccabee Linda Moulton Howe dr.

961

00:42:23,719 --> 00:42:29,779

Jacques valet Colin Andrews Victoria

962

00:42:26,750 --> 00:42:31,250

Alexander and call flock a lot of PhDs

963

00:42:29,780 --> 00:42:33,530

in there and there were other people

964

00:42:31,250 --> 00:42:35,570

there were there was a meeting at

965

00:42:33,530 --> 00:42:38,510

Rockefellers ranch of these researchers

966

00:42:35,570 --> 00:42:40,670

to plan strategy right but there were

967

00:42:38,510 --> 00:42:43,160

other meetings at Rockefeller ranch and

968

00:42:40,670 --> 00:42:45,289

the people that attended oh I left out

969

00:42:43,159 --> 00:42:47,750

dr. Richard Boylan as well the people

970
00:42:45,289 --> 00:42:50,239
that attended that meeting that met with

971
00:42:47,750 --> 00:42:53,150
Rockefeller at his ranch were Bill and

972
00:42:50,239 --> 00:42:55,459
Hillary Clinton during that period 1995

973
00:42:53,150 --> 00:42:57,200
and we know this because we have news

974
00:42:55,460 --> 00:42:59,329
articles confirming it this is one from

975
00:42:57,199 --> 00:43:03,649
the New York Times but we've also got

976
00:42:59,329 --> 00:43:05,869
two photos of Hillary there in 1995 with

977
00:43:03,650 --> 00:43:08,570
laurance rockefeller and down here is a

978
00:43:05,869 --> 00:43:10,609
difficult photo to see this is Bill

979
00:43:08,570 --> 00:43:12,410
Clinton at the ranch with launch

980
00:43:10,610 --> 00:43:14,360
rockefeller close friend of the family

981
00:43:12,409 --> 00:43:17,509
and this is launched rockefeller with

982
00:43:14,360 --> 00:43:19,880
Bill Clinton the Oval Office laurance

983
00:43:17,510 --> 00:43:22,340
rockefeller a billionaire son of john

984
00:43:19,880 --> 00:43:24,860
dee was trying to get Bill Clinton to be

985
00:43:22,340 --> 00:43:26,870
the disclosure president an effort have

986
00:43:24,860 --> 00:43:28,430
been going on for two years I can I

987
00:43:26,869 --> 00:43:31,130
think that when Bill and Hillary Clinton

988
00:43:28,429 --> 00:43:34,940
came to his ranch I think that subject

989
00:43:31,130 --> 00:43:37,460
came up and was discussed again she and

990
00:43:34,940 --> 00:43:40,099
Bill Clinton have never been asked about

991
00:43:37,460 --> 00:43:43,880
it or said a thing about it since then

992
00:43:40,099 --> 00:43:46,309
now in addition to President in addition

993
00:43:43,880 --> 00:43:48,200
to presidential UFO calm I have a

994
00:43:46,309 --> 00:43:49,969
section at my website paradigm research

995
00:43:48,199 --> 00:43:51,769
group thorge devoted to the rockefeller

996
00:43:49,969 --> 00:43:56,419
initiative where you can see much of

997
00:43:51,769 --> 00:43:59,420
this and but more importantly 173 of the

998

00:43:56,420 --> 00:44:01,730
key documents are there as well there is

999
00:43:59,420 --> 00:44:03,680
a thumbnails page that goes on way down

1000
00:44:01,730 --> 00:44:05,900
here and then you clip and you can go

1001
00:44:03,679 --> 00:44:07,460
and read the key rockefeller initiative

1002
00:44:05,900 --> 00:44:10,519
documents and see this whole thing

1003
00:44:07,460 --> 00:44:12,960
unfold now I can assure you that a

1004
00:44:10,519 --> 00:44:15,849
billionaire approaching a pres

1005
00:44:12,960 --> 00:44:18,970
formerly through an executive office of

1006
00:44:15,849 --> 00:44:20,889
the white house is big news and it was

1007
00:44:18,969 --> 00:44:24,339
not covered that's all you need to know

1008
00:44:20,889 --> 00:44:26,769
about truth embargo alright but thanks

1009
00:44:24,340 --> 00:44:29,050
to the Internet we've got at all and so

1010
00:44:26,769 --> 00:44:34,269
it isn't going away and it will be

1011
00:44:29,050 --> 00:44:36,130
covered all right now but there are two

1012
00:44:34,269 --> 00:44:38,590

documents that are of note now you

1013

00:44:36,130 --> 00:44:39,940

cannot read these but but i just want to

1014

00:44:38,590 --> 00:44:42,730

mention these and these are up there and

1015

00:44:39,940 --> 00:44:45,340

these will definitely be playing a role

1016

00:44:42,730 --> 00:44:48,880

in coming coming weeks this is a letter

1017

00:44:45,340 --> 00:44:53,019

from a jack Gibbons to laurance

1018

00:44:48,880 --> 00:44:55,329

rockefeller a rather I'm sorry this is a

1019

00:44:53,019 --> 00:44:57,969

letter from laurance rockefeller to John

1020

00:44:55,329 --> 00:44:59,559

Gibbons and it starts off with this very

1021

00:44:57,969 --> 00:45:01,809

interesting sentence dear jack attached

1022

00:44:59,559 --> 00:45:04,059

are a draft letter to the president

1023

00:45:01,809 --> 00:45:07,239

which Lawrence has made them from his

1024

00:45:04,059 --> 00:45:10,900

attorney Lawrence has been discussing

1025

00:45:07,239 --> 00:45:12,909

with mrs. Clinton and her staff and to a

1026

00:45:10,900 --> 00:45:15,940

draft report on the best evidence about

1027
00:45:12,909 --> 00:45:17,049
UFOs well there you go Hillary Clinton

1028
00:45:15,940 --> 00:45:19,000
and her staff were involved in the

1029
00:45:17,050 --> 00:45:22,120
Rockefeller initiative and then next

1030
00:45:19,000 --> 00:45:24,519
year in 1996 there's a letter of from

1031
00:45:22,119 --> 00:45:27,219
launch Rockefeller to Jack or John

1032
00:45:24,519 --> 00:45:29,800
Gibbons the head of ostp and down here

1033
00:45:27,219 --> 00:45:31,629
in the fourth paragraph it says you

1034
00:45:29,800 --> 00:45:34,120
indicated that you will keep the first

1035
00:45:31,630 --> 00:45:38,530
lady's office in form and we shall as

1036
00:45:34,119 --> 00:45:42,069
well okay so Rockefeller initiative

1037
00:45:38,530 --> 00:45:44,050
happened major people were involved the

1038
00:45:42,070 --> 00:45:47,010
press did not cover it we have the

1039
00:45:44,050 --> 00:45:51,240
record and so that is the basis for the

1040
00:45:47,010 --> 00:45:55,000
political media engaging the issue now

1041
00:45:51,239 --> 00:45:58,449
right Leon Panetta went on to become the

1042
00:45:55,000 --> 00:46:00,099
CIA director Bill Richardson still the

1043
00:45:58,449 --> 00:46:02,379
governor of New Mexico but he ran for

1044
00:46:00,099 --> 00:46:04,869
president was a significant candidate

1045
00:46:02,380 --> 00:46:08,110
could have been picked as Vice President

1046
00:46:04,869 --> 00:46:11,529
Bill Clinton of course is a major power

1047
00:46:08,110 --> 00:46:13,210
in the Democratic Party and clearly part

1048
00:46:11,530 --> 00:46:16,300
of the administration in one way or

1049
00:46:13,210 --> 00:46:19,869
another this is non-trivial and none of

1050
00:46:16,300 --> 00:46:21,550
these people have ever been asked a

1051
00:46:19,869 --> 00:46:24,429
single question about the Rockefeller

1052
00:46:21,550 --> 00:46:25,809
initiative this is this is key so I

1053
00:46:24,429 --> 00:46:28,989
believe

1054
00:46:25,809 --> 00:46:31,028
my assessment is is that when the

1055

00:46:28,989 --> 00:46:32,889
democrats lost the election in two

1056
00:46:31,028 --> 00:46:35,588
thousand they made the decision that

1057
00:46:32,889 --> 00:46:37,778
when they got in power again they were

1058
00:46:35,588 --> 00:46:39,159
going to execute the disclosure event

1059
00:46:37,778 --> 00:46:41,259
they were going to do at rockefeller

1060
00:46:39,159 --> 00:46:45,399
wanted them to do it couldn't happen in

1061
00:46:41,259 --> 00:46:46,869
93 296 all right and there's there's a

1062
00:46:45,400 --> 00:46:48,818
reason there's there's another factor

1063
00:46:46,869 --> 00:46:51,459
here I'll talk about that in a second so

1064
00:46:48,818 --> 00:46:53,108
things started happening after Bill

1065
00:46:51,458 --> 00:46:55,118
Clinton leaves office on January the

1066
00:46:53,108 --> 00:46:57,998
twentieth two thousand one and one of

1067
00:46:55,119 --> 00:47:02,289
the most notable was that in the summer

1068
00:46:57,998 --> 00:47:05,139
of 2002 the sci-fi channel starts

1069
00:47:02,289 --> 00:47:07,509

ramping up a major production about the

1070

00:47:05,139 --> 00:47:09,518

abduction phenomena backed by Steven

1071

00:47:07,509 --> 00:47:11,998

Spielberg called taken and they made the

1072

00:47:09,518 --> 00:47:14,288

decision to literally create a

1073

00:47:11,998 --> 00:47:16,838

non-governmental organization to address

1074

00:47:14,289 --> 00:47:18,880

the issue using their money as kind of a

1075

00:47:16,838 --> 00:47:21,308

goodwill guest you're at a positive

1076

00:47:18,880 --> 00:47:23,410

thing but also to help promote this a

1077

00:47:21,309 --> 00:47:26,650

huge miniseries in fact it's one of the

1078

00:47:23,409 --> 00:47:30,159

largest miniseries ever and so they

1079

00:47:26,650 --> 00:47:31,869

created in the late summer fall of 2002

1080

00:47:30,159 --> 00:47:34,088

the Coalition for freedom of information

1081

00:47:31,869 --> 00:47:36,670

and held a press conference October 22

1082

00:47:34,088 --> 00:47:39,630

2002 which I attended and the first

1083

00:47:36,670 --> 00:47:43,449

person that spoke was John Podesta

1084
00:47:39,630 --> 00:47:45,400
remember him and it was there that he

1085
00:47:43,449 --> 00:47:48,219
made the statement about releasing all

1086
00:47:45,400 --> 00:47:50,889
UFO documents that pola referred to and

1087
00:47:48,219 --> 00:47:53,229
they also announced that his brothers PR

1088
00:47:50,889 --> 00:47:54,879
firm keeping it in the family was going

1089
00:47:53,228 --> 00:47:56,498
to represent the Coalition for freedom

1090
00:47:54,880 --> 00:47:58,568
of information so you might say that

1091
00:47:56,498 --> 00:48:00,968
Podesta was clearly getting on the

1092
00:47:58,568 --> 00:48:03,219
disclosure train they also hired a K

1093
00:48:00,969 --> 00:48:05,019
Street law firm to represent this is big

1094
00:48:03,219 --> 00:48:06,699
time they spent between a half a main

1095
00:48:05,018 --> 00:48:09,879
and a million dollars pursuing this

1096
00:48:06,699 --> 00:48:11,949
issue in Washington and at that press

1097
00:48:09,880 --> 00:48:15,009
conference repeating what you heard

1098
00:48:11,949 --> 00:48:17,829
earlier John Podesta made this fateful

1099
00:48:15,009 --> 00:48:19,420
statement whether he I'm sure he knew it

1100
00:48:17,829 --> 00:48:21,489
was going to be preserved and it was

1101
00:48:19,420 --> 00:48:23,499
going to be around I think he's a very

1102
00:48:21,489 --> 00:48:25,989
very smart man he knew exactly what he

1103
00:48:23,498 --> 00:48:27,938
was doing and it was when it was then

1104
00:48:25,989 --> 00:48:29,559
that he said I think it's time to open

1105
00:48:27,938 --> 00:48:31,688
the books on the questions that have

1106
00:48:29,559 --> 00:48:33,219
remained in the dark on the questions of

1107
00:48:31,688 --> 00:48:35,048
government investigation of UFOs we

1108
00:48:33,219 --> 00:48:36,608
ought to do it because the American

1109
00:48:35,048 --> 00:48:39,219
people quite frankly can handle the

1110
00:48:36,608 --> 00:48:39,519
truth and we ought to do it because it's

1111
00:48:39,219 --> 00:48:43,150
the

1112

00:48:39,519 --> 00:48:45,070
and he also stated he also restated this

1113
00:48:43,150 --> 00:48:47,710
again at another press conference in

1114
00:48:45,070 --> 00:48:49,390
2003 where he added it is time for the

1115
00:48:47,710 --> 00:48:51,190
government's to declassify records that

1116
00:48:49,389 --> 00:48:52,509
are more than 25 years old and to

1117
00:48:51,190 --> 00:48:53,950
provide scientists with data that will

1118
00:48:52,510 --> 00:48:56,920
assist in determining the real nature of

1119
00:48:53,949 --> 00:48:58,809
this phenomena this is a significant

1120
00:48:56,920 --> 00:49:01,900
thing that happened then but it wasn't

1121
00:48:58,809 --> 00:49:03,880
all that happened right John Podesta 13

1122
00:49:01,900 --> 00:49:07,059
days after he made that statement in

1123
00:49:03,880 --> 00:49:09,510
October of 2002 announced the creation

1124
00:49:07,059 --> 00:49:11,619
of the center of American Progress

1125
00:49:09,510 --> 00:49:13,630
left-of-center progressive think tank

1126
00:49:11,619 --> 00:49:15,880

which is now a big deal in Washington it

1127

00:49:13,630 --> 00:49:18,130

was created deliberately to counter the

1128

00:49:15,880 --> 00:49:21,250

influence of the Heritage Foundation the

1129

00:49:18,130 --> 00:49:23,619

American Enterprise Institute and now

1130

00:49:21,250 --> 00:49:25,510

it's a major player and he raised

1131

00:49:23,619 --> 00:49:27,190

20-some million dollars in commitments

1132

00:49:25,510 --> 00:49:30,160

to do it and the principal Thunder was

1133

00:49:27,190 --> 00:49:32,740

this man George Soros the largest backer

1134

00:49:30,159 --> 00:49:34,839

of the Democratic Party for the last 12

1135

00:49:32,739 --> 00:49:38,619

years he made a fortune and currency

1136

00:49:34,840 --> 00:49:41,019

arbitrage he was the 2005 the 28th

1137

00:49:38,619 --> 00:49:44,679

richest person in the world was 7.2

1138

00:49:41,019 --> 00:49:48,550

billion dollars whether you whatever you

1139

00:49:44,679 --> 00:49:51,730

think of George Soros know this he he

1140

00:49:48,550 --> 00:49:55,060

escaped Germany with his family had a

1141
00:49:51,730 --> 00:49:57,250
very interesting past suffered and then

1142
00:49:55,059 --> 00:49:59,110
became very successful he is trying to

1143
00:49:57,250 --> 00:50:02,860
give back because for the last 25 years

1144
00:49:59,110 --> 00:50:05,140
his number one issue which he has tried

1145
00:50:02,860 --> 00:50:08,320
to spread by creating organizations all

1146
00:50:05,139 --> 00:50:10,210
over the world is this open transparent

1147
00:50:08,320 --> 00:50:15,880
government does that sound familiar to

1148
00:50:10,210 --> 00:50:17,409
you all right so then in 2004 this

1149
00:50:15,880 --> 00:50:19,720
gentleman remember him bill Richardson

1150
00:50:17,409 --> 00:50:22,269
writes a forward to a book called the

1151
00:50:19,719 --> 00:50:25,959
Roswell big Diaries in which he states

1152
00:50:22,269 --> 00:50:28,239
this the mystery surrounding this crash

1153
00:50:25,960 --> 00:50:29,769
at Roswell has never been adequately

1154
00:50:28,239 --> 00:50:31,149
explained not by independent

1155
00:50:29,769 --> 00:50:34,059
investigators and not by the US

1156
00:50:31,150 --> 00:50:35,289
government whoa he just said that it

1157
00:50:34,059 --> 00:50:37,239
hasn't been explained the Air Force says

1158
00:50:35,289 --> 00:50:39,190
it has he is just contradicted the

1159
00:50:37,239 --> 00:50:40,929
United States Air Force it would have

1160
00:50:39,190 --> 00:50:43,450
everyone if the US government disclosed

1161
00:50:40,929 --> 00:50:46,149
everything it knows with full disclosure

1162
00:50:43,449 --> 00:50:47,949
there's that word and all best

1163
00:50:46,150 --> 00:50:49,599
scientific investigation we should be

1164
00:50:47,949 --> 00:50:52,558
able to find out what happened on that

1165
00:50:49,599 --> 00:50:53,788
fateful day in July of 1947 he

1166
00:50:52,559 --> 00:50:56,670
people can handle the truth

1167
00:50:53,789 --> 00:50:58,589
remember what Podesta said no matter how

1168
00:50:56,670 --> 00:51:01,650
bizarre a mundane and contrary to what

1169

00:50:58,588 --> 00:51:03,119
you see in the movies ill Richardson was

1170
00:51:01,650 --> 00:51:05,278
getting on the disclosure train the

1171
00:51:03,119 --> 00:51:08,338
Democrats were fully convinced they were

1172
00:51:05,278 --> 00:51:10,409
going to win that election in 2004 they

1173
00:51:08,338 --> 00:51:13,558
were turning out huge numbers of voters

1174
00:51:10,409 --> 00:51:15,088
new voters because the Democrats felt

1175
00:51:13,559 --> 00:51:18,420
that the Bush administration was not

1176
00:51:15,088 --> 00:51:21,179
going all that well but the Republicans

1177
00:51:18,420 --> 00:51:22,829
very good themselves counted that voter

1178
00:51:21,179 --> 00:51:24,748
registration drive with their own a

1179
00:51:22,829 --> 00:51:27,509
voter registration drive primarily based

1180
00:51:24,748 --> 00:51:30,688
around the gay marriage issue and they

1181
00:51:27,509 --> 00:51:32,219
won that election in ohio and so the

1182
00:51:30,688 --> 00:51:34,768
democrats were kept out of office for

1183
00:51:32,219 --> 00:51:36,989

four more years and you didn't hear any

1184

00:51:34,768 --> 00:51:40,318

more about this from Podesta or bill

1185

00:51:36,989 --> 00:51:42,389

Richardson right understandable but I

1186

00:51:40,318 --> 00:51:43,949

again believed that they had made the

1187

00:51:42,389 --> 00:51:45,568

commitment at some deeper level in the

1188

00:51:43,949 --> 00:51:47,099

Democratic Party that they were going to

1189

00:51:45,568 --> 00:51:50,608

disclose when they get back in office

1190

00:51:47,099 --> 00:51:52,259

and that of course brings us to the next

1191

00:51:50,608 --> 00:51:55,139

election but before we go there we have

1192

00:51:52,259 --> 00:51:56,519

to go here everybody know what that is

1193

00:51:55,139 --> 00:51:57,538

you know what that is right they sell

1194

00:51:56,518 --> 00:51:59,758

these all over the world don't take

1195

00:51:57,539 --> 00:52:03,239

Cracker Jack you know Cracker Jacks yes

1196

00:51:59,759 --> 00:52:06,989

oh I hope so Cracker Jacks been around

1197

00:52:03,239 --> 00:52:11,269

forever you get a prize you know NM get

1198
00:52:06,989 --> 00:52:14,188
the little toy surprise so there is a

1199
00:52:11,268 --> 00:52:16,669
reason there is something in this for

1200
00:52:14,188 --> 00:52:21,328
everybody and that's an important thing

1201
00:52:16,670 --> 00:52:23,909
what why why is that so look right now

1202
00:52:21,329 --> 00:52:27,778
the average person out there is working

1203
00:52:23,909 --> 00:52:29,818
hard and losing ground people are

1204
00:52:27,778 --> 00:52:33,958
worried about their pension their job

1205
00:52:29,818 --> 00:52:35,880
their house right we have a major

1206
00:52:33,958 --> 00:52:37,768
economic crisis and so it's perfectly

1207
00:52:35,880 --> 00:52:41,429
appropriate appropriate for anybody to

1208
00:52:37,768 --> 00:52:44,608
say look et's disclosure whatever what's

1209
00:52:41,429 --> 00:52:48,599
in it for me right why should I care I

1210
00:52:44,608 --> 00:52:51,929
got a lot of trouble here well there is

1211
00:52:48,599 --> 00:52:54,179
a prize in all of this and it has been

1212
00:52:51,929 --> 00:52:56,130
talked about already I'm not going to go

1213
00:52:54,179 --> 00:52:58,489
into it in great detail but I want to

1214
00:52:56,130 --> 00:53:03,778
re-emphasize it there is a prize this is

1215
00:52:58,489 --> 00:53:05,458
very significant and it is this going to

1216
00:53:03,778 --> 00:53:06,630
back up to that it is of course the

1217
00:53:05,458 --> 00:53:08,788
technology the

1218
00:53:06,630 --> 00:53:11,880
technology it's this simple right simple

1219
00:53:08,789 --> 00:53:13,380
logic the evidence is compelling that

1220
00:53:11,880 --> 00:53:15,930
the United States if not other

1221
00:53:13,380 --> 00:53:19,380
governments have crashed vehicle shot

1222
00:53:15,929 --> 00:53:21,328
down or crashed et vehicles and whom

1223
00:53:19,380 --> 00:53:23,730
will tell me that the government simply

1224
00:53:21,329 --> 00:53:25,619
buried them in the ground and didn't

1225
00:53:23,730 --> 00:53:28,048
spend every dollar it could to try to

1226

00:53:25,619 --> 00:53:29,940
understand everything they could from

1227
00:53:28,048 --> 00:53:31,858
those vehicles of course they did and

1228
00:53:29,940 --> 00:53:33,750
they've been spending billions for 60

1229
00:53:31,858 --> 00:53:35,699
years trying to understand the

1230
00:53:33,750 --> 00:53:38,460
propulsion system trying to understand

1231
00:53:35,699 --> 00:53:40,348
the energy system and I think we can

1232
00:53:38,460 --> 00:53:43,798
safely assume that both of those are new

1233
00:53:40,349 --> 00:53:45,900
physics and we have to have that physics

1234
00:53:43,798 --> 00:53:47,670
we have pushed things to the limit we

1235
00:53:45,900 --> 00:53:50,400
need new technology I know it would be

1236
00:53:47,670 --> 00:53:52,710
nice if we could all just go live in the

1237
00:53:50,400 --> 00:53:54,750
countryside and grow a little garden and

1238
00:53:52,710 --> 00:53:56,608
and take the pressure off the world but

1239
00:53:54,750 --> 00:53:59,309
that's not going to happen we have to

1240
00:53:56,608 --> 00:54:01,619

have technological solutions and as long

1241

00:53:59,309 --> 00:54:04,079

as the truth embargo is in place that

1242

00:54:01,619 --> 00:54:06,509

technology is not coming out it sits in

1243

00:54:04,079 --> 00:54:09,269

government labs deep down being

1244

00:54:06,509 --> 00:54:11,338

researched possibly for weapons use but

1245

00:54:09,268 --> 00:54:14,758

not for lowering your energy costs by 99

1246

00:54:11,338 --> 00:54:17,818

percent not for making it possible to

1247

00:54:14,759 --> 00:54:19,469

feed clothe and irrigate land and solve

1248

00:54:17,818 --> 00:54:21,929

human condition it is therefore

1249

00:54:19,469 --> 00:54:23,939

government purposes only and until the

1250

00:54:21,929 --> 00:54:27,088

truth embargo ends that technology is

1251

00:54:23,940 --> 00:54:28,858

not going to come out that's the reason

1252

00:54:27,088 --> 00:54:33,449

why there's something in it for everyone

1253

00:54:28,858 --> 00:54:35,038

now a little side note right in 2004

1254

00:54:33,449 --> 00:54:39,960

remember that ramp up I was telling you

1255
00:54:35,039 --> 00:54:41,430
about all right the Podesta comes out

1256
00:54:39,960 --> 00:54:43,440
calls for the release of all UFO

1257
00:54:41,429 --> 00:54:47,219
documents does it again do Richardson

1258
00:54:43,440 --> 00:54:49,079
comes out in 2004 before the election

1259
00:54:47,219 --> 00:54:51,118
another press conference was held at the

1260
00:54:49,079 --> 00:54:54,000
national press club I attended every

1261
00:54:51,119 --> 00:54:57,000
group left of center in the United

1262
00:54:54,000 --> 00:54:59,548
States was there to back a new big

1263
00:54:57,000 --> 00:55:04,500
program called the new Apollo project

1264
00:54:59,548 --> 00:55:07,288
right and the idea was simple huge money

1265
00:55:04,500 --> 00:55:11,309
was going to be spent like an FDR new

1266
00:55:07,289 --> 00:55:15,000
deal from the 1930s on green technology

1267
00:55:11,309 --> 00:55:17,690
of every conceivable kind this was going

1268
00:55:15,000 --> 00:55:20,190
to generate huge newer businesses

1269
00:55:17,690 --> 00:55:26,400
technology

1270
00:55:20,190 --> 00:55:28,108
jobs and we rebuild the American economy

1271
00:55:26,400 --> 00:55:30,300
was going to turn everything around and

1272
00:55:28,108 --> 00:55:32,159
it was called the new Apollo project it

1273
00:55:30,300 --> 00:55:35,970
would be like the Apollo a project which

1274
00:55:32,159 --> 00:55:38,009
in six years put someone on the moon was

1275
00:55:35,969 --> 00:55:39,449
a very big program and that was they

1276
00:55:38,010 --> 00:55:40,410
were going to do it if they won the

1277
00:55:39,449 --> 00:55:43,769
election but they didn't win the

1278
00:55:40,409 --> 00:55:45,539
election and so they shelved it they

1279
00:55:43,769 --> 00:55:48,329
took the idea and they put it over on a

1280
00:55:45,539 --> 00:55:50,250
website called the Apollo alliance org

1281
00:55:48,329 --> 00:55:52,980
now here is a picture of Hillary Clinton

1282
00:55:50,250 --> 00:55:55,108
and who is kind of speaking right during

1283

00:55:52,980 --> 00:55:57,869
the election right this is going back

1284
00:55:55,108 --> 00:55:59,400
and this is a brief mention here she has

1285
00:55:57,869 --> 00:56:02,280
the Apollo alliance in the background

1286
00:55:59,400 --> 00:56:05,190
she's talking about clean energy that

1287
00:56:02,280 --> 00:56:06,960
was their idea and I firmly believe at

1288
00:56:05,190 --> 00:56:09,300
the heart of the new Apollo project

1289
00:56:06,960 --> 00:56:12,269
which they couldn't save in was in

1290
00:56:09,300 --> 00:56:14,849
addition to funding a massive new

1291
00:56:12,269 --> 00:56:17,009
creation of green technology and

1292
00:56:14,849 --> 00:56:19,440
businesses that will change not only

1293
00:56:17,010 --> 00:56:22,200
America but the world they were going to

1294
00:56:19,440 --> 00:56:25,139
bring the et tech into it right that

1295
00:56:22,199 --> 00:56:28,649
would be the ace in the hole a standing

1296
00:56:25,139 --> 00:56:29,940
for alien it's a big plan and I think it

1297
00:56:28,650 --> 00:56:32,460

would have worked but they lost that

1298

00:56:29,940 --> 00:56:34,950

election when they got back in the

1299

00:56:32,460 --> 00:56:36,960

economy collapsed trillions had to be

1300

00:56:34,949 --> 00:56:39,000

thrown into the banking industry and so

1301

00:56:36,960 --> 00:56:41,639

they have downplayed this green

1302

00:56:39,000 --> 00:56:43,380

revolution but understand this press

1303

00:56:41,639 --> 00:56:46,199

conference was another indicator that

1304

00:56:43,380 --> 00:56:49,740

something big was afoot okay now

1305

00:56:46,199 --> 00:56:52,259

starting in 2007 as we ramp toward the

1306

00:56:49,739 --> 00:56:53,939

present things start picking up all

1307

00:56:52,260 --> 00:56:56,579

right we started having a whole series

1308

00:56:53,940 --> 00:56:58,559

of events one after another which create

1309

00:56:56,579 --> 00:57:00,510

a new cycle and these new cycles were

1310

00:56:58,559 --> 00:57:02,519

were then overlapping the next news

1311

00:57:00,510 --> 00:57:04,740

cycle right so you have kind of a

1312
00:57:02,519 --> 00:57:07,170
building sense here i'm gonna do i'm

1313
00:57:04,739 --> 00:57:09,088
doing pretty good there was in january

1314
00:57:07,170 --> 00:57:11,909
the very significant sighting over the

1315
00:57:09,088 --> 00:57:14,309
o'hare airport in chicago then in March

1316
00:57:11,909 --> 00:57:17,368
of 27 of 2007 is when fife symington

1317
00:57:14,309 --> 00:57:18,989
came forward and reversed what happened

1318
00:57:17,369 --> 00:57:21,269
in it reversed his statements in two

1319
00:57:18,989 --> 00:57:22,919
thousand 1997 and acknowledged that he

1320
00:57:21,269 --> 00:57:24,989
saw that craft and he was sure was

1321
00:57:22,920 --> 00:57:29,700
extraterrestrial then the French files

1322
00:57:24,989 --> 00:57:33,179
release got underway in large measure in

1323
00:57:29,699 --> 00:57:34,069
March of 2007 the UK file release at the

1324
00:57:33,179 --> 00:57:36,319
same time

1325
00:57:34,070 --> 00:57:38,809
CIA files this is a little-known thing

1326
00:57:36,320 --> 00:57:41,420
but the CIA released a bunch of files

1327
00:57:38,809 --> 00:57:43,849
called the crown jewels not ufo-related

1328
00:57:41,420 --> 00:57:46,400
but very controversial and people were

1329
00:57:43,849 --> 00:57:48,259
quite shocked that the CIA did this that

1330
00:57:46,400 --> 00:57:50,900
came out in June then Paul Hellyer in

1331
00:57:48,260 --> 00:57:53,210
October of 2007 makes his statements in

1332
00:57:50,900 --> 00:57:55,160
Toronto at the symposium then there were

1333
00:57:53,210 --> 00:57:58,309
the questions asked of Dennis Kucinich

1334
00:57:55,159 --> 00:58:02,210
and Bill Richardson at the October 30

1335
00:57:58,309 --> 00:58:03,739
Philadelphia democratic debate in 07

1336
00:58:02,210 --> 00:58:05,300
those questions are on the internet you

1337
00:58:03,739 --> 00:58:08,329
can find them you can look at them and

1338
00:58:05,300 --> 00:58:09,620
then there was a the CIA the coalition

1339
00:58:08,329 --> 00:58:11,840
of Freedom of Information press

1340

00:58:09,619 --> 00:58:14,150
conference that was held in November

1341
00:58:11,840 --> 00:58:17,120
twelfth of 07 and then there was a

1342
00:58:14,150 --> 00:58:19,130
verbal flap in Japan when a high-level

1343
00:58:17,119 --> 00:58:21,139
official in Japan made a kind of

1344
00:58:19,130 --> 00:58:23,300
matter-of-fact statement about the

1345
00:58:21,139 --> 00:58:26,119
existence of extraterrestrials and boy

1346
00:58:23,300 --> 00:58:28,340
there was a fire storm going on in Japan

1347
00:58:26,119 --> 00:58:29,869
and the prime minister at a step in then

1348
00:58:28,340 --> 00:58:32,539
there was the Stephenville sighting when

1349
00:58:29,869 --> 00:58:35,389
a significant event occurred near the

1350
00:58:32,539 --> 00:58:38,090
Crawford ranch the presidential home in

1351
00:58:35,389 --> 00:58:40,250
Crawford Texas a significant sighting

1352
00:58:38,090 --> 00:58:42,620
created a very significant news cycle

1353
00:58:40,250 --> 00:58:44,659
and still going on to this day Jeff

1354
00:58:42,619 --> 00:58:47,210

peckmon got a tremendous amount of

1355

00:58:44,659 --> 00:58:48,920

exposure activist exposure on this issue

1356

00:58:47,210 --> 00:58:50,900

including the David Letterman Show on

1357

00:58:48,920 --> 00:58:53,300

his ballot initiative in Denver that all

1358

00:58:50,900 --> 00:58:55,910

took place in May continues then in May

1359

00:58:53,300 --> 00:58:58,130

of 2008 the vatican announced through

1360

00:58:55,909 --> 00:58:59,089

Gabriel Funes the head astronomer that

1361

00:58:58,130 --> 00:59:01,360

they've got no trouble with

1362

00:58:59,090 --> 00:59:03,590

extraterrestrials reinforcing what

1363

00:59:01,360 --> 00:59:06,230

Monsignor caliber doci had been saying

1364

00:59:03,590 --> 00:59:08,809

for about ten years then larry king live

1365

00:59:06,230 --> 00:59:12,230

in july starts a series of programs one

1366

00:59:08,809 --> 00:59:14,059

after another on ufos particularly

1367

00:59:12,230 --> 00:59:15,740

including some XO politics stuff

1368

00:59:14,059 --> 00:59:17,809

bringing on four or five witnesses at a

1369
00:59:15,739 --> 00:59:20,209
time including Edgar Mitchell and others

1370
00:59:17,809 --> 00:59:24,110
and then dr. Edgar Mitchell appears on

1371
00:59:20,210 --> 00:59:26,599
the Koran radio in UK and restates his

1372
00:59:24,110 --> 00:59:27,920
assertions about the et presence but to

1373
00:59:26,599 --> 00:59:30,589
an audience hearing it for the first

1374
00:59:27,920 --> 00:59:33,440
time the kerrang radio is owned by

1375
00:59:30,590 --> 00:59:34,460
baauer conglomerate a big German company

1376
00:59:33,440 --> 00:59:37,820
so when they put out a press release

1377
00:59:34,460 --> 00:59:40,010
about it it explodes in Europe right if

1378
00:59:37,820 --> 00:59:42,170
you go to my website you can see archive

1379
00:59:40,010 --> 00:59:45,500
of the 50 articles written about his

1380
00:59:42,170 --> 00:59:48,440
comments that that day on korang radio

1381
00:59:45,500 --> 00:59:50,840
as well as the interviews he is about 10

1382
00:59:48,440 --> 00:59:52,309
video interviews there he got 200

1383
00:59:50,840 --> 00:59:55,430
interview requests he had to turn most

1384
00:59:52,309 --> 00:59:58,730
of them down and the new cycle ended and

1385
00:59:55,429 --> 01:00:01,129
then more UFO UFO files released by the

1386
00:59:58,730 --> 01:00:03,530
UK in October of 08 and it was this file

1387
01:00:01,130 --> 01:00:05,750
release that brought out the Milton

1388
01:00:03,530 --> 01:00:09,440
Torres case where he was asked as an Air

1389
01:00:05,750 --> 01:00:12,920
Force pilot in 1957 to shoot down a UFO

1390
01:00:09,440 --> 01:00:15,829
now before we get to the final wrap up

1391
01:00:12,920 --> 01:00:17,210
here I want to quickly run through the

1392
01:00:15,829 --> 01:00:20,239
president's to just to give you a

1393
01:00:17,210 --> 01:00:22,159
perspective President Truman almost

1394
01:00:20,239 --> 01:00:24,919
certainly knew what was going on he was

1395
01:00:22,159 --> 01:00:26,480
briefed he was aware of Roswell he may

1396
01:00:24,920 --> 01:00:30,019
have been behind the decision of Roger

1397

01:00:26,480 --> 01:00:31,960
Ramey to change to change the Roswell

1398
01:00:30,019 --> 01:00:34,519
events story to a weather balloon

1399
01:00:31,960 --> 01:00:36,289
Eisenhower was fully informed without

1400
01:00:34,519 --> 01:00:38,690
question whether he had a meeting with

1401
01:00:36,289 --> 01:00:41,960
an ET don't know for sure but there's a

1402
01:00:38,690 --> 01:00:43,369
lot of research on that I don't think

1403
01:00:41,960 --> 01:00:47,780
anybody surprised that he was fully

1404
01:00:43,369 --> 01:00:49,609
informed John Kennedy I don't think was

1405
01:00:47,780 --> 01:00:52,010
given a full briefing I think he was

1406
01:00:49,610 --> 01:00:54,110
given limited information but John knew

1407
01:00:52,010 --> 01:00:56,420
one way or another he knew the et

1408
01:00:54,110 --> 01:00:58,550
presence was real exactly how much he

1409
01:00:56,420 --> 01:01:00,530
was shown we don't know there is work

1410
01:00:58,550 --> 01:01:02,000
grant is working on it and others trying

1411
01:01:00,530 --> 01:01:04,130

to find out if there was any connection

1412

01:01:02,000 --> 01:01:06,590
between his assassination and his

1413

01:01:04,130 --> 01:01:08,360
thinking or intentions regarding UFO

1414

01:01:06,590 --> 01:01:10,220
issue I hope one day we learned the

1415

01:01:08,360 --> 01:01:12,680
whole story I don't believe that Jill

1416

01:01:10,219 --> 01:01:15,649
Ford was told anything in fact I think

1417

01:01:12,679 --> 01:01:18,969
he was punished because he was principal

1418

01:01:15,650 --> 01:01:22,730
player and bringing forth a

1419

01:01:18,969 --> 01:01:24,829
congressional hearing in 1996 in 1966 I

1420

01:01:22,730 --> 01:01:27,019
don't think the military intelligence

1421

01:01:24,829 --> 01:01:28,420
people were happy about that so I don't

1422

01:01:27,019 --> 01:01:31,369
think Gerald Ford was told anything

1423

01:01:28,420 --> 01:01:34,420
Jimmy Carter was not given a briefing

1424

01:01:31,369 --> 01:01:36,589
but he did try to look into this issue

1425

01:01:34,420 --> 01:01:38,990
one of the individuals that was a

1426
01:01:36,590 --> 01:01:41,150
principal to that attempt Alfred Weber

1427
01:01:38,989 --> 01:01:42,919
is here another individual that was a

1428
01:01:41,150 --> 01:01:45,680
principal to that attempt Daniel Sheehan

1429
01:01:42,920 --> 01:01:47,240
has spoken out about this he then shut

1430
01:01:45,679 --> 01:01:49,519
down on the issue completely those

1431
01:01:47,239 --> 01:01:51,549
studies were shut down he has avoided

1432
01:01:49,519 --> 01:01:54,710
the subject as much as possible since

1433
01:01:51,550 --> 01:01:57,050
and then run away in a very interesting

1434
01:01:54,710 --> 01:01:59,360
situation there I don't believe he was

1435
01:01:57,050 --> 01:02:02,030
given a full briefing but I think he

1436
01:01:59,360 --> 01:02:03,950
was tipped or knew that the et presence

1437
01:02:02,030 --> 01:02:05,600
was real I think it was brought to his

1438
01:02:03,949 --> 01:02:08,989
attention as part of the process of

1439
01:02:05,599 --> 01:02:10,759
selling the SDI program to him meaning

1440
01:02:08,989 --> 01:02:12,229
you know it's not just the Soviets we

1441
01:02:10,760 --> 01:02:15,050
need to create these missiles for but he

1442
01:02:12,230 --> 01:02:17,869
got an ET thing going on here too and so

1443
01:02:15,050 --> 01:02:21,019
it's two for one this is one of the

1444
01:02:17,869 --> 01:02:23,210
reasons why he kept mentioning ETS

1445
01:02:21,019 --> 01:02:25,639
frequently and talked about well if we

1446
01:02:23,210 --> 01:02:29,059
have a et presence then we all should

1447
01:02:25,639 --> 01:02:31,969
get together and drove his advisors

1448
01:02:29,059 --> 01:02:36,529
crazy but I don't think he was fully

1449
01:02:31,969 --> 01:02:40,309
briefed this man well I don't believe

1450
01:02:36,530 --> 01:02:41,810
was briefed but of course I think he

1451
01:02:40,309 --> 01:02:43,940
would have liked to get got into the

1452
01:02:41,809 --> 01:02:45,679
issue and I think when Rockefeller

1453
01:02:43,940 --> 01:02:47,510
approached him it set off alarm bells

1454

01:02:45,679 --> 01:02:50,539
all over the military intelligence

1455
01:02:47,510 --> 01:02:52,040
community and then there is this

1456
01:02:50,539 --> 01:02:54,800
gentleman I don't believe he was briefed

1457
01:02:52,039 --> 01:02:58,880
either now let me make a very important

1458
01:02:54,800 --> 01:03:00,740
point one of the reasons why in spite of

1459
01:02:58,880 --> 01:03:02,809
all the pressures that I've talked about

1460
01:03:00,739 --> 01:03:04,789
and the huge public awareness and

1461
01:03:02,809 --> 01:03:08,719
everything else that we did not get

1462
01:03:04,789 --> 01:03:14,389
disclosure between 1993 and the end and

1463
01:03:08,719 --> 01:03:17,239
2008 is kind of basic I believe that

1464
01:03:14,389 --> 01:03:19,519
neither this gentleman or this gentleman

1465
01:03:17,239 --> 01:03:23,059
were acceptable to the military

1466
01:03:19,519 --> 01:03:24,739
intelligence management of this of the

1467
01:03:23,059 --> 01:03:27,349
ET issue which is down in the basement

1468
01:03:24,739 --> 01:03:29,659

of the house of state to be the

1469

01:03:27,349 --> 01:03:31,130
disclosure president let's be clear from

1470

01:03:29,659 --> 01:03:34,250
the standpoint of those who are

1471

01:03:31,130 --> 01:03:37,210
concerned about national security the

1472

01:03:34,250 --> 01:03:39,949
disclosure event is a very big deal

1473

01:03:37,210 --> 01:03:43,250
extremely complicated it has to go well

1474

01:03:39,949 --> 01:03:45,589
and one of their concerns was that they

1475

01:03:43,250 --> 01:03:47,719
had to have the right president in the

1476

01:03:45,590 --> 01:03:49,400
White House to make sure that it went

1477

01:03:47,719 --> 01:03:52,489
well and this president had to be

1478

01:03:49,400 --> 01:03:54,200
someone who was willing to be aware of

1479

01:03:52,489 --> 01:03:56,719
their concerns and address their

1480

01:03:54,199 --> 01:03:59,059
concerns and be able to work with them

1481

01:03:56,719 --> 01:04:00,949
have the ability to deal with it Bill

1482

01:03:59,059 --> 01:04:02,269
Clinton was utterly unacceptable to be

1483
01:04:00,949 --> 01:04:03,829
the disclosure president which is why

1484
01:04:02,269 --> 01:04:06,469
the Rockefeller initiative I don't think

1485
01:04:03,829 --> 01:04:08,779
could possibly have worked he was not

1486
01:04:06,469 --> 01:04:11,599
like at all by the military intelligence

1487
01:04:08,780 --> 01:04:12,559
community they warmed up a little toward

1488
01:04:11,599 --> 01:04:14,838
the end but

1489
01:04:12,559 --> 01:04:17,209
it simply was not there and he and

1490
01:04:14,838 --> 01:04:20,568
whatever happened they were not going to

1491
01:04:17,208 --> 01:04:23,389
allow it to take place and George Bush

1492
01:04:20,568 --> 01:04:26,088
was not acceptable either even though he

1493
01:04:23,389 --> 01:04:27,679
is his father's son he did not have the

1494
01:04:26,088 --> 01:04:36,228
intellectual capacity to deal with this

1495
01:04:27,679 --> 01:04:39,409
issue and they knew it plus he had I'm

1496
01:04:36,228 --> 01:04:40,938
not trying to be partisan here he had

1497
01:04:39,409 --> 01:04:43,308
broken with his father there was

1498
01:04:40,938 --> 01:04:45,798
significant breaches with his father and

1499
01:04:43,309 --> 01:04:47,719
the Iraq war cemented those breaches and

1500
01:04:45,798 --> 01:04:50,329
there were significant breaches because

1501
01:04:47,719 --> 01:04:53,630
he had made the intelligence community

1502
01:04:50,329 --> 01:04:55,818
to some degree a scapegoat for 900 and

1503
01:04:53,630 --> 01:04:57,979
other things he had come into his

1504
01:04:55,818 --> 01:05:01,308
presidency primarily on the Avenger cool

1505
01:04:57,978 --> 01:05:03,348
vote his father was not into that so if

1506
01:05:01,309 --> 01:05:05,359
the connection was not strong enough

1507
01:05:03,349 --> 01:05:07,640
back to his father who by the way would

1508
01:05:05,358 --> 01:05:09,969
have been fine as the disclosure

1509
01:05:07,639 --> 01:05:13,068
president but he lost that election in

1510
01:05:09,969 --> 01:05:15,139
1992 and so it wasn't going to happen

1511

01:05:13,068 --> 01:05:18,670
under George Bush either which meant

1512
01:05:15,139 --> 01:05:22,608
that when we have the election in 2008

1513
01:05:18,670 --> 01:05:25,219
62 years after Roswell with the pressure

1514
01:05:22,608 --> 01:05:28,518
mounting if the next president was

1515
01:05:25,219 --> 01:05:31,119
acceptable it's time to go and we knew I

1516
01:05:28,518 --> 01:05:33,588
believe that it was clear as early as

1517
01:05:31,119 --> 01:05:35,449
2007 that whoever won was going to be

1518
01:05:33,588 --> 01:05:38,389
acceptable John McCain Hillary Clinton

1519
01:05:35,449 --> 01:05:41,630
or Barack Obama which brings us to

1520
01:05:38,389 --> 01:05:45,348
Barack Obama is he acceptable to the

1521
01:05:41,630 --> 01:05:48,739
military intelligence community yes why

1522
01:05:45,349 --> 01:05:51,469
one as he pursued his campaign he moved

1523
01:05:48,739 --> 01:05:55,068
to the center he had the right things to

1524
01:05:51,469 --> 01:05:57,739
say regarding the wars he appointed well

1525
01:05:55,068 --> 01:06:01,788

he kept robert gates at the department

1526

01:05:57,739 --> 01:06:03,139

of defense he brought in a lord my

1527

01:06:01,789 --> 01:06:04,939

mind's gone blank he brought an admiral

1528

01:06:03,139 --> 01:06:07,098

Brera to be a key advisor on national

1529

01:06:04,938 --> 01:06:09,078

security and he brought in James the

1530

01:06:07,099 --> 01:06:11,119

marine commandant as his national

1531

01:06:09,079 --> 01:06:12,890

security advisor these are people the

1532

01:06:11,119 --> 01:06:15,079

military intelligence community can work

1533

01:06:12,889 --> 01:06:17,568

with he has said the right things he

1534

01:06:15,079 --> 01:06:19,969

also clearly has the intellect to deal

1535

01:06:17,568 --> 01:06:23,748

with the post disclosure issues but he

1536

01:06:19,969 --> 01:06:26,740

has a several other very important

1537

01:06:23,748 --> 01:06:30,409

traits and they are these

1538

01:06:26,739 --> 01:06:33,849

well if you're the US president that has

1539

01:06:30,409 --> 01:06:36,920

to go to the rest of the world and say

1540
01:06:33,849 --> 01:06:39,619
look here's the deal there's an ET

1541
01:06:36,920 --> 01:06:42,079
presence my government is known about it

1542
01:06:39,619 --> 01:06:44,029
for 62 years we haven't acknowledged it

1543
01:06:42,079 --> 01:06:45,980
but we're doing it now all right and

1544
01:06:44,030 --> 01:06:47,930
you're going to want to have to say that

1545
01:06:45,980 --> 01:06:51,079
it would be helpful if you were popular

1546
01:06:47,929 --> 01:06:52,549
and as it happens Barack Obama entered

1547
01:06:51,079 --> 01:06:54,650
the office the most popular

1548
01:06:52,550 --> 01:06:58,700
international president internationally

1549
01:06:54,650 --> 01:07:00,019
in American history it also if you are

1550
01:06:58,699 --> 01:07:01,539
the president of the United States and

1551
01:07:00,019 --> 01:07:05,690
you have to go to the world and say that

1552
01:07:01,539 --> 01:07:08,000
right and then deal with all of the the

1553
01:07:05,690 --> 01:07:10,369
full file that takes place while when

1554
01:07:08,000 --> 01:07:11,809
you're Foofa translates it just so

1555
01:07:10,369 --> 01:07:14,420
happens that world you're going to be

1556
01:07:11,809 --> 01:07:16,759
talking to is mostly brown and so it

1557
01:07:14,420 --> 01:07:22,579
will not hurt if the president was brown

1558
01:07:16,760 --> 01:07:25,340
all right significant asset so this man

1559
01:07:22,579 --> 01:07:29,299
is acceptable so the question is what's

1560
01:07:25,340 --> 01:07:32,360
going to happen well what we're seeing

1561
01:07:29,300 --> 01:07:34,880
is significant evidence that there is an

1562
01:07:32,360 --> 01:07:36,980
attempt to get this done the appointment

1563
01:07:34,880 --> 01:07:40,610
of John Podesta as his chan transition

1564
01:07:36,980 --> 01:07:42,289
teeth chief Kochi the emphasis

1565
01:07:40,610 --> 01:07:45,530
throughout the campaign on open

1566
01:07:42,289 --> 01:07:47,869
transparent government on the day after

1567
01:07:45,530 --> 01:07:50,630
he was elected the first thing he did

1568

01:07:47,869 --> 01:07:52,279
was sign to memorandums presidential

1569
01:07:50,630 --> 01:07:54,500
memorandums and a presidential directive

1570
01:07:52,280 --> 01:08:00,080
one of those presidential presidential

1571
01:07:54,500 --> 01:08:01,699
memorandums it called for open

1572
01:08:00,079 --> 01:08:03,619
transparent government openness through

1573
01:08:01,699 --> 01:08:05,809
all the agencies on behalf of the people

1574
01:08:03,619 --> 01:08:09,349
all right he signed a presidential

1575
01:08:05,809 --> 01:08:12,259
directive that was designed to improve

1576
01:08:09,349 --> 01:08:15,079
the Freedom of Information Act to expand

1577
01:08:12,260 --> 01:08:18,050
it to make it more user-friendly and

1578
01:08:15,079 --> 01:08:19,279
also to make it more in favor of the

1579
01:08:18,050 --> 01:08:20,750
people that are trying to get the truth

1580
01:08:19,279 --> 01:08:21,979
out of the government these are clear

1581
01:08:20,750 --> 01:08:24,500
statements that he's tried to do

1582
01:08:21,979 --> 01:08:27,649

something and remember you've got George

1583

01:08:24,500 --> 01:08:30,109

Soros the major single largest funder of

1584

01:08:27,649 --> 01:08:32,210

the Democratic Party his issue is open

1585

01:08:30,109 --> 01:08:35,029

transparent government and he founded or

1586

01:08:32,210 --> 01:08:37,520

funded chief funder of the Center for

1587

01:08:35,029 --> 01:08:39,960

American Progress and so with all of

1588

01:08:37,520 --> 01:08:43,080

that in play and all of this

1589

01:08:39,960 --> 01:08:44,609

prelude right the leading that a bra

1590

01:08:43,079 --> 01:08:50,519

could be the person that this is the

1591

01:08:44,609 --> 01:08:52,230

time plg made its move and in October it

1592

01:08:50,520 --> 01:08:54,330

announced that it would launch on

1593

01:08:52,229 --> 01:08:57,479

November the 5th a fax on Washington

1594

01:08:54,329 --> 01:08:59,269

campaign the idea is simple this simply

1595

01:08:57,479 --> 01:09:02,068

this get the message to the president

1596

01:08:59,270 --> 01:09:04,380

get the message to the media that we're

1597
01:09:02,069 --> 01:09:06,660
ready we're ready we want it now let's

1598
01:09:04,380 --> 01:09:08,969
get it done right before somebody blows

1599
01:09:06,659 --> 01:09:11,039
something up or invades a country or

1600
01:09:08,969 --> 01:09:13,949
does something stupid let's get it done

1601
01:09:11,039 --> 01:09:16,979
and so on November the 5th facts on

1602
01:09:13,949 --> 01:09:18,988
Washington or that website went up with

1603
01:09:16,979 --> 01:09:21,059
the key talking points to start sending

1604
01:09:18,988 --> 01:09:23,068
letters during the 77 days of the

1605
01:09:21,060 --> 01:09:24,750
transition to the transition

1606
01:09:23,069 --> 01:09:27,750
headquarters of the new president elect

1607
01:09:24,750 --> 01:09:30,149
and to his senatorial office thousands

1608
01:09:27,750 --> 01:09:32,939
of letters and emails poured in during

1609
01:09:30,149 --> 01:09:36,329
that 77 days and then we went to phase

1610
01:09:32,939 --> 01:09:38,009
two that started on Inauguration january

1611
01:09:36,329 --> 01:09:39,359
twenty and for the next hundred and

1612
01:09:38,009 --> 01:09:41,699
thirty-one days the letters were

1613
01:09:39,359 --> 01:09:44,489
directed to the White House letters

1614
01:09:41,699 --> 01:09:46,559
faxes emails thousands of them have been

1615
01:09:44,488 --> 01:09:48,269
pouring in calling for disclosure

1616
01:09:46,560 --> 01:09:49,950
calling for the release of that

1617
01:09:48,270 --> 01:09:52,230
technology calling for congressional

1618
01:09:49,949 --> 01:09:55,170
hearings calling for the president to be

1619
01:09:52,229 --> 01:09:56,849
brief fully right meaning if the if the

1620
01:09:55,170 --> 01:09:58,109
member of the military or the

1621
01:09:56,850 --> 01:09:59,670
intelligence community says mr.

1622
01:09:58,109 --> 01:10:01,859
president I can't talk about that

1623
01:09:59,670 --> 01:10:05,100
because you don't have a right to know

1624
01:10:01,859 --> 01:10:06,359
he says you're fired next and then that

1625

01:10:05,100 --> 01:10:08,850
person comes in and says mr. president

1626
01:10:06,359 --> 01:10:11,399
you're not on a need-to-know basis he

1627
01:10:08,850 --> 01:10:12,930
says your fire next until he gets the

1628
01:10:11,399 --> 01:10:15,029
person in front of them that says what

1629
01:10:12,930 --> 01:10:19,070
do you want to know that's what these

1630
01:10:15,029 --> 01:10:19,069
letters are saying and then

1631
01:10:23,069 --> 01:10:28,979
and then on April the 20th after the ex

1632
01:10:26,729 --> 01:10:30,718
conference in Washington we held a

1633
01:10:28,979 --> 01:10:34,229
fairly important press conference at the

1634
01:10:30,719 --> 01:10:38,429
national press club and the key to that

1635
01:10:34,229 --> 01:10:40,709
conference was dr. Edgar Mitchell how

1636
01:10:38,429 --> 01:10:43,380
many minutes okay doctor I may need a

1637
01:10:40,710 --> 01:10:45,658
couple dr. Edgar Mitchell did something

1638
01:10:43,380 --> 01:10:48,539
he had never done before at the national

1639
01:10:45,658 --> 01:10:50,638

press club in front of quite a few media

1640

01:10:48,539 --> 01:10:52,408

including CNN which live stream that

1641

01:10:50,639 --> 01:10:55,440

press conference worldwide to its

1642

01:10:52,408 --> 01:10:57,809

websites dr. Mitchell called for

1643

01:10:55,439 --> 01:10:59,638

President Obama to end the truth embargo

1644

01:10:57,810 --> 01:11:01,980

to acknowledge the extra-terrestrial

1645

01:10:59,639 --> 01:11:05,190

presence it doesn't get any you know

1646

01:11:01,979 --> 01:11:06,809

clearer than that and there was someone

1647

01:11:05,189 --> 01:11:09,149

else there with the Milton Tories the

1648

01:11:06,810 --> 01:11:11,250

major Air Force Major who was asked to

1649

01:11:09,149 --> 01:11:13,109

shoot down a UFO and was allowed to talk

1650

01:11:11,250 --> 01:11:15,198

about it when the UK released the file

1651

01:11:13,109 --> 01:11:19,139

he called for the president to do that

1652

01:11:15,198 --> 01:11:20,279

and and then I basically said look we

1653

01:11:19,139 --> 01:11:24,210

try to get a message to the president

1654
01:11:20,279 --> 01:11:26,578
you need to disclose soon hopefully no

1655
01:11:24,210 --> 01:11:28,408
later than may 31 because if you don't

1656
01:11:26,578 --> 01:11:30,658
this truth embargo is going to become

1657
01:11:28,408 --> 01:11:32,638
your truth embargo your name is going to

1658
01:11:30,658 --> 01:11:35,578
be on it and you'll have to explain why

1659
01:11:32,639 --> 01:11:38,609
you didn't disclose this information and

1660
01:11:35,578 --> 01:11:41,039
your open transparent government reform

1661
01:11:38,609 --> 01:11:43,618
will collapse it will be turned to ash

1662
01:11:41,039 --> 01:11:45,118
you need to do it I didn't think they

1663
01:11:43,618 --> 01:11:49,019
would they didn't and so we started

1664
01:11:45,118 --> 01:11:53,609
phase 3 and phase 3 is a different ball

1665
01:11:49,020 --> 01:11:56,130
game in phase 3 we shift the website

1666
01:11:53,609 --> 01:11:58,618
changed facts in Washington org and the

1667
01:11:56,130 --> 01:12:02,010
target change from the low house second

1668
01:11:58,618 --> 01:12:03,960
floor to the west wing in fea this is

1669
01:12:02,010 --> 01:12:06,750
dr. Edgar Mitchell in Milton taurus

1670
01:12:03,960 --> 01:12:09,060
again who made that what is happening

1671
01:12:06,750 --> 01:12:11,010
now is thousands of letters faxes and

1672
01:12:09,060 --> 01:12:12,420
emails are pulling into the White House

1673
01:12:11,010 --> 01:12:14,130
press corps you see them they're

1674
01:12:12,420 --> 01:12:15,779
standing outside of the West Wing I've

1675
01:12:14,130 --> 01:12:19,078
been in that press for many many times

1676
01:12:15,779 --> 01:12:21,328
these are good people right I think they

1677
01:12:19,078 --> 01:12:23,368
want to do the right thing but there

1678
01:12:21,328 --> 01:12:24,539
they've lived their entire lives under

1679
01:12:23,368 --> 01:12:26,880
the truth embargo they've never known

1680
01:12:24,539 --> 01:12:29,698
anything else and they can't bring

1681
01:12:26,880 --> 01:12:31,828
themselves to ask the obvious questions

1682

01:12:29,698 --> 01:12:33,960
and so the letters and faxes are pouring

1683
01:12:31,828 --> 01:12:36,359
in to the White House Correspondents

1684
01:12:33,960 --> 01:12:36,930
Association in other words White House

1685
01:12:36,359 --> 01:12:41,009
press corps

1686
01:12:36,930 --> 01:12:42,600
care of and at the facts on washington

1687
01:12:41,010 --> 01:12:44,820
on our website there's a list of the key

1688
01:12:42,600 --> 01:12:48,570
political questions that refer to obama

1689
01:12:44,819 --> 01:12:50,099
and Podesta and the and Richardson and

1690
01:12:48,569 --> 01:12:51,750
Hillary Clinton and Bill Clinton and all

1691
01:12:50,100 --> 01:12:53,670
the political connections that I talked

1692
01:12:51,750 --> 01:12:55,829
about which are fully legitimate news

1693
01:12:53,670 --> 01:12:57,750
issues and saying you know suggest they

1694
01:12:55,829 --> 01:13:02,609
asked this question or that question all

1695
01:12:57,750 --> 01:13:04,170
right and it all we need is a couple of

1696
01:13:02,609 --> 01:13:06,000

those reporters or their political

1697

01:13:04,170 --> 01:13:08,850
counterparts at the Department of State

1698

01:13:06,000 --> 01:13:10,890
or the CIA Leon Panetta Secretary of

1699

01:13:08,850 --> 01:13:13,500
State Hillary Clinton to ask a few

1700

01:13:10,890 --> 01:13:15,630
appropriate questions and if they do I

1701

01:13:13,500 --> 01:13:17,640
believe it will launch a media storm

1702

01:13:15,630 --> 01:13:19,980
that will bring the truth embargo down

1703

01:13:17,640 --> 01:13:21,570
in a couple of days now there's

1704

01:13:19,979 --> 01:13:24,659
something that happened just a couple of

1705

01:13:21,569 --> 01:13:28,189
just two days ago which is so cool hang

1706

01:13:24,659 --> 01:13:28,189
on a second I'm going to bring this up

1707

01:13:28,850 --> 01:13:37,079
there it is a supporter of prg who I've

1708

01:13:34,979 --> 01:13:38,909
been talking to for some weeks called me

1709

01:13:37,079 --> 01:13:41,220
up and said robert gibbs the press

1710

01:13:38,909 --> 01:13:43,590
secretary is going to be on c-span in

1711
01:13:41,220 --> 01:13:46,050
the morning and wouldn't be great if we

1712
01:13:43,590 --> 01:13:48,449
could get a question to him again Robert

1713
01:13:46,050 --> 01:13:50,880
Gibbs is the man who briefs the White

1714
01:13:48,449 --> 01:13:52,769
House press corps five days a week right

1715
01:13:50,880 --> 01:13:54,150
he's fully aware that the correspondence

1716
01:13:52,770 --> 01:13:55,530
is pouring into the White House he's

1717
01:13:54,149 --> 01:13:56,699
fully aware of the correspondences

1718
01:13:55,529 --> 01:13:58,979
pouring into the White House press corps

1719
01:13:56,699 --> 01:14:00,659
and there is and he said and he said I'm

1720
01:13:58,979 --> 01:14:04,139
going to get a question in and I said go

1721
01:14:00,659 --> 01:14:10,800
for it right due to what you can he did

1722
01:14:04,140 --> 01:14:12,210
here it is over he's our viewers on

1723
01:14:10,800 --> 01:14:13,500
these issues and I want to come back and

1724
01:14:12,210 --> 01:14:15,210
talk a little bit about your own

1725
01:14:13,500 --> 01:14:17,039
background and your job as White House

1726
01:14:15,210 --> 01:14:20,069
press secretary but line is on the phone

1727
01:14:17,039 --> 01:14:22,260
from Seattle good morning yes good

1728
01:14:20,069 --> 01:14:24,569
morning my question might seem a little

1729
01:14:22,260 --> 01:14:26,220
bit silly but it's very serious and I

1730
01:14:24,569 --> 01:14:29,549
was wonderfully take a very seriously um

1731
01:14:26,220 --> 01:14:31,800
there's a there's a mass of a moon

1732
01:14:29,550 --> 01:14:34,199
right now hundreds of kernels and ex CIA

1733
01:14:31,800 --> 01:14:37,590
officials and Air Force pilots who are

1734
01:14:34,199 --> 01:14:39,899
demanding that that Obama administration

1735
01:14:37,590 --> 01:14:42,750
live up to its promise of transparency

1736
01:14:39,899 --> 01:14:43,920
and and let the American truth know let

1737
01:14:42,750 --> 01:14:48,000
the American people know the truth about

1738
01:14:43,920 --> 01:14:50,909
the existence of UFOs dr. Edgar Mitchell

1739

01:14:48,000 --> 01:14:53,010
a great American hero who walked on the

1740
01:14:50,909 --> 01:14:56,519
moon has come out and over the past year

1741
01:14:53,010 --> 01:14:58,829
and made some statements saying that he

1742
01:14:56,520 --> 01:15:01,680
had to confer to him that that the

1743
01:14:58,829 --> 01:15:04,199
Roswell crash indeed was was not from

1744
01:15:01,680 --> 01:15:05,579
this planet has been visited and the

1745
01:15:04,199 --> 01:15:07,260
government has been covering it up now

1746
01:15:05,579 --> 01:15:08,609
during the transition and during your

1747
01:15:07,260 --> 01:15:11,640
presidency there's been hundreds and

1748
01:15:08,609 --> 01:15:13,559
thousands of letters have been mailed to

1749
01:15:11,640 --> 01:15:16,950
your transition office head let Buffy

1750
01:15:13,560 --> 01:15:19,950
town Podesta and when are you going to

1751
01:15:16,949 --> 01:15:24,359
will you please on behalf of all the

1752
01:15:19,949 --> 01:15:27,029
citizens and these Americans task Obama

1753
01:15:24,359 --> 01:15:29,309

and talk to him about making a statement

1754

01:15:27,029 --> 01:15:30,630

or addressing this issue all right we'll

1755

01:15:29,310 --> 01:15:32,970

get a response thank you for the call

1756

01:15:30,630 --> 01:15:35,730

from Seattle Robert Gibbs well Ryan I

1757

01:15:32,970 --> 01:15:37,470

take your your question seriously not

1758

01:15:35,729 --> 01:15:39,750

simply because of the topic but also

1759

01:15:37,470 --> 01:15:41,430

because if you're calling from Seattle

1760

01:15:39,750 --> 01:15:44,029

and it's a little after seven here it's

1761

01:15:41,430 --> 01:15:48,300

a little after four in the morning there

1762

01:15:44,029 --> 01:15:50,340

look I I have not been briefed on

1763

01:15:48,300 --> 01:15:52,079

whether or not there are the existence

1764

01:15:50,340 --> 01:15:55,500

of UFOs I haven't talked to the

1765

01:15:52,079 --> 01:15:57,920

president about this topic I know that

1766

01:15:55,500 --> 01:16:00,210

the president is deeply concerned about

1767

01:15:57,920 --> 01:16:01,680

ensuring that we have transparency in

1768
01:16:00,210 --> 01:16:04,020
government and the American people have

1769
01:16:01,680 --> 01:16:07,079
faith in what its government is trying

1770
01:16:04,020 --> 01:16:13,320
to do well here from Celia joining us

1771
01:16:07,079 --> 01:16:15,479
from market now look oh hey go say let

1772
01:16:13,319 --> 01:16:18,630
me let them to get the me get that my

1773
01:16:15,479 --> 01:16:23,189
slideshow okay look Ryan was a little

1774
01:16:18,630 --> 01:16:25,260
nervous okay and obviously Robert Gibbs

1775
01:16:23,189 --> 01:16:28,559
stepped around the question but look

1776
01:16:25,260 --> 01:16:30,570
Ryan camped out on his phone at four in

1777
01:16:28,560 --> 01:16:33,450
the morning and he was going to get that

1778
01:16:30,569 --> 01:16:38,399
question in and he did and that's what's

1779
01:16:33,449 --> 01:16:41,130
important right because the fairy asking

1780
01:16:38,399 --> 01:16:43,589
questions of your political leaders it's

1781
01:16:41,130 --> 01:16:46,250
really important whether you ask them of

1782
01:16:43,590 --> 01:16:49,470
us pass comes and failure to ask

1783
01:16:46,250 --> 01:16:52,800
appropriate questions it results in war

1784
01:16:49,470 --> 01:16:54,750
and all manner of mayhem right and when

1785
01:16:52,800 --> 01:16:57,180
you ask questions and get answers you

1786
01:16:54,750 --> 01:16:59,369
can avoid those things and so when one

1787
01:16:57,180 --> 01:17:01,020
Ryan ask a question like that another

1788
01:16:59,369 --> 01:17:03,420
one will step up and ask another and

1789
01:17:01,020 --> 01:17:04,800
understand Gibbs knew that these letters

1790
01:17:03,420 --> 01:17:06,869
are pouring into the White House and the

1791
01:17:04,800 --> 01:17:09,779
press corps and so Ryan's question was a

1792
01:17:06,869 --> 01:17:11,699
reminder to him you know we know and

1793
01:17:09,779 --> 01:17:13,559
we're going to continue to ask and

1794
01:17:11,699 --> 01:17:15,479
you're eventually going to have to

1795
01:17:13,560 --> 01:17:17,550
respond and respond to these questions

1796

01:17:15,479 --> 01:17:21,139
in an appropriate way and they know what

1797
01:17:17,550 --> 01:17:23,220
that means and so it comes down to this

1798
01:17:21,140 --> 01:17:25,320
and these letters are pouring in from

1799
01:17:23,220 --> 01:17:26,280
all over the world by the way send a

1800
01:17:25,319 --> 01:17:28,049
letter to the White House press corps

1801
01:17:26,279 --> 01:17:30,239
send a letter to the White House copy

1802
01:17:28,050 --> 01:17:34,020
the press corps with that letter ask and

1803
01:17:30,239 --> 01:17:38,130
you shall receive the deal is this this

1804
01:17:34,020 --> 01:17:40,500
is a gate Stargate in a sense it's also

1805
01:17:38,130 --> 01:17:44,220
a symbol of the transition we're going

1806
01:17:40,500 --> 01:17:46,949
through it's a birthing process it's a

1807
01:17:44,220 --> 01:17:49,289
coming-of-age whatever it is but it is a

1808
01:17:46,949 --> 01:17:52,800
paradigm shift of extraordinary power

1809
01:17:49,289 --> 01:17:55,500
the most important in history I like to

1810
01:17:52,800 --> 01:17:58,199

think of it as a line in space that

1811
01:17:55,500 --> 01:18:00,659
you're going to cross Thomas Kuhn talked

1812
01:17:58,199 --> 01:18:01,889
about paradigm shifts in physics and so

1813
01:18:00,659 --> 01:18:03,539
forth and we've borrowed that phrase

1814
01:18:01,890 --> 01:18:06,180
this is the mother of all paradigm

1815
01:18:03,539 --> 01:18:09,600
shifts that the thing about though it's

1816
01:18:06,180 --> 01:18:12,990
kind of cool disclosure thermal

1817
01:18:09,600 --> 01:18:15,990
disclosure is that line that we have to

1818
01:18:12,989 --> 01:18:18,689
cross and when it happens we all cross

1819
01:18:15,989 --> 01:18:21,599
together all of us all six billion at

1820
01:18:18,689 --> 01:18:24,419
the same time no one crosses first no

1821
01:18:21,600 --> 01:18:27,060
one crosses last we all cross that

1822
01:18:24,420 --> 01:18:30,090
paradigm line at the same time and then

1823
01:18:27,060 --> 01:18:33,180
we are in a new era and we will have a

1824
01:18:30,090 --> 01:18:35,970
chance to build a new world and in fact

1825
01:18:33,180 --> 01:18:38,130
I think disclosure may launch the most

1826
01:18:35,970 --> 01:18:40,890
profound reformist era in human history

1827
01:18:38,130 --> 01:18:42,690
in which a full spectrum of institutions

1828
01:18:40,890 --> 01:18:44,400
are going to be engaged by the people

1829
01:18:42,689 --> 01:18:46,799
and they're going to be reformed and

1830
01:18:44,399 --> 01:18:49,109
made to work so that we can get out of

1831
01:18:46,800 --> 01:18:51,630
this mess and get on with wherever we're

1832
01:18:49,109 --> 01:18:54,049
going thank you for coming today it's

1833
01:18:51,630 --> 01:18:54,050
been a pleasure
