Freedom of Information Act back in 2001

37  
00:02:12,348 --> 00:02:21,988  
so it predates this current mass release

38  
00:02:17,098 --> 00:02:24,810  
of files having said that there are some

39  
00:02:21,989 --> 00:02:28,920  
more documents that researchers believe

40  
00:02:24,810 --> 00:02:32,219  
exist but these documents are likely to

41  
00:02:28,919 --> 00:02:36,179  
be Department of Defense documents and

42  
00:02:32,219 --> 00:02:38,068  
United States Air Force documents one of

43  
00:02:36,180 --> 00:02:42,079

the things that happened immediately

44

00:02:38,068 --> 00:02:45,500  
after the incident was that general

45

00:02:42,079 --> 00:02:48,209  
Gabrielle who was commander in chief

46

00:02:45,500 --> 00:02:51,989  
United States Air Force in Europe

47

00:02:48,209 --> 00:02:55,140  
paid a visit an unscheduled visit to the

48

00:02:51,989 --> 00:02:59,420  
base but even the commanding officer was

49

00:02:55,139 --> 00:03:02,159  
unaware of and he took certain items

50

00:02:59,419 --> 00:03:04,439  
relating to the case such as the

51

00:03:02,159 --> 00:03:08,489  
original tape recording that Colonel

52

00:03:04,439 --> 00:03:10,590  
halt - so researchers believe that this

53

00:03:08,489 --> 00:03:13,530  
material must have been taken to

54

00:03:10,590 --> 00:03:16,680  
Ramstein and maybe then back to

55

00:03:13,530 --> 00:03:18,989  
Washington and that there should be may

56

00:03:16,680 --> 00:03:22,379  
be other documents relating to the

57

00:03:18,989 --> 00:03:26,250  
analysis of what was found and what was

58  
00:03:22,379 --> 00:03:29,098  
concluded now I am irritated about this

59  
00:03:26,250 --> 00:03:32,039  
of course because this is an example of

60  
00:03:29,098 --> 00:03:34,229  
the Americans not briefing the British

61  
00:03:32,039 --> 00:03:37,909  
on something that happened in our

62  
00:03:34,229 --> 00:03:37,909  
country those the Intel

63  
00:03:40,289 --> 00:03:45,310  
well I have to say also I might add to

64  
00:03:43,329 --> 00:03:48,340  
this is that there are many cases around

65  
00:03:45,310 --> 00:03:51,150  
the world that the classified projects

66  
00:03:48,340 --> 00:03:55,239  
in the United States end up acquiring

67  
00:03:51,150 --> 00:03:57,870  
and they go into this black pit of

68  
00:03:55,239 --> 00:04:00,849  
Calcutta this black hole of information

69  
00:03:57,870 --> 00:04:03,039  
and to the point that and I want to

70  
00:04:00,848 --> 00:04:05,469  
share this to give you an idea why I

71  
00:04:03,039 --> 00:04:08,378  
would not be hopeful that much of this

72  
00:04:05,469 --> 00:04:12,098  
might come to light through any

73  
00:04:08,378 --> 00:04:14,889  
executive action by President Obama when

74  
00:04:12,098 --> 00:04:16,899  
Gordon Cooper as you all know who is the

75  
00:04:14,889 --> 00:04:18,488  
witness and who was involved in what we

76  
00:04:16,899 --> 00:04:21,038  
were doing early on I was at a meeting

77  
00:04:18,488 --> 00:04:23,978  
with him at given a lecture in

78  
00:04:21,038 --> 00:04:26,529  
Washington years before he passed away

79  
00:04:23,978 --> 00:04:30,788  
Gordon Cooper was a early I believe of

80  
00:04:26,529 --> 00:04:33,668  
mercury astronaut and he said that he

81  
00:04:30,788 --> 00:04:35,079  
had given Secretary of Defense Cohen who

82  
00:04:33,668 --> 00:04:37,329  
was the secretary of defense for

83  
00:04:35,079 --> 00:04:39,279  
President Clinton the detailed

84  
00:04:37,329 --> 00:04:41,889  
information of the landing of a

85  
00:04:39,279 --> 00:04:44,288  
extraterrestrial vehicle and I believe

86

00:04:41,889 --> 00:04:47,889  
in 1956 on a dry lakebed

87  
00:04:44,288 --> 00:04:50,110  
in near Edwards Air Force Base and that

88  
00:04:47,889 --> 00:04:52,780  
he had personally handled it and sent it

89  
00:04:50,110 --> 00:04:54,460  
back on a plane back to the Pentagon and

90  
00:04:52,779 --> 00:04:57,489  
he had all the detailed information

91  
00:04:54,459 --> 00:05:00,129  
about that event even with that level of

92  
00:04:57,490 --> 00:05:01,569  
information from a u.s. astronaut the

93  
00:05:00,129 --> 00:05:02,228  
guy who was at the time I believe a

94  
00:05:01,569 --> 00:05:04,598  
colonel

95  
00:05:02,228 --> 00:05:06,939  
who handled the actual film and saw it

96  
00:05:04,598 --> 00:05:09,069  
of a broad daylight landing of one of

97  
00:05:06,939 --> 00:05:11,620  
these vehicles with that much

98  
00:05:09,069 --> 00:05:14,288  
information the sitting Secretary of

99  
00:05:11,620 --> 00:05:19,000  
Defense for the United States of America

100  
00:05:14,288 --> 00:05:22,719

could not access that file and this I

101  
00:05:19,000 --> 00:05:25,240  
was told directly by Gordon Cooper who

102  
00:05:22,720 --> 00:05:27,099  
had been involved personally with

103  
00:05:25,240 --> 00:05:32,620

122  
00:06:44,028 --> 00:06:53,180  
think it's very important to acknowledge

123  
00:06:46,968 --> 00:06:54,889  
that in 1951 there was a creation of an

124  
00:06:53,180 --> 00:06:57,439  
organization called the psychological

125  
00:06:54,889 --> 00:07:00,439  
strategy board and one of the primary

126  
00:06:57,439 --> 00:07:02,389  
intentions of creating that in the

127  
00:07:00,439 --> 00:07:04,879  
United States was to conduct the program

128  
00:07:02,389 --> 00:07:08,180  
of psychological warfare that would

129  
00:07:04,879 --> 00:07:11,088  
basically use psychological processes to

130  
00:07:08,180 --> 00:07:13,939  
frighten the American population so that

131  
00:07:11,088 --> 00:07:16,278  
they would be less likely to believe in

132  
00:07:13,939 --> 00:07:17,718  
the reality of extraterrestrial life and

133  
00:07:16,278 --> 00:07:20,838  
I believe that one of the primary

134  
00:07:17,718 --> 00:07:22,879  
mechanisms used of that was to exploit

135  
00:07:20,838 --> 00:07:26,749  
the kind of war of the worlds' motives

136  
00:07:22,879 --> 00:07:29,180  
so that people could be intimidated into

137  
00:07:26,749 --> 00:07:31,278  
believing that if extraterrestrials are

138  
00:07:29,180 --> 00:07:33,528  
visiting us that they're kind of evil

139  
00:07:31,278 --> 00:07:36,978  
flesh-eating beings that here to kind of

140  
00:07:33,528 --> 00:07:40,038  
psychically exploit us and I think that

141  
00:07:36,978 --> 00:07:43,430  
we really need to look closely at these

142  
00:07:40,038 --> 00:07:45,378  
psychological warfare programs from 1951

143

00:07:43,430 --> 00:07:48,110  
they have been actual Freedom of

144  
00:07:45,379 --> 00:07:51,379  
Information Act releases confirming that

145  
00:07:48,110 --> 00:07:54,408  
in fact the program majestic in 1952

146  
00:07:51,379 --> 00:07:56,149  
actually requested Pentagon support for

147  
00:07:54,408 --> 00:07:58,338  
conducting a psychological warfare

148  
00:07:56,149 --> 00:08:00,500  
program with with logistic support and

149  
00:07:58,338 --> 00:08:02,509  
it was a very big program that's being

150  
00:08:00,500 --> 00:08:03,220  
conducted off the books so I think we

151  
00:08:02,509 --> 00:08:05,139  
have to look

152  
00:08:03,220 --> 00:08:07,210  
very seriously that much of the

153  
00:08:05,139 --> 00:08:09,219  
literature concerning negative

154  
00:08:07,209 --> 00:08:12,039  
extraterrestrials is very closely

155  
00:08:09,220 --> 00:08:14,050  
related to psychological warfare program

156  
00:08:12,040 --> 00:08:15,960  
so we have to investigate that and be

157  
00:08:14,050 --> 00:08:22,600

very careful making generalizations

158

00:08:15,959 --> 00:08:25,379

sustainable civilization into the future

175  
00:09:15,580 --> 00:09:23,320  
I don't believe that any of this has to

176  
00:09:20,679 --> 00:09:27,489  
do with establishing some fearsome super

177  
00:09:23,320 --> 00:09:29,680  
state except to the extent that there

178  
00:09:27,490 --> 00:09:32,589  
are two ways for the world to come

179  
00:09:29,679 --> 00:09:34,689  
together through fear or through oneness

180  
00:09:32,589 --> 00:09:37,120  
I think that if it comes together

181  
00:09:34,690 --> 00:09:39,940  
through fear it empowers the military

182  
00:09:37,120 --> 00:09:42,009  
industrial complex which has gotten out

183  
00:09:39,940 --> 00:09:43,720  
of control and is now more than a

184  
00:09:42,009 --> 00:09:46,419  
trillion dollars a year in expenditures

185  
00:09:43,720 --> 00:09:48,160  
if it comes together in peace and a

186  
00:09:46,419 --> 00:09:50,709  
sense of the oneness that we all share

187  
00:09:48,159 --> 00:09:52,689  
not just as humans but as intelligent

188  
00:09:50,710 --> 00:09:55,930  
life in the universe then there can be a

189  
00:09:52,690 --> 00:09:59,710  
wonderful world that is unified and

190  
00:09:55,929 --> 00:10:01,809  
peaceful so I think that really it

191  
00:09:59,710 --> 00:10:04,629  
depends on the state of consciousness of

192  
00:10:01,809 --> 00:10:07,599  
the who was speaking of this

193  
00:10:04,629 --> 00:10:09,370  
my greatest concern and I have said and

194  
00:10:07,600 --> 00:10:12,009  
I actually wrote a paper to said this I

195  
00:10:09,370 --> 00:10:15,310  
would prefer secrecy to a false

196  
00:10:12,009 --> 00:10:17,169  
disclosure that causes panic and fear

197  
00:10:15,309 --> 00:10:21,368  
and plays into the

198  
00:10:17,169 --> 00:10:23,169  
justic plan of interplanetary conflict

199  
00:10:21,369 --> 00:10:25,420  
because this is exactly what Verner von

200

00:10:23,169 --> 00:10:27,608  
Braun warned about on his deathbed and

201  
00:10:25,419 --> 00:10:30,548  
this is exactly what other people that I

202  
00:10:27,609 --> 00:10:33,850  
have met with who have seen the plans to

203  
00:10:30,548 --> 00:10:35,379  
use these alien reproduction vehicles

204  
00:10:33,850 --> 00:10:38,619  
that are made at these aerospace

205  
00:10:35,379 --> 00:10:41,379  
industries and all kinds of advanced

206  
00:10:38,619 --> 00:10:44,678  
weapon systems to simulate an attack or

207  
00:10:41,379 --> 00:10:47,019  
in many cases to engage in false

208  
00:10:44,678 --> 00:10:49,480  
military abductions now there are people

209  
00:10:47,019 --> 00:10:50,828  
who have had actual et contact and there

210  
00:10:49,480 --> 00:10:53,379  
are other people who have been victims

211  
00:10:50,828 --> 00:10:54,969  
of abductions that have been using very

212  
00:10:53,379 --> 00:10:56,798  
advanced systems and not just in the

213  
00:10:54,970 --> 00:10:58,809  
United States in Europe but in the South

214  
00:10:56,798 --> 00:11:00,548

America and all over the world and this

215

00:10:58,808 --> 00:11:02,828

is something that I have absolutely no

216

00:11:00,548 --> 00:11:06,759

doubt of and so therefore you have to

217

00:11:02,828 --> 00:11:09,428

begin to question who benefits from this

218

00:11:06,759 --> 00:11:19,318

fear was the same people who benefited

219

00:11:09,428 --> 00:11:19,318

from 9/11 plus

220

00:11:19,610 --> 00:11:25,129

230  
00:11:42,649 --> 00:11:58,360  
say respectful well I know there are

231  
00:11:53,659 --> 00:11:58,360  
many people who have opinions about this

232  
00:12:00,278 --> 00:12:05,360  
certainly it is possible that biological

233  
00:12:02,929 --> 00:12:09,429  
warfare programs could be unleashed on

234  
00:12:05,360 --> 00:12:12,709  
the public they could be carried through

235  
00:12:09,429 --> 00:12:16,278  
vaccination programs I have reason to

236  
00:12:12,708 --> 00:12:20,659  
believe HIV in Africa was propelled this

237  
00:12:16,278 --> 00:12:24,439  
way however I don't want to dress into

238  
00:12:20,659 --> 00:12:26,480  
that my own feeling is you should find a

239  
00:12:24,440 --> 00:12:28,339  
physician that you trust and if you feel

240  
00:12:26,480 --> 00:12:31,820  
you need it do it and use your intuition

241  
00:12:28,339 --> 00:12:34,070  
and your own feeling I don't mind

242  
00:12:31,820 --> 00:12:36,290  
getting a flu shot in the fall I have

243  
00:12:34,070 --> 00:12:38,690  
done so in the past my children were

244  
00:12:36,289 --> 00:12:39,980  
vaccinated against some diseases there

245  
00:12:38,690 --> 00:12:42,170  
are other people who don't feel that

246  
00:12:39,980 --> 00:12:44,389  
they should do that it's a calculated

247  
00:12:42,169 --> 00:12:46,719  
risk I don't personally have any

248  
00:12:44,389 --> 00:12:49,250  
information about an attempt to

249  
00:12:46,720 --> 00:12:52,310  
inoculate the public was something that

250  
00:12:49,250 --> 00:12:54,259  
would be injurious through a vaccination

251  
00:12:52,309 --> 00:12:55,639  
program I have certainly seen the

252  
00:12:54,259 --> 00:12:57,889  
information than the concerns that

253  
00:12:55,639 --> 00:12:59,480  
people have but I don't have any

254  
00:12:57,889 --> 00:13:03,019  
information on that so I would tell

255  
00:12:59,480 --> 00:13:04,820  
people to follow their own intuition and

256  
00:13:03,019 --> 00:13:09,919  
their doctor's advice and what they feel

269  
00:13:57,059 --> 00:14:05,429  
have a problem in like the chicken and

270  
00:14:01,980 --> 00:14:10,700  
the egg what comes first we're caught in

271  
00:14:05,429 --> 00:14:14,429

a conundrum of the of technology where

272

00:14:10,700 --> 00:14:18,450

many many concepts proofs of concepts

273

00:14:14,429 --> 00:14:21,179

are out there but usable devices don't

274

00:14:18,450 --> 00:14:24,060

yet exist we're on the threshold of

275

00:14:21,179 --> 00:14:27,629

developing them I think Steve Greer will

276

00:14:24,059 --> 00:14:30,809

be talking about that tomorrow I talked

277

00:14:27,629 --> 00:14:33,750

to a little about it today but an

278

00:14:30,809 --> 00:14:37,349

analogy which i think is a very good one

279

00:14:33,750 --> 00:14:40,019

is aviation where the Wright brothers

280

00:14:37,350 --> 00:14:43,830

were first flying and nobody believed it

281

00:14:40,019 --> 00:14:47,069

and it wasn't really believed until well

282

00:14:43,830 --> 00:14:50,460

thousands of people saw it happen we're

283

00:14:47,070 --> 00:14:53,120

now in a very very beginning stages of

284

00:14:50,460 --> 00:14:56,790

developing this in the public domain in

285

00:14:53,120 --> 00:14:59,909

the secrecy domain these technologies

286  
00:14:56,789 --> 00:15:02,959  
have already existed and I am absolutely

287  
00:14:59,909 --> 00:15:05,309  
convinced as a scientist who's

288  
00:15:02,960 --> 00:15:08,580  
investigated these things very deeply

289  
00:15:05,309 --> 00:15:13,019  
that there are many many concepts out

290  
00:15:08,580 --> 00:15:14,970  
there any one or some of which could

291  
00:15:13,019 --> 00:15:17,669  
solve the energy problem once and for

292  
00:15:14,970 --> 00:15:22,500  
all but the problem is in the United

293  
00:15:17,669 --> 00:15:24,839  
States and also in other countries the

294  
00:15:22,500 --> 00:15:27,419  
so-called energy research and

295  
00:15:24,840 --> 00:15:29,790  
development organizations have not

296  
00:15:27,419 --> 00:15:32,189  
promoted this at all this should be a

297  
00:15:29,789 --> 00:15:34,860  
public concern it should be available to

298  
00:15:32,190 --> 00:15:37,890  
everybody by its very nature it's free

299  
00:15:34,860 --> 00:15:40,259  
it's our birthright and so at a

300  
00:15:37,889 --> 00:15:41,409  
conference like this there can be no

301  
00:15:40,259 --> 00:15:44,828  
revelation

302  
00:15:41,409 --> 00:15:48,428  
until we have enough people coming

303  
00:15:44,828 --> 00:15:51,758  
together to actually demonstrate this

304  
00:15:48,428 --> 00:16:00,188  
and to actually disseminate it as fast

305  
00:15:51,759 --> 00:16:06,818  
as possible but I've seen your you know

306  
00:16:00,188 --> 00:16:09,188  
you sync them up and estado para una una

307  
00:16:06,818 --> 00:16:13,178  
respuesta mass concrete ah who knows

308  
00:16:09,188 --> 00:16:17,348  
Terrace kita responder yeah I'll take a

309  
00:16:13,178 --> 00:16:20,318  
shot at it there's the same lao-tzu

310  
00:16:17,349 --> 00:16:24,220  
those who know do not say and those who

311  
00:16:20,318 --> 00:16:28,868  
say do not know and what I mean by this

312  
00:16:24,220 --> 00:16:33,249  
is that I I've gone all over the world

313  
00:16:28,869 --> 00:16:36,729  
looking for existing systems that

314

00:16:33,249 --> 00:16:39,879  
operate exactly what you're asking for I

315  
00:16:36,729 --> 00:16:45,809  
have seen a couple in every case either

316  
00:16:39,879 --> 00:16:48,129  
the inventor disappears or they are

317  
00:16:45,808 --> 00:16:50,469  
discouraged from coming forward and

318  
00:16:48,129 --> 00:16:53,079  
letting us bring it out to the public as

319  
00:16:50,470 --> 00:16:56,999  
soon as there is one I will promise this

320  
00:16:53,078 --> 00:17:02,068  
to sue as soon as there is one that is

321  
00:16:56,999 --> 00:17:06,159  
available that we are allowed to take

322  
00:17:02,068 --> 00:17:09,188  
possession of tests properly reproduce

323  
00:17:06,159 --> 00:17:12,009  
it scientifically and be sure that it is

324  
00:17:09,189 --> 00:17:14,259  
what the claims around it are it will be

325  
00:17:12,009 --> 00:17:16,538  
known and we will only show it here

326  
00:17:14,259 --> 00:17:18,128  
we'll show it on the internet and

327  
00:17:16,538 --> 00:17:19,148  
everywhere else I'm going to talk about

328  
00:17:18,128 --> 00:17:20,318

this tomorrow

329

00:17:19,148 --> 00:17:22,178  
and I want to give you one little

330

00:17:20,318 --> 00:17:24,338  
example of the kinds of things that

331

00:17:22,179 --> 00:17:27,100  
happen there's a man named Stan Meyer

332

00:17:24,338 --> 00:17:29,710  
who is running a car on water this was

333

00:17:27,099 --> 00:17:31,808  
not a hoax and I head up the Orion

334

00:17:29,710 --> 00:17:33,990  
project org and we're in the process of

335

00:17:31,808 --> 00:17:36,878  
trying to acquire that entire collection

336

00:17:33,990 --> 00:17:39,159  
it is thought that he was killed towards

337

00:17:36,878 --> 00:17:41,288  
the end of his life he certainly died

338

00:17:39,159 --> 00:17:44,230  
under mysterious circumstances I've seen

339

00:17:41,288 --> 00:17:46,628  
the autopsy report what we do know a man

340

00:17:44,230 --> 00:17:47,349  
that worked with him the most advanced

341

00:17:46,628 --> 00:17:50,409  
system that he

342

00:17:47,349 --> 00:17:52,509  
had that was not even electrolyzing

343  
00:17:50,410 --> 00:17:55,058  
water so you could run a car on it but

344  
00:17:52,509 --> 00:17:57,579  
it was an electromagnetic device that

345  
00:17:55,058 --> 00:18:00,788  
was an over unity free energy device

346  
00:17:57,579 --> 00:18:03,250  
that had an NSO on a national security

347  
00:18:00,788 --> 00:18:06,609  
order on it and this we have now

348  
00:18:03,250 --> 00:18:08,710  
discovered in the last 60 days so what

349  
00:18:06,609 --> 00:18:12,788  
happens around the world is that often

350  
00:18:08,710 --> 00:18:16,410  
these devices are either bought up or

351  
00:18:12,788 --> 00:18:18,879  
they are the inventors are threatened or

352  
00:18:16,410 --> 00:18:22,230  
something mysterious happens to the

353  
00:18:18,880 --> 00:18:25,000  
inventor before he can bring it out and

354  
00:18:22,230 --> 00:18:27,009  
there's a long history of this approving

355  
00:18:25,000 --> 00:18:30,369  
history of it what we're trying to do is

356  
00:18:27,009 --> 00:18:33,819  
change that dynamic by identifying a

357  
00:18:30,369 --> 00:18:35,259  
system or people who will provide the

358  
00:18:33,819 --> 00:18:37,658  
funding so we can open our own

359  
00:18:35,259 --> 00:18:39,519  
laboratory and if we do that I think

360  
00:18:37,659 --> 00:18:41,650  
within a year to 18 months we will have

361  
00:18:39,519 --> 00:18:43,538  
such a device because we know the people

362  
00:18:41,650 --> 00:18:45,700  
who can work on it and I'm gonna go into

363  
00:18:43,538 --> 00:18:48,129  
this in a lot of detail tomorrow but I

364  
00:18:45,700 --> 00:18:50,200  
can tell you that the potential is there

365  
00:18:48,130 --> 00:18:52,570  
but actually be able to bring it out and

366  
00:18:50,200 --> 00:18:54,580  
demonstrate it that's a Promethean

367  
00:18:52,569 --> 00:18:58,119  
effort that'd be like dragon ET

368  
00:18:54,579 --> 00:19:01,240  
spacecraft out of Fort Huachuca and it

369  
00:18:58,119 --> 00:19:03,009  
isn't as easy as just waving around your

370  
00:19:01,240 --> 00:19:05,259  
hand and making a generator do this now

371

00:19:03,009 --> 00:19:07,599  
there are some people in Spain I have

372  
00:19:05,259 --> 00:19:09,369  
learned recently that may have such a

373  
00:19:07,599 --> 00:19:11,949  
breakthrough technology and we're in the

374  
00:19:09,369 --> 00:19:14,288  
process of pursuing that and I think

375  
00:19:11,950 --> 00:19:17,440  
that any time that we can confirm it and

376  
00:19:14,288 --> 00:19:19,779  
reproduce it it'll be known by all of

377  
00:19:17,440 --> 00:19:21,700  
you because if it's the last thing I do

378  
00:19:19,779 --> 00:19:23,558  
the people will know about it and the

379  
00:19:21,700 --> 00:19:28,860  
people will have it and that is our

380  
00:19:23,558 --> 00:19:28,859  
commitment I might also add

381  
00:19:33,109 --> 00:19:37,819  
I'd also like to add the fact that

382  
00:19:35,700 --> 00:19:42,558  
there's a huge difference between

383  
00:19:37,819 --> 00:19:47,759  
research development deployment of

384  
00:19:42,558 --> 00:19:51,779  
technology and to expect somebody to to

385  
00:19:47,759 --> 00:19:54,359

have a viable marketable free energy

386

00:19:51,779 --> 00:19:57,450

device would be like asking the Wright

387

00:19:54,359 --> 00:20:00,959

brothers to deliver passengers mail or

388

00:19:57,450 --> 00:20:04,440

bombs we simply haven't gotten to that

389

00:20:00,960 --> 00:20:08,490

point yet but we could with support with

390

00:20:04,440 --> 00:20:11,279

public support and I truly believe the

391

00:20:08,490 --> 00:20:16,130

technologies are very real they just

392

00:20:11,279 --> 00:20:23,899

haven't been developed enough yet la

physical and very real and it has been

more than once and the message has

425  
00:22:23,000 --> 00:22:33,529  
always been the vision it's always about

426  
00:22:29,180 --> 00:22:35,810  
the vision it's always about it's not

427  
00:22:33,529 --> 00:22:38,930  
like they say you know here's a formula

428

00:22:35,809 --> 00:22:41,779  
for you know a new coca-cola or

429  
00:22:38,930 --> 00:22:45,980  
something or whatever it's not it's not

430  
00:22:41,779 --> 00:22:54,859  
a linear experience it's an experience

431  
00:22:45,980 --> 00:22:59,299  
in the territory we share together in

432  
00:22:54,859 --> 00:23:03,079  
the cosmic being and the understanding

433  
00:22:59,299 --> 00:23:05,690  
of where our civilization is and the

434  
00:23:03,079 --> 00:23:07,519  
promise of where we'll be and what we

435  
00:23:05,690 --> 00:23:11,180  
have to do to get there what are the

436  
00:23:07,519 --> 00:23:16,279  
steps to get there and that really began

437  
00:23:11,180 --> 00:23:19,519  
for me when I was 18 and I after I had

438  
00:23:16,279 --> 00:23:21,680  
this near-death experience I you know I

439  
00:23:19,519 --> 00:23:23,690  
was raised a very devout atheist I

440  
00:23:21,680 --> 00:23:26,180  
always say a devout atheist my my

441  
00:23:23,690 --> 00:23:28,880  
parents were fanatically atheist

442  
00:23:26,180 --> 00:23:31,009

and so it was quite a revolution for me

443

00:23:28,880 --> 00:23:35,080

to realize that there was a universal

444

00:23:31,009 --> 00:23:38,930

being and there was life after death and

445

00:23:35,079 --> 00:23:41,059

many of these things are true and so I I

446

00:23:38,930 --> 00:23:44,320

wanted to learn meditation and so I

447

00:23:41,059 --> 00:23:47,329

learned a type of Vedic meditation and

448

00:23:44,319 --> 00:23:50,029

mantra meditation and the first time I

449

00:23:47,329 --> 00:23:54,710

said to meditate I went right into that

450

00:23:50,029 --> 00:23:56,240

state of Samadhi and so of us was off at

451

00:23:54,710 --> 00:23:59,480

college and I was hiking up on the

452

00:23:56,240 --> 00:24:01,220

mountain and it was beautiful and it was

453

00:23:59,480 --> 00:24:03,349

in October and I was wearing a ski

454

00:24:01,220 --> 00:24:08,180

jacket it was very cold up about 6000

455

00:24:03,349 --> 00:24:10,490

feet high and I said before meditation I

456

00:24:08,180 --> 00:24:11,870

saw this extraterrestrial spacecraft

457  
00:24:10,490 --> 00:24:14,990  
like the picture we showed from the

458  
00:24:11,869 --> 00:24:17,209  
Outer Banks but clearer in very clear

459  
00:24:14,990 --> 00:24:18,650  
air and it was exactly like the one I

460  
00:24:17,210 --> 00:24:20,480  
saw when I was eight or nine years old

461  
00:24:18,650 --> 00:24:23,720  
they'd come back they were very

462  
00:24:20,480 --> 00:24:25,970  
interested and I just acknowledged it

463  
00:24:23,720 --> 00:24:28,039  
and then it D materialized and vanished

464  
00:24:25,970 --> 00:24:30,529  
so I said to meditate on the mountain

465  
00:24:28,039 --> 00:24:33,440  
top and I went into a very deep state of

466  
00:24:30,529 --> 00:24:35,329  
consciousness and when I was completed

467  
00:24:33,440 --> 00:24:37,360  
with the meditation it had gotten very

468  
00:24:35,329 --> 00:24:40,429  
dark and the Milky Way galaxy was

469  
00:24:37,359 --> 00:24:43,039  
overhead and and the stars it was just

470  
00:24:40,430 --> 00:24:50,110  
so beautiful and this very crisp clear

471  
00:24:43,039 --> 00:24:53,629  
air in October of 1973 and I suddenly a

472  
00:24:50,109 --> 00:24:56,329  
transmission of a message was sent into

473  
00:24:53,630 --> 00:24:58,370  
my awareness it was not my own thinking

474  
00:24:56,329 --> 00:25:01,279  
and it said Behold what a beautiful

475  
00:24:58,369 --> 00:25:03,019  
universe God has made and with that I

476  
00:25:01,279 --> 00:25:04,399  
went right back into that state that I

477  
00:25:03,019 --> 00:25:06,650  
was in when I had my near-death

478  
00:25:04,400 --> 00:25:09,920  
experience a state of God consciousness

479  
00:25:06,650 --> 00:25:11,960  
and beautiful experience and I then

480  
00:25:09,920 --> 00:25:15,259  
realized there was this little there was

481  
00:25:11,960 --> 00:25:18,680  
this person here like Oh like you huh

482  
00:25:15,259 --> 00:25:20,420  
where's they right here but and so he

483  
00:25:18,680 --> 00:25:23,509  
touched me on my right shoulder just

484  
00:25:20,420 --> 00:25:25,430  
this firmly like that and all the hair

485

00:25:23,509 --> 00:25:27,789  
on my head went stood on end it was like

486  
00:25:25,430 --> 00:25:35,390  
electromagnetic I used to have hair then

487  
00:25:27,789 --> 00:25:38,029  
more hair and I sort of dematerialize

488  
00:25:35,390 --> 00:25:41,030  
and I was on this it's like a

489  
00:25:38,029 --> 00:25:45,859  
translucent craft for about three hours

490  
00:25:41,029 --> 00:25:47,569  
and that's when we co-created the close

491  
00:25:45,859 --> 00:25:51,589  
encounter of the fifth kind protocols

492  
00:25:47,569 --> 00:25:54,829  
using consciousness and tonality and all

493  
00:25:51,589 --> 00:25:57,500  
of these things as sort of the universal

494  
00:25:54,829 --> 00:25:59,089  
resonator for contact and so after that

495  
00:25:57,500 --> 00:26:01,039  
many things happen but yes it was a very

496  
00:25:59,089 --> 00:26:05,059  
I write about this in my autobiography

497  
00:26:01,039 --> 00:26:06,589  
hidden truths forbidden knowledge which

498  
00:26:05,059 --> 00:26:08,990  
is now in about eight languages but

499  
00:26:06,589 --> 00:26:13,699

regrettably not in Spanish I need a good

500

00:26:08,990 --> 00:26:16,250

Spanish translator but it isn't French

501

00:26:13,700 --> 00:26:18,620

and it's in Croatian and Japanese and

502

00:26:16,250 --> 00:26:20,420

Russian and everything but you can get

503

00:26:18,619 --> 00:26:22,519

it in English or French own disclosure

504

00:26:20,420 --> 00:26:24,890

project org but I tell about this and it

505

00:26:22,519 --> 00:26:27,559

was a very beautiful experience and I

506

00:26:24,890 --> 00:26:29,840

was I have to say initially a little

507

00:26:27,559 --> 00:26:33,529

afraid because I was an 18 year old boy

508

00:26:29,839 --> 00:26:36,619

and at the before I had this experience

509

00:26:33,529 --> 00:26:39,019

where I was sort of teleported

510

00:26:36,619 --> 00:26:41,089

mysteriously on this craft I really

511

00:26:39,019 --> 00:26:43,639

thought what is this animal want with me

512

00:26:41,089 --> 00:26:49,220

but it was beautiful I had ear shaped

513

00:26:43,640 --> 00:26:51,890

eyes and short and no hair beautiful

514  
00:26:49,220 --> 00:26:53,720  
eyes though stunning enough these black

515  
00:26:51,890 --> 00:26:55,280  
scary eyes those are the program life

516  
00:26:53,720 --> 00:26:56,960  
forms people say how do you know the

517  
00:26:55,279 --> 00:26:58,430  
difference I said I've seen both I know

518  
00:26:56,960 --> 00:27:02,120  
the ones that are man-made the ones that

519  
00:26:58,430 --> 00:27:05,029  
are real et but the knowledge is the

520  
00:27:02,119 --> 00:27:07,250  
experience is the great teacher but so

521  
00:27:05,029 --> 00:27:11,240  
and it was a beautiful experience but

522  
00:27:07,250 --> 00:27:14,240  
the message was not so much information

523  
00:27:11,240 --> 00:27:17,470  
based it was more experience based if

524  
00:27:14,240 --> 00:27:17,470  
that makes any sense

525  
00:27:18,309 --> 00:27:24,409

can I just add something quickly with

554  
00:28:47,740 --> 00:28:52,569  
regard to the question of contact with

555  
00:28:50,500 --> 00:28:53,769  
extraterrestrials I certainly have not

556  
00:28:52,569 --> 00:28:55,899

had physical contact with

557

00:28:53,769 --> 00:28:57,759  
extraterrestrials but I think it's

558

00:28:55,900 --> 00:29:02,680  
something that we might easily overlook

559

00:28:57,759 --> 00:29:05,250  
is that in fact in 1961 when Project

560

00:29:02,680 --> 00:29:07,930  
Ozma which was the forerunner to SETI

561

00:29:05,250 --> 00:29:10,450  
began to inquire into the question of

562

00:29:07,930 --> 00:29:13,480  
extraterrestrial life in the galaxy they

563

00:29:10,450 --> 00:29:16,120  
said that there were two forms of

564

00:29:13,480 --> 00:29:18,130  
intelligence on the planet humans and

565

00:29:16,119 --> 00:29:21,099  
dolphins or cetaceans

566

00:29:18,130 --> 00:29:24,730  
so cetaceans were acknowledged by that

567

00:29:21,099 --> 00:29:27,279  
group back in 1961 as being a non-human

568

00:29:24,730 --> 00:29:29,069  
advanced intelligence on the planet and

569

00:29:27,279 --> 00:29:32,769  
since that time there have been many

570

00:29:29,069 --> 00:29:35,109  
classified studies done on dolphin

571  
00:29:32,769 --> 00:29:36,730  
intelligence dolphin communication and

572  
00:29:35,109 --> 00:29:39,789  
these have been very highly classified

573  
00:29:36,730 --> 00:29:41,980  
and so I think this is part of what the

574  
00:29:39,789 --> 00:29:44,200  
Navy does in terms of that training of

575  
00:29:41,980 --> 00:29:46,180  
the dolphins and cetaceans and in Hawaii

576  
00:29:44,200 --> 00:29:48,730  
we're very fortunate that we regularly

577  
00:29:46,180 --> 00:29:52,930  
interact with the dolphins and even with

578  
00:29:48,730 --> 00:29:55,329  
the whales we have physical interactions

579  
00:29:52,930 --> 00:29:58,210  
with them and often people who do that

580  
00:29:55,329 --> 00:30:02,409  
report high strangeness activities

581  
00:29:58,210 --> 00:30:05,620  
around them they often people feel calm

582  
00:30:02,410 --> 00:30:08,140  
telepathic communications happening some

583  
00:30:05,619 --> 00:30:10,839  
kind of dimensional shift portal shifts

584  
00:30:08,140 --> 00:30:13,660  
very strange high strain very high

585  
00:30:10,839 --> 00:30:16,809  
strangeness a related phenomena so I

586  
00:30:13,660 --> 00:30:18,400  
haven't had as I said any physical

587  
00:30:16,809 --> 00:30:21,970  
interaction with extra treasures but I

588  
00:30:18,400 --> 00:30:25,360  
think that just the physical interaction

589  
00:30:21,970 --> 00:30:28,750  
with dolphins and whales as well does

590  
00:30:25,359 --> 00:30:34,559  
kind of prepare one for such an

591  
00:30:28,750 --> 00:30:34,559  
encounter in the future Brian

592  
00:30:39,700 --> 00:30:46,088  
I've been wanting to have a direct

593  
00:30:42,950 --> 00:30:48,649  
personal experience of contacting

594  
00:30:46,088 --> 00:30:51,710  
extraterrestrial intelligence but I

595  
00:30:48,648 --> 00:30:54,558  
haven't yet but what I have had were

596  
00:30:51,710 --> 00:30:57,440  
several paranormal experiences which got

597  
00:30:54,558 --> 00:31:02,569  
me into this crazy game in the first

598  
00:30:57,440 --> 00:31:04,548  
place and so when I was a professor in

599

00:31:02,569 --> 00:31:07,788  
the physics department at Princeton

600  
00:31:04,548 --> 00:31:10,788  
University 30 years ago I had a remote

601  
00:31:07,788 --> 00:31:13,338  
viewing experience and then I had a

602  
00:31:10,788 --> 00:31:16,249  
healing experience and then I had a

603  
00:31:13,338 --> 00:31:18,908  
near-death experience in which I left my

604  
00:31:16,249 --> 00:31:21,739  
body and went into the light and that

605  
00:31:18,909 --> 00:31:24,499  
just totally convinced me that the

606  
00:31:21,739 --> 00:31:27,798  
physics that I was teaching at Princeton

607  
00:31:24,499 --> 00:31:30,399  
was very mundane compared to what was

608  
00:31:27,798 --> 00:31:30,398  
possible

609  
00:31:36,460 --> 00:31:44,620  
I also I now live in Ecuador in the

610  
00:31:40,869 --> 00:31:47,589  
village of vilcabamba and recently I had

611  
00:31:44,619 --> 00:31:50,169  
my first UFO sighting with four other

612  
00:31:47,589 --> 00:31:52,990  
people and I know that they're out there

613  
00:31:50,170 --> 00:31:54,970

and Steve we'd love you to come with a

614

00:31:52,990 --> 00:31:56,980

group sometimes so we can really have

615

00:31:54,970 --> 00:32:00,640

the direct experience maybe you will

616

00:31:56,980 --> 00:32:03,039

come with us yes I want to say also we

617

00:32:00,640 --> 00:32:07,330

need it not be so materialistic in our

618

00:32:03,039 --> 00:32:10,180

view okay we have physical bodies we

619

00:32:07,329 --> 00:32:12,490

also have bodies of light and conscious

620

00:32:10,180 --> 00:32:15,400

bodies and those are just as real they

621

00:32:12,490 --> 00:32:17,109

should not be diminished and I said

622

00:32:15,400 --> 00:32:20,019

during my talk something that kind of

623

00:32:17,109 --> 00:32:23,379

went quickly and that is the number one

624

00:32:20,019 --> 00:32:26,019

way that humans Homo sapiens have had

625

00:32:23,380 --> 00:32:28,300

contact over the ages with these

626

00:32:26,019 --> 00:32:31,299

interstellar civilizations is in the

627

00:32:28,299 --> 00:32:33,730

lucid dream state and you are in a dream

628  
00:32:31,299 --> 00:32:35,859  
you're awake in the dream and you are

629  
00:32:33,730 --> 00:32:38,769  
actually interacting and contacting

630  
00:32:35,859 --> 00:32:42,159  
these beings in the dream state and the

631  
00:32:38,769 --> 00:32:44,700  
reason for that is that when you put a

632  
00:32:42,160 --> 00:32:49,600  
resonance frequency field around this

633  
00:32:44,700 --> 00:32:54,490  
bottle and it shifts beyond the speed of

634  
00:32:49,599 --> 00:32:56,799  
light zap what you suddenly are in

635  
00:32:54,490 --> 00:32:59,980  
another quote dimension and that

636  
00:32:56,799 --> 00:33:02,109  
dimension some have called the astral or

637  
00:32:59,980 --> 00:33:05,890  
the the field of that kind of subtle

638  
00:33:02,109 --> 00:33:09,279  
energy and guess what humans are the

639  
00:33:05,890 --> 00:33:11,530  
ultimate interdimensional thing in

640  
00:33:09,279 --> 00:33:14,019  
creation we have physical bodies that

641  
00:33:11,529 --> 00:33:16,899  
are material and atoms within that is

642  
00:33:14,019 --> 00:33:20,470  
this body of light this so-called astral

643  
00:33:16,900 --> 00:33:22,780  
body within that is the thought body the

644  
00:33:20,470 --> 00:33:25,210  
essence of your individuality and within

645  
00:33:22,779 --> 00:33:27,519  
that is this spark of this unbounded

646  
00:33:25,210 --> 00:33:28,990  
divine conscious being all of that is

647  
00:33:27,519 --> 00:33:31,720  
folded within you and there's a

648  
00:33:28,990 --> 00:33:34,329  
wonderful saying from the Sufi tradition

649  
00:33:31,720 --> 00:33:37,539  
and it's a rhetorical question and it

650  
00:33:34,329 --> 00:33:42,089  
goes thinkest by self a puny form when

651  
00:33:37,539 --> 00:33:42,089

662  
00:34:27,648 --> 00:34:36,230  
whenever anybody says something that

663  
00:34:31,940 --> 00:34:39,389  
violates my sense of what's physical I

664  
00:34:36,230 --> 00:34:43,648  
have to reach into new dimensions of

665  
00:34:39,389 --> 00:34:48,839  
reality and so I'm constantly being

666  
00:34:43,648 --> 00:34:53,009  
asked to reach beyond the three

667  
00:34:48,840 --> 00:34:54,750  
dimensions of physicality and in the

668  
00:34:53,010 --> 00:34:58,200  
case of the Hollow Earth

669  
00:34:54,750 --> 00:35:01,849  
well geophysical II that's not possible

670  
00:34:58,199 --> 00:35:06,149

but that's physical and the physical

671

00:35:01,849 --> 00:35:09,659

look at things is very very limited and

672

00:35:06,150 --> 00:35:12,539

I'm completely convinced the people's

673

00:35:09,659 --> 00:35:15,690

paranormal experiences such as viewing a

674

00:35:12,539 --> 00:35:18,840

Hollow Earth or because there have been

675

00:35:15,690 --> 00:35:22,740

many many witnesses are very valid

676

00:35:18,840 --> 00:35:25,260

experiment experiences however it may

677

00:35:22,739 --> 00:35:28,739

not be in the physical realms and that's

678

00:35:25,260 --> 00:35:31,200

okay and this is the kind of thing that

679

00:35:28,739 --> 00:35:33,809

makes my life sometimes difficult

680

00:35:31,199 --> 00:35:36,149

because for years and years and years

681

00:35:33,809 --> 00:35:39,659

I've been inside this box of physicality

682

00:35:36,150 --> 00:35:42,539

and materialism and then I start to have

683

00:35:39,659 --> 00:35:45,359

paranormal experiences myself and then I

684

00:35:42,539 --> 00:35:47,670

find that not only is this open for my

685  
00:35:45,360 --> 00:35:49,280  
experience but science and the

686  
00:35:47,670 --> 00:35:52,340  
methodology of science

687  
00:35:49,280 --> 00:35:54,380  
and be brought to bear to quote prove

688  
00:35:52,340 --> 00:35:59,210  
the reality of these things so we can

689  
00:35:54,380 --> 00:36:02,240  
have it always and I'm I in other words

690  
00:35:59,210 --> 00:36:05,840  
what I'm trying to say is that yes

691  
00:36:02,239 --> 00:36:09,679  
I'm willing to be open to whatever and

692  
00:36:05,840 --> 00:36:11,780  
if my colleague Jim Oberg by the way who

693  
00:36:09,679 --> 00:36:14,049  
says Brian don't have such an open mind

694  
00:36:11,780 --> 00:36:20,269  
that your brains will spill out I say

695  
00:36:14,050 --> 00:36:26,090  
that's fine I can elucidate this a

696  
00:36:20,269 --> 00:36:28,429  
little bit because I think it's a matter

697  
00:36:26,090 --> 00:36:32,210  
of understanding some physics that gets

698  
00:36:28,429 --> 00:36:36,889  
into the WS fm weird science and

699  
00:36:32,210 --> 00:36:39,440  
freaking magic and here's of a fact this

700  
00:36:36,889 --> 00:36:41,539  
is a scientific fact if you were to

701  
00:36:39,440 --> 00:36:46,659  
collapse all the solid matter of your

702  
00:36:41,539 --> 00:36:49,849  
body it would fit on the tip of a pen

703  
00:36:46,659 --> 00:36:54,980  
that is all you are the rest of it is

704  
00:36:49,849 --> 00:36:58,400  
quote empty space what is that what is

705  
00:36:54,980 --> 00:37:03,170  
the empty space what is the matrix in

706  
00:36:58,400 --> 00:37:06,050  
space and that your body is filling now

707  
00:37:03,170 --> 00:37:11,170  
when I do this my hand doesn't go

708  
00:37:06,050 --> 00:37:16,039  
through my arm however if you put a

709  
00:37:11,170 --> 00:37:19,430  
highly developed electromagnetic energy

710  
00:37:16,039 --> 00:37:21,440  
field around this hand it can go

711  
00:37:19,429 --> 00:37:24,619  
straight through this arm and come out

712  
00:37:21,440 --> 00:37:26,780  
the other side and no atom will touch

713

00:37:24,619 --> 00:37:28,940  
another atom because most of this is

714  
00:37:26,780 --> 00:37:32,150  
empty space and it's about spin and

715  
00:37:28,940 --> 00:37:34,250  
resonance field and this is why many

716  
00:37:32,150 --> 00:37:37,010  
people have reported and we have seen

717  
00:37:34,250 --> 00:37:38,960  
this on our expeditions extraterrestrial

718  
00:37:37,010 --> 00:37:42,680  
vehicles go straight through a mountain

719  
00:37:38,960 --> 00:37:46,550  
and why don't they crash into the

720  
00:37:42,679 --> 00:37:49,639  
mountain in 1996 I had 30 people out in

721  
00:37:46,550 --> 00:37:51,560  
the desert and we had third we had a an

722  
00:37:49,639 --> 00:37:54,710  
extraterrestrial vehicle that came

723  
00:37:51,559 --> 00:37:56,840  
straight out of the zenith and it went

724  
00:37:54,710 --> 00:37:58,880  
in towards the earth it was a teal blue

725  
00:37:56,840 --> 00:38:00,349  
color and it was shaped just like a

726  
00:37:58,880 --> 00:38:01,670  
Hershey's kissing you know

727  
00:38:00,349 --> 00:38:03,680

little chocolates that are flat on the

728

00:38:01,670 --> 00:38:05,289

bottom and come up like this and it was

729

00:38:03,679 --> 00:38:08,149

huge two or three hundred feet across

730

00:38:05,289 --> 00:38:10,039

seen by many people and we were in this

731

00:38:08,150 --> 00:38:12,889

remote area of Joshua Tree National Park

732

00:38:10,039 --> 00:38:15,499

in the high desert it came straight down

733

00:38:12,889 --> 00:38:16,879

out of the space and it we got when it

734

00:38:15,498 --> 00:38:18,768

as it approached the earth it

735

00:38:16,880 --> 00:38:21,739

illuminated the entire desert like it

736

00:38:18,768 --> 00:38:24,318

was daytime and then it merged into the

737

00:38:21,739 --> 00:38:25,818

earth and they were showing us where

738

00:38:24,318 --> 00:38:28,429

they have an underground

739

00:38:25,818 --> 00:38:29,659

extra-terrestrial facility and this is

740

00:38:28,429 --> 00:38:31,518

where we've been having so much of this

741

00:38:29,659 --> 00:38:34,278

contact and the Orion transmissions

742  
00:38:31,518 --> 00:38:35,389  
started at that very spot we go there

743  
00:38:34,278 --> 00:38:37,548  
we're going to go there in November if

744  
00:38:35,389 --> 00:38:40,219  
you want to come and come now what's

745  
00:38:37,548 --> 00:38:42,199  
interesting is that many people would

746  
00:38:40,219 --> 00:38:44,838  
say how could it have gone hit the earth

747  
00:38:42,199 --> 00:38:47,358  
and not exploded it's because of the

748  
00:38:44,838 --> 00:38:50,960  
physics that deal with enabling matter

749  
00:38:47,358 --> 00:38:54,619  
to be tilted a little bit out of linear

750  
00:38:50,960 --> 00:38:56,809  
space-time so that solid matter and then

751  
00:38:54,619 --> 00:38:59,210  
go straight through something else now I

752  
00:38:56,809 --> 00:39:02,420  
am working with a renowned physicist I

753  
00:38:59,210 --> 00:39:04,548  
cannot say what country but he is very

754  
00:39:02,420 --> 00:39:07,450  
senior person in a Ministry of Defense

755  
00:39:04,548 --> 00:39:09,920  
and an advisor to a head of state and

756  
00:39:07,449 --> 00:39:11,960  
this person was at an experiment

757  
00:39:09,920 --> 00:39:15,048  
recently where they took this is a human

758  
00:39:11,960 --> 00:39:17,978  
experiment where they took two cats you

759  
00:39:15,048 --> 00:39:20,389  
know got tools me yeah like that and

760  
00:39:17,978 --> 00:39:22,460  
they were able to bring these two cats

761  
00:39:20,389 --> 00:39:25,219  
and they caused the two cats to become

762  
00:39:22,460 --> 00:39:27,588  
one they occupied the same space and

763  
00:39:25,219 --> 00:39:29,269  
then they separated them and they went

764  
00:39:27,588 --> 00:39:32,028  
off and were perfectly normal and fine

765  
00:39:29,268 --> 00:39:34,368  
absolutely this is possible and has been

766  
00:39:32,028 --> 00:39:35,929  
done within classified projects so if

767  
00:39:34,369 --> 00:39:37,789  
that's possible within classified

768  
00:39:35,929 --> 00:39:40,338  
projects imagine what an interstellar

769  
00:39:37,789 --> 00:39:43,700  
civilization can do and for this reason

770

00:39:40,338 --> 00:39:45,440  
I tell people the the amazing ways that

771  
00:39:43,699 --> 00:39:48,828  
these interstellar civilizations will

772  
00:39:45,440 --> 00:39:51,318  
interface with us is almost beyond your

773  
00:39:48,829 --> 00:39:53,420  
imagination and it's beautiful and

774  
00:39:51,318 --> 00:39:58,248  
wondrous but it's opening up a whole new

the Ministry of Defense files do contain

790

00:40:38,400 --> 00:40:45,829

a small number of cases which I guess

791

00:40:42,659 --> 00:40:49,818

you would categorize as being contactee

792

00:40:45,829 --> 00:40:52,849

cases and also a small number of cases

793

00:40:49,818 --> 00:40:57,079

that you would characterize as being

794

00:40:52,849 --> 00:41:00,749

abduction cases but the numbers are very

795

00:40:57,079 --> 00:41:04,829

small and I think one of the reasons for

796

00:41:00,748 --> 00:41:08,509

this is that firstly people are more

797

00:41:04,829 --> 00:41:12,450

reluctant to report I think a a contact

798

00:41:08,509 --> 00:41:16,278

experience than a UFO sighting because

799

00:41:12,449 --> 00:41:19,679  
of the fear of ridicule and disbelief

800

00:41:16,278 --> 00:41:22,858  
the second reason why we have so few

801

00:41:19,679 --> 00:41:26,848  
cases in the Ministry of Defence is of

802

00:41:22,858 --> 00:41:30,179  
course a lot of people who have had

803

00:41:26,849 --> 00:41:32,910  
these experiences and then research the

804

00:41:30,179 --> 00:41:36,768  
subject believe that the Ministry of

805

00:41:32,909 --> 00:41:39,149  
Defense are involved in the cover-up or

806

00:41:36,768 --> 00:41:42,718  
think that we know about all this

807

00:41:39,150 --> 00:41:46,019  
already so to some people we are the bad

808

00:41:42,719 --> 00:41:49,409  
guys I'm afraid so yes we do have some

809

00:41:46,018 --> 00:41:52,218  
cases but not very many and some of

810

00:41:49,409 --> 00:41:56,909  
those cases have been released but

811

00:41:52,219 --> 00:42:01,469  
unfortunately when I was running this

812

00:41:56,909 --> 00:42:04,649  
project I separated out the contact

813  
00:42:01,469 --> 00:42:09,269  
cases and I think I just found in some

814  
00:42:04,650 --> 00:42:11,999  
old files five or six contact II cases I

815  
00:42:09,268 --> 00:42:16,139  
put them in one file and that's been

816  
00:42:11,998 --> 00:42:16,558  
released but my successors didn't do

817  
00:42:16,139 --> 00:42:19,618  
that

818  
00:42:16,559 --> 00:42:22,739  
they just put the contact II and

819  
00:42:19,619 --> 00:42:24,900  
abduction cases in the standard UFO

820  
00:42:22,739 --> 00:42:26,250  
files so I'm afraid it's a question of

821  
00:42:24,900 --> 00:42:28,380  
having to go through the

822  
00:42:26,250 --> 00:42:31,309  
thousands and thousands of pages and

have hesitated to speak out about what

847

I've learned because of the sensitivity

848

of this subject I will tell you this the

849

00:44:03,599 --> 00:44:12,300

United States has a separate space

850

00:44:06,630 --> 00:44:15,170

program totally separate from NASA we've

851

00:44:12,300 --> 00:44:20,640

had this separate space program now for

852

00:44:15,170 --> 00:44:22,550

over 30 years it's under the grand and

853

00:44:20,639 --> 00:44:27,269

auspices of what they called the

854

00:44:22,550 --> 00:44:31,320

aerospace command the military have been

855

00:44:27,269 --> 00:44:34,338

launching craft from a variety of

856  
00:44:31,320 --> 00:44:37,570  
different places in the United States

857  
00:44:34,338 --> 00:44:39,940

of sight in Utah and they launched out

862  
00:44:50,409 --> 00:44:58,769  
of an American alien Joint Base on

863  
00:44:54,030 --> 00:45:02,350  
Kwajalein Atoll in the Pacific Islands

864  
00:44:58,769 --> 00:45:04,329  
the American people have been literally

865  
00:45:02,349 --> 00:45:06,690  
taken to the cleaners if you'll pardon

866  
00:45:04,329 --> 00:45:09,489  
the term

867  
00:45:06,690 --> 00:45:12,550  
millions of dollars have been stolen

868  
00:45:09,489 --> 00:45:15,549  
from the American taxpayer that have

869  
00:45:12,550 --> 00:45:22,110  
totally disappeared to give you an

870  
00:45:15,550 --> 00:45:27,039  
example in the years 1998 99 and 2000

871  
00:45:22,110 --> 00:45:29,490  
1.7 million dollars a year disappeared

872  
00:45:27,039 --> 00:45:32,349  
from the Department of Defense

873  
00:45:29,489 --> 00:45:35,679  
accountability now when this information

874  
00:45:32,349 --> 00:45:37,869  
was delivered to Congress I would have

875  
00:45:35,679 --> 00:45:39,929  
thought most of my friends would have

876  
00:45:37,869 --> 00:45:44,440  
thought there would have been an outrage

877  
00:45:39,929 --> 00:45:47,259  
a complaint at demand to know the answer

878  
00:45:44,440 --> 00:45:50,530  
to this where in the world did all this

879  
00:45:47,260 --> 00:45:54,390  
money go well this money has been going

880  
00:45:50,530 --> 00:45:59,140  
into this separate space program we have

881  
00:45:54,389 --> 00:46:01,109  
technology capabilities far beyond what

882  
00:45:59,139 --> 00:46:05,769  
the average human being would imagine

883  
00:46:01,110 --> 00:46:08,710  
yes we are in space yes we are on the

884

00:46:05,769 --> 00:46:10,980  
moon and god help us yes we have gone to

885  
00:46:08,710 --> 00:46:10,980  
Mars

886  
00:46:16,530 --> 00:46:21,160  
they're just having another example of

887  
00:46:19,210 --> 00:46:25,179  
the outrage and the crime that has been

888  
00:46:21,159 --> 00:46:30,909  
committed against the American people in

889  
00:46:25,179 --> 00:46:34,049  
the year 2001 the day before 9/11 are

890  
00:46:30,909 --> 00:46:38,139  
you all familiar with the Twin Towers

891  
00:46:34,050 --> 00:46:41,920  
destruction then 30 before that event

892  
00:46:38,139 --> 00:46:45,519  
took place the Secretary of Defense made

893  
00:46:41,920 --> 00:46:49,720  
an announcement publicly that we seem to

894  
00:46:45,519 --> 00:46:54,849  
have misplaced and lost three trillion

895  
00:46:49,719 --> 00:46:58,750  
dollars in addition to the 1.7 per year

896  
00:46:54,849 --> 00:47:02,139  
for the three previous years but there

897  
00:46:58,750 --> 00:47:05,199  
was no outrage in Congress it didn't

898  
00:47:02,139 --> 00:47:07,629

appear in the American media but

899

00:47:05,199 --> 00:47:09,730

congressional representatives who are

900

00:47:07,630 --> 00:47:14,110

supposed to represent the average

901

00:47:09,730 --> 00:47:16,780

American did not declare complaint an

902

00:47:14,110 --> 00:47:20,440

outrage the whole thing was forgotten

903

00:47:16,780 --> 00:47:25,480

because we of Holocaust the heartbreak

904

00:47:20,440 --> 00:47:27,639

the disaster of 9/11 but the very day

905

00:47:25,480 --> 00:47:31,030

before the Secretary of Defense

906

00:47:27,639 --> 00:47:32,889

denounced three trillion was missing now

907

00:47:31,030 --> 00:47:35,170

this is the money that goes into the

908

00:47:32,889 --> 00:47:37,690

support of this separate space program

909

00:47:35,170 --> 00:47:41,619

that we have been running now for years

910

00:47:37,690 --> 00:47:45,579

I will close by giving her just as in a

911

00:47:41,619 --> 00:47:49,059

small example a brilliant American

912

00:47:45,579 --> 00:47:54,539

aerospace engineer by the name of Ben

913  
00:47:49,059 --> 00:47:58,989  
rich who ran a research organization in

914  
00:47:54,539 --> 00:48:03,509  
California called the skunk works it was

915  
00:47:58,989 --> 00:48:06,789  
a credibly advanced aerospace technology

916  
00:48:03,510 --> 00:48:11,260  
from one of our top aerospace

917  
00:48:06,789 --> 00:48:13,449  
organizations then retired the number of

918  
00:48:11,260 --> 00:48:17,890  
years ago and during his retirement

919  
00:48:13,449 --> 00:48:23,469  
speech he said hey I got a surprise for

920  
00:48:17,889 --> 00:48:23,949  
you we can take e.t home now this was

921  
00:48:23,469 --> 00:48:26,769  
about

922  
00:48:23,949 --> 00:48:29,919  
same time the movie et was appearing

923  
00:48:26,769 --> 00:48:34,059  
throughout the country we have the

924  
00:48:29,920 --> 00:48:36,070  
ability to take e.t home and everybody

925  
00:48:34,059 --> 00:48:37,420  
looked at him and said my god Ben what

926  
00:48:36,070 --> 00:48:40,300  
are you talking about

927  
00:48:37,420 --> 00:48:41,139  
he went up to the blackboard took a

928  
00:48:40,300 --> 00:48:45,820  
piece of chalk

929  
00:48:41,139 --> 00:48:47,440  
he wrote only founded opportunities and

930  
00:48:45,820 --> 00:48:49,380  
everybody looked at each other and said

931  
00:48:47,440 --> 00:48:53,108  
what the hell is he talking about

932  
00:48:49,380 --> 00:48:57,210  
unfunded opportunities Ben went over to

933  
00:48:53,108 --> 00:49:02,380  
the board again and he circled you F oh

934  
00:48:57,210 --> 00:49:04,000  
and then he left the stage so some of

935  
00:49:02,380 --> 00:49:05,680  
them have been trying to tell us what

936  
00:49:04,000 --> 00:49:07,900  
they can do some of us have been trying

937  
00:49:05,679 --> 00:49:11,259  
to give us some indication of what is

938  
00:49:07,900 --> 00:49:13,660  
taking place but yes the American space

939  
00:49:11,260 --> 00:49:16,480  
program the one that the American people

940  
00:49:13,659 --> 00:49:20,139  
know nothing about does have an

941

00:49:16,480 --> 00:49:23,230  
installation on the moon alongside alien

942  
00:49:20,139 --> 00:49:27,809  
facilities and we do now have a small

943  
00:49:23,230 --> 00:49:31,869  
facility on Mars alongside Martian

944  
00:49:27,809 --> 00:49:34,568  
capabilities this is part of the scandal

945  
00:49:31,869 --> 00:49:36,849  
what I was referring to you before that

946  
00:49:34,568 --> 00:49:40,539  
causes me and others like me to have

947  
00:49:36,849 --> 00:49:43,269  
such outrage that the American people

948  
00:49:40,539 --> 00:49:46,119  
who have they're good people they're

949  
00:49:43,269 --> 00:49:47,849  
damn good hard-working people and they

950  
00:49:46,119 --> 00:49:51,300  
have for years

951  
00:49:47,849 --> 00:49:54,780  
bled and given everything they had for

952  
00:49:51,300 --> 00:49:57,160  
theirs this program this country this

953  
00:49:54,780 --> 00:50:00,519  
constitutional system and they've been

954  
00:49:57,159 --> 00:50:04,480  
right through so repeatedly that I must

955  
00:50:00,519 --> 00:50:08,679

tell you I am fearful that the American

956

00:50:04,480 --> 00:50:13,349

mass public is reaching a point where

957

00:50:08,679 --> 00:50:16,210

they may not decide to take this anymore

958

00:50:13,349 --> 00:50:18,519

ladies and gentlemen I am fearful to

959

00:50:16,210 --> 00:50:22,150

tell you they are buying guns and they

960

00:50:18,519 --> 00:50:25,568

are stockpiling ammunition I live in the

961

00:50:22,150 --> 00:50:29,800

southwest and it's going on and these

962

00:50:25,568 --> 00:50:32,058

people are so angry and so angry at

963

00:50:29,800 --> 00:50:35,739

their government for all the lies that

964

00:50:32,059 --> 00:50:38,660

I'm fearful that us an event may occur

965

00:50:35,739 --> 00:50:41,389

where we will have another American

966

00:50:38,659 --> 00:50:43,938

Revolution and I fear that because there

967

00:50:41,389 --> 00:50:45,858

will be blood in the streets and I've

968

00:50:43,938 --> 00:50:48,588

been through the wars and I don't want

969

00:50:45,858 --> 00:50:50,838

to see another one but the American

970  
00:50:48,588 --> 00:50:52,159  
people is served better than what

971  
00:50:50,838 --> 00:50:53,498  
they've been getting from their

972  
00:50:52,159 --> 00:50:56,598  
government

973  
00:50:53,498 --> 00:51:00,259  
this economic slump that you're all

974  
00:50:56,599 --> 00:51:02,719  
aware of which is worldwide millions of

975  
00:51:00,259 --> 00:51:05,929  
American working people have lost their

976  
00:51:02,719 --> 00:51:09,108  
jobs they're losing their homes and

977  
00:51:05,929 --> 00:51:14,808  
there's a point a point where they will

978  
00:51:09,108 --> 00:51:17,088  
not pay anymore and that worries me but

979  
00:51:14,809 --> 00:51:19,459  
yes we have a separate program yes we

980  
00:51:17,088 --> 00:51:23,978  
are on Mars and yes we are on the moon

981  
00:51:19,458 --> 00:51:23,978  
and yes we can take e.t home

982  
00:51:32,969 --> 00:51:40,109  
Saphira de le t para mirar el planeta

983  
00:51:36,159 --> 00:51:45,029  
cuando yo era inevitable a llevar una

984  
00:51:40,110 --> 00:51:45,030  
selection de Manos amarte Javier Martin

985  
00:51:45,659 --> 00:51:55,299  
well I'm aware of the program and it was

986  
00:51:49,510 --> 00:51:57,820  
a British made show as I recall my view

987  
00:51:55,300 --> 00:52:00,940  
is that it was what it subsequently

988  
00:51:57,820 --> 00:52:05,200  
claimed to be a joke for our April

989  
00:52:00,940 --> 00:52:07,240  
Fool's Day and we we do similar jokes

990  
00:52:05,199 --> 00:52:09,879  
there was another program about

991  
00:52:07,239 --> 00:52:12,459  
spaghetti growing on trees and how the

992  
00:52:09,880 --> 00:52:14,050  
spaghetti harvest had failed one year

993  
00:52:12,460 --> 00:52:16,900  
and this was just another one of these

994  
00:52:14,050 --> 00:52:19,420  
spoof programs but I know that a lot of

995  
00:52:16,900 --> 00:52:21,550  
people have disagreed with me on this

996  
00:52:19,420 --> 00:52:36,880  
but yes I'm aware of it but I think it

997  
00:52:21,550 --> 00:52:39,670  
was a joke I have a small contribution

998

00:52:36,880 --> 00:52:42,240  
to me okay there is a program underway

999  
00:52:39,670 --> 00:52:45,639  
and it's not called alternative food

1000  
00:52:42,239 --> 00:52:49,299  
there apparently is a vast vast program

1001  
00:52:45,639 --> 00:52:52,719  
underway in the United States to detect

1002  
00:52:49,300 --> 00:52:54,580  
the elite now whoever the hell they are

1003  
00:52:52,719 --> 00:52:56,769  
I don't know but I know there are a

1004  
00:52:54,579 --> 00:52:59,529  
group of people who have selected

1005  
00:52:56,769 --> 00:53:02,679  
themselves to be the elite and the event

1006  
00:52:59,530 --> 00:53:05,980  
of a forthcoming disaster they want to

1007  
00:53:02,679 --> 00:53:07,779  
be perfected for years and years and

1008  
00:53:05,980 --> 00:53:11,639  
years we have been building in my

1009  
00:53:07,780 --> 00:53:14,260  
country massive underground facilities I

1010  
00:53:11,639 --> 00:53:16,579  
was a part of that program while I

1011  
00:53:14,260 --> 00:53:20,360  
worked for the federal emergency man

1012  
00:53:16,579 --> 00:53:22,699

that agency for many many years I have

1013

00:53:20,360 --> 00:53:25,940  
been into some of those massive

1014

00:53:22,699 --> 00:53:27,469  
underground facilities and let me tell

1015

00:53:25,940 --> 00:53:32,769  
you they are literally underground

1016

00:53:27,469 --> 00:53:35,659  
cities now originally they were designed

1017

00:53:32,769 --> 00:53:39,380  
because of the cold thermonuclear war

1018

00:53:35,659 --> 00:53:41,719  
threat the Soviet Union threatened us we

1019

00:53:39,380 --> 00:53:44,660  
were threatening them there was a real

1020

00:53:41,719 --> 00:53:47,359  
danger for a long long time and that we

1021

00:53:44,659 --> 00:53:49,879  
might lose control of this matter and

1022

00:53:47,360 --> 00:53:52,430  
that there would be a thermonuclear war

1023

00:53:49,880 --> 00:53:55,820  
and we were building these underground

1024

00:53:52,429 --> 00:53:59,329  
facilities billions of billions of

1025

00:53:55,820 --> 00:54:02,769  
dollars were going into it and they were

1026

00:53:59,329 --> 00:54:06,079  
survival facilities primarily designed

1027  
00:54:02,769 --> 00:54:08,059  
originally for the government so in the

1028  
00:54:06,079 --> 00:54:10,789  
event of a nuclear war the government

1029  
00:54:08,059 --> 00:54:13,789  
the president the executive branch the

1030  
00:54:10,789 --> 00:54:17,420  
Congress legislative judicial they could

1031  
00:54:13,789 --> 00:54:20,029  
all go down in comfort in these massive

1032  
00:54:17,420 --> 00:54:23,680  
facilities that was underground

1033  
00:54:20,030 --> 00:54:27,950  
reservoirs of water stockpiles of food

1034  
00:54:23,679 --> 00:54:30,139  
stockpiles of medicine and the original

1035  
00:54:27,949 --> 00:54:32,869  
program that I was involved in during

1036  
00:54:30,139 --> 00:54:35,359  
those years I was with FEMA was known as

1037  
00:54:32,869 --> 00:54:38,359  
continuity of government we called it

1038  
00:54:35,360 --> 00:54:42,349  
the acronym cog the continuity of

1039  
00:54:38,360 --> 00:54:44,090  
government program to protect the

1040  
00:54:42,349 --> 00:54:47,839  
American government in the event of a

1041  
00:54:44,090 --> 00:54:51,170  
thermonuclear war that program has

1042  
00:54:47,840 --> 00:54:53,480  
expanded to such a point that it will

1043  
00:54:51,170 --> 00:54:56,389  
not merely accommodate the American

1044  
00:54:53,480 --> 00:54:59,269  
government but the program has expanded

1045  
00:54:56,389 --> 00:55:03,469  
so it could accommodate several million

1046  
00:54:59,269 --> 00:55:06,769  
people but the average American taxpayer

1047  
00:55:03,469 --> 00:55:09,379  
doesn't know anything about this and if

1048  
00:55:06,769 --> 00:55:12,739  
there was a serious event forthcoming

1049  
00:55:09,380 --> 00:55:15,769  
which I do believe there is going to be

1050  
00:55:12,739 --> 00:55:18,799  
a serious event involving the tenth

1051  
00:55:15,769 --> 00:55:20,179  
planet which is a reality that most

1052  
00:55:18,800 --> 00:55:25,039  
people don't even want to

1053  
00:55:20,179 --> 00:55:28,368  
talk about that these event occurs and

1054  
00:55:25,039 --> 00:55:30,259  
Planet X as it were makes its pass

1055

00:55:28,369 --> 00:55:34,309  
through the center of our solar system

1056  
00:55:30,260 --> 00:55:36,819  
in the few short years ahead we're going

1057  
00:55:34,309 --> 00:55:41,630  
to be in very very serious trouble

1058  
00:55:36,818 --> 00:55:45,079  
because every time Nibiru as the

1059  
00:55:41,630 --> 00:55:48,380  
Sumerians called it comes on it's 303

1060  
00:55:45,079 --> 00:55:51,500  
thousand six hundred year orbit all hell

1061  
00:55:48,380 --> 00:55:53,349  
breaks loose there are hurricanes there

1062  
00:55:51,500 --> 00:55:56,869  
are tidal waves there are earthquakes

1063  
00:55:53,349 --> 00:56:00,050  
the entire planet is affected will these

1064  
00:55:56,869 --> 00:56:03,608  
massive underground cities I think have

1065  
00:56:00,050 --> 00:56:06,890  
been designed to protect the elite and

1066  
00:56:03,608 --> 00:56:09,489  
if if the America average American

1067  
00:56:06,889 --> 00:56:11,960  
taxpayer finds out about this

1068  
00:56:09,489 --> 00:56:15,529  
there will be trouble there will be

1069  
00:56:11,960 --> 00:56:17,449

blood in the streets and I want to

1070

00:56:15,530 --> 00:56:19,099  
confirm that what Bob is saying I have

1071

00:56:17,449 --> 00:56:22,009  
had people who have worked with the

1072

00:56:19,099 --> 00:56:24,680  
Bechtel corporation and others that have

1073

00:56:22,010 --> 00:56:26,809  
built these underground facilities and I

1074

00:56:24,679 --> 00:56:30,048  
should also add underground connectors

1075

00:56:26,809 --> 00:56:33,048  
you can go underground near Washington

1076

00:56:30,048 --> 00:56:34,940  
and surface hundreds of miles out in

1077

00:56:33,048 --> 00:56:36,889  
underground facilities you can go

1078

00:56:34,940 --> 00:56:40,369  
underground a near Edwards Air Force

1079

00:56:36,889 --> 00:56:42,289  
Base and surface very quickly with anti

1080

00:56:40,369 --> 00:56:44,930  
grab propulsion system they're known as

1081

00:56:42,289 --> 00:56:47,779  
Milo via a maglev system and they you

1082

00:56:44,929 --> 00:56:50,029  
will surface all the way over in at

1083

00:56:47,780 --> 00:56:52,849  
Nellis or up at Dugway proving grounds

1084  
00:56:50,030 --> 00:56:55,400  
in Utah or in the Dulce facility which

1085  
00:56:52,849 --> 00:56:57,260  
does exist there is also a member of my

1086  
00:56:55,400 --> 00:57:00,680  
team who's an electromagnetic engineer

1087  
00:56:57,260 --> 00:57:02,450  
of Los Alamos who has confirmed to me

1088  
00:57:00,679 --> 00:57:04,210  
that there is an underground connector

1089  
00:57:02,449 --> 00:57:06,828  
from the Los Alamos National

1090  
00:57:04,210 --> 00:57:09,949  
Laboratories area to the four corners

1091  
00:57:06,829 --> 00:57:14,420  
dulce area that and continuing on to the

1092  
00:57:09,949 --> 00:57:16,939  
area 51 facility it is also true that

1093  
00:57:14,420 --> 00:57:19,210  
they do have these sort of contingency

1094  
00:57:16,940 --> 00:57:22,220  
plans and they are anticipating

1095  
00:57:19,210 --> 00:57:25,970  
significant geophysical stress and

1096  
00:57:22,219 --> 00:57:27,919  
distress in the near future and

1097  
00:57:25,969 --> 00:57:31,279  
something that most people don't want to

1098  
00:57:27,920 --> 00:57:33,260  
hear a lot about but they have used

1099  
00:57:31,280 --> 00:57:38,480  
billions of dollars and by the way the

1100  
00:57:33,260 --> 00:57:40,640  
tunneling system is way back as 1970s a

1101  
00:57:38,480 --> 00:57:43,039  
member of my team was read into or

1102  
00:57:40,639 --> 00:57:46,009  
briefed on the device and it's a nuclear

1103  
00:57:43,039 --> 00:57:49,550  
power tunneling a machine that literally

1104  
00:57:46,010 --> 00:57:52,310  
turns enormous tunnels into like

1105  
00:57:49,550 --> 00:57:54,830  
classified Rock is like glass and and

1106  
00:57:52,309 --> 00:57:55,969  
these massive tunnels and that many

1107  
00:57:54,829 --> 00:57:57,650  
years ago you may have heard these

1108  
00:57:55,969 --> 00:57:59,779  
reports in New Mexico there was this

1109  
00:57:57,650 --> 00:58:01,369  
something called the Taos hum and all

1110  
00:57:59,780 --> 00:58:04,250  
the Mystics thought it was some kind of

1111  
00:58:01,369 --> 00:58:06,019  
earth energy or what have you in reality

1112

00:58:04,250 --> 00:58:08,780  
it was with this tunnel being built from

1113  
00:58:06,019 --> 00:58:10,969  
Los Alamos over to the dulce facility

1114  
00:58:08,780 --> 00:58:13,160  
and as it went through the bedrock it

1115  
00:58:10,969 --> 00:58:14,659  
made this humming sound and it was

1116  
00:58:13,159 --> 00:58:17,149  
actually reported in Newsweek in the

1117  
00:58:14,659 --> 00:58:18,559  
mainstream magazines but of course they

1118  
00:58:17,150 --> 00:58:20,809  
would never tell the public what they

1119  
00:58:18,559 --> 00:58:23,358  
were actually building but yes those are

1120  
00:58:20,809 --> 00:58:26,900  
those that's a very truth since I'm

1121  
00:58:23,358 --> 00:58:30,079  
blowing my cover and putting myself on

1122  
00:58:26,900 --> 00:58:32,269  
the line here well probably have my

1123  
00:58:30,079 --> 00:58:36,650  
passport pulled from me when I go home

1124  
00:58:32,269 --> 00:58:38,539  
next date I will tell you of a reality

1125  
00:58:36,650 --> 00:58:43,039  
that I was stunned to find out that

1126  
00:58:38,539 --> 00:58:47,719

really exists ten stories down in the

1127

00:58:43,039 --> 00:58:51,800

ground in a place called s4 which is

1128

00:58:47,719 --> 00:58:57,019

near room Lake Site 51 there is a

1129

00:58:51,800 --> 00:59:00,380

National Laboratory where my friend told

1130

00:58:57,019 --> 00:59:03,759

me he worked for five years where he met

1131

00:59:00,380 --> 00:59:06,740

these two visitors from another planet

1132

00:59:03,760 --> 00:59:10,099

there is a facility there ten stories

1133

00:59:06,739 --> 00:59:15,669

underground where you can go through a

1134

00:59:10,099 --> 00:59:18,650

doorway in Nevada have your bags back

1135

00:59:15,670 --> 00:59:22,070

step through the doorway and you are at

1136

00:59:18,650 --> 00:59:26,329

Pine Gap Australia that's correct you go

1137

00:59:22,070 --> 00:59:29,059

through the door in Nevada and the next

1138

00:59:26,329 --> 00:59:31,400

moment you are in Pine Gap Australia now

1139

00:59:29,059 --> 00:59:31,989

people say what the hell's going on at

1140

00:59:31,400 --> 00:59:34,510

home

1141  
00:59:31,989 --> 00:59:37,209  
Australia well it happens to be probably

1142  
00:59:34,510 --> 00:59:40,990  
the largest national scary agency

1143  
00:59:37,210 --> 00:59:43,750  
facility on the planet and what's

1144  
00:59:40,989 --> 00:59:45,959  
interesting about it it is also the

1145  
00:59:43,750 --> 00:59:48,550  
location of one of the largest

1146  
00:59:45,960 --> 00:59:51,400  
extra-terrestrial facilities on the

1147  
00:59:48,550 --> 00:59:55,810  
planet underground in the middle of

1148  
00:59:51,400 --> 01:00:03,760  
Australia at Pine Gap tomorrow I step

1149  
00:59:55,809 --> 01:00:05,769  
out of a Latino lady yeah I was just

1150  
01:00:03,760 --> 01:00:09,640  
going to mention in Europe there's also

1151  
01:00:05,769 --> 01:00:12,759  
Spitsbergen island north of Norway near

1152  
01:00:09,639 --> 01:00:16,480  
the North Pole which is a repository for

1153  
01:00:12,760 --> 01:00:20,980  
seeds and lots of humans and that's

1154  
01:00:16,480 --> 01:00:24,070  
another option for ducking for cover in

1155  
01:00:20,980 --> 01:00:25,869  
the event of an Armageddon and I think

1156  
01:00:24,070 --> 01:00:28,990  
that if we combine and positive

1157  
01:00:25,869 --> 01:00:31,930  
consciousness I truly believe we can

1158  
01:00:28,989 --> 01:00:37,559  
avoid these situations and we can truly

1159  
01:00:31,929 --> 01:00:40,969  
come into it early good
