

1  
00:00:07,219 --> 00:00:13,189  
if you flew an Air France from nice to

2  
00:00:09,710 --> 00:00:16,368  
London on January 28 1994 your captain

3  
00:00:13,189 --> 00:00:19,009  
says he saw a UFO 1,000 feet long just

4  
00:00:16,368 --> 00:00:22,698  
outside your window it seemed to be a

5  
00:00:19,010 --> 00:00:25,130  
huge flying disc now retired pilot is

6  
00:00:22,699 --> 00:00:26,780  
one of 40 men mainly former government

7  
00:00:25,129 --> 00:00:28,699  
and military officials from seven

8  
00:00:26,780 --> 00:00:31,429  
different countries talking about their

9  
00:00:28,699 --> 00:00:34,369  
UFO experiences two disappeared in about

10  
00:00:31,429 --> 00:00:36,079  
10 to 20 seconds this conference took

11  
00:00:34,369 --> 00:00:38,299  
place in Washington and the cast of

12  
00:00:36,079 --> 00:00:40,640  
characters was almost strangely well

13  
00:00:38,299 --> 00:00:42,649  
invention alike one of the believers

14  
00:00:40,640 --> 00:00:44,689  
former governor of Arizona like

15  
00:00:42,649 --> 00:00:47,299  
Symington I saw something that defied

16  
00:00:44,689 --> 00:00:49,158  
logic and challenged my reality during a

17  
00:00:47,299 --> 00:00:50,779  
visit to Phoenix Symington describe to

18  
00:00:49,158 --> 00:00:52,280  
me what he saw whew if he had been here

19  
00:00:50,780 --> 00:00:54,018  
10 years ago and standing out here and

20  
00:00:52,280 --> 00:00:56,149  
looking up there at the at the lights

21  
00:00:54,018 --> 00:00:58,158  
and the view you would have been

22  
00:00:56,149 --> 00:00:59,960  
astounded you would have been amazed the

23  
00:00:58,158 --> 00:01:02,869  
so-called Phoenix and lights were seen

24  
00:00:59,960 --> 00:01:04,430  
by many people in 1997 skeptics say

25  
00:01:02,869 --> 00:01:06,379  
there were military aircraft or flares

26  
00:01:04,430 --> 00:01:08,330  
but not the former governor it was

27  
00:01:06,379 --> 00:01:09,170  
probably some form of an alien

28  
00:01:08,329 --> 00:01:11,359  
spacecraft

29

00:01:09,170 --> 00:01:13,310  
lots of agreement on this panels this

30  
00:01:11,359 --> 00:01:16,039  
retired Iranian Air Force pilot said he

31  
00:01:13,310 --> 00:01:19,460  
saw a UFO while flying it looked a

32  
00:01:16,040 --> 00:01:22,160  
similar to his fog but bigger and

33  
00:01:19,459 --> 00:01:23,959  
brighter General Parviz Jafari says he

34  
00:01:22,159 --> 00:01:25,569  
tried to fire a missile but much of its

35  
00:01:23,959 --> 00:01:28,519  
bling became an operative all the

36  
00:01:25,569 --> 00:01:31,149  
instrument was fluctuating the radio had

37  
00:01:28,519 --> 00:01:34,129  
garble even I couldn't have

38  
00:01:31,150 --> 00:01:36,230  
communication my pilot into my bag said

39  
00:01:34,129 --> 00:01:37,549  
to operating the radio your equipment

40  
00:01:36,230 --> 00:01:38,870  
worked your missiles don't work do you

41  
00:01:37,549 --> 00:01:41,989  
think it's because this was an alien

42  
00:01:38,870 --> 00:01:43,730  
from you sure that yeah I'm sure

43  
00:01:41,989 --> 00:01:45,589

this retired US Air Force sergeant

44

00:01:43,730 --> 00:01:48,109  
stationed in England said he walked up

45

00:01:45,590 --> 00:01:49,579  
to a UFO that landed in a forest it

46

00:01:48,109 --> 00:01:53,209  
maneuvered through the trees and shot

47

00:01:49,579 --> 00:01:54,920  
off at an unbelievable rate of speeds a

48

00:01:53,209 --> 00:01:57,739  
man running for president just said he

49

00:01:54,920 --> 00:01:59,750  
saw a UFO I did and the rest of the

50

00:01:57,739 --> 00:02:01,729  
account oh I didn't I it was

51

00:01:59,750 --> 00:02:03,980  
unidentified flying object so did the

52

00:02:01,730 --> 00:02:06,500  
man who was president I am about 25

53

00:02:03,980 --> 00:02:08,780  
others saw something in the air that

54

00:02:06,500 --> 00:02:10,189  
changed colors and was rounded Jimmy

55

00:02:08,780 --> 00:02:11,930  
Carter says he doesn't think it was from

56

00:02:10,189 --> 00:02:14,060  
another planet most of these people

57

00:02:11,930 --> 00:02:16,550  
differ on that point and want the FAA to

58  
00:02:14,060 --> 00:02:19,039  
investigate all these claims but the FAA

59  
00:02:16,550 --> 00:02:21,080  
says that's not its job we manage the

60  
00:02:19,039 --> 00:02:22,879  
aircraft that we're talking to you

61  
00:02:21,080 --> 00:02:24,590  
those are called UFOs because they're

62  
00:02:22,879 --> 00:02:27,019  
unidentified and we're not talking to

63  
00:02:24,590 --> 00:02:28,700  
them and it's precisely because no one's

64  
00:02:27,020 --> 00:02:31,969  
talking that everybody here is trying

65  
00:02:28,699 --> 00:02:35,079  
harder to make them believe Gary Tuchman
