

1
00:00:11,720 --> 00:00:17,670
welcome to the Richard Dolan show airing

2
00:00:14,308 --> 00:00:20,609
live Monday nights on KCRA radio.com and

3
00:00:17,670 --> 00:00:22,950
now as a podcast on itunes and wherever

4
00:00:20,609 --> 00:00:24,989
else you can find it you can learn more

5
00:00:22,949 --> 00:00:27,530
at my member site Richard Dolan members

6
00:00:24,989 --> 00:00:29,250
calm now join me for a fascinating

7
00:00:27,530 --> 00:00:31,770
exploration of all the things you

8
00:00:29,250 --> 00:00:34,289
secretly want to talk about from UFOs to

9
00:00:31,769 --> 00:00:36,269
government shenanigans strange science

10
00:00:34,289 --> 00:00:43,030
future tech and more

11
00:00:36,270 --> 00:00:45,700
[Music]

12
00:00:43,030 --> 00:00:47,289
they're on kgr a radio welcome to the

13
00:00:45,700 --> 00:00:48,730
Richard Dolan show where every week we

14
00:00:47,289 --> 00:00:51,969
fight the good fight greetings it's

15
00:00:48,729 --> 00:00:54,009
August 27 2018 happy to be here with you

16
00:00:51,969 --> 00:00:55,689
tonight it's been a busy week for me

17
00:00:54,009 --> 00:00:57,579
finishing up some touches on a booklet

18
00:00:55,689 --> 00:00:59,920
I'm writing more on that over the next

19
00:00:57,579 --> 00:01:01,869
few weeks I did an interview last week

20
00:00:59,920 --> 00:01:04,320
on Jimmy church's fade to black radio

21
00:01:01,869 --> 00:01:06,789
show where we had an extremely

22
00:01:04,319 --> 00:01:08,259
wide-ranging discussion I would say we

23
00:01:06,790 --> 00:01:10,868
ended up having a rather candid

24
00:01:08,260 --> 00:01:13,868
conversation about Gaia check the last

25
00:01:10,868 --> 00:01:16,149
minute 30 minutes of his program for

26
00:01:13,868 --> 00:01:17,709
that did a couple of impromptu live

27
00:01:16,149 --> 00:01:19,960
streams as well which are now on my

28
00:01:17,709 --> 00:01:23,019
youtube channel one on the simulation

29

00:01:19,959 --> 00:01:25,269
hypothesis which I've I enjoy thinking

30
00:01:23,019 --> 00:01:28,118
about from time to time and then one on

31
00:01:25,269 --> 00:01:30,819
the proliferation of fakers in the field

32
00:01:28,118 --> 00:01:32,890
of ufology it's too many of them and

33
00:01:30,819 --> 00:01:36,038
seems to be getting worse I'm not saying

34
00:01:32,890 --> 00:01:38,859
everyone lies but I am saying some

35
00:01:36,039 --> 00:01:41,769
people lie because well some people have

36
00:01:38,859 --> 00:01:45,459
always lied and other people seem to

37
00:01:41,769 --> 00:01:49,060
crave the lies weird there's a kind of

38
00:01:45,459 --> 00:01:52,030
sickness growing in our society over all

39
00:01:49,060 --> 00:01:53,710
these in my view we see it reflected in

40
00:01:52,030 --> 00:01:56,670
the UFO community but it's really in

41
00:01:53,709 --> 00:01:59,319
many places it's not unique to UFO areas

42
00:01:56,670 --> 00:02:01,420
I'm quite persuaded at this point that

43
00:01:59,319 --> 00:02:04,239

our corporate media establishment breeds

44

00:02:01,420 --> 00:02:06,129

a kind of mental instability in the

45

00:02:04,239 --> 00:02:07,269

population and I mean literally a mental

46

00:02:06,129 --> 00:02:09,669

instability it's a kind of

47

00:02:07,269 --> 00:02:11,680

disassociation I'm going to return to

48

00:02:09,669 --> 00:02:13,059

this at another time but it's just a

49

00:02:11,680 --> 00:02:15,129

thought for the moment I'd like you to

50

00:02:13,060 --> 00:02:19,390

ponder we have a media establishment

51

00:02:15,129 --> 00:02:21,819

that is not your friend I read because I

52

00:02:19,389 --> 00:02:23,289

have to I feel mainstream and

53

00:02:21,819 --> 00:02:25,959

alternative news stories pretty much

54

00:02:23,289 --> 00:02:28,689

every day in my opinion the US

55

00:02:25,959 --> 00:02:30,939

mainstream media is the worst US and UK

56

00:02:28,689 --> 00:02:32,530

actually about tied for the worst in

57

00:02:30,939 --> 00:02:35,109

terms of the range of what they cover

58
00:02:32,530 --> 00:02:38,079
and how they cover it it's by far the

59
00:02:35,110 --> 00:02:40,360
most limited i would say childish and

60
00:02:38,079 --> 00:02:42,629
propagandistic of any of the national

61
00:02:40,360 --> 00:02:44,560
news media's that i can but i can see

62
00:02:42,629 --> 00:02:46,269
there's a reason for that and i've

63
00:02:44,560 --> 00:02:48,129
discussed it many times in the past and

64
00:02:46,269 --> 00:02:50,349
i will come back to that again soon

65
00:02:48,129 --> 00:02:53,378
promise but tonight i have a fascinating

66
00:02:50,349 --> 00:02:55,509
guest for you during the last few months

67
00:02:53,378 --> 00:02:56,530
I've been seeking out UFO researchers

68
00:02:55,509 --> 00:02:59,109
from around the world

69
00:02:56,530 --> 00:03:01,900
this one is from Germany my friend the

70
00:02:59,110 --> 00:03:03,340
journalist Robert Fleischer Robert and I

71
00:03:01,900 --> 00:03:06,039
have known each other for about 10 years

72
00:03:03,340 --> 00:03:07,780
or so and he's not only a dedicated

73
00:03:06,039 --> 00:03:10,179
student of UFOs but he's one of the

74
00:03:07,780 --> 00:03:13,599
leaders in Germany and Central Europe in

75
00:03:10,180 --> 00:03:15,310
getting the word out as well as in

76
00:03:13,599 --> 00:03:17,318
dealing with the German government he's

77
00:03:15,310 --> 00:03:19,509
had a great deal of experience in both

78
00:03:17,318 --> 00:03:21,099
of these areas as well as having a

79
00:03:19,509 --> 00:03:23,349
strong knowledge of some of the most

80
00:03:21,099 --> 00:03:26,259
interesting cases in Europe over the

81
00:03:23,349 --> 00:03:27,818
past few decades before I bring Robert

82
00:03:26,259 --> 00:03:29,319
on I'll just remind you that if you want

83
00:03:27,818 --> 00:03:31,958
to follow what I'm doing you can go to

84
00:03:29,319 --> 00:03:34,239
my website Richard Dolan members comm

85
00:03:31,959 --> 00:03:36,670
where I delve into UFOs geopolitics and

86

00:03:34,239 --> 00:03:39,370
false flags in the form of video audio

87
00:03:36,669 --> 00:03:41,559
and blog posts also see my traditional

88
00:03:39,370 --> 00:03:43,900
side of Richard Dolan press.com where I

89
00:03:41,560 --> 00:03:46,239
have books written by myself and many

90
00:03:43,900 --> 00:03:48,250
other fascinating authors most recently

91
00:03:46,239 --> 00:03:52,209
an excellent study by dr. Bruce Maccabee

92
00:03:48,250 --> 00:03:54,519
on the seminal year of 1952 and why it

93
00:03:52,209 --> 00:03:56,319
matters to this day definitely find me

94
00:03:54,519 --> 00:03:58,480
on my youtube channel which is extremely

95
00:03:56,318 --> 00:04:00,879
active for me these days and that

96
00:03:58,479 --> 00:04:02,828
includes my live stream show intelligent

97
00:04:00,879 --> 00:04:05,799
disclosure of course you can always find

98
00:04:02,829 --> 00:04:08,079
me here on KCRA every week doing this

99
00:04:05,799 --> 00:04:10,480
program so without any further waiting

100
00:04:08,079 --> 00:04:12,819

let me bring on my guest a very

101

00:04:10,479 --> 00:04:15,159

interesting pre-recorded discussion with

102

00:04:12,819 --> 00:04:16,329

Robert Fleischer Robert welcome to the

103

00:04:15,159 --> 00:04:19,209

Richard Dolan show it's a pleasure to

104

00:04:16,329 --> 00:04:21,608

have you on it's a great pleasure for me

105

00:04:19,209 --> 00:04:24,399

to be back thank you for inviting me yes

106

00:04:21,608 --> 00:04:26,829

we have known each other for more than a

107

00:04:24,399 --> 00:04:28,870

decade I believe I know that's true I

108

00:04:26,829 --> 00:04:30,969

recall meeting you at I think if I'm not

109

00:04:28,870 --> 00:04:35,259

mistaken some of the ex conferences

110

00:04:30,970 --> 00:04:37,120

organized by Steve Bassett back in 2008

111

00:04:35,259 --> 00:04:38,168

or something yeah my didn't it might

112

00:04:37,120 --> 00:04:40,810

have been doesn't he might have been

113

00:04:38,168 --> 00:04:42,728

earlier and unless that was your first

114

00:04:40,810 --> 00:04:47,470

time there but you've been you've been

115
00:04:42,728 --> 00:04:48,879
very active in European ufology and and

116
00:04:47,470 --> 00:04:49,570
I know you're you're not just a

117
00:04:48,879 --> 00:04:51,668
ufologist

118
00:04:49,569 --> 00:04:54,009
or an investigator of the paranormal you

119
00:04:51,668 --> 00:04:57,728
are a journalist but you've done a great

120
00:04:54,009 --> 00:05:01,839
deal of work in really opening up the

121
00:04:57,728 --> 00:05:03,909
UFO phenomenon in Central Europe and I

122
00:05:01,839 --> 00:05:06,908
don't know if there's many people out

123
00:05:03,910 --> 00:05:08,080
there doing what you do but perhaps we

124
00:05:06,908 --> 00:05:10,120
can get a chance to talk about the

125
00:05:08,079 --> 00:05:13,120
status of German you

126
00:05:10,120 --> 00:05:17,829
for research but for people who aren't

127
00:05:13,120 --> 00:05:21,699
familiar at all with UFOs and Germany

128
00:05:17,829 --> 00:05:24,819
what do they need to know well the first

129
00:05:21,699 --> 00:05:26,860
need to know that like UFOs that's a

130
00:05:24,819 --> 00:05:28,569
complete taboo in Germany and you know

131
00:05:26,860 --> 00:05:32,050
we had this I I grew up in East Germany

132
00:05:28,569 --> 00:05:33,099
so that's the communist zone not abide

133
00:05:32,050 --> 00:05:34,900
by the Soviets

134
00:05:33,100 --> 00:05:37,180
you know tanks rolling in the street

135
00:05:34,899 --> 00:05:41,138
stuff it though was not as bad as that

136
00:05:37,180 --> 00:05:43,329
and we had this this joke about East

137
00:05:41,139 --> 00:05:45,310
Germany it's why our bananas curved

138
00:05:43,329 --> 00:05:47,139
because for 40 years they had to make a

139
00:05:45,310 --> 00:05:49,300
turn around East Germany I'll buy a

140
00:05:47,139 --> 00:05:50,978
translator there correctly sounds pretty

141
00:05:49,300 --> 00:05:53,288
good and if because we couldn't buy any

142
00:05:50,978 --> 00:05:56,110
bananas in in East Germany if they were

143

00:05:53,288 --> 00:05:58,629
on sale somewhere then you know it

144
00:05:56,110 --> 00:06:00,850
quickly became known and people lined up

145
00:05:58,629 --> 00:06:03,639
in front of the stores and like you had

146
00:06:00,850 --> 00:06:05,110
a line of 10 meters 20 meters or so and

147
00:06:03,639 --> 00:06:07,269
then you came in and and you were able

148
00:06:05,110 --> 00:06:09,370
to buy one kilogram of bananas what

149
00:06:07,269 --> 00:06:11,620
they're all almost rotten in a way you

150
00:06:09,370 --> 00:06:13,418
know yeah but still you you bought those

151
00:06:11,620 --> 00:06:15,340
bananas and then you changed your

152
00:06:13,418 --> 00:06:18,909
clothes and made step into the line

153
00:06:15,339 --> 00:06:22,119
again you know anyway so that's the

154
00:06:18,910 --> 00:06:24,639
that's a situation about UFOs in Germany

155
00:06:22,120 --> 00:06:26,800
you know I haven't seen any curved UFOs

156
00:06:24,639 --> 00:06:30,848
but they seem to make a turn around

157
00:06:26,800 --> 00:06:33,250

Germany because this is a non-existent

158

00:06:30,848 --> 00:06:35,050

subject for the German government it

159

00:06:33,250 --> 00:06:37,240

seems that way I mean there's very

160

00:06:35,050 --> 00:06:39,460

little if any information that ever

161

00:06:37,240 --> 00:06:41,978

comes out of Germany relating to the

162

00:06:39,459 --> 00:06:46,569

subject of UFOs unlike say France or

163

00:06:41,978 --> 00:06:48,459

Britain or even Russia which actually is

164

00:06:46,569 --> 00:06:51,339

over time had a great deal of UFO

165

00:06:48,459 --> 00:06:54,969

information come out but Germany a close

166

00:06:51,339 --> 00:06:57,819

ally of the United States nothing and

167

00:06:54,970 --> 00:06:59,860

nothing and also and also close ally and

168

00:06:57,819 --> 00:07:04,149

a direct neighboring country to France

169

00:06:59,860 --> 00:07:06,129

which has been researching UFOs for more

170

00:07:04,149 --> 00:07:07,959

than 40 years I mean it's really

171

00:07:06,129 --> 00:07:09,579

interesting yeah yeah and you know I

172
00:07:07,959 --> 00:07:10,149
started this I started doing this

173
00:07:09,579 --> 00:07:16,569
full-time

174
00:07:10,149 --> 00:07:18,549
in June 2007 or so when I founded

175
00:07:16,569 --> 00:07:20,889
exopolitics Germany and since then I've

176
00:07:18,550 --> 00:07:23,379
been working on this subject and then I

177
00:07:20,889 --> 00:07:27,879
I found at the exo magazine

178
00:07:23,379 --> 00:07:31,930
online TV magazine for subscribers which

179
00:07:27,879 --> 00:07:34,329
helps me to do this to follow this full

180
00:07:31,930 --> 00:07:37,209
time and this is really what it needs to

181
00:07:34,329 --> 00:07:39,609
to to get something going here and I got

182
00:07:37,209 --> 00:07:41,259
something going and I think I can give

183
00:07:39,610 --> 00:07:45,460
you a little overview of what what I've

184
00:07:41,259 --> 00:07:47,680
been doing and how this all well in in

185
00:07:45,459 --> 00:07:49,599
fact if you want to understand that the

186
00:07:47,680 --> 00:07:51,759
German situation it all goes back to the

187
00:07:49,600 --> 00:07:54,340
United Nations decision thirty three

188
00:07:51,759 --> 00:07:55,959
four to six in from nineteen seventy

189
00:07:54,339 --> 00:07:59,649
eight I'm sure you're very well aware of

190
00:07:55,959 --> 00:08:03,819
that that's the decision upon the

191
00:07:59,649 --> 00:08:05,919
initiative of Grenada where the General

192
00:08:03,819 --> 00:08:07,930
Assembly decided they would invite

193
00:08:05,920 --> 00:08:10,449
interested member states to conduct

194
00:08:07,930 --> 00:08:12,220
research on UFOs and extraterrestrial

195
00:08:10,449 --> 00:08:13,839
life yes and to inform the

196
00:08:12,220 --> 00:08:17,650
secretary-general about their findings

197
00:08:13,839 --> 00:08:21,759
and conclusions and in fact the original

198
00:08:17,649 --> 00:08:24,399
aim as you surely know was was not just

199
00:08:21,759 --> 00:08:26,860
this mere invitation to interested

200

00:08:24,399 --> 00:08:29,489
Member States but in fact the Prime

201
00:08:26,860 --> 00:08:33,279
Minister of Grenada so Eric gairy had

202
00:08:29,490 --> 00:08:36,639
wanted to establish a UFO study group at

203
00:08:33,279 --> 00:08:40,929
a United Nations level at the outerspace

204
00:08:36,639 --> 00:08:43,598
committee and I made some research at

205
00:08:40,929 --> 00:08:46,839
the political archives of the German

206
00:08:43,599 --> 00:08:49,840
Foreign Office and I found documents

207
00:08:46,840 --> 00:08:51,639
that show that this aim was actually

208
00:08:49,840 --> 00:08:54,430
hindered by Germany's permanent mission

209
00:08:51,639 --> 00:08:56,439
to the United Nations among others by

210
00:08:54,429 --> 00:08:58,719
the way oh yes well by the US and

211
00:08:56,440 --> 00:09:00,760
Britain also were very opposed to Eric

212
00:08:58,720 --> 00:09:03,759
Aries initiative but the journals as

213
00:09:00,759 --> 00:09:05,799
well yeah Austria as well yeah and I

214
00:09:03,759 --> 00:09:08,710

found for example I found a telegram

215

00:09:05,799 --> 00:09:12,490
from November 28 1978 we're already

216

00:09:08,710 --> 00:09:16,030
talks about this upcoming decision and

217

00:09:12,490 --> 00:09:19,389
it says Grenada has presented this

218

00:09:16,029 --> 00:09:21,850
resolution draft on UFOs at the Space

219

00:09:19,389 --> 00:09:23,590
Committee which proposes the

220

00:09:21,850 --> 00:09:25,389
establishment of an expert group which

221

00:09:23,590 --> 00:09:27,460
is supposed to define the framework for

222

00:09:25,389 --> 00:09:29,080
UN studies about the UFO phenomenon

223

00:09:27,460 --> 00:09:31,900
under the supervision of the outerspace

224

00:09:29,080 --> 00:09:33,910
committee and then they go quite apart

225

00:09:31,899 --> 00:09:36,220
from the wider implications of such

226

00:09:33,909 --> 00:09:36,699
resolution draft the reference to the

227

00:09:36,220 --> 00:09:39,100
outer

228

00:09:36,700 --> 00:09:41,710
committee alone has its myths has its

229

00:09:39,100 --> 00:09:44,050

misgivings as it would incur grenadiers

230

00:09:41,710 --> 00:09:46,090

desire to become a member of the outer

231

00:09:44,049 --> 00:09:47,979

space committee which would therefore be

232

00:09:46,090 --> 00:09:52,389

constantly occupied with the UFO

233

00:09:47,980 --> 00:09:55,680

question and then they said yeah and

234

00:09:52,389 --> 00:09:58,360

then they say this item will probably

235

00:09:55,679 --> 00:10:00,250

finished be finished reading until the

236

00:09:58,360 --> 00:10:02,740

end of the week and until then the USA

237

00:10:00,250 --> 00:10:05,019

and Austria will try to pursue it

238

00:10:02,740 --> 00:10:07,570

Grenada to withdraw its resolution draft

239

00:10:05,019 --> 00:10:10,000

and to accept a more general declaration

240

00:10:07,570 --> 00:10:12,700

which invites interested member states

241

00:10:10,000 --> 00:10:17,169

to become a member of a non UN Committee

242

00:10:12,700 --> 00:10:18,970

for the study of UFOs so that's that's

243
00:10:17,169 --> 00:10:21,569
an interesting point you see back even

244
00:10:18,970 --> 00:10:24,550
back in 1978 the Germans were already

245
00:10:21,570 --> 00:10:26,980
you know pretty firm on not allowing

246
00:10:24,549 --> 00:10:30,609
this subject on an on an international

247
00:10:26,980 --> 00:10:32,230
level to be discussed officially and the

248
00:10:30,610 --> 00:10:36,279
thing is you know always been wondering

249
00:10:32,230 --> 00:10:38,409
why is it you know because back then in

250
00:10:36,279 --> 00:10:40,569
the Cold War I mean the Germany was not

251
00:10:38,409 --> 00:10:45,039
really like the most outstanding most

252
00:10:40,570 --> 00:10:51,340
decisive capable superpower in the world

253
00:10:45,039 --> 00:10:53,019
to play on on the foreign policy right

254
00:10:51,340 --> 00:10:56,139
why were the Germans doing in

255
00:10:53,019 --> 00:10:58,240
international diploma mean you know

256
00:10:56,139 --> 00:10:59,949
major international relations at that

257

00:10:58,240 --> 00:11:02,259
because I'm one might wonder yeah

258
00:10:59,950 --> 00:11:04,000
exactly and and even back then you know

259
00:11:02,259 --> 00:11:06,220
it was it was closely allied to the

260
00:11:04,000 --> 00:11:11,440
other to the United States of course and

261
00:11:06,220 --> 00:11:14,139
the United States were kind of deciding

262
00:11:11,440 --> 00:11:15,610
the direction where this was all going

263
00:11:14,139 --> 00:11:18,429
to go I mean there were those block

264
00:11:15,610 --> 00:11:21,730
States as usual you know the Warsaw Pact

265
00:11:18,429 --> 00:11:23,769
states and the NATO states and then

266
00:11:21,730 --> 00:11:25,659
there was some third party how do you

267
00:11:23,769 --> 00:11:27,819
call them at the United Nations level

268
00:11:25,659 --> 00:11:29,049
well there are no non non-aligned there

269
00:11:27,820 --> 00:11:31,570
were sometimes known as non-aligned

270
00:11:29,049 --> 00:11:34,359
States yes yeah yeah yeah so Germany

271
00:11:31,570 --> 00:11:37,390

already back then played along with the

272

00:11:34,360 --> 00:11:38,860

Americans and the Western pact let's

273

00:11:37,389 --> 00:11:42,370

call it like that oh yeah yeah and it's

274

00:11:38,860 --> 00:11:45,879

a and it's interesting because in

275

00:11:42,370 --> 00:11:48,129

because this United Nations decision

276

00:11:45,879 --> 00:11:50,259

which invited Member States to conduct

277

00:11:48,129 --> 00:11:52,929

UFO research

278

00:11:50,259 --> 00:11:56,230

may not have been legally binding but

279

00:11:52,929 --> 00:11:57,759

still France even at that time you know

280

00:11:56,230 --> 00:12:00,430

more or less around the same time

281

00:11:57,759 --> 00:12:03,039

decided to conduct UFO research I mean

282

00:12:00,429 --> 00:12:05,889

they have this they have Minister of

283

00:12:03,039 --> 00:12:08,730

Defense in 1974 already saying that this

284

00:12:05,889 --> 00:12:12,240

would be an interesting subject to

285

00:12:08,730 --> 00:12:14,440

generalize and study at the level of the

286
00:12:12,240 --> 00:12:18,340
space

287
00:12:14,440 --> 00:12:20,710
Santos pasyanti you know the the Space

288
00:12:18,340 --> 00:12:23,110
Research Center the National Space

289
00:12:20,710 --> 00:12:24,910
Research Center and stuff so they

290
00:12:23,110 --> 00:12:27,820
obviously kind of followed this advice

291
00:12:24,909 --> 00:12:30,159
right and and Germany didn't and in fact

292
00:12:27,820 --> 00:12:32,379
when I started this whole thing that

293
00:12:30,159 --> 00:12:33,819
like that the last official statement

294
00:12:32,379 --> 00:12:35,620
that you could get from that I could

295
00:12:33,820 --> 00:12:38,470
find from a German politician was from

296
00:12:35,620 --> 00:12:41,500
2008 by the then Minister of the

297
00:12:38,470 --> 00:12:44,170
Interior Wolfgang Schäuble who's by the

298
00:12:41,500 --> 00:12:46,929
way still in office in another office

299
00:12:44,169 --> 00:12:51,250
now but in another capacity but he's

300
00:12:46,929 --> 00:12:53,859
still active and he said in 2008 he said

301
00:12:51,250 --> 00:12:56,230
a federal authority dealing with alleged

302
00:12:53,860 --> 00:12:59,590
sightings of unknown flying objects is

303
00:12:56,230 --> 00:13:02,289
not known here that is how he how he

304
00:12:59,590 --> 00:13:04,360
said that and if you think about it

305
00:13:02,289 --> 00:13:07,000
being admit the Minister of the Interior

306
00:13:04,360 --> 00:13:10,240
you know he should know whether there is

307
00:13:07,000 --> 00:13:12,610
something or not whether think about it

308
00:13:10,240 --> 00:13:15,340
Germany particularly during the Cold War

309
00:13:12,610 --> 00:13:18,399
so you know for listeners who may not

310
00:13:15,340 --> 00:13:21,879
remember those days Hugh and I do by the

311
00:13:18,399 --> 00:13:24,250
way I spent one summer in East Germany

312
00:13:21,879 --> 00:13:27,189
the DDR Deutsche Democratic Senate

313
00:13:24,250 --> 00:13:30,549
Republic back in nineteen 1986

314

00:13:27,190 --> 00:13:33,850
not long before it started to unravel I

315
00:13:30,549 --> 00:13:36,099
went back briefly in 1987 as well and I

316
00:13:33,850 --> 00:13:38,740
had I had friends who actually were

317
00:13:36,100 --> 00:13:39,730
official East German dissidents who were

318
00:13:38,740 --> 00:13:42,100
being persecuted by the government

319
00:13:39,730 --> 00:13:44,409
that's a whole other story maybe we can

320
00:13:42,100 --> 00:13:47,950
talk about that sometime but a little

321
00:13:44,409 --> 00:13:50,679
mini adventures yes yes my Germans has

322
00:13:47,950 --> 00:13:55,420
become just very bad in the intervening

323
00:13:50,679 --> 00:13:57,299
years unfortunately very bad but I would

324
00:13:55,419 --> 00:13:59,979
just say if you think back to that

325
00:13:57,299 --> 00:14:02,049
period of time so you've got this Soviet

326
00:13:59,980 --> 00:14:02,620
Union and the Warsaw Pact nations as you

327
00:14:02,049 --> 00:14:05,079
mentioned you

328
00:14:02,620 --> 00:14:06,700

the Soviet allies Eastern Europe

329

00:14:05,080 --> 00:14:10,030

basically and then you had Western

330

00:14:06,700 --> 00:14:12,670

Europe Germany which was divided it was

331

00:14:10,029 --> 00:14:15,399

split between east and west was the

332

00:14:12,669 --> 00:14:20,019

center of the Cold War obviously and

333

00:14:15,399 --> 00:14:22,509

then and and then you would think and in

334

00:14:20,019 --> 00:14:25,210

fact it's true that sightings of unknown

335

00:14:22,509 --> 00:14:27,789

objects over Germany would be very

336

00:14:25,210 --> 00:14:31,389

important and in fact we have a number

337

00:14:27,789 --> 00:14:33,189

of anecdotal reports the astronaut a

338

00:14:31,389 --> 00:14:36,220

u.s. astronaut Gordon Cooper talked

339

00:14:33,190 --> 00:14:39,690

about overflight of UFOs in Germany back

340

00:14:36,220 --> 00:14:42,600

in the 1950s and there are these other

341

00:14:39,690 --> 00:14:47,080

reports that have come again and again

342

00:14:42,600 --> 00:14:50,110

relating to very very dramatic UFO

343
00:14:47,080 --> 00:14:52,420
sightings over Germany so clearly this

344
00:14:50,110 --> 00:14:54,909
is important and yet here we have a

345
00:14:52,419 --> 00:14:56,649
German Minister of the Interior in 2008

346
00:14:54,909 --> 00:14:59,949
saying nope there are no federal

347
00:14:56,649 --> 00:15:02,889
agencies under you know investigating

348
00:14:59,950 --> 00:15:06,129
unknown aircraft are you kidding me are

349
00:15:02,889 --> 00:15:09,009
you kidding me yeah you see that's

350
00:15:06,129 --> 00:15:10,659
exactly my my that was my strategy when

351
00:15:09,009 --> 00:15:13,509
I started working on this subject

352
00:15:10,659 --> 00:15:15,730
because how do you want to convince

353
00:15:13,509 --> 00:15:18,549
people that there is something to the

354
00:15:15,730 --> 00:15:21,370
subject of UFOs if there's so few people

355
00:15:18,549 --> 00:15:23,289
who've ever seen one and no one is

356
00:15:21,370 --> 00:15:24,870
saying anything officially so I compiled

357
00:15:23,289 --> 00:15:28,149
a whole list of 20 countries worldwide

358
00:15:24,870 --> 00:15:31,120
more than 20 countries now actually that

359
00:15:28,149 --> 00:15:33,549
have released military files on what

360
00:15:31,120 --> 00:15:36,279
they've known and found out on about

361
00:15:33,549 --> 00:15:37,719
UFOs you know I mean most prominently of

362
00:15:36,279 --> 00:15:40,539
course the youth the British they have

363
00:15:37,720 --> 00:15:42,610
released a tons of files of the French

364
00:15:40,539 --> 00:15:45,730
France also the French the Spanish were

365
00:15:42,610 --> 00:15:49,509
the first actually to back in their

366
00:15:45,730 --> 00:15:52,029
files yeah yeah yeah yeah so so so you

367
00:15:49,509 --> 00:15:54,899
know having all those at this list of 20

368
00:15:52,029 --> 00:15:57,220
countries around the world you know in

369
00:15:54,899 --> 00:15:59,769
your hand it's really difficult to deny

370
00:15:57,220 --> 00:16:02,470
for German authorities to say that this

371

00:15:59,769 --> 00:16:04,449
is a subject of interest to many all

372
00:16:02,470 --> 00:16:08,220
around right well not the Germans not

373
00:16:04,450 --> 00:16:14,200
and so so in it so in 2009 I started

374
00:16:08,220 --> 00:16:15,190
another approach and in 2009 in fact I I

375
00:16:14,200 --> 00:16:17,769
had

376
00:16:15,190 --> 00:16:19,360
- to have a member of the German

377
00:16:17,769 --> 00:16:22,289
Bundestag so that's the Federal

378
00:16:19,360 --> 00:16:25,019
Parliament the highest German parliament

379
00:16:22,289 --> 00:16:29,409
to have her asked by a friend of mine

380
00:16:25,019 --> 00:16:31,389
about UFOs because he said now I'm doing

381
00:16:29,409 --> 00:16:35,289
this interview what could I ask her and

382
00:16:31,389 --> 00:16:36,759
I said ask her about this UN decision 33

383
00:16:35,289 --> 00:16:40,179
4 to 6 why this has never been

384
00:16:36,759 --> 00:16:42,759
implemented in Germany and and so he did

385
00:16:40,179 --> 00:16:44,679

and he went there in November 2009 he

386

00:16:42,759 --> 00:16:46,509

one thing he asked her that question and

387

00:16:44,679 --> 00:16:48,578

she was completely speechless she didn't

388

00:16:46,509 --> 00:16:50,259

know what to say she said well I have no

389

00:16:48,578 --> 00:16:53,258

idea I mean she took it seriously you

390

00:16:50,259 --> 00:16:56,560

know but she was very very brave she

391

00:16:53,259 --> 00:16:59,769

took it seriously and she actually she

392

00:16:56,559 --> 00:17:03,758

asked the the Scientific Research

393

00:16:59,769 --> 00:17:06,279

Service of the German Bundestag to draft

394

00:17:03,759 --> 00:17:08,588

a report on why that UN decision has

395

00:17:06,279 --> 00:17:11,470

never been implemented and another one

396

00:17:08,588 --> 00:17:15,879

about the again just to remind people

397

00:17:11,470 --> 00:17:19,150

this decision is to initiate a a

398

00:17:15,880 --> 00:17:21,669

government agency that would I believe

399

00:17:19,150 --> 00:17:24,519

receive and and perhaps report about

400
00:17:21,669 --> 00:17:26,980
report about UFO sightings right well

401
00:17:24,519 --> 00:17:29,230
Gary wanted this decision invited Member

402
00:17:26,980 --> 00:17:30,759
States to Kentucky to conduct you for

403
00:17:29,230 --> 00:17:32,860
research for the national level and

404
00:17:30,759 --> 00:17:34,269
she's in she's denied relations she's

405
00:17:32,859 --> 00:17:35,579
starting an inquiry as to why they

406
00:17:34,269 --> 00:17:38,710
hadn't done it that's amazing

407
00:17:35,579 --> 00:17:42,189
exactly and she did that and and and

408
00:17:38,710 --> 00:17:46,538
sure enough just a couple of weeks later

409
00:17:42,190 --> 00:17:49,090
I had a big envelope in my mailbox and I

410
00:17:46,538 --> 00:17:52,329
open it and it was a very nice letter

411
00:17:49,089 --> 00:17:54,459
she wrote and you know it was forwarded

412
00:17:52,329 --> 00:17:55,538
to me and and it was an interesting

413
00:17:54,460 --> 00:17:58,509
study

414
00:17:55,538 --> 00:18:00,730
I mean besides of the complete lack of

415
00:17:58,509 --> 00:18:03,099
facts that I have to say though they I

416
00:18:00,730 --> 00:18:04,960
mean they quoted from Exopolitics

417
00:18:03,099 --> 00:18:07,990
websites for example they didn't even

418
00:18:04,960 --> 00:18:09,579
have the original text of that UN

419
00:18:07,990 --> 00:18:11,220
decision they took it from the website

420
00:18:09,579 --> 00:18:15,399
from her politics

421
00:18:11,220 --> 00:18:19,058
and they they also had you know just

422
00:18:15,400 --> 00:18:20,980
complete meaningless information on what

423
00:18:19,058 --> 00:18:23,288
they don't know and they had a list of

424
00:18:20,980 --> 00:18:26,500
TV shows dealing with UFOs is really

425
00:18:23,288 --> 00:18:27,868
really weird but the part Wade where it

426
00:18:26,500 --> 00:18:30,788
goes about the

427
00:18:27,868 --> 00:18:32,978
United Nations decision they said well

428

00:18:30,788 --> 00:18:34,989
we didn't do it because we were not

429
00:18:32,979 --> 00:18:37,450
legally obliged to do so it is just an

430
00:18:34,989 --> 00:18:40,538
invitation we had the right not to do it

431
00:18:37,450 --> 00:18:41,590
and also that was true and and and also

432
00:18:40,538 --> 00:18:43,929
they said and that was very interesting

433
00:18:41,589 --> 00:18:45,788
they said the fact that both Great

434
00:18:43,929 --> 00:18:47,590
Britain and France had been dealing with

435
00:18:45,788 --> 00:18:50,589
questions about the existence of UFOs

436
00:18:47,589 --> 00:18:52,628
and extraterrestrial life forms and have

437
00:18:50,589 --> 00:18:54,178
given up their secrecy to publish it

438
00:18:52,628 --> 00:18:56,678
even on the Internet

439
00:18:54,179 --> 00:18:58,330
suggests the assumption that German

440
00:18:56,679 --> 00:19:00,909
authorities or ministries have been

441
00:18:58,329 --> 00:19:03,278
dealing with that question as well so

442
00:19:00,909 --> 00:19:07,749

that was like the first time I had it

443

00:19:03,278 --> 00:19:10,950
blackened on paper in writing that was a

444

00:19:07,749 --> 00:19:13,569
complete opposite of the official German

445

00:19:10,950 --> 00:19:15,308
statement on UFOs right they're not

446

00:19:13,569 --> 00:19:18,308
interests and stuff and they here they

447

00:19:15,308 --> 00:19:20,739
go and say well probably they do have an

448

00:19:18,308 --> 00:19:22,839
interest and of course it didn't prove

449

00:19:20,739 --> 00:19:26,288
anything but where did that letter come

450

00:19:22,839 --> 00:19:28,628
from Robert was that from them research

451

00:19:26,288 --> 00:19:30,999
service that was the the authors were

452

00:19:28,628 --> 00:19:33,579
two scientists from the Scientific

453

00:19:30,999 --> 00:19:35,319
Research Service who said that so they

454

00:19:33,579 --> 00:19:37,388
were essentially speculating but it's a

455

00:19:35,319 --> 00:19:38,979
reasonable speculation had it was

456

00:19:37,388 --> 00:19:40,918
reasonable and they and they went on to

457
00:19:38,979 --> 00:19:43,210
say they went on to state that

458
00:19:40,919 --> 00:19:46,690
especially at the times of the Cold War

459
00:19:43,210 --> 00:19:49,389
where where there's exactly what you

460
00:19:46,690 --> 00:19:52,599
just said before where you had to watch

461
00:19:49,388 --> 00:19:54,969
out for possible enemy drones or or spy

462
00:19:52,598 --> 00:19:58,598
planes and stuff of the political enemy

463
00:19:54,970 --> 00:20:01,499
you know it is highly likely that German

464
00:19:58,598 --> 00:20:05,108
authorities have been dealing with

465
00:20:01,499 --> 00:20:07,569
questions of unidentified flying objects

466
00:20:05,108 --> 00:20:09,908
especially in Germany where which was

467
00:20:07,569 --> 00:20:13,089
the epicenter of the Cold War you know

468
00:20:09,909 --> 00:20:17,320
so so so that was really interesting

469
00:20:13,089 --> 00:20:19,118
I made that public in 2010 and then what

470
00:20:17,319 --> 00:20:24,069
followed was a whole episode a whole

471
00:20:19,118 --> 00:20:25,928
series of legal proceedings to get this

472
00:20:24,069 --> 00:20:27,819
report in to the public because even

473
00:20:25,929 --> 00:20:29,499
though I was able to quote from it I was

474
00:20:27,819 --> 00:20:32,259
not able to publish it oh really I

475
00:20:29,499 --> 00:20:34,358
didn't I didn't no of course I didn't I

476
00:20:32,259 --> 00:20:37,659
didn't try to I didn't try to publish it

477
00:20:34,358 --> 00:20:40,639
in its entirety but there was a citizen

478
00:20:37,659 --> 00:20:42,890
from Berlin Frank right in my own

479
00:20:40,640 --> 00:20:45,320
who's my hero and you will soon see why

480
00:20:42,890 --> 00:20:48,500
he is my hero he wanted to see that

481
00:20:45,319 --> 00:20:50,629
study as well he filed an FOI a request

482
00:20:48,500 --> 00:20:53,150
according to the German Freedom of

483
00:20:50,630 --> 00:20:56,180
Information Act and he was denied access

484
00:20:53,150 --> 00:21:01,070
because the Freedom of Information Act

485

00:20:56,180 --> 00:21:02,570
in Germany it's only from 2006 and they

486
00:21:01,069 --> 00:21:04,069
said it would not be applicable to

487
00:21:02,569 --> 00:21:05,750
studies written by the scientific

488
00:21:04,069 --> 00:21:08,960
research service of the German Bundestag

489
00:21:05,750 --> 00:21:11,569
because because everything that's

490
00:21:08,960 --> 00:21:13,970
related to parliamentary actions and and

491
00:21:11,569 --> 00:21:16,419
and work would not be included in that

492
00:21:13,970 --> 00:21:19,750
day so they are impervious to FOI

493
00:21:16,420 --> 00:21:23,360
requests the the german parliament

494
00:21:19,750 --> 00:21:26,450
exactly and not not not only the

495
00:21:23,359 --> 00:21:28,669
parliament but specifically all the

496
00:21:26,450 --> 00:21:30,769
studies undertaken by the scientific

497
00:21:28,670 --> 00:21:32,900
research service of the Bundestag what

498
00:21:30,769 --> 00:21:35,599
may that would be like in America to say

499
00:21:32,900 --> 00:21:37,490

that US Congress is immune from the

500

00:21:35,599 --> 00:21:38,689

Freedom of Information Act that's what

501

00:21:37,490 --> 00:21:40,490

this sounds like that's in court but

502

00:21:38,690 --> 00:21:42,259

that that's the fact here in Germany

503

00:21:40,490 --> 00:21:44,420

it's still the fact that the thing is

504

00:21:42,259 --> 00:21:49,910

this scientific service of the Bundestag

505

00:21:44,420 --> 00:21:53,150

is there to inform deputies of the of

506

00:21:49,910 --> 00:21:56,870

the Parliament in their daily work if

507

00:21:53,150 --> 00:22:04,640

they have a question a specific question

508

00:21:56,869 --> 00:22:11,169

on let's say wars against international

509

00:22:04,640 --> 00:22:11,170

law undertaken by by the United States

510

00:22:11,380 --> 00:22:16,340

you know they they can go there and ask

511

00:22:14,029 --> 00:22:18,529

and ask a few questions and and have

512

00:22:16,339 --> 00:22:22,909

them write this these kinds of studies

513

00:22:18,529 --> 00:22:25,670

and and this is like the foundation for

514
00:22:22,910 --> 00:22:29,470
their work they are doing in for them in

515
00:22:25,670 --> 00:22:32,300
their capacity as the as the as the

516
00:22:29,470 --> 00:22:35,720
parliamentarians you know as those who

517
00:22:32,299 --> 00:22:38,210
take decisions in our names so it should

518
00:22:35,720 --> 00:22:40,519
be open to the public what's written in

519
00:22:38,210 --> 00:22:43,549
those studies right it should be should

520
00:22:40,519 --> 00:22:45,829
be public so he sued he was denied

521
00:22:43,549 --> 00:22:48,849
access he sued the German government and

522
00:22:45,829 --> 00:22:50,990
in December 2011 the first instance

523
00:22:48,849 --> 00:22:53,089
Administrative Court in Berlin approved

524
00:22:50,990 --> 00:22:54,559
his request and ordered the Bundestag to

525
00:22:53,089 --> 00:22:56,000
release that study

526
00:22:54,559 --> 00:23:00,019
but of course the Buddhist art a lot

527
00:22:56,000 --> 00:23:02,420
launched an appeal and in November 2013

528
00:23:00,019 --> 00:23:03,650
the next instance Court the higher

529
00:23:02,420 --> 00:23:04,820
Administrative Court of

530
00:23:03,650 --> 00:23:08,240
berlin-brandenburg

531
00:23:04,819 --> 00:23:11,419
revoked that decision and and said no

532
00:23:08,240 --> 00:23:13,759
its parliamentary thing doesn't you know

533
00:23:11,420 --> 00:23:16,400
fo Freedom of Information Act doesn't

534
00:23:13,759 --> 00:23:19,190
apply here go figure

535
00:23:16,400 --> 00:23:20,810
you know and and Frank Wright Amaya you

536
00:23:19,190 --> 00:23:23,570
know he really struggled to lodge an

537
00:23:20,809 --> 00:23:26,029
appeal for just for lack of funding you

538
00:23:23,569 --> 00:23:28,039
know because he was just this this one

539
00:23:26,029 --> 00:23:30,139
right may I just I just want to make

540
00:23:28,039 --> 00:23:31,490
sure so this report that he's trying to

541
00:23:30,140 --> 00:23:33,680
get out this is the report that had

542

00:23:31,490 --> 00:23:35,750
already been sent to you do from your

543
00:23:33,680 --> 00:23:39,500
direct request so you had already been

544
00:23:35,750 --> 00:23:42,049
able to read the report and from what it

545
00:23:39,500 --> 00:23:42,859
sounded like to me it's it's not even a

546
00:23:42,049 --> 00:23:45,710
smoking gun

547
00:23:42,859 --> 00:23:50,149
it's an eleven exactly it's simply a

548
00:23:45,710 --> 00:23:53,590
reply to your request and a speculation

549
00:23:50,150 --> 00:23:56,300
that the German military and government

550
00:23:53,589 --> 00:23:57,439
might have dealt with the UFO phenomenon

551
00:23:56,299 --> 00:23:59,720
as the British and the French yeah I

552
00:23:57,440 --> 00:24:01,130
mean that's really all that that was

553
00:23:59,720 --> 00:24:03,319
said in there right is that is that

554
00:24:01,130 --> 00:24:04,610
correct that's that's correct and they

555
00:24:03,319 --> 00:24:07,549
are not letting you head out there so

556
00:24:04,609 --> 00:24:09,559

it's that that little tepid statement

557

00:24:07,549 --> 00:24:11,240

the German government is is fighting

558

00:24:09,559 --> 00:24:13,819

tooth and nail to prevent from coming

559

00:24:11,240 --> 00:24:15,589

out that's amazing yeah and just to give

560

00:24:13,819 --> 00:24:17,000

you an idea about the German mindset

561

00:24:15,589 --> 00:24:19,699

when it comes to freedom of information

562

00:24:17,000 --> 00:24:22,579

versus government secrecy

563

00:24:19,700 --> 00:24:25,600

you know because up until 2006 we had

564

00:24:22,579 --> 00:24:27,799

the principle of of administration

565

00:24:25,599 --> 00:24:32,059

secrecy that's how they called it you

566

00:24:27,799 --> 00:24:35,210

know this is amps crimeless government

567

00:24:32,059 --> 00:24:37,879

secrecy or administrative secrecy you do

568

00:24:35,210 --> 00:24:39,860

- you don't need to know you know go

569

00:24:37,880 --> 00:24:41,750

home there's nothing to see here we take

570

00:24:39,859 --> 00:24:43,549

our decisions based upon our own

571
00:24:41,750 --> 00:24:45,529
information and you're not supposed to

572
00:24:43,549 --> 00:24:48,139
know what we know that's that's what it

573
00:24:45,529 --> 00:24:51,049
was like until 2006 of course there were

574
00:24:48,140 --> 00:24:52,880
exceptions for journalists you know even

575
00:24:51,049 --> 00:24:55,159
back then when I was still working for

576
00:24:52,880 --> 00:24:57,740
television you know okay you you could

577
00:24:55,160 --> 00:24:59,870
go to some authority and and show them

578
00:24:57,740 --> 00:25:02,809
their press car your press card say look

579
00:24:59,869 --> 00:25:05,000
I have the right under the press the

580
00:25:02,809 --> 00:25:07,490
press act or I don't know how you called

581
00:25:05,000 --> 00:25:08,029
in English to give me information but

582
00:25:07,490 --> 00:25:10,039
still

583
00:25:08,029 --> 00:25:12,109
at that time you know it really depended

584
00:25:10,039 --> 00:25:14,329
on whether they liked you or not or

585
00:25:12,109 --> 00:25:16,279
whether what you depended on what you

586
00:25:14,329 --> 00:25:18,379
wanted to know and they were not really

587
00:25:16,279 --> 00:25:20,569
you know that have always been ways to

588
00:25:18,380 --> 00:25:22,790
deny you access to official information

589
00:25:20,569 --> 00:25:24,980
robbery we have about a minute before we

590
00:25:22,789 --> 00:25:26,420
have to have a break we can come back to

591
00:25:24,980 --> 00:25:29,210
this after the break but how did this

592
00:25:26,420 --> 00:25:33,289
resolve can you say that quickly yes

593
00:25:29,210 --> 00:25:35,509
in June 2015 the highest administrative

594
00:25:33,289 --> 00:25:38,539
court in Germany finally decided that

595
00:25:35,509 --> 00:25:40,190
the studies are to be released under the

596
00:25:38,539 --> 00:25:42,230
German Freedom of Information Act and

597
00:25:40,190 --> 00:25:45,140
this was a real milestone because now

598
00:25:42,230 --> 00:25:47,420
all the information from those kinds of

599

00:25:45,140 --> 00:25:49,580
studies are available to the German

600
00:25:47,420 --> 00:25:51,710
public and not only in terms of UFOs but

601
00:25:49,579 --> 00:25:53,179
all other kinds of interesting and

602
00:25:51,710 --> 00:25:57,410
important stuff so this will actually

603
00:25:53,180 --> 00:26:00,310
open up a range of potential UFO reports

604
00:25:57,410 --> 00:26:03,560
is what this sounds like is that exactly

605
00:26:00,309 --> 00:26:05,059
not exactly UFO reports because the

606
00:26:03,559 --> 00:26:10,279
scientific service doesn't deal with

607
00:26:05,059 --> 00:26:12,649
UFOs normally oh I just made a mr. edit

608
00:26:10,279 --> 00:26:15,649
that I just dropped something okay so

609
00:26:12,650 --> 00:26:19,250
not that but perhaps perhaps there may

610
00:26:15,650 --> 00:26:21,050
be a window opening in some manner we

611
00:26:19,250 --> 00:26:23,750
you know remember the the the air

612
00:26:21,049 --> 00:26:25,220
strikes recently from the US UK and

613
00:26:23,750 --> 00:26:27,380

France on Syria

614

00:26:25,220 --> 00:26:30,380

where German Chancellor she said well

615

00:26:27,380 --> 00:26:34,850

the the United Nations Security Council

616

00:26:30,380 --> 00:26:38,150

was obviously too occupied in this

617

00:26:34,849 --> 00:26:40,459

question and could not cooperate in this

618

00:26:38,150 --> 00:26:43,250

question and therefore it was important

619

00:26:40,460 --> 00:26:44,870

for the for those countries to take

620

00:26:43,250 --> 00:26:47,509

responsibility to bear that

621

00:26:44,869 --> 00:26:50,569

responsibility to attack Syria and in

622

00:26:47,509 --> 00:26:52,759

fact the the scientific service of the

623

00:26:50,569 --> 00:26:54,559

Bundestag that clearly in in one of

624

00:26:52,759 --> 00:26:57,410

those studies no this is against

625

00:26:54,559 --> 00:26:59,960

international law this is just illegal

626

00:26:57,410 --> 00:27:01,580

you know and and this is all we only

627

00:26:59,960 --> 00:27:04,370

know this now because of the brave

628
00:27:01,579 --> 00:27:07,009
action of Frank I Tamiya who sued the

629
00:27:04,369 --> 00:27:08,449
German government fascinating and is

630
00:27:07,009 --> 00:27:10,460
something that you have your part to

631
00:27:08,450 --> 00:27:13,100
play in that's actually actually I I

632
00:27:10,460 --> 00:27:16,910
adore him in crowdfunding and helping

633
00:27:13,099 --> 00:27:19,639
him to find funds for his appeal and and

634
00:27:16,910 --> 00:27:21,710
your your initial inquiry into the UFO

635
00:27:19,640 --> 00:27:24,170
situation also sparked it

636
00:27:21,710 --> 00:27:27,259
yeah in a way I helped to write your

637
00:27:24,170 --> 00:27:28,840
history and Jeremy dancer listen we're

638
00:27:27,259 --> 00:27:31,879
gonna take a very quick break Robert and

639
00:27:28,839 --> 00:27:33,379
so we're on this is Richard Dolan I'm

640
00:27:31,880 --> 00:27:36,350
here with Robert Fleischer journalist

641
00:27:33,380 --> 00:27:38,240
German journalist with a great deal of

642
00:27:36,349 --> 00:27:40,909
background in the UFO subject and we're

643
00:27:38,240 --> 00:27:43,700
going to return to discuss some UFO

644
00:27:40,910 --> 00:27:46,160
cases as well as some other government

645
00:27:43,700 --> 00:27:48,799
actions I believe so stick around we'll

646
00:27:46,160 --> 00:27:50,330
be right back after this we're back I'm

647
00:27:48,799 --> 00:27:53,450
Richard Dolan here with Robert Fleischer

648
00:27:50,329 --> 00:27:55,970
of Germany and Robert so just to make

649
00:27:53,450 --> 00:28:00,830
sure we've got the that last segment we

650
00:27:55,970 --> 00:28:05,750
kind of nailed down you were seeking to

651
00:28:00,829 --> 00:28:07,730
obtain information that was it was a

652
00:28:05,750 --> 00:28:11,390
letter that arrived to you saying that

653
00:28:07,730 --> 00:28:12,860
Germany may have also had his own UFO

654
00:28:11,390 --> 00:28:15,860
reports and it was impossible to get

655
00:28:12,859 --> 00:28:17,899
that published so what's the status of

656

00:28:15,859 --> 00:28:20,869
what can work in German citizens know

657
00:28:17,900 --> 00:28:23,750
now what could be published on on the

658
00:28:20,869 --> 00:28:25,759
web in Germany as a result of this well

659
00:28:23,750 --> 00:28:27,829
it's interesting the original assumption

660
00:28:25,759 --> 00:28:30,230
from the the authors of the study

661
00:28:27,829 --> 00:28:34,009
undertaken by the scientific service of

662
00:28:30,230 --> 00:28:36,049
the Bundestag was had been that German

663
00:28:34,009 --> 00:28:38,029
authorities may have very well had an

664
00:28:36,049 --> 00:28:41,329
interest in the UFO subject just like

665
00:28:38,029 --> 00:28:43,279
France and Great Britain and it was only

666
00:28:41,329 --> 00:28:46,879
a couple of years I think two years

667
00:28:43,279 --> 00:28:49,970
after the the last Court decision about

668
00:28:46,880 --> 00:28:52,940
this the release of that study that it

669
00:28:49,970 --> 00:28:55,670
became known that the German Foreign

670
00:28:52,940 --> 00:28:58,789

Intelligence Agency B and D Bundestag in

671

00:28:55,670 --> 00:29:01,610

Dean's had been researching UFO

672

00:28:58,789 --> 00:29:03,859

sightings at the inner German border for

673

00:29:01,609 --> 00:29:06,589

years actually the inner German border

674

00:29:03,859 --> 00:29:08,299

between East Germany and West Germany

675

00:29:06,589 --> 00:29:10,099

where West Germany was of course

676

00:29:08,299 --> 00:29:12,319

controlled by the Americans the British

677

00:29:10,099 --> 00:29:16,579

the France and the French and others and

678

00:29:12,319 --> 00:29:20,359

East Germany by the Soviets and this

679

00:29:16,579 --> 00:29:22,519

inner German border was heavily guarded

680

00:29:20,359 --> 00:29:25,699

it was a death strip that marked the

681

00:29:22,519 --> 00:29:28,160

front line of the Cold War yes no it it

682

00:29:25,700 --> 00:29:31,970

separated NATO allies from those of the

683

00:29:28,160 --> 00:29:33,680

Warsaw Pact and it was not only the

684

00:29:31,970 --> 00:29:35,539

military that kept an eye on the border

685
00:29:33,680 --> 00:29:40,610
but also this foreign secrets

686
00:29:35,539 --> 00:29:43,250
from 1982 to 1986 the BND collected and

687
00:29:40,609 --> 00:29:45,349
analyzed witness reports on unidentified

688
00:29:43,250 --> 00:29:48,619
flying objects along the inner German

689
00:29:45,349 --> 00:29:50,719
border so I'm sure much more than 1982

690
00:29:48,619 --> 00:29:52,399
to 86 but even so you have records

691
00:29:50,720 --> 00:29:54,769
records that on that period are

692
00:29:52,400 --> 00:29:57,860
available yes that's at least what is

693
00:29:54,769 --> 00:30:00,829
become known there's a set of documents

694
00:29:57,859 --> 00:30:06,049
that that is available at the National

695
00:30:00,829 --> 00:30:09,409
Archive of Germany in Koblenz and in

696
00:30:06,049 --> 00:30:12,970
fact it is officially it is still closed

697
00:30:09,410 --> 00:30:15,140
it is still unavailable and parts of it

698
00:30:12,970 --> 00:30:19,250
but in fact you know there's like a

699
00:30:15,140 --> 00:30:21,530
special regulation saying that if a

700
00:30:19,250 --> 00:30:23,900
researcher like a scientist or so a

701
00:30:21,529 --> 00:30:26,509
historian applies for access to certain

702
00:30:23,900 --> 00:30:29,900
parts of that document then it will be

703
00:30:26,509 --> 00:30:32,240
reviewed the the classification will be

704
00:30:29,900 --> 00:30:34,130
reviewed and then it is also it will

705
00:30:32,240 --> 00:30:36,049
also be available to other interested

706
00:30:34,130 --> 00:30:39,620
researchers or journalists I'm not sure

707
00:30:36,049 --> 00:30:41,899
if it's so they they decide they will

708
00:30:39,619 --> 00:30:44,509
decide who has access to it it sounds

709
00:30:41,900 --> 00:30:47,390
like yes yes in fact I have it here in

710
00:30:44,509 --> 00:30:49,940
front of me and and there it says that

711
00:30:47,390 --> 00:30:53,140
there are certain pages of it that are

712
00:30:49,940 --> 00:30:59,570
still not to be released until the Year

713

00:30:53,140 --> 00:31:01,910
2063 so this is from the 1980s yes and

714
00:30:59,569 --> 00:31:04,369
they are that's an entire human lifetime

715
00:31:01,910 --> 00:31:06,830
so well what what so you have these

716
00:31:04,369 --> 00:31:08,809
papers and can you describe them what's

717
00:31:06,829 --> 00:31:11,299
in them what makes what makes them

718
00:31:08,809 --> 00:31:13,279
interesting what makes them interesting

719
00:31:11,299 --> 00:31:16,309
well first of all it's 70 so it's not so

720
00:31:13,279 --> 00:31:18,799
big you know it's only set 67 pages it's

721
00:31:16,309 --> 00:31:23,119
mainly sightings reports and analysis by

722
00:31:18,799 --> 00:31:25,909
the general Bundestag deans and the

723
00:31:23,119 --> 00:31:28,250
majority of the files or the majority of

724
00:31:25,910 --> 00:31:30,800
the cases contained in this file are

725
00:31:28,250 --> 00:31:33,259
conventionally explainable like it's

726
00:31:30,799 --> 00:31:36,619
just conventional cases but there are

727
00:31:33,259 --> 00:31:38,960

also cases that remained unidentified

728

00:31:36,619 --> 00:31:41,989

even for the intelligence analysts and

729

00:31:38,960 --> 00:31:45,680

one of these cases occurred at the on

730

00:31:41,990 --> 00:31:48,259

the baltic island of femen in 1986 it

731

00:31:45,680 --> 00:31:49,400

was early in the morning of August 26

732

00:31:48,259 --> 00:31:51,920

when three border

733

00:31:49,400 --> 00:31:54,230

observed a bright lit object from the

734

00:31:51,920 --> 00:31:56,960

window of their office that slowly

735

00:31:54,230 --> 00:31:59,539

approached the put garden fairy station

736

00:31:56,960 --> 00:32:02,600

and stopped in midair at an altitude of

737

00:31:59,539 --> 00:32:05,359

around 50 to 60 meters and the witnesses

738

00:32:02,599 --> 00:32:08,240

didn't hear any flight noise noises only

739

00:32:05,359 --> 00:32:10,399

a relatively quiet humming noise the

740

00:32:08,240 --> 00:32:12,950

shape color and size could not be

741

00:32:10,400 --> 00:32:15,950

determined by the border guards because

742
00:32:12,950 --> 00:32:18,590
the because it had a radiant dazzling

743
00:32:15,950 --> 00:32:20,870
illumination as they said and after a

744
00:32:18,589 --> 00:32:22,730
while the object floated further

745
00:32:20,869 --> 00:32:26,529
eastwards at the same height and

746
00:32:22,730 --> 00:32:28,700
disappeared and the bundestag Dienst

747
00:32:26,529 --> 00:32:32,240
investigated this case they questioned

748
00:32:28,700 --> 00:32:34,970
they interviewed the witnesses but their

749
00:32:32,240 --> 00:32:38,509
search was unsuccessful the sighted

750
00:32:34,970 --> 00:32:40,490
object remained unidentified and this is

751
00:32:38,509 --> 00:32:43,129
just one of those cases that they have

752
00:32:40,490 --> 00:32:46,400
in that they have investigated this is

753
00:32:43,130 --> 00:32:53,570
over over the Baltic Sea in late August

754
00:32:46,400 --> 00:32:55,790
of 1986 a bright object over that that

755
00:32:53,569 --> 00:32:57,859
moved toward the east as it departed but

756
00:32:55,789 --> 00:32:59,599
it fairy station yeah it did not move in

757
00:32:57,859 --> 00:33:04,308
any kind of conventional manner I I

758
00:32:59,599 --> 00:33:07,129
gather yeah yeah well it it it's didn't

759
00:33:04,308 --> 00:33:09,558
have erratic maneuvers or anything you

760
00:33:07,130 --> 00:33:11,600
know there's nothing of this described

761
00:33:09,558 --> 00:33:13,428
in the report it's just that the shape

762
00:33:11,599 --> 00:33:15,409
color and size and it you know it just

763
00:33:13,429 --> 00:33:17,840
didn't match anything conventional and

764
00:33:15,410 --> 00:33:21,050
this is exactly the reason why the PMD

765
00:33:17,839 --> 00:33:23,359
was investigating such UFO reports

766
00:33:21,049 --> 00:33:24,919
because of course as the office of the

767
00:33:23,359 --> 00:33:26,959
scientific service of the Bundestag it

768
00:33:24,920 --> 00:33:30,230
also pointed out they were looking for

769
00:33:26,960 --> 00:33:34,910
potential enemy spy drones or enemy

770

00:33:30,230 --> 00:33:37,220
craft or anything unusual at the around

771
00:33:34,910 --> 00:33:39,230
the borders of West Germany because it

772
00:33:37,220 --> 00:33:41,240
could be the Soviets you know trying to

773
00:33:39,230 --> 00:33:43,630
find out something that they weren't

774
00:33:41,240 --> 00:33:46,490
supposed to know you know there so

775
00:33:43,630 --> 00:33:50,600
what's also interesting that in this B

776
00:33:46,490 --> 00:33:52,519
and D UFO file as we call it it you know

777
00:33:50,599 --> 00:33:54,949
it really documents how the BMD

778
00:33:52,519 --> 00:33:56,929
systematically conducted UFO research

779
00:33:54,950 --> 00:34:00,289
for years and it also contains a

780
00:33:56,929 --> 00:34:02,780
handwritten note which says please

781
00:34:00,289 --> 00:34:06,139
create a UFO process

782
00:34:02,779 --> 00:34:08,148
or please start a UFO process and one of

783
00:34:06,140 --> 00:34:10,579
its just a handwritten note beside and

784
00:34:08,148 --> 00:34:12,829

one of those cases you know and that

785

00:34:10,579 --> 00:34:15,019

really made us think in fact it was

786

00:34:12,829 --> 00:34:17,449

andreas moolah a friend and colleague of

787

00:34:15,019 --> 00:34:19,039

mine who's also journalist from Kansas

788

00:34:17,449 --> 00:34:23,210

and shaft actor head it's like fringe

789

00:34:19,039 --> 00:34:25,699

science Muse or something he had first

790

00:34:23,210 --> 00:34:28,010

access to that to that file and he said

791

00:34:25,699 --> 00:34:31,189

you know it's really clear that you know

792

00:34:28,010 --> 00:34:33,860

that term UFO was used across the whole

793

00:34:31,190 --> 00:34:37,070

document every everyone knew what a UFO

794

00:34:33,860 --> 00:34:39,349

process was at that time so you know the

795

00:34:37,070 --> 00:34:41,840

the assumption that unexplained aerial

796

00:34:39,349 --> 00:34:44,659

phenomena may not have been called UFO

797

00:34:41,840 --> 00:34:47,600

or something may just be wrong it they

798

00:34:44,659 --> 00:34:49,519

just they plainly called it UFO the

799
00:34:47,599 --> 00:34:52,190
Germans are using that phrase even

800
00:34:49,519 --> 00:34:54,050
though that's an American acronym yeah

801
00:34:52,190 --> 00:34:56,240
well in Germany you know you would say

802
00:34:54,050 --> 00:34:58,460
either defeats you at this freakin this

803
00:34:56,239 --> 00:35:00,409
object or only piquant as freakin this

804
00:34:58,460 --> 00:35:02,329
object so it's also it also comes to

805
00:35:00,409 --> 00:35:05,449
your abbreviation like this yeah so okay

806
00:35:02,329 --> 00:35:07,460
so but what's interesting you know we

807
00:35:05,449 --> 00:35:09,799
don't know what that UFO process

808
00:35:07,460 --> 00:35:12,110
consists of what what is it is it is it

809
00:35:09,800 --> 00:35:14,180
really just the collection and analysis

810
00:35:12,110 --> 00:35:16,490
of those sightings reports or did they

811
00:35:14,179 --> 00:35:18,980
are there any other things I mean there

812
00:35:16,489 --> 00:35:22,939
are lots of pages blacked out or just

813
00:35:18,980 --> 00:35:25,579
missing in that in that file here so we

814
00:35:22,940 --> 00:35:29,750
don't we still don't know the real

815
00:35:25,579 --> 00:35:32,690
extent and an scope of that project that

816
00:35:29,750 --> 00:35:34,550
the B and D was what's doing there there

817
00:35:32,690 --> 00:35:37,039
actually were a number of interesting

818
00:35:34,550 --> 00:35:40,280
German cases from around that time I

819
00:35:37,039 --> 00:35:42,019
recall and I'm sure you recall this the

820
00:35:40,280 --> 00:35:44,480
German researcher he's not doing much

821
00:35:42,019 --> 00:35:46,909
anymore but Michael Hess Aman I know

822
00:35:44,480 --> 00:35:49,880
promoted a number of there was a UFO

823
00:35:46,909 --> 00:35:51,829
photograph that he promoted from around

824
00:35:49,880 --> 00:35:55,039
that time in the 1980s and I'm trying to

825
00:35:51,829 --> 00:35:57,289
recall the exact year on it I have it in

826
00:35:55,039 --> 00:36:00,380
my own files you might remember it's a

827

00:35:57,289 --> 00:36:04,639
photograph there's a spring a bell for

828
00:36:00,380 --> 00:36:08,090
you no no I'm sorry I wish I had this

829
00:36:04,639 --> 00:36:10,309
anyway I find it after we're done

830
00:36:08,090 --> 00:36:11,990
interviewing I'm sure but there there

831
00:36:10,309 --> 00:36:14,449
are a number of these cases that were

832
00:36:11,989 --> 00:36:16,709
out there but I'm assuming like none of

833
00:36:14,449 --> 00:36:19,558
none of those appear in the B

834
00:36:16,710 --> 00:36:21,539
the files that you're referring to no in

835
00:36:19,559 --> 00:36:25,230
fact of the case that I just mentioned

836
00:36:21,539 --> 00:36:28,880
is like most interesting there are other

837
00:36:25,230 --> 00:36:32,159
cases like here for example there's a

838
00:36:28,880 --> 00:36:37,380
there's a they say possible drone and

839
00:36:32,159 --> 00:36:39,210
that's in 1983 I think and about drum

840
00:36:37,380 --> 00:36:42,890
and then in the early 80s interesting

841
00:36:39,210 --> 00:36:45,769

they used the word drone and they say

842

00:36:42,889 --> 00:36:48,868

what's the exact date here I can't see

843

00:36:45,769 --> 00:36:53,190

well it's from the 80s and yes and and

844

00:36:48,869 --> 00:36:55,858

they and they go traveler reported

845

00:36:53,190 --> 00:37:00,980

following that between three o'clock and

846

00:36:55,858 --> 00:37:06,199

and and quarter past three p.m. he went

847

00:37:00,980 --> 00:37:09,480

by car from Berlin West to a Hamburg and

848

00:37:06,199 --> 00:37:13,879

he saw a fly like an aircraft or

849

00:37:09,480 --> 00:37:17,608

something that was that had stabilizers

850

00:37:13,880 --> 00:37:21,000

at its tail and and it was it looked

851

00:37:17,608 --> 00:37:23,400

very smooth and it had a dark contrail

852

00:37:21,000 --> 00:37:26,280

behind it and you see so this doesn't

853

00:37:23,400 --> 00:37:28,680

doesn't sound like a conventional

854

00:37:26,280 --> 00:37:31,530

conventional I mean this sounds like

855

00:37:28,679 --> 00:37:34,529

conventional technology like a what we

856
00:37:31,530 --> 00:37:37,769
would call a real UFOs I didn't know and

857
00:37:34,530 --> 00:37:39,900
you know and then he goes that he goes

858
00:37:37,769 --> 00:37:45,469
on to state that after thirty seconds

859
00:37:39,900 --> 00:37:50,338
later he saw two modern air jets that

860
00:37:45,469 --> 00:37:52,500
follow that object yeah so so it is you

861
00:37:50,338 --> 00:37:56,429
know many many stuff like that is

862
00:37:52,500 --> 00:38:00,030
contained in the file from the travelers

863
00:37:56,429 --> 00:38:02,669
from I'm sorry I would think that there

864
00:38:00,030 --> 00:38:04,559
are definitely ways to go through this

865
00:38:02,670 --> 00:38:06,809
and I'm sure you and other German

866
00:38:04,559 --> 00:38:08,579
researchers have talked about this I

867
00:38:06,809 --> 00:38:10,260
want to come back to the BMD files if

868
00:38:08,579 --> 00:38:12,900
there's anything else there but so for

869
00:38:10,260 --> 00:38:16,069
example remember in the spring of 1990

870
00:38:12,900 --> 00:38:18,900
over Belgium there were the famous

871
00:38:16,068 --> 00:38:20,789
sightings that the the Royal Belgian Air

872
00:38:18,900 --> 00:38:24,059
Force talked about but some of those UFO

873
00:38:20,789 --> 00:38:26,759
sightings I believe were in part over

874
00:38:24,059 --> 00:38:29,010
the border in Germany northwestern

875
00:38:26,760 --> 00:38:32,370
Germany if I'm not mistaken

876
00:38:29,010 --> 00:38:36,320
so there yep there were I mean and it

877
00:38:32,369 --> 00:38:39,150
does happen and I'm just hoping one day

878
00:38:36,320 --> 00:38:41,640
there might be a crowbar to pry open

879
00:38:39,150 --> 00:38:43,820
these records so maybe someone can

880
00:38:41,639 --> 00:38:46,319
petition the German government for its

881
00:38:43,820 --> 00:38:49,470
response to that night that's a late

882
00:38:46,320 --> 00:38:52,680
March of 1919 do you know what I mean

883
00:38:49,469 --> 00:38:54,899
like there must be other examples of of

884

00:38:52,679 --> 00:38:58,889
German government or German military

885
00:38:54,900 --> 00:39:01,200
response to these UFOs absolutely and if

886
00:38:58,889 --> 00:39:03,420
you think about it like the way the

887
00:39:01,199 --> 00:39:06,509
German or the Belgian military reacted

888
00:39:03,420 --> 00:39:09,329
to that sightings they even send they

889
00:39:06,510 --> 00:39:11,700
even scramble jets and stuff you know so

890
00:39:09,329 --> 00:39:13,440
it's it for me it's just difficult to

891
00:39:11,699 --> 00:39:15,989
imagine the German military wouldn't be

892
00:39:13,440 --> 00:39:17,940
interested in this kind of occurrences

893
00:39:15,989 --> 00:39:21,359
in their neighboring country just in the

894
00:39:17,940 --> 00:39:24,329
bordering region - to Germany that's

895
00:39:21,360 --> 00:39:28,099
it's but so far I haven't I don't know

896
00:39:24,329 --> 00:39:28,099
of any German military document

897
00:39:28,519 --> 00:39:34,289
detailing any anything of use about this

898
00:39:31,800 --> 00:39:34,830

and that from that time it's really

899

00:39:34,289 --> 00:39:37,469
difficult

900

00:39:34,829 --> 00:39:39,299
what about like I'm sorry German

901

00:39:37,469 --> 00:39:41,309
newspapers magazines independent

902

00:39:39,300 --> 00:39:44,940
researchers in addition to yourself

903

00:39:41,309 --> 00:39:49,049
are they compiling a list of cases that

904

00:39:44,940 --> 00:39:51,119
that Germans can you know have a list of

905

00:39:49,050 --> 00:39:53,340
such thing well that's that's an

906

00:39:51,119 --> 00:39:56,489
interesting interesting story because in

907

00:39:53,340 --> 00:40:00,539
back in the 1990s I would say the UFO

908

00:39:56,489 --> 00:40:03,659
subject was more prominent in the media

909

00:40:00,539 --> 00:40:05,849
than it is now in Germany in the 1990s

910

00:40:03,659 --> 00:40:08,159
especially I mean the Belgian wave was

911

00:40:05,849 --> 00:40:11,579
you know didn't pass unnoticed and

912

00:40:08,159 --> 00:40:15,269
German media and there was a big news TV

913
00:40:11,579 --> 00:40:19,440
network RTL that still exists today

914
00:40:15,269 --> 00:40:21,360
it's from Luxembourg originally and and

915
00:40:19,440 --> 00:40:22,980
so that's exactly the region where this

916
00:40:21,360 --> 00:40:26,070
more or less the region where this all

917
00:40:22,980 --> 00:40:27,929
took place so Luxembourg it's it's this

918
00:40:26,070 --> 00:40:31,530
corner between the Netherlands Belgium

919
00:40:27,929 --> 00:40:36,239
Germany you know and and they send they

920
00:40:31,530 --> 00:40:39,090
send a reporter - to Belgium and he

921
00:40:36,239 --> 00:40:42,629
interviewed the people and also the Jean

922
00:40:39,090 --> 00:40:46,500
Dom how do you say Jean Dominic

923
00:40:42,630 --> 00:40:49,140
police police military police the

924
00:40:46,500 --> 00:40:51,570
military policemen who watched that

925
00:40:49,139 --> 00:40:53,879
object and they and he went with them

926
00:40:51,570 --> 00:40:56,130
in their police car and they described

927
00:40:53,880 --> 00:40:58,349
to him in front of the camera how how

928
00:40:56,130 --> 00:41:02,220
they saw this big triangular shaped

929
00:40:58,349 --> 00:41:04,259
object that hovered silently just a

930
00:41:02,219 --> 00:41:06,839
hundred meters away to their left-hand

931
00:41:04,260 --> 00:41:09,390
side over a field and they followed it

932
00:41:06,840 --> 00:41:12,300
it was completely noiseless you know

933
00:41:09,389 --> 00:41:14,809
this is really strange to see that to

934
00:41:12,300 --> 00:41:19,289
see this TV report it's become quite

935
00:41:14,809 --> 00:41:21,659
popular even you know now if you look at

936
00:41:19,289 --> 00:41:23,849
it because it's like news from another

937
00:41:21,659 --> 00:41:26,429
dimension or another world if you

938
00:41:23,849 --> 00:41:28,710
compare like the seriousness and and the

939
00:41:26,429 --> 00:41:32,489
way how they how they report on this

940
00:41:28,710 --> 00:41:34,559
police UFO sighting back then and how

941

00:41:32,489 --> 00:41:38,729
they do it now you know it's just such

942
00:41:34,559 --> 00:41:41,519
an huge difference because memories that

943
00:41:38,730 --> 00:41:45,260
case was from sometime during the 1990s

944
00:41:41,519 --> 00:41:48,179
different 1990s yes yes and so an german

945
00:41:45,260 --> 00:41:49,710
production that was taking this UFO

946
00:41:48,179 --> 00:41:52,589
subject very very seriously

947
00:41:49,710 --> 00:41:54,929
unlike yes it was just on the news it

948
00:41:52,590 --> 00:41:57,420
was just like a three or four minute TV

949
00:41:54,929 --> 00:42:01,079
news report you know it was not not even

950
00:41:57,420 --> 00:42:02,789
a special special report or something

951
00:42:01,079 --> 00:42:05,940
was just on the news you know at that

952
00:42:02,789 --> 00:42:09,000
time and nowadays if you read about the

953
00:42:05,940 --> 00:42:12,960
Belgium UFO wave you read something like

954
00:42:09,000 --> 00:42:15,750
well allegedly one night something was

955
00:42:12,960 --> 00:42:18,300

seen by a couple of people maybe they

956

00:42:15,750 --> 00:42:20,820

drank too much and stuff you know and

957

00:42:18,300 --> 00:42:22,620

and they just come yeah they're just

958

00:42:20,820 --> 00:42:25,289

completely ignore the facts that this

959

00:42:22,619 --> 00:42:26,819

lasted more than a year the Belgian UFO

960

00:42:25,289 --> 00:42:29,420

wave and it was seen by hundreds of

961

00:42:26,820 --> 00:42:31,470

people and and the Belgian military

962

00:42:29,420 --> 00:42:34,800

scrambled jets and everything you know

963

00:42:31,469 --> 00:42:37,500

they just completely ignore the those

964

00:42:34,800 --> 00:42:40,140

facts many Belgians on these waters as

965

00:42:37,500 --> 00:42:43,349

well in fact some of the earliest very

966

00:42:40,139 --> 00:42:45,659

excellent witnesses to these triangular

967

00:42:43,349 --> 00:42:48,690

objects that were very clearly defined

968

00:42:45,659 --> 00:42:51,929

and would come extremely low hover

969

00:42:48,690 --> 00:42:52,639

silently I mean unlike anything that

970
00:42:51,929 --> 00:42:55,369
anyone

971
00:42:52,639 --> 00:42:57,409
had really ever seen yeah yeah you know

972
00:42:55,369 --> 00:42:59,509
if I'd always been suspecting that the

973
00:42:57,409 --> 00:43:02,299
German government actually knows morons

974
00:42:59,510 --> 00:43:06,590
on the subject and they err then they

975
00:43:02,300 --> 00:43:08,780
would actually affirm and I've tried

976
00:43:06,590 --> 00:43:11,840
I've made several attempts to find out

977
00:43:08,780 --> 00:43:13,610
more and if you'd like I can I can tell

978
00:43:11,840 --> 00:43:16,370
you it a little bit about this yes I'd

979
00:43:13,610 --> 00:43:17,930
love time but because the question had

980
00:43:16,369 --> 00:43:19,909
always been if there is a German

981
00:43:17,929 --> 00:43:23,029
authority who would be responsible for

982
00:43:19,909 --> 00:43:26,539
UFO sightings reports and it turns out

983
00:43:23,030 --> 00:43:30,860
that in December 2011 there was the head

984
00:43:26,539 --> 00:43:33,349
of a German UFO Association that made

985
00:43:30,860 --> 00:43:35,360
enquiries to several ministries both on

986
00:43:33,349 --> 00:43:37,549
a national and on a local level because

987
00:43:35,360 --> 00:43:39,680
we have the federal the federal

988
00:43:37,550 --> 00:43:41,330
government which is like the federal

989
00:43:39,679 --> 00:43:43,429
government of the United States and then

990
00:43:41,329 --> 00:43:46,519
we have federal States which is like

991
00:43:43,429 --> 00:43:50,690
United States but like you know yes and

992
00:43:46,519 --> 00:43:51,949
and and so in December 2011 the Ministry

993
00:43:50,690 --> 00:43:53,659
of the Interior of North

994
00:43:51,949 --> 00:43:56,509
rhine-westphalia that's one of those

995
00:43:53,659 --> 00:43:59,210
federal States confirmed that the police

996
00:43:56,510 --> 00:44:01,070
forwards reports an unexplained aerial

997
00:43:59,210 --> 00:44:04,119
phenomena when they are related to

998

00:44:01,070 --> 00:44:06,920
airspace security issues to a so called

999
00:44:04,119 --> 00:44:12,019
national situation and command center

1000
00:44:06,920 --> 00:44:14,269
for a air safety NLF set that's i not

1001
00:44:12,019 --> 00:44:16,190
not a combined air operations center in

1002
00:44:14,269 --> 00:44:19,190
north rhine-westphalia close to the

1003
00:44:16,190 --> 00:44:21,470
dutch border and this was also confirmed

1004
00:44:19,190 --> 00:44:25,039
in march 2012 by a spokesperson of the

1005
00:44:21,469 --> 00:44:27,230
police and by others also and there

1006
00:44:25,039 --> 00:44:30,079
another friend of mine who has a

1007
00:44:27,230 --> 00:44:32,690
magazine in switzerland he made further

1008
00:44:30,079 --> 00:44:35,420
enquiries and he found out that he was

1009
00:44:32,690 --> 00:44:37,340
informed that there's a confidential

1010
00:44:35,420 --> 00:44:39,440
agreement between the German federal

1011
00:44:37,340 --> 00:44:42,230
government and the federals individual

1012
00:44:39,440 --> 00:44:46,909

federal states of Germany but details of

1013

00:44:42,230 --> 00:44:48,920

that procedure are well are not public

1014

00:44:46,909 --> 00:44:51,920

are not open to the public accessible to

1015

00:44:48,920 --> 00:44:54,170

the public so there is supposedly that a

1016

00:44:51,920 --> 00:44:57,019

certain confidential agreement that

1017

00:44:54,170 --> 00:44:59,480

details how to proceed and in terms of

1018

00:44:57,019 --> 00:45:00,769

unexplained aerial phenomena and that

1019

00:44:59,480 --> 00:45:04,309

they are ready that they will be

1020

00:45:00,769 --> 00:45:05,659

forwarded to that situation and command

1021

00:45:04,309 --> 00:45:09,409

center for air as a

1022

00:45:05,659 --> 00:45:12,798

50 so that's that was in 2011 you know

1023

00:45:09,409 --> 00:45:17,779

so we'd always been thinking that in

1024

00:45:12,798 --> 00:45:19,730

2011 or as of 2011 it was more or less

1025

00:45:17,780 --> 00:45:21,710

clear to us that if there's any german

1026

00:45:19,730 --> 00:45:24,108

authority that deals with UFO sightings

1027
00:45:21,710 --> 00:45:29,650
it must be that famous and a left set

1028
00:45:24,108 --> 00:45:34,098
and and in fact you know i made several

1029
00:45:29,650 --> 00:45:36,920
attempts in 2015 for example i i had the

1030
00:45:34,099 --> 00:45:40,579
chance to ask the spokesperson of the

1031
00:45:36,920 --> 00:45:45,409
german government about UFO FILES and

1032
00:45:40,579 --> 00:45:47,000
and he said and you know and i think he

1033
00:45:45,409 --> 00:45:49,308
recognized me because he used to me by

1034
00:45:47,000 --> 00:45:51,530
boss when I worked for SETI F television

1035
00:45:49,309 --> 00:45:53,119
when he was still working for television

1036
00:45:51,530 --> 00:45:55,339
as well and now he's the spokesperson of

1037
00:45:53,119 --> 00:45:56,750
the government and he said I know there

1038
00:45:55,338 --> 00:45:58,699
are a lot of people who spend a lot of

1039
00:45:56,750 --> 00:46:00,260
time debating on this on the Internet

1040
00:45:58,699 --> 00:46:02,298
it is not the center of German

1041
00:46:00,260 --> 00:46:04,760
government policy and not even on the

1042
00:46:02,298 --> 00:46:06,440
fringes of this government's policy nor

1043
00:46:04,760 --> 00:46:08,180
do we have the feeling that is in any

1044
00:46:06,440 --> 00:46:10,940
way a question that would be important

1045
00:46:08,179 --> 00:46:11,509
for good coexistence in Germany or in

1046
00:46:10,940 --> 00:46:14,329
the world

1047
00:46:11,510 --> 00:46:17,720
well well stop right there yeah the last

1048
00:46:14,329 --> 00:46:20,089
statement nor do we feel it is a good

1049
00:46:17,719 --> 00:46:22,009
thing for coexistence in the world like

1050
00:46:20,088 --> 00:46:24,078
it would be important for good

1051
00:46:22,010 --> 00:46:25,910
coexistence in Germany or in the world

1052
00:46:24,079 --> 00:46:27,349
in other words by talking about this

1053
00:46:25,909 --> 00:46:30,969
what it would start trouble that's what

1054
00:46:27,349 --> 00:46:33,349
it sounds like to me well it sounds like

1055

00:46:30,969 --> 00:46:35,598
we you know we just don't deal with it

1056
00:46:33,349 --> 00:46:39,579
and now also ask the the speaker of the

1057
00:46:35,599 --> 00:46:43,160
Ministry of Defense and he said well

1058
00:46:39,579 --> 00:46:46,519
just please understand that I can I just

1059
00:46:43,159 --> 00:46:48,500
cannot tell anything about this in in

1060
00:46:46,519 --> 00:46:50,329
this context or in this room or in this

1061
00:46:48,500 --> 00:46:51,949
situation or something is it I just

1062
00:46:50,329 --> 00:46:54,829
don't know anything on this and this

1063
00:46:51,949 --> 00:46:56,419
let's just back up but you there is in

1064
00:46:54,829 --> 00:47:00,500
other words a confirmation from the

1065
00:46:56,420 --> 00:47:02,480
state of Westphalia in Germany that this

1066
00:47:00,500 --> 00:47:04,190
organization that I think you called it

1067
00:47:02,480 --> 00:47:07,338
the National situation an air safety

1068
00:47:04,190 --> 00:47:09,369
center this is a German yeah this is a

1069
00:47:07,338 --> 00:47:12,528

command center this is a German wide

1070

00:47:09,369 --> 00:47:17,059

office is that it's not just vs. Valeo

1071

00:47:12,528 --> 00:47:19,130

and that they do receive German UFO

1072

00:47:17,059 --> 00:47:21,740

reports that affect national security

1073

00:47:19,130 --> 00:47:23,840

that people that the police reason that

1074

00:47:21,739 --> 00:47:25,669

the police forwards them all reports on

1075

00:47:23,840 --> 00:47:28,010

unexplained aerial phenomena when they

1076

00:47:25,670 --> 00:47:29,269

are related to airspace security yes so

1077

00:47:28,010 --> 00:47:31,280

that's important that's the thing so

1078

00:47:29,269 --> 00:47:33,710

they receive they receive at least those

1079

00:47:31,280 --> 00:47:36,800

UFO reports that seems to me to be a

1080

00:47:33,710 --> 00:47:39,800

confirmation yes it seems to be it seems

1081

00:47:36,800 --> 00:47:41,450

to be a confirmation but then in 2017 I

1082

00:47:39,800 --> 00:47:43,880

made another attempt and I wanted to

1083

00:47:41,449 --> 00:47:45,889

find out more and now I'll come back to

1084
00:47:43,880 --> 00:47:48,920
that and I left sets so that situation

1085
00:47:45,889 --> 00:47:50,989
room later on I'll just one and wants

1086
00:47:48,920 --> 00:47:53,450
you to know that in 2017 we had federal

1087
00:47:50,989 --> 00:47:55,309
elections in Germany and the federal

1088
00:47:53,449 --> 00:47:58,509
elections time is a good time to ask

1089
00:47:55,309 --> 00:48:01,699
questions concerning all kinds of stuff

1090
00:47:58,510 --> 00:48:04,070
to potential candidates of the political

1091
00:48:01,699 --> 00:48:05,839
parties so I asked candidates from all

1092
00:48:04,070 --> 00:48:07,910
the political parties in Germany whether

1093
00:48:05,840 --> 00:48:10,340
they would make German secret UFO FILES

1094
00:48:07,909 --> 00:48:12,440
public and most of them answered

1095
00:48:10,340 --> 00:48:15,079
something like well I don't know of any

1096
00:48:12,440 --> 00:48:18,800
such secret files on UFOs that could be

1097
00:48:15,079 --> 00:48:21,170
made public or two or three other people

1098
00:48:18,800 --> 00:48:22,730
said well I can only refer to what the

1099
00:48:21,170 --> 00:48:26,000
spokesperson of the government already

1100
00:48:22,730 --> 00:48:27,590
told you back in 2015 they really did

1101
00:48:26,000 --> 00:48:30,800
their research and found my name and

1102
00:48:27,590 --> 00:48:32,660
found this and the Left Party by the way

1103
00:48:30,800 --> 00:48:35,030
the Left Party Democratic Socialist

1104
00:48:32,659 --> 00:48:37,399
Party they took it most seriously and

1105
00:48:35,030 --> 00:48:39,500
suggested I file foi a request for very

1106
00:48:37,400 --> 00:48:41,510
specific cases and come back to them and

1107
00:48:39,500 --> 00:48:44,420
the ruling party do you have a Green

1108
00:48:41,510 --> 00:48:48,200
Party in the United States in theory yes

1109
00:48:44,420 --> 00:48:50,329
we did Jill Stein was the u.s.

1110
00:48:48,199 --> 00:48:57,079
presidential candidate for the party in

1111
00:48:50,329 --> 00:48:58,610
the last election yeah yeah okay okay so

1112

00:48:57,079 --> 00:49:00,889
the Green Party is an important party in

1113
00:48:58,610 --> 00:49:02,930
Germany it's not in the government but

1114
00:49:00,889 --> 00:49:04,759
it used to be and they had a real

1115
00:49:02,929 --> 00:49:06,859
ridiculous answer they said well

1116
00:49:04,760 --> 00:49:09,520
transparencies of utmost importance to

1117
00:49:06,860 --> 00:49:11,599
us UFO FILES must be made public

1118
00:49:09,519 --> 00:49:13,909
unfortunately however they are written

1119
00:49:11,599 --> 00:49:14,509
in Klingon language and are heavily

1120
00:49:13,909 --> 00:49:16,460
redacted

1121
00:49:14,510 --> 00:49:18,800
if you speak that language or know

1122
00:49:16,460 --> 00:49:20,840
anybody who does please contact the BND

1123
00:49:18,800 --> 00:49:23,420
so you see they're making fun of me

1124
00:49:20,840 --> 00:49:26,510
asking for secret UFO FILES saying a lot

1125
00:49:23,420 --> 00:49:28,760
from i was surprised when when the other

1126
00:49:26,510 --> 00:49:30,650

left party in Germany actually took your

1127

00:49:28,760 --> 00:49:33,110

request seriously because I find in the

1128

00:49:30,650 --> 00:49:35,630

United States Oh

1129

00:49:33,110 --> 00:49:38,960

overall I find that the American left

1130

00:49:35,630 --> 00:49:41,090

seems to dismiss the UFO subject much

1131

00:49:38,960 --> 00:49:42,679

more than than the right and I've tried

1132

00:49:41,090 --> 00:49:45,590

to understand why this is so

1133

00:49:42,679 --> 00:49:47,210

but there's I've definitely noticed this

1134

00:49:45,590 --> 00:49:49,760

maybe a listeners will have a different

1135

00:49:47,210 --> 00:49:52,039

opinion but so but what the Green Party

1136

00:49:49,760 --> 00:49:55,040

said I mean that's just insulting

1137

00:49:52,039 --> 00:49:57,019

yeah it is and I by the way the main

1138

00:49:55,039 --> 00:49:59,509

opponent of angular Merkel the German

1139

00:49:57,019 --> 00:50:01,489

Chancellor was Martin sure it's the

1140

00:49:59,510 --> 00:50:03,860

former head of the European Commission

1141
00:50:01,489 --> 00:50:05,779
or European Parliament I think and

1142
00:50:03,860 --> 00:50:07,910
Martin Schwartz

1143
00:50:05,780 --> 00:50:10,070
he's from the Social Democratic Party

1144
00:50:07,909 --> 00:50:12,559
and I had the chance to ask him

1145
00:50:10,070 --> 00:50:13,130
personally whether he would open UFO

1146
00:50:12,559 --> 00:50:16,239
FILES

1147
00:50:13,130 --> 00:50:19,010
because there was an like a survey from

1148
00:50:16,239 --> 00:50:22,519
let's say a big news agents News

1149
00:50:19,010 --> 00:50:24,290
Corporation in Germany that that owns

1150
00:50:22,519 --> 00:50:25,849
several newspapers and they made a

1151
00:50:24,289 --> 00:50:27,500
survey on the Internet

1152
00:50:25,849 --> 00:50:29,659
what questions would you like to ask

1153
00:50:27,500 --> 00:50:32,750
your your favorite political candidate

1154
00:50:29,659 --> 00:50:34,819
and I put on this question where would

1155
00:50:32,750 --> 00:50:36,260
you release your phone files when you

1156
00:50:34,820 --> 00:50:39,519
were there when you become Chancellor

1157
00:50:36,260 --> 00:50:42,230
and out of thousands of questions this

1158
00:50:39,519 --> 00:50:44,960
mysteriously my question came on top of

1159
00:50:42,230 --> 00:50:46,940
this list well it was like yeah it yeah

1160
00:50:44,960 --> 00:50:49,849
I don't know if somebody did had a

1161
00:50:46,940 --> 00:50:52,159
hacking bot or something I can't I

1162
00:50:49,849 --> 00:50:54,380
really don't know I didn't do it myself

1163
00:50:52,159 --> 00:50:57,379
I have no idea how this came to be but

1164
00:50:54,380 --> 00:51:01,190
it in fact it was on the very first the

1165
00:50:57,380 --> 00:51:02,630
very first item on that list and so I so

1166
00:51:01,190 --> 00:51:05,780
I had the chance to ask him personally

1167
00:51:02,630 --> 00:51:08,480
and I've filmed all this and he said and

1168
00:51:05,780 --> 00:51:10,100
that was really like a turning point in

1169

00:51:08,480 --> 00:51:11,630
this whole thing he said if these files

1170
00:51:10,099 --> 00:51:13,400
are not published because they are

1171
00:51:11,630 --> 00:51:15,410
classified as secret that I cannot

1172
00:51:13,400 --> 00:51:18,440
promise you without appropriate legal

1173
00:51:15,409 --> 00:51:20,629
framework to publish them but I can

1174
00:51:18,440 --> 00:51:22,760
assure you I would consider what are the

1175
00:51:20,630 --> 00:51:24,740
conditions why are they classified as

1176
00:51:22,760 --> 00:51:26,900
secret and if no further secrecy is

1177
00:51:24,739 --> 00:51:30,109
required in this area then I would

1178
00:51:26,900 --> 00:51:30,950
suggest to the German Bundestag that

1179
00:51:30,110 --> 00:51:33,410
they be published

1180
00:51:30,949 --> 00:51:35,869
that's and that was very reasonable

1181
00:51:33,409 --> 00:51:38,750
answer and that's yes and that's the

1182
00:51:35,869 --> 00:51:41,299
main opponent of angular Merkel and the

1183
00:51:38,750 --> 00:51:43,730

thing as well as you know as Americans

1184

00:51:41,300 --> 00:51:46,350

you would say well you know no surprise

1185

00:51:43,730 --> 00:51:47,639

at all you know UFOs and elections

1186

00:51:46,349 --> 00:51:49,889

and you have Hillary Clinton and the

1187

00:51:47,639 --> 00:51:51,750

Jimmy Kimmel show and it's just normal

1188

00:51:49,889 --> 00:51:53,730

to do that but for Germans circumstances

1189

00:51:51,750 --> 00:51:55,829

this is just not normal at all you know

1190

00:51:53,730 --> 00:51:57,599

and and I can tell you that most of the

1191

00:51:55,829 --> 00:51:59,340

journalists in the room they were really

1192

00:51:57,599 --> 00:52:01,799

surprised about this and this kind of

1193

00:51:59,340 --> 00:52:05,010

answer and also the the local newspaper

1194

00:52:01,800 --> 00:52:08,190

from my city they came to me and they

1195

00:52:05,010 --> 00:52:09,870

wanted to to write an article on this

1196

00:52:08,190 --> 00:52:13,590

and I actually I thought they would

1197

00:52:09,869 --> 00:52:15,480

finally start to report seriously on

1198
00:52:13,590 --> 00:52:18,210
this question of why Germany doesn't

1199
00:52:15,480 --> 00:52:19,949
have files and and what they did was in

1200
00:52:18,210 --> 00:52:23,610
fact they you know they took a photo of

1201
00:52:19,949 --> 00:52:26,609
me with with a government document that

1202
00:52:23,610 --> 00:52:28,410
I held up and they said it was basically

1203
00:52:26,610 --> 00:52:30,960
an article about that weird guy who

1204
00:52:28,409 --> 00:52:32,579
asked that strange question to a main

1205
00:52:30,960 --> 00:52:34,980
opponent of Marty Schultz you know was

1206
00:52:32,579 --> 00:52:37,590
it was it was not nothing

1207
00:52:34,980 --> 00:52:39,630
I mean anyway it was somewhat dismissive

1208
00:52:37,590 --> 00:52:41,160
it sounds like I'm not really taking you

1209
00:52:39,630 --> 00:52:43,380
seriously and what when did this whole

1210
00:52:41,159 --> 00:52:46,619
exchange take place Robert that was in

1211
00:52:43,380 --> 00:52:49,920
August 2017 not long a year ago

1212
00:52:46,619 --> 00:52:52,230
yes a year ago yeah a year ago so and

1213
00:52:49,920 --> 00:52:56,460
and what's interesting I had also asked

1214
00:52:52,230 --> 00:52:58,679
Angela Merkel via different media you

1215
00:52:56,460 --> 00:53:00,720
know there's a website where you can ask

1216
00:52:58,679 --> 00:53:02,609
her I did I contacted her office

1217
00:53:00,719 --> 00:53:04,559
directly and stuff and then shortly

1218
00:53:02,610 --> 00:53:08,400
after Martin Schultz had answered that

1219
00:53:04,559 --> 00:53:11,429
he would open UFO FILES and I received

1220
00:53:08,400 --> 00:53:14,610
her reply from the chancellor's office

1221
00:53:11,429 --> 00:53:17,009
and they said and that now she she

1222
00:53:14,610 --> 00:53:20,670
brought in another military authority in

1223
00:53:17,010 --> 00:53:23,130
in Germany that that was known to me but

1224
00:53:20,670 --> 00:53:25,650
that didn't play any role at all in the

1225
00:53:23,130 --> 00:53:27,660
UFO subject until then she said the

1226

00:53:25,650 --> 00:53:29,849
Space Operations Center of the German

1227
00:53:27,659 --> 00:53:32,519
military is tasked with monitoring all

1228
00:53:29,849 --> 00:53:34,230
near-earth objects and since its

1229
00:53:32,519 --> 00:53:36,659
beginnings there has not been any data

1230
00:53:34,230 --> 00:53:38,250
collection related to unknown flying

1231
00:53:36,659 --> 00:53:40,859
objects and therefore there's no

1232
00:53:38,250 --> 00:53:42,179
material to be published so that was a

1233
00:53:40,860 --> 00:53:44,640
complete backlash

1234
00:53:42,179 --> 00:53:47,250
you know the Space Operations centers at

1235
00:53:44,639 --> 00:53:50,489
the same location as the NLF set and

1236
00:53:47,250 --> 00:53:55,860
then I I started to make more fo ia

1237
00:53:50,489 --> 00:53:57,719
requests and to ask them to try to find

1238
00:53:55,860 --> 00:53:59,579
out more okay so if it's not that if

1239
00:53:57,719 --> 00:54:00,149
it's not the Space Operations Center

1240
00:53:59,579 --> 00:54:03,058

maybe

1241
00:54:00,150 --> 00:54:05,818
the situation and control room didi Anna

1242
00:54:03,059 --> 00:54:07,619
left said yes and since I knew that the

1243
00:54:05,818 --> 00:54:09,960
German Freedom of Information Act would

1244
00:54:07,619 --> 00:54:12,599
not be applicable to questions of

1245
00:54:09,960 --> 00:54:14,460
Defense and national security but only

1246
00:54:12,599 --> 00:54:18,088
to administrative things you know I said

1247
00:54:14,460 --> 00:54:20,670
well it's become known to me that such

1248
00:54:18,088 --> 00:54:22,349
occurrences are being forwarded to you

1249
00:54:20,670 --> 00:54:25,829
I'd like to know more about the

1250
00:54:22,349 --> 00:54:28,890
Administrative Procedures that are in

1251
00:54:25,829 --> 00:54:32,910
the set up and in place just in case

1252
00:54:28,889 --> 00:54:35,519
such a report comes in and and I really

1253
00:54:32,909 --> 00:54:38,159
expected them to give me well this

1254
00:54:35,519 --> 00:54:42,329
doesn't you know you're not supposed to

1255
00:54:38,159 --> 00:54:45,149
know or or something or whatever but

1256
00:54:42,329 --> 00:54:48,900
they said well there's thank you for

1257
00:54:45,150 --> 00:54:51,869
your inquiry we don't deal with UFOs and

1258
00:54:48,900 --> 00:54:54,210
that's really weird because what I

1259
00:54:51,869 --> 00:54:56,309
haven't told you before is that in fact

1260
00:54:54,210 --> 00:54:58,769
when this whole thing became public in

1261
00:54:56,309 --> 00:55:02,069
December 2011 that those kinds of

1262
00:54:58,769 --> 00:55:07,019
reports are forwarded to that situation

1263
00:55:02,068 --> 00:55:09,750
and and command centers the NLF said I

1264
00:55:07,019 --> 00:55:11,880
was in touch with a journal his

1265
00:55:09,750 --> 00:55:15,059
colleague of mine who works for a very

1266
00:55:11,880 --> 00:55:16,650
big very very big newspaper in Germany I

1267
00:55:15,059 --> 00:55:20,369
can't reveal its name because it would

1268
00:55:16,650 --> 00:55:22,588
get him into trouble and he told me and

1269
00:55:20,369 --> 00:55:24,358
I believe him that it's true he said he

1270
00:55:22,588 --> 00:55:26,519
called the the press office of the

1271
00:55:24,358 --> 00:55:28,920
German Ministry of Defence and he had

1272
00:55:26,519 --> 00:55:31,798
the press officer of the Ministry of

1273
00:55:28,920 --> 00:55:35,059
Defence confirming him on the telephone

1274
00:55:31,798 --> 00:55:38,880
that they do receive UFO reports and

1275
00:55:35,059 --> 00:55:40,200
that they allegedly throw them and throw

1276
00:55:38,880 --> 00:55:42,390
them into the bin as soon as they

1277
00:55:40,199 --> 00:55:44,189
received them which is just ridiculous

1278
00:55:42,389 --> 00:55:45,629
you hold that thought Robert we're at

1279
00:55:44,190 --> 00:55:47,190
the top of the hour I want to return to

1280
00:55:45,630 --> 00:55:49,619
this okwait it's very important I'm

1281
00:55:47,190 --> 00:55:54,420
Richard Dolan here you're listening to

1282
00:55:49,619 --> 00:55:57,059
german journalist and UFO shall we say

1283

00:55:54,420 --> 00:55:58,500
researcher I I know you know you don't

1284
00:55:57,059 --> 00:56:00,089
want to be called a ufologist but you

1285
00:55:58,500 --> 00:56:03,028
are a Jew of our researcher Robert

1286
00:56:00,088 --> 00:56:05,219
Fleischer and we will be back with more

1287
00:56:03,028 --> 00:56:07,199
information on German and European UFOs

1288
00:56:05,219 --> 00:56:09,480
after this year listening to the kgr a

1289
00:56:07,199 --> 00:56:11,399
radio we'll be right back we're back in

1290
00:56:09,480 --> 00:56:13,889
with Robert Fleischer Robert we were

1291
00:56:11,400 --> 00:56:16,889
just talking about Angela Merkel's

1292
00:56:13,889 --> 00:56:19,199
office of the space office in Germany I

1293
00:56:16,889 --> 00:56:20,819
guess is how I would describe it and you

1294
00:56:19,199 --> 00:56:23,129
you commented that they don't

1295
00:56:20,820 --> 00:56:28,620
investigate UFOs could you just follow

1296
00:56:23,130 --> 00:56:31,170
up on that yes so P I was told by a

1297
00:56:28,619 --> 00:56:32,789

friend a colleague of mine who works for

1298

00:56:31,170 --> 00:56:35,579

a very big news organization in Germany

1299

00:56:32,789 --> 00:56:37,380

that he was told by the press officer of

1300

00:56:35,579 --> 00:56:40,860

the German Ministry of Defence that the

1301

00:56:37,380 --> 00:56:43,050

NLF said so that's the situation and

1302

00:56:40,860 --> 00:56:45,690

control room for as air safe security

1303

00:56:43,050 --> 00:56:47,850

airspace security in Germany that they

1304

00:56:45,690 --> 00:56:51,900

do receive UFO reports but when they

1305

00:56:47,849 --> 00:56:54,869

receive them they will they immediately

1306

00:56:51,900 --> 00:56:57,630

destroyed those reports and and don't

1307

00:56:54,869 --> 00:57:00,989

even look at it which is in my in my

1308

00:56:57,630 --> 00:57:02,519

opinion just not credible because it's

1309

00:57:00,989 --> 00:57:04,829

just not believable because this is the

1310

00:57:02,519 --> 00:57:07,019

center that is there to investigate

1311

00:57:04,829 --> 00:57:10,679

possible threats to airspace security

1312
00:57:07,019 --> 00:57:13,460
and if they receive a report on some

1313
00:57:10,679 --> 00:57:15,269
intrusion into the German airspace

1314
00:57:13,460 --> 00:57:20,550
that's what they're supposed to be

1315
00:57:15,269 --> 00:57:22,409
looking for like unknown objects yeah

1316
00:57:20,550 --> 00:57:25,580
why would they destroy it so Angela

1317
00:57:22,409 --> 00:57:31,019
Merkel when I asked her she had her

1318
00:57:25,579 --> 00:57:33,509
office respond and her office told me

1319
00:57:31,019 --> 00:57:37,349
that the space she didn't speak about

1320
00:57:33,510 --> 00:57:39,540
the NLF said this situation in control

1321
00:57:37,349 --> 00:57:41,339
room for a space security but she's she

1322
00:57:39,539 --> 00:57:45,029
brought into play the so-called space

1323
00:57:41,340 --> 00:57:51,860
Operations Center which is also part of

1324
00:57:45,030 --> 00:57:58,460
the air operations of the German German

1325
00:57:51,860 --> 00:58:00,480
air force okay and and she said this

1326
00:57:58,460 --> 00:58:02,940
operation center is tasked with

1327
00:58:00,480 --> 00:58:05,039
monitoring near-earth objects and since

1328
00:58:02,940 --> 00:58:07,079
its beginnings there's not been any data

1329
00:58:05,039 --> 00:58:08,639
collection relate related to unknown

1330
00:58:07,079 --> 00:58:12,239
flying objects and therefore there's no

1331
00:58:08,639 --> 00:58:14,069
material to be published so that seemed

1332
00:58:12,239 --> 00:58:17,729
like a complete backlash and then I

1333
00:58:14,070 --> 00:58:22,289
still kept digging and I kept filing foi

1334
00:58:17,730 --> 00:58:23,579
a reports and I filed an FAA report and

1335
00:58:22,289 --> 00:58:26,550
I wanted to know what are the

1336
00:58:23,579 --> 00:58:27,619
administrative procedures whenever such

1337
00:58:26,550 --> 00:58:30,980
a report comes in

1338
00:58:27,619 --> 00:58:33,769
and they said the space up the Space

1339
00:58:30,980 --> 00:58:36,349
Operations Center the German Air Force

1340

00:58:33,769 --> 00:58:38,179
they said there's no such thing here we

1341
00:58:36,349 --> 00:58:40,130
have nothing on file

1342
00:58:38,179 --> 00:58:42,889
there's nothing but what's interesting

1343
00:58:40,130 --> 00:58:45,320
is I didn't only file an FOI a request

1344
00:58:42,889 --> 00:58:47,239
but I also made an inquiry like an

1345
00:58:45,320 --> 00:58:49,460
official press inquiry to the press

1346
00:58:47,239 --> 00:58:52,579
office of the Space Operations Center Oh

1347
00:58:49,460 --> 00:58:54,070
interesting and and that was and I

1348
00:58:52,579 --> 00:58:57,110
received a completely different

1349
00:58:54,070 --> 00:58:59,600
information and and they said they

1350
00:58:57,110 --> 00:59:02,390
answered if unexplained phenomena occur

1351
00:58:59,599 --> 00:59:05,449
in airspace or near Earth space or on

1352
00:59:02,389 --> 00:59:09,109
requests of other authorities the Space

1353
00:59:05,449 --> 00:59:11,359
Operations Center checks whether there

1354
00:59:09,110 --> 00:59:13,519

is a reentry of space debris rocket

1355

00:59:11,360 --> 00:59:15,920
stages or similar or an entry of

1356

00:59:13,519 --> 00:59:18,860
asteroids meteorites into the observed

1357

00:59:15,920 --> 00:59:20,780
area that could possibly be the cause of

1358

00:59:18,860 --> 00:59:22,880
the above-mentioned phenomena so at

1359

00:59:20,780 --> 00:59:25,430
least they are there not mentioning

1360

00:59:22,880 --> 00:59:27,470
unexplained I mean they are mentioning

1361

00:59:25,429 --> 00:59:29,539
unexplained phenomena you know and there

1362

00:59:27,469 --> 00:59:32,239
and they are saying yes we do

1363

00:59:29,539 --> 00:59:34,039
investigate it and we we look whether

1364

00:59:32,239 --> 00:59:35,599
it's an asteroid a meteorite or

1365

00:59:34,039 --> 00:59:37,639
something you know so they are saying

1366

00:59:35,599 --> 00:59:39,289
that there are procedures there are

1367

00:59:37,639 --> 00:59:41,179
procedures they are saying they are

1368

00:59:39,289 --> 00:59:42,710
saying absolutely they are saying we do

1369
00:59:41,179 --> 00:59:44,569
investigate this so it is really

1370
00:59:42,710 --> 00:59:47,000
interesting it was really interesting

1371
00:59:44,570 --> 00:59:50,420
that an official foi a request would get

1372
00:59:47,000 --> 00:59:53,510
in like a void answer whereas a press

1373
00:59:50,420 --> 00:59:55,010
inquiry would would gain much more

1374
00:59:53,510 --> 00:59:57,560
information from that you know but still

1375
00:59:55,010 --> 01:00:00,320
I don't know anything I I made an appeal

1376
00:59:57,559 --> 01:00:03,019
to that answer they gave me but still no

1377
01:00:00,320 --> 01:00:04,730
results well they're stonewalling you I

1378
01:00:03,019 --> 01:00:07,659
mean to such a ridiculous extent but

1379
01:00:04,730 --> 01:00:10,159
there there's obviously not a 100%

1380
01:00:07,659 --> 01:00:11,449
coordination among all of the different

1381
01:00:10,159 --> 01:00:13,639
parts of the German government because

1382
01:00:11,449 --> 01:00:16,069
it's it's a large government and so if

1383
01:00:13,639 --> 01:00:17,839
you found you found a little a little

1384
01:00:16,070 --> 01:00:20,120
wedge a little wedge to open up there

1385
01:00:17,840 --> 01:00:21,620
and and and and what's interesting you

1386
01:00:20,119 --> 01:00:23,929
know this is this has always been the

1387
01:00:21,619 --> 01:00:26,029
question is there any office at all any

1388
01:00:23,929 --> 01:00:30,589
authority at all the deals with UFO

1389
01:00:26,030 --> 01:00:32,690
subjects and I came to know a retired

1390
01:00:30,590 --> 01:00:35,870
general from the German Ministry of

1391
01:00:32,690 --> 01:00:38,929
Defence he is he's actually a doctor in

1392
01:00:35,869 --> 01:00:41,179
the rank of a general he worked for

1393
01:00:38,929 --> 01:00:44,299
decades in the highest ranks of

1394
01:00:41,179 --> 01:00:47,269
of the ministry and also shape

1395
01:00:44,300 --> 01:00:49,190
headquarters that's achieve its

1396
01:00:47,269 --> 01:00:52,969
strategic headquarters Allied

1397

01:00:49,190 --> 01:00:55,760
expeditionary forces of not oh yeah NATO

1398
01:00:52,969 --> 01:00:58,250
yeah very important nature and and very

1399
01:00:55,760 --> 01:01:01,490
a very important very important person

1400
01:00:58,250 --> 01:01:03,050
and and and he he was in the audience of

1401
01:01:01,489 --> 01:01:05,088
one of my presentations when I talked

1402
01:01:03,050 --> 01:01:08,380
about all this and then afterwards he

1403
01:01:05,088 --> 01:01:12,318
came to me I said look there's something

1404
01:01:08,380 --> 01:01:15,760
that that you may want to know and he

1405
01:01:12,318 --> 01:01:18,440
started to talk about his own his own

1406
01:01:15,760 --> 01:01:20,839
experiences first of all he had and he

1407
01:01:18,440 --> 01:01:23,389
had his own UFO sighting which I'll go

1408
01:01:20,838 --> 01:01:26,568
into afterwards but in terms of in terms

1409
01:01:23,389 --> 01:01:29,299
of the German authorities he said it may

1410
01:01:26,568 --> 01:01:31,818
very well be the case that in fact no

1411
01:01:29,300 --> 01:01:37,099

German authority is concerned with UFOs

1412

01:01:31,818 --> 01:01:38,779

and that may appear bizarre because of

1413

01:01:37,099 --> 01:01:40,400

all the other countries as you have

1414

01:01:38,780 --> 01:01:43,099

pointed out in your presentation Robert

1415

01:01:40,400 --> 01:01:44,809

as all the other countries have been

1416

01:01:43,099 --> 01:01:47,359

dealing with it and why is it that

1417

01:01:44,809 --> 01:01:49,519

Germany is not dealing with it and he

1418

01:01:47,358 --> 01:01:56,539

explained to me that it has to do with

1419

01:01:49,519 --> 01:01:57,889

Germany's special role as after the

1420

01:01:56,539 --> 01:02:00,469

world war two actually

1421

01:01:57,889 --> 01:02:03,469

it has to do with Germany not being a

1422

01:02:00,469 --> 01:02:06,529

sovereign state until 1990 the air

1423

01:02:03,469 --> 01:02:10,039

supremacy was divided among the Allied

1424

01:02:06,530 --> 01:02:12,619

powers and this jet this retired General

1425

01:02:10,039 --> 01:02:15,139

says that this has led German

1426
01:02:12,619 --> 01:02:17,750
authorities to become some sort of

1427
01:02:15,139 --> 01:02:19,759
resigned and afraid to take

1428
01:02:17,750 --> 01:02:21,858
responsibility over their own matters

1429
01:02:19,760 --> 01:02:24,020
and over the years this has become sort

1430
01:02:21,858 --> 01:02:26,509
of institutionalized in the

1431
01:02:24,019 --> 01:02:28,280
administrative processes and whenever

1432
01:02:26,510 --> 01:02:29,930
there was something bizarre he says the

1433
01:02:28,280 --> 01:02:32,450
Germans were actually happy to leave it

1434
01:02:29,929 --> 01:02:34,519
to the Allied powers mainly the United

1435
01:02:32,449 --> 01:02:36,558
States the UK and France but have also

1436
01:02:34,519 --> 01:02:39,710
the Tennyson and the Belgians who had

1437
01:02:36,559 --> 01:02:41,750
small portions of this air supremacy so

1438
01:02:39,710 --> 01:02:44,298
so whatever happened indeed in the

1439
01:02:41,750 --> 01:02:45,619
German airspace until 1990 the German

1440
01:02:44,298 --> 01:02:48,798
authorities didn't have any control

1441
01:02:45,619 --> 01:02:50,180
about this that was fascinating so it

1442
01:02:48,798 --> 01:02:52,079
seems like it formerly it could be a

1443
01:02:50,179 --> 01:02:55,139
NATO in

1444
01:02:52,079 --> 01:02:56,969
strain of problem not a German at least

1445
01:02:55,139 --> 01:03:00,629
that the matter of German UFOs might

1446
01:02:56,969 --> 01:03:02,309
perhaps fall under NATO's domain rather

1447
01:03:00,630 --> 01:03:04,470
than the German governments domain what

1448
01:03:02,309 --> 01:03:05,820
do you think about that well now it's

1449
01:03:04,469 --> 01:03:07,619
that's that's a good question because

1450
01:03:05,820 --> 01:03:09,330
first of all the question is if German

1451
01:03:07,619 --> 01:03:13,440
if Germany has ever become a sovereign

1452
01:03:09,329 --> 01:03:15,329
national state what is what is the

1453
01:03:13,440 --> 01:03:16,530
nature of sovereignty in today's world I

1454

01:03:15,329 --> 01:03:18,269
mean my goodness yeah we have that you

1455
01:03:16,530 --> 01:03:19,950
have the EU we've got all kinds all

1456
01:03:18,269 --> 01:03:22,289
methods of globalization and

1457
01:03:19,949 --> 01:03:25,349
international legal arrangements that

1458
01:03:22,289 --> 01:03:26,730
really take national sovereignty deeply

1459
01:03:25,349 --> 01:03:28,230
into question and not simply with

1460
01:03:26,730 --> 01:03:30,599
Germany by the way of course but with

1461
01:03:28,230 --> 01:03:32,190
with really every nation in the world

1462
01:03:30,599 --> 01:03:34,349
there are very few nations that I think

1463
01:03:32,190 --> 01:03:38,880
that are truly sovereign anymore yeah

1464
01:03:34,349 --> 01:03:41,219
and and he said that actually if you

1465
01:03:38,880 --> 01:03:45,390
think about it after 1990 you know that

1466
01:03:41,219 --> 01:03:48,509
the the air supremacy or the control

1467
01:03:45,389 --> 01:03:50,730
over the German airspace was officially

1468
01:03:48,510 --> 01:03:52,560

handed over to the Germans again but

1469

01:03:50,730 --> 01:03:54,599

unofficially of course you know that the

1470

01:03:52,559 --> 01:03:56,039

Americans especially they play a huge

1471

01:03:54,599 --> 01:03:58,199

role you know what they are doing on

1472

01:03:56,039 --> 01:04:00,539

their Rammstein base you know no one

1473

01:03:58,199 --> 01:04:02,669

knows what they I mean this is and this

1474

01:04:00,539 --> 01:04:04,949

is a huge area you know they have

1475

01:04:02,670 --> 01:04:06,900

flights coming in and out I don't know

1476

01:04:04,949 --> 01:04:08,819

if the Germans are aware of anything of

1477

01:04:06,900 --> 01:04:12,000

everything every single plane is going

1478

01:04:08,820 --> 01:04:16,980

in now it's tough and also there is

1479

01:04:12,000 --> 01:04:19,650

there is evidence to suggest that the

1480

01:04:16,980 --> 01:04:22,500

Germans left UFO sightings to the US

1481

01:04:19,650 --> 01:04:24,869

military before 1990 and it may very

1482

01:04:22,500 --> 01:04:28,320

well be the case that this is still so

1483
01:04:24,869 --> 01:04:30,929
now after 1990 there was once there's a

1484
01:04:28,320 --> 01:04:32,910
one case I can't remember that the exact

1485
01:04:30,929 --> 01:04:36,359
year but there was one case where a

1486
01:04:32,909 --> 01:04:38,759
chestnut pilot called Mayday over the

1487
01:04:36,360 --> 01:04:40,680
radio because there was a UFO that

1488
01:04:38,760 --> 01:04:42,720
circled around his plane and his

1489
01:04:40,679 --> 01:04:45,329
airplane started to rotate around its

1490
01:04:42,719 --> 01:04:48,809
own axis so he started to call Mayday

1491
01:04:45,329 --> 01:04:52,130
Mayday and after its landing he landed

1492
01:04:48,809 --> 01:04:54,480
in Hanover and then he was he was not

1493
01:04:52,130 --> 01:04:57,269
interrogated by German authorities but

1494
01:04:54,480 --> 01:04:58,349
by US military intelligence officers on

1495
01:04:57,269 --> 01:05:01,019
German soil

1496
01:04:58,349 --> 01:05:03,420
when was a year of this do you recall

1497
01:05:01,019 --> 01:05:05,230
yeah III don't know right now I don't

1498
01:05:03,420 --> 01:05:10,000
know right now

1499
01:05:05,230 --> 01:05:12,519
80s 90s something like this and and and

1500
01:05:10,000 --> 01:05:14,920
he was eventually even sworn to secrecy

1501
01:05:12,519 --> 01:05:17,619
like he was told never to talk about

1502
01:05:14,920 --> 01:05:19,570
this incident to anybody by like a

1503
01:05:17,619 --> 01:05:23,980
German just imagined German private

1504
01:05:19,570 --> 01:05:26,019
pilot is you know has a UFO incident he

1505
01:05:23,980 --> 01:05:28,269
lands and here can see America it's by

1506
01:05:26,019 --> 01:05:32,019
US military intelligence officers who

1507
01:05:28,269 --> 01:05:34,358
order him not to talk about this what is

1508
01:05:32,019 --> 01:05:37,809
that I mean how is that even possible

1509
01:05:34,358 --> 01:05:40,750
you know so so that incident already

1510
01:05:37,809 --> 01:05:43,539
points to to this to the possibility

1511

01:05:40,750 --> 01:05:47,679
that the Americans have been dealing

1512
01:05:43,539 --> 01:05:49,809
with UFO incidents in Germany just as

1513
01:05:47,679 --> 01:05:51,639
they have been dealing with UFO

1514
01:05:49,809 --> 01:05:53,619
incidents in all other parts of the

1515
01:05:51,639 --> 01:05:55,719
world I presume I don't want to think I

1516
01:05:53,619 --> 01:06:00,070
think of come on sorry go on

1517
01:05:55,719 --> 01:06:03,399
yeah just think of the of the island of

1518
01:06:00,070 --> 01:06:05,859
culeros operation saucer thing where

1519
01:06:03,400 --> 01:06:07,869
with the the thing that was officially

1520
01:06:05,858 --> 01:06:10,000
ended by the Brazilian Ministry of

1521
01:06:07,869 --> 01:06:12,519
Defense of Brazilian military and then

1522
01:06:10,000 --> 01:06:14,769
the Americans continued that operation

1523
01:06:12,519 --> 01:06:17,650
under another name and in secret you

1524
01:06:14,769 --> 01:06:23,440
know and think about the Iran case

1525
01:06:17,650 --> 01:06:26,260

Parviz Jafari who in 1976 I think you

1526

01:06:23,440 --> 01:06:29,108

know was scrambled with his jet to to

1527

01:06:26,260 --> 01:06:33,579

chase a UFO and turned to turn out to be

1528

01:06:29,108 --> 01:06:36,279

a that chased himself by a big UFO you

1529

01:06:33,579 --> 01:06:38,230

know so and though in the end about the

1530

01:06:36,280 --> 01:06:40,089

Americans are all meddled in all this

1531

01:06:38,230 --> 01:06:41,500

kinds of stuff you know this is I don't

1532

01:06:40,088 --> 01:06:43,750

want to take this away from the German

1533

01:06:41,500 --> 01:06:46,750

UFO scene but I'll just add here I'll

1534

01:06:43,750 --> 01:06:48,909

interject that what the US did with that

1535

01:06:46,750 --> 01:06:51,030

German part private pilot this this is

1536

01:06:48,909 --> 01:06:54,190

indeed what the United States does with

1537

01:06:51,030 --> 01:06:56,380

really every other nation on the on the

1538

01:06:54,190 --> 01:06:58,030

world other than the Russians and

1539

01:06:56,380 --> 01:07:01,180

Chinese and and the few nations that are

1540
01:06:58,030 --> 01:07:03,819
really outside of the US reach all of

1541
01:07:01,179 --> 01:07:07,299
South America anytime there's a South

1542
01:07:03,818 --> 01:07:08,800
American UFO situation if it's important

1543
01:07:07,300 --> 01:07:11,079
of the United States is on top of it and

1544
01:07:08,800 --> 01:07:13,599
they dominate it this also goes with

1545
01:07:11,079 --> 01:07:15,430
Europe and that is because the United

1546
01:07:13,599 --> 01:07:16,710
States national security intelligence

1547
01:07:15,429 --> 01:07:18,480
community

1548
01:07:16,710 --> 01:07:20,608
has their their tentacles their hooks

1549
01:07:18,480 --> 01:07:22,579
into all of those nations and and really

1550
01:07:20,608 --> 01:07:26,789
dominates them all the United States

1551
01:07:22,579 --> 01:07:28,829
does not allow true sovereignty to

1552
01:07:26,789 --> 01:07:32,369
really any other nation at least in

1553
01:07:28,829 --> 01:07:34,889
terms of its foreign relations and it

1554
01:07:32,369 --> 01:07:36,588
appears in terms of UFO policy the other

1555
01:07:34,889 --> 01:07:39,329
nations will have different levels of

1556
01:07:36,588 --> 01:07:41,549
Independence so for example the United

1557
01:07:39,329 --> 01:07:46,829
Kingdom Britain will have more leeway

1558
01:07:41,550 --> 01:07:51,450
clearly than say than Poland will these

1559
01:07:46,829 --> 01:07:53,279
days under US control or more than Chile

1560
01:07:51,449 --> 01:07:55,769
will or other nations but they all have

1561
01:07:53,280 --> 01:07:57,599
different levels of what they can like

1562
01:07:55,769 --> 01:08:00,420
they're allowed to do but in terms of

1563
01:07:57,599 --> 01:08:03,170
the UFO situation I have strongly felt

1564
01:08:00,420 --> 01:08:06,869
for years that the United States

1565
01:08:03,170 --> 01:08:08,880
dominates and really coordinates closely

1566
01:08:06,869 --> 01:08:10,608
with the intelligence agencies of all

1567
01:08:08,880 --> 01:08:13,230
the other nations that that is able to

1568

01:08:10,608 --> 01:08:15,179
BMD the German BND is actually an

1569
01:08:13,230 --> 01:08:16,770
American outlet you know that it used to

1570
01:08:15,179 --> 01:08:18,180
be that the American that the German

1571
01:08:16,770 --> 01:08:19,880
branch of the of the Central

1572
01:08:18,180 --> 01:08:22,739
Intelligence Agency

1573
01:08:19,880 --> 01:08:25,199
exactly it was founded you know anyway

1574
01:08:22,738 --> 01:08:27,509
so this is this is some kind of clue

1575
01:08:25,199 --> 01:08:30,479
that hints to the possibility that after

1576
01:08:27,509 --> 01:08:33,210
1991 Germany regained his official

1577
01:08:30,479 --> 01:08:36,329
sovereignty over its own airspace that

1578
01:08:33,210 --> 01:08:38,609
they that this situation that had lasted

1579
01:08:36,329 --> 01:08:42,000
for decades just had left a void and

1580
01:08:38,609 --> 01:08:44,819
that no ministry would be willing to

1581
01:08:42,000 --> 01:08:46,500
jump in on the responsibility and I

1582
01:08:44,819 --> 01:08:49,529

talked to that general and he told me

1583

01:08:46,500 --> 01:08:51,420

well if just imagine you know a ministry

1584

01:08:49,529 --> 01:08:54,330

if you've received some UFO inquiry

1585

01:08:51,420 --> 01:08:56,730

would you even touch it because there is

1586

01:08:54,329 --> 01:08:58,769

this regulation if you start to touch it

1587

01:08:56,729 --> 01:09:01,738

then you will have to to touch it again

1588

01:08:58,770 --> 01:09:04,500

so you will be responsible for it and

1589

01:09:01,738 --> 01:09:07,379

and there's also I mean no ministry

1590

01:09:04,500 --> 01:09:11,159

would ever touch the subject so if any

1591

01:09:07,380 --> 01:09:13,170

authority would be would be concerned

1592

01:09:11,159 --> 01:09:16,889

with the subject and it would be because

1593

01:09:13,170 --> 01:09:19,440

of the German Chancellor to to direct or

1594

01:09:16,890 --> 01:09:23,039

to order that ministry to take charge of

1595

01:09:19,439 --> 01:09:25,679

to take charge of that subject so he

1596

01:09:23,039 --> 01:09:27,750

said may very well be that and that's

1597
01:09:25,680 --> 01:09:29,700
general who worked in the German

1598
01:09:27,750 --> 01:09:30,639
Ministry of Defence fought for quite

1599
01:09:29,699 --> 01:09:33,519
some time he's

1600
01:09:30,639 --> 01:09:35,679
may very well be that Germany is just

1601
01:09:33,520 --> 01:09:39,279
the exception on the international level

1602
01:09:35,679 --> 01:09:41,920
because there's no ministry or any

1603
01:09:39,279 --> 01:09:46,150
authority that deals with UFOs however I

1604
01:09:41,920 --> 01:09:48,880
must add that I know that the German

1605
01:09:46,149 --> 01:09:51,698
MUFON Association there's a German

1606
01:09:48,880 --> 01:09:54,578
branch or a German let's call it cousin

1607
01:09:51,698 --> 01:09:57,279
of the of American MUFON MUFON see as

1608
01:09:54,578 --> 01:09:59,289
Central European section they have

1609
01:09:57,279 --> 01:10:00,670
actually they actually have a good

1610
01:09:59,289 --> 01:10:03,368
connection with the military and

1611
01:10:00,670 --> 01:10:06,340
whenever they receive a report on UFOs

1612
01:10:03,368 --> 01:10:12,569
they file an FOI a request and they have

1613
01:10:06,340 --> 01:10:17,139
a contact there and that contact they

1614
01:10:12,569 --> 01:10:19,808
sends them even radar plots and analysis

1615
01:10:17,139 --> 01:10:22,150
and stuff so they are very open he says

1616
01:10:19,809 --> 01:10:26,020
we can't complain at all about the

1617
01:10:22,149 --> 01:10:28,479
military hiding stuff from us it's

1618
01:10:26,020 --> 01:10:32,889
complete opposite now that's interesting

1619
01:10:28,479 --> 01:10:36,908
isn't it yes yes absolutely not not the

1620
01:10:32,889 --> 01:10:39,219
same way so I told you this general you

1621
01:10:36,908 --> 01:10:42,819
know we talked about this and then and

1622
01:10:39,219 --> 01:10:44,859
then he went on to say you know and and

1623
01:10:42,819 --> 01:10:48,039
by the way I also had my own sighting

1624
01:10:44,859 --> 01:10:50,589
and I said what do you mean and he said

1625

01:10:48,039 --> 01:10:55,000
well it was a long time ago in on

1626
01:10:50,590 --> 01:10:58,539
December in December of 1982 he was

1627
01:10:55,000 --> 01:11:03,219
working as a medical doctor at that time

1628
01:10:58,539 --> 01:11:05,229
in in his military capacity and he was

1629
01:11:03,219 --> 01:11:06,730
called on a rescue mission to save an

1630
01:11:05,229 --> 01:11:10,678
old man who had suffered a cardiac

1631
01:11:06,729 --> 01:11:14,828
arrest and in that specific region

1632
01:11:10,679 --> 01:11:17,260
that's in lower saxony i believe at that

1633
01:11:14,828 --> 01:11:19,118
time there were no medical emergency

1634
01:11:17,260 --> 01:11:21,340
helicopters available okay

1635
01:11:19,118 --> 01:11:23,109
civil medical emergency helicopters so

1636
01:11:21,340 --> 01:11:24,819
they they had a some kind of agreement

1637
01:11:23,109 --> 01:11:26,589
with the police that whenever something

1638
01:11:24,819 --> 01:11:31,960
would happen they were allowed to call

1639
01:11:26,590 --> 01:11:33,699

the military in and so and so they they

1640

01:11:31,960 --> 01:11:37,239

were called to assist with their search

1641

01:11:33,698 --> 01:11:39,308

and rescue helicopter and they flew

1642

01:11:37,238 --> 01:11:41,709

there it took him quite some time to

1643

01:11:39,309 --> 01:11:44,050

resuscitate that old man and they flew

1644

01:11:41,710 --> 01:11:46,210

him to a hospital in cellar

1645

01:11:44,050 --> 01:11:50,050

that's the name of that city and when

1646

01:11:46,210 --> 01:11:52,060

they arrived there the old man on the

1647

01:11:50,050 --> 01:11:54,670

bench he had another cardiac arrests and

1648

01:11:52,060 --> 01:11:56,230

the medics he said they started running

1649

01:11:54,670 --> 01:11:59,890

down the hallway with him and I was

1650

01:11:56,229 --> 01:12:02,439

completely exhausted and a nurse saw the

1651

01:11:59,890 --> 01:12:04,450

former general that he was so exhausted

1652

01:12:02,439 --> 01:12:07,899

and offered him a coffee and his

1653

01:12:04,449 --> 01:12:10,630

helicopter crew before they went on to

1654
01:12:07,899 --> 01:12:12,309
return through their base in Fastback at

1655
01:12:10,630 --> 01:12:14,590
the Fastback base where they were

1656
01:12:12,310 --> 01:12:16,780
stationed in NOAA Saxony and then

1657
01:12:14,590 --> 01:12:19,779
between midnight and 1:00 a.m. on

1658
01:12:16,779 --> 01:12:22,300
December 6 they jumped into the

1659
01:12:19,779 --> 01:12:25,119
helicopter again and flew back to their

1660
01:12:22,300 --> 01:12:26,260
base and the weather was very bad that

1661
01:12:25,119 --> 01:12:28,349
night mm-hmm

1662
01:12:26,260 --> 01:12:30,730
there were low clouds drizzling rain

1663
01:12:28,350 --> 01:12:33,490
their helicopter was flying at a low

1664
01:12:30,729 --> 01:12:36,429
altitude around 50 meters above surface

1665
01:12:33,489 --> 01:12:39,819
above ground surface around 20 meters

1666
01:12:36,430 --> 01:12:42,070
above the treetops very mm very low yes

1667
01:12:39,819 --> 01:12:43,779
yes very low very low I don't know why

1668
01:12:42,069 --> 01:12:44,289
that was maybe because of the wind or I

1669
01:12:43,779 --> 01:12:47,199
don't know

1670
01:12:44,289 --> 01:12:50,880
and then suddenly he says he noticed on

1671
01:12:47,199 --> 01:12:53,319
his left hand side some glowing clouds

1672
01:12:50,880 --> 01:12:54,970
lights in the clouds and he was

1673
01:12:53,319 --> 01:12:57,729
wondering why is it glowing in the

1674
01:12:54,970 --> 01:12:59,740
clouds and and he said it was a very

1675
01:12:57,729 --> 01:13:02,769
bright light it was comparable to that

1676
01:12:59,739 --> 01:13:04,869
of a spotlight in intensity but it had

1677
01:13:02,770 --> 01:13:07,530
had a quite different quality he

1678
01:13:04,869 --> 01:13:10,559
describes it us as a very bright green

1679
01:13:07,529 --> 01:13:13,719
whitish light which didn't hurt the eye

1680
01:13:10,560 --> 01:13:16,270
when he looked at it it was continuously

1681
01:13:13,720 --> 01:13:20,530
flowing he said it looked like water

1682

01:13:16,270 --> 01:13:24,160
from a spring it was nice to look at it

1683
01:13:20,529 --> 01:13:25,809
flew alongside them the did the distance

1684
01:13:24,159 --> 01:13:28,359
he said was difficult to ascertain he

1685
01:13:25,810 --> 01:13:29,770
said he estimated it around a hundred

1686
01:13:28,359 --> 01:13:31,839
meter distance but it was really

1687
01:13:29,770 --> 01:13:34,240
difficult because it was night there was

1688
01:13:31,840 --> 01:13:36,430
no sera reference points with me I was

1689
01:13:34,239 --> 01:13:38,319
just a light in the clouds only or did

1690
01:13:36,430 --> 01:13:40,510
it know that he's not know it was

1691
01:13:38,319 --> 01:13:42,759
initially it was in the cloud and then

1692
01:13:40,510 --> 01:13:46,840
it came out of the cloud and it was a

1693
01:13:42,760 --> 01:13:51,010
light ball a greenish whitish light pole

1694
01:13:46,840 --> 01:13:53,260
okay that very bright with very

1695
01:13:51,010 --> 01:13:55,210
different quality of light that he had

1696
01:13:53,260 --> 01:13:57,460

ever seen before that's what he insisted

1697

01:13:55,210 --> 01:13:59,680
on that it was very

1698

01:13:57,460 --> 01:14:02,890
range light something he had never seen

1699

01:13:59,680 --> 01:14:05,829
before and they were flying like a

1700

01:14:02,890 --> 01:14:09,520
hundred and 60 km/h so how much is that

1701

01:14:05,829 --> 01:14:10,359
is like eight Mario's about almost 100

1702

01:14:09,520 --> 01:14:13,120
miles per hour

1703

01:14:10,359 --> 01:14:15,130
yeah 90 something miles per hour and and

1704

01:14:13,119 --> 01:14:17,189
the pilot said to the on-board mechanic

1705

01:14:15,130 --> 01:14:20,230
guy who's flying there at this weather

1706

01:14:17,189 --> 01:14:21,399
and they all those there were four guys

1707

01:14:20,229 --> 01:14:22,959
on the helicopter and they were

1708

01:14:21,399 --> 01:14:25,420
wondering if this was some kind of

1709

01:14:22,960 --> 01:14:27,670
secret aircraft and they decided to call

1710

01:14:25,420 --> 01:14:30,310
the tower the air control tower of the

1711
01:14:27,670 --> 01:14:33,489
nearby airfield Langan hardened to check

1712
01:14:30,310 --> 01:14:34,989
whether they had any air traffic nearby

1713
01:14:33,488 --> 01:14:36,819
but the controller and said they only

1714
01:14:34,988 --> 01:14:37,718
had their helicopter on their screen and

1715
01:14:36,819 --> 01:14:40,059
nothing else

1716
01:14:37,719 --> 01:14:41,619
mm-hm and that strange light accompanied

1717
01:14:40,060 --> 01:14:44,289
the helicopter for about one or two

1718
01:14:41,619 --> 01:14:47,500
minutes and then suddenly the light

1719
01:14:44,289 --> 01:14:50,738
makes a sharp sharp right angle turn

1720
01:14:47,500 --> 01:14:53,140
towards the helicopter and and it shoots

1721
01:14:50,738 --> 01:14:55,109
at them at a great speed and they are

1722
01:14:53,140 --> 01:14:57,910
all shocked in the helicopter the pilot

1723
01:14:55,109 --> 01:15:00,519
tore the helicopter sharply down right

1724
01:14:57,909 --> 01:15:03,579
you know and when the light approached

1725
01:15:00,520 --> 01:15:06,730
helicopter when the light had approached

1726
01:15:03,579 --> 01:15:09,550
the helicopter at like ten meters or so

1727
01:15:06,729 --> 01:15:12,159
the general heard a static radio noise

1728
01:15:09,550 --> 01:15:13,779
on his headset and the onboard mechanic

1729
01:15:12,159 --> 01:15:16,119
screamed to the pilot watch out you

1730
01:15:13,779 --> 01:15:17,829
getting into the trees and then the

1731
01:15:16,119 --> 01:15:20,050
object changed its direction very

1732
01:15:17,829 --> 01:15:22,449
rapidly and shot upwards in the air

1733
01:15:20,050 --> 01:15:24,550
where it disappeared in another glowing

1734
01:15:22,449 --> 01:15:27,250
cloud and fortunately the helicopter

1735
01:15:24,550 --> 01:15:28,630
came to rest above a small lake in the

1736
01:15:27,250 --> 01:15:31,300
forest that had just happened to be

1737
01:15:28,630 --> 01:15:33,100
there where the pilot managed to

1738
01:15:31,300 --> 01:15:36,340
stabilize it and that actually that

1739

01:15:33,100 --> 01:15:38,260
saved their lives as I crashed into the

1740
01:15:36,340 --> 01:15:40,360
into the tree so this UFO sighting

1741
01:15:38,260 --> 01:15:42,909
actually almost caused the death of four

1742
01:15:40,359 --> 01:15:44,409
soldiers right they this is very similar

1743
01:15:42,909 --> 01:15:47,199
I want to hear the rest of it but just

1744
01:15:44,409 --> 01:15:49,359
people should know this is reminds me

1745
01:15:47,199 --> 01:15:52,359
there's a famous American case from

1746
01:15:49,359 --> 01:15:55,179
about a decade earlier from the fall of

1747
01:15:52,359 --> 01:15:59,289
1973 involving a u.s. pilot named

1748
01:15:55,180 --> 01:16:02,430
Lawrence Coyne co y and E and he - he

1749
01:15:59,289 --> 01:16:06,369
was a US military helicopter pilot had a

1750
01:16:02,430 --> 01:16:08,950
very dramatic encounter with a glowing

1751
01:16:06,369 --> 01:16:11,140
UFO that approached his helicopter and

1752
01:16:08,949 --> 01:16:12,460
they did all kinds of Alta

1753
01:16:11,140 --> 01:16:14,560

huge changes as well it was quite

1754

01:16:12,460 --> 01:16:16,689

dramatic and they nearly had some major

1755

01:16:14,560 --> 01:16:18,280

equipment malfunctions as well and this

1756

01:16:16,689 --> 01:16:20,019

is a German case now from you said

1757

01:16:18,279 --> 01:16:24,849

December 1982

1758

01:16:20,020 --> 01:16:26,770

yes December 6 1982 so go on this is

1759

01:16:24,850 --> 01:16:29,800

fascinating and so they kept hovering

1760

01:16:26,770 --> 01:16:32,020

over that little lake in the forest for

1761

01:16:29,800 --> 01:16:34,090

a couple of minutes first of all you

1762

01:16:32,020 --> 01:16:36,330

know to come clean with what they've

1763

01:16:34,090 --> 01:16:38,739

just experienced and then also to see

1764

01:16:36,329 --> 01:16:40,840

whether the light would return and they

1765

01:16:38,739 --> 01:16:43,359

also contacted the airfield Longin hang

1766

01:16:40,840 --> 01:16:45,010

again to verify if there really was no

1767

01:16:43,359 --> 01:16:47,409

other traffic in the area but the

1768
01:16:45,010 --> 01:16:50,050
controller there insisted that the

1769
01:16:47,409 --> 01:16:52,359
helicopter there was the only radar

1770
01:16:50,050 --> 01:16:54,489
returned in the in the area and he added

1771
01:16:52,359 --> 01:16:56,170
but we just saw you flying a strange

1772
01:16:54,489 --> 01:16:59,829
maneuver what was that but they didn't

1773
01:16:56,170 --> 01:17:02,440
answer and after a while they continued

1774
01:16:59,829 --> 01:17:04,569
their flight back to Fastback base and

1775
01:17:02,439 --> 01:17:05,979
the weather was so bad they had to open

1776
01:17:04,569 --> 01:17:09,279
the door for landing so it was really

1777
01:17:05,979 --> 01:17:11,049
bad weather at that time and this

1778
01:17:09,279 --> 01:17:12,880
general he's still after so many years

1779
01:17:11,050 --> 01:17:15,970
he was still so impressed by what he

1780
01:17:12,880 --> 01:17:17,800
seen he said to me this light it

1781
01:17:15,970 --> 01:17:20,650
demonstrated such an incredible

1782
01:17:17,800 --> 01:17:23,289
maneuverability way beyond anything I've

1783
01:17:20,649 --> 01:17:25,869
seen before mass inertia law didn't seem

1784
01:17:23,289 --> 01:17:28,449
to apply to it because it made this

1785
01:17:25,869 --> 01:17:31,809
sharp angle turn towards them and then

1786
01:17:28,449 --> 01:17:34,269
shut off at a great rate of speed

1787
01:17:31,810 --> 01:17:37,990
just up in the sky you know did that

1788
01:17:34,270 --> 01:17:41,110
like no mass inertia it's really weird

1789
01:17:37,989 --> 01:17:42,639
and he said there were no he said I'm

1790
01:17:41,109 --> 01:17:45,539
not sure if this was a solid object

1791
01:17:42,640 --> 01:17:48,100
after at all and there were no physical

1792
01:17:45,539 --> 01:17:49,739
interferences with the helicopter like

1793
01:17:48,100 --> 01:17:52,510
instruments going crazy or anything

1794
01:17:49,739 --> 01:17:54,670
besides of the static on the radio but

1795
01:17:52,510 --> 01:17:56,739
after the landing the four men talked

1796

01:17:54,670 --> 01:17:58,810
about the incident and they decided they

1797
01:17:56,739 --> 01:18:01,029
would not report it for fear of losing

1798
01:17:58,810 --> 01:18:03,340
their good reputations and flight

1799
01:18:01,029 --> 01:18:05,199
license oh yes and and he kept this

1800
01:18:03,340 --> 01:18:09,430
incident for himself for many decades

1801
01:18:05,199 --> 01:18:12,939
until around 2012 or so he read the

1802
01:18:09,430 --> 01:18:15,310
French cometa report which is a UFOs and

1803
01:18:12,939 --> 01:18:17,289
the defense what do we have to prepare

1804
01:18:15,310 --> 01:18:19,720
for something that's the title it's

1805
01:18:17,289 --> 01:18:21,850
interesting and and there therein he

1806
01:18:19,720 --> 01:18:23,920
found sightings reports from from other

1807
01:18:21,850 --> 01:18:24,820
pilots who had seen similar light balls

1808
01:18:23,920 --> 01:18:26,529
and that

1809
01:18:24,819 --> 01:18:28,840
really shook him you know and it and it

1810
01:18:26,529 --> 01:18:31,359

really got him to the point where he

1811

01:18:28,840 --> 01:18:33,909

said okay now I have to go and report

1812

01:18:31,359 --> 01:18:38,170

this so at least the the sighting will

1813

01:18:33,909 --> 01:18:40,420

be recorded somewhere and so he went

1814

01:18:38,170 --> 01:18:43,840

public with his sighting but anonymously

1815

01:18:40,420 --> 01:18:47,859

he just provided the data to a certain

1816

01:18:43,840 --> 01:18:49,360

UFO organization and and and he talked

1817

01:18:47,859 --> 01:18:52,210

to me personally but of course I cannot

1818

01:18:49,359 --> 01:18:54,339

reveal his his identity which is the

1819

01:18:52,210 --> 01:18:57,609

city of course I told him you know this

1820

01:18:54,340 --> 01:18:59,260

is exactly the case of the type of cases

1821

01:18:57,609 --> 01:19:02,289

that we would need like military

1822

01:18:59,260 --> 01:19:07,270

Encounters of the German military to

1823

01:19:02,289 --> 01:19:09,189

convince other witnesses to come forward

1824

01:19:07,270 --> 01:19:11,740

with their own reports so that this

1825
01:19:09,189 --> 01:19:14,319
whole subject gets against the

1826
01:19:11,739 --> 01:19:19,269
credibility it actually has but because

1827
01:19:14,319 --> 01:19:21,639
people are fearing ridicule it's real

1828
01:19:19,270 --> 01:19:24,120
and and disadvantages for their career

1829
01:19:21,640 --> 01:19:28,000
they just won't go public so there are

1830
01:19:24,119 --> 01:19:32,260
those Close Encounters in the German

1831
01:19:28,000 --> 01:19:35,380
military as well but of course not no

1832
01:19:32,260 --> 01:19:36,880
faces no names you know that since

1833
01:19:35,380 --> 01:19:38,920
that's the cases are there that's a

1834
01:19:36,880 --> 01:19:41,980
fascinating case Robert thank you it is

1835
01:19:38,920 --> 01:19:43,899
describing it if you're on good enough

1836
01:19:41,979 --> 01:19:47,619
terms of this general perhaps he might

1837
01:19:43,899 --> 01:19:49,659
agree to writing you a private little

1838
01:19:47,619 --> 01:19:51,519
affidavit where he can sign and I don't

1839
01:19:49,659 --> 01:19:54,069
know how old he is but perhaps after his

1840
01:19:51,520 --> 01:19:55,810
after his death he might give you

1841
01:19:54,069 --> 01:20:01,239
permission to publicize it but that's a

1842
01:19:55,810 --> 01:20:05,800
whole other issue still has many healthy

1843
01:20:01,239 --> 01:20:07,300
years and I'm just trying to think of

1844
01:20:05,800 --> 01:20:09,489
all the possibilities here because he

1845
01:20:07,300 --> 01:20:12,550
clearly doesn't want the information out

1846
01:20:09,489 --> 01:20:14,050
while he's alive so yeah but anyway

1847
01:20:12,550 --> 01:20:16,449
that's a fascinating story and it's also

1848
01:20:14,050 --> 01:20:21,640
December 1982 I think you said this was

1849
01:20:16,449 --> 01:20:25,000
during the four years that the that the

1850
01:20:21,640 --> 01:20:27,310
German intelligence was monitoring UFOs

1851
01:20:25,000 --> 01:20:30,310
over the inner German border now Saxony

1852
01:20:27,310 --> 01:20:32,560
I think is not quite at that in that

1853

01:20:30,310 --> 01:20:34,750
border well it is actually actually it

1854
01:20:32,560 --> 01:20:36,550
is it is not so far from the inner

1855
01:20:34,750 --> 01:20:38,529
German it's not so far all day they were

1856
01:20:36,550 --> 01:20:41,590
in the inside this

1857
01:20:38,529 --> 01:20:43,750
no fly zone for German aircraft with

1858
01:20:41,590 --> 01:20:45,610
their base this would conceivably be

1859
01:20:43,750 --> 01:20:48,399
something that maybe they will have they

1860
01:20:45,609 --> 01:20:50,259
would have recorded no but but it was

1861
01:20:48,399 --> 01:20:52,599
never recorded because they never made

1862
01:20:50,260 --> 01:20:55,150
they never filed an official report on

1863
01:20:52,600 --> 01:20:57,850
their on their sighting because they

1864
01:20:55,149 --> 01:21:00,250
were fearing you know they were afraid

1865
01:20:57,850 --> 01:21:02,440
of ridicule and disadvantages for their

1866
01:21:00,250 --> 01:21:05,140
career and and also for the flight

1867
01:21:02,439 --> 01:21:06,699

license you know he said he said at that

1868

01:21:05,140 --> 01:21:09,250
time you know it's it's a lot about

1869

01:21:06,699 --> 01:21:11,769
standing that you have as a pilot you

1870

01:21:09,250 --> 01:21:14,020
know and then if people come and say oh

1871

01:21:11,770 --> 01:21:17,170
this is the guy who's had this weird

1872

01:21:14,020 --> 01:21:19,240
sighting well we'll we'll better not

1873

01:21:17,170 --> 01:21:21,520
choose him for that specific mission

1874

01:21:19,239 --> 01:21:24,340
this is the same around the world this

1875

01:21:21,520 --> 01:21:27,640
was and I mean this was I guess this was

1876

01:21:24,340 --> 01:21:30,010
before he he went on to become a general

1877

01:21:27,640 --> 01:21:32,140
to have you know to have the rank of a

1878

01:21:30,010 --> 01:21:34,180
general so I assumed he would have never

1879

01:21:32,140 --> 01:21:38,710
become a general if he'd had told this

1880

01:21:34,180 --> 01:21:40,570
you know to anybody well Robert we're at

1881

01:21:38,710 --> 01:21:42,250
the bottom of the hour do you realize

1882
01:21:40,569 --> 01:21:44,799
we've gone through three fascinating

1883
01:21:42,250 --> 01:21:48,579
segments and we still want to talk about

1884
01:21:44,800 --> 01:21:51,460
a couple of very interesting recent UFO

1885
01:21:48,579 --> 01:21:55,630
incidents in Germany and also you were

1886
01:21:51,460 --> 01:21:58,930
investigating the French drone UFO

1887
01:21:55,630 --> 01:22:00,159
situation of 2014 and I think people

1888
01:21:58,930 --> 01:22:01,630
would really like to hear about that so

1889
01:22:00,159 --> 01:22:04,210
how about when we come back come back

1890
01:22:01,630 --> 01:22:06,159
after the break we discussed the Bremen

1891
01:22:04,210 --> 01:22:09,850
Airport incident I think you said that's

1892
01:22:06,159 --> 01:22:12,579
in 2010 yes and 114 oh yeah oh 2014 my

1893
01:22:09,850 --> 01:22:13,840
mistake and then the French situation as

1894
01:22:12,579 --> 01:22:16,869
well because you actually done some

1895
01:22:13,840 --> 01:22:18,819
detailed investigation of that so I'm

1896
01:22:16,869 --> 01:22:21,099
Richard Olin here this is kgr a radio

1897
01:22:18,819 --> 01:22:23,170
we're listening to german journalist

1898
01:22:21,100 --> 01:22:25,450
robert de Fleischer and Roberts websites

1899
01:22:23,170 --> 01:22:28,750
incidentally he's got two of them one is

1900
01:22:25,449 --> 01:22:30,189
XO magazine TV that's XO magazine

1901
01:22:28,750 --> 01:22:33,909
without the e if you're an English

1902
01:22:30,189 --> 01:22:37,029
speaker dot TV and XO politic with a K

1903
01:22:33,909 --> 01:22:39,729
dot org is that correct Robert yes it is

1904
01:22:37,029 --> 01:22:42,880
yeah and Robert is the founder of XO

1905
01:22:39,729 --> 01:22:46,209
politics Germany is the founder of XO

1906
01:22:42,880 --> 01:22:48,819
magazine TV as well these are both very

1907
01:22:46,210 --> 01:22:51,550
active and I encourage you to go check

1908
01:22:48,819 --> 01:22:52,299
out his websites we can learn more about

1909
01:22:51,550 --> 01:22:54,279
what's going on

1910

01:22:52,300 --> 01:22:56,019
and if you speak German of course if you

1911
01:22:54,279 --> 01:22:57,788
speak German well if you've got a good

1912
01:22:56,019 --> 01:23:00,369
translator on your website you might be

1913
01:22:57,788 --> 01:23:02,649
able to hack your way through it as I do

1914
01:23:00,368 --> 01:23:05,589
sometimes with foreign language websites

1915
01:23:02,649 --> 01:23:07,839
it's the best that I can do Google has

1916
01:23:05,590 --> 01:23:10,119
their little translating thing on their

1917
01:23:07,840 --> 01:23:12,880
browser so I actually make a lot of use

1918
01:23:10,118 --> 01:23:14,009
of that when I can it's it's not perfect

1919
01:23:12,880 --> 01:23:16,059
but what can you do

1920
01:23:14,010 --> 01:23:18,130
there's the better one there's a better

1921
01:23:16,059 --> 01:23:21,809
one it's called deep Elcom it's a German

1922
01:23:18,130 --> 01:23:25,029
company I'll like deep learning deep

1923
01:23:21,809 --> 01:23:26,889
Elcom oh go and use that one it's so

1924
01:23:25,029 --> 01:23:27,788

much better than google translator oh

1925

01:23:26,889 --> 01:23:31,868

that's great to know

1926

01:23:27,788 --> 01:23:33,248

deep Elcom thank you Robert yeah well as

1927

01:23:31,868 --> 01:23:34,359

well but anyway we'll be back right

1928

01:23:33,248 --> 01:23:37,569

after this

1929

01:23:34,359 --> 01:23:39,578

on K GRE radio stick around we're back

1930

01:23:37,569 --> 01:23:42,038

I'm Richard Dolan here with German

1931

01:23:39,578 --> 01:23:45,149

journalist Robert Fleischer Robert there

1932

01:23:42,038 --> 01:23:48,179

has been there have been a few UFO

1933

01:23:45,149 --> 01:23:50,788

incidents in recent years that you have

1934

01:23:48,179 --> 01:23:53,139

investigated in Germany and in France

1935

01:23:50,788 --> 01:23:57,219

can we start by talking about the

1936

01:23:53,139 --> 01:23:58,719

incident at the Bremen Airport in 2014

1937

01:23:57,219 --> 01:24:01,328

if you would describe where Bremen is

1938

01:23:58,719 --> 01:24:04,319

and what exactly happened yes Bremen is

1939
01:24:01,328 --> 01:24:07,808
right in top North and corner of Germany

1940
01:24:04,319 --> 01:24:11,198
next to the Danish border in fact and

1941
01:24:07,809 --> 01:24:16,690
that was that's a relatively small

1942
01:24:11,198 --> 01:24:24,129
airport and on January 2 2014 at around

1943
01:24:16,689 --> 01:24:25,868
6 6 a.m. on over 6 p.m. the air traffic

1944
01:24:24,130 --> 01:24:28,420
controller in the control tower of

1945
01:24:25,868 --> 01:24:31,238
Bremen Airport he noticed the strange

1946
01:24:28,420 --> 01:24:33,969
signal on his primary radar and it

1947
01:24:31,238 --> 01:24:37,178
indicated an object around 3 nautical

1948
01:24:33,969 --> 01:24:39,698
miles that's 5.5 kilometers south of the

1949
01:24:37,179 --> 01:24:43,389
runway and the air traffic controller

1950
01:24:39,698 --> 01:24:46,719
then sees the object visually from the

1951
01:24:43,389 --> 01:24:48,670
tower without binoculars and it seems to

1952
01:24:46,719 --> 01:24:50,559
have normal red and green position

1953
01:24:48,670 --> 01:24:53,170
lights he says and a landing light on

1954
01:24:50,559 --> 01:24:54,880
each site but since the object is

1955
01:24:53,170 --> 01:24:58,359
located near the approach zone of the

1956
01:24:54,880 --> 01:25:02,260
airport the Lufthansa and a Lufthansa

1957
01:24:58,359 --> 01:25:04,389
aircraft coming from Munich is asked to

1958
01:25:02,260 --> 01:25:05,619
about the landing procedure and then to

1959
01:25:04,389 --> 01:25:08,710
restart

1960
01:25:05,619 --> 01:25:10,329
and the the pilot told us that we are on

1961
01:25:08,710 --> 01:25:12,279
a collision course with a helicopter

1962
01:25:10,329 --> 01:25:14,619
that flies unlit and below the radar

1963
01:25:12,279 --> 01:25:16,960
recalls one of the passengers on board

1964
01:25:14,619 --> 01:25:19,210
of that flight in an interview with a

1965
01:25:16,960 --> 01:25:22,739
German newspaper and then what's

1966
01:25:19,210 --> 01:25:25,899
interesting this this plan this plane

1967

01:25:22,739 --> 01:25:28,389
has to take off twice the air traffic

1968
01:25:25,899 --> 01:25:32,109
control decides to reroute it to another

1969
01:25:28,390 --> 01:25:34,060
Airport and for safety reasons the air

1970
01:25:32,109 --> 01:25:37,599
traffic will be completely suspended for

1971
01:25:34,060 --> 01:25:39,700
15 minutes the air traffic controller in

1972
01:25:37,600 --> 01:25:43,420
the control room observes the object for

1973
01:25:39,699 --> 01:25:45,489
several minutes as it moves 3.5 nautical

1974
01:25:43,420 --> 01:25:48,130
miles south of the Weiser

1975
01:25:45,489 --> 01:25:49,899
River from the final approach area of

1976
01:25:48,130 --> 01:25:53,050
the airport and apparently along the

1977
01:25:49,899 --> 01:25:55,210
railway wrote to the Razr okay the thing

1978
01:25:53,050 --> 01:25:58,119
is then he loses it out of sight he

1979
01:25:55,210 --> 01:26:00,399
loses a side contact to the object

1980
01:25:58,119 --> 01:26:04,059
that's according to the press officer of

1981
01:26:00,399 --> 01:26:08,199

the air traffic control in in Bremen the

1982

01:26:04,060 --> 01:26:10,360

object at 6:00 at 6:30 p.m. returns

1983

01:26:08,199 --> 01:26:12,340

mm-hmm the air traffic controller has

1984

01:26:10,359 --> 01:26:16,329

visual contact contact again and now

1985

01:26:12,340 --> 01:26:17,980

it's located above a hospital and the

1986

01:26:16,329 --> 01:26:21,550

air traffic controller notifies the

1987

01:26:17,979 --> 01:26:25,719

police and police immediately alerts

1988

01:26:21,550 --> 01:26:29,529

patrol cars that are in the area around

1989

01:26:25,720 --> 01:26:31,659

that time police officers see a strange

1990

01:26:29,529 --> 01:26:33,880

flying object in the area of a country

1991

01:26:31,659 --> 01:26:36,789

of the Cathedral of the Visa Stadium

1992

01:26:33,880 --> 01:26:39,400

they describe it as very bright about

1993

01:26:36,789 --> 01:26:42,010

the size of a helicopter they estimate

1994

01:26:39,399 --> 01:26:44,859

the altitude of about 300 to 400 meters

1995

01:26:42,010 --> 01:26:46,600

and the officers assume that the object

1996
01:26:44,859 --> 01:26:49,509
is about to return to the airport and

1997
01:26:46,600 --> 01:26:51,579
notify air traffic control and they

1998
01:26:49,510 --> 01:26:52,600
cancel the plan take off of another

1999
01:26:51,579 --> 01:26:56,710
airplane

2000
01:26:52,600 --> 01:27:02,200
scheduled for 6:00 for like five minutes

2001
01:26:56,710 --> 01:27:04,659
to 7:00 p.m. the brain police also asks

2002
01:27:02,199 --> 01:27:07,899
an helicopter squadron from lower saxony

2003
01:27:04,659 --> 01:27:12,720
to to search for the unidentified flying

2004
01:27:07,899 --> 01:27:15,909
object and now it gets interesting this

2005
01:27:12,720 --> 01:27:18,070
police patrol car gets visual contact to

2006
01:27:15,909 --> 01:27:19,359
the unknown flying object in the area of

2007
01:27:18,069 --> 01:27:22,779
Lake Verret

2008
01:27:19,359 --> 01:27:27,029
and the police helicopter from Lower

2009
01:27:22,779 --> 01:27:29,289
Saxony is on site at 7:30 p.m. and

2010
01:27:27,029 --> 01:27:31,779
supports the Bremen officials in their

2011
01:27:29,289 --> 01:27:34,750
search for the flying object but they

2012
01:27:31,779 --> 01:27:37,599
find nothing however the pilot of the

2013
01:27:34,750 --> 01:27:40,600
police helicopter later explains to a

2014
01:27:37,600 --> 01:27:41,800
newspaper we saw something but were not

2015
01:27:40,600 --> 01:27:44,409
sure what it was

2016
01:27:41,800 --> 01:27:46,570
the helicopter was very well equipped

2017
01:27:44,408 --> 01:27:48,759
with night-vision goggles and thermal

2018
01:27:46,569 --> 01:27:50,500
imaging equipment but there they say

2019
01:27:48,760 --> 01:27:53,310
there was a lot of light above the city

2020
01:27:50,500 --> 01:27:57,368
center and we had no height information

2021
01:27:53,310 --> 01:27:59,889
in a couple of minutes later like nine

2022
01:27:57,368 --> 01:28:02,799
minutes to 9:00 p.m. the police

2023
01:27:59,889 --> 01:28:05,260
helicopter reports the sighting of an

2024

01:28:02,800 --> 01:28:08,500
unlit flying object to the air traffic

2025
01:28:05,260 --> 01:28:10,869
control in unlit flying object and you

2026
01:28:08,500 --> 01:28:12,880
know without light yes yes yeah the air

2027
01:28:10,868 --> 01:28:15,118
traffic controllers then instruct

2028
01:28:12,880 --> 01:28:18,520
another aircraft coming in from Paris

2029
01:28:15,118 --> 01:28:20,349
that's already on its final approach to

2030
01:28:18,520 --> 01:28:23,889
the airport to abort the landing and

2031
01:28:20,350 --> 01:28:28,570
take off and that plane will later land

2032
01:28:23,889 --> 01:28:30,609
safely in Bremen and then like five

2033
01:28:28,569 --> 01:28:33,189
minutes to 9:00 p.m. the police

2034
01:28:30,609 --> 01:28:37,799
helicopter stops its search for the

2035
01:28:33,189 --> 01:28:41,259
unidentified flying objects and the

2036
01:28:37,800 --> 01:28:42,810
distance that this object has traveled

2037
01:28:41,260 --> 01:28:47,469
in the meantime has later been

2038
01:28:42,810 --> 01:28:49,810

calculated and in summary it few quite a

2039

01:28:47,469 --> 01:28:52,239

bit in the air it was sometimes

2040

01:28:49,810 --> 01:28:55,330

enlightened some sometimes not there

2041

01:28:52,238 --> 01:28:59,049

wasn't always visual contact and also

2042

01:28:55,329 --> 01:29:02,380

the the appearance described by several

2043

01:28:59,050 --> 01:29:05,260

witnesses is quite different it's not

2044

01:29:02,380 --> 01:29:08,289

it's not navigation lights in every

2045

01:29:05,260 --> 01:29:12,610

single case you know so this was really

2046

01:29:08,289 --> 01:29:15,488

difficult to difficult sighting for also

2047

01:29:12,609 --> 01:29:18,299

for the airspace security at the airport

2048

01:29:15,488 --> 01:29:23,049

and in the middle of the nights on

2049

01:29:18,300 --> 01:29:26,909

January 7 the UFO German UFO database

2050

01:29:23,050 --> 01:29:29,980

that's a website for - Dayton Banque de

2051

01:29:26,908 --> 01:29:32,319

they have a website where you can report

2052

01:29:29,979 --> 01:29:32,859

UFO incidents and they receive a

2053
01:29:32,319 --> 01:29:35,920
sighting

2054
01:29:32,859 --> 01:29:40,689
report directly from an employee of the

2055
01:29:35,920 --> 01:29:43,630
Bremen airport they don't you know

2056
01:29:40,689 --> 01:29:46,238
nobody knows who he is but he says more

2057
01:29:43,630 --> 01:29:50,079
than 10 witnesses observed a UFO between

2058
01:29:46,238 --> 01:29:52,118
6:30 and 9:30 p.m. unknown flying object

2059
01:29:50,079 --> 01:29:54,519
on the radar temporary closure of

2060
01:29:52,118 --> 01:29:57,549
airspace flights had to be rerouted

2061
01:29:54,520 --> 01:30:01,330
helicopter search searched the sky above

2062
01:29:57,550 --> 01:30:05,260
Bremen no one knows who that person is

2063
01:30:01,329 --> 01:30:09,130
who filed that that report but it's

2064
01:30:05,260 --> 01:30:10,929
really an interesting case because there

2065
01:30:09,130 --> 01:30:13,150
were so many contradictions afterwards

2066
01:30:10,929 --> 01:30:15,760
you would know was it a real radar

2067
01:30:13,149 --> 01:30:19,000
contact or not in the first press

2068
01:30:15,760 --> 01:30:22,840
release the reputation

2069
01:30:19,000 --> 01:30:26,109
use out a news agency German press

2070
01:30:22,840 --> 01:30:28,690
agency DPR they said that it a fish that

2071
01:30:26,109 --> 01:30:31,420
it appeared on the radar screen and

2072
01:30:28,689 --> 01:30:34,509
later on they withdrew that statement

2073
01:30:31,420 --> 01:30:36,429
and said no it didn't and so it was

2074
01:30:34,510 --> 01:30:38,829
really not clear whether it appeared

2075
01:30:36,429 --> 01:30:41,020
there or not and the chief press officer

2076
01:30:38,829 --> 01:30:45,010
of the German air traffic control said

2077
01:30:41,020 --> 01:30:51,610
well it was only visible within 2 radar

2078
01:30:45,010 --> 01:30:53,889
rounds so in that they did get something

2079
01:30:51,609 --> 01:30:55,839
on the radar but they wouldn't speak of

2080
01:30:53,889 --> 01:30:58,329
it as a radar contact that's how they

2081

01:30:55,840 --> 01:31:00,039
said it the object as such was not

2082
01:30:58,329 --> 01:31:04,479
located on the radar according to our

2083
01:31:00,039 --> 01:31:07,689
standards but it they saw it visually

2084
01:31:04,479 --> 01:31:09,488
but they got and they did above the the

2085
01:31:07,689 --> 01:31:11,559
the airport and you said and then

2086
01:31:09,488 --> 01:31:13,419
described as the size roughly of a

2087
01:31:11,560 --> 01:31:18,820
helicopter so I would think that would

2088
01:31:13,420 --> 01:31:21,219
rule out excuse me um like commercial

2089
01:31:18,819 --> 01:31:24,719
drone yes that ordinary people would

2090
01:31:21,219 --> 01:31:29,198
have this is really quite large yes and

2091
01:31:24,719 --> 01:31:31,600
and and that's also you know interesting

2092
01:31:29,198 --> 01:31:33,368
how the German press reacted after after

2093
01:31:31,600 --> 01:31:37,600
this incident because now suddenly you

2094
01:31:33,368 --> 01:31:40,630
have like a serious UFO encounter in

2095
01:31:37,600 --> 01:31:43,750

above a German Airport yes

2096

01:31:40,630 --> 01:31:46,989

UFO in the in the real meaning of the

2097

01:31:43,750 --> 01:31:49,389

term unidentified flying object you know

2098

01:31:46,988 --> 01:31:51,129

and then day suddenly you know it's so

2099

01:31:49,389 --> 01:31:51,788

it's so severe that they even have to

2100

01:31:51,130 --> 01:31:54,099

interrupt

2101

01:31:51,788 --> 01:31:56,639

air traffic for for a couple of minutes

2102

01:31:54,099 --> 01:31:59,260

they have to reroute planes to other

2103

01:31:56,639 --> 01:32:04,359

well and and in airports

2104

01:31:59,260 --> 01:32:07,360

danger to at least one aircraft yes so

2105

01:32:04,359 --> 01:32:10,268

what the landing procedure during this

2106

01:32:07,359 --> 01:32:13,149

so so so what's interesting if the

2107

01:32:10,269 --> 01:32:15,880

German media is suddenly confronted with

2108

01:32:13,149 --> 01:32:17,888

a UFO case that's that's you know stuff

2109

01:32:15,880 --> 01:32:20,019

that you usually only hear from China or

2110
01:32:17,889 --> 01:32:23,739
whatever you know and we certainly have

2111
01:32:20,019 --> 01:32:25,630
it at your at your doorstep you know and

2112
01:32:23,738 --> 01:32:28,448
now it was really interesting to watch

2113
01:32:25,630 --> 01:32:30,760
how they would react and the first

2114
01:32:28,448 --> 01:32:33,939
reaction was that well there was at that

2115
01:32:30,760 --> 01:32:37,869
time there was a skeptic from a known

2116
01:32:33,939 --> 01:32:41,710
UFO researcher known to be a skeptic but

2117
01:32:37,868 --> 01:32:44,408
skeptic skeptic you know who had a good

2118
01:32:41,710 --> 01:32:46,359
good connections to the media and and he

2119
01:32:44,408 --> 01:32:49,000
said well this was most certainly only

2120
01:32:46,359 --> 01:32:52,328
what we call a radar angel which is like

2121
01:32:49,000 --> 01:32:55,149
some sort of irani erroneous radar

2122
01:32:52,328 --> 01:32:57,250
return that reflects from a house or a

2123
01:32:55,149 --> 01:32:59,170
tree or something and sometimes that

2124
01:32:57,250 --> 01:33:01,599
shows up and that's what we call radar

2125
01:32:59,170 --> 01:33:03,639
angel that must have been that even

2126
01:33:01,599 --> 01:33:05,500
though they said they saw it visually

2127
01:33:03,639 --> 01:33:06,880
you know but still you know the German

2128
01:33:05,500 --> 01:33:09,189
media you know they didn't care they

2129
01:33:06,880 --> 01:33:13,630
reported okay case closed

2130
01:33:09,189 --> 01:33:17,259
it was only erroneous radar signal then

2131
01:33:13,630 --> 01:33:18,788
the spokesperson of the German air

2132
01:33:17,260 --> 01:33:24,610
traffic control said no no it was also

2133
01:33:18,788 --> 01:33:27,009
seen visually and and also the we later

2134
01:33:24,609 --> 01:33:31,808
found out the helicopter crew they saw

2135
01:33:27,010 --> 01:33:35,320
an object that was unlit an unlit object

2136
01:33:31,809 --> 01:33:36,639
that they that they that they discovered

2137
01:33:35,319 --> 01:33:39,210
but they couldn't find out what it was

2138

01:33:36,639 --> 01:33:43,510
they could you know they just saw it for

2139
01:33:39,210 --> 01:33:47,710
for a short term and I and I asked the

2140
01:33:43,510 --> 01:33:49,889
police spokesman how exactly did the

2141
01:33:47,710 --> 01:33:53,469
helicopter crew describe the object

2142
01:33:49,889 --> 01:33:55,359
since they say did this unlit object

2143
01:33:53,469 --> 01:33:57,130
forced the air-traffic control to stop

2144
01:33:55,359 --> 01:33:59,380
the landing of an incoming craft so it

2145
01:33:57,130 --> 01:34:00,449
must have been something right and he

2146
01:33:59,380 --> 01:34:02,219
said we are not coming

2147
01:34:00,448 --> 01:34:04,738
on this this is the subject of ongoing

2148
01:34:02,219 --> 01:34:07,050
criminal proceedings

2149
01:34:04,738 --> 01:34:08,488
so it's interesting you know there's

2150
01:34:07,050 --> 01:34:14,130
something that they don't say what it is

2151
01:34:08,488 --> 01:34:17,549
the later on the couple of days later on

2152
01:34:14,130 --> 01:34:19,949

January 21st the Bremen police and the

2153

01:34:17,550 --> 01:34:23,520

public prosecutor present their findings

2154

01:34:19,948 --> 01:34:28,109

about the UFO on at the Bremen Airport

2155

01:34:23,520 --> 01:34:30,600

and their actual investigation results

2156

01:34:28,109 --> 01:34:33,029

are just nothing you know they're more

2157

01:34:30,600 --> 01:34:35,940

focused on what it was not you know they

2158

01:34:33,029 --> 01:34:38,460

say they evaluated more than 50 tips and

2159

01:34:35,939 --> 01:34:40,769

various witness interviews and the

2160

01:34:38,460 --> 01:34:43,500

police assesses the situation as follows

2161

01:34:40,770 --> 01:34:45,510

some citizens may have observed and

2162

01:34:43,500 --> 01:34:51,170

described the police helicopter used

2163

01:34:45,510 --> 01:34:56,070

that is true some citizens did but the

2164

01:34:51,170 --> 01:35:01,079

they say it must have been a drone they

2165

01:34:56,069 --> 01:35:03,689

say the still unknown operator of the

2166

01:35:01,079 --> 01:35:05,429

unidentified flying object is likely to

2167
01:35:03,689 --> 01:35:08,460
come from the model aircraft or

2168
01:35:05,429 --> 01:35:10,679
multicopter seen the device was probably

2169
01:35:08,460 --> 01:35:16,710
steered by a professional hobby model

2170
01:35:10,679 --> 01:35:18,840
airplane from was the device was

2171
01:35:16,710 --> 01:35:20,609
probably a professionally hobby model

2172
01:35:18,840 --> 01:35:22,619
airplane that was steered from a

2173
01:35:20,609 --> 01:35:24,839
computer at the desk or from the open

2174
01:35:22,619 --> 01:35:26,550
countryside which is technically

2175
01:35:24,840 --> 01:35:28,469
feasible under certain certain

2176
01:35:26,550 --> 01:35:30,449
circumstances but was it really so

2177
01:35:28,469 --> 01:35:34,890
because we remember the police is

2178
01:35:30,448 --> 01:35:38,849
unaware they they saw something an unlit

2179
01:35:34,890 --> 01:35:40,619
object they stopped the they stopped air

2180
01:35:38,850 --> 01:35:42,960
traffic for quite some time

2181
01:35:40,619 --> 01:35:46,500
you know and they didn't fine and you

2182
01:35:42,960 --> 01:35:48,210
know they said we suspect we suspect the

2183
01:35:46,500 --> 01:35:50,969
unknown operator to come from the

2184
01:35:48,210 --> 01:35:53,369
multicopter scene from the model

2185
01:35:50,969 --> 01:35:55,619
aircraft or multicopter scene but for

2186
01:35:53,369 --> 01:35:57,689
the german media case is closed again

2187
01:35:55,619 --> 01:36:00,479
you know you suddenly you have news

2188
01:35:57,689 --> 01:36:03,119
reports popping up saying case closed

2189
01:36:00,479 --> 01:36:05,969
it was a drone we are sure police says

2190
01:36:03,119 --> 01:36:07,960
we assure it was a drone explained

2191
01:36:05,970 --> 01:36:09,909
wherever you go and we're gonna get to

2192
01:36:07,960 --> 01:36:12,069
the French cases in a moment where it's

2193
01:36:09,909 --> 01:36:15,220
the same thing they do exactly things as

2194
01:36:12,069 --> 01:36:17,259
drones but yeah it seems like there's

2195

01:36:15,220 --> 01:36:19,119
much more going on with this Bremen case

2196
01:36:17,260 --> 01:36:21,190
and maybe it is a drone I mean I I

2197
01:36:19,119 --> 01:36:23,619
suppose it's possible maybe it would be

2198
01:36:21,189 --> 01:36:26,889
a very large and high-performance drone

2199
01:36:23,619 --> 01:36:30,970
it would seem to me yeah well in the

2200
01:36:26,890 --> 01:36:33,910
flight characteristics described you

2201
01:36:30,970 --> 01:36:35,920
know didn't really resemble what we -

2202
01:36:33,909 --> 01:36:38,859
what we usually call a brief UFO

2203
01:36:35,920 --> 01:36:42,789
sighting with erroneous this could be a

2204
01:36:38,859 --> 01:36:44,979
US military type of operation I'm trying

2205
01:36:42,789 --> 01:36:46,869
to think what the US may have up in the

2206
01:36:44,979 --> 01:36:49,809
northern part of Germany there and I

2207
01:36:46,869 --> 01:36:51,189
actually don't recall what what basis

2208
01:36:49,810 --> 01:36:52,539
are what operations might have been

2209
01:36:51,189 --> 01:36:55,359

responsible for this did anyone look

2210

01:36:52,539 --> 01:36:58,600
into that I think most of the US bases

2211

01:36:55,359 --> 01:37:01,779
are more in the center of south of

2212

01:36:58,600 --> 01:37:03,820
Germany Bavaria bottom to there and

2213

01:37:01,779 --> 01:37:05,859
stuff I mean you know we can of course

2214

01:37:03,819 --> 01:37:08,469
we can make all kinds of assumptions of

2215

01:37:05,859 --> 01:37:11,109
what this object was it may very well be

2216

01:37:08,470 --> 01:37:13,510
it was a drone the the fact is just that

2217

01:37:11,109 --> 01:37:15,399
you know the police said we suspect it

2218

01:37:13,510 --> 01:37:18,159
was grown and then on March 24 the

2219

01:37:15,399 --> 01:37:20,170
police closes its investigation without

2220

01:37:18,159 --> 01:37:23,529
any results they have no clue what it

2221

01:37:20,170 --> 01:37:25,390
was you know but for the German for the

2222

01:37:23,529 --> 01:37:27,340
German public it's clear that it was a

2223

01:37:25,390 --> 01:37:30,670
drone and you know and it made me think

2224
01:37:27,340 --> 01:37:33,430
that you know even back then in January

2225
01:37:30,670 --> 01:37:35,109
2014 when I looked into this case you

2226
01:37:33,430 --> 01:37:37,150
know and I talked to the German air

2227
01:37:35,109 --> 01:37:39,009
traffic control and all this you know I

2228
01:37:37,149 --> 01:37:45,069
thought okay what if this is like the

2229
01:37:39,010 --> 01:37:47,770
new way how they would sell authentic

2230
01:37:45,069 --> 01:37:51,159
real UFO sightings to the public as just

2231
01:37:47,770 --> 01:37:53,440
being some drone interferences you know

2232
01:37:51,159 --> 01:37:55,449
and I just thought is because as I

2233
01:37:53,439 --> 01:37:57,429
imagine just imagine you know I even

2234
01:37:55,449 --> 01:38:01,119
back then I thought just imagine what

2235
01:37:57,430 --> 01:38:04,000
would happen if a UFO shows up in a very

2236
01:38:01,119 --> 01:38:05,619
sensitive airspace and you couldn't tell

2237
01:38:04,000 --> 01:38:09,729
this to the church to the general public

2238
01:38:05,619 --> 01:38:12,189
right that there was a some thing you

2239
01:38:09,729 --> 01:38:13,629
have no control of that just pops up in

2240
01:38:12,189 --> 01:38:15,879
the airspace and you don't know what it

2241
01:38:13,630 --> 01:38:17,319
is and and then it suddenly disappears

2242
01:38:15,880 --> 01:38:18,440
and you still have no idea what it is

2243
01:38:17,319 --> 01:38:23,259
you know there

2244
01:38:18,439 --> 01:38:26,089
in January 2014 and then in October 2014

2245
01:38:23,260 --> 01:38:28,010
something extraordinary happened in or

2246
01:38:26,090 --> 01:38:29,989
started happening in France you ever

2247
01:38:28,010 --> 01:38:33,739
heard of this I called it the drone

2248
01:38:29,989 --> 01:38:37,639
plague I remember this it made the news

2249
01:38:33,739 --> 01:38:41,569
even over here in the US for for a time

2250
01:38:37,640 --> 01:38:43,579
and it was a wave of unusual UFO

2251
01:38:41,569 --> 01:38:45,979
sightings I believe they occurred if I'm

2252

01:38:43,579 --> 01:38:49,340
not mistaken near nuclear facilities or

2253
01:38:45,979 --> 01:38:51,259
other sensitive facilities in France and

2254
01:38:49,340 --> 01:38:54,230
am i right in thinking they were all

2255
01:38:51,260 --> 01:38:56,960
described as drazen's drones it's I mean

2256
01:38:54,229 --> 01:38:59,389
what you need to understand is France is

2257
01:38:56,960 --> 01:39:01,899
unlike any other country in Europe so

2258
01:38:59,390 --> 01:39:04,610
dependent on nuclear energy they have

2259
01:39:01,899 --> 01:39:09,969
let's say that they've given all their

2260
01:39:04,609 --> 01:39:13,069
nuclear or all their energy their energy

2261
01:39:09,970 --> 01:39:15,920
production scheme is mainly nuclear

2262
01:39:13,069 --> 01:39:18,949
energies like 90% of the I don't know I

2263
01:39:15,920 --> 01:39:21,199
mean it's like mainly powered by nuclear

2264
01:39:18,949 --> 01:39:24,800
energy you know so they have lots of

2265
01:39:21,199 --> 01:39:26,569
lots of nuclear power plants and and all

2266
01:39:24,800 --> 01:39:29,180

those nuclear power plants they are all

2267

01:39:26,569 --> 01:39:32,599
operated by a national organization

2268

01:39:29,180 --> 01:39:36,740
called electricity to force electricity

2269

01:39:32,600 --> 01:39:38,690
of France EDF and and and they are they

2270

01:39:36,739 --> 01:39:40,429
oversee the correct functioning and

2271

01:39:38,689 --> 01:39:43,699
security and stuff and they operate

2272

01:39:40,430 --> 01:39:46,250
those nuclear bases and in October 2014

2273

01:39:43,699 --> 01:39:48,649
the media started reporting on an

2274

01:39:46,250 --> 01:39:52,069
apparent wave of drone sightings over

2275

01:39:48,649 --> 01:39:54,829
French nuclear power plants even on the

2276

01:39:52,069 --> 01:39:57,590
German media it was even on like one

2277

01:39:54,829 --> 01:40:01,760
large German media organizations

2278

01:39:57,590 --> 01:40:05,960
reported that as of October on October

2279

01:40:01,760 --> 01:40:09,530
13 there was a drone they always said

2280

01:40:05,960 --> 01:40:12,619
drone cited above the blade a nuclear

2281
01:40:09,529 --> 01:40:15,229
power plant near Bordeaux and above the

2282
01:40:12,619 --> 01:40:18,199
nose your Sen nuclear power plant on

2283
01:40:15,229 --> 01:40:21,109
October 14 that's one day later above

2284
01:40:18,199 --> 01:40:23,840
the Cottenham power station near the

2285
01:40:21,109 --> 01:40:26,869
German border on October 19 above the

2286
01:40:23,840 --> 01:40:30,670
nuclear sites of shows Gravlín Luo

2287
01:40:26,869 --> 01:40:31,849
bougie and again above nor co-sin and

2288
01:40:30,670 --> 01:40:35,409
one

2289
01:40:31,850 --> 01:40:39,010
later again above lucu gee

2290
01:40:35,409 --> 01:40:41,750
may I ask you before yes sir are these

2291
01:40:39,010 --> 01:40:46,159
drone UFO sightings are they scattered

2292
01:40:41,750 --> 01:40:49,189
throughout France particularly that's

2293
01:40:46,159 --> 01:40:51,889
the point the fact that on Sunday 19

2294
01:40:49,189 --> 01:40:54,409
October 19 alone four nuclear power

2295
01:40:51,890 --> 01:40:56,840
plants were affected which are very far

2296
01:40:54,409 --> 01:40:59,029
apart you know it makes safety experts

2297
01:40:56,840 --> 01:41:01,819
think what is it is this a large-scale

2298
01:40:59,029 --> 01:41:04,460
action you know they start to to to

2299
01:41:01,819 --> 01:41:07,399
suspect are those what are those is this

2300
01:41:04,460 --> 01:41:09,439
Greenpeace you know the French mass

2301
01:41:07,399 --> 01:41:11,839
media quickly identified the suspect

2302
01:41:09,439 --> 01:41:13,729
green pieces because Greenpeace likes to

2303
01:41:11,840 --> 01:41:16,579
fly over nuclear power plants with a

2304
01:41:13,729 --> 01:41:18,889
drone to show that they that they are

2305
01:41:16,579 --> 01:41:21,019
vulnerable to possible air attacks and

2306
01:41:18,890 --> 01:41:22,760
just recently they crashed a drone by

2307
01:41:21,020 --> 01:41:24,380
the way just reads just a couple of

2308
01:41:22,760 --> 01:41:30,100
weeks ago they crashed a drone into a

2309

01:41:24,380 --> 01:41:32,440
French power plant to to demonstrate

2310
01:41:30,100 --> 01:41:36,490
intentionally intentionally

2311
01:41:32,439 --> 01:41:39,019
and so they said it must be Greenpeace

2312
01:41:36,489 --> 01:41:41,399
but an activist of the Environmental

2313
01:41:39,020 --> 01:41:42,710
Protection Agency

2314
01:41:41,399 --> 01:41:45,019
[Music]

2315
01:41:42,710 --> 01:41:48,439
you know they had already drawn

2316
01:41:45,020 --> 01:41:51,260
attention to safety deficiencies back in

2317
01:41:48,439 --> 01:41:53,000
2012 so and they also denied that they

2318
01:41:51,260 --> 01:41:54,829
had anything to do with the overflights

2319
01:41:53,000 --> 01:41:58,279
they said we have nothing to do with it

2320
01:41:54,829 --> 01:42:00,859
Greenpeace denied us Greenpeace denied

2321
01:41:58,279 --> 01:42:02,479
they had exactly Greenpeace denied they

2322
01:42:00,859 --> 01:42:04,699
had anything to do with this and they

2323
01:42:02,479 --> 01:42:06,529

said and we are very concerned about the

2324

01:42:04,699 --> 01:42:10,369

repeated over flights over the nuclear

2325

01:42:06,529 --> 01:42:13,939

power plants and and this whole thing

2326

01:42:10,369 --> 01:42:16,960

continues this is not just in October it

2327

01:42:13,939 --> 01:42:20,799

continues all through November December

2328

01:42:16,960 --> 01:42:25,399

you have when this whole thing becomes

2329

01:42:20,800 --> 01:42:28,869

public in October mid October you have a

2330

01:42:25,399 --> 01:42:32,059

fall frenzy lots of activity going on in

2331

01:42:28,869 --> 01:42:33,319

at the side of the politicians in in

2332

01:42:32,060 --> 01:42:37,520

France you have the French interior

2333

01:42:33,319 --> 01:42:41,840

minister gamma has nerve who announces

2334

01:42:37,520 --> 01:42:45,340

on October 30th that they have put in

2335

01:42:41,840 --> 01:42:49,460

place devices to neutralize drones

2336

01:42:45,340 --> 01:42:52,190

investigations are already underway that

2337

01:42:49,460 --> 01:42:54,349

day however they don't detail how this

2338
01:42:52,189 --> 01:42:55,819
neutralization should take place because

2339
01:42:54,349 --> 01:42:57,590
it's not even clear yet who is

2340
01:42:55,819 --> 01:43:00,288
responsible for the overflights

2341
01:42:57,590 --> 01:43:04,670
and what exactly flew around there and

2342
01:43:00,288 --> 01:43:05,599
then two more power plants are over

2343
01:43:04,670 --> 01:43:09,460
flown by

2344
01:43:05,599 --> 01:43:13,130
supposed drones who are very who are

2345
01:43:09,460 --> 01:43:14,929
very far apart and then it goes on and

2346
01:43:13,130 --> 01:43:18,170
on and on and it's like almost all of

2347
01:43:14,929 --> 01:43:20,779
the all of the French nuclear power

2348
01:43:18,170 --> 01:43:24,380
plants are over flown by so-called

2349
01:43:20,779 --> 01:43:26,479
drones and actually I didn't only look

2350
01:43:24,380 --> 01:43:29,690
at the the news reports in the French

2351
01:43:26,479 --> 01:43:32,238
local media and national newspapers but

2352
01:43:29,689 --> 01:43:33,888
I also had a look at the of course at

2353
01:43:32,238 --> 01:43:38,118
the original press release by

2354
01:43:33,889 --> 01:43:40,340
electricity to false and what it always

2355
01:43:38,118 --> 01:43:46,549
said in there because I was wondering

2356
01:43:40,340 --> 01:43:48,078
you know they they described drones they

2357
01:43:46,550 --> 01:43:50,179
said they were small in size and

2358
01:43:48,078 --> 01:43:52,038
commercially available however some

2359
01:43:50,179 --> 01:43:53,658
people who saw the drones they said they

2360
01:43:52,038 --> 01:43:56,840
were actually big they had a huge

2361
01:43:53,658 --> 01:44:00,229
spotlight that lit up the whole zone and

2362
01:43:56,840 --> 01:44:04,880
the whole thing you know one drone was

2363
01:44:00,229 --> 01:44:06,169
supposed to was allegedly flying above a

2364
01:44:04,880 --> 01:44:09,019
nuclear power plant in weather

2365
01:44:06,170 --> 01:44:11,059
conditions that are completely opposite

2366

01:44:09,019 --> 01:44:12,980
to what a drone is capable to do you

2367
01:44:11,059 --> 01:44:14,960
know I've heard this as well some of the

2368
01:44:12,979 --> 01:44:18,500
some of those details did seep out into

2369
01:44:14,960 --> 01:44:21,019
the english-speaking news media was I

2370
01:44:18,500 --> 01:44:22,849
distinctly recall that there were a

2371
01:44:21,019 --> 01:44:25,070
couple of eyewitnesses at least

2372
01:44:22,849 --> 01:44:27,279
allegedly that were saying as you're

2373
01:44:25,069 --> 01:44:30,500
describing here that these objects were

2374
01:44:27,279 --> 01:44:32,719
pretty large and were some of them some

2375
01:44:30,500 --> 01:44:35,960
of them not only and were able to fly

2376
01:44:32,719 --> 01:44:39,170
and under very difficult conditions hmm

2377
01:44:35,960 --> 01:44:41,750
and there was one night when five

2378
01:44:39,170 --> 01:44:44,899
nuclear power plants were over flown by

2379
01:44:41,750 --> 01:44:46,819
supposed drones which were although if

2380
01:44:44,899 --> 01:44:48,948

you look at the map all over scattered

2381

01:44:46,819 --> 01:44:51,439

all over France you know at the very

2382

01:44:48,948 --> 01:44:54,049

same time so this must have been a

2383

01:44:51,439 --> 01:44:56,058

coordinated effort by someone but I

2384

01:44:54,050 --> 01:44:57,739

looked at the original press release and

2385

01:44:56,059 --> 01:44:59,929

in the original press release from

2386

01:44:57,738 --> 01:45:02,839

electricity to force

2387

01:44:59,929 --> 01:45:06,859

they don't say it was a drone they say

2388

01:45:02,840 --> 01:45:09,860

they call it an arrow Neff assimil a

2389

01:45:06,859 --> 01:45:12,710

blue and horn so that means an aircraft

2390

01:45:09,859 --> 01:45:14,630

similar to a drone they don't say it was

2391

01:45:12,710 --> 01:45:18,289

a drone they say it was something that

2392

01:45:14,630 --> 01:45:20,480

seemed to be like a drone and then this

2393

01:45:18,289 --> 01:45:23,210

whole thing goes on and on and on and we

2394

01:45:20,479 --> 01:45:27,198

also we you know we talked to experts in

2395
01:45:23,210 --> 01:45:29,359
drones and multicopters and and he have

2396
01:45:27,198 --> 01:45:33,799
a friend who has was actually the boss

2397
01:45:29,359 --> 01:45:36,259
of a company that does commercial drone

2398
01:45:33,800 --> 01:45:37,969
flights with cameras on board for for

2399
01:45:36,260 --> 01:45:40,640
television and stuff and and he

2400
01:45:37,969 --> 01:45:42,948
explained to me that well if you just

2401
01:45:40,640 --> 01:45:45,739
look at the one example with this huge

2402
01:45:42,948 --> 01:45:47,329
spotlight that was on board you know how

2403
01:45:45,738 --> 01:45:50,149
would that even be possible on on a

2404
01:45:47,329 --> 01:45:52,939
drone that is you know there's they have

2405
01:45:50,149 --> 01:45:55,698
small batteries that cannot be too heavy

2406
01:45:52,939 --> 01:45:59,149
because then the flight capacity would

2407
01:45:55,698 --> 01:46:01,908
be very limited and then even if they

2408
01:45:59,149 --> 01:46:04,670
would have to power as an additional

2409
01:46:01,908 --> 01:46:08,149
spotlight that sets so much light that

2410
01:46:04,670 --> 01:46:10,569
the whole area is illuminated it's just

2411
01:46:08,149 --> 01:46:16,809
it seems very unlikely that this was a

2412
01:46:10,569 --> 01:46:22,238
drone and then at sometime in January

2413
01:46:16,810 --> 01:46:25,820
22nd a director of a nuclear power plant

2414
01:46:22,238 --> 01:46:27,709
he's he was the the head of the blade a

2415
01:46:25,819 --> 01:46:32,269
nuclear power plant in southwestern

2416
01:46:27,710 --> 01:46:34,550
France he presented the results for 2014

2417
01:46:32,270 --> 01:46:37,460
and plans for the new year and there was

2418
01:46:34,550 --> 01:46:40,579
a press conference and he was asked

2419
01:46:37,460 --> 01:46:42,469
about drones and if there was anything

2420
01:46:40,579 --> 01:46:46,130
new about the drone that had flown over

2421
01:46:42,469 --> 01:46:48,890
his nuclear reactor in October 2014 and

2422
01:46:46,130 --> 01:46:50,810
then he said surprisingly he said we

2423

01:46:48,890 --> 01:46:53,270
haven't seen a drone here we have seen a

2424
01:46:50,810 --> 01:46:56,780
UFO and there has been no effect on the

2425
01:46:53,270 --> 01:47:00,560
safety of our installations you know so

2426
01:46:56,779 --> 01:47:03,769
so he so he really says he was not a

2427
01:47:00,560 --> 01:47:06,860
drone it was a UFO you know this whole

2428
01:47:03,770 --> 01:47:09,199
thing who was this man yeah his name is

2429
01:47:06,859 --> 01:47:11,899
Pascal Pisani and what was his position

2430
01:47:09,198 --> 01:47:12,829
he he was the head of the he was the

2431
01:47:11,899 --> 01:47:14,809
head of the plane

2432
01:47:12,829 --> 01:47:17,930
nuclear power plant in southwestern

2433
01:47:14,810 --> 01:47:20,420
France so he's one of one of the heads

2434
01:47:17,930 --> 01:47:23,539
of a nuclear power plant stating UFO

2435
01:47:20,420 --> 01:47:26,869
it's not it's not he says it's not a

2436
01:47:23,539 --> 01:47:29,899
drone it was a UFO you know and we have

2437
01:47:26,869 --> 01:47:32,869

seen a UFO that's what he says it's

2438

01:47:29,899 --> 01:47:36,170

gonna be City and of me Jarek an

2439

01:47:32,869 --> 01:47:38,750

official a security the design Stannis

2440

01:47:36,170 --> 01:47:40,520

young and if you if you if you think

2441

01:47:38,750 --> 01:47:43,609

about it you know in it's more or less

2442

01:47:40,520 --> 01:47:46,190

logical to assume that if the National

2443

01:47:43,609 --> 01:47:53,779

operator of all the nuclear power plants

2444

01:47:46,189 --> 01:47:56,419

like a one very strategic important P

2445

01:47:53,779 --> 01:47:58,519

here of their of France you know

2446

01:47:56,420 --> 01:48:01,760

what would be the public reaction in

2447

01:47:58,520 --> 01:48:03,320

France if the operator of those nuclear

2448

01:48:01,760 --> 01:48:06,590

power plants would freely admit that

2449

01:48:03,319 --> 01:48:08,269

they're being overflown by strange

2450

01:48:06,590 --> 01:48:10,909

objects they don't know where they come

2451

01:48:08,270 --> 01:48:13,690

from and what would it what would be the

2452
01:48:10,909 --> 01:48:16,099
reaction you know so you see this drone

2453
01:48:13,689 --> 01:48:18,529
explanation it actually came in quite

2454
01:48:16,100 --> 01:48:20,870
handy to them to say well it was it

2455
01:48:18,529 --> 01:48:23,389
looked like drone so they already kind

2456
01:48:20,869 --> 01:48:26,079
of suggested it was a drone so that

2457
01:48:23,390 --> 01:48:28,310
people wouldn't would start to ask

2458
01:48:26,079 --> 01:48:30,289
complicated questions you know you know

2459
01:48:28,310 --> 01:48:32,840
and I think this imagines this is very

2460
01:48:30,289 --> 01:48:34,279
politically sensitive in France it is in

2461
01:48:32,840 --> 01:48:36,619
a country like France that is so

2462
01:48:34,279 --> 01:48:39,349
dependent on nuclear power especially

2463
01:48:36,619 --> 01:48:45,849
and then this whole thing culminated by

2464
01:48:39,350 --> 01:48:50,900
the way in in January of - of 2015 when

2465
01:48:45,850 --> 01:48:54,740
you when drones over flew a military

2466
01:48:50,899 --> 01:48:57,559
base in brittany britannia which is has

2467
01:48:54,739 --> 01:49:01,639
atomic submarines of the french navy are

2468
01:48:57,560 --> 01:49:05,840
stationed and they have 380 atomic bombs

2469
01:49:01,640 --> 01:49:07,970
there and this ultra sensitive place you

2470
01:49:05,840 --> 01:49:10,310
just don't you don't just fly in with a

2471
01:49:07,970 --> 01:49:12,530
hobby drone you know and and if you do

2472
01:49:10,310 --> 01:49:15,320
then you only do it once and then you'll

2473
01:49:12,529 --> 01:49:18,229
end up in jail but this has in fact

2474
01:49:15,319 --> 01:49:20,840
happened without anybody who was

2475
01:49:18,229 --> 01:49:23,809
arrested they didn't find who was

2476
01:49:20,840 --> 01:49:26,480
responsible for it those objects flying

2477
01:49:23,810 --> 01:49:28,610
objects were registered by they call

2478
01:49:26,479 --> 01:49:31,329
security devices and observed by

2479
01:49:28,609 --> 01:49:35,659
security personnel and they showed up in

2480

01:49:31,329 --> 01:49:37,609
above that military no-fly zone just

2481
01:49:35,659 --> 01:49:40,069
when one of the nuclear submarines was

2482
01:49:37,609 --> 01:49:44,559
supposed to perform a maneuver so this

2483
01:49:40,069 --> 01:49:47,840
looks like some kind of observation or

2484
01:49:44,560 --> 01:49:51,710
whatever was going on there a local

2485
01:49:47,840 --> 01:49:53,329
newspaper described that this incident

2486
01:49:51,710 --> 01:49:54,590
has led to an impressive military

2487
01:49:53,329 --> 01:49:57,319
presence afterwards

2488
01:49:54,590 --> 01:50:00,170
search helicopters dozens of Marines

2489
01:49:57,319 --> 01:50:03,889
were mobilized they calmed the area they

2490
01:50:00,170 --> 01:50:06,350
carried out vehicle controls they looked

2491
01:50:03,890 --> 01:50:10,780
for the drone pilots for several hours

2492
01:50:06,350 --> 01:50:13,310
they didn't find anyone and I mean this

2493
01:50:10,779 --> 01:50:16,939
just to think about it you know that

2494
01:50:13,310 --> 01:50:19,789

there's unknown flying objects above the

2495

01:50:16,939 --> 01:50:21,859

largest or the most important one of the

2496

01:50:19,789 --> 01:50:25,460

most important military bases military

2497

01:50:21,859 --> 01:50:28,729

installations in France and no trace of

2498

01:50:25,460 --> 01:50:30,619

who is responsible for it

2499

01:50:28,729 --> 01:50:32,779

I think this is a fascinating and this

2500

01:50:30,619 --> 01:50:36,140

is contemporary we're talking 2014-2015

2501

01:50:32,779 --> 01:50:37,609

yes perhaps I don't want to put the

2502

01:50:36,140 --> 01:50:40,460

pressure on you but maybe you can write

2503

01:50:37,609 --> 01:50:42,619

an article on this and put it out on the

2504

01:50:40,460 --> 01:50:44,480

web so we can actually read a kind of a

2505

01:50:42,619 --> 01:50:47,479

comprehensive analysis of it I think it

2506

01:50:44,479 --> 01:50:49,699

would be very interesting well I wrote

2507

01:50:47,479 --> 01:50:51,769

several articles on it on my website

2508

01:50:49,699 --> 01:50:53,720

Exopolitics dark because with updates

2509
01:50:51,770 --> 01:50:56,060
and stuff but it's all in German and you

2510
01:50:53,720 --> 01:50:57,650
know I just I just have no time to sit

2511
01:50:56,060 --> 01:51:03,980
down and translate all this into English

2512
01:50:57,649 --> 01:51:05,750
I think other other but Robert that's

2513
01:51:03,979 --> 01:51:09,049
all we have time for tonight it's been

2514
01:51:05,750 --> 01:51:10,819
an absolute enlightening experience to

2515
01:51:09,050 --> 01:51:13,909
talk with you about German ufology and

2516
01:51:10,819 --> 01:51:16,099
European UFOs and and all the detail

2517
01:51:13,909 --> 01:51:18,649
that you've gone into we're much better

2518
01:51:16,100 --> 01:51:20,750
for hearing what you've got to say again

2519
01:51:18,649 --> 01:51:21,799
I would just remind listeners if they

2520
01:51:20,750 --> 01:51:24,770
want to learn more about Robert

2521
01:51:21,800 --> 01:51:26,119
Fleischer please go to XO magazine TV

2522
01:51:24,770 --> 01:51:30,610
that's excellent magazine without the e

2523
01:51:26,119 --> 01:51:32,989
dot TV XO politique with a k dot org and

2524
01:51:30,609 --> 01:51:34,909
right we also have a youtube channel

2525
01:51:32,989 --> 01:51:37,130
with more than 50,000 subscribers Oh

2526
01:51:34,909 --> 01:51:38,689
fabulous the magazine TV there's no

2527
01:51:37,130 --> 01:51:39,520
magazine TV on YouTube thank you for

2528
01:51:38,689 --> 01:51:42,099
mentioning that and we

2529
01:51:39,520 --> 01:51:43,300
we'll provide a link for that that's all

2530
01:51:42,100 --> 01:51:45,100
we have the time for Robert has been an

2531
01:51:43,300 --> 01:51:48,310
absolute pleasure Robert Fleischer thank

2532
01:51:45,100 --> 01:51:49,630
you so very much thank you and with that

2533
01:51:48,310 --> 01:51:51,220
it's time to say good night thanks for

2534
01:51:49,630 --> 01:51:53,170
listening if you want to hear more

2535
01:51:51,220 --> 01:51:55,000
follow-up conversation between Robert

2536
01:51:53,170 --> 01:51:55,930
and myself you can go to Richard Olin

2537

01:51:55,000 --> 01:51:58,449
members com

2538
01:51:55,930 --> 01:52:00,670
where we go further into amazing

2539
01:51:58,449 --> 01:52:03,970
conversation about a practically

2540
01:52:00,670 --> 01:52:07,270
forgotten but very compelling French

2541
01:52:03,970 --> 01:52:09,190
case from 1965 the valence all landing

2542
01:52:07,270 --> 01:52:10,750
event which Robert has done a great deal

2543
01:52:09,189 --> 01:52:13,329
of follow-up investigation on and

2544
01:52:10,750 --> 01:52:15,130
remember while we learn and grow and

2545
01:52:13,329 --> 01:52:18,210
search for the truth let's be good to

2546
01:52:15,130 --> 01:52:18,210
each other good night

2547
01:52:22,130 --> 01:52:26,430
thanks for listening to the Richard

2548
01:52:24,029 --> 01:52:29,639
Dolan show you can join me live most

2549
01:52:26,430 --> 01:52:31,680
Monday's @kg are a radio 8 p.m. eastern

2550
01:52:29,640 --> 01:52:34,140
time to learn more about what I'm up to

2551
01:52:31,680 --> 01:52:35,880

visit Richard Dolan members comm where

2552

01:52:34,140 --> 01:52:38,100

you can read my latest articles or

2553

01:52:35,880 --> 01:52:39,210

listen to my off-the-cuff thoughts on

2554

01:52:38,100 --> 01:52:41,039

pretty much anything

2555

01:52:39,210 --> 01:52:43,529

also don't forget Richard Olin press

2556

01:52:41,039 --> 01:52:45,810

comm where I publish books by myself and

2557

01:52:43,529 --> 01:52:49,399

some of the most interesting authors of

2558

01:52:45,810 --> 01:52:49,400

our time catch you later

2559

01:52:49,720 --> 01:52:54,280

[Music]

2560

01:52:52,219 --> 01:52:54,279

you
