

1
00:00:00,000 --> 00:00:04,799
yeah we have we have an event happening

2
00:00:02,370 --> 00:00:09,839
at the National Press Club November

3
00:00:04,799 --> 00:00:11,940
twelfth 2007 will reply in a panel of 15

4
00:00:09,839 --> 00:00:14,789
high-ranking military and government

5
00:00:11,939 --> 00:00:16,649
officials from seven countries these are

6
00:00:14,789 --> 00:00:18,329
not private UFO investigators these are

7
00:00:16,649 --> 00:00:21,538
all people that were part of the

8
00:00:18,329 --> 00:00:24,419
government military officials that

9
00:00:21,539 --> 00:00:25,410
investigated this the stuff and knew

10
00:00:24,420 --> 00:00:26,910
about it and they're going to share

11
00:00:25,410 --> 00:00:29,490
their stories with us on November

12
00:00:26,910 --> 00:00:33,600
twelfth well you better you better look

13
00:00:29,489 --> 00:00:35,939
for a serious moderator to to moderate

14
00:00:33,600 --> 00:00:38,700
the homeless 05 Symington is going to

15
00:00:35,939 --> 00:00:41,070
moderate the show honestly yes 57 yes

16
00:00:38,700 --> 00:00:44,040
what is it that that makes five sign you

17
00:00:41,070 --> 00:00:46,799
moderate such a show well I think that

18
00:00:44,039 --> 00:00:48,539
he feels he feels that he really let

19
00:00:46,799 --> 00:00:50,009
down his constituents ten years ago and

20
00:00:48,539 --> 00:00:52,739
then he had a really golden opportunity

21
00:00:50,009 --> 00:00:54,448
to get this information out on an

22
00:00:52,738 --> 00:00:56,909
international level because you know

23
00:00:54,448 --> 00:00:59,549
remember everyone was watching when this

24
00:00:56,909 --> 00:01:01,919
went down and so he really let down his

25
00:00:59,549 --> 00:01:05,158
constituents I think that he's trying to

26
00:01:01,920 --> 00:01:08,760
make make it right you know and he

27
00:01:05,159 --> 00:01:10,680
trusts he likes out of the blue he likes

28
00:01:08,760 --> 00:01:12,118
the way we present the material I think

29

00:01:10,680 --> 00:01:14,430
he trusts me that I'm not going to make

30
00:01:12,118 --> 00:01:16,829
claims I can't back up we're going to

31
00:01:14,430 --> 00:01:18,240
make a very conservative claims and and

32
00:01:16,829 --> 00:01:20,069
try and get the mainstream we take a

33
00:01:18,239 --> 00:01:23,009
closer and more credible look at this

34
00:01:20,069 --> 00:01:24,359
phenomenon and that's our objective not

35
00:01:23,009 --> 00:01:25,769
to preach to the choir that people that

36
00:01:24,359 --> 00:01:28,140
already know about the phenomenon I mean

37
00:01:25,769 --> 00:01:31,978
they already know but to to get the

38
00:01:28,140 --> 00:01:34,290
infant information out on a digestible

39
00:01:31,978 --> 00:01:36,618
in a digestible fashion with mainstream

40
00:01:34,290 --> 00:01:36,618
media
