

1  
00:00:03,919 --> 00:00:09,449  
this is not science fiction

2  
00:00:06,269 --> 00:00:11,460  
this is science fact it clearly had a

3  
00:00:09,449 --> 00:00:12,808  
shape to it and it in a bitch shape

4  
00:00:11,460 --> 00:00:21,289  
there's nothing to hide

5  
00:00:12,808 --> 00:00:21,289  
there's nothing to hide it all I

6  
00:00:27,559 --> 00:00:32,640  
recognize that there is a real

7  
00:00:30,839 --> 00:00:34,350  
phenomenon taking place a physical

8  
00:00:32,640 --> 00:00:37,730  
phenomenon and not just something in

9  
00:00:34,350 --> 00:00:40,710  
people's imagination or hallucinations

10  
00:00:37,729 --> 00:00:43,169  
but there's a lot of crazy associated

11  
00:00:40,710 --> 00:00:46,289  
with the UFO subject so I wanted to

12  
00:00:43,170 --> 00:00:50,120  
focus on one of the first statements I

13  
00:00:46,289 --> 00:00:53,640  
generally make is that 95% of all UFOs

14  
00:00:50,119 --> 00:00:55,558  
sightings radar cases can and have been

15  
00:00:53,640 --> 00:00:57,859  
explained away in down-to-earth

16  
00:00:55,558 --> 00:01:02,280  
conventional terms and having said that

17  
00:00:57,859 --> 00:01:03,510  
that remaining 5 3 to 5 percent is what

18  
00:01:02,280 --> 00:01:06,540  
we focused on without the blue

19  
00:01:03,509 --> 00:01:10,319  
late-breaking you're watching news 15 at

20  
00:01:06,540 --> 00:01:12,510  
10 do these lights belong to visitors

21  
00:01:10,319 --> 00:01:14,309  
from outer space hundreds of people

22  
00:01:12,510 --> 00:01:16,590  
across the valley think it's a distinct

23  
00:01:14,310 --> 00:01:18,030  
possibility good evening I'm mark Vail

24  
00:01:16,590 --> 00:01:19,950  
and I'm Robin Stoll thanks for joining

25  
00:01:18,030 --> 00:01:21,960  
us we start tonight with those strange

26  
00:01:19,950 --> 00:01:24,450  
dots of light that were the talk of the

27  
00:01:21,959 --> 00:01:28,889  
town well you have as a fairly famous

28  
00:01:24,450 --> 00:01:30,629  
case 1997 where lots of Arizonans were

29

00:01:28,890 --> 00:01:33,900  
out under the night sky at about 8:00

30  
00:01:30,629 --> 00:01:37,890  
8:20 p.m. to get a glimpse of the hell

31  
00:01:33,900 --> 00:01:38,820  
Bob comment this is talking March 13th

32  
00:01:37,890 --> 00:01:41,159  
1997

33  
00:01:38,819 --> 00:01:43,289  
so was witnessed by a lot of a lot of

34  
00:01:41,159 --> 00:01:46,590  
people it passed right in front of us

35  
00:01:43,290 --> 00:01:50,850  
just about right above eyes length

36  
00:01:46,590 --> 00:01:55,409  
very large craft flies over the state it

37  
00:01:50,849 --> 00:01:56,640  
ends up making international news 5

38  
00:01:55,409 --> 00:02:00,379  
assignment in the governor of the time

39  
00:01:56,640 --> 00:02:03,329  
had an opportunity at that point to

40  
00:02:00,379 --> 00:02:05,219  
really break a very huge story and make

41  
00:02:03,329 --> 00:02:07,500  
a big difference in the UFO community or

42  
00:02:05,219 --> 00:02:11,189  
the reality to this phenomenon instead

43  
00:02:07,500 --> 00:02:13,949

he calls for an unscheduled press

44

00:02:11,189 --> 00:02:16,020  
conference and has his chief of staff

45

00:02:13,949 --> 00:02:17,609  
dressed in an alien costume and makes a

46

00:02:16,020 --> 00:02:19,409  
joke out of the whole thing so that

47

00:02:17,610 --> 00:02:20,850  
always bothered me right off the bat but

48

00:02:19,409 --> 00:02:23,069  
being a politician I've always

49

00:02:20,849 --> 00:02:25,259  
associated him as someone who's

50

00:02:23,069 --> 00:02:27,509  
unapproachable and I was reading an

51

00:02:25,259 --> 00:02:29,729  
article about a year and a half ago in a

52

00:02:27,509 --> 00:02:32,159  
new and local newspaper about five being

53

00:02:29,729 --> 00:02:35,069  
a pastry chef that he's no longer

54

00:02:32,159 --> 00:02:36,689  
politician I thought huh well maybe now

55

00:02:35,069 --> 00:02:40,259  
after all these years I could approach

56

00:02:36,689 --> 00:02:42,810  
him he he revealed that not only had he

57

00:02:40,259 --> 00:02:45,899  
launched an investigation into you know

58  
00:02:42,810 --> 00:02:48,090  
finding out what this craft was but the

59  
00:02:45,900 --> 00:02:51,420  
heat to himself saw it and being a

60  
00:02:48,090 --> 00:02:53,519  
captain in the Air Force and a pilot it

61  
00:02:51,419 --> 00:02:55,530  
was it was he felt in his gut it was

62  
00:02:53,519 --> 00:02:57,599  
just otherworldly because because of its

63  
00:02:55,530 --> 00:03:00,030  
size and the fact that didn't make any

64  
00:02:57,599 --> 00:03:03,359  
noise and he said it was just absolutely

65  
00:03:00,030 --> 00:03:05,489  
huge I actually played a tape for him of

66  
00:03:03,360 --> 00:03:07,470  
one of his former constituents as well

67  
00:03:05,489 --> 00:03:09,360  
as a witness to the event because I

68  
00:03:07,469 --> 00:03:11,669  
figured who better to put forth a

69  
00:03:09,360 --> 00:03:13,860  
question about why he did what he did

70  
00:03:11,669 --> 00:03:15,449  
than the person that suffered most from

71  
00:03:13,860 --> 00:03:18,150  
it was one of his constituents and a

72  
00:03:15,449 --> 00:03:20,599  
witness and I played the tape recorder

73  
00:03:18,150 --> 00:03:23,159  
and that sort of loosened him up

74  
00:03:20,599 --> 00:03:25,889  
triggered some sort of response openness

75  
00:03:23,159 --> 00:03:28,590  
and so he divulged what he divulged to

76  
00:03:25,889 --> 00:03:31,078  
me I never felt that the overall

77  
00:03:28,590 --> 00:03:32,849  
situation was a matter of ridicule we

78  
00:03:31,079 --> 00:03:34,110  
certainly took advantage of it and this

79  
00:03:32,849 --> 00:03:37,129  
just goes to show that you guys are

80  
00:03:34,110 --> 00:03:37,130  
entirely too serious

81  
00:03:39,550 --> 00:03:43,090  
Diddy's tell me that he got a phone call

82  
00:03:41,169 --> 00:03:46,000  
from someone in the Pentagon telling him

83  
00:03:43,090 --> 00:03:59,530  
to shut the story down no he didn't did

84  
00:03:46,000 --> 00:04:02,530  
that happen who knows yeah 140 miles

85  
00:03:59,530 --> 00:04:05,229  
north of London is Bentwaters England in

86

00:04:02,530 --> 00:04:07,030  
December of 1980 the united states air

87  
00:04:05,229 --> 00:04:09,639  
force base armed with nuclear weapons

88  
00:04:07,030 --> 00:04:14,069  
was reportedly the site of a series of

89  
00:04:09,639 --> 00:04:14,069  
UFO encounters over a three-day period

90  
00:04:28,740 --> 00:04:33,310  
responding to reports of a possible

91  
00:04:30,670 --> 00:04:35,140  
downed aircraft three patrolmen were

92  
00:04:33,310 --> 00:04:38,920  
sent out to Rendlesham forest to

93  
00:04:35,139 --> 00:04:40,870  
investigate airman first class Edward

94  
00:04:38,920 --> 00:04:44,560  
Caban zeg was one of the security

95  
00:04:40,870 --> 00:04:46,689  
officers present that night we were on a

96  
00:04:44,560 --> 00:04:49,180  
security one which was in charge of

97  
00:04:46,689 --> 00:04:54,370  
mobile security for the Woodbridge Base

98  
00:04:49,180 --> 00:04:56,590  
and we responded to Jim roses sighting

99  
00:04:54,370 --> 00:04:58,720  
of something out on the edge of the

100  
00:04:56,589 --> 00:05:01,149

flight line for the controller on the

101

00:04:58,720 --> 00:05:02,440  
radio broadcast over the air that go

102

00:05:01,149 --> 00:05:03,939  
down and check out a possible year

103

00:05:02,439 --> 00:05:07,029  
overall it was a bunch of security

104

00:05:03,939 --> 00:05:08,740  
officers responsible for the c4 you know

105

00:05:07,029 --> 00:05:10,989  
the security of nuclear weapons during

106

00:05:08,740 --> 00:05:13,720  
the Cold War so these aren't just some

107

00:05:10,990 --> 00:05:18,280  
fuzzy-headed touchy-feely military guys

108

00:05:13,720 --> 00:05:22,510  
I mean they're very serious people you

109

00:05:18,279 --> 00:05:24,849  
have three guys approached this craft

110

00:05:22,509 --> 00:05:27,459  
one guy gets too scared cap and sac

111

00:05:24,850 --> 00:05:29,860  
decides to stay between the craft and

112

00:05:27,459 --> 00:05:31,449  
the base and act like a relay as a relay

113

00:05:29,860 --> 00:05:33,790  
for the radios because there was a lot

114

00:05:31,449 --> 00:05:36,550  
of radio interference and the two guys

115  
00:05:33,790 --> 00:05:40,060  
go out to the craft and the whole

116  
00:05:36,550 --> 00:05:42,850  
concent perception of time was was

117  
00:05:40,060 --> 00:05:45,189  
slightly altered and you know it was a

118  
00:05:42,850 --> 00:05:47,260  
very ethereal sort of surreal experience

119  
00:05:45,189 --> 00:05:48,528  
for both of them at the point in time

120  
00:05:47,259 --> 00:05:50,748  
three of us had

121  
00:05:48,528 --> 00:05:52,329  
observation over the craft the closer we

122  
00:05:50,749 --> 00:05:55,129  
would get to it we would lose

123  
00:05:52,329 --> 00:05:57,739  
communication you know with central

124  
00:05:55,129 --> 00:05:59,149  
security control it was a shape kind of

125  
00:05:57,738 --> 00:06:00,948  
like a almost like a pyramid kind of

126  
00:05:59,149 --> 00:06:02,569  
shaped you know just completely silent

127  
00:06:00,949 --> 00:06:04,788  
he was warm to the touch he said and

128  
00:06:02,569 --> 00:06:06,649  
then of course he describes the symbols

129  
00:06:04,788 --> 00:06:08,329  
that were on the side of the craft he

130  
00:06:06,649 --> 00:06:09,559  
inspected the craft and he was there too

131  
00:06:08,329 --> 00:06:11,478  
and I told him I said that was very

132  
00:06:09,559 --> 00:06:13,729  
brave of you to walk up to this thing

133  
00:06:11,478 --> 00:06:15,139  
and touch it and if my job was

134  
00:06:13,728 --> 00:06:17,658  
determined whether or not it posed a

135  
00:06:15,139 --> 00:06:20,329  
threat to our base and there was oh I

136  
00:06:17,658 --> 00:06:23,079  
say measured probably about nine feet

137  
00:06:20,329 --> 00:06:23,079  
long

138  
00:06:23,358 --> 00:06:29,988  
maybe six feet high low higher made

139  
00:06:27,108 --> 00:06:32,959  
maybe six and a half feet this was a up

140  
00:06:29,988 --> 00:06:36,138  
close and personal encounter with a

141  
00:06:32,959 --> 00:06:38,028  
landed UFO and with symbols on the craft

142  
00:06:36,139 --> 00:06:39,859  
and you know interviewed the all the

143

00:06:38,028 --> 00:06:42,259  
eyewitnesses but listening to him to her

144  
00:06:39,858 --> 00:06:44,209  
on the ground investigation for 45

145  
00:06:42,259 --> 00:06:46,908  
minutes with his logbook which he still

146  
00:06:44,209 --> 00:06:48,709  
has to this day the symbols on the craft

147  
00:06:46,908 --> 00:06:50,088  
and describing how the craft lifted back

148  
00:06:48,709 --> 00:06:52,449  
off maneuvered through the trees and

149  
00:06:50,088 --> 00:06:54,439  
shut off at a high rate of speed and

150  
00:06:52,449 --> 00:06:56,629  
cooperated from the deputy base

151  
00:06:54,439 --> 00:06:58,249  
commander who's a colonel and you know

152  
00:06:56,629 --> 00:06:59,088  
and the two other you know men that were

153  
00:06:58,249 --> 00:07:01,278  
with him that night

154  
00:06:59,088 --> 00:07:04,038  
that is one of the most compelling UFO

155  
00:07:01,278 --> 00:07:05,418  
stories I've ever heard because he

156  
00:07:04,038 --> 00:07:07,610  
touched it it's not like he saw the

157  
00:07:05,418 --> 00:07:11,139

photograph that or heard about it he

158

00:07:07,610 --> 00:07:13,519

actually touched it on March 16 1967

159

00:07:11,139 --> 00:07:15,499

lieutenant colonel Salas was on duty

160

00:07:13,519 --> 00:07:17,449

when he was contacted by his topside

161

00:07:15,499 --> 00:07:19,579

guard stating that there was an

162

00:07:17,449 --> 00:07:23,689

unidentified object above the missile

163

00:07:19,579 --> 00:07:25,639

site Salas ordered the guard to observe

164

00:07:23,689 --> 00:07:27,528

and report back on any further

165

00:07:25,639 --> 00:07:30,499

development that he called back within a

166

00:07:27,528 --> 00:07:32,598

few minutes and was very frightened I

167

00:07:30,499 --> 00:07:37,269

could tell by his voice he was extremely

168

00:07:32,598 --> 00:07:39,918

agitated he said there was an object

169

00:07:37,269 --> 00:07:42,348

hovering outside the front came a

170

00:07:39,918 --> 00:07:44,718

reddish orange oval-shaped

171

00:07:42,348 --> 00:07:47,538

object well there seems to be a pattern

172  
00:07:44,718 --> 00:07:50,088  
of interest in our military capabilities

173  
00:07:47,538 --> 00:07:51,558  
nuclear capabilities a bit of a number

174  
00:07:50,088 --> 00:07:53,569  
of cases that we put forward and out of

175  
00:07:51,559 --> 00:07:55,939  
the blue were like melts from Air Force

176  
00:07:53,569 --> 00:07:58,399  
Base where a UFO was spotted at the same

177  
00:07:55,939 --> 00:08:00,470  
time their Minuteman missiles or go into

178  
00:07:58,399 --> 00:08:01,879  
a no-go situation to shut them down

179  
00:08:00,470 --> 00:08:05,540  
or if they went out together our

180  
00:08:01,879 --> 00:08:09,790  
missiles went into no-go condition one

181  
00:08:05,540 --> 00:08:13,280  
after the other we lost nearly 20

182  
00:08:09,790 --> 00:08:15,050  
missiles that morning so whatever is

183  
00:08:13,279 --> 00:08:16,639  
going on it appears to have an interest

184  
00:08:15,050 --> 00:08:18,379  
they appear to be have an interest in

185  
00:08:16,639 --> 00:08:20,569  
our nuclear capabilities and I always

186  
00:08:18,379 --> 00:08:22,639  
use the analogy perhaps it's like

187  
00:08:20,569 --> 00:08:24,050  
someone taking the matches out of the

188  
00:08:22,639 --> 00:08:26,060  
hands of a baby or some you know

189  
00:08:24,050 --> 00:08:44,360  
something but that seems to be a pattern

190  
00:08:26,060 --> 00:08:46,580  
that's happened in 1965 Gordon Cooper

191  
00:08:44,360 --> 00:08:55,009  
was the last American astronaut to go up

192  
00:08:46,580 --> 00:08:59,750  
into space alone he orbited the planet

193  
00:08:55,009 --> 00:09:01,549  
22 times when I interviewed Gordon

194  
00:08:59,750 --> 00:09:03,590  
Cooper I actually took my father with me

195  
00:09:01,549 --> 00:09:04,729  
Charles Fox was it was a mainstream

196  
00:09:03,590 --> 00:09:07,250  
journalist he's written for every

197  
00:09:04,730 --> 00:09:09,379  
publication on and he was always very

198  
00:09:07,250 --> 00:09:10,700  
reluctant and and one of the things he

199  
00:09:09,379 --> 00:09:14,299  
said to me was that I got involved with

200

00:09:10,700 --> 00:09:16,129  
my son's interest in UFOs with a very

201  
00:09:14,299 --> 00:09:18,500  
distinct sense of paternal obligation

202  
00:09:16,129 --> 00:09:20,360  
and there was you know initially he was

203  
00:09:18,500 --> 00:09:21,710  
thinking god I can't believe James is

204  
00:09:20,360 --> 00:09:23,389  
getting involved with this and one of

205  
00:09:21,710 --> 00:09:25,639  
the turning points for him as a

206  
00:09:23,389 --> 00:09:28,240  
mainstream journalist and knowing Gordon

207  
00:09:25,639 --> 00:09:30,439  
Cooper as an American icon and a hero

208  
00:09:28,240 --> 00:09:32,810  
was sitting down in that interview and

209  
00:09:30,440 --> 00:09:35,690  
listening to him talk about you know

210  
00:09:32,809 --> 00:09:38,750  
what what his his experience with with

211  
00:09:35,690 --> 00:09:41,270  
UFOs he was supervising the filming of a

212  
00:09:38,750 --> 00:09:43,899  
precision landing facility for f-86

213  
00:09:41,269 --> 00:09:43,899  
fighter jets

214  
00:09:46,710 --> 00:09:51,509

suddenly a saucer-like craft flew

215

00:09:49,259 --> 00:09:53,519

directly over the cameraman three

216

00:09:51,509 --> 00:09:56,569

landing gear apparatus open and the

217

00:09:53,519 --> 00:09:59,939

object landed on the dry lake bed

218

00:09:56,570 --> 00:10:02,790

mystical sounds are said the double

219

00:09:59,940 --> 00:10:04,709

integral shape metallic and then without

220

00:10:02,789 --> 00:10:08,549

picked up their cameras and moved on

221

00:10:04,708 --> 00:10:11,759

that Floridian filming and he left it

222

00:10:08,549 --> 00:10:16,289

all put the gear back in the world find

223

00:10:11,759 --> 00:10:18,389

out how it's being this apparent Cooper

224

00:10:16,289 --> 00:10:20,490

himself saw the footage had the footage

225

00:10:18,389 --> 00:10:21,990

developed saw the footage held it up to

226

00:10:20,490 --> 00:10:25,350

the light and said it was frame by frame

227

00:10:21,990 --> 00:10:27,060

it was perfectly clear you know InFocus

228

00:10:25,350 --> 00:10:28,920

footage of a flying saucer sitting on

229  
00:10:27,059 --> 00:10:30,829  
the dry lake bed had a courier jet

230  
00:10:28,919 --> 00:10:33,360  
flying from Washington take the footage

231  
00:10:30,830 --> 00:10:35,850  
off the Washington DC never heard of

232  
00:10:33,360 --> 00:10:37,649  
scene from ever again that was it and I

233  
00:10:35,850 --> 00:10:39,690  
asked him in the film did you ever

234  
00:10:37,649 --> 00:10:42,000  
follow up with what happened to that

235  
00:10:39,690 --> 00:10:44,010  
footage that you handed over and it

236  
00:10:42,000 --> 00:10:45,629  
triggered it hit it raw nerve with him

237  
00:10:44,009 --> 00:10:53,700  
because he never he was always kind of

238  
00:10:45,629 --> 00:10:55,350  
composed and and quiet and it he kind of

239  
00:10:53,700 --> 00:10:56,370  
fired back at me he said what am I

240  
00:10:55,350 --> 00:10:58,709  
supposed to do how am I supposed to

241  
00:10:56,370 --> 00:11:00,870  
follow up on this you know you follow

242  
00:10:58,708 --> 00:11:03,689  
orders in the military and and unless

243  
00:11:00,870 --> 00:11:07,350  
you have a direct connection with the

244  
00:11:03,690 --> 00:11:08,940  
brother you can do so did you keep in

245  
00:11:07,350 --> 00:11:10,230  
touch with anybody bother to discuss how

246  
00:11:08,940 --> 00:11:13,110  
would I keep in touch with anybody

247  
00:11:10,230 --> 00:11:14,759  
matter there's no one even in the

248  
00:11:13,110 --> 00:11:16,528  
military within the government or

249  
00:11:14,759 --> 00:11:17,250  
keeping track or something that is

250  
00:11:16,528 --> 00:11:20,289  
classified

251  
00:11:17,250 --> 00:11:22,450  
unless you're directly involved in it

252  
00:11:20,289 --> 00:11:24,370  
well I mean this is a speculation on my

253  
00:11:22,450 --> 00:11:25,870  
part as to why any government would

254  
00:11:24,370 --> 00:11:28,960  
cover this information up and I'll

255  
00:11:25,870 --> 00:11:30,929  
reiterate speculation but I would

256  
00:11:28,960 --> 00:11:34,240  
imagine if there were structured craft

257

00:11:30,929 --> 00:11:38,079  
of unknown origin that could penetrate

258  
00:11:34,240 --> 00:11:40,000  
very sensitive aerospace and and fly

259  
00:11:38,080 --> 00:11:43,360  
rings around our fastest jets with

260  
00:11:40,000 --> 00:11:44,830  
impunity that no military who we pay

261  
00:11:43,360 --> 00:11:46,600  
them to protect us would ever want to

262  
00:11:44,830 --> 00:11:49,270  
relinquish that type of information to

263  
00:11:46,600 --> 00:11:50,200  
the general public I mean you know we

264  
00:11:49,269 --> 00:11:52,059  
keep measuring they're making that

265  
00:11:50,200 --> 00:11:53,050  
statement hey there's the structured

266  
00:11:52,059 --> 00:11:55,479  
craft I don't know where they come from

267  
00:11:53,049 --> 00:11:57,699  
we have no control over them they fly

268  
00:11:55,480 --> 00:12:00,129  
around on our secret and private

269  
00:11:57,700 --> 00:12:00,670  
aerospace with improv impunity and thank

270  
00:12:00,129 --> 00:12:02,730  
you and good night

271  
00:12:00,669 --> 00:12:05,769

I mean III can't imagine why they would

272

00:12:02,730 --> 00:12:07,930

disclose that type of information there

273

00:12:05,769 --> 00:12:10,480

is a serious possibility that we are

274

00:12:07,929 --> 00:12:14,379

being visited and have been visited for

275

00:12:10,480 --> 00:12:17,320

many years by people from outer space

276

00:12:14,379 --> 00:12:20,230

from other civilizations since the

277

00:12:17,320 --> 00:12:22,660

subject is clearly of great interests of

278

00:12:20,230 --> 00:12:25,050

public I think that the senator

279

00:12:22,659 --> 00:12:27,850

community owes it to the public to

280

00:12:25,049 --> 00:12:32,169

really pay attentions of subject and

281

00:12:27,850 --> 00:12:34,269

make a thorough extensive and careful

282

00:12:32,169 --> 00:12:35,949

investigation a story this big there's

283

00:12:34,269 --> 00:12:37,269

no way it could be kept secret from the

284

00:12:35,950 --> 00:12:38,650

public what do you say to someone like

285

00:12:37,269 --> 00:12:43,600

that

286  
00:12:38,649 --> 00:12:44,949  
well some say it's a very significant

287  
00:12:43,600 --> 00:12:47,139  
story it's a difficult story to walk

288  
00:12:44,950 --> 00:12:49,420  
away from you know once you're involved

289  
00:12:47,139 --> 00:12:51,370  
with it as much as as Iban or you that

290  
00:12:49,419 --> 00:12:54,009  
you are now it's like you recognize some

291  
00:12:51,370 --> 00:12:55,839  
truth you speak hypothetically to people

292  
00:12:54,009 --> 00:12:57,069  
and they all say to you categorically

293  
00:12:55,839 --> 00:13:00,040  
wow it would be with the greatest

294  
00:12:57,070 --> 00:13:01,300  
discovery of our time and yet they're

295  
00:13:00,039 --> 00:13:03,250  
not willing to look at the evidence to

296  
00:13:01,299 --> 00:13:05,049  
realize that this is actually going on

297  
00:13:03,250 --> 00:13:07,149  
this information is being kept from us

298  
00:13:05,049 --> 00:13:08,049  
and that you know it quite honestly it

299  
00:13:07,149 --> 00:13:09,610  
pissed me off

300  
00:13:08,049 --> 00:13:11,799  
you know and that's what would draw our

301  
00:13:09,610 --> 00:13:13,389  
driving force behind me is that is that

302  
00:13:11,799 --> 00:13:15,159  
I don't think it's fair that that

303  
00:13:13,389 --> 00:13:16,250  
information is kept for a select few and

304  
00:13:15,159 --> 00:13:18,829  
not share with the world

305  
00:13:16,250 --> 00:13:21,679  
the discovery that we are being visited

306  
00:13:18,830 --> 00:13:23,360  
by extraterrestrials would be one of the

307  
00:13:21,679 --> 00:13:26,179  
greatest a human history

308  
00:13:23,360 --> 00:13:28,430  
such a discovery would profoundly alter

309  
00:13:26,179 --> 00:13:31,719  
the perception of ourselves and our

310  
00:13:28,429 --> 00:13:31,719  
place in the universe
