

1
00:00:19,789 --> 00:00:25,140
my name is Renato long gato and Peruvian

2
00:00:22,500 --> 00:00:27,480
and I've been living in the United

3
00:00:25,140 --> 00:00:31,320
States of America Atlanta Georgia since

4
00:00:27,480 --> 00:00:33,920
1994 being involved in the ET presents

5
00:00:31,320 --> 00:00:36,380
UFO phenomenon since I was 17 years old

6
00:00:33,920 --> 00:00:41,340
so there was a bunch of years ago this

7
00:00:36,380 --> 00:00:44,550
is 1979 first of all I want to really

8
00:00:41,340 --> 00:00:48,390
thinks Francisco Korea his lovely wife

9
00:00:44,549 --> 00:00:50,849
Luisana his sister-in-law fernando de

10
00:00:48,390 --> 00:00:53,850
Silva for all the effort they have put

11
00:00:50,850 --> 00:00:55,920
in this conference and it's gonna be the

12
00:00:53,850 --> 00:00:58,698
first time and you got my full support

13
00:00:55,920 --> 00:01:03,410
Francisco for example it is portable

14
00:00:58,698 --> 00:01:03,409
thank you so much for invitation

15
00:01:06,890 --> 00:01:11,900
I'm not a member of EXO qualities and a

16
00:01:09,500 --> 00:01:15,978
guest speaker I'm independent on

17
00:01:11,900 --> 00:01:18,770
researcher and author was hired by the

18
00:01:15,978 --> 00:01:21,530
Peruvian government in 1991 to research

19
00:01:18,769 --> 00:01:24,049
about non-traditional tourism yes the

20
00:01:21,530 --> 00:01:26,478
government pay me to research about

21
00:01:24,049 --> 00:01:29,658
non-traditional tourism in other word

22
00:01:26,478 --> 00:01:32,329
mystical tourism esoteric tourism for

23
00:01:29,659 --> 00:01:35,450
one year and a half so I was paid to

24
00:01:32,329 --> 00:01:38,118
travel the coast of Peru the highlands

25
00:01:35,450 --> 00:01:40,728
and the Amazon basin and have these

26
00:01:38,118 --> 00:01:43,430
encounters with real shannon's visiting

27
00:01:40,728 --> 00:01:45,739
hot spots uniformed power places and

28
00:01:43,430 --> 00:01:47,930
even had contact with tour guides and

29

00:01:45,739 --> 00:01:50,569
other researches to know I have real

30
00:01:47,930 --> 00:01:52,450
life experience one thing is theory

31
00:01:50,569 --> 00:01:56,148
which is good the other thing is

32
00:01:52,450 --> 00:01:59,210
experienced practice to have seen UFO

33
00:01:56,149 --> 00:02:01,460
sightings change your life and when I

34
00:01:59,209 --> 00:02:04,909
was 17 years old and I was watching a TV

35
00:02:01,459 --> 00:02:08,030
show by myself in my home in Lima Peru i

36
00:02:04,909 --> 00:02:10,849
was able to have a UFO sighting that

37
00:02:08,030 --> 00:02:12,769
changed my life completely two weeks

38
00:02:10,849 --> 00:02:14,329
later I have a second UFO sighting with

39
00:02:12,769 --> 00:02:16,700
my oldest brother while he was driving

40
00:02:14,329 --> 00:02:18,590
his truck on the way back home in that

41
00:02:16,699 --> 00:02:21,619
time we used to live in a suburban area

42
00:02:18,590 --> 00:02:25,729
of linger on the third time two weeks

43
00:02:21,620 --> 00:02:29,989

later I was inmate 1979 we'll also have

44

00:02:25,729 --> 00:02:33,439

another third UFO sighting a UFO at this

45

00:02:29,989 --> 00:02:36,739

kind of metallic shape shining object it

46

00:02:33,439 --> 00:02:39,340

was above our house moving around in a

47

00:02:36,739 --> 00:02:42,680

pentagonal or hexagonal movement

48

00:02:39,340 --> 00:02:45,439

intimated story short in 1985 I have an

49

00:02:42,680 --> 00:02:48,829

extraordinary experience which is so

50

00:02:45,439 --> 00:02:50,930

also known as I close encounter so in

51

00:02:48,829 --> 00:02:53,750

resistant mrs. Anson information that is

52

00:02:50,930 --> 00:02:55,610

a magnet special I just have a testimony

53

00:02:53,750 --> 00:02:58,159

I'm a witness on the extraordinary

54

00:02:55,610 --> 00:03:02,090

reality and that's why I'm here to share

55

00:02:58,159 --> 00:03:03,709

with you a paradigm paradigm 2012 I'm

56

00:03:02,090 --> 00:03:05,209

not going to talk about the Mayan

57

00:03:03,709 --> 00:03:07,250

calendar or any prophecies or

58
00:03:05,209 --> 00:03:08,719
predictions i'm going to give you an

59
00:03:07,250 --> 00:03:12,219
interpretation of this extraordinary

60
00:03:08,719 --> 00:03:14,870
reality a paradigm is a model or

61
00:03:12,219 --> 00:03:17,209
understanding of a reality

62
00:03:14,870 --> 00:03:20,360
worldview is trying to interpret that

63
00:03:17,209 --> 00:03:22,459
reality is not the last word but at the

64
00:03:20,360 --> 00:03:25,640
present it helps me to understand much

65
00:03:22,459 --> 00:03:28,640
better this complex situation which is

66
00:03:25,639 --> 00:03:30,500
the presence of alien sophisticated

67
00:03:28,639 --> 00:03:32,929
civilizations visiting the planet Earth

68
00:03:30,500 --> 00:03:36,919
and what they are doing here why are

69
00:03:32,930 --> 00:03:39,349
they so attached in a subtle way with

70
00:03:36,919 --> 00:03:41,268
the American government while many

71
00:03:39,348 --> 00:03:44,479
people are asking about conspiracy

72
00:03:41,269 --> 00:03:48,349
theories you know to know about what's

73
00:03:44,479 --> 00:03:52,280
happened with harp on other viral

74
00:03:48,348 --> 00:03:55,339
information that it practically confuse

75
00:03:52,280 --> 00:03:57,318
people this is it this is the time at

76
00:03:55,340 --> 00:03:59,329
the moment we have to give Sonny

77
00:03:57,318 --> 00:04:00,858
information for you to think not to

78
00:03:59,329 --> 00:04:03,650
convince anybody just to make you think

79
00:04:00,859 --> 00:04:06,230
the possibility the greatest possibility

80
00:04:03,650 --> 00:04:08,450
almost impossible and unthinkable that

81
00:04:06,229 --> 00:04:11,358
alien sophisticated civilizations are

82
00:04:08,449 --> 00:04:13,759
visiting us here on earth because there

83
00:04:11,359 --> 00:04:16,489
is something else which is going to come

84
00:04:13,759 --> 00:04:19,209
in the next years in the future with in

85
00:04:16,488 --> 00:04:22,609
time we will find out more information

86

00:04:19,209 --> 00:04:25,490
information will reveal us a new

87
00:04:22,610 --> 00:04:28,788
perspective a new worldview and we will

88
00:04:25,490 --> 00:04:31,030
have a different awareness which is

89
00:04:28,788 --> 00:04:33,500
going to make us understand the future

90
00:04:31,029 --> 00:04:37,129
possibilities infinite possibilities

91
00:04:33,500 --> 00:04:39,649
that humankind can have so this is an

92
00:04:37,129 --> 00:04:42,709
interpretation only so we're going to

93
00:04:39,649 --> 00:04:52,779
have a brainstorm kind of conference

94
00:04:42,709 --> 00:04:58,120
paradigm 2012 in 1947 1947 is a special

95
00:04:52,779 --> 00:05:02,569
year because in that time in 1947 jun 24

96
00:04:58,120 --> 00:05:05,149
1947 kenneth arnold have a pre code in

97
00:05:02,569 --> 00:05:08,389
my opinion a pre coordinated encounter

98
00:05:05,149 --> 00:05:10,788
in jun 24 1947 kenneth arnold was a

99
00:05:08,389 --> 00:05:13,788
businessman was a person of impeccable

100
00:05:10,788 --> 00:05:15,469

records and later he became and he was a

101

00:05:13,788 --> 00:05:18,050

congressman for a united states of

102

00:05:15,470 --> 00:05:21,169

america he was a person who coined the

103

00:05:18,050 --> 00:05:24,829

term flying saucer with never before

104

00:05:21,168 --> 00:05:28,039

have the idea of UFO unified you need a

105

00:05:24,829 --> 00:05:31,519

defined flagging objects but the turn

106

00:05:28,040 --> 00:05:34,160

to have in mind a picture of a flying

107

00:05:31,519 --> 00:05:38,509

saucer came from Kenneth R know what he

108

00:05:34,160 --> 00:05:40,610

was flying his Piper are playing in 1947

109

00:05:38,509 --> 00:05:42,920

near Mount Rainier in one sheet on his

110

00:05:40,610 --> 00:05:45,230

state not Washington DC washington

111

00:05:42,920 --> 00:05:47,600

estate in the northern west coast of the

112

00:05:45,230 --> 00:05:50,840

United States he was able to see a fleet

113

00:05:47,600 --> 00:05:53,120

of look like flying saucers when he

114

00:05:50,839 --> 00:05:55,219

landed all the information becomes hot

115
00:05:53,120 --> 00:05:57,709
and all the press in the radio in that

116
00:05:55,220 --> 00:05:59,960
time decided to spread the news that

117
00:05:57,709 --> 00:06:03,739
someone for the very first time says

118
00:05:59,959 --> 00:06:07,759
I've seen flying saucers from now on he

119
00:06:03,740 --> 00:06:12,019
studied a new modern era of ethology 24

120
00:06:07,759 --> 00:06:15,909
of june nineteen forty-seven then in

121
00:06:12,019 --> 00:06:19,879
july just a few weeks later 19 june july

122
00:06:15,910 --> 00:06:23,240
seven 1947 was an alleged UFO crash in

123
00:06:19,879 --> 00:06:25,790
roseville adding you know talk by paola

124
00:06:23,240 --> 00:06:30,100
and order of my colleagues here in this

125
00:06:25,790 --> 00:06:34,640
workshop seminar then on September 23rd

126
00:06:30,100 --> 00:06:37,730
1947 to remember jun 24 july seven 1947

127
00:06:34,639 --> 00:06:40,189
and Ingo September 23rd 1947 the Air

128
00:06:37,730 --> 00:06:42,740
Force lieutenant colonel Nathan T

129
00:06:40,189 --> 00:06:46,160
twining sent a report to his superiors

130
00:06:42,740 --> 00:06:49,629
saying that UFOs are not fiction or

131
00:06:46,160 --> 00:06:52,430
vision they are real so since 1947

132
00:06:49,629 --> 00:06:55,159
happened this in a very short period of

133
00:06:52,430 --> 00:06:57,379
time and there was a reason right after

134
00:06:55,160 --> 00:06:59,870
the Second World War it had been in the

135
00:06:57,379 --> 00:07:01,519
United States of America but as said at

136
00:06:59,870 --> 00:07:04,730
the beginning of the lecture is that is

137
00:07:01,519 --> 00:07:06,979
a subtle relation with a low profile of

138
00:07:04,730 --> 00:07:08,900
ancient civilizations they had to deal

139
00:07:06,980 --> 00:07:11,540
with the American government through the

140
00:07:08,899 --> 00:07:14,209
decades from the 40s to the 50s to the

141
00:07:11,540 --> 00:07:16,790
60s to the 70s the 80s and 90s and the

142
00:07:14,209 --> 00:07:19,699
new millennium it has been involved with

143

00:07:16,790 --> 00:07:21,560
in time and we appear tension to the

144
00:07:19,699 --> 00:07:24,069
parallel situation that happened between

145
00:07:21,560 --> 00:07:27,259
the ethyl ester presence and

146
00:07:24,069 --> 00:07:28,750
geopolitical changes social dynamics

147
00:07:27,259 --> 00:07:30,969
that has shaped

148
00:07:28,750 --> 00:07:32,319
history of the planet we were understand

149
00:07:30,970 --> 00:07:34,840
that is something going on something

150
00:07:32,319 --> 00:07:41,110
subtle we had to look and read between

151
00:07:34,839 --> 00:07:43,569
the lines George Adamski was the first

152
00:07:41,110 --> 00:07:46,930
person who said that he had a physical

153
00:07:43,569 --> 00:07:49,000
contact a contact t for the very first

154
00:07:46,930 --> 00:07:52,480
time again besides flying saucers that

155
00:07:49,000 --> 00:07:55,209
are real you have the word contactee a

156
00:07:52,480 --> 00:07:58,480
human being a person who thinks and

157
00:07:55,209 --> 00:08:00,759

claim have a contact with an alien with

158

00:07:58,480 --> 00:08:04,540

an exaggeration according to George

159

00:08:00,759 --> 00:08:07,360

Adamski and mid 50s he have a contact

160

00:08:04,540 --> 00:08:09,970

with people from these aliens from Venus

161

00:08:07,360 --> 00:08:12,580

according to the state george allen key

162

00:08:09,970 --> 00:08:14,650

was a person very special he have

163

00:08:12,579 --> 00:08:17,529

already a background in esoteric and

164

00:08:14,649 --> 00:08:20,259

fellow Eastern philosophies meditation

165

00:08:17,529 --> 00:08:22,509

concentration and all that kept the

166

00:08:20,259 --> 00:08:25,449

practices I had to do with consciousness

167

00:08:22,509 --> 00:08:28,329

awareness so with that background after

168

00:08:25,449 --> 00:08:30,370

a the years of preparation he had this

169

00:08:28,329 --> 00:08:34,240

encounter in the desert in California

170

00:08:30,370 --> 00:08:36,129

with an alleged alien from Venus that

171

00:08:34,240 --> 00:08:38,710

gave me information at the dictions for

172
00:08:36,129 --> 00:08:41,830
the future he was the first one the

173
00:08:38,710 --> 00:08:48,550
pioneer of the modern era of contactees

174
00:08:41,830 --> 00:08:50,440
right after the Second World War ok then

175
00:08:48,549 --> 00:08:53,289
we have another two more important

176
00:08:50,440 --> 00:08:56,830
American contactees which I call Cold

177
00:08:53,289 --> 00:08:59,799
War contactees in that time the message

178
00:08:56,830 --> 00:09:03,220
was we were on the edge of nuclear

179
00:08:59,799 --> 00:09:05,379
annihilation and kill on overkill the

180
00:09:03,220 --> 00:09:08,830
human race if we don't follow these

181
00:09:05,379 --> 00:09:10,870
indications to try to control nuclear

182
00:09:08,830 --> 00:09:13,780
proliferation because we will danger the

183
00:09:10,870 --> 00:09:16,539
species and human life on the earth just

184
00:09:13,779 --> 00:09:19,419
like that human life on the earth

185
00:09:16,539 --> 00:09:22,959
because the Cold War mentality was a

186
00:09:19,419 --> 00:09:25,539
nuclear relation between Russia and the

187
00:09:22,960 --> 00:09:28,180
United States of America we have

188
00:09:25,539 --> 00:09:30,639
forgotten many things since the second

189
00:09:28,179 --> 00:09:34,120
the end of the second world war and the

190
00:09:30,639 --> 00:09:37,539
Cold War so here we have on the left

191
00:09:34,120 --> 00:09:40,000
Daniel Frye they do they have according

192
00:09:37,539 --> 00:09:41,240
to him according to his testimony a

193
00:09:40,000 --> 00:09:43,519
contact

194
00:09:41,240 --> 00:09:47,269
with a saturated they're talking about

195
00:09:43,519 --> 00:09:49,699
technicalities the future human kind of

196
00:09:47,269 --> 00:09:51,919
how we also we're on the edge of a

197
00:09:49,700 --> 00:09:55,670
nuclear Regulation between the two

198
00:09:51,919 --> 00:09:57,679
superpowers bipolar situation of two

199
00:09:55,669 --> 00:10:00,679
superpowers with different mindsets

200

00:09:57,679 --> 00:10:03,259
different political agendas the near fry

201
00:10:00,679 --> 00:10:06,620
was also a top executive of the Jet

202
00:10:03,259 --> 00:10:09,708
Propulsion Laboratory how convenient how

203
00:10:06,620 --> 00:10:12,080
convenient then we have horror manga the

204
00:10:09,708 --> 00:10:14,809
guy who used to live in New Jersey a

205
00:10:12,080 --> 00:10:17,300
regular man who was a TV radio

206
00:10:14,809 --> 00:10:20,479
technician in that time he was able to

207
00:10:17,299 --> 00:10:22,969
invite evil local policemen doctors and

208
00:10:20,480 --> 00:10:26,810
psychiatrists to see how he was able to

209
00:10:22,970 --> 00:10:31,670
summon UFOs and to record UFOs later on

210
00:10:26,809 --> 00:10:34,639
he was a special work with the US Air

211
00:10:31,669 --> 00:10:37,219
Force in the late fifties and if you

212
00:10:34,639 --> 00:10:40,610
google the name and i suggest you to do

213
00:10:37,220 --> 00:10:42,920
so of horror manga and have these four

214
00:10:40,610 --> 00:10:45,230

paths series of interviews in the last

215

00:10:42,919 --> 00:10:48,349

interview his last interview alive when

216

00:10:45,230 --> 00:10:50,570

he was 80-some years old he says they

217

00:10:48,350 --> 00:10:54,680

told me and that video was recorded

218

00:10:50,570 --> 00:10:59,000

around mid 80s late 80s his last videos

219

00:10:54,679 --> 00:11:03,919

his last interviews Hornberger said they

220

00:10:59,000 --> 00:11:06,320

told me they will be back in 2012 how

221

00:11:03,919 --> 00:11:10,610

convenient what a coincidence if you

222

00:11:06,320 --> 00:11:15,670

believe in coincidences betty and barney

223

00:11:10,610 --> 00:11:19,039

hill the hill abduction case in 1961

224

00:11:15,669 --> 00:11:22,639

what is the thing very uncommon of this

225

00:11:19,039 --> 00:11:26,569

case is the first known abduction case

226

00:11:22,639 --> 00:11:28,250

in the history first you have you know

227

00:11:26,570 --> 00:11:30,680

the one who coined the term flying

228

00:11:28,250 --> 00:11:33,200

saucer in the 24th of june nineteen

229
00:11:30,679 --> 00:11:36,439
forty-seven but get it Arnold then you

230
00:11:33,200 --> 00:11:38,509
have in the seven July seventh nineteen

231
00:11:36,440 --> 00:11:41,570
forty-seven the alleged UFO crash in

232
00:11:38,509 --> 00:11:45,049
Roswell then you have George Adamski the

233
00:11:41,570 --> 00:11:48,410
first contact e in the early 50s then

234
00:11:45,049 --> 00:11:51,198
you have a horror manga and then I'll

235
00:11:48,409 --> 00:11:53,539
fry the Cold War contact is trying to

236
00:11:51,198 --> 00:11:55,639
tell the testimony that we have to be

237
00:11:53,539 --> 00:11:58,009
careful not to play with nuclear bombs

238
00:11:55,639 --> 00:12:00,589
of course contacted were not the only

239
00:11:58,009 --> 00:12:02,539
ones Bertrand Russell and other

240
00:12:00,589 --> 00:12:03,889
scientists and philosophers and people

241
00:12:02,539 --> 00:12:05,899
who were intellectuals in that time

242
00:12:03,889 --> 00:12:08,269
we're telling about the dangers of

243
00:12:05,899 --> 00:12:11,990
nuclear proliferation not only contact

244
00:12:08,269 --> 00:12:14,360
is of course but here we have in 1961

245
00:12:11,990 --> 00:12:16,310
the beginning of the 60s very important

246
00:12:14,360 --> 00:12:18,230
decade in the United States and in the

247
00:12:16,309 --> 00:12:22,129
Western world you have a bi-racial

248
00:12:18,230 --> 00:12:25,778
couple being abducted now if we think a

249
00:12:22,129 --> 00:12:29,208
little bit why from millions of

250
00:12:25,778 --> 00:12:31,909
calculations of white people married in

251
00:12:29,208 --> 00:12:36,739
that time the extra-terrestrial decided

252
00:12:31,909 --> 00:12:38,689
to choose a bi-racial couple why in that

253
00:12:36,740 --> 00:12:42,620
time the population the United States

254
00:12:38,690 --> 00:12:47,180
was 180 million people plus people now

255
00:12:42,620 --> 00:12:51,078
is 325 million plus people so one couple

256
00:12:47,179 --> 00:12:54,559
every 1,200 inhabitants were by racial

257

00:12:51,078 --> 00:12:58,759
and this happening in the northing is

258
00:12:54,559 --> 00:13:01,309
coached in that time what was happening

259
00:12:58,759 --> 00:13:03,559
in that time in American society the

260
00:13:01,309 --> 00:13:08,299
civil rights movement with Martin Luther

261
00:13:03,559 --> 00:13:12,018
King what is happening in 1961 if you

262
00:13:08,299 --> 00:13:13,909
want to know between the lines barack

263
00:13:12,019 --> 00:13:17,360
obama was born for another biracial

264
00:13:13,909 --> 00:13:18,679
couple isn't that interesting do you

265
00:13:17,360 --> 00:13:22,610
think there is something going on in

266
00:13:18,679 --> 00:13:25,609
between the lines let's go back for the

267
00:13:22,610 --> 00:13:29,568
very first time the term abductees were

268
00:13:25,610 --> 00:13:33,250
in the nomenklatura in the world of the

269
00:13:29,568 --> 00:13:37,519
ufology contact these flying saucers

270
00:13:33,250 --> 00:13:39,379
abduction in 1964 all they researched by

271
00:13:37,519 --> 00:13:42,528

done by psychologists and psychiatrists

272

00:13:39,379 --> 00:13:43,970

about the regression they heed not be

273

00:13:42,528 --> 00:13:45,588

therapy that they had to follow because

274

00:13:43,970 --> 00:13:47,959

eka terrible nightmares they have

275

00:13:45,589 --> 00:13:51,079

missing time and they were validated

276

00:13:47,958 --> 00:13:53,268

that was in 1964 when he was done I'm

277

00:13:51,078 --> 00:13:56,149

for the very first time even they were

278

00:13:53,269 --> 00:13:58,669

able to have a TV show in the

279

00:13:56,149 --> 00:14:03,199

if i'm not wrong a film a local film

280

00:13:58,669 --> 00:14:05,269

done by a producer in Hollywood and it

281

00:14:03,200 --> 00:14:07,550

was released on American TV station

282

00:14:05,269 --> 00:14:10,029

about this play body burning Hills story

283

00:14:07,549 --> 00:14:13,219

so everything went into the mass media

284

00:14:10,029 --> 00:14:15,439

to educate people that they were capable

285

00:14:13,220 --> 00:14:17,660

to have this experience incredible

286
00:14:15,440 --> 00:14:20,810
experience unbelievable and think the

287
00:14:17,659 --> 00:14:23,750
whole experience of abductions who would

288
00:14:20,809 --> 00:14:27,139
have imagined that a couple abducted by

289
00:14:23,750 --> 00:14:29,659
aliens and being you know tests with

290
00:14:27,139 --> 00:14:31,939
medical instruments capable to remember

291
00:14:29,659 --> 00:14:35,269
places even in the cosmos and said

292
00:14:31,940 --> 00:14:37,520
according to the testimony of the hill

293
00:14:35,269 --> 00:14:40,370
that they came from Zeta Reticuli

294
00:14:37,519 --> 00:14:44,000
constellation according to her she even

295
00:14:40,370 --> 00:14:46,580
had this information 1961 in the same

296
00:14:44,000 --> 00:14:48,919
year Martin Luther care Martin Luther

297
00:14:46,580 --> 00:14:50,840
King excuse me was the leader of the

298
00:14:48,919 --> 00:14:52,669
civil rights movement in the moment of

299
00:14:50,840 --> 00:14:55,070
food upper haight in the United States

300
00:14:52,669 --> 00:14:58,429
of America in that same year another

301
00:14:55,070 --> 00:15:01,610
variation couple have a baby Barack

302
00:14:58,429 --> 00:15:07,189
Obama the future President of the United

303
00:15:01,610 --> 00:15:11,320
States then we have forgotten the good

304
00:15:07,190 --> 00:15:14,510
research then then than by Paula Harris

305
00:15:11,320 --> 00:15:19,040
about the problem with nukes and

306
00:15:14,509 --> 00:15:22,159
missiles have also revived the old story

307
00:15:19,039 --> 00:15:25,399
that we can kill ourselves we have

308
00:15:22,159 --> 00:15:28,219
forgotten the Cuban crisis missile the

309
00:15:25,399 --> 00:15:30,439
happening in the 60s you read the

310
00:15:28,220 --> 00:15:33,050
biography of the Secretary of Defense

311
00:15:30,440 --> 00:15:35,300
Robert McNamara who was a creature

312
00:15:33,049 --> 00:15:39,979
defense under JFK John Fitzgerald

313
00:15:35,299 --> 00:15:42,079
Kennedy and then by lyndon b johnson you

314

00:15:39,980 --> 00:15:45,980
will remember that we were close in

315
00:15:42,080 --> 00:15:48,259
seven to two hours on a 13-day crisis to

316
00:15:45,980 --> 00:15:50,539
kill ourselves but we have forgotten

317
00:15:48,259 --> 00:15:53,120
about that i was happening in the

318
00:15:50,539 --> 00:15:55,879
sixties people who were in that time in

319
00:15:53,120 --> 00:15:57,950
the 60s you know would I remember how in

320
00:15:55,879 --> 00:16:00,620
that time in the United States the

321
00:15:57,950 --> 00:16:01,220
children were taught and trained to be

322
00:16:00,620 --> 00:16:03,049
under

323
00:16:01,220 --> 00:16:05,449
this in the case of a nuclear explosion

324
00:16:03,049 --> 00:16:08,088
if that would help to be under the desk

325
00:16:05,448 --> 00:16:11,088
after a nuclear explosion but there was

326
00:16:08,089 --> 00:16:13,220
a time he that would have happened humor

327
00:16:11,089 --> 00:16:15,889
would be you know wipe out part of

328
00:16:13,220 --> 00:16:18,350

northern mexico and florida would have

329

00:16:15,889 --> 00:16:20,839

been right now a complete contaminated

330

00:16:18,350 --> 00:16:22,519

area and the rest of the other Latin

331

00:16:20,839 --> 00:16:26,180

countries and the United States

332

00:16:22,519 --> 00:16:27,769

contaminated for decades history would

333

00:16:26,179 --> 00:16:29,929

have changed completely perhaps we would

334

00:16:27,769 --> 00:16:32,149

have learned more things but for some

335

00:16:29,929 --> 00:16:34,969

reason didn't happen so we have

336

00:16:32,149 --> 00:16:37,339

forgotten that the mindsets of the Cold

337

00:16:34,970 --> 00:16:39,199

War when Nikita Khrushchev what the

338

00:16:37,339 --> 00:16:42,110

General Secretary of the Communist Party

339

00:16:39,198 --> 00:16:45,490

was thinking that John official Kennedy

340

00:16:42,110 --> 00:16:49,220

was a person completely out of touch

341

00:16:45,490 --> 00:16:51,470

spoiler rich man incapable to have pets

342

00:16:49,220 --> 00:16:56,629

and to confront the russian revolution

343
00:16:51,470 --> 00:16:58,310
of the USSR the format Soviet Union John

344
00:16:56,629 --> 00:17:00,409
Fisher like any was thinking at the same

345
00:16:58,309 --> 00:17:03,768
time I don't think that Nikita Khrushchev

346
00:17:00,409 --> 00:17:08,000
would be so stupid to transfer transfer

347
00:17:03,769 --> 00:17:09,859
and transport new Kissel's into Cuba to

348
00:17:08,000 --> 00:17:12,919
try to attack us in Florida it's

349
00:17:09,859 --> 00:17:15,078
impossible but it happened and you

350
00:17:12,919 --> 00:17:18,829
googled information of Robert McNamara

351
00:17:15,078 --> 00:17:22,178
in his testimony you know the the fog of

352
00:17:18,828 --> 00:17:25,730
war the fault of war he will declare

353
00:17:22,179 --> 00:17:27,980
Kennedy Fidel Castro and Nikita

354
00:17:25,730 --> 00:17:30,740
Khrushchev were intelligent rational

355
00:17:27,980 --> 00:17:33,610
people and his make like this we were

356
00:17:30,740 --> 00:17:35,509
close like this to kill ourselves

357
00:17:33,609 --> 00:17:38,149
intelligent rational people with

358
00:17:35,509 --> 00:17:41,089
mindsets with war worldviews completely

359
00:17:38,150 --> 00:17:42,590
different could kill all of us and the

360
00:17:41,089 --> 00:17:44,750
rest of the country has nothing to do

361
00:17:42,589 --> 00:17:47,178
with the Cold War would i pay the

362
00:17:44,750 --> 00:17:49,940
consequences we were very close but we

363
00:17:47,179 --> 00:17:52,580
have forgotten we were forgetting about

364
00:17:49,940 --> 00:17:56,360
that is not good we have always to

365
00:17:52,579 --> 00:17:59,538
remember history and there was under

366
00:17:56,359 --> 00:18:02,869
cosmic surveillance because the club the

367
00:17:59,538 --> 00:18:05,288
club of atomic weapons increase with

368
00:18:02,869 --> 00:18:08,629
friends in the nineteen sixty-five not

369
00:18:05,288 --> 00:18:10,960
rounding in 1962 with China and then we

370
00:18:08,630 --> 00:18:14,269
have something else besides atomic bombs

371

00:18:10,960 --> 00:18:16,489
hydrogen bombs hopin it isn't

372
00:18:14,269 --> 00:18:19,778
we are so intelligent we have a new

373
00:18:16,489 --> 00:18:22,129
super invention hydrogen bombs so

374
00:18:19,778 --> 00:18:24,499
according to this perspective according

375
00:18:22,128 --> 00:18:28,329
to this paradigm there was a cosmic

376
00:18:24,499 --> 00:18:31,608
surveillance to try to find out why USA

377
00:18:28,329 --> 00:18:34,939
USSR England have nukes and hydrogen

378
00:18:31,608 --> 00:18:37,158
bombs Francine 1960 and Chinese 1964

379
00:18:34,940 --> 00:18:39,739
excuse me he created a potential

380
00:18:37,159 --> 00:18:41,929
scenario for total annihilation of the

381
00:18:39,739 --> 00:18:46,909
human race and balance of power and

382
00:18:41,929 --> 00:18:49,459
conflicts on March 1790s 1967's policy

383
00:18:46,909 --> 00:18:51,440
the secret monster on base with 20

384
00:18:49,459 --> 00:18:53,359
missiles was shut down after a UFO

385
00:18:51,440 --> 00:18:56,298

wessing and told by Captain Robert Salas

386

00:18:53,358 --> 00:18:58,338

you have to go to powder Harry's website

387

00:18:56,298 --> 00:19:02,028

and she have a full interview a Captain

388

00:18:58,338 --> 00:19:04,038

Robert Salas with a hero because he's

389

00:19:02,028 --> 00:19:08,209

telling the truth that they were closed

390

00:19:04,038 --> 00:19:10,819

also to find out how a technology and

391

00:19:08,209 --> 00:19:14,209

noble human intelligence capable to shut

392

00:19:10,819 --> 00:19:17,509

down minuteman missiles at their will in

393

00:19:14,209 --> 00:19:19,969

a secret base that means they should not

394

00:19:17,509 --> 00:19:23,389

also about Chinese missiles Russian

395

00:19:19,969 --> 00:19:25,788

missiles British missiles friends miss

396

00:19:23,388 --> 00:19:28,519

our Chinese missiles and being a capable

397

00:19:25,788 --> 00:19:30,919

to give send a signal that's to send a

398

00:19:28,519 --> 00:19:33,138

signal to the world to the military and

399

00:19:30,919 --> 00:19:36,979

political elite and said we can shut

400
00:19:33,138 --> 00:19:38,808
down your missiles anytime we want does

401
00:19:36,979 --> 00:19:40,639
the message they are not playing

402
00:19:38,808 --> 00:19:42,979
according to our worldview and

403
00:19:40,638 --> 00:19:46,578
rationality thinking although you stop

404
00:19:42,979 --> 00:19:49,249
that why because there was a couple of

405
00:19:46,578 --> 00:19:52,668
years ago in 1963 we almost kill

406
00:19:49,249 --> 00:19:55,278
ourselves so slow down you're going too

407
00:19:52,669 --> 00:19:57,919
far you are increasing the potential

408
00:19:55,278 --> 00:20:02,239
scenario of nuclear annihilation because

409
00:19:57,919 --> 00:20:04,669
of your mindsets it's here how you see

410
00:20:02,239 --> 00:20:07,519
an interpret reality as back on set

411
00:20:04,669 --> 00:20:09,889
earlier so what you see is what you

412
00:20:07,519 --> 00:20:14,808
create so it all depends how is our

413
00:20:09,888 --> 00:20:16,338
world world view in the 60s we have a

414
00:20:14,808 --> 00:20:20,358
decade of great social and political

415
00:20:16,338 --> 00:20:25,519
changes among others the American

416
00:20:20,358 --> 00:20:26,908
Society started to experiment with LSD

417
00:20:25,519 --> 00:20:29,788
and other drugs

418
00:20:26,909 --> 00:20:33,440
to have expansion of consciousness in

419
00:20:29,788 --> 00:20:36,598
that also in this in the 60s the

420
00:20:33,440 --> 00:20:39,119
meditational trusted as a resonator

421
00:20:36,598 --> 00:20:40,979
meditation you know the started to

422
00:20:39,118 --> 00:20:43,228
become known as an activity of

423
00:20:40,979 --> 00:20:46,169
meditation from India came all these

424
00:20:43,229 --> 00:20:48,179
gurus back team identity sony prabhupada

425
00:20:46,169 --> 00:20:50,278
with the krishna boomin moved to San

426
00:20:48,179 --> 00:20:52,919
Francisco especially in all the flower

427
00:20:50,278 --> 00:20:54,720
power movement and they gave me all this

428

00:20:52,919 --> 00:20:58,229
information and people started to try to

429
00:20:54,720 --> 00:21:00,239
practice our Vedic vegetarianism center

430
00:20:58,229 --> 00:21:02,869
practice meditation that happened in the

431
00:21:00,239 --> 00:21:05,788
60s it was a cultural revolution

432
00:21:02,868 --> 00:21:07,439
revolutions changed on this cultural so

433
00:21:05,788 --> 00:21:09,898
our worldview change when there's a

434
00:21:07,440 --> 00:21:12,330
cultural revolution how we see the

435
00:21:09,898 --> 00:21:17,668
society how it affects our culture it

436
00:21:12,329 --> 00:21:20,460
can be changed but it can be changed for

437
00:21:17,669 --> 00:21:23,669
good or for bad we have to be always

438
00:21:20,460 --> 00:21:25,409
careful so also in that time eastern

439
00:21:23,669 --> 00:21:28,259
philosophy we're introduced in United

440
00:21:25,409 --> 00:21:31,049
States Carlos Castaneda became the

441
00:21:28,259 --> 00:21:33,028
Godfather a new age movement John

442
00:21:31,048 --> 00:21:35,848

Fitzgerald Kennedy Martin look at kean

443

00:21:33,028 --> 00:21:37,319
were assassinated doctor friend Ray

444

00:21:35,848 --> 00:21:39,148
couch has being also mentioned in

445

00:21:37,319 --> 00:21:41,489
previous lectures have this famous

446

00:21:39,148 --> 00:21:44,758
equation to see the potential of life in

447

00:21:41,489 --> 00:21:47,249
the universe the Telstar satellite first

448

00:21:44,759 --> 00:21:50,220
live broadcasting that means now we're

449

00:21:47,249 --> 00:21:52,200
doing this to the internet soon you can

450

00:21:50,220 --> 00:21:54,419
go and download all this information of

451

00:21:52,200 --> 00:21:57,210
this this in between a few decades all

452

00:21:54,419 --> 00:21:58,830
these changes drew the technology but

453

00:21:57,210 --> 00:22:01,169
everything in started also in the 60s

454

00:21:58,829 --> 00:22:03,418
with the Telstar satellite first library

455

00:22:01,169 --> 00:22:05,879
casting then also study the China

456

00:22:03,419 --> 00:22:09,440
Cultural Revolution how China has

457
00:22:05,878 --> 00:22:12,329
changed lately it has become a hybrid a

458
00:22:09,440 --> 00:22:15,149
communist capitalist country never

459
00:22:12,329 --> 00:22:18,618
before expected not even mao zedong

460
00:22:15,148 --> 00:22:21,868
thought it was going to change this way

461
00:22:18,618 --> 00:22:23,608
jewry Gagarin orbit the earth and then

462
00:22:21,868 --> 00:22:27,178
we have the first men on the moon and

463
00:22:23,608 --> 00:22:30,269
the last very important last oil super

464
00:22:27,179 --> 00:22:34,950
reservoirs is discovered in Sunday

465
00:22:30,269 --> 00:22:38,009
Arabia that was in 1968 since then there

466
00:22:34,950 --> 00:22:38,890
is no great super oil reservoirs in the

467
00:22:38,009 --> 00:22:41,470
world

468
00:22:38,890 --> 00:22:44,470
and according to some the oil is

469
00:22:41,470 --> 00:22:47,769
decreasing we're entering a undulating

470
00:22:44,470 --> 00:22:50,740
plateau of oil depletion and that will

471
00:22:47,769 --> 00:22:53,319
affect our lifestyle not the goal not

472
00:22:50,740 --> 00:22:56,650
the daughter is less oil that's what

473
00:22:53,319 --> 00:22:58,240
everything is rising 3 cents per week is

474
00:22:56,650 --> 00:23:01,540
the gallery increase in other states

475
00:22:58,240 --> 00:23:02,829
three cents per week so when I came back

476
00:23:01,539 --> 00:23:05,379
to United States could have been more

477
00:23:02,829 --> 00:23:07,000
expensive therefore the food there for

478
00:23:05,380 --> 00:23:08,980
the transportation there for the

479
00:23:07,000 --> 00:23:11,619
medicine and they're from all the other

480
00:23:08,980 --> 00:23:13,720
products as a result of petrochemicals a

481
00:23:11,619 --> 00:23:16,750
hydrocarbon products everything

482
00:23:13,720 --> 00:23:19,720
inspected like that because we depend on

483
00:23:16,750 --> 00:23:22,029
that kind of energy so the revolution of

484
00:23:19,720 --> 00:23:23,769
new energy could be the solution it

485

00:23:22,029 --> 00:23:26,579
depends also what kind of promise is

486
00:23:23,769 --> 00:23:29,500
going to bring so that depends on how we

487
00:23:26,579 --> 00:23:33,339
assess these new realities these new

488
00:23:29,500 --> 00:23:36,250
possibilities so the 60s was a cult

489
00:23:33,339 --> 00:23:37,809
revolution never experienced before any

490
00:23:36,250 --> 00:23:42,069
happen united state and in express in

491
00:23:37,809 --> 00:23:43,389
the Western countries what happening in

492
00:23:42,069 --> 00:23:46,809
the cement is this is very interesting

493
00:23:43,390 --> 00:23:50,020
in the 70s we have groups that were

494
00:23:46,809 --> 00:23:52,990
created by interaction with

495
00:23:50,019 --> 00:23:55,359
extraterrestrials exactly in the

496
00:23:52,990 --> 00:23:58,150
beginning of the 70s we got here

497
00:23:55,359 --> 00:24:01,359
jean-claude were alone in 1973 who

498
00:23:58,150 --> 00:24:04,150
allege says and claims that he have an

499
00:24:01,359 --> 00:24:06,609

encounter in the French Alps with a

500

00:24:04,150 --> 00:24:09,670

saturated told in the word Elohim the

501

00:24:06,609 --> 00:24:12,490

gods created the genetic manipulators or

502

00:24:09,670 --> 00:24:14,800

the DNA of the human beings if after

503

00:24:12,490 --> 00:24:18,009

that he became rail and air air movement

504

00:24:14,799 --> 00:24:20,589

that six part of the human experience no

505

00:24:18,009 --> 00:24:25,660

one not no one before can claim there is

506

00:24:20,589 --> 00:24:27,759

a manual or or a book how to manage that

507

00:24:25,660 --> 00:24:33,009

extraordinary experience because it's

508

00:24:27,759 --> 00:24:36,579

new perhaps the exit ratios of today's

509

00:24:33,009 --> 00:24:40,269

were the angels of the ancient past in

510

00:24:36,579 --> 00:24:42,759

certain biblical or divine books so we

511

00:24:40,269 --> 00:24:44,529

have gin club or along in 1973 in france

512

00:24:42,759 --> 00:24:47,259

claiming that they have a contact he

513

00:24:44,529 --> 00:24:50,200

became a contact e then we have Enrique

514

00:24:47,259 --> 00:24:52,079

Castillo rincon as policy the et

515

00:24:50,200 --> 00:24:54,419

phenomenon no is not an America

516

00:24:52,079 --> 00:24:56,339

phenomenon is not a Japanese phenomenon

517

00:24:54,419 --> 00:24:58,860

is not a Mexican phenomenon is not a

518

00:24:56,339 --> 00:25:01,349

Portuguese phenomenon it is a worldwide

519

00:24:58,859 --> 00:25:03,629

it's a global phenomenon Enrique Cassio

520

00:25:01,349 --> 00:25:05,879

Lincoln want one of the few people who

521

00:25:03,630 --> 00:25:09,120

have witnesses and even presented

522

00:25:05,880 --> 00:25:11,340

records to united states that he was

523

00:25:09,119 --> 00:25:14,908

real his contacts he conscious were real

524

00:25:11,339 --> 00:25:18,000

then we have Edgar billy mayer in 1975

525

00:25:14,909 --> 00:25:20,730

scuze me the rama group in 1974 which i

526

00:25:18,000 --> 00:25:22,349

used to belong after my experiences i

527

00:25:20,730 --> 00:25:25,440

became a member of the rama group in

528
00:25:22,349 --> 00:25:27,839
that time Travis Walton the famous up

529
00:25:25,440 --> 00:25:29,190
duty fire in the sky the famous

530
00:25:27,839 --> 00:25:31,918
documentario trade was Walter with

531
00:25:29,190 --> 00:25:34,288
plenty of witnesses and records medical

532
00:25:31,919 --> 00:25:37,350
records all these records that he was

533
00:25:34,288 --> 00:25:39,210
abducted and later found in a below the

534
00:25:37,349 --> 00:25:42,298
highway completely traumatized that

535
00:25:39,210 --> 00:25:46,889
happened in the first five years of the

536
00:25:42,298 --> 00:25:49,079
seventies so according to this if we

537
00:25:46,888 --> 00:25:52,469
understand that the extraterrestrials

538
00:25:49,079 --> 00:25:55,859
are cosmic and Tripoli geez these

539
00:25:52,470 --> 00:25:58,950
contact is at the best way to be lenient

540
00:25:55,859 --> 00:26:00,808
pigs to find out how society react to

541
00:25:58,950 --> 00:26:02,519
people who claim to have extraordinary

542

00:26:00,808 --> 00:26:05,460
experience and contact with

543
00:26:02,519 --> 00:26:07,649
extraterrestrials how we find out and as

544
00:26:05,460 --> 00:26:11,220
we create a scenario for a potential

545
00:26:07,648 --> 00:26:13,018
contact with our subjects rested with a

546
00:26:11,220 --> 00:26:14,940
human being and then send them to the

547
00:26:13,019 --> 00:26:16,558
society let's see what happened what

548
00:26:14,940 --> 00:26:18,360
happen is his relationship with your

549
00:26:16,558 --> 00:26:19,980
family what's happening in his workplace

550
00:26:18,359 --> 00:26:21,898
what's happening with the people who

551
00:26:19,980 --> 00:26:25,950
follow certain religion how's it going

552
00:26:21,898 --> 00:26:28,259
to do is he going to increase and put a

553
00:26:25,950 --> 00:26:30,090
glorified in his story so you're gonna

554
00:26:28,259 --> 00:26:32,099
tell you like it is is you're going to

555
00:26:30,089 --> 00:26:34,980
become a guru it's going to try to

556
00:26:32,099 --> 00:26:37,500

convince people or he gonna close and

557

00:26:34,980 --> 00:26:40,950

don't tell anybody because it can affect

558

00:26:37,500 --> 00:26:44,730

his job and personal relationships that

559

00:26:40,950 --> 00:26:46,950

happens so in these five years in the

560

00:26:44,730 --> 00:26:49,440

early seventies we have Janklow very

561

00:26:46,950 --> 00:26:51,450

long again and Rikki Castillo rincon the

562

00:26:49,440 --> 00:26:54,120

rama group Edgar billy mayer Travis

563

00:26:51,450 --> 00:26:57,319

Walton is a sociological experiment and

564

00:26:54,119 --> 00:27:02,169

they have the day after effect let's say

565

00:26:57,319 --> 00:27:05,839

what's your name sir your name guess you

566

00:27:02,170 --> 00:27:08,420

Josie Josie just say finish this

567

00:27:05,839 --> 00:27:10,970

conference he goes into his car start

568

00:27:08,420 --> 00:27:12,470

the aging have a long way back home okay

569

00:27:10,970 --> 00:27:15,019

let's imagine deco just for a moment

570

00:27:12,470 --> 00:27:17,269

okay and then for some reason you see a

571
00:27:15,019 --> 00:27:18,950
light on the sky you slow down and your

572
00:27:17,269 --> 00:27:21,589
car you put the brakes on the side of

573
00:27:18,950 --> 00:27:23,509
the road and then you see a UFO landing

574
00:27:21,589 --> 00:27:25,519
in front of you you jump out of the car

575
00:27:23,509 --> 00:27:27,859
you look excited and you see the door

576
00:27:25,519 --> 00:27:30,139
opening and there is from the craft it

577
00:27:27,859 --> 00:27:35,839
appears in alien said hello jose peace

578
00:27:30,140 --> 00:27:39,110
and love they are in travel the you get

579
00:27:35,839 --> 00:27:41,599
ya think about this think twice baked

580
00:27:39,109 --> 00:27:43,250
rice you have to go back to the car you

581
00:27:41,599 --> 00:27:45,949
go back home and you had to tell the

582
00:27:43,250 --> 00:27:48,680
story just your word perhaps your wife

583
00:27:45,950 --> 00:27:50,090
going to believe you but this your

584
00:27:48,680 --> 00:27:53,210
friends are going to change this

585
00:27:50,089 --> 00:27:55,069
something happen to us a sad thing

586
00:27:53,210 --> 00:27:56,420
happened to go see but they're happening

587
00:27:55,069 --> 00:27:58,899
in real life my friend when it's

588
00:27:56,420 --> 00:28:02,150
happening and I think that in real life

589
00:27:58,900 --> 00:28:04,310
because you change after natural and

590
00:28:02,150 --> 00:28:07,790
experience there's no way to prove it is

591
00:28:04,309 --> 00:28:09,859
your word in the way you behave we have

592
00:28:07,789 --> 00:28:11,389
to understand this but what happened

593
00:28:09,859 --> 00:28:14,599
with all these contact disease that

594
00:28:11,390 --> 00:28:16,220
created groups contact groups contacting

595
00:28:14,599 --> 00:28:18,709
groups and the spreading information

596
00:28:16,220 --> 00:28:20,750
from the seventies to the 80s to the

597
00:28:18,710 --> 00:28:23,299
actual time that's what we have right

598
00:28:20,750 --> 00:28:26,509
now conference like this before there

599

00:28:23,299 --> 00:28:29,359
were no information practically none no

600
00:28:26,509 --> 00:28:31,160
books no seminars no you have to go

601
00:28:29,359 --> 00:28:33,229
belong to this American granulation

602
00:28:31,160 --> 00:28:35,779
beautiful night cup and others as well

603
00:28:33,230 --> 00:28:37,789
to find out information about Orthodox

604
00:28:35,779 --> 00:28:39,410
to follow us but you want to find out

605
00:28:37,789 --> 00:28:41,539
more information about that you have to

606
00:28:39,410 --> 00:28:44,870
be long or have literature from these

607
00:28:41,539 --> 00:28:47,659
groups that is why the use of it is as

608
00:28:44,869 --> 00:28:50,479
cosmic at apologies and use the contact

609
00:28:47,660 --> 00:28:52,279
d as a sociological experiment and the

610
00:28:50,480 --> 00:28:54,650
day after effect is the next day my

611
00:28:52,279 --> 00:28:56,990
friend you have to go back to work you

612
00:28:54,650 --> 00:28:59,180
have to pay your bills you have to be a

613
00:28:56,990 --> 00:29:01,400

husband you have to be a brother again

614

00:28:59,180 --> 00:29:04,190

after that extraordinary spins how that

615

00:29:01,400 --> 00:29:06,440

affect your psychology has it affect

616

00:29:04,190 --> 00:29:08,870

your mind is all depends on the

617

00:29:06,440 --> 00:29:10,940

relationship in your social environment

618

00:29:08,869 --> 00:29:13,789

it's not the same that the enrique

619

00:29:10,940 --> 00:29:16,039

cashiering kong have it from costa rican

620

00:29:13,789 --> 00:29:18,769

he's living in columbia now have this

621

00:29:16,039 --> 00:29:20,359

experience because his social cultural

622

00:29:18,769 --> 00:29:24,079

background is different from billy mayer

623

00:29:20,359 --> 00:29:25,969

is different from Genco very long and is

624

00:29:24,079 --> 00:29:28,789

different from the lumberjack travis

625

00:29:25,970 --> 00:29:30,769

walton they are different because they

626

00:29:28,789 --> 00:29:32,930

are living in different environments to

627

00:29:30,769 --> 00:29:35,569

spread the message to make the people

628
00:29:32,930 --> 00:29:37,430
understand that we are not alone so that

629
00:29:35,569 --> 00:29:41,629
we from that perspective we understand

630
00:29:37,430 --> 00:29:43,940
this is a sociological experiment in the

631
00:29:41,630 --> 00:29:47,060
70s also three decades before the new

632
00:29:43,940 --> 00:29:49,309
millennium exactly one generation before

633
00:29:47,059 --> 00:29:53,089
the new millennium trilogy is before the

634
00:29:49,309 --> 00:29:56,210
new millennium in 1970 and King Hubert

635
00:29:53,089 --> 00:29:58,879
the techno profit declared the pic oil

636
00:29:56,210 --> 00:30:01,039
production in the United States he was

637
00:29:58,880 --> 00:30:04,910
going to happen in 1970 he declared that

638
00:30:01,039 --> 00:30:08,089
in 1956 that the pig production of oil

639
00:30:04,910 --> 00:30:10,730
will start in the 1970 and it was

640
00:30:08,089 --> 00:30:13,279
confirmed by the national academy of

641
00:30:10,730 --> 00:30:18,680
science so he became like technical or

642
00:30:13,279 --> 00:30:21,680
techno profit King Herbert in 1971

643
00:30:18,680 --> 00:30:24,110
Britain would treaty terminated by Nixon

644
00:30:21,680 --> 00:30:26,120
why because they spend millions and

645
00:30:24,109 --> 00:30:29,689
billions of dollars in the Vietnam War

646
00:30:26,119 --> 00:30:31,429
and the Bretton Woods the main terms and

647
00:30:29,690 --> 00:30:35,150
condition the Briton gusta the daughter

648
00:30:31,430 --> 00:30:37,519
was paid or attached to gold not anymore

649
00:30:35,150 --> 00:30:39,140
because that is thought that the slow

650
00:30:37,519 --> 00:30:42,559
and gradual the evaluation of the dollar

651
00:30:39,140 --> 00:30:47,270
within all these decades we forgot about

652
00:30:42,559 --> 00:30:51,349
that to 1972 Francis Crick novel tries

653
00:30:47,269 --> 00:30:53,650
to decode the DNA and LA or gel they

654
00:30:51,349 --> 00:30:57,049
created the theory directed panspermia

655
00:30:53,650 --> 00:31:00,380
theory also mentioned but Adria Garcia

656

00:30:57,049 --> 00:31:04,190
in the previous lecture what hey saying

657
00:31:00,380 --> 00:31:05,930
here francis crick is saying in 1972 at

658
00:31:04,190 --> 00:31:07,640
the beginning of the 70s at the same

659
00:31:05,930 --> 00:31:09,259
time it was all this contact is

660
00:31:07,640 --> 00:31:12,440
happening in different parts of the

661
00:31:09,259 --> 00:31:13,379
world francis crick was saying that it

662
00:31:12,440 --> 00:31:17,009
is not

663
00:31:13,380 --> 00:31:20,580
miracle God did not play dices these

664
00:31:17,009 --> 00:31:24,000
little molecules came by an

665
00:31:20,579 --> 00:31:25,919
extraterrestrial society and they'd

666
00:31:24,000 --> 00:31:28,700
spread here on earth to for the

667
00:31:25,920 --> 00:31:33,240
primitive oceans and the future life

668
00:31:28,700 --> 00:31:36,680
because it can be a miracle someone had

669
00:31:33,240 --> 00:31:40,230
to be sent and i believe it was sent by

670
00:31:36,680 --> 00:31:42,110

extraterrestrial intelligence 1972

671

00:31:40,230 --> 00:31:45,930

Francis Crick came with this theory

672

00:31:42,109 --> 00:31:47,579

after a meeting in Russia with a SETI

673

00:31:45,930 --> 00:31:51,210

program the search for extraterrestrial

674

00:31:47,579 --> 00:31:53,759

intelligence communist version in 1972

675

00:31:51,210 --> 00:31:55,230

so this is not just heat we just woke up

676

00:31:53,759 --> 00:31:56,879

one day and say hey I'm going to have

677

00:31:55,230 --> 00:32:00,240

the theory to explain how life came here

678

00:31:56,880 --> 00:32:02,280

on earth he said after this research and

679

00:32:00,240 --> 00:32:03,960

meeting with all the scientists so at

680

00:32:02,279 --> 00:32:06,059

the same time the parallel what's

681

00:32:03,960 --> 00:32:09,660

happening with ETS was happening also in

682

00:32:06,059 --> 00:32:12,240

the seventies then in 1973 we have the

683

00:32:09,660 --> 00:32:14,790

Caribbean oil embargo there have been

684

00:32:12,240 --> 00:32:18,450

blackmail he doubled at the start or

685
00:32:14,789 --> 00:32:20,399
continue excuse me three more months jpg

686
00:32:18,450 --> 00:32:23,430
the economy of Japan and Germany would

687
00:32:20,400 --> 00:32:26,220
have collapsed completely for the very

688
00:32:23,430 --> 00:32:29,700
first time the Middle East half a

689
00:32:26,220 --> 00:32:32,190
political voice they decided is not is

690
00:32:29,700 --> 00:32:35,069
enough about a political blackmail

691
00:32:32,190 --> 00:32:36,480
because of the Israel middle is always

692
00:32:35,069 --> 00:32:38,460
tension and crisis between the

693
00:32:36,480 --> 00:32:40,079
Palestinian and the Jewish and all the

694
00:32:38,460 --> 00:32:42,900
stuff that we know for decades never

695
00:32:40,079 --> 00:32:45,539
ending a story the Saudi driving decided

696
00:32:42,900 --> 00:32:48,450
to say we're tired of this we have the

697
00:32:45,539 --> 00:32:50,609
oil they depend on us the United States

698
00:32:48,450 --> 00:32:53,370
consumed twenty-five percent of the

699
00:32:50,609 --> 00:32:55,529
global production of oil so let's pull

700
00:32:53,369 --> 00:32:58,500
the cords and see you know how we can

701
00:32:55,529 --> 00:33:00,990
manage and negotiate under the table for

702
00:32:58,500 --> 00:33:03,150
the very first time we realize that

703
00:33:00,990 --> 00:33:06,779
there were fragile economies that they

704
00:33:03,150 --> 00:33:09,030
depend this giant this country the

705
00:33:06,779 --> 00:33:12,019
superpower depends of oil and emily's

706
00:33:09,029 --> 00:33:16,529
until the present and what happened in

707
00:33:12,019 --> 00:33:19,109
1973 Richard Nixon launched the energy

708
00:33:16,529 --> 00:33:23,190
emergency patrolling a location act or

709
00:33:19,109 --> 00:33:24,319
independence project to be free of the

710
00:33:23,190 --> 00:33:27,500
oil Middle East

711
00:33:24,319 --> 00:33:30,109
at the beginning of the next decade in

712
00:33:27,500 --> 00:33:33,440
the 80s we have this polarization United

713

00:33:30,109 --> 00:33:36,528
States and the former Soviet Union there

714
00:33:33,440 --> 00:33:38,710
were super powers bipolar hey moni with

715
00:33:36,528 --> 00:33:41,599
clear areas of interest you know

716
00:33:38,710 --> 00:33:44,990
revolutions in Central America problems

717
00:33:41,599 --> 00:33:46,730
with the Communists unions an invitation

718
00:33:44,990 --> 00:33:50,058
terrorist attacks this and that

719
00:33:46,730 --> 00:33:52,548
revolutions and also you know pressure

720
00:33:50,058 --> 00:33:54,500
from the soft power diplomacy United

721
00:33:52,548 --> 00:33:56,538
States and muscle power intervention in

722
00:33:54,500 --> 00:33:58,548
other countries United States at the

723
00:33:56,538 --> 00:34:01,339
third time also we had the first

724
00:33:58,548 --> 00:34:03,259
alliance of peak oil we had to live for

725
00:34:01,339 --> 00:34:05,388
alternative energy alternative renewable

726
00:34:03,259 --> 00:34:07,579
energies but we have forgotten about

727
00:34:05,388 --> 00:34:09,679

that that's what we are here right now

728

00:34:07,579 --> 00:34:11,869

we have to pay the bill all of us have

729

00:34:09,679 --> 00:34:14,960

to pay the bill because with the pain of

730

00:34:11,869 --> 00:34:19,429

the change of production of all in the

731

00:34:14,960 --> 00:34:22,190

world the Gulf War started also why

732

00:34:19,429 --> 00:34:24,829

because one day Saddam Hussein believe

733

00:34:22,190 --> 00:34:26,929

he was Nebuchadnezzar like the King in

734

00:34:24,829 --> 00:34:29,210

the Bible and he was destined to rule

735

00:34:26,929 --> 00:34:32,000

the Middle East and he want to invade

736

00:34:29,210 --> 00:34:33,679

and him very cool white the next victim

737

00:34:32,000 --> 00:34:36,889

would have been in Saudi Arabia and he

738

00:34:33,679 --> 00:34:39,230

would have control the whole area with

739

00:34:36,889 --> 00:34:41,269

the tremendous geopolitical power he

740

00:34:39,230 --> 00:34:43,699

want to be and to put on the knees

741

00:34:41,269 --> 00:34:47,509

united states and the allies and to

742
00:34:43,699 --> 00:34:50,888
control all the power and all the oil in

743
00:34:47,510 --> 00:34:53,810
that time like he fail we know the story

744
00:34:50,889 --> 00:34:57,260
so the Union invaded Afghanistan and

745
00:34:53,809 --> 00:35:00,289
started a decline in period we know I've

746
00:34:57,260 --> 00:35:03,050
aniston in the tongue of all super

747
00:35:00,289 --> 00:35:05,869
powers according to some political

748
00:35:03,050 --> 00:35:09,170
scientist at the same time the UFO

749
00:35:05,869 --> 00:35:11,390
activity increase worldwide is always

750
00:35:09,170 --> 00:35:14,240
you look at the statistics what increase

751
00:35:11,389 --> 00:35:18,108
of UFO waves it is started in the mid

752
00:35:14,239 --> 00:35:21,108
80s very interesting very casual in the

753
00:35:18,108 --> 00:35:23,929
90s we have the Aquarius rising Aquarius

754
00:35:21,108 --> 00:35:26,358
you know the only sign of the zodiac

755
00:35:23,929 --> 00:35:29,118
which is with about the body of a human

756
00:35:26,358 --> 00:35:31,578
being you know pouring water knowledge

757
00:35:29,119 --> 00:35:33,680
now we're in Aquarius time the

758
00:35:31,579 --> 00:35:35,390
information is given to all of us we

759
00:35:33,679 --> 00:35:39,889
need all this information to

760
00:35:35,389 --> 00:35:42,980
I began become aware you is our have a

761
00:35:39,889 --> 00:35:45,409
financial collapse for the very first

762
00:35:42,980 --> 00:35:49,010
time in all times USA become the chaotic

763
00:35:45,409 --> 00:35:50,420
superpower then we have this relation of

764
00:35:49,010 --> 00:35:54,579
the cliffs predicted by the Mayans

765
00:35:50,420 --> 00:35:59,210
before the last cartoon on july 11 1991

766
00:35:54,579 --> 00:36:02,089
it's a 20-year period for 1992 till 2012

767
00:35:59,210 --> 00:36:04,849
the UFO waves increasing mexico until

768
00:36:02,088 --> 00:36:06,949
the present is a proliferation a complex

769
00:36:04,849 --> 00:36:09,769
prop circles in England and the World

770

00:36:06,949 --> 00:36:12,018
Wide Web the boot in the world and

771
00:36:09,768 --> 00:36:15,318
spread also the idiot princes like never

772
00:36:12,018 --> 00:36:18,169
before oil also become a part of pop

773
00:36:15,318 --> 00:36:21,230
culture it is and put culture by shaking

774
00:36:18,170 --> 00:36:23,750
hands in the media conference and

775
00:36:21,230 --> 00:36:28,789
culture present I mean is also present

776
00:36:23,750 --> 00:36:30,949
in our popular culture the x-files let's

777
00:36:28,789 --> 00:36:33,619
put an example the x-files is very

778
00:36:30,949 --> 00:36:37,098
interesting these science fiction our TV

779
00:36:33,619 --> 00:36:39,608
show that run from 1993 till 2012 had

780
00:36:37,099 --> 00:36:42,440
all the elements secret kavars

781
00:36:39,608 --> 00:36:45,098
conspiracies abduction et contact

782
00:36:42,440 --> 00:36:48,798
psychic phenomena cover-up by the FBI

783
00:36:45,099 --> 00:36:52,160
okay but what happened they happen here

784
00:36:48,798 --> 00:36:54,440

is not a star trek is not Babylon 5 they

785

00:36:52,159 --> 00:36:56,929

had cosmic adventures it was happening

786

00:36:54,440 --> 00:36:59,960

here on earth why because producer Chris

787

00:36:56,929 --> 00:37:01,730

Carter the one who run and produced most

788

00:36:59,960 --> 00:37:03,710

of the early percent of the TV show the

789

00:37:01,730 --> 00:37:06,170

x-files used to go to this conference

790

00:37:03,710 --> 00:37:08,119

used to interview all the contactees

791

00:37:06,170 --> 00:37:11,000

activities and transfer all the

792

00:37:08,119 --> 00:37:14,809

information into the TV show so what

793

00:37:11,000 --> 00:37:19,028

happened that from 1993 and 2012 he

794

00:37:14,809 --> 00:37:22,190

became a global phenomena The X Files

795

00:37:19,028 --> 00:37:24,679

but it will look at UFOs on public

796

00:37:22,190 --> 00:37:26,809

perception the very interesting UFO some

797

00:37:24,679 --> 00:37:30,440

public perception how media can change

798

00:37:26,809 --> 00:37:32,869

public perception we have a poll in new

799
00:37:30,440 --> 00:37:36,108
with magazine on July the eighth

800
00:37:32,869 --> 00:37:38,778
nineteen ninety six forty percent of the

801
00:37:36,108 --> 00:37:41,449
people believe that UFOs are real at the

802
00:37:38,778 --> 00:37:44,179
same time that the x-files was very in

803
00:37:41,449 --> 00:37:46,548
high demand worldwide you know

804
00:37:44,179 --> 00:37:48,048
twenty-nine percent we have make believe

805
00:37:46,548 --> 00:37:51,739
that we have made

806
00:37:48,048 --> 00:37:54,018
t contact forty-eight percent in 1996

807
00:37:51,739 --> 00:37:57,048
believe the Quran plotted to conceal

808
00:37:54,018 --> 00:38:00,228
information now the next year that was

809
00:37:57,048 --> 00:38:04,278
you 98 1996 then we have the CNN / time

810
00:38:00,228 --> 00:38:06,919
Paul magazine on jun the sixth night 97

811
00:38:04,278 --> 00:38:07,998
one year after eighty percent believe

812
00:38:06,920 --> 00:38:11,838
that the government is hiding

813
00:38:07,998 --> 00:38:14,208
information about ETS fifty-four percent

814
00:38:11,838 --> 00:38:17,599
believe the intelligent intelligent

815
00:38:14,208 --> 00:38:19,868
exists outside the earth sixty-four

816
00:38:17,599 --> 00:38:22,640
percent believe aliens had counted on

817
00:38:19,869 --> 00:38:25,579
contact humans thirty-four percent

818
00:38:22,639 --> 00:38:29,838
believe alien had contact the government

819
00:38:25,579 --> 00:38:33,160
because what conspiracy theory erodes

820
00:38:29,838 --> 00:38:36,768
the credibility of the institutions

821
00:38:33,159 --> 00:38:39,018
conspiracy theory eat your mind so could

822
00:38:36,768 --> 00:38:41,718
be fake could be real we don't know we

823
00:38:39,018 --> 00:38:44,058
don't trust the government so that is

824
00:38:41,719 --> 00:38:46,309
what happened in a sphere phenomena the

825
00:38:44,059 --> 00:38:48,829
social phenomena through the through the

826
00:38:46,309 --> 00:38:52,729
media as well we can shape the public

827

00:38:48,829 --> 00:38:55,189
perception so in the 90s I'm making a

828
00:38:52,728 --> 00:38:58,129
very short making it this very short

829
00:38:55,188 --> 00:39:00,949
because at the time we have geopolitical

830
00:38:58,130 --> 00:39:03,219
changes USA for the very first time in

831
00:39:00,949 --> 00:39:06,729
modern history there was one superpower

832
00:39:03,219 --> 00:39:10,249
with the collapse of the Soviet Union

833
00:39:06,728 --> 00:39:12,678
USA become the unipolar power the rise

834
00:39:10,248 --> 00:39:16,208
of China India we have a future

835
00:39:12,679 --> 00:39:18,979
multipolarity multipolar powers it's

836
00:39:16,208 --> 00:39:21,139
China India our state civilizations

837
00:39:18,978 --> 00:39:24,798
ancient cultures while the United States

838
00:39:21,139 --> 00:39:27,259
only have 250 years let's say China and

839
00:39:24,798 --> 00:39:30,438
India have thousands of years old they

840
00:39:27,259 --> 00:39:33,108
have plenty of information or whatever

841
00:39:30,438 --> 00:39:35,899

we can understand meditation at your bed

842

00:39:33,108 --> 00:39:38,150

acupuncture martial arts whatever these

843

00:39:35,900 --> 00:39:40,429

are rich in culture this stage

844

00:39:38,150 --> 00:39:42,439

civilization I'm going to disappear one

845

00:39:40,429 --> 00:39:43,789

may to another they have been here

846

00:39:42,438 --> 00:39:46,068

forever they're going to stay here

847

00:39:43,789 --> 00:39:48,829

longer so somehow unites a had to

848

00:39:46,068 --> 00:39:52,068

accommodate the power between the rise

849

00:39:48,829 --> 00:39:54,528

of China and India and they had to be

850

00:39:52,068 --> 00:39:57,139

and it's going to happen in this time

851

00:39:54,528 --> 00:39:58,570

after 2012 because we're living

852

00:39:57,139 --> 00:40:02,629

interesting times

853

00:39:58,570 --> 00:40:04,580

then we have the g8 the one who want the

854

00:40:02,630 --> 00:40:08,150

second world world is changing by the

855

00:40:04,579 --> 00:40:10,429

g14 and finally by the g20 the table of

856
00:40:08,150 --> 00:40:12,500
negotiations in United Nations in natal

857
00:40:10,429 --> 00:40:15,589
is changing constantly because we have

858
00:40:12,500 --> 00:40:19,099
the rise of the brick be for Brazil

859
00:40:15,590 --> 00:40:21,880
Russia Russia India China they are

860
00:40:19,099 --> 00:40:26,269
demanding a place that changing things

861
00:40:21,880 --> 00:40:29,329
and we have in this globalized economy

862
00:40:26,269 --> 00:40:32,449
the interdependence is very important

863
00:40:29,329 --> 00:40:33,829
key exclusion is no viable you cannot

864
00:40:32,449 --> 00:40:36,519
divorce the change of the globe

865
00:40:33,829 --> 00:40:39,549
globalization and less there is less oil

866
00:40:36,519 --> 00:40:41,989
because you want to have fruits from the

867
00:40:39,550 --> 00:40:44,360
bananas from kannamma or mangoes from

868
00:40:41,989 --> 00:40:49,269
Costa Rica it demands energy and

869
00:40:44,360 --> 00:40:52,220
transportation less oil more expensive

870
00:40:49,269 --> 00:40:53,659
new economies treaties and think of all

871
00:40:52,219 --> 00:40:56,269
economic treaties are happening right

872
00:40:53,659 --> 00:40:58,099
now in the last 15 years new treaties

873
00:40:56,269 --> 00:41:01,219
are coming in two different countries

874
00:40:58,099 --> 00:41:04,339
trying to do their best to serve and to

875
00:41:01,219 --> 00:41:07,279
cope this changes then we have the USA

876
00:41:04,340 --> 00:41:10,130
is in a position of the New World Order

877
00:41:07,280 --> 00:41:12,710
and I want to remark and be an emphasize

878
00:41:10,130 --> 00:41:15,019
that the new wall or is not a group of

879
00:41:12,710 --> 00:41:17,059
people wearing black ponchos you know

880
00:41:15,019 --> 00:41:18,469
wearing black hats meeting underground

881
00:41:17,059 --> 00:41:19,940
in a basis in the middle of nowhere and

882
00:41:18,469 --> 00:41:21,189
saying we're going to change this to

883
00:41:19,940 --> 00:41:24,500
know the United States and the world

884

00:41:21,190 --> 00:41:26,720
just overnight that happened in virtual

885
00:41:24,500 --> 00:41:30,139
conspiracy and beautiful conspiracy

886
00:41:26,719 --> 00:41:32,659
exists on the computer sometimes the

887
00:41:30,139 --> 00:41:34,969
second season reality so we have to be

888
00:41:32,659 --> 00:41:42,649
careful what we believe what is real

889
00:41:34,969 --> 00:41:44,779
information also look excuse me this is

890
00:41:42,650 --> 00:41:48,470
the Atlanta journal-constitution this is

891
00:41:44,780 --> 00:41:52,040
july four 1996 in that time i cutted

892
00:41:48,469 --> 00:41:54,319
that Cobra this special report nations

893
00:41:52,039 --> 00:41:56,599
are competing for stake in the last

894
00:41:54,320 --> 00:41:59,750
large oil reserve and the worldwide a

895
00:41:56,599 --> 00:42:01,639
man is escalated could this happen to us

896
00:41:59,750 --> 00:42:04,760
and these are the photos during the

897
00:42:01,639 --> 00:42:07,179
saudi arabian oil embargo goodies happen

898
00:42:04,760 --> 00:42:11,980

to us could be

899

00:42:07,179 --> 00:42:14,649

happen to us again all the trench in the

900

00:42:11,980 --> 00:42:18,150

USA look who is here Richard Branson

901

00:42:14,650 --> 00:42:21,280

right the flamboyant millionaire of

902

00:42:18,150 --> 00:42:24,789

Virgin Airlines he knows about oil

903

00:42:21,280 --> 00:42:27,730

crunch questions unanswered is a panel

904

00:42:24,789 --> 00:42:29,529

of scientists in the UK giving all the

905

00:42:27,730 --> 00:42:31,559

information to the government saying we

906

00:42:29,530 --> 00:42:35,380

have to look for alternative energies

907

00:42:31,559 --> 00:42:41,769

because when it hits your budget things

908

00:42:35,380 --> 00:42:44,108

change things change the audio by theory

909

00:42:41,769 --> 00:42:47,380

it says that the inertial civilization

910

00:42:44,108 --> 00:42:50,409

can only expand 400 years because if you

911

00:42:47,380 --> 00:42:52,480

need to demand and consume more natural

912

00:42:50,409 --> 00:42:54,549

resources that also means contamination

913
00:42:52,480 --> 00:42:57,099
and pollution to have the lifestyle that

914
00:42:54,550 --> 00:42:59,710
you want to have to be comfortable to

915
00:42:57,099 --> 00:43:01,599
have everything ready to go wrap and

916
00:42:59,710 --> 00:43:03,730
pack with a barcode and had everything

917
00:43:01,599 --> 00:43:06,660
right there for you because we're a

918
00:43:03,730 --> 00:43:12,068
consumer society and it says here that

919
00:43:06,659 --> 00:43:13,929
exactly perhaps you cannot see 2012 2012

920
00:43:12,068 --> 00:43:16,179
the old white theory had nothing to do

921
00:43:13,929 --> 00:43:17,500
the Mayan calendar nothing to do with

922
00:43:16,179 --> 00:43:19,179
predictions nothing to do with

923
00:43:17,500 --> 00:43:22,179
prophecies so in this gravy a

924
00:43:19,179 --> 00:43:24,460
declination of power because we cannot

925
00:43:22,179 --> 00:43:27,068
continue grow an infinite grow is

926
00:43:24,460 --> 00:43:29,679
impossible because it will create an

927
00:43:27,068 --> 00:43:32,349
imbalance or maybe a potential

928
00:43:29,679 --> 00:43:34,568
ecological disaster at the same time

929
00:43:32,349 --> 00:43:36,519
here is without all these drawings he

930
00:43:34,568 --> 00:43:39,449
said Black House will start exactly

931
00:43:36,519 --> 00:43:47,318
according to the older by theory from

932
00:43:39,449 --> 00:43:49,469
2012 and beyond we'll see now we're

933
00:43:47,318 --> 00:43:51,909
checking about the solar activity

934
00:43:49,469 --> 00:43:54,578
pre-columbian civilizations have the

935
00:43:51,909 --> 00:43:56,078
solar cult because they it was for than

936
00:43:54,579 --> 00:44:00,339
a source of life and it was

937
00:43:56,079 --> 00:44:03,309
misinterpreted by the college former

938
00:44:00,338 --> 00:44:07,029
empires that colonized prikol looming

939
00:44:03,309 --> 00:44:08,980
and other cultures the co2 emissions had

940
00:44:07,030 --> 00:44:10,990
increased the solar besides that

941

00:44:08,980 --> 00:44:13,590
affecting the earth scuze me co2

942
00:44:10,989 --> 00:44:16,139
emission that we have in English rock

943
00:44:13,590 --> 00:44:17,519
countries and also the increase of solid

944
00:44:16,139 --> 00:44:19,739
temperatures are changing the

945
00:44:17,519 --> 00:44:22,409
environment there is an erratic sign

946
00:44:19,739 --> 00:44:24,689
activity the next decade according to

947
00:44:22,409 --> 00:44:26,969
some scientists will be we will have

948
00:44:24,690 --> 00:44:29,280
experienced colder winters there could

949
00:44:26,969 --> 00:44:32,099
be geomagnetic storms already happening

950
00:44:29,280 --> 00:44:34,410
right now the tectonic plates are more

951
00:44:32,099 --> 00:44:37,170
increasing activity we have earthquakes

952
00:44:34,409 --> 00:44:38,940
like never before Eric was like never

953
00:44:37,170 --> 00:44:41,909
before and let me tell you something and

954
00:44:38,940 --> 00:44:43,760
exotic I'm a friend of commander Julio

955
00:44:41,909 --> 00:44:46,889

Chamorro that a peruvian air force

956

00:44:43,760 --> 00:44:50,280

because i helped to release the UFO

957

00:44:46,889 --> 00:44:52,739

disclosure in peru in 2005 we have a

958

00:44:50,280 --> 00:44:55,740

private meeting in the peruvian air

959

00:44:52,739 --> 00:44:59,039

force a school of war are coordinated

960

00:44:55,739 --> 00:45:00,839

that closed doors no journalist but the

961

00:44:59,039 --> 00:45:03,329

apogee of the peruvian air force in the

962

00:45:00,840 --> 00:45:04,829

Congress the director of the traveler

963

00:45:03,329 --> 00:45:07,170

control of the Lima International

964

00:45:04,829 --> 00:45:09,779

Airport a civilian Airport as well and

965

00:45:07,170 --> 00:45:11,400

other authorities were present and a

966

00:45:09,780 --> 00:45:12,930

closer like this we have all this

967

00:45:11,400 --> 00:45:15,480

information and release the UFO

968

00:45:12,929 --> 00:45:19,649

disclosure and the beginning of the

969

00:45:15,480 --> 00:45:24,329

office of investigation of al phenomena

970
00:45:19,650 --> 00:45:31,860
I was in 2005 a year before a year

971
00:45:24,329 --> 00:45:34,799
before there was a in the OFA something

972
00:45:31,860 --> 00:45:37,590
happened someone broke the doors of the

973
00:45:34,800 --> 00:45:39,300
office of Investigations aerial

974
00:45:37,590 --> 00:45:41,579
phenomena or the billionaire force and

975
00:45:39,300 --> 00:45:45,930
took all the computers with all the UFO

976
00:45:41,579 --> 00:45:49,079
research information very interesting we

977
00:45:45,929 --> 00:45:51,119
have the Carrington event in 1859 that

978
00:45:49,079 --> 00:45:53,130
they have been analyzed by the National

979
00:45:51,119 --> 00:45:56,130
Academy science because a geomagnetic

980
00:45:53,130 --> 00:45:58,650
storm can affect the GPS can affect the

981
00:45:56,130 --> 00:46:00,869
satellites can affect power then we have

982
00:45:58,650 --> 00:46:03,650
a cosmic Katrina that happened energy

983
00:46:00,869 --> 00:46:07,769
economy and transportation will be

984
00:46:03,650 --> 00:46:09,570
really in crisis at the scientists are

985
00:46:07,769 --> 00:46:11,759
also finding the discharge of particles

986
00:46:09,570 --> 00:46:13,950
from galactic ogenyi are affecting the

987
00:46:11,760 --> 00:46:17,030
Sun therefore affecting the earth

988
00:46:13,949 --> 00:46:20,099
because we live in system within systems

989
00:46:17,030 --> 00:46:22,260
and I think was fourteen Fernanda who

990
00:46:20,099 --> 00:46:23,819
said a marioschke you know this Russian

991
00:46:22,260 --> 00:46:24,290
those that you open this another one and

992
00:46:23,820 --> 00:46:25,970
another

993
00:46:24,289 --> 00:46:29,750
because each existing have terms and

994
00:46:25,969 --> 00:46:31,939
conditions solar system is the Sun the

995
00:46:29,750 --> 00:46:37,670
Moon the earth we live in systems within

996
00:46:31,940 --> 00:46:39,050
systems we have also as mentioned by

997
00:46:37,670 --> 00:46:41,300
following authors of my colleagues

998

00:46:39,050 --> 00:46:44,480
culture belief system and religion

999
00:46:41,300 --> 00:46:48,019
Observatory Romano Lucy citrus is my

1000
00:46:44,480 --> 00:46:49,990
own brother according to the sign jo

1001
00:46:48,019 --> 00:46:53,179
seeds and also stronger scientist

1002
00:46:49,989 --> 00:46:55,099
fullness dr filiz he said that so the

1003
00:46:53,179 --> 00:46:57,230
church is accommodating yourself for the

1004
00:46:55,099 --> 00:46:58,759
winds of change before relative gonna

1005
00:46:57,230 --> 00:47:01,880
knock the door I said you better change

1006
00:46:58,760 --> 00:47:06,050
now because we do exist and they know

1007
00:47:01,880 --> 00:47:08,809
things also the nation of islam leader

1008
00:47:06,050 --> 00:47:10,940
mr. louis farrakhan cranes that he have

1009
00:47:08,809 --> 00:47:12,170
an abduction he didn't just woke up and

1010
00:47:10,940 --> 00:47:14,030
said you're not going to call Jimmy ma

1011
00:47:12,170 --> 00:47:15,950
sanga jg bar and other researches

1012
00:47:14,030 --> 00:47:18,230

because he have an experience he claimed

1013

00:47:15,949 --> 00:47:21,409

he had abduction kind of experience in

1014

00:47:18,230 --> 00:47:23,719

mexico years ago and his miniature

1015

00:47:21,409 --> 00:47:26,500

support UFO disclosure efforts do you

1016

00:47:23,719 --> 00:47:29,569

see the mix of UFO belief and religion

1017

00:47:26,500 --> 00:47:31,159

that could be also a message for society

1018

00:47:29,570 --> 00:47:33,860

because we're looking for answers

1019

00:47:31,159 --> 00:47:35,509

according to a Christian sect tomorrow

1020

00:47:33,860 --> 00:47:39,260

it's going to be the end of the world

1021

00:47:35,510 --> 00:47:41,210

you mean looking at the internet or

1022

00:47:39,260 --> 00:47:43,310

watching TV there are people believe in

1023

00:47:41,210 --> 00:47:46,730

that and we'll see more when we approach

1024

00:47:43,309 --> 00:47:49,670

December the 22nd 2012 because the UFO

1025

00:47:46,730 --> 00:47:52,250

is a gap a situation because we want

1026

00:47:49,670 --> 00:47:54,860

utopia we want someone to help us like

1027
00:47:52,250 --> 00:47:57,769
pecan said we are the ones who have the

1028
00:47:54,860 --> 00:47:59,660
answers we have to find that who else

1029
00:47:57,769 --> 00:48:01,940
we're not going to have a cosmic

1030
00:47:59,659 --> 00:48:03,319
abracadabra we are not going to have a

1031
00:48:01,940 --> 00:48:07,460
cosmic ever Carrera they're going to

1032
00:48:03,320 --> 00:48:09,980
come down enough Rizzuto Pia no Jack's

1033
00:48:07,460 --> 00:48:13,849
bally the one who have done an excellent

1034
00:48:09,980 --> 00:48:16,429
research about UFO he said that sooner

1035
00:48:13,849 --> 00:48:19,039
or later the motions stored in the UFO

1036
00:48:16,429 --> 00:48:21,619
phenomenon will be released what kind of

1037
00:48:19,039 --> 00:48:24,590
social reaction will appear then each

1038
00:48:21,619 --> 00:48:27,559
sector of society will react in its own

1039
00:48:24,590 --> 00:48:29,809
way they believe in UFOs widens the gap

1040
00:48:27,559 --> 00:48:31,880
between the public and scientific

1041
00:48:29,809 --> 00:48:32,570
institution according to Jack's belly

1042
00:48:31,880 --> 00:48:35,599
not me

1043
00:48:32,570 --> 00:48:38,539
according to believe he said that the

1044
00:48:35,599 --> 00:48:41,900
scientific community has failed to the

1045
00:48:38,539 --> 00:48:44,329
public to try not to understand or

1046
00:48:41,900 --> 00:48:46,849
research in a coherent organized way

1047
00:48:44,329 --> 00:48:48,889
about the et phenomena that's what we

1048
00:48:46,849 --> 00:48:50,480
have all these assault on the et

1049
00:48:48,889 --> 00:48:52,460
phenomena that's why we have all these

1050
00:48:50,480 --> 00:48:54,710
viral hoaxes that work we have all this

1051
00:48:52,460 --> 00:48:57,289
information that mix reality and people

1052
00:48:54,710 --> 00:49:00,170
are confused and other had their own

1053
00:48:57,289 --> 00:49:03,139
agenda I will try to you to use that

1054
00:49:00,170 --> 00:49:05,269
what area Garcia said about the

1055

00:49:03,139 --> 00:49:09,049
militarization and a space and also our

1056
00:49:05,269 --> 00:49:11,079
heresy because this will give the United

1057
00:49:09,050 --> 00:49:15,050
States and his allies if that's the case

1058
00:49:11,079 --> 00:49:17,900
full expecting dominance imagine put

1059
00:49:15,050 --> 00:49:20,750
satellites with atomic missiles in orbit

1060
00:49:17,900 --> 00:49:23,090
so instead to send 10,000 troops to Iraq

1061
00:49:20,750 --> 00:49:25,940
you just recalibrate the position of the

1062
00:49:23,090 --> 00:49:28,130
satellite and you can send fire from the

1063
00:49:25,940 --> 00:49:29,750
sky is very interesting because if i

1064
00:49:28,130 --> 00:49:32,000
will say that in the book of revelations

1065
00:49:29,750 --> 00:49:34,489
and the beast was so powerful that this

1066
00:49:32,000 --> 00:49:37,460
was so powerful that he launched fire

1067
00:49:34,489 --> 00:49:39,679
from the sky very interesting I don't

1068
00:49:37,460 --> 00:49:41,840
know we had to check it out but it that

1069
00:49:39,679 --> 00:49:44,359

happen you have full expected dominance

1070

00:49:41,840 --> 00:49:48,320

and then we change geopolitical scenario

1071

00:49:44,360 --> 00:49:49,970

in a near future so something could

1072

00:49:48,320 --> 00:49:53,660

happen between the religion the belief

1073

00:49:49,969 --> 00:49:56,029

system and the UFO phenomenon and USA we

1074

00:49:53,659 --> 00:49:57,349

have a cycle of changes this is a good

1075

00:49:56,030 --> 00:49:59,960

book about the fourth turning an

1076

00:49:57,349 --> 00:50:01,789

American prophecy team done by two

1077

00:49:59,960 --> 00:50:04,670

authors a sociology and anthropology

1078

00:50:01,789 --> 00:50:08,119

from Harbor William Strauss anil hwy in

1079

00:50:04,670 --> 00:50:10,639

1996 and they predicted in 1996 a most

1080

00:50:08,119 --> 00:50:14,719

interest tag in the Nets a soil no

1081

00:50:10,639 --> 00:50:16,819

profits just people who understand that

1082

00:50:14,719 --> 00:50:18,589

every seventy to eighty six years in

1083

00:50:16,820 --> 00:50:21,350

American history there is a turning

1084
00:50:18,590 --> 00:50:23,840
point if we go back 70 to 80 60 years

1085
00:50:21,349 --> 00:50:27,110
before two thousand and one where we

1086
00:50:23,840 --> 00:50:29,120
have the recession then we have the

1087
00:50:27,110 --> 00:50:31,160
Civil War then we have another aspect

1088
00:50:29,119 --> 00:50:32,869
United States so right now the United

1089
00:50:31,159 --> 00:50:35,839
States is going to experience a great

1090
00:50:32,869 --> 00:50:39,769
social change a revolutionary tectonic

1091
00:50:35,840 --> 00:50:42,019
shift as chief of consciousness will

1092
00:50:39,769 --> 00:50:43,940
help to control in erectile the limbic

1093
00:50:42,019 --> 00:50:44,750
survivalist things we have to have

1094
00:50:43,940 --> 00:50:47,630
concert

1095
00:50:44,750 --> 00:50:49,429
awareness or why my UFO disclosure I

1096
00:50:47,630 --> 00:50:51,680
doubt it Obama have to deal with

1097
00:50:49,429 --> 00:50:54,949
immigration recession and employment and

1098
00:50:51,679 --> 00:50:58,159
Obama is also a mimi his own personality

1099
00:50:54,949 --> 00:51:00,139
and background create a steer and the

1100
00:50:58,159 --> 00:51:03,109
fear of the American establishment they

1101
00:51:00,139 --> 00:51:05,809
seen him as a less American remember he

1102
00:51:03,110 --> 00:51:08,539
was were in 1961 okay so this is a me

1103
00:51:05,809 --> 00:51:10,250
sorry took so long to get your copy of

1104
00:51:08,539 --> 00:51:13,759
my birth certificate I was too busy

1105
00:51:10,250 --> 00:51:16,190
killing or surviving lady Obama have

1106
00:51:13,760 --> 00:51:19,100
these two aspects that president at the

1107
00:51:16,190 --> 00:51:22,010
same time it's a figure of polarization

1108
00:51:19,099 --> 00:51:23,750
in American society George Washington

1109
00:51:22,010 --> 00:51:25,790
here they sought Eric the meaning the

1110
00:51:23,750 --> 00:51:29,179
satiric message United States is the

1111
00:51:25,789 --> 00:51:30,889
only one they have so take symbols in

1112

00:51:29,179 --> 00:51:33,109
the most popular currency a one-dollar

1113
00:51:30,889 --> 00:51:35,929
bill you see George Washington in the

1114
00:51:33,110 --> 00:51:37,940
capula inside Washington DC ubc the

1115
00:51:35,929 --> 00:51:39,679
Capitol you see the fresco or George

1116
00:51:37,940 --> 00:51:42,289
Washington ascended to heaven rotating

1117
00:51:39,679 --> 00:51:44,929
by 13 ladies carrying a sword the

1118
00:51:42,289 --> 00:51:48,860
maximum symbol of the 30 33rd degree

1119
00:51:44,929 --> 00:51:50,869
Mason American symbolism frezh Mason

1120
00:51:48,860 --> 00:51:53,360
first citizen first churchmen in a

1121
00:51:50,869 --> 00:51:56,630
National Cathedral the study of your

1122
00:51:53,360 --> 00:51:58,460
Washington as a Mason the great yellow

1123
00:51:56,630 --> 00:51:59,930
tonight says the only contact with

1124
00:51:58,460 --> 00:52:03,590
esoteric symbols in his most popular

1125
00:51:59,929 --> 00:52:07,549
currency Novus Ordo seclorum new world

1126
00:52:03,590 --> 00:52:09,230

order the new millennium the et presence

1127

00:52:07,550 --> 00:52:12,260

is stand between a skeptic and believers

1128

00:52:09,230 --> 00:52:13,730

they standing between allow the skeptics

1129

00:52:12,260 --> 00:52:15,770

to talk about the genuine believers to

1130

00:52:13,730 --> 00:52:17,659

find out more information we need to

1131

00:52:15,769 --> 00:52:19,460

transcend the phenomena is not only the

1132

00:52:17,659 --> 00:52:20,690

UFO sightings is not only the video we

1133

00:52:19,460 --> 00:52:23,179

have to understand whether they here for

1134

00:52:20,690 --> 00:52:25,159

what are looking for the it is are

1135

00:52:23,179 --> 00:52:27,649

shaping the collective consciousness of

1136

00:52:25,159 --> 00:52:30,649

the humans in order to reorient public

1137

00:52:27,650 --> 00:52:33,230

opinion and avoid a culture clash in the

1138

00:52:30,650 --> 00:52:35,090

future they show themselves show show

1139

00:52:33,230 --> 00:52:37,159

show seen by different people from

1140

00:52:35,090 --> 00:52:39,380

different races social status and it's

1141
00:52:37,159 --> 00:52:40,819
in the computers is an internet it is

1142
00:52:39,380 --> 00:52:42,740
shaping the collective consciousness

1143
00:52:40,820 --> 00:52:45,380
within time and any near future can be

1144
00:52:42,739 --> 00:52:47,089
something normal then we have the ETS

1145
00:52:45,380 --> 00:52:50,630
are the ones who control the contact we

1146
00:52:47,090 --> 00:52:53,269
do not they had their phone they can

1147
00:52:50,630 --> 00:52:55,099
control that we do not have the con

1148
00:52:53,269 --> 00:52:56,599
the controlling the contact whenever

1149
00:52:55,099 --> 00:52:58,670
they want and they consider inconvenient

1150
00:52:56,599 --> 00:53:00,619
they may knock the door of certain

1151
00:52:58,670 --> 00:53:02,809
leaders of the world and said we need to

1152
00:53:00,619 --> 00:53:05,449
talk because this is going not going not

1153
00:53:02,809 --> 00:53:07,460
doing well and you need this terms and

1154
00:53:05,449 --> 00:53:09,679
condition if you want free energy you

1155
00:53:07,460 --> 00:53:13,940
want that welcome here and we're going

1156
00:53:09,679 --> 00:53:15,829
to negotiate that what about that basic

1157
00:53:13,940 --> 00:53:17,059
interaction with ETS are increasing

1158
00:53:15,829 --> 00:53:19,519
lately as a part of the human experience

1159
00:53:17,059 --> 00:53:21,650
et pressing is a reality that is merging

1160
00:53:19,519 --> 00:53:24,199
into ours it's a reality merging into

1161
00:53:21,650 --> 00:53:26,450
ours is a holler key it's a system

1162
00:53:24,199 --> 00:53:31,299
within systems it is our cosmic

1163
00:53:26,449 --> 00:53:31,299
anthropology's thank you very much for

1164
00:53:31,630 --> 00:53:36,190
your load up all the time thank you very

1165
00:53:33,980 --> 00:53:36,190
much
