

1  
00:00:00,060 --> 00:00:07,108  
good morning and gentlemen my name is

2  
00:00:03,419 --> 00:00:11,369  
Parviz Jafari and i'm a retired general

3  
00:00:07,108 --> 00:00:15,618  
of iranian air force at about 11:00 p.m.

4  
00:00:11,369 --> 00:00:19,528  
on the evening of 18 September 1976

5  
00:00:15,618 --> 00:00:22,469  
citizens were frightened by circling of

6  
00:00:19,528 --> 00:00:27,410  
an unknown object over Tehran the

7  
00:00:22,469 --> 00:00:32,098  
capital city of Iran at a low altitude

8  
00:00:27,410 --> 00:00:35,789  
it looked similar to as far but bigger

9  
00:00:32,098 --> 00:00:41,609  
and brighter they reported it to the

10  
00:00:35,789 --> 00:00:43,829  
tower and was seen by tall man - he

11  
00:00:41,609 --> 00:00:48,238  
alerted their first command post and

12  
00:00:43,829 --> 00:00:54,149  
deputy general Youssef II decided to

13  
00:00:48,238 --> 00:00:57,649  
scramble and f4j - in this case the

14  
00:00:54,149 --> 00:01:02,489  
pilot in the first jet last

15  
00:00:57,649 --> 00:01:05,900  
instrumentation and communication when

16  
00:01:02,488 --> 00:01:10,438  
he got too close to the brilliant object

17  
00:01:05,900 --> 00:01:13,290  
so he headed back about ten minutes

18  
00:01:10,438 --> 00:01:17,069  
later they scrambled a second jet which

19  
00:01:13,290 --> 00:01:20,340  
I was piloting at the time I was a

20  
00:01:17,069 --> 00:01:23,368  
squadron commander I approached the

21  
00:01:20,340 --> 00:01:29,520  
object which was flashing with intense

22  
00:01:23,368 --> 00:01:32,700  
red green orange and blue the light was

23  
00:01:29,519 --> 00:01:36,658  
so bright that I was not able to see its

24  
00:01:32,700 --> 00:01:41,640  
body the sequence of flashes was

25  
00:01:36,659 --> 00:01:46,170  
extremely fast like a strobe light we

26  
00:01:41,640 --> 00:01:51,629  
lock on it with radar at it was it 30

27  
00:01:46,170 --> 00:01:54,960  
degrees left at range of 25 miles the

28  
00:01:51,629 --> 00:02:01,188  
size and the radar scope was comparable

29

00:01:54,959 --> 00:02:04,500  
to the ACA's 707 tanker for other object

30  
00:02:01,188 --> 00:02:08,449  
with different shapes separated from the

31  
00:02:04,500 --> 00:02:11,699  
main one at different times during the

32  
00:02:08,449 --> 00:02:15,699  
base close encounter

33  
00:02:11,699 --> 00:02:19,659  
whenever they were close to me my weapon

34  
00:02:15,699 --> 00:02:25,359  
were jammed and my radio communications

35  
00:02:19,659 --> 00:02:29,879  
were garbled one of the objects headed

36  
00:02:25,360 --> 00:02:32,980  
toward me I thought it was a missile I

37  
00:02:29,879 --> 00:02:39,210  
tried to launch a heat-seeking missile

38  
00:02:32,979 --> 00:02:39,209  
to it but my missile panel went out

39  
00:02:39,330 --> 00:02:46,630  
another followed me when I was

40  
00:02:42,069 --> 00:02:50,219  
descending on the way back one of the

41  
00:02:46,629 --> 00:02:53,620  
separated object landed in an open area

42  
00:02:50,219 --> 00:03:00,430  
radiating a high bright light in which

43  
00:02:53,620 --> 00:03:03,490

the Saints on the ground were visible we

44

00:03:00,430 --> 00:03:06,219

could hear emergency squawk at all the

45

00:03:03,490 --> 00:03:09,580

way which was reported by other

46

00:03:06,219 --> 00:03:13,259

airliners flying at the time and

47

00:03:09,580 --> 00:03:17,230

continued for another couple of days

48

00:03:13,259 --> 00:03:20,079

during my interview at headquarter after

49

00:03:17,229 --> 00:03:23,799

the incident the American lieutenant

50

00:03:20,080 --> 00:03:26,680

colonel all annoy took notes but after

51

00:03:23,800 --> 00:03:32,680

it was over I could not find him to talk

52

00:03:26,680 --> 00:03:36,250

with later it was later once classified

53

00:03:32,680 --> 00:03:39,610

document was released here in America to

54

00:03:36,250 --> 00:03:42,669

the Freedom of Information Act the

55

00:03:39,610 --> 00:03:47,010

Defense Intelligence Agency documented

56

00:03:42,669 --> 00:03:52,049

the event in a great detail and it was

57

00:03:47,009 --> 00:03:56,799

sent to NSA the White House and the CIA

58

00:03:52,050 --> 00:04:00,070

the DIA assessment said this case is a

59

00:03:56,800 --> 00:04:04,180

classic that meets all necessary

60

00:04:00,069 --> 00:04:07,620

conditions for a legend tape study of

61

00:04:04,180 --> 00:04:07,620

the UFO phenomena

62

00:04:11,300 --> 00:04:18,949

and I would be happy to answer question

63

00:04:15,180 --> 00:04:18,949

and tell you more thank you
