

1  
00:00:15,048 --> 00:00:18,118  
at this time we're going to take

2  
00:00:17,100 --> 00:00:21,230  
questions

3  
00:00:18,118 --> 00:00:23,730  
mr. Hastings we'll take it from here

4  
00:00:21,230 --> 00:00:27,210  
mr. Hastings you had mentioned that this

5  
00:00:23,730 --> 00:00:30,000  
is an ongoing phenomenon is there an

6  
00:00:27,210 --> 00:00:33,270  
incident later than 1980 that you are

7  
00:00:30,000 --> 00:00:35,730  
aware of and then also are there any

8  
00:00:33,270 --> 00:00:37,500  
testimonies here today that are new that

9  
00:00:35,729 --> 00:00:40,078  
have not yet been documented or been in

10  
00:00:37,500 --> 00:00:42,030  
the public domain this is a

11  
00:00:40,079 --> 00:00:43,170  
cross-section of the witnesses who come

12  
00:00:42,030 --> 00:00:45,270  
forward

13  
00:00:43,170 --> 00:00:48,450  
the latest incident involving nuclear

14  
00:00:45,270 --> 00:00:51,899  
missiles was at Malmstrom Air Force Base

15  
00:00:48,450 --> 00:00:53,879  
in 2007 however the person is still

16  
00:00:51,899 --> 00:00:56,549  
active duty Air Force I'm not going to

17  
00:00:53,878 --> 00:00:59,369  
elaborate on that until that person is

18  
00:00:56,549 --> 00:01:01,288  
separated from the Air Force another

19  
00:00:59,369 --> 00:01:03,538  
incident occurred at the Nellis Air

20  
00:01:01,289 --> 00:01:06,299  
Force Base Nevada area two weapons

21  
00:01:03,539 --> 00:01:08,040  
storage area a series of incidents the

22  
00:01:06,299 --> 00:01:09,689  
latest being in April of oh three in

23  
00:01:08,040 --> 00:01:11,310  
which there were unidentified aerial

24  
00:01:09,688 --> 00:01:13,199  
objects maneuvering near the weapons

25  
00:01:11,310 --> 00:01:16,200  
bunkers at that facility

26  
00:01:13,200 --> 00:01:19,320  
more recently civilian sighting reports

27  
00:01:16,200 --> 00:01:22,290  
in Orange County California at the Naval

28  
00:01:19,319 --> 00:01:24,539  
Seal Beach Naval Weapons Station a

29

00:01:22,290 --> 00:01:27,479  
series of bunkers again containing

30  
00:01:24,540 --> 00:01:29,969  
nuclear weapons there were local media

31  
00:01:27,478 --> 00:01:32,280  
reports of multiple sightings in March

32  
00:01:29,969 --> 00:01:36,239  
of oh nine and near this weapons storage

33  
00:01:32,280 --> 00:01:38,939  
facility this is ongoing this is the tip

34  
00:01:36,239 --> 00:01:42,179  
of the iceberg we can only catch as

35  
00:01:38,938 --> 00:01:44,188  
catch can I am of the opinion that for

36  
00:01:42,180 --> 00:01:46,560  
every incident that I'm aware of and in

37  
00:01:44,188 --> 00:01:49,048  
for witnesses that we've we've got in

38  
00:01:46,560 --> 00:01:50,790  
hand there could be 10 there could be a

39  
00:01:49,049 --> 00:01:52,350  
hundred there could be many many more

40  
00:01:50,790 --> 00:01:54,450  
incidents that I'll never know about

41  
00:01:52,349 --> 00:01:56,489  
because the people won't come forward

42  
00:01:54,450 --> 00:02:01,859  
they'll wait years or decades to talk

43  
00:01:56,489 --> 00:02:03,030

about what they know and is any anything

44

00:02:01,859 --> 00:02:05,009

that has been said here I know I've

45

00:02:03,030 --> 00:02:07,978

heard missed the incident mr. Hult

46

00:02:05,009 --> 00:02:09,419

referred to I've seen Mr Sallis is there

47

00:02:07,978 --> 00:02:10,368

anything here other people that you've

48

00:02:09,419 --> 00:02:12,500

heard here today I

49

00:02:10,368 --> 00:02:13,969

and you have not heard about the

50

00:02:12,500 --> 00:02:15,949

testimony of the majority of these

51

00:02:13,969 --> 00:02:17,900

people have not hit the national

52

00:02:15,949 --> 00:02:18,768

airwaves so to speak or the national

53

00:02:17,900 --> 00:02:20,840

media

54

00:02:18,769 --> 00:02:22,969

there have been rep sites I've written

55

00:02:20,840 --> 00:02:24,439

articles and so on but the majority of

56

00:02:22,969 --> 00:02:27,969

these witnesses have not received

57

00:02:24,439 --> 00:02:31,158

national or international exposure

58  
00:02:27,969 --> 00:02:33,469  
spencer ackerman with Wired mr. Hastings

59  
00:02:31,158 --> 00:02:37,489  
could you elaborate on why you've

60  
00:02:33,469 --> 00:02:39,250  
speculated that the unidentified flying

61  
00:02:37,489 --> 00:02:42,709  
objects that all of you have described

62  
00:02:39,250 --> 00:02:44,628  
were possessed the agenda of trying to

63  
00:02:42,709 --> 00:02:47,150  
tell us to turn away from our path of

64  
00:02:44,628 --> 00:02:48,620  
use of nuclear weapons are there are

65  
00:02:47,150 --> 00:02:50,209  
there are other potential explanations

66  
00:02:48,620 --> 00:02:52,340  
that you've considered and found less

67  
00:02:50,209 --> 00:02:55,579  
plausible is there a possible offensive

68  
00:02:52,340 --> 00:02:57,848  
threat to the world from from these UFOs

69  
00:02:55,579 --> 00:03:01,250  
as I said in my introductory remarks

70  
00:02:57,848 --> 00:03:03,378  
that's speculative on my part however

71  
00:03:01,250 --> 00:03:06,318  
given the available evidence that is a

72  
00:03:03,378 --> 00:03:08,840  
plausible scenario we can clearly say

73  
00:03:06,318 --> 00:03:11,179  
based on radar data which are empirical

74  
00:03:08,840 --> 00:03:14,180  
not anecdotal that these objects have

75  
00:03:11,180 --> 00:03:17,540  
been tracks since the early 1950s if not

76  
00:03:14,180 --> 00:03:20,209  
earlier traveling up to 7,000 miles per

77  
00:03:17,539 --> 00:03:23,060  
hour making right angle turns at high

78  
00:03:20,209 --> 00:03:25,819  
rates of speed instantaneously hovering

79  
00:03:23,060 --> 00:03:27,739  
reversing course if we or the Russians

80  
00:03:25,818 --> 00:03:29,298  
or any country on earth had those kinds

81  
00:03:27,739 --> 00:03:31,128  
of craft in the early 50s

82  
00:03:29,299 --> 00:03:33,019  
why have we spent the last several

83  
00:03:31,128 --> 00:03:36,078  
decades developing fixed-wing aircraft

84  
00:03:33,019 --> 00:03:39,560  
of far inferior abilities these are

85  
00:03:36,079 --> 00:03:42,409  
clearly in my view a technology from

86

00:03:39,560 --> 00:03:43,909  
somewhere else piloted by beings from

87  
00:03:42,409 --> 00:03:48,128  
obviously another world or another

88  
00:03:43,909 --> 00:03:50,810  
dimension moreover the fact that

89  
00:03:48,128 --> 00:03:53,060  
missiles have been tampered with here

90  
00:03:50,810 --> 00:03:55,250  
and in the former Soviet Union and on

91  
00:03:53,060 --> 00:03:58,669  
one occasion in each country about which

92  
00:03:55,250 --> 00:04:00,289  
I am aware actually activated I think we

93  
00:03:58,669 --> 00:04:01,969  
can rule out that these are the

94  
00:04:00,289 --> 00:04:03,918  
Americans attempting to start World War

95  
00:04:01,969 --> 00:04:06,530  
3 or the Russians attempting to start

96  
00:04:03,919 --> 00:04:09,439  
World War 3 again the technology

97  
00:04:06,530 --> 00:04:12,109  
involved is so superior and we cannot

98  
00:04:09,439 --> 00:04:14,539  
conceive of a logical scenario whereby

99  
00:04:12,109 --> 00:04:16,910  
either of our countries would attempt to

100  
00:04:14,539 --> 00:04:18,310

activate nuclear missiles for any reason

101

00:04:16,910 --> 00:04:22,900

Under the Sun

102

00:04:18,310 --> 00:04:26,350

now our opinion is that whoever these

103

00:04:22,899 --> 00:04:28,029

beans are they are indeed attempting to

104

00:04:26,350 --> 00:04:29,650

send a signal that we are playing with

105

00:04:28,029 --> 00:04:32,829

fire that we are gambling with the

106

00:04:29,649 --> 00:04:35,168

humans races future there are other

107

00:04:32,829 --> 00:04:37,449

possible scenarios I have half jokingly

108

00:04:35,168 --> 00:04:40,120

said from time to time maybe they're

109

00:04:37,449 --> 00:04:41,949

planning to invade Earth and they they

110

00:04:40,120 --> 00:04:43,540

don't want to inherit a radioactive

111

00:04:41,949 --> 00:04:45,399

environment when they do now I don't

112

00:04:43,540 --> 00:04:45,910

believe that's what's going on by any

113

00:04:45,399 --> 00:04:48,399

means

114

00:04:45,910 --> 00:04:50,350

I don't think humankind is in jeopardy

115  
00:04:48,399 --> 00:04:53,168  
from whoever they are and what their

116  
00:04:50,350 --> 00:04:55,720  
intentions are except we will have our

117  
00:04:53,168 --> 00:04:58,478  
minds expanded there will be a paradigm

118  
00:04:55,720 --> 00:05:00,880  
shift traditional institutions such as

119  
00:04:58,478 --> 00:05:03,579  
religions governments other social

120  
00:05:00,879 --> 00:05:06,009  
institutions may indeed be threatened by

121  
00:05:03,579 --> 00:05:08,439  
threatened by what is coming that is

122  
00:05:06,009 --> 00:05:10,930  
just the logical consequence of what is

123  
00:05:08,439 --> 00:05:13,478  
about to occur but if indeed this earth

124  
00:05:10,930 --> 00:05:16,418  
is being visited by other races and if

125  
00:05:13,478 --> 00:05:19,180  
those races are one or more races are in

126  
00:05:16,418 --> 00:05:21,149  
fact repeatedly monitoring and sometimes

127  
00:05:19,180 --> 00:05:23,769  
tampering with our nuclear weapons that

128  
00:05:21,149 --> 00:05:25,929  
secret in our view should not be kept

129  
00:05:23,769 --> 00:05:27,879  
from the citizens of this planet any

130  
00:05:25,930 --> 00:05:29,769  
longer but you don't think there's an

131  
00:05:27,879 --> 00:05:32,978  
offensive element to their to their

132  
00:05:29,769 --> 00:05:36,509  
contact I don't think there's any

133  
00:05:32,978 --> 00:05:49,870  
potential hostility except again to

134  
00:05:36,509 --> 00:05:52,449  
close minded people they're maneuvered

135  
00:05:49,870 --> 00:05:54,639  
up here and especially in my case they

136  
00:05:52,449 --> 00:05:56,349  
could have done a lot more damaged in

137  
00:05:54,639 --> 00:05:59,650  
permanent damage to our weapons systems

138  
00:05:56,350 --> 00:06:02,200  
and they didn't know all of these

139  
00:05:59,649 --> 00:06:05,668  
weapons in in my case were brought back

140  
00:06:02,199 --> 00:06:10,389  
up on alert it took a day or so but

141  
00:06:05,668 --> 00:06:14,829  
everything was fine if they wanted to

142  
00:06:10,389 --> 00:06:16,629  
destroy them with all the powers they

143

00:06:14,829 --> 00:06:19,870  
seemed to have I think they could have

144  
00:06:16,629 --> 00:06:24,069  
done that job so I personally don't

145  
00:06:19,870 --> 00:06:25,720  
think this was a hostile intent hi my

146  
00:06:24,069 --> 00:06:26,709  
name is John Kelly I'm a columnist at

147  
00:06:25,720 --> 00:06:29,470  
The Washington Post

148  
00:06:26,709 --> 00:06:30,638  
Colonel halt you mentioned that when you

149  
00:06:29,470 --> 00:06:36,879  
went out you had

150  
00:06:30,639 --> 00:06:39,098  
a cassette recorder a Geiger counter you

151  
00:06:36,879 --> 00:06:42,759  
said a camera camera 35 millimeter

152  
00:06:39,098 --> 00:06:46,449  
camera did so first of all did you take

153  
00:06:42,759 --> 00:06:50,468  
any photographs and second how does a

154  
00:06:46,449 --> 00:06:53,050  
cassette tape made by you presumably for

155  
00:06:50,468 --> 00:06:55,478  
official purposes end up at a cocktail

156  
00:06:53,050 --> 00:06:57,069  
party entertaining guests okay two

157  
00:06:55,478 --> 00:07:00,038

questions let me answer the first one

158

00:06:57,069 --> 00:07:03,129

the disaster preparedness individual I

159

00:07:00,038 --> 00:07:05,348

took along Tex Arden Monroe nevels also

160

00:07:03,129 --> 00:07:07,028

worked for the base newspaper part-time

161

00:07:05,348 --> 00:07:08,829

he was professional photographer on the

162

00:07:07,028 --> 00:07:11,468

side had a degree in photography

163

00:07:08,829 --> 00:07:13,269

he took numerous pictures pictures the

164

00:07:11,468 --> 00:07:15,310

indentations pictures of the broken

165

00:07:13,269 --> 00:07:17,978

branches he tried to take pictures of

166

00:07:15,310 --> 00:07:22,389

the objects in the sky he took the film

167

00:07:17,978 --> 00:07:24,188

back home and it all came I fog certain

168

00:07:22,389 --> 00:07:26,588

Penniston took his film to the photo lab

169

00:07:24,189 --> 00:07:32,439

and turned it in and they told him it

170

00:07:26,588 --> 00:07:32,889

disappeared I can't answer that I did

171

00:07:32,439 --> 00:07:36,159

not

172  
00:07:32,889 --> 00:07:38,288  
I had to micro set recorder so I took my

173  
00:07:36,158 --> 00:07:39,819  
tape recorder along it was a little

174  
00:07:38,288 --> 00:07:42,188  
micro cassette one his little tiny ones

175  
00:07:39,819 --> 00:07:44,348  
I still have it by the way I came back

176  
00:07:42,189 --> 00:07:47,379  
and after the tape was played at third

177  
00:07:44,348 --> 00:07:49,209  
Air Force and I played it for Squadron

178  
00:07:47,379 --> 00:07:51,399  
Leader Moreland and several other people

179  
00:07:49,209 --> 00:07:54,128  
Ted Conrad's my boss since they make me

180  
00:07:51,399 --> 00:07:57,098  
a copy so I made him a copy he put it in

181  
00:07:54,129 --> 00:08:00,189  
a desk drawer in his desk drawer he

182  
00:07:57,098 --> 00:08:01,778  
moved on and it was replaced and the

183  
00:08:00,189 --> 00:08:03,610  
gentleman replaced him thought it was

184  
00:08:01,778 --> 00:08:05,800  
hilarious to play the tape I didn't know

185  
00:08:03,610 --> 00:08:08,468  
this at the time at cocktail parties so

186  
00:08:05,800 --> 00:08:10,810  
he was playing a copy a copy of that

187  
00:08:08,468 --> 00:08:12,689  
copy somehow or other Gatto gentleman by

188  
00:08:10,810 --> 00:08:14,468  
the name of Harry Harris the British

189  
00:08:12,689 --> 00:08:17,560  
banister or a lawyer

190  
00:08:14,468 --> 00:08:20,468  
Harry was the amateur UF ologist he and

191  
00:08:17,560 --> 00:08:23,038  
I by the name of Max Ike Mac sent Mike

192  
00:08:20,468 --> 00:08:25,538  
sacks I traced his stein years later and

193  
00:08:23,038 --> 00:08:27,430  
a couple of ladies named Brenda Butler

194  
00:08:25,538 --> 00:08:29,348  
dot Street and Jenny Randall's who were

195  
00:08:27,430 --> 00:08:31,269  
writing a book at that time all got

196  
00:08:29,348 --> 00:08:33,879  
involved and my tape got out into the

197  
00:08:31,269 --> 00:08:35,620  
public domain a copy of my tape what's

198  
00:08:33,879 --> 00:08:37,629  
on the internet now is probably a fifth

199  
00:08:35,620 --> 00:08:40,299  
sixth or seventh generation but it's out

200

00:08:37,629 --> 00:08:43,778  
there and my final question which does

201  
00:08:40,299 --> 00:08:44,620  
require somebody to speak is you know

202  
00:08:43,778 --> 00:08:46,720  
you've talked about

203  
00:08:44,620 --> 00:08:49,120  
how society and the mainstream media

204  
00:08:46,720 --> 00:08:51,970  
sort of are very dismissive of all this

205  
00:08:49,120 --> 00:08:54,250  
can one or two of you talk about sort of

206  
00:08:51,970 --> 00:08:59,110  
the personal journey you've come to in

207  
00:08:54,250 --> 00:09:02,320  
terms of you know approaching family or

208  
00:08:59,110 --> 00:09:04,480  
friends or others about this when people

209  
00:09:02,320 --> 00:09:07,870  
may think that's kooky to talk about

210  
00:09:04,480 --> 00:09:09,759  
this can one of you talk about how you

211  
00:09:07,870 --> 00:09:13,870  
know how was it difficult how difficult

212  
00:09:09,759 --> 00:09:16,210  
was it that sort of thing thank you well

213  
00:09:13,870 --> 00:09:19,799  
as a person who is very very skeptical

214  
00:09:16,210 --> 00:09:22,300

about this what I called UFO nonsense

215

00:09:19,799 --> 00:09:23,709

when that happened that night and I

216

00:09:22,299 --> 00:09:27,759

thought through the process of what the

217

00:09:23,710 --> 00:09:30,220

logical explanations are after that I

218

00:09:27,759 --> 00:09:32,139

was very careful about who I told what

219

00:09:30,220 --> 00:09:35,830

because some of my friends when I

220

00:09:32,139 --> 00:09:37,389

started on this just laughed so I got

221

00:09:35,830 --> 00:09:39,460

ridiculed by the obvious used to the

222

00:09:37,389 --> 00:09:41,620

ridicule from the Air Force except for

223

00:09:39,460 --> 00:09:43,450

the dual standard we're going to

224

00:09:41,620 --> 00:09:49,589

ridicule but it's secret don't talk

225

00:09:43,450 --> 00:09:52,839

about and and coming out was was my I

226

00:09:49,589 --> 00:09:54,100

came out a little bit I talked to Robert

227

00:09:52,839 --> 00:09:56,560

I gave him a little bit of story about

228

00:09:54,100 --> 00:09:58,028

my name McMahon I was concerned I don't

229  
00:09:56,559 --> 00:10:00,250  
want to be considered a kook I don't

230  
00:09:58,028 --> 00:10:02,769  
want it you know because because I

231  
00:10:00,250 --> 00:10:04,958  
consider not so many anymore

232  
00:10:02,769 --> 00:10:08,309  
but I consider some of the extremists a

233  
00:10:04,958 --> 00:10:10,479  
bit kooky but I think it's more

234  
00:10:08,309 --> 00:10:13,389  
important that we come out and tell our

235  
00:10:10,480 --> 00:10:15,789  
story rationally and see that we are

236  
00:10:13,389 --> 00:10:19,149  
cooks and this is what happened and make

237  
00:10:15,789 --> 00:10:22,179  
your own judgment but I am one of my

238  
00:10:19,149 --> 00:10:24,789  
concerns is that you all think I'm a

239  
00:10:22,179 --> 00:10:28,059  
coke and I mauled enough that I don't

240  
00:10:24,789 --> 00:10:36,110  
really care that much because it

241  
00:10:28,059 --> 00:10:40,789  
happened so is that okay 68 going on 95

242  
00:10:36,110 --> 00:10:43,100  
I would briefly add to that that I made

243  
00:10:40,789 --> 00:10:45,949  
a decision decades ago that no matter

244  
00:10:43,100 --> 00:10:47,810  
who laughed at me or threw things at me

245  
00:10:45,950 --> 00:10:50,060  
I would speak what I knew to be the

246  
00:10:47,809 --> 00:10:53,449  
facts the world is filled with

247  
00:10:50,059 --> 00:10:55,250  
self-appointed UFO experts persons who

248  
00:10:53,450 --> 00:10:57,740  
have all the answers even though they've

249  
00:10:55,250 --> 00:10:59,860  
studied none of the facts the scientific

250  
00:10:57,740 --> 00:11:02,240  
community is chock-full of those folks

251  
00:10:59,860 --> 00:11:04,730  
journalism frankly is chock-full of

252  
00:11:02,240 --> 00:11:07,310  
those folks we're presenting credible

253  
00:11:04,730 --> 00:11:10,129  
witnesses for open minds people who have

254  
00:11:07,309 --> 00:11:12,379  
an objective sense of their duty to

255  
00:11:10,129 --> 00:11:14,870  
inform the American public about the

256  
00:11:12,379 --> 00:11:17,149  
reality of the situation we're providing

257

00:11:14,870 --> 00:11:19,639  
you not only these witnesses but many

258  
00:11:17,149 --> 00:11:22,039  
other witnesses who can testify as to

259  
00:11:19,639 --> 00:11:24,860  
the reality of all of this and you may

260  
00:11:22,039 --> 00:11:26,750  
draw your own conclusions the reason I

261  
00:11:24,860 --> 00:11:31,100  
came to the conclusion that the this was

262  
00:11:26,750 --> 00:11:33,889  
a message simply again they could have

263  
00:11:31,100 --> 00:11:36,019  
done a lot more destruction I think to

264  
00:11:33,889 --> 00:11:38,809  
our weapons systems and they didn't it

265  
00:11:36,019 --> 00:11:41,120  
was simply shining a light on our

266  
00:11:38,809 --> 00:11:44,689  
nuclear weapons and literally literally

267  
00:11:41,120 --> 00:11:46,639  
shining a light on nuclear facilities

268  
00:11:44,690 --> 00:11:49,699  
this has happened all over the world I

269  
00:11:46,639 --> 00:11:53,269  
can I can point to other instances where

270  
00:11:49,698 --> 00:11:55,328  
UFOs came over shone a beam down on the

271  
00:11:53,269 --> 00:12:00,289

weapons storage area where nukes were

272

00:11:55,328 --> 00:12:03,049

stored to me it's pretty clear this is

273

00:12:00,289 --> 00:12:05,778

just you know we're we're shining a

274

00:12:03,049 --> 00:12:06,948

light on this we're pointing it out what

275

00:12:05,778 --> 00:12:11,328

are you people doing with nuclear

276

00:12:06,948 --> 00:12:14,328

weapons mr. Arnesen

277

00:12:11,328 --> 00:12:17,659

you mentioned someone over there trying

278

00:12:14,328 --> 00:12:21,019

to send us a message I wonder what kind

279

00:12:17,659 --> 00:12:24,649

of a message do those aliens consider

280

00:12:21,019 --> 00:12:28,250

our earth people have the threat to them

281

00:12:24,649 --> 00:12:31,339

or they just try to defend or they try

282

00:12:28,250 --> 00:12:34,230

to come here to occupy take over Earth

283

00:12:31,339 --> 00:12:36,850

what kind of a message

284

00:12:34,230 --> 00:12:40,560

if I knew that answer I wouldn't be here

285

00:12:36,850 --> 00:12:42,340

I really don't know right but they're

286  
00:12:40,559 --> 00:12:44,229  
they're trying to tell us something

287  
00:12:42,340 --> 00:12:47,560  
without it without a question whether

288  
00:12:44,230 --> 00:12:49,509  
it's don't go much further you could get

289  
00:12:47,559 --> 00:12:52,059  
rid of the things I don't have any idea

290  
00:12:49,509 --> 00:12:54,220  
are they from the Extra Terrestrial who

291  
00:12:52,059 --> 00:12:56,259  
knows are they from other dimensions who

292  
00:12:54,220 --> 00:12:59,920  
knows are they from underneath the earth

293  
00:12:56,259 --> 00:13:02,879  
know what else your guess is as good as

294  
00:12:59,919 --> 00:13:06,629  
mine and I can't answer that question

295  
00:13:02,879 --> 00:13:10,120  
government are trying to conceal this

296  
00:13:06,629 --> 00:13:12,850  
information the fact actually for many

297  
00:13:10,120 --> 00:13:16,060  
for all those years do you think this

298  
00:13:12,850 --> 00:13:19,470  
will do good for the society stability

299  
00:13:16,059 --> 00:13:22,479  
or is the kind of preventive for some

300  
00:13:19,470 --> 00:13:24,970  
advanced or further research

301  
00:13:22,480 --> 00:13:26,950  
what would the potential changes be for

302  
00:13:24,970 --> 00:13:31,600  
society would this be good let me

303  
00:13:26,950 --> 00:13:33,940  
briefly summarize and say in 1975 a

304  
00:13:31,600 --> 00:13:36,430  
former CIA official Victor Marchetti

305  
00:13:33,940 --> 00:13:39,550  
wrote a best-selling book called the CIA

306  
00:13:36,429 --> 00:13:41,139  
and cult of intelligence the CIA took

307  
00:13:39,549 --> 00:13:43,329  
him to the Supreme Court to attempt

308  
00:13:41,139 --> 00:13:46,210  
public bloc publication of that book

309  
00:13:43,330 --> 00:13:47,740  
ultimately a redacted version of it was

310  
00:13:46,210 --> 00:13:49,509  
released it was the first book in

311  
00:13:47,740 --> 00:13:52,120  
American history to be censored by the

312  
00:13:49,509 --> 00:13:56,319  
US government the same Victor Marchetti

313  
00:13:52,120 --> 00:13:59,440  
in 1979 wrote an article for second Look

314

00:13:56,320 --> 00:14:02,620  
magazine title I believe was how the CIA

315  
00:13:59,440 --> 00:14:05,170  
views the UFO phenomenon he said among

316  
00:14:02,620 --> 00:14:07,210  
other things this subject was so

317  
00:14:05,169 --> 00:14:08,819  
sensitive that you did not talk about it

318  
00:14:07,210 --> 00:14:11,290  
in the agency unless you had a need to

319  
00:14:08,820 --> 00:14:13,150  
nevertheless there were rumors floating

320  
00:14:11,289 --> 00:14:16,059  
around at the highest levels of CIA

321  
00:14:13,149 --> 00:14:19,029  
about recovered crash UFOs and the

322  
00:14:16,059 --> 00:14:21,609  
bodies of their crews thirdly Victor

323  
00:14:19,029 --> 00:14:24,370  
Marchetti said in his opinion as an

324  
00:14:21,610 --> 00:14:26,470  
intelligence analyst with CIA for I

325  
00:14:24,370 --> 00:14:28,269  
think 11 years he was of the opinion

326  
00:14:26,470 --> 00:14:30,220  
that no government on earth will

327  
00:14:28,269 --> 00:14:32,139  
voluntarily release this information

328  
00:14:30,220 --> 00:14:35,980

because it would jeopardize the status

329

00:14:32,139 --> 00:14:38,620

quo ie their power even if there's no

330

00:14:35,980 --> 00:14:40,779

hostile intent or implication to the

331

00:14:38,620 --> 00:14:43,210

visitation of these beings if indeed

332

00:14:40,779 --> 00:14:45,250

these are extraterrestrials even if

333

00:14:43,210 --> 00:14:46,470

they're not meaning us any harm

334

00:14:45,250 --> 00:14:48,240

whatsoever

335

00:14:46,470 --> 00:14:50,190

governments have nothing to gain and

336

00:14:48,240 --> 00:14:52,860

everything to lose by admitting the

337

00:14:50,190 --> 00:14:55,290

reality of this and Victor marchetti's

338

00:14:52,860 --> 00:14:57,690

opinion is that this will probably come

339

00:14:55,289 --> 00:14:59,909

out you know buy some action on the part

340

00:14:57,690 --> 00:15:01,590

of the fenomena it's phenomenon itself

341

00:14:59,909 --> 00:15:04,079

which will leave no doubt in anyone's

342

00:15:01,590 --> 00:15:07,320

mind but don't expect Washington or

343  
00:15:04,080 --> 00:15:10,100  
Moscow or any other government to

344  
00:15:07,320 --> 00:15:12,810  
volunteer all the reality of all of this

345  
00:15:10,100 --> 00:15:15,570  
do you think that this evidence of

346  
00:15:12,809 --> 00:15:19,459  
malfeasance ranks up there with not

347  
00:15:15,570 --> 00:15:22,440  
telling the public about alien or UFO

348  
00:15:19,460 --> 00:15:26,790  
intrusion at nuclear sites is there is

349  
00:15:22,440 --> 00:15:31,170  
there an equation I don't know about

350  
00:15:26,789 --> 00:15:34,289  
ranking but it points out the dangers of

351  
00:15:31,169 --> 00:15:37,259  
nuclear weapons the fact that these

352  
00:15:34,289 --> 00:15:40,669  
accidents have occurred serious

353  
00:15:37,259 --> 00:15:45,360  
accidents with with nuclear weapons and

354  
00:15:40,669 --> 00:15:47,759  
and it's it just it just points out to

355  
00:15:45,360 --> 00:15:50,220  
how dangerous it is that we have them I

356  
00:15:47,759 --> 00:15:51,409  
don't know how how to compare that with

357  
00:15:50,220 --> 00:15:53,820  
the cover-up

358  
00:15:51,409 --> 00:15:55,350  
I'd have done an analysis of the

359  
00:15:53,820 --> 00:15:57,770  
cover-up and I'll be glad to give it to

360  
00:15:55,350 --> 00:16:02,639  
any of you guys that are interested and

361  
00:15:57,769 --> 00:16:06,929  
I but I think it's it's related and the

362  
00:16:02,639 --> 00:16:08,789  
fact that the cover-up of the fact that

363  
00:16:06,929 --> 00:16:13,439  
the UFOs did intercede with our nuclear

364  
00:16:08,789 --> 00:16:15,509  
weapons is extremely important thank you

365  
00:16:13,440 --> 00:16:17,550  
for coming again all of us will be

366  
00:16:15,509 --> 00:16:21,710  
available for one-on-one interviews for

367  
00:16:17,549 --> 00:16:21,709  
some period of time thank you
