

1
00:00:06,980 --> 00:00:13,170
why does the S at all welcome to

2
00:00:10,380 --> 00:00:15,179
everybody I'm the director of

3
00:00:13,169 --> 00:00:18,990
Exopolitics pain to electronics

4
00:00:15,179 --> 00:00:21,510
political spider film editors a todos

5
00:00:18,989 --> 00:00:26,278
Soylent I do they stay completo the

6
00:00:21,510 --> 00:00:28,830
stock under dopey Alexa política no

7
00:00:26,278 --> 00:00:34,099
vamos a la palabra a director de

8
00:00:28,829 --> 00:00:34,098
comunicación del evento note ah gracias

9
00:00:36,409 --> 00:00:44,009
gracias Pavano buenos días a todos y

10
00:00:41,270 --> 00:00:46,230
pegar o fato de hacer todo mundo su

11
00:00:44,009 --> 00:00:48,000
presencia aqui voy es un día muy

12
00:00:46,229 --> 00:01:01,288
importante y una conferencia Paris ah

13
00:00:48,000 --> 00:01:03,030
muy importante tenemos aquí algunos de

14
00:01:01,289 --> 00:01:04,799
los puentes que una furtiva y la cumbre

15
00:01:03,030 --> 00:01:07,439
durante estos dos días anticipo venti

16
00:01:04,799 --> 00:01:09,780
seis seis de ellos van a hablar a los

17
00:01:07,438 --> 00:01:12,539
meses de comunicación y el resto estaban

18
00:01:09,780 --> 00:01:14,040
a su disposición en un tonto a nun tono

19
00:01:12,540 --> 00:01:17,450
de preguntas y respuestas k release her

20
00:01:14,040 --> 00:01:17,450
a Mosin fine on de la rueda de prensa

21
00:01:32,560 --> 00:01:38,149
voy a presentar evidente a las personas

22
00:01:35,090 --> 00:01:41,118
que vienes a companion en primer lugar y

23
00:01:38,149 --> 00:01:43,519
me gustaria percent are a mr. nick pope

24
00:01:41,118 --> 00:01:45,469
cocido el máximo responsable ministry

25
00:01:43,519 --> 00:01:50,199
defense a titanic o en todo lo que son

26
00:01:45,469 --> 00:01:50,200
los expedientes or knee good morning

27
00:01:59,709 --> 00:02:06,169
timothy m % o and senior 10 cells deepak

28
00:02:03,049 --> 00:02:08,060
cocido x Capitan air france yet a

29

00:02:06,170 --> 00:02:23,120
massive response already XO political

30
00:02:08,060 --> 00:02:25,370
front disposed tenemos RC or r / Dean k

31
00:02:23,120 --> 00:02:36,409
x commandante Sargento Mandela Street o

32
00:02:25,370 --> 00:02:39,200
de los Estados Unidos tenemos nosotros

33
00:02:36,409 --> 00:02:41,359
tambien le al dr. Brennan ol ed que este

34
00:02:39,199 --> 00:02:44,560
es astronaut Adela heavy especial

35
00:02:41,359 --> 00:02:44,560
Americana LaNasa

36
00:02:51,310 --> 00:02:56,210
tenemos ninguna so tras el placer do

37
00:02:54,139 --> 00:02:58,069
Lenore al doctor Castilian breathe

38
00:02:56,210 --> 00:03:10,040
director del discuss of project e

39
00:02:58,069 --> 00:03:12,409
director Orion project tambien tenemos

40
00:03:10,039 --> 00:03:14,659
que nosotros hoy al mr. Stephen Bassett

41
00:03:12,409 --> 00:03:17,240
test director del paradigm or search

42
00:03:14,659 --> 00:03:18,799
group y además st Hector tamiya neyo la

43
00:03:17,240 --> 00:03:32,120

mesa door de las chicas con friends

44

00:03:18,800 --> 00:03:33,530

Casey Ferrand estos unidos tambien

45

00:03:32,120 --> 00:03:43,340

tenemos a senior Robert Fletcher case

46

00:03:33,530 --> 00:03:44,990

director drex Oh political M&A most

47

00:03:43,340 --> 00:03:46,490

ambiente nosotros Alice nera pabla ha

48

00:03:44,990 --> 00:03:57,409

race director international denisa to

49

00:03:46,490 --> 00:04:00,080

talk so politica tambien al senior fairly

50

00:03:57,409 --> 00:04:09,019

cool our case director del del del

51

00:04:00,080 --> 00:04:11,030

instituto XO política dinamarca I por

52

00:04:09,019 --> 00:04:12,800

último Yassa presented a mismo al senior

53

00:04:11,030 --> 00:04:14,989

que vamos a ver case director XOXO

54

00:04:12,800 --> 00:04:18,160

política espana y la persona que i

55

00:04:14,989 --> 00:04:18,160

organized event Oh

56

00:04:28,620 --> 00:04:34,478

entonces la grow depressive a funcionar

57

00:04:31,810 --> 00:04:37,889

de la siguiente manera yo voy a dar caso

58
00:04:34,478 --> 00:04:37,889
a cada uno de los puentes que van a la

59
00:04:45,418 --> 00:04:49,839
unica que acaba de todos intervention

60
00:04:48,250 --> 00:04:57,610
entra demo siento que me preguntas y

61
00:04:49,839 --> 00:04:59,009
respuestas condonation paso la palabra a

62
00:04:57,610 --> 00:05:01,270
nuestro company or over pleasure

63
00:04:59,009 --> 00:05:03,879
director flexibly rekha romanian que vas

64
00:05:01,269 --> 00:05:22,478
earn a brief introduction de lo que es

65
00:05:03,879 --> 00:05:24,389
la disciplina su política thanks for

66
00:05:22,478 --> 00:05:27,038
coming to this press conference

67
00:05:24,389 --> 00:05:30,180
Exopolitics is the study of key

68
00:05:27,038 --> 00:05:32,139
individuals institutions and policies

69
00:05:30,180 --> 00:05:35,069
related to the extra-terrestrial

70
00:05:32,139 --> 00:05:35,069
presence

71
00:05:47,670 --> 00:05:53,860
we deal with declassified documents we

72
00:05:51,160 --> 00:05:56,620
deal with first-hand witnesses from the

73
00:05:53,860 --> 00:06:11,410
military government and intelligence

74
00:05:56,620 --> 00:06:14,230
communities a large portion of our work

75
00:06:11,410 --> 00:06:16,240
consists in analyzing and documenting

76
00:06:14,230 --> 00:06:27,870
the cover-up of the extra-terrestrial

77
00:06:16,240 --> 00:06:30,340
presence since we are a pluralistic and

78
00:06:27,870 --> 00:06:39,910
international network of individuals and

79
00:06:30,339 --> 00:06:42,189
associations we look at this most

80
00:06:39,910 --> 00:06:44,430
important subject from various

81
00:06:42,189 --> 00:06:44,430
perspectives

82
00:06:49,470 --> 00:07:01,000
that includes analyzing the implications

83
00:06:52,839 --> 00:07:03,609
for life on our planet how we have

84
00:07:01,000 --> 00:07:05,740
organized our society and what would

85
00:07:03,610 --> 00:07:18,939
change if the extra-terrestrial presence

86

00:07:05,740 --> 00:07:25,389
was generally known in the public I wish

87
00:07:18,939 --> 00:07:27,699
to empathize one thing we do not pretend

88
00:07:25,389 --> 00:07:36,969
to know the absolute truth about this

89
00:07:27,699 --> 00:07:45,849
issue but what we know is that the truth

90
00:07:36,970 --> 00:07:48,270
is not what we are being told Moses

91
00:07:45,850 --> 00:07:48,270
battles

92
00:07:51,949 --> 00:08:04,729
I've had enough young by balancing your

93
00:07:53,689 --> 00:08:07,040
meatball 1sts my name is Nick Pope and I

94
00:08:04,730 --> 00:08:09,530
worked for the British government for

95
00:08:07,040 --> 00:08:22,400
the Ministry of Defence for 21 years

96
00:08:09,529 --> 00:08:26,899
since 1950 the Ministry of Defence has

97
00:08:22,399 --> 00:08:29,929
received over 12,000 UFO reports and for

98
00:08:26,899 --> 00:08:54,009
much of the early 90s I was responsible

99
00:08:29,930 --> 00:08:56,680
for this issue most UFO sightings were

100
00:08:54,009 --> 00:08:59,689

misidentifications of aircraft lights

101

00:08:56,679 --> 00:09:03,199

satellites and meteors but in around

102

00:08:59,690 --> 00:09:05,800

five percent of cases no explanation was

103

00:09:03,200 --> 00:09:05,800

found

104

00:09:22,360 --> 00:09:29,240

these included cases where reliable

105

00:09:26,419 --> 00:09:32,899

witnesses such as police officers and

106

00:09:29,240 --> 00:09:35,870

pilots saw structured craft performing

107

00:09:32,899 --> 00:09:38,240

speeds and maneuvers in excess of

108

00:09:35,870 --> 00:09:40,450

anything that they'd seen military jet

109

00:09:38,240 --> 00:09:40,450

aircraft

110

00:10:06,909 --> 00:10:15,169

are the cases involved UFOs being

111

00:10:11,328 --> 00:10:17,628

tracked on radar and cases where photos

112

00:10:15,169 --> 00:10:20,479

and videos were taken when the

113

00:10:17,629 --> 00:10:46,209

government's technical experts said

114

00:10:20,480 --> 00:10:49,278

these are not faced in March 1993 I

115
00:10:46,208 --> 00:10:52,758
investigated a case where a UFO was seen

116
00:10:49,278 --> 00:10:57,308
by about 60 witnesses including military

117
00:10:52,759 --> 00:10:57,308
personnel at two air force bases

118
00:11:15,740 --> 00:11:21,960
these witnesses included a patrol of Air

119
00:11:19,440 --> 00:11:24,170
Force police officers and a

120
00:11:21,960 --> 00:11:42,720
meteorological officer with eight years

121
00:11:24,169 --> 00:11:45,389
experience in the Air Force this last

122
00:11:42,720 --> 00:11:48,600
witness described the UFO as being a

123
00:11:45,389 --> 00:12:02,399
large triangular craft about the size of

124
00:11:48,600 --> 00:12:06,149
a Boeing 747 he said it was making a low

125
00:12:02,399 --> 00:12:09,360
frequency humming sound moving slowly at

126
00:12:06,149 --> 00:12:12,889
first and then accelerating away to the

127
00:12:09,360 --> 00:12:12,889
horizon at high speed

128
00:12:26,049 --> 00:12:31,309
my head of division wrote to the

129
00:12:29,059 --> 00:12:34,399
assistant chief of the air staff and

130
00:12:31,309 --> 00:12:36,919
said in summary they would seem to be

131
00:12:34,399 --> 00:12:39,740
some evidence that an unidentified

132
00:12:36,919 --> 00:13:02,120
object was operating over the United

133
00:12:39,740 --> 00:13:06,080
Kingdom Britain's best known UFO

134
00:13:02,120 --> 00:13:08,419
sighting took place in 1980 and involved

135
00:13:06,080 --> 00:13:12,670
United States Air Force personnel from

136
00:13:08,419 --> 00:13:12,669
two military bases in the UK

137
00:13:28,110 --> 00:13:34,360
there were numerous witnesses and the

138
00:13:31,240 --> 00:13:50,680
UFO was seemed to land in a place called

139
00:13:34,360 --> 00:13:53,440
Rendlesham forest a Geiger counter was

140
00:13:50,679 --> 00:13:56,679
used to take radiation readings at the

141
00:13:53,440 --> 00:13:59,620
landing site and the assessment from the

142
00:13:56,679 --> 00:14:01,529
Defence Intelligence staff was that the

143

00:13:59,620 --> 00:14:06,360
levels recorded were significantly

144
00:14:01,529 --> 00:14:06,360
higher than the average background

145
00:14:34,078 --> 00:14:42,248
this drawing here is an official sketch

146
00:14:38,889 --> 00:15:00,669
from the military witness who got

147
00:14:42,249 --> 00:15:03,249
closest to the craft the UFO was seen on

148
00:15:00,669 --> 00:15:06,240
the following night where the witnesses

149
00:15:03,249 --> 00:15:08,649
included Lieutenant Colonel Charles halt

150
00:15:06,240 --> 00:15:12,129
possibly the highest-ranking military

151
00:15:08,649 --> 00:15:36,249
officer to see and report a UFO onced on

152
00:15:12,129 --> 00:15:39,399
duty Colonel halt saw the UFO fire beams

153
00:15:36,249 --> 00:15:42,069
of light at an extremely sensitive area

154
00:15:39,399 --> 00:15:45,009
of the base and these sightings are

155
00:15:42,068 --> 00:15:47,438
corroborated by official documents from

156
00:15:45,009 --> 00:15:50,339
the Ministry of Defense and the United

157
00:15:47,438 --> 00:15:50,338

States Air Force

158

00:16:07,919 --> 00:16:24,729

this is a copy of Colonel halts official

159

00:16:11,559 --> 00:16:27,309

report to the Ministry of Defense UFO

160

00:16:24,730 --> 00:16:31,149

sightings continue in the United Kingdom

161

00:16:27,309 --> 00:16:35,939

and in 2008 there were over twice as

162

00:16:31,149 --> 00:16:35,940

many sightings as in 2007

163

00:16:47,129 --> 00:16:53,528

these cases included an incident where a

164

00:16:50,708 --> 00:16:58,708

police helicopter had to take evasive

165

00:16:53,528 --> 00:16:58,708

action to avoid a collision with the UFO

166

00:17:09,328 --> 00:17:16,509

the Ministry of Defense figures for this

167

00:17:12,250 --> 00:17:32,349

year suggests that 2009 will be a record

168

00:17:16,509 --> 00:17:35,109

year for UFO sightings in Britain the

169

00:17:32,349 --> 00:17:37,659

Ministry of Defence does not have a

170

00:17:35,109 --> 00:17:40,479

definitive explanation for the UFO

171

00:17:37,660 --> 00:17:42,880

phenomenon but those of us who worked on

172
00:17:40,480 --> 00:17:46,360
the issue believed that it raised

173
00:17:42,880 --> 00:17:49,890
important defense national security and

174
00:17:46,359 --> 00:17:49,889
air safety issues

175
00:18:06,369 --> 00:18:12,919
the British government is now releasing

176
00:18:09,529 --> 00:18:25,399
all its UFO files to the National

177
00:18:12,920 --> 00:18:36,110
Archives so none of this information is

178
00:18:25,400 --> 00:18:47,950
disputed it can all be checked which is

179
00:18:36,109 --> 00:18:53,709
gracias Thank You mr. Howe a

180
00:18:47,950 --> 00:18:53,710
continuación hablar el Senor Sanchez go

181
00:18:56,470 --> 00:19:03,710
ladies and gentlemen Venezuela's my name

182
00:19:00,319 --> 00:19:20,659
is Rochelle debug and I am a retired Air

183
00:19:03,710 --> 00:19:25,460
Force b747 captain during air france

184
00:19:20,660 --> 00:19:28,850
flight 35 32 home needs to London on 28

185
00:19:25,460 --> 00:19:33,370
january nineteen ninety-four I hope self

186
00:19:28,849 --> 00:19:33,369
with my crew or UFO near Paris

187
00:19:52,579 --> 00:19:58,678
the time was 1 p.m. and the visibility

188
00:19:55,769 --> 00:20:11,069
was excellent with some unhooking reduce

189
00:19:58,679 --> 00:20:13,530
clouds that object had been identified

190
00:20:11,069 --> 00:20:16,789
initial a bio Stewart was in the cockpit

191
00:20:13,529 --> 00:20:16,789
and by the copilot

192
00:20:24,210 --> 00:20:31,420
when I saw this UFO it was in evolution

193
00:20:28,509 --> 00:20:44,019
and at the back end I added the bank

194
00:20:31,420 --> 00:20:52,090
angle of 45 degrees like this about then

195
00:20:44,019 --> 00:20:59,200
it's stabilized and stop moving it

196
00:20:52,089 --> 00:21:02,019
seemed to be a huge flying disc we

197
00:20:59,200 --> 00:21:04,240
observed it over one minute on the left

198
00:21:02,019 --> 00:21:06,609
on our plan surprisingly total

199
00:21:04,240 --> 00:21:23,620
destruction or in the sky and it

200

00:21:06,609 --> 00:21:26,169
disappeared progressively the slab large

201
00:21:23,619 --> 00:21:28,859
object was below us at the altitude of

202
00:21:26,170 --> 00:21:32,170
10,000 meters we were at the altitude of

203
00:21:28,859 --> 00:21:36,000
12,000 meters and it was at a distance

204
00:21:32,170 --> 00:21:36,000
of about 45 kilometers

205
00:21:47,970 --> 00:22:04,089
the color was right brown with blood

206
00:21:50,980 --> 00:22:05,710
outlines the apparent diameter of the

207
00:22:04,089 --> 00:22:17,079
subject could be compared to the

208
00:22:05,710 --> 00:22:28,930
diameter of the moon or Sun that means

209
00:22:17,079 --> 00:22:32,109
that it was about 300 meters wide this

210
00:22:28,930 --> 00:22:35,980
UFO seemed to be embedded in a kind of

211
00:22:32,109 --> 00:22:38,919
magnetic or gravitational field with no

212
00:22:35,980 --> 00:22:44,370
lights or visual metallic structure

213
00:22:38,920 --> 00:22:44,370
which gave me a really frizzy appearance

214
00:23:03,950 --> 00:23:17,730

it became transparent and disappeared in

215

00:23:06,930 --> 00:23:20,640

about 10 to 20 seconds at the same time

216

00:23:17,730 --> 00:23:23,220

the radar of the operational center of

217

00:23:20,640 --> 00:23:26,490

the air difference tsukada what is that

218

00:23:23,220 --> 00:23:29,329

a one-minute spotted crossing the track

219

00:23:26,490 --> 00:23:29,329

of our plane

220

00:23:45,670 --> 00:23:59,539

we reported our sighting to once traffic

221

00:23:48,589 --> 00:24:02,750

control I recorded the estimated

222

00:23:59,539 --> 00:24:07,389

position as a UFO on an Iowa nautical

223

00:24:02,750 --> 00:24:07,390

chart and I was surprised to realize

224

00:24:09,250 --> 00:24:12,250

which

225

00:24:45,619 --> 00:24:50,489

the sighting and has been stood out by

226

00:24:48,539 --> 00:24:53,579

the French military community group

227

00:24:50,490 --> 00:24:57,420

those are directions of general danila t

228

00:24:53,579 --> 00:25:21,179

as well as by japan on da the French

229
00:24:57,420 --> 00:25:22,890
National Space Center in the

230
00:25:21,180 --> 00:25:25,980
investigation determined that the

231
00:25:22,890 --> 00:25:29,250
sighting was unexplained and estimated

232
00:25:25,980 --> 00:25:51,569
the approximate length of the UFO to

233
00:25:29,250 --> 00:25:55,019
have been 250 meters this observation

234
00:25:51,569 --> 00:25:57,960
made me realize the reality of the UFO

235
00:25:55,019 --> 00:26:00,980
phenomenon and you in the indisputable

236
00:25:57,960 --> 00:26:03,269
presence of spacecraft of

237
00:26:00,980 --> 00:26:05,630
extraterrestrial origin in our

238
00:26:03,269 --> 00:26:05,629
atmosphere

239
00:26:19,288 --> 00:26:26,588
this exotic summit is the occasion to

240
00:26:23,798 --> 00:26:31,259
develop the industry or social and

241
00:26:26,588 --> 00:26:35,829
political consequences of this reality

242
00:26:31,259 --> 00:27:07,690
if we succeed to create the energy which

243
00:26:35,829 --> 00:27:10,199
poppers you fools there is a gentleman

244
00:27:07,690 --> 00:27:10,200
thank you

245
00:27:17,190 --> 00:27:25,440
thank you Miss interval a continuation

246
00:27:20,589 --> 00:27:25,439
ba a letters in your private in

247
00:27:37,910 --> 00:27:42,720
ladies and gentlemen let me express my

248
00:27:40,680 --> 00:27:53,549
deep appreciation for your attendance

249
00:27:42,720 --> 00:28:03,210
here this afternoon to me to see such a

250
00:27:53,549 --> 00:28:05,579
turnout from the Spanish media in my

251
00:28:03,210 --> 00:28:08,039
country you have to grab the media by

252
00:28:05,579 --> 00:28:10,199
the throat and drag them kicking and

253
00:28:08,039 --> 00:28:25,619
screaming to pay attention to this

254
00:28:10,200 --> 00:28:27,960
subject so I'm grateful and much

255
00:28:25,619 --> 00:28:38,819
gratitude for your attendance in this

256
00:28:27,960 --> 00:28:41,130
afternoon let me apologize to the

257

00:28:38,819 --> 00:28:42,529
beautiful translator interpreter to my

258
00:28:41,130 --> 00:28:49,490
right

259
00:28:42,529 --> 00:28:56,299
I am notorious for not following script

260
00:28:49,490 --> 00:28:58,779
or instructions so I will deviate

261
00:28:56,299 --> 00:29:06,139
somewhat from my prepared comments

262
00:28:58,779 --> 00:29:08,509
afternoon and i will tell you

263
00:29:06,140 --> 00:29:12,310
essentially what i have seen and what i

264
00:29:08,509 --> 00:29:12,309
have learned and what i have concluded

265
00:29:19,450 --> 00:29:26,200
about what i consider to be the greatest

266
00:29:22,009 --> 00:29:26,200
story in the history of the human race

267
00:29:31,359 --> 00:29:37,939
it is not merely the study of history of

268
00:29:34,970 --> 00:29:40,039
the human race or in the history of

269
00:29:37,940 --> 00:29:43,009
human race it is really essentially the

270
00:29:40,039 --> 00:29:53,539
study the conclusion of the history of

271
00:29:43,009 --> 00:29:56,839

the human race ladies and gentlemen we

272

00:29:53,539 --> 00:29:59,170

are not alone and we have never been

273

00:29:56,839 --> 00:29:59,169

alone

274

00:30:07,319 --> 00:30:15,058

we have had a history of an intimate

275

00:30:11,700 --> 00:30:17,259

interrelationship with advanced

276

00:30:15,058 --> 00:30:33,308

extraterrestrial intelligence from the

277

00:30:17,259 --> 00:30:36,190

beginning of our human history I spent

278

00:30:33,308 --> 00:30:48,908

27 years on active duty in the United

279

00:30:36,190 --> 00:30:52,330

States Army I led combat troops in Korea

280

00:30:48,909 --> 00:30:55,260

in 1951 in one of the bloodiest wars

281

00:30:52,329 --> 00:30:55,259

we've ever fought

282

00:30:55,839 --> 00:31:10,259

I gathered intelligence in southeast

283

00:31:06,700 --> 00:31:32,980

asia in vietnam cambodia and laos in

284

00:31:10,259 --> 00:31:36,148

1970 but in 1963 i received an

285

00:31:32,980 --> 00:31:50,440

assignment to the supreme headquarters

286

00:31:36,148 --> 00:31:52,629

Allied powers to Europe at that time

287

00:31:50,440 --> 00:31:54,519

this was considered to be a choice and

288

00:31:52,630 --> 00:32:04,510

plum assignment in the United States

289

00:31:54,519 --> 00:32:07,690

Army I was excited about the assignment

290

00:32:04,509 --> 00:32:18,099

I took my wife my children to Paris

291

00:32:07,690 --> 00:32:20,380

France my children went to high school

292

00:32:18,099 --> 00:32:22,439

in Paris and learn to speak fluent

293

00:32:20,380 --> 00:32:22,440

French

294

00:32:24,859 --> 00:32:30,629

and I was given an assignment to the

295

00:32:27,809 --> 00:32:41,639

supreme headquarters operations center a

296

00:32:30,630 --> 00:32:43,890

place we call shock I'm not trying to

297

00:32:41,640 --> 00:32:55,920

make a joke that when I arrived I was

298

00:32:43,890 --> 00:32:57,900

shocked at what I learned it appeared

299

00:32:55,920 --> 00:33:03,470

that an event occurred on the early

300
00:32:57,900 --> 00:33:03,470
mornings of the second of february 1961

301
00:33:06,049 --> 00:33:10,970
that almost started world war three

302
00:33:12,470 --> 00:33:19,620
large numbers of circular craft of some

303
00:33:16,140 --> 00:33:22,890
kind flew over Central Europe out of the

304
00:33:19,619 --> 00:33:26,059
Soviet sector toward the west over NATO

305
00:33:22,890 --> 00:33:26,060
and allied lines

306
00:33:39,828 --> 00:33:46,950
these objects were circular metallic

307
00:33:44,028 --> 00:33:48,838
flying at a very out at high altitude

308
00:33:46,950 --> 00:33:51,869
and flying at a very high rate of speed

309
00:33:48,838 --> 00:34:07,229
and they flew in formation very

310
00:33:51,868 --> 00:34:09,389
obviously under intelligent control they

311
00:34:07,229 --> 00:34:10,949
were generally fly to the west and they

312
00:34:09,389 --> 00:34:13,470
would turn north over the English

313
00:34:10,949 --> 00:34:17,158
Channel the southern coast of England

314

00:34:13,469 --> 00:34:20,268
and disappeared from NATO radar over the

315
00:34:17,159 --> 00:34:20,269
Norwegian Sea

316
00:34:27,179 --> 00:34:34,358
in the early mornings ephedra wear

317
00:34:30,969 --> 00:34:36,789
anymore thank you thank you in the early

318
00:34:34,358 --> 00:34:49,119
mornings of februari 61 World War three

319
00:34:36,789 --> 00:34:57,750
almost began the Soviets went on red

320
00:34:49,119 --> 00:34:57,750
alert all NATO forces went on red alert

321
00:34:59,369 --> 00:35:10,568
our fingers were poised on the triggers

322
00:35:02,530 --> 00:35:15,030
and over those red buttons and the whole

323
00:35:10,568 --> 00:35:15,029
thing was over in about 20 minutes a

324
00:35:16,650 --> 00:35:24,068
British Air Marshal by the name of Sir

325
00:35:19,329 --> 00:35:27,280
Thomas Pike decided to initiate a study

326
00:35:24,068 --> 00:35:41,009
to find out what the hell was going on

327
00:35:27,280 --> 00:35:44,859
here they conducted a three-year study i

328
00:35:41,010 --> 00:35:47,920

arrived in the summer of 63 and learned

329

00:35:44,858 --> 00:35:52,170

that it was underway and they published

330

00:35:47,920 --> 00:35:52,170

the study in 1964

331

00:36:02,820 --> 00:36:08,080

all of us who worked in the war room and

332

00:36:05,920 --> 00:36:11,260

all of us who have cosmic top-secret

333

00:36:08,079 --> 00:36:29,679

clearance were shocked and stunned by

334

00:36:11,260 --> 00:36:32,350

what we read they concluded that the

335

00:36:29,679 --> 00:36:35,460

human race and the planet Earth had been

336

00:36:32,349 --> 00:36:52,420

under some kind of observation and study

337

00:36:35,460 --> 00:36:56,920

for a very long time they whoever they

338

00:36:52,420 --> 00:36:59,619

were were deeply interested in us and

339

00:36:56,920 --> 00:37:01,930

had been obviously observing us and

340

00:36:59,619 --> 00:37:06,929

studying us for the tremendous amount of

341

00:37:01,929 --> 00:37:06,929

time hundreds if not thousands of years

342

00:37:17,760 --> 00:37:25,210

the study concluded that if they had

343
00:37:22,599 --> 00:37:29,460
been hostile or malevolent there was

344
00:37:25,210 --> 00:37:29,460
absolutely nothing we could do

345
00:37:39,210 --> 00:37:45,670
the study titled an assessment also

346
00:37:42,389 --> 00:37:58,869
concluded that some kind of a program

347
00:37:45,670 --> 00:38:02,730
was underway even today we still don't

348
00:37:58,869 --> 00:38:02,730
know what that program is all about

349
00:38:06,480 --> 00:38:15,699
ladies and gentlemen that was the

350
00:38:08,679 --> 00:38:18,190
beginning for me I spent the last 45

351
00:38:15,699 --> 00:38:29,259
years trying to determine what this is

352
00:38:18,190 --> 00:38:31,630
all about and what does it mean and I

353
00:38:29,260 --> 00:38:39,280
have concluded that this indeed is the

354
00:38:31,630 --> 00:38:42,309
greatest story in human history we are

355
00:38:39,280 --> 00:38:45,580
an end we are in have been members of

356
00:38:42,309 --> 00:38:48,000
apparently an intergalactic culture

357
00:38:45,579 --> 00:38:51,059
civilization and a community of

358
00:38:48,000 --> 00:38:51,059
intelligent life

359
00:38:59,269 --> 00:39:12,259
we are dealing with four particularly

360
00:39:02,099 --> 00:39:12,259
different races they are all humanoid

361
00:39:12,739 --> 00:39:25,519
but one group is totally human just as

362
00:39:16,530 --> 00:39:36,840
we are the conclusions are that we are

363
00:39:25,519 --> 00:39:38,940
hybrids we humans are hybrids and our

364
00:39:36,840 --> 00:39:46,519
relationship with them is one of a

365
00:39:38,940 --> 00:39:49,740
fellowship and a brotherhood and they

366
00:39:46,519 --> 00:39:52,920
are assisting us in trying to come to

367
00:39:49,739 --> 00:40:03,149
terms with who we are and why we are

368
00:39:52,920 --> 00:40:07,369
here the biggest question is basically

369
00:40:03,150 --> 00:40:07,369
is where are we going

370
00:40:11,539 --> 00:40:21,329
do we have a future as a species and a

371

00:40:14,789 --> 00:40:23,430
race and i will tell you bluntly and

372
00:40:21,329 --> 00:40:35,510
honestly that i believe that our destiny

373
00:40:23,429 --> 00:40:38,129
is in the stars now we talk about proof

374
00:40:35,510 --> 00:40:41,849
forgive me for deviating again here

375
00:40:38,130 --> 00:40:45,619
sweetheart I am so sorry just last week

376
00:40:41,849 --> 00:40:51,140
my country celebrated 40 years of

377
00:40:45,619 --> 00:40:51,140
anniversary to the landing of Apollo 11

378
00:41:00,588 --> 00:41:12,000
they take great pride in saying look

379
00:41:03,659 --> 00:41:19,199
what we did isn't this neat we went to

380
00:41:12,000 --> 00:41:25,039
the moon but what they didn't tell the

381
00:41:19,199 --> 00:41:30,719
American public because the NASA

382
00:41:25,039 --> 00:41:42,028
purposely erased 40 rolls of film about

383
00:41:30,719 --> 00:41:46,048
the Apollo landings they purposely

384
00:41:42,028 --> 00:41:48,599
erased 40 rolls of film on the Apollo

385
00:41:46,048 --> 00:41:52,730

landings and would not release this

386

00:41:48,599 --> 00:41:52,730

information to the American people

387

00:42:00,960 --> 00:42:14,619

the big secret was what we found when we

388

00:42:04,599 --> 00:42:22,809

got on the moon we found overwhelming

389

00:42:14,619 --> 00:42:30,940

evidence that we were not alone they

390

00:42:22,809 --> 00:42:32,769

followed us all the way to the moon they

391

00:42:30,940 --> 00:42:40,329

followed us around the moon they

392

00:42:32,769 --> 00:42:42,849

followed us all the way home and they

393

00:42:40,329 --> 00:42:51,869

watched every move we made while we were

394

00:42:42,849 --> 00:42:51,869

on the moon and all of this was filmed

395

00:42:52,349 --> 00:43:07,329

that explains to you why those 40 rolls

396

00:42:55,809 --> 00:43:15,279

of film or erased button but but not all

397

00:43:07,329 --> 00:43:17,829

of those pictures is apparently there

398

00:43:15,280 --> 00:43:24,610

were some honest people working in NASA

399

00:43:17,829 --> 00:43:31,269

back in those days and some of those

400
00:43:24,610 --> 00:43:33,940
pictures survived and I have brought

401
00:43:31,269 --> 00:43:36,369
considerable number of photographs of

402
00:43:33,940 --> 00:43:38,800
those NASA pictures with me to this

403
00:43:36,369 --> 00:43:41,699
conference and I'm going to share them

404
00:43:38,800 --> 00:43:41,700
tomorrow night

405
00:43:45,768 --> 00:43:55,608
done I must tell you I must tell you

406
00:43:51,150 --> 00:43:58,170
they are shocking they are stunning and

407
00:43:55,608 --> 00:44:07,920
to some people they will be literally

408
00:43:58,170 --> 00:44:10,079
overwhelming but i will say to you as i

409
00:44:07,920 --> 00:44:21,358
will say to the American people in have

410
00:44:10,079 --> 00:44:33,420
for the last 20 years dammit you have a

411
00:44:21,358 --> 00:44:43,170
right to the truth and to use a military

412
00:44:33,420 --> 00:44:46,490
term you have a need for the truth and I

413
00:44:43,170 --> 00:44:46,490
want to thank you and good evening

414
00:44:59,119 --> 00:45:08,969
Thank You mr. Dean panties Nader paso al

415
00:45:03,690 --> 00:45:10,380
siguiente ponente SI antes de dar pasar

416
00:45:08,969 --> 00:45:15,419
siente poniente con el premio de la

417
00:45:10,380 --> 00:45:17,160
traductor ax si voy a relajar un par de

418
00:45:15,420 --> 00:45:19,110
la vez en el aspecto de cuentas knee or

419
00:45:17,159 --> 00:45:22,079
teen que la traduccion creo que non

420
00:45:19,110 --> 00:45:23,880
quedado Clara's y cuando la traductor

421
00:45:22,079 --> 00:45:29,159
habla de ren nato's estaba refereee end o

422
00:45:23,880 --> 00:45:31,260
Allah houghton le moco tano y en mi my

423
00:45:29,159 --> 00:45:34,109
name in sentosa sent a trace Ellis Ellis

424
00:45:31,260 --> 00:45:35,610
eNOS in creve señor Dean bueno square

425
00:45:34,110 --> 00:45:37,050
tells Kenda dal-su primos de las puertas

426
00:45:35,610 --> 00:45:40,170
Ali Dada's es de fier de la Dogen

427
00:45:37,050 --> 00:45:43,370
gracias a continuación ala el el

428

00:45:40,170 --> 00:45:43,369
doctorow Liddy

429
00:45:51,650 --> 00:46:01,800
buenas tardes come estas I'm Brian

430
00:45:57,000 --> 00:46:03,900
O'Leary after I received my PhD in

431
00:46:01,800 --> 00:46:18,900
astronomy from the university of

432
00:46:03,900 --> 00:46:21,990
california berkeley in 1967 I work for

433
00:46:18,900 --> 00:46:33,510
NASA as a scientist astronaut the first

434
00:46:21,989 --> 00:46:35,879
appointed on a Mars mission however the

435
00:46:33,510 --> 00:46:49,380
program was cancelled and so I left NASA

436
00:46:35,880 --> 00:46:52,380
to teach at several universities in the

437
00:46:49,380 --> 00:46:55,980
interest of time I will move through my

438
00:46:52,380 --> 00:47:09,088
script here to just allow you to look at

439
00:46:55,980 --> 00:47:11,699
some of the rest of my credentials but I

440
00:47:09,088 --> 00:47:15,469
left the astronaut program because the

441
00:47:11,699 --> 00:47:15,469
u.s. got involved in Vietnam

442
00:47:21,159 --> 00:47:31,848

they canceled the program and I became a

443

00:47:24,920 --> 00:47:34,039

war protester but I also had a long

444

00:47:31,849 --> 00:47:37,960

career in teaching at various

445

00:47:34,039 --> 00:47:54,529

universities on planetary science and

446

00:47:37,960 --> 00:48:01,608

energy policy planetary science and

447

00:47:54,530 --> 00:48:05,269

energy policy 30 years ago I started to

448

00:48:01,608 --> 00:48:08,690

have some unusual paranormal experiences

449

00:48:05,269 --> 00:48:22,670

while I was teaching physics at

450

00:48:08,690 --> 00:48:24,490

Princeton University this was to lead to

451

00:48:22,670 --> 00:48:27,680

three decades of intensive research

452

00:48:24,489 --> 00:48:39,108

we're back in the script now intensive

453

00:48:27,679 --> 00:48:42,710

research on new science topics such as

454

00:48:39,108 --> 00:48:47,588

the you to the UFO ET and paranormal

455

00:48:42,710 --> 00:48:47,588

phenomena and free energy research

456

00:48:54,849 --> 00:49:03,019

many mainstream scientists still avoid

457
00:48:58,579 --> 00:49:19,699
dealing with the UFO ET issue for fear

458
00:49:03,019 --> 00:49:22,550
of ridicule or because the phenomena

459
00:49:19,699 --> 00:49:37,189
observed won't fit the existing paradigm

460
00:49:22,550 --> 00:49:39,920
of what we call reality however science

461
00:49:37,190 --> 00:49:51,470
itself clearly demonstrates the reality

462
00:49:39,920 --> 00:49:57,440
of the UFO ET phenomenon all you have to

463
00:49:51,469 --> 00:50:04,909
do is look at the data the the evidence

464
00:49:57,440 --> 00:50:07,010
is overwhelming however this information

465
00:50:04,909 --> 00:50:10,009
has been covered up and ridiculed by

466
00:50:07,010 --> 00:50:20,420
governments and the military especially

467
00:50:10,010 --> 00:50:26,359
in the united states i also have a

468
00:50:20,420 --> 00:50:29,180
passion for the environment and the

469
00:50:26,358 --> 00:50:32,750
earth is in deep trouble right now

470
00:50:29,179 --> 00:50:35,469
because of human interference with the

471
00:50:32,750 --> 00:50:35,469
environment

472
00:50:39,699 --> 00:50:45,919
and yet over the years they looked the

473
00:50:43,699 --> 00:50:48,439
past 30 years I have visited the

474
00:50:45,920 --> 00:50:58,159
laboratories of many competent

475
00:50:48,440 --> 00:51:06,170
scientists who claim that they have the

476
00:50:58,159 --> 00:51:08,779
solution to the energy crisis and indeed

477
00:51:06,170 --> 00:51:15,260
I have verified this for myself many

478
00:51:08,780 --> 00:51:17,540
times over but as many of you on the

479
00:51:15,260 --> 00:51:20,180
panel here no Steve Greer included is

480
00:51:17,539 --> 00:51:36,320
that these technologies have been

481
00:51:20,179 --> 00:51:38,659
actively suppress there are many such

482
00:51:36,320 --> 00:51:49,240
technologies such as the so-called

483
00:51:38,659 --> 00:51:56,049
zero-point energy various

484
00:51:49,239 --> 00:51:59,509
electromagnetic technologies cold fusion

485

00:51:56,050 --> 00:52:02,380
and special hydrogen and water

486
00:51:59,510 --> 00:52:02,380
chemistry's

487
00:52:05,420 --> 00:52:11,579
anyone or some of these technologies

488
00:52:07,940 --> 00:52:22,710
could create a sustainable abundant

489
00:52:11,579 --> 00:52:27,179
future for humankind I have made a

490
00:52:22,710 --> 00:52:30,710
special study of these technologies as

491
00:52:27,179 --> 00:52:34,440
well as other new science topics such as

492
00:52:30,710 --> 00:52:45,809
the revelation of you UFO et phenomena

493
00:52:34,440 --> 00:52:48,269
and new science in general my most

494
00:52:45,809 --> 00:52:51,509
recent book explores the political

495
00:52:48,269 --> 00:53:05,429
social implications of a new

496
00:52:51,510 --> 00:53:16,200
breakthrough energy economy it's called

497
00:53:05,429 --> 00:53:19,919
the energy solution revolution however

498
00:53:16,199 --> 00:53:24,199
the entire planet seems to be involved

499
00:53:19,920 --> 00:53:24,200

in the suppression of these technologies

500

00:53:29,980 --> 00:53:37,190

we can't afford to do that with we need

501

00:53:34,400 --> 00:53:45,470

at the very least to discuss and openly

502

00:53:37,190 --> 00:53:47,780

research these technologies anyone are

503

00:53:45,469 --> 00:53:50,659

some of these technologies could give us

504

00:53:47,780 --> 00:53:58,790

a sustainable abundant future for

505

00:53:50,659 --> 00:54:02,239

humankind tomorrow I'll describe how

506

00:53:58,789 --> 00:54:11,360

that might be the only solution to the

507

00:54:02,239 --> 00:54:14,199

energy problems that we face we really

508

00:54:11,360 --> 00:54:17,809

can if we can discuss it and embrace it

509

00:54:14,199 --> 00:54:21,049

solve the problems that we have here on

510

00:54:17,809 --> 00:54:23,420

the earth using an agenda which is very

511

00:54:21,050 --> 00:54:26,260

different from that which is being

512

00:54:23,420 --> 00:54:26,260

imposed on us

513

00:54:35,250 --> 00:54:42,460

tomorrow I'll be describing how an

514
00:54:38,980 --> 00:54:45,789
energy solution revolution can create a

515
00:54:42,460 --> 00:54:49,389
future for us that are that is

516
00:54:45,789 --> 00:55:05,380
harmonious with with the future of the

517
00:54:49,389 --> 00:55:08,608
earth I believe that the disclosure of

518
00:55:05,380 --> 00:55:18,670
UFO et phenomena and the entire

519
00:55:08,608 --> 00:55:22,539
Exopolitics movement is extremely

520
00:55:18,670 --> 00:55:32,769
closely related with the need to solve

521
00:55:22,539 --> 00:55:34,920
our problems on earth and therefore part

522
00:55:32,769 --> 00:55:39,789
of the overall disclosure effort

523
00:55:34,920 --> 00:55:43,180
involves the revelation of how we can

524
00:55:39,789 --> 00:55:56,889
become once again responsible citizens

525
00:55:43,179 --> 00:56:00,690
of the earth to that end I published a

526
00:55:56,889 --> 00:56:00,690
book called rien harriton the earth

527
00:56:04,940 --> 00:56:11,009
the Spanish version of it is in my hand

528
00:56:08,248 --> 00:56:17,909
and will be available tomorrow at the

529
00:56:11,009 --> 00:56:20,278
conference we have the enormous

530
00:56:17,909 --> 00:56:22,828
potential to create an abundant future

531
00:56:20,278 --> 00:56:39,179
for Humanity and a sustainable future

532
00:56:22,829 --> 00:56:42,749
for our deteriorating environment if we

533
00:56:39,179 --> 00:56:45,509
can person if we can pursue clean free

534
00:56:42,748 --> 00:56:57,838
energy technologies under responsible

535
00:56:45,509 --> 00:57:06,019
stewardship what's at stake is nothing

536
00:56:57,838 --> 00:57:14,298
less than the future of ourselves of

537
00:57:06,018 --> 00:57:14,298
mankind of all of nature thank

538
00:57:26,030 --> 00:57:31,920
I am I'm an emergency physician I was

539
00:57:30,510 --> 00:57:43,500
chairman of emergency and trauma

540
00:57:31,920 --> 00:57:47,639
medicine at a hospital in America I have

541
00:57:43,500 --> 00:57:49,440
left medicine to now help with the

542

00:57:47,639 --> 00:58:00,750
healing of the earth and her seven

543
00:57:49,440 --> 00:58:02,820
billion children my first encounter with

544
00:58:00,750 --> 00:58:11,550
an extraterrestrial vehicle was when I

545
00:58:02,820 --> 00:58:14,640
was about eight or nine years old this

546
00:58:11,550 --> 00:58:16,289
together with the fact that my uncle was

547
00:58:14,639 --> 00:58:19,049
the senior project engineer that

548
00:58:16,289 --> 00:58:21,349
designed the lunar module that landed on

549
00:58:19,050 --> 00:58:21,350
the moon

550
00:58:31,869 --> 00:58:44,780
ignited a lifelong interest in our

551
00:58:34,639 --> 00:58:49,039
visitors from other star systems in May

552
00:58:44,780 --> 00:58:52,010
of 2001 at the national press club in

553
00:58:49,039 --> 00:58:54,079
washington we hosted an event that was

554
00:58:52,010 --> 00:59:12,859
eventually seen by more than 1 billion

555
00:58:54,079 --> 00:59:16,250
people around the world the Disclosure

556
00:59:12,858 --> 00:59:18,489

Project has identified over 550

557

00:59:16,250 --> 00:59:34,369

top-secret military and intelligence

558

00:59:18,489 --> 00:59:36,618

witnesses to the UFO matter at that

559

00:59:34,369 --> 00:59:38,960

event the first of a hundred and ten of

560

00:59:36,619 --> 00:59:49,970

these top-secret witnesses have come

561

00:59:38,960 --> 00:59:58,309

forward then we are not alone in the

562

00:59:49,969 --> 01:00:01,368

universe is now proven in my discussions

563

00:59:58,309 --> 01:00:03,980

with the United States and European and

564

01:00:01,369 --> 01:00:06,380

Vatican leaders and other leaders around

565

01:00:03,980 --> 01:00:09,079

the world there is a growing consensus

566

01:00:06,380 --> 01:00:12,230

that we have been visited and the time

567

01:00:09,079 --> 01:00:15,170

to end the secrecy and make open contact

568

01:00:12,230 --> 01:00:33,380

has arrived

569

01:00:15,170 --> 01:00:36,710

I am announcing here that one of the g8

570

01:00:33,380 --> 01:00:40,400

countries has asked my team to lead a

571
01:00:36,710 --> 01:00:42,798
contact expedition to make open contact

572
01:00:40,400 --> 01:00:44,539
with these visitors involving their

573
01:00:42,798 --> 01:01:06,858
ministry of defense and their head of

574
01:00:44,539 --> 01:01:11,900
state admirably the governments of

575
01:01:06,858 --> 01:01:13,670
Europe and France Great Britain the

576
01:01:11,900 --> 01:01:25,849
Danish government have been releasing

577
01:01:13,670 --> 01:01:32,780
their documents the difficulty is in

578
01:01:25,849 --> 01:01:35,599
America and I say this as the son of

579
01:01:32,780 --> 01:01:38,170
some of the founding fathers of the

580
01:01:35,599 --> 01:01:38,170
United States

581
01:01:43,460 --> 01:02:00,119
but the problem is our leadership in

582
01:01:48,498 --> 01:02:02,639
America has been decapitated this has

583
01:02:00,119 --> 01:02:04,980
created the greatest constitutional

584
01:02:02,639 --> 01:02:16,338
crisis in the history of the United

585
01:02:04,980 --> 01:02:16,338
States a to this end beginning in 1993 I

586
01:02:18,528 --> 01:02:33,139
began to brief the director of Central

587
01:02:22,498 --> 01:02:44,098
Intelligence the Clinton administration

588
01:02:33,139 --> 01:02:46,528
and senior members of the Joint Staff in

589
01:02:44,099 --> 01:02:49,559
every case these high officials in

590
01:02:46,528 --> 01:03:01,739
America had been denied access to these

591
01:02:49,559 --> 01:03:02,999
classified projects I have personally

592
01:03:01,739 --> 01:03:05,190
briefed the head of the Defense

593
01:03:02,998 --> 01:03:08,488
Intelligence Agency and the head of

594
01:03:05,190 --> 01:03:10,608
intelligence j2 for the Joint Chiefs of

595
01:03:08,489 --> 01:03:10,608
Staff

596
01:03:19,588 --> 01:03:28,179
they're shocked and their fear was

597
01:03:22,659 --> 01:03:31,808
palpable as they learned that there were

598
01:03:28,179 --> 01:03:37,858
compartmented projects about which they

599

01:03:31,809 --> 01:03:37,859
were being lied to and denied access to

600
01:03:46,889 --> 01:03:51,818
for this reason I have continued to

601
01:03:49,389 --> 01:03:53,348
provide such briefings to the United

602
01:03:51,818 --> 01:04:04,119
States leadership and the leaders of

603
01:03:53,349 --> 01:04:06,220
other G7 countries and we have recently

604
01:04:04,119 --> 01:04:08,140
concluded a briefing for the Obama

605
01:04:06,219 --> 01:04:11,228
administration which has been

606
01:04:08,139 --> 01:04:23,199
hand-delivered to the Secretary of

607
01:04:11,228 --> 01:04:28,919
Defense President Obama's new a director

608
01:04:23,199 --> 01:04:28,919
of Central Intelligence Leon Panetta and

609
01:04:32,400 --> 01:04:42,599
other high officials in the Obama

610
01:04:34,679 --> 01:04:45,998
administration we are hopeful that

611
01:04:42,599 --> 01:04:49,349
President Obama meant it when he said it

612
01:04:45,998 --> 01:04:49,348
is time for change

613
01:04:58,079 --> 01:05:09,279

but the cause of this misguided secrecy

614

01:05:01,150 --> 01:05:11,769

that has existed the wondrous new

615

01:05:09,280 --> 01:05:14,080

Sciences related to advanced energy

616

01:05:11,769 --> 01:05:18,239

generation and propulsion have been

617

01:05:14,079 --> 01:05:18,239

withheld from the children of the earth

618

01:05:27,510 --> 01:05:34,570

the field of electromagnetic energy

619

01:05:30,309 --> 01:05:45,519

teeming around us in space the space of

620

01:05:34,570 --> 01:05:53,200

this room the so-called zero-point field

621

01:05:45,519 --> 01:05:56,139

of energy can and will run the earth

622

01:05:53,199 --> 01:06:06,549

without pollution without poverty and

623

01:05:56,139 --> 01:06:08,769

abundance for all who ever a

624

01:06:06,550 --> 01:06:11,519

self-appointed group has kept the secret

625

01:06:08,769 --> 01:06:11,519

from you

626

01:06:19,360 --> 01:06:31,039

I know a number of the members of this

627

01:06:22,579 --> 01:06:33,500

committee has been called majestic and

628
01:06:31,039 --> 01:06:34,849
I'm happy to say now about seventy

629
01:06:33,500 --> 01:06:43,489
percent of them are in favor of

630
01:06:34,849 --> 01:06:53,960
disclosure the other thirty percent

631
01:06:43,489 --> 01:07:01,429
would like to see me go away we urgently

632
01:06:53,960 --> 01:07:03,530
need a global initiative and the people

633
01:07:01,429 --> 01:07:14,449
of Spain and of Europe must add their

634
01:07:03,530 --> 01:07:17,210
voice to the call for disclosure I asked

635
01:07:14,449 --> 01:07:19,399
that you write to President Obama you

636
01:07:17,210 --> 01:07:34,010
can go to our website disclosure project

637
01:07:19,400 --> 01:07:37,519
org and at our cost send the facts to

638
01:07:34,010 --> 01:07:41,680
the president asking for him to issue an

639
01:07:37,519 --> 01:07:41,679
executive order ending the secrecy

640
01:07:51,599 --> 01:07:57,250
he has the ability to do so because I

641
01:07:54,730 --> 01:08:00,760
have provided to his administration the

642
01:07:57,250 --> 01:08:03,699
project code names and code numbers the

643
01:08:00,760 --> 01:08:07,590
corporations and their locations where

644
01:08:03,699 --> 01:08:07,589
these operations are being kept secret

645
01:08:17,430 --> 01:08:28,119
it is clear that these visitors are not

646
01:08:21,010 --> 01:08:36,190
hostile however they are very concerned

647
01:08:28,119 --> 01:08:41,189
about our hostility look in the mirror

648
01:08:36,189 --> 01:08:41,189
and look at what we see on earth today

649
01:08:44,970 --> 01:08:53,020
the collapse of our biosphere eighty

650
01:08:51,640 --> 01:09:00,760
percent of the world living in

651
01:08:53,020 --> 01:09:07,930
unimaginable poverty and and weapons of

652
01:09:00,760 --> 01:09:10,270
mass destruction proliferating if these

653
01:09:07,930 --> 01:09:12,850
visitors were a threat they could have

654
01:09:10,270 --> 01:09:15,030
taken care of this problem a long time

655
01:09:12,850 --> 01:09:15,030
ago

656

01:09:19,988 --> 01:09:30,858
they are waiting for us to answer them

657
01:09:23,059 --> 01:09:38,929
back and if we do so in the spirit of

658
01:09:30,859 --> 01:09:46,779
universal peace the cosmos will open its

659
01:09:38,929 --> 01:09:56,989
arms wide to us and so will begin a new

660
01:09:46,779 --> 01:10:00,760
civilization on earth once we vow to

661
01:09:56,988 --> 01:10:00,759
live peacefully upon the earth together

662
01:10:02,828 --> 01:10:13,750
we will travel among the stars for we

663
01:10:08,389 --> 01:10:19,639
already have the technologies and the

664
01:10:13,750 --> 01:10:22,189
sciences and the knowledge but they are

665
01:10:19,639 --> 01:10:31,038
locked in a black box at Lockheed skunk

666
01:10:22,189 --> 01:10:34,089
works and we must for our children and

667
01:10:31,038 --> 01:10:34,090
our children's children

668
01:10:38,380 --> 01:10:52,159
join together arm and arm to unveil the

669
01:10:45,769 --> 01:10:56,719
truth and create a new civilization in

670
01:10:52,158 --> 01:11:01,808

peace new energy and that it's

671

01:10:56,719 --> 01:11:01,809

interstellar emanating from this planet

672

01:11:09,578 --> 01:11:16,090

that is our task and I thank you for

673

01:11:12,380 --> 01:11:16,090

joining us and this work together

674

01:11:26,670 --> 01:11:36,279

thank you disposal dr. Steven Greer para

675

01:11:32,889 --> 01:11:37,960

el Senor Stephen Bassett a keen pedimos

676

01:11:36,279 --> 01:11:57,880

un poquito de verdad pues vamos muy mal

677

01:11:37,960 --> 01:12:00,520

de tiempo not a doctor just just plain

678

01:11:57,880 --> 01:12:03,190

Stephen bastard gracias Adrian buenas

679

01:12:00,520 --> 01:12:04,870

tardes i am stephen Bassett the

680

01:12:03,189 --> 01:12:07,689

executive director of paradigm research

681

01:12:04,869 --> 01:12:09,639

group a political advocacy organization

682

01:12:07,689 --> 01:12:12,189

founded to pursue the political

683

01:12:09,639 --> 01:12:33,489

resolution of the UFO issue by all means

684

01:12:12,189 --> 01:12:35,259

possible these means have included

685
01:12:33,488 --> 01:12:37,238
lobbying united states congress in

686
01:12:35,260 --> 01:12:38,710
political media forming a political

687
01:12:37,238 --> 01:12:40,899
action committee running for elective

688
01:12:38,710 --> 01:12:42,880
office raising public awareness through

689
01:12:40,899 --> 01:12:44,469
conferences and media appearances and

690
01:12:42,880 --> 01:12:45,969
working with other organizations and

691
01:12:44,469 --> 01:12:48,630
initiatives to help build a disclosure

692
01:12:45,969 --> 01:12:48,630
movement

693
01:13:17,069 --> 01:13:21,099
62 years ago the United States

694
01:13:19,238 --> 01:13:33,789
government imposed a truth embargo on

695
01:13:21,100 --> 01:13:36,250
the UFO ET issue the explosion into the

696
01:13:33,789 --> 01:13:48,130
world in 1947 of UFOs and Earth's

697
01:13:36,250 --> 01:13:49,750
airspace posed a huge dilemma without

698
01:13:48,130 --> 01:13:51,969
knowing the origin capabilities and

699
01:13:49,750 --> 01:13:53,800
intentions of these of the beings behind

700
01:13:51,969 --> 01:13:55,929
this phenomenon and with a threat of

701
01:13:53,800 --> 01:13:58,810
nuclear war eminent maintaining secrecy

702
01:13:55,929 --> 01:14:00,520
until more was known and the world was

703
01:13:58,810 --> 01:14:02,640
more stable was a reasonable course of

704
01:14:00,520 --> 01:14:02,640
action

705
01:14:20,470 --> 01:14:24,560
but the Cold War has now been over for

706
01:14:22,789 --> 01:14:26,449
18 years and it is time for the human

707
01:14:24,560 --> 01:14:38,750
race to know the facts and to move

708
01:14:26,449 --> 01:14:46,309
forward will the new administration in

709
01:14:38,750 --> 01:14:49,760
America bring out the truth on january

710
01:14:46,310 --> 01:15:01,190
21st 2009 Barack Obama signed a

711
01:14:49,760 --> 01:15:02,960
presidential memorandum which stated the

712
01:15:01,189 --> 01:15:04,849
way to make government responsible is to

713

01:15:02,960 --> 01:15:06,980
hold it accountable and the way to make

714
01:15:04,850 --> 01:15:09,289
government accountable is is to make it

715
01:15:06,979 --> 01:15:10,699
transparent so the American people can

716
01:15:09,289 --> 01:15:12,710
know exactly what decisions are being

717
01:15:10,699 --> 01:15:16,269
made how they're being made and whether

718
01:15:12,710 --> 01:15:16,270
their interests are being well served

719
01:15:37,680 --> 01:15:43,659
seven years earlier in 2002 John Podesta

720
01:15:41,010 --> 01:15:45,880
co-chair of Obama's transition team and

721
01:15:43,659 --> 01:15:47,769
former adviser and chief of staff to

722
01:15:45,880 --> 01:16:09,760
President Bill Clinton called for the

723
01:15:47,770 --> 01:16:11,590
release of all UFO files he said quote

724
01:16:09,760 --> 01:16:13,750
it's time to find out what the truth

725
01:16:11,590 --> 01:16:15,640
really is it's out there we ought to do

726
01:16:13,750 --> 01:16:16,989
it because it's right we ought to do it

727
01:16:15,640 --> 01:16:19,270

because the American people quite

728

01:16:16,989 --> 01:16:43,569

frankly can handle the truth and we

729

01:16:19,270 --> 01:16:45,670

ought to do it because it's the law in

730

01:16:43,569 --> 01:16:48,009

April of 2004 I produced the first at

731

01:16:45,670 --> 01:16:50,829

conference to focus on the UFO ET issue

732

01:16:48,010 --> 01:16:53,280

from the XO political perspective the X

733

01:16:50,829 --> 01:16:53,279

conference

734

01:17:06,020 --> 01:17:13,130

its motto is it's not about lights in

735

01:17:08,850 --> 01:17:13,130

the sky it's about lies on the ground

736

01:17:18,590 --> 01:17:23,279

following X conference 2009 on april 20

737

01:17:21,840 --> 01:17:26,340

of this year at the national press club

738

01:17:23,279 --> 01:17:27,869

in washington d.c apollo 14 astronaut

739

01:17:26,340 --> 01:17:30,180

and the sixth man to walk on the moon

740

01:17:27,869 --> 01:17:31,619

dr. Edgar Mitchell called for the Obama

741

01:17:30,180 --> 01:18:02,159

administration to release all

742
01:17:31,619 --> 01:18:03,989
government-held UFO files he said and I

743
01:18:02,159 --> 01:18:06,960
quote it's now time to put away this

744
01:18:03,989 --> 01:18:09,989
embargo of truth about the alien

745
01:18:06,960 --> 01:18:11,609
presence and I call upon our government

746
01:18:09,989 --> 01:18:13,889
to open up like other governments have

747
01:18:11,609 --> 01:18:15,329
it's about time now that we do the same

748
01:18:13,890 --> 01:18:17,490
thing and become a part of this

749
01:18:15,329 --> 01:18:19,710
planetary community that is now trying

750
01:18:17,489 --> 01:18:22,609
to take its proper role as a spacefaring

751
01:18:19,710 --> 01:18:22,609
civilization

752
01:18:47,939 --> 01:18:52,750
previously at X conference 2008 former

753
01:18:51,069 --> 01:18:55,840
Canadian Minister of Defense Paul

754
01:18:52,750 --> 01:19:13,630
Hellyer and Deputy Prime Minister made a

755
01:18:55,840 --> 01:19:15,460
similar plea on November fifth 2008

756
01:19:13,630 --> 01:19:17,140
following the u.s. election paradigm

757
01:19:15,460 --> 01:19:37,630
research group launched the million

758
01:19:17,140 --> 01:19:39,190
facts on Washington campaign since then

759
01:19:37,630 --> 01:19:41,319
thousands of letters faxes and emails

760
01:19:39,189 --> 01:19:42,849
from all around the world have been sent

761
01:19:41,319 --> 01:19:45,429
to President Barack Obama called for

762
01:19:42,850 --> 01:19:47,200
disclosure the formal acknowledgement of

763
01:19:45,430 --> 01:19:51,150
an extraterrestrial non-human

764
01:19:47,199 --> 01:19:51,149
intelligence engaging the planet Earth

765
01:20:13,170 --> 01:20:22,989
since jun 1 2014 for the political press

766
01:20:21,369 --> 01:20:24,519
to begin asking the appropriate

767
01:20:22,988 --> 01:20:26,468
questions of the administration and

768
01:20:24,520 --> 01:20:51,580
demanding appropriate answers regarding

769
01:20:26,469 --> 01:20:53,289
the UFO ET issue the world's problems

770

01:20:51,579 --> 01:21:01,630
are great and time grows short to

771
01:20:53,289 --> 01:21:03,100
address these problems the Obama

772
01:21:01,630 --> 01:21:05,380
administration has promised open

773
01:21:03,100 --> 01:21:08,289
transparent government will this include

774
01:21:05,380 --> 01:21:10,710
ending the UFO de truth embargo and will

775
01:21:08,289 --> 01:21:14,279
another nation perhaps in Europe of

776
01:21:10,710 --> 01:21:14,279
choose to act first

777
01:21:16,060 --> 01:21:38,710
I believe there is a real possibility

778
01:21:34,739 --> 01:21:54,609
for disclosure this year and on sunday i

779
01:21:38,710 --> 01:22:00,100
will tell you why gracias thank you

780
01:21:54,609 --> 01:22:02,229
mister mister acid icant in my own a bar

781
01:22:00,100 --> 01:22:11,710
levels in your robe air pressure because

782
01:22:02,229 --> 01:22:16,259
it affects political Romania thank you

783
01:22:11,710 --> 01:22:18,460
very much I hope you're still awake i'm

784
01:22:16,260 --> 01:22:26,020

the founder and coordinator of

785

01:22:18,460 --> 01:22:27,939

Exopolitics germany and we are part of a

786

01:22:26,020 --> 01:22:31,030

global network of extra political

787

01:22:27,939 --> 01:22:33,429

initiatives which now exists in 17

788

01:22:31,029 --> 01:22:36,359

countries all around the globe and on

789

01:22:33,430 --> 01:22:36,360

each of the world's continents

790

01:22:48,380 --> 01:22:54,150

our aim is to help ending you with your

791

01:22:51,630 --> 01:23:08,609

secrecy and to embrace open contact with

792

01:22:54,149 --> 01:23:11,399

these visitors because we are obviously

793

01:23:08,609 --> 01:23:19,710

not the crowd of creation and we still

794

01:23:11,399 --> 01:23:22,379

have a lot to learn today I'm here to

795

01:23:19,710 --> 01:23:30,930

represent the exit political initiatives

796

01:23:22,380 --> 01:23:34,609

from Europe namely from the United

797

01:23:30,930 --> 01:23:39,650

Kingdom France Spain Italy Denmark

798

01:23:34,609 --> 01:23:39,649

Sweden Finland Poland and Germany

799

01:23:51,279 --> 01:23:58,819
again so far politicians have been

800

01:23:56,210 --> 01:24:11,149
reluctant to deal with the UFO ET issue

801

01:23:58,819 --> 01:24:14,090
in public but in 1978 the United Nations

802

01:24:11,149 --> 01:24:17,929
General Assembly recommended in its

803

01:24:14,090 --> 01:24:19,610
decision 3346 the establishment of an

804

01:24:17,929 --> 01:24:44,480
agency or Department of the United

805

01:24:19,609 --> 01:24:46,880
Nations for undertaking coordinating and

806

01:24:44,479 --> 01:25:00,518
disseminating the results of research

807

01:24:46,880 --> 01:25:06,859
into unidentified flying objects and

808

01:25:00,519 --> 01:25:09,889
related phenomena in this in this

809

01:25:06,859 --> 01:25:13,969
decision the General Assembly invited

810

01:25:09,889 --> 01:25:16,279
quote interested member states to take

811

01:25:13,969 --> 01:25:19,099
appropriate steps to coordinate on a

812

01:25:16,279 --> 01:25:21,788
national level scientific research and

813
01:25:19,099 --> 01:25:26,710
investigation into extraterrestrial life

814
01:25:21,788 --> 01:25:26,710
including unidentified flying objects

815
01:25:46,869 --> 01:26:01,279
but to this day 31 years later there is

816
01:25:51,140 --> 01:26:03,650
still no such agency in 1990 as a result

817
01:26:01,279 --> 01:26:21,109
of the activities registered during the

818
01:26:03,649 --> 01:26:23,960
wave of UFO sightings in Belgium a VOD

819
01:26:21,109 --> 01:26:27,909
rulebook a European deputy and minister

820
01:26:23,960 --> 01:26:27,909
of education for wallonia and Belgium

821
01:26:33,310 --> 01:26:40,210
proposed a motion to set up a European

822
01:26:36,890 --> 01:26:40,210
youthful observation center

823
01:26:45,590 --> 01:26:51,389
the center should collect together the

824
01:26:48,538 --> 01:26:53,429
isolated observations made by members of

825
01:26:51,389 --> 01:27:11,940
the public and by military and

826
01:26:53,429 --> 01:27:14,190
scientific institutions and organized at

827

01:27:11,939 --> 01:27:22,678
the European level programs of

828
01:27:14,189 --> 01:27:24,868
scientific observation but unfortunately

829
01:27:22,679 --> 01:27:28,038
the European Parliament has never

830
01:27:24,868 --> 01:27:28,038
implemented these recommendations

831
01:27:36,810 --> 01:27:42,030
but from a military point of view the

832
01:27:39,250 --> 01:27:53,500
evidence for extraterrestrial visitation

833
01:27:42,029 --> 01:28:03,099
is quite convincing in 1999 the French

834
01:27:53,500 --> 01:28:05,800
cometa report was published it's a

835
01:28:03,100 --> 01:28:19,960
three-year military study on UFOs and

836
01:28:05,800 --> 01:28:23,500
national security implications and its

837
01:28:19,960 --> 01:28:25,869
title was lizard me lady falls a quadrat

838
01:28:23,500 --> 01:28:35,079
also cleverly so what do we have to

839
01:28:25,869 --> 01:28:37,989
prepare for it concluded that the

840
01:28:35,079 --> 01:28:43,289
extra-terrestrial hypothesis is the most

841
01:28:37,989 --> 01:28:43,289

logical explanation even if not for my

842

01:28:52,739 --> 01:28:57,130

have to say though that this report was

843

01:28:55,390 --> 01:28:59,289

mainly written by high-ranking military

844

01:28:57,130 --> 01:29:02,940

people from the French hi studies

845

01:28:59,289 --> 01:29:02,939

institute for national defense

846

01:29:11,538 --> 01:29:16,228

acknowledging that we are not alone

847

01:29:13,380 --> 01:29:21,260

would certainly cause many changes in

848

01:29:16,229 --> 01:29:21,260

our society politics science and culture

849

01:29:29,958 --> 01:29:36,300

the fear to lose control in the event of

850

01:29:33,859 --> 01:29:38,819

extraterrestrial contact might be one of

851

01:29:36,300 --> 01:29:42,029

the reasons why this subject is still

852

01:29:38,819 --> 01:29:44,538

being on the outside and covered up on

853

01:29:42,029 --> 01:29:44,538

the inside

854

01:30:01,569 --> 01:30:15,439

but as a spacefaring civilization we

855

01:30:04,849 --> 01:30:18,829

must face this possibility we believe

856
01:30:15,439 --> 01:30:21,169
that the evolution of mankind is more

857
01:30:18,829 --> 01:30:35,630
important than protecting current power

858
01:30:21,170 --> 01:30:37,639
structures on this planet it's time for

859
01:30:35,630 --> 01:30:39,380
us to accept the facts and to think

860
01:30:37,639 --> 01:30:55,789
about what the extra-terrestrial

861
01:30:39,380 --> 01:30:58,279
presence means for us for mankind for

862
01:30:55,789 --> 01:31:00,859
this reason we call upon the European

863
01:30:58,279 --> 01:31:03,679
Union to establish in a European agency

864
01:31:00,859 --> 01:31:07,448
for the study of UFOs extraterrestrial

865
01:31:03,679 --> 01:31:07,449
affairs and related phenomena

866
01:31:19,729 --> 01:31:29,969
this agency should among other things

867
01:31:22,619 --> 01:31:33,090
deal with the following it should

868
01:31:29,970 --> 01:31:35,070
collect on study into one database UFO

869
01:31:33,090 --> 01:31:38,010
files from different National Space

870
01:31:35,069 --> 01:31:40,439
Agency's Defense Department's and other

871
01:31:38,010 --> 01:32:07,619
official European entities and civilian

872
01:31:40,439 --> 01:32:09,329
organizations collecting UFO data it

873
01:32:07,619 --> 01:32:11,849
should cooperate with civilian

874
01:32:09,329 --> 01:32:14,340
organizations in the investigation and

875
01:32:11,850 --> 01:32:16,200
analysis of cases involving UFO

876
01:32:14,340 --> 01:32:19,220
sightings that may be extraterrestrial

877
01:32:16,199 --> 01:32:19,220
in origin

878
01:32:30,170 --> 01:32:35,750
it should establish simple and reliable

879
01:32:33,170 --> 01:32:37,340
procedures for residents to report to

880
01:32:35,750 --> 01:32:40,909
European and local government

881
01:32:37,340 --> 01:33:09,319
authorities any sightings of or contact

882
01:32:40,909 --> 01:33:11,929
with extraterrestrial life it should

883
01:33:09,319 --> 01:33:14,149
sponsor scientific studies into evidence

884

01:33:11,929 --> 01:33:17,060
concerning UFOs and extraterrestrial

885
01:33:14,149 --> 01:33:21,099
life and disseminate its findings in a

886
01:33:17,060 --> 01:33:21,100
way that educates the general public

887
01:33:41,649 --> 01:33:46,819
we should provide funding for academic

888
01:33:44,390 --> 01:34:00,140
research into public policy implications

889
01:33:46,819 --> 01:34:03,199
of the extra-terrestrial presence and it

890
01:34:00,140 --> 01:34:04,570
should develop protocols for peaceful

891
01:34:03,199 --> 01:34:06,679
and diplomatic relations with

892
01:34:04,569 --> 01:34:20,000
extraterrestrial life in the event of

893
01:34:06,680 --> 01:34:22,220
contact you will receive the full text

894
01:34:20,000 --> 01:34:25,340
of our declaration for the establishment

895
01:34:22,220 --> 01:34:37,480
of a European agency for a study of UFOs

896
01:34:25,340 --> 01:34:40,279
shortly after this press conference and

897
01:34:37,479 --> 01:34:42,229
we will present it as a petition to the

898
01:34:40,279 --> 01:34:46,509

European Parliament after this

899

01:34:42,229 --> 01:34:46,509

Exopolitics summit will have ended

900

01:34:56,210 --> 01:35:09,359

what's the status for servicemen India

901

01:35:05,969 --> 01:35:11,369

Robert bueno ahora voy a mandar una cosa

902

01:35:09,359 --> 01:35:12,929

que no está ave revista alegado nuestro

903

01:35:11,369 --> 01:35:14,609

le directeur général de eventos que es

904

01:35:12,930 --> 01:35:16,140

Miguel Salah days in Des Moines a video

905

01:35:14,609 --> 01:35:18,929

tres minutos para hablar se que vamos

906

01:35:16,140 --> 01:35:21,300

muy mal de tiempo entonces yo la ofrenda

907

01:35:18,930 --> 01:35:24,090

segundos y la noche fina quedado minuto

908

01:35:21,300 --> 01:35:43,730

esperemos que complejos compromiso le de

909

01:35:24,090 --> 01:35:48,989

paso momento y que NOS teresa tres

910

01:35:43,729 --> 01:35:50,488

minutos solamente solo para la mente our

911

01:35:48,988 --> 01:35:55,289

lament hemos podido llegar a tiempo

912

01:35:50,488 --> 01:35:57,179

tanto y los Donna como alfred webre y

913
01:35:55,289 --> 01:36:00,269
creo que Michael salah pasado lo mismo

914
01:35:57,180 --> 01:36:03,260
por estar atendiendo hace de medios de

915
01:36:00,270 --> 01:36:03,260
comunicación directo

916
01:36:11,489 --> 01:36:24,369
decir que bueno mañana sep rebecca van a

917
01:36:15,100 --> 01:36:27,010
venir mil quattro sientas personas creo

918
01:36:24,369 --> 01:36:34,960
que nunca sabe a'ren ido tanta gente en

919
01:36:27,010 --> 01:36:36,670
ninguna parte del mundo que esperamos

920
01:36:34,960 --> 01:36:38,260
que bueno que prácticamente todos

921
01:36:36,670 --> 01:36:48,010
ustedes tambien poder venir para cubrir

922
01:36:38,260 --> 01:36:50,170
ms elemento que mañana de seremos a los

923
01:36:48,010 --> 01:36:52,150
ponente separada todo lo demas pero

924
01:36:50,170 --> 01:36:53,920
ahora vamos quiero dar solamente un

925
01:36:52,149 --> 01:37:06,479
pequeño dot o que hemos tenido esta

926
01:36:53,920 --> 01:37:10,569
mañana hemos estado en una television en

927
01:37:06,479 --> 01:37:20,859
directo e curiosa meant a movado dos dos

928
01:37:10,569 --> 01:37:23,170
dos impresiones muy importantes la

929
01:37:20,859 --> 01:37:25,719
primera es que todo del equipo de

930
01:37:23,170 --> 01:37:27,430
televisión todo cine Stephe on previa

931

01:40:02,988 --> 01:40:17,619

Judah's para ya saben que la do

960

01:40:19,000 --> 01:40:33,340

hey 20 briefly it's true rumor that was

961

01:40:26,319 --> 01:40:36,049

never find a solution not correct

962

01:40:33,340 --> 01:40:40,069

laurance rockefeller was very interested

963

01:40:36,050 --> 01:40:41,750

in the subject and hosted President Bill

964

01:40:40,069 --> 01:41:00,769

Clinton and Hillary Clinton at his ranch

965

01:40:41,750 --> 01:41:09,850

to go through the disclosure was formed

966

01:41:00,770 --> 01:41:09,850

after that he was not involved in that

967

01:41:18,609 --> 01:41:46,299

oh yeah and romo prieto gooby paper and

968

01:41:41,779 --> 01:41:46,300

a full-thickness today's capoeira asked

969

01:41:46,630 --> 01:41:50,650

the question

970
01:41:50,760 --> 01:42:24,070
this regarding oh I have multiple

971
01:42:17,970 --> 01:42:26,949
independent corroborating top secret

972
01:42:24,069 --> 01:42:40,239
sources to confirm that that has been a

973
01:42:26,949 --> 01:42:48,220
plan in place since the 1950s their

974
01:42:40,239 --> 01:42:50,559
intent was to hope's an invasion so as

975
01:42:48,220 --> 01:42:56,619
to aggregate more power around the

976
01:42:50,560 --> 01:42:58,990
military-industrial complex the

977
01:42:56,619 --> 01:43:03,180
technology is associated with such a

978
01:42:58,989 --> 01:43:03,179
hoax or false flag operation

979
01:43:06,899 --> 01:43:12,759
and boy involve the deployment of what

980
01:43:10,600 --> 01:43:24,010
are called alien reproduction vehicles

981
01:43:12,760 --> 01:43:28,900
or a RVs which are man-made and appear

982
01:43:24,010 --> 01:43:32,940
to the casual observer to look like an

983
01:43:28,899 --> 01:43:32,939
extraterrestrial vehicle whether or not

984
01:43:41,489 --> 01:43:54,099
one of my jobs has been to expose this

985
01:43:45,220 --> 01:43:56,409
fraud to the United States and the

986
01:43:54,100 --> 01:43:59,740
European and other leaders in the

987
01:43:56,409 --> 01:44:03,809
military and intelligence community so

988
01:43:59,739 --> 01:44:03,809
that they would not be fooled by this

989
01:44:10,619 --> 01:44:15,099
this is also the common and very

990
01:44:12,850 --> 01:44:17,829
important part of the briefing that we

991
01:44:15,100 --> 01:44:20,520
have put together for the new president

992
01:44:17,829 --> 01:44:20,519
of the United States

993
01:44:29,270 --> 01:44:32,940
and it's clear the actual

994
01:44:31,409 --> 01:44:41,880
extraterrestrial visitors are not

995
01:44:32,939 --> 01:44:45,269
hostile but like in the aftermath of 911

996
01:44:41,880 --> 01:44:57,960
great power can be accumulated through

997
01:44:45,270 --> 01:45:00,240
the engendering of fear and for this

998

01:44:57,960 --> 01:45:03,659
reason is very important that our

999
01:45:00,239 --> 01:45:08,210
leaders know that such a hopes is

1000
01:45:03,659 --> 01:45:08,210
possible and to not be fooled by it

1001
01:46:02,250 --> 01:46:16,270
yeah they automatically from Ida junkie

1002
01:46:11,789 --> 01:46:23,529
he basically the spherical subjects

1003
01:46:16,270 --> 01:46:28,000
funds from sierra de varias veces

1004
01:46:23,529 --> 01:46:31,809
investigation siena phenomena me either

1005
01:46:28,000 --> 01:46:39,819
contact is no nobody else am i got it i

1006
01:46:31,810 --> 01:46:46,560
will personally investigated in the

1007
01:46:39,819 --> 01:46:53,289
contact no abia navarro baby empty as a

1008
01:46:46,560 --> 01:46:57,630
comp yentas para dig on dancin estamos

1009
01:46:53,289 --> 01:47:01,329
hablando extra diverse society of

1010
01:46:57,630 --> 01:47:04,510
evidence and to eat children and to

1011
01:47:01,329 --> 01:47:11,170
conclude oversleeping are expecting a

1012
01:47:04,510 --> 01:47:15,960

strong enemy well I subrata cynical ando

1013

01:47:11,170 --> 01:47:15,960
de Indiana's k

1014

01:47:16,679 --> 01:47:24,699
yeah these are chunky all colors also

1015

01:47:20,849 --> 01:47:27,250
ask themselves is that your screen what

1016

01:47:24,698 --> 01:47:34,118
we are experiencing the side entities

1017

01:47:27,250 --> 01:47:38,289
that have been part of the service get

1018

01:47:34,118 --> 01:47:46,569
up on stage honest I think I'm da semana

1019

01:47:38,289 --> 01:47:48,760
de todo for what reasons were you here

1020

01:47:46,569 --> 01:47:51,899
if you're searching about this

1021

01:47:48,760 --> 01:47:51,900
particular strong

1022

01:48:01,859 --> 01:48:09,089
why are you so certain that their

1023

01:48:03,840 --> 01:48:13,380
extraterrestrial well they are a lot

1024

01:48:09,090 --> 01:48:15,929
more than just a toaster Israel's the

1025

01:48:13,380 --> 01:48:20,368
United States military learned as early

1026

01:48:15,929 --> 01:48:34,800
as 1960 that we were dealing not merely

1027
01:48:20,368 --> 01:48:38,729
with those coming from other planets we

1028
01:48:34,800 --> 01:48:41,130
had determined before i retired in 1976

1029
01:48:38,729 --> 01:48:51,569
that were dealing with some coming from

1030
01:48:41,130 --> 01:48:53,670
other star systems and then they were

1031
01:48:51,569 --> 01:48:56,158
able to disclose that they learned that

1032
01:48:53,670 --> 01:48:59,090
some literally were coming from other

1033
01:48:56,158 --> 01:48:59,089
galaxies

1034
01:49:04,649 --> 01:49:17,189
but the most shocking thing that our

1035
01:49:08,229 --> 01:49:21,899
authorities learned over the years that

1036
01:49:17,189 --> 01:49:21,899
some were coming from other dimensions

1037
01:49:24,840 --> 01:49:31,420
the totality of this information was

1038
01:49:28,390 --> 01:49:33,940
literally overwhelming to the military

1039
01:49:31,420 --> 01:49:45,369
and political authorities in the United

1040
01:49:33,939 --> 01:49:52,989
States they were totally unprepared to

1041
01:49:45,369 --> 01:49:55,630
deal with this information and they

1042
01:49:52,989 --> 01:49:57,939
concluded the masses of people on the

1043
01:49:55,630 --> 01:50:06,970
planet could not deal with it a tie at

1044
01:49:57,939 --> 01:50:10,169
all we have learned over the years that

1045
01:50:06,970 --> 01:50:13,150
the universe that we live in is

1046
01:50:10,170 --> 01:50:27,789
literally teeming with advanced

1047
01:50:13,149 --> 01:50:30,609
conscious intelligent life but let me

1048
01:50:27,789 --> 01:50:33,970
finally find my comments and conclude

1049
01:50:30,609 --> 01:50:43,659
and close with this they are not

1050
01:50:33,970 --> 01:50:46,079
visitors don't come here to visit a long

1051
01:50:43,659 --> 01:50:46,079
tour

1052
01:50:48,689 --> 01:50:58,479
some of them appear to be custodians now

1053
01:50:56,590 --> 01:51:08,350
that is a bit of information that's

1054
01:50:58,479 --> 01:51:10,809
rather shocking to a lot of people but

1055

01:51:08,350 --> 01:51:19,270
you must understand that the planet that

1056
01:51:10,810 --> 01:51:25,140
you live on is probably the richest and

1057
01:51:19,270 --> 01:51:25,140
rapists zoological garden in the galaxy

1058
01:51:32,640 --> 01:51:46,030
the flora and fauna on this planet is

1059
01:51:36,390 --> 01:51:51,060
literally infinite in its variety some

1060
01:51:46,029 --> 01:51:51,059
of them have known this for eons of time

1061
01:51:52,470 --> 01:52:02,800
and they train journalism and they

1062
01:51:56,710 --> 01:52:08,470
treasure this planet and they treasure

1063
01:52:02,800 --> 01:52:10,060
the human race now it's about time now

1064
01:52:08,470 --> 01:52:15,360
it's about time that we begin to

1065
01:52:10,060 --> 01:52:15,360
treasure ourselves and love our planet

1066
01:52:32,260 --> 01:52:46,820
thank you Bob the late Alan Hynek of the

1067
01:52:37,310 --> 01:52:49,850
one of the pioneers of UFO research one

1068
01:52:46,819 --> 01:52:52,009
time said that UFO research is leading

1069
01:52:49,850 --> 01:53:04,730

us kicking and screaming into the

1070

01:52:52,010 --> 01:53:06,409

science of the 21st century it's been

1071

01:53:04,729 --> 01:53:15,049

true throughout the history of science

1072

01:53:06,409 --> 01:53:17,449

that there will be skeptics and their

1073

01:53:15,050 --> 01:53:21,970

point of view prevails until

1074

01:53:17,449 --> 01:53:21,970

countervailing evidence shows otherwise

1075

01:53:25,510 --> 01:53:35,289

and it's often said that extraordinary

1076

01:53:30,890 --> 01:53:35,289

claims require extraordinary evidence

1077

01:53:40,000 --> 01:53:46,670

but what happens there is that the

1078

01:53:42,619 --> 01:53:49,840

threshold of choosing what something is

1079

01:53:46,670 --> 01:53:54,079

real or not keeps getting raised

1080

01:53:49,840 --> 01:53:58,900

arbitrarily because the skeptic view is

1081

01:53:54,079 --> 01:53:58,899

the one that ordinarily prevails

1082

01:54:06,260 --> 01:54:13,980

but the fact is that the science of the

1083

01:54:09,658 --> 01:54:23,939

21st century will be and is a science of

1084
01:54:13,979 --> 01:54:26,789
consciousness that human beings combined

1085
01:54:23,939 --> 01:54:37,859
and positive intention can literally

1086
01:54:26,789 --> 01:54:40,219
create our future our reality and we

1087
01:54:37,859 --> 01:54:42,750
need all the help we can get from our

1088
01:54:40,219 --> 01:54:46,219
visitors or whatever word you want to

1089
01:54:42,750 --> 01:54:59,069
use to describe interdimensional and

1090
01:54:46,219 --> 01:55:02,550
extraterrestrial intelligence so I urge

1091
01:54:59,069 --> 01:55:11,309
you to get beyond the statements of the

1092
01:55:02,550 --> 01:55:22,010
skeptics and suspend disbelief and look

1093
01:55:11,310 --> 01:55:26,060
at the possibility that the universe is

1094
01:55:22,010 --> 01:55:26,060
loaded with an

1095
01:55:27,029 --> 01:55:44,649
in the terrible and that our precious

1096
01:55:30,670 --> 01:55:48,489
planet can be saved thank you sorry miss

1097
01:55:44,649 --> 01:55:51,219
your games or your post.really so how

1098
01:55:48,488 --> 01:55:53,229
come if we ask even babies who are not

1099
01:55:51,219 --> 01:55:55,600
that involved are intelligences have

1100
01:55:53,229 --> 01:55:57,488
involved in a given hold it don't want

1101
01:55:55,600 --> 01:56:00,670
to be in touch with any time you have

1102
01:55:57,488 --> 01:56:02,979
left we can do it how come beast other

1103
01:56:00,670 --> 01:56:05,500
entities that are supposedly so much

1104
01:56:02,979 --> 01:56:07,629
less of a child and we are what are they

1105
01:56:05,500 --> 01:56:10,238
not doing the same thing with us and

1106
01:56:07,630 --> 01:56:12,869
instead here are communicating with

1107
01:56:10,238 --> 01:56:16,029
supposedly corrupted governments or

1108
01:56:12,869 --> 01:56:18,039
corporations demonstrates a glance at

1109
01:56:16,029 --> 01:56:20,319
the theories University in blankets

1110
01:56:18,039 --> 01:56:23,380
cavitation up for your brother so when

1111
01:56:20,319 --> 01:56:25,420
the skills does a yes so you can expect

1112

01:56:23,380 --> 01:56:27,760
arrested and do you think that all

1113
01:56:25,420 --> 01:56:30,039
productions that is what I've talked

1114
01:56:27,760 --> 01:56:33,000
about in all the inference that they are

1115
01:56:30,039 --> 01:56:36,850
speaking out are all all of them from

1116
01:56:33,000 --> 01:56:39,099
extraterrestrial origin Yolanda didn't

1117
01:56:36,850 --> 01:56:42,920
say

1118
01:56:39,099 --> 01:56:45,349
Valencia Venezuela gahanna sports is

1119
01:56:42,920 --> 01:56:49,429
that kappa alpha over your screen rights

1120
01:56:45,349 --> 01:56:52,550
for Skeeter the class mission is that

1121
01:56:49,429 --> 01:56:55,250
you have any information on this fear

1122
01:56:52,550 --> 01:57:06,440
that our so-called ports that are now

1123
01:56:55,250 --> 01:57:08,090
appearing trails I don't know did did

1124
01:57:06,439 --> 01:57:18,018
you have one question you wanted for

1125
01:57:08,090 --> 01:57:19,909
everyone I don't we don't understand yes

1126
01:57:18,019 --> 01:57:26,059

I've been threatened no it doesn't

1127

01:57:19,908 --> 01:57:29,448
matter many of these so-called

1128

01:57:26,059 --> 01:57:40,730
abductions are paramilitary human

1129

01:57:29,448 --> 01:57:42,589
stagecraft designed to scare people as

1130

01:57:40,729 --> 01:57:44,868
for these advanced civilizations being

1131

01:57:42,590 --> 01:57:48,050
in touch with the corrupt governments

1132

01:57:44,868 --> 01:57:49,609
they are not this is another this is

1133

01:57:48,050 --> 01:57:53,019
like Saddam Hussein saying he had

1134

01:57:49,609 --> 01:57:53,018
chemical weapons when he did not

1135

01:58:05,939 --> 01:58:14,099
President Eisenhower did have a meeting

1136

01:58:08,559 --> 01:58:14,099
with these pts and 1954 in the spring

1137

01:58:23,880 --> 01:58:33,340
1954 but those he he was betrayed by the

1138

01:58:30,760 --> 01:58:44,918
military-industrial complex and that

1139

01:58:33,340 --> 01:58:47,050
contact was broken off this is a complex

1140

01:58:44,918 --> 01:58:49,748
issue because there are alien

1141
01:58:47,050 --> 01:58:54,689
reproduction vehicles and creatures that

1142
01:58:49,748 --> 01:58:54,688
are called programmed life forms POS

1143
01:59:03,868 --> 01:59:17,978
program life forms that are man-made

1144
01:59:09,880 --> 01:59:21,099
that simulator hoax ET encounters and

1145
01:59:17,979 --> 01:59:23,469
these are done to sow the seeds of fear

1146
01:59:21,099 --> 01:59:26,550
so that people will accept the cost of

1147
01:59:23,469 --> 01:59:26,550
interplanetary war

1148
01:59:33,470 --> 01:59:38,670
now as Brian O'Leary has said that the

1149
01:59:36,989 --> 01:59:46,800
truth will set you free but first it

1150
01:59:38,670 --> 01:59:49,170
will piss you off and this matter is

1151
01:59:46,800 --> 01:59:58,529
much more complex than we can present in

1152
01:59:49,170 --> 02:00:02,190
an hour and a half here but just be

1153
01:59:58,529 --> 02:00:10,590
assured that the civet the madness is

1154
02:00:02,189 --> 02:00:13,579
going to end soon and our civilization

1155
02:00:10,590 --> 02:00:30,409
is going to move forward in peace as a

1156
02:00:13,579 --> 02:00:34,579
starfaring people when opara dad a una

1157
02:00:30,409 --> 02:00:41,939
respuesta a la pregunta sobre las orbs

1158
02:00:34,579 --> 02:00:46,189
romero yessir pero primero que decir que

1159
02:00:41,939 --> 02:00:50,129
yo free um teste go del proyecto de voz

1160
02:00:46,189 --> 02:00:53,479
de vacacion a fouette the dirigido por

1161
02:00:50,130 --> 02:00:53,480
el dr. Greer

1162
02:00:57,819 --> 02:01:13,719
y l de una declaracion jus da de de los

1163
02:01:08,890 --> 02:01:18,460
ataques que se me see arrow tanto por a

1164
02:01:13,720 --> 02:01:23,730
gente de inteligencia de el gobierno de

1165
02:01:18,460 --> 02:01:27,069
estados unidos e con armas

1166
02:01:23,729 --> 02:01:49,079
electromagnetic 'as a militant no sientto

1167
02:01:27,069 --> 02:01:55,149
certain Taiwan dough terminaron el

1168
02:01:49,079 --> 02:01:59,619
proyecto de el estudio de comunicaci3n

1169

02:01:55,149 --> 02:02:10,389
esta terrestre privada por la casa

1170
02:01:59,619 --> 02:02:15,099
blanca the Jimmy Carter in cuanto a las

1171
02:02:10,390 --> 02:02:19,680
orbs in no se especificamente de los

1172
02:02:15,100 --> 02:02:23,400
herbs de los chemtrails pero muchas

1173
02:02:19,680 --> 02:02:26,230
investigadores creen que son

1174
02:02:23,399 --> 02:02:29,129
representante de una dimension

1175
02:02:26,229 --> 02:02:29,129
alternativa

1176
02:02:30,960 --> 02:02:46,800
oh se a que de lo mismo que algunos

1177
02:02:42,300 --> 02:02:49,920
omnis ultra terrestres pueden ser esta

1178
02:02:46,800 --> 02:03:05,219
una intervention de alguna dimension a

1179
02:02:49,920 --> 02:03:09,779
tenet eva a esta dimension tambien NOS

1180
02:03:05,219 --> 02:03:14,100
orbs pay pueden ser una intervention de

1181
02:03:09,779 --> 02:03:17,420
una dimension RT not Eva a esta esta

1182
02:03:14,100 --> 02:03:43,289
dimension una intervention inteligente

1183
02:03:17,420 --> 02:03:46,680

Eliza see also gracias dr. Marcus Sallah

1184

02:03:43,289 --> 02:03:48,810

are needed to the questions i was at

1185

02:03:46,680 --> 02:03:51,060

american university i had a number of

1186

02:03:48,810 --> 02:03:53,520

academic appointments and i did receive

1187

02:03:51,060 --> 02:03:57,570

threats when i was doing this research

1188

02:03:53,520 --> 02:04:00,360

first i was told that if i was to try to

1189

02:03:57,569 --> 02:04:02,659

incorporate this into my university

1190

02:04:00,359 --> 02:04:04,889

studies that would not be permitted and

1191

02:04:02,659 --> 02:04:06,960

eventually i was interviewed by The

1192

02:04:04,890 --> 02:04:09,690

Washington Post and they wrote a feature

1193

02:04:06,960 --> 02:04:11,489

article and that I was threatened over

1194

02:04:09,689 --> 02:04:14,759

that that he could mention the

1195

02:04:11,488 --> 02:04:16,939

university that I could be removed and

1196

02:04:14,760 --> 02:04:20,869

that is in fact what happened

1197

02:04:16,939 --> 02:04:20,869

translations I'm sorry

1198
02:04:44,960 --> 02:04:51,510
so I believe that the universities are

1199
02:04:48,060 --> 02:04:53,280
one of the principal ways in which this

1200
02:04:51,510 --> 02:04:55,470
information is kept out of the public

1201
02:04:53,279 --> 02:04:57,569
arena because any professors or any

1202
02:04:55,470 --> 02:05:17,340
students that get interested in this are

1203
02:04:57,569 --> 02:05:20,340
threatened and I believe these threads

1204
02:05:17,340 --> 02:05:23,579
and this intimidation has been

1205
02:05:20,340 --> 02:05:25,829
authorized since the early 1950s through

1206
02:05:23,579 --> 02:05:36,479
a psychological warfare program that the

1207
02:05:25,829 --> 02:05:41,840
CIA has been engaging in the lab is in

1208
02:05:36,479 --> 02:05:41,839
position paper that is the

1209
02:05:48,180 --> 02:05:53,530
so I'll thank the organizers of this

1210
02:05:50,770 --> 02:05:56,080
event for making it possible for these

1211
02:05:53,529 --> 02:05:58,710
issues to be studied seriously and for

1212
02:05:56,079 --> 02:06:02,488
the declaration that Robert Fleischer

1213
02:05:58,710 --> 02:06:32,050
announced which I believe will be in

1214
02:06:02,488 --> 02:06:34,329
universities start to study this my name

1215
02:06:32,050 --> 02:06:41,199
is Paula Harris I mean it'll American

1216
02:06:34,329 --> 02:06:43,119
journalist I am a member of the

1217
02:06:41,199 --> 02:06:51,699
Exopolitics team and that i have written

1218
02:06:43,119 --> 02:06:53,920
two books on XO politics but I my books

1219
02:06:51,699 --> 02:06:57,389
are word for word interviews with

1220
02:06:53,920 --> 02:07:10,840
top-level military and intelligence

1221
02:06:57,390 --> 02:07:19,989
people and when i was living in rome

1222
02:07:10,840 --> 02:07:25,829
italy for 15 years i moved to a back to

1223
02:07:19,988 --> 02:07:25,829
america in 2007 i went to italy in 1992

1224
02:07:30,779 --> 02:07:39,550
it was easier for me as a journalist to

1225
02:07:33,850 --> 02:07:42,460
work out of Italy however when i was

1226

02:07:39,550 --> 02:07:50,170
doing one story on dr. michael wolf crew

1227
02:07:42,460 --> 02:07:56,380
vons i had two car bombs go off in front

1228
02:07:50,170 --> 02:07:57,850
of my apartment i had many warnings

1229
02:07:56,380 --> 02:08:00,460
because he would call me on the phone

1230
02:07:57,850 --> 02:08:11,020
from America and want me to tape every

1231
02:08:00,460 --> 02:08:16,689
word he is now he has now died he died

1232
02:08:11,020 --> 02:08:18,880
in two thousand one of my interviews in

1233
02:08:16,689 --> 02:08:27,519
my first book is G and ronak a

1234
02:08:18,880 --> 02:08:29,590
geophysicist from France who came to my

1235
02:08:27,520 --> 02:08:35,739
apartment to be filmed for his interview

1236
02:08:29,590 --> 02:08:42,969
he can't he was working off the island

1237
02:08:35,738 --> 02:08:44,919
of funga tofa in french polynesia when

1238
02:08:42,969 --> 02:08:49,319
the when the french were doing the

1239
02:08:44,920 --> 02:08:49,319
testing of the tat melaka bond each bomb

1240
02:08:51,448 --> 02:09:00,969

800 800 tests of those tests Aggie and

1241

02:08:58,000 --> 02:09:04,800

ronak was present on two times when

1242

02:09:00,969 --> 02:09:04,800

there were flyovers of UFOs

1243

02:09:12,819 --> 02:09:25,299

there was three feet of dead fish on the

1244

02:09:15,939 --> 02:09:30,089

runways the coral was dead these beings

1245

02:09:25,300 --> 02:09:30,090

flew over the island did not do anything

1246

02:09:32,460 --> 02:09:39,239

three and they were three green lights

1247

02:09:34,689 --> 02:09:39,239

and the French military followed them

1248

02:09:40,590 --> 02:09:45,220

while I was doing the story in the

1249

02:09:43,359 --> 02:09:54,759

middle of the filming we went out for

1250

02:09:45,220 --> 02:09:57,250

pizza when I came back my apartment door

1251

02:09:54,760 --> 02:10:00,100

was open the film was taken they had

1252

02:09:57,250 --> 02:10:14,829

robbed me they had taken my cameras my

1253

02:10:00,100 --> 02:10:18,010

two computers jewelry everything what

1254

02:10:14,829 --> 02:10:25,239

Steven Greer says is true it does not

1255
02:10:18,010 --> 02:10:27,850
matter because the most important i

1256
02:10:25,239 --> 02:10:30,639
think obligation of journalists and

1257
02:10:27,850 --> 02:10:39,370
journalists like me and everyone else is

1258
02:10:30,640 --> 02:10:42,210
to tell the truth and it must and it

1259
02:10:39,369 --> 02:10:42,210
must be done

1260
02:10:44,439 --> 02:10:46,500
you
