

1  
00:00:00,000 --> 00:00:03,600  
fundamental theory is that there's only

2  
00:00:01,829 --> 00:00:08,429  
one mind a minefield

3  
00:00:03,600 --> 00:00:13,289  
am i an e e is I'm sorry there's only a

4  
00:00:08,429 --> 00:00:17,579  
minefield M IND not imagining we called

5  
00:00:13,289 --> 00:00:21,269  
the matrix and think of it as a single

6  
00:00:17,579 --> 00:00:23,989  
dimension where all things all patterns

7  
00:00:21,269 --> 00:00:28,109  
and information throughout all time our

8  
00:00:23,989 --> 00:00:30,089  
extent in this single dimension or you

9  
00:00:28,109 --> 00:00:31,230  
can think of it as the mind of God or

10  
00:00:30,089 --> 00:00:34,049  
whatever you want

11  
00:00:31,230 --> 00:00:37,859  
but it's it's it's it's a holographic in

12  
00:00:34,049 --> 00:00:40,289  
nature it's within us or and permeates

13  
00:00:37,859 --> 00:00:42,329  
us just like radio waves our brain is an

14  
00:00:40,289 --> 00:00:44,609  
oscillator and we can tune it like a

15  
00:00:42,329 --> 00:00:47,670  
radio to any of these patterns of the

16  
00:00:44,609 --> 00:00:49,738  
information so anything is knowable

17  
00:00:47,670 --> 00:00:52,140  
there are limitations that we have in

18  
00:00:49,738 --> 00:00:55,019  
terms of our processor but anything is

19  
00:00:52,140 --> 00:01:00,359  
it is tunable in this grand scheme of

20  
00:00:55,020 --> 00:01:06,450  
things so what is this this matrix like

21  
00:01:00,359 --> 00:01:10,439  
I think the best way to think of it is

22  
00:01:06,450 --> 00:01:16,430  
just simply a library of everything that

23  
00:01:10,438 --> 00:01:16,429  
has ever been is and ever will be

24  
00:01:16,519 --> 00:01:22,859  
contain that objectified as patterns of

25  
00:01:20,489 --> 00:01:25,618  
information information patterns that's

26  
00:01:22,859 --> 00:01:28,879  
all and when you tune yourself to an

27  
00:01:25,618 --> 00:01:32,759  
information pattern you're unconscious

28  
00:01:28,879 --> 00:01:36,179  
then you objectify what that pattern

29

00:01:32,759 --> 00:01:39,180  
means it means that oh this is a

30  
00:01:36,180 --> 00:01:43,880  
sunflower or this is the person that

31  
00:01:39,180 --> 00:01:43,880  
murdered this child those kind of things

32  
00:01:46,790 --> 00:02:00,509  
the role it is just to be and that's it

33  
00:01:52,349 --> 00:02:02,129  
I mean we we are patterns ourselves so

34  
00:02:00,509 --> 00:02:06,239  
we're we're contained within this

35  
00:02:02,129 --> 00:02:08,848  
hologram this holographic universe okay

36  
00:02:06,239 --> 00:02:10,618  
so so so you know healing is basically

37  
00:02:08,848 --> 00:02:13,919  
connecting to a very profound

38  
00:02:10,618 --> 00:02:16,259  
basis of a very profound level of

39  
00:02:13,919 --> 00:02:20,389  
consciousness that we are all a part of

40  
00:02:16,259 --> 00:02:23,489  
yes okay so you've been using this

41  
00:02:20,389 --> 00:02:25,439  
technique for 27 years now you've found

42  
00:02:23,489 --> 00:02:27,269  
out quite a lot of things and you have

43  
00:02:25,439 --> 00:02:29,159

been working especially in the field of

44

00:02:27,269 --> 00:02:31,110

UFOs aliens

45

00:02:29,159 --> 00:02:34,079

crop circles and all of the things that

46

00:02:31,110 --> 00:02:36,780

we know the government it's a hobby of

47

00:02:34,080 --> 00:02:40,110

mine for this peak okay so the

48

00:02:36,780 --> 00:02:42,689

government never actually right there's

49

00:02:40,110 --> 00:02:44,910

no charter to do them as I mentioned CIA

50

00:02:42,689 --> 00:02:46,680

its Charter is political in the economic

51

00:02:44,909 --> 00:02:49,590

intelligence there's no charter no

52

00:02:46,680 --> 00:02:52,019

taxpayers money it says you're allowed

53

00:02:49,590 --> 00:02:53,848

to study UFOs a Department of Defense

54

00:02:52,019 --> 00:02:56,099

military intelligence I was an army

55

00:02:53,848 --> 00:02:58,109

intelligence officer my job military

56

00:02:56,098 --> 00:03:01,518

intelligence no charter that studied

57

00:02:58,110 --> 00:03:01,519

things in the sky right

58  
00:03:01,560 --> 00:03:05,759  
the Defense Intelligence Agency is an

59  
00:03:03,719 --> 00:03:07,409  
analytical agency they're not even

60  
00:03:05,759 --> 00:03:09,389  
allowed to collect intelligence they

61  
00:03:07,409 --> 00:03:11,128  
analyze intelligence from all the

62  
00:03:09,389 --> 00:03:14,068  
different sources and I say you know

63  
00:03:11,128 --> 00:03:16,018  
what they do they listen to radars and

64  
00:03:14,068 --> 00:03:18,238  
other things like that no charter

65  
00:03:16,019 --> 00:03:20,789  
taxpayers money to look at that which is

66  
00:03:18,239 --> 00:03:22,769  
one of the reasons I got out in the

67  
00:03:20,789 --> 00:03:26,879  
military so that I could look at it

68  
00:03:22,769 --> 00:03:28,230  
freely and and even when things happen

69  
00:03:26,879 --> 00:03:30,689  
and many things as you know have

70  
00:03:28,229 --> 00:03:33,598  
happened in in conjunction with military

71  
00:03:30,689 --> 00:03:35,068  
operations or just UFOs turning up

72  
00:03:33,598 --> 00:03:39,479  
somewhere in the military environment

73  
00:03:35,068 --> 00:03:41,969  
and air feel a bunker whatever the

74  
00:03:39,479 --> 00:03:44,310  
reports are filed but nothing is done

75  
00:03:41,969 --> 00:03:47,549  
with the reports there's nothing done

76  
00:03:44,310 --> 00:03:50,009  
they are just file for for two reasons

77  
00:03:47,549 --> 00:03:52,829  
number one nobody knows what to do with

78  
00:03:50,009 --> 00:03:55,138  
them number two you cannot have a

79  
00:03:52,829 --> 00:03:56,579  
government that says we don't know at

80  
00:03:55,139 --> 00:03:58,590  
least my government it's not going to

81  
00:03:56,579 --> 00:04:00,719  
say that maybe in Brazil or somewhere

82  
00:03:58,590 --> 00:04:04,379  
else but the United States government

83  
00:04:00,719 --> 00:04:06,120  
it will never say we don't know because

84  
00:04:04,379 --> 00:04:08,789  
the people have to depend on our

85  
00:04:06,120 --> 00:04:11,250  
scientists and our officials to say we

86

00:04:08,789 --> 00:04:13,828  
know everything and we're in control you

87  
00:04:11,250 --> 00:04:15,840  
lose control and you say I don't know

88  
00:04:13,829 --> 00:04:20,579  
what that was so what do you know about

89  
00:04:15,840 --> 00:04:23,850  
visitors I know

90  
00:04:20,579 --> 00:04:26,400  
27 years of stuff about the visitors

91  
00:04:23,850 --> 00:04:28,980  
we do are aware of a couple of actual

92  
00:04:26,399 --> 00:04:32,069  
extraterrestrial bases one in the Andes

93  
00:04:28,980 --> 00:04:34,230  
Mountains deep one and enter seamount

94  
00:04:32,069 --> 00:04:37,159  
in the Pacific deep in the sea not and

95  
00:04:34,230 --> 00:04:42,830  
they just pass right through water and

96  
00:04:37,160 --> 00:04:42,830  
in through the stone and they park
