00:00:03,439 --> 00:00:06,589
[Music]

2
00:00:10,150 --> 00:00:16,169
[Music]

3
00:00:18,469 --> 00:00:23,399
as for the download that that happened

4
00:00:21,839 --> 00:00:25,170
of download or transfer of information

5
00:00:23,399 --> 00:00:29,059
that happened when you when you touch

6
00:00:25,170 --> 00:00:31,199
the symbols was it like a telepathic

7
00:00:29,059 --> 00:00:33,780
download I mean do you have any

8
00:00:31,199 --> 00:00:36,090
conscious memory of it Howard

9
00:00:33,780 --> 00:00:37,558
once absolutely was telepathic yeah it

10
00:00:36,090 --> 00:00:44,190
wasn't like I could see it in front of

11
00:00:37,558 --> 00:00:46,799
me like visually it was it was like it

12
00:00:44,189 --> 00:00:50,369
was a pictorial it was running a movie

13
00:00:46,799 --> 00:00:52,468
in my in my brain you know it was it

14
00:00:50,369 --> 00:00:55,948
wasn't there was a mind's eye kind of

15
00:00:52,469 --> 00:00:58,890
thing yeah it wasn't I could physically

16
00:00:55,948 --> 00:01:01,409
actually see something though and it was

17
00:00:58,890 --> 00:01:03,480
flashes of zeros and ones in later we

18
00:01:01,409 --> 00:01:06,420
find out some type of binary code which

19
00:01:03,479 --> 00:01:09,478
I be honest with you I have trouble with

20
00:01:06,420 --> 00:01:12,780
algebra or I'm not a math person by no

21
00:01:09,478 --> 00:01:14,489
means I'll own computers and in 1980 I

22
00:01:12,780 --> 00:01:19,320
don't think we even had computers that

23
00:01:14,489 --> 00:01:21,810
we used so it was foreign anyway

24
00:01:19,319 --> 00:01:26,609
I did record the grid of the glyphs at

25
00:01:21,810 --> 00:01:29,939
the scene but when I went home in a

26
00:01:26,609 --> 00:01:33,868
falling day I'm I can't get these images

27
00:01:29,938 --> 00:01:36,929
I mean they're just like they're they're

28
00:01:33,868 --> 00:01:38,969
all in my head so I felt compelled to

29

00:01:36,930 --> 00:01:42,079
write not so I grabbed my notebook

30
00:01:38,969 --> 00:01:44,548
flipped it open and then I did the most

31
00:01:42,078 --> 00:01:46,199
crazy thing I thought in the world I

32
00:01:44,549 --> 00:01:49,250
wrote these ones and zeros all weigh

33
00:01:46,200 --> 00:01:51,899
tons like twelve fourteen pages of them

34
00:01:49,250 --> 00:01:57,329
and anyway a certain point when I got

35
00:01:51,899 --> 00:01:59,218
done I don't work energy no I'm not at

36
00:01:57,328 --> 00:02:01,739
the crap I'm at home I go to back to

37
00:01:59,218 --> 00:02:04,828
Ipswich and this is where this is

38
00:02:01,739 --> 00:02:07,500
happening and then once I done it though

39
00:02:04,828 --> 00:02:10,709
the imaging was gone so I thought great

40
00:02:07,500 --> 00:02:13,568
now can I tell somebody that that I went

41
00:02:10,709 --> 00:02:16,989
and was received imaging in my living

42
00:02:13,568 --> 00:02:20,919
holman Ipswich and I had to ride him

43
00:02:16,989 --> 00:02:23,819

down I'm okay now I did not tell anybody

44

00:02:20,919 --> 00:02:26,318
that happened okay

45

00:02:23,818 --> 00:02:28,509
and that was one of my questions they

46

00:02:26,318 --> 00:02:30,098
had because there's a different date you

47

00:02:28,509 --> 00:02:32,739
know then no one well it makes sense now

48

00:02:30,098 --> 00:02:35,669
because the way this is the 27th this is

49

00:02:32,739 --> 00:02:35,670
one he wants to cut out

50

00:02:37,500 --> 00:02:44,049
but before that was all the other stuff

51

00:02:41,378 --> 00:02:45,429
that he brought down but he said right

52

00:02:44,049 --> 00:02:47,919
there I was talking he goes I had

53

00:02:45,430 --> 00:02:49,810
abdominal and that's the first time I

54

00:02:47,919 --> 00:02:52,120
had heard that in the first time when it

55

00:02:49,810 --> 00:02:55,658
hurted I'm here down what do you do by

56

00:02:52,120 --> 00:02:57,340
downloads because well I felt like

57

00:02:55,658 --> 00:02:58,628
something was downloaded to me and I

58
00:02:57,340 --> 00:03:00,639
think maybe he said he felt like

59
00:02:58,628 --> 00:03:02,198
something maybe you'd come but he says

60
00:03:00,639 --> 00:03:04,060
it was downloaded to me and then it

61
00:03:02,199 --> 00:03:06,579
drove me so crazy to sit down and write

62
00:03:04,060 --> 00:03:08,620
them down then we're like right of where

63
00:03:06,579 --> 00:03:10,150
he goes right hand over cuz he brought

64
00:03:08,620 --> 00:03:12,158
it for me to look at because I had

65
00:03:10,150 --> 00:03:14,769
questions and he opens up the dolt book

66
00:03:12,158 --> 00:03:16,179
he goes these numbers because I have no

67
00:03:14,769 --> 00:03:19,569
idea what these are what they need

68
00:03:16,180 --> 00:03:23,019
others some pioneer he comes and they I

69
00:03:19,568 --> 00:03:25,899
mean obviously right what the hell's

70
00:03:23,019 --> 00:03:29,139
going on and she goes binary codes never

71
00:03:25,900 --> 00:03:33,129
what a binary code she goes that's a way

72
00:03:29,139 --> 00:03:35,439
of communication and I'm like what you

73
00:03:33,128 --> 00:03:37,539
know and she goes up there if it's legit

74
00:03:35,438 --> 00:03:39,638
she goes it's not that it's not those if

75
00:03:37,539 --> 00:03:42,068
they water down but if there was really

76
00:03:39,639 --> 00:03:43,959
a download they'll meet something and

77
00:03:42,068 --> 00:03:46,108
now I'm like on what the hell is going

78
00:03:43,959 --> 00:03:46,109
on

79
00:03:47,639 --> 00:03:50,789
[Music]

80
00:03:54,349 --> 00:04:00,368
[Music]
