

1
00:00:00,000 --> 00:00:05,309
hi I'm Richard Dolan a November 30th my

2
00:00:03,480 --> 00:00:07,560
colleague Bryce is able and I published

3
00:00:05,309 --> 00:00:09,359
the need-to-know petition demanding that

4
00:00:07,559 --> 00:00:11,789
the White House conducted transparent

5
00:00:09,359 --> 00:00:14,879
investigation of reports of unknown

6
00:00:11,789 --> 00:00:17,669
aerial phenomena uap or as a lot of

7
00:00:14,880 --> 00:00:20,699
people say UFOs and to make those

8
00:00:17,670 --> 00:00:22,910
findings public some people might wonder

9
00:00:20,699 --> 00:00:25,439
why even bother when it seemed pointless

10
00:00:22,910 --> 00:00:28,768
and certainly it is if you don't believe

11
00:00:25,439 --> 00:00:30,570
in you ap or UFOs in that case it's like

12
00:00:28,768 --> 00:00:33,000
asking the government to investigate a

13
00:00:30,570 --> 00:00:35,340
make-believe phenomenon and just waste

14
00:00:33,000 --> 00:00:38,179
our money if you already know the truth

15
00:00:35,340 --> 00:00:40,920
why spend money reaffirming the obvious

16
00:00:38,179 --> 00:00:42,590
even some people who believe in the

17
00:00:40,920 --> 00:00:44,730
phenomenon might think it's pointless

18
00:00:42,590 --> 00:00:46,950
for many decades there have been

19
00:00:44,729 --> 00:00:49,169
researchers and activists who have

20
00:00:46,950 --> 00:00:51,480
gotten nothing other than silence and

21
00:00:49,170 --> 00:00:54,030
denial from the government why should it

22
00:00:51,479 --> 00:00:55,919
be any different now and actually the

23
00:00:54,030 --> 00:00:58,049
White House recently replied to a

24
00:00:55,920 --> 00:01:00,570
petition by Stephen Bassett of paradigm

25
00:00:58,049 --> 00:01:03,839
research group and said that there is no

26
00:01:00,570 --> 00:01:05,728
evidence of genuine UFOs nor any

27
00:01:03,840 --> 00:01:08,969
credible information to suggest a

28
00:01:05,728 --> 00:01:11,840
cover-up now if you ask me there's one

29

00:01:08,969 --> 00:01:15,030
and only one way a person can say that

30
00:01:11,840 --> 00:01:18,030
that's by doing absolutely no inquiry at

31
00:01:15,030 --> 00:01:20,700
all so when a military report describing

32
00:01:18,030 --> 00:01:23,489
you ap lens on your desk or appears on

33
00:01:20,700 --> 00:01:25,290
your screen shut your eyes when a

34
00:01:23,489 --> 00:01:27,420
credible witness describes something

35
00:01:25,290 --> 00:01:29,430
that should be impossible but isn't you

36
00:01:27,420 --> 00:01:32,400
just cover your ears and whistle a merry

37
00:01:29,430 --> 00:01:34,200
tune now to be fair it's hard to imagine

38
00:01:32,400 --> 00:01:37,259
what else the White House could have

39
00:01:34,200 --> 00:01:40,259
said can you imagine the reaction that

40
00:01:37,259 --> 00:01:43,500
might occur from even a hint that there

41
00:01:40,259 --> 00:01:45,569
is something to UFOs see the White House

42
00:01:43,500 --> 00:01:49,140
the Pentagon the intelligence community

43
00:01:45,569 --> 00:01:51,688

they cannot ever voluntarily acknowledge

44

00:01:49,140 --> 00:01:54,118

the reality of this persistent troubling

45

00:01:51,688 --> 00:01:56,099

phenomenon and it's troubling all right

46

00:01:54,118 --> 00:01:58,188

there have been enough confirmed

47

00:01:56,099 --> 00:02:01,468

military reports over the decades

48

00:01:58,188 --> 00:02:04,048

describing how unknown objects have been

49

00:02:01,468 --> 00:02:07,579

able to invade restricted airspace with

50

00:02:04,049 --> 00:02:10,140

impunity easily evade jet interceptors

51

00:02:07,579 --> 00:02:12,509

disable electronic systems of our top

52

00:02:10,139 --> 00:02:13,619

aircraft demonstrate interest in nuclear

53

00:02:12,509 --> 00:02:15,628

sites

54

00:02:13,620 --> 00:02:18,000

and having the ability to disable

55

00:02:15,628 --> 00:02:20,908

nuclear weapons whatever they've got

56

00:02:18,000 --> 00:02:22,500

it's some serious capabilities maybe

57

00:02:20,908 --> 00:02:24,598

they're wonderful creatures maybe not

58
00:02:22,500 --> 00:02:27,810
but it's easy to see the reasons for

59
00:02:24,598 --> 00:02:30,060
secrecy but here's the thing government

60
00:02:27,810 --> 00:02:32,759
is one thing the people are another and

61
00:02:30,060 --> 00:02:35,640
the people that means you have a right

62
00:02:32,759 --> 00:02:37,739
to the truth government's never act in

63
00:02:35,639 --> 00:02:40,289
the interests of ordinary people until

64
00:02:37,739 --> 00:02:42,120
ordinary people force them to that's

65
00:02:40,289 --> 00:02:45,090
always been the case that's always been

66
00:02:42,120 --> 00:02:47,549
our job and by the way finding that a

67
00:02:45,090 --> 00:02:49,829
truth will not be easy not for us and

68
00:02:47,549 --> 00:02:51,420
not for the White House there has been a

69
00:02:49,829 --> 00:02:54,359
world of secrecy that has developed

70
00:02:51,419 --> 00:02:57,689
around UFOs buried behind layers and

71
00:02:54,359 --> 00:02:59,760
layers of classification it doesn't even

72
00:02:57,689 --> 00:03:02,669
seem that our highest elected officials

73
00:02:59,759 --> 00:03:04,828
have access to him the powerful senator

74
00:03:02,669 --> 00:03:07,318
Barry Goldwater was once cussed out by

75
00:03:04,829 --> 00:03:10,739
his friend general Curtis LeMay just for

76
00:03:07,318 --> 00:03:12,958
making one inquiry i once learned from a

77
00:03:10,739 --> 00:03:15,030
very high-level intelligence source that

78
00:03:12,959 --> 00:03:17,340
President Jimmy Carter was brought to

79
00:03:15,030 --> 00:03:20,189
tears over whatever it was that he was

80
00:03:17,340 --> 00:03:22,139
told even President Bill Clinton tried

81
00:03:20,189 --> 00:03:26,519
to move this issue forward but had to

82
00:03:22,139 --> 00:03:28,500
admit defeat who is in control don't you

83
00:03:26,519 --> 00:03:30,959
think you have a right to know maybe

84
00:03:28,500 --> 00:03:32,870
even a need to know that's why Bryce and

85
00:03:30,959 --> 00:03:35,340
I feel this petition matters

86

00:03:32,870 --> 00:03:38,039
government's always have to be reminded

87
00:03:35,340 --> 00:03:40,049
that the people are their boss not the

88
00:03:38,039 --> 00:03:42,209
other way around truth is often

89
00:03:40,049 --> 00:03:45,989
unpleasant truth can turn our world

90
00:03:42,209 --> 00:03:48,449
upside down but ask yourself what kind

91
00:03:45,989 --> 00:03:52,439
of world do you want a world built on

92
00:03:48,449 --> 00:03:54,870
lies are one in which government of By

93
00:03:52,439 --> 00:03:59,209
and For the People still lives and

94
00:03:54,870 --> 00:04:02,099
breathes still responds still inspires

95
00:03:59,209 --> 00:04:04,709
in other words a world in which truth

96
00:04:02,098 --> 00:04:07,018
has a fighting chance sign the

97
00:04:04,709 --> 00:04:09,299
need-to-know petition we have a chance

98
00:04:07,019 --> 00:04:12,750
to make a statement to challenge decades

99
00:04:09,299 --> 00:04:15,230
of lies with the clear light of truth we

100
00:04:12,750 --> 00:04:15,229

can do it
