

1
00:00:00,000 --> 00:00:15,859
yeah yeah that wasn't missing given any

2
00:00:11,460 --> 00:00:18,750
less scared this is like a sorcerer

3
00:00:15,859 --> 00:00:22,948
demica me worse than I was a Santa

4
00:00:18,750 --> 00:00:24,990
Barbara Saracens fire as a letter said

5
00:00:22,949 --> 00:00:30,230
I'm the founder and caught a lot of

6
00:00:24,989 --> 00:00:35,808
extra politics Germany and let me just

7
00:00:30,230 --> 00:00:35,808
try and get this microphone right

8
00:00:36,890 --> 00:00:42,829
Exopolitics Germany is part of a global

9
00:00:39,960 --> 00:00:46,590
network of exit political initiatives

10
00:00:42,829 --> 00:00:48,628
which now exists in 17 countries around

11
00:00:46,590 --> 00:00:52,050
the globe on each of the world's

12
00:00:48,628 --> 00:00:55,619
continents actually and our aim is to

13
00:00:52,049 --> 00:00:59,578
help envying UFO secrecy and to embrace

14
00:00:55,619 --> 00:01:01,679
open contact with these visitors when

15
00:00:59,579 --> 00:01:04,170
you've heard the excellent presentation

16
00:01:01,679 --> 00:01:07,950
of Nick Pope he has provided you with me

17
00:01:04,170 --> 00:01:10,290
with a detailed list of facts which

18
00:01:07,950 --> 00:01:13,350
cannot be made which cannot be denied

19
00:01:10,290 --> 00:01:17,400
and these facts tell us that there is a

20
00:01:13,349 --> 00:01:19,879
highly evolved or several highly evolved

21
00:01:17,400 --> 00:01:22,590
possibly several highly evolved

22
00:01:19,879 --> 00:01:25,798
extraterrestrial species visiting our

23
00:01:22,590 --> 00:01:27,509
planet the question is whether the world

24
00:01:25,799 --> 00:01:29,880
extraterrestrial is the correct term

25
00:01:27,509 --> 00:01:32,519
they're not be hyper dimensional hyper

26
00:01:29,879 --> 00:01:37,280
temporal we have no idea but what we

27
00:01:32,519 --> 00:01:40,798
know is that there is the evidence so

28
00:01:37,280 --> 00:01:43,829
the Exopolitics network actually exists

29

00:01:40,799 --> 00:01:49,829
because politics does not confirm this

30
00:01:43,828 --> 00:01:52,649
issue and we live in a world which which

31
00:01:49,828 --> 00:01:54,359
actually and we look around you know we

32
00:01:52,649 --> 00:01:59,368
could we could actually meet some change

33
00:01:54,359 --> 00:02:01,379
on this planet that's my opinion so we

34
00:01:59,368 --> 00:02:04,590
want to help enter UFO secrecy because

35
00:02:01,379 --> 00:02:07,259
mankind has obviously still a lot to

36
00:02:04,590 --> 00:02:10,050
learn and the first thing we

37
00:02:07,260 --> 00:02:12,090
the presence of these visitors is that

38
00:02:10,050 --> 00:02:14,820
we are obviously not the crown of

39
00:02:12,090 --> 00:02:19,140
creation and that there are things that

40
00:02:14,819 --> 00:02:22,439
we have not known so far today I'm here

41
00:02:19,139 --> 00:02:27,449
to represent as i said the Exopolitics

42
00:02:22,439 --> 00:02:31,550
network from Europe mainly from the

43
00:02:27,449 --> 00:02:37,500

United Kingdom France Spain Italy

44

00:02:31,550 --> 00:02:42,210

Denmark Sweden Finland Poland and my

45

00:02:37,500 --> 00:02:44,729

country Germany politicians have been

46

00:02:42,210 --> 00:02:48,420

very reluctant to deal with the UFO ET

47

00:02:44,729 --> 00:02:51,389

issue in public there were a few

48

00:02:48,419 --> 00:02:54,049

decisions and and movements on the

49

00:02:51,389 --> 00:02:57,419

political scene on the political stage

50

00:02:54,050 --> 00:03:00,000

like in 1978 when the United Nations

51

00:02:57,419 --> 00:03:04,079

General Assembly recommended in its

52

00:03:00,000 --> 00:03:07,409

decision 33 426 the establishment of an

53

00:03:04,080 --> 00:03:09,530

agency of the United Nations for

54

00:03:07,409 --> 00:03:12,299

undertaking coordinating and

55

00:03:09,530 --> 00:03:14,789

disseminating the results of research

56

00:03:12,300 --> 00:03:18,239

into unidentified flying objects and

57

00:03:14,789 --> 00:03:21,439

related phenomena and in this decision

58
00:03:18,239 --> 00:03:23,849
the General Assembly invited and I quote

59
00:03:21,439 --> 00:03:27,060
interest of member states to take

60
00:03:23,849 --> 00:03:29,489
appropriate steps to coordinate on a

61
00:03:27,060 --> 00:03:32,599
national level scientific research and

62
00:03:29,489 --> 00:03:36,289
investigation into extraterrestrial life

63
00:03:32,599 --> 00:03:40,229
including unidentified flying objects

64
00:03:36,289 --> 00:03:42,389
but now we have 2009 and as you might

65
00:03:40,229 --> 00:03:46,409
know there is still no such agency in

66
00:03:42,389 --> 00:03:48,899
the United Nations even though we have

67
00:03:46,409 --> 00:03:50,789
this very impressive list of physical

68
00:03:48,900 --> 00:03:53,879
evidence that Nick Pope just talked

69
00:03:50,789 --> 00:03:57,419
about we also had some activities in

70
00:03:53,879 --> 00:03:59,370
Europe in 1990 as a result of the

71
00:03:57,419 --> 00:04:03,929
activities registered during the

72
00:03:59,370 --> 00:04:05,400
so-called UFO wave in Belgium you know

73
00:04:03,930 --> 00:04:09,780
you might have heard about this where

74
00:04:05,400 --> 00:04:12,120
the the Air Force has actually invited

75
00:04:09,780 --> 00:04:13,860
civilian organizations to study this

76
00:04:12,120 --> 00:04:14,830
phenomenon because they just didn't have

77
00:04:13,860 --> 00:04:18,310
any

78
00:04:14,830 --> 00:04:23,199
idea how to deal with it as a result of

79
00:04:18,310 --> 00:04:25,569
this huge UFO wave in Belgium the

80
00:04:23,199 --> 00:04:28,659
European deputy and former minister of

81
00:04:25,569 --> 00:04:31,389
education of Wallonia in Belgium which

82
00:04:28,660 --> 00:04:34,620
is region air he proposed a motion to

83
00:04:31,389 --> 00:04:37,449
set up a European UFO observation center

84
00:04:34,620 --> 00:04:40,780
which should collect together the

85
00:04:37,449 --> 00:04:43,360
isolated observations made by members of

86

00:04:40,779 --> 00:04:46,119
the public the military or scientific

87
00:04:43,360 --> 00:04:50,009
institutions and of course organized

88
00:04:46,120 --> 00:04:54,939
programs of scientific observation but

89
00:04:50,009 --> 00:04:59,709
you guess this motion was actually never

90
00:04:54,939 --> 00:05:01,719
implemented however when you you know

91
00:04:59,709 --> 00:05:03,729
when you think about it from a military

92
00:05:01,720 --> 00:05:08,590
point of view and that is what makes it

93
00:05:03,730 --> 00:05:10,600
talked about the the evidence is

94
00:05:08,589 --> 00:05:12,899
actually quite convincing I just want to

95
00:05:10,600 --> 00:05:15,879
lay in briefly the cometa report from

96
00:05:12,899 --> 00:05:19,479
1999 which was written by high-ranking

97
00:05:15,879 --> 00:05:21,089
military officials from the French hi

98
00:05:19,480 --> 00:05:23,530
studies institute for national defense

99
00:05:21,089 --> 00:05:25,810
they concluded that the

100
00:05:23,529 --> 00:05:28,359

extra-terrestrial hypothesis is the most

101

00:05:25,810 --> 00:05:30,990

logical explanation even if not formally

102

00:05:28,360 --> 00:05:33,639

proven so what do we do with that our

103

00:05:30,990 --> 00:05:37,030

politicians don't want to confront this

104

00:05:33,639 --> 00:05:38,889

issue but we feel it's important we must

105

00:05:37,029 --> 00:05:41,949

face the possibility of extraterrestrial

106

00:05:38,889 --> 00:05:45,939

contact we must have body that deals

107

00:05:41,949 --> 00:05:48,399

with that for this reason we call upon

108

00:05:45,939 --> 00:05:51,660

the European Union to establish a

109

00:05:48,399 --> 00:05:54,219

European agency for the study of UFOs

110

00:05:51,660 --> 00:05:58,600

extraterrestrial affairs and related

111

00:05:54,220 --> 00:06:02,229

phenomena this agency should collect and

112

00:05:58,600 --> 00:06:03,970

study on 21 database UFO files from

113

00:06:02,228 --> 00:06:07,120

different different National Space

114

00:06:03,970 --> 00:06:10,510

Agency's Defense Department's and other

115
00:06:07,120 --> 00:06:13,990
official European entities collecting

116
00:06:10,509 --> 00:06:15,728
UFO data it should cooperate with

117
00:06:13,990 --> 00:06:19,090
civilian organizations in the

118
00:06:15,728 --> 00:06:21,589
investigation and analysis of UFO

119
00:06:19,089 --> 00:06:24,829
sightings that might be

120
00:06:21,589 --> 00:06:26,869
terrestrial in origin it should

121
00:06:24,829 --> 00:06:29,930
establish simple and reliable procedures

122
00:06:26,870 --> 00:06:32,329
for residents of the European Union to

123
00:06:29,930 --> 00:06:35,840
report to European and local government

124
00:06:32,329 --> 00:06:38,829
authorities any sightings of our contact

125
00:06:35,839 --> 00:06:42,589
with extraterrestrial life or artifacts

126
00:06:38,829 --> 00:06:45,550
it should sponsor scientific studies

127
00:06:42,589 --> 00:06:48,560
into evidence concerning UFOs at

128
00:06:45,550 --> 00:06:51,199
extraterrestrial life and disseminate it

129
00:06:48,560 --> 00:06:55,160
you know what its findings in a way that

130
00:06:51,199 --> 00:06:57,319
at UK's general public it would or it

131
00:06:55,160 --> 00:07:00,200
should also explore the feasibility of

132
00:06:57,319 --> 00:07:03,099
advanced technologies demonstrated by

133
00:07:00,199 --> 00:07:07,639
UFOs in resolving global environment

134
00:07:03,100 --> 00:07:12,830
climate energy poverty development and

135
00:07:07,639 --> 00:07:16,039
health problems our declaration will be

136
00:07:12,829 --> 00:07:20,300
available as a full text shortly on the

137
00:07:16,040 --> 00:07:23,120
internet and as in written form and we

138
00:07:20,300 --> 00:07:24,920
invite you all to take part in this we

139
00:07:23,120 --> 00:07:27,620
will provide a list where you can

140
00:07:24,920 --> 00:07:29,750
actually put your name on it and sign

141
00:07:27,620 --> 00:07:33,319
and take part in this declaration

142
00:07:29,750 --> 00:07:36,620
because we will present it as a petition

143

00:07:33,319 --> 00:07:39,290
to the European Parliament shortly after

144
00:07:36,620 --> 00:07:43,610
this European Exopolitics summit has

145
00:07:39,290 --> 00:07:47,120
ended and we do this because we believe

146
00:07:43,610 --> 00:07:49,610
that the evolution of mankind is way

147
00:07:47,120 --> 00:07:53,360
more important than preserving current

148
00:07:49,610 --> 00:07:55,129
power structures which might be covering

149
00:07:53,360 --> 00:07:58,580
up the facts about the alien presence

150
00:07:55,129 --> 00:08:01,790
and leaving us in the dark so it's time

151
00:07:58,579 --> 00:08:03,349
for us to accept the facts and to think

152
00:08:01,790 --> 00:08:06,650
about what the extra-terrestrial

153
00:08:03,350 --> 00:08:13,090
presence really means for us for each

154
00:08:06,649 --> 00:08:13,089
and every one of us for mankind thank
