

1
00:00:20,028 --> 00:00:29,460
volunteer unfortunately this is the only

2
00:00:26,368 --> 00:00:33,479
thing I can say in Portuguese I'm very

3
00:00:29,460 --> 00:00:36,679
sorry I can sing I got a daughter Emma

4
00:00:33,479 --> 00:00:39,359
if you like just kidding

5
00:00:36,679 --> 00:00:41,280
thank you very much for being here I

6
00:00:39,359 --> 00:00:44,369
would like to especially thank the Dean

7
00:00:41,280 --> 00:00:46,620
of the University Fernando Zhao to give

8
00:00:44,369 --> 00:00:48,808
us the opportunity to present our case

9
00:00:46,619 --> 00:00:50,939
here I would like to thank especially

10
00:00:48,808 --> 00:00:59,519
Francisco who has been a wonderful host

11
00:00:50,939 --> 00:01:02,759
so far do you do you all understand me

12
00:00:59,520 --> 00:01:05,880
clearly if I speak too fast please give

13
00:01:02,759 --> 00:01:10,319
me a sign you just make this and I try

14
00:01:05,879 --> 00:01:15,840
to slow down okay okay so thank you very

15
00:01:10,319 --> 00:01:19,129
much my name is Robert Fleischer I have

16
00:01:15,840 --> 00:01:23,340
been the the founder and coordinator of

17
00:01:19,129 --> 00:01:29,039
Exopolitics the Exopolitics citizen

18
00:01:23,340 --> 00:01:32,250
movement of Germany I used to work for

19
00:01:29,040 --> 00:01:33,540
television so I'm a my background is I'm

20
00:01:32,250 --> 00:01:37,259
a TV journalist

21
00:01:33,540 --> 00:01:42,150
I studied conference interpreting by the

22
00:01:37,259 --> 00:01:46,290
way for French Spanish and I'm I also

23
00:01:42,150 --> 00:01:48,930
speak it's Italian and English which is

24
00:01:46,290 --> 00:01:51,868
quite helpful when we deal with a

25
00:01:48,930 --> 00:01:55,500
subject that has been ignored by the

26
00:01:51,868 --> 00:01:57,950
mass media worldwide especially in

27
00:01:55,500 --> 00:01:57,950
Germany

28
00:02:00,650 --> 00:02:08,399
when we deal and I'm very happy that I

29

00:02:04,560 --> 00:02:11,340
have the occasion to present my case as

30
00:02:08,399 --> 00:02:15,270
one of the first speakers because I

31
00:02:11,340 --> 00:02:18,420
would like to seize the opportunity to

32
00:02:15,270 --> 00:02:21,900
give you a general overview of what

33
00:02:18,419 --> 00:02:23,759
we're dealing with worldwide and I hope

34
00:02:21,900 --> 00:02:27,900
my presentation doesn't interfere too

35
00:02:23,759 --> 00:02:33,599
much with the other presentations we

36
00:02:27,900 --> 00:02:38,969
will just see that so when the the

37
00:02:33,599 --> 00:02:41,810
question about extraterrestrial life the

38
00:02:38,969 --> 00:02:44,629
extra-terrestrial presence on earth

39
00:02:41,810 --> 00:02:47,599
always starts with a simple question

40
00:02:44,629 --> 00:02:52,859
because normally nobody thinks about

41
00:02:47,599 --> 00:02:57,329
UFOs extraterrestrials until they ask

42
00:02:52,860 --> 00:03:03,450
themselves a question what what in the

43
00:02:57,330 --> 00:03:06,480

world is this what is this is it a

44

00:03:03,449 --> 00:03:08,069
sketch from a child is it some pure

45

00:03:06,479 --> 00:03:11,219
fantasy or something

46

00:03:08,069 --> 00:03:14,069
it is no fantasy what you see here is

47

00:03:11,219 --> 00:03:17,849
the the sketch of an official police

48

00:03:14,069 --> 00:03:21,810
report from Great Britain which was

49

00:03:17,849 --> 00:03:26,329
drawn by two police constables police

50

00:03:21,810 --> 00:03:28,739
constable 657 and police constable 541

51

00:03:26,330 --> 00:03:34,830
who watched this object through

52

00:03:28,739 --> 00:03:38,909
binoculars on April 26 1984 as you can

53

00:03:34,830 --> 00:03:42,360
see it has blue white and lights there

54

00:03:38,909 --> 00:03:47,129
red light there white here it says white

55

00:03:42,360 --> 00:03:49,080
blue green pink red lights this is the

56

00:03:47,129 --> 00:03:51,959
sketch from the official police report

57

00:03:49,080 --> 00:03:54,120
the British police you can you can

58
00:03:51,959 --> 00:03:56,310
download the file as you can see I will

59
00:03:54,120 --> 00:03:59,819
I will present you the sources as well

60
00:03:56,310 --> 00:04:03,000
so you can you can check the sources for

61
00:03:59,819 --> 00:04:06,409
yourself if you don't believe me this is

62
00:04:03,000 --> 00:04:06,409
the report about it

63
00:04:07,539 --> 00:04:12,639
both officers accompanied mrs. and miss

64
00:04:10,330 --> 00:04:15,580
mm-hmm into the rear garden of their

65
00:04:12,639 --> 00:04:17,649
house where they pointed east towards a

66
00:04:15,580 --> 00:04:19,629
flashing light approximately 45 degrees

67
00:04:17,649 --> 00:04:20,139
up in the sky from where they were

68
00:04:19,629 --> 00:04:21,939
standing

69
00:04:20,139 --> 00:04:24,550
the officers obtained a pair of

70
00:04:21,939 --> 00:04:26,589
binoculars and studied the object

71
00:04:24,550 --> 00:04:29,110
through them and saw that the object was

72
00:04:26,589 --> 00:04:32,289
circular in shape and in the middle with

73
00:04:29,110 --> 00:04:33,879
a dome on the top and underneath the

74
00:04:32,290 --> 00:04:36,189
middle of the object had blue lights

75
00:04:33,879 --> 00:04:38,889
around the middle and red pink lights on

76
00:04:36,189 --> 00:04:40,750
the extreme right of the middle dome on

77
00:04:38,889 --> 00:04:43,120
the top and blue and white flashing

78
00:04:40,750 --> 00:04:47,319
lights the dome underneath was blue

79
00:04:43,120 --> 00:04:50,079
green and red pink white flat with white

80
00:04:47,319 --> 00:04:52,810
flashes they observed this object for an

81
00:04:50,079 --> 00:04:55,029
hour and during this time the object

82
00:04:52,810 --> 00:04:58,420
moved erratically from one side to the

83
00:04:55,029 --> 00:05:01,029
other up and down and to and fro not

84
00:04:58,420 --> 00:05:05,949
venturing far from its original position

85
00:05:01,029 --> 00:05:08,619
in this case by the way ended with the

86

00:05:05,949 --> 00:05:11,889
object zipping towards the people who

87
00:05:08,620 --> 00:05:15,459
had gathered there to see the object you

88
00:05:11,889 --> 00:05:18,939
know and it makes light and it was gone

89
00:05:15,459 --> 00:05:21,339
and this is part of an official police

90
00:05:18,939 --> 00:05:26,019
report which was released by the British

91
00:05:21,339 --> 00:05:28,449
National Archives in 2008 something that

92
00:05:26,019 --> 00:05:32,859
we never hear on the mass media at least

93
00:05:28,449 --> 00:05:36,129
not in Germany when it comes to UFOs ask

94
00:05:32,860 --> 00:05:44,040
yourself which natural phenomenon could

95
00:05:36,129 --> 00:05:49,629
be responsible for this as for Germany

96
00:05:44,040 --> 00:05:52,629
UFOs officially don't exist in Germany

97
00:05:49,629 --> 00:05:54,370
you see what you see here is a picture

98
00:05:52,629 --> 00:05:57,939
of a Minister of Interior interior

99
00:05:54,370 --> 00:06:00,310
interior interior fairs he says there is

100
00:05:57,939 --> 00:06:02,680

no federal authority or institution that

101

00:06:00,310 --> 00:06:04,750
registers evaluates or deals with

102

00:06:02,680 --> 00:06:06,970
alleged sightings of unknown flying

103

00:06:04,750 --> 00:06:08,800
objects so he doesn't even have the

104

00:06:06,970 --> 00:06:12,040
definition right because it's not

105

00:06:08,800 --> 00:06:14,350
unknown flying object actually if we

106

00:06:12,040 --> 00:06:17,620
think about the definition unknown

107

00:06:14,350 --> 00:06:20,360
flying or unidentified flying object

108

00:06:17,620 --> 00:06:23,329
it is a definition that actually doesn't

109

00:06:20,360 --> 00:06:25,370
say anything because to be honest we

110

00:06:23,329 --> 00:06:28,729
don't know anything about these objects

111

00:06:25,370 --> 00:06:32,500
we I mean we do know some things about

112

00:06:28,730 --> 00:06:35,629
them you know it's unidentified flying

113

00:06:32,500 --> 00:06:38,540
object we don't know whether it's an

114

00:06:35,629 --> 00:06:41,269
object because some of these things seem

115
00:06:38,540 --> 00:06:46,160
to be intelligent plasma life-forms

116
00:06:41,269 --> 00:06:48,560
which do not have a sharp structure and

117
00:06:46,160 --> 00:06:50,930
we don't know whether they are flying or

118
00:06:48,560 --> 00:06:53,000
floating or just appearing in the sky

119
00:06:50,930 --> 00:06:57,740
the only thing that we know about these

120
00:06:53,000 --> 00:06:58,970
objects is that they are unidentified so

121
00:06:57,740 --> 00:07:04,490
in Germany

122
00:06:58,970 --> 00:07:06,860
unlike in in many other countries UFOs

123
00:07:04,490 --> 00:07:09,379
is not a topic that you can discuss at

124
00:07:06,860 --> 00:07:11,389
all it's not like in other countries

125
00:07:09,379 --> 00:07:13,670
where you have files or anything where

126
00:07:11,389 --> 00:07:16,069
you have the Ministry of Defense or the

127
00:07:13,670 --> 00:07:21,160
National Archive releasing files you

128
00:07:16,069 --> 00:07:23,810
have nothing you have ridicule you have

129

00:07:21,160 --> 00:07:26,390

well your your your career as a

130

00:07:23,810 --> 00:07:28,610

scientists is very likely to end when

131

00:07:26,389 --> 00:07:33,079

you start to engage in the subject of

132

00:07:28,610 --> 00:07:35,960

UFOs that is why I'm so happy to to have

133

00:07:33,079 --> 00:07:38,349

the chance to to present this case here

134

00:07:35,959 --> 00:07:41,479

at the University of Anand Purcell

135

00:07:38,350 --> 00:07:43,280

sometimes there are members of the

136

00:07:41,480 --> 00:07:45,439

German Bundestag which is the Federal

137

00:07:43,279 --> 00:07:48,769

Parliament the highest Parliament in

138

00:07:45,439 --> 00:07:50,480

Germany who are interested in in the

139

00:07:48,769 --> 00:07:52,699

subject and then they ask questions like

140

00:07:50,480 --> 00:07:56,060

this this is an official inquiry to the

141

00:07:52,699 --> 00:07:57,920

German government from 2009 how the

142

00:07:56,060 --> 00:08:00,850

federal government estimates the

143

00:07:57,920 --> 00:08:03,560
probability that there is intelligent if

144
00:08:00,850 --> 00:08:05,990
extraterrestrial life and how does the

145
00:08:03,560 --> 00:08:08,209
the German federal government estimate

146
00:08:05,990 --> 00:08:10,819
the probability that extraterrestrials

147
00:08:08,209 --> 00:08:14,539
might land on German territory one day

148
00:08:10,819 --> 00:08:17,269
and here's the answer from the German

149
00:08:14,540 --> 00:08:19,340
government the German federal government

150
00:08:17,269 --> 00:08:21,889
does not have any knowledge which would

151
00:08:19,339 --> 00:08:23,949
allow to estimate the probability of the

152
00:08:21,889 --> 00:08:27,409
reality of extraterrestrial life

153
00:08:23,949 --> 00:08:30,500
however given current scientific

154
00:08:27,410 --> 00:08:31,199
knowledge the likelihood of a landing of

155
00:08:30,500 --> 00:08:34,440
extra

156
00:08:31,199 --> 00:08:40,829
on German territory is considered out of

157
00:08:34,440 --> 00:08:43,099

the question out of the question so I

158

00:08:40,828 --> 00:08:45,870

have to tell you honestly you know when

159

00:08:43,099 --> 00:08:47,910

every four years when I go to the year

160

00:08:45,870 --> 00:08:50,730

to the elections and I make my cross

161

00:08:47,909 --> 00:08:53,338

somewhere you know I just I do trust

162

00:08:50,730 --> 00:08:55,110

that the people that I elect that they

163

00:08:53,339 --> 00:08:57,779

are in the loop that they know what they

164

00:08:55,110 --> 00:09:01,500

are talking about but obviously in this

165

00:08:57,778 --> 00:09:02,700

case it's not so it's not the case they

166

00:09:01,500 --> 00:09:06,089

don't know what they're talking about

167

00:09:02,700 --> 00:09:07,949

they they are just not you know they

168

00:09:06,089 --> 00:09:10,949

refer to this to the current scientific

169

00:09:07,948 --> 00:09:16,259

knowledge and they have no clue look at

170

00:09:10,948 --> 00:09:19,588

this a CIA document from 1952 openly

171

00:09:16,259 --> 00:09:21,419

discussing a UFO landing in Germany in

172
00:09:19,589 --> 00:09:23,490
East Germany by the way where I was born

173
00:09:21,419 --> 00:09:27,740
in the Communist part of Germany East

174
00:09:23,490 --> 00:09:31,019
Germany so this landing or cured

175
00:09:27,740 --> 00:09:34,500
occurred on the on the east out of the

176
00:09:31,019 --> 00:09:38,429
German German border in 1952 a former

177
00:09:34,500 --> 00:09:41,820
mayor of a small town in in cheering and

178
00:09:38,429 --> 00:09:45,389
as a state of cheering and he witnessed

179
00:09:41,820 --> 00:09:48,209
together with his daughter something

180
00:09:45,389 --> 00:09:54,120
that he described like a landed frying

181
00:09:48,208 --> 00:09:56,969
pan he saw beings they approached the

182
00:09:54,120 --> 00:09:58,740
object slowly carefully they didn't want

183
00:09:56,970 --> 00:10:02,850
to be seen by these beings they

184
00:09:58,740 --> 00:10:04,528
approached the object then there was a

185
00:10:02,850 --> 00:10:09,149
crack from behind because the daughter

186
00:10:04,528 --> 00:10:11,338
made some noise that the beings saw mr.

187
00:10:09,149 --> 00:10:13,769
óscar linka that's his name and his

188
00:10:11,339 --> 00:10:17,519
daughter and they jumped into their

189
00:10:13,769 --> 00:10:20,549
craft the craft lifted up and it you

190
00:10:17,519 --> 00:10:23,159
know it zipped away and this is what the

191
00:10:20,549 --> 00:10:24,149
CIA document talks about in 19th back in

192
00:10:23,159 --> 00:10:27,269
1952

193
00:10:24,149 --> 00:10:31,259
so how come German government says in

194
00:10:27,269 --> 00:10:33,000
2009 so many years later that they

195
00:10:31,259 --> 00:10:35,909
considered it out of the question that

196
00:10:33,000 --> 00:10:39,019
they would ever occur a landing of UFOs

197
00:10:35,909 --> 00:10:39,019
on German territory

198
00:10:40,070 --> 00:10:44,540
if there's really life in the universe

199
00:10:42,828 --> 00:10:47,929
other life wouldn't our scientists

200

00:10:44,539 --> 00:10:52,458
already have discovered it meet

201
00:10:47,929 --> 00:10:55,519
professor Frank Drake do you know him

202
00:10:52,458 --> 00:10:58,958
Frank Reich do you know is he's the

203
00:10:55,519 --> 00:11:02,299
senior as senior astrophysicist and

204
00:10:58,958 --> 00:11:04,719
founder of this of the SETI project

205
00:11:02,299 --> 00:11:09,649
search for extraterrestrial intelligence

206
00:11:04,720 --> 00:11:13,569
he's also the founder of the Drake

207
00:11:09,649 --> 00:11:17,360
Equation and this is the Drake Equation

208
00:11:13,568 --> 00:11:20,389
the Drake Equation is an equation where

209
00:11:17,360 --> 00:11:26,509
you can insert the most conservative as

210
00:11:20,389 --> 00:11:28,579
four physical variables numbers in order

211
00:11:26,509 --> 00:11:31,490
to estimate the number of civilizations

212
00:11:28,578 --> 00:11:34,370
in our galaxy which might be advanced

213
00:11:31,490 --> 00:11:37,370
enough to be in contact with us to

214
00:11:34,370 --> 00:11:40,310

communicate with us so you have the

215

00:11:37,370 --> 00:11:43,159

number of planets you know their the the

216

00:11:40,309 --> 00:11:46,909

distance to their star that the planet

217

00:11:43,159 --> 00:11:50,078

goes per circles around you know and if

218

00:11:46,909 --> 00:11:53,870

you put all of these all of the most I

219

00:11:50,078 --> 00:11:57,318

meet the most conservative Astrophysical

220

00:11:53,870 --> 00:12:00,709

variables that that astrophysics knows

221

00:11:57,318 --> 00:12:05,088

if you put them into this equation and

222

00:12:00,708 --> 00:12:09,289

you make the calculation then the result

223

00:12:05,089 --> 00:12:11,510

is at best there are 150 communicating

224

00:12:09,289 --> 00:12:16,278

civilizations in our galaxies in our

225

00:12:11,509 --> 00:12:19,610

galaxy and at least one that's only in

226

00:12:16,278 --> 00:12:23,509

our galaxy the Milky Way so there are

227

00:12:19,610 --> 00:12:26,379

many galaxies in the universe so you see

228

00:12:23,509 --> 00:12:28,879

the probability just from the

229
00:12:26,379 --> 00:12:30,980
conservative scientific point of view

230
00:12:28,879 --> 00:12:34,399
the probability that there is

231
00:12:30,980 --> 00:12:36,319
intelligent extraterrestrial life which

232
00:12:34,399 --> 00:12:41,230
could engage in communication with

233
00:12:36,318 --> 00:12:41,229
mankind is practically 100%

234
00:12:42,589 --> 00:12:50,339
now this this result encouraged mr.

235
00:12:46,860 --> 00:12:52,310
Drake professor Drake and his team to

236
00:12:50,339 --> 00:12:55,440
try to communicate with the

237
00:12:52,309 --> 00:12:58,979
extraterrestrials themselves and back in

238
00:12:55,440 --> 00:13:00,899
the 60s they started a program search

239
00:12:58,980 --> 00:13:03,959
for extraterrestrial intelligence and

240
00:13:00,899 --> 00:13:07,919
they send a message from this radio

241
00:13:03,958 --> 00:13:11,129
telescope it is a huge telescope this is

242
00:13:07,919 --> 00:13:13,379
300 meters diameter as you can see it's

243
00:13:11,129 --> 00:13:16,860
a huge telescope and they use this

244
00:13:13,379 --> 00:13:18,659
telescope to send a binary message this

245
00:13:16,860 --> 00:13:21,149
is the binary message I've just

246
00:13:18,659 --> 00:13:26,100
explained it to you shortly it consists

247
00:13:21,149 --> 00:13:27,600
of 1679 binary units so binary is either

248
00:13:26,100 --> 00:13:36,209
0 or 1

249
00:13:27,600 --> 00:13:40,379
ok and 1679 is the product of 23 times

250
00:13:36,208 --> 00:13:42,448
73 so these are 2 prime numbers so the

251
00:13:40,379 --> 00:13:47,039
so the scheme that you get when you

252
00:13:42,448 --> 00:13:49,649
divide you can only divide 1679 by 23 or

253
00:13:47,039 --> 00:13:52,828
73 and you will you will receive this

254
00:13:49,649 --> 00:13:56,399
pattern ok this grid so let's say this

255
00:13:52,828 --> 00:14:00,809
is 0 and this is a1 and in this thing

256
00:13:56,399 --> 00:14:04,470
they encoded the numbers from 1 atomic

257

00:14:00,809 --> 00:14:06,419
numbers of key biological elements per

258
00:14:04,470 --> 00:14:10,528
formula chemical formula for sugar and

259
00:14:06,419 --> 00:14:13,019
basis of our DNA nucleotides DNA double

260
00:14:10,528 --> 00:14:14,879
helix as you can see maybe the most

261
00:14:13,019 --> 00:14:18,350
prominent feature is the human shape

262
00:14:14,879 --> 00:14:23,189
just to you know to show how we look

263
00:14:18,350 --> 00:14:26,879
like what you know what's the shape of

264
00:14:23,190 --> 00:14:29,100
the Earthlings you can even see here

265
00:14:26,879 --> 00:14:31,528
this is the solar system with nine

266
00:14:29,100 --> 00:14:33,778
planets with the earth highlighted as

267
00:14:31,528 --> 00:14:38,129
the third planet from the Sun you know

268
00:14:33,778 --> 00:14:40,769
and this is the Arecibo telescope which

269
00:14:38,129 --> 00:14:42,958
which is which is also encoded in this

270
00:14:40,769 --> 00:14:47,578
message to show the extraterrestrials

271
00:14:42,958 --> 00:14:49,379

what the thing we used in order to send

272

00:14:47,578 --> 00:14:51,969
the message

273

00:14:49,379 --> 00:14:53,919
and then they listened and they listened

274

00:14:51,970 --> 00:14:56,759
and they listened with their radio

275

00:14:53,919 --> 00:15:03,519
telescope and they did not receive

276

00:14:56,759 --> 00:15:06,490
anything not even one bit but in August

277

00:15:03,519 --> 00:15:10,090
of 2001 something interesting happened

278

00:15:06,490 --> 00:15:14,560
in England Chilbolton that's where all

279

00:15:10,090 --> 00:15:17,019
of these crop formations appear each

280

00:15:14,559 --> 00:15:18,579
year have you ever been to England have

281

00:15:17,019 --> 00:15:24,039
you ever seen the crop formations

282

00:15:18,580 --> 00:15:27,370
yourself yes this is impressing isn't it

283

00:15:24,039 --> 00:15:30,370
it's so impressing so this is where the

284

00:15:27,370 --> 00:15:33,129
crop formation a crop formation appeared

285

00:15:30,370 --> 00:15:36,100
right next to a radio telescope by the

286
00:15:33,129 --> 00:15:38,679
way and I found out that this radio

287
00:15:36,100 --> 00:15:41,620
telescope was even involved in the SETI

288
00:15:38,679 --> 00:15:44,379
project so it was even part of the SETI

289
00:15:41,620 --> 00:15:48,669
project and if we have a closer look on

290
00:15:44,379 --> 00:15:51,879
this crop formation you can see that it

291
00:15:48,669 --> 00:15:54,639
looks quite similar to the original

292
00:15:51,879 --> 00:15:58,240
message which you can see here the most

293
00:15:54,639 --> 00:16:03,509
prominent difference is of course the

294
00:15:58,240 --> 00:16:08,039
figure the shape of this of these beings

295
00:16:03,509 --> 00:16:11,200
now what's interesting is also that they

296
00:16:08,039 --> 00:16:14,860
changed the the double helix now it's a

297
00:16:11,200 --> 00:16:18,400
triple helix and it is based on silicon

298
00:16:14,860 --> 00:16:22,419
which is interesting because because

299
00:16:18,399 --> 00:16:25,990
recently scientists are thinking that

300
00:16:22,419 --> 00:16:28,029
life might also be based on silicon not

301
00:16:25,990 --> 00:16:31,240
just on carbon like on our planet but

302
00:16:28,029 --> 00:16:33,549
might be based the silicon as well so I

303
00:16:31,240 --> 00:16:36,669
found this quite impressive you know I

304
00:16:33,549 --> 00:16:39,009
thought wow is this the answer is this

305
00:16:36,669 --> 00:16:41,529
probably the answer to what Professor

306
00:16:39,009 --> 00:16:45,429
Frank Drake had been looking for all the

307
00:16:41,529 --> 00:16:45,669
time you know and I was dying to ask him

308
00:16:45,429 --> 00:16:47,979
that

309
00:16:45,669 --> 00:16:50,589
because said he never actually said

310
00:16:47,980 --> 00:16:53,139
anything about this formation even

311
00:16:50,590 --> 00:16:55,840
though it was it was close to a radio

312
00:16:53,139 --> 00:17:00,069
telescope and even even though you can

313
00:16:55,840 --> 00:17:01,509
hardly deny that there is you know that

314

00:17:00,070 --> 00:17:05,620
it has something to do with

315
00:17:01,509 --> 00:17:07,420
you know so I was very happy that I had

316
00:17:05,619 --> 00:17:13,649
the chance to meet Frank Drake

317
00:17:07,420 --> 00:17:16,089
personally in May 2009 I sneaked into an

318
00:17:13,650 --> 00:17:19,360
astrophysics symposium at the University

319
00:17:16,088 --> 00:17:21,819
of Potsdam in Germany and I even managed

320
00:17:19,359 --> 00:17:23,399
to brain professor Frank Drake in front

321
00:17:21,819 --> 00:17:28,259
of my camera which is now standing

322
00:17:23,400 --> 00:17:31,300
behind there don't ask me how I did that

323
00:17:28,259 --> 00:17:34,089
and I asked him that I just wanted to

324
00:17:31,299 --> 00:17:37,299
know what is this answer that now here's

325
00:17:34,089 --> 00:17:39,329
his answer how do you know that an alien

326
00:17:37,299 --> 00:17:41,700
civilization would like to use a radio

327
00:17:39,329 --> 00:17:44,349
signal to communicate

328
00:17:41,700 --> 00:17:46,299

actually the universe has made it so

329

00:17:44,349 --> 00:17:48,669

that radio is the preferred method for

330

00:17:46,299 --> 00:17:51,399

interstellar communication and the

331

00:17:48,670 --> 00:17:53,830

reason for that is that in space there

332

00:17:51,400 --> 00:17:56,470

are natural SOI sources of what we call

333

00:17:53,829 --> 00:17:59,859

noise or static which interfere with our

334

00:17:56,470 --> 00:18:01,990

communication systems and when that

335

00:17:59,859 --> 00:18:03,969

noise and Static is very intense it

336

00:18:01,990 --> 00:18:06,400

takes a much more powerful a larger and

337

00:18:03,970 --> 00:18:09,039

more expensive telescope to create a

338

00:18:06,400 --> 00:18:12,160

communication link well it turns out the

339

00:18:09,039 --> 00:18:15,490

universe is darkest and quietest at the

340

00:18:12,160 --> 00:18:17,529

radio wavelengths we call microwaves we

341

00:18:15,490 --> 00:18:19,170

know that the extraterrestrials will

342

00:18:17,529 --> 00:18:22,240

know that it's not hard to know this and

343
00:18:19,170 --> 00:18:24,279
they like us will exploit these

344
00:18:22,240 --> 00:18:27,160
frequencies for very long distance

345
00:18:24,279 --> 00:18:29,529
communication all of our communications

346
00:18:27,160 --> 00:18:32,470
to spacecraft for instance are you done

347
00:18:29,529 --> 00:18:34,269
using microwave wavelengths the

348
00:18:32,470 --> 00:18:37,240
transmission of television programs to

349
00:18:34,269 --> 00:18:40,000
people's homes from satellites are set

350
00:18:37,240 --> 00:18:42,490
on these same wavelengths because the

351
00:18:40,000 --> 00:18:44,799
you can get the signals with a small

352
00:18:42,490 --> 00:18:46,569
dish on your house and that doesn't take

353
00:18:44,799 --> 00:18:50,379
much power from the satellite to send

354
00:18:46,569 --> 00:18:55,839
the transmission to television programs

355
00:18:50,380 --> 00:18:59,130
to you so that's why we favor searching

356
00:18:55,839 --> 00:19:01,009
for signals at the microwave wavelengths

357
00:18:59,130 --> 00:19:04,580
first

358
00:19:01,009 --> 00:19:06,740
we can detect the messages they use for

359
00:19:04,579 --> 00:19:08,449
their own purposes more easily there

360
00:19:06,740 --> 00:19:10,308
because the universe is dark and doesn't

361
00:19:08,450 --> 00:19:12,440
interfere secondly if they are

362
00:19:10,308 --> 00:19:14,720
intentionally sending us signals they

363
00:19:12,440 --> 00:19:18,169
will use these frequency bands because

364
00:19:14,720 --> 00:19:19,819
they will know that that's those are the

365
00:19:18,169 --> 00:19:22,250
bands where their signals will be most

366
00:19:19,819 --> 00:19:26,298
detectable and where we're likely to be

367
00:19:22,250 --> 00:19:28,849
searching now there are some people who

368
00:19:26,298 --> 00:19:31,849
say that the answer to the Arecibo

369
00:19:28,849 --> 00:19:34,129
message might have already actually come

370
00:19:31,849 --> 00:19:41,000
back to her I don't know if you've heard

371

00:19:34,130 --> 00:19:44,480
of this this is a formation that that

372
00:19:41,000 --> 00:19:47,690
that appeared in 2001 near radio

373
00:19:44,480 --> 00:19:52,220
telescope in England and there is there

374
00:19:47,690 --> 00:19:57,140
is more detail with the one here and I

375
00:19:52,220 --> 00:20:03,769
meant also this is this is some private

376
00:19:57,140 --> 00:20:05,990
researcher in the camera let's compare

377
00:20:03,769 --> 00:20:11,539
that now that it's really interesting to

378
00:20:05,990 --> 00:20:14,089
note that if you if you see the red you

379
00:20:11,539 --> 00:20:15,769
see the the figure man

380
00:20:14,089 --> 00:20:19,879
they're great what do you think of that

381
00:20:15,769 --> 00:20:21,440
is it like an homage to your or do you

382
00:20:19,880 --> 00:20:25,610
do you think it's possible that this is

383
00:20:21,440 --> 00:20:27,980
this could possibly be a message to the

384
00:20:25,609 --> 00:20:29,808
answer to your message I think there is

385
00:20:27,980 --> 00:20:31,610

no chance whatsoever this is a

386

00:20:29,808 --> 00:20:34,129

legitimate message it's some kind of

387

00:20:31,609 --> 00:20:36,979

joke or or fun thing or maybe a

388

00:20:34,130 --> 00:20:41,390

challenge that somebody made to one

389

00:20:36,980 --> 00:20:43,700

another to somebody to do and their

390

00:20:41,390 --> 00:20:46,520

reasons two reasons for this good

391

00:20:43,700 --> 00:20:48,650

reasons one is the version of the

392

00:20:46,519 --> 00:20:54,410

message they have here which I'm about

393

00:20:48,650 --> 00:20:56,990

to hold up here that contains in it

394

00:20:54,410 --> 00:20:59,169

information that's clearly wrong such as

395

00:20:56,990 --> 00:21:01,970

the structure of the DNA molecule and

396

00:20:59,169 --> 00:21:03,980

some of the other parts of this message

397

00:21:01,970 --> 00:21:08,839

make no sense whatsoever or are

398

00:21:03,980 --> 00:21:10,740

chemically impossible the other is that

399

00:21:08,839 --> 00:21:14,609

as we saw on the original

400
00:21:10,740 --> 00:21:17,370
picture this message appeared about 100

401
00:21:14,609 --> 00:21:19,979
meters away from our radio telescope now

402
00:21:17,369 --> 00:21:23,189
if you had come to earth to deliver a

403
00:21:19,980 --> 00:21:24,870
message you would have gone to the door

404
00:21:23,190 --> 00:21:26,308
of the radio telescope and knocked on

405
00:21:24,869 --> 00:21:28,319
the door and given them up one of your

406
00:21:26,308 --> 00:21:30,450
books or something you wouldn't have

407
00:21:28,319 --> 00:21:32,428
gone out in the cornfield and spent a

408
00:21:30,450 --> 00:21:40,890
great deal of effort cutting down stalks

409
00:21:32,429 --> 00:21:42,660
of corn right you know well I what I do

410
00:21:40,890 --> 00:21:45,000
know is that they're intelligent yeah

411
00:21:42,660 --> 00:21:47,490
because they somehow got to earth if

412
00:21:45,000 --> 00:21:49,349
this is really from an alien and they

413
00:21:47,490 --> 00:21:50,940
will know better than to try to

414
00:21:49,349 --> 00:21:55,139
communicate with humans in this

415
00:21:50,940 --> 00:21:58,230
ridiculous way so you see professor dr.

416
00:21:55,140 --> 00:22:00,660
Frank Drake has obviously traveled

417
00:21:58,230 --> 00:22:02,339
around a lot in the universe he has had

418
00:22:00,660 --> 00:22:07,529
breakfast with people from cetera

419
00:22:02,339 --> 00:22:10,889
ticularly you know he visited a pop

420
00:22:07,529 --> 00:22:13,440
concert a concert on Venus he talked to

421
00:22:10,890 --> 00:22:17,100
a lot of people in the universe because

422
00:22:13,440 --> 00:22:19,769
otherwise he wouldn't be able to say how

423
00:22:17,099 --> 00:22:22,379
the extraterrestrials would communicate

424
00:22:19,769 --> 00:22:27,690
with humans right

425
00:22:22,380 --> 00:22:29,100
he said if these extraterrestrials if

426
00:22:27,690 --> 00:22:31,200
this message was really from

427
00:22:29,099 --> 00:22:33,359
extraterrestrials they wouldn't have

428

00:22:31,200 --> 00:22:35,279
done this in the crop field they would

429
00:22:33,359 --> 00:22:37,859
have gone to the door of the radio

430
00:22:35,279 --> 00:22:40,649
telescope knocked on the door and it

431
00:22:37,859 --> 00:22:48,419
would have given them a book of them or

432
00:22:40,650 --> 00:22:51,480
something that's what he said so but

433
00:22:48,420 --> 00:22:54,289
what we just saw is actually a

434
00:22:51,480 --> 00:22:58,009
demonstration of anthropocentric

435
00:22:54,289 --> 00:23:01,289
behavior that's how we call it it's or

436
00:22:58,009 --> 00:23:04,410
otherwise you know if I can't imagine it

437
00:23:01,289 --> 00:23:07,259
I need I am human I cannot imagine that

438
00:23:04,410 --> 00:23:10,259
the extraterrestrials would communicate

439
00:23:07,259 --> 00:23:11,910
with us in this way if they want to

440
00:23:10,259 --> 00:23:15,929
communicate they have to communicate the

441
00:23:11,910 --> 00:23:18,720
way I imagine them to communicate you

442
00:23:15,929 --> 00:23:21,630

know and this is anthropocentric you

443

00:23:18,720 --> 00:23:23,610

know we project our own imagination of

444

00:23:21,630 --> 00:23:26,100

what they should be like onto the

445

00:23:23,609 --> 00:23:28,979

extraterrestrials and that is why it

446

00:23:26,099 --> 00:23:35,339

seems to be so ridiculous or to put it

447

00:23:28,980 --> 00:23:38,610

in another way you know I think this is

448

00:23:35,339 --> 00:23:42,119

a little like the situation we have on

449

00:23:38,609 --> 00:23:45,479

our earth you know do you can you

450

00:23:42,119 --> 00:23:49,678

imagine the the evolutionary difference

451

00:23:45,480 --> 00:23:53,460

between a fish and a man you know the

452

00:23:49,679 --> 00:23:55,740

fish for the fish his world is round and

453

00:23:53,460 --> 00:23:58,919

perfect everything is great

454

00:23:55,740 --> 00:24:00,929

you know sometimes and also you know

455

00:23:58,919 --> 00:24:02,669

they swim around in circles in the in

456

00:24:00,929 --> 00:24:05,580

the fish tank there's why there was a

457
00:24:02,669 --> 00:24:08,070
silent this way you know it's like us on

458
00:24:05,579 --> 00:24:11,689
the earth you know we go to work every

459
00:24:08,069 --> 00:24:15,149
day we come back at home you know tired

460
00:24:11,690 --> 00:24:18,120
we see the world in 15 minutes

461
00:24:15,150 --> 00:24:19,860
TV world news report and then we go to

462
00:24:18,119 --> 00:24:23,159
bed and the next morning the same thing

463
00:24:19,859 --> 00:24:25,529
again so did you by the way did you know

464
00:24:23,160 --> 00:24:28,919
that fish is supposed to have a memory

465
00:24:25,529 --> 00:24:31,678
capacity of only two seconds so that

466
00:24:28,919 --> 00:24:34,230
means that you know the fish tank never

467
00:24:31,679 --> 00:24:36,630
becomes boring for the fish you know

468
00:24:34,230 --> 00:24:39,269
just does a circle and says oh since

469
00:24:36,630 --> 00:24:41,850
when is there a sign here Oh have you

470
00:24:39,269 --> 00:24:47,099
seen the sign before oh there's a sign

471
00:24:41,849 --> 00:24:49,230
look you know but sometimes one fish

472
00:24:47,099 --> 00:24:50,639
sticks its nose on the glass and says do

473
00:24:49,230 --> 00:24:53,400
you think there might be something else

474
00:24:50,640 --> 00:24:56,730
out there and the other fish go up

475
00:24:53,400 --> 00:24:58,890
come on go go keep on doing

476
00:24:56,730 --> 00:25:02,429
your circles and that's the situation on

477
00:24:58,890 --> 00:25:04,169
our planet but just to give you the

478
00:25:02,429 --> 00:25:07,640
context the universe that you the

479
00:25:04,169 --> 00:25:11,990
universal context just you know

480
00:25:07,640 --> 00:25:15,690
according to conventional astrophysics

481
00:25:11,990 --> 00:25:20,099
conservative mainstream astrophysics the

482
00:25:15,690 --> 00:25:24,210
universe was created 13.7 billion years

483
00:25:20,099 --> 00:25:27,990
ago with a big explosion and it was

484
00:25:24,210 --> 00:25:31,079
there I don't I'm not going to dig into

485

00:25:27,990 --> 00:25:33,450
that but you can imagine that anyway so

486
00:25:31,079 --> 00:25:37,319
it took another couple of billion years

487
00:25:33,450 --> 00:25:42,000
until the earth formed 4.6 billion years

488
00:25:37,319 --> 00:25:44,819
ago and then from the development of the

489
00:25:42,000 --> 00:25:48,259
earth 4.6 billion years ago until the

490
00:25:44,819 --> 00:25:53,700
appearance of intelligent life it took

491
00:25:48,259 --> 00:25:56,639
four point five nine eight billion years

492
00:25:53,700 --> 00:26:00,298
so the first intelligent life as we

493
00:25:56,638 --> 00:26:03,508
define it only appeared on earth two

494
00:26:00,298 --> 00:26:06,509
million years ago so just look at this

495
00:26:03,509 --> 00:26:09,210
vast difference of time you know earth

496
00:26:06,509 --> 00:26:11,788
formed 4.6 billion years ago but the

497
00:26:09,210 --> 00:26:15,028
universe is much older so that means

498
00:26:11,788 --> 00:26:17,398
that Earth could have formed another

499
00:26:15,028 --> 00:26:22,558

earth could have formed billions of

500

00:26:17,398 --> 00:26:25,819

years ago you know even farther in in in

501

00:26:22,558 --> 00:26:28,619

in the past and those beings could be

502

00:26:25,819 --> 00:26:30,808

evolved could have evolved much much

503

00:26:28,619 --> 00:26:32,689

more than we are evolved right now you

504

00:26:30,808 --> 00:26:36,538

know they could be billions of years

505

00:26:32,690 --> 00:26:39,778

ahead of our evolution and I once spoke

506

00:26:36,538 --> 00:26:42,450

to an astrophysicist who must not be

507

00:26:39,778 --> 00:26:45,329

named that's very interesting when I

508

00:26:42,450 --> 00:26:46,740

when when scientists call me and they

509

00:26:45,329 --> 00:26:49,230

and they stand there and they want to

510

00:26:46,740 --> 00:26:50,669

congratulate me and or say yeah I want

511

00:26:49,230 --> 00:26:52,740

to participate in the Exopolitics

512

00:26:50,669 --> 00:26:56,639

movement but the first thing to say is

513

00:26:52,740 --> 00:27:00,480

don't say a word don't say that I called

514
00:26:56,638 --> 00:27:03,119
you don't mention my name could cost me

515
00:27:00,480 --> 00:27:07,500
my career my university career so he

516
00:27:03,119 --> 00:27:12,209
said just imagine the evolutionary

517
00:27:07,500 --> 00:27:14,700
difference between us and something that

518
00:27:12,210 --> 00:27:17,639
is evolved 1 billion years ahead of us

519
00:27:14,700 --> 00:27:19,200
just try to imagine that it's impossible

520
00:27:17,638 --> 00:27:22,740
to imagine because we don't know where

521
00:27:19,200 --> 00:27:25,889
we will be in 1 billion years but we can

522
00:27:22,740 --> 00:27:29,750
you know we can try to remember where we

523
00:27:25,888 --> 00:27:32,638
were 1 billion years ago and that was

524
00:27:29,750 --> 00:27:35,579
unicellular life forms that were

525
00:27:32,638 --> 00:27:39,240
swimming around in the in the soup you

526
00:27:35,579 --> 00:27:41,788
know it's like single-cell organisms now

527
00:27:39,240 --> 00:27:44,370
imagine the evolutionary difference

528
00:27:41,788 --> 00:27:48,298
between a multicellular organism like

529
00:27:44,369 --> 00:27:51,109
the human being and a one cell organism

530
00:27:48,298 --> 00:27:53,329
that was floating around in

531
00:27:51,109 --> 00:27:55,819
in you know on the earth 1 billion years

532
00:27:53,329 --> 00:27:58,189
ago that is the evolutionary difference

533
00:27:55,819 --> 00:28:01,038
that we are talking about and then just

534
00:27:58,190 --> 00:28:03,950
imagine 1.5 billion years ago we learned

535
00:28:01,038 --> 00:28:08,690
how to control fire 6,000 years ago only

536
00:28:03,950 --> 00:28:10,880
we created the wheel 190 years ago we

537
00:28:08,690 --> 00:28:13,220
invented the light bulb Wow

538
00:28:10,880 --> 00:28:17,870
now this is what we've been having for

539
00:28:13,220 --> 00:28:22,759
only 200 years 140 years ago we created

540
00:28:17,869 --> 00:28:25,879
the first telephone 115 years ago we

541
00:28:22,759 --> 00:28:31,638
invented the first radio the first radio

542

00:28:25,880 --> 00:28:33,409
connection so that's interesting the

543
00:28:31,638 --> 00:28:35,538
first radio connection I'll come back to

544
00:28:33,409 --> 00:28:39,230
that later 180 years ago the first

545
00:28:35,538 --> 00:28:41,329
motorized plane worldwide only 70 years

546
00:28:39,230 --> 00:28:45,980
ago we invented the first computer in it

547
00:28:41,329 --> 00:28:52,388
only 50 years ago 50 years ago the first

548
00:28:45,980 --> 00:28:56,360
man went into space so can you imagine

549
00:28:52,388 --> 00:28:59,269
that an extraterrestrial being which

550
00:28:56,359 --> 00:29:04,189
might possibly be 1 billion years ahead

551
00:28:59,269 --> 00:29:07,548
in its evolution will use radio signals

552
00:29:04,190 --> 00:29:10,250
to communicate with us now that we have

553
00:29:07,548 --> 00:29:14,898
only been doing this for a hundred and

554
00:29:10,250 --> 00:29:17,329
fifteen years 115 years is nothing you

555
00:29:14,898 --> 00:29:19,548
know my grandmother didn't have a TV set

556
00:29:17,329 --> 00:29:22,069

and now and now we suspect that the

557

00:29:19,548 --> 00:29:26,028

aliens will communicate with us with

558

00:29:22,069 --> 00:29:29,329

radio signals you know it's like it's

559

00:29:26,028 --> 00:29:32,740

like the you know the the energetic

560

00:29:29,329 --> 00:29:35,808

people with their smoke signs you know

561

00:29:32,740 --> 00:29:39,079

do you think there is life beyond our

562

00:29:35,808 --> 00:29:40,879

mountain no if there was life beyond our

563

00:29:39,079 --> 00:29:45,648

Mountain day we would have seen two

564

00:29:40,880 --> 00:29:47,419

smoke signs you know so this is just to

565

00:29:45,648 --> 00:29:49,819

put into perspective but I want to get

566

00:29:47,419 --> 00:29:52,278

to the facts where are the facts when we

567

00:29:49,819 --> 00:29:54,408

talk about extraterrestrial presence on

568

00:29:52,278 --> 00:29:56,960

earth because the extra-terrestrial

569

00:29:54,409 --> 00:29:58,519

presence on earth that you know assumes

570

00:29:56,960 --> 00:30:00,740

quite a lot that they are here that

571
00:29:58,519 --> 00:30:02,659
they're intelligent you know and that we

572
00:30:00,740 --> 00:30:07,970
have proof well first first thing

573
00:30:02,659 --> 00:30:12,830
you need to know is that the UFO

574
00:30:07,970 --> 00:30:15,889
phenomenon has been documented often in

575
00:30:12,829 --> 00:30:18,079
classified documents classified files in

576
00:30:15,888 --> 00:30:21,288
18 countries worldwide

577
00:30:18,079 --> 00:30:23,269
by the military and by civilian

578
00:30:21,288 --> 00:30:30,848
authorities look these are all of the

579
00:30:23,269 --> 00:30:34,519
countries trying to find them

580
00:30:30,848 --> 00:30:37,189
these are 18 countries where the

581
00:30:34,519 --> 00:30:39,589
government or the military or civilian

582
00:30:37,190 --> 00:30:42,129
authorities have been dealing with this

583
00:30:39,589 --> 00:30:44,988
subject officially or unofficially as

584
00:30:42,128 --> 00:30:47,418
you can see the some of them are marked

585
00:30:44,989 --> 00:30:51,819
and blue some of them in this color and

586
00:30:47,419 --> 00:30:54,799
some of them are underlined and that is

587
00:30:51,819 --> 00:30:56,628
the underlined countries are the most

588
00:30:54,798 --> 00:30:59,089
interesting ones because this is where

589
00:30:56,628 --> 00:31:02,269
the UFO phenomenon has been dealt with

590
00:30:59,089 --> 00:31:05,689
by civilian authorities civilian

591
00:31:02,269 --> 00:31:08,450
authorities whereas in all the other

592
00:31:05,690 --> 00:31:13,239
countries the UFO phenomenon has been

593
00:31:08,450 --> 00:31:17,450
dealt with by the military classified

594
00:31:13,239 --> 00:31:19,909
secret and that is why the that is why

595
00:31:17,450 --> 00:31:23,419
the UFO phenomenon has never actually

596
00:31:19,909 --> 00:31:25,879
been except for some exceptions has

597
00:31:23,419 --> 00:31:29,749
never been has never found its way to

598
00:31:25,878 --> 00:31:32,628
the scientific world because scientists

599

00:31:29,749 --> 00:31:35,538
who want to deal with it they cannot

600
00:31:32,628 --> 00:31:38,439
overcome the obstacle of secrecy because

601
00:31:35,538 --> 00:31:41,089
it's secret they don't have the facts so

602
00:31:38,440 --> 00:31:44,239
so it's only in two countries in three

603
00:31:41,089 --> 00:31:49,788
countries and the blue countries our

604
00:31:44,239 --> 00:31:52,038
NATO partners so NATO countries so if I

605
00:31:49,788 --> 00:31:54,489
mean Germany has been a NATO member an

606
00:31:52,038 --> 00:31:57,470
important member of the NATO actually

607
00:31:54,489 --> 00:32:00,379
for quite some time now so how come that

608
00:31:57,470 --> 00:32:02,690
Germany says that you know UFOs don't

609
00:32:00,378 --> 00:32:04,128
exist we don't deal with it if even

610
00:32:02,690 --> 00:32:06,259
their NATO partners have been dealing

611
00:32:04,128 --> 00:32:10,219
with it and release their formerly

612
00:32:06,259 --> 00:32:11,389
secret UFO documents so that's the first

613
00:32:10,220 --> 00:32:13,909

thing that you need to know it's a

614

00:32:11,388 --> 00:32:15,469

worldwide phenomenon the military

615

00:32:13,909 --> 00:32:17,929

worldwide has been the

616

00:32:15,470 --> 00:32:19,610

with it that's the first thing the

617

00:32:17,929 --> 00:32:23,419

second thing which is important to know

618

00:32:19,609 --> 00:32:26,089

though is what is an unidentified flying

619

00:32:23,419 --> 00:32:28,610

object because most people believe that

620

00:32:26,089 --> 00:32:31,459

an unidentified flying object is some

621

00:32:28,609 --> 00:32:34,069

light in the sky that my grandma sees

622

00:32:31,460 --> 00:32:36,500

from her balcony and she automatically

623

00:32:34,069 --> 00:32:39,980

thinks that wow there's a light in the

624

00:32:36,500 --> 00:32:44,419

sky must be an alien spaceship this is

625

00:32:39,980 --> 00:32:46,009

not so an unidentified flying object and

626

00:32:44,419 --> 00:32:48,288

I think this is the definition from J

627

00:32:46,009 --> 00:32:51,769

Allen Hynek we are very happy to have a

628
00:32:48,288 --> 00:32:55,990
former member of his working staff here

629
00:32:51,769 --> 00:32:58,038
with us is something which cannot be

630
00:32:55,990 --> 00:32:59,839
attributed to any conventional

631
00:32:58,038 --> 00:33:02,150
explanation even after careful

632
00:32:59,839 --> 00:33:04,639
examination by experts civilian or

633
00:33:02,150 --> 00:33:07,269
military scientists so it is something

634
00:33:04,640 --> 00:33:11,990
that has been that has already been

635
00:33:07,269 --> 00:33:16,038
analyzed by scientists and still lacks

636
00:33:11,990 --> 00:33:18,319
any conventional explanation and we are

637
00:33:16,038 --> 00:33:19,069
talking about cases with physical

638
00:33:18,319 --> 00:33:22,058
evidence

639
00:33:19,069 --> 00:33:24,589
landing traces we are talking about

640
00:33:22,058 --> 00:33:27,230
plants that have been altered in their

641
00:33:24,589 --> 00:33:29,119
composition we think we talk about

642
00:33:27,230 --> 00:33:31,610
things that you can measure there is a

643
00:33:29,119 --> 00:33:34,639
very important case in Great Britain the

644
00:33:31,609 --> 00:33:36,740
ranch in Forrest case I was there a

645
00:33:34,640 --> 00:33:40,159
couple of months ago I talked to the

646
00:33:36,740 --> 00:33:43,940
witnesses and visited the landing site

647
00:33:40,159 --> 00:33:46,520
the the military the the military

648
00:33:43,940 --> 00:33:48,890
intelligence service took radiation

649
00:33:46,519 --> 00:33:52,308
readings at the landing site now this is

650
00:33:48,890 --> 00:33:54,110
what I call physical evidence this these

651
00:33:52,308 --> 00:33:57,798
are things which really point to the

652
00:33:54,109 --> 00:34:01,629
reality of the true phenomenon and then

653
00:33:57,798 --> 00:34:09,409
okay I have another 10 minutes so I will

654
00:34:01,630 --> 00:34:11,750
jump over this video another thing that

655
00:34:09,409 --> 00:34:14,179
you have to know is that the military

656

00:34:11,750 --> 00:34:16,309
worldwide not just the US military but

657
00:34:14,179 --> 00:34:20,179
this is just an example has been aware

658
00:34:16,309 --> 00:34:22,940
of the reality of a real phenomenon from

659
00:34:20,179 --> 00:34:26,329
the very beginning this is a very

660
00:34:22,940 --> 00:34:27,070
important and very famous memo also it's

661
00:34:26,329 --> 00:34:29,860
from the 9th

662
00:34:27,070 --> 00:34:33,250
50s written by the the former head of

663
00:34:29,860 --> 00:34:36,190
use or US Joint Chiefs of Staff so he

664
00:34:33,250 --> 00:34:39,039
was the the highest ranking officer at

665
00:34:36,190 --> 00:34:43,510
all in the United States so look what he

666
00:34:39,039 --> 00:34:47,440
wrote he said the phenomenon reported is

667
00:34:43,510 --> 00:34:51,490
something real not visionary or

668
00:34:47,440 --> 00:34:53,429
fictitious and he describes exactly what

669
00:34:51,489 --> 00:34:57,489
it looks like look here

670
00:34:53,429 --> 00:35:01,149

metallic light reflecting surfaces you

671

00:34:57,489 --> 00:35:05,279

know and he goes on to describe the

672

00:35:01,150 --> 00:35:08,410

phenomenon it's disc shaped domed on top

673

00:35:05,280 --> 00:35:10,630

circular look at point three circular or

674

00:35:08,409 --> 00:35:12,759

elliptical in shape flat on the bottom

675

00:35:10,630 --> 00:35:16,780

and domed on top but they are also of

676

00:35:12,760 --> 00:35:19,180

course many other forms of UFOs they

677

00:35:16,780 --> 00:35:23,019

have been flying information normally

678

00:35:19,179 --> 00:35:27,819

not associated with any sound and so on

679

00:35:23,019 --> 00:35:32,440

and look at this what you see here is a

680

00:35:27,820 --> 00:35:36,400

great radar radar trace of a UFO on

681

00:35:32,440 --> 00:35:39,090

Swiss military radar I have this from a

682

00:35:36,400 --> 00:35:41,139

friend of mine who's head of MUFON

683

00:35:39,090 --> 00:35:46,180

Central Europe I mean he's the head of

684

00:35:41,139 --> 00:35:51,969

MUFON Europe and he got this from the

685
00:35:46,179 --> 00:35:54,579
Swiss military this is an unidentified

686
00:35:51,969 --> 00:35:58,239
flying object which was flying around

687
00:35:54,579 --> 00:36:00,549
over Switzerland with approximately 240

688
00:35:58,239 --> 00:36:03,609
kilometers per hour but he did not have

689
00:36:00,550 --> 00:36:06,160
a transponder signature did not have a

690
00:36:03,610 --> 00:36:08,440
transponder you know so the radio

691
00:36:06,159 --> 00:36:11,019
operators the military radar operators

692
00:36:08,440 --> 00:36:13,179
try to find out what is this object and

693
00:36:11,019 --> 00:36:17,889
why are they were trying to find out

694
00:36:13,179 --> 00:36:21,639
what is this object the object increased

695
00:36:17,889 --> 00:36:25,960
its speeds at Mac for Mac for Mac for

696
00:36:21,639 --> 00:36:32,259
and does a right-angle a sharp right

697
00:36:25,960 --> 00:36:33,550
angle turn at Mach 4 now do you want to

698
00:36:32,260 --> 00:36:36,880
try this

699
00:36:33,550 --> 00:36:39,039
when I mean you can hardly reach Mach 4

700
00:36:36,880 --> 00:36:44,349
with your car on the on the highway you

701
00:36:39,039 --> 00:36:46,329
can try it you can try it at 80 km/h you

702
00:36:44,349 --> 00:36:49,119
know what would happen if you try to

703
00:36:46,329 --> 00:36:57,039
drive a right-angle turn with your car

704
00:36:49,119 --> 00:37:00,339
at 80 km/h what would happen you better

705
00:36:57,039 --> 00:37:02,199
don't try it you know because your car

706
00:37:00,340 --> 00:37:03,940
would crash because there is something

707
00:37:02,199 --> 00:37:07,000
that we do this is a natural law mass

708
00:37:03,940 --> 00:37:09,039
inertia law you know the mass that you

709
00:37:07,000 --> 00:37:11,079
have set in motion wants to proceed in

710
00:37:09,039 --> 00:37:13,230
the direction that it took when you

711
00:37:11,079 --> 00:37:15,489
started the movement so you cannot just

712
00:37:13,230 --> 00:37:18,400
change the direction at a right angle

713

00:37:15,489 --> 00:37:23,529
turn at 80 kilometers let alone at Mach

714
00:37:18,400 --> 00:37:26,760
4 so don't try this you know don't try

715
00:37:23,530 --> 00:37:29,769
this at home don't try this in your car

716
00:37:26,760 --> 00:37:31,360
you can you can you can recommend your

717
00:37:29,769 --> 00:37:33,219
neighbor that you don't like to do it

718
00:37:31,360 --> 00:37:37,420
but you shouldn't do it yourself

719
00:37:33,219 --> 00:37:40,869
honestly so you know how is it possible

720
00:37:37,420 --> 00:37:42,970
this is against the natural laws of this

721
00:37:40,869 --> 00:37:47,759
planet that our mainstream science

722
00:37:42,969 --> 00:37:49,919
considers right so how is that possible

723
00:37:47,760 --> 00:37:56,410
another thing you should know is that

724
00:37:49,920 --> 00:37:57,970
there are 1423 real UFO cases in the

725
00:37:56,409 --> 00:38:01,000
sense of the definition I gave before

726
00:37:57,969 --> 00:38:03,009
and when we talk about Evans improve for

727
00:38:01,000 --> 00:38:05,199

expert for for the UFO phenomena you

728

00:38:03,010 --> 00:38:08,380

know is it scientifically proven that

729

00:38:05,199 --> 00:38:11,319

there is a real UFO phenomenon you have

730

00:38:08,380 --> 00:38:14,320

to to consider or to think about the way

731

00:38:11,320 --> 00:38:16,809

we define a proof what is the proof you

732

00:38:14,320 --> 00:38:22,090

can of course do a mathematical proof

733

00:38:16,809 --> 00:38:25,210

you can say one plus one equals two two

734

00:38:22,090 --> 00:38:27,519

minus one equals one quote erat

735

00:38:25,210 --> 00:38:29,470

demonstrandum yeah so this is a

736

00:38:27,519 --> 00:38:32,980

mathematical proof that everybody can do

737

00:38:29,469 --> 00:38:35,619

but you cannot just prove the existence

738

00:38:32,980 --> 00:38:41,050

of something because a proof in the in

739

00:38:35,619 --> 00:38:44,710

the judicial criminal court trial for

740

00:38:41,050 --> 00:38:46,990

example can only be composed by what can

741

00:38:44,710 --> 00:38:49,119

only be formed by a judge with

742
00:38:46,989 --> 00:38:52,569
who has been authorized by some

743
00:38:49,119 --> 00:38:57,400
Authority by somebody who is entitled to

744
00:38:52,570 --> 00:39:00,580
be the judge entitled to do to form the

745
00:38:57,400 --> 00:39:04,090
proof and the judge takes the the

746
00:39:00,579 --> 00:39:06,579
evidence of evidence and he constructs

747
00:39:04,090 --> 00:39:10,260
on the basis of this pieces of evidence

748
00:39:06,579 --> 00:39:14,799
he constructs the the proof which is

749
00:39:10,260 --> 00:39:17,560
valid in court so there is a problem

750
00:39:14,800 --> 00:39:20,590
however if nobody makes a trial if

751
00:39:17,559 --> 00:39:23,259
nobody really engages in you know if

752
00:39:20,590 --> 00:39:26,380
there is no Authority which really looks

753
00:39:23,260 --> 00:39:30,000
at the UFL evidence then there can be

754
00:39:26,380 --> 00:39:33,130
nobody you can construct a valid proof

755
00:39:30,000 --> 00:39:36,929
but in this case it still it is

756
00:39:33,130 --> 00:39:41,230
scientifically proven yes because for

757
00:39:36,929 --> 00:39:44,859
national sponsored research projects

758
00:39:41,230 --> 00:39:48,340
have been undertaken in this regard so

759
00:39:44,860 --> 00:39:53,670
they they were they have been entitled

760
00:39:48,340 --> 00:39:56,920
by the government so they they collected

761
00:39:53,670 --> 00:39:58,659
1423 cases which are true true

762
00:39:56,920 --> 00:40:01,349
unidentified flying objects with

763
00:39:58,659 --> 00:40:05,349
physical landing traces and all of this

764
00:40:01,349 --> 00:40:08,739
so it must be said very clearly that the

765
00:40:05,349 --> 00:40:14,799
existence of a real UFO phenomenon is

766
00:40:08,739 --> 00:40:17,949
scientifically proven dot you should

767
00:40:14,800 --> 00:40:21,730
also know that germany's neighboring

768
00:40:17,949 --> 00:40:23,829
country france has its own is one of the

769
00:40:21,730 --> 00:40:26,409
countries where ufos

770

00:40:23,829 --> 00:40:29,949
are investigated by a civilian Authority

771
00:40:26,409 --> 00:40:32,469
it is investigated by the Sanwa

772
00:40:29,949 --> 00:40:36,449
nationality to speciale which is the

773
00:40:32,469 --> 00:40:38,739
French Space Agency and it is a

774
00:40:36,449 --> 00:40:42,039
Department of them which is the group

775
00:40:38,739 --> 00:40:44,489
the the the study are to say in French

776
00:40:42,039 --> 00:40:46,779
first group de toutes in información

777
00:40:44,489 --> 00:40:49,959
information's surely fellow men I almost

778
00:40:46,780 --> 00:40:54,730
as you know need motive here so it's the

779
00:40:49,960 --> 00:40:56,809
study study and information group for

780
00:40:54,730 --> 00:40:59,789
unidentified aerial

781
00:40:56,809 --> 00:41:02,548
it's a it's a national authority of a

782
00:40:59,789 --> 00:41:05,309
national official body and look this is

783
00:41:02,548 --> 00:41:08,130
the number of cases they have published

784
00:41:05,309 --> 00:41:09,778

in back in 2010 and this is a very

785

00:41:08,130 --> 00:41:11,608

interesting chart because you can see

786

00:41:09,778 --> 00:41:15,170

that they make a difference between

787

00:41:11,608 --> 00:41:17,880

phenomena which are perfectly identified

788

00:41:15,170 --> 00:41:19,499

perfectly identified so somebody sees

789

00:41:17,880 --> 00:41:21,358

the light and they say okay that was a

790

00:41:19,498 --> 00:41:23,998

meteor we found it out so that's

791

00:41:21,358 --> 00:41:26,400

perfectly identified then they have the

792

00:41:23,998 --> 00:41:28,909

phenomena which are probably identified

793

00:41:26,400 --> 00:41:32,700

they said most probably it was a meteor

794

00:41:28,909 --> 00:41:36,538

then they have this Class C it's 37

795

00:41:32,699 --> 00:41:41,368

percent of phenomena little TV habla

796

00:41:36,539 --> 00:41:43,799

that among the donee so they these are

797

00:41:41,369 --> 00:41:46,759

phenomena which are not identifiable

798

00:41:43,798 --> 00:41:49,199

because they have not enough data to

799
00:41:46,759 --> 00:41:52,559
analyze it and to find out what it was

800
00:41:49,199 --> 00:41:55,588
and then there is a remaining fourth

801
00:41:52,559 --> 00:41:59,509
thing and that is phenomenally dodaf you

802
00:41:55,588 --> 00:42:02,159
the the truly unidentified phenomenon

803
00:41:59,509 --> 00:42:05,309
but what's important to note though is

804
00:42:02,159 --> 00:42:08,578
that these phenomena are not classified

805
00:42:05,309 --> 00:42:11,278
as non identified for lack of data

806
00:42:08,579 --> 00:42:13,710
because they didn't have enough data but

807
00:42:11,278 --> 00:42:16,338
because they did have all the data

808
00:42:13,710 --> 00:42:18,298
because otherwise it would be this

809
00:42:16,338 --> 00:42:20,788
classification they did have all the

810
00:42:18,298 --> 00:42:24,449
data and it was still at an unidentified

811
00:42:20,789 --> 00:42:28,259
and that's 22% and the news chart shows

812
00:42:24,449 --> 00:42:31,259
23 percent and maybe you have heard of

813
00:42:28,259 --> 00:42:32,759
this report back in 1999 it's a

814
00:42:31,259 --> 00:42:35,849
three-year military study of

815
00:42:32,759 --> 00:42:39,690
high-ranking French officials look there

816
00:42:35,849 --> 00:42:41,670
are three generals the forward actually

817
00:42:39,690 --> 00:42:43,318
written by the former director of the

818
00:42:41,670 --> 00:42:45,778
high studies institute for national

819
00:42:43,318 --> 00:42:49,048
defense so I don't know if I translated

820
00:42:45,778 --> 00:42:54,929
that correctly it's the us teach you the

821
00:42:49,048 --> 00:42:58,559
Zoot C to D Falls Nacional several

822
00:42:54,929 --> 00:43:00,419
pilots civilian military pilots the

823
00:42:58,559 --> 00:43:05,940
commander of the Rhondda many national

824
00:43:00,420 --> 00:43:08,700
and they had this three-year military

825
00:43:05,940 --> 00:43:09,599
report with the title UFOs and the

826
00:43:08,699 --> 00:43:13,078
defense

827

00:43:09,599 --> 00:43:15,088
what do we have to prepare for so do you

828
00:43:13,079 --> 00:43:17,190
really believe that that military

829
00:43:15,088 --> 00:43:20,608
experts would undertake a three-year

830
00:43:17,190 --> 00:43:25,108
military study for a natural phenomenon

831
00:43:20,608 --> 00:43:26,489
for sky letters or something and they

832
00:43:25,108 --> 00:43:29,338
would and they would call their report

833
00:43:26,489 --> 00:43:34,289
UFOs and the defense and these are some

834
00:43:29,338 --> 00:43:38,219
of their conclusions okay there's got to

835
00:43:34,289 --> 00:43:41,959
be difficult translate from one foreign

836
00:43:38,219 --> 00:43:46,278
language into the other foreign language

837
00:43:41,958 --> 00:43:53,159
these objects or the the phenomenon

838
00:43:46,278 --> 00:43:55,400
shows the the physical reality the

839
00:43:53,159 --> 00:43:58,170
almost certain physical reality of

840
00:43:55,400 --> 00:44:01,430
flying objects which are completely

841
00:43:58,170 --> 00:44:04,858

unknown with flight characteristics and

842

00:44:01,429 --> 00:44:09,058

remarkable sound characteristics which

843

00:44:04,858 --> 00:44:12,929

are which are apparently driven or

844

00:44:09,059 --> 00:44:18,390

austere steered by intelligences these

845

00:44:12,929 --> 00:44:21,139

flying objects are very interesting for

846

00:44:18,389 --> 00:44:24,208

their maneuvers their flight manoeuvres

847

00:44:21,139 --> 00:44:27,509

for pilots for civil pilots and military

848

00:44:24,208 --> 00:44:29,998

pilots who only who only speak about it

849

00:44:27,509 --> 00:44:36,088

very hesitantly because they fear that

850

00:44:29,998 --> 00:44:38,669

they will be ridiculed secret secret

851

00:44:36,088 --> 00:44:42,028

flight secret craft of terrestrial

852

00:44:38,670 --> 00:44:45,630

origin can be excluded because they can

853

00:44:42,028 --> 00:44:49,889

only explain minority of the cases and

854

00:44:45,630 --> 00:44:53,209

there is only one hypothesis which takes

855

00:44:49,889 --> 00:44:59,098

sufficiently into account the facts and

856
00:44:53,208 --> 00:45:02,219
the the the science of nowadays they

857
00:44:59,099 --> 00:45:04,680
sell the visitor extra arrest so the

858
00:45:02,219 --> 00:45:07,528
only hypothesis that these military

859
00:45:04,679 --> 00:45:09,478
experts consider valid for the UFO

860
00:45:07,528 --> 00:45:13,309
phenomenon after their three-year

861
00:45:09,478 --> 00:45:16,998
military study is the hypothesis of

862
00:45:13,309 --> 00:45:20,789
extraterrestrial visitors you should

863
00:45:16,998 --> 00:45:22,079
take this into account they further go

864
00:45:20,789 --> 00:45:24,330
on to say the

865
00:45:22,079 --> 00:45:27,569
terrestrial hypothesis is is by far the

866
00:45:24,329 --> 00:45:30,509
best scientific hypothesis it is

867
00:45:27,570 --> 00:45:33,630
certainly not categorically proven but

868
00:45:30,510 --> 00:45:35,670
there are strong they're strong evidence

869
00:45:33,630 --> 00:45:39,780
which point into this direction and if

870
00:45:35,670 --> 00:45:43,409
they are correct they they have a lot a

871
00:45:39,780 --> 00:45:49,170
great number of consequences and they

872
00:45:43,409 --> 00:45:52,710
also recommend that the the aims of

873
00:45:49,170 --> 00:45:55,710
these visitors they are they are unknown

874
00:45:52,710 --> 00:45:57,960
but they have to to be included into the

875
00:45:55,710 --> 00:46:00,389
general discussion so they say we need

876
00:45:57,960 --> 00:46:04,650
to stop to ridicule the subject it is

877
00:46:00,389 --> 00:46:07,199
real and we have to deal with it so how

878
00:46:04,650 --> 00:46:09,510
come we don't know about it I don't know

879
00:46:07,199 --> 00:46:12,960
what is the situation here in Portugal I

880
00:46:09,510 --> 00:46:16,110
assume that in Portugal people are more

881
00:46:12,960 --> 00:46:20,309
open to this phenomenon because we are

882
00:46:16,110 --> 00:46:21,780
here at the University so you know I

883
00:46:20,309 --> 00:46:24,420
think this would be really difficult in

884

00:46:21,780 --> 00:46:29,010
Germany so how come we don't know about

885
00:46:24,420 --> 00:46:30,900
this you should know that the these are

886
00:46:29,010 --> 00:46:33,690
also files that were released by the

887
00:46:30,900 --> 00:46:35,190
British National Archive you should know

888
00:46:33,690 --> 00:46:38,130
that the Central Intelligence Agency

889
00:46:35,190 --> 00:46:40,440
back in the 1952 has already made plans

890
00:46:38,130 --> 00:46:46,740
how to deal with the UFO phenomenon and

891
00:46:40,440 --> 00:46:47,550
there there is a memo which which

892
00:46:46,739 --> 00:46:52,109
analyzes

893
00:46:47,550 --> 00:46:55,140
the possibilities to use UFOs for their

894
00:46:52,110 --> 00:46:57,480
political aims they say with the

895
00:46:55,139 --> 00:47:00,089
worldwide and and this is about the

896
00:46:57,480 --> 00:47:03,300
Soviet Union they say we have not found

897
00:47:00,090 --> 00:47:05,809
any reports on UFOs in the Soviet press

898
00:47:03,300 --> 00:47:08,700

which can only be due to the fact that

899

00:47:05,809 --> 00:47:11,489

the government is against reports in the

900

00:47:08,699 --> 00:47:13,919

press and they say the question

901

00:47:11,489 --> 00:47:16,019

therefore arises as to whether or not

902

00:47:13,920 --> 00:47:19,740

these sightings could be controlled

903

00:47:16,019 --> 00:47:23,130

could be predicted or could be used from

904

00:47:19,739 --> 00:47:26,069

a psychological warfare point of view

905

00:47:23,130 --> 00:47:29,099

either offensively or defensively and

906

00:47:26,070 --> 00:47:31,500

they go on to state the public concern

907

00:47:29,099 --> 00:47:34,739

with this phenomenon is reflected in the

908

00:47:31,500 --> 00:47:36,269

United States Press and it indicates

909

00:47:34,739 --> 00:47:38,309

that a fair portion of

910

00:47:36,269 --> 00:47:41,099

our population so that many people do

911

00:47:38,309 --> 00:47:43,799

believe in the incredible and in this

912

00:47:41,099 --> 00:47:47,250

fact lies the potential for the touching

913
00:47:43,800 --> 00:47:50,700
of of a mass panic mass hysteria and

914
00:47:47,250 --> 00:47:53,369
panic so they were already at we're back

915
00:47:50,699 --> 00:47:56,730
in 1952 that the UFO phenomenon is

916
00:47:53,369 --> 00:48:00,289
something that their political enemy

917
00:47:56,730 --> 00:48:03,360
could use against them by you know

918
00:48:00,289 --> 00:48:05,279
causing UFO sightings and then creating

919
00:48:03,360 --> 00:48:07,980
a mass hysteria and panic and that is

920
00:48:05,280 --> 00:48:10,230
already in itself for this Central

921
00:48:07,980 --> 00:48:12,659
Intelligence Agency

922
00:48:10,230 --> 00:48:16,610
a good reason to keep it secret and to

923
00:48:12,659 --> 00:48:19,349
do something against it and they did in

924
00:48:16,610 --> 00:48:21,809
1953 they they commissioned this

925
00:48:19,349 --> 00:48:26,429
three-day a CIA sponsored expert panel

926
00:48:21,809 --> 00:48:29,489
and this expert panel by the CIA

927
00:48:26,429 --> 00:48:32,699
you know they analyzed all the data you

928
00:48:29,489 --> 00:48:36,000
know three days and they concluded that

929
00:48:32,699 --> 00:48:40,049
the continued emphasis on the reporting

930
00:48:36,000 --> 00:48:42,300
of these phenomena may result in a

931
00:48:40,050 --> 00:48:44,640
threat to the orderly functioning of the

932
00:48:42,300 --> 00:48:48,240
protective organs of the body politic

933
00:48:44,639 --> 00:48:50,609
and they also say the national security

934
00:48:48,239 --> 00:48:52,169
agencies that's what they recommend they

935
00:48:50,610 --> 00:48:55,050
recommend that the national security

936
00:48:52,170 --> 00:48:57,570
agencies take immediate steps to strip

937
00:48:55,050 --> 00:48:59,580
the unidentified flying objects of the

938
00:48:57,570 --> 00:49:02,280
special status they have been giving and

939
00:48:59,579 --> 00:49:04,170
the aura of mystery on this may be

940
00:49:02,280 --> 00:49:06,870
achieved by an integrated program

941

00:49:04,170 --> 00:49:09,360
designed to reassure the public of the

942
00:49:06,869 --> 00:49:11,190
total lack of evidence so there's no

943
00:49:09,360 --> 00:49:13,230
evidence you know we just have to tell

944
00:49:11,190 --> 00:49:14,130
them others no evidence is just natural

945
00:49:13,230 --> 00:49:17,070
phenomena that's it

946
00:49:14,130 --> 00:49:19,920
and that's the recommendation of the

947
00:49:17,070 --> 00:49:21,960
Robertson panel and you might know this

948
00:49:19,920 --> 00:49:24,659
scientific study of unidentified flying

949
00:49:21,960 --> 00:49:29,610
object it's an important study this is

950
00:49:24,659 --> 00:49:33,119
the Americans back in 1969 the so-called

951
00:49:29,610 --> 00:49:34,050
the Condor the Condon report and the

952
00:49:33,119 --> 00:49:37,739
Condor report

953
00:49:34,050 --> 00:49:40,200
this is mr. Condon mr. Condon concluded

954
00:49:37,739 --> 00:49:42,359
that there's nothing there that nothing

955
00:49:40,199 --> 00:49:45,269

has come from the studies of UFOs in the

956

00:49:42,360 --> 00:49:47,019
past 21 years that has added to

957

00:49:45,269 --> 00:49:49,690
scientific knowledge

958

00:49:47,019 --> 00:49:52,030
and that this fact leads them to

959

00:49:49,690 --> 00:49:54,250
conclude that further extensive study of

960

00:49:52,030 --> 00:49:57,640
UFOs can probably not be justified

961

00:49:54,250 --> 00:50:02,500
because it is not of interest to for

962

00:49:57,639 --> 00:50:04,839
science you want me to ask you to show

963

00:50:02,500 --> 00:50:07,480
you the the military radar traces again

964

00:50:04,840 --> 00:50:09,789
from Switzerland how is it possible that

965

00:50:07,480 --> 00:50:12,280
an object can make a right angle turn at

966

00:50:09,789 --> 00:50:14,800
Mach 4 is that not something which would

967

00:50:12,280 --> 00:50:17,110
be interesting for science or what and

968

00:50:14,800 --> 00:50:20,800
also you should know that the conclusion

969

00:50:17,110 --> 00:50:22,780
directly contradicts the data in the in

970
00:50:20,800 --> 00:50:25,150
the content report there are some cases

971
00:50:22,780 --> 00:50:26,830
there also even cases described in there

972
00:50:25,150 --> 00:50:31,570
with right angle turns at high speed so

973
00:50:26,829 --> 00:50:37,960
the conclusion is income is incongruent

974
00:50:31,570 --> 00:50:40,390
with the data ok I'll leave that out the

975
00:50:37,960 --> 00:50:42,940
former CIA director himself said that

976
00:50:40,389 --> 00:50:45,909
the Air Force is soberly concerned about

977
00:50:42,940 --> 00:50:48,970
UFOs but through official secrecy and

978
00:50:45,909 --> 00:50:51,519
ridicule ridicule citizens are led to

979
00:50:48,969 --> 00:50:55,239
believe the unknown flying objects are

980
00:50:51,519 --> 00:50:57,730
nonsense and the Air Force to hide the

981
00:50:55,239 --> 00:50:59,859
facts has silent it's personal and this

982
00:50:57,730 --> 00:51:01,990
is from the New York Times so it's I I

983
00:50:59,860 --> 00:51:05,050
mean this is this is a credible source

984
00:51:01,989 --> 00:51:06,849
so the former CIA director himself said

985
00:51:05,050 --> 00:51:09,340
that the US Air Force's route has been

986
00:51:06,849 --> 00:51:15,309
ridiculing this subject but it goes even

987
00:51:09,340 --> 00:51:18,700
further I have to okay good I'll jump

988
00:51:15,309 --> 00:51:21,159
over this the CIA has total control of a

989
00:51:18,699 --> 00:51:22,960
mass media there's a memo there which

990
00:51:21,159 --> 00:51:23,769
you can download on disclosure project

991
00:51:22,960 --> 00:51:25,690
org

992
00:51:23,769 --> 00:51:28,420
where they say that the Public Affairs

993
00:51:25,690 --> 00:51:30,400
Office of the CIA has relationship with

994
00:51:28,420 --> 00:51:33,639
reporters from every major wire service

995
00:51:30,400 --> 00:51:35,740
and just note that the word every is

996
00:51:33,639 --> 00:51:38,920
highlighted even in the original report

997
00:51:35,739 --> 00:51:41,079
every major wire service newspaper news

998

00:51:38,920 --> 00:51:43,780
weekly da-da-da-da-da you know and this

999
00:51:41,079 --> 00:51:46,210
has helped them to change stories which

1000
00:51:43,780 --> 00:51:49,530
could have affected national security or

1001
00:51:46,210 --> 00:51:53,490
jeopardize source sources and methods

1002
00:51:49,530 --> 00:51:53,490
I'll jump over this

1003
00:51:54,159 --> 00:51:58,219
so that's the last point I need another

1004
00:51:56,599 --> 00:52:01,610
three minutes all right

1005
00:51:58,219 --> 00:52:04,759
three minutes how do we deal with the

1006
00:52:01,610 --> 00:52:06,440
situation a mass media is lying is it's

1007
00:52:04,760 --> 00:52:08,660
not well it's at least not in the loop

1008
00:52:06,440 --> 00:52:10,880
they don't know anything our politicians

1009
00:52:08,659 --> 00:52:12,679
don't know anything or if they know and

1010
00:52:10,880 --> 00:52:16,280
if they know something

1011
00:52:12,679 --> 00:52:21,049
they're either no real politicians or if

1012
00:52:16,280 --> 00:52:23,000

you bought or whatever so how do we deal

1013

00:52:21,050 --> 00:52:28,160

with this situation UFOs have been

1014

00:52:23,000 --> 00:52:32,300

really cooled for 60 years now how can

1015

00:52:28,159 --> 00:52:34,849

we escape from this I don't know I can

1016

00:52:32,300 --> 00:52:41,090

tell you what we do in Germany okay we

1017

00:52:34,849 --> 00:52:43,849

have a website what you see here is the

1018

00:52:41,090 --> 00:52:47,920

website EXO politic dark with a k'

1019

00:52:43,849 --> 00:52:52,009

that's German that's my my co-moderator

1020

00:52:47,920 --> 00:52:53,570

Anya who's also present here who has

1021

00:52:52,010 --> 00:52:57,170

been helping me a lot and thank you very

1022

00:52:53,570 --> 00:53:00,050

much Anya what we're doing is we're

1023

00:52:57,170 --> 00:53:00,590

doing a TV show sort of TV show on the

1024

00:53:00,050 --> 00:53:02,720

Internet

1025

00:53:00,590 --> 00:53:05,390

we are presenting the facts as they are

1026

00:53:02,719 --> 00:53:07,939

and we say that their effects and when

1027
00:53:05,389 --> 00:53:10,279
we talk about speculation we say that it

1028
00:53:07,940 --> 00:53:13,700
is speculation which is important

1029
00:53:10,280 --> 00:53:17,510
because there's so much speculation and

1030
00:53:13,699 --> 00:53:21,439
and nonsense in this field you can you

1031
00:53:17,510 --> 00:53:24,640
can actually exclude 95% of all the

1032
00:53:21,440 --> 00:53:29,690
information in the public domain it's

1033
00:53:24,639 --> 00:53:32,239
you know it's disinformation whatever we

1034
00:53:29,690 --> 00:53:36,679
also have an online community this is a

1035
00:53:32,239 --> 00:53:41,269
profile our citizen movement in Germany

1036
00:53:36,679 --> 00:53:46,190
now has more than 2000 members and more

1037
00:53:41,269 --> 00:53:49,369
than 130 out of 130 140 activists and

1038
00:53:46,190 --> 00:53:53,990
that has only been since August 2010 so

1039
00:53:49,369 --> 00:53:58,900
it's very fast growing and they can

1040
00:53:53,989 --> 00:54:01,298
exchange their views there and they can

1041
00:53:58,900 --> 00:54:04,358
yeah they can find information they can

1042
00:54:01,298 --> 00:54:06,219
especially for it they can most

1043
00:54:04,358 --> 00:54:08,108
importantly they can find other people

1044
00:54:06,219 --> 00:54:10,179
that they can talk to because it's

1045
00:54:08,108 --> 00:54:12,219
really difficult to find people who are

1046
00:54:10,179 --> 00:54:16,059
informed enough to have an informed

1047
00:54:12,219 --> 00:54:18,729
opinion and why is it that this movement

1048
00:54:16,059 --> 00:54:20,890
is so rapidly growing I'm sorry this is

1049
00:54:18,728 --> 00:54:24,278
still in German it says important

1050
00:54:20,889 --> 00:54:26,489
question for mankind it is because in

1051
00:54:24,278 --> 00:54:29,079
the end the question of

1052
00:54:26,489 --> 00:54:31,809
extraterrestrials yes or no on earth is

1053
00:54:29,079 --> 00:54:35,169
not so much about the extraterrestrials

1054
00:54:31,809 --> 00:54:37,749
it's about us as mankind how do we deal

1055

00:54:35,168 --> 00:54:39,788
with it you know this would be the

1056
00:54:37,748 --> 00:54:43,118
biggest discovery in the history of the

1057
00:54:39,789 --> 00:54:44,769
world just imagine that we discover that

1058
00:54:43,119 --> 00:54:47,289
we are not alone it would it would

1059
00:54:44,768 --> 00:54:50,528
fundamentally revolutionize the whole

1060
00:54:47,289 --> 00:54:53,319
way we think about ourselves our place

1061
00:54:50,528 --> 00:54:56,048
in the universe the way our society is

1062
00:54:53,318 --> 00:55:00,489
organized the way we do politics just

1063
00:54:56,048 --> 00:55:02,619
imagine a question you know from when

1064
00:55:00,489 --> 00:55:04,380
there is a first contact you know people

1065
00:55:02,619 --> 00:55:07,479
would start to ask themselves questions

1066
00:55:04,380 --> 00:55:10,949
how you know what is the tax rate on

1067
00:55:07,478 --> 00:55:13,928
your planet oh you don't have taxes oh

1068
00:55:10,949 --> 00:55:16,088
and why didn't why'd you do it does your

1069
00:55:13,929 --> 00:55:20,918

government on your planet have a war

1070

00:55:16,088 --> 00:55:22,630

with oh you don't have war you know and

1071

00:55:20,918 --> 00:55:25,538

also there's the whole question about

1072

00:55:22,630 --> 00:55:27,640

technology which I think Fredrik is

1073

00:55:25,539 --> 00:55:31,569

going to dive into it's going to

1074

00:55:27,639 --> 00:55:35,879

revolutionize everything and it is time

1075

00:55:31,568 --> 00:55:38,558

for us to engage in that process because

1076

00:55:35,880 --> 00:55:41,559

the phenomena is real it's here it's

1077

00:55:38,559 --> 00:55:43,890

been ridiculed for 60 years and it's

1078

00:55:41,559 --> 00:55:47,169

time to deal with it and my personal

1079

00:55:43,889 --> 00:55:49,328

opinion about this is that the evolution

1080

00:55:47,168 --> 00:55:52,328

of consciousness and life in the

1081

00:55:49,329 --> 00:55:55,630

universe will not be stopped by some

1082

00:55:52,329 --> 00:55:59,019

stubborn power driven politicians or

1083

00:55:55,630 --> 00:56:00,999

people whatsoever on this planet who

1084
00:55:59,018 --> 00:56:04,058
want to try to preserve their power

1085
00:56:00,998 --> 00:56:07,149
position it's time for mankind to engage

1086
00:56:04,059 --> 00:56:09,130
this and I want to invite you to think

1087
00:56:07,150 --> 00:56:10,920
for yourself to make your own opinion

1088
00:56:09,130 --> 00:56:16,490
don't believe

1089
00:56:10,920 --> 00:56:16,490
check for yourself thank you very much
