

1
00:00:20,559 --> 00:00:24,448
Bom dia!

2
00:00:24,449 --> 00:00:25,910
Unfortunately

3
00:00:25,910 --> 00:00:31,419
this is the only thing I can say
Portuguese I'm very sorry

4
00:00:31,419 --> 00:00:34,750
I can sing XXXXXXXX, if you like

5
00:00:34,750 --> 00:00:37,250
I'm just kidding!

6
00:00:37,250 --> 00:00:41,079
Thank you very much for being here, I would like to be specially thank the

7
00:00:41,079 --> 00:00:43,789
dean of the University Fernando Pessoa

8
00:00:43,789 --> 00:00:48,000
to give us the opportunity to present our case here, I would like to

9
00:00:48,000 --> 00:00:51,659
thank especially Francisco who's been a wonderful host

10
00:00:51,659 --> 00:00:55,709
so far!

11
00:00:57,280 --> 00:01:04,000
Do you all understand me clearly? If I speak to fast, please give me a sign. You

12
00:01:04,000 --> 00:01:08,579
just make this – and I try to slowdown, okay?

13
00:01:08,579 --> 00:01:09,629
Okay!

14
00:01:09,629 --> 00:01:13,000
So thank you very much!

15
00:01:13,000 --> 00:01:15,319
My name is Robert Fleischer

16
00:01:15,319 --> 00:01:16,269
I have been

17
00:01:17,319 --> 00:01:21,368
the founder and coordinator of Exopolitics,

18
00:01:21,368 --> 00:01:27,319
a citizen movement of Germany

19
00:01:27,319 --> 00:01:32,329
I used to work for television, my background is

20
00:01:32,329 --> 00:01:34,200
I'm a tv-journalist,

21
00:01:34,200 --> 00:01:35,359
I studied

22
00:01:35,359 --> 00:01:38,209
conference interpreting, by the way

23
00:01:38,209 --> 00:01:40,669
for French, Spanish

24
00:01:40,670 --> 00:01:41,668
and I also speak

25
00:01:42,888 --> 00:01:45,609
Italian and English,

26
00:01:45,609 --> 00:01:48,000
which is quite helpful

27
00:01:48,000 --> 00:01:50,010
when we deal with a subject

28
00:01:50,010 --> 00:01:51,689
that has been ignored

29

00:01:51,688 --> 00:01:54,368
by the mass media worldwide,

30
00:01:54,368 --> 00:02:01,368
especially in Germany

31
00:02:01,510 --> 00:02:02,680
When we deal...

32
00:02:02,680 --> 00:02:08,349
and I'm very happy that I have the occasion to present my case

33
00:02:08,349 --> 00:02:14,938
as one of the first speakers, because I would like to seize the opportunity

34
00:02:14,938 --> 00:02:16,888
to give you a general

35
00:02:16,889 --> 00:02:21,519
overview of what we're dealing with worldwide

36
00:02:21,519 --> 00:02:25,269
and I hope my presentation doesn't intersect too much with

37
00:02:25,269 --> 00:02:27,799
the other presentations...

38
00:02:27,799 --> 00:02:30,389
Well, we will just see that...

39
00:02:32,868 --> 00:02:34,979
The question

40
00:02:34,979 --> 00:02:38,899
about extraterrestrial life,

41
00:02:38,899 --> 00:02:42,449
the extraterrestrial presence on Earth

42
00:02:42,449 --> 00:02:45,399
always starts with a simple question

43
00:02:45,399 --> 00:02:48,098

because nobody thinks about

44

00:02:48,098 --> 00:02:52,388
UFO's, Extraterrestrials until

45

00:02:52,389 --> 00:02:56,838
they ask themselves a question:

46

00:02:56,838 --> 00:03:00,468
What in the world is this?

47

00:03:00,468 --> 00:03:03,098
What is this?

48

00:03:03,098 --> 00:03:05,558
Is it a sketch from a child?

49

00:03:05,558 --> 00:03:08,998
Is it some pure fantasy or something?

50

00:03:08,998 --> 00:03:13,239
It is no fantasy! What you see here is the sketch of an

51

00:03:13,239 --> 00:03:17,218
official police report from Great Britain,

52

00:03:17,218 --> 00:03:21,549
which was drawn by two police constables:

53

00:03:21,549 --> 00:03:27,139
police constable six five seven and police constable five four one,

54

00:03:27,139 --> 00:03:30,399
who watched this object through binoculars

55

00:03:30,399 --> 00:03:37,399
on April twenty six, nineteen eighty-four, as you can see, it has

56

00:03:37,699 --> 00:03:39,400
blue lights there,

57

00:03:39,400 --> 00:03:41,049
red light there,

58
00:03:41,049 --> 00:03:45,899
white... here it has white, blue, green, pink, red lights...

59
00:03:45,899 --> 00:03:49,949
This is the sketch from the official police report

60
00:03:49,949 --> 00:03:53,390
the British Police, you can download the file,

61
00:03:53,389 --> 00:03:57,308
as you can see... I will present you the sources as well, so

62
00:03:57,308 --> 00:03:59,028
you can check

63
00:03:59,028 --> 00:04:01,378
the sources for yourself,

64
00:04:01,378 --> 00:04:02,558
if you don't believe me!

65
00:04:02,558 --> 00:04:07,258
This is the report about it:

66
00:04:07,258 --> 00:04:11,349
Both officers accompanied Mrs. and Miss XXX

67
00:04:11,349 --> 00:04:14,899
into the rear garden of their house, where they pointed

68
00:04:14,899 --> 00:04:18,509
east towards a flashing light, approximately forty five degrees up in

69
00:04:18,509 --> 00:04:20,658
the sky from where they were standing.

70
00:04:20,658 --> 00:04:23,288
The officers obtained a pair of binoculars

71
00:04:23,288 --> 00:04:28,188
and studied the object through them, and saw that the object of circular shape

72
00:04:28,189 --> 00:04:30,180
and in the middle with the dome

73
00:04:30,180 --> 00:04:32,218
on the top and underneath

74
00:04:32,218 --> 00:04:36,379
the middle of the optic had blue lights around the middle, and red-pink lights on the

75
00:04:36,379 --> 00:04:41,490
extreme right off the middle dome on the top, and blue and white flashing lights,

76
00:04:41,490 --> 00:04:46,740
the dome underneath was blue-green and red-pink

77
00:04:46,740 --> 00:04:51,228
with white flashes... They observed that object for an hour,

78
00:04:51,228 --> 00:04:55,848
and during this time the object moved erratically from one side to the other,

79
00:04:55,848 --> 00:04:58,189
up and down, back and forth

80
00:04:58,189 --> 00:05:03,019
not venturing far from it's original position.

81
00:05:03,019 --> 00:05:05,508
This case, by the way, ended

82
00:05:05,509 --> 00:05:10,189
with the object sitting towards the people, who had gathered there

83
00:05:10,189 --> 00:05:12,699
to see the object

84
00:05:12,699 --> 00:05:14,870
and it made like zzzzzzzzt

85
00:05:14,870 --> 00:05:16,889
– and it was gone!

86

00:05:16,889 --> 00:05:21,150

And this is part of an official police report, which was released by the British

87

00:05:21,149 --> 00:05:25,000

National Archives in 2008

88

00:05:25,000 --> 00:05:29,709

Something that we never hear on the mass media, at least not in Germany!

89

00:05:29,709 --> 00:05:33,019

When it comes to UFO's,

90

00:05:33,019 --> 00:05:34,478

ask yourself,

91

00:05:34,478 --> 00:05:41,478

which natural phenomenon could be responsible for this?

92

00:05:42,319 --> 00:05:44,460

As for Germany,

93

00:05:44,459 --> 00:05:47,739

UFO's

94

00:05:47,740 --> 00:05:50,009

officially don't exist in Germany

95

00:05:50,009 --> 00:05:52,199

What you see here is

96

00:05:52,199 --> 00:05:57,770

a picture of the minister of the interior affairs, he says

97

00:05:57,769 --> 00:06:01,839

there is no federal authority or institutions that registers, evaluates

98

00:06:01,839 --> 00:06:05,718

or deals with the alleged sightings of unknown flying objects

99

00:06:05,718 --> 00:06:08,269

so he doesn't even have the definition right,

100

00:06:08,269 --> 00:06:11,308

because it's not unknown flight object...

101

00:06:11,309 --> 00:06:13,779

Actually, if we think about the definition

102

00:06:13,778 --> 00:06:18,180

unknown flying or unidentified flying object,

103

00:06:18,180 --> 00:06:21,889

it is a definition, that actually doesn't say anything,

104

00:06:21,889 --> 00:06:25,879

because to be honest, we don't know anything about these objects...

105

00:06:25,879 --> 00:06:27,419

I mean,

106

00:06:27,418 --> 00:06:30,098

we do know some things about them:

107

00:06:30,098 --> 00:06:33,029

you know, it's unidentified flying

108

00:06:33,029 --> 00:06:34,369

object –

109

00:06:34,370 --> 00:06:37,620

we don't know, whether it's an object, because some

110

00:06:37,620 --> 00:06:41,990

of these things seem to be intelligent plasma lifeforms

111

00:06:41,990 --> 00:06:44,149

which do not have a sharp structure.

112

00:06:46,649 --> 00:06:49,459

And we don't know whether they're flying or floating

113

00:06:49,459 --> 00:06:51,459

or just appearing in the sky,

114

00:06:51,459 --> 00:06:57,529

the only thing that we know about these objects, is, that they're unidentified!

115

00:06:57,529 --> 00:06:59,498

So in Germany,

116

00:06:59,499 --> 00:07:01,169

unlike in in many other countries,

117

00:07:03,639 --> 00:07:08,090

in UFO's is not a topic that you can discuss at all!

118

00:07:08,089 --> 00:07:12,109

It's not like in other countries, where you have files on anything, where you have

119

00:07:12,110 --> 00:07:16,240

the Ministry of Defense or the National Archive releasing files,

120

00:07:16,240 --> 00:07:17,749

you have nothing!

121

00:07:17,749 --> 00:07:20,809

You have ridicule

122

00:07:20,809 --> 00:07:26,359

Your career as a
scientist it's very likely to and when

123

00:07:26,358 --> 00:07:30,098

you start to engage in the subject of UFO's

124

00:07:30,098 --> 00:07:32,680

that's why I'm so happy

125

00:07:32,680 --> 00:07:35,199

to have the chance to at to present

126

00:07:35,199 --> 00:07:38,840

this case you at the University Fernando Pessoa

127

00:07:38,839 --> 00:07:40,388

Sometimes there are

128

00:07:40,389 --> 00:07:44,389

members of the German Bundestag, which is the federal parliament, the

129

00:07:44,389 --> 00:07:46,800

highest parliament Germany,

130

00:07:46,800 --> 00:07:51,259

who are interested in in the subject, and then they ask questions like this

131

00:07:51,259 --> 00:07:54,528

This is an official inquiry to the German government from two 2009

132

00:07:55,439 --> 00:07:59,319

how the estimates the probability

133

00:07:59,319 --> 00:08:02,669

that there is intelligent and extraterrestrial life

134

00:08:02,668 --> 00:08:07,098

and how does the German estimate the probability

135

00:08:07,098 --> 00:08:11,860

extraterrestrials might land on German territory one day

136

00:08:11,860 --> 00:08:14,038

And here's the answer

137

00:08:14,038 --> 00:08:15,939

from the German government:

138

00:08:15,939 --> 00:08:19,930

The German Federal Government does not have any knowledge which would allow to

139

00:08:19,930 --> 00:08:24,550

estimate the probability of the reality of extraterrestrial life

140

00:08:24,550 --> 00:08:26,060

However,

141

00:08:26,060 --> 00:08:28,908

Given current scientific knowledge,

142

00:08:28,908 --> 00:08:33,149

the likelihood of a landing of extraterrestrials of German territory

143
00:08:33,149 --> 00:08:34,269
is considered

144
00:08:34,269 --> 00:08:36,679
out of the question

145
00:08:36,679 --> 00:08:40,329
Out of the question!

146
00:08:40,330 --> 00:08:43,819
So I have to tell you honestly, you know, when

147
00:08:43,818 --> 00:08:48,028
every four years when I go to the elections and I make my cross

148
00:08:48,028 --> 00:08:50,029
somewhere, you know,

149
00:08:50,029 --> 00:08:53,069
I do trust, that the people that I elect

150
00:08:53,070 --> 00:08:56,269
that they are in the loop, that they know what they're talking about

151
00:08:56,269 --> 00:08:58,769
but obviously

152
00:08:58,769 --> 00:09:01,359
in this case it's not so, it's not the case

153
00:09:01,359 --> 00:09:03,660
They don't know what they're talking about!

154
00:09:03,659 --> 00:09:05,269
they have just not

155
00:09:05,269 --> 00:09:09,100
researched the current scientific knowledge

156
00:09:09,100 --> 00:09:12,759
and a have no clue, look at this:

157

00:09:12,759 --> 00:09:15,799
a CIA document from 1952

158
00:09:15,799 --> 00:09:19,539
openly discussed an UFO landing in Germany

159
00:09:19,539 --> 00:09:25,490
in East Germany, by the way, where I was born, the communist part of Germany, East Germany

160
00:09:25,490 --> 00:09:28,039
so this landing occurred

161
00:09:29,559 --> 00:09:34,059
on the east side of the German border in 1952,

162
00:09:34,059 --> 00:09:37,279
the former mayor of small-town in

163
00:09:37,279 --> 00:09:39,360
Thüringen

164
00:09:39,360 --> 00:09:41,180
(the state of Thüringen)

165
00:09:41,179 --> 00:09:44,789
he witnessed together with his daughter

166
00:09:44,789 --> 00:09:46,569
something that he described

167
00:09:46,570 --> 00:09:47,850
like a landed

168
00:09:47,850 --> 00:09:50,050
frying pan

169
00:09:50,049 --> 00:09:52,049
he saw beings

170
00:09:53,080 --> 00:09:57,710
they approached the object slowly, carefully, they didn't want to be seen by

171
00:09:57,710 --> 00:10:00,720

these beings they approached the object

172

00:10:02,090 --> 00:10:05,629

then there was a crack from behind, because the daughter made some noise, that

173

00:10:05,629 --> 00:10:06,850

the beings saw Mister Oskar Linke

174

00:10:09,528 --> 00:10:12,340

(that's his name) and his daughter

175

00:10:12,340 --> 00:10:14,820

and they jumped into their craft,

176

00:10:14,820 --> 00:10:16,440

the craft lifted up

177

00:10:16,440 --> 00:10:19,650

and, you know, it zipped away

178

00:10:19,649 --> 00:10:23,149

and this is what the CIA document talks about, back in 1952

179

00:10:24,809 --> 00:10:28,989

So how come, the German government says in 2009,

180

00:10:28,990 --> 00:10:30,940

so many years later,

181

00:10:30,940 --> 00:10:35,140

that they considered out of the question that there would ever occur a landing

182

00:10:35,139 --> 00:10:40,509

of UFO's on German territory?

183

00:10:40,509 --> 00:10:42,220

If there is really life

184

00:10:42,220 --> 00:10:47,750

in the universe, other life, wouldn't our scientists already have discovered it?

185

00:10:47,750 --> 00:10:51,899

Meet Professor Frank Drake

186

00:10:51,899 --> 00:10:53,949
Do you know him, Frank Drake?

187

00:10:55,350 --> 00:10:59,500
He's a senior astrophysicist and founder of the SETI project's

188

00:10:59,500 --> 00:11:05,480
search extraterrestrial intelligence

189

00:11:05,480 --> 00:11:06,990
he's also

190

00:11:06,990 --> 00:11:12,009
the founder of the Drake Equation –

191

00:11:12,009 --> 00:11:14,569
and this is the Drake Equation:

192

00:11:14,570 --> 00:11:16,390
The Drake Equation

193

00:11:16,389 --> 00:11:18,739
is an equation where you can insert

194

00:11:18,739 --> 00:11:22,139
the most conservative astrophysical

195

00:11:22,139 --> 00:11:23,480
variables

196

00:11:23,480 --> 00:11:26,080
numbers

197

00:11:26,080 --> 00:11:30,690
in order to estimate the number of civilizations in our galaxy which might

198

00:11:30,690 --> 00:11:34,270
be advanced enough to be in contact with us,

199

00:11:34,269 --> 00:11:36,460
to communicate with us...

200
00:11:36,460 --> 00:11:39,509
So you have the number of planets, you know,

201
00:11:39,509 --> 00:11:43,419
the distance to the stars, where these planets

202
00:11:43,419 --> 00:11:46,599
circle around

203
00:11:46,600 --> 00:11:52,899
and if you put all of these – and I must repeat: the most conservative

204
00:11:52,899 --> 00:11:55,699
astrophysical variables

205
00:11:55,700 --> 00:11:58,560
that astrophysics knows! –

206
00:11:58,559 --> 00:12:01,039
if you put them into this equation

207
00:12:01,039 --> 00:12:04,610
and you make the calculation,

208
00:12:04,610 --> 00:12:06,550
then the result is at best

209
00:12:06,549 --> 00:12:08,549
there are 150 communicating civilizations in our galaxy

210
00:12:13,000 --> 00:12:15,450
and at least one!

211
00:12:15,450 --> 00:12:17,390
That's only in our galaxy,

212
00:12:17,389 --> 00:12:19,009
the Milkyway!

213
00:12:19,009 --> 00:12:20,360
There are many galaxies in the universe,

214

00:12:22,929 --> 00:12:24,939
so you see the probability

215
00:12:24,940 --> 00:12:29,660
just from the most conservative scientific point of view,

216
00:12:29,659 --> 00:12:31,620
the probability that there is

217
00:12:31,620 --> 00:12:34,299
intelligent extraterrestrial life

218
00:12:34,299 --> 00:12:37,740
which could engage in communication with mankind

219
00:12:37,740 --> 00:12:43,460
is practically 100 %

220
00:12:43,460 --> 00:12:47,639
now, this result in encouraged Mister Drake

221
00:12:47,639 --> 00:12:50,169
Professor Drake and his team

222
00:12:50,169 --> 00:12:55,000
to try to communicate with the extraterrestrials themselves

223
00:12:55,000 --> 00:12:58,330
back in the sixties they started the program

224
00:12:58,330 --> 00:13:02,870
to search for extraterrestrial intelligence and they send a message

225
00:13:02,870 --> 00:13:05,230
from this radio telescope

226
00:13:05,230 --> 00:13:06,750
it is a huge

227
00:13:06,750 --> 00:13:07,799
telescope

228
00:13:07,799 --> 00:13:10,349

with 300 meters diameter

229

00:13:10,350 --> 00:13:12,629

as you can see, it's a huge telescope!

230

00:13:12,629 --> 00:13:15,460

and then used this telescope to send

231

00:13:15,460 --> 00:13:20,430

a binary message, I'll just explain it to you shortly:

232

00:13:20,429 --> 00:13:24,849

it consists of 1670 binary units

233

00:13:24,850 --> 00:13:26,028

so binary is

234

00:13:26,028 --> 00:13:29,970

either zero or one

235

00:13:31,230 --> 00:13:34,940

and 1679 is the product of

236

00:13:34,940 --> 00:13:39,680

23 x 73 so, these are two prime numbers

237

00:13:39,679 --> 00:13:44,329

so the scheme that you get when you divide, you can only divide

238

00:13:44,330 --> 00:13:45,980

1679 by 23 or 73

239

00:13:48,700 --> 00:13:52,210

and you will receive this pattern:

240

00:13:52,210 --> 00:13:55,259

so let's say: this is the zero and this is the one

241

00:13:55,259 --> 00:13:56,230

and in this thing they encoded

242

00:13:57,980 --> 00:13:59,889

in numbers from one...

243
00:13:59,889 --> 00:14:02,370
atomic numbers,

244
00:14:02,370 --> 00:14:06,950
a few biological elements, the chemical formula for sugar and bases

245
00:14:06,950 --> 00:14:09,400
of our DNA-nucleotides,

246
00:14:09,399 --> 00:14:12,509
our DNA-double helix, as you can see

247
00:14:12,509 --> 00:14:16,840
maybe the most prominent feature is the human shape, just to

248
00:14:16,840 --> 00:14:18,960
show how we look like.

249
00:14:22,059 --> 00:14:24,309
That's the shape of the Earthlings...

250
00:14:25,879 --> 00:14:28,730
You can't even see here there is our solar system

251
00:14:28,730 --> 00:14:30,009
with nine planets

252
00:14:30,009 --> 00:14:34,210
with the Earth highlighted as the 3rd planet from the sun,

253
00:14:34,210 --> 00:14:37,960
and this is the Arecibo-telescope

254
00:14:37,960 --> 00:14:41,930
which is also encoded in this message, to show the

255
00:14:41,929 --> 00:14:44,239
extraterrestrials

256
00:14:44,240 --> 00:14:46,100
what thing we used

257

00:14:46,100 --> 00:14:50,290
in order to send the message.

258

00:14:50,289 --> 00:14:51,059
And then they listened

259

00:14:51,059 --> 00:14:55,279
and then they listened and listened with their radio telescope

260

00:14:55,279 --> 00:14:57,339
and they did not receive anything,

261

00:14:57,340 --> 00:15:03,040
not even one bit!

262

00:15:03,039 --> 00:15:07,750
But in august of 2001 something interesting happens in England

263

00:15:07,750 --> 00:15:09,429
Chilbolton

264

00:15:09,429 --> 00:15:13,669
that's where all of these crop-formations

265

00:15:13,669 --> 00:15:15,729
appear, each year!

266

00:15:15,730 --> 00:15:22,300
Have you ever been to England? Have you ever seen the crop formations yourself?

267

00:15:22,299 --> 00:15:24,159
It is impressive!

268

00:15:24,159 --> 00:15:26,399
It's so impressive!

269

00:15:26,399 --> 00:15:28,759
So this is where the crop formation appeared, right next to the radio telescope, by the way!

270

00:15:34,419 --> 00:15:38,379
And I found out, that the telescope was even involved in the

271

00:15:38,379 --> 00:15:40,029
SETI project

272
00:15:40,029 --> 00:15:43,069
So it was even part of the SETI project!

273
00:15:43,070 --> 00:15:47,340
And if we have a closer look at his crop formation,

274
00:15:47,340 --> 00:15:50,620
you can see that it looks quite similar

275
00:15:50,620 --> 00:15:54,310
to the original message which you can see here:

276
00:15:54,309 --> 00:15:55,149
The most

277
00:15:55,149 --> 00:15:58,190
prominent difference is of course

278
00:15:58,190 --> 00:15:59,610
the the figure

279
00:15:59,610 --> 00:16:02,149
the shape of these beings!

280
00:16:04,399 --> 00:16:06,720
Now what's interesting is also, that

281
00:16:06,720 --> 00:16:08,220
they've changed the double-helix

282
00:16:08,220 --> 00:16:13,100
now it's a triple-helix

283
00:16:13,100 --> 00:16:15,360
and it's based silicon

284
00:16:15,360 --> 00:16:16,980
which is interesting

285
00:16:16,980 --> 00:16:21,149

because recently scientists

286

00:16:21,149 --> 00:16:23,679
are thinking that life

287

00:16:23,679 --> 00:16:28,389
might also be based on silicon, not just on carbon, like on our planet,

288

00:16:28,389 --> 00:16:30,799
but might be based on silicon!

289

00:16:30,799 --> 00:16:35,368
So I found this quite impressive, you know, I thought: "Wow, is this the answer?"

290

00:16:35,369 --> 00:16:42,369
Is this probably the answer on what professor Frank Drake had been looking for all the time?"

291

00:16:43,210 --> 00:16:46,100
You know, I was dying to ask him that!

292

00:16:46,100 --> 00:16:50,300
Because SETI never actually said anything about this formation,

293

00:16:50,299 --> 00:16:54,169
even though it was close to the radio telescope!

294

00:16:54,169 --> 00:16:56,209
And even even though you can

295

00:16:56,210 --> 00:16:57,400
hardly deny, that there is,

296

00:16:59,779 --> 00:17:03,399
you know, that has something to do with this!

297

00:17:03,399 --> 00:17:06,929
So I was very happy, that I had a chance to meet

298

00:17:06,929 --> 00:17:08,860
Frank Drake personally!

299

00:17:09,679 --> 00:17:13,680
In may 2009 in sneaked into

300
00:17:13,680 --> 00:17:18,199
astrophysic symposium at university of Potsdam in Germany

301
00:17:18,199 --> 00:17:22,650
and I even managed to bring professor Frank Drake in front of my camera, which

302
00:17:22,650 --> 00:17:25,509
is outstanding...

303
00:17:25,509 --> 00:17:29,519
Don't ask me, how I did that!

304
00:17:29,519 --> 00:17:33,579
And I asked him that, I just wanted to know, what his answer was,

305
00:17:33,579 --> 00:17:35,639
now, here's the answer:

306
00:17:35,640 --> 00:17:36,850
"How do you know, that an alien civilization would use a radiosignal to communicate?"

307
00:17:42,130 --> 00:17:46,380
"Actually the universe has made it, so that radio is the preferred method for

308
00:17:46,380 --> 00:17:48,470
interstellar communication

309
00:17:48,470 --> 00:17:52,660
and the reason for that is, that in space there are natural sources,

310
00:17:52,660 --> 00:17:55,490
sources of what we call noise of static,

311
00:17:55,490 --> 00:17:58,759
which interfere with our communication systems

312
00:17:58,759 --> 00:18:02,619
and when that noise of static is very intense, it takes a much more

313
00:18:02,619 --> 00:18:05,000
powerful and larger, more expensive

314
00:18:05,000 --> 00:18:08,220
telescope to create a communication link.

315
00:18:08,220 --> 00:18:11,808
Well it turns out, the universe is darkest and quietest

316
00:18:11,808 --> 00:18:15,349
at the radio wavelengths we call microwaves!

317
00:18:15,349 --> 00:18:16,519
We know that,

318
00:18:16,519 --> 00:18:19,619
the extraterrestrials will know that, it's not hard to know this

319
00:18:19,619 --> 00:18:24,259
and they like us will exploit these frequencies for very long distance communication

320
00:18:25,789 --> 00:18:29,529
All of our communications to space crafts, for instance, are done

321
00:18:29,529 --> 00:18:32,399
using microwave wavelengths.

322
00:18:32,400 --> 00:18:36,820
The transmission of television programs to people's homes from satellites

323
00:18:36,819 --> 00:18:38,500
sat on the same

324
00:18:38,500 --> 00:18:41,299
wavelengths, because

325
00:18:41,299 --> 00:18:45,009
you can get the signals with a small dish under house and it doesn't take much

326
00:18:45,009 --> 00:18:47,849
power from the satellite to assembly

327
00:18:47,849 --> 00:18:49,969
transmission the television

328

00:18:49,970 --> 00:18:51,759
programs to you.

329
00:18:51,759 --> 00:18:53,808
So that's why

330
00:18:53,808 --> 00:18:55,289
we favor

331
00:18:55,289 --> 00:19:01,519
searching for signals of the microwave wavelegth.

332
00:19:01,519 --> 00:19:04,220
First, we can detect this messages they

333
00:19:04,220 --> 00:19:08,089
use for their own purposes more easily there, because the universe is dark and

334
00:19:08,089 --> 00:19:09,470
doesn't interfere,

335
00:19:09,470 --> 00:19:13,559
secondly, if they are intentionally sending signals, they will use these

336
00:19:13,559 --> 00:19:17,769
frequency bands, because they will know, that's

337
00:19:17,769 --> 00:19:21,160
those of the bands, where the signals will be most detectable

338
00:19:21,160 --> 00:19:24,900
and we're likely to be searching."

339
00:19:24,900 --> 00:19:25,970
"There a some people, who say
10:19:27.890,0:19:33.080
that the answer to the Arecibo message might actually have come back to Earth.

340
00:19:35,450 --> 00:19:36,769
You might have heard of this,

341
00:19:36,769 --> 00:19:38,230
this is a formation

342
00:19:40,919 --> 00:19:46,160
that occurred in 2001 near a radio telescope in England,

343
00:19:46,160 --> 00:19:50,050
and there is a more detailed picture here

344
00:19:53,859 --> 00:19:55,689
And I have also...

345
00:19:55,690 --> 00:19:58,250
...this is from a private researcher.

346
00:20:02,430 --> 00:20:06,310
Hold it up, let's compare that.

347
00:20:06,309 --> 00:20:08,059
It's really interesting

348
00:20:08,059 --> 00:20:11,450
to note, that you see the red figure which looks like a "gray"
What do you think of that? Is it like a homage?
Do you think it's possible, that this is possibly an answer to your message?"

349
00:20:27,288 --> 00:20:31,190
"I think there's no chance, whatsoever, that this is a legitimated message!

350
00:20:31,190 --> 00:20:32,920
It's some kind of joke,

351
00:20:32,920 --> 00:20:36,429
a fun thing, or maybe a challenge that somebody

352
00:20:36,429 --> 00:20:38,380
made to one another,

353
00:20:38,380 --> 00:20:40,950
somebody to...

354
00:20:40,950 --> 00:20:43,549
There are two reasons for this,

355
00:20:43,549 --> 00:20:45,869
good reasons: One is the

356
00:20:45,869 --> 00:20:52,869
version of the message they have here, which I'm about the hold up here,

357
00:20:53,420 --> 00:20:57,620
that contains information that's clearly wrong, such as the structure of

358
00:20:57,619 --> 00:20:59,569
the DNA-molecule

359
00:20:59,569 --> 00:21:04,549
and some of the other parts of this message make no sense, whatsoever, or

360
00:21:04,549 --> 00:21:07,829
are chemically impossible.

361
00:21:07,829 --> 00:21:09,299
The other is that,

362
00:21:09,299 --> 00:21:12,099
as we see on the original picture,

0:21:12.100,0:21:15.830
this message appeared about one hundred meters away from our radio telescope,

363
00:21:17,269 --> 00:21:21,920
now if you would come to Earth to deliver a message,

364
00:21:21,920 --> 00:21:25,779
you would have gone to the door of the radio telescope and knocked on the door

365
00:21:25,779 --> 00:21:27,569
to deliver one of your books, or something.

366
00:21:27,569 --> 00:21:29,960
You wouldn't go out on the cornfield

367
00:21:29,960 --> 00:21:33,500
and spend a great deal in cutting down stalks of corn!"

368
00:21:37,039 --> 00:21:39,430
"Right, but how do you know that? How do you know what the aliens think"

369

00:21:39,430 --> 00:21:42,440

"Well, what I do know, is that they're intelligent,

370

00:21:42,440 --> 00:21:44,919

because they somehow got to Earth,

371

00:21:44,919 --> 00:21:47,050

if this is really from an alien,

372

00:21:47,049 --> 00:21:50,899

and they will know better than to try to communicate with humans than in this

373

00:21:50,900 --> 00:21:52,530

ridiculous way..."

374

00:21:52,529 --> 00:21:54,180

So you see:

375

00:21:54,180 --> 00:21:59,450

Professor Doctor Frank Drake has obviously travelled around in the universe

376

00:21:59,450 --> 00:22:04,509

and had breakfast with people from Zeta Reticuli,

377

00:22:04,509 --> 00:22:05,419

you know,

378

00:22:05,419 --> 00:22:10,900

he visited a pop concert on venus, he talked to a lot of people in the universe,

379

00:22:13,190 --> 00:22:14,990

because otherwise

380

00:22:14,990 --> 00:22:18,919

he wouldn't be able to say, how the extraterrestrials

381

00:22:18,919 --> 00:22:21,140

will communicate with humans, right?

382

00:22:24,808 --> 00:22:25,908

He said: if these extraterrestrials,

383

00:22:27,690 --> 00:22:30,528

if this message was really from extraterrestrials

384

00:22:30,528 --> 00:22:34,058

they wouldn't have done this in the crop fields, they would have gone through

385

00:22:34,058 --> 00:22:38,460

the door off the radio telescope, knocked on the door and that would have given

386

00:22:38,460 --> 00:22:43,029

them the book of them, or something...

387

00:22:43,029 --> 00:22:46,410

That's what he said!

388

00:22:46,410 --> 00:22:48,230

so, what we just saw, is

389

00:22:50,750 --> 00:22:54,819

actually a demonstration of anthropocentric behavior, that how we call it.

390

00:22:58,429 --> 00:22:59,870

Or otherwise, you know,

391

00:22:59,869 --> 00:23:05,250

if I can't imagine it, I'm human, I cannot imagine that

392

00:23:05,250 --> 00:23:09,619

extraterrestrials would communicate with us in this way,

393

00:23:09,619 --> 00:23:13,558

if they want to communicate, they have to communicate the way I imagine them

394

00:23:14,599 --> 00:23:16,500

to communicate, you know.

395

00:23:16,500 --> 00:23:19,429

And his anthropocentric!

396

00:23:19,429 --> 00:23:23,559

We project or own imagination of what they should be like onto the

397

00:23:23,558 --> 00:23:24,940

extraterrestrials

398
00:23:24,940 --> 00:23:27,590
and that is why it seems to be so ridiculous!

399
00:23:27,589 --> 00:23:32,799
Or to put it in another way:

400
00:23:34,700 --> 00:23:36,769
I think this is a little like

401
00:23:36,769 --> 00:23:38,890
the situation we have

402
00:23:38,890 --> 00:23:41,009
on our Earth, you know?

403
00:23:41,009 --> 00:23:43,750
Can you imagine

404
00:23:43,750 --> 00:23:48,259
the evolutionary differences between a fish

405
00:23:48,259 --> 00:23:49,150
and a man?

406
00:23:50,650 --> 00:23:52,769
For the fish is world is

407
00:23:52,769 --> 00:23:56,179
round and perfect, everything is great, you know...

408
00:23:57,910 --> 00:24:02,019
And also they swim around in circles in the fishbowl

409
00:24:02,019 --> 00:24:05,099
that's why there is a sign: "This way!"

410
00:24:05,099 --> 00:24:08,699
As on Earth, we go to work every day

411
00:24:08,700 --> 00:24:09,899
we come back

412
00:24:09,898 --> 00:24:11,328
at home tired

413
00:24:12,579 --> 00:24:13,710
we see the world and 15 minutes, tv world news report

414
00:24:17,569 --> 00:24:21,859
and then we go to bed and, the next morning the same thing again!

415
00:24:21,859 --> 00:24:25,519
By the way that you know, that fish is supposed to have a memory capacity of only two seconds?

416
00:24:29,359 --> 00:24:30,428
That means, the fish tank never becomes boring for the fish.

417
00:24:34,640 --> 00:24:38,660
So they just circle and there is that that sign here:

418
00:24:38,660 --> 00:24:41,070
"Oh there's a sign here! Oh, have you ever seen that a sign before? Oh, there's a sign, look!"

419
00:24:45,980 --> 00:24:50,049
But sometimes a fish sticks it's nose on the glass, and thinks: "Might there be

420
00:24:50,049 --> 00:24:52,210
something else out there?"

421
00:24:52,210 --> 00:24:54,940
And the other fish says: "Oh, bullshit!"

422
00:24:54,940 --> 00:25:00,450
Go on, your keep on doing your circles!" – And that situation on our planet!

423
00:25:00,450 --> 00:25:02,319
But just to give you

424
00:25:02,319 --> 00:25:07,379
the context of the universe, the universal context

425
00:25:07,380 --> 00:25:09,890
according to conventional astrophysics,

426

00:25:11,808 --> 00:25:13,599
conservative and mainstream astrophysics the universe was created

427
00:25:19,920 --> 00:25:21,090
13.7 billion years ago

428
00:25:21,089 --> 00:25:23,869
with a big explosion,

429
00:25:23,869 --> 00:25:25,679
and it was there!

430
00:25:25,680 --> 00:25:31,650
I won't question that, but you can imagine that... anyway!

431
00:25:31,650 --> 00:25:36,890
So, it took another couple of billion years until the Earth formed.

432
00:25:36,890 --> 00:25:38,740
4.6 billion years ago,

433
00:25:38,740 --> 00:25:40,630
and then from the

434
00:25:40,630 --> 00:25:45,510
development of the earth, 4.6 billion years ago,

435
00:25:45,509 --> 00:25:47,690
until the appearance of intelligent life

436
00:25:47,690 --> 00:25:48,910
it took 4.58 billion years

437
00:25:54,970 --> 00:25:58,659
The first intelligent life, as we define it, only

438
00:25:58,659 --> 00:26:01,740
appeared on Earth two million years ago!

439
00:26:01,740 --> 00:26:02,890
So just look at this vast difference of time, you know!

440
00:26:07,000 --> 00:26:11,039

Earth formed 4.6 billion years ago, but universes much older,

441

00:26:11,039 --> 00:26:14,759

so that means, another Earth could have formed

442

00:26:15,929 --> 00:26:19,190

for billions of years ago, you know!

443

00:26:20,630 --> 00:26:22,690

Even further in the past.

444

00:26:24,269 --> 00:26:26,220

And those beings could be evolved,

445

00:26:26,220 --> 00:26:30,778

could have evolved much, much more than we are evolved right now, you know,

446

00:26:30,778 --> 00:26:33,369

they could be billions years ahead

447

00:26:33,369 --> 00:26:35,619

of our evolution!

448

00:26:35,619 --> 00:26:38,439

And I once spoke to one astrophysicist, who must not to be named,

449

00:26:41,150 --> 00:26:44,710

and that's a very interesting, when scientists call me.

450

00:26:44,710 --> 00:26:48,250

and they want to congratulate me and all of us,

451

00:26:48,250 --> 00:26:51,150

and say: "Yes, I want to participate in exopolitics movement,

452

00:26:51,150 --> 00:26:53,390

but the first things they say:

453

00:26:53,390 --> 00:26:55,410

"Don't say a word!

454

00:26:55,410 --> 00:26:57,840

Don't say, that I called you!

455

00:26:57,839 --> 00:26:59,699

Don't mention my name,

456

00:26:59,700 --> 00:27:02,830

it could cost me my career, my university-career!"

457

00:27:05,259 --> 00:27:06,690

Just imagine

458

00:27:06,690 --> 00:27:09,740

the evolutionary difference between us

459

00:27:10,740 --> 00:27:15,079

and something, that is evolved one billion years ahead of us,

460

00:27:15,079 --> 00:27:16,759

just try to imagine that!

461

00:27:16,759 --> 00:27:20,279

It's impossible to imagine, because we don't know where we will be

462

00:27:20,279 --> 00:27:22,148

in one billion years!

463

00:27:22,148 --> 00:27:23,489

But we can try to remember what we were one billion years ago,

464

00:27:28,058 --> 00:27:29,970

and that was

465

00:27:29,970 --> 00:27:34,610

uni cellular life forms that were swimming around in the soup,

466

00:27:36,440 --> 00:27:39,170

single cell organisms!

467

00:27:39,170 --> 00:27:40,558

Now imagine

468

00:27:40,558 --> 00:27:44,960

the evolutionary difference between a multi cellular organism, like the human being,

469
00:27:44,960 --> 00:27:49,130
and a one cell organism,

470
00:27:49,130 --> 00:27:54,080
that was floating around on the Earth, one billion years ago.

471
00:27:54,079 --> 00:27:57,349
That is the evolutionary difference, that we're talking about!

472
00:27:57,349 --> 00:28:01,259
And then, just imagine, 1.5 billion years ago,

473
00:28:01,259 --> 00:28:04,529
we learned how to control fire, 6.000 years ago only,

474
00:28:04,529 --> 00:28:06,089
we created the wheel,

475
00:28:06,089 --> 00:28:08,480
190 years ago

476
00:28:08,480 --> 00:28:10,400
we invented the lightball!

477
00:28:11,640 --> 00:28:15,490
This is what we've been having for only two hundred years!

478
00:28:15,490 --> 00:28:17,460
140 years ago we created the first telephone,

479
00:28:20,028 --> 00:28:22,569
115 years ago we invented the first radio connection.

480
00:28:29,730 --> 00:28:31,589
So that's interesting!

481
00:28:31,589 --> 00:28:34,629
The first radio connection, I'll come back to that later,

482
00:28:34,630 --> 00:28:38,139
180 years ago, the first motorized plane worldwide,

483

00:28:38,138 --> 00:28:43,769
only 70 years ago we invented the first computer, only 50 years ago

484
00:28:43,769 --> 00:28:45,639
– 50 years ago! –

485
00:28:45,640 --> 00:28:50,870
the first men went into space!

486
00:28:50,869 --> 00:28:54,599
So can you imagine, that

487
00:28:54,599 --> 00:28:59,659
an extraterrestrial being, which might possibly be one billion years ahead

488
00:28:59,660 --> 00:29:01,840
in it's evolution,

489
00:29:01,839 --> 00:29:03,639
would use radio signals

490
00:29:05,140 --> 00:29:06,880
to communicate with us?

491
00:29:06,880 --> 00:29:09,720
Now that we have doing this

492
00:29:09,720 --> 00:29:11,880
only for a 150 years...

493
00:29:11,880 --> 00:29:14,800
150 years is nothing!

494
00:29:14,799 --> 00:29:17,759
You know, my grandmother didn't have a tv-set,

495
00:29:17,759 --> 00:29:22,019
and now we suspect, that the aliens will communicate with us

496
00:29:22,019 --> 00:29:25,920
with radio signals?

497
00:29:25,920 --> 00:29:30,808

It's like the indigenic people

498

00:29:30,808 --> 00:29:33,629
with their smoke signs, you know...

499

00:29:33,630 --> 00:29:37,460
"Do you think, there is life beyond our mountain?"

500

00:29:37,460 --> 00:29:44,460
"No, if there was life beyond the mountain, they would see our smoke signs!"

501

00:29:44,759 --> 00:29:48,680
So this is just to put it into perspective, but I want to get to the facts:

502

00:29:48,680 --> 00:29:50,820
Where are the facts, when we talk about

503

00:29:50,819 --> 00:29:53,788
extraterrestrial presence on Earth, because

504

00:29:53,788 --> 00:29:57,960
extraterrestrial presence on Earth, it means quite a lot:

505

00:29:57,960 --> 00:30:00,059
That they're here, that they're intelligent, you know,

506

00:30:00,059 --> 00:30:07,059
and that we have proof!

507

00:30:07,450 --> 00:30:11,769
Well first first thing you need to know, is that the UFO phenomenon

508

00:30:11,769 --> 00:30:14,048
has been documented often and in classified documents,

509

00:30:14,048 --> 00:30:18,829
in classified files, in 18 countries worldwide

510

00:30:18,829 --> 00:30:20,419
by the military,

511

00:30:20,420 --> 00:30:27,039
and by civilian authorities. But these are all of the countries...

512

00:30:31,710 --> 00:30:34,130

These are 18 countries

513

00:30:34,130 --> 00:30:36,630

where the government or military

514

00:30:36,630 --> 00:30:38,360

or civilian authorities

515

00:30:38,359 --> 00:30:42,879

have been dealing with this subject officially or inefficiently.

516

00:30:42,880 --> 00:30:43,950

As you can see

517

00:30:43,950 --> 00:30:46,690

some of them are marked in blue, some of them

518

00:30:46,690 --> 00:30:51,180

in color, and some of them are underlined.

519

00:30:51,180 --> 00:30:52,360

And that is...

520

00:30:52,359 --> 00:30:57,159

The underlined countries are the most interesting ones, because this is where

521

00:30:57,160 --> 00:31:01,570

the UFO phenomenon has been dealt with by civilian authorities

522

00:31:01,569 --> 00:31:04,158

– civilian authorities! –

523

00:31:04,159 --> 00:31:10,159

where there is in all the other countries the UFO phenomenon has been dealt with

524

00:31:10,159 --> 00:31:13,670

by the military – classified!

525

00:31:13,670 --> 00:31:14,789

Secret!

526
00:31:14,789 --> 00:31:16,569
And that's why UFO phenomenon

527
00:31:19,138 --> 00:31:22,269
has never actually been (except for some exceptions)

528
00:31:23,298 --> 00:31:28,700
has never found its way to a scientific world,

529
00:31:28,700 --> 00:31:30,330
because scientists

530
00:31:30,329 --> 00:31:32,039
who want to deal with it,

531
00:31:32,039 --> 00:31:35,420
they cannot overcome obstacles of secrecy.

532
00:31:35,420 --> 00:31:36,558
Because it's secret,

533
00:31:36,558 --> 00:31:39,319
they don't have the facts!

534
00:31:39,319 --> 00:31:42,439
So it's only two countries, in three countries –

535
00:31:42,440 --> 00:31:49,059
and the blue countries are NATO partners, NATO countries.

536
00:31:49,059 --> 00:31:53,589
So Germany has been NATO member, an important member of the NATO actually,

537
00:31:53,589 --> 00:31:57,779
for quite some time now, so home come

538
00:31:57,779 --> 00:31:59,319
Germany says,

539
00:31:59,319 --> 00:32:02,210
that UFO's do not exist, we don't deal with it,

540

00:32:02,210 --> 00:32:05,130

if even that NATO partners have been dealing with it

541

00:32:05,130 --> 00:32:09,460

and release their formerly secret UFO documents

542

00:32:09,460 --> 00:32:13,350

So that's the first thing that you need to know: it's a worldwide phenomenon,

543

00:32:13,349 --> 00:32:16,259

the military worldwide has been dealing with it!

544

00:32:16,259 --> 00:32:17,819

That's the first thing.

545

00:32:17,819 --> 00:32:21,529

The second thing, which is important to know,

546

00:32:21,529 --> 00:32:24,898

is what is an unidentified flying object,

547

00:32:24,898 --> 00:32:28,959

because most people believe, that unidentified flying object

548

00:32:28,960 --> 00:32:35,000

is some light in the sky, that my grandma sees from her balcony, and she automatically thinks

549

00:32:35,000 --> 00:32:39,759

"Oh, there's a light in the sky, it must be an alien spaceship!"

550

00:32:39,759 --> 00:32:42,839

This not so!

551

00:32:42,839 --> 00:32:47,039

An unidentified flying object, I think this is the definition from J. Allen Hynek,

552

00:32:47,039 --> 00:32:49,950

we're very happy to have former

553

00:32:49,950 --> 00:32:53,509

member of his working staff here,

554

00:32:53,509 --> 00:32:56,419
is something which can not be the

555
00:32:56,419 --> 00:32:59,890
attributed to any conventional explanation, even after careful

556
00:32:59,890 --> 00:33:03,999
examination by experts civilian or military scientists.

557
00:33:03,999 --> 00:33:06,110
So it is something, that has allready been alayzed

558
00:33:07,849 --> 00:33:11,129
by scientists

559
00:33:11,130 --> 00:33:14,380
and still lacks any conventional explanation!

560
00:33:15,648 --> 00:33:19,449
And we're talking about cases with physical evidence:

561
00:33:19,450 --> 00:33:22,308
landing traces, we're talking about

562
00:33:22,308 --> 00:33:26,079
plants that have been altered in their composition,

563
00:33:26,079 --> 00:33:28,839
we talk about things, that you can measure –

564
00:33:28,839 --> 00:33:31,528
there is some very important case in Great Britain

565
00:33:31,528 --> 00:33:35,180
the Rendlesham Forest case,

566
00:33:35,180 --> 00:33:38,039
I was there a couple of months ago, I talked to the witnesses

567
00:33:38,039 --> 00:33:41,039
and this is a landing site,

568
00:33:41,039 --> 00:33:42,558

the military intelligence service took radiation readings,

569

00:33:46,528 --> 00:33:48,419
readings at the landing site,

570

00:33:48,419 --> 00:33:51,889
now this is what I call physical evidence!

571

00:33:51,888 --> 00:33:56,219
These are things which really point to the reality

572

00:33:56,220 --> 00:33:57,500
of a true phenomenon!

573

00:33:57,500 --> 00:34:00,089
And then... okay, I have another ten minutes, so I will jump over this video...

574

00:34:08,518 --> 00:34:11,178
Another thing, that you have to know

575

00:34:11,179 --> 00:34:15,528
is that the military worldwide, not just the US-military, but this is just an example,

576

00:34:15,528 --> 00:34:18,750
has been aware of the reality

577

00:34:18,750 --> 00:34:19,929
of a real phenomenon

578

00:34:19,929 --> 00:34:22,128
from the very beginning!

579

00:34:22,128 --> 00:34:25,768
This is a very important and very famous memo, and also

580

00:34:25,768 --> 00:34:30,128
it's from the 1950's, written by the former head of the US Joint Chief of Staff

581

00:34:30,128 --> 00:34:35,518
so he was the the highest ranking officer in the United States

582

00:34:35,518 --> 00:34:40,668
so he knew what he wrote, he said:

583
00:34:40,668 --> 00:34:43,478
The phenomena reported

584
00:34:43,478 --> 00:34:45,918
is something real,

585
00:34:45,918 --> 00:34:49,808
not visionary or fictitious,

586
00:34:49,809 --> 00:34:53,359
and describes exactly what it looks like!

587
00:34:53,358 --> 00:34:55,168
Look here: metallic

588
00:34:55,168 --> 00:34:58,739
light reflecting surfaces, you know...

589
00:34:58,739 --> 00:35:00,269
and he goes on to describe the phenomenon:

590
00:35:01,659 --> 00:35:05,668
It's disc-shaped, domed on top

591
00:35:05,668 --> 00:35:10,248
circular, look at point three, circular or elliptical in shape,

592
00:35:10,248 --> 00:35:13,429
flat on the bottom and domed on top,

593
00:35:13,429 --> 00:35:16,698
but there are also, of course, many other forms of UFO's.

594
00:35:16,699 --> 00:35:18,979
There's the flying formation,

595
00:35:18,978 --> 00:35:22,288
normally not associated with any sound,

596
00:35:22,289 --> 00:35:24,819
and so on...

597
00:35:24,818 --> 00:35:25,829
And look at this!

598
00:35:25,829 --> 00:35:29,989
What you see here is a radar,

599
00:35:29,989 --> 00:35:34,409
Radar traces on a Swiss military radar.

600
00:35:34,409 --> 00:35:36,338
I have this from a friend of mine

601
00:35:36,338 --> 00:35:39,318
who is a head of MOFON Europe

602
00:35:44,219 --> 00:35:47,499
and he got this from Swiss military

603
00:35:49,480 --> 00:35:51,119
This is an unidentified flying object

604
00:35:53,188 --> 00:35:56,199
which was flying around over Switzerland

605
00:35:56,199 --> 00:35:59,619
with approximately 240 kilometers per hour,

606
00:35:59,619 --> 00:36:03,048
but it did not have a transponder signature,

607
00:36:05,389 --> 00:36:09,529
so the radio operators, the military radio operators, just tried to find out

608
00:36:09,530 --> 00:36:11,339
what is this object,

609
00:36:11,338 --> 00:36:13,938
and while they were trying to find out

610
00:36:13,938 --> 00:36:15,489
what is the object,

611

00:36:15,489 --> 00:36:16,878
the object increased it's speed to Mach 4

612
00:36:21,409 --> 00:36:23,748
Mach 4!

613
00:36:23,748 --> 00:36:30,748
and did a right angle, a sharp right angle turn at Mach 4!

614
00:36:31,878 --> 00:36:33,938
Now – do you want to try this?

615
00:36:33,938 --> 00:36:39,558
You can hardly reach on Mach 4 with your car on the highway

616
00:36:39,559 --> 00:36:40,699
you can try it at

617
00:36:42,259 --> 00:36:44,849
80 kilometers per hour,

618
00:36:44,849 --> 00:36:46,840
what would happen if you tried to

619
00:36:46,840 --> 00:36:49,949
drive a right angle turn with your car

620
00:36:49,949 --> 00:36:52,179
at 80 kilometers per hour?

621
00:36:52,179 --> 00:36:56,759
What would happen?

622
00:36:56,759 --> 00:36:59,659
You better don't try it, you know!

623
00:36:59,659 --> 00:37:02,889
Because you're car would crash, because there is something that's a natural law

624
00:37:02,889 --> 00:37:05,088
a mass inertia law

625
00:37:06,250 --> 00:37:09,769

the mass, that you have set in motion once will proceed in the direction that

626

00:37:09,769 --> 00:37:13,978

it took when you started the movement, so you cannot just change the direction at a right angle turn at 80 kilometers,

627

00:37:17,280 --> 00:37:19,180

let alone Mach 4!

628

00:37:19,179 --> 00:37:20,418

So don't try this,

629

00:37:22,588 --> 00:37:27,668

don't try this at home, don't try this with your car...

630

00:37:28,539 --> 00:37:31,778

You can recommend your neighbor, that you don't like, to do it,

631

00:37:31,778 --> 00:37:36,048

but you shouldn't do it yourself, honestly...

632

00:37:36,048 --> 00:37:37,909

So how is that possible?

633

00:37:37,909 --> 00:37:44,818

This is against essential natural laws of this planet, that mainstream science considers!

634

00:37:45,938 --> 00:37:48,518

Right, so how is that possible?

635

00:37:48,518 --> 00:37:52,738

Another thing you should know, is

636

00:37:52,739 --> 00:37:58,798

that there are 1.423 real UFO cases in the sense of the definition I gave before,

637

00:37:58,798 --> 00:38:02,858

and when we talk about events improved from experts, it's

638

00:38:03,760 --> 00:38:06,220

scientifically proven, that there is a real UFO phenomenon!

639

00:38:08,099 --> 00:38:09,088

you have to do consider

640
00:38:09,088 --> 00:38:13,298
or to think about the way we defined the proof – what is a proof?!

641
00:38:14,219 --> 00:38:15,559
You can of course

642
00:38:15,559 --> 00:38:17,320
do a mathematical proof,

643
00:38:17,320 --> 00:38:18,170
you can say: $1 + 1 = 2$

644
00:38:21,150 --> 00:38:27,519
 $2 - 1 = 1$, quod erat demonstrandum –

645
00:38:27,519 --> 00:38:30,059
so this is a mathematical proof, that everybody can do.

646
00:38:30,059 --> 00:38:31,639
But you cannot just proof the existence of something.

647
00:38:34,378 --> 00:38:38,368
because a proof in the judicial criminal court, a trial, for example,

648
00:38:44,409 --> 00:38:46,819
could only be formed by a judge

649
00:38:46,820 --> 00:38:51,099
which has been authorized by some authority,

650
00:38:51,099 --> 00:38:55,568
by somebody who is entitled to be the judge,

651
00:38:56,338 --> 00:39:01,619
and titled to form the proof, and the judge at takes the pieces of evidence

652
00:39:03,228 --> 00:39:07,848
and he constructs on the basis of these pieces of evidence,

653
00:39:07,849 --> 00:39:11,059
he constructs the proof, which is valid in court.

654
00:39:14,079 --> 00:39:15,759
There's a problem, however,

655
00:39:15,759 --> 00:39:19,990
if nobody makes a trial, if nobody really engages in, you know...

656
00:39:20,800 --> 00:39:25,839
if there is no authority, which really looks at the UFO evidence,

657
00:39:25,838 --> 00:39:30,858
then there can be nobody who can construct a valid proof!

658
00:39:30,858 --> 00:39:32,429
But in this case

659
00:39:32,429 --> 00:39:33,349
still it is

660
00:39:33,349 --> 00:39:36,379
scientifically proven, yes,

661
00:39:36,378 --> 00:39:38,578
because for national sponsored

662
00:39:40,088 --> 00:39:44,719
research projects have been undertaken in this regard.

663
00:39:44,719 --> 00:39:46,148
So they have been entitled

664
00:39:48,918 --> 00:39:51,128
by the government,

665
00:39:51,128 --> 00:39:55,719
so they collected 1.423 cases which are true,

666
00:39:56,708 --> 00:40:00,548
true unidentified flying objects with physical and increases

667
00:40:00,548 --> 00:40:02,099
and all of this.

668

00:40:02,099 --> 00:40:07,818

So it must be said very clearly, that the existence of the real UFO phenomenon is scientifically proven.

669

00:40:14,518 --> 00:40:16,388

You should also know, that

670

00:40:16,389 --> 00:40:18,430

Germany's neighboring country France

671

00:40:19,818 --> 00:40:21,159

has its own...

672

00:40:21,159 --> 00:40:23,099

is one of the countries, where

673

00:40:23,099 --> 00:40:26,880

UFO's are investigated by a civilian authority.

674

00:40:26,880 --> 00:40:30,910

It is investigated by the Centre National d'Etudes Spaciales

675

00:40:31,969 --> 00:40:34,139

which is the French space agency

676

00:40:36,728 --> 00:40:41,268

and it is a department of them, which is the group that do the study,

677

00:40:41,268 --> 00:40:42,649

let me say in French first:

678

00:40:42,650 --> 00:40:46,838

Groupe d'Etudes et d'Information sur les Phénomènes Aérospatiaux Non identifiés

679

00:40:49,108 --> 00:40:52,389

So it's the for study and information group for unidentified aerial phenomena.

680

00:40:57,719 --> 00:41:01,999

It's a national authority of the national official body!

681

00:41:01,998 --> 00:41:06,048

And look, this is about the number of cases, they have published in back in 2010

682

00:41:06,048 --> 00:41:10,150
but this is a very interesting chart, because you can see

683
00:41:10,150 --> 00:41:11,838
that they make a difference between

684
00:41:11,838 --> 00:41:15,748
phenomena, which are perfectly identified –

685
00:41:15,748 --> 00:41:20,159
perfectly identified, so somebody sees a light and says: "Okay, was a meteor,

686
00:41:20,159 --> 00:41:22,928
we found out, so that's pretty clear", so that's perfectly identified,

687
00:41:22,929 --> 00:41:26,800
and they have the phenomena which are probably identified,

688
00:41:26,800 --> 00:41:29,709
it says "Most probably it was a meteor",

689
00:41:29,708 --> 00:41:34,558
then they have this class C, which is 37 %,

690
00:41:34,559 --> 00:41:39,329
"Phénomènes non identifiables (manque de données)",

691
00:41:40,989 --> 00:41:44,489
– these are phenomena which are not identifiable

692
00:41:44,489 --> 00:41:47,338
because they have not enough data to analyze

693
00:41:47,338 --> 00:41:50,498
and to find out what it was,

694
00:41:50,498 --> 00:41:53,329
and then there's the remaining fourth thing,

695
00:41:53,329 --> 00:41:56,409
and that is "Phénomènes non identifiables"

696
00:41:56,409 --> 00:42:00,389

the truly non identified phenomena,

697

00:42:00,389 --> 00:42:02,679

but it is important to note though,

698

00:42:02,679 --> 00:42:04,190

that these phenomena are not classified as non-identified

699

00:42:07,130 --> 00:42:12,459

for lack of data, because they didn't have enough data,

700

00:42:12,458 --> 00:42:14,289

because they did have all the data,

701

00:42:14,289 --> 00:42:16,639

because otherwise it would be this classification,

702

00:42:16,639 --> 00:42:19,019

they did have all the data and they're still unidentified!

703

00:42:21,759 --> 00:42:27,278

And that's 22 % and then, and the new chart shows 23 %

704

00:42:27,278 --> 00:42:31,018

And maybe you have heard of this report, back in 1999

705

00:42:31,018 --> 00:42:35,488

it's a three-year military study of high-ranking French officials:

706

00:42:35,489 --> 00:42:38,329

Look, there are three generals!

707

00:42:38,329 --> 00:42:42,429

The foreword is actually written by the former director of High-Studies Institute for National Defense,

708

00:42:44,528 --> 00:42:47,449

so I don't know if I translated that correctly it's the "l'Institut des hautes études de défense nationale"

709

00:42:53,989 --> 00:42:57,188

several pilots, civilian and military pilots,

710

00:42:58,438 --> 00:43:04,298

the commander of the Gendarmerie nationale,

711
00:43:04,298 --> 00:43:05,420
and they have this

712
00:43:05,420 --> 00:43:07,838
three-year military report with the title:

713
00:43:07,838 --> 00:43:09,788
"UFO's and the defense – what do we have to prepare for?"

714
00:43:09,789 --> 00:43:15,339
So do you really believe, that military experts

715
00:43:15,338 --> 00:43:18,808
will undertake a three-year military study

716
00:43:18,809 --> 00:43:21,569
for and natural phenomenon for

717
00:43:21,568 --> 00:43:24,849
sky lightnings or something?

718
00:43:24,849 --> 00:43:28,199
And they would call that report "UFO'S and the defense"?

719
00:43:28,199 --> 00:43:33,389
And these are some of their conclusions:

720
00:43:33,389 --> 00:43:36,009
Okay, that's going to be difficult –

721
00:43:36,009 --> 00:43:37,898
translated from one foreign language into the other:

722
00:43:43,840 --> 00:43:46,979
"These objects of the phenomenon

723
00:43:46,978 --> 00:43:49,259
shows the

724
00:43:51,039 --> 00:43:52,660
the physical reality,

725
00:43:52,659 --> 00:43:55,980
or the almost certain physical reality

726
00:43:55,980 --> 00:44:01,289
of flying objects, which are completely unknown with the flight characteristics

727
00:44:01,289 --> 00:44:07,489
and remarkable sound characteristics, which are apparently

728
00:44:07,489 --> 00:44:12,828
driven or steered by intelligences.

729
00:44:12,829 --> 00:44:14,679
These flying objects

730
00:44:14,679 --> 00:44:17,249
are at very interesting

731
00:44:21,409 --> 00:44:25,298
for pilots for, civil pilots and military pilots

732
00:44:25,298 --> 00:44:29,929
who only speak about it very hesitantly, because they fear that

733
00:44:29,929 --> 00:44:34,568
there will be ridiculed.

734
00:44:34,568 --> 00:44:41,058
Secret crafts of terrestrial origin can be excluded,

735
00:44:41,059 --> 00:44:43,829
because they can only explain

736
00:44:43,829 --> 00:44:45,789
a minority of the cases

737
00:44:45,789 --> 00:44:47,909
and there is only one

738
00:44:47,909 --> 00:44:49,329
hypothesis

739

00:44:49,329 --> 00:44:52,959
which takes efficiently into account the facts

740
00:44:56,039 --> 00:44:58,898
and the science of our days

741
00:44:58,898 --> 00:45:01,898
they say the "visiteurs extraterrestres"

742
00:45:01,898 --> 00:45:04,239
are the only hypothesis that the

743
00:45:04,239 --> 00:45:09,608
experts consider valid for the UFO phenomenon after a three year military study!

744
00:45:12,128 --> 00:45:16,159
The hypothesis of extraterrestrial visitors!

745
00:45:16,159 --> 00:45:17,778
You should take this into account.

746
00:45:20,028 --> 00:45:24,018
They further go on to say, the extraterrestrial hypothesis is by far

747
00:45:24,018 --> 00:45:27,338
the best scientific hypothesis.

748
00:45:27,338 --> 00:45:30,389
It is certainly not categorically proven,

749
00:45:30,389 --> 00:45:33,539
but there's strong evidence

750
00:45:33,539 --> 00:45:37,269
at which point to this direction, and if they are correct,

751
00:45:37,268 --> 00:45:39,879
that they have not

752
00:45:39,880 --> 00:45:43,169
at great number of consequences.

753
00:45:43,168 --> 00:45:48,199

And they also recommended,

754

00:45:48,199 --> 00:45:51,380
that the aims of these visitors

755

00:45:51,380 --> 00:45:55,048
they are unknown, but they have to be included

756

00:45:55,048 --> 00:45:57,480
into the general discussion.

757

00:45:57,480 --> 00:46:04,349
So they say, we need to stop the ridiculed as subject, it is real and we have to deal with it!

758

00:46:04,349 --> 00:46:06,798
So how come we don't know about it?

759

00:46:06,798 --> 00:46:07,539
I don't know what's the situation in Portugal, but I assume

760

00:46:11,028 --> 00:46:15,759
in Portugal people are more open to this phenomenon, because

761

00:46:15,759 --> 00:46:20,059
we are here at the university,

762

00:46:20,059 --> 00:46:23,439
so, you know, I think this would be really difficult in Germany...

763

00:46:23,438 --> 00:46:26,778
So how come we don't know about this?

764

00:46:26,778 --> 00:46:30,900
You should know, that there are also files, that were released by the

765

00:46:30,900 --> 00:46:33,329
British National Archive,

766

00:46:33,329 --> 00:46:36,999
you should know, that the Central Intelligence Agency back in the 1952

767

00:46:36,998 --> 00:46:40,679
has already made plans how to deal with the UFO phenomenon

768
00:46:40,679 --> 00:46:43,719
and there is a memo

769
00:46:46,248 --> 00:46:50,268
which analyses the possibilities to use UFO's

770
00:46:50,268 --> 00:46:53,719
for their political aims,

771
00:46:53,719 --> 00:46:54,978
they say

772
00:46:54,978 --> 00:46:59,468
with the worldwide – and that this is about Soviet Union – they say:

773
00:46:59,469 --> 00:47:01,088
we have not found any

774
00:47:01,088 --> 00:47:04,769
reports on UFO's in the Soviet press, so it can only be

775
00:47:04,769 --> 00:47:09,509
due to the fact, that the government is against reports in the press.

776
00:47:10,869 --> 00:47:15,489
And they say, the question therefore arises as to whether or not, these sightings could be controlled,

777
00:47:15,489 --> 00:47:18,548
could be predicted or

778
00:47:18,548 --> 00:47:23,909
could be used for the psychological warfare point of view,

779
00:47:23,909 --> 00:47:26,719
either offensively or defensively,

780
00:47:26,719 --> 00:47:30,639
and they go on to state: the public concern with this phenomenon

781
00:47:30,639 --> 00:47:33,599
is reflected in the United States press,

782
00:47:33,599 --> 00:47:37,599
and it indicates, that a fair portion of our population,

783
00:47:37,599 --> 00:47:40,609
so that many people do believe in the incredible,

784
00:47:40,608 --> 00:47:45,808
and in this fact lies the potential for approaching

785
00:47:45,809 --> 00:47:47,649
of a mass hysteria and panic.

786
00:47:49,369 --> 00:47:53,550
There we already have back in 1952 that the UFO phenomenon

787
00:47:53,550 --> 00:47:54,720
is something the political enemy could use against them

788
00:47:58,688 --> 00:47:59,768
by, you know, causing UFO sightings and creating and mass hysteria and panic.

789
00:48:05,349 --> 00:48:06,789
That is already in itself

790
00:48:06,789 --> 00:48:10,139
for these Central Intelligence Agency

791
00:48:10,139 --> 00:48:14,269
a good reason to keep it secret and to do something against it!

792
00:48:14,268 --> 00:48:16,498
And they did!

793
00:48:16,498 --> 00:48:20,418
In 1953 they commissioned this three day

794
00:48:20,418 --> 00:48:23,628
CIA-sponsored expert panel,

795
00:48:23,628 --> 00:48:25,509
this expert panel

796

00:48:25,509 --> 00:48:27,059
– by the CIA –

797
00:48:27,059 --> 00:48:30,189
you know, they analyze all the data

798
00:48:30,188 --> 00:48:31,500
of three days

799
00:48:31,500 --> 00:48:33,208
and they concluded,

800
00:48:33,208 --> 00:48:37,808
that the continued emphasis on the reporting of these phenomena

801
00:48:38,889 --> 00:48:43,009
may resulted a "threat to the orderly functioning of the protective organs of the body politic"

802
00:48:45,768 --> 00:48:49,409
and they also say, the National Security Agencies

803
00:48:49,409 --> 00:48:51,920
– that's what they recommend! They recommend, that the National Security Agencies take immediate steps to strip the Unidentified Flying Objects

804
00:48:57,210 --> 00:49:01,659
of too special status, they have been given by the aura of mystery,

805
00:49:01,659 --> 00:49:06,358
and this may be achieved by an integrated program, designed to reassure the public of the total lack of evidence.

806
00:49:10,329 --> 00:49:15,179
So there's no evidence, you know, you just have to tell the others, that it is just natural phenomena, that's it...

807
00:49:15,179 --> 00:49:18,959
And that was the recommendation of the Robertson Panel!

808
00:49:18,958 --> 00:49:23,188
And you might know this scientific study of Unidentified Flying Objects,

809
00:49:23,188 --> 00:49:26,098
it's an important study, this is the Americans,

810

00:49:26,099 --> 00:49:29,329
back in 1969,

811

00:49:29,329 --> 00:49:32,829
so-called Condon Report.

812

00:49:32,829 --> 00:49:34,140
And the Condon Report – this is Mister Condon –

813

00:49:36,338 --> 00:49:40,298
Mr. Condon concluded, that nothing has come from the study

814

00:49:40,298 --> 00:49:44,338
of UFO's in the past 21 years

815

00:49:44,338 --> 00:49:48,159
that has added scientific knowledge,

816

00:49:48,159 --> 00:49:52,669
And that this fact leads them to conclude, that further extensive study of UFO's

817

00:49:52,668 --> 00:49:54,809
can probably not be justified

818

00:49:54,809 --> 00:49:57,380
because it is not of interest for science.

819

00:50:00,338 --> 00:50:04,869
Do you want to ask me, to show you those military radar traces again?

820

00:50:04,869 --> 00:50:06,338
From Switzerland...?

821

00:50:06,338 --> 00:50:10,798
How is it possible, that an object can make a right angle turn at Mach 4?

822

00:50:10,798 --> 00:50:15,208
Is that not something, which would be interesting for science?

823

00:50:15,208 --> 00:50:19,138
And also you should know, that the conclusion directly contradicts

824

00:50:19,139 --> 00:50:23,739

the data in the Condon Report!

825

00:50:23,739 --> 00:50:27,559

There are also even cases described with right angle turn on high speed,
hers at high speed,

826

00:50:27,559 --> 00:50:31,109

so the conclusion is inconsistent with the data.

827

00:50:37,889 --> 00:50:40,670

The former CIA director himself said,

828

00:50:40,670 --> 00:50:44,269

that the Air Force is soberly concerned about UFO's,

829

00:50:44,268 --> 00:50:48,038

that the official secrecy and ridicule

830

00:50:48,039 --> 00:50:50,209

citizens are led to believe,

831

00:50:50,208 --> 00:50:53,058

the Unknown Flying Objects on nonsense,

832

00:50:53,059 --> 00:50:57,369

and the Air Force – to hide the facts – test silent it's personal.

833

00:50:57,369 --> 00:51:02,920

And it's from the New York Times, so this is a credible source!

834

00:51:02,920 --> 00:51:05,480

So the former CIA-director himself said,

835

00:51:05,480 --> 00:51:09,539

that the US Air Force has been reticuling this subject.

836

00:51:09,539 --> 00:51:10,849

But it goes even further!

837

00:51:14,849 --> 00:51:16,969

(I jumped over this)

838

00:51:16,969 --> 00:51:20,958

The CIA has total control over the mass media.

839

00:51:20,958 --> 00:51:23,838

There's a memo , that you can download at www.disclosureproject.org,

840

00:51:23,838 --> 00:51:28,199

where they say, that the Public Affairs Office of the CIA has relationship

841

00:51:28,199 --> 00:51:31,280

with reporters from every major wire service,

842

00:51:31,280 --> 00:51:33,700

– and just note, that the word "every" is highlighted even in the original report –

843

00:51:33,699 --> 00:51:37,799

every major wire service

844

00:51:37,800 --> 00:51:40,890

newspaper, newsweek etc.

845

00:51:40,889 --> 00:51:43,408

This has helped them to change stories

846

00:51:43,409 --> 00:51:46,039

which could have effected national security

847

00:51:46,039 --> 00:51:48,268

or jeopardize sources,

848

00:51:48,268 --> 00:51:50,808

sources and methods.

849

00:51:50,809 --> 00:51:54,979

(I'll jump over this...)

850

00:51:54,978 --> 00:51:58,878

So, that's the last point,

851

00:51:58,878 --> 00:52:00,818

I need another three minutes...

852

00:52:00,818 --> 00:52:03,159
How do we deal with the situation?

853
00:52:03,159 --> 00:52:06,949
Our mass media is lying, or at least not in the loop, they have no entry,

854
00:52:08,148 --> 00:52:13,368
our politician's don't know if anything, or if they know something,

855
00:52:13,369 --> 00:52:16,209
they're no real politicians or they're bought, or whatever...

856
00:52:20,208 --> 00:52:24,898
So how do we deal with this situation?

857
00:52:24,898 --> 00:52:27,498
UFO's has been ridiculed for sixty years now...

858
00:52:27,498 --> 00:52:31,228
How can we escape from this?

859
00:52:31,228 --> 00:52:34,719
I don't know, I can tell you what we do in Germany, okay?

860
00:52:34,719 --> 00:52:35,748
We have a website

861
00:52:38,998 --> 00:52:42,958
what you see here is the website www.exopolitik.org

862
00:52:42,958 --> 00:52:46,509
– with a "k", that's German...

863
00:52:46,509 --> 00:52:50,838
That's my co-moderator Anja, who is also present here,

864
00:52:50,838 --> 00:52:56,139
who has been helping me a lot, thank you very much, Anja...

865
00:52:56,139 --> 00:52:58,619
What we're doing is, we're doing a tv-show,

866
00:52:58,619 --> 00:53:01,119

a sort of tv-show on the internet,

867

00:53:01,119 --> 00:53:03,568

we're presenting the facts as they are.

868

00:53:03,568 --> 00:53:07,998

And say that their facts. And when we talk about speculation, we say that it is speculation.

869

00:53:09,518 --> 00:53:11,659

Which is important, because there's so much speculation and and nonsense on this field.

870

00:53:16,789 --> 00:53:21,419

You can actually exclude 95 % of all the information

871

00:53:21,418 --> 00:53:25,568

in the public domain,

872

00:53:25,568 --> 00:53:29,588

it's a disinformation, whatever...

873

00:53:29,588 --> 00:53:31,909

We also have an online community.

874

00:53:31,909 --> 00:53:34,949

This is a profile.

875

00:53:34,949 --> 00:53:38,119

Our citizens' movement in Germany now has

876

00:53:38,119 --> 00:53:43,509

more than 2.000 members and more than 130

877

00:53:43,509 --> 00:53:47,389

130 / 140 activists, and that is only been since august 2010

878

00:53:50,829 --> 00:53:53,459

So it's very fast fast growing!

879

00:53:53,458 --> 00:53:56,838

And they can exchange their views there

880

00:53:56,838 --> 00:53:59,400

and they can find information...

881
00:54:04,119 --> 00:54:07,690
most importantly, they can find other people that they can talk to,

882
00:54:07,690 --> 00:54:11,650
because it's really difficult to find people, who are informed enough to have

883
00:54:11,650 --> 00:54:14,519
...

884
00:54:14,518 --> 00:54:16,908
And why is that movement so rapidly growing?

885
00:54:16,909 --> 00:54:20,459
(I'm sorry, it's still in Germany, it says:

886
00:54:20,458 --> 00:54:22,678
"Important question for mankind"

887
00:54:22,679 --> 00:54:29,050
It is because in the end, the question about extraterrestrials yes or no on Earth

888
00:54:29,050 --> 00:54:30,469
is not so much about the extraterrestrials, it's about us as mankind, how do we deal with it!

889
00:54:36,958 --> 00:54:42,198
This would be the biggest discovery in the history of the world, just imagine!

890
00:54:42,199 --> 00:54:46,150
That we discovered, that we are not alone, it would fundamentally

891
00:54:46,150 --> 00:54:49,989
revolutionized the way we think about ourselves,

892
00:54:49,989 --> 00:54:52,088
our place in the universe,

893
00:54:52,088 --> 00:54:55,878
the way our society is organized, the way we do politics...

894
00:54:55,878 --> 00:54:57,168
Just imagine!

895

00:54:57,168 --> 00:54:58,548

A question, you know,

896

00:54:59,648 --> 00:55:03,308

from when there is the first contact, people would start to ask

897

00:55:03,309 --> 00:55:05,259

themselves questions!

898

00:55:05,259 --> 00:55:08,679

"What is the tax rate on your planet?"

899

00:55:08,679 --> 00:55:11,259

"Oh, you don't have taxes?"

900

00:55:11,259 --> 00:55:15,259

"And why does your government on your planet has a war with...?"

901

00:55:17,338 --> 00:55:21,148

"Oh, you don't have wars?"

902

00:55:21,148 --> 00:55:24,289

And also there's the whole question about technology,

903

00:55:24,289 --> 00:55:28,800

which I think was Frederick is going to dive into,

904

00:55:28,800 --> 00:55:30,229

it's going to revolutionize everything!

905

00:55:30,228 --> 00:55:32,179

And it is time for us

906

00:55:33,528 --> 00:55:36,809

to engage in that process, because

907

00:55:36,809 --> 00:55:41,709

the phenomena is real, it's here, it's been ridiculed for sixty years

908

00:55:41,708 --> 00:55:44,438

and it's time to deal with it.

909

00:55:44,438 --> 00:55:46,489
And my personal opinion about this is

910
00:55:46,489 --> 00:55:51,918
that the evolution of consciousness and life in the universe will not be stopped

911
00:55:51,918 --> 00:55:53,568
by some stubborn power driven politicians or people, whatsoever,

912
00:55:57,889 --> 00:56:02,368
on this planet, who want to try to preserve their power position.

913
00:56:02,369 --> 00:56:05,199
It's time for mankind, to engage this,

914
00:56:05,199 --> 00:56:10,150
and I'd want to invite you, to think for yourself, to make your own opinion!

915
00:56:10,150 --> 00:56:11,539
Don't believe,

916
00:56:11,539 --> 00:56:13,629
check for yourself!

917
00:56:13,628 --> 00:56:14,298
Thank you very much...
