

1  
00:00:20,449 --> 00:00:30,660  
so ahoj that's my best check okay so I'm

2  
00:00:28,018 --> 00:00:32,969  
hoping that the check is really perfect

3  
00:00:30,660 --> 00:00:35,789  
as well because I think it's Simona who

4  
00:00:32,969 --> 00:00:44,100  
did it so thank you Simona I hope it's

5  
00:00:35,789 --> 00:00:46,200  
nothing too rude so I'm going to tell

6  
00:00:44,100 --> 00:00:50,219  
you a little bit about what Amash is

7  
00:00:46,200 --> 00:00:52,559  
it's a funny old word but I just like to

8  
00:00:50,219 --> 00:00:54,179  
thank all the organizers here first

9  
00:00:52,558 --> 00:00:56,459  
because you know it really does take a

10  
00:00:54,179 --> 00:00:58,378  
lot of effort and energy to do this

11  
00:00:56,460 --> 00:01:01,079  
and I'm sure that they've all lost a bit

12  
00:00:58,378 --> 00:01:03,808  
of weight since so well done to Igor

13  
00:01:01,079 --> 00:01:05,849  
Carell Simona and everybody else

14  
00:01:03,808 --> 00:01:08,459  
wow what a fantastic job I hope you all

15  
00:01:05,849 --> 00:01:12,359  
agree thank you let's give her a round

16  
00:01:08,459 --> 00:01:12,899  
of applause had to be lovely well done

17  
00:01:12,359 --> 00:01:15,530  
guys

18  
00:01:12,900 --> 00:01:15,530  
well done

19  
00:01:17,450 --> 00:01:20,939  
so we're really looking forward to

20  
00:01:19,469 --> 00:01:25,620  
sharing our work you know we've only

21  
00:01:20,939 --> 00:01:29,069  
been going for 16 months in the UK we

22  
00:01:25,620 --> 00:01:31,859  
started in January last year and I got

23  
00:01:29,069 --> 00:01:32,759  
the idea because I'm also a therapist

24  
00:01:31,859 --> 00:01:34,890  
but I'll tell you a little bit about

25  
00:01:32,760 --> 00:01:38,030  
Myles Johnston who's my colleague on

26  
00:01:34,890 --> 00:01:40,500  
this project of myself in a moment but

27  
00:01:38,030 --> 00:01:42,840  
it took quite a bit of doing I kind of

28  
00:01:40,500 --> 00:01:44,879  
started it about six months earlier but

29

00:01:42,840 --> 00:01:46,320  
didn't move on it and I knew there was a

30  
00:01:44,879 --> 00:01:49,140  
missing component and the missing

31  
00:01:46,319 --> 00:01:51,599  
component was that bit of getting the

32  
00:01:49,140 --> 00:01:54,750  
information out there to the public in a

33  
00:01:51,599 --> 00:01:59,519  
very material way and that's where Myles

34  
00:01:54,750 --> 00:02:01,319  
Johnston came in so we do video one

35  
00:01:59,519 --> 00:02:03,929  
tourne interviews with people as well as

36  
00:02:01,319 --> 00:02:07,259  
other interviews of our work and our

37  
00:02:03,930 --> 00:02:11,159  
work is talking to contactees abductees

38  
00:02:07,260 --> 00:02:13,230  
this obscure world so I'm going to tell

39  
00:02:11,159 --> 00:02:16,259  
you a little bit more about how we got

40  
00:02:13,229 --> 00:02:18,959  
started and you know it's amazing we've

41  
00:02:16,259 --> 00:02:21,479  
kind of developed legs as they say in

42  
00:02:18,959 --> 00:02:24,239  
England and what that means is that the

43  
00:02:21,479 --> 00:02:27,469

work itself seems to be running ahead of

44

00:02:24,239 --> 00:02:30,870

us there's so much going on and already

45

00:02:27,469 --> 00:02:32,909

in the UK it's not just in the UK

46

00:02:30,870 --> 00:02:36,900

actually but although we are a UK

47

00:02:32,909 --> 00:02:40,199

resource we've had at least 70 and

48

00:02:36,900 --> 00:02:43,980

perhaps it's 80 by now calls or contacts

49

00:02:40,199 --> 00:02:47,399

via email phone or Skype from people

50

00:02:43,979 --> 00:02:50,969

mainly experiences I might say and when

51

00:02:47,400 --> 00:02:53,219

I use the word experiences I mean those

52

00:02:50,969 --> 00:02:55,590

people who are having anomalous

53

00:02:53,219 --> 00:02:59,069

experiences anomalous meaning we don't

54

00:02:55,590 --> 00:03:02,430

know really what it is we don't have any

55

00:02:59,069 --> 00:03:04,919

set rules about what this means for us

56

00:03:02,430 --> 00:03:07,140

so we're exploring it so experiences

57

00:03:04,919 --> 00:03:10,500

covers a whole wide field from

58  
00:03:07,139 --> 00:03:12,419  
contactees to abductees to people who

59  
00:03:10,500 --> 00:03:15,689  
are perceiving that they are having some

60  
00:03:12,419 --> 00:03:18,299  
mind control issues which may be a new

61  
00:03:15,689 --> 00:03:20,519  
concept for some of you that mind

62  
00:03:18,300 --> 00:03:23,820  
control is an element from time to time

63  
00:03:20,519 --> 00:03:26,129  
in this field and it certainly is but

64  
00:03:23,819 --> 00:03:26,479  
will come will them deal with that one a

65  
00:03:26,129 --> 00:03:30,289  
little

66  
00:03:26,479 --> 00:03:33,798  
later so the principle objective behind

67  
00:03:30,289 --> 00:03:36,620  
a mash is firstly to offer a much needed

68  
00:03:33,799 --> 00:03:39,860  
service and I'm in the UK so we're in

69  
00:03:36,620 --> 00:03:44,110  
the UK although I have to tell you we've

70  
00:03:39,860 --> 00:03:47,959  
had contact now from the USA from Canada

71  
00:03:44,110 --> 00:03:51,349  
we've had Germany France Italy even

72  
00:03:47,959 --> 00:03:53,269  
South Korea and latterly Russia talking

73  
00:03:51,348 --> 00:03:55,818  
to us about the work we're doing and

74  
00:03:53,269 --> 00:03:57,890  
there seems to be a real resonance for

75  
00:03:55,818 --> 00:04:00,798  
this and people are saying gosh how

76  
00:03:57,889 --> 00:04:03,229  
fantastic for the first time I'm able to

77  
00:04:00,799 --> 00:04:05,269  
talk to someone who doesn't want to

78  
00:04:03,229 --> 00:04:08,078  
section me and in England what that

79  
00:04:05,269 --> 00:04:11,659  
means is put you into a mental asylum or

80  
00:04:08,079 --> 00:04:14,569  
send you to the psychiatrist having said

81  
00:04:11,659 --> 00:04:17,629  
that there are some who made the mistake

82  
00:04:14,568 --> 00:04:20,418  
as they said of going to or through the

83  
00:04:17,629 --> 00:04:22,610  
allopathic medicine 'el system and

84  
00:04:20,418 --> 00:04:25,549  
that's our normal drug orientated

85  
00:04:22,610 --> 00:04:28,850  
medicine system only to find that they

86

00:04:25,550 --> 00:04:32,379  
are institutionalized sometimes put on

87  
00:04:28,850 --> 00:04:35,570  
medication and often that medication is

88  
00:04:32,379 --> 00:04:37,939  
something that becomes mandatory that

89  
00:04:35,569 --> 00:04:41,300  
they have to take it because otherwise

90  
00:04:37,939 --> 00:04:43,969  
certain government funding or aspects of

91  
00:04:41,300 --> 00:04:47,030  
their life will not be there so it's

92  
00:04:43,970 --> 00:04:49,490  
it's a huge subject for people and I

93  
00:04:47,029 --> 00:04:50,989  
know it's very very difficult when you

94  
00:04:49,490 --> 00:04:54,139  
haven't had the personal experience

95  
00:04:50,990 --> 00:04:56,569  
yourself to possibly imagine what this

96  
00:04:54,139 --> 00:05:01,129  
could be like so that's another reason

97  
00:04:56,569 --> 00:05:04,430  
that we put together a mash we felt it

98  
00:05:01,129 --> 00:05:06,348  
important that experiences have a

99  
00:05:04,430 --> 00:05:08,930  
sympathetic ear and couldn't speak for

100  
00:05:06,348 --> 00:05:12,860

the first time perhaps without fear of

101

00:05:08,930 --> 00:05:15,470

ridicule without rejection so we're

102

00:05:12,860 --> 00:05:17,210

something of a lifeline for many I've

103

00:05:15,470 --> 00:05:18,440

had people who have said to me that this

104

00:05:17,209 --> 00:05:21,019

is the first time they've spoken about

105

00:05:18,439 --> 00:05:23,839

their experiences in 12 years or 10

106

00:05:21,019 --> 00:05:27,439

years many years and it's the first time

107

00:05:23,839 --> 00:05:28,819

a lot of them have really plucked up

108

00:05:27,439 --> 00:05:31,250

courage to do this

109

00:05:28,819 --> 00:05:33,800

and again it's very difficult for us to

110

00:05:31,250 --> 00:05:36,019

imagine why it would take courage to do

111

00:05:33,800 --> 00:05:37,660

this I can only tell you that when you

112

00:05:36,019 --> 00:05:40,669

have these

113

00:05:37,660 --> 00:05:44,840

for which we have no rules for which we

114

00:05:40,670 --> 00:05:47,660

have no frame of reference it is very

115  
00:05:44,839 --> 00:05:51,169  
difficult to find a place in your head

116  
00:05:47,660 --> 00:05:54,800  
in your life in the social structure of

117  
00:05:51,170 --> 00:05:57,800  
where this all fits so we're about

118  
00:05:54,800 --> 00:05:59,569  
researching what this means and where

119  
00:05:57,800 --> 00:06:02,449  
it's going for Humanity because this is

120  
00:05:59,569 --> 00:06:05,360  
huge this is really huge as I think all

121  
00:06:02,449 --> 00:06:08,659  
my colleagues have said everybody has

122  
00:06:05,360 --> 00:06:10,970  
said this has high impact for Humanity

123  
00:06:08,660 --> 00:06:13,670  
and what I'm interested in particularly

124  
00:06:10,970 --> 00:06:17,930  
with the work of a mash is lifting the

125  
00:06:13,670 --> 00:06:20,090  
lid on some of the covert nurse of it

126  
00:06:17,930 --> 00:06:22,100  
that's bringing it out into the open and

127  
00:06:20,089 --> 00:06:24,560  
sometimes it means discussing issues

128  
00:06:22,100 --> 00:06:27,230  
that are very uncomfortable for us quite

129

00:06:24,560 --> 00:06:30,399  
challenging that my belief as a

130

00:06:27,230 --> 00:06:34,060  
therapist too is if we bring these

131

00:06:30,399 --> 00:06:36,829  
elements out learn to understand them

132

00:06:34,060 --> 00:06:39,579  
then we will have a healing we will have

133

00:06:36,829 --> 00:06:45,550  
a neutralization of the traumatization

134

00:06:39,579 --> 00:06:49,849  
which is important a lot of our

135

00:06:45,550 --> 00:06:52,610  
experiences have come to us because they

136

00:06:49,850 --> 00:06:54,470  
have seen our work because they have

137

00:06:52,610 --> 00:06:56,689  
seen something in the paper about us we

138

00:06:54,470 --> 00:07:00,200  
seem to be gaining attention in the UK

139

00:06:56,689 --> 00:07:02,240  
slowly by slowly and they haven't felt

140

00:07:00,199 --> 00:07:04,969  
safe before but there I think there is

141

00:07:02,240 --> 00:07:09,530  
some resonance on the planet also that

142

00:07:04,970 --> 00:07:12,380  
is triggering people to come forward to

143

00:07:09,529 --> 00:07:17,959  
remember as well it's quite interesting

144  
00:07:12,379 --> 00:07:20,060  
because in the autumn of 2010 quite a

145  
00:07:17,959 --> 00:07:22,459  
few people who I've spoken to who are

146  
00:07:20,060 --> 00:07:26,569  
experiences suddenly seem to have a

147  
00:07:22,459 --> 00:07:28,159  
download of information which is really

148  
00:07:26,569 --> 00:07:31,939  
interesting and information often

149  
00:07:28,160 --> 00:07:33,650  
contained memories of crafts and beings

150  
00:07:31,939 --> 00:07:35,899  
and what-have-you but we'll come on to

151  
00:07:33,649 --> 00:07:38,689  
those a bit later so I don't know quite

152  
00:07:35,899 --> 00:07:40,039  
what happened in the autumn of 2010 but

153  
00:07:38,689 --> 00:07:42,410  
quite a few people have referenced that

154  
00:07:40,040 --> 00:07:44,270  
time so maybe something for somebody

155  
00:07:42,410 --> 00:07:47,390  
else to have a look at there so we're

156  
00:07:44,269 --> 00:07:49,740  
very interested in the impact that these

157  
00:07:47,389 --> 00:07:54,180

events actually have on experiences

158

00:07:49,740 --> 00:07:56,910

both psychologically and physically it's

159

00:07:54,180 --> 00:07:58,889

come to our attention when talking and

160

00:07:56,910 --> 00:08:02,550

just chatting informally to people who

161

00:07:58,889 --> 00:08:07,169

are have had anomalous experiences that

162

00:08:02,550 --> 00:08:09,960

they have physical aspects or outcomes

163

00:08:07,170 --> 00:08:14,069

to their experience as well and it's

164

00:08:09,959 --> 00:08:15,810

it's not great so I'm very intrigued by

165

00:08:14,069 --> 00:08:18,149

this because I've been a researcher in

166

00:08:15,810 --> 00:08:20,250

health and wellness and various systems

167

00:08:18,149 --> 00:08:22,769

of healing for quite a number of years

168

00:08:20,250 --> 00:08:25,910

and I'm quite interested in to know why

169

00:08:22,769 --> 00:08:28,199

that is and what we can do about it I

170

00:08:25,910 --> 00:08:30,810

actually don't think it's really okay

171

00:08:28,199 --> 00:08:32,639

for this interaction to take place and

172  
00:08:30,810 --> 00:08:36,120  
us not to be taken care of in the

173  
00:08:32,639 --> 00:08:38,129  
process so I'm very much about

174  
00:08:36,120 --> 00:08:40,230  
uncovering what this means and finding a

175  
00:08:38,129 --> 00:08:44,179  
way that we can become more interactive

176  
00:08:40,230 --> 00:08:46,500  
let's call it the first part of our name

177  
00:08:44,179 --> 00:08:49,589  
just to because it's a bit of an old

178  
00:08:46,500 --> 00:08:54,360  
word it's it addresses the aspect of

179  
00:08:49,590 --> 00:08:56,460  
mind control so left the a mmm bit so

180  
00:08:54,360 --> 00:08:59,480  
that's a anomalous mind management and

181  
00:08:56,460 --> 00:09:02,790  
we use that phrase particularly because

182  
00:08:59,480 --> 00:09:05,990  
mind control is is more limiting as a

183  
00:09:02,789 --> 00:09:09,809  
concept but anomalous mind management is

184  
00:09:05,990 --> 00:09:11,879  
really talking about the manipulation in

185  
00:09:09,809 --> 00:09:14,639  
the management of our mental

186  
00:09:11,879 --> 00:09:17,070  
psychological and and perhaps spiritual

187  
00:09:14,639 --> 00:09:18,960  
direction and processes and indeed those

188  
00:09:17,070 --> 00:09:21,990  
do come to bear as I said on some of our

189  
00:09:18,960 --> 00:09:24,480  
experiences not all by any means but

190  
00:09:21,990 --> 00:09:28,289  
certainly a quite a degree and of course

191  
00:09:24,480 --> 00:09:30,960  
then the C the AC and the H is abductee

192  
00:09:28,289 --> 00:09:34,500  
and contactee and what we also do is

193  
00:09:30,960 --> 00:09:37,560  
fund a helpline which is the age we fund

194  
00:09:34,500 --> 00:09:40,379  
a helpline which is service' as a first

195  
00:09:37,559 --> 00:09:43,109  
port of call for anyone in the UK and in

196  
00:09:40,379 --> 00:09:46,679  
fact outside of the UK now to call us

197  
00:09:43,110 --> 00:09:49,409  
and we tend to then Skype email get

198  
00:09:46,679 --> 00:09:51,620  
information find out how we can help how

199  
00:09:49,409 --> 00:09:54,689  
we can best support these people and

200

00:09:51,620 --> 00:09:56,909  
you'd be surprised you would be very

201  
00:09:54,690 --> 00:09:57,360  
surprised to know how many people there

202  
00:09:56,909 --> 00:10:01,259  
are

203  
00:09:57,360 --> 00:10:02,200  
I've guest on since we had a media event

204  
00:10:01,259 --> 00:10:04,299  
recently

205  
00:10:02,200 --> 00:10:06,430  
I'll tell you about in a moment I guess

206  
00:10:04,299 --> 00:10:07,899  
we have had we're looking at some in

207  
00:10:06,429 --> 00:10:11,279  
something in the region of about five

208  
00:10:07,899 --> 00:10:14,019  
people a week it's really ramping up

209  
00:10:11,279 --> 00:10:21,819  
it's really you know it's really

210  
00:10:14,019 --> 00:10:24,490  
interesting so I just want you to tell

211  
00:10:21,820 --> 00:10:26,080  
tell you a little bit about us I'll give

212  
00:10:24,490 --> 00:10:28,840  
you a because you won't know who we are

213  
00:10:26,080 --> 00:10:31,480  
brief overview of our backgrounds I

214  
00:10:28,840 --> 00:10:34,330

initially trained in theater and media

215

00:10:31,480 --> 00:10:36,070

and I also did a bit of teaching and I

216

00:10:34,330 --> 00:10:38,710

have a teaching qualification working

217

00:10:36,070 --> 00:10:40,720

with adults in adult education which I

218

00:10:38,710 --> 00:10:42,900

began to use when I was teaching healing

219

00:10:40,720 --> 00:10:48,250

meditation and different healing

220

00:10:42,899 --> 00:10:51,370

modalities I've also been working with

221

00:10:48,250 --> 00:10:55,690

people who have been traumatized in

222

00:10:51,370 --> 00:10:57,009

various from various cases and so as

223

00:10:55,690 --> 00:11:00,400

well as bereavement counseling so I've

224

00:10:57,009 --> 00:11:02,889

got quite a wide background in the care

225

00:11:00,399 --> 00:11:04,750

alternative many energy and I'm also

226

00:11:02,889 --> 00:11:05,919

well that's another area I'm very

227

00:11:04,750 --> 00:11:09,129

interested in but also the old the

228

00:11:05,919 --> 00:11:10,889

energy medicine side of it with my

229  
00:11:09,129 --> 00:11:14,620  
training as a therapist this is also

230  
00:11:10,889 --> 00:11:17,409  
again been a real insight into into the

231  
00:11:14,620 --> 00:11:20,440  
human psychology way before Amash was

232  
00:11:17,409 --> 00:11:23,529  
even a gleam in my eye I had a couple of

233  
00:11:20,440 --> 00:11:25,930  
clients who came to me for therapy

234  
00:11:23,529 --> 00:11:29,039  
sessions whoo-hoo both differently had

235  
00:11:25,929 --> 00:11:31,389  
experiences of being in an ET form

236  
00:11:29,039 --> 00:11:34,000  
previously in previous incarnations

237  
00:11:31,389 --> 00:11:37,809  
where they saw their planet being

238  
00:11:34,000 --> 00:11:40,480  
destroyed and one of the people it was

239  
00:11:37,809 --> 00:11:43,629  
quite interesting would perhaps get up

240  
00:11:40,480 --> 00:11:45,279  
in the night for a toilet break and be

241  
00:11:43,629 --> 00:11:48,639  
washing their hands and look up in the

242  
00:11:45,279 --> 00:11:51,579  
mirror in front of them and see an ET

243  
00:11:48,639 --> 00:11:53,529  
face and this completely traumatized

244  
00:11:51,580 --> 00:11:55,990  
them they knew they weren't seeing

245  
00:11:53,529 --> 00:11:57,610  
things and it maintained as well so we

246  
00:11:55,990 --> 00:12:00,250  
did quite a bit of work around that to

247  
00:11:57,610 --> 00:12:03,629  
try and understand why that energy was

248  
00:12:00,250 --> 00:12:03,629  
coming in now

249  
00:12:05,080 --> 00:12:10,730  
miles Johnston miles Johnston my

250  
00:12:08,419 --> 00:12:13,539  
colleague oh I think I've gone a bit too

251  
00:12:10,730 --> 00:12:15,440  
far on that one

252  
00:12:13,539 --> 00:12:19,179  
bear with me a second

253  
00:12:15,440 --> 00:12:21,320  
although perhaps we've gone out of sync

254  
00:12:19,179 --> 00:12:23,500  
all right let me just talk about this

255  
00:12:21,320 --> 00:12:28,010  
one then on April the 6th of this year

256  
00:12:23,500 --> 00:12:31,399  
we had a major media interest in us and

257

00:12:28,009 --> 00:12:34,879  
the Sun newspaper is a tabloid in the UK

258  
00:12:31,399 --> 00:12:36,500  
and I did an interview with a syndicated

259  
00:12:34,879 --> 00:12:38,419  
media company and I was really nervous

260  
00:12:36,500 --> 00:12:40,429  
about it I must say because I knew that

261  
00:12:38,419 --> 00:12:44,870  
I could be letting myself in for all

262  
00:12:40,429 --> 00:12:46,789  
kinds of uncomfortable reactions from

263  
00:12:44,870 --> 00:12:48,019  
that I'm quite glad they didn't put my

264  
00:12:46,789 --> 00:12:49,959  
picture there and they put the picture

265  
00:12:48,019 --> 00:12:54,319  
of ET I think that says it a lot better

266  
00:12:49,960 --> 00:12:57,019  
so as it says scene ET question mark

267  
00:12:54,320 --> 00:13:00,400  
phone us at home and of course that

268  
00:12:57,019 --> 00:13:04,579  
relates to us providing a phone number

269  
00:13:00,399 --> 00:13:06,919  
for experiences to contact us and it

270  
00:13:04,580 --> 00:13:10,910  
just talks about that now we had an

271  
00:13:06,919 --> 00:13:14,750

absolute storm of every idiot in the UK

272

00:13:10,909 --> 00:13:16,129  
ringing for about three days they had a

273

00:13:14,750 --> 00:13:18,320  
really good time claiming that they've

274

00:13:16,129 --> 00:13:20,809  
been taken by aliens and of course you

275

00:13:18,320 --> 00:13:23,110  
know you do get your hopes is but I have

276

00:13:20,809 --> 00:13:27,139  
to tell you that up until this point I

277

00:13:23,110 --> 00:13:29,659  
have not met in all honesty I can say I

278

00:13:27,139 --> 00:13:32,480  
have not met anybody especially anybody

279

00:13:29,659 --> 00:13:35,209  
we've interviewed who has been a hoax

280

00:13:32,480 --> 00:13:37,159  
and that's quite interesting because it

281

00:13:35,210 --> 00:13:39,440  
shows the quality also of the people

282

00:13:37,159 --> 00:13:42,439  
coming forward and the people that are

283

00:13:39,440 --> 00:13:45,110  
still coming forward so it people say

284

00:13:42,440 --> 00:13:46,580  
well how do you know you know we always

285

00:13:45,110 --> 00:13:48,710  
have a disclaimer on the front of our

286  
00:13:46,580 --> 00:13:51,820  
videos front of our interviews which

287  
00:13:48,710 --> 00:13:55,639  
says that we're doing this from a

288  
00:13:51,820 --> 00:13:57,490  
compassionate truthful point of view and

289  
00:13:55,639 --> 00:14:00,289  
we're doing it in the name of research

290  
00:13:57,490 --> 00:14:02,029  
because the more we find out the more we

291  
00:14:00,289 --> 00:14:03,139  
hear people's testimonies and reports

292  
00:14:02,029 --> 00:14:06,769  
about what has been their real

293  
00:14:03,139 --> 00:14:10,100  
experience often from their very young

294  
00:14:06,769 --> 00:14:11,720  
lives the more that we can understand

295  
00:14:10,100 --> 00:14:13,909  
the more we can become empowered and

296  
00:14:11,720 --> 00:14:14,779  
that's what I'm very interested in so we

297  
00:14:13,909 --> 00:14:18,049  
did have

298  
00:14:14,779 --> 00:14:21,949  
really interesting flurry there is as a

299  
00:14:18,049 --> 00:14:25,459  
reaction to us being in the being in the

300  
00:14:21,950 --> 00:14:28,030  
paper but we've had a couple of calls

301  
00:14:25,460 --> 00:14:31,340  
from people like the BBC as well and

302  
00:14:28,029 --> 00:14:33,049  
they wanted us to send some of our

303  
00:14:31,340 --> 00:14:34,759  
people along to America which they

304  
00:14:33,049 --> 00:14:37,250  
thought was really great because they

305  
00:14:34,759 --> 00:14:39,559  
were getting their expenses paid to be

306  
00:14:37,250 --> 00:14:42,820  
kind of caged up for two weeks with a

307  
00:14:39,559 --> 00:14:45,289  
skeptical and for them to prove to them

308  
00:14:42,820 --> 00:14:47,270  
their experiences were real well what

309  
00:14:45,289 --> 00:14:50,360  
nonsense what nonsense

310  
00:14:47,269 --> 00:14:52,549  
that time is over we are not standing on

311  
00:14:50,360 --> 00:14:53,930  
a stage with skeptics but there is so

312  
00:14:52,549 --> 00:14:55,819  
much evidence you've already heard quite

313  
00:14:53,929 --> 00:14:59,000  
a lot of it today and you'll hear more

314

00:14:55,820 --> 00:15:01,010  
I'm sure over the weekend so we're not

315  
00:14:59,000 --> 00:15:03,169  
about exposing people to that kind of

316  
00:15:01,009 --> 00:15:05,330  
thing are people the people who have the

317  
00:15:03,169 --> 00:15:08,599  
courage to come through our doorway and

318  
00:15:05,330 --> 00:15:10,310  
especially to be filmed by us we stand

319  
00:15:08,600 --> 00:15:12,259  
by them a hundred percent and I

320  
00:15:10,309 --> 00:15:15,349  
absolutely salute their courage and

321  
00:15:12,259 --> 00:15:18,529  
bravery I think it's amazing so this

322  
00:15:15,350 --> 00:15:20,690  
graphic now is relevant to Miles

323  
00:15:18,529 --> 00:15:22,909  
Johnston who is my colleague and

324  
00:15:20,690 --> 00:15:26,300  
videographer and director of the filming

325  
00:15:22,909 --> 00:15:29,360  
that we do Myles has for many years been

326  
00:15:26,299 --> 00:15:31,069  
filming people who have had anomalous

327  
00:15:29,360 --> 00:15:33,710  
experiences and he has a particular

328  
00:15:31,070 --> 00:15:36,020

interest in what's become known as the

329

00:15:33,710 --> 00:15:39,019

Djinn that is the Middle Eastern aspect

330

00:15:36,019 --> 00:15:40,759

of entities that are coming forward very

331

00:15:39,019 --> 00:15:44,179

prevalent in the Middle Eastern culture

332

00:15:40,759 --> 00:15:47,990

and also super soldiers and super

333

00:15:44,179 --> 00:15:49,250

soldiers comes with mind control issues

334

00:15:47,990 --> 00:15:51,320

and all the rest of that which we're not

335

00:15:49,250 --> 00:15:54,740

going to go into today but I'll work

336

00:15:51,320 --> 00:15:59,950

very well complements each other so

337

00:15:54,740 --> 00:16:05,570

Myles and I invite people around to do

338

00:15:59,950 --> 00:16:07,129

interviews with us and we hope that that

339

00:16:05,570 --> 00:16:09,110

they really find it a positive

340

00:16:07,129 --> 00:16:11,929

experience too because the last thing we

341

00:16:09,110 --> 00:16:13,550

want to do is reach Ramat eyes anyone so

342

00:16:11,929 --> 00:16:15,529

I'm showing you this graphic because I

343  
00:16:13,549 --> 00:16:18,620  
thought it was quite amusing it Myles

344  
00:16:15,529 --> 00:16:19,949  
and his colleague Colin Wilfred who's

345  
00:16:18,620 --> 00:16:24,060  
also a researcher here with

346  
00:16:19,950 --> 00:16:28,410  
this weekend went to Phoenix in February

347  
00:16:24,059 --> 00:16:31,259  
this year to the UFO Congress and Jaime

348  
00:16:28,409 --> 00:16:36,870  
Masson who is the very well-known

349  
00:16:31,259 --> 00:16:38,039  
Mexican presenter is using our logo but

350  
00:16:36,870 --> 00:16:40,019  
if we didn't know about that

351  
00:16:38,039 --> 00:16:41,069  
and we were quite surprised and we just

352  
00:16:40,019 --> 00:16:43,079  
said well it would have been nice if

353  
00:16:41,070 --> 00:16:45,390  
he'd have said you know that's yours

354  
00:16:43,080 --> 00:16:48,930  
because we specially commissioned to

355  
00:16:45,389 --> 00:16:51,929  
this or ordered it from a guy called

356  
00:16:48,929 --> 00:16:54,750  
Paul Harvey who's absolutely fantastic

357  
00:16:51,929 --> 00:16:56,729  
with art and he created this graphic for

358  
00:16:54,750 --> 00:16:59,789  
us so if ever you see this graphic

359  
00:16:56,730 --> 00:17:02,850  
around it belongs to Emma and you could

360  
00:16:59,789 --> 00:17:04,349  
use it with a credit please so I just

361  
00:17:02,850 --> 00:17:05,970  
thought that was amazing that even when

362  
00:17:04,349 --> 00:17:11,269  
we don't know it mashes getting out

363  
00:17:05,970 --> 00:17:15,209  
there we had our first meeting in May

364  
00:17:11,269 --> 00:17:17,190  
last year in fact it was Friday May the

365  
00:17:15,209 --> 00:17:19,740  
13th and we were meeting in a Masonic

366  
00:17:17,190 --> 00:17:23,400  
Hall and none of that was intended but

367  
00:17:19,740 --> 00:17:26,430  
it's just quite interesting and in that

368  
00:17:23,400 --> 00:17:29,160  
meeting we had a few people there and

369  
00:17:26,430 --> 00:17:31,799  
none of them were going to speak because

370  
00:17:29,160 --> 00:17:33,779  
the idea was we would meet have a social

371

00:17:31,799 --> 00:17:35,819  
time for an hour so the other

372  
00:17:33,779 --> 00:17:37,319  
experiences could meet one another and

373  
00:17:35,819 --> 00:17:39,599  
then we were going to film some

374  
00:17:37,319 --> 00:17:43,230  
testimonies just two short five 10

375  
00:17:39,599 --> 00:17:44,459  
minutes here and there and then it

376  
00:17:43,230 --> 00:17:47,099  
didn't look like it was going to happen

377  
00:17:44,460 --> 00:17:48,900  
because as I said for these experiences

378  
00:17:47,099 --> 00:17:53,369  
to speak sometimes that the first time

379  
00:17:48,900 --> 00:17:56,009  
on record as they say it's really a big

380  
00:17:53,369 --> 00:17:58,649  
deal you know if you've got families

381  
00:17:56,009 --> 00:18:00,839  
you've got a social position you've got

382  
00:17:58,650 --> 00:18:03,720  
things you need to speak of or think of

383  
00:18:00,839 --> 00:18:06,720  
in the material world this is we well

384  
00:18:03,720 --> 00:18:10,890  
know can can certainly cause a lot of

385  
00:18:06,720 --> 00:18:13,890

difficulties so we've had this young man

386

00:18:10,890 --> 00:18:17,400

that you can see at the front he's only

387

00:18:13,890 --> 00:18:19,389

20 he's only 22 I believe 22 or 24 and

388

00:18:17,400 --> 00:18:21,759

both him and

389

00:18:19,388 --> 00:18:24,608

his sister who's a couple of years older

390

00:18:21,759 --> 00:18:28,838

I've been having experiences since about

391

00:18:24,608 --> 00:18:31,718

seven years old up at the top there

392

00:18:28,838 --> 00:18:34,778

we've got miles myself and David Griffin

393

00:18:31,719 --> 00:18:36,159

who may be known to to Carol and perhaps

394

00:18:34,778 --> 00:18:38,588

Igor and some of the other

395

00:18:36,159 --> 00:18:40,599

Exopolitics people here and the other

396

00:18:38,588 --> 00:18:44,048

gentleman on the right there on your

397

00:18:40,598 --> 00:18:45,819

left is David podrian and he runs

398

00:18:44,048 --> 00:18:48,368

something called boo fog which is the

399

00:18:45,819 --> 00:18:51,189

Birmingham which is in the UK UFO group

400  
00:18:48,368 --> 00:18:54,519  
and he also does a lot of work with

401  
00:18:51,190 --> 00:18:58,659  
contactees and he provides if you like a

402  
00:18:54,519 --> 00:19:01,808  
private chat room for people experiences

403  
00:18:58,659 --> 00:19:03,639  
once a month which is really really

404  
00:19:01,808 --> 00:19:05,769  
fantastic it's another resource we have

405  
00:19:03,638 --> 00:19:10,449  
you know because America has always led

406  
00:19:05,769 --> 00:19:13,388  
the way in this field in research in

407  
00:19:10,450 --> 00:19:15,419  
good research on this in this very

408  
00:19:13,388 --> 00:19:18,519  
different and difficult field sometimes

409  
00:19:15,419 --> 00:19:20,229  
so we're very grateful for all of that

410  
00:19:18,519 --> 00:19:22,598  
but we needed something going on in the

411  
00:19:20,229 --> 00:19:25,719  
UK so I really hope by this next

412  
00:19:22,598 --> 00:19:28,479  
testimony you'll hear Scott who is a dad

413  
00:19:25,719 --> 00:19:30,099  
of two who is really concerned about

414  
00:19:28,479 --> 00:19:33,909  
saying anything on tape he said you know

415  
00:19:30,098 --> 00:19:36,458  
Joanne he said I'm a coach for the

416  
00:19:33,909 --> 00:19:38,859  
little guys for my sons and they're you

417  
00:19:36,459 --> 00:19:41,429  
know the village and he said I really

418  
00:19:38,858 --> 00:19:43,298  
can't go on tape and talk about this

419  
00:19:41,429 --> 00:19:45,399  
that's well that's fine

420  
00:19:43,298 --> 00:19:49,179  
don't we wouldn't dream of pressuring

421  
00:19:45,398 --> 00:19:50,828  
anybody but we do try and counsel people

422  
00:19:49,179 --> 00:19:53,528  
into a way of thinking about the

423  
00:19:50,828 --> 00:19:57,428  
positive affect and aspects of this if

424  
00:19:53,528 --> 00:20:00,069  
they do would anyway he decided to speak

425  
00:19:57,429 --> 00:20:03,690  
and let's hope we can hear it unless

426  
00:20:00,069 --> 00:20:03,689  
it's only about three minutes

427  
00:20:10,740 --> 00:20:16,390  
this is where it gets strange me and my

428

00:20:14,440 --> 00:20:18,370  
middle son but you want to go out there

429  
00:20:16,390 --> 00:20:20,860  
again son - yep so we died back in the

430  
00:20:18,369 --> 00:20:24,849  
Valentine we drive out to the path the

431  
00:20:20,859 --> 00:20:27,579  
fog that by this time is so thick we're

432  
00:20:24,849 --> 00:20:31,240  
there five minutes on a maximum of

433  
00:20:27,579 --> 00:20:32,679  
twenty minutes come home when we had

434  
00:20:31,240 --> 00:20:34,569  
left my wife and my oldest son were

435  
00:20:32,680 --> 00:20:37,810  
watching Mamma Mia that was a Christmas

436  
00:20:34,569 --> 00:20:41,950  
present oh boy and by the time we got

437  
00:20:37,809 --> 00:20:44,440  
back my youngest son was in bed wife was

438  
00:20:41,950 --> 00:20:48,789  
in bed and my son was our play for a

439  
00:20:44,440 --> 00:20:52,360  
comedy special we didn't put two and two

440  
00:20:48,789 --> 00:20:55,240  
together at the time they were are then

441  
00:20:52,359 --> 00:20:57,759  
report with this as a sighting go in

442  
00:20:55,240 --> 00:20:59,500

touch with Dave hydrant and Dave came

443

00:20:57,759 --> 00:21:01,240

over and Dave was in the house when we

444

00:20:59,500 --> 00:21:06,819

actually found out exactly what it was

445

00:21:01,240 --> 00:21:09,279

that had happened my wife was able to

446

00:21:06,819 --> 00:21:11,559

explain and my son was able to explain

447

00:21:09,279 --> 00:21:13,359

and that we would we had indeed known

448

00:21:11,559 --> 00:21:13,889

for 20 minutes and we hadn't taken the

449

00:21:13,359 --> 00:21:17,500

phone

450

00:21:13,890 --> 00:21:19,990

we'd walk the dog and we've become for

451

00:21:17,500 --> 00:21:23,460

over two hours the next few months was

452

00:21:19,990 --> 00:21:27,160

hell it was absolute torture trying to

453

00:21:23,460 --> 00:21:34,150

simulate this if now into my reality was

454

00:21:27,160 --> 00:21:39,040

impossible my mind took a hammering and

455

00:21:34,150 --> 00:21:40,330

the experiences didn't stop nothing

456

00:21:39,039 --> 00:21:42,029

negative there's no negativity

457  
00:21:40,329 --> 00:21:44,619  
whatsoever

458  
00:21:42,029 --> 00:21:49,089  
the only negativity after ham was from

459  
00:21:44,619 --> 00:21:51,819  
the reaction from friends supposed to be

460  
00:21:49,089 --> 00:21:56,079  
best friends I lost my business through

461  
00:21:51,819 --> 00:21:58,259  
trying to deal with this nearly lost my

462  
00:21:56,079 --> 00:21:58,259  
wife

463  
00:22:01,380 --> 00:22:09,510  
it was just torture to be country and

464  
00:22:05,160 --> 00:22:09,509  
believe it or not I am coping there

465  
00:22:10,109 --> 00:22:16,389  
it's been hard I agree with what Simon

466  
00:22:13,029 --> 00:22:18,339  
Says is this the there is a soul level

467  
00:22:16,390 --> 00:22:20,740  
to this and this is the thing that I

468  
00:22:18,339 --> 00:22:22,659  
think a lot of people become completely

469  
00:22:20,740 --> 00:22:25,930  
detached from it's the fact that we

470  
00:22:22,660 --> 00:22:29,080  
aren't just physical beings it's some it

471  
00:22:25,930 --> 00:22:31,140  
inside every single one of us and I was

472  
00:22:29,079 --> 00:22:39,159  
I was shown myself shall we say

473  
00:22:31,140 --> 00:22:41,680  
introduced to myself thank you tears and

474  
00:22:39,160 --> 00:22:45,580  
this it's been great getting to know

475  
00:22:41,680 --> 00:22:47,710  
myself through it so you can see the

476  
00:22:45,579 --> 00:22:50,230  
emotional impact that had on Scott and

477  
00:22:47,710 --> 00:22:52,960  
you know he wouldn't talk about a lot of

478  
00:22:50,230 --> 00:22:56,069  
the aspects of his experiences certainly

479  
00:22:52,960 --> 00:23:00,610  
not on camera and even then not to us

480  
00:22:56,069 --> 00:23:03,759  
not all of them but I want you to note

481  
00:23:00,609 --> 00:23:06,609  
that whatever traumatization people have

482  
00:23:03,759 --> 00:23:09,039  
experienced they also seem to come out

483  
00:23:06,609 --> 00:23:13,209  
the other end having heard a spiritual

484  
00:23:09,039 --> 00:23:16,329  
awakening a spiritual movement very

485

00:23:13,210 --> 00:23:19,059  
strong movement in their being and this

486  
00:23:16,329 --> 00:23:22,269  
colors everything but as you heard from

487  
00:23:19,059 --> 00:23:25,929  
him how hard it is you know he lost his

488  
00:23:22,269 --> 00:23:28,629  
business friends and family found it

489  
00:23:25,930 --> 00:23:30,190  
very challenging to accept him and yet

490  
00:23:28,630 --> 00:23:33,970  
he's no different than he was before

491  
00:23:30,190 --> 00:23:35,950  
well he'll be slightly different but you

492  
00:23:33,970 --> 00:23:38,589  
know he's not he's not a different

493  
00:23:35,950 --> 00:23:40,809  
person essentially so we do you can see

494  
00:23:38,589 --> 00:23:42,339  
then the very great challenge that we

495  
00:23:40,809 --> 00:23:44,230  
all have here as researchers and

496  
00:23:42,339 --> 00:23:47,500  
presenters of this material let alone

497  
00:23:44,230 --> 00:23:49,150  
the experiences in in trying to find a

498  
00:23:47,500 --> 00:23:53,170  
middle ground in in a way to present

499  
00:23:49,150 --> 00:23:56,530

this that is that is acceptable to

500

00:23:53,170 --> 00:23:58,680

everybody also because some of the work

501

00:23:56,529 --> 00:24:01,450

does have some challenging aspects but

502

00:23:58,680 --> 00:24:04,150

there is always always in any challenge

503

00:24:01,450 --> 00:24:08,380

we face a positive attitude

504

00:24:04,150 --> 00:24:12,830

it is often our response rather than

505

00:24:08,380 --> 00:24:15,980

reaction that tells the tale now in

506

00:24:12,829 --> 00:24:19,069

next short clip which is just under an

507

00:24:15,980 --> 00:24:20,929

hour we have a gentleman who I'm going

508

00:24:19,069 --> 00:24:25,908

to feature a little bit today called

509

00:24:20,929 --> 00:24:29,450

Simon Parkes Simon's been making a

510

00:24:25,909 --> 00:24:31,250

little bit of a wave in the UK recently

511

00:24:29,450 --> 00:24:34,370

for one reason or another which I'll go

512

00:24:31,250 --> 00:24:36,500

into shortly but he's just going to be

513

00:24:34,369 --> 00:24:40,178

talking slightly now about a particular

514  
00:24:36,500 --> 00:24:43,130  
type of entity that he has had lifelong

515  
00:24:40,179 --> 00:24:48,590  
association with and they're called the

516  
00:24:43,130 --> 00:24:50,299  
mantas or he calls him the mantids it's

517  
00:24:48,589 --> 00:24:52,939  
quite interesting his background -

518  
00:24:50,298 --> 00:24:55,548  
because Simon's mother used to work for

519  
00:24:52,940 --> 00:25:01,940  
the British security services known as

520  
00:24:55,548 --> 00:25:03,918  
mi5 as a secretary prior to that she was

521  
00:25:01,940 --> 00:25:05,929  
working as a secretary to a solicitors

522  
00:25:03,919 --> 00:25:07,549  
company and they would have this

523  
00:25:05,929 --> 00:25:10,278  
gentleman come in who was a multi

524  
00:25:07,548 --> 00:25:13,009  
linguist who would come in often from

525  
00:25:10,278 --> 00:25:15,319  
Germany interestingly enough and bring

526  
00:25:13,009 --> 00:25:18,200  
her documents as was arranged with the

527  
00:25:15,319 --> 00:25:20,569  
company for her and her alone to type up

528  
00:25:18,200 --> 00:25:23,480  
because she was so excellent at her work

529  
00:25:20,569 --> 00:25:25,849  
in the end the work was so much that

530  
00:25:23,480 --> 00:25:28,720  
they asked her if she would work from

531  
00:25:25,849 --> 00:25:31,969  
home and she would receive two salaries

532  
00:25:28,720 --> 00:25:35,058  
she was forced to sign the Official

533  
00:25:31,970 --> 00:25:36,950  
Secrets Act she was forced to do that

534  
00:25:35,058 --> 00:25:41,528  
under pain of death to her son and

535  
00:25:36,950 --> 00:25:44,090  
herself and when she asked if she could

536  
00:25:41,528 --> 00:25:45,919  
you know change and go back to her old

537  
00:25:44,089 --> 00:25:48,829  
job anytime they said yes of course

538  
00:25:45,919 --> 00:25:49,389  
but if you ever speak about it you'll be

539  
00:25:48,829 --> 00:25:52,730  
dead

540  
00:25:49,388 --> 00:25:56,569  
that's pretty final anyway she did this

541  
00:25:52,730 --> 00:25:58,099  
work for a few months and I just think

542

00:25:56,569 --> 00:26:01,428  
it's very interesting because there's

543  
00:25:58,099 --> 00:26:04,849  
often something in the generations that

544  
00:26:01,429 --> 00:26:07,309  
are in indicators about what's happening

545  
00:26:04,849 --> 00:26:10,459  
to an experimenter so let's see what

546  
00:26:07,308 --> 00:26:13,099  
Simon has to say it's only short as I

547  
00:26:10,460 --> 00:26:17,058  
say in less than a minute I name is

548  
00:26:13,099 --> 00:26:19,490  
Simon 51 years of age and I've been

549  
00:26:17,058 --> 00:26:22,579  
around these creatures for 51 years of

550  
00:26:19,490 --> 00:26:25,549  
my life or rather these creatures have

551  
00:26:22,579 --> 00:26:27,559  
been around me I didn't go seeking them

552  
00:26:25,549 --> 00:26:29,389  
came to find me but it's all about the

553  
00:26:27,559 --> 00:26:30,799  
genetics it's all about the DNA that's

554  
00:26:29,390 --> 00:26:33,860  
what they're really interested in

555  
00:26:30,799 --> 00:26:36,909  
so are they interested in that is for

556  
00:26:33,859 --> 00:26:40,849

the betterment of humanity or are they

557

00:26:36,910 --> 00:26:44,840

creating another race are they that we

558

00:26:40,849 --> 00:26:50,119

here happens hybrids term frequently

559

00:26:44,839 --> 00:26:52,279

used I can only tell you that the

560

00:26:50,119 --> 00:26:53,929

faction of extraterrestrials that deals

561

00:26:52,279 --> 00:26:55,309

with me I know for a fact from what

562

00:26:53,930 --> 00:26:57,620

they've said there are different groups

563

00:26:55,309 --> 00:26:59,929

all signed up to different factions and

564

00:26:57,619 --> 00:27:01,549

each faction will have its own way of

565

00:26:59,930 --> 00:27:06,560

doing it but they've all signed up to

566

00:27:01,549 --> 00:27:08,899

the same agenda so there's an agenda

567

00:27:06,559 --> 00:27:10,849

going on well I guess we knew that much

568

00:27:08,900 --> 00:27:12,980

from all that we've heard so far we

569

00:27:10,849 --> 00:27:16,039

don't know what this agenda is exactly

570

00:27:12,980 --> 00:27:18,740

we know that hybridization goes on and

571  
00:27:16,039 --> 00:27:21,139  
what that means is there is clearly gene

572  
00:27:18,740 --> 00:27:23,450  
manipulation going on DNA manipulation

573  
00:27:21,140 --> 00:27:25,370  
and I suspect that this has been going

574  
00:27:23,450 --> 00:27:27,680  
on from the year dot from my own

575  
00:27:25,369 --> 00:27:30,739  
research which may be a challenging

576  
00:27:27,680 --> 00:27:33,680  
thing to take on board for some but the

577  
00:27:30,740 --> 00:27:39,349  
evidence seems to be showing that as the

578  
00:27:33,680 --> 00:27:41,750  
case so I really would like to to say

579  
00:27:39,349 --> 00:27:44,379  
that I talk about disclosure we hear a

580  
00:27:41,750 --> 00:27:46,430  
little bit about disclosure and you know

581  
00:27:44,380 --> 00:27:47,420  
one or two colleagues are hoping that

582  
00:27:46,430 --> 00:27:49,460  
it's going to come through the

583  
00:27:47,420 --> 00:27:51,410  
government well I think we're already in

584  
00:27:49,460 --> 00:27:54,259  
disclosure I think that these

585  
00:27:51,410 --> 00:27:56,300  
experiences are one of the roots one of

586  
00:27:54,259 --> 00:27:58,129  
the main roots of disclosure and then

587  
00:27:56,299 --> 00:28:00,230  
all my colleagues and the other people

588  
00:27:58,130 --> 00:28:03,320  
you'll hear tomorrow it's all disclosure

589  
00:28:00,230 --> 00:28:08,779  
so I think we are it I think we are the

590  
00:28:03,319 --> 00:28:10,909  
official disclosure unit anyway this

591  
00:28:08,779 --> 00:28:15,049  
next bit is a little bit longer this

592  
00:28:10,910 --> 00:28:18,350  
next clip and in it I'm I'm going to

593  
00:28:15,049 --> 00:28:20,029  
refer to an email that I had from an

594  
00:28:18,349 --> 00:28:22,579  
American lady it was an extremely

595  
00:28:20,029 --> 00:28:24,980  
lengthy email but I wanted to share it

596  
00:28:22,579 --> 00:28:26,869  
because there are some aspects of

597  
00:28:24,980 --> 00:28:30,200  
people's experiences that as I said

598  
00:28:26,869 --> 00:28:33,709  
before are quite challenging and nobody

599

00:28:30,200 --> 00:28:36,140  
finds them easy but it's like any sore

600  
00:28:33,710 --> 00:28:39,058  
or boil or anything we have in our

601  
00:28:36,140 --> 00:28:42,419  
bodies that's causing us grief or

602  
00:28:39,058 --> 00:28:45,628  
discomfort once the poison is out of the

603  
00:28:42,419 --> 00:28:47,990  
system the body will heal and I think

604  
00:28:45,628 --> 00:28:50,128  
that happens on every single level

605  
00:28:47,990 --> 00:28:50,669  
psychologically spiritually in every

606  
00:28:50,128 --> 00:28:52,528  
which way

607  
00:28:50,669 --> 00:28:55,980  
and it's only by revealing this

608  
00:28:52,528 --> 00:28:58,048  
information it's only by sharing it can

609  
00:28:55,980 --> 00:29:00,808  
we possibly get to understand better and

610  
00:28:58,048 --> 00:29:04,710  
become more empowered about what is

611  
00:29:00,808 --> 00:29:08,908  
going on and what these agendas are so

612  
00:29:04,710 --> 00:29:10,860  
this is also you'll see Simon he was

613  
00:29:08,909 --> 00:29:12,539

very kind and allowed us and very

614

00:29:10,859 --> 00:29:15,298

trusting I have to tell you these people

615

00:29:12,538 --> 00:29:17,538

are very trusting of us really very

616

00:29:15,298 --> 00:29:22,558

trusting and you know that really needs

617

00:29:17,538 --> 00:29:25,378

that really needs noting just one second

618

00:29:22,558 --> 00:29:27,388

and let me get this going you'll see

619

00:29:25,378 --> 00:29:29,730

Simon going through a little bit of a

620

00:29:27,388 --> 00:29:31,740

therapy session that I did with him and

621

00:29:29,730 --> 00:29:34,679

in this therapy session

622

00:29:31,740 --> 00:29:37,169

he's relating some material which you

623

00:29:34,679 --> 00:29:41,298

may find a little bit difficult but you

624

00:29:37,169 --> 00:29:41,299

can ask me about it later if you wish oh

625

00:29:44,990 --> 00:29:51,359

I'm sorry I think I've just gone on too

626

00:29:48,269 --> 00:29:53,970

far though just one second

627

00:29:51,359 --> 00:29:55,740

we'll get back I filled out let's see if

628  
00:29:53,970 --> 00:29:58,048  
I can get myself back I recently

629  
00:29:55,740 --> 00:30:01,288  
received just just last week so that

630  
00:29:58,048 --> 00:30:03,929  
will be the end of October 2011 an email

631  
00:30:01,288 --> 00:30:06,269  
from a lady in America and as you can

632  
00:30:03,929 --> 00:30:09,179  
see it's oats are really along and this

633  
00:30:06,269 --> 00:30:10,888  
is several pages long of an email that

634  
00:30:09,179 --> 00:30:11,970  
she said and I just want to read you one

635  
00:30:10,888 --> 00:30:14,158  
or two bits because this is really

636  
00:30:11,970 --> 00:30:16,019  
important and interesting - it says I'm

637  
00:30:14,159 --> 00:30:20,129  
writing to say that everything that

638  
00:30:16,019 --> 00:30:22,740  
Simon Parks says and this is a bit about

639  
00:30:20,128 --> 00:30:24,628  
a really challenging piece of

640  
00:30:22,740 --> 00:30:28,109  
information about what happens to some

641  
00:30:24,628 --> 00:30:30,898  
children is absolutely true and she says

642  
00:30:28,109 --> 00:30:32,668  
I know this because at the moment I'm in

643  
00:30:30,898 --> 00:30:34,918  
tears from watching the work that you've

644  
00:30:32,669 --> 00:30:36,370  
done with Simon and I know about these

645  
00:30:34,919 --> 00:30:41,509  
Egyptian ritual

646  
00:30:36,369 --> 00:30:45,349  
everything he said is 100% true no no

647  
00:30:41,509 --> 00:30:46,179  
some horrible horrible images can you

648  
00:30:45,349 --> 00:30:53,139  
tell me what they are

649  
00:30:46,179 --> 00:30:53,140  
mmm they're not noise I can tell you and

650  
00:30:53,380 --> 00:31:06,320  
children being tortured killed where is

651  
00:30:59,569 --> 00:31:15,379  
this it's here on earth who is doing

652  
00:31:06,319 --> 00:31:17,899  
this by all these beings and are they

653  
00:31:15,380 --> 00:31:19,850  
doing it at this time back in the you

654  
00:31:17,900 --> 00:31:21,679  
know they're showing me what Maya

655  
00:31:19,849 --> 00:31:24,169  
showing me in my life they're showing me

656

00:31:21,679 --> 00:31:27,230  
what I should be what I should become

657  
00:31:24,170 --> 00:31:30,470  
this is the life that I am in this is

658  
00:31:27,230 --> 00:31:32,960  
who I should be this is my heritage okay

659  
00:31:30,470 --> 00:31:37,160  
and just what I'm being told what is it

660  
00:31:32,960 --> 00:31:40,610  
about this these horrible images what is

661  
00:31:37,160 --> 00:31:46,160  
it cuz I reject them all right I don't

662  
00:31:40,609 --> 00:31:47,839  
want to be that I choose not to be are

663  
00:31:46,160 --> 00:31:50,960  
they showing you these images because

664  
00:31:47,839 --> 00:31:55,220  
this is their way of life or is it and

665  
00:31:50,960 --> 00:31:58,610  
or is it a ritual and their ceremony in

666  
00:31:55,220 --> 00:32:01,789  
their culture right it's not gratuitous

667  
00:31:58,609 --> 00:32:04,399  
violence the culture the ritual and

668  
00:32:01,789 --> 00:32:07,759  
ceremony and this is what they do and

669  
00:32:04,400 --> 00:32:12,530  
this is what they stand for and I am a

670  
00:32:07,759 --> 00:32:14,240

part of that and I that I should be

671

00:32:12,529 --> 00:32:17,149

taking part in it and I am NOT with them

672

00:32:14,240 --> 00:32:20,589

I should be with them and they don't

673

00:32:17,150 --> 00:32:20,590

understand why I'm not with him

674

00:32:21,130 --> 00:32:26,679

the writer of the email also talks about

675

00:32:24,250 --> 00:32:29,140

a ritual and describes the main

676

00:32:26,679 --> 00:32:34,090

participants as being an Egyptian king

677

00:32:29,140 --> 00:32:36,600

known as pitar who with form servants or

678

00:32:34,089 --> 00:32:40,480

if they're not servant they're

679

00:32:36,599 --> 00:32:42,730

contributors to the next action who

680

00:32:40,480 --> 00:32:45,490

during a ceremony where a child is

681

00:32:42,730 --> 00:32:49,029

brought in in terror who is then put on

682

00:32:45,490 --> 00:32:50,679

a son up and a force field is then

683

00:32:49,029 --> 00:32:53,048

created around the slab so the child

684

00:32:50,679 --> 00:32:56,530

can't move but is totally conscious and

685  
00:32:53,048 --> 00:32:59,650  
aware there then ensues a ritual in

686  
00:32:56,529 --> 00:33:04,240  
which these five beings the king in

687  
00:32:59,650 --> 00:33:08,140  
these four chants and in can't and feed

688  
00:33:04,240 --> 00:33:12,009  
off the terror finally culminating with

689  
00:33:08,140 --> 00:33:14,679  
a look to this person who's written the

690  
00:33:12,009 --> 00:33:16,599  
email who was participating soon in this

691  
00:33:14,679 --> 00:33:18,759  
previous what I'm talking about though

692  
00:33:16,599 --> 00:33:21,459  
is aren't touch that this lady's

693  
00:33:18,759 --> 00:33:25,509  
participation and in a previous life

694  
00:33:21,460 --> 00:33:27,460  
what she remote unit child to then this

695  
00:33:25,509 --> 00:33:31,179  
child which was brought in was put on a

696  
00:33:27,460 --> 00:33:34,538  
slab like a long table and a force field

697  
00:33:31,179 --> 00:33:39,159  
stopped it moving it was absolutely in

698  
00:33:34,538 --> 00:33:42,150  
terror this child and it was then the

699  
00:33:39,159 --> 00:33:45,880  
subject of the next part which was

700  
00:33:42,150 --> 00:33:49,450  
incantation by this King Fatah is this

701  
00:33:45,880 --> 00:33:52,120  
American lady told us it was and these

702  
00:33:49,450 --> 00:33:53,710  
four other beings people humans I don't

703  
00:33:52,119 --> 00:33:56,288  
know exactly what they were and they

704  
00:33:53,710 --> 00:33:59,440  
began to chant an incan Tate which is to

705  
00:33:56,288 --> 00:34:02,019  
sing songs obviously building up the

706  
00:33:59,440 --> 00:34:04,720  
energy and building up the energy until

707  
00:34:02,019 --> 00:34:09,039  
they had actually drained the child of

708  
00:34:04,720 --> 00:34:15,820  
its terror and then they turned to look

709  
00:34:09,039 --> 00:34:19,840  
at her her sole job in this activity was

710  
00:34:15,820 --> 00:34:21,700  
to hand them the child she was the only

711  
00:34:19,840 --> 00:34:24,879  
one who could do it they were unable to

712  
00:34:21,699 --> 00:34:27,549  
touch the child when they did that when

713

00:34:24,878 --> 00:34:33,608  
she did that and they she was handed the

714  
00:34:27,550 --> 00:34:37,119  
child to them they fed off it so it's

715  
00:34:33,608 --> 00:34:40,358  
shocking this was from a previous life

716  
00:34:37,119 --> 00:34:43,899  
remote viewed but she knows very well

717  
00:34:40,358 --> 00:34:47,019  
that this was part of an ancient

718  
00:34:43,898 --> 00:34:48,668  
Egyptian ritual process now the very

719  
00:34:47,019 --> 00:34:52,269  
interesting thing that she said at the

720  
00:34:48,668 --> 00:34:56,289  
end was that as these beings feasted on

721  
00:34:52,269 --> 00:35:01,440  
the body having taken all the terror

722  
00:34:56,289 --> 00:35:06,338  
energy out they shape-shifted into

723  
00:35:01,440 --> 00:35:09,670  
reptilian beings and again the idea of

724  
00:35:06,338 --> 00:35:11,759  
shape-shifting has been made more common

725  
00:35:09,670 --> 00:35:14,829  
or popular with the work of David Icke

726  
00:35:11,760 --> 00:35:16,450  
bringing to to mine that kind of thing

727  
00:35:14,829 --> 00:35:18,119

indeed and as someone else mentioned

728

00:35:16,449 --> 00:35:20,379

earlier on today one of my colleagues

729

00:35:18,119 --> 00:35:22,480

we're talking about dealing in different

730

00:35:20,380 --> 00:35:24,130

dimensions all the time and and we're

731

00:35:22,480 --> 00:35:26,588

not schooled in this we're not taught

732

00:35:24,130 --> 00:35:28,180

about this this is all still new to us

733

00:35:26,588 --> 00:35:31,440

it's like we're in kindergarten and

734

00:35:28,179 --> 00:35:34,599

we're just getting a look at this and so

735

00:35:31,440 --> 00:35:37,900

it's really no surprise that that forms

736

00:35:34,599 --> 00:35:41,319

can change and shift it's like if you

737

00:35:37,900 --> 00:35:43,358

think of ice and water and then water

738

00:35:41,320 --> 00:35:45,338

going to steam it's all the same thing

739

00:35:43,358 --> 00:35:47,920

different frequency different vibration

740

00:35:45,338 --> 00:35:51,639

so by that simple analogy it just gives

741

00:35:47,920 --> 00:35:54,670

you an idea of the very many layers that

742  
00:35:51,639 --> 00:35:57,009  
this goes into across the ages and I

743  
00:35:54,670 --> 00:36:00,430  
think part of our work is about healing

744  
00:35:57,010 --> 00:36:03,670  
the my azzam and that is the heat the

745  
00:36:00,429 --> 00:36:07,960  
injuries sustained and the trauma

746  
00:36:03,670 --> 00:36:10,630  
sustained over the generations right

747  
00:36:07,960 --> 00:36:13,030  
back into hit our deepest history and I

748  
00:36:10,630 --> 00:36:15,519  
think when mankind when we all are able

749  
00:36:13,030 --> 00:36:19,060  
to be healed down our generational lines

750  
00:36:15,519 --> 00:36:21,369  
and then we can really move up within

751  
00:36:19,059 --> 00:36:23,769  
our consciousness so we're about helping

752  
00:36:21,369 --> 00:36:26,910  
to facilitate that so we do come across

753  
00:36:23,769 --> 00:36:30,219  
some fairly shocking information and

754  
00:36:26,909 --> 00:36:34,659  
there you know that that was awful but

755  
00:36:30,219 --> 00:36:37,989  
we also have cases where abuse sexual

756  
00:36:34,659 --> 00:36:39,670  
abuse ritualistic satanic abuse is used

757  
00:36:37,989 --> 00:36:41,199  
to generate energy especially

758  
00:36:39,670 --> 00:36:45,130  
sexual energy of course because it's so

759  
00:36:41,199 --> 00:36:47,439  
powerful to as a as a source of energy

760  
00:36:45,130 --> 00:36:51,068  
however that is used by various parties

761  
00:36:47,440 --> 00:36:56,019  
and I'm not really thinking that that's

762  
00:36:51,068 --> 00:36:58,210  
okay so I'm about helping these people

763  
00:36:56,019 --> 00:36:59,858  
to find their own power to feel

764  
00:36:58,210 --> 00:37:01,900  
comfortable with who they are because a

765  
00:36:59,858 --> 00:37:05,730  
lot of these experiences can bring a

766  
00:37:01,900 --> 00:37:09,519  
great sense of shame a great sense of

767  
00:37:05,730 --> 00:37:10,838  
incapacity to deal with life a lot of

768  
00:37:09,519 --> 00:37:15,338  
our people suffer with post-traumatic

769  
00:37:10,838 --> 00:37:18,338  
stress syndrome which war veterans have

770

00:37:15,338 --> 00:37:20,318  
often and you think my goodness you know

771  
00:37:18,338 --> 00:37:22,389  
this is an extraterrestrial event this

772  
00:37:20,318 --> 00:37:25,568  
is an event an extra dimensional event

773  
00:37:22,389 --> 00:37:27,429  
let's say because extraterrestrial

774  
00:37:25,568 --> 00:37:29,380  
they're not all extraterrestrial either

775  
00:37:27,429 --> 00:37:30,789  
some are just interdimensional some may

776  
00:37:29,380 --> 00:37:33,160  
be right in front of is two inches away

777  
00:37:30,789 --> 00:37:35,529  
from our face on another dimension

778  
00:37:33,159 --> 00:37:38,289  
another frequency it's just like tuning

779  
00:37:35,530 --> 00:37:42,000  
into a different radio station we don't

780  
00:37:38,289 --> 00:37:42,000  
have to going at the same time generally

781  
00:37:42,150 --> 00:37:47,190  
so as I said I'm featuring Simon a

782  
00:37:45,369 --> 00:37:49,568  
little bit at the moment because

783  
00:37:47,190 --> 00:37:52,210  
something very peculiar happened in

784  
00:37:49,568 --> 00:37:54,639

mid-march just this year March 17th in

785

00:37:52,210 --> 00:37:56,289  
fact Simon was traveling with a

786

00:37:54,639 --> 00:37:59,608  
passenger who is also a fellow

787

00:37:56,289 --> 00:38:05,139  
experiencer taking her to the airport

788

00:37:59,608 --> 00:38:08,078  
from the north of England and he had a

789

00:38:05,139 --> 00:38:11,279  
very very bad very serious road traffic

790

00:38:08,079 --> 00:38:14,109  
accident which was caused by somebody

791

00:38:11,280 --> 00:38:17,079  
intentionally ramming the car ramming

792

00:38:14,108 --> 00:38:20,469  
means that they would purposely turn the

793

00:38:17,079 --> 00:38:22,750  
vehicle in the direction in which he was

794

00:38:20,469 --> 00:38:24,818  
going and Simon also happens to be a

795

00:38:22,750 --> 00:38:27,039  
driving instructor so he could deflect

796

00:38:24,818 --> 00:38:31,000  
the worst of it but unfortunately could

797

00:38:27,039 --> 00:38:33,250  
not deflect the accident both cars were

798

00:38:31,000 --> 00:38:35,400  
a total write-off as we call it in the

799

00:38:33,250 --> 00:38:40,838

UK that means they were completely

800

00:38:35,400 --> 00:38:44,769

destroyed the perpetrators car flipped

801

00:38:40,838 --> 00:38:48,308

over and over causing a massive road

802

00:38:44,769 --> 00:38:50,559

traffic accident Simon and his passenger

803

00:38:48,309 --> 00:38:52,640

had to be cut out of the car and they

804

00:38:50,559 --> 00:38:55,030

were lucky to escape with bruises

805

00:38:52,639 --> 00:38:58,129

some shock and some whiplash injuries

806

00:38:55,030 --> 00:39:00,350

the other guy got out of the car as if

807

00:38:58,130 --> 00:39:01,849

it was completely mind controlled which

808

00:39:00,349 --> 00:39:03,319

he might have been with a can of coke in

809

00:39:01,849 --> 00:39:04,670

his hand how he did that I don't know

810

00:39:03,320 --> 00:39:08,000

because his car flipped over and over

811

00:39:04,670 --> 00:39:09,670

and he just said oh well I don't think I

812

00:39:08,000 --> 00:39:13,610

meant to do that

813  
00:39:09,670 --> 00:39:18,579  
which is strange so immediately after

814  
00:39:13,610 --> 00:39:23,420  
that within about four days obviously

815  
00:39:18,579 --> 00:39:24,949  
Simon has found courage and is beginning

816  
00:39:23,420 --> 00:39:27,889  
to talk about his experiences more

817  
00:39:24,949 --> 00:39:30,049  
openly for the first time he was one of

818  
00:39:27,889 --> 00:39:33,679  
those people in 2010 in the autumn there

819  
00:39:30,050 --> 00:39:36,019  
who seemed to have an instant download

820  
00:39:33,679 --> 00:39:37,460  
and recall of memory although he'd been

821  
00:39:36,019 --> 00:39:39,769  
having flashbacks which is often the

822  
00:39:37,460 --> 00:39:43,190  
case with people and he just took a

823  
00:39:39,769 --> 00:39:45,170  
stance he's just said listen this is me

824  
00:39:43,190 --> 00:39:46,460  
these are my experiences you can accept

825  
00:39:45,170 --> 00:39:49,430  
not accept them but I'm going to talk

826  
00:39:46,460 --> 00:39:52,670  
about them now is the time so wow that's

827

00:39:49,429 --> 00:39:55,190  
very brave anyway within four days the

828  
00:39:52,670 --> 00:39:59,450  
local papers were getting hold of him

829  
00:39:55,190 --> 00:40:00,920  
and clearly clearly because I couldn't

830  
00:39:59,449 --> 00:40:05,539  
understand why there was all this media

831  
00:40:00,920 --> 00:40:07,099  
frenzy about his his his story after the

832  
00:40:05,539 --> 00:40:10,699  
accident I said how do those two marry

833  
00:40:07,099 --> 00:40:12,170  
up those two incidents and he said ah he

834  
00:40:10,699 --> 00:40:16,239  
said well he said they didn't manage to

835  
00:40:12,170 --> 00:40:19,220  
kill me so the traffic accident police

836  
00:40:16,239 --> 00:40:21,259  
contacted the press and he said I do

837  
00:40:19,219 --> 00:40:25,549  
happen to know that the major paper is

838  
00:40:21,260 --> 00:40:28,370  
run by a high-ranking freemason and they

839  
00:40:25,550 --> 00:40:30,830  
were the ones who called me and tried to

840  
00:40:28,369 --> 00:40:34,009  
discredit me basically he said but you

841  
00:40:30,829 --> 00:40:36,920

know what I told my story anyway even

842

00:40:34,010 --> 00:40:39,710

the 14 times which is a well-known paper

843

00:40:36,920 --> 00:40:44,000

in the UK magazine came on board and

844

00:40:39,710 --> 00:40:47,829

it's quite interesting because he was in

845

00:40:44,000 --> 00:40:50,030

the Scarborough Evening Post was the has

846

00:40:47,829 --> 00:40:52,159

was the one with a freemason at the top

847

00:40:50,030 --> 00:40:53,810

and I think most of them are have but

848

00:40:52,159 --> 00:40:56,000

they have a circulation of about eleven

849

00:40:53,809 --> 00:40:58,610

thousand readers and then he was in a

850

00:40:56,000 --> 00:41:01,429

free paper in London and that has an

851

00:40:58,610 --> 00:41:02,990

800,000 circulation so I really rather

852

00:41:01,429 --> 00:41:05,719

get the feeling that these people have

853

00:41:02,989 --> 00:41:06,329

shot themselves in the foot in that they

854

00:41:05,719 --> 00:41:08,849

haven't killed

855

00:41:06,329 --> 00:41:09,989

him they hadn't persuaded him to stop

856  
00:41:08,849 --> 00:41:12,329  
talking about it

857  
00:41:09,989 --> 00:41:15,419  
and not only that in February of this

858  
00:41:12,329 --> 00:41:19,019  
year Simon was voted on to the local

859  
00:41:15,420 --> 00:41:22,349  
council as a Labour councillor and so

860  
00:41:19,019 --> 00:41:25,259  
now they all know about him and he's

861  
00:41:22,349 --> 00:41:25,829  
still there he's still just hanging on

862  
00:41:25,260 --> 00:41:29,490  
in there

863  
00:41:25,829 --> 00:41:31,679  
so this information is getting out there

864  
00:41:29,489 --> 00:41:34,439  
whether we like it or not and a lot of

865  
00:41:31,679 --> 00:41:37,589  
it is down to the bravery of people like

866  
00:41:34,440 --> 00:41:40,619  
Simon coming forward I'd also like to

867  
00:41:37,590 --> 00:41:43,320  
say that he has been incredibly helpful

868  
00:41:40,619 --> 00:41:45,269  
and supportive of our work and also

869  
00:41:43,320 --> 00:41:47,490  
helping other people I mean we had a

870  
00:41:45,269 --> 00:41:49,739  
Japanese television company asked if

871  
00:41:47,489 --> 00:41:51,659  
they could use part of the Simon Parkes

872  
00:41:49,739 --> 00:41:54,089  
interview which they thought was very

873  
00:41:51,659 --> 00:41:56,369  
important and what would we charge for

874  
00:41:54,090 --> 00:41:58,289  
that usage Amar's and I have decided

875  
00:41:56,369 --> 00:42:01,650  
we're not charging anybody any usage for

876  
00:41:58,289 --> 00:42:04,409  
any of our work in this way because it's

877  
00:42:01,650 --> 00:42:05,639  
so important that we get it out there we

878  
00:42:04,409 --> 00:42:08,819  
do hope that funding will come from

879  
00:42:05,639 --> 00:42:11,579  
another place but not that one so as I

880  
00:42:08,820 --> 00:42:14,610  
said Simon's been really amazing now I

881  
00:42:11,579 --> 00:42:18,210  
wanted to share with you a case from a

882  
00:42:14,610 --> 00:42:20,610  
lady who is in Canada this is one of one

883  
00:42:18,210 --> 00:42:22,769  
of the cases that cuts across a lot of

884

00:42:20,610 --> 00:42:24,570  
the different areas that we hear about

885  
00:42:22,769 --> 00:42:26,820  
and I'm going to read some of the

886  
00:42:24,570 --> 00:42:29,840  
material that she sent to me so just

887  
00:42:26,820 --> 00:42:29,840  
bear with me for one moment

888  
00:42:32,750 --> 00:42:40,260  
so these people were out camping they

889  
00:42:37,170 --> 00:42:43,409  
were two adults and two children they

890  
00:42:40,260 --> 00:42:46,440  
were having a lovely time and the lady

891  
00:42:43,409 --> 00:42:50,009  
has a degree in anthropology

892  
00:42:46,440 --> 00:42:51,570  
she's also she does counseling for

893  
00:42:50,010 --> 00:42:53,430  
people with post-traumatic stress and

894  
00:42:51,570 --> 00:42:58,470  
people who've been in abuse situations

895  
00:42:53,429 --> 00:43:00,119  
and she said her experiences only really

896  
00:42:58,469 --> 00:43:02,069  
began coming to light when she began

897  
00:43:00,119 --> 00:43:05,609  
through some therapy work to have some

898  
00:43:02,070 --> 00:43:07,230

Gestalt hypnotherapy and she said then

899

00:43:05,610 --> 00:43:08,880

she remembered that her mother was

900

00:43:07,230 --> 00:43:10,170

speaking about these experiences and

901

00:43:08,880 --> 00:43:12,150

this is interesting because we often

902

00:43:10,170 --> 00:43:14,280

find there is a generational element

903

00:43:12,150 --> 00:43:16,650

that is that it goes down the family

904

00:43:14,280 --> 00:43:19,470

line of people having experiences with

905

00:43:16,650 --> 00:43:22,320

ETS UFOs sightings

906

00:43:19,469 --> 00:43:24,419

actions contacts what-have-you so she's

907

00:43:22,320 --> 00:43:26,430

talking about her mother and she was

908

00:43:24,420 --> 00:43:30,420

just saying that her mother used to be

909

00:43:26,429 --> 00:43:31,739

terrified of the blue doctors and she

910

00:43:30,420 --> 00:43:34,019

suffered a nervous breakdown as a

911

00:43:31,739 --> 00:43:37,019

consequence of all these interactions so

912

00:43:34,019 --> 00:43:39,000

much so that they husband who had also

913  
00:43:37,019 --> 00:43:41,250  
had so this would be her father who had

914  
00:43:39,000 --> 00:43:44,190  
also had experiences could not face it

915  
00:43:41,250 --> 00:43:46,710  
and they basically sectioned her they

916  
00:43:44,190 --> 00:43:49,108  
would put her in to a mental institute

917  
00:43:46,710 --> 00:43:54,000  
she'd have shock therapy and medication

918  
00:43:49,108 --> 00:43:55,529  
so she could forget because you start

919  
00:43:54,000 --> 00:43:59,099  
talking about this kind of thing that

920  
00:43:55,530 --> 00:44:01,440  
where is the support where is the

921  
00:43:59,099 --> 00:44:03,990  
support for people like this there isn't

922  
00:44:01,440 --> 00:44:06,450  
any again that's why we're bringing this

923  
00:44:03,989 --> 00:44:07,979  
to the fore because we don't want people

924  
00:44:06,449 --> 00:44:10,049  
to be institutionalized we don't want

925  
00:44:07,980 --> 00:44:12,000  
people to feel isolated and alone and no

926  
00:44:10,050 --> 00:44:14,940  
one to talk to sometimes just talking

927  
00:44:12,000 --> 00:44:17,070  
can be of the greatest benefit so anyway

928  
00:44:14,940 --> 00:44:19,079  
she goes on to to talk about her

929  
00:44:17,070 --> 00:44:21,059  
experience but first of all she

930  
00:44:19,079 --> 00:44:23,639  
describes a time when she was about five

931  
00:44:21,059 --> 00:44:26,338  
five years old and she was in a flying

932  
00:44:23,639 --> 00:44:28,769  
saucer and she said we were flying way

933  
00:44:26,338 --> 00:44:30,838  
above a field and there was a light you

934  
00:44:28,769 --> 00:44:32,820  
could see there was a light through the

935  
00:44:30,838 --> 00:44:35,579  
bottom of the craft that she was in

936  
00:44:32,820 --> 00:44:37,588  
because was also clear so she could see

937  
00:44:35,579 --> 00:44:39,539  
through it and they went over cows and

938  
00:44:37,588 --> 00:44:42,269  
suddenly the cows as she called it

939  
00:44:39,539 --> 00:44:44,608  
became empty it's a bit like the cows

940  
00:44:42,269 --> 00:44:45,838  
had everything taken from them I said

941

00:44:44,608 --> 00:44:47,848  
the cows didn't run away they just

942  
00:44:45,838 --> 00:44:51,960  
stayed there it would happen again

943  
00:44:47,849 --> 00:44:54,510  
and again I don't know if that is quite

944  
00:44:51,960 --> 00:44:56,130  
the same as the mutilations that you

945  
00:44:54,510 --> 00:44:58,470  
hear about associated with cattle and

946  
00:44:56,130 --> 00:45:02,099  
other animals but it's somebody's

947  
00:44:58,469 --> 00:45:03,899  
something nearby and then she talked

948  
00:45:02,099 --> 00:45:05,670  
about the time when they came in the

949  
00:45:03,900 --> 00:45:08,309  
same craft they came across a railway

950  
00:45:05,670 --> 00:45:09,710  
and on the track or by the track was a

951  
00:45:08,309 --> 00:45:11,639  
truck with a man and a woman outside

952  
00:45:09,710 --> 00:45:14,338  
standing outside just looking up

953  
00:45:11,639 --> 00:45:15,659  
transfixed and the woman appeared to be

954  
00:45:14,338 --> 00:45:18,150  
screaming but she couldn't hear her

955  
00:45:15,659 --> 00:45:20,009

screaming and she said it just looked

956

00:45:18,150 --> 00:45:22,800

like she did from the way she was moving

957

00:45:20,010 --> 00:45:24,750

and she said this little one of five

958

00:45:22,800 --> 00:45:26,580

years old said don't worry don't be

959

00:45:24,750 --> 00:45:28,710

afraid there's lots of us up here and

960

00:45:26,579 --> 00:45:32,460

there were men women children a baby

961

00:45:28,710 --> 00:45:33,420

crying and so I I noticed that quite

962

00:45:32,460 --> 00:45:36,059

often

963

00:45:33,420 --> 00:45:38,940

abductees are trained in the management

964

00:45:36,059 --> 00:45:41,159

of other abductees and help them feel at

965

00:45:38,940 --> 00:45:43,500

home often which is really interesting

966

00:45:41,159 --> 00:45:47,460

you know because you wonder how far that

967

00:45:43,500 --> 00:45:49,769

goes back so she had that experience as

968

00:45:47,460 --> 00:45:51,150

a child and then she said also I

969

00:45:49,769 --> 00:45:56,699

remember on that ship seeing these

970  
00:45:51,150 --> 00:45:58,550  
cylinders glass cylinders many many many

971  
00:45:56,699 --> 00:46:02,609  
of them and they are all filled with

972  
00:45:58,550 --> 00:46:05,250  
different stages of growth of babies in

973  
00:46:02,610 --> 00:46:09,510  
an Amber fluid and again this is not

974  
00:46:05,250 --> 00:46:11,929  
uncommon it's it's very it's very common

975  
00:46:09,510 --> 00:46:16,820  
to hear about the babies the children

976  
00:46:11,929 --> 00:46:19,379  
and even people in these tanks of fluid

977  
00:46:16,820 --> 00:46:21,780  
so in talking about the hybridization

978  
00:46:19,380 --> 00:46:25,829  
process it seems like it's been well

979  
00:46:21,780 --> 00:46:28,500  
underway for a long time so this lady

980  
00:46:25,829 --> 00:46:32,429  
was describing her her major memory

981  
00:46:28,500 --> 00:46:35,130  
which was this sunshine bay area in

982  
00:46:32,429 --> 00:46:37,289  
British Columbia Canada and she was just

983  
00:46:35,130 --> 00:46:38,190  
saying they were all sitting down after

984  
00:46:37,289 --> 00:46:40,170  
a lovely day

985  
00:46:38,190 --> 00:46:43,170  
and it was night they were looking up at

986  
00:46:40,170 --> 00:46:45,329  
the stars and her companion began to be

987  
00:46:43,170 --> 00:46:47,130  
transfixed by what appeared to be this

988  
00:46:45,329 --> 00:46:48,750  
ring of clouds that sort of turned a

989  
00:46:47,130 --> 00:46:51,590  
pink and there seemed to be a heat

990  
00:46:48,750 --> 00:46:54,000  
Mirage coming from it a heat effect and

991  
00:46:51,590 --> 00:46:55,559  
then he began to get very nervous and

992  
00:46:54,000 --> 00:46:57,059  
very scared and dragged her back to the

993  
00:46:55,559 --> 00:46:58,829  
tent and said no no no we've got to go

994  
00:46:57,059 --> 00:47:01,380  
in we've got to go in and she was a

995  
00:46:58,829 --> 00:47:04,409  
little bit surprised and and obviously

996  
00:47:01,380 --> 00:47:07,289  
some change had gone on but it was all

997  
00:47:04,409 --> 00:47:08,879  
so sudden so they're inside the tent now

998

00:47:07,289 --> 00:47:10,529  
she's suddenly wondering gosh where are

999  
00:47:08,880 --> 00:47:12,990  
the children what why are they so quiet

1000  
00:47:10,530 --> 00:47:15,060  
where are they and there were no answers

1001  
00:47:12,989 --> 00:47:17,599  
to any of that at this moment in time

1002  
00:47:15,059 --> 00:47:21,210  
and her companion began tying down

1003  
00:47:17,599 --> 00:47:24,719  
frantically the windows of the tent and

1004  
00:47:21,210 --> 00:47:27,300  
then using clothes pegs to secure it and

1005  
00:47:24,719 --> 00:47:30,000  
further and then she saw a huge bright

1006  
00:47:27,300 --> 00:47:31,620  
light just outside and she's oh I'm just

1007  
00:47:30,000 --> 00:47:33,030  
going to I'm gonna have a look he said

1008  
00:47:31,619 --> 00:47:35,609  
please please don't in began crying

1009  
00:47:33,030 --> 00:47:37,800  
really crying he said please don't

1010  
00:47:35,610 --> 00:47:39,809  
please don't and she did just go outside

1011  
00:47:37,800 --> 00:47:43,050  
and she looked outside and she saw a

1012  
00:47:39,809 --> 00:47:45,690

huge light in the sky trailing a big

1013

00:47:43,050 --> 00:47:47,369  
beam of light and this light was

1014

00:47:45,690 --> 00:47:52,588  
trailing right up

1015

00:47:47,369 --> 00:47:59,849  
where their tent was and that was all

1016

00:47:52,588 --> 00:48:01,798  
she remembered till the next day so she

1017

00:47:59,849 --> 00:48:04,950  
said the next time she knew anything it

1018

00:48:01,798 --> 00:48:06,059  
was noon the next day so 12:12 p.m. and

1019

00:48:04,949 --> 00:48:06,629  
she just thought gosh where are the

1020

00:48:06,059 --> 00:48:08,789  
children

1021

00:48:06,630 --> 00:48:10,019  
there was a big campfire much bigger

1022

00:48:08,789 --> 00:48:11,309  
than it should have been for the time of

1023

00:48:10,018 --> 00:48:12,659  
year and she will gosh how did that get

1024

00:48:11,309 --> 00:48:16,140  
made she didn't remember anything of

1025

00:48:12,659 --> 00:48:18,028  
that and then she remembered something

1026

00:48:16,139 --> 00:48:20,808  
about her tummy and she began to look

1027  
00:48:18,028 --> 00:48:23,849  
down at her stomach it was hurting and

1028  
00:48:20,809 --> 00:48:26,069  
about the bellybutton area there was a

1029  
00:48:23,849 --> 00:48:28,349  
big deep burn mark about the size

1030  
00:48:26,068 --> 00:48:30,690  
of her ring finger the pad of a ring

1031  
00:48:28,349 --> 00:48:33,838  
finger and it was quite deep and layered

1032  
00:48:30,690 --> 00:48:34,980  
and it hurt very much and she said all

1033  
00:48:33,838 --> 00:48:37,018  
of a sudden she did I don't know what

1034  
00:48:34,980 --> 00:48:40,349  
happened but she said I just began

1035  
00:48:37,018 --> 00:48:42,538  
screaming just screaming and I just

1036  
00:48:40,349 --> 00:48:44,519  
couldn't help it and my companion came

1037  
00:48:42,539 --> 00:48:45,720  
rushing over and said what's up have you

1038  
00:48:44,518 --> 00:48:47,518  
cut yourself he thought she was

1039  
00:48:45,719 --> 00:48:49,409  
preparing something and he was in

1040  
00:48:47,518 --> 00:48:52,108  
another kind of state or together as

1041  
00:48:49,409 --> 00:48:55,858  
well and she said I had a dream I had a

1042  
00:48:52,108 --> 00:48:58,048  
dream about this event and my my belly

1043  
00:48:55,858 --> 00:49:01,558  
button has this hole and anyway he said

1044  
00:48:58,048 --> 00:49:05,068  
oh he said well he's well I had a dream

1045  
00:49:01,559 --> 00:49:08,099  
also and I dreamt that some things have

1046  
00:49:05,068 --> 00:49:10,829  
put in needle or inserted something into

1047  
00:49:08,099 --> 00:49:15,359  
the shaft of my penis and my god it hurt

1048  
00:49:10,829 --> 00:49:16,890  
like is what he said so he would

1049  
00:49:15,358 --> 00:49:19,949  
never talk about that experience again

1050  
00:49:16,889 --> 00:49:23,879  
as you might expect it's really super

1051  
00:49:19,949 --> 00:49:26,518  
shocking but then she goes on to talk

1052  
00:49:23,880 --> 00:49:30,798  
about how two months later she found

1053  
00:49:26,518 --> 00:49:35,088  
herself pregnant again this is very

1054  
00:49:30,798 --> 00:49:39,690  
common after these reactions events with

1055

00:49:35,088 --> 00:49:42,028  
with women so then she said she had a

1056  
00:49:39,690 --> 00:49:44,190  
dream and in this dream there was a blue

1057  
00:49:42,028 --> 00:49:47,880  
light that shone on her house window now

1058  
00:49:44,190 --> 00:49:49,079  
and she actually remembers getting up

1059  
00:49:47,880 --> 00:49:50,759  
and looking out of the window and

1060  
00:49:49,079 --> 00:49:54,150  
thinking oh no it's them again and she

1061  
00:49:50,759 --> 00:49:56,730  
said I thought to myself the Coyotes are

1062  
00:49:54,150 --> 00:50:00,369  
back but she said I knew they weren't

1063  
00:49:56,730 --> 00:50:04,190  
coyotes I knew they weren't

1064  
00:50:00,369 --> 00:50:07,190  
and then she said this is the two months

1065  
00:50:04,190 --> 00:50:09,800  
later sometime after that she said I

1066  
00:50:07,190 --> 00:50:13,460  
wasn't pregnant anymore there was no

1067  
00:50:09,800 --> 00:50:18,890  
fetus no bleeding but this kind of event

1068  
00:50:13,460 --> 00:50:20,809  
had happened to her before I asked her

1069  
00:50:18,889 --> 00:50:23,569

if she'd had any interaction with her

1070

00:50:20,809 --> 00:50:25,309

hybrid children or they I assume there

1071

00:50:23,570 --> 00:50:28,970

were would be hybrid children from what

1072

00:50:25,309 --> 00:50:31,400

she told us and she said that she had

1073

00:50:28,969 --> 00:50:33,829

met a little girl whom they called Sarah

1074

00:50:31,400 --> 00:50:36,079

who always used to come with a guardian

1075

00:50:33,829 --> 00:50:39,920

who looked a little bit like Sarah who

1076

00:50:36,079 --> 00:50:43,699

she described as pretty with large large

1077

00:50:39,920 --> 00:50:46,070

almond eyes very blue irises and very

1078

00:50:43,699 --> 00:50:49,879

whites of the eyes very white and very

1079

00:50:46,070 --> 00:50:53,269

sparse blonde hair tiny little nose and

1080

00:50:49,880 --> 00:50:56,680

tiny little mouth and then she said and

1081

00:50:53,269 --> 00:50:59,690

over the twins she said there were twins

1082

00:50:56,679 --> 00:51:03,369

she said at first now this is an event

1083

00:50:59,690 --> 00:51:05,510

that she had during the night and I

1084  
00:51:03,369 --> 00:51:07,609  
think it's really explained itself she

1085  
00:51:05,510 --> 00:51:09,890  
did at first when the first boy came I

1086  
00:51:07,610 --> 00:51:11,690  
they were in bed asleep she said I

1087  
00:51:09,889 --> 00:51:13,369  
thought it was a breaking and entering

1088  
00:51:11,690 --> 00:51:16,490  
so she thought the house was being

1089  
00:51:13,369 --> 00:51:19,339  
burgled and I was awoken from my sleep

1090  
00:51:16,489 --> 00:51:23,329  
by a bright light and then my bedroom

1091  
00:51:19,340 --> 00:51:25,130  
door opened I thought it was my son but

1092  
00:51:23,329 --> 00:51:28,340  
the person standing there was wearing

1093  
00:51:25,130 --> 00:51:30,559  
sweat pants and a hoodie as the jacket

1094  
00:51:28,340 --> 00:51:33,050  
with the hoods on with the hood down and

1095  
00:51:30,559 --> 00:51:37,099  
the person came down and bent right down

1096  
00:51:33,050 --> 00:51:40,490  
to my face really close to me I opened

1097  
00:51:37,099 --> 00:51:43,009  
my eyes I just thought oh my god that

1098  
00:51:40,489 --> 00:51:47,239  
person's got radiation burns and I was

1099  
00:51:43,010 --> 00:51:49,340  
really horrified absolutely horrified he

1100  
00:51:47,239 --> 00:51:52,069  
looked like a burn victim very little

1101  
00:51:49,340 --> 00:51:55,039  
hair and I sort of melted or partly

1102  
00:51:52,070 --> 00:51:58,850  
missing features there were no eyebrows

1103  
00:51:55,039 --> 00:52:01,210  
low lids that's low eyelids just a

1104  
00:51:58,849 --> 00:52:04,130  
couple of wee nostrils but not a nose

1105  
00:52:01,210 --> 00:52:07,550  
very thin lips and not any kind of

1106  
00:52:04,130 --> 00:52:09,530  
symmetry to the face very tiny eyes it

1107  
00:52:07,550 --> 00:52:11,390  
really looked very deformed a very round

1108  
00:52:09,530 --> 00:52:12,539  
head like a pumpkin she said I was

1109  
00:52:11,389 --> 00:52:14,548  
really horrified

1110  
00:52:12,539 --> 00:52:17,278  
and then I felt that the person was hurt

1111  
00:52:14,548 --> 00:52:19,228  
that I was so afraid and it started

1112

00:52:17,278 --> 00:52:21,869  
talking in a voice that sounded at first

1113  
00:52:19,228 --> 00:52:24,448  
like scraping glass and then like a

1114  
00:52:21,869 --> 00:52:28,160  
dolphin and I'm certain I heard or at

1115  
00:52:24,449 --> 00:52:33,509  
least understood the words sad and

1116  
00:52:28,159 --> 00:52:35,038  
mother and then my son came in and told

1117  
00:52:33,509 --> 00:52:37,438  
me that he'd seen something similar in

1118  
00:52:35,039 --> 00:52:39,179  
his own doorway watching him sleep but

1119  
00:52:37,438 --> 00:52:40,978  
he said it was like a gargoyle and it

1120  
00:52:39,179 --> 00:52:43,918  
really looked demonic and really scared

1121  
00:52:40,978 --> 00:52:45,958  
him now this illustration this next

1122  
00:52:43,918 --> 00:52:48,688  
illustration is by a lady called Kay

1123  
00:52:45,958 --> 00:52:51,778  
Wilson and Kay Wilson has been having

1124  
00:52:48,688 --> 00:52:56,879  
experiences from a very young age she

1125  
00:52:51,778 --> 00:52:59,039  
has a website called alien jigsaw comm

1126  
00:52:56,880 --> 00:53:01,709

we have permission to use this image and

1127

00:52:59,039 --> 00:53:04,739

it's just a rough image of a baby she

1128

00:53:01,708 --> 00:53:07,078

was handed and she said his skin looked

1129

00:53:04,739 --> 00:53:08,458

like it had been burned and then she's

1130

00:53:07,079 --> 00:53:10,289

kind of reasoned well maybe it was just

1131

00:53:08,458 --> 00:53:12,298

newly born but it still didn't look

1132

00:53:10,289 --> 00:53:14,009

normal and she said the right side of

1133

00:53:12,298 --> 00:53:16,588

its face appeared malformed and appeared

1134

00:53:14,009 --> 00:53:23,548

not to have completely developed the

1135

00:53:16,588 --> 00:53:26,728

skull and the facial bones so it seems

1136

00:53:23,548 --> 00:53:29,219

that these mothers are brought in to

1137

00:53:26,728 --> 00:53:31,678

interact with hybrid children time and

1138

00:53:29,219 --> 00:53:34,708

time again and often it's because there

1139

00:53:31,679 --> 00:53:38,880

appears to be a very great lack of

1140

00:53:34,708 --> 00:53:41,668

emotional ability with those who are

1141  
00:53:38,880 --> 00:53:43,199  
taking care of the hybrids children to

1142  
00:53:41,668 --> 00:53:45,509  
interact with them on an emotional level

1143  
00:53:43,199 --> 00:53:48,809  
so they often bring in the human mother

1144  
00:53:45,509 --> 00:53:51,059  
to try and bond and sometimes with the

1145  
00:53:48,809 --> 00:53:55,439  
father's too but certainly generally

1146  
00:53:51,059 --> 00:54:00,209  
with the mothers so a few nights later

1147  
00:53:55,438 --> 00:54:04,798  
this lady's story continues another boy

1148  
00:54:00,208 --> 00:54:06,538  
comes into her room just as strongly as

1149  
00:54:04,798 --> 00:54:08,880  
the previous one but this time the

1150  
00:54:06,539 --> 00:54:12,150  
hoodies up trying not to show his face

1151  
00:54:08,880 --> 00:54:13,919  
and at first she thought it was the same

1152  
00:54:12,150 --> 00:54:15,749  
boy but then she knew it wasn't and then

1153  
00:54:13,918 --> 00:54:19,259  
she thought oh my god it's my twins that

1154  
00:54:15,748 --> 00:54:22,109  
I lost at 4 months so that was a

1155  
00:54:19,259 --> 00:54:24,059  
shocking realization for her

1156  
00:54:22,110 --> 00:54:28,860  
and she remembers the last thing that he

1157  
00:54:24,059 --> 00:54:30,989  
said to her was just love you mother so

1158  
00:54:28,860 --> 00:54:33,300  
I think that you know on their side too

1159  
00:54:30,989 --> 00:54:35,189  
it can be quite sad and they're quite

1160  
00:54:33,300 --> 00:54:37,530  
sad that they don't have a unit to grow

1161  
00:54:35,190 --> 00:54:40,619  
up in I mean who knows how they grow up

1162  
00:54:37,530 --> 00:54:43,400  
we don't know but that clearly there is

1163  
00:54:40,619 --> 00:54:46,230  
missing that loving emotional human

1164  
00:54:43,400 --> 00:54:49,440  
element which is so powerful and I think

1165  
00:54:46,230 --> 00:54:55,199  
is our trump card in our deck as a

1166  
00:54:49,440 --> 00:54:57,869  
species I asked her about the side

1167  
00:54:55,199 --> 00:54:59,519  
effects and I'm using this case because

1168  
00:54:57,869 --> 00:55:01,049  
there are many side effects many people

1169

00:54:59,519 --> 00:55:03,269  
have but these are just some of them

1170  
00:55:01,050 --> 00:55:06,090  
that seemed to to have a resonance for a

1171  
00:55:03,269 --> 00:55:07,409  
lot of people she began she did well I

1172  
00:55:06,090 --> 00:55:10,019  
have nightmares or had nightmares

1173  
00:55:07,409 --> 00:55:12,179  
generally from five years to 14 years

1174  
00:55:10,019 --> 00:55:15,119  
she said there was bedwetting there was

1175  
00:55:12,179 --> 00:55:17,039  
sleepwalking and in the pregnancies and

1176  
00:55:15,119 --> 00:55:18,929  
shed in the buttonhole the belly button

1177  
00:55:17,039 --> 00:55:21,150  
hole which took a year to heal

1178  
00:55:18,929 --> 00:55:23,519  
she said she defendants felt a great

1179  
00:55:21,150 --> 00:55:27,269  
sense of a loneliness of bereavement for

1180  
00:55:23,519 --> 00:55:28,710  
the fetuses and then she said I also

1181  
00:55:27,269 --> 00:55:31,949  
then began to have a fear of the people

1182  
00:55:28,710 --> 00:55:34,740  
I was getting close to also having

1183  
00:55:31,949 --> 00:55:38,339

experiences she said because two of my

1184

00:55:34,739 --> 00:55:40,709

relationships they also began to have

1185

00:55:38,340 --> 00:55:42,329

experiences and that absolutely

1186

00:55:40,710 --> 00:55:46,199

terrified them and finished the

1187

00:55:42,329 --> 00:55:47,639

relationships so this has massive impact

1188

00:55:46,199 --> 00:55:49,559

for all of us and she's not the first

1189

00:55:47,639 --> 00:55:53,489

person to talk about that aspect either

1190

00:55:49,559 --> 00:55:56,789

there are many in just going back to

1191

00:55:53,489 --> 00:55:58,049

Simon again and the reason I'm doing

1192

00:55:56,789 --> 00:56:01,440

this is because there's a very good

1193

00:55:58,050 --> 00:56:04,110

picture that was commissioned by a

1194

00:56:01,440 --> 00:56:06,240

friend of Simon's to show really what

1195

00:56:04,110 --> 00:56:08,670

the Mantis look like they are really

1196

00:56:06,239 --> 00:56:13,619

like the insect we know as the praying

1197

00:56:08,670 --> 00:56:15,090

mantis and that is that is wood beside

1198  
00:56:13,619 --> 00:56:16,589  
kind of Simon I think he was he was

1199  
00:56:15,090 --> 00:56:19,800  
really tiny when this began he was

1200  
00:56:16,590 --> 00:56:23,730  
actually a baby in the cot but also he

1201  
00:56:19,800 --> 00:56:25,830  
remembers times before being born but

1202  
00:56:23,730 --> 00:56:29,400  
will stick to this life for the minute

1203  
00:56:25,829 --> 00:56:33,179  
so Simon was contacted by a lady called

1204  
00:56:29,400 --> 00:56:34,470  
Mary rod well Mary rod well is a nurse

1205  
00:56:33,179 --> 00:56:36,419  
she

1206  
00:56:34,469 --> 00:56:41,219  
now she's an English lady who now lives

1207  
00:56:36,420 --> 00:56:43,559  
in Australia and she set up a resource

1208  
00:56:41,219 --> 00:56:46,079  
in Australia during pretty much what

1209  
00:56:43,559 --> 00:56:47,699  
miles and I are doing here and she does

1210  
00:56:46,079 --> 00:56:52,199  
hypnotherapy with people and she does a

1211  
00:56:47,699 --> 00:56:53,549  
lot of work in helping to to deal with

1212  
00:56:52,199 --> 00:56:55,589  
this and helping people come to terms

1213  
00:56:53,550 --> 00:56:57,109  
with this now this case is very

1214  
00:56:55,590 --> 00:57:01,740  
interesting because there's a

1215  
00:56:57,108 --> 00:57:03,840  
ten-year-old boy who Mary was contacting

1216  
00:57:01,739 --> 00:57:06,118  
Simon about because this young lad

1217  
00:57:03,840 --> 00:57:08,550  
has had virtually exactly the same

1218  
00:57:06,119 --> 00:57:10,590  
experiences that Simon had when he was a

1219  
00:57:08,550 --> 00:57:14,550  
boy and I think that's pretty

1220  
00:57:10,590 --> 00:57:18,510  
extraordinary you know so this young lad

1221  
00:57:14,550 --> 00:57:20,430  
has visits from the mantids now one of

1222  
00:57:18,510 --> 00:57:21,840  
the son one of the things that Simon

1223  
00:57:20,429 --> 00:57:24,419  
said was that the mantids used to hold

1224  
00:57:21,840 --> 00:57:26,220  
him up above above their heads in a

1225  
00:57:24,420 --> 00:57:27,900  
joyful way like you might see mums and

1226

00:57:26,219 --> 00:57:31,348  
dads holding their babies above their

1227  
00:57:27,900 --> 00:57:33,358  
heads making them a giggle and he

1228  
00:57:31,349 --> 00:57:36,780  
describes being held above a mantids

1229  
00:57:33,358 --> 00:57:40,409  
head while they make the happy sound

1230  
00:57:36,780 --> 00:57:42,900  
they really love the their interactions

1231  
00:57:40,409 --> 00:57:45,838  
the mantids seem to have a very very

1232  
00:57:42,900 --> 00:57:48,150  
super high intellect and they they do

1233  
00:57:45,838 --> 00:57:54,509  
seem to be gifted with compassion as

1234  
00:57:48,150 --> 00:57:56,608  
well which is great so it was and this

1235  
00:57:54,510 --> 00:57:59,970  
had been happening before we had posted

1236  
00:57:56,608 --> 00:58:01,588  
our videos about Simon's experience as

1237  
00:57:59,969 --> 00:58:30,389  
well so this has been going on for a

1238  
00:58:01,588 --> 00:58:33,799  
little while with this young man that's

1239  
00:58:30,389 --> 00:58:37,108  
the boy's words just as Simon was and

1240  
00:58:33,800 --> 00:58:38,910

also the boy had a dream and he was

1241  
00:58:37,108 --> 00:58:41,549  
flying and climbing up his bedroom wall

1242  
00:58:38,909 --> 00:58:43,588  
and Simon explained that what he was

1243  
00:58:41,550 --> 00:58:45,390  
really doing was recreating the early

1244  
00:58:43,588 --> 00:58:46,670  
days now this is very hard for us to

1245  
00:58:45,389 --> 00:58:51,069  
imagine

1246  
00:58:46,670 --> 00:58:53,930  
when mantids hatched out of a pupae and

1247  
00:58:51,070 --> 00:58:56,630  
struggled up through the soft swampy

1248  
00:58:53,929 --> 00:59:00,409  
ground to break to the surface and their

1249  
00:58:56,630 --> 00:59:03,619  
new life but the really exciting thing

1250  
00:59:00,409 --> 00:59:07,789  
for Simon he says is that the boy was

1251  
00:59:03,619 --> 00:59:13,429  
taken out of his body and put into that

1252  
00:59:07,789 --> 00:59:18,170  
of a mantids just as Simon had been so

1253  
00:59:13,429 --> 00:59:20,049  
he could have that experience as well so

1254  
00:59:18,170 --> 00:59:22,940  
as you see there are some extraordinary

1255  
00:59:20,050 --> 00:59:24,289  
cases that we have and every one is

1256  
00:59:22,940 --> 00:59:28,340  
different but there are many

1257  
00:59:24,289 --> 00:59:30,679  
correlations as well this young man we

1258  
00:59:28,340 --> 00:59:33,710  
interviewed his name is Rashad noir he

1259  
00:59:30,679 --> 00:59:35,690  
lives in the southwest of England and he

1260  
00:59:33,710 --> 00:59:39,309  
contacted us because he'd been having a

1261  
00:59:35,690 --> 00:59:42,559  
lot of experiences but through his own

1262  
00:59:39,309 --> 00:59:44,449  
means he had been asking for some

1263  
00:59:42,559 --> 00:59:47,179  
interaction and I'm just going to tell

1264  
00:59:44,449 --> 00:59:50,480  
you what he had to say about an occasion

1265  
00:59:47,179 --> 00:59:56,449  
when he actually had physical contact

1266  
00:59:50,480 --> 00:59:58,610  
with a grey put its hands on my

1267  
00:59:56,449 --> 01:00:00,769  
shoulders and you know as I said at the

1268  
00:59:58,610 --> 01:00:04,190  
beginning I still don't know what the

1269  
01:00:00,769 --> 01:00:06,050  
astral body is but that's where I put my

1270  
01:00:04,190 --> 01:00:09,829  
late in its hands yeah you could feel it

1271  
01:00:06,050 --> 01:00:13,250  
I could feel it was completely tangible

1272  
01:00:09,829 --> 01:00:16,150  
it was very real and it pushed me

1273  
01:00:13,250 --> 01:00:22,219  
against the door and its eyes were

1274  
01:00:16,150 --> 01:00:24,820  
narrowed as if to suggest concern there

1275  
01:00:22,219 --> 01:00:30,919  
were no thoughts it was a very cold

1276  
01:00:24,820 --> 01:00:32,269  
experience very clinical one was it a

1277  
01:00:30,920 --> 01:00:34,430  
shock for you to feel yourself being

1278  
01:00:32,269 --> 01:00:37,179  
pushed against - yeah absolutely

1279  
01:00:34,429 --> 01:00:40,579  
the difference with this particular

1280  
01:00:37,179 --> 01:00:42,859  
out-of-body experience and et

1281  
01:00:40,579 --> 01:00:44,569  
interaction was whereas the first ones

1282  
01:00:42,860 --> 01:00:47,660  
there'd been no emotion and I wasn't

1283

01:00:44,570 --> 01:00:49,519  
frightened this one was such a shock

1284  
01:00:47,659 --> 01:00:51,589  
because the first time around I'd only

1285  
01:00:49,519 --> 01:00:53,059  
managed to see half of the head when I

1286  
01:00:51,590 --> 01:00:57,769  
touched it that's where any experience

1287  
01:00:53,059 --> 01:00:59,690  
ended this time around it was a gray

1288  
01:00:57,769 --> 01:01:00,019  
standing in front of me full sort of you

1289  
01:00:59,690 --> 01:01:04,940  
know

1290  
01:01:00,019 --> 01:01:07,009  
very slim likes black suit black suit so

1291  
01:01:04,940 --> 01:01:11,210  
they're skin tight yes skin tight yeah

1292  
01:01:07,010 --> 01:01:12,500  
all-in-one mm-hmm perhaps with about but

1293  
01:01:11,210 --> 01:01:14,300  
I didn't look that far down I was just

1294  
01:01:12,500 --> 01:01:16,670  
looking at this thing coming coming

1295  
01:01:14,300 --> 01:01:18,320  
towards me and it put its hand on the

1296  
01:01:16,670 --> 01:01:20,720  
shoulders and just at your height a

1297  
01:01:18,320 --> 01:01:22,490

slightly taller just slightly tilted

1298

01:01:20,719 --> 01:01:24,349

maybe a couple of inches taller put his

1299

01:01:22,489 --> 01:01:27,349

hand on my shoulders and push me against

1300

01:01:24,349 --> 01:01:29,569

the door and it came its face came right

1301

01:01:27,349 --> 01:01:31,519

up to mine so how tall are you rest just

1302

01:01:29,570 --> 01:01:34,700

for the record between five six five

1303

01:01:31,519 --> 01:01:39,019

seven yes so it's a taller to one of the

1304

01:01:34,699 --> 01:01:41,989

taller ones here and it was such a

1305

01:01:39,019 --> 01:01:44,480

shopping experience that that I wouldn't

1306

01:01:41,989 --> 01:01:46,669

say I was frightened but I was

1307

01:01:44,480 --> 01:01:49,670

definitely very concerned and I didn't

1308

01:01:46,670 --> 01:01:53,539

want this to happen and I do remember

1309

01:01:49,670 --> 01:01:55,690

saying I really don't to go this time I

1310

01:01:53,539 --> 01:01:59,989

you know I don't want to go again please

1311

01:01:55,690 --> 01:02:01,940

you know just stop it you know it wasn't

1312  
01:01:59,989 --> 01:02:04,039  
like stop it with fear was just for

1313  
01:02:01,940 --> 01:02:07,730  
God's sake you know yeah let's top this

1314  
01:02:04,039 --> 01:02:10,820  
and I push my hand against his face and

1315  
01:02:07,730 --> 01:02:12,409  
I remember my fingers sort of going

1316  
01:02:10,820 --> 01:02:14,960  
inside his mouth and then pushing it's

1317  
01:02:12,409 --> 01:02:17,539  
really it's lip up so when you did that

1318  
01:02:14,960 --> 01:02:19,909  
you made contact again it felt physical

1319  
01:02:17,539 --> 01:02:20,980  
contact with the left or right side of

1320  
01:02:19,909 --> 01:02:25,279  
its face

1321  
01:02:20,980 --> 01:02:27,590  
oh right hand right hand sort of pushing

1322  
01:02:25,280 --> 01:02:29,030  
up his right lip yeah pushing it that

1323  
01:02:27,590 --> 01:02:31,550  
way yeah

1324  
01:02:29,030 --> 01:02:33,800  
did you we aware of any teeth or was it

1325  
01:02:31,550 --> 01:02:35,570  
I was aware that there was something in

1326  
01:02:33,800 --> 01:02:36,769  
the mouth gum and teeth whatever was you

1327  
01:02:35,570 --> 01:02:38,570  
know I didn't push my fingers all the

1328  
01:02:36,769 --> 01:02:40,759  
way something in there it stopped it

1329  
01:02:38,570 --> 01:02:42,610  
just the fact that you did that yeah

1330  
01:02:40,760 --> 01:02:45,080  
connected I mean what my fingers slid

1331  
01:02:42,610 --> 01:02:46,780  
touch something instead of gazing at the

1332  
01:02:45,079 --> 01:02:49,569  
inside of its mouth which is why is lip

1333  
01:02:46,780 --> 01:02:53,710  
appeal

1334  
01:02:49,570 --> 01:02:55,880  
that wasn't a particularly remarkable

1335  
01:02:53,710 --> 01:02:58,400  
memory I just remember that it was very

1336  
01:02:55,880 --> 01:03:00,470  
tangible now I pushed my fingers inside

1337  
01:02:58,400 --> 01:03:02,599  
Smith the thing that stands out in terms

1338  
01:03:00,469 --> 01:03:07,579  
of senses as well as touch and seeing

1339  
01:03:02,599 --> 01:03:11,029  
the thing was the smell it was very

1340

01:03:07,579 --> 01:03:12,989  
clinically biological and a the best

1341  
01:03:11,030 --> 01:03:14,850  
comparison I can draw which is a very

1342  
01:03:12,989 --> 01:03:15,479  
strange comparison but it's exactly what

1343  
01:03:14,849 --> 01:03:18,420  
it smelled like

1344  
01:03:15,480 --> 01:03:21,449  
is being next to an elderly patient in a

1345  
01:03:18,420 --> 01:03:23,010  
hospital ward really yeah I don't know

1346  
01:03:21,449 --> 01:03:24,509  
how you describe that I don't know

1347  
01:03:23,010 --> 01:03:27,290  
whether because a lot of people describe

1348  
01:03:24,510 --> 01:03:29,670  
sort of sulfuric kind of smells ammonia

1349  
01:03:27,289 --> 01:03:33,150  
and I don't matter that even fits in I

1350  
01:03:29,670 --> 01:03:35,700  
can't can't quite bring her that kind of

1351  
01:03:33,150 --> 01:03:37,680  
Hospital smell to mind apart from the

1352  
01:03:35,699 --> 01:03:41,279  
obvious disinfectant kind of smell but

1353  
01:03:37,679 --> 01:03:42,779  
anyway the funny thing is I could

1354  
01:03:41,280 --> 01:03:44,940

probably draw that comparison because my

1355

01:03:42,780 --> 01:03:48,420

parents owned a few residential homes

1356

01:03:44,940 --> 01:03:51,179

okay when I was seven when I was born so

1357

01:03:48,420 --> 01:03:56,849

I spent a lot of time around yeah that

1358

01:03:51,179 --> 01:03:59,460

and the elderly yeah so I thought that

1359

01:03:56,849 --> 01:04:01,319

was really interesting because I've

1360

01:03:59,460 --> 01:04:04,980

never actually heard of anybody having

1361

01:04:01,320 --> 01:04:06,780

that physical touching of a gray and

1362

01:04:04,980 --> 01:04:08,969

also the smell I think was really

1363

01:04:06,780 --> 01:04:11,420

interesting the smell again is something

1364

01:04:08,969 --> 01:04:14,459

that comes up time and again

1365

01:04:11,420 --> 01:04:16,950

resh was describing that his parents

1366

01:04:14,460 --> 01:04:18,840

have an old people's home or nursing

1367

01:04:16,949 --> 01:04:23,189

home his mother as a nurse his father's

1368

01:04:18,840 --> 01:04:25,700

of psychiatric I know as that is and of

1369  
01:04:23,190 --> 01:04:29,280  
course there's lots of disinfectant and

1370  
01:04:25,699 --> 01:04:30,809  
medication smells and he said often the

1371  
01:04:29,280 --> 01:04:32,460  
smell that you get with very elderly

1372  
01:04:30,809 --> 01:04:35,610  
people who are being cared for

1373  
01:04:32,460 --> 01:04:38,730  
it was relative to that kind of smell

1374  
01:04:35,610 --> 01:04:41,910  
which is very interesting my slides have

1375  
01:04:38,730 --> 01:04:44,670  
got slightly changed around so I'm going

1376  
01:04:41,909 --> 01:04:48,779  
to go on to this guy next and this is

1377  
01:04:44,670 --> 01:04:51,180  
Jeff Scott I hadn't been aware before

1378  
01:04:48,780 --> 01:04:53,400  
because I'm not really haven't really

1379  
01:04:51,179 --> 01:04:56,279  
had the experience of this area of the

1380  
01:04:53,400 --> 01:04:57,809  
rave scene I don't know whether you know

1381  
01:04:56,280 --> 01:05:01,260  
what I mean by the rave scene is music

1382  
01:04:57,809 --> 01:05:03,119  
scene music events where a lot of people

1383  
01:05:01,260 --> 01:05:04,590  
get together and it's you know they tend

1384  
01:05:03,119 --> 01:05:06,779  
to be quite massive there's often a lot

1385  
01:05:04,590 --> 01:05:09,030  
of recreational drugs going on so lots

1386  
01:05:06,780 --> 01:05:11,820  
of different states of consciousness

1387  
01:05:09,030 --> 01:05:15,300  
present is you know what I'm talking

1388  
01:05:11,820 --> 01:05:18,600  
about there and this young man again

1389  
01:05:15,300 --> 01:05:20,820  
when he came to do an interview with us

1390  
01:05:18,599 --> 01:05:23,460  
initially in our initial sort pre

1391  
01:05:20,820 --> 01:05:24,390  
interview stage which I tend to do he

1392  
01:05:23,460 --> 01:05:26,130  
wouldn't speak on the

1393  
01:05:24,389 --> 01:05:27,808  
phone to me because he lives in an area

1394  
01:05:26,130 --> 01:05:30,838  
where there's lots of military activity

1395  
01:05:27,809 --> 01:05:33,559  
and military bases in the UK and he was

1396  
01:05:30,838 --> 01:05:36,900  
being targeted by some military

1397

01:05:33,559 --> 01:05:38,849  
observers let's call them and was having

1398  
01:05:36,900 --> 01:05:41,880  
a bit of a difficult time so he drove up

1399  
01:05:38,849 --> 01:05:44,338  
to see me and told me his story and part

1400  
01:05:41,880 --> 01:05:47,430  
of it it was that a lot seemed to happen

1401  
01:05:44,338 --> 01:05:49,318  
around the rave scene I don't know what

1402  
01:05:47,429 --> 01:05:51,989  
other word to describe that seniors but

1403  
01:05:49,318 --> 01:05:54,538  
interestingly enough I had a guy from

1404  
01:05:51,989 --> 01:05:58,618  
America call me and said that he'd just

1405  
01:05:54,539 --> 01:06:00,119  
seen Jeff's video and because of that he

1406  
01:05:58,619 --> 01:06:01,858  
wanted to tell me about his experiences

1407  
01:06:00,119 --> 01:06:05,430  
which he hadn't spoken to anybody about

1408  
01:06:01,858 --> 01:06:07,409  
in 12 years and it was very similar in

1409  
01:06:05,429 --> 01:06:09,719  
that there were lots of dimensional

1410  
01:06:07,409 --> 01:06:12,659  
shiftings going on during these events

1411  
01:06:09,719 --> 01:06:14,548

and I can only put it down to the fact

1412

01:06:12,659 --> 01:06:16,469

that there are very many altered states

1413

01:06:14,548 --> 01:06:18,389

of consciousness and with the music the

1414

01:06:16,469 --> 01:06:20,189

vibration of the frequency and the

1415

01:06:18,389 --> 01:06:24,328

element perhaps of control going on in

1416

01:06:20,190 --> 01:06:27,720

those events that it facilitates let's

1417

01:06:24,329 --> 01:06:29,339

say interdimensional connectivity so

1418

01:06:27,719 --> 01:06:32,068

this is Jeff Scott he's only on for a

1419

01:06:29,338 --> 01:06:33,750

short while just talking about an

1420

01:06:32,068 --> 01:06:42,630

interaction that he believes was with a

1421

01:06:33,750 --> 01:06:45,380

Pleiadian no have I done it again bear

1422

01:06:42,630 --> 01:06:45,380

with me a second

1423

01:06:46,670 --> 01:06:54,500

the next thing I know that is it's like

1424

01:06:48,769 --> 01:06:58,639

a chap sama chair facing me mm-hmm he's

1425

01:06:54,500 --> 01:07:03,530

handed me a small highly polished dark

1426  
01:06:58,639 --> 01:07:05,359  
stone at the time I had a lot of respect

1427  
01:07:03,530 --> 01:07:07,940  
for people that like stones and sticks

1428  
01:07:05,360 --> 01:07:12,380  
and the outdoors because I'm an outdoor

1429  
01:07:07,940 --> 01:07:14,530  
kind of person he's without saying

1430  
01:07:12,380 --> 01:07:18,800  
anything he's just handed me this stone

1431  
01:07:14,530 --> 01:07:20,990  
unusual I've took it off and kissed it

1432  
01:07:18,800 --> 01:07:26,990  
yeah nice stone man and giving it back

1433  
01:07:20,989 --> 01:07:33,699  
as a mark of respect yeah yeah and then

1434  
01:07:26,989 --> 01:07:36,969  
there's a pause I went to say a sentence

1435  
01:07:33,699 --> 01:07:39,349  
I'm not sure what it was about it was

1436  
01:07:36,969 --> 01:07:44,379  
probably about girls or music or

1437  
01:07:39,349 --> 01:07:49,429  
something I've gone to speak a sentence

1438  
01:07:44,380 --> 01:07:54,140  
he spoke it for me I've gone to speak

1439  
01:07:49,429 --> 01:07:56,899  
another sentence he spoke that one for

1440  
01:07:54,139 --> 01:07:58,940  
me before I could get a word out yeah

1441  
01:07:56,900 --> 01:08:03,470  
he's spoken these two sentences after

1442  
01:07:58,940 --> 01:08:05,800  
the second one he's spoken for me so how

1443  
01:08:03,469 --> 01:08:10,579  
did you know I was going to say that

1444  
01:08:05,800 --> 01:08:12,230  
which he didn't answer me he proceeded

1445  
01:08:10,579 --> 01:08:17,899  
to speak for about two or three minutes

1446  
01:08:12,230 --> 01:08:19,489  
of some kind of wisdom which obviously

1447  
01:08:17,899 --> 01:08:22,609  
went in at the time I can't remember it

1448  
01:08:19,489 --> 01:08:28,059  
for the life me what he said but it went

1449  
01:08:22,609 --> 01:08:31,519  
in at the time remember taking it in

1450  
01:08:28,060 --> 01:08:34,700  
about three minutes and then he got up

1451  
01:08:31,520 --> 01:08:37,520  
and well I didn't actually see him get

1452  
01:08:34,699 --> 01:08:41,599  
up but he left he wasn't there anymore

1453  
01:08:37,520 --> 01:08:44,180  
no it just wasn't sat on the chair what

1454

01:08:41,600 --> 01:08:55,500  
did he look like this being

1455  
01:08:44,180 --> 01:09:01,950  
more or less outside between late

1456  
01:08:55,500 --> 01:09:04,079  
twenties early thirties now can't

1457  
01:09:01,949 --> 01:09:06,119  
remember for the life of me but what he

1458  
01:09:04,079 --> 01:09:10,409  
was dressed in wherever he had a

1459  
01:09:06,119 --> 01:09:15,259  
baseball cap or not seem to remembers

1460  
01:09:10,409 --> 01:09:17,670  
hair was probably shoulder length fair I

1461  
01:09:15,259 --> 01:09:19,350  
don't remember anything about his

1462  
01:09:17,670 --> 01:09:23,909  
physical appearance more than that it

1463  
01:09:19,350 --> 01:09:27,989  
was interesting yeah but that seven

1464  
01:09:23,909 --> 01:09:32,250  
years later I was listening some

1465  
01:09:27,988 --> 01:09:35,088  
information or something rather someone

1466  
01:09:32,250 --> 01:09:39,359  
was speaking and giving some information

1467  
01:09:35,088 --> 01:09:43,649  
they have to mention that the race

1468  
01:09:39,359 --> 01:09:45,450

called the Pleiadians they initiate face

1469

01:09:43,649 --> 01:09:47,488

to face contact when they come down and

1470

01:09:45,449 --> 01:09:50,358

speak to people they initiate their

1471

01:09:47,488 --> 01:09:52,289

contact by handing the person a stone

1472

01:09:50,359 --> 01:09:53,100

that's interesting I hadn't heard that

1473

01:09:52,289 --> 01:10:01,409

before

1474

01:09:53,100 --> 01:10:03,989

when I heard this I thought God so there

1475

01:10:01,409 --> 01:10:07,680

we go he was really convinced that he

1476

01:10:03,988 --> 01:10:10,709

had met a Pleiadian on the back of what

1477

01:10:07,680 --> 01:10:13,470

he'd heard on a radio program some years

1478

01:10:10,710 --> 01:10:16,409

later which described the radiance as

1479

01:10:13,470 --> 01:10:22,170

initiating contact by handing people a

1480

01:10:16,409 --> 01:10:24,449

shining stone so jeff has a lot more to

1481

01:10:22,170 --> 01:10:27,630

say and tell about his experiences but I

1482

01:10:24,449 --> 01:10:29,309

just wanted you to have that little bit

1483  
01:10:27,630 --> 01:10:31,770  
because I just thought that was very

1484  
01:10:29,310 --> 01:10:34,440  
interesting because of the download that

1485  
01:10:31,770 --> 01:10:38,400  
Jeff appeared to have which he doesn't

1486  
01:10:34,439 --> 01:10:40,019  
currently remember and also that he

1487  
01:10:38,399 --> 01:10:42,719  
doesn't really remember the guy leaving

1488  
01:10:40,020 --> 01:10:45,690  
and also how he looked and yet he was

1489  
01:10:42,720 --> 01:10:47,130  
sitting in front of him so it seems that

1490  
01:10:45,689 --> 01:10:51,149  
these beings are finding different ways

1491  
01:10:47,130 --> 01:10:53,460  
to interact with us and and I think this

1492  
01:10:51,149 --> 01:10:54,849  
again that the energies are making this

1493  
01:10:53,460 --> 01:10:57,069  
more and more

1494  
01:10:54,850 --> 01:10:59,829  
available as the energies change now

1495  
01:10:57,069 --> 01:11:03,279  
because I have also a great interest in

1496  
01:10:59,829 --> 01:11:05,500  
health and wellness I always look to the

1497  
01:11:03,279 --> 01:11:08,609  
complementary field to see if there is

1498  
01:11:05,500 --> 01:11:11,350  
any way we can help I and plugged in to

1499  
01:11:08,609 --> 01:11:14,079  
several different kinds of practitioners

1500  
01:11:11,350 --> 01:11:18,720  
and one of my contact is a master

1501  
01:11:14,079 --> 01:11:22,149  
homeopathy and she suggested that fuya I

1502  
01:11:18,720 --> 01:11:24,250  
think that's how you pronounce it which

1503  
01:11:22,149 --> 01:11:26,259  
is a homeopathic remedy often used in

1504  
01:11:24,250 --> 01:11:28,210  
the treatment of addictions which is

1505  
01:11:26,260 --> 01:11:33,190  
interesting too because a lot of the

1506  
01:11:28,210 --> 01:11:35,170  
experiences can have experiences where

1507  
01:11:33,189 --> 01:11:38,529  
they find themselves becoming slightly

1508  
01:11:35,170 --> 01:11:41,859  
obsessive about certain processes often

1509  
01:11:38,529 --> 01:11:44,319  
out of anxiety in cases of sexual abuse

1510  
01:11:41,859 --> 01:11:48,039  
for the predator and the experiencer

1511

01:11:44,319 --> 01:11:50,619  
this is a really great remedy and plenty

1512  
01:11:48,039 --> 01:11:52,810  
of our people especially the ladies have

1513  
01:11:50,619 --> 01:11:55,119  
had a lot of experience with this hybrid

1514  
01:11:52,810 --> 01:11:57,940  
business and may again find somebody

1515  
01:11:55,119 --> 01:12:00,159  
from this we would love to do to do some

1516  
01:11:57,939 --> 01:12:03,039  
some research on this and it's what we

1517  
01:12:00,159 --> 01:12:04,750  
hope to set up down the line is to to

1518  
01:12:03,039 --> 01:12:07,329  
really try and see if this kind of thing

1519  
01:12:04,750 --> 01:12:10,300  
helps because it is other-dimensional

1520  
01:12:07,329 --> 01:12:13,420  
medicine as well three years also used

1521  
01:12:10,300 --> 01:12:15,340  
very much in cases of possession entity

1522  
01:12:13,420 --> 01:12:18,369  
incursion that kind of thing

1523  
01:12:15,340 --> 01:12:20,350  
so again sometimes people feel that

1524  
01:12:18,369 --> 01:12:24,970  
there are being stepping in and stepping

1525  
01:12:20,350 --> 01:12:28,150

out and again I think that we can say

1526

01:12:24,970 --> 01:12:30,340

you know what this far no further if you

1527

01:12:28,149 --> 01:12:34,029

want to interact with me than it is with

1528

01:12:30,340 --> 01:12:36,690

my consent and agreement and I think we

1529

01:12:34,029 --> 01:12:40,239

have to find a way to make this happen

1530

01:12:36,689 --> 01:12:43,089

and I'm just trying to find ways of

1531

01:12:40,239 --> 01:12:45,159

supporting this particular group of

1532

01:12:43,090 --> 01:12:48,550

people and any others who need it with

1533

01:12:45,159 --> 01:12:51,039

some practical tools and help and for

1534

01:12:48,550 --> 01:12:52,510

example in hand reflexology in any

1535

01:12:51,039 --> 01:12:54,760

reflexology but in the hand because it's

1536

01:12:52,510 --> 01:12:57,940

easier on this part of the hand which

1537

01:12:54,760 --> 01:12:59,320

I'm showing it's just the this big part

1538

01:12:57,939 --> 01:13:01,449

of the thumb here I haven't got a

1539

01:12:59,319 --> 01:13:03,189

picture of it I'm sorry but just about

1540  
01:13:01,449 --> 01:13:06,760  
two fingers down from where the thumb

1541  
01:13:03,189 --> 01:13:07,989  
begins is the adrenal point and the

1542  
01:13:06,760 --> 01:13:10,810  
adrenals of

1543  
01:13:07,989 --> 01:13:13,449  
can get exhausted in when you have when

1544  
01:13:10,810 --> 01:13:16,240  
there are entity involvement or whether

1545  
01:13:13,449 --> 01:13:18,880  
there's et or interdimensional activity

1546  
01:13:16,239 --> 01:13:21,340  
people often get exhausted and tired and

1547  
01:13:18,880 --> 01:13:26,109  
it is often a point of contact and

1548  
01:13:21,340 --> 01:13:29,199  
anchor for those who have entities so

1549  
01:13:26,109 --> 01:13:31,839  
when we tone up our adrenals and give

1550  
01:13:29,199 --> 01:13:33,250  
them a rest there is less ability and so

1551  
01:13:31,840 --> 01:13:35,199  
that's raising our vibration and

1552  
01:13:33,250 --> 01:13:37,390  
frequency there is less ability for any

1553  
01:13:35,199 --> 01:13:39,460  
of those things to take place to anchor

1554  
01:13:37,390 --> 01:13:41,260  
in now I don't know whether any of you

1555  
01:13:39,460 --> 01:13:45,069  
have heard of the emotional freedom

1556  
01:13:41,260 --> 01:13:47,980  
technique often known in the UK as EFT

1557  
01:13:45,069 --> 01:13:50,619  
and America I believe and it's really

1558  
01:13:47,979 --> 01:13:54,099  
just a very very simple very easy

1559  
01:13:50,619 --> 01:13:57,159  
process on a DS doing it there - I can't

1560  
01:13:54,100 --> 01:13:59,890  
demonstrate it up to recalibrate the

1561  
01:13:57,159 --> 01:14:01,569  
consciousness and that is a fantastic

1562  
01:13:59,890 --> 01:14:04,050  
technique I do believe that we can do

1563  
01:14:01,569 --> 01:14:06,460  
this gently I don't think we have to

1564  
01:14:04,050 --> 01:14:08,409  
hurt ourselves or harm ourselves more

1565  
01:14:06,460 --> 01:14:10,750  
with heavy drugs or anything like that

1566  
01:14:08,409 --> 01:14:14,260  
but you know what if people are already

1567  
01:14:10,750 --> 01:14:16,180  
in the psychiatric care if you like then

1568

01:14:14,260 --> 01:14:18,789  
it may be that that's where they have to

1569  
01:14:16,180 --> 01:14:21,610  
stay until they can have the strength

1570  
01:14:18,789 --> 01:14:24,939  
and the body chemistry is able to deal

1571  
01:14:21,609 --> 01:14:26,439  
with that I've just put this slide up I

1572  
01:14:24,939 --> 01:14:28,599  
know you probably won't be able to read

1573  
01:14:26,439 --> 01:14:29,769  
all of it and it's a large document I

1574  
01:14:28,600 --> 01:14:32,620  
just thought it was wonderful because

1575  
01:14:29,770 --> 01:14:34,450  
the human sovereignty dot-org people

1576  
01:14:32,619 --> 01:14:38,409  
have written this declaration of human

1577  
01:14:34,449 --> 01:14:42,159  
sovereignty regarding contact with

1578  
01:14:38,409 --> 01:14:43,659  
extraterrestrial Nations and forces and

1579  
01:14:42,159 --> 01:14:46,000  
I won't go through all that it says but

1580  
01:14:43,659 --> 01:14:49,000  
one of the things it does say is the

1581  
01:14:46,000 --> 01:14:52,630  
right to sovereignty and I'm absolutely

1582  
01:14:49,000 --> 01:14:55,600

up for that I really want my personal

1583

01:14:52,630 --> 01:14:58,239

sovereignty to be absolute and I want

1584

01:14:55,600 --> 01:15:00,579

that for all of you guys too and I think

1585

01:14:58,239 --> 01:15:02,019

we can have that I don't think just

1586

01:15:00,579 --> 01:15:04,689

because these things have been going on

1587

01:15:02,020 --> 01:15:08,080

for maybe millennia that we can't change

1588

01:15:04,689 --> 01:15:09,759

them so you know I'll let you know I'll

1589

01:15:08,079 --> 01:15:11,559

keep you up to date with how we go on

1590

01:15:09,760 --> 01:15:14,289

that one the other thing it talks about

1591

01:15:11,560 --> 01:15:16,510

is the right of planetary sanctity and

1592

01:15:14,289 --> 01:15:19,449

the right of sanctity of biological and

1593

01:15:16,510 --> 01:15:21,579

genetic material well we know that

1594

01:15:19,449 --> 01:15:23,500

that's not the case at the moment

1595

01:15:21,579 --> 01:15:26,409

but it's you know it's something to work

1596

01:15:23,500 --> 01:15:28,210

towards if any of you want to look up

1597  
01:15:26,409 --> 01:15:30,779  
this document you can find it under

1598  
01:15:28,210 --> 01:15:33,430  
human sovereign Terry sovereign sorry

1599  
01:15:30,779 --> 01:15:38,229  
sovereignty dot org there you go didn't

1600  
01:15:33,430 --> 01:15:41,020  
took my teeth in there Amash were very

1601  
01:15:38,229 --> 01:15:44,379  
lucky to have a most amazing guy called

1602  
01:15:41,020 --> 01:15:46,300  
Jack Mason do some artwork for us for

1603  
01:15:44,380 --> 01:15:48,760  
our coming conference later this year

1604  
01:15:46,300 --> 01:15:51,460  
end of August September I just wanted to

1605  
01:15:48,760 --> 01:15:53,199  
share that artwork with you and this is

1606  
01:15:51,460 --> 01:15:56,199  
the first time probably a full three-day

1607  
01:15:53,199 --> 01:15:58,960  
conference has been put together on the

1608  
01:15:56,199 --> 01:16:01,479  
experiences so we're having mainly

1609  
01:15:58,960 --> 01:16:03,609  
experiences speaking we'll have several

1610  
01:16:01,479 --> 01:16:05,379  
speakers who who are going to be

1611  
01:16:03,609 --> 01:16:07,809  
researchers talking about various allied

1612  
01:16:05,380 --> 01:16:09,940  
subjects but the great thing is that

1613  
01:16:07,810 --> 01:16:11,800  
we're going to have mainly experiences

1614  
01:16:09,939 --> 01:16:15,460  
so this will be the first time that

1615  
01:16:11,800 --> 01:16:18,250  
we've had so many putting their story

1616  
01:16:15,460 --> 01:16:20,739  
first and telling it their own way so

1617  
01:16:18,250 --> 01:16:23,140  
it's very exciting so we want to put

1618  
01:16:20,739 --> 01:16:25,359  
this thing on the map of serious

1619  
01:16:23,140 --> 01:16:30,700  
research we think that's really

1620  
01:16:25,359 --> 01:16:32,710  
important and Igor maybe you could tell

1621  
01:16:30,699 --> 01:16:36,399  
me how much time we've got he's not

1622  
01:16:32,710 --> 01:16:38,470  
hearing me I don't know how much time am

1623  
01:16:36,399 --> 01:16:47,379  
i through have we done sorry I forgot to

1624  
01:16:38,470 --> 01:16:48,400  
bring my watch up with me I want to

1625

01:16:47,380 --> 01:16:51,670  
say some other stuff but if we're

1626  
01:16:48,399 --> 01:16:53,769  
finished with okay alrighty well listen

1627  
01:16:51,670 --> 01:16:56,170  
guys I just want another couple of

1628  
01:16:53,770 --> 01:16:58,440  
minutes then just to share with you I

1629  
01:16:56,170 --> 01:17:02,140  
meant to say this at the beginning but

1630  
01:16:58,439 --> 01:17:04,539  
the the the talk that it was on your

1631  
01:17:02,140 --> 01:17:06,369  
sheets there was not the talk I've given

1632  
01:17:04,539 --> 01:17:08,590  
it was really about a mash and what

1633  
01:17:06,369 --> 01:17:11,199  
we're doing and what we're about in the

1634  
01:17:08,590 --> 01:17:14,319  
UK being a new resource but it did have

1635  
01:17:11,199 --> 01:17:16,300  
suppressed technology well that's a real

1636  
01:17:14,319 --> 01:17:18,969  
field that I'm very interested in and in

1637  
01:17:16,300 --> 01:17:23,230  
the UK there is a gentleman by the name

1638  
01:17:18,970 --> 01:17:27,670  
of Professor John Searle John Searle

1639  
01:17:23,229 --> 01:17:30,729

created something called the s e-g that

1640

01:17:27,670 --> 01:17:33,159

stands for the sole effect generator and

1641

01:17:30,729 --> 01:17:35,138

if you want to look up more information

1642

01:17:33,159 --> 01:17:39,398

about his story do go

1643

01:17:35,139 --> 01:17:43,139

to the souls story calm it's very

1644

01:17:39,399 --> 01:17:47,289

interesting it's pronounced spelt s e a

1645

01:17:43,139 --> 01:17:49,899

RL and John soul I will just say that at

1646

01:17:47,288 --> 01:17:51,279

four he's now eighty years old still

1647

01:17:49,899 --> 01:17:52,889

living still alive and kicking as he

1648

01:17:51,279 --> 01:17:56,469

says we're in contact fairly regularly

1649

01:17:52,889 --> 01:17:59,229

but this machine that he devised which

1650

01:17:56,469 --> 01:18:01,239

he did at 14 years old by mistake and

1651

01:17:59,229 --> 01:18:02,469

then he realized what he'd done he was

1652

01:18:01,238 --> 01:18:06,038

actually trying to create electricity

1653

01:18:02,469 --> 01:18:08,439

because one year after the war 1946

1654  
01:18:06,038 --> 01:18:11,259  
everybody was really poor and there what

1655  
01:18:08,439 --> 01:18:12,999  
he could afford to pay for utilities so

1656  
01:18:11,260 --> 01:18:17,409  
that's what he was doing he was a real

1657  
01:18:12,998 --> 01:18:22,238  
great altruistic guy anyway over time he

1658  
01:18:17,408 --> 01:18:24,728  
created lots of prototypes and the BBC

1659  
01:18:22,238 --> 01:18:27,518  
Believe It or Not used to film him in

1660  
01:18:24,729 --> 01:18:29,110  
the 60s and 70s and you'd be surprised

1661  
01:18:27,519 --> 01:18:32,309  
to know that those archives are no

1662  
01:18:29,109 --> 01:18:36,009  
longer available they have disappeared

1663  
01:18:32,309 --> 01:18:38,619  
but they did use to film John flying his

1664  
01:18:36,010 --> 01:18:40,929  
prototype and this prototype could go

1665  
01:18:38,618 --> 01:18:44,438  
three or four hundred miles in three

1666  
01:18:40,929 --> 01:18:48,158  
minutes I mean that's extraordinary

1667  
01:18:44,439 --> 01:18:51,610  
and this was proven recorded and done it

1668  
01:18:48,158 --> 01:18:53,228  
also had a healing benefit now I don't

1669  
01:18:51,609 --> 01:18:57,188  
know if you know what I mean by negative

1670  
01:18:53,229 --> 01:18:59,469  
ions and in English is IO NS the

1671  
01:18:57,189 --> 01:19:01,959  
negative ions are what makes us feel

1672  
01:18:59,469 --> 01:19:04,118  
very good when the when the places full

1673  
01:19:01,958 --> 01:19:04,719  
of positive ions makes you feel tired

1674  
01:19:04,118 --> 01:19:07,748  
heady

1675  
01:19:04,719 --> 01:19:10,840  
etc but negative ions are what helps

1676  
01:19:07,748 --> 01:19:13,349  
speed up our healing process and some

1677  
01:19:10,840 --> 01:19:18,159  
years ago many years ago John had a very

1678  
01:19:13,349 --> 01:19:20,979  
severe facial burn from an oil explosion

1679  
01:19:18,158 --> 01:19:23,429  
and he had an s e-g that he was working

1680  
01:19:20,979 --> 01:19:26,800  
with on hand now the s e-g also uses

1681  
01:19:23,429 --> 01:19:29,199  
ambient energy ambient energy is the

1682

01:19:26,800 --> 01:19:32,050  
energy that we have in our air right now

1683  
01:19:29,198 --> 01:19:35,259  
it pulls it in and it uses it

1684  
01:19:32,050 --> 01:19:38,079  
automatically and this thing runs cold

1685  
01:19:35,260 --> 01:19:40,418  
it becomes super conductive so it

1686  
01:19:38,078 --> 01:19:43,460  
doesn't take any it doesn't heat up with

1687  
01:19:40,418 --> 01:19:46,219  
energy it actually gets much colder so

1688  
01:19:43,460 --> 01:19:48,170  
what this did John's injuries healed up

1689  
01:19:46,219 --> 01:19:50,210  
and you can't tell that he's ever had a

1690  
01:19:48,170 --> 01:19:53,270  
burn which is phenomenal because his

1691  
01:19:50,210 --> 01:19:56,270  
whole face was burnt and his neck and

1692  
01:19:53,270 --> 01:19:57,500  
there is no sign of any injury and the

1693  
01:19:56,270 --> 01:19:59,210  
hospital couldn't believe it because it

1694  
01:19:57,500 --> 01:20:01,550  
took about three weeks for that to heal

1695  
01:19:59,210 --> 01:20:04,810  
and they put it down to the fact that he

1696  
01:20:01,550 --> 01:20:07,880

was in a highly negatively ionized

1697

01:20:04,810 --> 01:20:10,340

environment so I just want to say to you

1698

01:20:07,880 --> 01:20:12,469

that we have all the things that we need

1699

01:20:10,340 --> 01:20:14,659

right here right now on the planet we've

1700

01:20:12,469 --> 01:20:18,170

got all the healing tools we need there

1701

01:20:14,659 --> 01:20:21,229

is a russian healing system which is now

1702

01:20:18,170 --> 01:20:23,060

regenerating organs and this is fact and

1703

01:20:21,229 --> 01:20:24,289

you can again go and see that yourself

1704

01:20:23,060 --> 01:20:25,969

will talk to me afterwards and I'll give

1705

01:20:24,289 --> 01:20:27,979

you the right place to go and look at it

1706

01:20:25,969 --> 01:20:30,560

but I just want to say thank you very

1707

01:20:27,979 --> 01:20:32,209

much I hope you found it interesting but

1708

01:20:30,560 --> 01:20:33,800

again to eagle and everybody else on

1709

01:20:32,210 --> 01:20:35,719

those two girlies in the booth there

1710

01:20:33,800 --> 01:20:37,460

thank you very much ladies you're

1711

01:20:35,719 --> 01:20:41,140  
working really hard that's brilliant

1712

01:20:37,460 --> 01:20:41,140  
thanks from a match thank you
