very much eager for this nice

13
00:01:14,819 --> 00:01:20,579
introduction which to be honest I

14
00:01:18,060 --> 00:01:26,640
haven't understood one single word of it

15
00:01:20,579 --> 00:01:31,709
but I'm sure it was very nice my name is

16
00:01:26,640 --> 00:01:34,590
Robert Fleischer I'm from your your

17
00:01:31,709 --> 00:01:38,399
right from the neighborhood from Germany

18
00:01:34,590 --> 00:01:43,228
I grew up in Karl Marx that which is now

19
00:01:38,400 --> 00:01:45,118
chemnitz so I went to your precious

20
00:01:43,228 --> 00:01:47,219
country a couple of times and I've

21
00:01:45,118 --> 00:01:50,340
always enjoyed it especially the

22
00:01:47,219 --> 00:01:52,709
spirulina or how you translate or how do

23
00:01:50,340 --> 00:01:54,390
you pronounce it I don't know it's I I

24
00:01:52,709 --> 00:01:58,289
was told it's called ice cream that's

25
00:01:54,390 --> 00:02:01,299
the only the only word I remember from

26
00:01:58,290 --> 00:02:06,850
my childhood from

27
00:02:01,299 --> 00:02:11,180
the Czech Republic let me tell you

28
00:02:06,849 --> 00:02:17,180
something about myself first I am a

29

00:02:11,180 --> 00:02:21,799
journalist 34 years old I used to work

30
00:02:17,180 --> 00:02:25,180
for television because I'd always wanted

31
00:02:21,799 --> 00:02:27,349
to become a journalist for television

32
00:02:25,180 --> 00:02:29,330
because I thought that there are so many

33
00:02:27,348 --> 00:02:32,479
interesting subjects that you could

34
00:02:29,330 --> 00:02:37,250
report on and which are important for

35
00:02:32,479 --> 00:02:40,340
mankind to know and and I didn't see

36
00:02:37,250 --> 00:02:42,949
those subjects on mainstream television

37
00:02:40,340 --> 00:02:47,989
so I thought well just go there and do

38
00:02:42,949 --> 00:02:51,949
it myself you know I was I was a pretty

39
00:02:47,989 --> 00:02:53,810
naive at that time I must say because it

40
00:02:51,949 --> 00:02:55,608
took me a couple of years working for

41
00:02:53,810 --> 00:02:58,219
television until I understood that

42
00:02:55,609 --> 00:03:05,209
television is not the place where you

43
00:02:58,219 --> 00:03:08,030

can report on the important things so in

44

00:03:05,209 --> 00:03:10,699
in June of 2007 I founded

45

00:03:08,030 --> 00:03:15,159
Exopolitics Germany which is part of the

46

00:03:10,699 --> 00:03:20,030
Exopolitics Institute of dr. Salam

47

00:03:15,159 --> 00:03:23,449
we have been working mainly in the in

48

00:03:20,030 --> 00:03:25,609
the field of journalism so we do not

49

00:03:23,449 --> 00:03:31,399
collect collect or we are not visible

50

00:03:25,609 --> 00:03:34,159
hours ourselves but but we collect the

51

00:03:31,400 --> 00:03:37,099
evidence and we do that because in in

52

00:03:34,159 --> 00:03:39,469
Germany it's it's it's pretty difficult

53

00:03:37,098 --> 00:03:42,530
to talk about the whole subject it's not

54

00:03:39,469 --> 00:03:44,568
like in Great Britain where you have the

55

00:03:42,530 --> 00:03:47,659
government of the Ministry of Defence

56

00:03:44,568 --> 00:03:50,479
releasing files you know tons and stacks

57

00:03:47,659 --> 00:03:54,379
of files you know which would which

58
00:03:50,479 --> 00:03:56,179
would occupy you for 50 years to go

59
00:03:54,379 --> 00:03:59,870
through every single sheet of it you

60
00:03:56,180 --> 00:04:01,879
know in Germany it's really difficult in

61
00:03:59,870 --> 00:04:06,669
my talk I want to approach the UFO

62
00:04:01,878 --> 00:04:10,399
subject from the political perspective

63
00:04:06,669 --> 00:04:12,500
what has become known in my country how

64
00:04:10,400 --> 00:04:14,870
my government is dealing with UFOs and

65
00:04:12,500 --> 00:04:19,129
as you will see Exopolitics German

66
00:04:14,870 --> 00:04:21,379
so far has played a certain role in what

67
00:04:19,129 --> 00:04:26,478
you would elsewhere call a disclosure

68
00:04:21,379 --> 00:04:31,909
process so disclosure that's the famous

69
00:04:26,478 --> 00:04:34,339
word which means which basically means

70
00:04:31,910 --> 00:04:35,990
that one day the government will have to

71
00:04:34,339 --> 00:04:39,310
admit that they have that they know

72
00:04:35,990 --> 00:04:45,610
quite a lot more than what they publicly

73
00:04:39,310 --> 00:04:50,030
say they know about et visitation and

74
00:04:45,610 --> 00:04:52,580
alien craft I'm not sure if I'm one of

75
00:04:50,029 --> 00:04:54,500
those who who doubts that this will ever

76
00:04:52,579 --> 00:04:58,399
take place because I think that the

77
00:04:54,500 --> 00:05:02,060
government has has has good reasons not

78
00:04:58,399 --> 00:05:04,399
to not to abolish its own role as the

79
00:05:02,060 --> 00:05:08,899
government because that this what would

80
00:05:04,399 --> 00:05:13,149
take place in in in my opinion so we

81
00:05:08,899 --> 00:05:18,620
have a website this is the website I'm

82
00:05:13,149 --> 00:05:23,810
we have it's a new website founded in

83
00:05:18,620 --> 00:05:26,598
June of 2007 and this website contains

84
00:05:23,810 --> 00:05:28,220
three sections it's it's it's entirely

85
00:05:26,598 --> 00:05:30,620
in German I am sorry

86

00:05:28,220 --> 00:05:33,530
it's neither in Czech neither in English

87
00:05:30,620 --> 00:05:36,079
a lot of my English colleagues complain

88
00:05:33,529 --> 00:05:40,668
about this but it's because we make a

89
00:05:36,079 --> 00:05:43,848
lot of video reports and videos films

90
00:05:40,668 --> 00:05:47,029
documentaries and it's difficult and

91
00:05:43,848 --> 00:05:49,939
it's it's it's expensive and it costs a

92
00:05:47,029 --> 00:05:51,409
lot of time also to make English or

93
00:05:49,939 --> 00:05:52,098
international versions of it but we're

94
00:05:51,410 --> 00:05:55,010
working on it

95
00:05:52,098 --> 00:05:59,509
so we have three sections because the

96
00:05:55,009 --> 00:06:04,569
thing is when you talk about UFOs you

97
00:05:59,509 --> 00:06:08,240
have to target groups you have the

98
00:06:04,569 --> 00:06:14,029
completely uninformed public which is in

99
00:06:08,240 --> 00:06:16,819
my country I would say 80% of the

100
00:06:14,029 --> 00:06:20,000

population and you have those who know

101

00:06:16,819 --> 00:06:22,848

that there is something to it and they

102

00:06:20,000 --> 00:06:24,769

do not want to hear about the the basic

103

00:06:22,848 --> 00:06:27,360

facts anymore you know they would rather

104

00:06:24,769 --> 00:06:31,529

go for witness testimony

105

00:06:27,360 --> 00:06:37,710

the direct et confrontation sort of the

106

00:06:31,529 --> 00:06:40,799

things that we just heard from Joanna so

107

00:06:37,709 --> 00:06:43,739

what happens when when you confront the

108

00:06:40,800 --> 00:06:47,610

second target group with the basic

109

00:06:43,740 --> 00:06:50,340

information is that they become bored

110

00:06:47,610 --> 00:06:53,400

and they will just switch off or change

111

00:06:50,339 --> 00:06:56,609

the website or whatever and if you and

112

00:06:53,399 --> 00:06:59,638

if you confront the first target group

113

00:06:56,610 --> 00:07:02,939

the uninformed general public with a

114

00:06:59,639 --> 00:07:05,490

very advanced knowledge about this like

115
00:07:02,939 --> 00:07:09,990
questions like for example meetings of

116
00:07:05,490 --> 00:07:11,968
US presidents with ETS then they will

117
00:07:09,990 --> 00:07:15,210
you know this will cause them to

118
00:07:11,968 --> 00:07:19,259
completely shut down all their senses

119
00:07:15,209 --> 00:07:22,788
you know completely block a block away

120
00:07:19,259 --> 00:07:25,259
is called cognitive dissonance

121
00:07:22,788 --> 00:07:27,538
because they can update they just cannot

122
00:07:25,259 --> 00:07:30,479
grasp the information because they do

123
00:07:27,538 --> 00:07:34,829
not have the basic the basic knowledge

124
00:07:30,478 --> 00:07:37,918
that one should have in an informed

125
00:07:34,829 --> 00:07:40,859
debate if you want to have an informed

126
00:07:37,918 --> 00:07:43,500
opinion if you want to have an informed

127
00:07:40,860 --> 00:07:46,560
discussion so we try to solve this

128
00:07:43,500 --> 00:07:50,899
problem by establishing several sections

129
00:07:46,560 --> 00:07:53,490
this is a XO vision it's XO knowledge

130
00:07:50,899 --> 00:07:56,728
there you find all the the primary

131
00:07:53,490 --> 00:08:01,620
information like information that is

132
00:07:56,728 --> 00:08:03,568
both valuable for journalists and the

133
00:08:01,620 --> 00:08:06,209
public because they can because it

134
00:08:03,569 --> 00:08:10,528
enables them to to do the research

135
00:08:06,209 --> 00:08:15,870
themselves so I put a lot of attention

136
00:08:10,528 --> 00:08:18,300
in defining or in naming the sources

137
00:08:15,870 --> 00:08:21,689
where I have these information this

138
00:08:18,300 --> 00:08:24,538
information from so that people can can

139
00:08:21,689 --> 00:08:26,338
go and do the research themselves then

140
00:08:24,538 --> 00:08:30,348
we have a premium section and this is

141
00:08:26,338 --> 00:08:33,620
where we hide the advanced knowledge

142
00:08:30,348 --> 00:08:37,889
from the eyes of the uninformed public

143

00:08:33,620 --> 00:08:40,769
and and people have to pay a membership

144
00:08:37,889 --> 00:08:42,958
fee to be able to access this

145
00:08:40,769 --> 00:08:44,818
second section which is the Exim

146
00:08:42,958 --> 00:08:47,159
magazine and then we have the exo

147
00:08:44,818 --> 00:08:51,748
community which is an online community

148
00:08:47,159 --> 00:08:54,838
with currently 3000 almost 3,000 members

149
00:08:51,749 --> 00:08:57,319
and activists who are part of

150
00:08:54,839 --> 00:09:00,929
Exopolitics Germany some of whom

151
00:08:57,318 --> 00:09:03,860
contribute to our cause some of them are

152
00:09:00,928 --> 00:09:07,409
just there to exchange information among

153
00:09:03,860 --> 00:09:16,259
activists and members and this is by the

154
00:09:07,409 --> 00:09:18,719
way my profile page and yeah so it's

155
00:09:16,259 --> 00:09:22,318
around 3000 it's according to the

156
00:09:18,720 --> 00:09:27,389
counter on its front page page it's 2942

157
00:09:22,318 --> 00:09:30,328

members to be precise so why are we

158

00:09:27,389 --> 00:09:33,448

doing all this the extra community is is

159

00:09:30,328 --> 00:09:38,008

is really important because the subject

160

00:09:33,448 --> 00:09:41,278

is the subject of UFOs is something

161

00:09:38,009 --> 00:09:43,499

which doesn't exist at all in Germany

162

00:09:41,278 --> 00:09:48,028

not in the public just not the public

163

00:09:43,499 --> 00:09:49,528

debate you know most people aren't even

164

00:09:48,028 --> 00:09:51,448

interested in it

165

00:09:49,528 --> 00:09:53,850

most people have heard that there is

166

00:09:51,448 --> 00:09:55,469

something like UFOs and it's eg craft

167

00:09:53,850 --> 00:09:58,079

and we all know that it only comes from

168

00:09:55,470 --> 00:10:01,678

Hollywood movies and it's it's not real

169

00:09:58,078 --> 00:10:03,448

you know but on the other hand there are

170

00:10:01,678 --> 00:10:08,068

many people who have had experiences

171

00:10:03,448 --> 00:10:11,698

themselves and who who just want to talk

172
00:10:08,068 --> 00:10:15,899
about what they what they found out what

173
00:10:11,698 --> 00:10:17,548
they feel is important and and this EXO

174
00:10:15,899 --> 00:10:20,970
community gives them for the very first

175
00:10:17,548 --> 00:10:24,048
time in Germany actually the the means

176
00:10:20,970 --> 00:10:31,230
to discuss and to communicate about this

177
00:10:24,048 --> 00:10:33,899
online so so that's good I think as I

178
00:10:31,230 --> 00:10:38,069
said there's no such thing as UFOs in

179
00:10:33,899 --> 00:10:40,168
Germany and I think this is from what

180
00:10:38,068 --> 00:10:42,958
I've heard it's probably the same in the

181
00:10:40,168 --> 00:10:45,418
Czech Republic right I don't know if

182
00:10:42,958 --> 00:10:47,068
your government if you even know of

183
00:10:45,418 --> 00:10:48,749
government officials from the Czech

184
00:10:47,068 --> 00:10:52,198
Republic who have ever said anything

185
00:10:48,749 --> 00:10:53,939
about UFOs or are there politicians in

186
00:10:52,198 --> 00:10:55,008
the Czech Republic who say anything

187
00:10:53,938 --> 00:11:01,318
about

188
00:10:55,009 --> 00:11:06,959
no no okay so you see we still have lots

189
00:11:01,318 --> 00:11:11,178
lots of things in common so this is a

190
00:11:06,958 --> 00:11:14,359
former Federal Minister of the Interior

191
00:11:11,178 --> 00:11:18,899
who was once asked on an online platform

192
00:11:14,360 --> 00:11:21,389
about you know secret UFO projects in

193
00:11:18,899 --> 00:11:23,428
Germany and stuff and he said there's no

194
00:11:21,389 --> 00:11:25,499
federal authority or institution that

195
00:11:23,428 --> 00:11:27,149
registers evaluates or deals with

196
00:11:25,499 --> 00:11:30,839
alleged sightings of unknown flying

197
00:11:27,149 --> 00:11:34,110
objects in fact he said there is no

198
00:11:30,839 --> 00:11:38,519
federal authority or institution known

199
00:11:34,110 --> 00:11:40,350
here that registers or evaluates or

200

00:11:38,519 --> 00:11:43,318
deals with alleged sightings of unknown

201
00:11:40,350 --> 00:11:45,449
flying objects so I found this is an

202
00:11:43,318 --> 00:11:48,509
interesting statement being at the

203
00:11:45,448 --> 00:11:50,099
Federal Minister of the Interior he I

204
00:11:48,509 --> 00:11:53,548
think he should know if there is

205
00:11:50,100 --> 00:11:57,899
something or not you know and there have

206
00:11:53,548 --> 00:11:59,578
been some attempts by members of

207
00:11:57,899 --> 00:12:03,448
parliament of the Federal Parliament

208
00:11:59,578 --> 00:12:06,958
which is the Bundestag in Germany the

209
00:12:03,448 --> 00:12:10,289
Bundestag and they wanted to try out

210
00:12:06,958 --> 00:12:11,789
they wanted to find out if if the

211
00:12:10,289 --> 00:12:15,298
government knows anything and and they

212
00:12:11,789 --> 00:12:17,759
they asked official questions official

213
00:12:15,298 --> 00:12:21,438
inquiries which they made to the German

214
00:12:17,759 --> 00:12:25,769

government so this is for example a

215

00:12:21,438 --> 00:12:27,958

deputy from the Liberal Party FTP he

216

00:12:25,769 --> 00:12:30,509

wanted to know how many sightings of

217

00:12:27,958 --> 00:12:33,208

so-called UFOs or extraterrestrials in

218

00:12:30,509 --> 00:12:36,389

Germany has the German government

219

00:12:33,208 --> 00:12:38,488

registered since the year 2000 and does

220

00:12:36,389 --> 00:12:41,519

the federal government intend to release

221

00:12:38,489 --> 00:12:43,499

its files about UFO sightings to now

222

00:12:41,519 --> 00:12:47,100

that the French and the British have

223

00:12:43,499 --> 00:12:50,668

published their files you know I think

224

00:12:47,100 --> 00:12:53,610

this is justified question oh by the way

225

00:12:50,668 --> 00:12:58,409

I have to set up my my time or here my

226

00:12:53,610 --> 00:13:03,720

my egg timer because if I don't do it we

227

00:12:58,409 --> 00:13:05,639

were standing here tomorrow so and the

228

00:13:03,720 --> 00:13:08,220

answer of the federal government is that

229
00:13:05,639 --> 00:13:09,950
it does not have any knowledge about

230
00:13:08,220 --> 00:13:12,629
writings of so-called UFOs or

231
00:13:09,950 --> 00:13:14,759
extraterrestrials in Germany therefore

232
00:13:12,629 --> 00:13:17,250
there are no such files about UFO

233
00:13:14,759 --> 00:13:20,429
sightings which are available for

234
00:13:17,250 --> 00:13:22,740
release and there's also another deputy

235
00:13:20,429 --> 00:13:26,120
of the German Bundestag so that's the

236
00:13:22,740 --> 00:13:29,190
federal parliament who wanted to know

237
00:13:26,120 --> 00:13:31,200
how the federal government estimates the

238
00:13:29,190 --> 00:13:33,960
probability of the reality of

239
00:13:31,200 --> 00:13:36,660
intelligent extraterrestrial life and

240
00:13:33,960 --> 00:13:39,300
how does it estimate the probability

241
00:13:36,659 --> 00:13:42,449
that extraterrestrials might land on

242
00:13:39,299 --> 00:13:46,709
German territory and of course the

243
00:13:42,450 --> 00:13:49,200
answer of the government is the German

244
00:13:46,710 --> 00:13:51,060
federal government does not have any

245
00:13:49,200 --> 00:13:53,840
knowledge which would allow to estimate

246
00:13:51,059 --> 00:13:56,309
the probability of the reality of

247
00:13:53,840 --> 00:13:57,960
extraterrestrial life you see the

248
00:13:56,309 --> 00:14:02,159
Germans they like nouns you know that's

249
00:13:57,960 --> 00:14:04,259
why probability reality however given

250
00:14:02,159 --> 00:14:05,990
current scientific knowledge the

251
00:14:04,259 --> 00:14:08,819
likelihood of a landing of

252
00:14:05,990 --> 00:14:13,889
extraterrestrials on German territory is

253
00:14:08,820 --> 00:14:15,030
considered out of the question out of

254
00:14:13,889 --> 00:14:17,340
the question

255
00:14:15,029 --> 00:14:19,139
you know it's completely out of the

256
00:14:17,340 --> 00:14:21,180
question that ETS would ever land on

257

00:14:19,139 --> 00:14:23,490
German territory and that is an

258
00:14:21,179 --> 00:14:25,679
astounding statement I thought because

259
00:14:23,490 --> 00:14:29,730
if you say it's out of the question

260
00:14:25,679 --> 00:14:31,049
means that this should be must be

261
00:14:29,730 --> 00:14:33,000
something that you suggest which is

262
00:14:31,049 --> 00:14:35,159
completely impossible that nobody has

263
00:14:33,000 --> 00:14:39,509
ever thought of you know that it could

264
00:14:35,159 --> 00:14:45,299
ever occur and in fact there is a CIA

265
00:14:39,509 --> 00:14:47,750
document from 1952 discussing a UFO

266
00:14:45,299 --> 00:14:51,059
landing in Germany this is not

267
00:14:47,750 --> 00:14:56,389
classified information or anything it's

268
00:14:51,059 --> 00:15:00,899
just a report from a press report in

269
00:14:56,389 --> 00:15:02,909
Greece unevaluated information that's

270
00:15:00,899 --> 00:15:06,659
what I wanted to say but it says flying

271
00:15:02,909 --> 00:15:09,179

saucers in East Germany so the report

272

00:15:06,659 --> 00:15:12,329

talks about Oscar linka who was a former

273

00:15:09,179 --> 00:15:16,189

East German mayor and his daughter

274

00:15:12,330 --> 00:15:19,200

Gabriella who were on their way home and

275

00:15:16,190 --> 00:15:21,200

had to leave their motorcycle when they

276

00:15:19,200 --> 00:15:23,389

had a flat tire

277

00:15:21,200 --> 00:15:26,540

and inside the woods the girl noticed

278

00:15:23,389 --> 00:15:29,028

two men and silvery suits examining the

279

00:15:26,539 --> 00:15:33,259

ground in a clearing near a pink disc

280

00:15:29,028 --> 00:15:36,078

shape disc-shaped object 13 to 50 meters

281

00:15:33,259 --> 00:15:38,028

in diameter showing a double row of

282

00:15:36,078 --> 00:15:41,778

openings around the rim and a black

283

00:15:38,028 --> 00:15:45,439

conical tower on top one of the men had

284

00:15:41,778 --> 00:15:48,259

some kind of a flashing box both men

285

00:15:45,440 --> 00:15:51,110

went inside when they were discovered or

286
00:15:48,259 --> 00:15:53,990
when they when they realized that they

287
00:15:51,110 --> 00:15:56,389
were being watched by Oscar linker the

288
00:15:53,990 --> 00:15:58,850
mayor and his daughter and they went

289
00:15:56,389 --> 00:16:00,948
inside the the the disk the disk

290
00:15:58,850 --> 00:16:04,100
vibrated rows along the cone-shaped

291
00:16:00,948 --> 00:16:06,769
cylinder and then spun faster and rose

292
00:16:04,100 --> 00:16:10,060
out of sight and the witness described

293
00:16:06,769 --> 00:16:13,600
the object as some sort of a frying pan

294
00:16:10,059 --> 00:16:17,299
and that's because in East Germany in

295
00:16:13,600 --> 00:16:21,769
1952 nobody had ever heard of flying

296
00:16:17,299 --> 00:16:26,088
saucers or UFOs because that was not

297
00:16:21,769 --> 00:16:30,049
part of the communist or let's say that

298
00:16:26,089 --> 00:16:33,170
was not part of the of the vocabulary

299
00:16:30,049 --> 00:16:37,458
that a good communist at that time had

300
00:16:33,169 --> 00:16:41,889
at his availability so you see the

301
00:16:37,458 --> 00:16:47,078
situation in Germany is basically

302
00:16:41,889 --> 00:16:50,088
comparable to two fish in a fish tank as

303
00:16:47,078 --> 00:16:52,609
standing on the table somewhere in a

304
00:16:50,089 --> 00:16:58,970
living room you know next to a ringing

305
00:16:52,610 --> 00:17:00,919
telephone did you know that fish they

306
00:16:58,970 --> 00:17:04,850
are supposed to have a memory of only

307
00:17:00,919 --> 00:17:07,099
two seconds so when the fish they make

308
00:17:04,849 --> 00:17:09,109
their rounds here in this glass you know

309
00:17:07,099 --> 00:17:11,568
whenever they they cross this sign which

310
00:17:09,109 --> 00:17:14,119
says this way swim this way you know

311
00:17:11,568 --> 00:17:15,918
it's always a new thing for the fish you

312
00:17:14,119 --> 00:17:17,769
know - Oh since when is there a sign

313
00:17:15,919 --> 00:17:20,900
here Oh have you seen the sign before

314

00:17:17,769 --> 00:17:23,660
wow there's a sign have you seen this so

315
00:17:20,900 --> 00:17:25,309
this is a kind of the limited let's say

316
00:17:23,660 --> 00:17:29,210
level of consciousness that we dispose

317
00:17:25,308 --> 00:17:32,480
of and one of you know if one of the

318
00:17:29,210 --> 00:17:34,400
fish ever dares to ask the question you

319
00:17:32,480 --> 00:17:37,009
know if one of the fish

320
00:17:34,400 --> 00:17:39,230
stops and dares to ask the question do

321
00:17:37,009 --> 00:17:42,470
you think there's maybe something else

322
00:17:39,230 --> 00:17:44,089
out there we might not understand then

323
00:17:42,470 --> 00:17:46,370
the other fish will make sure that he

324
00:17:44,089 --> 00:17:48,919
will keep on swimming and stop asking

325
00:17:46,369 --> 00:17:54,199
questions come on there's more important

326
00:17:48,920 --> 00:17:58,400
things to do in Germany and that's a

327
00:17:54,200 --> 00:18:01,069
situation honestly nobody really cares

328
00:17:58,400 --> 00:18:04,820

about UFOs and there is no and there's

329

00:18:01,069 --> 00:18:10,389

no serious news reporting on it and it

330

00:18:04,819 --> 00:18:14,029

has been like this for the 3040 years

331

00:18:10,390 --> 00:18:16,640

but then suddenly there was a big news

332

00:18:14,029 --> 00:18:18,920

report suddenly the German mainstream

333

00:18:16,640 --> 00:18:23,450

press started reporting on the German

334

00:18:18,920 --> 00:18:25,910

Bundestag having a UFO secret the

335

00:18:23,450 --> 00:18:29,029

headline here in this article says the

336

00:18:25,910 --> 00:18:30,920

Bundestag x-files so remember the

337

00:18:29,029 --> 00:18:34,460

Bundestag is the German Federal

338

00:18:30,920 --> 00:18:38,060

Parliament and it has a scientific

339

00:18:34,460 --> 00:18:42,759

research service which is a department

340

00:18:38,059 --> 00:18:45,950

of the Bundestag administration with

341

00:18:42,759 --> 00:18:48,379

filled with scientists from all kinds of

342

00:18:45,950 --> 00:18:51,650

branches of science and whenever a

343
00:18:48,380 --> 00:18:54,200
deputy of the German Bundestag needs

344
00:18:51,650 --> 00:18:57,590
scientific assistance needs help and

345
00:18:54,200 --> 00:19:00,110
advice not advice but like factual help

346
00:18:57,589 --> 00:19:02,329
from scientists they go to that

347
00:19:00,109 --> 00:19:05,750
department and say could you make a

348
00:19:02,329 --> 00:19:09,519
study about this and that I needed for

349
00:19:05,750 --> 00:19:12,319
my political decision so it turns out

350
00:19:09,519 --> 00:19:16,309
that the Bundestag Scientific Research

351
00:19:12,319 --> 00:19:23,450
Service has redacted has redacted a UFO

352
00:19:16,309 --> 00:19:26,119
study and in that study they say that

353
00:19:23,450 --> 00:19:30,190
what they they they believe that the

354
00:19:26,119 --> 00:19:33,829
German government does in official UFO

355
00:19:30,190 --> 00:19:36,470
investigation and this article deals

356
00:19:33,829 --> 00:19:39,439
with an upcoming trial in front of the

357
00:19:36,470 --> 00:19:42,589
Berlin Administrative Court regarding

358
00:19:39,440 --> 00:19:47,080
the release of that study and that trial

359
00:19:42,589 --> 00:19:52,089
took place on December 1st 2011

360
00:19:47,079 --> 00:19:58,179
and this is the claimant Frank the vitae

361
00:19:52,089 --> 00:20:01,029
Maia there the headline says this Berlin

362
00:19:58,180 --> 00:20:01,980
citizen wants to open the Bundestag UFO

363
00:20:01,029 --> 00:20:06,910
FILES

364
00:20:01,980 --> 00:20:10,029
and now he sued the Bundestag

365
00:20:06,910 --> 00:20:14,050
administration because he tried he had

366
00:20:10,029 --> 00:20:17,920
tried to get access to that undisclosed

367
00:20:14,049 --> 00:20:19,629
UFO study undertaken by the Scientific

368
00:20:17,920 --> 00:20:24,490
Research Service of the Bundestag and

369
00:20:19,630 --> 00:20:27,340
they denied it so he did it again under

370
00:20:24,490 --> 00:20:29,650
the German Freedom of Information Act I

371

00:20:27,339 --> 00:20:33,429
would like to know by the way do you

372
00:20:29,650 --> 00:20:36,759
have a Freedom of Information Act in the

373
00:20:33,430 --> 00:20:45,580
Czech Republic you have and how for how

374
00:20:36,759 --> 00:20:47,710
long 20 years ok so that's great you

375
00:20:45,579 --> 00:20:50,589
know congratulations because in Germany

376
00:20:47,710 --> 00:20:53,440
the the Freedom of Information Act is

377
00:20:50,589 --> 00:20:55,240
something that is relatively new it's 6

378
00:20:53,440 --> 00:20:57,490
years that we have the Freedom of

379
00:20:55,240 --> 00:21:00,370
Information Act so freedom of

380
00:20:57,490 --> 00:21:02,740
information for German for the German

381
00:21:00,369 --> 00:21:05,709
government is a concept that is

382
00:21:02,740 --> 00:21:09,250
relatively new and that is how they

383
00:21:05,710 --> 00:21:12,160
behave as well so he made that Freedom

384
00:21:09,250 --> 00:21:14,829
of Information Act request and it was

385
00:21:12,160 --> 00:21:16,990

denied so he sued the Bundestag

386

00:21:14,829 --> 00:21:21,549
administration for the release of that

387

00:21:16,990 --> 00:21:24,700
study and the Bundestag says they won't

388

00:21:21,549 --> 00:21:26,409
have to release the study because it

389

00:21:24,700 --> 00:21:30,549
does not fall under the Freedom of

390

00:21:26,410 --> 00:21:33,310
Information Act and in any case they

391

00:21:30,549 --> 00:21:36,009
have the intellectual property rights of

392

00:21:33,309 --> 00:21:40,329
that study and therefore the right of

393

00:21:36,009 --> 00:21:44,470
first publication and they decide not to

394

00:21:40,329 --> 00:21:51,129
publish it so basically poop off you

395

00:21:44,470 --> 00:21:54,490
know that's what they say I covered the

396

00:21:51,130 --> 00:21:59,290
the trial the the this trial in front of

397

00:21:54,490 --> 00:22:00,999
the Berlin Administrative Court and I

398

00:21:59,289 --> 00:22:05,168
made the following short

399

00:22:00,999 --> 00:22:07,899
report for our website later I found out

400
00:22:05,169 --> 00:22:12,179
that some mainstream media especially

401
00:22:07,898 --> 00:22:17,558
the Deutschland funk which is a big

402
00:22:12,179 --> 00:22:20,109
public news network in Germany they they

403
00:22:17,558 --> 00:22:23,798
simply stole my parts of the interview

404
00:22:20,108 --> 00:22:24,728
and and and broadcast it without

405
00:22:23,798 --> 00:22:27,338
asking me

406
00:22:24,729 --> 00:22:30,699
but it's alright for me because you know

407
00:22:27,338 --> 00:22:33,759
that's that's after all the reason why

408
00:22:30,699 --> 00:22:36,219
we do this work it's because we want to

409
00:22:33,759 --> 00:22:42,028
inform about the whole subject so this

410
00:22:36,219 --> 00:22:45,278
is the the report and i hope i hope that

411
00:22:42,028 --> 00:22:48,608
these fabulous amazing a conference

507

00:26:48,980 --> 00:26:56,150

in Germany we're still waiting for the

508

00:26:54,319 --> 00:27:05,149

government to understand what Freedom of

509

00:26:56,150 --> 00:27:06,590

Information is all about just right but

510

00:27:05,150 --> 00:27:10,580

wouldn't it be interesting to have

511

00:27:06,589 --> 00:27:14,559

access to the studies of the scientific

512

00:27:10,579 --> 00:27:18,259

research service of the German Bundestag

513

00:27:14,559 --> 00:27:21,950

after all they do not only bright

514
00:27:18,259 --> 00:27:25,700
studies about UFOs or whatever you know

515
00:27:21,950 --> 00:27:29,509
but they sometimes they also contribute

516
00:27:25,700 --> 00:27:31,490
to the dissertations of members of the

517
00:27:29,509 --> 00:27:37,609
Parliament I don't know if you are aware

518
00:27:31,490 --> 00:27:41,539
of our of a former defense minister he

519
00:27:37,609 --> 00:27:45,309
had to leave his his position as a

520
00:27:41,539 --> 00:27:48,980
defense minister he was actually fired

521
00:27:45,309 --> 00:27:50,690
when when it became public that the

522
00:27:48,980 --> 00:27:53,650
Scientific Research Service had

523
00:27:50,690 --> 00:27:57,500
contributed diplomatically said

524
00:27:53,650 --> 00:28:02,720
contributed to his dissertation in I

525
00:27:57,500 --> 00:28:05,660
think 16 cases or let me say it let me

526
00:28:02,720 --> 00:28:08,059
put it otherwise he he had committed

527
00:28:05,660 --> 00:28:09,740
somebody had commissioned studies at the

528
00:28:08,059 --> 00:28:13,809
Scientific Research Service and he had

529
00:28:09,740 --> 00:28:17,450
just copied it into his dissertation so

530
00:28:13,809 --> 00:28:20,629
that's fraud that is why he lost his

531
00:28:17,450 --> 00:28:24,590
doctor title and that is why he also had

532
00:28:20,630 --> 00:28:27,410
to leave his office and I guess that

533
00:28:24,589 --> 00:28:29,829
part of the reason why the Bundestag

534
00:28:27,410 --> 00:28:33,710
administration absolutely does not want

535
00:28:29,829 --> 00:28:37,789
that study to be to become public

536
00:28:33,710 --> 00:28:40,009
because it would mean that you know it

537
00:28:37,789 --> 00:28:41,960
would be a fundamental decision it would

538
00:28:40,009 --> 00:28:44,720
mean that any each and every

539
00:28:41,960 --> 00:28:46,490
study ever undertaken by the Scientific

540
00:28:44,720 --> 00:28:49,130
Research Service would be open to the

541
00:28:46,490 --> 00:28:51,470
public and the public could find out and

542

00:28:49,130 --> 00:28:54,649
try to find out for themselves

543
00:28:51,470 --> 00:28:57,528
who else has had certain contributions

544
00:28:54,648 --> 00:29:00,500
in his dissertations so how many more

545
00:28:57,528 --> 00:29:04,579
doctor titles are at stake at the German

546
00:29:00,500 --> 00:29:10,278
Federal Parliament that's what this

547
00:29:04,579 --> 00:29:12,798
trial is about also is also about so but

548
00:29:10,278 --> 00:29:15,769
let's go back to the study done by the

549
00:29:12,798 --> 00:29:18,079
the Bundestag Scientific Research

550
00:29:15,769 --> 00:29:21,349
Service this these are the title the

551
00:29:18,079 --> 00:29:23,778
front pages of these studies it's

552
00:29:21,349 --> 00:29:25,548
actually two studies by the Scientific

553
00:29:23,778 --> 00:29:28,490
Research Service this is the first one

554
00:29:25,548 --> 00:29:32,960
it says the search for extraterrestrial

555
00:29:28,490 --> 00:29:38,210
life and the implementation of United

556
00:29:32,960 --> 00:29:40,870

Nations resolution a 33 4 to 6 about

557

00:29:38,210 --> 00:29:44,750
observation of unidentified flying

558

00:29:40,869 --> 00:29:49,849
objects and extraterrestrial life-forms

559

00:29:44,750 --> 00:29:52,640
and the second study is this one called

560

00:29:49,849 --> 00:30:00,278
the European Union and its policy

561

00:29:52,640 --> 00:30:04,450
regarding unidentified flying objects so

562

00:30:00,278 --> 00:30:07,669
what what is what is this United Nations

563

00:30:04,450 --> 00:30:12,950
resolution all about I will come to that

564

00:30:07,669 --> 00:30:16,009
right now you know I do not have the

565

00:30:12,950 --> 00:30:18,798
right to publish the studies from the

566

00:30:16,009 --> 00:30:21,319
scientific research service even if I

567

00:30:18,798 --> 00:30:24,859
have them in their entirety I have the

568

00:30:21,319 --> 00:30:27,139
whole thing but I must not publish them

569

00:30:24,859 --> 00:30:29,298
I'm not allowed to publish them I can

570

00:30:27,140 --> 00:30:33,740
only quote from them as a journalist so

571
00:30:29,298 --> 00:30:37,970
let me quote what what the Scientific

572
00:30:33,740 --> 00:30:41,000
Research Service says in detail they

573
00:30:37,970 --> 00:30:43,370
believe it is highly unlikely that the

574
00:30:41,000 --> 00:30:49,808
German government has never undertaken

575
00:30:43,369 --> 00:30:52,129
any UFO research because they say here

576
00:30:49,808 --> 00:30:54,200
the there was a very pronounced

577
00:30:52,130 --> 00:30:55,309
sentiment of conflict between east and

578
00:30:54,200 --> 00:30:57,919
west

579
00:30:55,308 --> 00:31:01,579
back in 1978 so that was the Cold War

580
00:30:57,919 --> 00:31:04,519
you know thus at least in a military

581
00:31:01,579 --> 00:31:06,980
perspective the interest at parties at

582
00:31:04,519 --> 00:31:09,620
that time could very well have had a

583
00:31:06,980 --> 00:31:12,980
need to follow up on UFO reports or

584
00:31:09,619 --> 00:31:15,648
appearances and to investigate them the

585
00:31:12,980 --> 00:31:19,099
actual or supposed development of new

586
00:31:15,648 --> 00:31:21,678
craft spy satellites etc by the military

587
00:31:19,099 --> 00:31:24,498
opponent might have given enough reason

588
00:31:21,679 --> 00:31:27,950
for them in the past also in Germany to

589
00:31:24,499 --> 00:31:30,769
deal with such questions and it is

590
00:31:27,950 --> 00:31:32,269
logical I mean think about it you know

591
00:31:30,769 --> 00:31:35,569
the Russians were afraid of the

592
00:31:32,269 --> 00:31:37,999
Americans of the American drones

593
00:31:35,569 --> 00:31:41,048
you know Michael Sela said in his showed

594
00:31:37,999 --> 00:31:45,230
in his presentation the example of the

595
00:31:41,048 --> 00:31:47,418
the the document that showed that the

596
00:31:45,230 --> 00:31:51,710
Americans were actually afraid the

597
00:31:47,419 --> 00:31:54,889
Soviets would use UFO staged sightings

598
00:31:51,710 --> 00:31:57,139
or appearances to cause paranoia or mass

599

00:31:54,888 --> 00:32:00,138
hysteria so that they would use it for

600
00:31:57,138 --> 00:32:01,638
psychological warfare you know also the

601
00:32:00,138 --> 00:32:04,758
Russians were of course afraid of the

602
00:32:01,638 --> 00:32:07,089
Americans as well and that is that is

603
00:32:04,759 --> 00:32:09,649
the main reason why they looked at unite

604
00:32:07,089 --> 00:32:14,628
unidentified flying objects that's the

605
00:32:09,648 --> 00:32:19,008
main reason for it so you know how how

606
00:32:14,628 --> 00:32:22,189
likely is it that there was no there was

607
00:32:19,009 --> 00:32:24,889
no investigation of UFOs in Germany

608
00:32:22,190 --> 00:32:27,379
where the border the front line of the

609
00:32:24,888 --> 00:32:33,528
Cold War led directly through our

610
00:32:27,378 --> 00:32:35,599
country how likely is that so let's

611
00:32:33,528 --> 00:32:40,548
let's get go to that United Nations

612
00:32:35,599 --> 00:32:42,398
resolution a 33 4 to 6 from 1978 because

613
00:32:40,548 --> 00:32:45,230

this is really interesting to know that

614

00:32:42,398 --> 00:32:47,628

even if the subject of UFOs has been

615

00:32:45,230 --> 00:32:51,200

treated with so much really cure by the

616

00:32:47,628 --> 00:32:55,939

mass media it used to be a serious

617

00:32:51,200 --> 00:32:58,159

subject 34 years ago it was even it was

618

00:32:55,940 --> 00:33:00,889

so serious there was even it was even

619

00:32:58,159 --> 00:33:03,590

debated at the United Nations and this

620

00:33:00,888 --> 00:33:07,639

is just a part of United Nations

621

00:33:03,589 --> 00:33:10,399

resolution 33 4 to 6 a quote

622

00:33:07,640 --> 00:33:12,080

the General Assembly invites interested

623

00:33:10,400 --> 00:33:14,740

Member States to take appropriate steps

624

00:33:12,079 --> 00:33:17,210

to coordinate on a national level

625

00:33:14,740 --> 00:33:20,390

scientific research and investigation

626

00:33:17,210 --> 00:33:22,759

into extraterrestrial life including

627

00:33:20,390 --> 00:33:24,350

unidentified flying objects and to

628
00:33:22,759 --> 00:33:27,140
inform the secretary-general of the

629
00:33:24,349 --> 00:33:35,389
observations research and evaluation of

630
00:33:27,140 --> 00:33:37,490
such activities so what exactly does the

631
00:33:35,390 --> 00:33:40,669
study from the Scientific Research

632
00:33:37,490 --> 00:33:43,009
Service of the Bundestag say about that

633
00:33:40,669 --> 00:33:47,030
resolution why was it never adopted in

634
00:33:43,009 --> 00:33:49,129
Germany they say resolutions adopted by

635
00:33:47,029 --> 00:33:52,099
the United Nations General Assembly are

636
00:33:49,130 --> 00:33:54,970
regularly treated as merely recommended

637
00:33:52,099 --> 00:33:57,409
Tory so they're just a recommendation

638
00:33:54,970 --> 00:34:01,100
they are therefore not legally binding

639
00:33:57,410 --> 00:34:05,690
and impose no legal obligation no

640
00:34:01,099 --> 00:34:08,089
obligation to take action so that's all

641
00:34:05,690 --> 00:34:09,769
that they say about it you know but we

642
00:34:08,090 --> 00:34:11,869
still don't know why it wasn't adopted

643
00:34:09,769 --> 00:34:14,570
in Germany this is just a presumption

644
00:34:11,869 --> 00:34:18,409
from the scientists who wrote this you

645
00:34:14,570 --> 00:34:22,070
know we still don't know what was what

646
00:34:18,409 --> 00:34:26,510
was going on at that time how they

647
00:34:22,070 --> 00:34:30,470
reacted why you know and what was the

648
00:34:26,510 --> 00:34:32,600
German position on it and I had hoped to

649
00:34:30,469 --> 00:34:34,759
find the answer in that study of the

650
00:34:32,599 --> 00:34:37,699
Scientific Research Service and I didn't

651
00:34:34,760 --> 00:34:41,780
find it so I continued my research in in

652
00:34:37,699 --> 00:34:43,849
in this regard and I went I went to

653
00:34:41,780 --> 00:34:44,389
several you know I did a couple of

654
00:34:43,849 --> 00:34:45,980
things

655
00:34:44,389 --> 00:34:47,960
I approached several departments

656

00:34:45,980 --> 00:34:50,990
authorities and asked them that question

657
00:34:47,960 --> 00:34:55,878
and then finally I had the idea to go to

658
00:34:50,989 --> 00:35:02,029
the federal Foreign Office of the German

659
00:34:55,878 --> 00:35:04,880
government because if they you know if

660
00:35:02,030 --> 00:35:06,950
this subject was was talked about at the

661
00:35:04,880 --> 00:35:11,090
United Nations then the German Federal

662
00:35:06,949 --> 00:35:13,309
Foreign Office should know and so I went

663
00:35:11,090 --> 00:35:17,180
there at the political archives in

664
00:35:13,309 --> 00:35:20,750
Berlin and it took me a couple of weeks

665
00:35:17,179 --> 00:35:23,960
though to to find the files

666
00:35:20,750 --> 00:35:26,690
and I found them but German UFO FILES

667
00:35:23,960 --> 00:35:31,670
from the German Federal Foreign Office

668
00:35:26,690 --> 00:35:37,070
and yeah this so this is the cover page

669
00:35:31,670 --> 00:35:41,900
and yeah and what can I tell you I made

670
00:35:37,070 --> 00:35:44,210

an official inquiry I asked them for for

671

00:35:41,900 --> 00:35:48,079

their permission to publish those files

672

00:35:44,210 --> 00:35:52,070

and guess what I'm not allowed to

673

00:35:48,079 --> 00:35:54,769

publish those files neither they said

674

00:35:52,070 --> 00:35:56,600

what do you want to publish it mr.

675

00:35:54,769 --> 00:35:59,300

Fleischer this is a quote from an email

676

00:35:56,599 --> 00:36:01,549

they sent to me after my inquiry they

677

00:35:59,300 --> 00:36:03,560

said mr. Fleischer the Federal Foreign

678

00:36:01,550 --> 00:36:05,980

Office cannot give you permission to

679

00:36:03,559 --> 00:36:09,529

publish the files indicated in your

680

00:36:05,980 --> 00:36:11,840

request sorry for my bad english it

681

00:36:09,530 --> 00:36:14,690

shouldn't say application should say

682

00:36:11,840 --> 00:36:17,230

request those our official documents

683

00:36:14,690 --> 00:36:20,960

which must be protected from misuse and

684

00:36:17,230 --> 00:36:24,800

manipulation in the public a publication

685
00:36:20,960 --> 00:36:29,829
by you for logical organizations would

686
00:36:24,800 --> 00:36:35,930
bear that risk I you know I have to say

687
00:36:29,829 --> 00:36:39,170
when I read this email I used a very bad

688
00:36:35,929 --> 00:36:42,699
German swear word and I don't even have

689
00:36:39,170 --> 00:36:45,670
any expression in English for what

690
00:36:42,699 --> 00:36:48,649
what's my opinion about this because

691
00:36:45,670 --> 00:36:53,240
I've worked with so many politicians

692
00:36:48,650 --> 00:36:54,680
with so many people you know and and so

693
00:36:53,239 --> 00:36:56,809
many journalists and mainstream

694
00:36:54,679 --> 00:37:01,699
organized mainstream media organizations

695
00:36:56,809 --> 00:37:05,929
and there has not never been even one of

696
00:37:01,699 --> 00:37:07,730
them he was ever dared to to suggest

697
00:37:05,929 --> 00:37:11,299
that I would present manipulated

698
00:37:07,730 --> 00:37:15,199
information so you see I you know I tend

699
00:37:11,300 --> 00:37:18,710
to take it personally but of course this

700
00:37:15,199 --> 00:37:20,269
is not a personal issue and this is why

701
00:37:18,710 --> 00:37:21,679
I'm not going to look into the

702
00:37:20,269 --> 00:37:22,340
dictionary for the swear word I'm

703
00:37:21,679 --> 00:37:25,819
looking for

704
00:37:22,340 --> 00:37:27,590
but but of course I'm a journalist being

705
00:37:25,820 --> 00:37:30,980
a journalist

706
00:37:27,590 --> 00:37:33,170
maybe they they can deny me to publish

707
00:37:30,980 --> 00:37:34,550
the file in their entirety but I am

708
00:37:33,170 --> 00:37:37,340
allowed to quote from it

709
00:37:34,550 --> 00:37:42,039
of course so what you need for a

710
00:37:37,340 --> 00:37:51,470
quotation you need the quotation marks

711
00:37:42,039 --> 00:37:55,460
right and and and yeah so this is the

712
00:37:51,469 --> 00:37:59,869
the first page so here it says UFOs this

713

00:37:55,460 --> 00:38:06,079
is a referent to 230 who used to deal

714
00:37:59,869 --> 00:38:08,269
with the correspondence between the

715
00:38:06,079 --> 00:38:10,159
German Federal Foreign Office and its

716
00:38:08,269 --> 00:38:14,929
permanent mission to the United Nations

717
00:38:10,159 --> 00:38:20,079
in New York and let me just keep on

718
00:38:14,929 --> 00:38:23,299
quoting here this is a telegram from

719
00:38:20,079 --> 00:38:26,059
West Germany's permanent mission to the

720
00:38:23,300 --> 00:38:30,620
United Nations to the federal Foreign

721
00:38:26,059 --> 00:38:36,289
Office in Bonn from November 28 1978 so

722
00:38:30,619 --> 00:38:41,239
that was one day after it was decided

723
00:38:36,289 --> 00:38:44,360
and it says in this telegram Grenada has

724
00:38:41,239 --> 00:38:46,339
presented a resolution draft on UFOs at

725
00:38:44,360 --> 00:38:49,519
the special political committee which

726
00:38:46,340 --> 00:38:52,519
proposes the establishment of an expert

727
00:38:49,519 --> 00:38:55,460

group that is supposed to define the

728

00:38:52,519 --> 00:38:59,300

framework for United Nations Studies

729

00:38:55,460 --> 00:39:02,320

about the UFO phenomenon under the

730

00:38:59,300 --> 00:39:07,700

supervision of the outer space committee

731

00:39:02,320 --> 00:39:10,220

and then they go on to state quite apart

732

00:39:07,699 --> 00:39:12,949

from the wider implications of such

733

00:39:10,219 --> 00:39:15,159

resolution draft the reference to the

734

00:39:12,949 --> 00:39:18,949

outer space committee alone has its

735

00:39:15,159 --> 00:39:22,489

misgivings or is bad for us as it would

736

00:39:18,949 --> 00:39:24,980

incur Grenadiers desire to become a

737

00:39:22,489 --> 00:39:27,109

member of the outer space committee

738

00:39:24,980 --> 00:39:30,440

which would therefore be constantly

739

00:39:27,110 --> 00:39:35,480

occupied and dealing with the UFO

740

00:39:30,440 --> 00:39:40,519

question so you see they actually they

741

00:39:35,480 --> 00:39:42,469

were afraid that the subject would be a

742
00:39:40,519 --> 00:39:44,210
regular subject on the table of the

743
00:39:42,469 --> 00:39:46,549
outer space committee of the United

744
00:39:44,210 --> 00:39:47,960
Nations and they are also afraid that

745
00:39:46,550 --> 00:39:52,430
there are

746
00:39:47,960 --> 00:39:55,400
implications you know what is going to

747
00:39:52,429 --> 00:39:57,739
happen if if we debate if we seriously

748
00:39:55,400 --> 00:40:00,410
if we start to seriously debate about

749
00:39:57,739 --> 00:40:05,629
UFOs what would come out of that you

750
00:40:00,409 --> 00:40:11,210
know they were afraid of that and then I

751
00:40:05,630 --> 00:40:14,660
just my next quote the special that this

752
00:40:11,210 --> 00:40:17,210
is a telegram also from November 28 1978

753
00:40:14,659 --> 00:40:19,460
from Germany's permanent mission to the

754
00:40:17,210 --> 00:40:23,480
United Nations to the Federal Foreign

755
00:40:19,460 --> 00:40:25,309
Office in Bourne they say the SPC that

756
00:40:23,480 --> 00:40:27,469
is the special political committee will

757
00:40:25,309 --> 00:40:31,630
finish debating this item until the end

758
00:40:27,469 --> 00:40:36,980
of this week until then the USA and

759
00:40:31,630 --> 00:40:39,320
Austria will try to persuade Grenada to

760
00:40:36,980 --> 00:40:42,349
withdraw their resolution draft to take

761
00:40:39,320 --> 00:40:45,740
it back you know and to convince them of

762
00:40:42,349 --> 00:40:48,409
the of a general declaration which

763
00:40:45,739 --> 00:40:51,199
invites interested States to cooperate

764
00:40:48,409 --> 00:40:59,269
in a committee independent of the United

765
00:40:51,199 --> 00:41:03,679
Nations for the study of UFOs so so they

766
00:40:59,269 --> 00:41:08,119
let mr. Geary have his day as as it was

767
00:41:03,679 --> 00:41:10,009
said in in the British files talking

768
00:41:08,119 --> 00:41:12,500
about the United Nations resolution and

769
00:41:10,010 --> 00:41:16,370
they let him present the resolution

770

00:41:12,500 --> 00:41:18,289
draft and then afterwards they started a

771
00:41:16,369 --> 00:41:22,009
whispering campaign according to Nick

772
00:41:18,289 --> 00:41:24,710
Pope who used to be a Ministry of

773
00:41:22,010 --> 00:41:26,650
Defense official and Great Britain who I

774
00:41:24,710 --> 00:41:30,019
interviewed about this in order to

775
00:41:26,650 --> 00:41:33,110
convince Grenada to take this resolution

776
00:41:30,019 --> 00:41:35,329
back and then the result is the

777
00:41:33,110 --> 00:41:37,519
resolution I have just presented where

778
00:41:35,329 --> 00:41:41,630
the secretary-general only invites

779
00:41:37,519 --> 00:41:44,559
member states to you know coordinate you

780
00:41:41,630 --> 00:41:51,050
for research on a on a national level

781
00:41:44,559 --> 00:41:52,940
and in this in this letter from

782
00:41:51,050 --> 00:41:57,830
Germany's permanent mission to the

783
00:41:52,940 --> 00:42:01,849
United Nations they go on to say last

784
00:41:57,829 --> 00:42:05,989

year and this was actually before the

785

00:42:01,849 --> 00:42:09,409

was from September 6 1978 this it says

786

00:42:05,989 --> 00:42:11,569

last year the other delegations had been

787

00:42:09,409 --> 00:42:15,920

in the awkward situation

788

00:42:11,570 --> 00:42:18,530

to decline granada's request in order to

789

00:42:15,920 --> 00:42:22,610

avoid embarrassment for the United

790

00:42:18,530 --> 00:42:25,580

Nations concerning this item if grenada

791

00:42:22,610 --> 00:42:28,190

still does not understand that and it is

792

00:42:25,579 --> 00:42:29,960

because Grenada had actually presented a

793

00:42:28,190 --> 00:42:32,570

similar or had done a similar approach

794

00:42:29,960 --> 00:42:35,329

the year before in 1977

795

00:42:32,570 --> 00:42:37,789

if Grenada still does not understand

796

00:42:35,329 --> 00:42:41,090

that and at least in part their action

797

00:42:37,789 --> 00:42:43,429

is aimed at gaining publicity their item

798

00:42:41,090 --> 00:42:46,070

will probably be treated with much less

799

00:42:43,429 --> 00:42:52,009
scrutiny at the 33rd General Assembly

800

00:42:46,070 --> 00:42:54,260
and will be procedurally killed I hope I

801

00:42:52,010 --> 00:42:58,640
translated that correctly into English

802

00:42:54,260 --> 00:43:01,970
killed by procedure and the killing is

803

00:42:58,639 --> 00:43:05,690
actually what they what this meant was

804

00:43:01,969 --> 00:43:07,579
that the general secretary walltime had

805

00:43:05,690 --> 00:43:10,780
already suggested the establishment of

806

00:43:07,579 --> 00:43:15,019
an ad hoc committee in which only

807

00:43:10,780 --> 00:43:17,870
voluntary delegations become active so I

808

00:43:15,019 --> 00:43:19,940
found that interesting and I also found

809

00:43:17,869 --> 00:43:23,420
interesting what I found very

810

00:43:19,940 --> 00:43:26,019
interesting is that a colleague of us at

811

00:43:23,420 --> 00:43:28,730
Paola Harris who is also part of the

812

00:43:26,019 --> 00:43:30,650
Exopolitics Institute she once wrote she

813
00:43:28,730 --> 00:43:33,679
one day she wrote me an email while

814
00:43:30,650 --> 00:43:35,690
while I was just you know researching

815
00:43:33,679 --> 00:43:38,980
all this and she and and she said hey

816
00:43:35,690 --> 00:43:42,920
Rob why don't you talk to Lee Spiegel I

817
00:43:38,980 --> 00:43:45,650
said Lee's beagle she said yeah Lee

818
00:43:42,920 --> 00:43:47,630
Spiegel he's a famous journalist in in

819
00:43:45,650 --> 00:43:51,559
America he works for the Huffington Post

820
00:43:47,630 --> 00:43:54,619
now he used to host lots of radio shows

821
00:43:51,559 --> 00:44:00,880
for NBC and stuff but the most important

822
00:43:54,619 --> 00:44:05,539
fact about him is that actually back in

823
00:44:00,880 --> 00:44:11,869
1978 he was part of the whole approach

824
00:44:05,539 --> 00:44:13,818
of Grenada to to establish a UFO

825
00:44:11,869 --> 00:44:16,460
department on

826
00:44:13,818 --> 00:44:18,440
in at the level of the United Nations he

827

00:44:16,460 --> 00:44:21,588
was the one who brought all those

828
00:44:18,440 --> 00:44:23,210
experts together at that time so this is

829
00:44:21,588 --> 00:44:28,880
an astronaut here

830
00:44:23,210 --> 00:44:31,039
it's how was his name again Michael can

831
00:44:28,880 --> 00:44:33,259
you help me what what Gordon Cooper

832
00:44:31,039 --> 00:44:35,720
exactly yeah that's Gordon Cooper he he

833
00:44:33,259 --> 00:44:38,539
was I think the Gemini mission

834
00:44:35,719 --> 00:44:41,988
he was the first mercury mercury mission

835
00:44:38,539 --> 00:44:47,140
yeah and he and he had interesting UFO

836
00:44:41,989 --> 00:44:47,139
sightings himself being an astronaut

837
00:44:47,268 --> 00:44:52,008
he had Jacques Vallee who's a famous

838
00:44:49,518 --> 00:44:56,268
French astrophysicist this is Claude

839
00:44:52,009 --> 00:45:02,139
puer from France as well who used to

840
00:44:56,268 --> 00:45:04,879
lead the the French national UFO program

841
00:45:02,139 --> 00:45:10,190

and they had wellington friday and they

842

00:45:04,880 --> 00:45:12,528
original plan was the was the

843

00:45:10,190 --> 00:45:14,630
establishment of that UN body and this

844

00:45:12,528 --> 00:45:17,028
is the press conference by the way this

845

00:45:14,630 --> 00:45:19,730
is this picture is not from November 27

846

00:45:17,028 --> 00:45:22,639
this from July but this one is this is

847

00:45:19,730 --> 00:45:25,699
the press conference you can see Stanton

848

00:45:22,639 --> 00:45:26,509
Friedman a very important UFO researcher

849

00:45:25,699 --> 00:45:32,449
worldwide

850

00:45:26,509 --> 00:45:35,179
this is J Allen Hynek who used to be the

851

00:45:32,449 --> 00:45:38,210
the chief investigator of the American

852

00:45:35,179 --> 00:45:40,219
air force to investigate UFOs he was

853

00:45:38,210 --> 00:45:42,710
also part of that initiative at the

854

00:45:40,219 --> 00:45:45,980
United Nations at that time and here you

855

00:45:42,710 --> 00:45:50,650
see Sir Eric gairy Prime Minister of

856
00:45:45,980 --> 00:45:53,869
Grenada and at his left side you see

857
00:45:50,650 --> 00:45:56,809
Wellington Friday who was the ambassador

858
00:45:53,869 --> 00:46:00,608
of Grenada and look who's this guy this

859
00:45:56,809 --> 00:46:03,829
is Lee Spiegel this is Lee Spiegel

860
00:46:00,608 --> 00:46:07,338
directly looking at Eric gairy

861
00:46:03,829 --> 00:46:09,349
and and he told me why is it that he

862
00:46:07,338 --> 00:46:11,748
looked directly at Eric gairy is because

863
00:46:09,349 --> 00:46:14,720
Eric gairy kept on talking all the time

864
00:46:11,748 --> 00:46:19,179
and he didn't let the other experts talk

865
00:46:14,719 --> 00:46:22,429
but about Lots just let you explain

866
00:46:19,179 --> 00:46:24,379
let's let's show you leased vehicle who

867
00:46:22,429 --> 00:46:25,358
will explain you himself what they did

868
00:46:24,380 --> 00:46:28,239
at that time

869
00:46:25,358 --> 00:46:30,308
and this is just a short segment of an

870
00:46:28,239 --> 00:46:36,489
interview I did with him just recently

871
00:46:30,309 --> 00:46:39,640
in July of 1978 we arranged to have a

872
00:46:36,489 --> 00:46:41,559
meeting during the summer at the United

873
00:46:39,639 --> 00:46:43,868
Nations with the Secretary General Kurt

874
00:46:41,559 --> 00:46:48,900
Waldheim and the purpose of that meeting

875
00:46:43,869 --> 00:46:51,249
was to let him know when our plan was in

876
00:46:48,900 --> 00:46:54,730
November when we were going to do the

877
00:46:51,248 --> 00:46:56,469
actual presentation and so he the

878
00:46:54,730 --> 00:46:57,608
secretary-general wanted to know well

879
00:46:56,469 --> 00:46:59,108
who's going to be there what's the

880
00:46:57,608 --> 00:47:02,048
purpose of it and I believe at that

881
00:46:59,108 --> 00:47:04,210
point is when Eric gairy actually

882
00:47:02,048 --> 00:47:06,159
presented the resolution to the

883
00:47:04,210 --> 00:47:07,809
secretary-general and said here is what

884

00:47:06,159 --> 00:47:09,848
we formally would like to do at the

885
00:47:07,809 --> 00:47:12,940
United Nations and here are some of the

886
00:47:09,849 --> 00:47:15,009
people today who are going to help us

887
00:47:12,940 --> 00:47:17,289
with with bringing it to the attention

888
00:47:15,009 --> 00:47:20,139
of the world body and there were several

889
00:47:17,289 --> 00:47:21,489
pictures taken of all of us sitting

890
00:47:20,139 --> 00:47:23,440
around that table with the

891
00:47:21,489 --> 00:47:25,960
secretary-general and at least one of

892
00:47:23,440 --> 00:47:28,480
those pictures has become pretty famous

893
00:47:25,960 --> 00:47:30,460
it's been published many times around

894
00:47:28,480 --> 00:47:34,170
the world and books and magazines that

895
00:47:30,460 --> 00:47:38,769
show us there astronaut Gordon Cooper

896
00:47:34,170 --> 00:47:43,329
dr. J Allen Hynek dr. Jacques Vallee the

897
00:47:38,768 --> 00:47:47,229
secretary-general me and in that picture

898
00:47:43,329 --> 00:47:49,298

kind of let the public know that there

899

00:47:47,230 --> 00:47:51,909

was something coming up at the United

900

00:47:49,298 --> 00:47:55,599

Nations about UFOs all that we were

901

00:47:51,909 --> 00:47:59,170

trying to do was to to create a very

902

00:47:55,599 --> 00:48:01,150

small committee and like you said an ad

903

00:47:59,170 --> 00:48:04,440

hoc committee we were looking to get

904

00:48:01,150 --> 00:48:07,269

three people three representatives I

905

00:48:04,440 --> 00:48:12,519

even was volunteering to be one of those

906

00:48:07,268 --> 00:48:15,429

people just a few people who would sit

907

00:48:12,518 --> 00:48:17,798

there in a little office maybe and start

908

00:48:15,429 --> 00:48:19,659

getting information from countries

909

00:48:17,798 --> 00:48:22,389

around the world who wanted to share

910

00:48:19,659 --> 00:48:24,788

information that that's all that we were

911

00:48:22,389 --> 00:48:26,739

doing that would not have cost a lot of

912

00:48:24,789 --> 00:48:28,720

money wouldn't have involved a lot of

913
00:48:26,739 --> 00:48:31,900
man-hours I'm sure that the United

914
00:48:28,719 --> 00:48:34,509
Nations wastes a lot more money than we

915
00:48:31,900 --> 00:48:37,539
were asking them to supply for this kind

916
00:48:34,509 --> 00:48:38,920
of adventure no the bottom line was that

917
00:48:37,539 --> 00:48:40,839
the bigger

918
00:48:38,920 --> 00:48:44,409
countries like the United States and the

919
00:48:40,838 --> 00:48:48,130
Soviet Union didn't want any attention

920
00:48:44,409 --> 00:48:51,279
put on to UFOs they had to stop it at

921
00:48:48,130 --> 00:48:53,588
all costs and and that's what happened

922
00:48:51,280 --> 00:48:56,380
and so they basically embarrassed

923
00:48:53,588 --> 00:48:58,599
it wasn't Grenada who was embarrassed it

924
00:48:56,380 --> 00:49:02,789
was Great Britain it was maybe Germany

925
00:48:58,599 --> 00:49:05,890
who were embarrassed to the point or

926
00:49:02,789 --> 00:49:08,318
intimidated might be a better word they

927

00:49:05,889 --> 00:49:10,269

basically said you know you people

928

00:49:08,318 --> 00:49:12,159

should kind of get on board with the

929

00:49:10,269 --> 00:49:14,469

United States and the Soviet Union

930

00:49:12,159 --> 00:49:17,529

because if we don't want anything coming

931

00:49:14,469 --> 00:49:19,989

out about UFOs then you don't either you

932

00:49:17,530 --> 00:49:21,880

know pay attention to to our lead and

933

00:49:19,989 --> 00:49:23,979

everything will be fine

934

00:49:21,880 --> 00:49:27,280

and I'm sure that those were the kind of

935

00:49:23,980 --> 00:49:29,230

discussions that happened that that's

936

00:49:27,280 --> 00:49:31,839

the only thing that makes sense and like

937

00:49:29,230 --> 00:49:35,829

I said was it just a coincidence that

938

00:49:31,838 --> 00:49:39,759

sir Eric Gary's entire future political

939

00:49:35,829 --> 00:49:42,280

future went away when his his political

940

00:49:39,760 --> 00:49:44,740

structure was overthrown just a few

941

00:49:42,280 --> 00:49:49,290
months after our presentation at the

942
00:49:44,739 --> 00:49:51,699
United Nations boy tell us about you

943
00:49:49,289 --> 00:49:54,400
well that's that's just a question that

944
00:49:51,699 --> 00:49:56,529
I raised I can't prove that and I'm not

945
00:49:54,400 --> 00:50:02,588
even gonna try and prove it but it was a

946
00:49:56,530 --> 00:50:05,950
big coincidence I thought so you know

947
00:50:02,588 --> 00:50:08,949
the the prime minister of Grenada just

948
00:50:05,949 --> 00:50:11,980
to make this clear the Prime Minister of

949
00:50:08,949 --> 00:50:14,618
Grenada was overthrown by the opposition

950
00:50:11,980 --> 00:50:18,490
leader in his country only a couple of

951
00:50:14,619 --> 00:50:22,930
months later after the UFO presentation

952
00:50:18,489 --> 00:50:26,979
at the United Nations and and I think he

953
00:50:22,929 --> 00:50:30,368
was a political refugee then in the in

954
00:50:26,980 --> 00:50:33,059
in the United States and as dr. Selar

955
00:50:30,369 --> 00:50:34,930

told me last night he was taken into

956

00:50:33,059 --> 00:50:38,230
custody

957

00:50:34,929 --> 00:50:43,358
security custody for you know for being

958

00:50:38,230 --> 00:50:47,500
and for being a prime minister who who

959

00:50:43,358 --> 00:50:50,848
had just lost his his office now yeah

960

00:50:47,500 --> 00:50:57,239
that is a strange coincidence I must say

961

00:50:50,849 --> 00:51:00,280
and as you see that the subject of UFOs

962

00:50:57,239 --> 00:51:02,979
seems to be a subject that is pretty

963

00:51:00,280 --> 00:51:04,990
delicate you know you can easily lose

964

00:51:02,980 --> 00:51:10,119
your job if you start talking about it

965

00:51:04,989 --> 00:51:13,559
as a politician nevertheless I have to

966

00:51:10,119 --> 00:51:16,960
say that it is it's an international

967

00:51:13,559 --> 00:51:19,389
it's debated internationally worldwide

968

00:51:16,960 --> 00:51:22,960
and countries all over the world have

969

00:51:19,389 --> 00:51:27,339
been investigating UFOs this is just the

970

00:51:22,960 --> 00:51:31,650

list of countries that I have researched

971

00:51:27,340 --> 00:51:36,369

who did who have been doing UFO research

972

00:51:31,650 --> 00:51:42,400

19 countries worldwide have government

973

00:51:36,369 --> 00:51:46,030

files about UFOs military files

974

00:51:42,400 --> 00:51:51,220

government files some of some of which

975

00:51:46,030 --> 00:51:54,700

are official some are unofficial some in

976

00:51:51,219 --> 00:51:56,939

some some countries have civil

977

00:51:54,699 --> 00:52:01,809

authorities that deal with the subject

978

00:51:56,940 --> 00:52:05,679

others have military authorities so just

979

00:52:01,809 --> 00:52:08,500

to give you an idea about the vast

980

00:52:05,679 --> 00:52:11,469

number of countries where the UFO

981

00:52:08,500 --> 00:52:13,838

subject is taken so seriously that they

982

00:52:11,469 --> 00:52:14,169

have government authorities dealing with

983

00:52:13,838 --> 00:52:19,358

it

984
00:52:14,170 --> 00:52:21,460
so you see blue countries here and gray

985
00:52:19,358 --> 00:52:24,009
countries and then yet there are two

986
00:52:21,460 --> 00:52:24,490
underlined countries Shelagh Ecuador and

987
00:52:24,010 --> 00:52:27,730
France

988
00:52:24,489 --> 00:52:31,868
oh it's three so the blue countries on

989
00:52:27,730 --> 00:52:34,800
our NATO allies as you see the the

990
00:52:31,869 --> 00:52:38,740
subject of UFOs is being debated in NATO

991
00:52:34,800 --> 00:52:42,369
allied countries just as seriously as in

992
00:52:38,739 --> 00:52:44,559
non allied countries and you see in

993
00:52:42,369 --> 00:52:47,410
France and China and Ecuador there are

994
00:52:44,559 --> 00:52:50,710
civil authorities concerned with this

995
00:52:47,409 --> 00:52:52,509
with the UFO subject and it is from

996
00:52:50,710 --> 00:52:57,099
those countries that we know that we

997
00:52:52,510 --> 00:53:00,040
have some scientific data about UFO

998

00:52:57,099 --> 00:53:03,030
occurrences let's take for example the

999
00:53:00,039 --> 00:53:03,029
French

1000
00:53:04,510 --> 00:53:11,569
the French have a UFO study group which

1001
00:53:09,079 --> 00:53:14,900
is an official department of their

1002
00:53:11,568 --> 00:53:18,969
friend of their Space Agency it's called

1003
00:53:14,900 --> 00:53:23,809
knez Santa nationality to its pastula

1004
00:53:18,969 --> 00:53:26,449
Center for Space Studies and it's the

1005
00:53:23,809 --> 00:53:29,449
part it's like NASA in in in France okay

1006
00:53:26,449 --> 00:53:31,848
and it's Department it's it's the Japan

1007
00:53:29,449 --> 00:53:33,348
Gupta to do it and form as yours your

1008
00:53:31,849 --> 00:53:36,019
life and oh man I always pass you know

1009
00:53:33,349 --> 00:53:37,818
Leontief year so it's to study and

1010
00:53:36,019 --> 00:53:40,250
information group of an unidentified

1011
00:53:37,818 --> 00:53:43,250
aerial phenomena that is how they call

1012
00:53:40,250 --> 00:53:46,579

the UFO phenomenon unidentified aerial

1013

00:53:43,250 --> 00:53:49,280
phenomena so this is official UFO

1014

00:53:46,579 --> 00:53:50,810
information from France okay you can

1015

00:53:49,280 --> 00:53:53,420
find it on this website the official

1016

00:53:50,809 --> 00:53:56,078
website of the French National Space

1017

00:53:53,420 --> 00:53:58,940
Agency maybe you want to write that down

1018

00:53:56,079 --> 00:54:01,010
some Kaunas united space yeah later and

1019

00:53:58,940 --> 00:54:03,470
you can see how many cases they have

1020

00:54:01,010 --> 00:54:05,810
investigated here and this is a very

1021

00:54:03,469 --> 00:54:10,939
interesting chart because it shows you

1022

00:54:05,809 --> 00:54:14,328
that they differentiate between four

1023

00:54:10,940 --> 00:54:17,539
types of unidentified phenomena cat

1024

00:54:14,329 --> 00:54:21,579
category a are the phenomena which can

1025

00:54:17,539 --> 00:54:27,259
be perfectly identified it's 11 percent

1026

00:54:21,579 --> 00:54:29,690
category B is phenom phenomenon which

1027
00:54:27,260 --> 00:54:32,420
are probably identified so that means

1028
00:54:29,690 --> 00:54:34,369
that if somebody sees something in the

1029
00:54:32,420 --> 00:54:37,970
sky and it moves in a certain direction

1030
00:54:34,369 --> 00:54:40,190
and they and they make a UFO report then

1031
00:54:37,969 --> 00:54:42,409
they will the first thing they will do

1032
00:54:40,190 --> 00:54:45,079
is they will take out their star map and

1033
00:54:42,409 --> 00:54:47,690
see if it's Venus or so or if it's the

1034
00:54:45,079 --> 00:54:49,460
International Space Station and if they

1035
00:54:47,690 --> 00:54:51,318
find that the International Space

1036
00:54:49,460 --> 00:54:53,869
Station on that very day at that very

1037
00:54:51,318 --> 00:54:57,949
time at very same time it's taking the

1038
00:54:53,869 --> 00:55:00,769
same course then it is most probably the

1039
00:54:57,949 --> 00:55:06,759
International Space Station and then

1040
00:55:00,769 --> 00:55:10,369
category C is an identifiable phenomena

1041
00:55:06,760 --> 00:55:12,020
that means that they cannot identify the

1042
00:55:10,369 --> 00:55:15,670
phenomena because they do not have

1043
00:55:12,019 --> 00:55:18,159
sufficient information on it

1044
00:55:15,670 --> 00:55:23,380
but then there is still a category D of

1045
00:55:18,159 --> 00:55:26,829
30 of of 22% of of real unidentified

1046
00:55:23,380 --> 00:55:31,240
aerial phenomena and that means that

1047
00:55:26,829 --> 00:55:34,119
those 22% they are not there they're not

1048
00:55:31,239 --> 00:55:36,789
not identified because they didn't have

1049
00:55:34,119 --> 00:55:39,150
the data but because they did have all

1050
00:55:36,789 --> 00:55:44,199
the data and they couldn't identify it

1051
00:55:39,150 --> 00:55:49,329
anyway and there are landings cases of

1052
00:55:44,199 --> 00:55:55,239
landings physical interaction between a

1053
00:55:49,329 --> 00:55:58,509
craft environment beings were seen you

1054
00:55:55,239 --> 00:56:01,209
know even by the Jean de ma vie but by

1055

00:55:58,510 --> 00:56:03,160
the police the French police and what's

1056
00:56:01,210 --> 00:56:05,470
also interesting and and you know I

1057
00:56:03,159 --> 00:56:09,429
really love the French for having

1058
00:56:05,469 --> 00:56:12,969
published this report and this should

1059
00:56:09,429 --> 00:56:16,719
make you if you're a skeptic I guess

1060
00:56:12,969 --> 00:56:22,259
there are only some few skeptics in this

1061
00:56:16,719 --> 00:56:25,209
room so I think it doesn't you know I

1062
00:56:22,260 --> 00:56:26,710
doesn't doesn't serve me anything if I

1063
00:56:25,210 --> 00:56:31,900
asked you to raise your hand if you're a

1064
00:56:26,710 --> 00:56:34,420
skeptic but anyway if you're a skeptic

1065
00:56:31,900 --> 00:56:36,910
you should get that study because it's a

1066
00:56:34,420 --> 00:56:40,539
three-year military study from

1067
00:56:36,909 --> 00:56:42,699
high-ranking French officials who worked

1068
00:56:40,539 --> 00:57:09,429
in the surroundings in the environment

1069
00:56:42,699 --> 00:57:11,588

of the French and here's

1070

00:57:09,429 --> 00:57:14,818

oh by the way most important thing about

1071

00:57:11,588 --> 00:57:18,849

the report is its title the title is

1072

00:57:14,818 --> 00:57:24,460

UFOs and defends what should we prepare

1073

00:57:18,849 --> 00:57:29,740

for UFOs and defense

1074

00:57:24,460 --> 00:57:32,260

what should we prepare for and this is

1075

00:57:29,739 --> 00:57:34,779

as I said a three-year military study by

1076

00:57:32,260 --> 00:57:37,900

high-ranking French officials so let me

1077

00:57:34,780 --> 00:57:39,970

just quote from a part of their part of

1078

00:57:37,900 --> 00:57:44,440

their conclusions about the UFO

1079

00:57:39,969 --> 00:57:47,199

phenomenon this is in French but I read

1080

00:57:44,440 --> 00:57:49,329

it in English I'm sorry you know maybe

1081

00:57:47,199 --> 00:57:52,149

not the best idea for a German to

1082

00:57:49,329 --> 00:57:57,550

translate a French text into English but

1083

00:57:52,150 --> 00:57:57,940

I had no choice so I try I'll try my

1084
00:57:57,550 --> 00:58:01,089
best

1085
00:57:57,940 --> 00:58:03,460
the studies show physically documented

1086
00:58:01,088 --> 00:58:07,088
evidence for the reality of absolutely

1087
00:58:03,460 --> 00:58:11,079
unknown flying objects with remarkable

1088
00:58:07,088 --> 00:58:13,389
flight and sound characteristics that

1089
00:58:11,079 --> 00:58:18,010
are apparently driven by intelligent

1090
00:58:13,389 --> 00:58:20,348
beings these flying objects are very

1091
00:58:18,010 --> 00:58:24,780
impressing for both military and civil

1092
00:58:20,349 --> 00:58:29,318
pilots who are reluctant to speak out

1093
00:58:24,780 --> 00:58:33,990
their fear of being ridiculed etc is the

1094
00:58:29,318 --> 00:58:33,989
reason for them to remain silent

1095
00:58:34,949 --> 00:58:42,699
secret craft of terrestrial origin like

1096
00:58:38,139 --> 00:58:49,929
drones etc can only explain a minor part

1097
00:58:42,699 --> 00:58:53,409
of the cases one can clearly perceive

1098
00:58:49,929 --> 00:58:55,868
the limits of this explanation going

1099
00:58:53,409 --> 00:59:00,190
back in time going sufficiently back in

1100
00:58:55,869 --> 00:59:04,119
time and then they go on to state there

1101
00:59:00,190 --> 00:59:08,260
is only one hypothesis that sufficiently

1102
00:59:04,119 --> 00:59:14,500
takes into account the facts and relies

1103
00:59:08,260 --> 00:59:17,530
essentially on today's science it is the

1104
00:59:14,500 --> 00:59:20,119
hypothesis of extraterrestrial visitors

1105
00:59:17,530 --> 00:59:25,490
there you see it

1106
00:59:20,119 --> 00:59:28,650
see cell Divisie turf extra terraced and

1107
00:59:25,489 --> 00:59:31,469
they go on to state the

1108
00:59:28,650 --> 00:59:34,710
extra-terrestrial hypothesis is by far

1109
00:59:31,469 --> 00:59:37,889
the best scientific hypothesis of course

1110
00:59:34,710 --> 00:59:40,650
is it is it is not categorically proven

1111
00:59:37,889 --> 00:59:43,619
but there are strong indications for it

1112

00:59:40,650 --> 00:59:48,050
to be real and if it is correct there

1113
00:59:43,619 --> 00:59:54,109
are a lot of Contents consequences and

1114
00:59:48,050 --> 00:59:57,450
and I think this study should be

1115
00:59:54,110 --> 00:59:59,460
compulsory for all the skeptics who keep

1116
00:59:57,449 --> 01:00:02,489
on claiming that there is nothing to the

1117
00:59:59,460 --> 01:00:05,309
UFO phenomenon because I must I must

1118
01:00:02,489 --> 01:00:08,279
ask questions how many people who are

1119
01:00:05,309 --> 01:00:14,099
skeptics and I'm Venice a skeptics

1120
01:00:08,280 --> 01:00:16,590
I mean ideological skeptics because I am

1121
01:00:14,099 --> 01:00:18,449
skeptical myself I am you know I'm

1122
01:00:16,590 --> 01:00:23,190
critical I do not believe each and

1123
01:00:18,449 --> 01:00:24,960
everything I hear but but there are

1124
01:00:23,190 --> 01:00:27,690
people out there and for them it's a

1125
01:00:24,960 --> 01:00:31,559
it's an ideologue ideology especially in

1126
01:00:27,690 --> 01:00:33,960

Germany and they don't they don't want

1127

01:00:31,559 --> 01:00:37,170

it to be true because it just cannot be

1128

01:00:33,960 --> 01:00:39,389

you know but I have to ask the question

1129

01:00:37,170 --> 01:00:43,260

how many of those people have their own

1130

01:00:39,389 --> 01:00:46,409

radar device on the roof of their house

1131

01:00:43,260 --> 01:00:49,710

you know how many of them have onboard

1132

01:00:46,409 --> 01:00:53,699

radars how many of them are trained

1133

01:00:49,710 --> 01:00:57,449

observers how many of them know what is

1134

01:00:53,699 --> 01:01:02,519

going on in aviation that's the kind of

1135

01:00:57,449 --> 01:01:06,719

people who wrote this report so you see

1136

01:01:02,519 --> 01:01:08,880

the the UFO phenomenon it's not that it

1137

01:01:06,719 --> 01:01:10,319

will have some implications if we

1138

01:01:08,880 --> 01:01:13,710

thought if we start talking about it but

1139

01:01:10,320 --> 01:01:18,150

it already had implications let me show

1140

01:01:13,710 --> 01:01:21,869

you the testimony of the former chief of

1141
01:01:18,150 --> 01:01:25,410
the air staff of the of the Belgium Air

1142
01:01:21,869 --> 01:01:29,089
Force who talks about the Belgian UFO

1143
01:01:25,409 --> 01:01:33,000
wave there was a wave of UFO sightings

1144
01:01:29,090 --> 01:01:33,750
triangular objects like this one now

1145
01:01:33,000 --> 01:01:35,489
recently the

1146
01:01:33,750 --> 01:01:39,539
has been some debate of whether or not

1147
01:01:35,489 --> 01:01:41,669
this this photo is real but it doesn't

1148
01:01:39,539 --> 01:01:43,440
really matter because this photo was

1149
01:01:41,670 --> 01:01:46,710
taken at the very end of the belt in

1150
01:01:43,440 --> 01:01:49,320
view of a wave and the witness is always

1151
01:01:46,710 --> 01:01:56,699
described it the same so let me show you

1152
01:01:49,320 --> 01:01:59,370
what he said about it ladies and

1153
01:01:56,699 --> 01:02:00,989
gentlemen good morning my name is

1154
01:01:59,369 --> 01:02:03,599
Wilfred de Brouwer

1155
01:02:00,989 --> 01:02:05,759
I'm a retired Major General of the

1156
01:02:03,599 --> 01:02:09,659
Belgian Air Force and I was chief

1157
01:02:05,760 --> 01:02:12,360
operations in the air staff at a time

1158
01:02:09,659 --> 01:02:16,409
that an exceptional UFO wave took place

1159
01:02:12,360 --> 01:02:21,360
over Belgium indeed during the evening

1160
01:02:16,409 --> 01:02:26,519
of 29 November 1989 in a small area in

1161
01:02:21,360 --> 01:02:29,300
eastern Belgium approximately 140 UFO

1162
01:02:26,519 --> 01:02:32,340
sightings were reported

1163
01:02:29,300 --> 01:02:35,130
hundreds of people saw a majestic

1164
01:02:32,340 --> 01:02:39,120
triangular craft with a span of

1165
01:02:35,130 --> 01:02:42,750
approximately 120 feet powerful beaming

1166
01:02:39,119 --> 01:02:46,019
spotlights moving very slowly without

1167
01:02:42,750 --> 01:02:48,960
making any significant noise but in

1168
01:02:46,019 --> 01:02:52,710
several cases accelerating to very high

1169

01:02:48,960 --> 01:02:57,269
speeds the following days and months

1170
01:02:52,710 --> 01:03:00,960
many more sightings would follow the UFO

1171
01:02:57,269 --> 01:03:03,780
wave would last more than a year during

1172
01:03:00,960 --> 01:03:08,789
which a Belgian UFO organisation

1173
01:03:03,780 --> 01:03:12,420
conducted more than 650 investigations

1174
01:03:08,789 --> 01:03:17,210
and recorded more than 400 hours of

1175
01:03:12,420 --> 01:03:19,980
audio witness reports on one occasion a

1176
01:03:17,210 --> 01:03:23,550
photograph revealed the triangular shape

1177
01:03:19,980 --> 01:03:25,469
and four light beams of the object I

1178
01:03:23,550 --> 01:03:27,810
have the photograph here if you want to

1179
01:03:25,469 --> 01:03:31,169
see more details later on but at the

1180
01:03:27,809 --> 01:03:34,349
left at your left you see the original

1181
01:03:31,170 --> 01:03:37,320
photograph at the right you can see an

1182
01:03:34,349 --> 01:03:42,210
overexposed photograph which reveals the

1183
01:03:37,320 --> 01:03:44,850

shape of the craft Belgium had no

1184

01:03:42,210 --> 01:03:45,990

official focal point for reporting UFO

1185

01:03:44,849 --> 01:03:49,389

sightings

1186

01:03:45,989 --> 01:03:51,639

nevertheless and my function of chief

1187

01:03:49,389 --> 01:03:54,219

operations I was confronted with

1188

01:03:51,639 --> 01:03:58,539

numerous questions about the origin and

1189

01:03:54,219 --> 01:04:00,609

nature of these scarves in first

1190

01:03:58,539 --> 01:04:03,699

instance and in consultation with other

1191

01:04:00,610 --> 01:04:07,260

NATO partners I could confirm that no

1192

01:04:03,699 --> 01:04:10,269

flights of stealth aircraft or any other

1193

01:04:07,260 --> 01:04:13,930

experimental aircraft took place in the

1194

01:04:10,269 --> 01:04:15,849

airspace of Belgium in addition the

1195

01:04:13,929 --> 01:04:19,619

civil aviation authorities confirmed

1196

01:04:15,849 --> 01:04:23,769

that no flight plans had been introduced

1197

01:04:19,619 --> 01:04:26,799

this implied that reported objects or

1198
01:04:23,769 --> 01:04:30,699
craft committed an infection against the

1199
01:04:26,800 --> 01:04:34,060
existing aviation rules the Belgian Air

1200
01:04:30,699 --> 01:04:36,969
Force tried to identify the alleged

1201
01:04:34,059 --> 01:04:42,159
intruders and on three occasions

1202
01:04:36,969 --> 01:04:44,230
launched f16 aircraft on one occasion to

1203
01:04:42,159 --> 01:04:46,889
have 16 registered rapid changes in

1204
01:04:44,230 --> 01:04:50,760
speed and altitude which were well

1205
01:04:46,889 --> 01:04:54,879
outside of the performance envelope of

1206
01:04:50,760 --> 01:04:57,730
existing aircraft nevertheless the virus

1207
01:04:54,880 --> 01:05:00,400
could not establish visual context and

1208
01:04:57,730 --> 01:05:03,150
the investigation revealed that specific

1209
01:05:00,400 --> 01:05:05,590
weather conditions may have caused

1210
01:05:03,150 --> 01:05:09,869
electromagnetic interferences and false

1211
01:05:05,590 --> 01:05:13,120
radar returns the technical evidence was

1212
01:05:09,869 --> 01:05:15,609
insufficient to conclude that abnormal

1213
01:05:13,119 --> 01:05:19,539
earth activities took place during that

1214
01:05:15,610 --> 01:05:22,059
evening in short the Belgian UFO wave

1215
01:05:19,539 --> 01:05:25,690
was exceptional and the Air Force could

1216
01:05:22,059 --> 01:05:28,059
not identify the nature origin and

1217
01:05:25,690 --> 01:05:31,110
intentions of the reported phenomenon

1218
01:05:28,059 --> 01:05:31,110
thank you very much

1219
01:05:34,798 --> 01:05:42,608
so just imagine the chief of staff of

1220
01:05:38,978 --> 01:05:44,788
the Belgian Air Force States publicly

1221
01:05:42,608 --> 01:05:49,150
states that the Air Force was unable to

1222
01:05:44,789 --> 01:05:54,269
identify to identify the the the

1223
01:05:49,150 --> 01:05:57,519
intention and origin of this phenomenon

1224
01:05:54,268 --> 01:06:03,518
what does it mean why does he talk about

1225
01:05:57,518 --> 01:06:05,439
intentions I will jump over a certain

1226

01:06:03,518 --> 01:06:09,988
part in my presentation now because I

1227
01:06:05,440 --> 01:06:09,989
know that is we are behind the schedule

1228
01:06:16,650 --> 01:06:24,309
so what is going on if you ask the

1229
01:06:21,458 --> 01:06:27,489
United States Air Force there's nothing

1230
01:06:24,309 --> 01:06:30,400
going on at all this is the official

1231
01:06:27,489 --> 01:06:32,650
United States position on UFOs it's

1232
01:06:30,400 --> 01:06:36,309
considered the u.s. the official u.s.

1233
01:06:32,650 --> 01:06:38,798
position on UFOs no UFO reported

1234
01:06:36,309 --> 01:06:41,499
investigated or evaluated by the Air

1235
01:06:38,798 --> 01:06:45,788
Force was ever an indication of threat

1236
01:06:41,498 --> 01:06:49,478
to our national security there was no

1237
01:06:45,789 --> 01:06:53,289
evidence submitted to or discovered by

1238
01:06:49,478 --> 01:06:56,588
the Air Force that unidentified

1239
01:06:53,289 --> 01:06:59,440
sightings represented technological

1240
01:06:56,588 --> 01:07:04,318

developments or principles beyond the

1241

01:06:59,440 --> 01:07:07,028

range of modern scientific knowledge and

1242

01:07:04,318 --> 01:07:10,119

since termination of Project Blue Book

1243

01:07:07,028 --> 01:07:13,329

nothing has occurred that would support

1244

01:07:10,119 --> 01:07:15,190

a resumption of UFO investigations by

1245

01:07:13,329 --> 01:07:17,219

the Air Force now let's analyze what

1246

01:07:15,190 --> 01:07:20,139

they are saying here they are saying

1247

01:07:17,219 --> 01:07:23,708

whatever they have investigated it has

1248

01:07:20,139 --> 01:07:26,739

never shown any indication of a threat

1249

01:07:23,708 --> 01:07:30,518

to the national security and what they

1250

01:07:26,739 --> 01:07:33,699

have what they have analyzed never

1251

01:07:30,518 --> 01:07:37,328

represented technological developments

1252

01:07:33,699 --> 01:07:43,209

or principles beyond our current

1253

01:07:37,329 --> 01:07:45,880

scientific knowledge maybe you know

1254

01:07:43,208 --> 01:07:47,199

maybe the Americans maybe they should

1255
01:07:45,880 --> 01:07:50,730
have

1256
01:07:47,199 --> 01:07:56,649
the Swiss people from Switzerland look

1257
01:07:50,730 --> 01:08:02,219
look at this this is a radar trace of a

1258
01:07:56,650 --> 01:08:09,240
UFO on Swiss military radar from June 18

1259
01:08:02,219 --> 01:08:10,389
1993 I got this from a scientist

1260
01:08:09,239 --> 01:08:13,509
astrophysicists

1261
01:08:10,389 --> 01:08:16,389
and a head of a German UFO organization

1262
01:08:13,510 --> 01:08:19,180
MUFON which also exists in in Europe

1263
01:08:16,390 --> 01:08:21,910
MUFON Central European section and the

1264
01:08:19,180 --> 01:08:23,710
head of that organization and I we work

1265
01:08:21,909 --> 01:08:27,220
closely together and he gave me this

1266
01:08:23,710 --> 01:08:29,380
radar trace of Swiss military of a UFO

1267
01:08:27,220 --> 01:08:33,430
and Swiss military radar now what's so

1268
01:08:29,380 --> 01:08:38,949
interesting about this is that you know

1269
01:08:33,430 --> 01:08:40,960
on June 18 1993 the radar operators were

1270
01:08:38,949 --> 01:08:43,269
trying were sitting there in their in

1271
01:08:40,960 --> 01:08:46,090
their control tower and they were trying

1272
01:08:43,270 --> 01:08:51,040
to identify this object which was

1273
01:08:46,090 --> 01:08:53,409
traveling with you know with 240 km/h so

1274
01:08:51,039 --> 01:08:55,930
which is not very fast you know and they

1275
01:08:53,409 --> 01:08:58,599
try to identify this you of this this

1276
01:08:55,930 --> 01:09:02,409
this object because it did not have a

1277
01:08:58,600 --> 01:09:06,220
transponder signature transponder

1278
01:09:02,409 --> 01:09:09,279
signature means that each plane has a

1279
01:09:06,220 --> 01:09:13,060
sender you know and it's emits radio

1280
01:09:09,279 --> 01:09:15,509
waves so that you can identify the plane

1281
01:09:13,060 --> 01:09:18,190
so that everybody knows this is plane

1282
01:09:15,510 --> 01:09:19,659
Lufthansa hahaha going there and there

1283

01:09:18,189 --> 01:09:22,539
and this object didn't have anything so

1284
01:09:19,659 --> 01:09:25,389
while they were investigating where they

1285
01:09:22,539 --> 01:09:31,689
were trying to find out what this object

1286
01:09:25,390 --> 01:09:35,130
is it suddenly accelerates to Mach 4 so

1287
01:09:31,689 --> 01:09:39,309
that's four times the speed of sound and

1288
01:09:35,130 --> 01:09:42,819
and it makes a sharp angle a sharp angle

1289
01:09:39,310 --> 01:09:46,690
at at Mach 4 and disappears from the

1290
01:09:42,819 --> 01:09:48,699
radar screen and it and it doesn't it

1291
01:09:46,689 --> 01:09:50,559
didn't disappear from the radar screen

1292
01:09:48,699 --> 01:09:53,050
because it really disappeared but

1293
01:09:50,560 --> 01:09:55,420
because the Swiss military radar was not

1294
01:09:53,050 --> 01:09:58,600
able to capture any objects that were

1295
01:09:55,420 --> 01:09:59,619
faster than Mach 4 at that time why

1296
01:09:58,600 --> 01:10:02,470
would they

1297
01:09:59,619 --> 01:10:05,550

there are no terrestrial objects that

1298

01:10:02,470 --> 01:10:11,500

can fly Mac for at least not officially

1299

01:10:05,550 --> 01:10:15,039

now what's interesting is the sharp

1300

01:10:11,500 --> 01:10:18,689

angle how can you make a sharp angle at

1301

01:10:15,039 --> 01:10:22,149

Mach 4 at four times the speed of sound

1302

01:10:18,689 --> 01:10:24,189

we have natural laws there is one

1303

01:10:22,149 --> 01:10:28,719

natural law which is I think that mass

1304

01:10:24,189 --> 01:10:31,089

inertia law mass inertia law mass

1305

01:10:28,720 --> 01:10:34,840

inertia means that once you set a

1306

01:10:31,090 --> 01:10:37,239

certain mass in motion into a certain

1307

01:10:34,840 --> 01:10:40,750

direction you will need a lot of energy

1308

01:10:37,239 --> 01:10:44,260

to to divert it from its original course

1309

01:10:40,750 --> 01:10:49,420

and it will cause damage to that object

1310

01:10:44,260 --> 01:10:52,150

I mean otherwise said if you go 80 km/h

1311

01:10:49,420 --> 01:10:56,619

and then you grab your steering wheel

1312
01:10:52,149 --> 01:10:58,269
and you just go what's gonna happen do

1313
01:10:56,619 --> 01:11:02,710
you think you will drive a sharp angle

1314
01:10:58,270 --> 01:11:06,760
on your motorway you will not your car

1315
01:11:02,710 --> 01:11:10,739
will crash you will possibly die so you

1316
01:11:06,760 --> 01:11:17,199
shouldn't try this unless you are a UFO

1317
01:11:10,739 --> 01:11:20,500
so so you see this object this radar

1318
01:11:17,199 --> 01:11:23,409
trace is a direct contradiction to the

1319
01:11:20,500 --> 01:11:26,039
official United States position on UFOs

1320
01:11:23,409 --> 01:11:29,260
that they do not represent any

1321
01:11:26,039 --> 01:11:31,479
technological developments or principles

1322
01:11:29,260 --> 01:11:34,750
beyond the range of modern scientific

1323
01:11:31,479 --> 01:11:41,979
knowledge because these objects do not

1324
01:11:34,750 --> 01:11:47,130
only not accept our aviation laws they

1325
01:11:41,979 --> 01:11:47,129
do not also not accept our natural laws

1326
01:11:49,050 --> 01:11:57,880
there you see another radar trace it

1327
01:11:54,640 --> 01:12:00,880
shows this is the this it's a flight

1328
01:11:57,880 --> 01:12:03,760
level profile okay so it shows this is

1329
01:12:00,880 --> 01:12:06,460
the flight path from ABBA seen from

1330
01:12:03,760 --> 01:12:11,280
above but this is the flight level okay

1331
01:12:06,460 --> 01:12:15,930
so here you can see that on June 13 1993

1332
01:12:11,279 --> 01:12:18,689
this object showed extreme changes in

1333
01:12:15,930 --> 01:12:25,829
its flight level it changed its flight

1334
01:12:18,689 --> 01:12:30,389
level in several thousand meters higher

1335
01:12:25,829 --> 01:12:33,000
or lower within six minutes if you ask a

1336
01:12:30,390 --> 01:12:35,869
pilot I don't know do we have a pilot

1337
01:12:33,000 --> 01:12:35,869
here in the audience

1338
01:12:36,770 --> 01:12:41,580
no pilot okay

1339
01:12:39,449 --> 01:12:44,609
because I have I have a pilot in my team

1340

01:12:41,579 --> 01:12:47,369
and I asked him in my Exopolitics team

1341
01:12:44,609 --> 01:12:50,099
in Germany and I asked him which kind of

1342
01:12:47,369 --> 01:12:52,470
craft would would be capable of flying

1343
01:12:50,100 --> 01:12:54,510
this and you said it's impossible you

1344
01:12:52,470 --> 01:12:57,360
can you cannot have cannot be a

1345
01:12:54,510 --> 01:13:01,880
helicopter can be nothing not this is

1346
01:12:57,359 --> 01:13:05,009
just completely unknown and unthinkable

1347
01:13:01,880 --> 01:13:07,050
and there's another thing about radar

1348
01:13:05,010 --> 01:13:09,800
traces once we talk about radar traces

1349
01:13:07,050 --> 01:13:13,170
you know is that you of those are

1350
01:13:09,800 --> 01:13:16,560
interestingly enough they are they are

1351
01:13:13,170 --> 01:13:21,050
obviously interested in in terrestrial

1352
01:13:16,560 --> 01:13:27,780
military installations you see it here

1353
01:13:21,050 --> 01:13:31,050
on May 5 1996 the the square that you

1354
01:13:27,779 --> 01:13:34,769

see in in in in red this is the no-fly

1355

01:13:31,050 --> 01:13:36,900

zone around a night and NATO stationed

1356

01:13:34,770 --> 01:13:38,550

military stationed there should be no

1357

01:13:36,899 --> 01:13:41,369

nothing whatsoever

1358

01:13:38,550 --> 01:13:49,440

within that no-fly zone and you still

1359

01:13:41,369 --> 01:13:53,939

have unidentified radar returns and this

1360

01:13:49,439 --> 01:13:56,460

is this is a common thing there is one

1361

01:13:53,939 --> 01:13:59,489

last witness testimony that I want to

1362

01:13:56,460 --> 01:14:02,310

show you before I leave you because I I

1363

01:13:59,489 --> 01:14:08,969

see my my egg timer has already run up

1364

01:14:02,310 --> 01:14:11,370

and as I said UFOs are interested in in

1365

01:14:08,970 --> 01:14:14,090

terrestrial military installations and

1366

01:14:11,369 --> 01:14:17,250

that is something that we should be

1367

01:14:14,090 --> 01:14:20,310

concerned about what does it mean let me

1368

01:14:17,250 --> 01:14:22,470

show you the witness testimony of a

1369
01:14:20,310 --> 01:14:25,410
former Air Force captain

1370
01:14:22,470 --> 01:14:29,280
he was stationed in March in March 16

1371
01:14:25,409 --> 01:14:35,789
1967 he was stationed at Mastro's Air

1372
01:14:29,279 --> 01:14:37,949
Force Base Montana he was he was

1373
01:14:35,789 --> 01:14:41,369
responsible for nuclear weapons that

1374
01:14:37,949 --> 01:14:46,439
were stationed there because it was the

1375
01:14:41,369 --> 01:14:49,649
Cold War you know Cold War so it's very

1376
01:14:46,439 --> 01:15:04,049
important military installation and look

1377
01:14:49,649 --> 01:15:06,179
what happened by the way this is an

1378
01:15:04,050 --> 01:15:09,390
excerpt from a press conference by those

1379
01:15:06,180 --> 01:15:12,090
high-ranking military officials which we

1380
01:15:09,390 --> 01:15:15,000
were given permission to publish and we

1381
01:15:12,090 --> 01:15:19,789
seize these opportunities Robert Salas

1382
01:15:15,000 --> 01:15:21,689
in 1967 I was a first lieutenant

1383
01:15:19,789 --> 01:15:26,119
stationed at Malmstrom Air Force Base

1384
01:15:21,689 --> 01:15:32,819
Montana I was a missile launch officer

1385
01:15:26,119 --> 01:15:35,939
and in march on march 24th 1967 i was on

1386
01:15:32,819 --> 01:15:42,559
duty at what we called oscar flight

1387
01:15:35,939 --> 01:15:46,379
it is a underground capsule

1388
01:15:42,560 --> 01:15:49,770
Harden's site about 60 feet underground

1389
01:15:46,380 --> 01:15:51,270
we had security guards topside the main

1390
01:15:49,770 --> 01:15:56,810
guard is called a flight security

1391
01:15:51,270 --> 01:16:00,960
controller my commander at the time was

1392
01:15:56,810 --> 01:16:06,810
lieutenant Fred Maiwald now colonel

1393
01:16:00,960 --> 01:16:08,909
retired colonel Fred my wall sometime in

1394
01:16:06,810 --> 01:16:11,880
the evening hours on March 24th

1395
01:16:08,909 --> 01:16:14,029
I received a call from one of my topside

1396
01:16:11,880 --> 01:16:15,869
guards the white security controller

1397

01:16:14,029 --> 01:16:18,090
stating that they had been observing

1398
01:16:15,869 --> 01:16:22,529
strange lights in the sky making odd

1399
01:16:18,090 --> 01:16:24,600
maneuvers and wanted to report it I

1400
01:16:22,529 --> 01:16:28,679
thought it was kind of strange report

1401
01:16:24,600 --> 01:16:30,030
but I took it seriously you have to

1402
01:16:28,680 --> 01:16:33,570
understand we were protecting nuclear

1403
01:16:30,029 --> 01:16:36,009
weapons and we reports we generally got

1404
01:16:33,569 --> 01:16:39,009
were very professional

1405
01:16:36,010 --> 01:16:41,730
at any rate I kind of dismissed the call

1406
01:16:39,010 --> 01:16:43,869
he called back about five minutes later

1407
01:16:41,729 --> 01:16:47,799
this time he was screaming into the

1408
01:16:43,869 --> 01:16:51,849
phone saying they're looking at an

1409
01:16:47,800 --> 01:16:55,600
object a red glowing object hovering

1410
01:16:51,850 --> 01:16:59,230
just above our front gate this object

1411
01:16:55,600 --> 01:17:00,789

was about 30 feet in diameter he

1412
01:16:59,229 --> 01:17:03,909
couldn't make out too much the details

1413
01:17:00,789 --> 01:17:08,170
of the object only that it was pulsating

1414
01:17:03,909 --> 01:17:11,619
and and he had all the guards out there

1415
01:17:08,170 --> 01:17:14,440
he was very frightened wanted me to give

1416
01:17:11,619 --> 01:17:16,809
him direction I think I said something

1417
01:17:14,439 --> 01:17:19,559
like make sure nothing comes inside the

1418
01:17:16,810 --> 01:17:23,220
perimeter fence

1419
01:17:19,560 --> 01:17:26,260
he immediately hung the phone up we I

1420
01:17:23,220 --> 01:17:30,250
went to wake my commander Fred Maiwald

1421
01:17:26,260 --> 01:17:33,220
who was taking a rest break started to

1422
01:17:30,250 --> 01:17:36,729
tell him about the phone call and just

1423
01:17:33,220 --> 01:17:38,850
as I told him our missiles began going

1424
01:17:36,729 --> 01:17:41,589
into what's called a no-go condition or

1425
01:17:38,850 --> 01:17:44,350
unlaunchable essentially they were

1426
01:17:41,590 --> 01:17:47,289
disabled when this object was still

1427
01:17:44,350 --> 01:17:52,500
hovering over our site our launch

1428
01:17:47,289 --> 01:17:52,500
control facility I'll interrupt here

1429
01:17:53,069 --> 01:17:58,750
just to sum it up what he just said he

1430
01:17:56,890 --> 01:18:00,880
said that he was informed by his

1431
01:17:58,750 --> 01:18:03,789
security guards that there was an object

1432
01:18:00,880 --> 01:18:06,699
that hovered over the launch control the

1433
01:18:03,789 --> 01:18:08,319
launch site of these nuclear missiles

1434
01:18:06,699 --> 01:18:11,170
and the and

1435
01:18:08,319 --> 01:18:13,569
the the nuclear missiles that were there

1436
01:18:11,170 --> 01:18:16,750
to protect the United States of the evil

1437
01:18:13,569 --> 01:18:20,920
Soviets or or check missiles how Eastern

1438
01:18:16,750 --> 01:18:24,279
German missiles they were they were

1439
01:18:20,920 --> 01:18:27,300
suddenly shut off they did shut down

1440
01:18:24,279 --> 01:18:30,849
while the object was hovering there so

1441
01:18:27,300 --> 01:18:34,560
this this case has also been subject to

1442
01:18:30,850 --> 01:18:39,100
a certain investigation by the Air Force

1443
01:18:34,560 --> 01:18:41,560
and here in this document which is a

1444
01:18:39,100 --> 01:18:43,060
document that Robert Salas received with

1445
01:18:41,560 --> 01:18:46,700
the Freedom of Information Act in

1446
01:18:43,060 --> 01:18:49,400
America it states it states the

1447
01:18:46,699 --> 01:18:52,309
fact that no apparent reason for the

1448
01:18:49,399 --> 01:18:57,079
loss of ten missiles can be readily

1449
01:18:52,310 --> 01:19:03,580
identified is cause for grave concern to

1450
01:18:57,079 --> 01:19:07,309
this headquarters and I have to tell you

1451
01:19:03,579 --> 01:19:11,390
well if you are in the Cold War with an

1452
01:19:07,310 --> 01:19:13,220
ideological opponent and there is

1453
01:19:11,390 --> 01:19:17,840
suddenly something that switches off

1454

01:19:13,220 --> 01:19:20,600
your main defense capability now that

1455
01:19:17,840 --> 01:19:24,430
would definitely cause you grave concern

1456
01:19:20,600 --> 01:19:27,140
wouldn't it and it is also another

1457
01:19:24,430 --> 01:19:35,360
contradiction to the official United

1458
01:19:27,140 --> 01:19:38,390
States position on UFOs because if a UFO

1459
01:19:35,359 --> 01:19:40,699
tampering with with nuclear missiles is

1460
01:19:38,390 --> 01:19:42,039
not considered a threat to national

1461
01:19:40,699 --> 01:19:46,220
security

1462
01:19:42,039 --> 01:19:47,659
then what could possibly be considered a

1463
01:19:46,220 --> 01:19:52,659
threat of national security

1464
01:19:47,659 --> 01:19:52,659
this is the threat of national security

1465
01:19:54,789 --> 01:20:00,710
again I'm coming to the to the end now

1466
01:19:58,310 --> 01:20:08,140
this is what Michael Saleh has already

1467
01:20:00,710 --> 01:20:13,100
talked about there are very important

1468
01:20:08,140 --> 01:20:15,619

questions that we have to ask as mankind

1469

01:20:13,100 --> 01:20:20,320

what does it mean for us that we are

1470

01:20:15,619 --> 01:20:23,720

being visited by something by objects

1471

01:20:20,319 --> 01:20:27,559

possibly beings that show intelligent

1472

01:20:23,720 --> 01:20:31,060

behavior that are superior to our

1473

01:20:27,560 --> 01:20:34,520

technological capabilities to our

1474

01:20:31,060 --> 01:20:37,670

scientific knowledge up I mean it seems

1475

01:20:34,520 --> 01:20:40,490

like that you know it's it's obvious

1476

01:20:37,670 --> 01:20:42,289

that's like that excuse me I have a

1477

01:20:40,489 --> 01:20:45,199

still forgot to translate this it says

1478

01:20:42,289 --> 01:20:48,470

important questions for mankind how do

1479

01:20:45,199 --> 01:20:51,229

they get here you know do they come with

1480

01:20:48,470 --> 01:20:54,890

oil I'm sure they do not come with oil

1481

01:20:51,229 --> 01:20:56,059

if they travel to earth do they come

1482

01:20:54,890 --> 01:21:00,239

with nuclear power

1483
01:20:56,060 --> 01:21:02,610
do they have another technology perhaps

1484
01:21:00,238 --> 01:21:08,598
you know the the interesting thing about

1485
01:21:02,609 --> 01:21:13,380
oil is that it's that that we use oil to

1486
01:21:08,599 --> 01:21:19,319
to fulfill 36% of our global energy

1487
01:21:13,380 --> 01:21:21,420
demand is is fed by oil 36% there's an

1488
01:21:19,319 --> 01:21:23,488
oil industry which basically controls

1489
01:21:21,420 --> 01:21:26,550
the rest of the industries of the world

1490
01:21:23,488 --> 01:21:29,819
because they are dependent on oil just

1491
01:21:26,550 --> 01:21:33,239
imagine what would happen if we wouldn't

1492
01:21:29,819 --> 01:21:35,578
need oil anymore you know it would not

1493
01:21:33,238 --> 01:21:39,928
only change the technologies we have at

1494
01:21:35,578 --> 01:21:43,109
our disposal at our disposition at our

1495
01:21:39,929 --> 01:21:44,819
how do you say it in English it wouldn't

1496
01:21:43,109 --> 01:21:48,210
only change the technologies that we

1497
01:21:44,819 --> 01:21:50,630
have it would also considerably change

1498
01:21:48,210 --> 01:21:53,130
the power structures on our planet

1499
01:21:50,630 --> 01:21:56,248
because everybody in this room knows

1500
01:21:53,130 --> 01:21:59,038
that the the the importance of the

1501
01:21:56,248 --> 01:22:01,859
United States dollar can only be

1502
01:21:59,038 --> 01:22:04,259
justified if at all if it can be

1503
01:22:01,859 --> 01:22:08,609
justified at all because it is the main

1504
01:22:04,260 --> 01:22:13,530
currency for any transactions financial

1505
01:22:08,609 --> 01:22:17,808
transactions in the oil sector if if the

1506
01:22:13,529 --> 01:22:20,998
US dollar wouldn't be used for for oil

1507
01:22:17,809 --> 01:22:23,309
transactions then you know I'm wondering

1508
01:22:20,998 --> 01:22:26,519
if it would if he would exist anymore

1509
01:22:23,309 --> 01:22:29,070
u.s. dollar so it would considerably

1510
01:22:26,519 --> 01:22:35,670
alter the power structures on our planet

1511

01:22:29,069 --> 01:22:39,599
the other thing is if you start if you

1512
01:22:35,670 --> 01:22:41,609
start to ask yourself questions well if

1513
01:22:39,599 --> 01:22:45,510
there are beings who come here who visit

1514
01:22:41,609 --> 01:22:49,710
us do they live in societies how is

1515
01:22:45,510 --> 01:22:52,610
their society organized do they have do

1516
01:22:49,710 --> 01:22:56,630
they have a head of state do they have

1517
01:22:52,609 --> 01:22:59,960
ministry ministries do they have

1518
01:22:56,630 --> 01:23:03,118
homeless people do they have terrorists

1519
01:22:59,960 --> 01:23:06,630
you know do they have Wars why do they

1520
01:23:03,118 --> 01:23:07,799
kill each other you know or oh maybe

1521
01:23:06,630 --> 01:23:10,349
they don't kill each other

1522
01:23:07,800 --> 01:23:12,969
maybe there's another another chance you

1523
01:23:10,349 --> 01:23:16,600
know another thing what we could do

1524
01:23:12,969 --> 01:23:20,079
or how what is what is the highest tax

1525
01:23:16,600 --> 01:23:23,550

rate in the in the extraterrestrial

1526

01:23:20,079 --> 01:23:26,710
society are there taxes at all in

1527

01:23:23,550 --> 01:23:27,430
extraterrestrial societies is there

1528

01:23:26,710 --> 01:23:31,210
money

1529

01:23:27,430 --> 01:23:34,119
at all or is there possibly something

1530

01:23:31,210 --> 01:23:37,119
else that they use to organize their

1531

01:23:34,119 --> 01:23:42,149
society and if so is there something is

1532

01:23:37,119 --> 01:23:45,909
there maybe a way that we as mankind

1533

01:23:42,149 --> 01:23:49,779
could benefit from these thoughts you

1534

01:23:45,909 --> 01:23:52,448
know from from the not not only an

1535

01:23:49,779 --> 01:23:55,359
alternative an alternative model but

1536

01:23:52,448 --> 01:23:57,369
just the possibility that there is an

1537

01:23:55,359 --> 01:23:59,469
alternative because we are always being

1538

01:23:57,369 --> 01:24:01,238
told that this is you know real politics

1539

01:23:59,469 --> 01:24:03,969
we have to invite them because they have

1540
01:24:01,238 --> 01:24:06,399
this weapons of mass huh you know that

1541
01:24:03,969 --> 01:24:08,170
you know we have to pay you have to pay

1542
01:24:06,399 --> 01:24:10,329
taxes because we need the money because

1543
01:24:08,170 --> 01:24:13,779
we need to pay our debts because da da

1544
01:24:10,329 --> 01:24:18,550
da you know all these little terrestrial

1545
01:24:13,779 --> 01:24:20,759
problems would suddenly change if we

1546
01:24:18,550 --> 01:24:25,869
start to consider the extra-terrestrial

1547
01:24:20,760 --> 01:24:29,289
presence as a fact and what about

1548
01:24:25,869 --> 01:24:33,609
religion by the way what about the ETS

1549
01:24:29,289 --> 01:24:38,100
do they believe in God you know are they

1550
01:24:33,609 --> 01:24:38,099
allowed to have sex before marriage

1551
01:24:38,189 --> 01:24:45,179
do they have to carry a meal like the

1552
01:24:42,310 --> 01:24:48,010
Muslims you know and what about

1553
01:24:45,180 --> 01:24:52,449
technology what about science what about

1554
01:24:48,010 --> 01:24:54,969
all those things that's the reason in my

1555
01:24:52,448 --> 01:24:58,359
opinion that we all should be concerned

1556
01:24:54,969 --> 01:25:01,350
with the UFO phenomenon especially

1557
01:24:58,359 --> 01:25:06,549
politicians especially people who take

1558
01:25:01,350 --> 01:25:09,520
decisions and each and every peep each

1559
01:25:06,550 --> 01:25:14,590
and every person on this planet because

1560
01:25:09,520 --> 01:25:18,880
honestly I think that the UFO subject

1561
01:25:14,590 --> 01:25:21,940
has been kept secret for way too long by

1562
01:25:18,880 --> 01:25:24,969
the people who rule this world and this

1563
01:25:21,939 --> 01:25:26,409
is not a question anymore of secrecy or

1564
01:25:24,969 --> 01:25:29,199
national security

1565
01:25:26,409 --> 01:25:32,859
but we are now talking about the ongoing

1566
01:25:29,199 --> 01:25:35,050
evolution of mankind you know and I am

1567
01:25:32,859 --> 01:25:38,170
convinced that evolution of

1568

01:25:35,050 --> 01:25:39,820
consciousness in the universe is a

1569
01:25:38,170 --> 01:25:43,420
guided process

1570
01:25:39,819 --> 01:25:46,539
it's a directed process and it will not

1571
01:25:43,420 --> 01:25:49,989
be stopped by some stubborn power driven

1572
01:25:46,539 --> 01:25:51,970
people who try to keep on ruling the

1573
01:25:49,989 --> 01:25:56,019
world because they have the whole

1574
01:25:51,970 --> 01:25:58,329
universe against against them so

1575
01:25:56,020 --> 01:26:01,450
evolution of mankind will not be stopped

1576
01:25:58,329 --> 01:26:04,300
just because some people say no we want

1577
01:26:01,449 --> 01:26:06,460
to keep it secret so please check your

1578
01:26:04,300 --> 01:26:08,829
facts for yourself please make up your

1579
01:26:06,460 --> 01:26:12,670
mind do not believe anything I just said

1580
01:26:08,829 --> 01:26:17,079
please look look after it yourself and

1581
01:26:12,670 --> 01:26:20,310
make up your own opinion and see the

1582
01:26:17,079 --> 01:26:24,420

importance of this subject for mankind

1583

01:26:20,310 --> 01:26:24,420

thank you very much for your attention

1584

01:26:27,689 --> 01:26:29,750

you
