

1
00:00:05,269 --> 00:00:12,808
yes well as we get older and older room

2
00:00:10,638 --> 00:00:20,329
77 right now

3
00:00:12,808 --> 00:00:20,329
you can't live forever and so if this

4
00:00:21,890 --> 00:00:29,868
precedes you I'm going to have to clean

5
00:00:25,618 --> 00:00:35,039
the blood doesn't work then I've got

6
00:00:29,868 --> 00:00:38,969
probably a few more months to make it

7
00:00:35,039 --> 00:00:42,960
before my kidneys shut down so that's

8
00:00:38,969 --> 00:00:46,558
kind of why I'm kind of going along with

9
00:00:42,960 --> 00:00:48,420
they interview it this time you're

10
00:00:46,558 --> 00:00:50,038
seeing that what you went through is

11
00:00:48,420 --> 00:00:55,829
just too important for people not to

12
00:00:50,039 --> 00:00:57,780
know about yeah yeah can you just let

13
00:00:55,829 --> 00:01:00,090
can we start at the beginning with your

14
00:00:57,780 --> 00:01:03,420
military career and just walk through

15
00:01:00,090 --> 00:01:08,368
what exactly your experiences were was

16
00:01:03,420 --> 00:01:13,618
in the drafting as a military and got

17
00:01:08,368 --> 00:01:17,789
into the US Army after that I was sent

18
00:01:13,618 --> 00:01:20,549
to the signal training center syan

19
00:01:17,790 --> 00:01:24,990
eastern United States what year would

20
00:01:20,549 --> 00:01:29,490
this big 58 I went through the signal

21
00:01:24,989 --> 00:01:32,938
training course and at that time I went

22
00:01:29,489 --> 00:01:38,310
through the radio teletype course and

23
00:01:32,938 --> 00:01:41,969
also the cryptography course crypto they

24
00:01:38,310 --> 00:01:46,430
had five instructors that were getting

25
00:01:41,969 --> 00:01:51,530
out of military service so they pull the

26
00:01:46,430 --> 00:01:56,030
top five students and I was third in

27
00:01:51,530 --> 00:01:59,099
class so I got pulled as an instructor

28
00:01:56,030 --> 00:02:05,009
now were you at this time also working

29

00:01:59,099 --> 00:02:10,709
yet for CIA no not yet no after one day

30
00:02:05,009 --> 00:02:13,020
my boss came to me and he said how would

31
00:02:10,709 --> 00:02:13,658
you like to you know make some extra

32
00:02:13,020 --> 00:02:19,780
money

33
00:02:13,658 --> 00:02:22,930
I said all money is good so he's

34
00:02:19,780 --> 00:02:26,680
explained to me that I could he could

35
00:02:22,930 --> 00:02:31,299
put a sir like what I have to get a top

36
00:02:26,680 --> 00:02:35,290
secret White House kill clearance for

37
00:02:31,299 --> 00:02:39,370
the job you know and I thought boy must

38
00:02:35,289 --> 00:02:42,158
be a pretty exclusive thing yeah and I

39
00:02:39,370 --> 00:02:47,799
said well what is this and he said that

40
00:02:42,158 --> 00:02:50,888
I'm director for the CIA for eastern

41
00:02:47,799 --> 00:02:52,599
United States and I said oh I didn't

42
00:02:50,889 --> 00:02:58,060
know that and he said you weren't

43
00:02:52,598 --> 00:03:01,120

supposed to after about six weeks my

44

00:02:58,060 --> 00:03:06,218

security clearance came through and I

45

00:03:01,120 --> 00:03:08,680

got my CIA card it was an ID card like a

46

00:03:06,218 --> 00:03:12,218

credit card where I could just go up to

47

00:03:08,680 --> 00:03:18,040

the door and slice it walk right in in

48

00:03:12,218 --> 00:03:24,068

my name at that time I used a artificial

49

00:03:18,039 --> 00:03:27,698

name - never used my real name I started

50

00:03:24,068 --> 00:03:32,488

working with him on the project he was

51

00:03:27,699 --> 00:03:36,870

on and there was a project Bluebook

52

00:03:32,489 --> 00:03:39,400

which was kind of partially a fraud

53

00:03:36,870 --> 00:03:43,750

figure think some of the Blue Book cases

54

00:03:39,400 --> 00:03:47,859

were we're completely fictitious yes but

55

00:03:43,750 --> 00:03:53,049

the cases that we got came from I think

56

00:03:47,859 --> 00:03:56,620

it was Fort Belleville Marilyn mmm Fort

57

00:03:53,049 --> 00:03:59,500

Belvoir yeah and it didn't come from the

58
00:03:56,620 --> 00:04:03,699
Pentagon or didn't come from CIA

59
00:03:59,500 --> 00:04:07,829
headquarters but we would get reports

60
00:04:03,699 --> 00:04:12,189
about a certain sighting at the head--it

61
00:04:07,829 --> 00:04:15,729
Mexico or Italy or something like that

62
00:04:12,188 --> 00:04:18,819
and then we would have to we had people

63
00:04:15,729 --> 00:04:22,360
that would follow through on it then I

64
00:04:18,819 --> 00:04:24,409
go out and interview the people to see

65
00:04:22,360 --> 00:04:26,480
if they were not cases

66
00:04:24,410 --> 00:04:30,439
or if it was real they'd be going

67
00:04:26,480 --> 00:04:36,740
overseas frequently I I wasn't but I

68
00:04:30,439 --> 00:04:40,069
always stayed stay wise but the people

69
00:04:36,740 --> 00:04:43,329
we had working with us the CIA would do

70
00:04:40,069 --> 00:04:48,849
that we would get like a new report

71
00:04:43,329 --> 00:04:51,800
probably a couple times a week I was

72
00:04:48,850 --> 00:04:55,580
coming into the army fresh off the farm

73
00:04:51,800 --> 00:04:59,840
you know so I really didn't much

74
00:04:55,579 --> 00:05:03,709
knowledge of anything but my boss fill

75
00:04:59,839 --> 00:05:09,139
me in on Project Blue Book and what they

76
00:05:03,709 --> 00:05:13,549
had found so far as far as greys and

77
00:05:09,139 --> 00:05:16,849
aliens and the Roswell incident how did

78
00:05:13,550 --> 00:05:20,900
you feel when this first got dumped on

79
00:05:16,850 --> 00:05:23,990
you you firstly held ago I was just kind

80
00:05:20,899 --> 00:05:27,769
of overwhelmed with all of this you know

81
00:05:23,990 --> 00:05:30,530
I said to him I don't know if I'm gonna

82
00:05:27,769 --> 00:05:34,069
be able to be a judge of this type of

83
00:05:30,529 --> 00:05:37,419
thing what's real what's not when I

84
00:05:34,069 --> 00:05:42,170
don't have much knowledge of it you know

85
00:05:37,420 --> 00:05:46,340
so what did he say he said well have to

86

00:05:42,170 --> 00:05:49,640
build it information here's we go and

87
00:05:46,339 --> 00:05:51,169
you'll see how this thing is working out

88
00:05:49,639 --> 00:05:53,300
and then the other thing is of course

89
00:05:51,170 --> 00:05:56,180
you really weren't able to tell family

90
00:05:53,300 --> 00:05:57,670
or for close friends obviously I

91
00:05:56,180 --> 00:06:02,720
couldn't tell anybody

92
00:05:57,670 --> 00:06:04,220
fact I had to take a vow that I wouldn't

93
00:06:02,720 --> 00:06:10,340
tell anybody

94
00:06:04,220 --> 00:06:16,550
a lot of it for 40 years and more of it

95
00:06:10,339 --> 00:06:18,349
for 50 years which is up in 2010 you're

96
00:06:16,550 --> 00:06:22,250
doing all this crypto work you're

97
00:06:18,350 --> 00:06:26,930
looking at images photographs video it's

98
00:06:22,250 --> 00:06:29,810
1958 maybe the fall of 58 what happened

99
00:06:26,930 --> 00:06:33,379
after this at that time the Project Blue

100
00:06:29,810 --> 00:06:35,850

Book thing kind of went pot yeah if you

101

00:06:33,379 --> 00:06:38,339
remember back in those days

102

00:06:35,850 --> 00:06:42,150
they kind of declared it here's a

103

00:06:38,339 --> 00:06:45,169
nothing you know hmm right and they were

104

00:06:42,149 --> 00:06:48,889
telling the world all UFOs are

105

00:06:45,170 --> 00:06:52,370
misidentifications hoaxes yes

106

00:06:48,889 --> 00:06:56,610
psychological issues whatever yes yeah

107

00:06:52,370 --> 00:07:00,689
so my boss came to me and he says we've

108

00:06:56,610 --> 00:07:02,069
both got a new assignment he said well I

109

00:07:00,689 --> 00:07:06,810
said where we're going

110

00:07:02,069 --> 00:07:10,550
oh he says were going to the Capitol I'm

111

00:07:06,810 --> 00:07:15,329
gonna be part of the eyes an hour

112

00:07:10,550 --> 00:07:20,360
Porsche is trying to find out something

113

00:07:15,329 --> 00:07:24,359
about all about these aliens that mj-12

114

00:07:20,360 --> 00:07:30,139
was supposed to find out but never did

115
00:07:24,360 --> 00:07:32,610
never send back reports to him mj-12 the

116
00:07:30,139 --> 00:07:36,719
UFO control group were they calling it

117
00:07:32,610 --> 00:07:42,389
mj-12 at that time yes they called us in

118
00:07:36,720 --> 00:07:44,460
went into the Oval Office and isn't

119
00:07:42,389 --> 00:07:50,490
President Eisenhower was there in Nixon

120
00:07:44,459 --> 00:07:53,069
and they said we called the people in

121
00:07:50,490 --> 00:07:59,189
from mj-12

122
00:07:53,069 --> 00:08:02,939
from area 51 and s4 but they told us

123
00:07:59,189 --> 00:08:06,240
that the government had no jurisdiction

124
00:08:02,939 --> 00:08:09,990
over what they were doing so being a

125
00:08:06,240 --> 00:08:14,160
general past general you didn't tell him

126
00:08:09,990 --> 00:08:19,740
to go to hell without any real good

127
00:08:14,160 --> 00:08:24,750
reason yeah so he said huh I want you

128
00:08:19,740 --> 00:08:28,980
and your boss to fly out there I want to

129
00:08:24,750 --> 00:08:32,179
give a personal message he says I want

130
00:08:28,980 --> 00:08:36,960
you to tell them whoever's in charge

131
00:08:32,179 --> 00:08:40,889
tell them that to kiddin they have this

132
00:08:36,960 --> 00:08:44,240
week coming week to get into Washington

133
00:08:40,889 --> 00:08:48,019
and to report to me and if they don't

134
00:08:44,240 --> 00:08:50,629
I'm gonna get the first army

135
00:08:48,019 --> 00:08:53,720
from Colorado and we're gonna go over

136
00:08:50,629 --> 00:08:56,980
well take the bass over I don't care

137
00:08:53,720 --> 00:09:00,160
what kind of classified material you got

138
00:08:56,980 --> 00:09:03,350
we're gonna rip this thing apart

139
00:09:00,159 --> 00:09:08,240
Eisenhower was going to invade yes

140
00:09:03,350 --> 00:09:11,090
area 51 yeah with the first term so you

141
00:09:08,240 --> 00:09:14,360
go out with your super superior yes you

142
00:09:11,090 --> 00:09:16,340
fly out you land what happens can you

143

00:09:14,360 --> 00:09:21,980
describe this whole process what you saw

144
00:09:16,340 --> 00:09:26,870
hey took us the 13 or 15 miles south to

145
00:09:21,980 --> 00:09:30,550
s4 head like different garage door

146
00:09:26,870 --> 00:09:34,399
openings and in these garage door opens

147
00:09:30,549 --> 00:09:42,740
they had like different sauce for crafts

148
00:09:34,399 --> 00:09:47,179
the very first one had uh the Roswell

149
00:09:42,740 --> 00:09:52,039
craft and it was kind of crashed up but

150
00:09:47,179 --> 00:09:55,279
apparently every alien that was in a

151
00:09:52,039 --> 00:09:56,899
diet except for a couple see see the

152
00:09:55,279 --> 00:09:59,000
Roswell craft and what are some of the

153
00:09:56,899 --> 00:10:02,840
others that you think well the Roswell

154
00:09:59,000 --> 00:10:10,129
craft was really strange cuz it looked

155
00:10:02,840 --> 00:10:13,460
like real heavy aluminum foil this would

156
00:10:10,129 --> 00:10:17,029
rock next to it and you can rock the

157
00:10:13,460 --> 00:10:19,040

whole thing probably weighed 150 300

158

00:10:17,029 --> 00:10:22,419

pounds could they tell what the source

159

00:10:19,039 --> 00:10:27,349

of power was of his craft yeah it was a

160

00:10:22,419 --> 00:10:33,709

like a river's gravitational thing to

161

00:10:27,350 --> 00:10:40,460

some kind in fact one later on I got I

162

00:10:33,710 --> 00:10:43,759

got the the mathematical code for

163

00:10:40,460 --> 00:10:47,600

Ackerson gravity in a three by five card

164

00:10:43,759 --> 00:10:51,620

I guess there are different types of

165

00:10:47,600 --> 00:10:57,659

Gray's and so on how did you see that

166

00:10:51,620 --> 00:11:03,409

evidence well at the later on

167

00:10:57,659 --> 00:11:07,500

it is four we viewed the autopsy film

168

00:11:03,409 --> 00:11:12,149

and then the colonel said what we've got

169

00:11:07,500 --> 00:11:16,139

in here is we're interviewing hey gray

170

00:11:12,149 --> 00:11:18,470

alien alright right there how did you

171

00:11:16,139 --> 00:11:22,740

feel at that moment

172
00:11:18,470 --> 00:11:25,710
well I thought boy we had no idea we

173
00:11:22,740 --> 00:11:29,129
were gonna see the real thing all we saw

174
00:11:25,710 --> 00:11:32,400
was film he had have a little bit of

175
00:11:29,129 --> 00:11:37,049
heart racing yeah that moment my boss

176
00:11:32,399 --> 00:11:39,419
was able to go in and add up like a

177
00:11:37,049 --> 00:11:41,339
partial interview so what if this grey

178
00:11:39,419 --> 00:11:43,709
alien looked like could you describe him

179
00:11:41,340 --> 00:11:48,899
a little bit this one looked a little

180
00:11:43,710 --> 00:11:51,360
bit oriental so I'm just wondering if if

181
00:11:48,899 --> 00:11:55,289
it looked almost human what about this

182
00:11:51,360 --> 00:12:00,440
didn't look human no it didn't look

183
00:11:55,289 --> 00:12:04,069
human as far as a skin tone and

184
00:12:00,440 --> 00:12:06,630
basically the shape of it and the size

185
00:12:04,070 --> 00:12:10,740
how was its head size compared with a

186
00:12:06,629 --> 00:12:15,269
normal human for example huh brain was

187
00:12:10,740 --> 00:12:19,350
kind of a little bit bigger and some AMA

188
00:12:15,269 --> 00:12:26,549
nose was very very small any ears were

189
00:12:19,350 --> 00:12:28,080
just like holes mouth was very small now

190
00:12:26,549 --> 00:12:31,409
why were they bringing you out here at

191
00:12:28,080 --> 00:12:34,650
all anyway to see an alien what was the

192
00:12:31,409 --> 00:12:38,519
point to go back and tell the prison

193
00:12:34,649 --> 00:12:41,699
they actually had one so he did not know

194
00:12:38,519 --> 00:12:45,120
at this point if there was an alien at

195
00:12:41,700 --> 00:12:46,440
us for know what did you do that at area

196
00:12:45,120 --> 00:12:48,289
were you done or did you have other

197
00:12:46,440 --> 00:12:52,800
things to do yes to basically whoever

198
00:12:48,289 --> 00:12:56,579
kind of done went back area 51 mmm

199
00:12:52,799 --> 00:13:00,419
they took us into the main building and

200

00:12:56,580 --> 00:13:03,920
then we saw a u2 which of course we did

201
00:13:00,419 --> 00:13:03,919
know existed

202
00:13:04,389 --> 00:13:14,379
and he a model of the sr-71 the

203
00:13:10,600 --> 00:13:17,920
Blackbird so but like I mentioned

204
00:13:14,379 --> 00:13:21,460
earlier was not a model of current black

205
00:13:17,919 --> 00:13:23,469
fur early but the earlier version put an

206
00:13:21,460 --> 00:13:26,019
early version did you go directly to

207
00:13:23,470 --> 00:13:27,970
Washington after this where does he go

208
00:13:26,019 --> 00:13:32,399
somewhere how did they get did you fly

209
00:13:27,970 --> 00:13:36,610
regular airline or we flew back to the

210
00:13:32,399 --> 00:13:40,049
commuter plane back to the airbase and

211
00:13:36,610 --> 00:13:45,700
then took President Eisenhower's

212
00:13:40,049 --> 00:13:47,740
Lockheed Electra back to Washington you

213
00:13:45,700 --> 00:13:49,750
and your supervisor here superior

214
00:13:47,740 --> 00:13:53,649

officer and now your meeting with the

215

00:13:49,750 --> 00:13:59,350

president yes can you describe this well

216

00:13:53,649 --> 00:14:05,789

we met with him in boy the second story

217

00:13:59,350 --> 00:14:11,009

of the old OSS warehouse building and

218

00:14:05,789 --> 00:14:17,019

huh eyes nohrin Nixon were there and

219

00:14:11,009 --> 00:14:20,460

also who was there so he asked us what

220

00:14:17,019 --> 00:14:27,279

was going on and we told him about the

221

00:14:20,460 --> 00:14:29,860

alien whole situation and the black

222

00:14:27,279 --> 00:14:33,279

projects and so on and it was just

223

00:14:29,860 --> 00:14:37,980

totally shocked he appeared for the

224

00:14:33,279 --> 00:14:41,439

first time to be worried mm-hmm you know

225

00:14:37,980 --> 00:14:43,330

like he was worried I would think that

226

00:14:41,440 --> 00:14:48,010

Eisenhower would I mean he certainly

227

00:14:43,330 --> 00:14:51,460

knew that flying saucers were real yeah

228

00:14:48,009 --> 00:14:53,019

knew that there were aliens so I guess

229
00:14:51,460 --> 00:14:58,680
I'm just wondering what would he have

230
00:14:53,019 --> 00:15:02,199
been you know really surprised about huh

231
00:14:58,679 --> 00:15:05,500
surprised about the black programs eyes

232
00:15:02,200 --> 00:15:09,430
never said gotta keep this thing

233
00:15:05,500 --> 00:15:14,710
completely secret you know can't talk

234
00:15:09,429 --> 00:15:16,899
about this your actual name is I mean

235
00:15:14,710 --> 00:15:17,530
the names you grew up with that was a

236
00:15:16,899 --> 00:15:19,870
different

237
00:15:17,529 --> 00:15:22,269
than we have had in the never never used

238
00:15:19,870 --> 00:15:26,139
it in the CIA at all

239
00:15:22,269 --> 00:15:30,669
now what about today you're going on the

240
00:15:26,139 --> 00:15:32,740
public record and this is still

241
00:15:30,669 --> 00:15:35,799
sensitive information even though

242
00:15:32,740 --> 00:15:39,070
earlier you talked about you know

243
00:15:35,799 --> 00:15:41,259
security oath set maybe expire after a

244
00:15:39,070 --> 00:15:43,360
certain period of time years but you're

245
00:15:41,259 --> 00:15:46,899
still concerned when the mole novels

246
00:15:43,360 --> 00:15:51,220
phone call her phone was tapped and they

247
00:15:46,899 --> 00:15:55,720
got my phone number and through the

248
00:15:51,220 --> 00:15:58,570
telephone company table to find me and

249
00:15:55,720 --> 00:16:01,720
so on when they found you what happened

250
00:15:58,570 --> 00:16:05,650
I was going to a grocery store two guys

251
00:16:01,720 --> 00:16:10,570
in a black suits come out of a black

252
00:16:05,649 --> 00:16:14,079
Lincoln town car and came over to see me

253
00:16:10,570 --> 00:16:18,850
mm-hmm and it told me that I'd better

254
00:16:14,080 --> 00:16:23,639
not publish anything or talk to Linda

255
00:16:18,850 --> 00:16:28,029
about any more things so at that time I

256
00:16:23,639 --> 00:16:31,149
did you know I did I stopped that was

257

00:16:28,029 --> 00:16:35,100
enough to intimidate you yes rather

258
00:16:31,149 --> 00:16:39,600
remain anonymous never show my face on

259
00:16:35,100 --> 00:16:45,580
anything really thank you for doing this

260
00:16:39,600 --> 00:16:49,899
yes this was I guess kind of a good idea

261
00:16:45,580 --> 00:16:55,690
because I feel much better having talked

262
00:16:49,899 --> 00:17:01,179
about it I kind of feel like this load

263
00:16:55,690 --> 00:17:04,720
off my shoulders really because I love a

264
00:17:01,179 --> 00:17:06,838
lot of Secrets that I had kept over the

265
00:17:04,720 --> 00:17:06,838
years
