

1  
00:00:18,170 --> 00:00:25,019  
merlyn's and gentlemen my name is

2  
00:00:21,329 --> 00:00:29,428  
Parviz Jafari and I'm a retired General

3  
00:00:25,018 --> 00:00:33,259  
of Iranian Air Force at about 11 p.m. on

4  
00:00:29,428 --> 00:00:37,170  
the evening of 18 September 1976

5  
00:00:33,259 --> 00:00:40,109  
citizens were frightened by circling of

6  
00:00:37,170 --> 00:00:45,050  
an unknown object over Tehran the

7  
00:00:40,109 --> 00:00:49,738  
capital city of Iran at a low altitude

8  
00:00:45,049 --> 00:00:53,429  
it looked similar to Assad but bigger

9  
00:00:49,738 --> 00:00:59,250  
and brighter they reported it to the

10  
00:00:53,429 --> 00:01:01,469  
tower and was seen by tower man too he

11  
00:00:59,250 --> 00:01:05,879  
alerted their first command post and

12  
00:01:01,469 --> 00:01:11,790  
deputy general Youssef II decided to

13  
00:01:05,879 --> 00:01:15,289  
scramble and f4j to investigate the

14  
00:01:11,790 --> 00:01:20,100  
pilot in the first jet last

15  
00:01:15,290 --> 00:01:23,540  
instrumentation and communication when

16  
00:01:20,099 --> 00:01:28,438  
he got too close to the brilliant object

17  
00:01:23,540 --> 00:01:31,500  
so he headed back about 10 minutes later

18  
00:01:28,438 --> 00:01:35,099  
they scrambled a second jet which I was

19  
00:01:31,500 --> 00:01:39,269  
piloting at the time I was a squadron

20  
00:01:35,099 --> 00:01:42,539  
commander I approached the object which

21  
00:01:39,269 --> 00:01:47,459  
was flashing with intense red green

22  
00:01:42,540 --> 00:01:52,380  
orange and blue the light was so bright

23  
00:01:47,459 --> 00:01:55,500  
that I was not able to see its body the

24  
00:01:52,379 --> 00:02:01,109  
sequence of flashes was extremely fast

25  
00:01:55,500 --> 00:02:05,659  
like a strobe light we lock on it with

26  
00:02:01,109 --> 00:02:10,530  
radar at it was at 30 degrees left as

27  
00:02:05,659 --> 00:02:12,760  
range of 25 miles the size and the radar

28  
00:02:10,530 --> 00:02:18,810  
scope was

29

00:02:12,759 --> 00:02:22,149  
today is 707 tanker for other object

30  
00:02:18,810 --> 00:02:26,069  
with different shapes separated from the

31  
00:02:22,150 --> 00:02:31,180  
main one at different times during the

32  
00:02:26,068 --> 00:02:35,679  
this close encounter whenever they were

33  
00:02:31,180 --> 00:02:41,980  
close to me my weapon were jammed and my

34  
00:02:35,680 --> 00:02:44,819  
radio communications were garbled one of

35  
00:02:41,979 --> 00:02:49,599  
the object headed toward me I thought it

36  
00:02:44,819 --> 00:02:52,810  
was a missile I tried to launch a

37  
00:02:49,599 --> 00:02:58,629  
heat-seeking missile to it but my

38  
00:02:52,810 --> 00:03:02,969  
missile panel went out another followed

39  
00:02:58,629 --> 00:03:06,639  
me when I was descending on the way back

40  
00:03:02,969 --> 00:03:10,568  
one of the separated object landed in an

41  
00:03:06,639 --> 00:03:13,568  
open area radiating a high bright light

42  
00:03:10,568 --> 00:03:16,500  
in which the sands on the ground were

43  
00:03:13,568 --> 00:03:16,500

visible

44

00:03:17,039 --> 00:03:23,859

we could hear emergency squawk at all the

45

00:03:21,099 --> 00:03:27,189

way which was reported by other

46

00:03:23,860 --> 00:03:30,900

airliners flying at the time and

47

00:03:27,189 --> 00:03:33,539

continued for another couple of days

48

00:03:30,900 --> 00:03:37,019

during my interview at headquarters

49

00:03:33,539 --> 00:03:40,209

after the incident the American

50

00:03:37,019 --> 00:03:43,629

lieutenant-colonel Alla Moy took notes

51

00:03:40,209 --> 00:03:49,060

but after it was over I could not find

52

00:03:43,629 --> 00:03:51,729

him to talk with later at once later

53

00:03:49,060 --> 00:03:54,729

once classified document was released

54

00:03:51,729 --> 00:03:58,179

here in America through the Freedom of

55

00:03:54,729 --> 00:04:01,599

Information Act the Defense Intelligence

56

00:03:58,180 --> 00:04:08,019

Agency documented the event in a great

57

00:04:01,599 --> 00:04:12,189

detail and it was sent to NSA the White

58

00:04:08,019 --> 00:04:16,449

House and the CIA the DIA assessment

59

00:04:12,189 --> 00:04:20,288

said please case is a classic that meets

60

00:04:16,449 --> 00:04:25,259

all necessary conditions for a legend

61

00:04:20,288 --> 00:04:25,259

tape study of the UFO phenomena

62

00:04:28,899 --> 00:04:36,609

dan dye that would be happy to answer

63

00:04:32,180 --> 00:04:36,610

question and tell you more thank you
