

1
00:00:00,060 --> 00:00:08,940
Robert Fleischer I met him last year now

2
00:00:03,178 --> 00:00:10,289
is it yeah watch it yes yes I'm not

3
00:00:08,939 --> 00:00:11,039
offending you by doing that I might no

4
00:00:10,289 --> 00:00:13,619
no it's all right

5
00:00:11,039 --> 00:00:22,409
I think Germans are very I won't mention

6
00:00:13,619 --> 00:00:25,829
the brexit though who said the Germans

7
00:00:22,410 --> 00:00:29,099
don't have a sense of humor I didn't

8
00:00:25,829 --> 00:00:30,928
think the Hat but anyway yeah Robert he

9
00:00:29,099 --> 00:00:33,750
invited me over to he's the hometown of

10
00:00:30,928 --> 00:00:35,670
Leipzig which is beautiful in eastern

11
00:00:33,750 --> 00:00:38,039
Germany I'd served two and a half years

12
00:00:35,670 --> 00:00:39,450
in the Royal Air Force in Germany so I

13
00:00:38,039 --> 00:00:41,850
knew it's a beautiful country but never

14
00:00:39,450 --> 00:00:45,359
been what was in the East and Leipzig

15
00:00:41,850 --> 00:00:47,609
was a beautiful historical city with a

16
00:00:45,359 --> 00:00:49,439
beautiful architecture so that was very

17
00:00:47,609 --> 00:00:49,890
kind of him and obviously we struck up a

18
00:00:49,439 --> 00:00:53,128
friendship

19
00:00:49,890 --> 00:00:56,730
Robert Fleischer is the leading expert

20
00:00:53,128 --> 00:00:58,799
by far in the country of Germany in my

21
00:00:56,729 --> 00:01:00,869
opinion now what you've got to

22
00:00:58,799 --> 00:01:05,759
understand is if we think we are had

23
00:01:00,869 --> 00:01:08,789
done to in Britain with the coverage the

24
00:01:05,760 --> 00:01:10,530
fair coverage in Germany and from our

25
00:01:08,790 --> 00:01:14,490
previous conversations when I was over

26
00:01:10,530 --> 00:01:15,000
in Germany with him he has 50% harder

27
00:01:14,489 --> 00:01:18,118
time

28
00:01:15,000 --> 00:01:20,459
but they still have cases and this guy

29

00:01:18,118 --> 00:01:23,219
is trying to change things he's even

30
00:01:20,459 --> 00:01:26,908
asked questions to politicians and they

31
00:01:23,219 --> 00:01:29,009
kind of like react with horror seriously

32
00:01:26,909 --> 00:01:30,659
and you'll see there and you'll see that

33
00:01:29,009 --> 00:01:33,950
so without further ado a round of

34
00:01:30,659 --> 00:01:33,950
applause for Robert yeah

35
00:01:35,000 --> 00:01:42,409
thank you very much this is the very

36
00:01:39,079 --> 00:01:44,929
first presentation I give in the United

37
00:01:42,409 --> 00:01:47,390
Kingdom and I'm very honored to be a

38
00:01:44,930 --> 00:01:49,850
speaker at this conference and I would

39
00:01:47,390 --> 00:01:52,159
love to thank Gary and all the

40
00:01:49,849 --> 00:01:54,769
organizers of this fantastic conference

41
00:01:52,159 --> 00:01:59,390
and don't clap your hands here because I

42
00:01:54,769 --> 00:02:01,099
haven't spoken yet so yeah let me

43
00:01:59,390 --> 00:02:05,659

introduce myself a little bit before I

44

00:02:01,099 --> 00:02:08,449

go into the the the subject I'm actually

45

00:02:05,659 --> 00:02:10,609

not a huge estai am a journalist I used

46

00:02:08,449 --> 00:02:12,799

to work for television and the thing is

47

00:02:10,610 --> 00:02:15,440

when I was 16 years old

48

00:02:12,800 --> 00:02:16,330

I met the Swiss author Erich von däniken

49

00:02:15,439 --> 00:02:19,789

do you know him

50

00:02:16,330 --> 00:02:21,590

Chariots of the Gods and whenever he was

51

00:02:19,789 --> 00:02:24,859

in my region and gave a talk we would

52

00:02:21,590 --> 00:02:26,840

meet because we we would meet regularly

53

00:02:24,860 --> 00:02:28,370

when he was in my region and we would

54

00:02:26,840 --> 00:02:31,039

talk for many hours and I was fascinated

55

00:02:28,370 --> 00:02:34,219

by what he said and I said so why isn't

56

00:02:31,039 --> 00:02:36,319

this on television and he said well why

57

00:02:34,219 --> 00:02:38,739

don't you go and work for television and

58
00:02:36,319 --> 00:02:43,280
report on this kind of stuff and I said

59
00:02:38,739 --> 00:02:45,860
yeah good idea so so when I was 16 I

60
00:02:43,280 --> 00:02:49,370
really I started doing internships in

61
00:02:45,860 --> 00:02:51,230
several local newspapers when I was 18

62
00:02:49,370 --> 00:02:53,569
years old I presented the evening news

63
00:02:51,229 --> 00:02:56,209
at a local TV station in my hometown and

64
00:02:53,569 --> 00:02:58,549
later on I I worked for several major

65
00:02:56,209 --> 00:03:01,550
German TV networks most of the time for

66
00:02:58,550 --> 00:03:04,160
MDR television which belongs to IAD

67
00:03:01,550 --> 00:03:06,439
that's comparable to the that's a public

68
00:03:04,159 --> 00:03:09,709
broadcaster service comparable to the

69
00:03:06,439 --> 00:03:11,750
BBC here in the UK so I had already

70
00:03:09,709 --> 00:03:16,009
worked as a journalist before I started

71
00:03:11,750 --> 00:03:18,069
doing my university studies and I chose

72
00:03:16,009 --> 00:03:20,569
a conference interpreting so I have a

73
00:03:18,069 --> 00:03:21,769
university degree in in conference

74
00:03:20,569 --> 00:03:24,370
interpreting for French and Spanish

75
00:03:21,769 --> 00:03:26,629
because I didn't know hardly any

76
00:03:24,370 --> 00:03:28,519
journalist colleague who had studied

77
00:03:26,629 --> 00:03:30,919
journalism in order to become a

78
00:03:28,519 --> 00:03:33,620
journalist and I thought that languages

79
00:03:30,919 --> 00:03:35,869
would come in quite handy what do we

80
00:03:33,620 --> 00:03:39,980
know about the situation in Germany I

81
00:03:35,870 --> 00:03:43,219
guess in the UK people probably don't

82
00:03:39,979 --> 00:03:45,289
know many things about the UFO situation

83
00:03:43,219 --> 00:03:46,408
in Germany and that is because Michael

84
00:03:45,289 --> 00:03:49,679
has Ehrmann

85
00:03:46,408 --> 00:03:52,560
who did what I've been doing 20 years

86

00:03:49,680 --> 00:03:55,349
ago he stopped working in this in this

87
00:03:52,560 --> 00:03:59,128
field and he decided to write books

88
00:03:55,348 --> 00:04:02,098
about the Catholic Church and also UFOs

89
00:03:59,128 --> 00:04:05,609
are a taboo subject in Germany so in

90
00:04:02,098 --> 00:04:08,310
2007 I decided to found

91
00:04:05,610 --> 00:04:10,950
Exopolitics Germany this website and

92
00:04:08,310 --> 00:04:13,019
then another couple of years later I

93
00:04:10,949 --> 00:04:15,119
found it XO magazine TV which is an

94
00:04:13,019 --> 00:04:18,000
online video portal for open-minded

95
00:04:15,120 --> 00:04:20,329
people which covers more subjects than

96
00:04:18,000 --> 00:04:23,970
just UFOs you see we have remote viewing

97
00:04:20,329 --> 00:04:25,530
and all that and that's honest on a

98
00:04:23,970 --> 00:04:29,000
subscription basis and it's only in

99
00:04:25,529 --> 00:04:32,279
German yet there are private UFO

100
00:04:29,000 --> 00:04:36,149

organizations in Germany so registered

101

00:04:32,279 --> 00:04:39,239

associations of people dealing with UFO

102

00:04:36,149 --> 00:04:41,579

research four of them the oldest ones

103

00:04:39,240 --> 00:04:45,930

are where was them

104

00:04:41,579 --> 00:04:50,399

okay the oldest ones are those 44 years

105

00:04:45,930 --> 00:04:53,939

and I think 43 years or so and this is a

106

00:04:50,399 --> 00:04:56,189

very new Association this one is MUFON

107

00:04:53,939 --> 00:04:58,469

Central European section you may have

108

00:04:56,189 --> 00:05:00,990

never heard of it before and it was

109

00:04:58,470 --> 00:05:04,500

founded by the German astrophysicist

110

00:05:00,990 --> 00:05:07,050

illa Braun for loot Riga who is a very

111

00:05:04,500 --> 00:05:08,848

important figure in the field of German

112

00:05:07,050 --> 00:05:12,598

UFO research I would even say on an

113

00:05:08,848 --> 00:05:14,519

international level because he helped to

114

00:05:12,598 --> 00:05:16,800

bring forward some material during the

115
00:05:14,519 --> 00:05:19,709
Rockefeller initiative if you know what

116
00:05:16,800 --> 00:05:21,780
I'm referring to and later on he quit

117
00:05:19,709 --> 00:05:23,909
this organization and he founded his own

118
00:05:21,779 --> 00:05:26,448
another one that was only a couple of

119
00:05:23,910 --> 00:05:30,120
years ago which also focuses on

120
00:05:26,449 --> 00:05:32,129
anomalies so there's basically nothing

121
00:05:30,120 --> 00:05:33,899
you ever hear about UFOs in Germany

122
00:05:32,129 --> 00:05:36,089
because officially they don't exist in

123
00:05:33,899 --> 00:05:40,288
Germany but you may have heard of this

124
00:05:36,089 --> 00:05:42,869
in July 2015 Daily Mail the the mirror

125
00:05:40,288 --> 00:05:48,300
and the Sunday Express started reporting

126
00:05:42,870 --> 00:05:50,098
on top-secret documents and German

127
00:05:48,300 --> 00:05:53,759
government forced to release top-secret

128
00:05:50,098 --> 00:05:56,158
documents on UFOs and Angela Merkel

129
00:05:53,759 --> 00:05:59,620
forced to release secret UFO files and

130
00:05:56,158 --> 00:06:02,918
the and the Sunday Express wrote Robert

131
00:05:59,620 --> 00:06:04,840
Alijah of EXO politic org discovered

132
00:06:02,918 --> 00:06:06,930
that the scientific survey service of

133
00:06:04,839 --> 00:06:08,679
the German parliament had a department

134
00:06:06,930 --> 00:06:11,709
investigating the possibility of

135
00:06:08,680 --> 00:06:16,150
extraterrestrial intelligence and UFOs

136
00:06:11,709 --> 00:06:17,709
so top secret documents and a department

137
00:06:16,149 --> 00:06:21,849
within the scientific service

138
00:06:17,709 --> 00:06:28,239
researching UFOs it's both wrong so what

139
00:06:21,850 --> 00:06:31,540
actually happened and it actually it all

140
00:06:28,240 --> 00:06:34,780
goes back to a United Nations decision

141
00:06:31,540 --> 00:06:41,919
from 1978 which I'm sure you are aware

142
00:06:34,779 --> 00:06:44,079
of in 1978 the General Assembly invited

143

00:06:41,918 --> 00:06:46,029
interested member states to take

144
00:06:44,079 --> 00:06:48,490
appropriate steps to coordinate on a

145
00:06:46,029 --> 00:06:50,769
national level scientific research and

146
00:06:48,490 --> 00:06:53,379
investigation into extraterrestrial life

147
00:06:50,769 --> 00:06:55,299
including UFOs and to inform the

148
00:06:53,379 --> 00:06:57,550
secretary-general of the observations

149
00:06:55,300 --> 00:07:04,270
research and evaluation of such

150
00:06:57,550 --> 00:07:07,180
activities so I made some research at

151
00:07:04,269 --> 00:07:09,819
the political archive of Germany's

152
00:07:07,180 --> 00:07:12,160
Foreign Office and I found out that this

153
00:07:09,819 --> 00:07:14,709
aim the original aim actually had not

154
00:07:12,160 --> 00:07:16,840
been to I mean this is very general you

155
00:07:14,709 --> 00:07:19,569
know invites interested member states

156
00:07:16,839 --> 00:07:24,699
and stuff the original aim had been to

157
00:07:19,569 --> 00:07:27,810

create a UFO investigation unit at the

158

00:07:24,699 --> 00:07:31,240

at the United Nations level and this aim

159

00:07:27,810 --> 00:07:33,160

was hindered by Germany's permanent

160

00:07:31,240 --> 00:07:36,579

mission to the United Nations among

161

00:07:33,160 --> 00:07:39,250

others the Austrians played along as

162

00:07:36,579 --> 00:07:40,930

well so I made some research in the

163

00:07:39,250 --> 00:07:43,509

political archives and I found this

164

00:07:40,930 --> 00:07:45,430

telegram for example which shows which

165

00:07:43,509 --> 00:07:47,500

says quite apart from the wider

166

00:07:45,430 --> 00:07:49,389

implications of such resolution draft

167

00:07:47,500 --> 00:07:52,089

the reference to the outer space

168

00:07:49,389 --> 00:07:54,848

committee alone has its misgivings as it

169

00:07:52,089 --> 00:07:57,069

would incur Canada's desire to become a

170

00:07:54,848 --> 00:07:58,538

member of the outer space committee

171

00:07:57,069 --> 00:08:02,560

which would therefore be constantly

172
00:07:58,538 --> 00:08:04,300
occupied with the UFO question and SPC

173
00:08:02,560 --> 00:08:06,490
will probably finish treating this item

174
00:08:04,300 --> 00:08:08,439
until the end of week until then the

175
00:08:06,490 --> 00:08:11,139
United States and Austria will try to

176
00:08:08,439 --> 00:08:12,560
pursue it grenada to withdraw its

177
00:08:11,139 --> 00:08:14,659
resolution draft

178
00:08:12,560 --> 00:08:16,939
and to accept a more general declaration

179
00:08:14,660 --> 00:08:19,910
which invites interested member states

180
00:08:16,939 --> 00:08:23,269
to become a member of a non UN Committee

181
00:08:19,910 --> 00:08:25,490
for the study of UFOs so you see even

182
00:08:23,269 --> 00:08:27,168
back then Germany did not have the

183
00:08:25,490 --> 00:08:30,850
slightest interest in supporting

184
00:08:27,168 --> 00:08:34,069
anything related to UFOs another

185
00:08:30,850 --> 00:08:38,210
interesting thing happened in 1993 you

186
00:08:34,070 --> 00:08:41,659
remember the Belgium UFO wave that was a

187
00:08:38,210 --> 00:08:45,860
very important development also on on a

188
00:08:41,658 --> 00:08:48,350
political level in the 1990s you had

189
00:08:45,860 --> 00:08:50,629
hundreds of people seeing triangular

190
00:08:48,350 --> 00:08:52,909
shaped craft over Belgium and as a

191
00:08:50,629 --> 00:08:55,879
consequence the member of the European

192
00:08:52,909 --> 00:08:59,088
Parliament a DoD Rupo tabled a motion

193
00:08:55,879 --> 00:09:02,419
for a resolution on the creation of a

194
00:08:59,089 --> 00:09:06,080
European Observatory for UFOs so he

195
00:09:02,419 --> 00:09:07,759
decided to drop a report and for his

196
00:09:06,080 --> 00:09:11,450
report to the Parliament to the European

197
00:09:07,759 --> 00:09:13,939
Parliament Professor Reggie contacted

198
00:09:11,450 --> 00:09:16,040
all air forces of the European community

199
00:09:13,940 --> 00:09:18,110
member states only France and Italy

200

00:09:16,039 --> 00:09:22,069
shared their findings with the official

201
00:09:18,110 --> 00:09:24,050
European community Reporter Spain

202
00:09:22,070 --> 00:09:26,240
refused to cooperate on the grounds to

203
00:09:24,049 --> 00:09:28,279
this data fell under the military secret

204
00:09:26,240 --> 00:09:30,500
and the Germans were even better they

205
00:09:28,279 --> 00:09:33,169
said the German Air Force said that it

206
00:09:30,500 --> 00:09:35,480
was not competent in this matter and it

207
00:09:33,169 --> 00:09:40,610
but it did not indicate which service

208
00:09:35,480 --> 00:09:43,159
was competent so so they didn't even say

209
00:09:40,610 --> 00:09:46,190
it's secret they say oh basically

210
00:09:43,159 --> 00:09:48,439
nothing and that's the official line in

211
00:09:46,190 --> 00:09:51,080
Germany here you see our former Minister

212
00:09:48,440 --> 00:09:53,780
of the Interior Wolfgang Schauble in

213
00:09:51,080 --> 00:09:56,240
2008 he stated an authority or

214
00:09:53,779 --> 00:09:58,730

institution at the federal level which

215

00:09:56,240 --> 00:10:00,680

record or evaluates alleged sightings of

216

00:09:58,730 --> 00:10:02,870

UFOs and projects such as those

217

00:10:00,679 --> 00:10:05,659

described by you are not known here

218

00:10:02,870 --> 00:10:07,459

which is an interesting way to say it

219

00:10:05,659 --> 00:10:08,149

because for him being the Minister of

220

00:10:07,458 --> 00:10:10,458

the Interior

221

00:10:08,149 --> 00:10:12,379

he should know whether there is

222

00:10:10,458 --> 00:10:14,838

something or not it's interesting he

223

00:10:12,379 --> 00:10:17,480

says are not known here he also had

224

00:10:14,839 --> 00:10:20,810

always been wondering what that actually

225

00:10:17,480 --> 00:10:22,940

means it's not that politicians in

226

00:10:20,809 --> 00:10:24,229

Germany are generally not interested in

227

00:10:22,940 --> 00:10:26,330

the subject

228

00:10:24,230 --> 00:10:28,279

from time to time you have members of

229
00:10:26,330 --> 00:10:30,290
the German Bundestag which is the German

230
00:10:28,279 --> 00:10:32,480
Federal Parliament ask interesting

231
00:10:30,289 --> 00:10:35,089
questions like this one from the Liberal

232
00:10:32,480 --> 00:10:37,220
Party in 2008 he asked how many

233
00:10:35,090 --> 00:10:39,019
sightings of so-called UFOs are

234
00:10:37,220 --> 00:10:41,740
extraterrestrials has the federal

235
00:10:39,019 --> 00:10:44,990
government registered since 2000 and

236
00:10:41,740 --> 00:10:46,669
does the federal government intend after

237
00:10:44,990 --> 00:10:48,889
the British and French governments have

238
00:10:46,669 --> 00:10:51,949
published their files on UFO sightings

239
00:10:48,889 --> 00:10:54,049
to also publish their files on sightings

240
00:10:51,950 --> 00:10:57,230
of UFOs and extraterrestrials in Germany

241
00:10:54,049 --> 00:11:00,469
and the answer of the German government

242
00:10:57,230 --> 00:11:02,450
is the government has no information on

243
00:11:00,470 --> 00:11:05,330
sightings of so-called UFOs or

244
00:11:02,450 --> 00:11:07,400
extraterrestrials in Germany and there

245
00:11:05,330 --> 00:11:09,050
are no accordingly there are no files on

246
00:11:07,399 --> 00:11:13,279
the UFO sightings that could be

247
00:11:09,049 --> 00:11:15,319
considered for publication and I mean

248
00:11:13,279 --> 00:11:16,819
just you know I see this in the contrast

249
00:11:15,320 --> 00:11:19,370
of what's happening here in the United

250
00:11:16,820 --> 00:11:21,500
Kingdom you know you have thousands of

251
00:11:19,370 --> 00:11:25,220
pages of government documents relating

252
00:11:21,500 --> 00:11:27,440
to UFOs another member of the German

253
00:11:25,220 --> 00:11:29,660
parliament from the Green Party here as

254
00:11:27,440 --> 00:11:31,100
in the same year what is the federal

255
00:11:29,659 --> 00:11:34,370
government's estimate of the probability

256
00:11:31,100 --> 00:11:36,529
of the existence of intelligent et life

257

00:11:34,370 --> 00:11:38,960
and what is the estimated probability

258
00:11:36,529 --> 00:11:41,839
that ETS will land on the territory of

259
00:11:38,960 --> 00:11:43,910
the Federal Republic of Germany and the

260
00:11:41,840 --> 00:11:45,830
government answered that they have no

261
00:11:43,909 --> 00:11:48,049
knowledge that would permit a reliable

262
00:11:45,830 --> 00:11:51,050
assessment of the probability of

263
00:11:48,049 --> 00:11:52,429
extraterrestrial life according to the

264
00:11:51,049 --> 00:11:54,889
current state of scientific knowledge

265
00:11:52,429 --> 00:11:56,959
the government considers a landing of

266
00:11:54,889 --> 00:12:01,639
aliens on the territory of the of

267
00:11:56,960 --> 00:12:03,560
Germany to be out of the question out of

268
00:12:01,639 --> 00:12:05,960
the question you know you see the

269
00:12:03,559 --> 00:12:08,959
Germans they have actually traveled all

270
00:12:05,960 --> 00:12:10,879
the space that's available to us and

271
00:12:08,960 --> 00:12:14,840

even unavailable to us they know that

272

00:12:10,879 --> 00:12:19,370

it's out of the question you know okay

273

00:12:14,840 --> 00:12:20,899

so in more or less the same year I you

274

00:12:19,370 --> 00:12:22,700

know I also started to do enquiries

275

00:12:20,899 --> 00:12:24,949

because that was for me it was really

276

00:12:22,700 --> 00:12:27,800

interesting to see and I just wanted to

277

00:12:24,950 --> 00:12:29,629

know how is it that in 21 countries

278

00:12:27,799 --> 00:12:32,929

around the world and I have compiled a

279

00:12:29,629 --> 00:12:35,029

whole list and all of that and Brazil

280

00:12:32,929 --> 00:12:36,908

you know Italy Spain all those countries

281

00:12:35,029 --> 00:12:39,918

I have all those files

282

00:12:36,908 --> 00:12:44,178

how is it that Germany is like this

283

00:12:39,918 --> 00:12:47,568

black hole in I mean you know I grew up

284

00:12:44,178 --> 00:12:51,528

in East Germany in Leipzig that was the

285

00:12:47,568 --> 00:12:53,718

former Soviet zone and we didn't have

286
00:12:51,528 --> 00:12:57,619
bananas in East Germany so there was a

287
00:12:53,719 --> 00:12:59,809
joke which said why are bananas curved

288
00:12:57,619 --> 00:13:03,889
because they had to make a turn around

289
00:12:59,808 --> 00:13:06,558
East Germany for 40 years and when it

290
00:13:03,889 --> 00:13:08,269
comes to UFOs it seems like it's more or

291
00:13:06,558 --> 00:13:10,788
less the same even though I don't know

292
00:13:08,269 --> 00:13:12,528
so many reports about curved UFOs but

293
00:13:10,788 --> 00:13:14,958
you know I just couldn't imagine that

294
00:13:12,528 --> 00:13:16,999
there are no files at all and that no

295
00:13:14,958 --> 00:13:18,228
government agencies interested in the

296
00:13:16,999 --> 00:13:21,949
subject so I started to do some

297
00:13:18,229 --> 00:13:24,049
inquiries and I asked the the former

298
00:13:21,948 --> 00:13:27,108
Minister of Defence Carl Teodor Scouten

299
00:13:24,048 --> 00:13:29,568
back about possibly existing UFO files

300
00:13:27,109 --> 00:13:31,699
and I received the the following answer

301
00:13:29,568 --> 00:13:34,128
throughout the existence of the

302
00:13:31,698 --> 00:13:36,048
Bundeswehr there has not been there has

303
00:13:34,129 --> 00:13:38,418
been no case in which an initially

304
00:13:36,048 --> 00:13:41,678
unidentified flying object was

305
00:13:38,418 --> 00:13:43,848
attributed to an extraterrestrial origin

306
00:13:41,678 --> 00:13:46,188
accordingly the Federal Ministry of

307
00:13:43,849 --> 00:13:49,369
Defense does not keep any records on the

308
00:13:46,188 --> 00:13:51,048
UFO phenomenon described by you what you

309
00:13:49,369 --> 00:13:53,408
what you need to know by the way is I

310
00:13:51,048 --> 00:13:55,369
never asked about UFOs related to

311
00:13:53,408 --> 00:13:57,369
extraterrestrial or anything you know I

312
00:13:55,369 --> 00:14:00,859
completely avoided the term

313
00:13:57,369 --> 00:14:02,989
extraterrestrial I really just asked

314

00:14:00,859 --> 00:14:05,989
about UFOs so this was a way for them to

315
00:14:02,989 --> 00:14:08,929
you know not having to answer my my

316
00:14:05,989 --> 00:14:11,479
question in other answers to members of

317
00:14:08,928 --> 00:14:13,818
the public the German military even went

318
00:14:11,479 --> 00:14:16,069
as far as to state categorically that

319
00:14:13,818 --> 00:14:18,738
since the foundation of the German

320
00:14:16,068 --> 00:14:21,649
Bundeswehr the German armed forces they

321
00:14:18,739 --> 00:14:23,599
never had anything unusual on their

322
00:14:21,649 --> 00:14:28,099
radar screens which they could not

323
00:14:23,599 --> 00:14:32,889
eventually identify which is weird

324
00:14:28,099 --> 00:14:32,889
because well the Swiss have

325
00:14:33,369 --> 00:14:39,410
the Swiss have registered unidentified

326
00:14:36,318 --> 00:14:43,878
radar returns over German territory with

327
00:14:39,409 --> 00:14:47,149
their Swiss radar stations like in this

328
00:14:43,879 --> 00:14:49,428

case on May on May 5th 1996 a night not

329

00:14:47,149 --> 00:14:51,499
or early warning radar station in

330

00:14:49,428 --> 00:14:53,778
Masterton that's near the the Swiss

331

00:14:51,499 --> 00:14:56,558
German border the Swiss German border is

332

00:14:53,778 --> 00:15:00,639
this Green Line here it's all of the

333

00:14:56,558 --> 00:15:04,368
burglary this is the Swiss German border

334

00:15:00,639 --> 00:15:06,859
this is the NATO early warning radar

335

00:15:04,369 --> 00:15:08,689
station and there is a no-fly zone here

336

00:15:06,859 --> 00:15:10,910
which is marked in red and there should

337

00:15:08,688 --> 00:15:13,759
be absolutely nothing in it and yet

338

00:15:10,909 --> 00:15:15,678
there are unidentified radar returns by

339

00:15:13,759 --> 00:15:19,489
the way another interesting radar plot

340

00:15:15,678 --> 00:15:22,399
is this one from June 18 1993 that was

341

00:15:19,489 --> 00:15:24,679
over Swiss territory and there was an

342

00:15:22,399 --> 00:15:28,789
unidentified object traveling with

343
00:15:24,678 --> 00:15:30,588
approximately 240 km/h please don't ask

344
00:15:28,789 --> 00:15:33,948
me how much that is miles now I don't

345
00:15:30,589 --> 00:15:35,989
know and why are the radar operators are

346
00:15:33,948 --> 00:15:39,409
trying to identify that object it

347
00:15:35,989 --> 00:15:42,589
suddenly accelerates and turns makes a

348
00:15:39,409 --> 00:15:48,649
sharp angle turn and shoots away at Mach

349
00:15:42,589 --> 00:15:53,239
4 so Mac for a right angle turn at Mach

350
00:15:48,649 --> 00:15:56,948
4 which is interesting because it seems

351
00:15:53,239 --> 00:15:59,809
that UFOs do not only not obey our

352
00:15:56,948 --> 00:16:01,628
flight regulations but not even our

353
00:15:59,808 --> 00:16:07,100
natural laws

354
00:16:01,629 --> 00:16:09,589
so all those radar plots by the way were

355
00:16:07,100 --> 00:16:12,019
first published by Alou Brandt from

356
00:16:09,589 --> 00:16:20,629
Ljubica the astrophysicist I mentioned

357
00:16:12,019 --> 00:16:23,720
before and yeah ok in 2009 I had the

358
00:16:20,629 --> 00:16:25,579
chance to get in touch with a member of

359
00:16:23,720 --> 00:16:28,369
the German Bundestag this is her

360
00:16:25,578 --> 00:16:29,568
actually during the interview I didn't

361
00:16:28,369 --> 00:16:30,339
do the interview myself it was a

362
00:16:29,568 --> 00:16:33,139
colleague of mine

363
00:16:30,339 --> 00:16:34,549
we presented her a briefing document

364
00:16:33,139 --> 00:16:36,798
that we had written for politicians and

365
00:16:34,548 --> 00:16:39,318
journalists which contains all these

366
00:16:36,798 --> 00:16:44,088
kinds of information valuable

367
00:16:39,318 --> 00:16:46,610
information on UFOs and we asked her how

368
00:16:44,089 --> 00:16:49,130
is it that this United Nations decisions

369
00:16:46,610 --> 00:16:52,490
3:46 was actually never implemented in

370
00:16:49,129 --> 00:16:55,970
germany so she was very kind she said

371

00:16:52,490 --> 00:16:59,329
well I have no idea but you know what I

372
00:16:55,970 --> 00:17:02,269
will ask the scientific service of the

373
00:16:59,328 --> 00:17:05,240
Bundestag to draft a report on that

374
00:17:02,269 --> 00:17:08,088
question why the UN decision 33:46 has

375
00:17:05,240 --> 00:17:10,250
never been implemented in Germany and I

376
00:17:08,088 --> 00:17:13,369
will also Commission the scientific

377
00:17:10,250 --> 00:17:17,269
service of the Bundestag to write a

378
00:17:13,369 --> 00:17:22,009
report about how UFOs are treated by

379
00:17:17,269 --> 00:17:26,298
European authorities and sure enough

380
00:17:22,009 --> 00:17:29,839
only a couple of weeks later I had a big

381
00:17:26,298 --> 00:17:33,139
envelope in my mailbox was very nice

382
00:17:29,839 --> 00:17:34,609
letter and she sent me those studies and

383
00:17:33,140 --> 00:17:36,230
those are the studies from the

384
00:17:34,609 --> 00:17:37,939
scientific service of the German

385
00:17:36,230 --> 00:17:39,950

Bundestag the search for

386

00:17:37,940 --> 00:17:43,730

extraterrestrial life and the adoption

387

00:17:39,950 --> 00:17:46,279

of UN resolution a33 four to six about

388

00:17:43,730 --> 00:17:48,950

the observation of unidentified flying

389

00:17:46,279 --> 00:17:50,990

objects and extraterrestrial life-forms

390

00:17:48,950 --> 00:17:52,730

and the other one about the European

391

00:17:50,990 --> 00:17:57,460

Union and how it deals with the subject

392

00:17:52,730 --> 00:17:59,360

of UFOs this study undertaken by the

393

00:17:57,460 --> 00:18:03,190

scientific service of the Bundestag

394

00:17:59,359 --> 00:18:06,250

could not be called scientific actually

395

00:18:03,190 --> 00:18:08,298

it doesn't contain anything valuable

396

00:18:06,250 --> 00:18:12,798

anything you

397

00:18:08,298 --> 00:18:16,759

they even quoted the United Nations

398

00:18:12,798 --> 00:18:18,440

decision from an EXO politics website so

399

00:18:16,759 --> 00:18:21,319

they don't even have a draw with the

400
00:18:18,440 --> 00:18:24,308
original text it was actually a bunch of

401
00:18:21,319 --> 00:18:26,629
a list of TV documentaries and some

402
00:18:24,308 --> 00:18:28,308
things you can read up on the internet

403
00:18:26,630 --> 00:18:31,040
but it contained an interesting

404
00:18:28,308 --> 00:18:32,599
statement which was the fact that both

405
00:18:31,039 --> 00:18:34,308
Great Britain and France had been

406
00:18:32,599 --> 00:18:36,980
dealing with questions about the

407
00:18:34,308 --> 00:18:39,500
existence of UFOs and ET la forms and

408
00:18:36,980 --> 00:18:41,960
have given up their secrecy to publish

409
00:18:39,500 --> 00:18:44,269
it even on the internet suggests the

410
00:18:41,960 --> 00:18:45,919
assumption that German authorities or

411
00:18:44,269 --> 00:18:49,369
ministries have been dealing with that

412
00:18:45,919 --> 00:18:51,860
question as well so that was new because

413
00:18:49,369 --> 00:18:54,469
the German government's position had

414
00:18:51,859 --> 00:18:56,359
always been that this is a non-existing

415
00:18:54,470 --> 00:18:58,970
subject that there's no interest there

416
00:18:56,359 --> 00:19:00,000
would be no interest and they also went

417
00:18:58,970 --> 00:19:02,910
on to say

418
00:19:00,000 --> 00:19:06,059
in addition when the United Nations

419
00:19:02,910 --> 00:19:07,950
resolution was adopted in 1978 there was

420
00:19:06,059 --> 00:19:10,769
still a very pronounced east-west

421
00:19:07,950 --> 00:19:12,840
conflict mentality at least from a

422
00:19:10,769 --> 00:19:14,940
military point of view there might have

423
00:19:12,839 --> 00:19:17,369
been a need at the time to investigate

424
00:19:14,940 --> 00:19:19,039
reports of phenomena or phenomena of

425
00:19:17,369 --> 00:19:23,279
UFOs

426
00:19:19,039 --> 00:19:25,379
so I reported on this it was very well

427
00:19:23,279 --> 00:19:29,609
received by the the German public and

428

00:19:25,380 --> 00:19:32,760
then one of the people who saw this he

429
00:19:29,609 --> 00:19:36,119
also wanted to see the document and he

430
00:19:32,759 --> 00:19:38,819
was refused access to this study

431
00:19:36,119 --> 00:19:42,209
undertaken by the Bundestag so he

432
00:19:38,819 --> 00:19:44,849
decided to sue the government and that

433
00:19:42,210 --> 00:19:48,539
was in 2011 that's bill this is Berlin

434
00:19:44,849 --> 00:19:50,730
citizen Frank Wright Amaya who wanted to

435
00:19:48,539 --> 00:19:54,210
see the study as well he filed an FOI a

436
00:19:50,730 --> 00:20:00,000
request which was denied he was denied

437
00:19:54,210 --> 00:20:02,759
access because the German foi a Freedom

438
00:20:00,000 --> 00:20:05,490
of Information Act was only set up in

439
00:20:02,759 --> 00:20:09,119
2006 so it's a very relatively new

440
00:20:05,490 --> 00:20:10,799
concept of law in in Germany and it

441
00:20:09,119 --> 00:20:12,179
would not be applicable to studies

442
00:20:10,799 --> 00:20:14,279

written by the Scientific Research

443

00:20:12,180 --> 00:20:16,920

Service of the Bundestag so he sued the

444

00:20:14,279 --> 00:20:19,139

German government and the First Instance

445

00:20:16,920 --> 00:20:21,779

Administrative Court in Berlin approved

446

00:20:19,140 --> 00:20:24,750

his crest request and ordered the

447

00:20:21,779 --> 00:20:28,769

Bundestag to release that study but the

448

00:20:24,750 --> 00:20:31,349

Bundestag lodged an appeal because they

449

00:20:28,769 --> 00:20:33,119

knew that what was at stake here was not

450

00:20:31,349 --> 00:20:35,909

the scientific what the scientific

451

00:20:33,119 --> 00:20:37,769

service knows about UFOs but whether all

452

00:20:35,910 --> 00:20:40,130

the studies ever undertaken by the

453

00:20:37,769 --> 00:20:43,889

scientific service in the name of

454

00:20:40,130 --> 00:20:45,900

members of the Bundestag should or

455

00:20:43,890 --> 00:20:51,690

should not be available to members of

456

00:20:45,900 --> 00:20:53,490

the public in 2012 we're still you know

457
00:20:51,690 --> 00:20:55,680
we're still trying to find out what does

458
00:20:53,490 --> 00:20:57,509
the German government know what is it

459
00:20:55,680 --> 00:21:01,080
is there an authority dealing with you

460
00:20:57,509 --> 00:21:03,240
of those if so which authority is there

461
00:21:01,079 --> 00:21:05,009
anything you know where where do you

462
00:21:03,240 --> 00:21:07,980
start if you want to find German UFO

463
00:21:05,009 --> 00:21:09,900
FILES so in 2012 a friend of mine who's

464
00:21:07,980 --> 00:21:12,558
the head who used to be the head of a

465
00:21:09,900 --> 00:21:14,120
German UFO Association started to

466
00:21:12,558 --> 00:21:16,700
write letters to all ministries of the

467
00:21:14,119 --> 00:21:20,298
interior of the German individual

468
00:21:16,700 --> 00:21:22,639
federal states and the ministry of the

469
00:21:20,298 --> 00:21:25,759
interior of North rhine-westphalia in

470
00:21:22,638 --> 00:21:27,288
the north and west of Germany confirmed

471
00:21:25,759 --> 00:21:29,839
that the police forwards

472
00:21:27,288 --> 00:21:32,480
I quote reports an unexplained aerial

473
00:21:29,839 --> 00:21:35,230
phenomena when they are related to a

474
00:21:32,480 --> 00:21:37,999
space security issues to a so-called

475
00:21:35,230 --> 00:21:39,139
national situation and command center

476
00:21:37,999 --> 00:21:41,538
for air safety

477
00:21:39,138 --> 00:21:42,949
that's another NATO combined Air

478
00:21:41,538 --> 00:21:44,868
Operations Center in North

479
00:21:42,950 --> 00:21:47,538
rhine-westphalia close to the Dutch

480
00:21:44,868 --> 00:21:49,519
border but the Ministry of Defence would

481
00:21:47,538 --> 00:21:51,528
not officially confirm that this

482
00:21:49,519 --> 00:21:55,490
situation and command center for air

483
00:21:51,528 --> 00:21:58,179
safety does in fact receive view of all

484
00:21:55,490 --> 00:22:01,669
reports from the police and I know that

485

00:21:58,179 --> 00:22:05,499
when this whole story broke back then in

486
00:22:01,669 --> 00:22:08,149
2011 you know I had a lot of calls from

487
00:22:05,499 --> 00:22:10,579
colleagues of mine working for the

488
00:22:08,148 --> 00:22:12,768
mainstream press and one of them was

489
00:22:10,579 --> 00:22:15,168
working for a very major news

490
00:22:12,769 --> 00:22:16,609
organization in Germany I can't reveal

491
00:22:15,169 --> 00:22:19,369
its name because it would get him into

492
00:22:16,609 --> 00:22:22,459
trouble but he said to me that he called

493
00:22:19,368 --> 00:22:26,269
the press officer of the Ministry of

494
00:22:22,460 --> 00:22:29,749
Defence and this press officer confirmed

495
00:22:26,269 --> 00:22:32,179
to him on the phone and that the

496
00:22:29,749 --> 00:22:35,450
national situation and command center

497
00:22:32,179 --> 00:22:38,028
for AC air safety does receive UFO

498
00:22:35,450 --> 00:22:41,330
reports from the police but whenever

499
00:22:38,028 --> 00:22:43,788

such a UFO report comes in to the center

500

00:22:41,329 --> 00:22:47,449

which is obliged to investigate whether

501

00:22:43,788 --> 00:22:50,480

there is an a threat to air safety they

502

00:22:47,450 --> 00:22:54,379

will immediately throw those reports

503

00:22:50,480 --> 00:22:58,548

into the bin which is completely logical

504

00:22:54,378 --> 00:23:01,959

for a military for a military center

505

00:22:58,548 --> 00:23:04,490

that is that was created to investigate

506

00:23:01,960 --> 00:23:07,460

possible potential threats to air safety

507

00:23:04,490 --> 00:23:08,808

right but this was not even officially

508

00:23:07,460 --> 00:23:12,649

you know he set it on the phone and he

509

00:23:08,808 --> 00:23:14,388

said it's only between us and of course

510

00:23:12,648 --> 00:23:16,998

I believe my colleague because we had

511

00:23:14,388 --> 00:23:19,248

worked together I had no reason to not

512

00:23:16,999 --> 00:23:21,618

to believe him another friend of mine

513

00:23:19,249 --> 00:23:24,900

who is the editor in chief of a Swiss

514
00:23:21,618 --> 00:23:27,179
print magazine mysteries magazine

515
00:23:24,900 --> 00:23:29,730
he continued that research and he

516
00:23:27,180 --> 00:23:34,289
started to do more inquiries to German

517
00:23:29,730 --> 00:23:37,680
authorities and in March 2012 he wrote a

518
00:23:34,289 --> 00:23:38,609
letter to the German police and off

519
00:23:37,680 --> 00:23:40,710
rhine westphalia

520
00:23:38,609 --> 00:23:43,829
and asked them about how they handled

521
00:23:40,710 --> 00:23:46,019
UFO reports and it was confirmed to him

522
00:23:43,829 --> 00:23:48,539
that when it's about accidents in

523
00:23:46,019 --> 00:23:50,400
airspace there is no report to that

524
00:23:48,539 --> 00:23:53,220
situation and command center for air

525
00:23:50,400 --> 00:23:55,290
safety but for all other things they

526
00:23:53,220 --> 00:23:57,360
will be contacted and the information

527
00:23:55,289 --> 00:24:01,409
will be forwarded to them so that was

528
00:23:57,359 --> 00:24:04,109
yet another confirmation now what is

529
00:24:01,410 --> 00:24:07,440
this national airspace situation and

530
00:24:04,109 --> 00:24:10,079
command center it is stationed in Edom

531
00:24:07,440 --> 00:24:12,539
on the lower Rhine it's almost 100

532
00:24:10,079 --> 00:24:14,339
military and civilian employees who have

533
00:24:12,539 --> 00:24:16,680
a complete overview of German and

534
00:24:14,339 --> 00:24:19,319
European airspace and they have a

535
00:24:16,680 --> 00:24:21,960
network of 45 air traffic control and

536
00:24:19,319 --> 00:24:25,349
Bundeswehr radar installations as well

537
00:24:21,960 --> 00:24:30,150
as data from our works early warning

538
00:24:25,349 --> 00:24:33,139
aircraft so they have everything under

539
00:24:30,150 --> 00:24:36,750
control so if there's anything unusual

540
00:24:33,140 --> 00:24:42,930
showing up on the radar in theory they

541
00:24:36,750 --> 00:24:44,640
should know in 2013 the higher

542

00:24:42,930 --> 00:24:48,210
administrative Court of berlin

543
00:24:44,640 --> 00:24:50,850
brandenburg revoked the decision to open

544
00:24:48,210 --> 00:24:54,660
up the Bundestag UFO the so called UFO

545
00:24:50,849 --> 00:24:57,569
file the Bundestag UFO study at this

546
00:24:54,660 --> 00:25:01,080
point the plaintiff Frank Wright Amaya

547
00:24:57,569 --> 00:25:03,419
he was really it was really depressed

548
00:25:01,079 --> 00:25:06,240
you know he really he really struggled

549
00:25:03,420 --> 00:25:10,050
to take a decision to lodge an appeal

550
00:25:06,240 --> 00:25:12,420
because for lack of funding basically it

551
00:25:10,049 --> 00:25:16,109
was him it was David against Goliath you

552
00:25:12,420 --> 00:25:17,730
know he had no money he was suing the

553
00:25:16,109 --> 00:25:20,159
German government the German government

554
00:25:17,730 --> 00:25:24,180
at that point had commissioned an

555
00:25:20,160 --> 00:25:28,350
international law firm to to represent

556
00:25:24,180 --> 00:25:32,400

them in court they had they had written

557

00:25:28,349 --> 00:25:34,649

and an expertise thing you know which

558

00:25:32,400 --> 00:25:36,300

must have cost ten thousand euros or

559

00:25:34,650 --> 00:25:38,970

something even more

560

00:25:36,299 --> 00:25:41,730

frank vitae Maya he didn't have anything

561

00:25:38,970 --> 00:25:45,329

so he was really you know he was not

562

00:25:41,730 --> 00:25:47,220

really decided to to continue this this

563

00:25:45,329 --> 00:25:48,990

lawsuit and I said hey come on we will

564

00:25:47,220 --> 00:25:51,950

somehow get the money let's do a

565

00:25:48,990 --> 00:25:54,539

crowdfunding and so I supported him I

566

00:25:51,950 --> 00:25:56,640

reported on this case I helped him put

567

00:25:54,539 --> 00:25:58,440

together a crowdfunding campaign so that

568

00:25:56,640 --> 00:26:01,800

the trial could continue and that he

569

00:25:58,440 --> 00:26:05,840

could appeal that decision again so they

570

00:26:01,799 --> 00:26:08,960

would go into the next higher instance

571
00:26:05,839 --> 00:26:14,189
in 2013 another interesting thing

572
00:26:08,960 --> 00:26:16,710
happened and have you heard of the Stasi

573
00:26:14,190 --> 00:26:20,690
do you know what the Stasi okay so

574
00:26:16,710 --> 00:26:20,690
that's the Eastern German secret service

575
00:26:21,049 --> 00:26:27,779
Stasi UFO files were discovered in 2013

576
00:26:25,009 --> 00:26:31,410
there is a German Authority that deals

577
00:26:27,779 --> 00:26:34,170
only with all the files pertaining to

578
00:26:31,410 --> 00:26:37,740
the former state security agency stats

579
00:26:34,170 --> 00:26:40,529
the shahi tour Stasi and they found some

580
00:26:37,740 --> 00:26:42,960
some of those documents I have them at

581
00:26:40,529 --> 00:26:46,319
home I must say they're not spectacular

582
00:26:42,960 --> 00:26:48,960
but at least it shows that in one

583
00:26:46,319 --> 00:26:50,939
instance five people's police officers

584
00:26:48,960 --> 00:26:51,690
from East Germany observed a UFO

585
00:26:50,940 --> 00:26:54,509
overhalla

586
00:26:51,690 --> 00:26:57,509
insects only inherit from different

587
00:26:54,509 --> 00:26:59,910
positions in 1985 and the object is said

588
00:26:57,509 --> 00:27:02,129
to have burst after a flight northwards

589
00:26:59,910 --> 00:27:04,890
behind a barracks of the Soviet armed

590
00:27:02,130 --> 00:27:07,710
forces this incident was immediately

591
00:27:04,890 --> 00:27:09,450
reported to Eric mica who was then the

592
00:27:07,710 --> 00:27:12,569
head of the ministry for state security

593
00:27:09,450 --> 00:27:16,380
and the head of the GDR foreign

594
00:27:12,569 --> 00:27:18,059
intelligence the records of the officer

595
00:27:16,380 --> 00:27:20,100
on duty show that the witness

596
00:27:18,059 --> 00:27:22,309
descriptions of the object differed from

597
00:27:20,099 --> 00:27:24,689
each other in addition in addition

598
00:27:22,309 --> 00:27:26,039
experts from the University of Halle

599

00:27:24,690 --> 00:27:28,920
which were concerned with the

600
00:27:26,039 --> 00:27:31,259
observation of the sky were also asked

601
00:27:28,920 --> 00:27:32,970
for clarification by the Stasi but they

602
00:27:31,259 --> 00:27:35,849
could not provide any new info any

603
00:27:32,970 --> 00:27:37,380
information to clarify it so there were

604
00:27:35,849 --> 00:27:39,449
no debris parts discovered from the

605
00:27:37,380 --> 00:27:41,430
object but there were newspaper

606
00:27:39,450 --> 00:27:43,289
clippings from the then Federal Republic

607
00:27:41,430 --> 00:27:45,180
of Germany about life Annamma

608
00:27:43,289 --> 00:27:46,690
phenomena at the time of their alleged

609
00:27:45,180 --> 00:27:48,340
sighting over hallo

610
00:27:46,690 --> 00:27:51,309
attached to the files of the State

611
00:27:48,339 --> 00:27:53,349
Security Security those files also

612
00:27:51,309 --> 00:27:56,769
revealed that the Stasi had little

613
00:27:53,349 --> 00:27:59,109

interest in UFOs instead of interpreting

614

00:27:56,769 --> 00:28:02,049
them in the context of possibly

615

00:27:59,109 --> 00:28:04,179
extraterrestrial origin of course the

616

00:28:02,049 --> 00:28:07,059
objects were rather regarded as secret

617

00:28:04,180 --> 00:28:11,730
weapons or clever attempts by the class

618

00:28:07,059 --> 00:28:14,710
enemy to deceive brave communists

619

00:28:11,730 --> 00:28:17,200
nevertheless the the Ministry of four

620

00:28:14,710 --> 00:28:19,720
state security was very interested in

621

00:28:17,200 --> 00:28:22,150
studies on parapsychology from

622

00:28:19,720 --> 00:28:23,079
neighboring states on the war of the

623

00:28:22,150 --> 00:28:25,930
Warsaw Pact

624

00:28:23,079 --> 00:28:28,629
so one of the Stasi files dealt with

625

00:28:25,930 --> 00:28:31,960
topics such as color vision with the

626

00:28:28,630 --> 00:28:34,090
skin dowsing and telepathy and an

627

00:28:31,960 --> 00:28:37,710
unnamed expert in a file from the early

628
00:28:34,089 --> 00:28:40,329
1970s and came to the conclusion that

629
00:28:37,710 --> 00:28:42,519
scientists of both world systems are

630
00:28:40,329 --> 00:28:46,449
currently seriously concerned with the

631
00:28:42,519 --> 00:28:49,299
research and release of forces in humans

632
00:28:46,450 --> 00:28:52,660
and that these could not be described as

633
00:28:49,299 --> 00:28:55,180
hocus-pocus and remember that early

634
00:28:52,660 --> 00:28:56,830
1970s that's around the time when the

635
00:28:55,180 --> 00:28:58,650
Stanford Research Institute in the

636
00:28:56,829 --> 00:29:01,960
United States started to investigate

637
00:28:58,650 --> 00:29:04,600
psychic capabilities of Uri Geller and

638
00:29:01,960 --> 00:29:07,569
when they started to develop this remote

639
00:29:04,599 --> 00:29:12,000
viewing thing so they were actually

640
00:29:07,569 --> 00:29:17,740
aware of that but we know nothing of

641
00:29:12,000 --> 00:29:20,160
what the Stasi knew about UFOs yet so

642
00:29:17,740 --> 00:29:22,059
just to remind you this is the German

643
00:29:20,160 --> 00:29:24,040
situation before the German

644
00:29:22,059 --> 00:29:26,679
reunification this is the inner German

645
00:29:24,039 --> 00:29:29,589
border this is this is Germany as we

646
00:29:26,680 --> 00:29:31,299
know it now this this was East Germany

647
00:29:29,589 --> 00:29:33,490
and this was West Germany and there's

648
00:29:31,299 --> 00:29:35,409
this inner German border which is like

649
00:29:33,490 --> 00:29:39,480
the frontline of the Cold War at that

650
00:29:35,410 --> 00:29:43,290
time so it would appear more or less

651
00:29:39,480 --> 00:29:46,470
logical that secret services or military

652
00:29:43,289 --> 00:29:49,359
would be interested in UFO sightings as

653
00:29:46,470 --> 00:29:51,759
the scientific service of the Bundestag

654
00:29:49,359 --> 00:29:54,250
had said because it could very well be

655
00:29:51,759 --> 00:29:59,980
spy drones from the political opponents

656

00:29:54,250 --> 00:30:00,549
and in fact it turned out in 2014 that

657
00:29:59,980 --> 00:30:09,160
also the

658
00:30:00,549 --> 00:30:11,710
B and D had UFO FILES from 1982 to 86

659
00:30:09,160 --> 00:30:16,269

660

661
00:30:16,269 --> 00:30:21,039
foreign Secret Service of Germany

662
00:30:18,359 --> 00:30:23,529
collected and analyzed witness reports

663
00:30:21,039 --> 00:30:27,099
on unidentified flying object along the

664
00:30:23,529 --> 00:30:29,440
inner German border and I made a TV

665
00:30:27,099 --> 00:30:31,809

666

files of the German federal intelligence

773
00:35:13,889 --> 00:35:19,079
service which is not the German military

774
00:35:16,590 --> 00:35:20,850
and as I just know that I don't know

775
00:35:19,079 --> 00:35:23,670
could you follow the the subtitles could

776
00:35:20,849 --> 00:35:26,670
you read them well okay good there were

777
00:35:23,670 --> 00:35:28,380
some UFO FILES from the B and D but we

778
00:35:26,670 --> 00:35:34,079
still didn't know what the German

779
00:35:28,380 --> 00:35:37,200
military had in June 2015 the Federal

780
00:35:34,079 --> 00:35:40,199
Administrative Court of Germany finally

781
00:35:37,199 --> 00:35:41,939
decides that studies undertaken by the

782
00:35:40,199 --> 00:35:42,719
scientific research service of the

783
00:35:41,940 --> 00:35:45,000
Bundestag

784
00:35:42,719 --> 00:35:47,699

are to be released and the German

785

00:35:45,000 --> 00:35:50,369

Freedom of Information Act so this does

786

00:35:47,699 --> 00:35:54,509

not only count for the now famous UFO

787

00:35:50,369 --> 00:35:56,730

so-called UFO study but for any like for

788

00:35:54,510 --> 00:35:59,180

all the studies ever undertaken by the

789

00:35:56,730 --> 00:36:01,289

scientific service of the Bundestag for

790

00:35:59,179 --> 00:36:03,239

members of the German parliament which

791

00:36:01,289 --> 00:36:06,449

is really important an important thing

792

00:36:03,239 --> 00:36:09,119

because you remember when the United

793

00:36:06,449 --> 00:36:11,489

States and I think it was Great Britain

794

00:36:09,119 --> 00:36:14,639

and France decided to conduct airstrikes

795

00:36:11,489 --> 00:36:17,699

on Syria a couple of months ago and they

796

00:36:14,639 --> 00:36:18,519

said well we couldn't do otherwise

797

00:36:17,699 --> 00:36:20,500

because

798

00:36:18,519 --> 00:36:23,530

the United Nations Security Council was

799

00:36:20,500 --> 00:36:27,190

was obviously occupied and and blocked

800

00:36:23,530 --> 00:36:29,320

so so the German Chancellor Merkel and

801

00:36:27,190 --> 00:36:32,380

other German politicians said we find it

802

00:36:29,320 --> 00:36:35,050

positive that those countries have have

803

00:36:32,380 --> 00:36:38,950

taken their responsibility to conduct

804

00:36:35,050 --> 00:36:40,450

those airstrikes and and the German

805

00:36:38,949 --> 00:36:42,399

scientific service of the German

806

00:36:40,449 --> 00:36:43,960

Bundestag actually contradicted and said

807

00:36:42,400 --> 00:36:47,680

no this is against international law

808

00:36:43,960 --> 00:36:50,260

period and this was a very important

809

00:36:47,679 --> 00:36:52,089

subject on the German news and we could

810

00:36:50,260 --> 00:36:56,070

not have this we wouldn't have this

811

00:36:52,090 --> 00:36:58,840

instance of I would say rational

812

00:36:56,070 --> 00:37:01,660

reasoning about what's going on in the

813
00:36:58,840 --> 00:37:04,120
world without this man Frank I Tamiya

814
00:37:01,659 --> 00:37:07,089
who helped to bring studies from the

815
00:37:04,119 --> 00:37:10,000
scientific service to the public so in a

816
00:37:07,090 --> 00:37:14,350
way we helped write legal history in

817
00:37:10,000 --> 00:37:16,349
Germany this is like those studies by

818
00:37:14,349 --> 00:37:19,509
the scientific service I like the

819
00:37:16,349 --> 00:37:21,670
eldorado for journalists but there may

820
00:37:19,510 --> 00:37:24,370
be the Pandora's Box for Germany's

821
00:37:21,670 --> 00:37:26,289
government and however we still don't

822
00:37:24,369 --> 00:37:28,900
have any clue about what the German

823
00:37:26,289 --> 00:37:32,409
military may know about UFO was at that

824
00:37:28,900 --> 00:37:37,090
point and that's why in in August of

825
00:37:32,409 --> 00:37:39,129
2015 I made another approach and I knew

826
00:37:37,090 --> 00:37:41,140
that if I would write yet another letter

827

00:37:39,130 --> 00:37:43,840
to the Ministry of Defence I would

828
00:37:41,139 --> 00:37:47,199
receive more or less the same answer so

829
00:37:43,840 --> 00:37:50,920
I chose a way I did it in the most

830
00:37:47,199 --> 00:37:53,109
public way possible so I chose to go to

831
00:37:50,920 --> 00:37:54,940
a press conference by the Speaker of the

832
00:37:53,110 --> 00:37:58,570
German government and the speakers of

833
00:37:54,940 --> 00:38:00,280
the ministries and asked the speaker of

834
00:37:58,570 --> 00:38:03,120
the German government personally and

835
00:38:00,280 --> 00:38:03,120
this is what he said

836
00:38:06,818 --> 00:38:12,768

874
00:40:08,260 --> 00:40:12,340
do you think of that being British

875
00:40:10,269 --> 00:40:14,050
citizens knowing what the British

876
00:40:12,340 --> 00:40:16,269
Ministry of Defense is published

877
00:40:14,050 --> 00:40:19,120
throughout the decades and done well

878
00:40:16,269 --> 00:40:20,590
what's yeah I mean if you see this is

879
00:40:19,119 --> 00:40:22,630
the Speaker of the German Ministry of

880
00:40:20,590 --> 00:40:24,490
Defense did you notice all the people

881
00:40:22,630 --> 00:40:27,250
laughing in the room you know can you

882
00:40:24,489 --> 00:40:29,319
imagine the the the atmosphere therefore

883
00:40:27,250 --> 00:40:30,909
for me asking that question and having

884

00:40:29,320 --> 00:40:35,170
hundreds of people laughing at me was

885
00:40:30,909 --> 00:40:38,819
really weird so that that didn't bring

886
00:40:35,170 --> 00:40:41,789
any success but I had some publicity in

887
00:40:38,820 --> 00:40:45,220
2016 I noticed that Hillary Clinton

888
00:40:41,789 --> 00:40:48,489
started talking about UFOs during the

889
00:40:45,219 --> 00:40:50,319
United States electoral campaign she

890
00:40:48,489 --> 00:40:52,569
wasn't Jimmy Kimmel show she referred to

891
00:40:50,320 --> 00:40:54,070
it as UAP and stuff I had the impression

892
00:40:52,570 --> 00:40:56,320
that she didn't really know anything

893
00:40:54,070 --> 00:40:58,300
about UFOs at all and that she was not

894
00:40:56,320 --> 00:41:00,340
so interested in the subject but she was

895
00:40:58,300 --> 00:41:03,200
told by John Podesta go and talk about

896
00:41:00,340 --> 00:41:06,840
UFOs may bring us some though

897
00:41:03,199 --> 00:41:09,419
anyway I thought well we could try this

898
00:41:06,840 --> 00:41:11,250

in Germany too right I mean it would be

899

00:41:09,420 --> 00:41:13,710

highly unlikely that the German

900

00:41:11,250 --> 00:41:15,900

Chancellor Merkel first of all goes into

901

00:41:13,710 --> 00:41:19,349

a talk show on German television and

902

00:41:15,900 --> 00:41:21,690

secondly that she would start referring

903

00:41:19,349 --> 00:41:25,230

to UFOs by herself but I thought well I

904

00:41:21,690 --> 00:41:27,840

could try to ask candidates of all

905

00:41:25,230 --> 00:41:29,789

political parties who want to get

906

00:41:27,840 --> 00:41:31,380

elected again because after all as you

907

00:41:29,789 --> 00:41:35,880

will notice by the way the German

908

00:41:31,380 --> 00:41:39,180

Bundestag looks like a giant UFO even

909

00:41:35,880 --> 00:41:40,950

from the outside you know so so I

910

00:41:39,179 --> 00:41:43,169

decided to send out letters and emails

911

00:41:40,949 --> 00:41:46,099

to candidates of every political party

912

00:41:43,170 --> 00:41:51,539

before the German federal elections in

913
00:41:46,099 --> 00:41:53,690
2017 so during the campaigns I sent out

914
00:41:51,539 --> 00:41:56,429
those letters and I asked all those

915
00:41:53,690 --> 00:41:58,889
politicians the following questions will

916
00:41:56,429 --> 00:42:00,960
you after being elected to the Bundestag

917
00:41:58,889 --> 00:42:03,920
make sure that German authorities or

918
00:42:00,960 --> 00:42:07,099
ministries make their UFO FILES public

919
00:42:03,920 --> 00:42:09,690
that is the question that I asked to a

920
00:42:07,099 --> 00:42:12,509
couple of dozen politicians not all of

921
00:42:09,690 --> 00:42:14,880
them came back to me but some did this

922
00:42:12,510 --> 00:42:18,270
is the political spectrum in Germany so

923
00:42:14,880 --> 00:42:20,039
between left and right and I mean there

924
00:42:18,269 --> 00:42:21,360
are many ways to show the political

925
00:42:20,039 --> 00:42:24,690
spectrum but this is like the most

926
00:42:21,360 --> 00:42:28,410
common in in Germany so those are the

927

00:42:24,690 --> 00:42:30,030

the Socialists left left-wing party the

928

00:42:28,409 --> 00:42:31,679

Green Party which is important in

929

00:42:30,030 --> 00:42:35,040

Germany then you have the Social

930

00:42:31,679 --> 00:42:37,139

Democratic Party you have the Christian

931

00:42:35,039 --> 00:42:39,989

Democratic Union and Christian social

932

00:42:37,139 --> 00:42:42,179

Union which always show up together this

933

00:42:39,989 --> 00:42:46,139

is where Angela Merkel comes from those

934

00:42:42,179 --> 00:42:48,480

are the Liberals FDP and this is the

935

00:42:46,139 --> 00:42:49,829

relatively new party alternative for

936

00:42:48,480 --> 00:42:56,070

Germany I don't know if you've heard of

937

00:42:49,829 --> 00:42:58,829

it there's more rights oriented so I

938

00:42:56,070 --> 00:43:00,990

asked politicians of all those political

939

00:42:58,829 --> 00:43:03,360

parties what they think on UFO FILES and

940

00:43:00,989 --> 00:43:05,279

here are some statements from members of

941

00:43:03,360 --> 00:43:09,809
the government of the then government

942
00:43:05,280 --> 00:43:12,300
coalition between SPD and CDU which is

943
00:43:09,809 --> 00:43:14,549
the same coalition that we have now so

944
00:43:12,300 --> 00:43:15,869
claim and spinning on this one from the

945
00:43:14,550 --> 00:43:18,269
Christian Democratic Union

946
00:43:15,869 --> 00:43:21,088
said I have no knowledge of UFO

947
00:43:18,268 --> 00:43:22,768
sightings and in this context I also

948
00:43:21,088 --> 00:43:24,690
refer to your conversation with

949
00:43:22,768 --> 00:43:26,248
government spokesman Stephane zai but

950
00:43:24,690 --> 00:43:29,190
and a spokesman of the Federal Ministry

951
00:43:26,248 --> 00:43:31,949
of Defense in september 2015 at the

952
00:43:29,190 --> 00:43:33,809
federal press conference the two

953
00:43:31,949 --> 00:43:36,509
spokespersons had no knowledge of any

954
00:43:33,809 --> 00:43:38,548
such events so he watched my video or

955
00:43:36,509 --> 00:43:40,798

they had some record on it

956

00:43:38,548 --> 00:43:44,309

Thomas Opperman an important politician

957

00:43:40,798 --> 00:43:45,929

from the SPD said I can only underline

958

00:43:44,309 --> 00:43:48,359

what my colleague Clement spinning

959

00:43:45,929 --> 00:43:52,078

already told you I know nothing on UFOs

960

00:43:48,358 --> 00:43:53,578

who bear too high an SPD said I can only

961

00:43:52,079 --> 00:43:58,079

underline what my colleague Thomas

962

00:43:53,579 --> 00:44:02,759

Oberman already told heroes there are

963

00:43:58,079 --> 00:44:06,450

completely the same emails you know then

964

00:44:02,759 --> 00:44:09,179

I was electrified by a statement from

965

00:44:06,449 --> 00:44:11,879

the head of the Green Party

966

00:44:09,179 --> 00:44:14,399

she said the secret documents on

967

00:44:11,880 --> 00:44:16,890

unidentified flying objects must be made

968

00:44:14,400 --> 00:44:18,740

public I said great but then I read on

969

00:44:16,889 --> 00:44:20,639

she said

970
00:44:18,739 --> 00:44:23,848
unfortunately however these are only

971
00:44:20,639 --> 00:44:25,739
available in Klingon and partly blacked

972
00:44:23,849 --> 00:44:27,329
out if you are familiar with this

973
00:44:25,739 --> 00:44:34,519
language or know someone who is please

974
00:44:27,329 --> 00:44:34,519
contact the BND so so you know

975
00:44:34,579 --> 00:44:39,690
then I had another interesting reaction

976
00:44:37,498 --> 00:44:43,139
do you know this guy Martin Schultz he

977
00:44:39,690 --> 00:44:45,599
was Merkel's main rival main opponent

978
00:44:43,139 --> 00:44:47,219
during the vast federal elections he

979
00:44:45,599 --> 00:44:49,950
also used to be the president of the

980
00:44:47,219 --> 00:44:54,748
European Parliament from 2012 to 2017

981
00:44:49,949 --> 00:44:58,078
and in August 2017 I had a chance to ask

982
00:44:54,748 --> 00:45:00,238
Angela Merkel's main opponent Martin

983
00:44:58,079 --> 00:45:02,880
Schultz personally whether he would open

984
00:45:00,239 --> 00:45:05,309
UFO FILES so keep in mind this is her

985
00:45:02,880 --> 00:45:08,519
main opponent at that time and he gave a

986
00:45:05,309 --> 00:45:11,970
very interesting answer and the vital of

1025
00:47:11,360 --> 00:47:16,400
so that was for German for German

1026
00:47:14,750 --> 00:47:20,570
circumstances this was sort of a

1027
00:47:16,400 --> 00:47:23,269
revolutionary statement as you see so

1028
00:47:20,570 --> 00:47:24,890
that was interesting and when he said

1029
00:47:23,269 --> 00:47:26,929
that there was some interest on the

1030
00:47:24,889 --> 00:47:28,369
German media people said Martin Schultz

1031
00:47:26,929 --> 00:47:31,789
wants to open UFO FILES

1032
00:47:28,369 --> 00:47:33,799
and my local newspaper came up to me

1033
00:47:31,789 --> 00:47:36,920
wanted to interview me and they showed a

1034
00:47:33,800 --> 00:47:38,600
photo with some government documents

1035
00:47:36,920 --> 00:47:42,230
from Great Britain by the way showing

1036
00:47:38,599 --> 00:47:44,779
UFO and and said and I thought now they

1037
00:47:42,230 --> 00:47:46,869
would start to report seriously on the

1038
00:47:44,780 --> 00:47:50,690
subject and that there may very well be

1039
00:47:46,869 --> 00:47:52,429
secret German UFO FILES but the article

1040
00:47:50,690 --> 00:47:54,679
was basically about look at this nutty

1041
00:47:52,429 --> 00:47:57,619
guy quoted with what he dared to ask our

1042
00:47:54,679 --> 00:48:01,750
chancellor candidate here but sure

1043
00:47:57,619 --> 00:48:04,250
enough only a day or two days after

1044
00:48:01,750 --> 00:48:06,619
Martin Schultz a statement I received a

1045
00:48:04,250 --> 00:48:09,070
reply from the office of angular Merkel

1046
00:48:06,619 --> 00:48:12,199
directly from the chancellor's office I

1047
00:48:09,070 --> 00:48:15,170
had also asked her about German UFO

1048
00:48:12,199 --> 00:48:17,000
FILES and her answer was the space

1049
00:48:15,170 --> 00:48:19,369
operations center of the German military

1050
00:48:17,000 --> 00:48:21,889
of the German Bundeswehr is tasked with

1051
00:48:19,369 --> 00:48:23,779
monitoring all near-earth objects and

1052
00:48:21,889 --> 00:48:26,089
since its beginnings there has not been

1053
00:48:23,780 --> 00:48:28,400
any data collection related to unknown

1054
00:48:26,090 --> 00:48:33,050
flying objects therefore there is no

1055

00:48:28,400 --> 00:48:34,670
material to be published and the Space

1056
00:48:33,050 --> 00:48:37,400
Operations Center you need to know about

1057
00:48:34,670 --> 00:48:41,000
this is it's also located at the same

1058
00:48:37,400 --> 00:48:43,760
place where this national situation and

1059
00:48:41,000 --> 00:48:46,010
command center for air safety is located

1060
00:48:43,760 --> 00:48:51,950
it's the same facility but another

1061
00:48:46,010 --> 00:48:53,390
branch and so I insisted and I said now

1062
00:48:51,949 --> 00:48:55,939
I have the email address from someone

1063
00:48:53,389 --> 00:48:58,309
inside the chancellor's office so I can

1064
00:48:55,940 --> 00:49:00,559
I can ask questions and I said look I

1065
00:48:58,309 --> 00:49:04,219
have all this all those documents

1066
00:49:00,559 --> 00:49:05,719
pointing to the NLF t'set this situation

1067
00:49:04,219 --> 00:49:07,639
room for air safety what if what about

1068
00:49:05,719 --> 00:49:09,049
this of course the space operations

1069
00:49:07,639 --> 00:49:10,670

center doesn't deal with anything in the

1070

00:49:09,050 --> 00:49:12,380

atmosphere it's about the space but what

1071

00:49:10,670 --> 00:49:15,079

about this they are concerned with air

1072

00:49:12,380 --> 00:49:17,630

safety have you looked there and they

1073

00:49:15,079 --> 00:49:19,190

said there are no documents on the

1074

00:49:17,630 --> 00:49:21,740

subject you have requested from the

1075

00:49:19,190 --> 00:49:24,500

National situation and command center

1076

00:49:21,739 --> 00:49:25,279

for air safety and and they made sure

1077

00:49:24,500 --> 00:49:26,929

please

1078

00:49:25,280 --> 00:49:28,490

understand there will only be no further

1079

00:49:26,929 --> 00:49:32,960

correspondence with you on the same

1080

00:49:28,489 --> 00:49:36,259

subject in the future but I dared to

1081

00:49:32,960 --> 00:49:40,579

reply and say thank you

1082

00:49:36,260 --> 00:49:43,400

I mean I could talk a little more about

1083

00:49:40,579 --> 00:49:45,199

this because in fact I had also made

1084
00:49:43,400 --> 00:49:48,970
some inquiries to the press office of

1085
00:49:45,199 --> 00:49:52,069
the German military and asked them what

1086
00:49:48,969 --> 00:49:55,849
what is the administrative process in

1087
00:49:52,070 --> 00:49:58,240
the event that there was something

1088
00:49:55,849 --> 00:50:00,380
unusual on this in the sky some

1089
00:49:58,239 --> 00:50:02,389
unexplained phenomenon in the sky that's

1090
00:50:00,380 --> 00:50:05,450
how I called it because I knew that the

1091
00:50:02,389 --> 00:50:08,089
German fo ia would only relate to

1092
00:50:05,449 --> 00:50:10,819
administrative things not to the actual

1093
00:50:08,090 --> 00:50:12,650
content itself for security reasons and

1094
00:50:10,820 --> 00:50:15,230
all this so I said what are the

1095
00:50:12,650 --> 00:50:18,530
administrative procedures in that case

1096
00:50:15,230 --> 00:50:20,179
if something unexplained is is reduced

1097
00:50:18,530 --> 00:50:23,150
it in the sky and the German Bundeswehr

1098
00:50:20,179 --> 00:50:24,980
replied well in that case we do some

1099
00:50:23,150 --> 00:50:27,170
investigation whether it could be space

1100
00:50:24,980 --> 00:50:29,510
debris and we even consult with a

1101
00:50:27,170 --> 00:50:32,300
professor from a German University and

1102
00:50:29,510 --> 00:50:34,880
all of this and when I asked the same

1103
00:50:32,300 --> 00:50:38,410
question to the Ministry of Defence as

1104
00:50:34,880 --> 00:50:40,789
an Freedom of Information request I

1105
00:50:38,409 --> 00:50:42,409
received the answer well there's no

1106
00:50:40,789 --> 00:50:46,130
information at all we can give you about

1107
00:50:42,409 --> 00:50:49,670
this so you see that I'm being staying

1108
00:50:46,130 --> 00:50:52,280
mated in a way you know anyway so the

1109
00:50:49,670 --> 00:50:54,139
question remains are there really no UFO

1110
00:50:52,280 --> 00:50:55,760
encounters from the German military how

1111
00:50:54,139 --> 00:50:59,809
is it possible that the German military

1112

00:50:55,760 --> 00:51:01,840
doesn't deal with UFOs unlike as opposed

1113
00:50:59,809 --> 00:51:08,029
to more than 20 countries in the world

1114
00:51:01,840 --> 00:51:10,010
how is that possible and I just couldn't

1115
00:51:08,030 --> 00:51:12,320
understand how that would be possible if

1116
00:51:10,010 --> 00:51:13,760
that's possible and then I met and it

1117
00:51:12,320 --> 00:51:17,269
was just recently I met a very

1118
00:51:13,760 --> 00:51:20,680
interesting man and that man is a

1119
00:51:17,269 --> 00:51:23,300
retired general from the German military

1120
00:51:20,679 --> 00:51:26,329
he was in the audience during one of my

1121
00:51:23,300 --> 00:51:28,310
lectures a couple of months ago and

1122
00:51:26,329 --> 00:51:30,230
afterwards he came to me and he said

1123
00:51:28,309 --> 00:51:32,719
it's very interesting all those 20

1124
00:51:30,230 --> 00:51:34,610
countries and scissors but there's also

1125
00:51:32,719 --> 00:51:37,099
something interesting I want to tell you

1126
00:51:34,610 --> 00:51:39,260

to add to your picture and oh and by the

1127

00:51:37,099 --> 00:51:41,509

way I had my own UFO encounter and I

1128

00:51:39,260 --> 00:51:46,430

said what what what's your UFO encounter

1129

00:51:41,510 --> 00:51:48,260

tell me so he said and he's he's

1130

00:51:46,429 --> 00:51:49,719

actually he's a medical doctor in the

1131

00:51:48,260 --> 00:51:53,980

rank of a general so

1132

00:51:49,719 --> 00:51:55,868

he was he had worked in the highest in

1133

00:51:53,980 --> 00:51:57,880

high government ranks for 14 years

1134

00:51:55,869 --> 00:52:01,470

including the German Ministry of Defence

1135

00:51:57,880 --> 00:52:06,220

and shaped NATO headquarters in Belgium

1136

00:52:01,469 --> 00:52:11,019

so on the evening of December 5 1982

1137

00:52:06,219 --> 00:52:13,389

this retired general was called he was

1138

00:52:11,019 --> 00:52:15,159

not General back then I assumed he was

1139

00:52:13,389 --> 00:52:16,598

called on a rescue mission to save an

1140

00:52:15,159 --> 00:52:19,179

old man who had suffered a cardiac

1141
00:52:16,599 --> 00:52:21,609
arrest since there were no medical

1142
00:52:19,179 --> 00:52:23,919
emergencies emergency helicopters

1143
00:52:21,608 --> 00:52:25,690
available in that region the military

1144
00:52:23,920 --> 00:52:28,420
was called in to assist with their

1145
00:52:25,690 --> 00:52:30,429
search and rescue helicopter it took him

1146
00:52:28,420 --> 00:52:32,769
quite some time to resuscitate that old

1147
00:52:30,429 --> 00:52:36,219
man and they flew him to a hospital in

1148
00:52:32,769 --> 00:52:38,650
cellar and when they arrived there he

1149
00:52:36,219 --> 00:52:40,779
the old man had another cardiac arrest

1150
00:52:38,650 --> 00:52:43,510
and the medic started running down the

1151
00:52:40,780 --> 00:52:46,090
hallway a nurse saw the farmer general

1152
00:52:43,510 --> 00:52:48,340
and his and the other crew who were

1153
00:52:46,090 --> 00:52:50,380
still exhausted from having resuscitated

1154
00:52:48,340 --> 00:52:52,599
that man and from the flight and offered

1155
00:52:50,380 --> 00:52:54,460
them the helicopter crew or coffee

1156
00:52:52,599 --> 00:52:58,809
before they were to return to their base

1157
00:52:54,460 --> 00:53:01,179
in Fastback in lower saxony between

1158
00:52:58,809 --> 00:53:03,599
midnight and 1:00 a.m. on December 6

1159
00:53:01,179 --> 00:53:08,319
they climbed into their helicopter again

1160
00:53:03,599 --> 00:53:10,660
the weather that night was very bad low

1161
00:53:08,320 --> 00:53:12,390
clouds drizzling rain and their

1162
00:53:10,659 --> 00:53:15,819
helicopter was flying at a low altitude

1163
00:53:12,389 --> 00:53:18,400
around 50 meters above surface and

1164
00:53:15,820 --> 00:53:20,170
around only 20 meters above the treetops

1165
00:53:18,400 --> 00:53:26,740
so this is to give you an idea where

1166
00:53:20,170 --> 00:53:29,710
that is this red dot here is where he

1167
00:53:26,739 --> 00:53:33,250
was stationed and the the hospital was

1168
00:53:29,710 --> 00:53:36,338
around here cellar and to give you a

1169

00:53:33,250 --> 00:53:40,559
better idea this is the hospital in

1170
00:53:36,338 --> 00:53:46,500
cellar this is where he was stationed

1171
00:53:40,559 --> 00:53:49,239
and this is the area where it happened

1172
00:53:46,500 --> 00:53:51,159
so when they arrived in this area near

1173
00:53:49,239 --> 00:53:56,139
the small town of a shooter a shooter is

1174
00:53:51,159 --> 00:53:59,259
here they suddenly noticed some glowing

1175
00:53:56,139 --> 00:54:00,969
lights on the left-hand side and he said

1176
00:53:59,260 --> 00:54:03,369
we wondered

1177
00:54:00,969 --> 00:54:06,129
why is it glowing in the clouds it was a

1178
00:54:03,369 --> 00:54:08,230
very bright light comparable to that of

1179
00:54:06,130 --> 00:54:10,059
a spotlight but it he said it had a

1180
00:54:08,230 --> 00:54:13,059
different quality it didn't hurt to the

1181
00:54:10,059 --> 00:54:16,329
eye and he described it as very bright

1182
00:54:13,059 --> 00:54:19,090
gritty whitish light and it was

1183
00:54:16,329 --> 00:54:21,670

continuously flowing like from a spring

1184

00:54:19,090 --> 00:54:23,800

he said it was it's difficult for me to

1185

00:54:21,670 --> 00:54:27,700

imagine it was continuously flowing

1186

00:54:23,800 --> 00:54:29,410

light and it flew alongside them the

1187

00:54:27,699 --> 00:54:32,469

distance he said was difficult to

1188

00:54:29,409 --> 00:54:36,269

ascertain he estimated it around 100

1189

00:54:32,469 --> 00:54:39,459

metres they were flying at around 160

1190

00:54:36,269 --> 00:54:42,070

km/h the pilot said to the on-board

1191

00:54:39,460 --> 00:54:44,470

mechanic guy who is flying there at this

1192

00:54:42,070 --> 00:54:47,410

weather and they were wondering if this

1193

00:54:44,469 --> 00:54:49,149

was some secret aircraft they decided to

1194

00:54:47,409 --> 00:54:52,059

call the Tower of a nearby airfield

1195

00:54:49,150 --> 00:54:54,309

Langan hagen to check whether they had

1196

00:54:52,059 --> 00:54:55,929

traffic but the controller and said they

1197

00:54:54,309 --> 00:54:59,440

only had their helicopter on their

1198
00:54:55,929 --> 00:55:01,239
screen and nothing else the strange

1199
00:54:59,440 --> 00:55:04,329
light accompanied the helicopter from

1200
00:55:01,239 --> 00:55:05,618
about 1 to 2 minutes that's what is this

1201
00:55:04,329 --> 00:55:07,210
is the helicopter this is the strange

1202
00:55:05,619 --> 00:55:11,349
light when it was initially in the in

1203
00:55:07,210 --> 00:55:12,820
the clouds and then it came yeah to be

1204
00:55:11,349 --> 00:55:17,380
heard from behind the clouds it was

1205
00:55:12,820 --> 00:55:19,180
visible then suddenly it made a sharp

1206
00:55:17,380 --> 00:55:23,170
right angle turn towards the helicopter

1207
00:55:19,179 --> 00:55:25,539
and they were all shocked the pilot tore

1208
00:55:23,170 --> 00:55:28,180
the helicopters hard sharply down right

1209
00:55:25,539 --> 00:55:29,769
in order to avoid collision and when the

1210
00:55:28,179 --> 00:55:32,618
light had approached the helicopter at

1211
00:55:29,769 --> 00:55:35,440
about 10 meters the general heard a

1212
00:55:32,619 --> 00:55:37,510
static radio noise on his headset the

1213
00:55:35,440 --> 00:55:39,970
on-board mechanic screamed watch out

1214
00:55:37,510 --> 00:55:41,920
you're getting into the trees then the

1215
00:55:39,969 --> 00:55:44,199
object changed its direction very

1216
00:55:41,920 --> 00:55:46,539
rapidly and shot upwards in the air

1217
00:55:44,199 --> 00:55:47,199
where it disappeared in another glowing

1218
00:55:46,539 --> 00:55:50,259
cloud

1219
00:55:47,199 --> 00:55:53,079
fortunately the helicopter came to rest

1220
00:55:50,260 --> 00:55:55,630
above a small lake in the forest because

1221
00:55:53,079 --> 00:55:58,029
this was all forest and the pilot

1222
00:55:55,630 --> 00:55:59,619
managed to stabilize the aircraft they

1223
00:55:58,030 --> 00:56:02,080
kept hovering there for a couple of

1224
00:55:59,619 --> 00:56:05,230
minutes to see if the light would return

1225
00:56:02,079 --> 00:56:07,659
and to sort of recover from what it just

1226

00:56:05,230 --> 00:56:10,059
happened and they also contacted the

1227
00:56:07,659 --> 00:56:11,710
airfield Langan Hagen again to verify if

1228
00:56:10,059 --> 00:56:13,730
there was really no other traffic in the

1229
00:56:11,710 --> 00:56:16,280
area but the controller insists

1230
00:56:13,730 --> 00:56:18,050
that that they were alone and he added

1231
00:56:16,280 --> 00:56:20,690
but we just saw you flying a strange

1232
00:56:18,050 --> 00:56:22,430
maneuver everything okay and after a

1233
00:56:20,690 --> 00:56:25,220
while they continued their flight back

1234
00:56:22,429 --> 00:56:27,379
too fast back and the weather was so bad

1235
00:56:25,219 --> 00:56:30,079
they had to open the door for landing

1236
00:56:27,380 --> 00:56:32,869
the light he said demonstrated such an

1237
00:56:30,079 --> 00:56:35,869
incredible maneuverability way beyond

1238
00:56:32,869 --> 00:56:38,150
anything he had seen before mass inertia

1239
00:56:35,869 --> 00:56:40,850
law didn't seem to apply to it which is

1240
00:56:38,150 --> 00:56:43,099

why he is not sure if it was a solid

1241

00:56:40,849 --> 00:56:45,049
object at all there were no physical

1242

00:56:43,099 --> 00:56:47,868
interferences with the helicopter

1243

00:56:45,050 --> 00:56:50,119
besides of that static noise on the

1244

00:56:47,869 --> 00:56:51,619
radio on the headset and after the

1245

00:56:50,119 --> 00:56:53,300
landing the four men talked about the

1246

00:56:51,619 --> 00:56:56,930
incident and decided they would not

1247

00:56:53,300 --> 00:56:59,720
report it for fear of losing their good

1248

00:56:56,929 --> 00:57:01,368
reputations and flight license he kept

1249

00:56:59,719 --> 00:57:04,730
this incident for himself for many

1250

00:57:01,369 --> 00:57:06,880
decades until in 2012 he read the cometa

1251

00:57:04,730 --> 00:57:10,550
report and he saw that there is a

1252

00:57:06,880 --> 00:57:12,980
similar similar reports from other

1253

00:57:10,550 --> 00:57:16,820
pilots so that is when he decided to go

1254

00:57:12,980 --> 00:57:18,469
public about his sighting and I said but

1255
00:57:16,820 --> 00:57:21,230
anonymously and I said wow that's

1256
00:57:18,469 --> 00:57:23,509
interesting so so there are UFO cases

1257
00:57:21,230 --> 00:57:27,289
with German military involvement but how

1258
00:57:23,510 --> 00:57:32,270
come there is no official interest in

1259
00:57:27,289 --> 00:57:34,130
the subject and he goes and this is just

1260
00:57:32,269 --> 00:57:36,079
to remind you of the the situation

1261
00:57:34,130 --> 00:57:37,730
during the Cold War those are the

1262
00:57:36,079 --> 00:57:39,469
occupation zones those were the British

1263
00:57:37,730 --> 00:57:41,630
of course they had the biggest slice and

1264
00:57:39,469 --> 00:57:44,449
one of the biggest this is the French

1265
00:57:41,630 --> 00:57:46,519
and the American sector and this is the

1266
00:57:44,449 --> 00:57:48,529
Soviet zone and he said you need to

1267
00:57:46,519 --> 00:57:52,579
understand the Germany it was an

1268
00:57:48,530 --> 00:57:54,290
occupied country Inlet and and after

1269
00:57:52,579 --> 00:57:57,170
World War two Germany was not a

1270
00:57:54,289 --> 00:57:59,210
sovereign state until 1990 he said it

1271
00:57:57,170 --> 00:58:00,950
may very well be the case that German

1272
00:57:59,210 --> 00:58:02,929
authorities are the exception to the

1273
00:58:00,949 --> 00:58:06,829
rule that they are not dealing with UFOs

1274
00:58:02,929 --> 00:58:09,799
because the air supremacy was divided

1275
00:58:06,829 --> 00:58:12,380
among the Allied powers Britain France

1276
00:58:09,800 --> 00:58:14,920
Americans the Soviets and I think the

1277
00:58:12,380 --> 00:58:20,000
net that the Dutch were also involved

1278
00:58:14,920 --> 00:58:22,159
and this situation he said led German

1279
00:58:20,000 --> 00:58:24,170
authorities to become some sort of

1280
00:58:22,159 --> 00:58:26,289
resigned and afraid to take

1281
00:58:24,170 --> 00:58:29,849
responsibility over their own net

1282
00:58:26,289 --> 00:58:34,509
and he said over the years this

1283

00:58:29,849 --> 00:58:37,858
resignation and this fear of you know

1284
00:58:34,510 --> 00:58:40,359
taking responsibility has become sort of

1285
00:58:37,858 --> 00:58:42,819
institutionalized and whenever there was

1286
00:58:40,358 --> 00:58:45,340
something bizarre the Germans were happy

1287
00:58:42,820 --> 00:58:47,530
to leave it to the Allied powers mainly

1288
00:58:45,340 --> 00:58:50,380
the United States United Kingdom and

1289
00:58:47,530 --> 00:58:53,590
France so he was kind of suggesting that

1290
00:58:50,380 --> 00:58:55,809
whenever it came to a UFO sighting the

1291
00:58:53,590 --> 00:58:58,630
German authorities were actually very

1292
00:58:55,809 --> 00:59:01,000
happy to keep it to the Americans or any

1293
00:58:58,630 --> 00:59:04,390
other Allied power to investigate and

1294
00:59:01,000 --> 00:59:08,380
that may very well be the explanation

1295
00:59:04,389 --> 00:59:11,379
why German authorities are not have not

1296
00:59:08,380 --> 00:59:15,070
been dealing with this issue and there

1297
00:59:11,380 --> 00:59:16,869

is even a case in from German UFO

1298

00:59:15,070 --> 00:59:20,410
history which shows that this may

1299

00:59:16,869 --> 00:59:24,450
actually be true so this is the German

1300

00:59:20,409 --> 00:59:29,319
map again and the following case

1301

00:59:24,449 --> 00:59:33,129
happened here this is I would say in the

1302

00:59:29,320 --> 00:59:36,369
middle of nowhere Pampa between des

1303

00:59:33,130 --> 00:59:40,410
poids and Peter's Hagen and it happened

1304

00:59:36,369 --> 00:59:44,619
on August 13 1976 it was a UFO encounter

1305

00:59:40,409 --> 00:59:46,960
with pilot of a piper arrow pa-28

1306

00:59:44,619 --> 00:59:51,700
aircraft I can now say his name his name

1307

00:59:46,960 --> 00:59:53,920
is this each dating he was this a long

1308

00:59:51,699 --> 00:59:57,309
time ago he was a member of a MUFON

1309

00:59:53,920 --> 01:00:02,800
association afterwards the pilot of that

1310

00:59:57,309 --> 01:00:04,599
Piper arrow aircraft was flying at 3,500

1311

01:00:02,800 --> 01:00:06,640
feet when he noticed a strange light

1312
01:00:04,599 --> 01:00:08,589
approaching it from the Northeast at 9

1313
01:00:06,639 --> 01:00:11,319
o'clock and after three to five minutes

1314
01:00:08,590 --> 01:00:13,809
the object came closer and took a fixed

1315
01:00:11,320 --> 01:00:15,789
position on the Piper's left wing the

1316
01:00:13,809 --> 01:00:18,519
object was oval-shaped and very bright

1317
01:00:15,789 --> 01:00:20,980
yellow in its center with an indistinct

1318
01:00:18,519 --> 01:00:24,090
flame orange boundary its diameter

1319
01:00:20,980 --> 01:00:27,329
subtended about 3.5 degrees of Arc

1320
01:00:24,090 --> 01:00:30,550
suddenly the piper went into too rapid

1321
01:00:27,329 --> 01:00:33,519
360 degree clockwise rolls from which

1322
01:00:30,550 --> 01:00:35,530
the pilot had to recover manually and he

1323
01:00:33,519 --> 01:00:37,239
discovered that he had dropped about 500

1324
01:00:35,530 --> 01:00:39,430
feet during the role and recovery

1325
01:00:37,239 --> 01:00:41,379
maneuver and when he next check

1326
01:00:39,429 --> 01:00:43,358
in checked his instrument panel he

1327
01:00:41,380 --> 01:00:45,700
discovered that his magnetic compass was

1328
01:00:43,358 --> 01:00:47,799
spinning in clockwise direction so fast

1329
01:00:45,699 --> 01:00:50,739
that he couldn't read the number in its

1330
01:00:47,800 --> 01:00:52,990
square in its window so looking outside

1331
01:00:50,739 --> 01:00:55,779
again he saw that the UFO was still

1332
01:00:52,989 --> 01:00:57,519
behind him and the pilot climbed back to

1333
01:00:55,780 --> 01:01:00,040
his cruise altitude and called on the

1334
01:00:57,519 --> 01:01:02,619
radio to flight control at Hannover

1335
01:01:00,039 --> 01:01:04,568
Airport to the east of his flight

1336
01:01:02,619 --> 01:01:06,670
position and the air traffic controller

1337
01:01:04,568 --> 01:01:09,670
told him that the radar showed both his

1338
01:01:06,670 --> 01:01:11,349
airplane and another object nearby the

1339
01:01:09,670 --> 01:01:13,869
controller said that an aircraft would

1340

01:01:11,349 --> 01:01:16,930
be sent to investigate little more than

1341
01:01:13,869 --> 01:01:19,269
four minutes later two US Air Force f4

1342
01:01:16,929 --> 01:01:22,539
phantom jets arrived on either side of

1343
01:01:19,269 --> 01:01:24,940
him traveling between 400 and 500 miles

1344
01:01:22,539 --> 01:01:26,980
per hour the jet on the right side was

1345
01:01:24,940 --> 01:01:28,030
slightly lower closer in the head of the

1346
01:01:26,980 --> 01:01:30,010
jet on the left

1347
01:01:28,030 --> 01:01:33,460
the pilot was certain that they were

1348
01:01:30,010 --> 01:01:35,950
American planes just as the Jets arrived

1349
01:01:33,460 --> 01:01:39,250
the UFO accelerated forward and then

1350
01:01:35,949 --> 01:01:42,519
upward at about a 30-degree angle above

1351
01:01:39,250 --> 01:01:45,099
the horizontal and turned right passing

1352
01:01:42,519 --> 01:01:48,130
in front of his aircraft it quickly

1353
01:01:45,099 --> 01:01:50,829
quickly outdistance its pursuers and was

1354
01:01:48,130 --> 01:01:52,780

out of sight in a matter of seconds the

1355

01:01:50,829 --> 01:01:56,318

compass eventually returned to normal

1356

01:01:52,780 --> 01:01:58,750

operation after the UFO had departed now

1357

01:01:56,318 --> 01:02:00,940

the interesting point is this is a

1358

01:01:58,750 --> 01:02:02,920

sketch of what he experienced done by

1359

01:02:00,940 --> 01:02:05,048

himself and first published in the

1360

01:02:02,920 --> 01:02:08,579

International UFO reporter I think in

1361

01:02:05,048 --> 01:02:12,670

2004 it was this encounter was

1362

01:02:08,579 --> 01:02:15,760

investigated by Richard Haines with the

1363

01:02:12,670 --> 01:02:17,108

help of a lubricant fondue trigger now

1364

01:02:15,760 --> 01:02:20,109

the interesting thing is what happened

1365

01:02:17,108 --> 01:02:22,328

after the landing within minutes of the

1366

01:02:20,108 --> 01:02:25,239

landing a military van without license

1367

01:02:22,329 --> 01:02:27,730

plates pulled up to his plane and five

1368

01:02:25,239 --> 01:02:30,399

men in business suits got out they would

1369
01:02:27,730 --> 01:02:32,289
not identify who they worked for he was

1370
01:02:30,400 --> 01:02:34,960
taken to an underground room on the

1371
01:02:32,289 --> 01:02:37,719
airport property where a man set behind

1372
01:02:34,960 --> 01:02:39,789
a desk two of the original men left the

1373
01:02:37,719 --> 01:02:42,159
room the others then began asking him

1374
01:02:39,789 --> 01:02:44,409
detailed questions about the sighting

1375
01:02:42,159 --> 01:02:46,629
and he had the impression however that

1376
01:02:44,409 --> 01:02:48,578
one of the men was an American this

1377
01:02:46,630 --> 01:02:51,039
questioning went on for about three

1378
01:02:48,579 --> 01:02:51,519
hours he had to repeat the entire event

1379
01:02:51,039 --> 01:02:53,469
Oh

1380
01:02:51,519 --> 01:02:56,440
over and over again as well as tell

1381
01:02:53,469 --> 01:02:59,379
technical details and at one point he

1382
01:02:56,440 --> 01:03:02,650
was politely asked to asked to read and

1383
01:02:59,380 --> 01:03:05,710
sign a form printed in German it stated

1384
01:03:02,650 --> 01:03:08,619
that he had had bet he agreed never to

1385
01:03:05,710 --> 01:03:11,889
disclose the details of his UFO sighting

1386
01:03:08,619 --> 01:03:14,469
a pilot bravely declined to sign the

1387
01:03:11,889 --> 01:03:16,869
form despite the fact that it was firmly

1388
01:03:14,469 --> 01:03:20,679
suggested that his pilot's license might

1389
01:03:16,869 --> 01:03:22,599
be suspended if he did not do so after

1390
01:03:20,679 --> 01:03:24,190
this they finally let him go and later

1391
01:03:22,599 --> 01:03:27,369
it was discovered that parts of the

1392
01:03:24,190 --> 01:03:29,679
aircraft landing here and engine

1393
01:03:27,369 --> 01:03:31,389
crankshaft were strongly and permanently

1394
01:03:29,679 --> 01:03:34,869
magnetized and they had to be replaced

1395
01:03:31,389 --> 01:03:38,289
at a later date so you see there is a

1396
01:03:34,869 --> 01:03:40,000
UFO encounter over German territory the

1397

01:03:38,289 --> 01:03:43,449
pilot calls for Mayday there are

1398
01:03:40,000 --> 01:03:49,960
obviously American fighter jets coming

1399
01:03:43,449 --> 01:03:53,250
up to him they accompany him to land on

1400
01:03:49,960 --> 01:03:56,710
Hannover Airport where he is eventually

1401
01:03:53,250 --> 01:04:00,030
debriefed or questioned by American

1402
01:03:56,710 --> 01:04:04,449
obviously American military personnel on

1403
01:04:00,030 --> 01:04:09,840
German territory in 1976 so this might

1404
01:04:04,449 --> 01:04:12,519
be the example of that at that time

1405
01:04:09,840 --> 01:04:16,900
normal procedure when it came to UFO

1406
01:04:12,519 --> 01:04:18,940
sightings and remember Germany still to

1407
01:04:16,900 --> 01:04:20,680
this day has hosts the biggest US

1408
01:04:18,940 --> 01:04:22,720
military base outside the United States

1409
01:04:20,679 --> 01:04:25,779
Ramstein you know and I think it's

1410
01:04:22,719 --> 01:04:28,769
currently 33 thousand US troops who are

1411
01:04:25,780 --> 01:04:31,420

stationed in Germany and another 1500

1412

01:04:28,769 --> 01:04:33,849

are going to show up in within the next

1413

01:04:31,420 --> 01:04:36,130

two years so it may be the case that

1414

01:04:33,849 --> 01:04:39,670

this is still going on that whenever

1415

01:04:36,130 --> 01:04:41,650

there are UFO cases UFO encounters it is

1416

01:04:39,670 --> 01:04:44,889

the Americans to take charge of it on

1417

01:04:41,650 --> 01:04:46,930

the political side recently there seems

1418

01:04:44,889 --> 01:04:50,609

to be some renewed interest in the

1419

01:04:46,929 --> 01:04:52,769

subject of UFOs and especially

1420

01:04:50,610 --> 01:04:55,030

extraterrestrial life there was an

1421

01:04:52,769 --> 01:04:58,389

parliamentary question to the government

1422

01:04:55,030 --> 01:05:03,080

only a short time ago in July 2018

1423

01:04:58,389 --> 01:05:05,299

another deputy of the Green Party as

1424

01:05:03,079 --> 01:05:08,090

the German government what precautions

1425

01:05:05,300 --> 01:05:11,240

protocols are plans for a possible first

1426
01:05:08,090 --> 01:05:13,430
contact with et life exists on the part

1427
01:05:11,239 --> 01:05:15,529
of the federal government and its

1428
01:05:13,429 --> 01:05:16,940
subordinate authorities and if they have

1429
01:05:15,530 --> 01:05:19,610
ever talked about it with other

1430
01:05:16,940 --> 01:05:21,950
countries and the answer is there are no

1431
01:05:19,610 --> 01:05:23,720
protocols or plans for a possible first

1432
01:05:21,949 --> 01:05:26,029
contact because the federal government

1433
01:05:23,719 --> 01:05:28,279
considers the first contact on the

1434
01:05:26,030 --> 01:05:30,890
territory of Germany to be extremely

1435
01:05:28,280 --> 01:05:33,740
unlikely according to the current state

1436
01:05:30,889 --> 01:05:36,769
of scientific knowledge so you see

1437
01:05:33,739 --> 01:05:39,649
within 10 years German government has

1438
01:05:36,769 --> 01:05:43,159
made considerable considerable progress

1439
01:05:39,650 --> 01:05:45,380
in estimating the situation of first

1440
01:05:43,159 --> 01:05:47,389
contact in 2008 they said it's out of

1441
01:05:45,380 --> 01:05:49,670
the question 10 years later at least

1442
01:05:47,389 --> 01:05:52,339
it's they call it they deem it extremely

1443
01:05:49,670 --> 01:05:57,139
unlikely so it's not out of the question

1444
01:05:52,340 --> 01:06:00,970
any longer so you see we make we made

1445
01:05:57,139 --> 01:06:05,019
huge progress during the last 10 years

1446
01:06:00,969 --> 01:06:05,019
thank you for your attention
