

1
00:00:01,550 --> 00:00:08,370
nightline continues from new york city

2
00:00:04,230 --> 00:00:10,980
with martin bashir for more than two

3
00:00:08,369 --> 00:00:13,018
decades the archives collected dust

4
00:00:10,980 --> 00:00:17,100
hidden from the public by the British

5
00:00:13,019 --> 00:00:20,730
government some 4,500 pages of
documents

6
00:00:17,100 --> 00:00:23,250
detailing UFO eyewitness accounts that

7
00:00:20,730 --> 00:00:26,399
defense officials recorded and in some

8
00:00:23,250 --> 00:00:28,948
cases investigated but today light was

9
00:00:26,399 --> 00:00:31,948
shown in a dark place when a portion of

10
00:00:28,949 --> 00:00:34,439
that archive was Declassified so did

11
00:00:31,949 --> 00:00:39,109
these documents answer the question are

12
00:00:34,439 --> 00:00:41,759
we really alone Nick what now reports

13
00:00:39,109 --> 00:00:44,969
lieutenant Milton Torres was ordered to

14
00:00:41,759 --> 00:00:49,890
keep silent about what happened today

we

15

00:00:44,969 --> 00:00:51,840

learned the details may 20th 1957 he

16

00:00:49,890 --> 00:00:54,259

scrambled his saber jets from a base in

17

00:00:51,840 --> 00:00:58,350

England with orders to arm all weapons

18

00:00:54,259 --> 00:01:01,500

fire and sight before he could fire the

19

00:00:58,350 --> 00:01:06,659

erratic bright blip on his radar simply

20

00:01:01,500 --> 00:01:09,390

disappear April 1991 an Italian airline

21

00:01:06,659 --> 00:01:12,150

pilot approaching Heathrow so a craft he

22

00:01:09,390 --> 00:01:15,150

described as light brown similar to a

23

00:01:12,150 --> 00:01:16,259

missile he shouted to his co-pilot look

24

00:01:15,150 --> 00:01:18,630

out look out

25

00:01:16,259 --> 00:01:21,900

the British government investigated this

26

00:01:18,629 --> 00:01:25,649

near-miss but came up with nothing there

27

00:01:21,900 --> 00:01:27,810

are some cases and it's about 5% that

28
00:01:25,650 --> 00:01:30,170
can't be explained they are genuine

29
00:01:27,810 --> 00:01:30,170
unknowns

30
00:01:30,329 --> 00:01:36,750
Mick Hope worked for Britain's Ministry

31
00:01:32,670 --> 00:01:41,120
of Defence his job to investigate UFO

32
00:01:36,750 --> 00:01:43,920
sightings overleaf<font
color="#E5E5E5"> we have a sketch

33
00:01:41,120 --> 00:01:46,439
extremely interesting people are taken

34
00:01:43,920 --> 00:01:50,519
seriously people are listened to people

35
00:01:46,439 --> 00:01:54,780
are believed and people are prepared to

36
00:01:50,519 --> 00:01:57,269
investigate 11,000 UFO sightings have

37
00:01:54,780 --> 00:02:00,420
been reported in Britain since 1959

38
00:01:57,269 --> 00:02:03,780
records of everyone are kept here in the

39
00:02:00,420 --> 00:02:06,390
vast National Archive only now are the

40
00:02:03,780 --> 00:02:09,719
details being revealed conspiracy

41
00:02:06,390 --> 00:02:12,870
theories have already started suggesting

42

00:02:09,719 --> 00:02:15,120

for example that this is a a whitewash

43

00:02:12,870 --> 00:02:17,550

that this is disinformation I don't

44

00:02:15,120 --> 00:02:19,680

think the Ministry has revealed

45

00:02:17,550 --> 00:02:22,350

everything by any means the facts are

46

00:02:19,680 --> 00:02:25,110

too disturbing for the majority of the

47

00:02:22,349 --> 00:02:27,960

populace some of them actually have

48

00:02:25,110 --> 00:02:33,180

bases and have had bases on planet earth

49

00:02:27,960 --> 00:02:35,939

for maybe thousands of years any day now

50

00:02:33,180 --> 00:02:38,760

the most contentious file of them all

51

00:02:35,939 --> 00:02:39,300

will be opened the file on Rendlesham

52

00:02:38,759 --> 00:02:43,310

forest

53

00:02:39,300 --> 00:02:43,310

Britain's equivalent of Roswell

54

00:02:45,310 --> 00:02:52,659

I have no explanation for the Rendlesham

55
00:02:49,239 --> 00:02:57,700
forest incident it was Christmas night

56
00:02:52,659 --> 00:02:59,889
1980 guards at two US Air Force bases in

57
00:02:57,699 --> 00:03:02,889
eastern England thought they saw a plane

58
00:02:59,889 --> 00:03:07,000
crash in these woods they investigated

59
00:03:02,889 --> 00:03:10,029
and reported a strange glowing object

60
00:03:07,000 --> 00:03:12,189
metallic in appearance it illuminated

61
00:03:10,030 --> 00:03:20,979
the entire forest the object was

62
00:03:12,189 --> 00:03:23,560
hovering or on legs two nights later the

63
00:03:20,979 --> 00:03:26,560
lights returned Lieutenant Colonel

64
00:03:23,560 --> 00:03:29,640
Charles halt recorded this as he walked

65
00:03:26,560 --> 00:03:29,640
through the dark forest

66
00:03:47,909 --> 00:03:55,329
Holtzman recorded high radiation levels

67
00:03:51,099 --> 00:03:58,299
here at the alleged landing site it

68
00:03:55,329 --> 00:04:03,459
suggests that this object whatever it

69
00:03:58,299 --> 00:04:05,969
was was unusual in nature something was

70
00:04:03,459 --> 00:04:09,400
physically present in that clearing

71
00:04:05,969 --> 00:04:15,159
do you see aliens yes we have done so

72
00:04:09,400 --> 00:04:17,560
yes fellow UFO enthusiasts believe

73
00:04:15,159 --> 00:04:20,079
Rendlesham forest is still an alien

74
00:04:17,560 --> 00:04:23,288
destination when they come they come
in

75
00:04:20,079 --> 00:04:24,910
a load of mist like just a whole cloud

76
00:04:23,288 --> 00:04:26,699
of mist and you can actually see them

77
00:04:24,910 --> 00:04:29,280
standing in the mist

78
00:04:26,699 --> 00:04:32,339
these are the photographs but Brenda

79
00:04:29,279 --> 00:04:34,919
rarely snaps the aliens she meets and

80
00:04:32,339 --> 00:04:36,479
I've said to you know that they don't

81
00:04:34,920 --> 00:04:42,750
like photographs they don't like the

82
00:04:36,480 --> 00:04:44,970
flash right because I mean if aliens

83
00:04:42,750 --> 00:04:47,399
really do want to make contact with our

84
00:04:44,970 --> 00:04:51,210
leaders why would they chat to Brenda in

85
00:04:47,399 --> 00:04:54,719
a remote forest ridicule is the

86
00:04:51,209 --> 00:05:00,359
principal tool used to discredit the

87
00:04:54,720 --> 00:05:02,490
subject but says good the time has come

88
00:05:00,360 --> 00:05:06,150
the policy of our governments has

89
00:05:02,490 --> 00:05:09,000
changed and releasing these files is key

90
00:05:06,149 --> 00:05:12,419
the official agenda is I've been told on

91
00:05:09,000 --> 00:05:15,800
both sides of the Atlantic is that

92
00:05:12,420 --> 00:05:20,100
gradual disclosure has to be the way and

93
00:05:15,800 --> 00:05:22,949
my instinct tells me that disclosure

94
00:05:20,100 --> 00:05:25,200
process has begun something's being

95
00:05:22,949 --> 00:05:29,069
tracked flew off in the direction of

96
00:05:25,199 --> 00:05:30,750
Basel done we're being primed and when

97

00:05:29,069 --> 00:05:33,839

we're deemed ready to handle the

98

00:05:30,750 --> 00:05:35,759

unsettling truth of aliens among us then

99

00:05:33,839 --> 00:05:38,879

all will be revealed

100

00:05:35,759 --> 00:05:42,349

have we been attacked I think there is a

101

00:05:38,879 --> 00:05:45,180

conflict situation very noisy

102

00:05:42,350 --> 00:05:48,840

interesting I'm the water annoyed line

103

00:05:45,180 --> 00:05:51,350

in London interesting indeed our thanks

104

00:05:48,839 --> 00:05:51,349

to Nick watt
