we had a maintenance bay here and we had

157  
00:09:02,039 --> 00:09:11,699

about a two thousand pound door or cover

158

00:09:07,649 --> 00:09:16,860

that covered the missile and I'll speak

527  
00:31:21,230 --> 00:31:27,058  
the phone calls we hear bells

you know is that valid honestly don't I

551  
00:32:39,419 --> 00:32:45,379  
also have security lights and so I sent

552  
00:32:43,648 --> 00:32:48,839  
I called upstairs

553  
00:32:45,378 --> 00:32:53,969  
they said the UFO was gone I flow now

554  
00:32:48,839 --> 00:32:55,769  
and but we had lights security at the

555

launch facilities where the missiles are

556  
00:32:55,769 --> 00:33:00,359

located and so I sent guards there to

557

00:32:59,669 --> 00:33:03,450

565

00:33:27,148 --> 00:33:34,528

was happening obviously because we had

567

00:33:34,528 --> 00:33:39,509

726  
00:43:20,219 --> 00:43:26,879  
that's the message that Colonel Arneson

727

733

up because this is the same message we

734

00:43:48,719 --> 00:43:56,230

just looked at same message

735

00:43:50,769 --> 00:43:58,840

738

00:44:01,449 --> 00:44:07,480

748  
00:44:29,349 --> 00:44:38,409  
example of how the Air Force can control

749  
00:44:35,619 --> 00:44:41,140  
the documents that they sent but I

Raymond Fowler

880  
00:52:17,530 --> 00:52:25,780  
later gave an interview in 1972 to the

for the missile shutdowns they never

1128

01:06:35,929 --> 01:06:43,250  
determine the valid reason I presented

1129

01:06:38,809 --> 01:06:49,299  
witnesses documents to show that it was

1130

01:06:43,250 --> 01:06:52,400  
a UFO event and I sincerely believed

1131

01:06:49,300 --> 01:06:58,370  
that this was an intelligently

1132

1139

01:07:20,030 --> 01:07:25,220  
public has a need to know write to them

1140

01:07:22,210 --> 01:07:28,460  
about these facts and that's what

1141  
01:07:25,219 --> 01:07:31,879  
motivates by speaking of a required

1145  
01:07:37,900 --> 01:07:43,340  
believe the incidents were simply a

1146  
01:07:40,190 --> 01:07:46,639  
message because the missiles themselves

1147  
01:07:43,340 --> 01:07:50,030  
were not damaged we were able to bring

1148  
01:07:46,639 --> 01:07:52,219  
the missiles back up on alert in about

1149  
01:07:50,030 --> 01:07:55,070  
24 hours there was no damage

1150  
01:07:52,219 --> 01:07:58,759

it not be without weeks of the bone

1204  
01:10:51,439 --> 01:10:58,169  
there's enough weapons-grade nuclear

1205  
01:10:54,840 --> 01:11:01,800  
material in the world to build a hundred

1206

Fukushima disaster which is still

1212  
01:11:19,319 --> 01:11:24,500  
ongoing and we still don't understand

1213  
01:11:21,960 --> 01:11:27,929  
the destruction that that has caused

1214  
01:11:24,500 --> 01:11:31,590

the possibility of more nuclear

still producing plutonium for nuclear

1223

weapons became very close to the

1224  
01:11:58,408 --> 01:12:04,289

nuclear reactor in Nebraska that became

1226

01:12:04,289 --> 01:12:10,828  
flooded due to heavy rains which could

1227

excessive secrecy in government

1258  
01:14:08,609 --> 01:14:18,460  
including the UFO secrecy this is the

1259  
01:14:13,960 --> 01:14:20,439  
problem I think this shows just some

1260  
01:14:18,460 --> 01:14:24,369  
data here about the number of documents

1261  
01:14:20,439 --> 01:14:27,519  
that were classified there are 3 million

1262  
01:14:24,369 --> 01:14:31,079  
people in government US solvent that has

1263  
01:14:27,520 --> 01:14:31,080  
access to classified material

1264  
01:14:31,208 --> 01:14:36,639  
no joke what yeah what's the craic bit

1265  
01:14:35,590 --> 01:14:39,038  
excessive

1266  
01:14:36,639 --> 01:14:42,969  
can you just go back to the previous

the DoCoMo committee click CC yeah it

1270  
01:14:47,319 --> 01:14:54,788  
was on the wrong QEP you I see you I see

1271  
01:14:50,578 --> 01:14:58,569  
a seductive oh so this is a

1272  
01:14:54,788 --> 01:15:00,550  
congressional report by US Congress and

1273  
01:14:58,569 --> 01:15:04,558  
I just want to quote the chairman of

1274  
01:15:00,550 --> 01:15:08,229  
this committee Daniel Moynihan

1275  
01:15:04,559 --> 01:15:12,400  
over-classification poses a danger to

1276  
01:15:08,229 --> 01:15:15,010  
national security because it deprives

1277  
01:15:12,399 --> 01:15:18,129  
the country of free exchange of ideas

1278  
01:15:15,010 --> 01:15:20,860  
and information especially that the

1279  
01:15:18,130 --> 01:15:23,439  
hopper would call a medic communist like

1280  
01:15:20,859 --> 01:15:26,098  
everybody said Soros okay it won't cure

1281  
01:15:23,439 --> 01:15:28,840  
this thing you're the president do you

1282  
01:15:26,099 --> 01:15:33,248  
depend on the second assume that n ye

1283

01:15:28,840 --> 01:15:36,400  
han keiko lik see the the classification

1284  
01:15:33,248 --> 01:15:40,599  
pulls the don't really the national

1285  
01:15:36,399 --> 01:15:43,018  
parks Casella please will be the Lycians

1286  
01:15:40,599 --> 01:15:46,360  
really what you did affirmative

1287  
01:15:43,019 --> 01:15:48,309  
yeah so again another reason this should

1288  
01:15:46,359 --> 01:15:51,788  
be made public and the reason I'm

1289  
01:15:48,309 --> 01:15:53,529  
speaking is because access to

1290  
01:15:51,788 --> 01:15:55,389  
information allows the public to

1291  
01:15:53,529 --> 01:15:59,828  
understand the activities of government

1292  
01:15:55,389 --> 01:16:04,090  
and promote an informed debate and

1293  
01:15:59,828 --> 01:16:07,179  
accountability of this a don't you know

1294

you have mo over the years of studying

1307

01:17:00,949 --> 01:17:08,149  
this phenomenon I have come to realize

1308

01:17:05,060 --> 01:17:12,170  
that I believe there is a cabal that is

1309

01:17:08,149 --> 01:17:13,189  
controlling the UFO secrets I tried to

1310

01:17:12,170 --> 01:17:18,289  
make a diagram

1311

01:17:13,189 --> 01:17:20,000  
I'm still working on it but other people

1312  
01:17:18,289 --> 01:17:24,979  
have said that there is a secret group

1313  
01:17:20,000 --> 01:17:28,010  
controlling this information ok cool do

1314

the mezzanine you don't care Joseph is

1315

1316  
01:17:31,159 --> 01:17:36,050  
did then jaga hadn't seen be sort of

1317

1321  
01:17:47,869 --> 01:17:53,840  
verification by Lieutenant Colonel of

1322  
01:17:50,659 --> 01:17:56,119  
work for the Peruvian Air Force he

1323  
01:17:53,840 --> 01:17:58,159  
attended a meeting with general officers

1324  
01:17:56,119 --> 01:18:02,000  
of the Peruvian Air Force and the

1325  
01:17:58,159 --> 01:18:05,449  
American airports at that meeting they

1326  
01:18:02,000 --> 01:18:09,260  
said the Air Force expects Peru to

1327  
01:18:05,449 --> 01:18:14,179  
cooperate and report all UFO reports to

1328  
01:18:09,260 --> 01:18:18,409  
them this was within the last 10 years

1329  
01:18:14,180 --> 01:18:21,470  
I'd say to me it's indicative of the

1330  
01:18:18,409 --> 01:18:24,710  
fact that the American intelligence

1331  
01:18:21,470 --> 01:18:27,909  
agencies are controlling the secret

1332  
01:18:24,710 --> 01:18:31,880  
worldwide it will do Johnny Galecki

1343

group controlling information about UFO

1344

phenomena such as recovery of craft and

1348

1349  
01:19:31,510 --> 01:19:40,498  
new technology and possibly interaction

subject

1404  
01:25:13,960 --> 01:25:22,010  
don't levels typically eel don't pay so

1405  
01:25:18,590 --> 01:25:25,819  
lovely and this is typical of some of

1406  
01:25:22,010 --> 01:25:29,570  
the reports where the talk about a sort

1407  
01:25:25,819 --> 01:25:32,179  
of a plasma gas field around the object

1408  
01:25:29,569 --> 01:25:35,119  
if the cage where you like actually

1412

01:25:41,020 --> 01:25:46,280  
video about a actual UFO

1413

01:25:44,270 --> 01:25:48,969

1442  
01:27:55,889 --> 01:28:03,389  
remain independent because I think a lot

1443  
01:27:59,550 --> 01:28:07,619  
of the organizations are infiltrated by

1444  
01:28:03,389 --> 01:28:09,539  
intelligence people messy possession to

1548  
01:37:10,810 --> 01:37:18,130  
evidence that the our US Air Force has

in fact coordinated with other countries

not just in South America but many other

countries about their UFO incidents and

1552

1718  
01:48:28,198 --> 01:48:31,319

1809  
01:54:58,408 --> 01:55:09,388

1810  
01:55:03,300 --> 01:55:12,079

specific signal he identified however he

1811

01:55:09,389 --> 01:55:18,208

1831  
01:56:57,960 --> 01:57:01,279  
thank you for that question

1832  
01:57:04,310 --> 01:57:11,780  
after this incident I certainly began to

1833  
01:57:07,859 --> 01:57:17,339  
realize that this was important and that

1834  
01:57:11,779 --> 01:57:22,319  
it verified that something happened

1835  
01:57:17,340 --> 01:57:24,449  
nobody could explain and eventually I

1836  
01:57:22,319 --> 01:57:29,069  
realized that this could not have been

1837  
01:57:24,448 --> 01:57:32,519  
done by any any technology we had this

1838

pal I'll go through the story because I

1851  
01:58:36,970 --> 01:58:49,090  
think it's important when they one

1852  
01:58:45,460 --> 01:58:52,930  
engineer was bringing one of Echo flight

1853

01:58:49,090 --> 01:58:56,069  
missiles back up on alert he had to work

1854  
01:58:52,930 --> 01:58:59,340  
in that maintenance area I showed you

1855  
01:58:56,069 --> 01:59:08,229  
where they do maintenance on the missile

1856  
01:58:59,340 --> 01:59:09,460  
in the in the tube right and as as he

1857  
01:59:08,229 --> 01:59:10,929  
was working he was going through a

1858  
01:59:09,460 --> 01:59:14,050  
checklist yeah

1859  
01:59:10,930 --> 01:59:17,260  
now this is the testimony of a witness I

1860  
01:59:14,050 --> 01:59:21,520  
can't identify but he is a very high

1861  
01:59:17,260 --> 01:59:23,289  
position in a aerospace company and he

1862  
01:59:21,520 --> 01:59:25,180  
can't afford to come public but I

1863  
01:59:23,289 --> 01:59:30,970  
believed him because we were able to

1864  
01:59:25,180 --> 01:59:32,920  
locate his name as working there as he

1865  
01:59:30,970 --> 01:59:37,360  
was working downstairs the guard

1866  
01:59:32,920 --> 01:59:41,800  
upstairs rattled the ladder and was

1867  
01:59:37,359 --> 01:59:46,630

frightened told the the engineer to come

1868

01:59:41,800 --> 01:59:51,400

upstairs he pointed to orange object

1869

and then decided to continue his

1892

checklist here we even surprised himself

1893  
02:00:58,340 --> 02:01:05,360  
but he went back down the ladder and

1894  
02:01:01,420 --> 02:01:07,579  
began running through his checklist he

1895  
02:01:05,359 --> 02:01:10,849  
got to a certain point that brought the

1896  
02:01:07,579 --> 02:01:16,158  
missile back up on alert and then it

1897  
02:01:10,850 --> 02:01:18,500  
shut down again this object is still up

1898  
02:01:16,158 --> 02:01:22,488  
there so he went through his checklist

1899  
02:01:18,500 --> 02:01:25,880  
again and it shut down the same place

1900  
02:01:22,488 --> 02:01:30,250  
same place on the checklist he may try

1901  
02:01:25,880 --> 02:01:34,609  
this many times he said he could feel a

1902

rope of energy coming down the to a rope

1903

of energy and it was right next to him

1904  
02:01:38,779 --> 02:01:47,090  
he could feel it this energy and every

1905  
02:01:45,408 --> 02:01:50,750  
time he tried to start the missile up

1906

the same location in the checklist it

1907  
02:01:50,750 --> 02:01:57,079  
would shut down so the object was

1908

speculation is that this higher

1996

about that also it's not just about us

2001  
02:08:35,029 --> 02:08:43,880  
they're concerned about the environment

2002  
02:08:37,460 --> 02:08:51,109  
in our solar system but I think they

2003  
02:08:43,880 --> 02:08:53,210  
want us to develop to evolve to the

2004  
02:08:51,109 --> 02:08:56,119  
point where we will decide we will

2005

decide to get rid of our nuclear weapons

2006  
02:08:56,119 --> 02:09:01,099  
and I think that's what they want us to

flying in the sky not a meteor yeah and

2039

02:11:10,679 --> 02:11:18,719

she reports at the paper so that's just

2040

02:11:13,349 --> 02:11:21,170

one bit of evidence but certainly these

2041

02:11:18,719 --> 02:11:24,029

objects are able to do phenomenal things

2042

02:11:21,170 --> 02:11:28,340

phenomenal things and if they have been

2043

02:11:24,029 --> 02:11:30,569

visiting since ancient times certainly

2044

02:11:28,340 --> 02:11:35,279

they could have helped the Egyptians

2045

02:11:30,569 --> 02:11:37,349

2063  
02:12:45,300 --> 02:12:54,820  
again here is my speculation right my

2064  
02:12:51,729 --> 02:12:58,618  
speculation is that they want us to

2065  
02:12:54,819 --> 02:13:02,198  
realize how dangerous these weapons are

2066  
02:12:58,618 --> 02:13:07,238  
Nagasaki Hiroshima as you saw in the

2067  
02:13:02,198 --> 02:13:10,808  
picture clearly demonstrates that these

2068  
02:13:07,238 --> 02:13:12,750  
are not weapons of war there are weapons

2069  
02:13:10,809 --> 02:13:15,429  
of annihilation

2070  
02:13:12,750 --> 02:13:20,469  
they're weapons of annihilation just to

2071  
02:13:15,429 --> 02:13:23,770  
destroy and and again I point out that

2072  
02:13:20,469 --> 02:13:25,779  
that was a 15 kilotons weapon and we

2073  
02:13:23,770 --> 02:13:30,130  
developed weapons up into the megatons

2074  
02:13:25,779 --> 02:13:32,649  
the h-bomb right so it's easy to

2075  
02:13:30,130 --> 02:13:36,719  
understand that now we could destroy

2076  
02:13:32,649 --> 02:13:42,308  
every living thing on this planet for

2077  
02:13:36,719 --> 02:13:44,590  
centuries for thousands of years so it

2078  
02:13:42,309 --> 02:13:48,010  
was a demonstration is I think they

2079  
02:13:44,590 --> 02:13:54,639  
allowed us to drop the bomb on Hiroshima

2080  
02:13:48,010 --> 02:13:59,739  
so we would be terrified terrified of a

witnesses we are we've heard about the

2123  
02:16:56,079 --> 02:17:01,238  
testimony of a bus a train you know you

2124  
02:16:58,540 --> 02:17:04,179  
say that we was following space a UFO

2125  
02:17:01,238 --> 02:17:06,429  
there is much and more pressure to twist

2126  
02:17:04,179 --> 02:17:09,609  
the commands and to not disclose the

2127  
02:17:06,429 --> 02:17:15,340  
truth so do you think that is going to

2128  
02:17:09,609 --> 02:17:17,859  
happen a discussion yes I think it's

2129  
02:17:15,340 --> 02:17:19,510  
going to happen me I can't tell you when

2130  
02:17:17,859 --> 02:17:21,460  
I don't know when it's going to happen

2131  
02:17:19,510 --> 02:17:25,840  
but the reason I think it's going to

2132  
02:17:21,459 --> 02:17:28,658  
happen is because of the number of good

2133  
02:17:25,840 --> 02:17:34,510  
cases good cases meaning multiple

2134  
02:17:28,658 --> 02:17:37,658  
witnesses reports we're seeing the news

2135  
02:17:34,510 --> 02:17:42,779  
media reporting more and more of these

2136  
02:17:37,658 --> 02:17:45,449  
sightings such as the one in China the

2137  
02:17:42,779 --> 02:17:51,369  
sightings and other places of the world

2138

02:17:45,449 --> 02:17:53,349  
and eventually I think the quantity the
