

Vincente DePaula

This page is dedicated to Vincente DePaula, a graphic artist and close friend. For his effort in drawing a little seen alien head, Vinnie was subjected to over 41 hours of interrogation by agents of the United States Defense Investigative Service (DIS), who threatened him with loss of his security clearance if he failed to disclose the source of information for this drawing.

**There are two people alive who know the source.
They prefer not to reveal what they know.**

Vinnie died as a result of induced cancer. At our last meeting before his death, he whispered, "I didn't tell them a damned thing . . . and they killed me."

Rest In Peace, Vinnie.
